Τίμων ὁ ἀδελφὸς ἑστιῶν πλείονας ἕκαστον ἐκέλευε τῶν εἰσιόντων ὅποι βούλεται παρεμβάλλειν καὶ κατακλίνεσθαι, [d] διὰ τὸ καὶ ξένους καὶ πολίτας καὶ συνήθεις καὶ οἰκείους καὶ ὅλως παντοδαποὺς τοὺς κεκλημένους εἶναι. πολλῶν οὖν ἤδη παρόντων ξένος τις ὥσπερ εὐπάρυφος ἐκ κωμῳδίας, ἐσθῆτί τε περιττῇ καὶ ἀκολουθίᾳ παίδων ὑποσολοικότερος, ἧκεν ἄχρι τῶν θυρῶν τοῦ ἀνδρῶνος, καὶ κύκλῳ ταῖς ὄψεσιν ἐπελθὼν τοὺς κατακειμένους οὐκ ἠθέλησεν εἰσελθεῖν ἀλλ' ᾤχετ' ἀπιών· καὶ πολλῶν μεταθεόντων οὐκ ἔφη τὸν ἄξιον ἑαυτοῦ τόπον ὁρᾶν λειπόμενον. ἐκεῖνον μὲν οὖν πολλῷ γέλωτι 'χαίροντας εὐφημοῦντας ἐκπέμπειν δόμων' (Eur. fr. 449) ἐκέλευον οἱ [e] κατακείμενοι· καὶ γὰρ ἦσαν πολλοὶ μετρίως ὑποπεπωκότες. ἐπεὶ δὲ τὰ περὶ τὸ δεῖπνον τέλος εἶχεν, ὁ πατὴρ ἐμὲ πορρωτέρω κατακείμενον προσειπών 'Τίμων' ἔφη 'κἀγὼ κριτήν σε πεποιήμεθα διαφερόμενοι· πάλαι γὰρ ἀκούει κακῶς ὑπ' ἐμοῦ διὰ τὸν ξένον· εἰ γὰρ διετάττετ' ἀπ' ἀρχῆς, ὥσπερ ἐκέλευον ἐγώ, τὰς κλίσεις, οὐκ ἂν εὐθύνας ὑπείχομεν ἀταξίας ἀνδρὶ δεινῷ (B 554) 'κοσμῆσαι ἵππους τε καὶ ἀνέρας ἀσπιδιώτας.' καὶ γὰρ δὴ Παῦλον Αἰμίλιον στρατηγὸν λέγουσιν, ὅτε Περσέα καταπολεμήσας ἐν Μακεδονίᾳ πότους συνεκρότει, κόσμῳ τε θαυμαστῷ περὶ πάντα καὶ περιττῇ τάξει χρώμενον [f] εἰπεῖν ὅτι τοῦ αὐτοῦ ἀνδρός ἐστι καὶ φάλαγγα συστῆσαι φοβερωτάτην καὶ συμπόσιον ἥδιστον, ἀμφότερα γὰρ εὐταξίας εἶναι. καὶ τοὺς ἀρίστους καὶ βασιλικωτάτους ὁ ποιητὴς (A 16 et al.) εἴωθε 'κοσμήτορας λαῶν' προσαγορεύειν. καὶ τὸν μέγαν θεὸν ὑμεῖς πού φατε τὴν [616] [a] ἀκοσμίαν εὐταξίᾳ μεταβαλεῖν εἰς κόσμον οὔτ' ἀφελόντα τῶν ὄντων οὐδὲν οὔτε προσθέντα, τῷ δ' ἕκαστον ἐπὶ τὴν προσήκουσαν χώραν καταστῆσαι τὸ κάλλιστον ἐξ ἀμορφοτάτου σχῆμα περὶ τὴν φύσιν ἀπεργασάμενον. ἀλλὰ ταῦτα μὲν τὰ σεμνότερα καὶ μείζονα παρ' ὑμῶν μανθάνομεν· αὐτοὶ δὲ καὶ τὴν περὶ τὰ δεῖπνα δαπάνην ὁρῶμεν οὐδὲν ἔχουσαν ἐπιτερπὲς οὐδ' ἐλευθέριον, εἰ μὴ τάξεως μετάσχοι. διὸ καὶ γελοῖόν ἐστι τοῖς μὲν ὀψοποιοῖς καὶ τραπεζοκόμοις σφόδρα μέλειν τί πρῶτον ἢ τί δεύτερον ἢ μέσον ἢ τελευταῖον ἐπάξουσιν, καὶ νὴ Δία μύρου τινὰ καὶ στεφάνων καὶ ψαλτρίας, ἂν τύχῃ παροῦσα, χώραν καὶ [b] τάξιν εἶναι, τοὺς δ' ἐπὶ ταῦτα καλουμένους εἰκῇ καὶ ὡς ἔτυχεν κατακλίναντα χορτάζειν, μήθ' ἡλικίᾳ μήτ' ἀρχῇ μήτ' ἄλλῳ τινὶ τῶν ὁμοίων τὴν ἁρμόττουσαν ἀποδιδόντα τάξιν, ἐν ᾗ τιμᾶται μὲν ὁ προέχων ἐθίζεται δ' ὁ δευτερεύων γυμνάζεται δ' ὁ τάττων πρὸς διάκρισιν καὶ στοχασμὸν τοῦ πρέποντος. οὐ γὰρ ἕδρα μὲν ἔστι καὶ στάσις τοῦ κρείττονος, κατάκλισις δ' οὐκ ἔστιν· οὐδὲ προπίεται ‹μὲν› ἑτέρῳ πρὸ ἑτέρου μᾶλλον ὁ

ΠΡΟΒΛΗΜΑ Δ

Ποῖόν τινα δεῖ τὸν συμποσίαρχον εἶναι

Κράτων ὁ γαμβρὸς ἡμῶν καὶ Θέων ὁ ἑταῖρος ἔν τινι πότῳ παροινίας ἀρχὴν λαβούσης εἶτα παυσαμένης λόγον ἐποιήσαντο περὶ τῆς συμποσιαρχίας, οἰόμενοί με δεῖν στεφανηφοροῦντα μὴ περιιδεῖν ... ἔθος ἐκλειφθὲν παντάπασιν, ἀλλ’ ἀνακαλεῖν καὶ καταστῆσαι πάλιν τῆς ἀρχῆς τὴν νενομισμένην ἐπιστασίαν περὶ τὰ συμπόσια καὶ διακόσμησιν. ἐδόκει δὲ ταῦτα καὶ τοῖς ἄλλοις, ὥστε θόρυβον [b] ἐκ πάντων καὶ παράκλησιν γενέσθαι. ‘ἐπεὶ τοίνυν’ ἔφην ἐγώ ‘δοκεῖ ταῦτα πᾶσιν, ἐμαυτὸν αἱροῦμαι συμποσίαρχον ὑμῶν καὶ κελεύω τοὺς μὲν ἄλλους ὡς βούλονται πίνειν ἐν τῷ

Μικρὰ μὲν οὖν ἠκκίσαντο παραιτούμενοι· κελευόντων δὲ πάντων πείθεσθαι τῷ ἄρχοντι καὶ ποιεῖν τὸ προσταττόμενον, [c] ἔφη πρότερος ὁ Κράτων, ὅτι δεῖ τὸν μὲν φυλάκων ἄρχοντα φυλακικώτατον, ὥς φησιν ὁ Πλάτων (Rep. 412c), εἶναι, τὸν δὲ συμποτῶν συμποτικώτατον. 'ἔστι δὲ τοιοῦτος, ἂν μήτε τῷ μεθύειν εὐάλωτος ᾖ μήτε πρὸς τὸ πίνειν ἀπρόθυμος, ἀλλ' ὡς ὁ Κῦρος ἔλεγεν πρὸς Λακεδαιμονίους γράφων, ὅτι τά τ' ἄλλα τοῦ ἀδελφοῦ βασιλικώτερος εἴη καὶ φέροι καλῶς πολὺν ἄκρατον· ὅ τε γὰρ παροινῶν ὑβριστὴς καὶ ἀσχήμων, ὅ τ' αὖ παντάπασι νήφων ἀηδὴς καὶ παιδαγωγεῖν μᾶλλον ἢ ‹συμ›ποσιαρχεῖν ἐπιτήδειος. ὁ μὲν οὖν Περικλῆς, ὁσάκις ᾑρημένος στρατηγὸς ἀναλαμβάνοι τὴν χλαμύδα, πρῶτον εἰώθει διαλέγεσθαι [d] πρὸς αὑτὸν ὥσπερ ὑπομιμνήσκων 'ὅρα, Περίκλεις· ἐλευθέρων ἄρχεις, Ἑλλήνων ἄρχεις, Ἀθηναίων ἄρχεις'· ὁ δὲ συμποσίαρχος ἡμῶν ἐκεῖνος λεγέτω πρὸς αὑτόν 'φίλων ἄρχεις', ἵνα μήτ' ἀσχημονεῖν ἐπιτρέπῃ μήτε τὰς ἡδονὰς ἀφαιρῇ. δεῖ δὲ καὶ σπουδῆς τὸν ἄρχοντα πινόντων οἰκεῖον εἶναι καὶ παιδιᾶς μὴ ἀλλότριον, ἀλλ' εὖ πως συγκεκραμένον πρὸς ἀμφότερα, σμικρῷ δὲ μᾶλλον, ὥσπερ οἶνον ἀστεῖον, ἀπονεύοντα τῇ φύσει πρὸς τὸ αὐστηρόν· ὁ γὰρ οἶνος ἄξει τὸ ἦθος εἰς τὸ μέτριον μαλακώτερον ποιῶν καὶ ἀνυγραίνων. ὥσπερ γὰρ ὁ Ξενοφῶν (Exped. ΠΡΟΒΛΗΜΑ Ϛ

Περὶ τῆς Ἀλεξάνδρου πολυποσίας

Λόγος ἦν περὶ Ἀλεξάνδρου τοῦ βασιλέως ὡς οὐ πολὺ πίνοντος ἀλλὰ πολὺν χρόνον ἐν τῷ πίνειν ‹καὶ› διαλέγεσθαι [e] τοῖς φίλοις ἕλκοντος. ἀπεδείκνυεν δ' αὐτοὺς φλυαροῦντας Φιλῖνος ἐκ τῶν βασιλικῶν ἐφημερίδων, ἐν αἷς συνεχέστατα γέγραπται καὶ πλειστάκις ὅτι 'τήνδε τὴν ἡμέραν ἐκ τοῦ πότου καθεύδων' ἔστι δ' ὅτε 'καὶ τὴν ἐφεξῆς'· διὸ καὶ πρὸς τὰς συνουσίας ἀργότερος ἦν, ὀξὺς δὲ καὶ θυμοειδὴς ἅπερ ἐστὶ σωματικῆς θερμότητος. λέγεται δὲ καὶ τοῦ χρωτὸς ἥδιστον ἀποπνεῖν ὥστε καταπιμπλάναι τοὺς χιτωνίσκους εὐωδίας ἀρωματιζούσης, ὃ δοκεῖ καὶ αὐτὸ θερμότητος εἶναι· διὸ καὶ τῆς οἰκουμένης οἱ ξηρότατοι καὶ θερμότατοι τόποι τήν τε κασίαν καὶ τὸν λιβανωτὸν [f] ἐκφέρουσιν· πέψει γάρ τινι τῶν ὑγρῶν ὁ Θεόφραστός φησιν ἐπιγίνεσθαι τὴν εὐωδίαν, ὅταν ἐξαιρεθῇ τὸ βλαβερὸν †ρισσὸν ὑπὸ θερμότητος. δοκεῖ δὲ καὶ Κα‹λλισθένης› ἐν διαβολῇ γε‹νέσθαι πρὸς αὐ›τόν, ὡς δυσχεραί‹νων συν›δειπνεῖν διὰ τὸν ‹πότον›· ἐπεὶ καὶ κύλικα λεγομένην Ἀλεξάνδρου μεγάλην ἐλθοῦσαν ἐπ' αὐτὸν ἀπεώσατο [624] [a] φήσας οὐκ ἐθέλειν Ἀλεξάνδρου πιὼν Ἀσκληπιοῦ δεῖσθαι. ταῦτα μὲν οὖν περὶ τῆς Ἀλεξάνδρου πολυποσίας.

Μιθριδάτην δὲ τὸν πολεμήσαντα Ῥωμαίοις ἐν τοῖς ἀγῶσιν, οὓς ἐπετέλει, καὶ πολυφαγίας ἆθλα θεῖναι καὶ πολυποσίας φασίν, νικῆσαι δ' αὐτὸν ἀμφότερα, καὶ ὅλως πιεῖν πλεῖστον ‹τῶν› καθ' αὑτὸν ἀνθρώπων, διὸ καὶ Διόνυσον ἐπικληθῆναι. τοῦθ' ἡμεῖς εἴπομεν ἕν τι τῶν εἰκῇ πεπιστευμένων εἶναι, τὸ περὶ τὴν αἰτίαν τῆς ἐπικλήσεως· νηπίου γὰρ ὄντος αὐτοῦ κεραυνὸς ἐπέφλεξε τὰ σπάργανα, τοῦ δὲ σώματος οὐχ ἥψατο, πλὴν ὅσον ἴχνος τι τοῦ πυρὸς ἐν τῷ μετώπῳ κρυπτόμενον ὑπὸ τῆς κόμης [b] ‹διαμέν›ειν αὐτῷ· παι...

ἀνδρὸς ἤδη πάλιν ἐπὶ τὸ δωμάτιον ἐμπεσὼν κεραυνὸς αὐτοῦ μὲν παρέπεσεν καθεύδοντος, τῆς δὲ φαρέτρας ὑπερκρεμαμένης διεξῆλθε τὰ βέλη πυρακτώσας. οἱ μὲν οὖν μάντεις ἀπεφήναντο πλεῖστον αὐτὸν ἰσχύσειν ἀπὸ τῆς τοξικῆς καὶ κούφης στρατιᾶς, οἱ δὲ πολλοὶ Διόνυσον αὐτὸν ἀπὸ τῶν κεραυνοβολιῶν ὁμοιότητι τοῦ πάθους προσηγόρευσαν.

Ἐκ τούτου ‹πάλιν› περὶ τῶν πολὺ πιόντων ἦν λόγος· ἐν οἷς καὶ τὸν πύκτην Ἡρακλείδην ἐτίθεσαν, ὃν Ἡρακλοῦν Ἀλεξανδρεῖς ὑπεκορίζοντο, κατὰ τοὺς πατέρας ἡμῶν γενόμενον. οὗτος ἀπορῶν συμπότου παραμένοντος ἐκάλει [c] τοὺς μὲν ἐπὶ πρόπομα τοὺς δ' ἐπ' ἄριστον ἄλλους δ' ἐπὶ δεῖπνον, ἐσχάτους δέ τινας ἐπὶ κῶμον· ἀπαλλαττομένων δὲ τῶν πρώτων ‹οἱ› δεύτεροι συνῆπτον εἶτ' ἐφεξῆς οἱ τρίτοι καὶ τέταρτοι· κἀκεῖνος οὐθὲν διάλειμμα ποιῶν ἅπασιν ἐξήρκει καὶ τοὺς τέσσαρας πότους συνδιέφερεν.

Τῶν δὲ Δρούσῳ τῷ Τιβερίου Καίσαρος υἱῷ συμβιούντων ὁ πάντας ἐν τῷ πίνειν †προτρεπόμενος ἰατρὸς ἑάλω τῶν πικρῶν ἀμυγδαλῶν πέντ' ἢ ἓξ ἑκάστοτε προλαμβάνων ἕνεκα τοῦ μὴ μεθύσκεσθαι· κωλυθεὶς δὲ καὶ παραφυλαχθεὶς οὐδ' ἐπὶ μικρὸν ἀντέσχεν. ἔνιοι μὲν οὖν [d] ᾤοντο τὰς ἀμυγδαλίδας δηκτικόν τι καὶ ῥυπτικὸν ἔχειν τῆς σαρκός, ὥστε καὶ τῶν προσώπων τὰς ἐφηλίδας ἐξαιρεῖν· ὅταν οὖν προληφθῶσι, τῇ πικρότητι τοὺς πόρους ἀμύσσειν καὶ δηγμὸν ἐμποιεῖν, ὑφ' οὗ τὸ ὑγρὸν κατασπῶσιν ἀπὸ τῆς κεφαλῆς διατμιζόμενον. ἡμῖν δὲ μᾶλλον ἡ τῆς πικρότητος ἐδόκει δύναμις ἀναξηραντικὴ καὶ δάπανος ὑγρῶν εἶναι· διὸ τῇ τε γεύσει πάντων ἐστὶ τῶν χυλῶν ὁ πικρὸς ἀηδέστατος (τὰ γὰρ φλέβια τῆς γλώττης, ὡς ὁ Πλάτων (Tim. 65c) φησίν, μαλακὰ καὶ μανότερ' ὄντα συντείνεται παρὰ φύσιν ὑπὸ τῆς ξηρότητος, ἐκτηκομένων τῶν ὑγρῶν) καὶ τὰ ἕλκη τοῖς πικροῖς ἀπισχναίνουσι φαρμάκοις, ὡς ὁ ποιητής φησιν (Λ 846)

[e] 'ἐπὶ δὲ ῥίζαν βάλε πικρὴν
χερσὶ διατρίψας ὀδυνήφατον, ἥ οἱ ‹ἁπάσας
ἔσχ' ὀδύνας· τὸ μὲν ἕλκος ἐτέρσετο,› παύσατο δ' αἷμα.'

τὸ γὰρ τῇ γεύσει πικρὸν τῇ δυνάμει ξηραντικὸν ὀρθῶς προσηγόρευσεν. φαίνεται δὲ καὶ τὰ διαπάσματα τῶν γυμνικῶν, οἷς ἀναρπάζουσι τοὺς ἱδρῶτας, πικρὰ τῇ γεύσει καὶ στυπτικὰ ὄντα σφοδρότητι †τοῦ στρυφνοῦ τὸ πικρόν . 'οὕτως οὖν' ἔφην 'τούτων ἐχόντων, εἰκότως ἡ τῶν ἀμυγδαλῶν πικρότης βοηθεῖ πρὸς τὸν ἄκρατον, ἀναξηραίνουσα τοῦ σώματος τὰ ἐντὸς καὶ οὐκ ἐῶσα πίμπλασθαι τὰς [f] φλέβας, ὧν διατάσει φασὶ καὶ ταραχῇ συμβαίνει τὸ μεθύειν. τεκμήριον δὲ τοῦ λόγου μέγα τὸ συμβαῖνον περὶ τὰς ἀλώπεκας· ἂν γὰρ ἀμυγδάλας πικρὰς φαγοῦσαι ‹μὴ› ἐπιπίωσι‹ν, ἀποθνήσκουσι› τῶν ὑγρῶν ἀθρό‹ως ἐκλει›πόντων.'

ΠΡΟΒΛΗΜΑ Ζ

Διὰ τί μᾶλλον ἀκράτῳ χαίρουσιν οἱ γέροντες

Ἐζητεῖτο περὶ τῶν γερόντων, διὰ τί μᾶλλον ἀκρατοτέρῳ τῷ ποτῷ χαίρουσιν. οἱ μὲν οὖν κατεψυγμένην τὴν ἕξιν αὐτῶν καὶ δυσεκθέρμαντον οὖσαν οἰόμενοι διὰ τοῦτο τῇ σφοδρότητι τῆς κράσεως ἐναρμόττειν ἐφαίνοντο κοινόν τι καὶ πρόχειρον οὐχ ἱκανὸν δὲ πρὸς τὴν αἰτίαν οὐδ' ἀληθὲς λέγοντες· καὶ γὰρ ἐπὶ τῶν ἄλλων αἰσθήσεων τὸ αὐτὸ συμβέβηκεν· δυσκίνητοι γάρ εἰσι καὶ δυσμετάβλητοι [b] πρὸς τὰς ἀντιλήψεις τῶν ποιοτήτων, ἂν μὴ κατάκοροι καὶ σφοδραὶ προσπέσωσιν. αἰτία δ' ἡ τῆς ἕξεως ἄνεσις· ἐκλυομένη γὰρ καὶ ἀτονοῦσα πλήττεσθαι φιλεῖ. διὸ τῇ τε γεύσει μάλιστα τοὺς δηκτικοὺς προσίενται χυμούς, ἥ τ' ὄσφρησις αὐτῶν ὅμοια πέπονθε πρὸς τὰς ὀσμάς, κινεῖται γὰρ ὑπὸ τῶν ἀκράτων ‹καὶ σφοδρῶν› ἥδιον· ἡ δ' ἁφὴ ‹πρὸς› τὰ ἕλκη δυσπα‹θής›, τραύματα γὰρ ‹ἐνίοτε› λαμβάνοντες ‹οὐ μάλ›α πονοῦσιν· ὁ ‹μοιό›τατον δὲ γίνεται ‹τὸ› τῆς ἀκοῆς, οἱ γὰρ μουσικοὶ γηρῶντες ὀξύτερον ἁρμόζονται καὶ σκληρότερον οἷον ὑπὸ πληγῆς [καὶ] τῆς συντόνου φωνῆς ἐγείροντες τὸ αἰσθητήριον.

[c] ὅ τι γὰρ σιδήρῳ πρὸς ἀκμὴν στόμωμα, τοῦτο σώματι πνεῦμα παρέχει πρὸς αἴσθησιν· ἐνδόντος δὲ τούτου καὶ χαλάσαντος, ἀργὸν ἀπολείπεται καὶ γεῶδες τὸ αἰσθητήριον καὶ σφοδροῦ τοῦ νύττοντος, οἷον ὁ ἄκρατός ἐστι, δεόμενον.

ΠΡΟΒΛΗΜΑ Η

Διὰ τί τὰ γράμματα πόρρωθεν οἱ πρεσβύτεροι μᾶλλον ἀναγινώσκουσιν

Ταῦτα δ' ἡμῶν εἰς τὸ προκείμενον εὑρησιλογούντων ἐδόκει τὸ τῆς ὄψεως ἀντιπίπτειν. οἱ γὰρ πρεσβύτεροι [d] πόρρω τὰ γράμματα τῶν ὀμμάτων ἀπάγοντες ἀναγινώσκουσιν, ἐγγύθεν δ' οὐ δύνανται· καὶ τοῦτο παραδηλῶν ὁ Αἰσχύλος φησίν (fr. 358)·

'οὐδὲ ἀπὸ ... αὐτόν· οὐ γὰρ ἐγγύθεν

... γέρων δὲ γραμματεὺς γενοῦ σαφής'·

ἐνδηλότερον δὲ Σοφοκλῆς (fr. 774) τὸ αὐτὸ περὶ τῶν γερόντων·

'βραδεῖα μὲν γὰρ ἐν λόγοισι προσβολὴ

μόλις δι' ὠτὸς ἔρχεται τρυπωμένου,

πόρρω δὲ λεύσσων, ἐγγύθεν δὲ πᾶς τυφλός.'

εἴπερ οὖν πρὸς τὴν ἐπίτασιν καὶ σφοδρότητα μᾶλλον ὑπακούει ‹τὰ› τῶν γερόντων αἰσθητήρια, πῶς ἐν τῷ [e] ἀναγινώσκειν τὸν ἐγγύθεν ἀντιφωτισμὸν οὐ φέρουσιν, ἀλλὰ προάγοντες ἀπωτέρω τὸ βιβλίον ἐκλύουσι τὴν λαμπρότητα τῷ ἀέρι καθάπερ οἶνον ὕδατι κατακεραννυμένην;

Ἦσαν μὲν οὖν οἱ πρὸς τοῦτο λέγοντες, ὡς ἀπάγουσι τῶν ὄψεων τὸ βιβλίον οὐ μαλακώτερον τὸ φῶς ποιοῦντες, ἀλλ' οἷον ἐπιδραττόμενοι καὶ περιλαμβάνοντες αὐγὴν πλείονα καὶ πληροῦντες ἀέρος λαμπροῦ τὴν μεταξὺ τῶν ὀμμάτων καὶ τῶν γραμμάτων χώραν. ἕτεροι δὲ τοῖς συμβάλλουσι τὰς αὐγὰς μετεῖχον· ἐπεὶ γὰρ ἀποτείνεται τῶν ὀφθαλμῶν ἑκατέρου κῶνος, πρὸς τῷ ὄμματι τὴν κορυφὴν ἔχων, ἕδραν δὲ καὶ βάσιν ἣ περιλαμβάνει τὸ [f] ὁρώμενον, ἄχρι μέν τινος εἰκός ἐστιν ἰδίᾳ τῶν κώνων ἑκάτερον φέρεσθαι· γενόμενοι δ' ἀπωτέρω καὶ συμπεσόντες ἀλλήλοις ἓν τὸ φῶς ποιοῦσι· διὸ καὶ τῶν ὁρωμένων ἕκαστον ἓν οὐ δύο φαίνεται, καίπερ ἀμφοτέροις ἅμα τοῖς ὄμμασι καταφαινόμενον· αἰτία γὰρ ἡ τῶν κώνων σύναψις εἰς ταὐτὸ καὶ σύλλαμψις ἐκ δυεῖν μίαν ὄψιν ἀπειργασμένη. τούτων δ' οὕτως ἐχόντων οἱ μὲν [626] [a] ἐγγὺς προσάγοντες τὰ γράμματα πρεσβῦται, μηδέπω τῶν αὐγῶν συγκεχυμένων ἀλλ' ἑκατέρᾳ χωρὶς ἐπιθιγγάνοντες, ἀσθενέστερον ἐπιλαμβάνονται· οἱ δ' ἀπωτέρω προθέμενοι, μεμιγμένου τοῦ φωτὸς ἤδη καὶ πολλοῦ γεγονότος, μᾶλλον ἐξακριβοῦσιν, ὥσπερ οἱ ταῖς δυσὶν ὁμοῦ χερσὶ κατέχοντες ὃ τῇ ἑτέρᾳ μὴ δύνανται.

Λαμπρίας δ' ὁ ‹ἀδελφὸς› τὴν Ἱερωνύμου (fr. 19 Hi.) ... οὐκ ἀνέγνωκεν ... εὐφυΐαν ἐμπεσὼν ... ὅτι τοῖς προσπίπτουσιν ἀπὸ τῶν ὁρατῶν ‹εἴδε›σιν πρὸς τὴν ὄψιν ὁρῶμεν, ἃ πρῶτον μὲν ἀπέρχεται μεγάλα καὶ παχυμερῆ, διὸ τοὺς γέροντας ἐγγύθεν ἐπιταράττει βραδυπόρον καὶ σκληρὰν ἔχοντας τὴν ὅρασιν· ἀνενεχθέντων δ' εἰς τὸν [b] ἀέρα καὶ λαβόντων διάστημα, τὰ μὲν γεώδη περιθραύεται καὶ ἀποπίπτει, τὰ δὲ λεπτὰ προσπελάζοντα ταῖς ὄψεσιν ἀλύπως καὶ ὁμαλῶς ἐναρμόττει τοῖς πόροις, ὥσθ' ἧττον ταραττομένους μᾶλλον ἀντιλαμβάνεσθαι. καὶ γὰρ αἱ τῶν ἀνθῶν ὀσμαὶ πόρρωθεν εὐωδέστεραι προσπίπτουσιν, ἂν δ' ἐγγύθεν ἄγαν προσάγῃς, οὐχ οὕτω καθαρὸν οὐδ' ἄκρατον ὀδώδασιν· αἴτιον δ' ὅτι πολλὰ τῶν γεωδῶν καὶ θολερῶν συναποφέρεται τῇ ὀσμῇ καὶ διαφθείρει τὴν εὐωδίαν ἐγγύθεν λαμβανομένης, ἂν δ' ἄπωθεν, τὰ μὲν θολερὰ καὶ γεώδη περιρρεῖ καὶ ὑποπίπτει, τὸ δ' εἰλικρινὲς καὶ θερμὸν αὐτῆς ὑπὸ λεπτότητος διασῴζεται πρὸς τὴν [c] αἴσθησιν.

Ἡμεῖς δὲ τὴν Πλατωνικὴν (Tim. 45c s.) φυλάττοντες ἀρχὴν ἐλέγομεν ὅτι πνεῦμα τῶν ὀμμάτων αὐγοειδὲς ἐκπῖπτον ἀνακίρναται τῷ περὶ τὰ σώματα φωτὶ καὶ λαμβάνει σύμπηξιν, ὥσθ' ἓν ἐξ ἀμφοῖν σῶμα δι' ὅλου συμπαθὲς γενέσθαι. κεράννυται δ' ἕτερον ἑτέρῳ συμμετρίας τε λόγῳ καὶ ποσότητος· οὐ γὰρ ἀναιρεθῆναι δεῖ θάτερον ὑπὸ θατέρου κρατηθέν, ἀλλ' ἀπ' ἀμφοῖν εἴς τι μέσον ἁρμονίᾳ καὶ κοινωνίᾳ συναχθέντων μίαν δύναμιν ἀποτελεσθῆναι. ὄντος οὖν τοῦ τῶν παρηλίκων, εἴτε ῥεῦμα χρὴ προσαγορεύειν τὸ διὰ τῆς

κόρης φερόμενον εἴτε πνεῦμα φωτοειδὲς εἴτ' αὐγήν, ἀσθενοῦς καὶ ἀδρανοῦς, [d] ‹οὐκ› ἐγγίνεται κρᾶσις προσ‹πίπτοντι πρὸς› τὸ ἐκτὸς οὐδὲ μῖξις ἀλλὰ φθορὰ καὶ †σύγκρισις, ἂν μὴ μακρὰν τὰ γράμματα τῶν ὀμμάτων ἀπάγοντες ἐκλύωσι τὴν ἄγαν λαμπρότητα τοῦ φωτός, ὥστε μὴ πολλὴν μηδ' ἄκρατον ἀλλ' ὁμοπαθῆ καὶ σύμμετρον ἀπαντῆσαι πρὸς τὴν ὄψιν. ὃ δὴ καὶ τοῦ περὶ τὰ νυκτίνομα τῶν ζῴων παθήματος αἴτιόν ἐστιν· ἡ γὰρ ὄψις αὐτῶν ὑπὸ τοῦ μεθημερινοῦ φωτὸς ἀδρανὴς οὖσα κατακλύζεται καὶ κρατεῖται, μὴ δυναμένη πρὸς πολὺ καὶ ἰσχυρὸν ‹ἀπ'› ἀσθενοῦς καὶ ὀλίγης ἀρχῆς κεράννυσθαι· πρὸς δὲ τὸ ἀμαυρὸν καὶ λεπτὸν [e] οἷον ἀστέρος φῶς αὐγὴν διαρκῆ καὶ σύμμετρον ἐξίησιν, ὥστε κοινωνεῖν καὶ συνεργεῖσθαι τὴν αἴσθησιν.

ΠΡΟΒΛΗΜΑ Θ

Διὰ τί τῷ ποτίμῳ μᾶλλον ἢ τῷ θαλαττίῳ πλύνεται τὰ ἱμάτια

Θέων ὁ γραμματικὸς ἑστιωμένων ἡμῶν παρὰ Μεστρίῳ Φλώρῳ πρὸς Θεμιστοκλέα τὸν Στωικὸν διηπόρησεν, τί δήποτε Χρύσιππος (St. V. Fr. III 546) ἐν πολλοῖς τῶν παραλόγων καὶ ἀτόπων ἐπιμνησθείς, οἷόν ἐστι τὸ 'τάριχος, ἂν ἅλμῃ βρέχηται, γλυκύτερον γίνεσθαι' καὶ τὸ 'τῶν ἐρίων τοὺς πόκους ἧττον ὑπακούειν τοῖς βίᾳ [f] διασπῶσιν ἢ τοῖς ἀτρέμα διαλύουσιν' καὶ τὸ 'νηστεύσαντας ἀργότερον ἐσθίειν ἢ προφαγόντας', οὐδενὸς αὐτῶν αἰτίαν ἀπέδωκεν. ὁ δὲ Θεμιστοκλῆς εἰπὼν ὅτι ταῦτα Χρύσιππος ἄλλως ἐν παραδείγματος λόγῳ προύθετο, ῥᾳδίως ἡμῶν καὶ ἀλόγως ὑπὸ τοῦ εἰκότος ἁλισκομένων καὶ πάλιν ἀπιστούντων τῷ παρὰ τὸ εἰκός, ἐπιστρέφων [627] [a] 'σοὶ δ'' ἔφη 'βέλτιστε, τί πρᾶγμα περὶ τούτων διαπορεῖν; εἰ γὰρ ἡμῖν αἰτίων ζητητικὸς καὶ θεωρητικὸς γέγονας, μὴ μακρὰν οὕτως ἀποσκήνου τῶν ἰδίων, ἀλλ' εἰπὲ δι' ἣν αἰτίαν Ὅμηρος (ζ 59) ἐν τῷ ποταμῷ πλύνουσαν οὐκ ἐν τῇ θαλάττῃ, καίπερ ἐγγὺς οὔσῃ, τὴν Ναυσικάαν πεποίηκεν, καίτοι θερμοτέραν γε καὶ διαφανεστέραν εἰκὸς καὶ ῥυπτικωτέραν εἶναι.'

Καὶ ὁ Θέων 'ἀλλὰ τοῦτό γ'' εἶπε '‹διὰ› τῶν γεωδῶν Ἀριστοτέλης (fr. 217) πάλαι διαλέλυκεν, ‹ὃ προ›βέβληκας ἡμῖν. ‹πολὺ γὰρ› τῇ θαλάττῃ τὸ τραχὺ καὶ γεῶδες ἐνδιέσπαρται καὶ τοῦτο ποιεῖ τὴν ἁλυκότητα μεμιγμένον· ᾗ [b] καὶ μᾶλλον ἡ θάλαττα τούς τε νηχομένους ἐξαναφέρει καὶ στέγει τὰ βάρη, τοῦ γλυκέος ἐνδιδόντος διὰ κουφότητα καὶ ἀσθένειαν· ἔστι γὰρ ἄμικτον καὶ καθαρόν· ὅθεν ἐνδύεται διὰ λεπτότητα καὶ διεξιὸν τοῦ θαλαττίου μᾶλλον ἐκτήκει τὰς κηλῖδας. ἢ οὐ δοκεῖ σοι τοῦτο πιθανῶς λέγειν Ἀριστοτέλης;'

'Πιθανῶς' ἔφην ἐγώ 'οὐ μὴν ἀληθῶς· ὁρῶ γὰρ ὅτι καὶ τέφρᾳ καὶ λίτρῳ, κἂν μὴ παρῇ δὲ ταῦτα, κονιορτῷ πολλάκις παχύνουσι τὸ ὕδωρ, ὡς μᾶλλον τῶν γεωδῶν τῇ τραχύτητι καταπλύνειν δυναμένων τὸν ῥύπον, αὐτοῦ δὲ τοῦ ὕδατος διὰ λεπτότητα καὶ ἀσθένειαν οὐχ ὁμοίως [c] τοῦτο δρῶντος. τὸ μὲν

οὖν παχυμερὲς τῆς θαλάττης οὐ ... †πετουτόποτε ... πρὸς τὴν κα... δὲ τὴν δριμύτητα· καὶ γὰρ αὕτη τοὺς ‹πόρους› ἀναστομοῦσα καὶ ‹ἀνοίγουσα› κατασύρει τὸν ῥύπον. ἐπεὶ δὲ πᾶν τὸ λιπαρὸν δυσέκπλυτόν ἐστι καὶ κηλῖδα ποιεῖ. λιπαρὰ δ' ἡ θάλασσα, τοῦτ' ἂν αἴτιον εἴη μάλιστα τοῦ μὴ καλῶς πλύνειν. ὅτι δ' ἐστὶ λιπαρά, καὶ αὐτὸς εἴρηκεν Ἀριστοτέλης (Probl. Ph. 933a 19)· οἵ τε γὰρ ἅλες λίπος ἔχουσιν καὶ τοὺς λύχνους βέλτιον παρέχουσι καομένους, αὐτή θ' ἡ θάλαττα προσραινομένη ταῖς φλοξὶ συνεκλάμπει, καὶ κάεται μάλιστα τῶν ὑδάτων τὸ θαλάττιον· ὡς δ' ἐγᾦμαι, διὰ τοῦτο καὶ [d] θερμότατόν ἐστιν. οὐ μὴν ἀλλὰ καὶ κατ' ἄλλον τρόπον· ἐπεὶ τῆς πλύσεως τέλος ἡ ψῦξίς ἐστιν καὶ μάλιστα φαίνεται καθαρὸν τὸ τάχιστα ξηρὸν γινόμενον, δεῖ δὴ τὸ πλῦνον ὑγρὸν τῷ ‹ῥύπ›ῳ συνεξελθεῖν, ὥσπερ τῷ νοσήματι τὸν ἐλλέβορον. τὸ μὲν οὖν γλυκὺ ῥᾳδίως ὁ ἥλιος ἐξάγει διὰ κουφότητα, τὸ δ' ἁλμυρὸν ἐνισχόμενον τοῖς πόροις διὰ τραχύτητα δυσξήραντόν ἐστιν.'

Καὶ ὁ Θέων ὑπολαβών 'οὐδέν' ἔφη 'λέγεις· Ἀριστοτέλης (Probl. Ph. 932b 25) γὰρ ἐν τῷ αὐτῷ βυβλίῳ φησὶν τοὺς ἐν θαλάττῃ λουσαμένους τάχιον ἀποξηραίνεσθαι τῶν γλυκεῖ χρησαμένων, ἂν ἐν ἡλίῳ στῶσιν'.

[e] 'λέγει γάρ' εἶπον· 'ἀλλ' ᾤμην σε μᾶλλον Ὁμήρῳ τἀναντία λέγοντι πιστεύσειν. ὁ γὰρ Ὀδυσσεὺς μετὰ τὸ ναυάγιον ἐντυγχάνει τῇ Ναυσικάᾳ 'σμερδαλέος' ὀφθῆναι 'κεκακωμένος ἅλμῃ (ζ 137)', καὶ πρὸς τὰς θεραπαινίδας φησίν (ζ 218)·

'ἀμφίπολοι, στῆθ' οὕτω ἀπόπροθεν, ὄφρ'

[ἂν] ἐγὼ αὐτὸς

ἅλμην ὤμοιιν ἀπολούσομαι',

καταβὰς δ' εἰς τὸν ποταμὸν (ζ 226) 'ἐκ κεφαλῆς ἔσμηχεν ἁλὸς χνόον,' ὑπερφυῶς τοῦ ποιητοῦ τὸ γινόμενον συνεωρακότος· ὅταν γὰρ ἐκ τῆς θαλάττης ἀναδύντες ἐν τῷ ἡλίῳ στῶσιν, τὸ λεπτότατον καὶ κουφότατον τῆς ὑγρασίας ἡ [f] θερμότης διεφόρησεν, τὸ δ' ἁλμυρὸν αὐτὸ καὶ τραχὺ καταλειφθὲν ἐφίσταται καὶ παραμένει τοῖς σώμασιν ἁλώδης ἐπίπαγος, μέχρι ἂν αὐτὸ ποτίμῳ καὶ γλυκεῖ κατακλύσωσιν.'

ΠΡΟΒΛΗΜΑ Ι

Διὰ τί τῆς Αἰαντίδος φυλῆς Ἀθήνησιν οὐδέποτε τὸν χορὸν ἔκρινον ὕστατον

Ἐν δὲ τοῖς Σαραπίωνος ἐπινικίοις, ὅτε τῇ Λεοντίδι φυλῇ τὸν χορὸν διατάξας ἐνίκησεν, ἑστιωμένοις ἡμῖν ἅτε δὴ καὶ φυλέταις οὖσι δημοποιήτοις οἰκεῖοι λόγοι τῆς ἐν χειρὶ φιλοτιμίας παρῆσαν. ἔσχε γὰρ ὁ ἀγὼν ἐντονωτάτην

ἅμιλλαν, ἀγωνοθετοῦντος ἐνδόξως καὶ μεγαλοπρεπῶς Φιλοπάππου τοῦ βασιλέως ταῖς φυλαῖς ὁμοῦ πάσαις [b] χορηγοῦντος. ἐτύγχανε δὲ συνεστιώμενος ἡμῖν καὶ τῶν παλαιῶν τὰ μὲν λέγων τὰ δ’ ἀκούων διὰ φιλανθρωπίαν οὐχ ἧττον ἢ φιλομάθειαν.

Προεβλήθη δέ τι τοιοῦτον ὑπὸ Μάρκου τοῦ γραμματικοῦ. Νεάνθη τὸν Κυζικηνὸν (FHG III 10) ἔφη λέγειν ἐν τοῖς κατὰ πόλιν μυθικοῖς, ὅτι τῇ Αἰαντίδι φυλῇ γέρας ὑπῆρχεν τὸ μὴ κρίνεσθαι τὸν ‹ταύτης› χορὸν ἔσχατον· ‘... μὲν οὖν’ ἔφη ‘προ...ξιν ἱστορίας ὁ ἀνα... εἰ δὲ τοῦτό γ’ οὐ νοθεύει, προκείσθω τῆς αἰτίας ἐν κοινῷ πᾶσιν ἡ ζήτησις.’ εἰπόντος δὲ τοῦ ἑταίρου Μίλωνος ‘ἂν οὖν ψεῦδος ᾖ τὸ λεγόμενον;’ ‘οὐδέν’ ἔφη ‘δεινόν’ ὁ Φιλόπαππος ‘εἰ ταὐτὸ πεισόμεθα Δημοκρίτῳ (A 17a) ‹τῷ› [c] σοφῷ διὰ φιλολογίαν. καὶ γὰρ ἐκεῖνος ὡς ἔοικε τρώγων σίκυον, ὡς ἐφάνη μελιτώδης ὁ χυμός, ἠρώτησε τὴν διακονοῦσαν, ὁπόθεν πρίαιτο· τῆς δὲ κῆπόν τινα φραζούσης, ἐκέλευσεν ἐξαναστὰς ἡγεῖσθαι καὶ δεικνύναι τὸν τόπον· θαυμάζοντος δὲ τοῦ γυναίου καὶ πυνθανομένου τί βούλεται, ‘τὴν αἰτίαν’ ἔφη ‘δεῖ με τῆς γλυκύτητος εὑρεῖν, εὑρήσω δὲ τοῦ χωρίου γενόμενος θεατής·’ ‘κατάκεισο δή’ τὸ γύναιον εἶπε μειδιῶν, ‘ἐγὼ γὰρ ἀγνοήσασα τὸ σίκυον εἰς ἀγγεῖον ἐθέμην μεμελιτωμένον’· ὁ δ’ ὥσπερ ἀχθεσθείς ‘ἀπέκναισας’ εἶπεν ‘καὶ οὐδὲν ἧττον ἐπιθήσομαι [d] τῷ λόγῳ καὶ ζητήσω τὴν αἰτίαν, ὡς ἂν οἰκείου καὶ συγγενοῦς οὔσης τῷ σικύῳ τῆς γλυκύτητος.’ οὐκοῦν μηδ’ ἡμεῖς τὴν Νεάνθους ἐν ἐνίοις εὐχέρειαν ἀποδράσεως ποιησώμεθα πρόφασιν· ἐγγυμνάσασθαι γάρ, εἰ μηδὲν ἄλλο χρήσιμον, ὁ λόγος παρέξει.’

Πάντες οὖν ὁμαλῶς ἐρρύησαν πρὸς τὸ τὴν φυλὴν ἐγκωμιάζειν, εἴ τι καλὸν πρὸς δόξαν αὐτῇ ὑπῆρχεν ἀναλεγόμενοι. καὶ γὰρ ὁ Μαραθὼν εἰς μέσον εἵλκετο, δῆμος ὢν ἐκείνης τῆς φυλῆς· καὶ τοὺς περὶ Ἁρμόδιον Αἰαντίδας ἀπέφαινον, Ἀφιδναίους γε δὴ τῶν δήμων γεγονότας. Γλαυκίας δ’ ὁ ῥήτωρ καὶ τὸ δεξιὸν κέρας Αἰαντίδαις [e] τῆς ἐν Μαραθῶνι παρατάξεως ἀποδοθῆναι, ταῖς Αἰσχύλου (PLG II p. 240) †τὴν μεθορίαν ἐλεγείαις πιστούμενος, ἠγωνισμένου τὴν μάχην ἐκείνην ἐπιφανῶς· ἔτι δὲ καὶ Καλλίμαχον ἀπεδείκνυεν τὸν πολέμαρχον ἐξ ἐκείνης ὄντα τῆς φυλῆς, ὃς αὑτόν τε παρέσχεν ἄριστον ἄνδρα καὶ τῆς μάχης μετά γε Μιλτιάδην αἰτιώτατος κατέστη σύμψηφος ἐκείνῳ γενόμενος. ἐγὼ δὲ τῷ Γλαυκίᾳ προσετίθην, ὅτι καὶ τὸ ψήφισμα, καθ’ ὃ τοὺς Ἀθηναίους ἐξήγαγεν, τῆς Αἰαντίδος φυλῆς πρυτανευούσης γραφείη, καὶ ὅτι περὶ τὴν ἐν Πλαταιαῖς μάχην εὐδοκιμήσειεν ἡ φυλὴ μάλιστα· διὸ καὶ ταῖς Σφραγίτισι Νύμφαις τὴν ἐπινίκιον καὶ πυθόχρηστον [f] ἀπῆγον Αἰαντίδαι θυσίαν εἰς Κιθαιρῶνα, τῆς πόλεως τὸ ἱερεῖον καὶ τὰ ἄλλα παρεχούσης αὐτοῖς. ‘ἀλλ’ ὁρᾷς’ ἔφην ‘ὅτι πολλὰ καὶ ταῖς

'Δεῖ δὲ τὸν ἐμμελῶς σκώμματι χρησόμενον εἰδέναι καὶ νοσήματος διαφορὰν πρὸς ἐπιτήδευμα, λέγω δὲ φιλαργυρίας καὶ φιλοινίας πρὸς φιλομουσίαν καὶ φιλοθηρίαν· ἐπ' ἐκείνοις μὲν γὰρ ἄχθονται σκωπτόμενοι, πρὸς ταῦτα δ' ἡδέως ἔχουσιν. οὐκ ἀηδῶς γοῦν Δημοσθένης ὁ Μιτυληναῖος, φιλῳδοῦ τινος καὶ φιλοκιθαριστοῦ θύραν κόψας, ὑπακούσαντος αὐτοῦ καὶ κελεύσαντος εἰσελθεῖν 'ἂν πρῶτον' [b] ἔφη 'τὴν κιθάραν δήσῃς·' ἀηδῶς δ' ὁ τοῦ Λυσιμάχου παράσιτος, ἐμβαλόντος αὐτοῦ σκορπίον ξύλινον εἰς τὸ ἱμάτιον ἐκταραχθεὶς καὶ ἀναπηδήσας, ὡς ᾔσθετο τὴν παιδιάν, 'κἀγώ σε' φησίν 'ἐκφοβῆσαι βούλομαι, ὦ βασιλεῦ· δός μοι τάλαντον.''

'Εἰσὶ δὲ καὶ περὶ τὰ σωματικὰ τοιαῦται διαφοραὶ τῶν πολλῶν. οἷον εἰς γρυπότητα καὶ σιμότητα σκωπτόμενοι γελῶσιν, ὡς ὁ Κασάνδρου φίλος οὐκ ἠχθέσθη τοῦ Θεοφράστου πρὸς αὐτὸν εἰπόντος 'θαυμάζω σου τοὺς ὀφθαλμοὺς ὅτι οὐκ ᾄδουσιν, τοῦ μυκτῆρος αὐτοῖς ἐνδεδωκότος·' καὶ ὁ Κῦρος (Xen. Διὰ τί βρωτικώτεροι γίνονται περὶ τὸ μετόπωρον

Ἐν Ἐλευσῖνι μετὰ τὰ μυστήρια τῆς πανηγύρεως ἀκμαζούσης εἱστιώμεθα παρὰ Γλαυκίᾳ τῷ ῥήτορι. πεπαυμένων δὲ δειπνεῖν τῶν ἄλλων, Ξενοκλῆς ὁ Δελφὸς ὥσπερ εἰώθει τὸν ἀδελφὸν ἡμῶν Λαμπρίαν εἰς ἀδηφαγίαν Βοιώτιον ἐπέσκωπτεν. ἐγὼ δ' ἀμυνόμενος ‹ὑπὲρ› αὐτοῦ τὸν Ξενοκλέα τοῖς Ἐπικούρου λόγοις χρώμενον 'οὐ γὰρ ἅπαντες' εἶπεν, 'ὦ βέλτιστε, ποιοῦνται τὴν τοῦ ἀλγοῦντος ὑπεξαίρεσιν ὅρον ἡδονῆς καὶ πέρας· Λαμπρίᾳ δὲ καὶ ἀνάγκη, [b] πρὸ τοῦ κήπου κυδαίνοντι τὸν περίπατον καὶ τὸ Λύκειον, ἔργῳ μαρτυρεῖν

'βέλτιον' εἶπεν ὁ Γλαυκίας· 'αὐτοὶ γὰρ ἐπιχειρήσομεν ζητεῖν, ὅταν παυσώμεθα δειπνοῦντες.' ὡς οὖν ἀφῃρέθησαν αἱ τράπεζαι, γλαυκίας μὲν καὶ Ξενοκλῆς ᾐτιάσαντο τὴν ὀπώραν διαφόρως, ὁ μὲν ὡς τὴν κοιλίαν ὑπεξάγουσαν καὶ τῷ κενοῦσθαι τὸ σῶμα νεαρὰς ὀρέξεις ἀεὶ παρασκευάζουσαν· ὁ δὲ Ξενοκλῆς ἔλεγεν εὔστομόν τι καὶ δηκτικὸν ἔχοντα τῶν ὡραίων τὰ πλεῖστα τὸν στόμαχον [c] ἐπὶ τὴν βρῶσιν ἐκκαλεῖσθαι παντὸς μᾶλλον ὄψου καὶ ἡδύσματος· καὶ γὰρ τοῖς ἀποσίτοις τῶν ἀρρώστων ὀπώρας τι προσενεχθὲν ἀναλαμβάνει τὴν ὄρεξιν. ὁ δὲ Λαμπρίας εἶπεν, ὅτι τὸ οἰκεῖον καὶ [τὸ] σύμφυτον θερμὸν ἡμῶν, ᾧ τρέφεσθαι πεφύκαμεν, ἐν μὲν τῷ θέρει διέσπαρται καὶ γέγονεν ἀσθενέστερον καὶ μανόν, ἐν δὲ τῷ φθίνοντι καιρῷ συναγείρεται πάλιν καὶ ἰσχύει, κατακρυπτόμενον ἐντὸς διὰ τὴν περίψυξιν καὶ τὴν πύκνωσιν τοῦ σώματος. ἐγὼ δ' ὑπὲρ τοῦ μὴ δοκεῖν ἀσύμβολος τοῦ λόγου μετασχεῖν εἶπον, ὅτι τοῦ θέρους διψητικώτεροι γινόμεθα καὶ πλείονι χρώμεθα τῷ ὑγρῷ διὰ τὸ καῦμα· [d] νῦν οὖν ἡ φύσις ἐν τῇ μεταβολῇ ζητοῦσα τοὐναντίον, ὥσπερ εἴωθεν, πεινητικωτέρους ποιεῖ, καὶ τὴν ξηρὰν τροφὴν τῇ κράσει τοῦ σώματος ἀνταποδίδωσιν. οὐ μὴν οὐδὲ τὰ σιτία φήσαι τις ἂν αἰτίας ἀμοιρεῖν παντάπασιν, ἀλλ' ἐκ νέων καὶ προσφάτων γενόμενα καρπῶν, οὐ μόνον μάζας καὶ ὄσπρια καὶ ἄρτους καὶ πυροὺς ‹ἀλλὰ› καὶ κρέα ζῴων εὐωχουμένων τὰ ἐπέτεια, τοῖς τε χυμοῖς διαφέρειν τῶν παλαιῶν καὶ μᾶλλον ἐπάγεσθαι τοὺς χρωμένους καὶ ἀπολαύοντας.

ΠΡΟΒΛΗΜΑ Γ

Πότερον ἡ ἄρνις πρότερον ἢ τὸ ᾠὸν ἐγένετο

[e] Ἐξ ἐνυπνίου τινὸς ἀπε‹ιχό›μην ᾠῶν πολὺν ἤδο... παρὰ τοῦτο ποιούμενος, ἐν ᾠῷ καθάπερ ἐν Καρὶ διάπειραν λαβεῖν τῆς ὄψεως ἐναργῶς μοι πολλάκις γενομένης· ὑπόνοιαν μέντοι παρέσχον, ἑστιῶντος ἡμᾶς Σοσσίου Σενεκίωνος, ἐνέχεσθαι δόγμασιν Ὀρφικοῖς ἢ Πυθαγορικοῖς καὶ τὸ ᾠόν, ὥσπερ ἔνιοι καρδίαν καὶ ἐγκέφαλον, ἀρχὴν ἡγούμενος γενέσεως ἀφοσιοῦσθαι· καὶ προὔφερεν Ἀλέξανδρος ὁ Ἐπικούρειος ἐπὶ γέλωτι τὸ (Orphic. fr. 291 Kern)

'ἶσόν τοι κυάμους ἔσθειν κεφαλάς τε τοκήων,'

ὡς δὴ κυάμους τὰ ᾠὰ διὰ τὴν κύησιν αἰνιττομένων τῶν [f] ἀνδρῶν, διαφέρειν δὲ μηδὲν οἰομένων τὸ ἐσθίειν ᾠὰ τοῦ χρῆσθαι τοῖς τίκτουσι τὰ ᾠὰ ζῴοις. ἐγίνετο δὴ τὸ τῆς αἰτίας ἀπολόγημα τῆς αἰτίας αὐτῆς ἀλογώτερον, Ἐπικουρείῳ λέγειν ἐνύπνιον. ὅθεν οὐ παρῃτούμην τὴν δόξαν ἅμα προσπαίζων τι τῷ Ἀλεξάνδρῳ· καὶ γὰρ ἦν χαρίεις καὶ φιλόλογος ἐπιεικῶς.

[636] [a] Ἐκ δὲ τούτου τὸ ἄπορον καὶ πολλὰ πράγματα τοῖς ζητητικοῖς παρέχον εἰς μέσον εἵλκετο πρόβλημα περὶ τοῦ ᾠοῦ καὶ τῆς ὄρνιθος, ὁπότερον γένοιτο πρότερον αὐτῶν. καὶ Σύλλας μὲν ὁ ἑταῖρος εἰπὼν ὅτι μικρῷ προβλήματι καθάπερ ὀργάνῳ μέγα καὶ βαρὺ σαλεύομεν τὸ περὶ τοῦ κόσμου τῆς γενέσεως ἀπηγόρευσεν· τοῦ δ' Ἀλεξάνδρου τῆς ζητήσεως ὡς μηδὲν προσφυὲς φερούσης καταβελάσαντος ὁ γαμβρὸς ἡμῶν Φίρμος 'ἐμοὶ τοίνυν' ἔφη 'χρῆσον ἐν τῷ παρόντι τὰς ἀτόμους. εἰ γὰρ τὰ μικρὰ δεῖ στοιχεῖα τῶν μεγάλων ‹καὶ› ἀρχὰς ὑποτίθεσθαι, πρῶτον εἰκός ἐστιν τὸ ᾠὸν γεγονέναι τῆς ὄρνιθος· ἔστι γὰρ καὶ [b] ἁπλοῦν, ὡς ἐν αἰσθητοῖς, ποικίλον δὲ καὶ μεμιγμένον μᾶλλον ἡ ὄρνις. καθόλου δ' ἡ μὲν ἀρχὴ πρῶτον ἀρχὴ δὲ τὸ σπέρμα, τὸ δ' ᾠὸν σπέρματος μὲν πλέον ζῴου δὲ μικρότερον· ὡς γὰρ ἡ προκοπὴ μέσον εὐφυΐας εἶναι δοκεῖ καὶ ἀρετῆς, οὕτω τὸ ᾠὸν προκοπή τίς ἐστι τῆς φύσεως ἐπὶ τὸ ἔμψυχον ἀπὸ τοῦ σπέρματος πορευομένης. ἔτι δ', ὥσπερ ἐν τῷ ζῴῳ πρῶτα γίνεσθαι λέγουσιν ἀρτηρίας καὶ φλέβας, οὕτω λόγον ἔχει καὶ τοῦ ζῴου τὸ ᾠὸν γεγονέναι πρῶτον, ὡς περιέχον ἐμπεριεχομένου. καὶ γὰρ αἱ τέχναι πρῶτον ἀτύπωτα καὶ ἄμορφα πλάττουσιν, εἶθ' ὕστερον [c] ἕκαστα τοῖς εἴδεσι διαρθροῦσιν· ᾗ Πολύκλειτος ὁ πλάστης εἶπεν χαλεπώτατον εἶναι τὸ ἔργον, ὅταν ἐν ὄνυχι ὁ πηλὸς γένηται· διὸ καὶ τῇ φύσει τὸ πρῶτον εἰκός ἐστιν ἀτρέμα κινούσῃ τὴν ὕλην ἀργοτέραν ὑπακούειν, τύπους ἀμόρφους καὶ ἀορίστους ἐκφέρουσαν ὥσπερ τὰ ᾠά, μορφουμένων δὲ τούτων καὶ διαχαρασσομένων ὕστερον ἐνδημιουργεῖσθαι τὸ ζῷον. ὡς δὲ κάμπη γίνεται τὸ πρῶτον, εἶτ' ἐκπαγεῖσα διὰ ξηρότητα καὶ περιρραγεῖσ' ἕτερον πτερωθὲν δι' αὑτῆς τὴν καλουμένην ψυχὴν μεθίησιν, τὸν αὐτὸν τρόπον ἐνταῦθα προϋφίσταται τὸ ᾠὸν οἷον ὕλη τῆς γενέσεως. ἀνάγκη γὰρ ἐν πάσῃ μεταβολῇ [d] πρότερον εἶναι τοῦ μεταβάλλοντος ‹τὸ› ἐξ οὗ μετέβαλε. σκόπει δ' ὅτι σκνῖπες ἐν δένδρῳ καὶ τερηδόνες ἐμφύονται ξύλῳ κατὰ σῆψιν ὑγρότητος ἢ πέψιν· ὧν οὐδεὶς ἂν ἀξιώσειεν μὴ προϋποκεῖσθαι μηδὲ πρεσβύτερον εἶναι φύσει τὸ γεννῶν. ἡ γὰρ ὕλη λόγον ἔχει πρὸς τὰ γινόμενα μητρὸς ὥς φησι Πλάτων (Tim. 52d) καὶ τιθήνης· ὕλη δὲ πᾶν ἐξ οὗ σύστασιν ἔχει τὸ γεννώμενον. τὸ δ' ἐπὶ τούτοις' ἔφη γελάσας ''ἀείσω ξυνετοῖσι' (Orph. fr. 334) τὸν Ὀρφικὸν καὶ ἱερὸν λόγον, ὃς οὐκ ὄρνιθος μόνον τὸ ᾠὸν ἀποφαίνει πρεσβύτερον, ἀλλὰ καὶ συλλαβὼν ἅπασαν αὐτῷ τὴν ἁπάντων ὁμοῦ πρεσβυγένειαν ἀνατίθησιν. καὶ τἄλλα [e] μὲν 'εὔστομα κείσθω' καθ' Ἡρόδοτον (II 171), ἔστι γὰρ μυστικώτερα· ζῴων δὲ πολλὰς φύσεις τοῦ κόσμου περιέχοντος, οὐδὲν ὡς εἰπεῖν γένος ἄμοιρόν ἐστι τῆς ἐξ ᾠοῦ γενέσεως, ἀλλὰ καὶ πτηνὰ γεννᾷ καὶ νηκτὰ μυρία καὶ χερσαῖα, σαύρας, καὶ ἀμφίβια, [καὶ] κροκοδείλους, καὶ δίποδα, τὸν ὄρνιν, καὶ ἄποδα, τὸν ὄφιν, καὶ

πολύποδα, τὸν ἀττέλεβον· ὅθεν οὐκ ἀπὸ τρόπου τοῖς περὶ τὸν Διόνυσον ὀργιασμοῖς ὡς μίμημα τοῦ τὰ πάντα γεννῶντος καὶ περιέχοντος ἐν ἑαυτῷ συγκαθωσίωται.'

Ταῦτα τοῦ Φίρμου διεξιόντος, ὁ Σενεκίων ἔφη τὴν τελευταίαν τῶν εἰκόνων αὐτῷ πρώτην ἀντιπίπτειν.

[f] 'ἔλαθες γάρ' εἶπεν, 'ὦ Φίρμε, τὸν κόσμον ἀντὶ τῆς παροιμιακῆς θύρας 'ἐπὶ σεαυτὸν ἀνοίξας'. ὁ γὰρ κόσμος προϋφέστηκε πάντων τελειότατος ὤν· καὶ λόγον ἔχει τοῦ ἀτελοῦς φύσει πρότερον εἶναι τὸ τέλειον, ὡς τοῦ πεπηρωμένου τὸ ὁλόκληρον καὶ τοῦ μέρους τὸ ὅλον· οὐδὲ γὰρ ἔχει λόγον εἶναι μέρος οὗ μέρος ἐστὶ μὴ γεγονότος. ὅθεν οὐθεὶς λέγει τοῦ σπέρματος εἶναι τὸν ἄνθρωπον οὐδὲ τοῦ [637] [a] ᾠοῦ τὴν ἀλεκτορίδα, τῆς δ' ἀλεκτορίδος τὸ ᾠὸν εἶναι καὶ τὸ σπέρμα τοῦ ἀνθρώπου λέγομεν, ὡς τούτων ἐπιγινομένων ἐκείνοις καὶ τὴν γένεσιν ἐν ἐκείνοις λαμβανόντων εἶθ' ὥσπερ ὄφλημα τῇ φύσει τὴν γένεσιν ἀποδιδόντων. ἐνδεᾶ γάρ ἐστι τοῦ οἰκείου· διὸ καὶ βούλεσθαι ποιεῖν πέφυκεν ἄλλο τοιοῦτον, οἷον ἦν ἐξ οὗ ἀπεκρίθη. καὶ τὸν σπερματικὸν λόγον ὁρίζονται γόνον ἐνδεᾶ γενέσεως· ἐνδεὲς δ' οὐδέν ἐστι τοῦ μὴ γενομένου μηδ' ὄντος. τὰ δ' ᾠὰ καὶ παντάπασι βλέπεται τὴν φύσιν ἔχοντα τῆς ἔν τινι ζῴῳ πήξεως καὶ συστάσεως ὀργάνων τε τοιούτων καὶ ἀγγείων δεομένην· ὅθεν οὐδ' ἱστόρηται γηγενὲς ᾠόν, [b] ἀλλὰ καὶ τὸ Τυνδάρειον οἱ ποιηταὶ λέγουσιν οὐρανοπετὲς ἀναφανῆναι. ζῷα δ' αὐτοτελῆ καὶ ὁλόκληρα μέχρι νῦν ἀναδίδωσιν ἡ γῆ, μῦς ἐν Αἰγύπτῳ πολλαχοῦ δ' ὄφεις καὶ βατράχους καὶ τέττιγας, ἀρχῆς ἔξωθεν ἑτέρας καὶ δυνάμεως ἐγγενομένης· ἐν δὲ Σικελίᾳ περὶ τὸν δουλικὸν πόλεμον, αἵματος πολλοῦ καὶ νεκρῶν ἀτάφων ἐπὶ τῇ γῇ κατασαπέντων, πλῆθος ἀττελέβων ἐξήνθησεν καὶ τὸν σῖτον ἔφθειρον πανταχοῦ σκεδασθέντες ἐπὶ τὴν νῆσον. ταῦτα τοίνυν ἐκ γῆς φύεται καὶ τρέφεται καὶ τροφῆς περίσσωμα ποιεῖ γόνιμον, ᾧ καθ' ἡδονὰς πρὸς ἄλληλα τρέπεται, καὶ συνδυαζόμενα τῇ μίξει τὰ μὲν ᾠοτοκεῖν τὰ δὲ [c] ζῳοτοκεῖν πέφυκε. καὶ τούτῳ μάλιστα δῆλόν ἐστιν, ὅτι τὴν πρώτην γένεσιν ἐκ γῆς λαβόντα καθ' ἕτερον τρόπον ἤδη καὶ δι' ἀλλήλων ποιεῖται τὰς τεκνώσεις. καθόλου δ' ὅμοιόν ἐστι τῷ λέγειν 'πρὸ τῆς γυναικὸς ἡ μήτρα γέγονεν'· ὡς γὰρ ἡ μήτρα πρὸς τὸν ἄνθρωπον, οὕτω πάλιν τὸ ᾠὸν πρὸς τὸν νεοσσὸν πέφυκε, κυόμενον ἐν αὐτῷ καὶ λοχευόμενον· ὥστε μηδὲν διαφέρειν τὸν διαποροῦντα, πῶς ὄρνιθες ἐγένοντο μὴ γενομένων ᾠῶν, τοῦ πυνθανομένου, πῶς ἄνδρες ἐγένοντο καὶ γυναῖκες πρὶν αἰδοῖα γενέσθαι καὶ μήτρας. καίτοι τῶν μερῶν τὰ πλεῖστα συνυφίσταται τοῖς ὅλοις, αἱ δὲ δυνάμεις ἐπιγίνονται τοῖς [d] μέρεσιν αἱ δ' ἐνέργειαι ταῖς δυνάμεσιν τὰ δ' ἀποτελέσματα ταῖς ἐνεργείαις· ἀποτέλεσμα δὲ τῆς γεννητικῆς τῶν μορίων

Εἰ πρεσβύτατον ἡ πάλη τῶν ἀγωνισμάτων

[b] Σωσικλέα τὸν Κορωνῆθεν, Πυθίοις νενικηκότα ποιητάς, εἱστιῶμεν τὰ ἐπινίκια. τοῦ δὲ γυμνικοῦ ἀγῶνος ἐγγὺς ὄντος, ὁ πλεῖστος ἦν λόγος περὶ τῶν παλαιστῶν· πολλοὶ γὰρ ἐτύγχανον ἀφιγμένοι καὶ ἔνδοξοι. παρὼν οὖν Λυσίμαχος, εἷς τῶν Ἀμφικτυόνων ἐπιμελητής, ἔναγχος ἔφη γραμματικοῦ τινος ἀκοῦσαι τὴν πάλην ἀρχαιότατον ἀθλημάτων πάντων ἀποφαίνοντος, ὡς καὶ τοὔνομα μαρτυρεῖν· ἐπιεικῶς γὰρ ἀπολαύειν τὰ νεώτερα πράγματα κειμένων ἐν τοῖς παλαιοτέροις ὀνομάτων· ὥς [c] που καὶ τὸν αὐλὸν 'ἡρμόσθαι' λέγουσιν καὶ 'κρούματα' ‹τὰ› αὐλήματα καλοῦσιν, ἀπὸ τῆς λύρας λαμβάνοντες τὰς προσηγορίας. τὸν οὖν τόπον, ἐν ᾧ γυμνάζονται πάντες οἱ

Διὰ τί τῶν ἀθλημάτων Ὅμηρος πρῶτον ἀεὶ τάττει τὴν πυγμὴν εἶτα τὴν πάλην καὶ τελευταῖον τὸν δρόμον

Ῥηθέντων δὲ τούτων καὶ τὸν Φιλῖνον ἡμῶν ἐπαινεσάντων, αὖθις ὁ Λυσίμαχος ἔφη 'ποῖον οὖν φαίη τις ἂν τῶν ἀγωνισμάτων γεγονέναι πρῶτον; ἢ τὸ στάδιον, ὥσπερ Ὀλυμπίασιν; 'ἐνταῦθα δὲ παρ' ἡμῖν καθ' ἕκαστον ἄθλημα τοὺς ἀγωνιζομένους εἰσάγουσιν, ἐπὶ παισὶ παλαισταῖς ἄνδρας παλαιστὰς καὶ πύκτας ἐπὶ πύκταις ὁμοίως καὶ παγκρατιαστάς· ἐκεῖ δ', ὅταν οἱ παῖδες διαγωνίσωνται, [b] τότε τοὺς ἄνδρας καλοῦσιν. σκόπει δὲ μὴ μᾶλλον' ἔφη 'τὴν κατὰ χρόνον τάξιν Ὅμηρος ἀποδείκνυσιν· πρῶτον γὰρ ἀεὶ πυγμὴ παρ' αὐτῷ, δεύτερον πάλη, καὶ τελευταῖον ὁ δρόμος τῶν γυμνικῶν ἀεὶ

Διὰ τί πεύκη καὶ πίτυς καὶ τὰ ὅμοια τούτοις οὐκ ἐνοφθαλμίζεται

[b] Σώκλαρος ἑστιῶν ἡμᾶς ἐν κήποις ὑπὸ τοῦ Κηφισοῦ ποταμοῦ περιρρεομένοις ἐπεδείκνυτο δένδρα παντοδαπῶς πεποικιλμένα τοῖς λεγομένοις ἐνοφθαλμισμοῖς· καὶ γὰρ ἐκ σχίνων ἐλαίας ἀναβλαστανούσας ἑωρῶμεν καὶ ῥοιὰς ἐκ μυρρίνης· ἦσαν δὲ καὶ δρύες ἀπίους ἀγαθὰς ἐκφέρουσαι καὶ πλάτανοι μηλεῶν δεδεγμέναι καὶ συκαῖ μορεῶν ἐμβολάδας, ἄλλαι τε μίξεις φυτῶν κεκρατημένων ἄρχι καρπογονίας. οἱ μὲν οὖν ἄλλοι πρὸς τὸν Σώκλαρον ἔπαιζον, ὡς [c] τῶν ποιητικῶν σφιγγῶν καὶ χιμαιρῶν τερατωδέστερα γένη καὶ θρέμματα βόσκοντα· Κράτων δὲ προὔβαλεν ἡμῖν διαπορῆσαι περὶ τῆς αἰτίας, δι' ἣν μόνα τῶν φυτῶν τὰ ἐλατώδη δέχεσθαι τὰς τοιαύτας ἐπιμιξίας οὐ πέφυκεν· οὔτε γὰρ κῶνον οὔτε κυπάριττον ἢ πίτυν ἢ πεύκην ἐκτρέφουσάν τι τῶν ἑτερογενῶν ὁρᾶσθαι.

Ὑπολαβὼν δὲ Φίλων ἔφη 'λόγος τις ἔστιν, ὦ Κράτων, παρὰ τοῖς σοφοῖς, βεβαιούμενος ὑπὸ τῶν γεωργικῶν. τὸ γὰρ ἔλαιον εἶναί φασι τοῖς φυτοῖς πολέμιον καὶ τάχιστ' ἂν ἀπολέσθαι φυτὸν ὃ βούλοιο χριόμενον ἐλαίῳ, καθάπερ τὰς μελίττας. τὰ δ' εἰρημένα δένδρα πίονα καὶ πέπειραν ἔχει τὴν φύσιν, ὥστε πίσσαν ἀποδακρύειν [d] καὶ ῥητίνην· ὅταν δὲ πληγῇ, ταῖς διακοπαῖς οἴκοθεν ὥσπερ ἰχῶρας συνάγει· ἥ τε δᾳς αὐτῶν ἐλαιηρὰν ἀφίησιν ἰκμάδα καὶ περιστίλβει τὸ λιπαρὸν αὐτῇ· διὸ καὶ πρὸς τὰ ἄλλα γένη δυσμίκτως ἔχει, καθάπερ αὐτὸ τὸ ἔλαιον.' παυσαμένου δὲ τοῦ Φίλωνος, ὁ μὲν Κράτων ᾤετο καὶ τὴν τοῦ φλοιοῦ φύσιν πρὸς τοῦτο συνεργεῖν· λεπτὸν γὰρ ὄντα καὶ ξηρὸν οὐ παρέχειν ἕδραν οὐδ' ἐμβίωσιν τοῖς ἐντιθεμένοις, †ὥσπερ τὰ φλοιώδη καὶ νοτερὰ καὶ τὰ μαλακὰ τοῖς ὑπὸ τὸν φλοιὸν ὄντα μέρεσι †προσδεχομένοις περιπτύσσεσθαι κολλώμενον.'

Αὐτὸς δὲ Σώκλαρος ἔφη καὶ ‹τὸν› ταῦτα λέγοντα [e] μὴ κακῶς προσεννοεῖν, ὅτι δεῖ τὸ δεχόμενον ἑτέραν φύσιν εὔτρεπτον εἶναι, ἵνα κρατηθὲν ἐξομοιωθῇ καὶ μεταβάλῃ τὴν ἐν ἑαυτῷ τροφὴν πρὸς τὸ ἐμφυτευόμενον. ‘καὶ γὰρ τὴν γῆν προδιαλύομεν καὶ μαλάσσομεν, ἵνα κοπεῖσα μεταβάλῃ δι’ εὐπάθειαν καὶ ἅψηται τῶν ἐμφυτευομένων· ἡ γὰρ ἀτενὴς καὶ σκληρὰ δυσμετάβλητος. ταῦτα δὲ τὰ δένδρα κοῦφα τοῖς ξύλοις ὄντα κρᾶσιν οὐ ποιεῖ διὰ τὸ μὴ κρατεῖσθαι μηδὲ μεταβάλλειν. ἔτι δ’’ εἶπεν ‘οὐκ ἄδηλον ὅτι δεῖ πρὸς τὸ ἐμφυτευόμενον χώρας λόγον ἔχειν τὸ δεξόμενον· τὴν δὲ χώραν δεῖ θήλειαν ἔχειν καὶ γόνιμον· ὅθεν τὰ πολυκαρπότατα τῶν φυτῶν ... Εἰ χρηστέον ἀνθίνοις στεφάνοις παρὰ πότον

Ἐγένοντο γάρ ποτε καὶ περὶ στεφάνων λόγοι· τὸ δὲ συμπόσιον ἦν Ἀθήνησιν, Ἐράτωνος τοῦ ἁρμονικοῦ ταῖς Μούσαις τεθυκότος καὶ πλείονας ἑστιῶντος. παντοδαπῶν γὰρ μετὰ τὸ δειπνῆσαι στεφάνων περιφερομένων, ὁ Ἀμμώνιος ἐπέσκωψέ πως ἡμᾶς ἀντὶ τοῦ δαφνίνου τοῖς ῥοδίνοις ἀναδησαμένους· ὅλως γὰρ εἶναι τοὺς ἀνθίνους κορασιώδεις καὶ παιζούσαις μᾶλλον ἐπιτηδείους παρθένοις καὶ γυναιξὶν ἢ συνουσίαις φιλοσόφων καὶ μουσικῶν ἀνδρῶν. ΠΡΟΒΛΗΜΑ Β

Περὶ τοῦ κιττοῦ πότερον τῇ φύσει θερμὸς ἢ ψυχρός ἐστιν

Ἐπαινεσάντων δ' ἡμῶν τὸν Τρύφωνα μειδιῶν ὁ Ἀμμώνιος οὐκ ἄξιον ἔφη ποικίλον οὕτω καὶ ἀνθηρὸν λόγον ὥσπερ στέφανον ἀντιλέγοντα διαλακτίζειν· 'πλὴν ὅ γε κιττὸς οὐκ οἶδ' ὅπως συγκαταπέπλεκται ψυχρότητι συγκατασβεννύναι λεγόμενος τὸν ἄκρατον· ἔστι γὰρ ἔμπυρος καὶ θερμότερος, καὶ ὅ γε καρπὸς αὐτοῦ μιγνύμενος εἰς τὸν οἶνον μεθυστικὸν ποιεῖ καὶ ταρακτικὸν τῷ πυροῦσθαι. τὸ δὲ κλῆμα λέγουσιν αὐτοῦ σπώμενον ὥσπερ [c] τἀν πυρὶ ξύλα συνδιαστρέφεσθαι. χιὼν δὲ πολλάκις ἡμέρας συχνὰς ἐπιμένουσα τοῖς ἄλλοις φυτοῖς φεύγει τάχιστα τὸν κιττόν, μᾶλλον δ' ὅλως εὐθὺς ἀπόλλυται καὶ περιτήκεται περὶ αὐτὸν ὑπὸ θερμότητος. ὃ δὲ μέγιστόν ἐστιν ὑπὸ Θεοφράστου (h. pl. IV 4, 1) δ' ἱστόρηται, Ἀλεξάνδρου κελεύσαντος Ἑλληνικὰ δένδρα τοῖς ἐν Βαβυλῶνι παραδείσοις ἐμβαλεῖν Ἅρπαλον, μάλιστα δέ, τῶν τόπων ἐμπύρων ὄντων καὶ περιφλεγόντων, τὰ ἀλσώδη καὶ εὐπέταλα καὶ σκιερὰ καταμῖξαι τοῖς φυτοῖς, μόνον οὐκ ἐδέξατο τὸν κιττὸν ἡ χώρα, καίτοι πολλὰ τοῦ Ἁρπάλου πραγματευομένου καὶ προσφιλονεικοῦντος, ἀλλ' ἀπώλλυτο [d] καὶ κατεξηραίνετο, τῷ πυρώδης μὲν αὐτὸς εἶναι πρὸς πυρώδη δὲ μίγνυσθαι γῆν οὐ λαμβάνων κρᾶσιν ἀλλ' ἐξιστάμενος. αἱ γὰρ ὑπερβολαὶ φθείρουσι τὰς δυνάμεις· διὸ τῶν ἐναντίων μᾶλλον ὀρέγονται, καὶ φιλόθερμόν ἐστι τὸ ψυχρὸν καὶ φιλόψυχρον τὸ θερμόν· ὅθεν οἱ ὄρειοι καὶ πνευματώδεις καὶ νιφόμενοι τόποι τὰ δᾳδώδη καὶ πισσοτρόφα τῶν φυτῶν, μάλιστα πεύκας καὶ στροβίλους, ἐκφέρουσιν. ἄνευ δὲ τούτων, ὦ φίλε Τρύφων, τὰ δύσριγα καὶ ψυχρὰ φυλλορροεῖ, μικρότητι τοῦ θερμοῦ καὶ ἀσθενείᾳ συστελλομένου καὶ προλείποντος τὸ φυτόν· ἐλαίαν δὲ καὶ δάφνην καὶ κυπάριττον ἀειθαλῆ διαφυλάσσει τὸ [e] λιπαρὸν καὶ τὸ

θερμὸν ὥσπερ τὸν κιττόν. ὅθεν ὁ φίλτατος Διόνυσος οὐχ ὡς βοηθὸν ἐπὶ τὴν μέθην οὐδ’ ὡς πολέμιον τῷ οἴνῳ τὸν κιττὸν ἐπήγαγεν, ὅς γε τὸν ἄκρατον ἄντικρυς ‘μέθυ’ καί ‘μεθυμναῖον’ αὐτὸς αὑτὸν ὠνόμασεν· ἀλλά μοι δοκεῖ, καθάπερ οἱ φίλοινοι μὴ παρόντος ἀμπελίνου κριθίνῳ χρῶνται πόματι, καὶ μηλίτας τινάς, οἱ δὲ φοινικίνους οἴνους ποιοῦσιν, οὕτω καὶ ὁ ποθῶν χειμῶνος ὥρᾳ τὸν ἀπὸ τῆς ἀμπέλου στέφανον, ὡς ἐκείνην ἑώρα γυμνὴν καὶ ἄφυλλον, ἀγαπῆσαι τὴν ὁμοιότητα τοῦ κιττοῦ. καὶ γὰρ τοῦ κλήματος τὸ ἑλικῶδες τοῦτο καὶ σφαλλόμενον ἐν τῇ [f] πορείᾳ καὶ τοῦ πετάλου τὸ ὑγρὸν καὶ περικεχυμένον ἀτάκτως, μάλιστα δ’ αὐτὸς ὁ κόρυμβος ὄμφακι πυκνῷ καὶ περκάζοντι προσεοικώς, ἐκμεμίμηται τὴν τῆς ἀμπέλου διάθεσιν. οὐ μὴν ἀλλὰ κἂν βοηθῇ τι πρὸς μέθην ὁ κιττός, θερμότητι τοῦτο ποιεῖν φήσομεν αὐτὸν ἀνοίγοντα τοὺς πόρους ἢ συνεκπέττοντα μᾶλλον τὸν ἄκρατον, ἵνα καὶ μένῃ σὴν χάριν, ὦ Τρύφων, ἰατρὸς ὁ Διόνυσος.’

Πρὸς ταῦθ’ ὁ μὲν Τρύφων ἄφωνος ἦν, ὅπως ἀντείποι [649] [a] σκεπτόμενος· ὁ δ’ Ἐράτων ἕκαστον ἡμῶν τῶν νέων ἀνακαλούμενος ἐκέλευε βοηθεῖν τῷ Τρύφωνι [τῶν στεφάνων] ἢ τοὺς στεφάνους ἀποτίθεσθαι· καὶ Ἀμμώνιος ἔφη παρέχειν ἄδειαν, οὐ γὰρ ἀντερεῖν οἷς ἂν ἡμεῖς εἴπωμεν. οὕτω δὴ καὶ τοῦ Τρύφωνος ἐπικελεύοντος εἰπεῖν ‹ἔφην ὅ›τι τὸ μὲν ἀποδεῖξαι ψυχρὸν εἶναι τὸν κιττὸν οὐκ ἐμὸν ἦν ἔργον, ἀλλὰ Τρύφωνος· οὗτος γὰρ αὐτῷ ψύχοντι καὶ στύφοντι πολλὰ χρῆται· ‘τῶν δ’ εἰρημένων’ ἔφην ‘τὸ μὲν μεθύσκειν κιττὸν οἴνῳ μιγνύμενον οὐκ ἀληθές ἐστιν· ὃ γὰρ ἐμποιεῖ τοῖς πιοῦσι πάθος οὐ μέθην ἄν τις εἴποι, ταραχὴν δὲ καὶ παραφροσύνην, οἷον ‹ὑος›κύαμος ἐμποιεῖ [b] καὶ πολλὰ τοιαῦτα κινοῦντα μανικῶς τὴν διάνοιαν. ὁ δὲ τοῦ κλήματος σπασμὸς ἄλογός ἐστιν· τοιαῦτα γὰρ παρὰ φύσιν ἔργα τῶν κατὰ φύσιν δυνάμεων οὐκ ἔστιν· ἀλλὰ καὶ τὰ ξύλα διαστρέφεται τοῦ πυρὸς τὸ ὑγρὸν ἕλκοντος ἐξ αὐτῶν βίᾳ κυρτότητας ἴσχοντα καὶ παραβάσεις· τὸ δὲ συγγενὲς θερμὸν αὔξειν καὶ τρέφειν πέφυκεν. σκόπει δὲ μὴ μᾶλλον ἀρρωστία τις καὶ ψυχρότης σώματος τὸ πολυκαμπὲς καὶ χαμαιπετὲς πέφυκε, ‹προσκρού›σεις πυκνὰς ‹καὶ› ἀντικοπὰς λαμβάνοντος, ὥσπερ ὁδοιπόρου δι’ ἀσθένειαν πολλάκις ἀποκαθίζοντος εἶτα πάλιν ἐρχομένου· [c] διὸ καὶ περιπλοκῆς δεῖται καὶ στηρίγματος, αὐτὸς ἑαυτὸν ἀνέχειν καὶ ποδηγεῖν ἀδυνατῶν δι’ ἔνδειαν θερμότητος, ἧς τὸ ἀνωφερὲς δύναμίς ἐστιν. ἡ δὲ χιὼν ἀπορρεῖ καὶ περιτήκεται δι’ ὑγρότητα τοῦ φύλλου· τὸ γὰρ ὕδωρ σβέννυσιν αὐτῆς καὶ κόπτει τὴν χαυνότητα διὰ τὸ μικρῶν εἶναι καὶ πυκνῶν ἄθροισμα πομφολύγων· ὅθεν ‹οὐχ ἧττον› ἐν τοῖς περιψύκτοις σφόδρα καὶ νοτεροῖς τόποις ἢ τοῖς προσείλοις αἱ χιόνες ῥέουσιν. τὸ δ’ ἀειθαλὲς τοῦτο καὶ ὥς φησιν Ἐμπεδοκλῆς (fr. 77) ‘ἐμπεδόφυλλον’ οὐκ ἔστι θερμότητος· οὐδὲ γὰρ

ψυχρότητος τὸ φυλλορροεῖν· ἡ γοῦν μυρρίνη καὶ τὸ ἀδίαντον [d] οὐκ ὄντα τῶν θερμῶν ἀλλὰ τῶν ψυχρῶν ἀεὶ τέθηλεν. ἔνιοι μὲν οὖν ὁμαλότητι κράσεως οἴονται παραμένειν τὸ φύλλον· Ἐμπεδοκλῆς δὲ πρὸς τούτῳ καὶ πόρων τινὰ συμμετρίαν αἰτιᾶται, τεταγμένως καὶ ὁμαλῶς τὴν τροφὴν διιέντων, ὥστ' ἀρκούντως ἐπιρρεῖν. τοῖς δὲ φυλλορροοῦσιν οὐκ ἔστι διὰ μανότητα τῶν ἄνω καὶ στενότητα τῶν κάτω πόρων, ὅταν οἱ μὲν μὴ ἐπιπέμπωσιν οἱ δὲ ‹μὴ› φυλάττωσιν ἀλλ' ὀλίγον λαβόντες ἄθρουν ἐκχέωσιν, ὥσπερ ἐν ἀνδήροις τισὶν οὐχ ὁμαλοῖς· τὰ δ' ὑδρευόμεν' ἀεὶ τὴν τροφὴν διαρκῆ καὶ σύμμετρον ἀντέχει καὶ παραμένει ἀγήρω καὶ χλοερά. 'ἀλλ' ἐν Βαβυλῶνι φυτευόμενος ἐξίστατο [e] καὶ ἀπηγόρευεν'· εὖ γε ποιῶν ὁ γενναῖος οὗτος, ὅτι Βοιωτίου θεοῦ πελάτης καὶ παράσιτος ὢν οὐκ ἐβούλετο μετοικεῖν ἐν βαρβάροις οὐδ' Ἀλέξανδρον ἐζήλωσεν ἐξοικειούμενον ἐκείνοις τοῖς ἔθνεσιν, ἀλλ' ἔφευγε καὶ διεμάχετο πρὸς τὴν ἀποξένωσιν. αἰτία δ' οὐχ ἡ θερμότης ἦν, ἀλλὰ μᾶλλον ἡ ψυχρότης, οὐχ ὑποφέρουσα τὴν ἐναντίαν κρᾶσιν· οὐ γὰρ φθείρει τὸ οἰκεῖον, ἀλλὰ προσίεται καὶ τρέφει, καθάπερ τὸ θύμον ἡ ξηρὰ γῆ, καίτοι θερμὸν ὄν. τὴν δὲ Βαβυλωνίαν οὕτω φασὶν ἀέρα πνιγώδη καὶ βαρὺν περιέχειν, ὥστε πολλοὺς τῶν εὐπόρων, ὅταν ἐμπλήσωσιν [f] ἀσκοὺς ὕδατος, ἐπὶ τούτων καθεύδειν ἀναψυχομένους.'

ΠΡΟΒΛΗΜΑ Γ

Διὰ τί γυναῖκες ἥκιστα μεθύσκονται τάχιστα δ' οἱ γέροντες

Ἐθαύμαζε Φλῶρος, εἰ γεγραφὼς Ἀριστοτέλης ἐν τῷ περὶ μέθης (fr. 108), ὅτι μάλιστα μὲν οἱ γέροντες ἥκιστα δ’ αἱ γυναῖκες ὑπὸ μέθης ἁλίσκονται, τὴν αἰτίαν οὐκ ἐξειργάσατο μηδὲν εἰωθὼς προΐεσθαι τῶν τοιούτων· εἶτα μέντοι προὔβαλεν ἐν μέσῳ σκοπεῖν τοῖς παροῦσιν. ἦν δὲ τῶν συνήθων τὸ δεῖπνον. ἔφη τοίνυν ὁ Σύλλας θατέρῳ θάτερον ἐμφαίνεσθαι· κἂν εἰ περὶ τῶν γυναικῶν ὀρθῶς τὴν αἰτίαν λάβοιμεν, οὐκ ἔτι πολλοῦ λόγου δεήσεσθαι περὶ τῶν γερόντων· ἐναντίας γὰρ εἶναι μάλιστα τὰς [b] φύσεις τῇ θ’ ὑγρότητι καὶ ξηρότητι ‹καὶ λειότητι› καὶ τραχύτητι καὶ μαλακότητι καὶ σκληρότητι. ‘καὶ τοῦτ’’ ἔφη ‘λαμβάνω κατὰ τῶν γυναικῶν πρῶτον, ὅτι τὴν κρᾶσιν ὑγρὰν ἔχουσιν, ἣ καὶ τὴν ἁπαλότητα τῆς σαρκὸς ἐμμεμιγμένη παρέχει καὶ τὸ στίλβον ἐπὶ λειότητι καὶ τὰς καθάρσεις· ὅταν οὖν ὁ οἶνος εἰς ὑγρότητα πολλὴν ἐμπέσῃ, κρατούμενος ἀποβάλλει τὴν βαφὴν καὶ γίνεται παντάπασιν ἀναφὴς καὶ ὑδατώδης. ἔστι δέ τι καὶ παρ’ αὐτοῦ λαβεῖν Ἀριστοτέλους· τοὺς γὰρ ἄθρουν καὶ ἀπνευστὶ πίνοντας, ὅπερ ‘ἀμυστίζειν’ ὠνόμαζον οἱ παλαιοί, φησὶν ἥκιστα περιπίπτειν μέθαις· οὐ γὰρ ἐνδιατρίβειν τὸν [c] ἄκρατον αὐτοῖς, ἀλλ’ ἐξωθούμενον ῥύμῃ διαπορεύεσθαι διὰ τοῦ σώματος· ἐπιεικῶς δὲ τὰς γυναῖκας ὁρῶμεν οὕτω πινούσας. εἰκὸς δ’ αὐτῶν καὶ τὸ σῶμα διὰ τὸν ἐνδελεχῆ τῶν ὑγρῶν κατασπασμὸν ἐπὶ τὰς ἀπο‹καθάρσεις› πολύπορον γεγονέναι καὶ τετμῆσθαι καθάπερ ἀνδήροις καὶ ὀχετοῖς· εἰς οὓς ἐμπίπτοντα τὸν ἄκρατον ὑπάγειν ταχέως καὶ μὴ προσίστασθαι τοῖς κυρίοις μέρεσιν, ὧν διαταραττομένων συμβαίνει τὸ μεθύειν. οἱ δὲ γέροντες ὅτι μέν εἰσιν ἐνδεεῖς ἰκμάδος οἰκείας, τοὔνομά μοι δοκεῖ φράζειν πρῶτον· οὐ γὰρ ὡς ῥέοντες εἰς γῆν, ἀλλ’ ὡς γεώδεις καὶ γεηροί τινες ἤδη γινόμενοι τὴν ἕξιν οὕτω προσαγορεύονται· [d] δηλοῖ δὲ καὶ τὸ δυσκαμπὲς αὐτῶν καὶ σκληρὸν ἔτι δ’ ἡ τραχύτης τὴν ξηρότητα τῆς φύσεως· ὅταν οὖν ἐμπίνωσιν, εἰκὸς ἀναλαμβάνεσθαι τὸν οἶνον, τοῦ σώματος σφογγώδους διὰ τὸν αὐχμὸν ὄντος, εἶτ’ ἐμμένοντα πληγὰς καὶ βαρύτητας ἐμποιεῖν· ὡς γὰρ τὰ ῥεύματα τῶν μὲν πυκνῶν ἀποκλύζεται χωρίων καὶ πηλὸν οὐ ποιεῖ τοῖς δ’ ἀραιοῖς ἀναμίγνυται μᾶλλον, οὕτως ὁ οἶνος ἐν τοῖς τῶν γερόντων σώμασιν ἔχει διατριβὴν ἑλκόμενος ὑπὸ τῆς ξηρότητος. ἄνευ δὲ τούτων ἰδεῖν ἔστι τὰ συμπτώματα τῆς μέθης τὴν τῶν γερόντων φύσιν ἐξ ἑαυτῆς ἔχουσαν· ἔστι γὰρ συμπτώματα [e] μέθης ἐπιφανέστατα, τρόμοι μὲν ἄρθρων ψελλισμοὶ δὲ γλώσσης, πλεονασμοὶ δὲ λαλιᾶς ὀξύτητες δ’ ὀργῆς, λῆθαί τε καὶ παραφοραὶ διανοίας· ὧν τὰ πολλὰ καὶ περὶ τοὺς ὑγιαίνοντας ὄντα πρεσβύτας ὀλίγης ῥοπῆς δεῖται καὶ σάλου τοῦ τυχόντος· ὥστε μὴ γένεσιν ἰδίων ἀλλὰ κοινῶν ἐπίτασιν συμπτωμάτων γίνεσθαι τὴν μέθην τῷ γέροντι· τεκμήριον δὲ τούτου τὸ μηθὲν εἶναι γέροντι νέου μεθυσθέντος ὁμοιότερον.’

ΠΡΟΒΛΗΜΑ Δ

Πότερον ψυχρότεραι τῇ κράσει τῶν ἀνδρῶν ἢ θερμότεραί εἰσιν αἱ γυναῖκες

[f] Ὁ μὲν οὖν Σύλλας ταῦτ’ εἶπεν. ὁ δὲ τακτικὸς Ἀπολλωνίδης ἔφη τὸν μὲν περὶ τῶν γερόντων ἀποδέχεσθαι λόγον· ἐν δὲ ταῖς γυναιξὶν αὐτῷ δοκεῖν παραλελεῖφθαι τὸ τῆς ψυχρότητος, ᾗ θερμότατον ἄκρατον ἀποσβέννυσθαι καὶ ἀποβάλλειν τὸ πλῆττον καὶ πυρῶδες.

[651] [a] πιθανοῦ δὲ καὶ τούτου δοκοῦντος, Ἀθρύϊτος ὁ Θάσιος ἰατρὸς ἐμβαλών τινα τῇ ζητήσει διατριβὴν εἶναί τινας ἔφησεν, οἳ τὰς γυναῖκας οὐ ψυχρὰς ἀλλὰ θερμοτέρας τῶν ἀνδρῶν ὑπολαμβάνουσιν, ἑτέρους δὲ πάλιν οἳ τὸν οἶνον οὐ θερμὸν ἀλλὰ καὶ ψυχρὸν ἡγοῦνται.

Θαυμάσαντος δὲ τοῦ Φλώρου, ‘τὸν μὲν περὶ τοῦ οἴνου λόγον’ εἶπεν ‘ἀφίημι τούτῳ’ δείξας ἐμέ· καὶ γὰρ ἐτυγχάνομεν ὀλίγαις ἡμέραις πρότερον εἰς τοῦτο διειλεγμένοι· ‘τῶν δὲ γυναικῶν’ ἔφη ‘τὴν θερμότητα πρῶτον ἀπὸ τῆς ψιλότητος οἴονται δεικνύναι, καταναλισκομένου τοῦ περιττώματος ὑπὸ τῆς θερμότητος, ὃ πλεονάζον εἰς τρίχας τρέπεται· δεύτερον δὲ τῷ πλήθει τοῦ αἵματος, ὃ πηγὴ μὲν [b] εἶναι δοκεῖ τῆς ἐν τῷ σώματι θερμότητος, ἔστι δὲ τοσοῦτον ταῖς γυναιξίν, ὥστ’ αὐτὰς καταπιμπράναι καὶ περιφλέγειν, εἰ μὴ πολλαὶ καὶ ταχεῖαι συμβαίνοιεν καθάρσεις. τρίτον τοῦτο τὸ περὶ τὰς ταφὰς αἱ‹ρεῖ θερμότε›ρα τὰ θήλεα τῶν ἀρρένων εἶναι· λέγεται γὰρ ὑπὸ τῶν σκευωρουμένων †τὰ μὲν συντίθεσθαι παρὰ δέκα νεκροὺς ἀνδρῶν ἕνα γυναικὸς καὶ συνεξάπτειν, δᾳδῶδές τι καὶ λιπαρὸν αὐτῶν τῆς σαρκὸς ἐχούσης, ὥσθ’ ὑπέκκαυμα γίνεσθαι τῶν ἄλλων. ἔτι δ’, εἰ θερμότερον τὸ γονιμώτερον αἱ δὲ παρθένοι τῶν παίδων ὀργῶσι πρότερον καὶ σαλεύονται πρὸς τὸ γεννᾶν, οὐδ’ αὕτη τις ἀσθενὴς ἀπόδειξις ἂν εἴη [c] τῆς θερμότητος. ἔτι δὲ μείζων καὶ πιθανωτέρα τὸ πρὸς τὰ κρύη καὶ τοὺς χειμῶνας εὐφόρως ἔχειν· ἧττον γὰρ αἱ πλεῖσται ῥιγοῦσι τῶν ἀνδρῶν καὶ παντάπασιν ἱματίων ὀλίγων δέονται.’

‘Ἀλλ’ ἀπ’ αὐτῶν οἶμαι τούτων’ ὁ Φλῶρος ἔφη ‘τῶν ἐπιχειρημάτων ἐλέγχεσθαι τὸ δόγμα. πρῶτον μὲν γὰρ ἀντέχουσι τῷ ψύχει μᾶλλον, ὅτι πολλάκις τὸ ὅμοιον ὑπὸ τοῦ ὁμοίου δυσπαθέστερόν ἐστιν. ἔπειτα μέντοι καὶ τὸ σπέρμα †μὴ προγεγονέναι τὸ γόνιμον διὰ κατάψυξιν, ἀλλ’ ὕλην μόνον καὶ τροφὴν παρέχειν τῷ ἀπὸ τοῦ ἄρρενος. ἔπειτα λήγουσι τίκτουσαι πολὺ πρότερον ἢ γεννῶντες οἱ ἄνδρες. καίονται δὲ βέλτιον ὑπὸ πιμελῆς, ὃ δοκεῖ ψυχρότατον [d] εἶναι τοῦ σώματος· ἥκιστα γοῦν οἱ νέοι καὶ γυμναστικοὶ πιμελώδεις. ἡ δ’ ἔμμηνος κάθαρσις οὐ πλήθους ἀλλὰ διαφθορᾶς καὶ φαυλότητός ἐστιν αἵματος· τὸ γὰρ ἄπεπτον αὐτοῦ καὶ περιττωματικὸν οὐκ

ἔχον ἵδρυσιν οὐδὲ σύστασιν ἐν τῷ σώματι δι’ ἀσθένειαν ἐκπίπτει, παντάπασιν ἀμβλὺ καὶ θολερὸν ἀρρωστίᾳ τοῦ θερμοῦ γινόμενον· δηλοῖ δὲ καὶ τὸ ῥιγοῦν καὶ τὸ ὑποφρίττειν ὡς ἐπὶ πολὺ τὰς καθαιρομένας, ὅτι ψυχρόν ἐστι καὶ ἄπεπτον τὸ κεκινημένον καὶ ἀποχωροῦν ἐκ τοῦ σώματος. τὴν δὲ ψιλότητα τίς ἂν εἴποι ‹ὅτι› θερμότητος οὐχὶ μᾶλλον ψυχρότητός ἐστι τὸ πάθος, ὁρῶν τὰ θερμότατα τοῦ σώματος [e] μέρη δασυνόμενα; πάντα γὰρ ἐξωθεῖται τὰ τοιαῦτα τῷ θερμῷ, χαράσσοντι καὶ ἀναστομοῦντι τὴν ἐπιφάνειαν. ἡ δὲ λειότης πυκνότητι γέγονεν ὑπὸ ψυχρότητος· ὅτι δ’ εἰσὶ πυκνότεραι τῶν ἀνδρῶν, ὦ φίλ’ Ἀθρύϊτε, πυθοῦ παρὰ τῶν ἔτι συναναπαυομένων γυναιξὶν ἢ μύρον ἀληλιμμέναις ἢ ἔλαιον· ἀναπίμπλανται γὰρ αὐτοὶ τοῦ χρίσματος ἐν τῷ συγκαθεύδειν, κἂν μὴ θίγωσι μηδὲ προσάψωνται τῶν γυναικῶν, διὰ θερμότητα καὶ μανότητα τοῦ σώματος ἕλκοντος.’

ΠΡΟΒΛΗΜΑ Ε

Εἰ ψυχρότερος τῇ δυνάμει ὁ οἶνος

‘Οὐ μὴν ἀλλὰ τὸ μὲν περὶ τῶν γυναικῶν’ ἔφη ‘καὶ πρὸς τοὐναντίον ἀνδρικῶς ἐπικεχείρηται. τὸν δ’ οἶνον ἐπιθυμῶ μαθεῖν ὁπόθεν ὑπόνοιαν ὑμῖν τοῦ ψυχρὸς εἶναι [652] [a] παρέσχεν.’ ‘οἴει γάρ’ ἔφην ἐγώ ‘τοῦτον ἡμέτερον εἶναι τὸν λόγον;’ ‘ἀλλὰ τίνος’ εἶπεν ‘ἑτέρου;’ ‘μέμνημαι μὲν οὖν’ ἔφην ἐγώ ‘καὶ Ἀριστοτέλους ἐντυχὼν οὐ νεωστὶ λόγῳ περὶ τούτου τοῦ προβλήματος ἀλλ’ ἱκανῶς πάλαι. διείλεκται δὲ καὶ Ἐπίκουρος (fr. 60) ἐν τῷ Συμποσίῳ πολλοὺς λόγους, ὧν τὸ κεφάλαιόν ἐστιν ὡς ἐγῷμαι τοιόνδε. φησὶ γὰρ οὐκ εἶναι θερμὸν αὐτοτελῶς τὸν οἶνον, ἀλλ’ ἔχειν τινὰς ἀτόμους ἐν αὐτῷ θερμασίας ἀποτελεστικὰς ἑτέρας δ’ αὖ ψυχρότητος· ὧν τὰς μὲν ἀποβάλλειν, ὅταν εἰς τὸ σῶμα παραγένηται, τὰς δὲ προσλαμβάνειν ἐκ τοῦ σώματος, ὡς ἂν ἔχουσι κράσεως ἡμῖν ἢ φύσεως ὁμιλήσῃ, ὡς τοὺς μὲν ἐκθερμαίνεσθαι τοὺς δὲ τοὐναντίον πάσχειν [b] μεθυσκομένους.’

‘Ταῦτ’’ εἶπεν ὁ Φλῶρος ‘ἄντικρυς εἰς τὸν Πύρρωνα διὰ τοῦ Πρωταγόρου φέρει ἡμᾶς· δῆλον γὰρ ὅτι καὶ περὶ ἐλαίου καὶ περὶ γάλακτος μέλιτός τε καὶ ὁμοίως τῶν ἄλλων διεξιόντες ἀποδρασόμεθα τὸ λέγειν περὶ ἑκάστου, ὁποῖον τῇ φύσει ἐστίν, μίξεσι ταῖς πρὸς ἄλληλα καὶ κράσεσιν ἕκαστον γίνεσθαι φάσκοντες. ἀλλὰ σὺ πῶς ἐπιχειρεῖς ‹εἰς› τὸ ψυχρὸν εἶναι τὸν οἶνον;’ ‘οὕτως, ‹ὡς›’ ἔφην ‘ὑπέδυν τότε προσηναγκασμένος αὐτοσχεδιάσαι. πρῶτον δ’ ἐπῄει μοι τὸ γινόμενον ὑπὸ τῶν ἰατρῶν· τοῖς γὰρ ἐκλελυμένοις καὶ τόνου τινὸς δεομένοις κατὰ τὰς ἀρρωστίας στομάχου θερμὸν μὲν οὐδὲν προσφέρουσιν οἶνον δὲ διδόντες βοηθοῦσιν. ὡς δ’ αὔτως καὶ τὰς ῥύσεις [c] καὶ ἐφιδρώσεις οἴνῳ καταπαύουσιν, ὡς οὐδὲν ἧττον ἀλλὰ καὶ μᾶλλον τῆς χιόνος ἱστάντι καὶ

'Ὅμως δ'' εἶπον 'ἐν τοῖς φαινομένοις καὶ ὁμοιότητας ἀδήλους ἐξιχνεύωμεν καὶ δυνάμεις. οὐδὲν δὲ περὶ τῆς μέθης δεῖ διαπορεῖν, ὁποῖόν ποτ' ἐστίν· ὡς γὰρ ἔοικεν . μάλιστα δ', ὡς εἰρήκαμεν, ἐοίκασι τοῖς πρεσβύταις οἱ μεθύοντες· διὸ καὶ πρωιαίτατα γηρῶσιν οἱ φίλοινοι· τοὺς δὲ πολλοὺς αὐτῶν καὶ φαλακρώσεις ἄωροι καὶ πολιαὶ πρὸ ἡλικίας ἔχουσιν· πάντα δὲ ταῦτα δοκεῖ θερμότητος ἐνδείᾳ καταλαμβάνειν τὸν ἄνθρωπον. ἔτι τοίνυν τὸ ὄξος οἴνου τινός ἐστι φύσις καὶ δύναμις· οὐδὲν δὲ τῶν σβεστηρίων ὄξους πυρὶ μαχιμώτερον, ἀλλὰ μάλιστα πάντων ἐπικρατεῖ καὶ συμπιέζει τὴν φλόγα δι' ὑπερβολὴν ψυχρότητος. καὶ τῶν ἄλλων δὲ καρπῶν τοῖς οἰνώδεσι μᾶλλον ὡς ψυκτικοῖς χρωμένους τοὺς ἰατροὺς ὁρῶμεν [653] [a] ὥσπερ ῥόαις καὶ μήλοις. αὐτὴν δὲ τὴν τοῦ μέλιτος φύσιν οὐχὶ πρὸς ὄμβριον ὕδωρ καὶ χιόνα συμμιγνύοντες οἰνοποιοῦσι, τοῦ ψυχροῦ τὸ γλυκὺ διὰ συγγένειαν εἰς τὸ αὐστηρόν, ὅταν κρατήσῃ, φθείροντος; οἱ παλαιοὶ δ' οὐχὶ διὰ τοῦτο τῶν ἑρπετῶν τὸν δράκοντα καὶ τῶν φυτῶν τὸν κιττὸν ἀνέθεσαν τῷ θεῷ καὶ καθιέρωσαν ὥς τινος ψυχρᾶς καὶ κρυώδους ‹κυρίῳ› δυνάμεως; ἐὰν δ', ὅτι τὸ

Περὶ καιροῦ συνουσίας

Νεανίσκοι τινὲς οὐ πάλαι τοῖς παλαιοῖς λόγοις προσπεφοιτηκότες ἐσπάραττον τὸν Ἐπίκουρον, ὡς οὐ καλὸν οὐδ' ἀναγκαῖον ἐμβεβληκότα λόγον περὶ καιροῦ συνουσίας εἰς τὸ Συμπόσιον (fr. 61)· μιμνήσκεσθαι γὰρ ἀφροδισίων ἄνδρα πρεσβύτερον ἐν δείπνῳ μειρακίων παρόντων [c] καὶ διαπορεῖν, πότερον μετὰ δεῖπνον ἢ πρὸ δείπνου χρηστέον, ἐσχάτης ἀκολασίας εἶναι. πρὸς ταῦθ' οἱ μὲν τὸν Ξενοφῶντα (Conv. 9, 7) παρέλαβον ὡς ἀπάγοντα τοὺς συμπότας μετὰ δεῖπνον οὐχὶ ... ἐφ' ἵππων ἐπὶ συνουσίας πρὸς τὰς γυναῖκας. Ζώπυρος δ' ὁ ἰατρός, εὖ μάλα τοῖς Ἐπικούρου λόγοις ἐνωμιληκώς, οὐκ ἔφη προσέχοντας αὐτοὺς ἀνεγνωκέναι τὸ Ἐπικούρου Συμπόσιον· οὐ γὰρ ὥσπερ ἐξ ἀρχῆς τινος καὶ καταστάσεως τοῦτο πρόβλημα ποιησάμενον εἶτα λόγους ἐπ' αὐτῷ περαίνειν, ἀλλὰ τοὺς νέους ἀνιστάντα μετὰ δεῖπνον εἰς περίπατον ἐπὶ σωφρονισμῷ [d] διαλέγεσθαι καὶ ἀνακρούειν ἀπὸ τῶν ἐπιθυμιῶν, ὡς ἀεὶ μὲν ἐπισφαλοῦς εἰς βλάβην τοῦ πράγματος ὄντος, κάκιστα δὲ τοὺς περὶ πότον καὶ ἐδωδὴν χρωμένους αὐτῷ διατιθέντος. 'εἰ δὲ δὴ καὶ προηγουμένως' εἶπεν 'ἐζητεῖτο περὶ τούτου, πότερον οὐδ' ὅλως ἐσκέφθαι καλῶς εἶχε τὸν φιλόσοφον περὶ συνουσίας καιροῦ καὶ ὥρας, ἢ βέλτιον μὲν ἐν καιρῷ καὶ μετὰ λογισμοῦ τὰ τοιαῦτα πράττειν, τὸν δὲ καιρὸν ἄλλως μὲν ἐπισκοπεῖν οὐκ ἄωρον ‹ἐν› δὲ συμποσίῳ καὶ περὶ τράπεζαν αἰσχρόν; ἐμοὶ γὰρ δοκεῖ τοὐναντίον ἄν τις ἐγκαλέσαι φιλοσόφῳ μεθ' ἡμέραν ἐν τῇ διατριβῇ πολλῶν καὶ παντοδαπῶν ἀνθρώπων παρόντων [e] περὶ τούτου διαλεγομένῳ, κύλικος δὲ προκειμένης ἐν συνήθεσι καὶ φίλοις, ἔνθα καὶ τὸ '†παραλέξαι θυμὸν ἀμβλύνοντα καὶ ψυχὴν ἐν οἴνῳ' συμφέρει, πῶς αἰσχρὸν εἰπεῖν τι καὶ ἀκοῦσαι εἰς συνουσίας χρῆσιν ὠφελίμως λεγόμενον; ὡς ἔγωγε, νὴ τὸν κύνα, καὶ τοὺς Ζήνωνος (St. V. Fr. I 252) ἂν ἐβουλόμην' ἔφη 'διαμηρισμοὺς ἐν συμποσίῳ τινὶ καὶ παιδιᾷ μᾶλλον ἢ σπουδῆς τοσαύτης ἐχομένῳ συγγράμματι, τῇ Πολιτείᾳ, κατατετάχθαι.'

Πρὸς τοῦτο πληγέντες οἱ νεανίσκοι σιωπῇ κατέκειντο· τῶν δ' ἄλλων τὸν Ζώπυρον ἀξιούντων τοὺς περὶ τούτου λόγους Ἐπικούρου διελθεῖν, ἔφη τῶν μὲν κατὰ [f] μέρος ‹οὐκ› ἀκριβῶς μνημονεύειν, οἴεσθαι δὲ τὸν ἄνδρα τὰς ἐκ

τῆς συνουσίας πληγὰς δεδιέναι διὰ τὸν τῶν σωμάτων παλμὸν εἰς ταραχὴν καὶ σάλον ἐν τῷ τοιούτῳ βαδιζόντων. καθόλου μὲν γὰρ ἐξ ἕδρας τὰ σώματα μεθιστάναι πλήκτην ὄντα καὶ κινητικὸν ταραχῆς τὸν ἄκρατον· ἂν δ' οὕτως ἔχοντα τὸν ὄγκον ἡμῶν γαλήνη ‹μὴ› παραλάβῃ καὶ ὕπνος, ἀλλ' ἕτεραι διὰ τῶν ἀφροδισίων κινήσεις, ἐκθλιβομένων καὶ μοχλευομένων τῶν μάλιστα συνδεῖν [654] [a] καὶ κολλᾶν τὸ σῶμα πεφυκότων, κίνδυνός ἐστιν ἀνέδραστον γίνεσθαι τὸν ὄγκον, ὥσπερ ‹οἶκον› ἐκ θεμελίων κινούμενον· οὐδὲ γὰρ εὖ ῥεῖν τηνικαῦτα τὴν γονήν, σφηνώσεως διὰ τὴν πλησμονὴν οὔσης, ἀλλὰ βίᾳ καὶ συμπεφυρμένην ἀποσπᾶσθαι· διὸ χρῆναί φησιν ὁ ἀνήρ, ὅταν ἡσυχία γένηται περὶ τὸ σῶμα καὶ λωφήσωσιν αἱ τῆς τροφῆς ἀναδόσεις καὶ τὰ ῥεύματα διεξιούσης καὶ φευγούσης, τὰ τοιαῦτα πράττειν, πρὶν ἑτέρας αὖ πάλιν τροφῆς ἐνδεὲς γενέσθαι τὸ σῶμα. συμβάλλοιτο δ' ἄν τις ... τῷ Ἐπικούρου καὶ τὸν ἰατρικὸν λόγον. ὁ γὰρ μεθ' ἡμέραν καιρός, ἤδη τῆς πέψεως κρίσιν ἐχούσης, ἀσφαλέστερός ἐστιν· ἡ δὲ μετὰ τὸ δεῖπνον ὁρμὴ πρὸς τὴν συνουσίαν [b] οὐκ ἀκίνδυνος· ἄδηλον γὰρ εἰ, τῆς τροφῆς μὴ κρατηθείσης, ἀπεψία δέξαιτο τὸν ἐκ τῆς συνουσίας ἄραδον καὶ παλμόν, ὥστε διττὴν τὴν βλάβην γενέσθαι.

Ὑπολαβὼν δ' Ὀλύμπιχος 'ἐμοὶ μέν' ἔφη 'τὸ τοῦ Πυθαγορικοῦ Κλεινίου (Vorsokr. 54, 5) λίαν ἀρέσκει· λέγεται γὰρ ἐρωτηθείς, ὁπηνίκα δεῖ μάλιστα γυναικὶ προσιέναι, 'ὅταν' φάναι 'μάλιστα τυγχάνῃς βλαβῆναι βουλόμενος.' καὶ γὰρ ὃ Ζώπυρος εἴρηκε νῦν, ἔχει τινὰ λόγον, καὶ τὸν ἕτερον καιρὸν ἄλλας ἀκαιρίας ἔχοντα πρὸς τὸ πρᾶγμα καὶ δυσχερείας ὁρῶ. καθάπερ οὖν Θαλῆς ὁ σοφὸς ὑπὸ τῆς μητρὸς ἐνοχλούμενος γῆμαι [c] κελευούσης †πῶς ὑπεξέφυγε παρήγαγε λέγων πρὸς αὐτὴν ἐν ἀρχῇ μέν 'οὔπω καιρὸς ὦ μῆτερ,' ὕστερον δ' 'οὐκέτι καιρὸς ὦ μῆτερ', οὕτως ἄρα καὶ πρὸς ἀφροδίσια κράτιστον [ἔσται] ἔχειν ἕκαστον, ὥστε κατακλινόμενον λέγειν 'οὔπω καιρός', ἀνιστάμενον δ' 'οὐκέτι καιρός'.'

'Ἀθλητικὰ ταῦτ'' εἶπεν ὁ Σώκλαρος, 'ὦ Ὀλύμπιχε, παντάπασιν ἔτι τῆς κοτταβίσεως ὄζοντα καὶ τῶν κρεοφαγιῶν ἐκείνων, οὐκ ἐν δέοντι. νέοι τε γὰρ πάρεισι γεγαμηκότες, ὑφ' ὧν δεῖ 'φιλοτήσια ἔργα τελεῖσθαι' (λ 246), καὶ ἡμᾶς οὔπω παντάπασιν ἡ Ἀφροδίτη πέφευγεν, ἀλλὰ καὶ προσευχόμεθα δήπουθεν αὐτῇ λέγοντες ἐν τοῖς τῶν θεῶν ὕμνοις (Carm. popul. 4. ΠΡΟΒΛΗΜΑ Ζ

Διὰ τί τὸ γλεῦκος ἥκιστα μεθύσκει

[e] Τοῦ νέου οἴνου Ἀθήνησι μὲν ἑνδεκάτῃ μηνὸς ‹Ἀνθεστηριῶνος› κατάρχονται, Πιθοίγια τὴν ἡμέραν καλοῦντες· καὶ πάλαι γ' ὡς ἔοικεν εὔχοντο, τοῦ οἴνου πρὶν ἢ πιεῖν ἀποσπένδοντες, ἀβλαβῆ καὶ σωτήριον αὐτοῖς τοῦ φαρμάκου τὴν χρῆσιν γενέσθαι. παρ' ἡμῖν δ' ὁ μὲν μὴν καλεῖται Προστατήριος, ἕκτῃ δ' ἱσταμένου νομίζεται θύσαντας Ἀγαθῷ Δαίμονι γεύεσθαι τοῦ οἴνου μετὰ ζέφυρον· οὗτος γὰρ μάλιστα τῶν ἀνέμων ἐξίστησιν καὶ κινεῖ τὸν οἶνον, καὶ ὁ τοῦτον διαφυγὼν ἤδη δοκεῖ παραμένειν βέβαιος. ἔθυσεν οὖν ὁ πατὴρ ὥσπερ εἰώθει τὴν θυσίαν, καὶ μετὰ τὸ δεῖπνον, ἐπαινουμένου τοῦ οἴνου, [f] τοῖς φιλοσοφοῦσι μειρακίοις μεθ' ἡμῶν προὔβαλεν ζητεῖν λόγον, ὡς τὸ γλεῦκος ἥκιστα μεθύσκει. τοῖς μὲν οὖν πολλοῖς παράδοξον ἐφάνη καὶ ἄπιστον· ὁ δ' Ἁγίας ἔφη τὸ γλυκὺ πανταχοῦ προσίστασθαι καὶ πλήσμιον εἶναι· διὸ καὶ γλεύκους οὐκ ἄν τινα πιεῖν ῥᾳδίως ὅσον εἰς μέθην ἱκανόν ἐστιν· ἀπαγορεύειν γὰρ ἀηδίᾳ τὴν ὄρεξιν ἄχρι τοῦ μὴ διψῆν προελθοῦσαν. ὅτι δὲ τοῦ γλυκέος διαφέρει τὸ ἡδὺ καὶ τὸν ποιητὴν ἐπιστάμενον λέγειν (υ 69)

[656] [a] 'τυρῷ καὶ μέλιτι γλυκερῷ καὶ ἡδέι οἴνῳ·'

τὸν γὰρ οἶνον ἐν ἀρχῇ μὲν εἶναι γλυκύν, γίνεσθαι δ’ ἡδὺν ὅταν εἰς τὸ αὐστηρὸν τῇ πέψει μεταβάλῃ παλαιούμενος.

Ἀρισταίνετος δ’ ὁ Νικαεὺς ἔν τισιν †ἐνίοις γράμμασιν ἀνεγνωκὼς ἔφη μνημονεύειν, ὅτι γλεῦκος μιχθὲν οἴνῳ παύει μέθην· τῶν δ’ ἰατρῶν τινας λέγει τοὺς πλέον πιόντας κελεύειν ‹ἐμεῖν›, εἶθ’, ὅταν μέλλωσι καθεύδειν, ἄρτον εἰς μέλι καταβάψαντας ἐμφαγεῖν ἔδοσαν. εἴ τι οὖν αἱ γλυκύτητες ἀμβλύνουσιν ἄκρατον, εἰκότως ὁ νέος οἶνος οὐ μεθύσκει, πρὶν ἂν ἡ γλυκύτης μεταβάλῃ.

Σφόδρ’ οὖν ἀπεδεξάμεθα τὴν εὑρησιλογίαν τῶν νεανίσκων, ὅτι τοῖς ἐμποδὼν οὐκ ἐπιπεσόντες ἰδίων [b] ηὐπόρησαν ἐπιχειρημάτων. ἐπεὶ τά γε πρόχειρα καὶ ῥᾴδια λαβεῖν ἥ τε βαρύτης ἐστὶ τοῦ γλεύκους, ὡς Ἀριστοτέλης φησίν (fr. 220), ἡ διακόπτουσα τὴν κοιλίαν, καὶ τὸ πολὺ συμμεμιγμένον πνευματῶδες καὶ ὑδατῶδες· ὧν τὸ μὲν εὐθὺς ἐκπίπτει βιαζόμενον, τὸ δὲ πέφυκε [τὸ ὑδατῶδες] ἀμβλύτερον ποιεῖν τὸν οἶνον· παλαίωσις ‹δ’› ἐπίτα‹σιν ποιεῖ›, ἐκκρινομένου τοῦ ὑδατώδους· καὶ γίνεται μέτρῳ μὲν ἐλάττων ὁ οἶνος δυνάμει δὲ σφοδρότερος.

ΠΡΟΒΛΗΜΑ Η

Διὰ τί τῶν ἀκροθωράκων λεγομένων οἱ σφόδρα μεθύοντες ἧττον παρακινητικοί εἰσιν

[c] ‘Οὐκοῦν’ εἶπεν ὁ πατήρ ‘ἐπεὶ παρακεκινήκαμεν τὸν Ἀριστοτέλη, καὶ περὶ τῶν ἀκροθωράκων τι καλουμένων ἴδιον ἐπιχειρήσομεν εἰπεῖν· οὐ γὰρ ἱκανῶς μοι δοκεῖ, καίπερ ὀξύτατος ὢν ἐν τοῖς τοιούτοις ζητήμασι, διηκριβωκέναι τὴν αἰτίαν. φησὶ γὰρ οἶμαι τοῦ μὲν νήφοντος εὖ καὶ ‹κατὰ› τὰ ὄντα κρίνειν τὸν λογισμόν, τοῦ δ’ ἄγαν μεθύοντος ἐκλελυμένην κατέχεσθαι τὴν αἴσθησιν, τοῦ δ’ ἀκροθώρακος ἔτι μὲν ἰσχύειν τὸ φανταστικὸν ἤδη δὲ τεταράχθαι τὸ λογιστικόν· διὸ καὶ κρίνειν καὶ κακῶς [d] κρίνειν ἐπακολουθοῦντα ταῖς φαντασίαις. ἀλλὰ πῶς’ εἶπεν ‘ὑμῖν δοκεῖ περὶ τούτων;’

‘Ἐμοὶ μέν’ ἔφην ‘ἐπισκοποῦντι κατ’ ἐμαυτὸν ἀποχρῶν οὗτος ἦν πρὸς τὴν αἰτίαν ὁ λόγος· εἰ δὲ κελεύεις ἴδιόν τι κινεῖν, ὅρα πρῶτον εἰ τὴν εἰρημένην διαφορὰν ἐπὶ τὸ σῶμα μετοιστέον ἐστίν. τῶν γὰρ ἀκροθωράκων ἡ διάνοια μόνον τετάρακται, τὸ δὲ σῶμα ταῖς ὁρμαῖς ἐξυπηρετεῖν δύναται, μήπω βεβαπτισμένον· ὅταν δὲ κατασεισθῇ καὶ πιεσθῇ, προδίδωσι τὰς ὁρμὰς καὶ παρεῖται, μέχρι γὰρ ἔργων οὐ πρόεισιν· ἐκεῖνοι δὲ τὸ ‹σῶμα› συνεξαμαρτάνον ἔχοντες οὐ τῷ μᾶλλον ἀλογιστεῖν ἀλλὰ τῷ μᾶλλον ἰσχύειν ἐλέγχονται. ἀπ’ ἄλλης δ’’ εἶπον [e] ‘ἀρχῆς σκοποῦντι τοῦ οἴνου τὴν δύναμιν οὐδὲν κωλύει ποικίλην εἶναι καὶ τῇ ποσότητι συμμεταβάλλουσαν· ὥσπερ τὸ πῦρ τὸν κέραμον, ἂν μὲν ᾖ μέτριον, συγκρατύνει καὶ πήγνυσιν, ἂν δ’ ὑπερβολῇ πλήξῃ, συνέτηξε καὶ ῥεῖν ἐποίησεν· ἀνάπαλιν δ’ ἡ ὥρα τοὺς

πυρετοὺς ἀρχομένη μὲν ἀνακινεῖ καὶ ἐκκαίει, προϊούσης δὲ μᾶλλον καθίστανται καὶ ἀπολήγουσιν. τί οὖν κωλύει καὶ τὴν διάνοιαν ὑπὸ τοῦ οἴνου φυσικῶς κινουμένην, ὅταν ταραχθῇ καὶ παροξυνθῇ, πάλιν ἀνίεσθαι καὶ καθίστασθαι πλεονάζοντος; ὁ γοῦν ἐλλέβορος ἀρχὴν τοῦ καθαίρειν ἔχει τὸ ταράττειν τὸν [f] ὄγκον· ἂν οὖν ἐλάττων τοῦ μετρίου δοθῇ, ταράττει μὲν οὐδὲν δὲ καθαίρει. καὶ τῶν ὑπνωτικῶν ἔνιοι λαβόντες ἐνδοτέρω τοῦ μετρίου θορυβωδέστερον διατίθενται, πλέον δὲ λαβόντες [ἔνιοι] καθεύδουσιν. εἰκὸς δέ που καὶ ταύτην τὴν περὶ τὸν ἀκροθώρακα ταραχήν, ὅταν ἀκμὴν λάβῃ, μαραίνεσθαι, καὶ πρὸς τοῦτο συνεργεῖν τὸν οἶνον· [657] [a] πολὺς γὰρ εἰσελθὼν τὸ σῶμα συνεξέκαυσε καὶ κατανάλωσε τὸ μανιῶδες τῆς ψυχῆς. ὥσπερ ‹γὰρ› ἡ θρηνῳδία καὶ ὁ ἐπικήδειος αὐλὸς ἐν ἀρχῇ πάθος κινεῖ καὶ δάκρυον ἐκβάλλει, προάγων δὲ τὴν ψυχὴν εἰς οἶκτον οὕτω κατὰ μικρὸν ἐξαιρεῖ καὶ ἀναλίσκει τὸ λυπητικόν, ὁμοίως ἴδοις ἂν καὶ τὸν οἶνον, ὅταν σφόδρα ταράξῃ ‹καὶ› παροξύνῃ τὸ ἀκμαῖον καὶ θυμοειδές, αὖθις καταδύοντα καὶ καθιστάντα τὴν διάνοιαν, ὡς πορρωτέρω μέθης προϊοῦσαν ἡσυχάζειν.’

ΠΡΟΒΛΗΜΑ Θ

Περὶ τοῦ ‘ἢ πέντε πίνειν ἢ τρί’ ἢ μὴ τέσσαρα’

[b] Ἐμοῦ δὲ ταῦτ’ εἰπόντος, Ἀριστίων ἀναβοήσας ὥσπερ εἰώθει ‘πέφανται’ εἶπεν ‘εἰς τὰ συμπόσια τῷ δικαιοτάτῳ καὶ δημοκρατικωτάτῳ τῶν μέτρων κάθοδος, ὑπὸ δή τινος καιροῦ νήφοντος ὥσπερ τυράννου πεφυγαδευμένῳ πολὺν χρόνον. καθάπερ γὰρ οἱ περὶ λύραν κανονικοὶ τῶν λόγων φασὶ τὸν μὲν ἡμιόλιον τὴν διὰ πέντε συμφωνίαν παρασχεῖν, τὸν δὲ διπλάσιον τὴν διὰ πασῶν, τὴν δὲ διὰ τεσσάρων ἀμυδροτάτην οὖσαν ἐν ἐπιτρίτῳ συνίστασθαι, οὕτως οἱ περὶ τὸν Διόνυσον ἁρμονικοὶ τρεῖς κατεῖδον οἴνου συμφωνίας πρὸς ὕδωρ, διὰ πέντε καὶ διὰ τριῶν καὶ διὰ [c] τεσσάρων, οὕτω μὲν λέγοντες καὶ ᾄδοντες (Com. adesp. 604)

πέντε γὰρ ... ἐν ἡμιολίῳ λόγῳ, ‹τρι›ῶν ὕδατος κεραννυμένων [οὐ] πρὸς δύ’ οἴνου· τρία δ’ ἐν διπλασίῳ πρὸς ‹ἕνα› μιγνυμένων δυεῖν· τέσσαρα δ’, εἰς ἕνα τριῶν ὕδατος ἐπιχεομένων, οὗτός ἐστιν ἐπίτριτος λόγος, ἀρχόντων τινῶν ἐν πρυτανείῳ νοῦν ἐχόντων ἢ διαλεκτικῶν τὰς ὀφρῦς ἀνεσπακότων, ὅταν τὰς μεταπτώσεις τῶν λόγων ἀνασκοπῶσι, νηφάλιος καὶ ἀδρανὴς κρᾶσις. ἐκείνων δὲ τῶν ἄλλων ἡ μὲν δυεῖν πρὸς ἕνα τὸν ταρακτικὸν τοῦτον καὶ ἀκροθώρακα τῆς μέθης ἐπάγει τόνον (Tr. adesp. 361)

Πρὸς ταῦτα τῷ Ἀριστίωνι ἀντεῖπε μὲν οὐθείς· δῆλος γὰρ ἦν παίζων· ἐγὼ δ’ ἐκέλευσα λαβόντα ποτήριον ὥσπερ λύραν ἐντείνεσθαι τὴν ἐπαινουμένην κρᾶσιν καὶ ἁρμονίαν, καὶ προσελθὼν ὁ παῖς ὑπέχει τὸν ἄκρατον· ὁ [e] δ’ ἀνεδύετο, λέγων ἅμα γέλωτι τῶν λογικῶν εἶναι περὶ μουσικὴν οὐ τῶν ὀργανικῶν. ὁ μέντοι πατὴρ τοσοῦτον ἐπεῖπε τοῖς εἰρημένοις, ὅτι δοκοῦσιν αὐτῷ καὶ οἱ παλαιοὶ τοῦ μὲν Διὸς δύο ποιεῖν τιθήνας, τὴν Ἴδην καὶ τὴν Ἀδράστειαν, τῆς δ’ Ἥρας μίαν, τὴν Εὔβοιαν· ἀμέλει δὲ καὶ τοῦ Ἀπόλλωνος δύο, τὴν Ἀλήθειαν καὶ τὴν Κορυθάλειαν· τοῦ δὲ Διονύσου πλείονας, ὅτι δεῖ τὸν θεὸν τοῦτον ἐν πλείοσι μέτροις νυμφῶν τιθασευόμενον καὶ παιδευόμενον ἡμερώτερον ποιεῖν καὶ φρονιμώτερον.

ΠΡΟΒΛΗΜΑ Ι

Διὰ τί τὰ κρέα σήπεται μᾶλλον ὑπὸ τὴν σελήνην ἢ τὸν ἥλιον

[f] Εὐθύδημος ὁ Σουνιεὺς ἑστιῶν ἡμᾶς σῦν ἄγριον εὐμεγέθη παρέθηκεν· ἐπιθαυμασάντων δὲ τῶν παρόντων, ἄλλον ἔφη πολὺ μείζονα κομιζόμενον ὑπὸ τῆς σελήνης διαφθαρῆναι καὶ σφόδρα γε περὶ τῆς αἰτίας διαπορεῖν· οὐ γὰρ εἰκὸς εἶναι μὴ τὸν ἥλιον μᾶλλον τὰ κρέα σήπειν θερμότερον [658] [a] ὄντα τῆς σελήνης. ὁ δὲ Σάτυρος ‘οὐ τοῦτ’’ ἔφη ‘μάλιστα θαυμάσειεν ἄν τις, ἀλλὰ μᾶλλον τὸ ὑπὸ τῶν κυνηγῶν γινόμενον· ὅταν γὰρ ἢ σῦν ἢ ἔλαφον καταβαλόντες πόρρωθεν εἰς πόλιν ἀποστέλλωσι, χαλκοῦν ἐμπηγνύουσιν ἧλον ὡς βοηθοῦντα πρὸς τὴν σῆψιν.’

Ὡς οὖν ἐπαυσάμεθα δειπνοῦντες καὶ πάλιν ὁ Εὐθύδημος ἐπεμνήσθη τοῦ διαπορηθέντος, Μοσχίων ἔφησεν ὁ ἰατρὸς τὴν σῆψιν τῆξιν ‹εἶναι› καὶ ῥύσιν σαρκὸς εἰς ὑγρὸν φθορᾷ μεταβαλούσης, καὶ ὅλως ὑγραίνεσθαι τὰ σηπόμενα· θερμασίαν δὲ πᾶσαν, ἂν μὲν ᾖ μαλακὴ καὶ πραεῖα, κινεῖν τὰ ὑγρὰ καὶ †κωλύειν, ἂν δ’ ᾖ πυρώδης, [b] τοὐναντίον ἀπισχναίνειν τὰς σάρκας. ἐκ δὲ τούτων φανερὸν εἶναι τὸ ζητούμενον· τὴν γὰρ σελήνην ἠρέμα χλιαίνουσαν ἀνυγραίνειν τὰ σώματα, τὸν δ’ ἥλιον ἀναρπάζειν μᾶλλον ἐκ τῶν σωμάτων τὸ νοτερὸν διὰ τὴν πύρωσιν· πρὸς ὃ καὶ τὸν Ἀρχίλοχον εἰρηκέναι φυσικῶς (fr. 61. [c] 'μέλας γὰρ αὐταῖς οὐ πεπαίνεται βότρυς'

κατὰ τὸν Ἴωνα (fr. 57 N.).

Λεχθέντων δὲ τούτων, ἐγώ 'τἄλλα μέν' ἔφην 'εἴρηται καλῶς· τῇ δὲ ποσότητι καὶ τῷ μᾶλλον καὶ ἧττον τῆς θερμασίας κρίνειν τὸ σύμπαν οὐ δεῖ· ‹καὶ› γὰρ ἥλιον ὁρῶμεν ἧττον ‹ἐν› τῷ χειμῶνι θάλποντα καὶ μᾶλλον ἐν τῷ θέρει σήποντα τὰ σώματα· τοὐναντίον δ' ὤφειλε ποιεῖν, εἰ μαλακότητι τῆς θερμασίας αἱ σήψεις ἐγίνοντο· νυνὶ δ', ὅτε μᾶλλον ἐντείνει τὸ καῦμα, θᾶσσον διαφθείρει τὰς σάρκας. οὐκοῦν οὐδ' ἡ σελήνη δι' ἔνδειαν ἀλέας καὶ ἀσθένειαν εἰς σῆψιν ἄγει τὰ νεκρὰ τῶν σωμάτων, ἀλλ' ἰδιότητα μᾶλλον αἰτιατέον τοῦ φερομένου ῥεύματος [d] ἀπ' αὐτῆς. ὅτι γὰρ οὐ μίαν ἔχει ποιότητα πᾶν τὸ θερμόν, αὐτῷ μόνῳ τῷ μᾶλλον καὶ ἧττον διαφέρουσαν, ἀλλ' εἰσὶ πάμπολλαι τοῦ πυρὸς δυνάμεις οὐθὲν ἀλλήλαις ἐοικυῖαι, δῆλον ἀπὸ τῶν προχειροτάτων. οἱ μὲν γὰρ χρυσοχόοι διὰ τῆς ἀχυρίνης φλογὸς ἐργάζονται τὸν χρυσόν, οἱ δ' ἰατροὶ μάλιστα τῇ κληματίνῃ τὰ συνεψόμενα τῶν φαρμάκων ὑποχλιαίνουσιν· πρὸς δὲ τὴν τοῦ ὑέλου μάλαξιν καὶ τύπωσιν εὐάρμοστον εἶναι δοκεῖ τὸ μυρίκινον· τὸ δ' ἀπὸ τῆς ἐλαίας τὰ μὲν σώματα ταῖς πυρίαις εὖ διατίθησι, τοῖς δὲ βαλανείοις πολέμιόν ἐστιν καὶ λυμαίνεται τὴν πινάκωσιν [e] αὐτῶν καὶ τοὺς θεμελίους ὑποκαιόμενον· ὅθεν οἱ χαρίεντες ἀγορανόμοι τοὺς ἐργολαβοῦντας οὐκ ἐῶσιν ἐλαΐνοις ξύλοις χρῆσθαι, καθάπερ οὐδ' αἴρας ἐμβαλεῖν εἰς τὴν ὑπόκαυσιν, αἱ γὰρ ἀπὸ τούτων ἀναθυμιάσεις καρηβαρίας καὶ σκοτώματα τοῖς λουομένοις ἐμποιοῦσιν. οὐδὲν οὖν θαυμαστόν ἐστιν καὶ τὴν σελήνην τοῦ ἡλίου διαφέρειν, τοῦ μὲν ξηραντικὰ τῆς δὲ χαλαστικὰ καὶ κινητικὰ τῶν ἐν τοῖς σώμασιν ὑγρῶν ἀφιείσης ῥεύματα. διὸ τὰ μὲν νήπια παντάπασιν αἱ τίτθαι δεικνύναι ‹πρὸς› τὴν σελήνην φυλάττονται· πλήρη γὰρ ὑγρότητος ὄντα, καθάπερ τὰ χλωρὰ τῶν ξύλων, σπᾶται καὶ διαστρέφεται.

[f] τοὺς δὲ κατακοιμηθέντας ἐν αὐγῇ σελήνης μόλις ἐξανισταμένους οἷον ἐμπλήκτους ταῖς αἰσθήσεσι καὶ ναρκώδεις ὁρῶμεν· ἡ γὰρ ὑγρότης ὑπὸ τῆς σελήνης διαχεομένη βαρύνει τὰ σώματα. λέγεται δὲ καὶ πρὸς εὐτοκίαν συνεργεῖν, ὅταν ᾖ διχόμηνος, ἀνέσει τῶν ὑγρῶν μαλακωτέρας παρέχουσα τὰς ὠδῖνας. ὅθεν οἶμαι καὶ τὴν Ἄρτεμιν [659] [a] Λοχείαν καὶ Εἰλείθυιαν, οὐκ οὖσαν ἑτέραν ἢ τὴν σελήνην, ὠνομάσθαι. Τιμόθεος δ' ἄντικρύς φησιν (fr. 28 Wil. II p. 152 D)

'διὰ κυάνεον πόλον ἄστρων,

διά τ' ὠκυτόκοιο σελάνας.'

γίνεται δὲ καὶ περὶ τὰ ἄψυχα τῶν σωμάτων ἐπίδηλος ἡ τῆς σελήνης δύναμις· τῶν τε γὰρ ξύλων τὰ τεμνόμενα ταῖς πανσελήνοις ἀποβάλλουσιν οἱ τέκτονες ὡς ἁπαλὰ καὶ μυδῶντα ταχέως δι' ὑγρότητα, τούς τε πυροὺς οἱ γεωργοῦντες σπεύδουσι φθίνοντος τοῦ μηνὸς ἐκ τῆς ἅλω συναίρειν, ἵνα παγέντες τῇ ξηρότητι μᾶλλον πρὸς ‹τὸν χρό›νον ἀντέχωσιν· οἱ δ' ἀκμῇ τῆς σελήνης διακομιζόμενοι κόπτονται μάλιστα διὰ τὴν ὑγρότητα μαλακώτεροι γινόμενοι.

[b] λέγουσι δὲ καὶ τἄλευρον ἐν ταῖς πανσελήνοις ζυμοῦσθαι βέλτιον· ἡ γὰρ ζύμωσις ὀλίγον ἀποδεῖ σῆψις εἶναι· κἂν †ἀποβάλῃ τὸ μέτρον, ἐπὶ τὴν αὐτὴν φθορὰν ἀραιοῦσα καὶ λεπτύνουσα τὸ φύραμα προήγαγεν. αἱ δὲ σηπόμεναι σάρκες οὐδὲν ἄλλο πάσχουσιν ἤ, τοῦ συνεκτικοῦ πνεύματος μεταβάλλοντος εἰς ὑγρόν, ἐξαραιοῦνται καὶ ῥέουσιν. ταὐτὸ δὲ καὶ τὸν ἀέρα πάσχοντα θεωροῦμεν· δροσοβολεῖ γὰρ ταῖς πανσελήνοις μάλιστα διατηκόμενος, ὥς που καὶ Ἀλκμὰν ὁ μελοποιὸς αἰνιττόμενος τὴν δρόσον ἀέρος θυγατέρα καὶ σελήνης (fr. 48 II p. 23 D)

'οἷα' φησί 'Διὸς θυγάτηρ Ἔρσα τρέφει καὶ δίας

[Σελάνας.'

[c]οὕτω πανταχόθεν μαρτυρεῖται τὸ τῆς σελήνης φῶς ἀνυγραντικὴν ‹ἔχον› καὶ μαλακτικὴν δύναμιν.'

'Ὁ δὲ χαλκοῦς ἧλος, εἴ γε διελαυνόμενος, ὥς φασιν, ἀσηπτότερα διατηρεῖ τὰ κρέα, φαίνεται †μὲν ἔχων καὶ στυπτικὸν ἐν αὑτῷ· τῷ γὰρ ἰῷ πρὸς τὰ τοιαῦτα χρῶνται τῶν φαρμάκων ἰατροί, καὶ τούς γε διατρίβοντας ἐν τοῖς χαλκωρυχείοις ἱστοροῦσιν ὠφελεῖσθαι τὰ ὄμματα καὶ βλεφαρίδας ἐκφύειν τοὺς ἀποβεβληκότας, ἡ γὰρ ἀπιοῦσα τῆς χαλκίτιδος ἄχνη καὶ ‹ἐμ›πίπτουσα τοῖς βλεφάροις ἀδήλως ἀναστέλλει τὰ ῥεύματα καὶ περιστύφει τὸ δάκρυον· διὸ καί φασιν 'εὐήνορα' καὶ 'νώροπα χαλκὸν' ὑπὸ τοῦ ποιητοῦ (ν 19, Β 578 passim) προσαγορεύεσθαι.

[d] Ἀριστοτέλης (863a 28) δὲ καὶ τὰ τραύματά φησιν τὰ ἀπὸ τῶν χαλκῶν ἐπιδορατίδων καὶ μαχαιρῶν ἧττον εἶναι δυσαλγῆ καὶ ῥᾴον' ἰᾶσθαι τῶν ἀπὸ τοῦ σιδήρου διὰ τὸ φαρμακῶδες ἔχειν τι τὸν χαλκὸν ἐν ἑαυτῷ καὶ τοῦτο ταῖς πληγαῖς εὐθὺς ἐναπολείπειν. ὅτι ‹δὲ› καὶ τῷ σήποντι τὸ στῦφον καὶ τὸ θεραπεῦον τῷ φθείροντι τὴν ἐναντίαν ἔχει δύναμιν, οὐκ ἄδηλον. εἰ μή τις ἄρα τῇ διελάσει φαίη τὸν ἧλον ἐφ' ἑαυτὸν τὰ ὑγρὰ συνάγειν, ἐπιφορᾶς ἀεὶ γινομένης πρὸς τὸ πάσχον· διὸ καὶ περὶ αὐτὸν ἐκεῖνον τὸν τόπον οἷόν τινα μώλωπα καὶ σπῖλον ὁρᾶσθαί φασιν, καὶ λόγον ἔχει τὴν ἄλλην σάρκα διαμένειν ἀπαθῆ, τῆς φθορᾶς ἐκεῖ συντρεχούσης.'

ΣΥΜΠΟΣΙΑΚΩΝ

ΒΙΒΛΙΟΝ ΤΕΤΑΡΤΟΝ

ὦ Σόσσιε Σενεκίων, τοῦ Πολυβίου Σκηπίωνι παραινοῦντος Ἀφρικανῷ μὴ πρότερον ἐξ ἀγορᾶς ἀπελθεῖν ἢ [f] φίλον τινὰ ποιήσασθαι τῶν πολιτῶν· φίλον δὲ δεῖ μὴ πικρῶς μηδὲ σοφιστικῶς ἀκούειν ἐκεῖνον τὸν ἀμετάπτωτον καὶ βέβαιον, ἀλλὰ κοινῶς τὸν εὔνουν· ὥσπερ ᾤετο χρῆναι Δικαίαρχος (Fr. H. Gr. II 268) εὔνους μὲν αὑτῷ παρασκευάζειν ἅπαντας, φίλους δὲ ποιεῖσθαι τοὺς ἀγαθούς. [660] [a] φιλία γὰρ ἐν χρόνῳ πολλῷ καὶ δι’ ἀρετῆς ἁλώσιμον· εὔνοιαν δὲ καὶ χρεία καὶ ὁμιλία καὶ παιδιὰ πολιτικῶν ἀνδρῶν ἐπάγεται, καιρὸν λαβοῦσα πειθοῦς φιλανθρώπου καὶ χάριτος συνεργόν. ἀλλ’ ὅρα τὸ τῆς παραινέσεως, εἰ μὴ μόνον ἔχει δεξιῶς πρὸς ἀγορὰν ἀλλὰ καὶ πρὸς συμπόσιον· ὥστε δεῖν μὴ πρότερον ἀναλύειν ἢ κτήσασθαί τινα τῶν συγκατακειμένων καὶ παρόντων εὔνουν ἑαυτῷ καὶ φίλον. εἰς ἀγορὰν μὲν γὰρ ἐμβάλλουσι πραγμάτων εἵνεκεν καὶ χρειῶν ἑτέρων, εἰς δὲ συμπόσιον οἵ γε νοῦν ἔχοντες ἀφικνοῦνται κτησόμενοι φίλους οὐχ ἧττον ἢ τοὺς ὄντας εὐφρανοῦντες.

[b] διότι τῶν μὲν ἄλλων ζητεῖν ἐκφορὰν ἀνελεύθερον ἂν εἴη καὶ φορτικόν, τὸ δὲ φίλων πλέον ἔχοντας ἀπιέναι καὶ ἡδὺ καὶ σεμνόν ἐστιν. καὶ τοὐναντίον ὁ τούτου παραμελῶν ἄχαριν αὑτῷ καὶ ἀτελῆ τὴν συνουσίαν ποιεῖ καὶ ἄπεισι τῇ γαστρὶ σύνδειπνος οὐ τῇ ψυχῇ γεγονώς· ὁ γὰρ σύνδειπνος οὐκ ὄψου καὶ οἴνου καὶ τραγημάτων μόνον, ἀλλὰ καὶ λόγων κοινωνὸς ἥκει καὶ παιδιᾶς καὶ φιλοφροσύνης εἰς εὔνοιαν τελευτώσης. αἱ μὲν γὰρ παλαιόντων ἐπιβολαὶ καὶ ἕλξεις κονιορτοῦ δέονται, ταῖς δὲ φιλικαῖς λαβαῖς ὁ οἶνος ἁφὴν ἐνδίδωσι μιγνύμενος λόγῳ· λόγος γὰρ αὐτῷ τὸ φιλάνθρωπον καὶ ἠθοποιὸν ἐπὶ τὴν ψυχὴν ἐκ τοῦ σώματος ἐποχετεύει καὶ συν‹δια›δίδωσιν· [c] εἰ δὲ μή, πλανώμενος ἐν τῷ σώματι πλησμονῆς οὐδὲν σπουδαιότερον παρέσχεν. ὅθεν ὥσπερ ὁ μάρμαρος, τοῦ διαπύρου σιδήρου τῷ καταψύχειν τὴν ἄγαν ὑγρότητα καὶ ῥύσιν ἀφαιρῶν, εὔτονον ποιεῖ τὸ μαλασσόμενον αὐτοῦ καὶ τυπούμενον, οὕτως ὁ συμποτικὸς λόγος οὐκ ἐᾷ διαφορεῖσθαι παντάπασιν ὑπὸ τοῦ οἴνου τοὺς πίνοντας, ἀλλ’ ἐφίστησι καὶ ποιεῖ τῇ ἀνέσει τὸ ἱλαρὸν καὶ φιλάνθρωπον ἐγκέραστον καὶ ‹τὸ› κεχαρισμένον, ἄν τις ἐμμελῶς ἅπτηται, καθάπερ σφραγῖδι φιλίας εὐτυπώτων καὶ ἁπαλῶν διὰ τὸν οἶνον ὄντων.

ΠΡΟΒΛΗΜΑ Α

Εἰ ἡ ποικίλη τροφὴ τῆς ἁπλῆς εὐπεπτοτέρα

Τῆς οὖν τετάρτης τῶν συμποτικῶν ζητημάτων δεκάδος ἡμῖν πρῶτον ἔσται τὸ περὶ τῆς ποικίλης τροφῆς ζητηθέν. Ἐλαφηβολίων γὰρ ὄντων εἰς Ὑάμπολιν

ἐπὶ τὴν ἑορτὴν ἀφικνουμένους ἡμᾶς εἱστία Φίλων ὁ ἰατρὸς ἐκ παρασκευῆς τινος, ὡς ἐφαίνετο, νεανικῆς. ἰδὼν δὲ τῶν παιδίων ‹τῶν› ἅμα τῷ Φιλίνῳ τὸ νέον ἄρτῳ χρώμενον ἄλλου δὲ μηδενὸς δεόμενον, ‘ὦ Ἡράκλεις’ ἔφη ‘τοῦτ’ ἄρ’ ἦν τὸ λεγόμενον

‘ἐν δὲ λίθοις ἐμάχοντο, λίθον δ’ οὐκ ἦν ἀνελέσθαι·’’

[e]καὶ ἀνεπήδησεν οἰσόμενός τι τῶν χρησίμων ἐκείνοις, εἶθ’ ἧκε μετὰ χρόνον συχνὸν ἰσχάδας αὐτοῖς τινας καὶ τυρὸν κομίζων. ἐμοῦ δ’ εἰπόντος, ὅτι τοῦτο συμβαίνει τοῖς τὰ περιττὰ καὶ πολυτελῆ παρασκευαζομένοις, ἀμελεῖν καὶ σπανίζειν τῶν ἀναγκαίων καὶ χρησίμων, ‘οὐ γὰρ ἐμεμνήμην’ εἶπεν ὁ Φίλων ‘ὅτι Σώσαστρον ἡμῖν ὑποτρέφει [ὁ] Φιλῖνος, ὅν φασι μήτε ποτῷ χρησάμενον ἄλλῳ μήτ’ ἐδέσματι πλὴν [ἢ] γάλακτος διαβιῶσαι πάντα τὸν βίον· ἀλλ’ ἐκείνῳ μὲν ἐκ μεταβολῆς ἀρχὴν γενέσθαι τῆς τοιαύτης διαίτης εἰκός· τὸν δ’ ἡμέτερον ἀντιστρόφως τῷ Ἀχιλλεῖ τρέφων ὁ Χείρων οὗτος εὐθὺς ἀπὸ τῆς γενέσεως [f] ἀναιμάκτοις ‹καὶ ἀψύ›χοις τροφαῖς οὐκ †ἄκραναποδειξιν ἔχει ἐναέρι καὶ δρόσῳ λέγουσι †καθάπερ οἱ τέττιγες σιτούμενον.’ ‘ἡμεῖς μὲν οὖν’ ὁ Φιλῖνος εἶπεν ‘ἠγνοοῦμεν Ἑκατομφόνια δειπνήσοντες ὥσπερ ἐπ’ Ἀριστομένους· ἐπεὶ παρῆμεν ἂν ὄψα τῶν λιτῶν καὶ ὑγιαινόντων, ὥσπερ ἀλεξιφάρμακα, πρὸς οὕτω πολυτελεῖς καὶ φλεγμαινούσας τραπέζας περιαψάμενοι· [661] [a] καὶ ταῦτα, σοῦ πολλάκις ἀκηκοότες ὅτι τῶν ποικίλων τὰ ἁπλᾶ μᾶλλον εὔπεπτ’ ἐστὶν καὶ †εὐπόριστα.’ καὶ ὁ Μαρκίων πρὸς τὸν Φίλωνα ‘διαφθείρει σου Φιλῖνος’ ἔφη ‘τὴν παρασκευήν, ἀποτρέπων καὶ δεδιττόμενος τοὺς δαιτυμόνας· ἀλλ’ ἂν ἐμοῦ δεηθῇς, ἐγγυήσομαι πρὸς αὐτοὺς ὑπὲρ σοῦ τὴν ποικίλην τροφὴν εὐπεπτοτέραν εἶναι τῆς ἁπλῆς, ὥστε θαρροῦντας ἀπολαύειν τῶν παρακειμένων.’ ὁ μὲν οὖν Φίλων ἐδεῖτο τοῦ Μαρκίωνος οὕτω ποιεῖν.

Ἐπεὶ δ’ ἡμεῖς παυσάμενοι τοῦ δειπνεῖν προσεκαλούμεθα τὸν Φιλῖνον ἐπιθέσθαι τῇ κατηγορίᾳ τῆς ποικίλης [b] τροφῆς, ‘‘οὐκ ἐμός’ εἶπεν ‘ὁ μῦθος’ ἀλλ’ οὑτοσὶ Φίλων ἑκάστοτε λέγει πρὸς ἡμᾶς, ὅτι πρῶτον μὲν τὰ θηρία τροφαῖς μονοειδέσι καὶ ἁπλαῖς χρώμενα μᾶλλον ὑγιαίνει τῶν ἀνθρώπων· ὅσα δὲ σιτεύουσι καθείρξαντες, ἐπισφαλῆ πρὸς τὰς νόσους ἐστὶν καὶ ῥᾳδίως ταῖς ὠμότησιν ἁλίσκεται διὰ τὸ μικτήν τινα καὶ συνηδυσμένην τροφὴν προσφέρεσθαι. δεύτερον οὐδεὶς γέγονεν οὕτω τῶν ἰατρῶν παράτολμος ἐν καινοτομίᾳ καὶ ἀνδρεῖος, ὥστε ποικίλην τροφὴν πυρέττοντι προσενεγκεῖν· ἀλλὰ τὴν ἁπλῆν καὶ ἄκνισον ὡς ὑπήκοον μάλιστα τῇ πέψει προσφέρουσιν. δεῖ γὰρ παθεῖν τὴν τροφὴν καὶ μεταβαλεῖν κρατηθεῖσαν ὑπὸ [c] τῶν ἐν ἡμῖν δυνάμεων· κρατεῖ δὲ καὶ βαφὴ τῶν ἁπλῶν χρωμάτων μᾶλλον, καὶ μυρεψικοῖς φαρμάκοις τρέπεται τάχιστα τὸ ἀωδέστατον ἔλαιον, καὶ τροφῆς

εὐπαθέστατον ὑπὸ πέψεως μεταβάλλειν τὸ ἀφελὲς καὶ μονοειδές. αἱ δὲ πολλαὶ καὶ ποικίλαι ποιότητες ὑπεναντιώσεις ἔχουσαι καὶ δυσμαχοῦσαι φθείρονται πρότερον προσπίπτουσαι, καθάπερ ἐν πόλει μιγάδων καὶ συγκλύδων ἀνθρώπων πλῆθος οὐ ῥᾳδίως μίαν οὐδ' ὁμοπαθοῦσαν ἴσχουσαι κατάστασιν, ἀλλ' ἑκάστη πρὸς τὸ οἰκεῖον ἀντιτείνουσα καὶ δυσσύμβατος οὖσα πρὸς τὸ ἀλλόφυλον. ἐμφανὲς δὲ τεκμήριον [d] τὸ περὶ τὸν οἶνον· αἱ γὰρ ἀλλοινίαι λεγόμεναι τάχιστα μεθύσκουσιν, ἀπεψίᾳ δ' οἴνου προσέοικεν ἡ μέθη· διὸ φεύγουσι τὸν μεμιγμένον οἶνον οἱ πίνοντες, οἱ δὲ μιγνύοντες πειρῶνται λανθάνειν ὡς ἐπιβουλεύοντες, ἐκστατικὸν γὰρ ἡ μεταβολὴ καὶ ‹τὸ› ἀνώμαλον. ὅθεν που καὶ τὰς πολυχορδίας μετὰ πολλῆς οἱ μουσικοὶ κινοῦσιν εὐλαβείας, ‹αἷς› οὐδὲν ἄλλο κακὸν ἢ τὸ μικτόν ἐστι καὶ ποικίλον. ἐγὼ δ' ἐκεῖν' ἔχω εἰπεῖν, ὅτι μᾶλλον ἂν ... ἐκ λόγων ὑπεναντίων γένοιτ' ἂν πίστις καὶ ‹συγ›κατάθεσις ἢ πέψις ἐκ διαφόρων ποιοτήτων. εἰ δὲ δὴ δοκῶ παίζειν, ταῦτ' ἐάσας ἐπὶ τὰ Φίλωνος ἄνειμι. πολλάκις γὰρ ἀκούομεν [e] αὐτοῦ λέγοντος, ὡς ἐπὶ ποιότητι τροφῆς γίνεται τὸ δύσπεπτον ‹καὶ εὔπεπτον›, ἡ ‹δὲ› πολυμιγία βλαβερὸν καὶ γόνιμον ἀλλοκότων ποιοτήτων, καὶ δεῖ τὸ σύμφυλον ἐκ πείρας λαβόντα χρῆσθαι καὶ στέργειν. εἰ δὲ φύσει δύσπεπτον οὐδέν, ἀλλὰ πλῆθός ἐστι τὸ ταράσσον καὶ φθεῖρον, ἔτι μᾶλλον οἶμαι τὰ παντοδαπὰ ταῦτα καὶ ποικίλα φευκτέον, οἷς ἀρτίως ἡμᾶς ὁ Φίλωνος ὀψοποιὸς ὥσπερ ἀντίτεχνος αὐτοῦ κατεφάρματτεν, ἐξαλλάττων τῇ καινότητι καὶ μεταβολῇ τὴν ὄρεξιν οὐκ ἀπαγορεύουσαν, ἀλλ' ἀγομένην ἐπ' ἄλλα καὶ παρεκβαίνουσαν ἐν τῷ ποικίλῳ ‹τὸ μέτριον› καὶ αὔταρκες, ὥσ‹περ ὁ τῆς Ὑψι›πύλης τρόφιμος ... νος (Eur. fr. 754, Suppl. Eur. p. 56, 16)

[f] 'ἕτερον ἐφ' ἕτερον αἰρόμενος
ἄγρευμ' ἀνθέων ἡδομένᾳ ψυχᾷ,
‹τὸ› νήπιον ἄπληστος ἐών'

ἐπὶ πλεῖστον ἐξανθίζεται τοῦ λειμῶνος. ἐνταῦθα δὲ καὶ τοῦ Σωκράτους ἅμα μνημονευτέον, παρακελευομένου (Xen. Mem. I 3, 6) φυλάττεσθαι τῶν βρωμάτων οἷα τοὺς μὴ πεινῶντας ἐσθίειν ἀναπείθει, ὡς οὐδὲν ἀλλ' ἢ τὸ παντοδαπὸν καὶ ποικίλον εὐλαβεῖσθαι καὶ δεδιέναι τῶν [662] [a] σιτίων παραινοῦντος. τοῦτο γὰρ πορρωτέρω ἐξάγει τῆς χρείας τὴν ἀπόλαυσιν ἐν θεάμασιν ἐν ἀκροάμασιν ἐν ἀφροδισίοις ἐν παιδιαῖς ἁπάσαις καὶ διατριβαῖς, ἀναλαμβανομένην ὑπὸ τοῦ περιττοῦ πολλὰς ἀρχὰς ἔχοντος· ἐν δὲ ταῖς ἁπλαῖς καὶ μονοτρόποις ἡδοναῖς οὐ παρεκβαίνει τὴν φύσιν ἡ θέλξις. ὅλως δέ μοι δοκεῖ μᾶλλον ἄν τις ὑπομεῖναι πολυχορδίαν μουσικὸν ἐπαινοῦντα καὶ μυραλοιφίαν ἀλείπτην ἢ πολυοψίαν ἰατρόν· αἱ γὰρ ἐκτροπαὶ καὶ μεταβολαὶ τῆς εἰς ὑγίειαν εὐθείας ἐκβιβάζουσιν.'

Τοῦ δὲ Φιλίνου ταῦτ᾽ εἰπόντος, ὁ Μαρκίων ἔφη [b] δοκεῖν αὐτῷ τῇ Σωκράτους ἐνέχεσθαι κατάρᾳ μὴ μόνον τοὺς τὸ λυσιτελὲς ἀπὸ τοῦ καλοῦ χωρίζοντας, ἀλλὰ καὶ τοὺς ἡδονὴν διιστάντας ἀπὸ τῆς ὑγιείας, ὡς ἀντιταττομένην αὐτῇ καὶ πολεμοῦσαν οὐχὶ μᾶλλον συνεργοῦσαν· ‘σμικρὰ γάρ’ ἔφη ‘καὶ ἄκοντες ὡς βιαιοτάτῳ τῶν ὀργάνων ἀλγηδόνι προσχρώμεθα· τῶν δ᾽ ἄλλων οὐδεὶς ἂν οὐδὲ βουλόμενος ἀπώσαιτο τὴν ἡδονήν, ἀλλὰ καὶ τροφαῖς καὶ ὕπνοις καὶ περὶ λουτρὰ καὶ ἀλείμματα καὶ κατακλίσεις ἀεὶ πάρεστιν καὶ συνεκδέχεται καὶ συνεκτιθηνεῖται τὸν κάμνοντα, πολλῷ τῷ οἰκείῳ καὶ κατὰ φύσιν ἐξαμαυροῦσα [c] τὸ ἀλλότριον. ποία γὰρ ἀλγηδών, τίς ἔνδεια, ποῖον δηλητήριον οὕτω ῥᾳδίως καὶ ἀφελῶς νόσον ἔλυσεν, ὡς λουτρὸν ἐν καιρῷ γενόμενον καὶ οἶνος δοθεὶς δεομένοις; καὶ τροφὴ παρελθοῦσα μεθ᾽ ἡδονῆς εὐθὺς ἔλυσε τὰ δυσχερῆ πάντα καὶ κατέστησεν εἰς τὸ οἰκεῖον τὴν φύσιν, ὥσπερ εὐδίας καὶ γαλήνης γενομένης. αἱ δὲ διὰ τῶν ἐπιπόνων βοήθειαι μόγις καὶ κατὰ μικρὸν ἀνύουσι, χαλεπῶς ἐκμοχλεύουσαι καὶ προσβιαζόμεναι τὴν φύσιν. οὐκ ἂν οὖν ἡμᾶς διαβάλοι Φιλῖνος, εἰ μὴ τὰ ἱστία ἑκάτερ᾽ ἐπαράμενοι τὴν ἡδονὴν φεύγοιμεν, ἀλλὰ πειρῴμεθα τὸ ἡδέως [d] καὶ ὑγιεινῶς ἐμμελέστερον ἢ ὡς ἔνιοι φιλόσοφοι τὸ ἡδέως καὶ καλῶς συνοικειοῦν. εὐθὺς οὖν περὶ τὸ πρῶτον, ὦ Φιλῖνε, τῶν ἐπιχειρημάτων δοκεῖς μοι διεψεῦσθαι, τὰ θηρία τῶν ἀνθρώπων ἁπλουστέραις τροφαῖς χρῆσθαι καὶ μᾶλλον ὑγιαίνειν ὑποτιθέμενος. οὐδέτερον γὰρ ἀληθές ἐστιν· ἀλλὰ τῷ μὲν αἱ παρ᾽ Εὐπόλιδος αἶγες (fr. 14) ἀντιμαρτυροῦσιν, ὑμνοῦσαι τὴν τροφὴν ὡς παμμιγῆ καὶ ποικίλην οὖσαν, οὕτως πως λέγουσαι

Διὰ τί τὰ ὕδνα δοκεῖ τῇ βροντῇ γίνεσθαι, καὶ διὰ τί τοὺς καθεύδοντας οἴονται μὴ κεραυνοῦσθαι

[b] Ὕδνα παμμεγέθη δειπνοῦσιν ἡμῖν Ἀγέμαχος παρέθηκεν ἐν Ἤλιδι. θαυμαζόντων δὲ τῶν παρόντων, ἔφη τις ὑπομειδιάσας 'ἄξιά γε τῶν βροντῶν τῶν ἔναγχος γενομένων,' ὡς δὴ καταγελῶν τῶν λεγόντων τὰ ὕδνα τὴν γένεσιν ἐκ βροντῆς λαμβάνειν. ἦσαν οὖν οἱ φάσκοντες ὑπὸ βροντῆς τὴν γῆν διίστασθαι καθάπερ ἥλῳ τῷ ἀέρι χρωμένης, εἶτα ταῖς ῥωγμαῖς τεκμαίρεσθαι τοὺς τὰ ὕδνα μετιόντας· ἐκ δὲ τούτου δόξαν ἐγγενέσθαι τοῖς πολλοῖς, [c] ὅτι τὸ ὕδνον αἱ βρονταὶ γεννῶσιν οὐ δεικνύουσιν, ὥσπερ εἴ τις οἴοιτο τοὺς κοχλίας ποιεῖν τὸν ὄμβρον ἀλλὰ μὴ προάγειν μηδ' ἀναφαίνειν. ὁ δ' Ἀγέμαχος ἰσχυρίζετο τῇ ἱστορίᾳ καὶ τὸ θαυμαστὸν ἠξίου μὴ ἄπιστον ἡγεῖσθαι. καὶ γὰρ ἄλλα πολλὰ θαυμάσια βροντῆς ἔργα καὶ κεραυνοῦ καὶ τῶν περὶ ταῦτα διοσημιῶν εἶναι, χαλεπὰς καταμαθεῖν ἢ παντελῶς ἀδυνάτους τὰς αἰτίας ἔχοντα. 'καὶ γὰρ ὁ γελώμενος οὑτοσὶ καὶ παροιμιώδης' ἔφη 'βολβὸς οὐ μικρότητι διαφεύγει τὸν κεραυνόν, ἀλλ' ἔχων δύναμιν ἀντιπαθῆ, καθάπερ ἡ συκῆ καὶ τὸ δέρμα τῆς φώκης ὥς φασι καὶ τὸ τῆς ὑαίνης, οἷς τὰ ἄκρα τῶν ἱστίων οἱ ναύκληροι καταδιφθεροῦσιν· [d] τὰ δ' ἀστραπαῖα τῶν ὑδάτων εὐαλδῆ καλοῦσιν οἱ γεωργοὶ καὶ νομίζουσιν. καὶ ὅλως εὔηθές ἐστιν ταῦτα θαυμάζειν τὸ πάντων ἀπιστότατον ἐν τοῖς πάθεσι τούτοις καθορῶντας, ἐκ μὲν

Αὐτὸν οὖν ἔφην ἐγὼ τρόπον τινὰ τῷ λόγῳ δεξιὰν ὀρέγειν τὸν Ἀγέμαχον· οὐδὲν γὰρ ἔν γε τῷ παρόντι φαίνεσθαι πιθανώτερον, ‹ἢ› ὅτι ταῖς βρονταῖς πολλάκις ὕδωρ συνεκπίπτει γόνιμον. ΠΡΟΒΛΗΜΑ Α

Διὰ τί τῶν μιμουμένων τοὺς ὀργιζομένους καὶ λυπουμένους ἡδέως ἀκούομεν, αὐτῶν δὲ τῶν ἐν τοῖς πάθεσιν ὄντων ἀηδῶς

Περὶ ὧν ἐγένοντο λόγοι καὶ σοῦ παρόντος ἐν Ἀθήναις ἡμῖν, ὅτε Στράτων ὁ κωμῳδὸς εὐημέρησεν (ἦν γὰρ αὐτοῦ πολὺς λόγος), ἑστιωμένων ἡμῶν παρὰ Βοήθῳ τῷ Ἐπικουρείῳ· συνεδείπνουν δ’ οὐκ ὀλίγοι τῶν ἀπὸ τῆς αἱρέσεως. εἶθ’ οἷον ἐν φιλολόγοις περιέστησεν ἡ τῆς κωμῳδίας μνήμη τὸν λόγον εἰς ζήτησιν αἰτίας, δι’ ἣν ὀργιζομένων [d] ἢ λυπουμένων ἢ δεδιότων φωνὰς ἀκούοντες ἀχθόμεθα καὶ δυσκολαίνομεν, οἱ δ’ ὑποκρινόμενοι ταῦτα τὰ πάθη καὶ μιμούμενοι τὰς φωνὰς αὐτῶν καὶ τὰς διαθέσεις εὐφραίνουσιν ἡμᾶς. ἐκείνων μὲν οὖν ἁπάντων σχεδὸν εἷς ἦν λόγος· ἔφασαν γάρ, ἐπειδὴ κρείττων ὁ μιμούμενός ἐστι τοῦ πάσχοντος ἀληθῶς καὶ τῷ μὴ πεπονθέναι διαφέρει, συνιέντας ἡμᾶς τοῦτο τέρπεσθαι καὶ χαίρειν.

Ἐγὼ δέ, καίπερ ἐν ἀλλοτρίῳ χορῷ πόδα τιθείς, εἶπον ὅτι φύσει λογικοὶ καὶ φιλότεχνοι γεγονότες πρὸς τὸ λογικῶς καὶ τεχνικῶς πραττόμενον οἰκείως διακείμεθα καὶ θαυμάζομεν, ἂν ἐπιτυγχάνηται. ‘καθάπερ γὰρ ἡ μέλιττα [e] τῷ φιλόγλυκυς εἶναι πᾶσαν ὕλην, ᾗ τι μελιτῶδες ἐγκέκραται, περιέπει καὶ διώκει, οὕτως ὁ ἄνθρωπος, γεγονὼς φιλότεχνος καὶ φιλόκαλος, πᾶν ἀποτέλεσμα καὶ πρᾶγμα νοῦ καὶ λόγου μετέχον ἀσπάζεσθαι καὶ ἀγαπᾶν πέφυκεν. εἰ γοῦν παιδίῳ μικρῷ προθείη τις ὁμοῦ [μικρὸν] μὲν ἄρτον, ὁμοῦ δὲ πεπλασμένον ἐκ τῶν ἀλεύρων κυνίδιον ἢ βοΐδιον, ἐπὶ τοῦτ’ ἂν ἴδοις φερόμενον· καὶ ὁμοίως ‹εἴ τις› ἀργύριον ἄσημον, ἕτερος δὲ ζῴδιον ἀργυροῦν ἢ ἔκπωμα παρασταίη διδούς, τοῦτ’ ἂν λάβοι μᾶλλον, ᾧ τὸ τεχνικὸν καὶ λογικὸν ἐνορᾷ καταμεμιγμένον. ὅθεν καὶ τῶν λόγων τοῖς [f] ἠνιγμένοις χαίρουσι μᾶλλον οἱ τηλικοῦτοι καὶ τῶν παιδιῶν ταῖς περιπλοκήν τινα καὶ δυσκολίαν ἐχούσαις· ἕλκει γὰρ ὡς οἰκεῖον ἀδιδάκτως τὴν φύσιν τὸ γλαφυρὸν καὶ πανοῦργον. ἐπεὶ τοίνυν ὁ μὲν ἀληθῶς ὀργιζόμενος ἢ λυπούμενος ἔν τισι κοινοῖς πάθεσι καὶ κινήμασιν ὁρᾶται, τῇ δὲ μιμήσει πανουργία τις ἐμφαίνεται

καὶ πιθανότης ἄνπερ [674] [a] ἐπιτυγχάνηται, τούτοις μὲν ἥδεσθαι πεφύκαμεν ἐκείνοις δ' ἀχθόμεθα. καὶ γὰρ ἐπὶ τῶν θεαμάτων ὅμοια πεπόνθαμεν· ἀνθρώπους μὲν γὰρ ἀποθνήσκοντας καὶ νοσοῦντας ἀνιαρῶς ὁρῶμεν· τὸν δὲ γεγραμμένον Φιλοκτήτην καὶ τὴν πεπλασμένην Ἰοκάστην, ἧς φασιν εἰς τὸ πρόσωπον ἀργύρου τι συμμῖξαι τὸν τεχνίτην, ὅπως ἐκλείποντος ἀνθρώπου καὶ μαραινομένου λάβῃ περιφάνειαν ὁ χαλκός, ‹ἰδόντες› ἡδόμεθα καὶ θαυμάζομεν. τοῦτο δ'' εἶπον, 'ἄνδρες Ἐπικούρειοι, καὶ τεκμήριόν ἐστι μέγα τοῖς Κυρηναϊκοῖς πρὸς ὑμᾶς τοῦ μὴ περὶ τὴν ὄψιν εἶναι μηδὲ περὶ τὴν [b] ἀκοὴν ἀλλὰ περὶ τὴν διάνοιαν ἡμῶν τὸ ἡδόμενον ἐπὶ τοῖς ἀκούσμασι καὶ θεάμασιν. ἀλεκτορὶς γὰρ βοῶσα συνεχῶς καὶ κορώνη λυπηρὸν ἄκουσμα καὶ ἀηδές ἐστιν, ὁ δὲ μιμούμενος ἀλεκτορίδα βοῶσαν καὶ κορώνην εὐφραίνει· καὶ φθισικοὺς μὲν ὁρῶντες δυσχεραίνομεν, ἀνδριάντας δὲ καὶ γραφὰς φθισικῶν ἡδέως θεώμεθα τῷ τὴν διάνοιαν ὑπὸ τῶν μιμημάτων ἄγεσθαι [καὶ] κατὰ τὸ οἰκεῖον. ἐπεὶ τί πάσχοντες ἢ τίνος ἔξωθεν γενομένου πάθους τὴν ‹ὗν τὴν› Παρμένοντος οὕτως ἐθαύμασαν, ὥστε παροιμιώδη γενέσθαι; καίτοι φασὶ τοῦ Παρμένοντος εὐδοκιμοῦντος ἐπὶ τῇ μιμήσει, ζηλοῦντας ἑτέρους ἀντεπιδείκνυσθαι· προκατειλημμένων [c] δὲ τῶν ἀνθρώπων καὶ λεγόντων 'εὖ μὲν ἀλλ' οὐδὲν πρὸς τὴν Παρμένοντος ὗν', ἕνα λαβόντα δελφάκιον ὑπὸ μάλης προσελθεῖν· ἐπεὶ δὲ καὶ τῆς ἀληθινῆς φωνῆς ἀκούοντες ὑπεφθέγγοντο 'τί οὖν αὕτη πρὸς τὴν Παρμένοντος ὗν;' ἀφεῖναι τὸ δελφάκιον εἰς τὸ μέσον, ἐξελέγχοντα τῆς κρίσεως τὸ πρὸς δόξαν οὐ πρὸς ἀλήθειαν. ᾧ μάλιστα δῆλόν ἐστιν, ὅτι τὸ αὐτὸ τῆς αἰσθήσεως πάθος οὐχ ὁμοίως διατίθησι τὴν ψυχήν, ὅταν μὴ προσῇ δόξα τοῦ λογικῶς ἢ φιλοτίμως περαίνεσθαι τὸ γινόμενον.'

ΠΡΟΒΛΗΜΑ Β

Ὅτι παλαιὸν ἦν ἀγώνισμα τὸ τῆς ποιητικῆς

Ἐν Πυθίοις ἐγίνοντο λόγοι περὶ τῶν ἐπιθέτων ἀγωνισμάτων, ὡς ἀναιρετέα. παραδεξάμενοι γὰρ ἐπὶ τρισὶ τοῖς καθεστῶσιν ἐξ ἀρχῆς, αὐλητῇ Πυθικῷ καὶ κιθαριστῇ καὶ κιθαρῳδῷ, τὸν τραγῳδόν, ὥσπερ πύλης ἀνοιχθείσης οὐκ ἀντέσχον ἀθρόοις συνεπιτιθεμένοις καὶ συνεισιοῦσι παντοδαποῖς ἀκροάμασιν· ὑφ' ὧν ποικιλίαν μὲν ἔσχεν οὐκ ἀηδῆ καὶ πανηγυρισμὸν ὁ ἀγών, τὸ δ' αὐστηρὸν καὶ μουσικὸν [e] οὐ διεφύλαξεν, ἀλλὰ καὶ πράγματα τοῖς κρίνουσιν παρέσχεν καὶ πολλὰς ὡς εἰκὸς ἡττωμένων πολλῶν ἀπεχθείας. οὐχ ἥκιστα δὲ τὸ τῶν λογογράφων καὶ ποιητῶν ἔθνος ᾤοντο δεῖν ἀποσκευάσασθαι τοῦ ἀγῶνος, οὐχ ὑπὸ μισολογίας, ἀλλὰ πολὺ πάντων τῶν ἀγωνιστῶν γνωριμωτάτους ὄντας ἐδυσωποῦντο τούτους καὶ ἤχθοντο, πάντας ἡγούμενοι χαρίεντας, οὐ πάντων δὲ νικᾶν δυναμένων. ἡμεῖς

οὖν ἐν τῷ συνεδρίῳ παρεμυθούμεθα τοὺς ‹τὰ› καθεστῶτα κινεῖν βουλομένους καὶ τῷ ἀγῶνι καθάπερ ὀργάνῳ πολυχορδίαν καὶ πολυφωνίαν ἐπικαλοῦντας. καὶ παρὰ τὸ [f] δεῖπνον, ἑστιῶντος ἡμᾶς Πετραίου τοῦ ἀγωνοθέτου, πάλιν ὁμοίων λόγων προσπεσόντων, ἠμύνομεν τῇ μουσικῇ· τήν τε ποιητικὴν ἀπεφαίνομεν οὐκ ὄψιμον οὐδὲ νεαρὰν ἐπὶ τοὺς ἱεροὺς ἀγῶνας ἀφιγμένην, ἀλλὰ πρόπαλαι στεφάνων ἐπινικίων τυγχάνουσαν. ἐνίοις μὲν οὖν ἐπίδοξος ἤμην ἕωλα παραθήσειν πράγματα, τὰς Οἰολύκου τοῦ Θετταλοῦ ταφὰς [675] [a] καὶ τὰς Ἀμφιδάμαντος τοῦ Χαλκιδέως ἐν αἷς Ὅμηρον καὶ Ἡσίοδον ἱστοροῦσιν ἔπεσι διαγωνίσασθαι. καταβαλὼν δὲ ταῦτα τῷ διατεθρυλῆσθαι πάνθ' ὑπὸ τῶν γραμματικῶν, καὶ τοὺς ἐπὶ ταῖς Πατρόκλου ταφαῖς ἀναγινωσκομένους ὑπό τινων οὐχ 'ἥμονας' (Ψ 886) ἀλλὰ 'ῥήμονας', ὡς δὴ καὶ λόγων ἆθλα τοῦ Ἀχιλλέως προθέντος, ἀφείς, εἶπον ὅτι καὶ Πελίαν θάπτων Ἄκαστος ὁ υἱὸς ἀγῶνα ποιήματος παράσχοι καὶ Σίβυλλα νικήσειεν. ἐπιφυομένων δὲ πολλῶν καὶ τὸν βεβαιωτὴν ὡς ἀπίστου ‹καὶ› παραλόγου τῆς ἱστορίας ἀπαιτούντων, ἐπιτυχῶς ἀναμνησθεὶς ἀπέφαινον Ἀκέσανδρον ἐν τῷ [b] περὶ Λιβύης (FHG IV 285) ταῦθ' ἱστοροῦντα. 'καὶ τοῦτο μέν' ἔφην 'τὸ ἀνάγνωσμα τῶν οὐκ ἐν μέσῳ ἐστίν· τοῖς δὲ Πολέμωνος τοῦ Ἀθηναίου περὶ τῶν ἐν Δελφοῖς θησαυρῶν οἶμαι [ὅτι] πολλοῖς ὑμῶν ἐντυγχάνειν ἐπιμελές ἐστι καὶ χρή, πολυμαθοῦς καὶ οὐ νυστάζοντος ἐν τοῖς Ἑλληνικοῖς πράγμασιν ἀνδρός· ἐκεῖ τοίνυν εὑρήσετε γεγραμμένον (FHG III 123), ὡς ἐν τῷ Σικυωνίων θησαυρῷ χρυσοῦν ἀνέκειτο βιβλίον Ἀριστομάχης ἀνάθημα τῆς Ἐρυθραίας ἐπικῷ ... ποιήματι δὶς Ἴσθμια νενικηκυίας. οὐ μὴν οὐδὲ τὴν Ὀλυμπίαν' ἔφην 'ἄξιόν ἐστιν ὥσπερ εἱμαρμένην ἀμετάστατον καὶ ἀμετάθετον ἐν τοῖς ἀθλήμασιν ἐκπεπλῆχθαι. τὰ μὲν γὰρ Πύθια τῶν μουσικῶν [c] ἔσχε τρεῖς ἢ τέτταρας ἐπεισοδίους ἀγῶνας, ὁ δὲ γυμνικὸς ἀπ' ἀρχῆς ὡς ἐπὶ τὸ πλεῖστον οὕτως κατέστη, τοῖς δ' Ὀλυμπίοις πάντα προσθήκη πλὴν τοῦ δρόμου γέγονεν· πολλὰ δὲ καὶ θέντες ἔπειτ' ἀνεῖλον, ὥσπερ τὸν τῆς κάλπης ἀγῶνα καὶ τὸν τῆς ἀπήνης· ἀνῃρέθη δὲ καὶ παισὶ πεντάθλοις στέφανος τεθείς· καὶ ὅλως πολλὰ περὶ τὴν πανήγυριν νενεωτέρισται. δέδια δ' εἰπεῖν ὅτι πάλαι καὶ μονομαχίας ἀγὼν περὶ Πῖσαν ἤγετο μέχρι φόνου καὶ σφαγῆς τῶν ἡττωμένων καὶ ὑποπιπτόντων, μή με πάλιν ἀπαιτῆτε τῆς ἱστορίας βεβαιωτὴν κἂν διαφύγῃ τὴν μνήμην [d] ἐν οἴνῳ τὸ ὄνομα καταγέλαστος γένωμαι.'

ΠΡΟΒΛΗΜΑ Γ

Τίς αἰτία δι' ἣν ἡ πίτυς ἱερὰ Ποσειδῶνος ἐνομίσθη καὶ Διονύσου· καὶ ὅτι τὸ πρῶτον ἐστεφάνουν τῇ πίτυι τοὺς Ἴσθμια νικῶντας, ἔπειτα σελίνῳ, νυνὶ δὲ πάλιν τῇ πίτυι

Ἡ πίτυς ἐζητεῖτο καθ’ ὃν λόγον ἐν Ἰσθμίοις στέμμα γέγονε· καὶ γὰρ ἦν τὸ δεῖπνον ἐν Κορίνθῳ, Ἰσθμίων ἀγομένων ἑστιῶντος ἡμᾶς Λουκανίου τοῦ ἀρχιερέως.

[e] Πραξιτέλης μὲν οὖν ὁ περιηγητὴς τὸ μυθῶδες ἐπῆγεν, ὡς λεγόμενον εὑρεθῆναι τὸ σῶμα τοῦ Μελικέρτου πίτυι προσβεβρασμένον ὑπὸ τῆς θαλάττης· καὶ γὰρ οὐ πρόσω Μεγάρων εἶναι τόπον, ὃς ‘Καλῆς δρόμος’ ἐπονομάζεται, δι’ οὗ φάναι Μεγαρεῖς τὴν Ἰνὼ τὸ παιδίον ἔχουσαν δραμεῖν ἐπὶ τὴν θάλατταν. κοινῶς δ’ ὑπὸ πολλῶν λεγομένου ὡς ἴδιόν ἐστι στέμμα Ποσειδῶνος ἡ πίτυς, Λουκανίου δὲ προστιθέντος ὅτι καὶ τῷ Διονύσῳ καθωσιωμένον τὸ φυτὸν οὐκ ἀπὸ τρόπου ταῖς περὶ τὸν Μελικέρτην συνῳκείωται τιμαῖς, αὐτὸ τοῦτο ζήτησιν παρεῖχεν, ᾧτινι λόγῳ Ποσειδῶνι καὶ Διονύσῳ τὴν πίτυν οἱ παλαιοὶ καθωσίωσαν.

[f] ἐδόκει δ’ ἡμῖν μηδὲν εἶναι παράλογον· ἀμφότεροι γὰρ οἱ θεοὶ τῆς ὑγρᾶς καὶ γονίμου κύριοι δοκοῦσιν ἀρχῆς εἶναι· καὶ Ποσειδῶνί γε Φυταλμίῳ Διονύσῳ δὲ Δενδρίτῃ πάντες ὡς ἔπος εἰπεῖν Ἕλληνες θύουσιν. οὐ μὴν ἀλλὰ κατ’ ἰδίαν τῷ Ποσειδῶνι φαίη τις ἂν τὴν [676] [a] πίτυν προσήκειν, οὐχ ὡς Ἀπολλόδωρος (Fr. Gr. Hist. 244 F 123) οἴεται παράλιον φυτὸν οὖσαν οὐδ’ ὅτι φιλήνεμός ἐστιν ὥσπερ ἡ θάλασσα (καὶ γὰρ τοῦτό τινες λέγουσιν), ἀλλὰ διὰ τὰς ναυπηγίας μάλιστα. καὶ γὰρ αὐτὴ καὶ τὰ ἀδελφὰ δένδρα, πεῦκαι καὶ στρόβιλοι, τῶν τε ξύλων παρέχει τὰ πλοϊμώτατα πίττης τε καὶ ῥητίνης ἀλοιφήν, ἧς ἄνευ τῶν συμπαγέντων ὄφελος οὐδὲν ἐν τῇ θαλάττῃ. τῷ δὲ Διονύσῳ τὴν πίτυν ἀνιέρωσαν ὡς ἐφηδύνουσαν τὸν οἶνον· τὰ γὰρ πιτυώδη χωρία λέγουσιν ἡδύοινον τὴν ἄμπελον φέρειν. καὶ τὴν θερμότητα τῆς γῆς Θεόφραστος αἰτιᾶται· καθόλου γὰρ ἐν ἀργιλώδεσι τόποις φύεσθαι τὴν [b] πίτυν, εἶναι δὲ τὴν ἄργιλον θερμήν, διὸ καὶ συνεκπέττειν τὸν οἶνον, ὥσπερ καὶ τὸ ὕδωρ ἐλαφρότατον καὶ ἥδιστον ἡ ἄργιλος ἀναδίδωσιν, ἔτι δὲ καὶ καταμιγνυμένη πρὸς σῖτον ἐπίμετρον ποιεῖ δαψιλές, ἁδρύνουσα καὶ διογκοῦσα τῇ θερμότητι τὸν πυρόν. οὐ μὴν ἀλλὰ καὶ τῆς πίτυος αὐτῆς εἰκὸς ἀπολαύειν τὴν ἄμπελον, ἐχούσης ἐπιτηδειότητα πολλὴν πρὸς σωτηρίαν οἴνου καὶ διαμονήν· τῇ τε γὰρ πίττῃ πάντες ἐξαλείφουσι τὰ ἀγγεῖα, καὶ τῆς ῥητίνης ὑπομιγνύουσι πολλοὶ τῷ οἴνῳ καθάπερ Εὐβοεῖς τῶν Ἑλλαδικῶν καὶ τῶν Ἰταλικῶν οἱ περὶ τὸν Πάδον οἰκοῦντες, [c] ἐκ δὲ τῆς περὶ Βίενναν Γαλατίας ὁ πισσίτης οἶνος κατακομίζεται, διαφερόντως τιμώμενος ὑπὸ Ῥωμαίων. οὐ γὰρ μόνον εὐωδίαν τινὰ τὰ τοιαῦτα προσδίδωσιν, ἀλλὰ καὶ τὸν οἶνον [ἐμποιεῖ] παρίστησι ταχέως ἐξαιροῦντα τῇ θερμότητι τοῦ οἴνου τὸ νεαρὸν καὶ ὑδατῶδες.

Ὡς δὲ ταῦτ᾽ ἐρρήθη, τῶν ῥητόρων ὁ μάλιστα δοκῶν ἀναγνώσμασιν ἐντυγχάνειν ἐλευθερίοις ‘ὦ πρὸς θεῶν’ εἶπεν, ‘οὐ γὰρ ἐχθὲς ἡ πίτυς ἐνταῦθα καὶ πρῴην στέμμα γέγονε τῶν Ἰσθμίων, πρότερον δὲ τοῖς σελίνοις ἐστέφοντο; καὶ τοῦτ᾽ ἔστι μὲν ἐν τῇ κωμῳδίᾳ φιλαργύρου τινὸς ἀκοῦσαι λέγοντος (Com. adesp. 153)

‘τὰ δ᾽ Ἴσθμι᾽ ἀποδοίμην ἂν ἡδέως ὅσου

[d] ὁ τῶν σελίνων στέφανός ἐστιν ὤνιος.’

ἱστορεῖ δὲ καὶ Τίμαιος ὁ συγγραφεύς, ὅτι Κορινθίοις, ὁπηνίκα μαχούμενοι πρὸς Καρχηδονίους ἐβάδιζον ὑπὲρ τῆς Σικελίας, ἐνέβαλόν τινες ὄνοι σέλινα κομίζοντες· οἰωνισαμένων δὲ τῶν πολλῶν τὸ σύμβολον ὡς οὐ χρηστόν, ὅτι δοκεῖ τὸ σέλινον ἐπικήδειον εἶναι καὶ τοὺς ἐπισφαλῶς νοσοῦντας δεῖσθαι τοῦ σελίνου φαμέν, ἄλλως θ᾽ ὁ Τιμολέων ἐθάρρυνεν αὐτοὺς καὶ ἀνεμίμνησκε τῶν Ἰσθμοῖ σελίνων, οἷς ἀναστέφουσι Κορίνθιοι τοὺς νικῶντας. ἔτι τοίνυν ἡ Ἀντιγόνου ναυαρχὶς ἀναφύσασα περὶ πρύμναν αὐτομάτως σέλινον Ἰσθμία ἐπωνομάσθη. καὶ τοῦτο δὴ τὸ [e] σκολιὸν ἐπίγραμμα †δῆλον κεραμέα νομίζει †διαβεβυσμένην σελίνῳ· σύγκειται δ᾽ οὕτω

‘χθὼν ἡ †παλὰς γῆ πυρὶ κατῃθαλωμένη

κεύθει κελαινὸν αἷμα Διονύσου θοοῦ,

ἔχουσα κλῶνας Ἰσθμικοὺς ἀνὰ στόμα.’

ἦ ταῦτ᾽᾽ εἶπεν ‘οὐκ ἀνεγνώκαθ᾽ ὑμεῖς οἱ τὴν πίτυν ὡς οὐκ ἐπείσακτον οὐδὲ νέον ἀλλὰ πάτριον καὶ παλαιὸν δὴ στέμμα τῶν Ἰσθμίων σεμνύνοντες;’

Ἐκίνησεν οὖ‹ν τοὺς› νέους ὡς ἂν πολυμαθὴς ἀνὴρ καὶ πολυγράμματος. ὁ μέντοι Λουκάνιος εἰς ἐμὲ βλέψας ἅμα καὶ μειδιῶν ‘ὦ Πόσειδον’ ἔφη ‘τοῦ πλήθους τῶν γραμμάτων· ἕτεροι δ᾽ ἡμῶν τῆς ἀμαθίας ὡς ἔοικε καὶ [f] τῆς ἀνηκοΐας ἀπέλαυον ἀναπείθοντες τοὐναντίον, ὡς ἡ μὲν πίτυς ἦν στέμμα τῶν ἀγώνων πάτριον, ἐκ δὲ Νεμέας κατὰ ζῆλον ὁ τοῦ σελίνου ξένος ὢν ἐπεισῆλθε δι᾽ Ἡρακλέα καὶ κρατήσας ἠμαύρωσεν ἐκεῖνον ὡς †ἱερὸν ἐπιτήδειον· εἶτα μέντοι χρόνῳ πάλιν ἀνακτησαμένη τὸ πάτριον γέρας ἡ [677] [a] πίτυς ἀνθεῖ τῇ τιμῇ. ἐγὼ γοῦν ἀνεπειθόμην καὶ προσεῖχον, ὥστε καὶ τῶν μαρτυρίων ἐκμαθεῖν πολλὰ καὶ μνημονεύειν, Εὐφορίωνα μὲν οὕτω πως περὶ Μελικέρτου λέγοντα (fr. 98 Scheidw., 84 Powell, Meineke Anal. Al. p. 80 ss.)

‘κλαίοντες δέ τε κοῦρον ἐπ᾽ †αἰλίσι πιτύεσσι

κάτθεσαν, ὁκκότε δὴ στεφάνωμ᾽ ἄθλοις φορέονται.

οὐ γάρ πω τρηχεῖα λαβὴ κατεμήσατο χειρῶν

Μήνης παῖδα χάρωνα παρ᾽ Ἀσωποῦ γενετείρῃ,

ἐξότε πυκνὰ σέλινα κατὰ κροτάφων ἐβάλοντο·’

Καλλίμαχον δὲ μᾶλλον διασαφοῦντα· λέγει δ’ ὁ Ἡρακλῆς αὐτῷ περὶ τοῦ σελίνου (fr. 103 Schn.)

[b] ‘καί μιν Ἀλητιάδαι, πουλὺ γεγειότερον

τοῦδε παρ’ Αἰγαίωνι θεῷ τελέοντες ἀγῶνα,

θήσουσιν νίκης σύμβολον Ἰσθμιάδος,

ζήλῳ τῶν Νεμέηθε· πίτυν δ’ ἀποτιμήσουσιν,

ἣ πρὶν ἀγωνιστὰς ἔστεφε τοὺς Ἐφύρῃ.’

ἔτι δ’ οἶμαι Προκλέους ἐντετυχηκέναι γραφῇ (FHG II 342) περὶ τῶν Ἰσθμίων ἱστοροῦντος, ὅτι τὸν πρῶτον ἀγῶν’ ἔθεσαν περὶ στεφάνου πιτυΐνου· ὕστερον δέ, τοῦ ἀγῶνος ἱεροῦ γενομένου, ἐκ τῆς Νεμεακῆς πανηγύρεως μετήνεγκαν ἐνταῦθα τὸν τοῦ σελίνου στέφανον. ὁ δὲ Προκλῆς οὗτος ἦν εἷς τῶν ἐν Ἀκαδημίᾳ Ξενοκράτει συσχολασάντων.’

ΠΡΟΒΛΗΜΑ Δ

[c]

Περὶ τοῦ ‘ζωρότερον δὲ κέραιε’

Γελοῖος ἐδόκει τισὶ τῶν συνδειπνούντων ὁ Ἀχιλλεὺς ἀκρατότερον ἐγχεῖν τὸν Πάτροκλον κελεύων, εἶτ’ αἰτίαν τοιαύτην ἐπιλέγων (I 204)

‘οἱ γὰρ φίλτατοι ἄνδρες ἐμῷ ὑπέασι μελάθρῳ.’

Νικήρατος μὲν οὖν ὁ ἑταῖρος ἡμῶν ὁ Μακεδὼν ἄντικρυς ἀπισχυρίζετο μὴ ἄκρατον ἀλλὰ θερμὸν εἰρῆσθαι τὸ ‘ζωρὸν’ ἀπὸ τοῦ ζωτικοῦ καὶ τῆς ζέσεως, ὃ δὴ καὶ λόγον ἔχειν, ἀνδρῶν ἑταίρων παρόντων νέον ἐξ ὑπαρχῆς κεράννυσθαι κρατῆρα· καὶ γὰρ ἡμᾶς, ὅταν τοῖς θεοῖς ἀποσπένδειν [d] μέλλωμεν, νεοκρᾶτα ποιεῖν. Σωσικλῆς δ’ ὁ ποιητὴς τοῦ Ἐμπεδοκλέους ἐπιμνησθεὶς εἰρηκότος ἐν τῇ καθόλου μεταβολῇ γίνεσθαι (fr. 35, 15) ‘ζωρά τε τὰ πρὶν ἄκρητα’ μᾶλλον ἔφη τὸ εὔκρατον ἢ τὸ ἄκρατον ὑπὸ τοῦ ἀνδρὸς ζωρὸν λέγεσθαι καὶ μηδέν γε κωλύειν ἐπικελεύεσθαι τῷ Πατρόκλῳ τὸν Ἀχιλλέα παρασκευάζειν εὔκρατον εἰς πόσιν τὸν οἶνον· εἰ δ’ ἀντὶ τοῦ ζωροῦ ‘ζωρότερον’ εἶπεν, ὥσπερ ‘δεξιτερὸν’ ἀντὶ τοῦ δεξιοῦ καί ‘θηλύτερον’ ἀντὶ τοῦ θήλεος, οὐκ ἄτοπον εἶναι· χρῆσθαι γὰρ ἐπιεικῶς ἀντὶ τῶν ἁπλῶν τοῖς συγκριτικοῖς. Ἀντίπατρος δ’ ὁ ἑταῖρος ἔφη τοὺς μὲν ἐνιαυτοὺς ἀρχαϊκῶς ‘ὥρους’ λέγεσθαι, [e] τὸ ‹δὲ› ζα μέγαθος εἰωθέναι σημαίνειν· ὅθεν τὸν πολυετῆ καὶ παλαιὸν οἶνον ὑπὸ τοῦ Ἀχιλλέως ζωρὸν ὠνομάσθαι.

Ἐγὼ δ’ ἀνεμίμνησκον αὐτούς, ὅτι τῷ ‘ζωρότερον’ τὸ θερμὸν ἔνιοι σημαίνεσθαι λέγουσι τῷ δὲ θερμοτέρῳ τὸ τάχιον· ὥσπερ ἡμεῖς ἐγκελευόμεθα πολλάκις τοῖς διακονοῦσι θερμότερον ἅπτεσθαι τῆς διακονίας. ἀλλὰ μειρακιώδη τὴν φιλοτιμίαν αὐτῶν ἀπέφαινον, δεδιότων ὁμολογεῖν ἀκρατότερον εἰρῆσθαι τὸ ζωρότερον, ὡς ἐν ἀτόπῳ τινὶ τοῦ Ἀχιλλέως

Περὶ τῶν πολλοὺς ἐπὶ δεῖπνον καλούντων

Τὸ περὶ τὰς κατακλίσεις φαινόμενον ἄτοπον πλείονα λόγον παρέσχεν ἐν ταῖς ὑποδοχαῖς, ἃς ἐποιεῖτο τῶν φίλων ἕκαστος ἑστιῶν ἡμᾶς ἥκοντας ἀπὸ τῆς Ἀλεξανδρείας· ἐκαλοῦντο γὰρ ἀεὶ πολλοὶ τῶν ὁπωσοῦν προσήκειν δοκούντων, καὶ τὰ συμπόσια θορυβώδεις εἶχε τὰς συμπεριφορὰς καὶ τὰς διαλύσεις ταχείας. ἐπειδὴ δ' Ὀνησικράτης ὁ ἰατρὸς οὐ πολλοὺς ἀλλὰ τοὺς σφόδρα συνήθεις καὶ [d] οἰκειοτάτους παρέλαβεν ἐπὶ τὸ δεῖπνον, ἐφάνη μοι τὸ λεγόμενον ὑπὸ Πλάτωνος (Rep. 422e 423b) 'αὐξομένην ‹πόλιν› πόλεις οὐ πόλιν' †συμποσίῳ δεδόσθαι . 'καὶ γὰρ συμποσίου μέγεθος ἱκανόν ἐστιν, ἄχρι οὗ συμπόσιον ἐθέλει μένειν· ἐὰν δ' ὑπερβάλῃ διὰ πλῆθος, ὡς μηκέτι προσήγορον ἑαυτῷ μηδὲ συμπαθὲς εἶναι ταῖς φιλοφροσύναις μηδὲ γνώριμον,

ΠΡΟΒΛΗΜΑ Η

Διὰ τί τὴν μηλέαν ‘ἀγλαόκαρπον’ ὁ ποιητὴς εἶπεν, Ἐμπεδοκλῆς δ’ ‘ὑπέρφλοια’ τὰ μῆλα

Ἑστιωμένων ἡμῶν ποτ’ ἐν Χαιρωνείᾳ καὶ παρατεθείσης παντοδαπῆς ὀπώρας, ἐπῆλθέ τινι τῶν κατακειμένων ἀναφθέγξασθαι τὸν στίχον ἐκεῖνον (η 115)

[c] ‘συκέαι τε γλυκεραὶ καὶ μηλέαι ἀγλαόκαρποι’

καὶ ‘ἐλαῖαι τηλεθόωσαι’. ζήτησις οὖν ἦν, διὰ τί τὰς μηλέας ὁ ποιητὴς ‘ἀγλαοκάρπους’ ἐξαιρέτως προσεῖπεν. καὶ Τρύφων μὲν ὁ ἰατρὸς ἔλεγε κατὰ τὴν πρὸς τὸ δένδρον εἰρῆσθαι σύγκρισιν, ὅτι μικρὸν ὂν κομιδῇ καὶ τὴν ὄψιν εὐτελὲς καλὸν καὶ μέγαν ἐκφέρει τὸν καρπόν. ἄλλος δέ τις ἔφη τὸ καλὸν ἐκ πάντων συντεθὲν μόνῳ τούτῳ τῶν ἀκροδρύων ὁρᾶν ὑπάρχον· καὶ γὰρ τὴν ψαῦσιν ἔχει καθάριον, ὥστε μὴ μολύνειν ἀλλ’ εὐωδίας ἀναπιμπλάναι τὸν ἁπτόμενον, καὶ τὴν γεῦσιν ἡδεῖαν, ὀσφραίνεσθαί τε καὶ ἰδεῖν ἐπιτερπέστατόν ἐστι· διὸ καὶ πάσας ὁμοῦ τι τὰς [d] αἰσθήσεις προσαγόμενον εἰκότως ἐπαινεῖσθαι.

Ταῦτα μὲν οὖν ἔφαμεν ἡμεῖς μετρίως λέγεσθαι· τοῦ δ’ Ἐμπεδοκλέους εἰρηκότος (fr. 80)

‘οὕνεκεν ὀψίγονοί τε σίδαι καὶ ὑπέρφλοια μῆλα,’

τὸ μὲν τῶν σιδῶν ἐπίθετον νοεῖν ὅτι τοῦ φθινοπώρου λήγοντος ἤδη καὶ τῶν καυμάτων μαραινομένων ἐκπέττουσι τὸν καρπόν· ἀσθενῆ γὰρ αὐτῶν τὴν ὑγρότητα καὶ γλίσχραν οὖσαν οὐκ ἐᾷ λαβεῖν σύστασιν ὁ ἥλιος, ἂν μὴ μεταβάλλειν ὁ ἀὴρ ἐπὶ τὸ ψυχρότερον ἄρχηται· διὸ καὶ μόνον τοῦτό φησιν Θεόφραστος τὸ δένδρον ἐν τῇ σκιᾷ βέλτιον ἐκπέττειν τὸν καρπὸν καὶ τάχιον. τὰ δὲ μῆλα καθ’ ἥντινα διάνοιαν ὁ σοφὸς ‘ὑπέρφλοια’ προσειρήκοι, διαπορεῖν, [e] καὶ μάλιστα τοῦ ἀνδρὸς οὐ καλλιγραφίας ἕνεκα τοῖς εὐπροσωποτάτοις τῶν ἐπιθέτων, ὥσπερ ἀνθηροῖς χρώμασι, τὰ πράγματα γανοῦν εἰωθότος, ἀλλ’ ἕκαστον οὐσίας τινὸς ἢ δυνάμεως δήλωμα ποιοῦντος, οἷον ‘ἀμφιβρότην χθόνα’ τὸ τῇ ψυχῇ περικείμενον σῶμα, καὶ ‘νεφεληγερέτην’ τὸν ἀέρα καὶ ‘πολυαίματον’ τὸ ἧπαρ (fr. 148150).

Εἰπόντος οὖν ἐμοῦ ταῦτα, γραμματικοί τινες ἔφασαν ‘ὑπέρφλοια’ λελέχθαι τὰ μῆλα διὰ τὴν ἀκμήν· τὸ γὰρ ἄγαν ἀκμάζειν καὶ τεθηλέναι ‘φλύειν’ ὑπὸ τῶν ποιητῶν λέγεσθαι. καὶ τὸν Ἀντίμαχον (fr. 36 Kink., 40 Wyss) οὕτω πως ‘φλείουσαν ὀπώραις’ εἰρηκέναι τὴν [f] τῶν Καδμείων πόλιν· ὁμοίως τὸν Ἄρατον ἐπὶ τοῦ Σειρίου λέγοντα (Phaen. 335)

‘καὶ τὰ μὲν ἔρρωσεν, τῶν δὲ φλόον ὤλεσε πάντα’

τὴν χλωρότητα καὶ τὸ ἄνθος τῶν καρπῶν ‘φλόον’ προσαγορεύειν· εἶναι δὲ καὶ τῶν Ἑλλήνων τινάς, οἳ Φλείῳ Διονύσῳ θύουσιν. ἐπεὶ τοίνυν μάλιστα τῶν καρπῶν ἡ χλωρότης καὶ τὸ τεθηλέναι τῷ μήλῳ παραμένει, ‘ὑπέρφλοιον’ αὐτὸ τὸν φιλόσοφον προσαγορεῦσαι. [684] [a] Λαμπρίας δ’ ὁ πάππος ἡμῶν ἔφη τὴν ‘ὑπὲρ’ φωνὴν οὐ μόνον τὸ ἄγαν καὶ τὸ σφοδρὸν δηλοῦν, ἀλλὰ καὶ τὸ ἔξωθεν καὶ τὸ ἄνωθεν· οὕτω γὰρ ‘ὑπέρθυρον’ καὶ ‘ὑπερῷον’ καλεῖν ἡμᾶς, τὸν δὲ ποιητὴν καὶ ‘κρέ’ ὑπέρτερα’ (γ 65 pass.) τὰ ἔξω τοῦ ἱερείου, ὥσπερ ‘ἔγκατα’ (Λ 176 pass.) τὰ ἐντός. ‘ὅρα τοίνυν’ ἔφη ‘μὴ πρὸς τοῦτο μᾶλλον ὁ

Ἐμπεδοκλῆς πεποίηκε τὸ ἐπίθετον, ὅτι, τῶν ἄλλων καρπῶν τὸ ἔξωθεν ὑπὸ τοῦ φλοιοῦ περιεχομένων καὶ τὰ καλούμενα λεπύχανα καὶ κελύφη καὶ ὑμένας καὶ λοβοὺς ἐπιπολῆς ἐχόντων, ὁ τοῦ μήλου φλοιὸς ἐντός ἐστι κολλώδης χιτὼν καὶ λιπαρός, ᾧ προσίσχεται τὸ σπέρμα· τὸ δ' ἐδώδιμον, [b] ἔξωθεν αὐτῷ περικείμενον, εἰκότως 'ὑπέρφλοιον' ὠνόμασται.'

Τίς ‹ἡ› αἰτία, δι' ἣν ἡ συκῆ δριμύτατον οὖσα δένδρον γλυκύτατον παρέχει τὸν καρπόν

Μετὰ δὲ ταῦτα περὶ τῶν σύκων διηπορήθη, τί δήποτε πίων καὶ γλυκὺς οὕτως καρπὸς ἀπὸ δένδρου φύεται πικροτάτου· τῆς γὰρ συκῆς καὶ τὸ φύλλον διὰ τὴν τραχύτητα θρῖον ὠνόμασται, καὶ τὸ ξύλον ὀπῶδές ἐστιν, ὥστε καιόμενον μὲν ἐκδιδόναι δριμύτατον καπνὸν [c] κατακαυθὲν δὲ τὴν ἐκ τῆς τέφρας κονίαν ῥυπτικωτάτην παρέχειν ὑπὸ δριμύτητος. ὃ δ' ἐστὶ θαυμασιώτατον, ἀνθούντων ἁπάντων ὅσα βεβλάστηκε καὶ καρπογονεῖ, μόνον ἀνανθές ἐστι τὸ τῆς συκῆς φυτόν· εἰ δ', ὥς φασιν, οὐ κεραυνοῦνται, καὶ τοῦτ' ἄν τις ἀναθείη τῇ πικρότητι καὶ καχεξίᾳ τοῦ στελέχους· τῶν γὰρ τοιούτων οὐ δοκοῦσιν ἐπιθιγγάνειν οἱ κεραυνοί, καθάπερ οὐδὲ τῆς φώκης τοῦ δέρματος οὐδὲ τῆς ὑαίνης. ὑπολαβὼν οὖν ὁ πρεσβύτης ἔφη, ‹ὅσον ἂν ἐνῇ› τῷ φυτῷ γλυκύτητος, ἅπαν τοῦτο συνθλιβόμενον εἰς τὸν καρπὸν εἰκότως δριμὺ ποιεῖν καὶ ἄκρατον τὸ λειπόμενον· ὥσπερ γὰρ τὸ ἧπαρ, εἰς ἕνα [d] τόπον τοῦ χολώδους ἀποκριθέντος, αὐτὸ γίνεται γλυκύτατον, οὕτω τὴν συκῆν εἰς τὸ σῦκον ἅπαν τὸ λιπαρὸν καὶ νόστιμον ἀφιεῖσαν αὐτὴν ἄμοιρον εἶναι γλυκύτητος. 'ἐπεί, ὅτι γε μετέχει τινὸς εὐχυμίας τὸ ξύλον, ἐκεῖν'' ἔφη 'ποιοῦμαι σημεῖον, ὃ λέγουσιν οἱ κηπουροί· λέγουσι δὲ τοῦ πηγάνου τὸ φυόμενον ὑπ' αὐτῇ καὶ παραφυτευόμενον ἥδιον εἶναι καὶ τῷ χυμῷ μαλακώτερον, ὡς ἂν ἀπ‹ολ›αῦόν τινος γλυκύτητος, ᾗ κατασβέννυται τὸ ἄγαν βαρὺ καὶ κατάκορον, εἰ μὴ νὴ Δία τοὐναντίον ἡ συκῆ περισπῶσα τὴν τροφὴν ἐξαιρεῖ τι τῆς δριμύτητος.'

Τίνες οἱ περὶ ἅλα καὶ κύαμον· ἐν ᾧ καὶ διὰ τί τὸν ἅλα 'θεῖον' ὁ ποιητὴς εἶπεν

Ἐζήτει Φλῶρος, ἑστιωμένων ἡμῶν παρ' αὐτῷ, τίνες ἂν εἶεν 'οἱ περὶ ἅλα καὶ κύαμον' ἐν τῇ παροιμίᾳ λεγόμενοι. καὶ τοῦτο μὲν ἐκ προχείρου διέλυσεν Ἀπολλοφάνης ὁ γραμματικός· 'οἱ γὰρ οὕτω συνήθεις' ἔφη 'τῶν φίλων, ὥστε καὶ πρὸς ἅλα δειπνεῖν καὶ κύαμον, ὑπὸ [f] τῆς παροιμίας προβάλλονται.' τὴν

Φλῶρος μὲν οὖν ἐᾶν ἐκέλευε τοὺς Αἰγυπτίους, [685] [a] Ἑλληνιστὶ δ’ αὐτοὺς εἰπεῖν τι πρὸς τὸ ὑποκείμενον. ἐγὼ δ’ ἔφην οὐδὲ τοὺς Αἰγυπτίους μάχεσθαι τοῖς Ἕλλησιν· αἱ γὰρ ἁγνεῖαι καὶ παιδοποιίαν καὶ γέλωτα καὶ οἶνον καὶ πολλὰ τῶν ἄλλως ἀξίων σπουδῆς ἀφαιροῦσι· τοὺς δ’ ἅλας τάχα μὲν ὡς ἐπὶ συνουσίαν ἄγοντας ὑπὸ θερμότητος, ὡς ἔνιοι λέγουσι, φυλάττονται καθαρεύοντες· εἰκὸς δὲ καὶ ὡς ὄψον ἥδιστον παραιτεῖσθαι· κινδυνεύουσι γὰρ οἱ ἅλες τῶν ἄλλων ὄψων ὄψον εἶναι καὶ ἥδυσμα, διὸ καὶ ‘χάριτας’ ἔνιοι προσαγορεύουσιν αὐτούς, ὅτι τῆς τροφῆς τὸ ἀναγκαῖον ἡδὺ ποιοῦσιν.

‘Ἆρ’ οὖν’ ὁ Φλῶρος ἔφη ‘διὰ τοῦτο θεῖον εἰρῆσθαι [b] τὸν ἅλα φῶμεν;’ ‘ἔστι μὲν δή’ εἶπον ‘οὐδὲ τοῦτ’ ἐλάχιστον. οἱ γὰρ ἄνθρωποι τὰ κοινὰ καὶ διήκοντα ταῖς χρείαις ἐπὶ τὸ πλεῖστον ἐκθειάζουσιν, ὡς τὸ ὕδωρ, τὸ φῶς, τὰς ὥρας· τὴν δὲ γῆν οὐ μόνον θεῖον, ἀλλὰ καὶ θεὸν ὑπολαμβάνουσιν· ὧν οὐδενὸς λείπεται χρείᾳ τὸ τῶν ἁλῶν, †θρίγκωμα τῆς τροφῆς γινόμενον εἰς τὸ σῶμα καὶ παρέχον εὐαρμοστίαν αὐτῇ πρὸς τὴν ὄρεξιν. οὐ μὴν ἀλλὰ καὶ σκόπει, μὴ κἀκεῖνο θεῖον αὐτῷ συμβέβηκεν, ὅτι τῶν σωμάτων τὰ νεκρὰ διατηροῦν ἄσηπτα καὶ μόνιμα πολὺν χρόνον ἀντιτάττεται τῷ θανάτῳ καὶ οὐκ ἐᾷ παντελῶς ἐξολέσθαι καὶ ἀφανισθῆναι τὸ θνητόν· ἀλλ’ ὥσπερ [c] ἡ ψυχή, θειότατον οὖσα τῶν ἡμετέρων, τὰ ζῷα συνέχει καὶ ῥεῖν οὐκ ἐᾷ τὸν ὄγκον, οὕτως ἡ τῶν ἁλῶν φύσις τὰ νεκρὰ παραλαμβάνουσα καὶ μιμουμένη τὸ τῆς ψυχῆς ἔργον ἀντιλαμβάνεται φερομένων ἐπὶ τὴν φθορὰν καὶ κρατεῖ καὶ ἵστησιν, ἁρμονίαν παρέχουσα καὶ φιλίαν πρὸς ἄλληλα τοῖς μέρεσι. διὸ καὶ τῶν Στωικῶν ἔνιοι τὴν ὗν σάρκα νεκρὰν γεγονέναι λέγουσι, τῆς ψυχῆς, ὥσπερ ἁλῶν, παρεσπαρμένης ὑπὲρ τοῦ διαμένειν. ὁρᾷς δ’ ὅτι καὶ τὸ κεραύνιον πῦρ ἱερὸν ἡγούμεθα καὶ θεῖον, ὅτι τὰ σώματα τῶν διοβλήτων ἄσηπτα πρὸς πολὺν ἀντέχοντα χρόνον ὁρῶμεν. τί οὖν θαυμαστόν, εἰ καὶ τὸν ἅλα, τὴν αὐτὴν [d] ἔχοντα τῷ θείῳ δύναμιν πυρί, θεῖον ὑπέλαβον οἱ παλαιοί;’

Σιωπήσαντος δ’ ἐμοῦ, Φιλῖνος ὑπολαβὼν ‘τὸ δὲ γόνιμον οὐ δοκεῖ σοι’ ἔφη ‘θεῖον εἶναι, εἴπερ ἀρχὴ [ὁ] θεὸς πάντων;’ ὁμολογήσαντος δ’ ἐμοῦ ‘καὶ μήν’ ἔφη ‘τὸν ἅλ’ οὐκ ὀλίγον πρὸς γένεσιν συνεργεῖν οἴονται, καθάπερ αὐτὸς ἐμνήσθης τῶν Αἰγυπτίων. οἱ γοῦν τὰς κύνας φιλοτροφοῦντες, ὅταν ἀργότεραι

ΣΥΜΠΟΣΙΑΚΩΝ ΒΙΒΛΙΟΝ ΕΚΤΟΝ

Τιμόθεον τὸν Κόνωνος, ὦ Σόσσιε Σενεκίων, ὡς ἐκ τῶν πολυτελῶν καὶ στρατηγικῶν δείπνων ἀναλαβὼν [b] ὁ Πλάτων ἐδείπνισεν ἐν Ἀκαδημίᾳ μουσικῶς καὶ ἀφελῶς 'ταῖς ἀφλεγμάντοις' ὥς φησιν ὁ Ἴων (PLG II p. 257) 'τραπέζαις', αἷς ὕπνοι τε καθαροὶ καὶ βραχυόνειροι φαντασίαι, τοῦ σώματος εὐδίαν καὶ γαλήνην ἔχοντος, ἕπονται, μεθ' ἡμέραν [οὖν] ὁ Τιμόθεος αἰσθόμενος τῆς διαφορᾶς ἔφη τοὺς παρὰ Πλάτωνι δειπνήσαντας καὶ τῇ ὑστεραίᾳ καλῶς γίνεσθαι. μέγα γὰρ ὡς ἀληθῶς εὐημερίας ἐφόδιον εὐκρασία σώματος ἀβαπτίστου καὶ ἐλαφροῦ καὶ παρεστῶτος ἀνυπόπτως ἐπὶ πᾶσαν ἐνέργειαν. ἀλλ' ἕτερον οὐκ ἔλαττον ὑπῆρχε τοῦτο τοῖς παρὰ Πλάτωνι δειπνήσασιν, ἡ τῶν [c] λαληθέντων παρὰ πότον ἀναθεώρησις· αἱ μὲν γὰρ τῶν ποθέντων ‹ἢ βρωθέντων› ἡδοναὶ τὴν ἀνάμνησιν ἀνελεύθερον ἔχουσιν καὶ ἄλλως ἐξίτηλον, ὥσπερ ὀσμὴν ἕωλον ἢ κνῖσαν ἐναπολειπομένην, προβλημάτων δὲ καὶ λόγων φιλοσόφων ὑποθέσεις αὐτούς ‹τε› τοὺς μεμνημένους εὐφραίνουσιν, ἀεὶ πρόσφατοι παροῦσαι, καὶ τοὺς ἀπολειφθέντας οὐχ ἧττον ἑστιᾶν παρέχουσι τοῖς αὐτοῖς, ἀκούοντας καὶ μεταλαμβάνοντας· ὅπου καὶ νῦν τῶν Σωκρατικῶν συμποσίων μετουσία καὶ ἀπόλαυσίς ἐστι τοῖς φιλολόγοις, ὥσπερ αὐτοῖς ἐκείνοις τοῖς τότε δειπνοῦσι.

[d] καίτοι, εἰ τὰ σωματικὰ τὰς ἡδονὰς παρεῖχεν, ἔδει καὶ Ξενοφῶντα καὶ Πλάτωνα μὴ τῶν λαληθέντων ἀλλὰ τῶν παρατεθέντων ἐν Καλλίου καὶ Ἀγάθωνος ὄψων καὶ πεμμάτων καὶ τραγημάτων ἀπογραφὴν ἀπολιπεῖν· νῦν

Τίς ἡ αἰτία, δι’ ἣν οἱ νηστεύοντες διψῶσι μᾶλλον ἢ πεινῶσιν

Ἕκτον οὖν τοῦτό σοι πέμπω τῶν Συμποσιακῶν, ἐν ᾧ πρῶτόν ἐστι τὸ περὶ τοῦ διψῆν μᾶλλον ἢ πεινῆν τοὺς νηστεύοντας.

Ἄλογον γὰρ ἐφαίνετο διψῆν μᾶλλον ἢ πεινῆν τοὺς ἐκνηστεύσαντας· ἡ γὰρ ἔνδεια τῆς ξηρᾶς τροφῆς ἀναπλήρωσιν οἰκείαν ἐδόκει ‹καὶ› κατὰ φύσιν ἐπιζητεῖν. ἔλεγον οὖν ἐγὼ τοῖς παροῦσιν, ὅτι τῶν ἐν ἡμῖν ἢ μόνον ἢ μάλιστα δεῖται τροφῆς τὸ θερμόν· ὥσπερ ἀμέλει βλέπομεν ἔξω [f] μήτ’ ἀέρα μήθ’ ὕδωρ μήτε γῆν ἐφιέμενα τοῦ τρέφεσθαι μηδ’ ἀναλίσκοντα τὸ πλησιάζον, ἀλλὰ μόνον τὸ πῦρ. ᾗ καὶ τὰ νέα βρωτικώτερα τῶν πρεσβυτέρων ὑπὸ θερμότητος· καὶ τοὐναντίον οἱ γέροντες ῥᾷστα νηστείαν φέρουσιν, ἀμβλὺ γὰρ ἐν αὐτοῖς καὶ μικρὸν ἤδη τὸ θερμόν ἐστιν. ὥσπερ ἐν τοῖς ἀναίμοις τῶν ζῴων, ἃ δὴ καὶ τροφῆς [687] [a] ἥκιστα προσδεῖται δι’ ἔνδειαν θερμότητος· αὐτόν θ’ ἕκαστον αὑτοῦ γυμνάσια καὶ κραυγαὶ καὶ ὅσα τῷ κινεῖν αὔξει τὸ θερμὸν ἥδιον φαγεῖν ποιεῖ καὶ προθυμότερον. τροφὴ δὲ τῷ θερμῷ, καθάπερ νομίζω, ὃ πρῶτον κατὰ φύσιν μάλιστα, τὸ ὑγρόν ἐστιν, ὡς αἵ τε φλόγες αὐξανόμεναι τῷ ἐλαίῳ δηλοῦσιν καὶ τὸ πάντων ξηρότατον εἶναι τέφραν· ἐκκέκαυται γὰρ τὸ νοτερόν, τὸ δὲ γεῶδες ἔρημον ἰκμάδος λέλειπται· καὶ ὁμοίως διίστησι καὶ διαιρεῖ τὰ σώματα τὸ πῦρ τῷ ἐξαιρεῖν τὴν κολλῶσαν ὑγρότητα καὶ συνδέουσαν. ὅταν οὖν νηστεύσωμεν, ἐκ τῶν ὑπολειμμάτων τῆς ἐν τῷ σώματι τροφῆς ἀποσπᾶται βίᾳ τὸ ὑγρὸν ὑπὸ [b] τοῦ θερμοῦ τὸ πρῶτον, εἶτ’ ἐπ’ αὐτὴν βαδίζει τὴν σύμφυτον λιβάδα τῆς σαρκὸς ἡ πύρωσις διώκουσα τὸ νοτερόν· γενομένης οὖν ὥσπερ ἐν πηλῷ ξηρότητος, ποτοῦ μᾶλλον τὸ σῶμα δεῖσθαι πέφυκεν, ἄχρι οὗ πιόντων ἀναρρωσθὲν καὶ ἰσχῦσαν τὸ θερμὸν ἐμβριθοῦς τροφῆς ὄρεξιν ἐργάσηται.

ΠΡΟΒΛΗΜΑ Β

Πότερον ἔνδεια ποιεῖ τὸ πεινῆν καὶ διψῆν ἢ πόρων - μετασχηματισμός

Λεχθέντων δὲ τούτων οἱ περὶ Φίλων' ἰατροὶ τὴν πρώτην θέσιν ἐκίνουν· ἐνδείᾳ γὰρ οὐ γίνεσθαι τὸ δίψος, [c] ἀλλὰ πόρων τινῶν μετασχηματισμῷ. τοῦτο μὲν γὰρ οἱ νύκτωρ διψῶντες, ἂν ἐπικαταδάρθωσι, παύονται τοῦ διψῆν μὴ πιόντες· τοῦτο δ' οἱ πυρέττοντες, ἐνδόσεως γενομένης ἢ παντάπασι τοῦ πυρετοῦ λωφήσαντος, ἅμα καὶ τοῦ διψῆν ἀπαλλάττονται· πολλοῖς δὲ λουσαμένοις καὶ νὴ Δί' ἐμέσασιν ἑτέροις λήγει τὸ δίψος. ὧν ὑπ' οὐδενὸς αὔξεται τὸ ὑγρόν, ἀλλὰ μόνον οἱ πόροι παρ‹έχουσι, π›άσχοντές τι τῷ μετασχηματίζεσθαι, τάξιν ἑτέραν καὶ διάθεσιν. ἐκδηλότερον δὲ τοῦτο γίνεται περὶ τὴν πεῖναν. ἐνδεεῖς γὰρ ἅμα πολλοὶ γίνονται καὶ ἀνόρεκτοι τῶν νοσούντων· ἐνίοις δ' ἐμπιπλαμένοις οὐδὲ ἓν αἱ ὀρέξεις [d] χαλῶσιν, ἀλλὰ καὶ κατατείνουσι καὶ παραμένουσιν. ἤδη δὲ πολλοὶ τῶν ἀποσίτων, ἐλαίαν ἁλμάδα λαμβάνοντες ἢ κάππαριν, γευσάμενοι ταχέως ἀνέλαβον καὶ παρεστήσαντο τὴν ὄρεξιν. ᾧ καὶ μάλιστα δῆλόν ἐστιν, ὅτι πάθει τινὶ πόρων οὐχ ὑπ' ἐνδείας ἐγγίνεται τὸ πεινῆν ἡμῖν· τὰ γὰρ τοιαῦτα βρώματα τὴν μὲν ἔνδειαν ἐλαττοῖ προστιθεμένης τροφῆς, ποιοῦσιν, οὕτως αἱ τῶν ἐφάλμων βρωμάτων εὐστομίαι καὶ δριμύτητες ἐπιστρέφουσαι καὶ πυκνοῦσαι τὸν στόμαχον ἢ πάλιν ἀνοίγουσαι καὶ χαλῶσαι δεκτικήν τινα τροφῆς εὐαρμοστίαν περιειργάσαντο περὶ αὐτόν, ἣν ὄρεξιν καλοῦμεν.

Ἐδόκει δή μοι ταῦτα πιθανῶς μὲν ἐγκεχειρῆσθαι, πρὸς δὲ τὸ μέγιστον ἐναντιοῦσθαι τῆς φύσεως τέλος, ἐφ' [e] ὃ πᾶν ἄγει ζῷον ὄρεξις, ἀναπλήρωσιν τοῦ ἐνδεοῦς ποθοῦσα καὶ τὸ ἐκλεῖπον ἀεὶ τοῦ οἰκείου διώκουσα· 'τὸ γὰρ ᾧ διαφέρει μάλιστα τὸ ζῷον τοῦ ἀψύχου, τοῦτο μὴ φάναι πρὸς σωτηρίαν καὶ διαμονὴν ὑπάρχειν ἡμῖν, ὥσπερ ὄμμα, τῶν οἰκείων τῷ σώματι καὶ δεητῶν ἐγγεγενημένον, ἀλλὰ πάθος εἶναι καὶ τροπήν τινα πόρων οἴεσθαι μεγέθεσι καὶ μικρότησι συμβαίνουσαν εἰς οὐδέν' ἧν λόγον ἁπλῶς τιθεμένων τὴν φύσιν. ἔπειτα ῥιγοῦν ‹μὲν› ἐνδείᾳ θερμότητος οἰκείας τὸ σῶμα, μηκέτι ‹δὲ› διψῆν μηδὲ πεινῆν ὑγρότητος ἐνδείᾳ τῆς κατὰ φύσιν καὶ τροφῆς, ἄλογόν ἐστι [f] τούτου δ' ἀλογώτερον, εἰ κενώσεως μὲν ἐφίεται διὰ πλήρωσιν ἡ φύσις, πληρώσεως δ' οὐ διὰ κένωσιν, ἀλλ' ἑτέρου τινὸς πάθους ἐγγενομένου. καὶ μὴν αἵ γε τοιαῦται περὶ τὰ ζῷα χρεῖαι καὶ ἀναπληρώσεις οὐθέν τι τῶν περὶ τὰς γεωργίας γινομένων διαφέρουσιν· πολλὰ γὰρ ὅμοια πάσχει καὶ βοηθεῖται· πρὸς μὲν γὰρ τὰς ξηρότητας [688] [a] ἀρδείαις ποτίζομεν, καὶ ψύχομεν μετρίως ὅταν φλέγηται, ῥιγοῦντα δ' αὐτὰ θάλπειν πειρώμεθα καὶ σκέπειν πόλλ' ἄττα περιβάλλοντες· καὶ ὅσα μὴ παρ' ἡμᾶς ἐστιν, εὐχόμεθα τὸν θεὸν διδόναι, δρόσους μαλακὰς καὶ εἱλήσεις ἐν πνεύμασι μετρίοις, ὡς ἀεὶ τοῦ ἀπολείποντος ἀναπλήρωσιν ἡ φύσις ἔχοι, διατηροῦσα τὴν κρᾶσιν. οὕτω γὰρ οἶμαι καὶ τροφὴν ὠνομάσθαι τὸ τηροῦν τὴν φύσιν·

‘Οὐ μὴν ἀλλὰ καὶ τῶν εἰρημένων ἕκαστον ἴδωμεν ὡς [b] οὐκ ἀληθές ἐστι. τὰ μὲν γὰρ εὐστομίαν ἔχοντα καὶ δριμύτητα τάχα μὲν οὐκ ὄρεξιν, ἀλλὰ δηγμὸν ἐμποιεῖ τοῖς δεκτικοῖς μέρεσι τῆς τροφῆς, οἷον κνησμοὶ κατὰ θίξιν ἐνίων ἀμυσσόντων· εἰ δὲ καὶ τοῦτο τὸ πάθος ὀρεκτικόν ἐστιν, εἰκός ἐστιν ὑπὸ τῶν τοιούτων βρωμάτων λεπτυνόμενα διακρίνεσθαι τὰ προϋπόντα, καὶ ποιεῖν μὲν ἔνδειαν, οὐ μεταρρυθμιζομένων ‹δὲ› τῶν πόρων ἀλλὰ κενουμένων καὶ καθαιρομένων· τὰ γὰρ ὀξέα καὶ δριμέα καὶ ἁλμυρὰ θρύπτοντα τὴν ὕλην διαφορεῖ καὶ σκίδνησιν, ὥστε νεαρὰν ποιεῖν τὴν ὄρεξιν ἐκθλιβομένων τῶν ἑώλων καὶ χθιζῶν. τῶν δὲ λουομένων οὐ μετασχηματιζόμενοι παύουσιν οἱ [c] πόροι τὸ δίψος, ἀλλ’ ἰκμάδα ‹διὰ› τῆς σαρκὸς ἀναλαμβάνοντες καὶ ἀναπιμπλάμενοι νοτερᾶς ἀτμίδος. οἱ δ’ ἔμετοι τὸ ἀλλότριον ἐκβάλλοντες ἀπόλαυσιν τῇ φύσει τοῦ οἰκείου παρέσχον. οὐ γὰρ ἁπλῶς τοῦ ὑγροῦ τὸ δίψος, ἀλλὰ τοῦ κατὰ φύσιν καὶ οἰκείου· διό, κἂν πολὺ παρῇ τὸ ἀλλόφυλον, ἐνδεὴς ὁ ἄνθρωπός ἐστιν· ἐνίσταται γὰρ τοῖς κατὰ φύσιν ὑγροῖς, ὧν ἡ ὄρεξίς ἐστι, καὶ οὐ δίδωσιν ἀνάμιξιν οὐδὲ κατάκρασιν, ἄχρι ἂν ἐκστῇ καὶ ἀποχωρήσῃ· τότε δ’ οἱ πόροι τὸ σύμφυλον ἀναλαμβάνουσιν. οἱ δὲ πυρετοὶ τὸ ὑγρὸν εἰς βάθος ἀπωθοῦσιν, καὶ τῶν μέσων φλεγομένων ἐκεῖ πᾶν ἀποκεχώρηκεν καὶ κρατεῖται πεπιεσμένον· [d] ὅθεν ἐμεῖν τε πολλοὺς ἅμα συμβαίνει, πυκνότητι τῶν ἐντὸς ἀναθλιβόντων τὰ ὑγρά, καὶ διψῆν δι’ ἔνδειαν καὶ ξηρότητα τοῦ λοιποῦ σώματος. ὅταν οὖν ἄνεσις γένηται καὶ τὸ θερμὸν ἐκ τῶν μέσων ἀπίῃ, σκιδνάμενον αὖθις ὑπονοστεῖ καὶ διιόν, ὡς πέφυκε, πάντῃ τὸ νοτερὸν ἅμα τοῖς τε μέσοις ῥαστώνην παρέσχεν καὶ τὴν σάρκα λείαν καὶ ἁπαλὴν ἀντὶ τραχείας καὶ αὐχμώδους γενομένην ἐμάλαξεν, πολλάκις δὲ καὶ ἱδρῶτας ἐπήγαγεν· ὅθεν ἡ ποιοῦσα διψῆν ἔνδεια λήγει καὶ παύεται, τῆς ὑγρότητος ἀπὸ τοῦ βαρυνομένου καὶ †δυσαναβλαστοῦντος [e] ἐπὶ τὸν δεόμενον καὶ ποθοῦντα μεθισταμένης τόπον. ὡς γὰρ ἐν κήπῳ, φρέατος ἄφθονον ὕδωρ ἔχοντος, εἰ μή τις ἐπαντλοῖ καὶ ἄρδοι τὰ φυτά, διψῆν καὶ ἀτροφεῖν ἀναγκαῖόν ἐστιν, οὕτως ἐν σώματι, τῶν ὑγρῶν εἰς ἕνα κατασπωμένων τόπον, οὐ θαυμαστὸν ἔνδειαν εἶναι περὶ τὰ λοιπὰ καὶ ξηρότητα, μέχρι οὗ πάλιν ἐπιρροὴ καὶ διάχυσις γένηται· καθάπερ καὶ ἐπὶ τῶν πυρεττόντων, ὅταν ἀνεθῶσι, συμβαίνει καὶ τῶν ἐγκαταδαρθανόντων τῷ διψῆν· καὶ γὰρ τούτοις ὁ ὕπνος ἐκ μέσων ἐπανάγων τὰ ὑγρὰ καὶ διανέμων πάντῃ τοῖς μέρεσιν ὁμαλισμὸν ἐμποιεῖ καὶ ἀναπλήρωσιν. ὁ γὰρ δὴ λεγόμενος τῶν πόρων μετασχηματισμὸς [f] οὗτος, ᾧ τὸ πεινῆν ἢ τὸ διψῆν ἐγγίνεται,

ΠΡΟΒΛΗΜΑ Γ

Διὰ τί πεινῶντες μέν, ἐὰν πίωσι, παύονται, διψῶντες δ', ἐὰν φάγωσιν, ἐπιτείνονται

Ῥηθέντων δὲ τούτων ὁ ἑστιῶν ἡμᾶς καὶ ταῦτ' ἔφη μετρίως λέγεσθαι καὶ πρὸς ἄλλην ἀπορίαν τὰς τῶν πόρων [b] κενώσεις καὶ ἀναπληρώσεις ἐν τῷ παραυτίκα, τοῖς δὲ διψῶσι τοὐναντίον, ἐὰν ἐμφάγωσιν, ἐπιτείνειν συμβαίνει τὸ δίψος. 'τοῦτο δὲ τὸ πάθος οἱ τοὺς πόρους ὑποτιθέμενοι ῥᾷστα καὶ πιθανώτατά μοι δοκοῦσιν, εἰ καὶ μὴ πολλὰ μόνον πιθανῶς, αἰτιολογεῖν. πᾶσι γὰρ ὄντων πόρων, ἄλλας πρὸς ἄλλα συμμετρίας ἐχόντων, οἱ μὲν εὐρύτεροι τὴν ξηρὰν ἅμα καὶ τὴν ὑγρὰν τροφὴν ἀναλαμβάνουσιν, οἱ δ' ἰσχνότεροι τὸ μὲν ποτὸν παραδέχονται, ‹τὸ δὲ σιτίον οὐ παραδέχονται›. ποιεῖ δὲ τὴν μὲν δίψαν ἡ τούτων κένωσις, ἡ δ' ἐκείνων τὴν πεῖναν. ὅθεν, ἐὰν μὲν φάγωσιν οἱ διψῶντες, οἱ [c] μὲν οὐ βοηθοῦνται, τῶν πόρων διὰ λεπτότητα τὴν ξηρὰν τροφὴν μὴ δεχομένων ἀλλ' ἐπιδεῶν τοῦ οἰκείου διαμενόντων· οἱ δὲ πεινῶντες ἐὰν πίνωσιν, ἐνδυόμενα τὰ ὑγρὰ τοῖς μείζοσι πόροις καὶ ἀναπληροῦντα τὰς κενότητας αὐτῶν ἀνίησι τὸ σφοδρὸν ἄγαν τῆς πείνης.'

Ἐμοὶ δὲ τὸ μὲν συμβαῖνον ἀληθὲς ἐφαίνετο, τῇ δ' ὑποθέσει τῆς αἰτίας οὐ προσεῖχον. 'καὶ γὰρ εἰ τοῖς πόροις τούτοις' ἔφην, 'ὧν ἔνιοι περιέχονται καὶ ἀγαπῶσι, κατατρήσειέ τις τὴν σάρκα, πλαδαρὰν καὶ τρομώδη καὶ σαθρὰν ‹ἂν› ποιήσειε· τό τε μὴ ταὐτὰ τοῦ σώματος μόρια τὸ ποτὸν προσδέχεσθαι καὶ τὸ σιτίον ἀλλ' ὥσπερ ἠθμοῖς καταρρεῖσθαι καὶ ἀποκρίνεσθαι κομιδῇ πλασματῶδες [d] καὶ ἀλλόκοτον. αὕτη γὰρ ἡ πρὸς τὸ ὑγρὸν ἀνάμιξις, θρύπτουσα τὰ σιτία καὶ συνεργὰ λαμβάνουσα τὸ θερμὸν τὸ ἐντὸς καὶ τὸ πνεῦμα, πάντων ὀργάνων ἀκριβέστατα πάσαις τομαῖς καὶ διαιρέσεσι λεπτύνει τὴν τροφήν, ὥστε πᾶν μόριον αὐτῆς παντὶ μορίῳ γίνεσθαι φίλον καὶ οἰκεῖον, οὐκ ἐναρμόττον ὥσπερ ἀγγείοις καὶ τρήμασιν ἀλλ' ἑνούμενον καὶ προσφυόμενον. ἄνευ δὲ τούτων οὐδὲ λέλυται τῆς ἀπορίας τὸ μέγιστον· οἱ γὰρ ἐμφαγόντες, ἂν μὴ πίωσιν, οὐ μόνον οὐ λύουσιν ἀλλὰ καὶ προσεπιτείνουσι τὸ δίψος· πρὸς τοῦτο δ' οὐδὲν εἴρηται. σκόπει δὲ καὶ τὰ [e] παρ' ἡμῶν' ἔφην, 'εἰ

ΠΡΟΒΛΗΜΑ Δ

Διὰ τίν' αἰτίαν τὸ φρεατιαῖον ὕδωρ ἀρυσθέν, ἐὰν ἐν αὐτῷ τῷ τοῦ φρέατος ἀέρι νυκτερεύσῃ, ψυχρότερον γίνεται

Ψυχροπότῃ ξένῳ τρυφῶντι παρεσκεύασαν οἱ θεράποντες τοῦ ἐκ φρέατος ὕδωρ ψυχρότερον· ἀρυσάμενοι γὰρ ἀγγείῳ καὶ κρεμάσαντες τὸ ἀγγεῖον ἐν τῷ φρέατι τῆς [c] πηγῆς μὴ ἁπτόμενον εἴασαν ἐπινυκτερεῦσαι, καὶ πρὸς τὸ δεῖπνον ἐκομίζετο τοῦ προσφάτου ψυχρότερον. ἦν δ' ὁ ξένος φιλόλογος ἐπιεικῶς, καὶ τοῦτ' ἔφη λαβεῖν ἐκ τῶν Ἀριστοτέλους (fr. 216) μετὰ λόγου κείμενον· εἶναι δὲ τοιόνδε τὸν λόγον. πᾶν ὕδωρ προθερμανθὲν ψύχεται μᾶλλον, ὥσπερ τὸ τοῖς βασιλεῦσι παρασκευαζόμενον· ὅταν γὰρ ἑψηθῇ μέχρι ζέσεως, περισωρεύουσι τῷ ἀγγείῳ χιόνα πολλὴν καὶ γίνεται ψυχρότερον· ὥσπερ ἀμέλει καὶ τὰ ἡμέτερα σώματα λουσαμένων περιψύχεται μᾶλλον· ἡ γὰρ ὑπὸ τῆς θερμότητος ἄνεσις πολύπορον τὸ σῶμα [d] καὶ μανὸν ἀπειργασμένη πολὺν δέχεται τὸν ἔξωθεν ἀέρα καὶ βιαιοτέραν ποιεῖ τὴν

μεταβολήν· ὅταν οὖν ἀποσπασθῇ [ὑπὸ] τῆς πηγῆς τὸ ὕδωρ, ἐν τῷ ἀέρι, προθερμανθέν, περιψύχεται ταχέως.

Τὸν μὲν οὖν ξένον ἐπῃνέσαμεν ὡς ἀνδρικῶς καταμνημονεύσαντα· περὶ δὲ τοῦ λόγου διηποροῦμεν. ὁ γὰρ ἀήρ, ἐν ᾧ κρέμαται τὸ ἀγγεῖον, εἰ μὲν ψυχρός ἐστι, πῶς θερμαίνει τὸ ὕδωρ; εἰ δὲ θερμός, πῶς περιψύχει πάλιν; ἄλογον γὰρ ὑπὸ τοῦ αὐτοῦ τὸ αὐτὸ πάσχειν τὰ ἐναντία, μηδεμιᾶς διαφορᾶς γενομένης. σιωπῶντος δ᾽ αὐτοῦ καὶ διαποροῦντος, οὐδὲν ἔφην δεῖν περὶ τοῦ ἀέρος διαπορεῖν· ἡ γὰρ αἴσθησις λέγει ὅτι ψυχρός ἐστι, καὶ μάλιστά γ᾽ ὁ [e] ἐν βάθει φρεάτων· ὥστ᾽ ἀμήχανον ὑπ᾽ ἀέρος ψυχροῦ θερμαίνεσθαι τὸ ὕδωρ· ἀλλὰ μᾶλλον ὁ ψυχρὸς οὗτος ἀὴρ τὴν μὲν πηγὴν διὰ πλῆθος οὐ δύναται μεταβάλλειν, ἂν δέ τις ἀφαιρῇ κατ᾽ ὀλίγον, μᾶλλον κρατῶν περιψύξει.

ΠΡΟΒΛΗΜΑ Ε

Διὰ τίν᾽ αἰτίαν οἱ χάλικες καὶ αἱ μολιβδίδες ἐμβαλλόμεναι ψυχρότερον τὸ ὕδωρ ποιοῦσιν

[f] ‘Ἀλλὰ μὴν περὶ τῶν χαλίκων’ ἔφην ‘ἢ τῶν ἀκμόνων, οὓς ἐμβάλλοντες εἰς τὸ ὕδωρ ψύχειν αὐτὸ καὶ στομοῦν δοκοῦσιν, εἰρημένον Ἀριστοτέλει (fr. 213) μνημονεύεις;’ ‘αὐτὸ τοῦτ᾽’ ἔφη ‘μόνον ἐν προβλήμασιν εἴρηκε τὸ γινόμενον· εἰς δὲ τὴν αἰτίαν ἐπιχειρήσομεν ἡμεῖς· ἔστι γὰρ μάλιστα δυσθεώρητος.’ ‘πάνυ μὲν οὖν’ ἔφην, ‘καὶ θαυμάσαιμ᾽ ἄν, εἰ μὴ διαφύγοι ὁ λόγος ἡμᾶς· ὅρα δ᾽ ὅμως. πρῶτον οὐ δοκεῖ σοι περιψύχεσθαι μὲν ὑπὸ τοῦ ἀέρος [691] [a] τὸ ὕδωρ ἔξωθεν ἐμπίπτοντος, ὁ δ᾽ ἀὴρ μᾶλλον ἰσχύειν πρὸς τοὺς λίθους καὶ τοὺς ἄκμονας ἀπερειδόμενος; οὐ γὰρ ἐῶσιν αὐτόν, ὥσπερ τὰ χαλκᾶ καὶ τὰ κεραμεᾶ τῶν ἀγγείων, διεκπίπτειν, ἀλλὰ τῇ πυκνότητι στέγοντες ἀνακλῶσιν εἰς τὸ ὕδωρ ἀπ᾽ αὐτῶν, ὥστε δι᾽ ὅλου καὶ ἰσχυρὰν γίνεσθαι τὴν περίψυξιν. διὸ καὶ χειμῶνος οἱ ποταμοὶ ψυχρότεροι γίνονται τῆς θαλάττης· ἰσχύει γὰρ ἐν αὐτοῖς ὁ ψυχρὸς ἀὴρ ἀνακλώμενος, ἐν δὲ τῇ θαλάττῃ διὰ βάθος ἐκλύεται πρὸς μηθὲν ἀντερείδων. κατ᾽ ἄλλον δὲ τρόπον εἰκός ἐστι τὰ λεπτότερα τῶν ὑδάτων περιψύχεσθαι μᾶλλον [ἢ] ὑπὸ τοῦ ψυχροῦ· κρατεῖται γὰρ δι᾽ ἀσθένειαν.

[b] αἱ δ᾽ ἀκόναι καὶ οἱ χάλικες λεπτύνουσι τὸ ὕδωρ, ὅ τι θολερὸν καὶ γεῶδες ἀναμέμικται, τοῦτο συνάγοντες καὶ κατασπῶντες ἀπ᾽ αὐτοῦ, ὥστε λεπτότερον καὶ ἀσθενέστερον τὸ ὕδωρ γενόμενον μᾶλλον ὑπὸ περιψύξεως κρατεῖσθαι. καὶ μὴν ὅ τε μόλιβδος τῶν φύσει ψυχρῶν ἐστιν, ὅς γε τριβόμενος ὄξει τὸ ψυκτικώτατον τῶν θανασίμων φαρμάκων ἐξανίησι ψιμύθιον· οἵ τε χάλικες πυκνότητι τὸ ψυχρὸν διὰ βάθους ποιοῦσιν· πᾶς μὲν γὰρ λίθος κατεψυγμένης καὶ πεπιλημένης ὑπὸ κρύους γῆς πάγος ἐστίν, μᾶλλον δ᾽ ὁ

μᾶλλον πεπυκνωμένος· ὥστ' οὐκ ἄτοπον, εἰ τὴν ψυχρότητα τοῦ ὕδατος ἀντερείδων συνεπιτείνει καὶ [c] ὁ λίθος καὶ ὁ μόλιβδος.'

Διὰ τίν' αἰτίαν ἀχύροις καὶ ἱματίοις τὴν χιόνα διαφυλάττουσι

Μικρὸν οὖν ὁ ξένος διαλιπών 'οἱ ἐρῶντες' ἔφη 'μάλιστα μὲν αὐτοῖς τοῖς παιδικοῖς, εἰ δὲ μή, περὶ αὐτῶν ἐπιθυμοῦσι διαλέγεσθαι· τοῦτο πέπονθα περὶ τῆς χιόνος. ἐπεὶ γὰρ οὐ πάρεστιν οὐδ' ἔχομεν, ἐπιθυμῶ μαθεῖν, τίς αἰτία δι' ἣν ὑπὸ τῶν θερμοτάτων φυλάσσεται. καὶ γὰρ ἀχύροις σπαργανοῦντες αὐτὴν καὶ περιστέλλοντες ἱματίοις [d] ἀγνάπτοις ἐπὶ πολὺν χρόνον ἄπταιστον διατηροῦσιν. θαυμαστὸν οὖν, εἰ συνεκτικὰ τὰ θερμότατα τῶν ψυχροτάτων ἐστί.'

'Κομιδῇ γ'' ἔφην, 'εἴπερ ἀληθές ἐστιν· οὐκ ἔχει δ' οὕτως, ἀλλ' αὑτοὺς παραλογιζόμεθα, θερμὸν εὐθὺς εἶναι τὸ θερμαῖνον ὑπολαμβάνοντες· καὶ ταῦθ' ὁρῶντες ὅτι ταὐτὸν ἱμάτιον ἐν χειμῶνι θερμαίνειν ἐν δ' ἡλίῳ ψύχειν γέγονεν· ὥσπερ ἡ τραγικὴ τροφὸς ἐκείνη τὰ τῆς Νιόβης τέκνα τιθηνεῖται (Trag. adesp. 7)

'λεπτοσπαθήτων χλανιδίων ἐρειπίοις

θάλπουσα καὶ ψύχουσα.'

Γερμανοὶ μὲν οὖν κρύους πρόβλημα ποιοῦνται τὴν ἐσθῆτα μόνον, Αἰθίοπες δὲ θάλπους μόνον, ἡμεῖς δ' ἀμφοῖν.

[e] ὥστε τί μᾶλλον, εἰ θάλπει, θερμὴν ἢ ψυχρὰν ἀπὸ τοῦ περιψύχειν λεκτέον; εἰ δὲ δεῖ τῇ αἰσθήσει τεκμαίρεσθαι, μᾶλλον ἂν ψυχρὰ γένοιτο· καὶ γὰρ ὁ χιτὼν ψυχρὸς ἡμῖν προσπίπτει τὸ πρῶτον ἐνδυσαμένοις καὶ τὰ στρώματα κατακλινεῖσιν· εἶτα μέντοι συναλεαίνει τῆς ἀφ' ἡμῶν πιπλάμενα θερμασίας καὶ ἅμα μὲν περιστέλλοντα καὶ κατέχοντα τὸ θερμὸν ἅμα δ' ἀπείργοντα τὸ κρύος καὶ τὸν ἔξω‹θεν› ἀέρα τοῦ σώματος. οἱ μὲν οὖν πυρέττοντες ἢ καυματιζόμενοι συνεχῶς ἀλλάττουσι τὰ ἱμάτια τῷ ψυχρὸν εἶναι τὸ ἐπιβαλλόμενον, ἂν δ' ἐπιβληθῇ, [f] παραχρῆμα γίνεσθαι θερμὸν ὑπὸ τοῦ σώματος. ὥσπερ οὖν ἡμᾶς θερμαινόμενον θερμαίνει τὸ ἱμάτιον, οὕτως τὴν χιόνα ψυχόμενον ἀντιπεριψύχει· ψύχεται δ' ὑπ' αὐτῆς ἀφιείσης πνεῦμα λεπτόν· τοῦτο γὰρ συνέχει τὴν πῆξιν αὐτῆς ἐγκατακεκλεισμένον· ἀπελθόντος δὲ τοῦ πνεύματος, ὕδωρ οὖσα ῥεῖ καὶ διατήκεται, καὶ ἀπανθεῖ τὸ λευκὸν ὅπερ ἡ τοῦ πνεύματος πρὸς τὸ ὑγρὸν ἀνάμιξις ἀφρώδης γενομένη παρεῖχεν· ἅμα τ' οὖν τὸ ψυχρὸν ἐγκατέχεται περιστεγόμενον τῷ ἱματίῳ, καὶ ὁ ἔξωθεν ἀὴρ ἀπειργόμενος [692] [a] οὐ τέμνει τὸν πάγον οὐδ' ἀνίησιν. ἀγνάπτοις δὲ τούτοις πρὸς τοῦτο διὰ τὴν τραχύτητα καὶ ξηρότητα τῆς κροκύδος οὐκ ἐώσης ἐπιπεσεῖν βαρὺ τὸ ἱμάτιον οὐδὲ συνθλῖψαι τὴν χαυνότητα τῆς χιόνος· ὥσπερ

καὶ τὸ ἄχυρον διὰ κουφότητα μαλακῶς περιπῖπτον οὐ θρύπτει τὸν πάγον, ἄλλως δὲ πυκνόν ἐστι καὶ στεγανόν, ὥστε καὶ ‹τὴν› θερμότητα τοῦ ἀέρος ἀπείργειν καὶ τὴν ψυχρότητα κωλύειν ἀπιέναι τῆς χιόνος. ὅτι δ' ἡ τοῦ πνεύματος διάκρισις ἐμποιεῖ τὴν τῆξιν, ἐμφανές ἐστι τῇ αἰσθήσει· τηκομένη γὰρ ἡ χιὼν πνεῦμα ποιεῖ.'

Εἰ δεῖ τὸν οἶνον ἐνδιηθεῖν

Νίγρος ὁ πολίτης ἡμῶν ἀπὸ σχολῆς ἀφῖκτο συγγεγονὼς ἐνδόξῳ φιλοσόφῳ χρόνον οὐ πολύν, ἀλλ' ἐν ὅσῳ τὰ τοῦ ἀνδρὸς οὐ καταλαμβάνοντες ἀνεπίμπλαντο τῶν ἐπαχθῶν ἀπ' αὐτοῦ μιμούμενοι τὸ ἐπιτιμητικὸν καὶ ἐλέγχοντες ἐπὶ παντὶ πράγματι τοὺς συνόντας. ἑστιῶντος οὖν ἡμᾶς Ἀριστίωνος, τήν τ' ἄλλην χορηγίαν ὡς πολυτελῆ καὶ περίεργον ἐμέμφετο καὶ τὸν οἶνον οὐκ ἔφη δεῖν ἐγχεῖσθαι ‹δι›ηθημένον, ἀλλ', ὥσπερ Ἡσίοδος ἐκέλευσεν, ἀπὸ τοῦ πίθου πίνεσθαι τὴν σύμφυτον ἔχοντα ῥώμην καὶ δύναμιν.

[c] 'ἡ δὲ τοιαύτη κάθαρσις αὐτοῦ πρῶτον μὲν ἐκτέμνει τὰ νεῦρα καὶ τὴν θερμότητα κατασβέννυσιν· ἐξανθεῖ γὰρ καὶ ἀποπνεῖ διερωμένου πολλάκις. ἔπειτα περιεργίαν καὶ καλλωπισμὸν ἐμφαίνει καὶ τρυφὴν εἰς τὸ ἡδὺ καταναλίσκουσα τὸ χρήσιμον. ὥσπερ γὰρ τὸ τοὺς ἀλεκτρυόνας ἐκτέμνειν καὶ τοὺς χοίρους, ἁπαλὴν αὐτῶν παρὰ φύσιν τὴν σάρκα ποιοῦντας καὶ θήλειαν, οὐχ ὑγιαινόντων ἐστὶν ἀνθρώπων ἀλλὰ διεφθαρμένων ὑπὸ λιχνείας, οὕτως, εἰ δεῖ μεταφορᾷ χρησάμενον λέγειν, ἐξευνουχίζουσι τὸν ἄκρατον καὶ ἀποθηλύνουσιν οἱ διηθοῦντες, οὔτ' ἄφθονον ὑπ' [d] ἀσθενείας οὔτε πίνειν [τὸν] μέτριον δυνάμενοι διὰ τὴν ἀκρασίαν· ἀλλὰ σόφισμα τοῦτ' ἐστὶν αὐτοῖς καὶ μηχάνημα πολυποσίας· ἐξαιροῦσι δὲ τοῦ οἴνου τὸ ἐμβριθές, τὸ λεῖον ἀπολιπόντες, ὥσπερ οἱ τοῖς ἀκρατῶς ἔχουσι πρὸς ψυχροποσίαν ἀρρώστοις ἀφεψημένον διδόντες· ὅ τι γὰρ στόμωμα τοῦ οἴνου καὶ κράτος ἐστίν, τοῦτ' ἐν τῷ διυλίζειν ἐξαιροῦσι καὶ ἀποκρίνουσι. μέγα ‹δὲ› τεκμήριον νὴ Δία φθορᾶς τὸ μὴ διαμένειν ἀλλ' ἐξίστασθαι καὶ μαραίνεσθαι, καθάπερ ἀπὸ ῥίζης κοπέντα τῆς τρυγός· οἱ δὲ παλαιοὶ καὶ τρύγα τὸν οἶνον ἄντικρυς ἐκάλουν, ὥσπερ ψυχὴν καὶ κεφαλὴν τὸν ἄνθρωπον εἰώθαμεν ἀπὸ τῶν [e] κυριωτάτων ὑποκορίζεσθαι, καὶ τρυγᾶν λέγομεν τοὺς δρεπομένους τὴν ἀμπελίνην ὀπώραν, καὶ 'διατρύγιόν' που Ὅμηρος (ω 342) εἴρηκεν, αὐτὸν δὲ τὸν οἶνον 'αἴθοπα' καί 'ἐρυθρὸν' εἴωθε καλεῖν· οὐχ ὡς Ἀριστίων ἡμῖν ὠχριῶντα καὶ χλωρὸν ὑπὸ τῆς πολλῆς καθάρσεως παρέχεται.'

Καὶ ὁ Ἀριστίων γελάσας 'οὐκ ὠχριῶντ'' εἶπεν 'ὦ τᾶν, οὐδ' ἀναίμον', ἀλλὰ μειλίχιον καὶ ἡμερίδην, ἀπὸ τῆς ὄψεως αὐτῆς πρῶτον. σὺ δ' ἀξιοῖς τοῦ

νυκτερινοῦ καὶ μελαναίγιδος ἐμφορεῖσθαι, καὶ ψέγεις τὴν κάθαρσιν ὥσπερ χολημεσίαν ‹δι'› ἧς τὸ βαρὺ καὶ μεθυστικὸν ἀφιεὶς καὶ [f] νοσῶδες ἐλαφρὸς καὶ ἄνευ ὀργῆς ἀναμίγνυται ἡμῖν, οἷον Ὅμηρός φησι πίνειν τοὺς ἥρωας· αἴθοπα γὰρ οὐ καλεῖ τὸν ζοφερόν, ἀλλὰ τὸν διαυγῆ καὶ λαμπρόν· οὐ γὰρ †ανωφλεγων 'εὐήνορα' καὶ 'νώροπα χαλκὸν' 'αἴθοπα' (Δ 495 passim) προσηγόρευεν. ὥσπερ οὖν ὁ σοφὸς Ἀνάχαρσις [693] [a] ἄλλ' ἄττα τῶν Ἑλλήνων μεμφόμενος ἐπῄνει τὴν ἀνθρακείαν ὅτι τὸν καπνὸν ἔξω καταλιπόντες οἴκαδε πῦρ κομίζουσιν, οὕτως ἡμᾶς ἐφ' ἑτέροις ἂν ψέγοιτε μᾶλλον οἱ σοφοὶ ὑμεῖς· εἰ δὲ τοῦ οἴνου τὸ ταρακτικὸν καὶ ὀχλῶδες ἐξωθούμενοι καὶ ἀποσκεδάσαντες, αὐτὸν δ' †εὐφραίνοντες οὐ καλλωπίσαντες, οὐδ' ὥσπερ σιδήρου στόμωμα καὶ ἀκμὴν ἀποκόψαντες, ἀλλὰ μᾶλλον ὥσπερ ἰὸν ἢ ῥύπον ἀποκαθάραντες προσφερόμεθα, τί πλημμελοῦμεν; 'ὅτι νὴ Δία πλέον ἰσχύει μὴ διηθούμενος'· καὶ γὰρ ἄνθρωπος, ὦ φίλε, φρενετίζων καὶ μαινόμενος· ἀλλ' ὅταν ἐλλεβόρῳ χρησάμενος ἢ διαίτῃ καταστῇ, τὸ μὲν σφοδρὸν [b] ἐκεῖνο καὶ σύντονον οἴχεται καὶ γέγονεν ἐξίτηλον, ἡ δ' ἀληθινὴ δύναμις καὶ σωφροσύνη παραγίνεται τῷ σώματι· οὕτω δὴ καὶ ἡ κάθαρσις τοῦ οἴνου τὸ πληκτικὸν ἀφαιροῦσα καὶ μανικόν, εἰς πραεῖαν ἕξιν καὶ ὑγιαίνουσαν καθίστησι. περιεργίαν δ' οἶμαι πάμπολυ διαφέρειν καθαριότητος· καὶ γὰρ αἱ γυναῖκες φυκούμεναι καὶ μυριζόμεναι καὶ χρυσὸν φοροῦσαι καὶ πορφύραν περίεργοι δοκοῦσιν, λουτρὸν δὲ καὶ ἄλειμμα καὶ κόμης ῥύψιν οὐδεὶς αἰτιᾶται. χαριέντως δὲ τὴν διαφορὰν ὁ ποιητὴς ἐπιδείκνυσιν ἐπὶ τῆς κοσμουμένης Ἥρας, (Ξ 170)

'ἀμβροσίῃ μὲν πρῶτον ἀπὸ χροὸς ἀθανάτοιο
[c] λύματα πάντα κάθηρεν, ἀλείψατο δὲ λίπ' ἐλαίῳ·'

μέχρι τούτων ἐπιμέλεια [καὶ] καθαριότητός ἐστιν· ὅταν δὲ τὰς χρυσᾶς περόνας ἀναλαμβάνῃ καὶ τὰ διηκριβωμένα τέχνῃ ἐλλόβια καὶ τελευτῶσα τῆς περὶ τὸν κεστὸν ἅπτηται γοητείας, περιεργία τὸ χρῆμα καὶ λαμυρία μὴ πρέπουσα γαμετῇ γέγονεν. οὐκοῦν καὶ τὸν οἶνον οἱ μὲν ἀλόαις χρωτίζοντες ἢ κινναμώμοις καὶ κρόκοις ἐφηδύνοντες ὥσπερ γυναῖκα καλλωπίζουσιν εἰς τὰ συμπόσια καὶ προαγωγεύουσιν· οἱ δ' ἀφαιροῦντες τὸ ῥυπαρὸν καὶ ἄχρηστον ἐξ αὐτοῦ θεραπεύουσι καὶ καθαίρουσιν. ἐπεὶ πάντ' ἂν εἴποις [d] ταῦτα περιεργίαν, ἀρξάμενος ἀπὸ τοῦ οἴκου· τί γὰρ οὕτως κεκονίαται; τί δ' ἀνέῳγε τοῦ περιέχοντος ὅθεν ἂν μάλιστα πνεῦμα λαμβάνοι καθαρὸν καὶ τοῦ φωτὸς ἀπολαύοι περιιόντος ἐπὶ τὰς δύσεις; τί δὲ τῶν ἐκπωμάτων ἕκαστον ἐκτέτριπται καὶ διέσμηκται πανταχόθεν ὥστε λάμπειν καὶ περιστίλβειν; ἢ τὸ μὲν ἔκπωμ' ἔδει μὴ ῥύπου μηδὲ μοχθηρίας ὀδωδὸς εἶναι, τὸ δ' ἐξ αὐτοῦ πινόμενον εὐρῶτος ἢ κηλίδων ἀναπεπλῆσθαι; καὶ τί δεῖ τὰ ἄλλα λέγειν; ἡ γὰρ

αὐτοῦ τοῦ πυροῦ διαπόνησις εἰς τὸν ἄρτον, οὐδὲν ἕτερον ἢ κάθαρσις οὖσα, θέασαι μεθ’ ὅσης γίνεται πραγματείας· οὐ γὰρ μόνον ὑποσκαφισμοὶ καὶ διαττήσεις καὶ [e] ἀποκρίσεις καὶ διακρίσεις εἰσὶ τῶν σιτίων καὶ τῶν ἀλλοτρίων, ἀλλ’ ἡ τρῖψις ἐκθλίβουσα τοῦ φυράματος τὸ τραχὺ καὶ ἡ πέψις ἐξικμάζουσα τὸ ὑγρὸν [καὶ] καθαίρουσι καὶ συστέλλουσι τὴν ὕλην εἰς αὐτὸ τὸ ἐδώδιμον. τί οὖν ἄτοπον, εἰ καὶ τοῦ οἴνου τὸ τρυγῶδες ὡς κρίμνον ἢ σκύβαλον ἡ διήθησις ἐξαιρεῖ, μήτε δαπάνης τινὸς τῇ καθάρσει μήτ’ ἀσχολίας πολλῆς προσούσης;’

ΠΡΟΒΛΗΜΑ Η

Τίς αἰτία βουλίμου

Θυσία τις ἔστι πάτριος, ἣν ὁ μὲν ἄρχων ἐπὶ τῆς κοινῆς ἑστίας δρᾷ τῶν δ’ ἄλλων ἕκαστος ἐπ’ οἴκου· καλεῖται δὲ ‘βουλίμου ἐξέλασις’· καὶ τῶν οἰκετῶν ἕνα τύπτοντες [f] ἀγνίναις ῥάβδοις διὰ θυρῶν ἐξελαύνουσιν, ἐπιλέγοντες ‘ἔξω Βούλιμον ἔσω δὲ Πλοῦτον καὶ Ὑγίειαν.’ ἄρχοντος οὖν ἐμοῦ πλείονες ἐκοινώνουν τῆς θυσίας· [694] [a] κᾆθ’ ὡς ἐποιήσαμεν τὰ νενομισμένα καὶ πάλιν κατεκλίνημεν, ἐζητεῖτο πρῶτον ὑπὲρ αὐτοῦ τοῦ ὀνόματος, ἔπειτα τῆς φωνῆς ἣν ἐπιλέγουσι τῷ διωκομένῳ, μάλιστα δ’ ὑπὲρ τοῦ πάθους καὶ τῶν κατ’ αὐτὸ γινομένων. τὸ μὲν οὖν λιμὸν ἐδόκει μέγαν ἢ δημόσιον ἀποσημαίνειν, καὶ μάλιστα παρ’ ἡμῖν τοῖς Αἰολεῦσιν ἀντὶ τοῦ β τῷ π χρωμένοις· οὐ γὰρ βούλιμον, ἀλλὰ πούλιμον, οἷον πολὺν ὄντα λιμόν, ὀνομάζομεν. ἐδόκει δ’ ἡ βούβρωστις ἕτερον εἶναι· τὸ δὲ τεκμήριον ἐλαμβάνομεν ἐκ τῶν Μητροδώρου Ἰωνικῶν (FHG III 205 6 Fr. Gr. Hist. 43 F 3)· ἱστορεῖ γάρ, ὅτι Σμυρναῖοι τὸ παλαιὸν Αἰολεῖς ὄντες θύουσι Βουβρώστει [b] ταῦρον μέλανα καὶ κατακόψαντες αὐτόδορον ὁλοκαυτοῦσιν. ἐπεὶ δὲ πᾶς μὲν ἔοικεν [ὁ] λιμὸς νόσῳ, μάλιστα δ’ ὁ βούλιμος, ὅτι γίνεται παθόντος παρὰ φύσιν τοῦ σώματος, εἰκότως ἀντιτάττουσιν ὡς μὲν ἐνδείᾳ τὸν πλοῦτον ὡς δὲ νόσῳ τὴν ὑγίειαν· ὡς δὲ ναυτιᾶν ὠνομάσθη μὲν ἐπὶ τῶν ἐν νηὶ καὶ κατὰ πλοῦν τὸν στόμαχον ἐκλυομένων, ἔθει δ’ ἴσχυκεν ἤδη καὶ κατὰ τῶν ὁπωσοῦν τοῦτο πασχόντων ὄνομα τοῦ πάθους εἶναι, οὕτως ἄρα καὶ τὸ βουλιμιᾶν ἐκεῖθεν ἀρξάμενον ἐνταῦθα διέτεινεν. ταῦτα μὲν οὖν ἔρανον κοινὸν ἐκ πάντων συνεπληροῦμεν λόγων.

Ἐπειδὴ δ’ ἡπτόμεθα τῆς αἰτίας τοῦ πάθους, πρῶτον [c] μὲν ἠπορήθη τὸ μάλιστα βουλιμιᾶν τοὺς διὰ χιόνος πολλῆς βαδίζοντας, ὥσπερ καὶ Βροῦτος ἐκ Δυρραχίου πρὸς Ἀπολλωνίαν ‹ἰὼν› ἐκινδύνευσεν ὑπὸ τοῦ πάθους· ἦν δὲ νιφετὸς πολὺς καὶ τῶν τὰ σιτία κομιζόντων οὐδεὶς ἐξηκολούθει· λιποθυμοῦντος οὖν αὐτοῦ καὶ ἀπολιπόντος, ἠναγκάσθησαν οἱ στρατιῶται προσδραμόντες τοῖς τείχεσιν ἄρτον αἰτῆσαι παρὰ τῶν τειχοφυλάκων

πολεμίων ‹ὄντων›· καὶ λαβόντες εὐθὺς ἀνεκτήσαντο τὸν Βροῦτον· διὸ καὶ φιλανθρώπως ἐχρήσατο πᾶσι κύριος τῆς πόλεως γενόμενος. πάσχουσι δὲ τοῦτο καὶ ἵπποι καὶ ὄνοι, καὶ μάλισθ' ὅταν [ἢ] ἰσχάδας ἢ μῆλα κομίζωσιν. ὃ δὲ θαυμασιώτατόν [d] ἐστιν, οὐκ ἀνθρώπους μόνον ἀλλὰ καὶ κτήνη μάλιστα πάντων ἐδωδίμων ἀναρρώννυσιν ἄρτος· ὥστε, κἂν ἐλάχιστον ἐμφάγωσιν, ἵστανται καὶ βαδίζουσι.

Γενομένης δὲ σιωπῆς, ἐγὼ συννοῶν ὅτι τὰ τῶν πρεσβυτέρων ἐπιχειρήματα τοὺς μὲν ἀργοὺς καὶ ἀφυεῖς οἷον ἀναπαύει καὶ ἀναπίμπλησι, τοῖς δὲ φιλοτίμοις καὶ φιλολόγοις ἀρχὴν ἐνδίδωσιν οἰκείαν καὶ τόλμαν ἐπὶ τὸ ζητεῖν καὶ ἀνιχνεύειν τὴν ἀλήθειαν, ἐμνήσθην τῶν Ἀριστοτελικῶν (Probl. phys. 888a 118), ἐν οἷς λέγεται, ὅτι, πολλῆς περιψύξεως γενομένης ἔξωθεν, ἐκθερμαίνεται σφόδρα τὰ ἐντὸς καὶ πολὺ σύντηγμα ποιεῖ· τοῦτο δ', ἐὰν [e] μὲν ἐπὶ τὰ σκέλη ῥυῇ, κόπους ἀπεργάζεται καὶ βαρύτητας, ἐὰν δ' ἐπὶ τὰς τῆς κινήσεως καὶ τῆς ἀναπνοῆς ἀρχάς, ἀψυχίαν [ἢ] καὶ ἀσθένειαν.

Ὅπερ οὖν εἰκός, τοῦ λόγου λεχθέντος ἐπεραίνετο, τῶν μὲν ἐπιφυομένων τῷ δόγματι τῶν δ' ὑπερδικούντων. Σώκλαρος δὲ τὴν ἀρχὴν ἔφη τοῦ λόγου κάλλιστα κεῖσθαι· περιψύχεσθαι γὰρ ἱκανῶς καὶ πυκνοῦσθαι τὰ σώματα τῶν βαδιζόντων διὰ χιόνος· τὸ δὲ σύντηγμα τὴν θερμότητα ποιεῖν καὶ τοῦτο καταλαμβάνειν τὰς ἀρχὰς τῆς ἀναπνοῆς αἰτηματῶδες εἶναι· μᾶλλον οὖν δοκεῖν αὐτῷ τὴν θερμότητα συστελλομένην καὶ πλεονάζουσαν ἐντὸς ἀναλίσκειν τὴν τροφήν, εἶτ' ἐπιλειπούσης καὶ αὐτὴν [f] ὥσπερ πῦρ ἀπομαραίνεσθαι· διὸ πεινῶσι σφόδρα καὶ βραχὺ παντελῶς ἐμφαγόντες εὐθὺς ἀναλάμπουσι· γίνεται γὰρ ὥσπερ ὑπέκκαυμα τῆς θερμότητος τὸ προσφερόμενον.

Κλεομένης δ' ὁ ἰατρὸς ἄλλως ἔφη τῷ ὀνόματι τὸν λιμὸν συντετάχθαι δίχα τοῦ πράγματος, ὥσπερ τῷ [695] [a] καταπίνειν τὸ πίνειν καὶ τῷ ἀνακύπτειν τὸ κύπτειν· οὐ γὰρ εἶναι λιμόν, ὥσπερ δοκεῖ, τὴν βουλιμίαν, ἀλλὰ πάθος ἐν ‹τῷ› στομάχῳ διὰ συνδρομὴν θερμοῦ λιποψυχίαν ποιοῦν. ὥσπερ οὖν τὰ ὀσφραντὰ πρὸς τὰς λιποθυμίας βοηθεῖν, καὶ τὸν ἄρτον ἀναλαμβάνειν [καὶ] τοὺς βουλιμιῶντας, οὐχ ὅτι τροφῆς ἐνδεεῖς εἰσι (μικρὸν γοῦν παντάπασιν [ἀνα]λαβόντες ἀναζωπυροῦσιν), ἀλλ' ὅτι τὸ πνεῦμα καὶ τὴν δύναμιν ἀνακαλεῖται καταφερομένην. ὅτι δ' ἔστι λιποθυμία καὶ οὐ πεῖνα, μηνύει τὸ τῶν ὑποζυγίων· ἡ γὰρ τῶν ἰσχάδων ἀποφορὰ καὶ ἡ τῶν μήλων ἔνδειαν μὲν οὐ ποιεῖ, καρδιωγμὸν δέ τινα μᾶλλον καὶ ‹νὴ› Δί' εἴλιγγον.

[b] Ἡμῖν δὲ καὶ ταῦτα μετρίως ἐδόκει λέγεσθαι, ‹καὶ› ἀπὸ τῆς ἐναντίας ἀρχῆς δυνατὸν εἶναι, μὴ πύκνωσιν ἀλλ' ἀραίωσιν ὑποθεμένοις, διασῶσαι τὸ πιθανόν. τὸ γὰρ ἀπορρέον πνεῦμα τῆς χιόνος ἐστὶ μὲν οἷον αἰθὴρ τοῦ πάγου

καὶ ψῆγμα λεπτομερέστατον, ἔχει δέ τι τομὸν καὶ διαιρετικὸν οὐ σαρκὸς μόνον ἀλλὰ καὶ ἀργυρῶν καὶ χαλκῶν ἀγγείων· ὁρῶμεν γὰρ ταῦτα μὴ στέγοντα τὴν χιόνα· πνεομένη γὰρ ἀναλίσκεται καὶ τὴν ἐκτὸς ἐπιφάνειαν τοῦ ἀγγείου νοτίδος ἀναπίμπλησι λεπτῆς καὶ κρυσταλλοειδοῦς, ἣν ἀπολείπει τὸ πνεῦμα διὰ τῶν πόρων ἀδήλως ἀπερχόμενον. τοῦτο δὴ τοῖς βαδίζουσι διὰ χιόνος ὀξὺ καὶ φλογοειδὲς [c] προσπῖπτον ἐπικαίειν δοκεῖ τὰ ἄκρα τῷ τέμνειν καὶ †παρελθεῖν τῇ σαρκί, καθάπερ τὸ πῦρ· ὅθεν ἀραίωσις γίνεται περὶ τὸ σῶμα πολλὴ καὶ ῥεῖ τὸ θερμὸν ἔξω καὶ ‹διὰ› τὴν ψυχρότητα τοῦ πνεύματος περὶ τὴν ἐπιφάνειαν σβεννύμενον ἱδρῶτα δροσώδη διατμίζει καὶ λεπτόν, ὥστε τήκεσθαι καὶ ἀναλίσκεσθαι [καὶ] τὴν δύναμιν. ἐὰν μὲν οὖν ἡσυχάζῃ τις, οὐ πολλὴ τοῦ σώματος ἀπέρχεται θερμότης· ὅταν δὲ τὴν μὲν τροφὴν τοῦ σώματος ἡ κίνησις εἰς τὸ θερμὸν ὀξέως μεταβάλλῃ τὸ δὲ θερμὸν ἔξω φέρηται, διακρινομένης τῆς σαρκός, ἀθρόαν ἀνάγκη τῆς [d] δυνάμεως ἐπίλειψιν γενέσθαι. ὅτι δὲ τὸ ἐκψύχεσθαι οὐ πήγνυσιν μόνον ἀλλὰ καὶ τήκει τὰ σώματα, δῆλόν ἐστιν· ἐν μὲν γὰρ τοῖς μεγάλοις χειμῶσιν ἀκόναι μολίβδου διατηκόμεναι τό τε τῆς ἀφιδρώσεως καὶ τὸ πολλοῖς μὴ πεινῶσι συμπίπτειν τὴν βουλιμίασιν ‹ἀραίωσιν› κατηγορεῖ μᾶλλον καὶ ῥύσιν ἢ πύκνωσιν τοῦ σώματος. ἀραιοῦνται δὲ χειμῶνος μέν, ὥσπερ εἴρηται, τῇ λεπτότητι, ἄλλως δὲ τοῦ κόπου καὶ τῆς κινήσεως ἀποξυνούσης τὴν ἐν τῷ σώματι θερμότητα· λεπτὴ γὰρ γενομένη καὶ κοπιῶσα ῥεῖ πολλὴ καὶ διασπείρεται διὰ τοῦ σώματος. τὰ δὲ μῆλα καὶ τὰς ἰσχάδας εἰκὸς ἀποπνεῖν τι τοιοῦτον, ὥστε τῶν [e] ὑποζυγίων τὸ θερμὸν ἀπολεπτύνειν καὶ κατακερματίζειν· ἄλλα γὰρ ἄλλοις ὥσπερ ἀναλαμβάνειν καὶ καταλύεσθαι πέφυκεν.

ΠΡΟΒΛΗΜΑ Θ

Διὰ τί ὁ ποιητὴς ἐπὶ μὲν τῶν ἄλλων ὑγρῶν τοῖς ἰδίοις ἐπιθέτοις χρῆται, μόνον δὲ τὸ ἔλαιον ὑγρὸν καλεῖ

Ἠπορήθη ποτὲ καὶ διὰ τί πολλῶν ὑγρῶν ὄντων τὰ μὲν ἄλλα τοῖς ἰδίοις ἐπιθέτοις ὁ ποιητὴς εἴωθε κοσμεῖν, τὸ γάλα τε λευκὸν καὶ τὸ μέλι χλωρὸν καὶ τὸν οἶνον ἐρυθρὸν καλῶν, τὸ δ’ ἔλαιον ἀπὸ κοινοῦ τοῦ πᾶσι συμβεβηκότος μόνον ἐπιεικῶς ὑγρὸν προσαγορεύει. εἰς τοῦτ’ [f] ἐλέχθη, ὅτι ὡς γλυκύτατόν ἐστι τὸ δι’ ὅλου γλυκὺ καὶ λευκότατον τὸ δι’ ὅλου λευκόν, δι’ ὅλου δὲ τοιοῦτόν ἐστιν, ᾧ μηδὲν ἐμμέμικται τῆς ἐναντίας φύσεως, οὕτω δὴ καὶ [τὸ] ὑγρὸν μάλιστα ῥητέον, οὗ μηθὲν μέρος ξηρόν ἐστι· τοῦτο δὲ τῷ ἐλαίῳ συμβέβηκεν.

Πρῶτον μὲν ἡ λειότης αὐτοῦ τὴν ὁμαλότητα τῶν [696] [a] μορίων ἐπιδείκνυται· δι’ ὅλου γὰρ αὑτῷ συμπαθεῖ πρὸς τὴν ψαῦσιν. ἔπειτα τῇ ὄψει παρέχει καθαρώτατον ἐνοπτρίσασθαι· τραχὺ γὰρ οὐδὲν ‹ἔν›εστιν ὥστε

διασπᾶν τὴν ἀνταύγειαν, ἀλλ’ ἀπὸ παντὸς μέρους δι’ ὑγρότητα καὶ σμικρότατον ἀνακλᾷ τὸ φῶς ἐπὶ τὴν ὄψιν· ὥσπερ αὖ τοὐναντίον τὸ γάλα τῶν ὑγρῶν μόνον οὐκ ἐσοπτρίζει, πολλῆς ἀναμεμιγμένης αὐτῷ γεώδους ‹οὐσίας›. ἔτι δὲ κινούμενον ἥκιστα ψοφεῖ τῶν ὑγρῶν· ὑγρὸν γάρ ἐστι δι’ ὅλου· τῶν ‹δ’› ἄλλων ἐν τῷ ῥεῖν καὶ φέρεσθαι τὰ σκληρὰ καὶ γεώδη μέρη προσκρούσεις λαμβάνοντα καὶ πληγὰς ψοφεῖ διὰ τραχύτητα. καὶ μὴν μόνον ἄκρα[τη]τον [b] διαμένει καὶ ἄμικτον· ἔστι γὰρ πυκνότατον· οὐ γὰρ ἔχει μεταξὺ τῶν ξηρῶν καὶ γεωδῶν ἐν αὐτῷ μερῶν κενώματα καὶ πόρους, οἷς δέξεται τὸ παρεμπῖπτον, ἀλλὰ δι’ ὁμοιότητα τῶν μερῶν εὐάρμοστόν ἐστιν καὶ συνεχές· ὅταν δ’ ἀφρίζῃ τὸ ἔλαιον, οὐ δέχεται τὸ πνεῦμα διὰ λεπτότητα καὶ συνέχειαν. τοῦτο δ’ αἴτιον καὶ τοῦ τρέφεσθαι τὸ πῦρ ὑπ’ αὐτοῦ· τρέφεται μὲν γὰρ οὐδενὶ πλὴν ὑγρῷ, καὶ τοῦτο μόνον καυστόν ἐστιν· ἐκ γοῦν τῶν ξύλων ὁ μὲν ἀὴρ ἄπεισι καπνὸς γενόμενος, τὸ δὲ γεῶδες ἐκτεφρωθὲν ὑπολείπεται, μόνον δ’ ὑπὸ τοῦ πυρὸς τὸ νοτερὸν ἀναλοῦται, τούτῳ γὰρ τρέφεσθαι πέφυκεν· ὕδωρ μὲν οὖν καὶ [c] οἶνος καὶ τὰ λοιπά, πολλοῦ μετέχοντα τοῦ θολεροῦ καὶ γεώδους, ἐμπίπτοντα τὴν φλόγα διασπᾷ καὶ τῇ τραχύτητι καὶ τῷ βάρει θλίβει καὶ κατασβέννυσι, τὸ δ’ ἔλαιον, ὅτι μάλιστ’ εἰλικρινῶς ὑγρόν ἐστι, διὰ λεπτότητα μεταβάλλει καὶ κρατούμενον ἐκπυροῦται. μέγιστον δ’ αὐτοῦ τῆς ὑγρότητος τεκμήριον ‹ἡ› ἐπὶ πλεῖστον ἐξ ὀλιγίστου διανομὴ καὶ χύσις· οὔτε γὰρ μέλιτος οὔθ’ ὕδατος οὔτ’ ἄλλου τινὸς ὑγροῦ βραχὺς οὕτως ὄγκος ἐπίδοσιν λαμβάνει τοσαύτην, ἀλλ’ εὐθὺς ἐπιλείπων καταναλίσκεται διὰ ξηρότητα· τὸ δ’ ἔλαιον, ὅλκιμον πανταχῇ [d] καὶ μαλακόν, ἄγεται περὶ τὸ σῶμα χριομένοις καὶ συνεπιρρεῖ πορρωτάτω δι’ ὑγρότητα τῶν μερῶν μηκυνομένων, ὥστε καὶ παραμένειν δυσεξίτηλον. ὕδατι μὲν γὰρ βρεχθὲν ἱμάτιον ἀποξηραίνεται ῥᾳδίως, ἐλαίου δὲ κηλῖδας οὐ τῆς τυχούσης ἐστὶ πραγματείας ἐκκαθᾶραι· μάλιστα γὰρ ἐνδύεται τῷ μάλιστα λεπτὸν καὶ ὑγρὸν εἶναι· καὶ γὰρ οἶνον κεκραμένον δυσχερέστερον ἐξαιροῦσι τῶν ἱματίων, ὡς Ἀριστοτέλης (874a 30) φησίν, ὅτι λεπτότερός ἐστι καὶ μᾶλλον ἐνδύεται τοῖς πόροις.

Τίς αἰτία, δι’ ἣν ψαθυρὰ γίνεται ταχὺ τὰ ἐκ συκῆς κρεμαννύμενα τῶν ἱερείων

‹Ὁ› Ἀριστίωνος εὐημέρει παρὰ τοῖς δειπνοῦσι μάγειρος, ὡς τά τ’ ἄλλα χαριέντως ὀψοποιήσας καὶ τὸν ἄρτι τῷ Ἡρακλεῖ τεθυμένον ἀλεκτρυόνα παραθεὶς ἁπαλὸν ὥσπερ χθιζόν, νεαρὸν ὄντα καὶ πρόσφατον. εἰπόντος οὖν τοῦ Ἀριστίωνος, ὅτι τοῦτο γίνεται ταχέως, εἰ σφαγεὶς εὐθὺς ἀπὸ συκῆς

κρεμασθείη, τὴν αἰτίαν ἐζητοῦμεν. ὅτι μὲν δὴ πνεῦμα τῆς συκῆς ἄπεισιν ἰσχυρὸν καὶ σφοδρόν, ἥ τ’ ὄσφρησις ἐκμαρτυρεῖ καὶ τὸ περὶ τῶν [f] ταύρων λεγόμενον, ὡς ἄρα συκῇ προσδεθεὶς ὁ χαλεπώτατος ἡσυχίαν ἄγει καὶ ψαύσεως ἀνέχεται καὶ ὅλως ἀφίησι τὸν θυμὸν ὥσπερ ἀπομαραινόμενον. τὴν δὲ πλείστην αἰτίαν καὶ δύναμιν ἡ δριμύτης εἶχεν· τὸ γὰρ φυτὸν ἁπάντων ὀπωδέστατον, ὥστε καὶ τὸ σῦκον αὐτὸ καὶ τὸ [697] [a] ξύλον καὶ τὸ θρῖον ἀναπεπλῆσθαι· διὸ καιόμενόν τε τῷ καπνῷ δάκνει μάλιστα καὶ κατακαυθέντος ἡ τέφρα ῥυπτικωτάτην παρέχει κονίαν. ταὐτὰ δὲ πάντα θερμότητος· καὶ τὴν πῆξιν ἐμποιεῖν τῷ γάλακτι τὸν ὀπὸν οἴονταί τινες οὐ σκαληνίᾳ σχημάτων περιπλέκοντα καὶ κολλῶντα τὰ ‹τραχέα› μέρη τοῦ γάλακτος, ἐκθλιβομένων ἐπιπολῆς τῶν λείων καὶ περιφερῶν, ἀλλὰ [καὶ] ὑπὸ θερμότητος ἐκτήκοντα τοῦ ὑγροῦ τὸ ἀσύστατον καὶ ὑδατῶδες. τεκμήριον δὲ καὶ τὸ †ἄχρηστον γλυκὺ †εἶναι τὸν ὀρόν, ἀλλὰ πομάτων φαυλότατον· οὐ γὰρ τὸ λεῖον ὑπὸ τῶν σκαληνῶν, ἀλλὰ τὸ ψυχρὸν ‹ἐξαν›έστη καὶ ἄπεπτον ὑπὸ τῆς θερμότητος· [b] καὶ πρὸς τοῦτο συνεργοῦσιν οἱ ἅλες, θερμοὶ γάρ εἰσι, πρὸς δὲ τὴν λεγομένην περιπλοκὴν καὶ σύνδεσιν ἀντιπράττουσι [διάλυσιν], διαλύειν γὰρ μάλιστα πεφύκασι. θερμὸν οὖν πνεῦμα καὶ δριμὺ καὶ τμητικὸν ἀφίησιν ἡ συκῆ, καὶ τοῦτο θρύπτει καὶ πεπαίνει τὴν σάρκα τοῦ ὄρνιθος. τὸ αὐτὸ δὲ πάσχει καὶ πυρῶν ἐντεθεὶς σωρῷ καὶ νίτρῳ †συνημένος, ὑπὸ θερμότητος. ὅτι δ’ ὁ πυρὸς ἔχει τι θερμόν, τεκμαίρονται τοῖς ἀμφορεῦσιν, ὧν ἐντιθεμένων εἰς σιρὸν †ἐξαναλίσκεται ταχέως ὁ οἶνος.

ΣΥΜΠΟΣΙΑΚΩΝ ΒΙΒΛΙΟΝ ΕΒΔΟΜΟΝ

Χαρίεντος ἀνδρός, ὦ Σόσσιε Σενεκίων, καὶ φιλανθρώπου λόγον ἔχουσι Ῥωμαῖοι διὰ στόματος, ὅστις ἦν ὁ εἰπών, ἐπεὶ μόνος ἐδείπνησεν, ‘βεβρωκέναι, μὴ δεδειπνηκέναι σήμερον’, ὡς τοῦ δείπνου κοινωνίαν καὶ φιλοφροσύνην ἐφηδύνουσαν ἀεὶ ποθοῦντος. Εὔηνος (fr. 10 [d] PLG II 271) μὲν γὰρ ἔλεγεν τὸ πῦρ ἥδιστον ἡδυσμάτων εἶναι, καὶ τὸν ἅλα ‘θεῖον’ Ὅμηρος (I 214) οἱ δὲ πολλοὶ ‘χάριτας’ καλοῦσιν, ὅτι [ἐπὶ] τὰ πλεῖστα μιγνύμενος εὐάρμοστα τῇ γεύσει καὶ προσφιλῆ ποιεῖ καὶ κεχαρισμένα· δείπνου δὲ καὶ τραπέζης θειότατον ὡς ἀληθῶς ἥδυσμα φίλος ἐστὶ παρὼν καὶ συνήθης καὶ γνώριμος οὐ τῷ συνεσθίειν καὶ συμπίνειν, ἀλλ’ ὅτι λόγου μεταλαμβάνει καὶ μεταδίδωσιν, ἄν γε δὴ χρήσιμον ἐνῇ τι καὶ πιθανὸν καὶ οἰκεῖον τοῖς λεγομένοις· ἐπεὶ τούς γε πολλοὺς αἱ παρ’ οἶνον ἀδολεσχίαι ληροῦντας ἐμβάλλουσι πρὸς τὰ πάθη καὶ προσδιαστρέφουσιν. ὅθεν ἄξιόν ἐστι μηδὲν ἧττον λόγους [e] ἢ φίλους δεδοκιμασμένους παραλαμβάνειν ἐπὶ τὰ δεῖπνα, τοὐναντίον ἢ Λακεδαιμόνιοι φρονοῦντας καὶ λέγοντας· ἐκεῖνοι μὲν γάρ, ὅταν

νέον ἢ ξένον εἰς τὸ φιδίτιον παραλάβωσι, τὰς θυρίδας δείξαντες ‘ταύτῃ’ φασίν ‘οὐκ ἐξέρχεται λόγος’· ἡμεῖς δ’ ἑαυτοὺς χρῆσθαι λόγοις συνεθίζωμεν, ὧν πᾶσίν ἐστιν καὶ πρὸς πάντας ἐξαγωγή, διὰ τὰς ὑποθέσεις μηδὲν ἀκόλαστον μηδὲ βλάσφημον μηδὲ κακόηθες ἐχούσας μηδ’ ἀνελεύθερον. ἔξεστι δὲ κρίνειν τοῖς παραδείγμασιν, ὧν τὴν ἑβδόμην δεκάδα τουτὶ περιέχει τὸ βιβλίον.

ΠΡΟΒΛΗΜΑ Α

Πρὸς τοὺς ἐγκαλοῦντας Πλάτωνι τὸ ποτὸν εἰπόντι διὰ τοῦ πλεύμονος ἐξιέναι

Εἰσῆλθέ τινι τῶν συμποτῶν ὥρᾳ θέρους τουτὶ τὸ πρόχειρον ἅπασιν ἀναφθέγξασθαι (Alc. fr. 39, I p. 430 D)

[698] [a] ‘τέγγε πλεύμονας οἴνῳ· τὸ γὰρ ἄστρον περιτέλλεται·’

καὶ Νικίας ὁ Νικοπολίτης ἰατρὸς οὐδὲν ἔφη θαυμαστόν, εἰ ποιητικὸς ἀνὴρ Ἀλκαῖος ἠγνόησεν ὃ καὶ Πλάτων ὁ φιλόσοφος. καίτοι τὸν μὲν Ἀλκαῖον ἁμωσγέπως εὐπορήσειν βοηθείας, ἀπολαύειν ‹γὰρ› ἰκμάδος τὸν πλεύμονα, γειτνιῶντα τῷ στομάχῳ, καὶ διὰ τοῦτο τέγγεσθαι πιθανόν ἐστιν· ‘ὁ δὲ φιλόσοφος οὑτωσὶ σαφῶς’ ἔφη ‘γράψας (Tim. 70c 91a) διεξιέναι τὰ ποτὰ διὰ τοῦ πλεύμονος οὐδὲ τοῖς προθυμοτάτοις ἀμύνειν ἐπιχείρησιν ὑπὲρ αὑτοῦ πιθανὴν ἀπολέλοιπεν. τὸ γὰρ ἀγνόημα μέγα· πρῶτον [b] μὲν ὅτι, τῆς ὑγρᾶς τροφῆς πρὸς τὴν ξηρὰν ἀναγκαίαν ἐχούσης τὴν ἀνάμιξιν, εἰκός ἐστιν ταὐτὸν ἀμφοτέραις ἀγγεῖον ὑποκεῖσθαι τὸν στόμαχον εἰς τὴν κάτω κοιλίαν ἐκδιδόντα μαλακὸν καὶ διάβροχον τὸ σιτίον· ἔπειτα τοῦ πλεύμονος ‹μὴ› λείου καὶ πυκνοῦ παντάπασι γεγονότος, πῶς τὸ σὺν κυκεῶνι πινόμενον ἄλφιτον διέξεισι καὶ οὐκ ἐνίσχεται; τουτὶ γὰρ Ἐρασίστρατος ὀρθῶς πρὸς αὐτὸν ἠπόρησεν. καὶ μὴν ἐπί γε τῶν πλείστων τοῦ σώματος μορίων τὸ οὗ ἕνεκα τῷ λόγῳ μετιὼν καὶ πρὸς ἣν ἕκαστον ἡ φύσις χρείαν πεποίηκεν βουλόμενος, ὥσπερ καὶ προσήκει τῷ φιλοσόφῳ, φρονεῖν, οὐκ εὖ παρίησι τὸ τῆς ἐπιγλωττίδος [c] ἔργον, ἐπὶ τούτῳ τεταγμένης, ὅπως ἐν τῇ καταπόσει τῆς τροφῆς τὴν ἀρτηρίαν πιέζουσα κωλύῃ παρεμπεσεῖν ὁτιοῦν εἰς τὸν πλεύμονα· δεινὰς γὰρ ὑπὸ βηχὸς ἴσχει τραχύτητας καὶ χαράξεις, ὅταν παρολίσθῃ φερομένου τοῦ πνεύματος· ἡ δὲ μέταυλος αὕτη κλίσιν ἐπ’ ἀμφότερα λαμβάνουσα φθεγγομένων μὲν ἐπιπίπτει τῷ στομάχῳ, σιτουμένων δὲ καὶ πινόντων τῇ ἀρτηρίᾳ, καθαρὸν τῷ πνεύματι τὸν δρόμον φυλάττουσα καὶ τὴν ἀναπνοήν. ἔτι τοίνυν’ ἔφη ‘καὶ τοὺς ἀτρέμα πίνοντας ἴσμεν [ὅτι] τὰς κοιλίας ὑγροτέρας ἴσχοντας τῶν ἄθρουν ἐφελκομένων τὸ [d] ὑγρόν· ὠθεῖ‹ται› γὰρ εὐθὺς εἰς κύστιν ὑπὸ ῥύμης διεξιόν· ἐκεῖνο δὲ μᾶλλον ἐνδιατρίβει τοῖς σιτίοις

καὶ μαλάσσει, ὥστ' ἀναμίγνυσθαι καὶ παραμένειν. οὐκ ἂν δὲ ταῦτα συνέβαινε διακρινομένων εὐθὺς ἐν τῇ καταπόσει τῶν ὑγρῶν, ἀλλὰ συμπλεκομένων [ἡμῶν] ἅμα καὶ συμπαραπεμπόντων τὸ σιτίον, οἷον ὀχήματι τῷ ὑγρῷ χρώμενον, ὡς ἔλεγεν Ἐρασίστρατος.'

Τοιαῦτα τοῦ Νικίου διεξιόντος ὁ γραμματικὸς πρωτογένης ‹ἔφη› συνεωρακέναι πρῶτον Ὅμηρον, ὅτι τῆς μὲν τροφῆς ὁ στόμαχος ἀγγεῖόν ἐστιν, τοῦ δὲ πνεύματος ‹ὁ› βρόγχος, ὃν ἀσφάραγον ἐκάλουν οἱ παλαιοί· διὸ [e] καὶ τοὺς μεγαλοφώνους 'ἐρισφαράγους' ἐπονομάζειν εἰώθασιν· εἰπὼν οὖν ὅτι τοῦ Ἕκτορος ὁ Ἀχιλλεὺς ἤλασε (Χ 325. 328 s.)

'λευκανίην, ἵνα τε ψυχῆς ὤκιστος ὄλεθρος·

οὐδ' ἄρ' ἀπ' ἀσφάραγον μελίη τάμε χαλκοβάρεια,

ὄφρα τί μιν προτιείποι ἀμειβόμενος ἐπέεσσιν,'

ὡς τὸν ἀσφάραγον ὄντα φωνῆς ἴδιον ὀχετὸν καὶ πνεύματος, τὴν δὲ λευκανίην ἐσέθηκα.

Γενομένης οὖν ἐπὶ τῷ λόγῳ σιωπῆς ὁ Φλῶρος εἶπεν 'οὕτως ὑφησόμεθα τοῦ Πλάτωνος ἐρήμην ὀφλισκάνοντος;' 'οὐχ ἡμεῖς γ'' ἔφην ἐγώ· 'προησόμεθα γὰρ ἅμα τῷ Πλάτωνι καὶ τὸν Ὅμηρον, ὃς τοσοῦτον ἀποδεῖ τοῦ τὸ ὑγρὸν ἀπελαύνειν καὶ ἀποστρέφειν τῆς ἀρτηρίας, ὥστε καὶ τὸ σιτίον ὁμοῦ συνεκβαλεῖν ἐνταῦθα· 'φάρυγος' γάρ φησιν (ι 373) 'ἐξέσσυτο οἶνος ψωμοί τ' ἀνδρόμεοι·' [f] χωρὶς εἰ μὴ τὸν Κύκλωπα φήσει τις ὥσπερ ὀφθαλμὸν ἔχειν ἕνα καὶ πόρον τροφῆς καὶ φωνῆς τὸν αὐτόν· ἢ τὸν φάρυγγα φήσει στόμαχον εἰρῆσθαι καὶ μὴ βρόγχον, ὥσπερ ὑπὸ πάντων καὶ πάλαι καὶ νῦν ὠνόμασται. ταῦτα δ' οὐκ ἀπορίᾳ μαρτύρων, ἀλλ' ὑπὸ τῆς ἀληθείας ἐπηγαγόμην· ἐπεὶ μάρτυρές γε τῷ Πλάτωνι πολλοί τε κἀγαθοὶ [699] [a] πάρεισιν. Εὔπολιν μὲν γάρ, εἰ βούλει, πάρες ἐν Κόλαξιν εἰπόντα (fr. 147)

'πίνειν γὰρ †ὁ Πρωταγόρας ἐκέλευσ', ἵνα

πρὸ τοῦ κυνὸς τὸν πλεύμον' ἔκκλυστον φορῇ·'

πάρες δὲ καὶ τὸν κομψὸν Ἐρατοσθένην λέγοντα (p. 3. 100 s. Hiller)

'καὶ βαθὺν ἀκρήτῳ πλεύμονα τεγγόμενος·'

Εὐριπίδης δὲ σαφῶς δήπου λέγων (fr. 983)

'οἶνος περάσας πλευμόνων διαρροάς'

δῆλός ἐστιν Ἐρασιστράτου βλέπων τι ὀξύτερον· εἶδεν γὰρ ὅτι σήραγγας ὁ πλεύμων ἔχει καὶ πόροις κατατέτρηται, δι' ὧν τὸ ὑγρὸν διίησιν. οὐ γὰρ τὸ πνεῦμα πόρων ἐδεῖτο πρὸς τὴν ἐξαγωγήν, ἀλλ' ἕνεκα τῶν ὑγρῶν καὶ τῶν τοῖς ὑγροῖς συμπαρολισθαινόντων γέγονεν ἠθμοειδὴς καὶ πολύπορος.

[b] καὶ οὐδὲν ἧττον, ὦ μακάριε, τῷ πλεύμονι προσῆκόν ἐστιν ἢ τῷ στομάχῳ συνεκδιδόναι τὸ ἄλφιτον καὶ τὸ κρίμνον· οὐδὲ γὰρ ὁ στόμαχος

ἡμῶν λεῖος, ὥς τινες, οὐδ’ ὀλισθηρός, ἀλλ’ ἔχει τραχύτητας, αἷς εἰκός ἐστι τὰ λεπτὰ καὶ μικρὰ περιπίπτοντα καὶ προσισχόμενα διαφεύγειν τὴν κατάποσιν. ἀλλ’ οὔτε τοῦτο λέγειν οὔτ’ ἐκεῖνο καλῶς ἔχον ἐστίν· ἡ γὰρ φύσις οὐκ ἐφικτὸν ἔχει τῷ λόγῳ τὸ περὶ τὰς ἐνεργείας εὐμήχανον, οὐδ’ ἔστι τῶν ὀργάνων αὐτῆς τὴν ἀκρίβειαν οἷς χρῆται (λέγω δὲ τὸ πνεῦμα καὶ τὸ θερμόν) ἀξίως διελθεῖν. ἔτι δὴ τῶν μαρτύρων [c] τῷ Πλάτωνι προσκαλοῦμαι Φιλιστίωνά τε τὸν Λοκρόν (fr. 7 Wellm.), εὖ μάλα παλαιὸν ἄνδρα καὶ λαμπρὸν ἀπὸ τῆς τέχνης ὑμῶν γενόμενον, καὶ Ἱπποκράτη καὶ Διώξιππον τὸν Ἱπποκράτειον· οὗτοι γὰρ οὐχ ἑτέραν ὁδόν, ἀλλ’ ἣν Πλάτων, ὑφηγοῦνται τοῦ πόματος. ἥ γε μὴν πολυτίμητος ἐπιγλωττὶς οὐκ ἔλαθε τὸν Διώξιππον, ἀλλὰ περὶ ταύτην φησὶ τὸ ὑγρὸν ἐν τῇ καταπόσει διακρινόμενον εἰς τὴν ἀρτηρίαν ἐπιρρεῖν, τὸ δὲ σιτίον εἰς τὸν στόμαχον ἐπικυλινδεῖσθαι· καὶ τῇ μὲν ἀρτηρίᾳ τῶν ἐδωδίμων μηδὲν παρεμπίπτειν, τὸν δὲ στόμαχον ἅμα τῇ ξηρᾷ τροφῇ καὶ τῆς ὑγρᾶς ἀναμιγνύμενόν τι μέρος ὑποδέχεσθαι· [d] [πιθανὸν γάρ ἐστι] τὴν [μὲν] γὰρ ἐπιγλωττίδα τῆς ἀρτηρίας προκεῖσθαι διάφραγμα καὶ ταμιεῖον, ὅπως ἀτρέμα καὶ κατ’ ὀλίγον διηθῆται τὸ ποτόν, ἀλλὰ μὴ ταχὺ μηδ’ ἄθρουν ἐπιρρακτὸν ἀποβιάζηται τὸ πνεῦμα καὶ διαταράττῃ· διὸ τοῖς ὄρνισιν οὐ γέγονεν ἐπιγλωσσὶς οὐδ’ ἔστιν· οὐδὲ γὰρ σπῶντες οὐδὲ λάπτοντες, ἀλλὰ κάπτοντες ‹καὶ› κατ’ ὀλίγον διέντες τὸ ποτὸν ἡσυχῇ τὴν ἀρτηρίαν διαίνουσι καὶ τέγγουσι. μαρτύρων μὲν οὖν ἅλις. ὁ δὲ λόγος τῷ Πλάτωνι πρῶτον ἐκ τῆς αἰσθήσεως ἔχει τὴν πίστιν· τῆς γὰρ ἀρτηρίας τρωθείσης οὐ καταπίνεται τὸ ὑγρόν, ἀλλ’ ὥσπερ ὀχετοῦ διακοπέντος ἐκπῖπτον [e] ἔξω καὶ ἀποκρουνίζον ὁρᾶται, καίπερ ὑγιοῦς καὶ ἀκεραίου τοῦ στομάχου μένοντος. ἔπει‹τα› πάντες ἴσμεν, ὅτι τοῖς περιπλευμονικοῖς πάθεσι δίψος ἕπεται περιφλεγέστατον ὑπὸ ξηρότητος ἢ θερμότητος ἤ τινος ἄλλης αἰτίας ἅμα τῇ φλεγμονῇ τὴν ὄρεξιν ἐμποιούσης· ὃ δὲ τούτου μεῖζόν ἐστι τεκμήριον, ὅσοις πλεύμων οὐκ ἐμπέφυκε τῶν ζῴων ἢ σφόδρα μικρὸς ἐμπέφυκε, ταῦτ’ οὐ δεῖται ποτοῦ τὸ παράπαν οὐδ’ ὀρέγεται, διὰ τὸ τῶν μορίων ἑκάστῳ σύμφυτον ὑπάρχειν τὴν πρὸς τοὔργον ἐπιθυμίαν, οἷς δ’ οὐκ ἔστι μόρια, μηδὲ χρείαν παρεῖναι μηδὲ προθυμίαν [f] τῆς δι’ αὐτῶν ἐνεργείας. ὅλως δὲ δόξει μάτην ἡ κύστις γεγονέναι τοῖς ἔχουσιν· εἰ γὰρ ὁ στόμαχος ἅμα τῷ σιτίῳ τὸ ποτὸν ἀναλαμβάνει καὶ τῇ κοιλίᾳ παραδίδωσιν, οὐθὲν ἰδίου πόρου δεῖται τὸ περίττωμα τῆς ὑγρᾶς τροφῆς, ἀλλ’ εἷς ἀρκεῖ καὶ κοινὸς ὥσπερ εὐδιαῖος ἀμφοτέροις εἰς ταὐτὸ διὰ ταὐτοῦ ‹συν›εισκομιζομένοις· νῦν δὲ χωρὶς μὲν ἡ κύστις γέγονεν, χωρὶς δὲ τὸ ἔντερον, ὅτι τὸ μὲν ἐκ τοῦ [700] [a] πλεύμονος βαδίζει, τὸ δ’ ἐκ τοῦ στομάχου, διακρινόμενον εὐθὺς περὶ τὴν κατάποσιν. ὅθεν οὐδ’ ἐπιφαίνεται τῷ ὑγρῷ τοῦ ξηροῦ περιττώματος οὐδέν, οὔτε χρόᾳ

προσεοικὸς οὔτ’ ὀσμῇ τὸ παράπαν· καίτοι φύσιν εἶχεν ἀναμιγνύμενον ἐν τῇ κοιλίᾳ κἀνδυόμενον ἀναπίμπλασθαι τῶν ἐκείνου ποιοτήτων καὶ μὴ καθαρὸν οὕτως ἀπηθεῖσθαι καὶ ἄχραντον. ἀλλ’ οὐδὲ λίθος ἐν κοιλίᾳ πώποτε συνέστη· καίτοι λόγον εἶχεν μηδὲν ἧττον ἢ ἐν κύστει συνίστασθαι καὶ πήγνυσθαι τὸ ὑγρόν, εἴπερ εἰς κοιλίαν ἐχώρει διὰ στομάχου πᾶν τὸ πινόμενον. ἀλλ’ ἔοικεν ὁ μὲν στόμαχος ἐκ τῆς ἀρτηρίας εὐθὺς ἕλκων τοῦ παροδεύοντος ὑγροῦ τὸ [b] ἱκανὸν καὶ τὸ μέτριον ἀποχρῆσθαι πρὸς μάλαξιν καὶ χύλωσιν τῆς τροφῆς, διὸ μηδὲν ὑγροῦ περίττωμα ποιεῖν· ὁ δὲ πλεύμων ὥσπερεὶ τὸ πνεῦμα καὶ τὸ ὑγρὸν ἐξ αὑτοῦ διανέμων τοῖς δεομένοις τὸ λοιπὸν ἐκκρίνειν εἰς τὴν κύστιν. εἰκότα γὰρ μακρῷ ταῦτα μᾶλλον ἐκείνων. τὸ δ’ ἀληθὲς ἴσως ἄληπτον ἔν γε τούτοις, καὶ οὐκ ἔδει πρὸς φιλόσοφον δόξῃ τε καὶ δυνάμει πρῶτον οὕτως ἀπαυθαδίσασθαι περὶ πράγματος ἀδήλου καὶ τοσαύτην ἀντιλογίαν ἔχοντος.’

ΠΡΟΒΛΗΜΑ Β

Τίς ὁ παρὰ ‹τῷ› Πλάτωνι κερασβόλος, καὶ διὰ τί τῶν σπερμάτων [c] ἀτεράμονα γίγνεται τὰ προσπίπτοντα τοῖς κέρασι τῶν βοῶν

Ἐν ταῖς Πλατωνικαῖς συναναγνώσεσιν ὁ λεγόμενος ‘κερασβόλος’ καὶ ‘ἀτεράμων’ (Legg. IX 853d) ζήτησιν ἀεὶ παρεῖχεν· οὐχ ὅστις εἴη, δῆλον γὰρ ἦν ὅτι τῶν σπερμάτων τὰ προσπίπτοντα τοῖς τῶν βοῶν κέρασιν ἀτεράμονα τὸν καρπὸν ἐκφύειν νομίζοντες οὕτως τὸν αὐθάδη καὶ σκληρὸν ἄνθρωπον ἐκ μεταφορᾶς κερασβόλον καὶ ἀτεράμονα προσηγόρευον· ἀλλὰ περὶ αὐτῆς διηπορεῖτο τῆς αἰτίας καθ’ ἣν τοῦτο πάσχει τὰ προσπίπτοντα τοῖς κέρασι [d] τῶν βοῶν σπέρματα. καὶ πολλάκις ἀπειπάμεθα τοῖς φίλοις, οὐχ ἥκιστα Θεοφράστου (fr. 175) δεδιττομένου τὸν λόγον, ἐν οἷς πολλὰ συναγήοχεν καὶ ἱστόρηκεν τῶν τὴν αἰτίαν ἀνεύρετον ἡμῖν ἐχόντων· οἷός ἐστιν ὁ τῶν ἀλεκτορίδων ὅταν τέκωσι περικαρφισμός, ἥ τε καταπίνουσα φώκη τὴν πυτίαν ἁλισκομένη, καὶ τὸ κατορυσσόμενον ὑπὸ τῶν ἐλάφων κέρας, καὶ τὸ ἠρύγγιον, ὃ μιᾶς αἰγὸς εἰς τὸ στόμα λαβούσης ἅπαν ἐφίσταται τὸ αἰπόλιον· ἐν τούτοις γὰρ καὶ τὰ κερασβόλα τῶν σπερμάτων προτίθεται, πρᾶγμα πίστιν ἔχον ὅτι γίγνεται, τὴν δ’ αἰτίαν ἔχον ἄπορον ἢ παγχάλεπον. ἀλλ’ ἔν γε Δελφοῖς [e] παρὰ δεῖπνον ἐπέθεντό τινες ἡμῖν τῶν ἑταίρων, ὡς οὐ μόνον (Callim. Schneideri II p. 786 fr. 378)

‘γαστρὸς ἀπὸ πλείης βουλὴν καὶ μῆτιν ἀμείνω’

γινομένην ἀλλὰ καὶ τὰς ζητήσεις πολὺ προθυμοτέρας καὶ θρασυτέρας τὰς ἀποφάνσεις τοῦ οἴνου ποιοῦντος, ἀξιοῦντες εἰπεῖν τι περὶ τοῦ προβλήματος.

Εἶχον μὲν οὖν ἀρνούμενος οὐ φαύλους συνηγόρους, Εὐθύδημον τὸν συνιερέα καὶ Πατροκλέα τὸν γαμβρόν, οὐκ ὀλίγα τοιαῦτα τῶν ἀπὸ γεωργίας καὶ κυνηγίας προφέροντας· οἷον ἐδόκει τὸ περὶ τὴν χάλαζαν εἶναι τὴν ὑπὸ

τῶν χαλαζοφυλάκων αἵματι σπάλακος ἢ ῥακίοις γυναικείοις [f] ἀποτρεπομένην· καὶ τὸ τῶν ἀγρίων ἐρινεῶν, ἃ ταῖς ἡμέροις περιαπτόμενα συκαῖς ἀπορρεῖν οὐκ ἐᾷ τὸν καρπὸν ἀλλὰ συνέχει καὶ συνεκπεπαίνει· καὶ τὸ τὰς ἐλάφους ἁλμυρὸν ἀφιέναι, τοὺς δὲ σῦς γλυκὺ τὸ δάκρυον ἁλισκομένους. 'ἀλλ' ἐὰν ταῦτ'' ἔφη 'ζητῇς' ὁ Εὐθύδημος, 'αὐτίκα δεήσει σε καὶ περὶ τοῦ σελίνου καὶ περὶ τοῦ κυμίνου διδόναι λόγον, ὧν τὸ μὲν ἐν τῷ βλαστάνειν καταπατοῦντες καὶ συντρίβοντες οἴονται βέλτιον αὐξάνεσθαι, [701] [a] τὸ δ' ‹ἂν› καταρώμενοι σπείρωσι καὶ λοιδοροῦντες.'

Ἐπεὶ δὲ τοῦτο μὲν ὁ Φλῶρος ᾤετο παιδιὰν εἶναι καὶ φλύαρον, ἐκείνων δ' οὐκ ἄν τινα τῆς αἰτίας ὡς ἀλήπτου προέσθαι τὴν ζήτησιν, 'ἐξεύρηκ'' ἔφην 'φάρμακον, ᾧ πρὸς τὸν λόγον †ἐφ' ἡμᾶς προσάξεις τοῦτον, ἵνα καὶ σὺ διαλύσῃς ἔνια τῶν ἐκκειμένων. δοκεῖ δή μοι ἡ ψυχρότης τὸ ἀτέραμον ἐμποιεῖν τοῖς τε πυροῖς καὶ τοῖς χέδροψι, πιέζουσα καὶ πηγνύουσα τὴν ἕξιν ἄχρι σκληρότητος, ἡ δὲ θερμότης ‹τὸ› εὐδιάλυτον καὶ μαλακόν. ὅθεν οὐκ ὀρθῶς οἱ λέγοντες †'ἔτος φέρει οὔτις ἄρουρα' †τὰ καθ' Ὁμήρου λέγουσιν· τὰ γὰρ ἔνθερμα φύσει χωρία, [b] κρᾶσιν εὐμενῆ τοῦ ἀέρος ἐνδιδόντος, ἐκφέρει μαλακωτέρους τοὺς καρπούς. ὅσα τοίνυν ἐκ τῆς χειρὸς εὐθὺς εἰς τὴν γῆν ἀφιέμεν' ἐμπίπτει τῶν σπερμάτων, ἐνδυόμενα καὶ λοχευόμενα τῇ κρύψει μᾶλλον ἀπολαύει τῆς ἐν τῇ γῇ θερμότητος καὶ ὑγρότητος· τὰ δὲ προσκρούοντα τοῖς κέρασι τῶν βοῶν οὐ τυγχάνει τῆς 'ἀρίστης' καθ' Ἡσίοδον (OD 471) 'εὐθημοσύνης', ἀλλὰ σφαλλόμενα καὶ παρολισθαίνοντα ῥιπτομένοις μᾶλλον ἢ σπειρομένοις προσέοικεν· ὅθεν ἢ φθείρουσιν αὐτὰ παντάπασιν αἱ ψυχρότητες ἢ δύστηκτα καὶ ἄχυμα καὶ ξυλώδη τοῖς χιτῶσι γυμνοῖς ἐπισκήπτουσαι ποιοῦσιν. ὁρᾷς γὰρ ὅτι καὶ τῶν λίθων τὰ ἔγγαια καὶ ζοφόδυτα μέρη μαλακώτερα τῶν ἐπιπολῆς [c] ἡ ἀλέα φυλάττει· διὸ καὶ κατορύττουσιν οἱ τεχνῖται τοὺς ἐργασίμους λίθους, ὥσπερ ἐκπεπαινομένους ὑπὸ τῆς θερμότητος· οἱ δ' ὕπαιθροι καὶ γυμνοὶ διὰ ψῦχος ἀντίτυποι καὶ δυσμετάβλητοι καὶ ἀτεράμονες ἀπαντῶσι τοῖς ἔργοις. τοὺς δὲ καρπούς, κἂν ἐπὶ τῆς ἅλω διαμείνωσι πλείω χρόνον ὑπαίθριοι καὶ γυμνοί, μᾶλλον ἀτεράμονας γίνεσθαι λέγουσιν τῶν εὐθὺς αἰρομένων. ἐνιαχοῦ δὲ καὶ πνεῦμα λικμωμένοις ἐπιγινόμενον ἀτεράμονας ποιεῖ διὰ τὸ ψῦχος, ὥσπερ ἐν Φιλίπποις τῆς Μακεδονίας ἱστοροῦσι· τοῖς δ' ἀποκειμένοις βοηθεῖ τὸ ἄχυρον. οὐ δεῖ δὲ θαυμάζειν [d] ἀκούοντας τῶν γεωργῶν, ὅτι καὶ δυεῖν αὐλάκων παραλλήλων ἡ μὲν ἀτεράμονας, ‹ἡ δὲ τεράμονας› ἐκφέρει τοὺς καρπούς, καὶ ὃ μέγιστόν ἐστι, τοὺς κυάμους τῶν λοβῶν οἱ μὲν τοίους οἱ δὲ τοίους, δηλονότι τοῖς μὲν ἧττον τοῖς δὲ μᾶλλον ἢ πνεύματος ψυχροῦ ‹προς›πεσόντος ‹ἢ› ὕδατος.'

ΠΡΟΒΛΗΜΑ Γ

Διὰ τί τοῦ μὲν οἴνου τὸ μέσον, τοῦ δ᾽ ἐλαίου τὸ ἐπάνω, τοῦ δὲ μέλιτος τὸ κατώτατον γίνεται βέλτιον

Ἀλεξίων ὁ πενθερὸς κατεγέλα τοῦ Ἡσιόδου παραινοῦντος (OD 368) ‘ἀρχομένου πίθου καὶ λήγοντος ἐμφορεῖσθαι, μεσσόθι δὲ φείδεσθαι,’ ὅπου τὸ χρηστότατον [e] οἰνάριον ἔστιν. ‘τίς γάρ’ ἔφη ‘οὐκ οἶδεν, ὅτι τοῦ μὲν οἴνου τὸ μέσον γίνεται βέλτιστον, τοῦ δ᾽ ἐλαίου τὸ ἀνωτάτω, τὸ δὲ κατωτάτω τοῦ μέλιτος; ὁ δ᾽ ἐᾶν ἐκέλευεν τὸν ἐν μέσῳ [οἶνον] καὶ περιμένειν, ἄχρι ἂν μεταβάλῃ πρὸς τὸ χεῖρον, ἀποδεοῦς τοῦ πίθου γενομένου.’ ῥηθέντων δὲ τούτων, χαίρειν ἐάσαντες τὸν Ἡσίοδον ἐπὶ τὸ ζητεῖν τὴν αἰτίαν τῆς διαφορᾶς ὡρμήσαμεν.

Ὁ μὲν οὖν τοῦ μέλιτος λόγος οὐ πάνυ πολλὰ πράγματα παρέσχεν ἡμῖν, πάντων ὡς ἔπος εἰπεῖν ἐπισταμένων, ὅτι τὸ κουφότατον ὑπὸ μανότητος κουφότατόν ἐστιν, τὸ δὲ πυκνὸν καὶ συνεχὲς διὰ βάρος ὑφίσταται τῷ λεπτῷ· [f] κἂν περιστρέψῃς τὸ ἀγγεῖον, αὖθις ὀλίγῳ χρόνῳ τὴν προσήκουσαν ἑκάτερον ἀπολαμβάνει χώραν, τοῦ μὲν κάτω φερομένου τοῦ δ᾽ ἐπιπολάζοντος. οὐ μὴν οὐδ᾽ ὁ οἶνος ἀπελείφθη πιθανῶν ἐπιχειρημάτων· πρῶτον μὲν γὰρ ἡ δύναμις αὐτοῦ, θερμότης οὖσα, πρὸς τὸ μέσον εὐλόγως δοκεῖ συνῆχθαι μάλιστα καὶ τοῦτο διατηρεῖν βέλτιστον· ἔπειτα τὸ μὲν κάτω διὰ τὴν τρύγα φαῦλον εἶναι, τὸ δ᾽ ἐξ [702] [a] ἐπιπολῆς τοῦ ἀέρος φθείρεσθαι πλησιάζοντος· ὅσων γὰρ ἐξίστησιν ὁ ἀὴρ τῆς ποιότητος τὸν οἶνον ἐπισφαλέστατον ἴσμεν ὄντα· διὸ καὶ κατορύττουσι τοὺς πίθους καὶ σκεπάζουσιν, ὅπως ὅτι σμικρότατος ἀὴρ αὐτῶν ἐπιψαύῃ. τὸ δὲ μέγιστον, οὐ φθείρει πλῆρες ἀγγεῖον οὕτως ῥᾳδίως οἶνον ὡς ἀποδεὲς γενόμενον· πολὺς γὰρ εἰς τὸ κενούμενον ἐπεισρέων ὁ ἀὴρ ἐξίστησι μᾶλλον· ἐν δὲ τοῖς μεστοῖς ὁ οἶνος αὐτὸς ὑφ᾽ αὑτοῦ συνέχεται, πολὺ τοῦ φθείροντος ἔξωθεν μὴ παραδεχόμενος.

Τὸ δ᾽ ἔλαιον οὐ φαύλην διατριβὴν παρέσχεν. ὁ μὲν γάρ τις ἔφη τὸ κάτω τοῦ ἐλαίου γίνεσθαι χεῖρον ἀπὸ τῆς ἀμόργης ἀναθολούμενον, οὐ τὸ ἄνω βέλτιον, ἀλλὰ δοκεῖν, [b] ὅτι πορρωτάτω τοῦ βλάπτοντός ἐστιν. ἄλλος ᾐτιᾶτο τὴν πυκνότητα, δι᾽ ἣν ἀμικτότατόν ἐστι καὶ τῶν ἄλλων ὑγρῶν οὐδὲν εἰς αὑτὸ δέχεται, πλὴν βίᾳ καὶ ὑπὸ πληγῆς ἀνακοπτόμενον· ὅθεν οὐδὲ τῷ ἀέρι δίδωσιν ἀνάμιξιν, ἀλλ᾽ ἀποστατεῖ διὰ λεπτότητα τῶν μορίων καὶ συνέχειαν, ὥσθ᾽ ἧττον ὑπ᾽ αὐτοῦ τρέπεσθαι μὴ κρατοῦντος. ἐδόκει δὲ πρὸς τοῦτον ὑπεναντιοῦσθαι τὸν λόγον Ἀριστοτέλης (fr. 224), τετηρηκώς, ὥς φησιν, εὐωδέστερόν τε γινόμενον καὶ βέλτιον ὅλως τὸ ἐν τοῖς ἀποκενουμένοις ἀγγείοις ἔλαιον· εἶτα τῷ ἀέρι τὴν αἰτίαν τῆς βελτιώσεως ἀνατίθησιν, πλείων

γάρ ἐστι καὶ κρατεῖ μᾶλλον εἰς ἀποδεὲς [c] κατερχόμενος τὸ ἀγγεῖον. ‘Μήποτ’ οὖν’ ἔφην ἐγώ ‘καὶ τὸ ἔλαιον ὁ ἀὴρ ὠφελεῖ καὶ βλάπτει τὸν οἶνον ἀπὸ τῆς αὐτῆς δυνάμεως; οἴνῳ μὲν γὰρ ὠφέλιμον, ἐλαίῳ δ’ ἀσύμφορον παλαίωσις, ἣν ἑκατέρου προσπίπτων ὁ ἀὴρ ἀφαιρεῖ· τὸ γὰρ ψυχόμενον νεαρὸν διαμένει, τὸ δ’ οὐκ ἔχον διαπνοὴν ὑπὸ συνεχείας ταχὺ παλαιοῦται καὶ ἀπογηράσκει [λελέχθαι πιθανῶς, ὅτι τοῖς ἐπιπολῆς πλησιάζων ὁ ἀὴρ νεαροποιεῖ]. διὸ τοῦ μὲν οἴνου τὸ ἄνω φαυλότατον τοῦ δ’ ἐλαίου βέλτιστον· ἡ γὰρ παλαίωσις τῷ μὲν τὴν ἀρίστην τῷ δὲ τὴν κακίστην ἐμποιεῖ διάθεσιν.’

ΠΡΟΒΛΗΜΑ Δ

Διὰ τί τοῖς πάλαι Ῥωμαίοις ἔθος ἦν μή‹τε› τράπεζαν αἰρομένην περιορᾶν κενὴν μήτε λύχνον σβεννύμενον

Φιλάρχαιος ‹ὢν› ὁ Φλῶρος οὐκ εἴα κενὴν ἀπαίρειν τὴν τράπεζαν, ἀλλ’ ἀεὶ τῶν ἐδωδίμων ἐπ’ αὐτῆς ὑπέλειπεν· ‘καὶ οὐ τοῦτο μόνον’ ἔφη ‘οἶδα τὸν πατέρα καὶ τὸν πάππον εὖ μάλα παραφυλάττοντας, ἀλλὰ μηδὲ λύχνον ἐῶντας ἀποσβεννύναι· καὶ γὰρ τοῦτο τοὺς παλαιοὺς Ῥωμαίους ἐξευλαβεῖσθαι· τοὺς δὲ νῦν εὐθὺς ἀποσβεννύναι μετὰ τὸ δεῖπνον, ὅπως μὴ μάτην τοὔλαιον ἀναλίσκωσι.’ παρὼν οὖν Εὔστροφος ‹ὁ› Ἀθηναῖος ‘εἶτ’’ ἔφη ‘τί πλέον αὐτοῖς, ἂν μὴ τὸ Πολυχάρμου τοῦ ἡμετέρου [e] σοφὸν ἐκμάθωσιν; ὃς πολὺν ἔφη σκεπτόμενος χρόνον, ὅπως οὐ κλέψουσι τοὔλαιον οἱ παῖδες, ἐξευρεῖν μόλις· εὐθὺς γὰρ ἀποπληροῦν τοὺς λύχνους ἀποσβεσθέντας, εἶτ’ ἐπισκοπεῖν τῇ ὑστεραίᾳ πάλιν, εἰ πλήρεις διαμένουσιν.’ γελάσας δ’ ὁ Φλῶρος ‘οὐκοῦν’ εἶπεν ‘ἐπεὶ τοῦτο τὸ πρόβλημα λέλυται, σκεψώμεθα τὸν λόγον, ᾧ τοὺς παλαιοὺς εἰκός ἐστι καὶ περὶ τοὺς λύχνους καὶ περὶ τὰς τραπέζας οὕτως εὐλαβεῖς γεγονέναι.’

Πρότερον οὖν ἐζητεῖτο περὶ τῶν λύχνων· καὶ ὁ μὲν γαμβρὸς αὐτοῦ Καισέρνιος ᾤετο τῇ πρὸς τὸ ἄσβεστον καὶ ἱερὸν πῦρ συγγενείᾳ παντὸς φθορὰν πυρὸς ἀφοσιώσασθαι τοὺς πρεσβυτέρους· δύο γὰρ εἶναι φθοράς, ὥσπερ [f] ἀνθρώπου, τὴν μὲν βίαιον σβεννυμένου, τὴν δ’ ὥσπερ κατὰ φύσιν ἀπομαραινομένου· τῷ μὲν οὖν ἱερῷ πρὸς ἀμφοτέρας ἀρήγειν, ἀεὶ τρέφοντας καὶ φυλάττοντας· τὸ δ’ ἄλλο δι’ αὐτοῦ περιορᾶν μαραινόμενον, αὐτοὺς δὲ μὴ βιάζεσθαι μηδὲ φθονεῖν ὥσπερ θρέμματος ἀφαιρουμένους τὸ ζῆν ἵνα μὴ μάτην τρέφοιτο.

Λεύκιος δ’ ὁ τοῦ Φλώρου υἱὸς τἄλλα μὲν ἔφη καλῶς λέγεσθαι, τὸ δ’ ἱερὸν πῦρ οὐκ ἄμεινον ἡγουμένους ἑτέρου πυρὸς οὐδὲ σεμνότερον οὕτω σέβεσθαι καὶ περιέπειν· [703] [a] ἀλλ’ ὥσπερ Αἰγυπτίων ἐνίους ‹μὲν› τὸ κυνῶν γένος ἅπαν σέβεσθαι καὶ τιμᾶν, ἐνίους δὲ τὸ λύκων ‹ἢ› κροκοδείλων, ἕνα μέντοι

τρέφειν τοὺς μὲν κύνα τοὺς δὲ κροκόδειλον τοὺς δὲ λύκον (οὐ γὰρ οἷόν τ' ἦν ἅπαντας), οὕτως ἐνταῦθα τὴν περὶ ἐκεῖνο θεραπείαν καὶ φυλακὴν τὸ πῦρ τῆς πρὸς ἅπαν εὐλαβείας εἶναι σύμβολον. 'οὐδὲν γὰρ ἄλλο μᾶλλον ἐμψύχῳ προσέοικεν ἢ πῦρ, κινούμενόν τε καὶ τρεφόμενον δι' αὑτοῦ καὶ τῇ λαμπρότητι δηλοῦν, ὥσπερ ἡ ψυχή, καὶ σαφηνίζον ἅπαντα· μάλιστα δὲ ταῖς σβέσεσιν αὐτοῦ καὶ φθοραῖς ἐμφαίνεται δύναμις οὐκ ἀμοιροῦσα [b] ζωτικῆς ἀρχῆς· βοᾷ γὰρ καὶ φθέγγεται καὶ ἀμύνεται, καθάπερ ἔμψυχον ἀποθνῆσκον βίᾳ καὶ φονευόμενον· ‹εἰ› μή τι σὺ λέγεις' ἔφη πρὸς ἐμὲ βλέψας 'βέλτιον.'

'Οὐδέν' εἶπον ἐγώ 'τῶν εἰρημένων αἰτιῶμαι· προσθείην δ' ἄν, ὅτι καὶ φιλανθρωπίας διδασκαλία τὸ ἔθος ἐστίν· οὔτε γὰρ τροφὴν ἀφανίζειν ὅσιον αὐτοὺς ἄδην ἔχοντας, οὔτε νάματος ἐμφορηθέντας πηγὴν ἀποτυφλοῦν καὶ ἀποκρύπτειν, οὔτε πλοῦ σημεῖα καὶ ὁδοῦ διαφθείρειν χρησαμένους, ἀλλ' ἐᾶν καὶ ἀπολείπειν τὰ χρήσιμα τοῖς δεησομένοις μεθ' ἡμᾶς. ὅθεν οὐδὲ φῶς λύχνου μὴ δεομένους ἀπολλύναι διὰ μικρολογίαν καλόν, [c] ἀλλὰ τηρεῖν καὶ ἀπολείπειν, εἴ τις ἔλθοι δεόμενος παρόντος ἔτι καὶ λάμποντος· καὶ γὰρ ὄψιν, εἰ δυνατὸν ἦν, καὶ ἀκοὴν χρῆσαι καλῶς εἶχεν ἑτέρῳ καὶ νὴ Δία τὴν φρόνησιν καὶ τὴν ἀνδρείαν, μέλλοντας αὐτοὺς καθεύδειν καὶ ἡσυχάζειν. ὅρα δ', εἰ καὶ μελέτης ἕνεκα τοῦ εὐχαρίστου τὰς τοιαύτας ἐφιέντες ὑπερβολὰς οὐκ ἀτόπως οἱ παλαιοὶ καὶ δρῦς ἐσέβοντο καρποφόρους καὶ συκῆν τινα προσηγόρευσαν ἱερὰν Ἀθηναῖοι καὶ μορίαν ἐκκόπτειν ἀπαγορεύουσιν· ταῦτα γὰρ οὐ ποιεῖ πρὸς δεισιδαιμονίαν ἐπιφόρους, ὡς ἔνιοί φασιν, ἀλλὰ προσεθίζει τὸ εὐχάριστον [d] ἡμῶν καὶ κοινωνικὸν ἐν τοῖς ἀναισθήτοις καὶ ἀψύχοις πρὸς ἀλλήλους. ὅθεν ὀρθῶς μὲν Ἡσίοδος οὐδ' (OD 748) 'ἀπὸ χυτροπόδων ἀνεπιρρέκτων' ἐᾷ παρατίθεσθαι σῖτον ἢ ὄψον, ἀλλ' ἀπαρχὰς τῷ πυρὶ καὶ γέρα τῆς διακονίας ἀποδιδόντας· εὖ δὲ Ῥωμαῖοι χρησάμενοι τοῖς λύχνοις ἣν ἔδοσαν οὐκ ἀφῃροῦντο τροφήν, ἀλλὰ χρῆσθαι ζῶν‹τας εἴων› καὶ λάμποντας.'

Ἐμοῦ δὲ ταῦτ' εἰπόντος ὁ Εὔστροφος 'ἆρ' οὖν' ἔφη 'τοῦτο καὶ τῷ περὶ τῆς τραπέζης λόγῳ πάροδον οἰκείαν δίδωσιν, οἰομένων δεῖν ἀεί τι καταλιπεῖν οἰκέταις ἀπὸ δείπνου καὶ παισὶν οἰκετῶν; χαίρουσι γὰρ οὐχ οὕτως λαμβάνοντες ὡς μεταλαμβάνοντες. διὸ καὶ τοὺς Περσῶν [e] βασιλεῖς φασιν οὐ μόνον φίλοις καὶ ἡγεμόσι καὶ σωματοφύλαξιν ἀποπέμπειν ἀεὶ μερίδας, ἀλλὰ καὶ τὸ τῶν δούλων καὶ τὸ τῶν κυνῶν ἀεὶ δεῖπνον ἐπὶ τῆς ἐκείνων προτίθεσθαι τραπέζης, ὡς ἀνυστὸν ἦν, πάντας οἷς ἐχρῶντο ποιουμένων ὁμοτραπέζους καὶ ὁμεστίους. ἡμεροῦται γὰρ τῇ τῆς τροφῆς μεταδόσει καὶ τὰ σκυθρωπότατα τῶν θηρίων.'

Ἐγὼ δὲ γελάσας 'ἐκεῖνον δ'' εἶπον 'ὦ ἑταῖρε, τὸν ἐκ τῆς παροιμίας 'ἀποκείμενον ἰχθῦν' οὐχ ἕλκομεν εἰς μέσον μετὰ τῆς Πυθαγορικῆς χοίνικος,

ἐφ’ ἧς ἀπηγόρευεν καθῆσθαι, διδάσκων ἡμᾶς ἀεί τι τοῦ παρόντος εἰς [f] τὸ μέλλον ὑπολείπειν καὶ τῆς αὔριον ἐν τῇ σήμερον μνημονεύειν; ἡμῖν μὲν οὖν τοῖς Βοιωτοῖς τὸ ‘λεῖπέ τι καὶ Μήδοις’ διὰ στόματός ἐστιν, ἐξ οὗ Μῆδοι τήν τε Φωκίδα καὶ τὰ ἔσχατα τῆς Βοιωτίας ἄγοντες καὶ φέροντες ἐπέτρεχον· ἀεὶ δὲ καὶ πανταχοῦ δεῖ πρόχειρον εἶναι τὸ ‘λεῖπέ τι καὶ ξένοις ἐπελθοῦσιν.’ ὡς ἔγωγε καὶ τοῦ Ἀχιλλέως κενὴν ἀεὶ καὶ λιμώδη καταλαμβανομένην αἰτιῶμαι τὴν τράπεζαν· [704] [a] τῶν τε γὰρ περὶ τὸν Αἴαντα καὶ τὸν Ὀδυσσέα πρέσβεων ἀφικομένων, οὐδὲν ἔχων ἕτοιμον ἀναγκάζεται (Ι 206) μαγειρεύειν ἐξ ὑπαρχῆς καὶ ὀψοποιεῖν, τόν τε Πρίαμον φιλοφρονεῖσθαι βουλόμενος πάλιν ‘ἀναΐξας ὄιν ἄργυφον’ σφάττει (Ω 621) καὶ διαιρεῖ καὶ ὀπτᾷ, πολὺ μέρος περὶ ταῦτ’ ἀναλίσκων τῆς νυκτός. ὁ δ’ Εὔμαιος, ἅτε δὴ θρέμμα γεγονὼς σοφοῦ σοφόν, οὐ πράγματ’ εἶχεν τοῦ Τελεμάχου ἐπιφανέντος, ἀλλ’ εὐθὺς ἑστιᾷ καθίσαντα, πίνακας κρεῶν παρατιθείς (π 50)

‘ὀπταλέων, ἅ ῥα τῇ προτέρῃ κατέλειπον ἔδοντες.’

εἰ δὲ τοῦτο δόξει μικρόν, ἐκεῖνό γ’ οὐ μικρόν, τὸ συστέλλειν [b] καὶ ἀνέχειν τὴν ὄρεξιν ἔτι παρούσης τῆς ἀπολαύσεως· ἧττον γὰρ ἐπιθυμοῦσι τῶν ἀπόντων οἱ ἐθισθέντες ἀπέχεσθαι τῶν παρόντων.’

Ὑπολαβὼν δ’ ὁ Λεύκιος ἔφη τῆς μάμμης ἀκηκοὼς μνημονεύειν, ὡς ἱερὸν μὲν ἡ τράπεζα, δεῖ δὲ τῶν ἱερῶν μηδὲν εἶναι κενόν. ‘ἐμοὶ δ’’ εἶπεν ‘ἐδόκει καὶ μίμημα τῆς γῆς ἡ τράπεζ’ εἶναι· πρὸς γὰρ τῷ τρέφειν ἡμᾶς καὶ στρογγύλη καὶ μόνιμός ἐστι καὶ καλῶς ὑπ’ ἐνίων ‘ἑστία’ καλεῖται. καθάπερ γὰρ τὴν γῆν ἀεί τι χρήσιμον ἔχειν καὶ φέρειν ἡμῖν ἀξιοῦμεν, οὕτως οὐδὲ τὴν τράπεζαν οἰόμεθα δεῖν κενὴν ὁρᾶν καὶ ἀνερμάτιστον ἀπολειπομένην.’

ΠΡΟΒΛΗΜΑ Ε

Ὅτι δεῖ μάλιστα τὰς διὰ τῆς κακομουσίας ἡδονὰς φυλάττεσθαι, καὶ πῶς φυλακτέον

Ἐν Πυθίοις Καλλίστρατος, τῶν Ἀμφικτυόνων ἐπιμελητής, αὐλῳδόν τινα πολίτην καὶ φίλον ὑστερήσαντα τῆς ἀπογραφῆς τοῦ μὲν ἀγῶνος εἶρξε κατὰ τὸν νόμον, ἑστιῶν δ’ ἡμᾶς παρήγαγεν εἰς τὸ συμπόσιον ἐσθῆτι καὶ στεφάνοις, ὥσπερ ἐν ἀγῶνι, μετὰ τοῦ χοροῦ κεκοσμημένον ἐκπρεπῶς. καὶ νὴ Δία κομψὸν ἦν ἀκρόαμα τὸ πρῶτον· [d] ἔπειτα διασείσας καὶ διακωδωνίσας τὸ συμπόσιον, ὡς ᾐσθάνετο τοὺς πολλοὺς ἐγκεκλικότας καὶ παρέχοντας ὑφ’ ἡδονῆς ὅ τι βούλοιτο χρῆσθαι καὶ καταυλεῖν καὶ ἀκολασταίνειν, ἀποκαλυψάμενος παντάπασιν ἐπεδείξατο τὴν μουσικὴν παντὸς οἴνου μᾶλλον μεθύσκουσαν τοὺς ὅπως ἔτυχεν καὶ ἀνέδην αὐτῆς ἐμφορουμένους· οὐδὲ γὰρ κατακειμένοις ἔτι βοᾶν ἐξήρκει καὶ κροτεῖν, ἀλλὰ τελευτῶντες ἀνεπήδων οἱ

πολλοὶ καὶ συνεκινοῦντο κινήσεις ἀνελευθέρους, πρεπούσας δὲ τοῖς κρούμασιν ἐκείνοις καὶ τοῖς μέλεσιν. ἐπεὶ δ’ ἐπαύσαντο καὶ κατάστασιν αὖθις [e] ὥσπερ ἐκ μανίας ὁ πότος ἐλάμβανεν, ἐβούλετο μὲν ὁ Λαμπρίας εἰπεῖν τι καὶ παρρησιάσασθαι πρὸς τοὺς νέους· ὀρρωδοῦντι δ’ ὅμως αὐτῷ μὴ λίαν ἀηδὴς γένηται καὶ λυπηρός, αὐτὸς ὁ Καλλίστρατος ὥσπερ ἐνδόσιμον παρέσχε τοιαῦτά τινα διαλεχθείς·

‘Ἀκρασίας μέν’ ἔφη ‘καὶ αὐτὸς ἀπολύω τὸ φιλήκοον καὶ φιλοθέαμον· οὐ μὴν Ἀριστοξένῳ γε (FHG II 288) συμφέρομαι παντάπασι, ταύταις μόναις φάσκοντι ταῖς ἡδοναῖς τὸ ‘καλῶς’ ἐπιλέγεσθαι· καὶ γὰρ ὄψα καλὰ καὶ μύρα καλοῦσι καὶ καλῶς γεγονέναι λέγουσιν δειπνήσαντες ἡδέως καὶ πολυτελῶς. δοκεῖ δέ μοι μηδ’ Ἀριστοτέλης (Eth. N. 1118a 23 ss. Probl. 950a 5 al.) αἰτίᾳ [f] δικαίᾳ τὰς περὶ θέαν καὶ ἀκρόασιν εὐπαθείας ἀπολύειν ἀκρασίας, ὡς μόνας ἀνθρωπικὰς οὔσας, ταῖς δ’ ἄλλαις καὶ τὰ θηρία φύσιν ἔχοντα χρῆσθαι καὶ κοινωνεῖν. ὁρῶμεν γὰρ ὅτι καὶ μουσικῇ πολλὰ κηλεῖται τῶν ἀλόγων, ὥσπερ ἔλαφοι σύριγξιν, ἵπποις δὲ μιγνυμέναις ἐπαυλεῖται νόμος, ὃν ἱππόθορον ὀνομάζουσιν· ὁ δὲ Πίνδαρός φησι κεκινῆσθαι πρὸς ᾠδήν (fr. 235 6 Appendic. fr. 140b 69)

‘ἁλίου δελφῖνος ὑπόκρισιν·

[705] [a] τὸν μὲν ἀκύμονος ἐν πόντου πελάγει

αὐλῶν ἐκίνησ’ ἐρατὸν μέλος·’

ὀρχούμενοι δὲ τοὺς ὥτους αἱροῦσι, χαίροντας τῇ ὄψει καὶ μιμητικῶς ἅμα δεῦρο κἀκεῖσε τοὺς ὤμους συνδιαφέροντας. οὐδὲν οὖν ὁρῶ τὰς τοιαύτας ἡδονὰς ἴδιον ἐχούσας, ‹ἢ› ὅτι μόναι τῆς ψυχῆς εἰσιν, αἱ δ’ ἄλλαι τοῦ σώματος καὶ περὶ τὸ σῶμα καταλήγουσιν· μέλος δὲ καὶ ῥυθμὸς καὶ ὄρχησις καὶ ᾠδὴ παραμειψάμεναι τὴν αἴσθησιν ἐν τῷ χαίροντι τῆς ψυχῆς ἀπερείδονται τὸ ἐπιτερπὲς καὶ γαργαλίζον. ὅθεν οὐδεμία τῶν τοιούτων ἡδονῶν ἀπόκρυφός ἐστιν οὐδὲ σκότους δεομένη καὶ τῶν τοίχων ‘περιθεόντων’, ὡς [b] οἱ Κυρηναϊκοὶ λέγουσιν, ἀλλὰ καὶ στάδια ταύταις καὶ θέατρα ποιεῖται, καὶ τὸ μετὰ πολλῶν θεάσασθαί τι καὶ ἀκοῦσαι ἐπιτερπέστερόν ἐστι καὶ σεμνότερον, οὐκ ἀκρασίας δήπου καὶ ἡδυπαθείας ἀλλ’ ἐλευθερίου διατριβῆς καὶ ἀστείας μάρτυρας ἡμῶν ὅτι πλείστους λαμβανόντων.’

Ταῦτα τοῦ Καλλιστράτου εἰπόντος ὁ Λαμπρίας ὁρῶν ἔτι μᾶλλον ἐκείνους τοὺς τῶν ἀκροαμάτων χορηγοὺς θρασυνομένους ‘οὐ τοῦτ’’ ἔφη ‘τὸ αἴτιον, ὦ παῖ Λέοντος, ἀλλά μοι δοκοῦσιν οὐκ ὀρθῶς οἱ παλαιοὶ παῖδα Λήθης τὸν Διόνυσον (ἔδει γὰρ πατέρα) προσαγορεύειν· ὑφ’ οὗ καὶ σὺ νῦν ἀμνημονεῖν ἔοικας, ὅτι τῶν περὶ τὰς [c] ἡδονὰς ἁμαρτανομένων τὰ μὲν ἀκρασία τὰ δ’ ἄγνοια ποιεῖ καὶ παρόρασις. ὅπου μὲν γὰρ ἡ βλάβη πρόδηλός ἐστι, ταῦτ’

ἀκρασίᾳ καταβιαζόμενοι τὸν λογισμὸν ἐξαμαρτάνουσιν· ὅσα δ’ οὐκ εὐθὺς οὐδὲ παραχρῆμα τῆς ἀκολασίας τὸν μισθὸν ἐπιτίθησι, ταῦθ’ ὑπ’ ἀγνοίας τοῦ βλάπτοντος αἱροῦνται καὶ πράττουσι. διὸ τοὺς μὲν περὶ ἐδωδὰς καὶ ἀφροδίσια καὶ πότους ἀστοχοῦντας, οἷς νόσοι τε πολλαὶ καὶ χρημάτων ὄλεθροι συνακολουθοῦσι καὶ τὸ κακῶς ἀκούειν, ἀκρατεῖς προσαγορεύομεν· ὡς Θεοδέκτην ἐκεῖνον εἰπόντα ‘χαῖρε φίλον φῶς’ ὀφθαλμιῶντα, τῆς ἐρωμένης ἐπιφανείσης· ‹ἢ› τὸν Ἀβδηρίτην Ἀνάξαρχον, (Timon. fr. 58 D)

[d] ‘ὅς ῥα καὶ εἰδώς,

ὡς φάσαν, ἄθλιος ἔσκε· φύσις δέ μιν ἔμπαλιν ἦγεν

ἡδονοπλήξ, τῇ πλεῖστοι ὑποτρείουσι σοφιστῶν.’

ὅσαι δὲ τῶν ἡδονῶν τοὺς περὶ γαστέρα καὶ αἰδοῖα καὶ γεῦσιν καὶ ὄσφρησιν ἀντιτεταγμένους αὐταῖς ‹καὶ› ὅπως οὐχ ἁλώσονται [καὶ] προσέχοντας ἐκπεριοδεύουσαι περὶ τὰ ὄμματα καὶ τὰ ὦτα λανθάνουσιν ἐνῳκισμέναι καὶ λοχῶσαι, ‹τού›τους ἐκείνων οὐδὲν ἧττον ἐμπαθεῖς ὄντας καὶ ἀκολάστους [καὶ] ἀκρατεῖς ὁμοίως οὐ καλοῦμεν· οὐ γὰρ εἰδότες ἀλλὰ δι’ ἀπειρίαν ὑποφέρονται, καὶ νομίζουσι τῶν ἡδονῶν εἶναι κρείττονες, ἂν ‹ἐν› θεάτροις ἄσιτοι καὶ ἄποτοι διημερεύσωσιν· ὥσπερ εἰ τῶν κεραμίων [e] μέγα φρονοίη τὸ ‹μὴ ἀπὸ› τῆς γαστρὸς αἱρόμενον ἢ τοῦ πυθμένος, ἐκ δὲ τῶν ὤτων ῥᾳδίως μεταφερόμενον· ὅθεν Ἀρκεσίλαος οὐδὲν ἔφη διαφέρειν τοῖς ὄπισθεν εἶναι κίναιδον ἢ τοῖς ἔμπροσθεν. δεῖ δὴ καὶ τὴν ἐν ὄμμασι καὶ τὴν ἐν ὠσὶν γαργαλίζουσαν μαλακίαν καὶ ἡδυπάθειαν φοβεῖσθαι, καὶ μήτε πόλιν ἀνάλωτον νομίζειν τὴν τὰς ἄλλας πύλας βαλανάγραις καὶ μοχλοῖς καὶ καταρράκταις ὀχυρὰς ἔχουσαν, εἰ διὰ μιᾶς οἱ πολέμιοι παρελθόντες ἔνδον εἰσίν, μήθ’ ἑαυτὸν ἀήττητον ὑφ’ ἡδονῆς, εἰ μὴ κατὰ τὸ Ἀφροδίσιον ἀλλὰ κατὰ τὸ Μουσεῖον ἑάλωκεν ἢ τὸ θέατρον· ὁμοίως γὰρ ἐγκέκλικε καὶ παραδέδωκε ταῖς [f] ἡδοναῖς ἄγειν καὶ φέρειν τὴν ψυχήν. αἱ δὲ παντὸς ὀψοποιοῦ καὶ μυρεψοῦ δριμύτερα καὶ ποικιλώτερα φάρμακα ‹τὰ› τῶν μελῶν καὶ τῶν ῥυθμῶν καταχεόμεναι τούτοις ἄγουσιν ἡμᾶς καὶ διαφθείρουσιν, αὑτῶν τρόπον τινὰ καταμαρτυροῦντας. τῶνδε γὰρ ‘οὔτε τι μεμπτὸν [706] [a] οὔτ’ ὧν μεταλλακτόν,’ ὡς Πίνδαρος ἔφη (fr. 220), τῶν ἐπὶ ταῖς τραπέζαις, ‘ὅσσ’ ἀγλαὰ χθὼν πόντου τε ῥιπαὶ φέρουσιν,’ ἄρτι παρακειμένων· ἀλλ’ οὔτ’ ὄψον οὐδὲν οὔτε σιτίον οὔθ’ ὁ βέλτιστος οὑτοσὶ πινόμενος οἶνος ἐξήγαγεν ὑφ’ ἡδονῆς φωνήν, οἷον ἄρτι τὰ αὐλήματα καὶ τὰ κρούματα τὴν οἰκίαν, εἰ μὴ καὶ τὴν πόλιν ἅπασαν, ἐμπέπληκε θορύβων καὶ κρότων καὶ ἀλαλαγμῶν. διὸ δεῖ μάλιστα ταύτας εὐλαβεῖσθαι τὰς ἡδονάς· ἰσχυρόταται γάρ εἰσιν, ἅτε δὴ μή, καθάπερ αἱ περὶ γεῦσιν καὶ ἁφὴν καὶ ὄσφρησιν, εἰς τὸ ἄλογον καὶ φυσικὸν ἀποτελευτῶσαι τῆς ψυχῆς, [b] ἀλλὰ τοῦ κρίνοντος ἁπτόμεναι καὶ

[τοῦ] φρονοῦντος· ἔπειτα ταῖς μὲν ἄλλαις ἡδυπαθείαις κἂν ὁ λογισμὸς ἐλλίπῃ διαμαχόμενος, ἀλλὰ τῶν παθῶν ἔνια πολλάκις ἐμποδών ἐστι· καὶ γὰρ ἐν ἰχθύων ἀγορᾷ μικρολογία καθαιρεῖ δάκτυλον ὀψοφάγου, καὶ πολυτελοῦς ἑταίρας ἀπέστρεψε φιλαργυρία φιλογυνίαν· ὥσπερ ἀμέλει παρὰ τῷ Μενάνδρῳ [παρὰ] τῶν συμποτῶν ἕκαστος ἐπιβουλευόμενος ὑπὸ τοῦ πορνοβοσκοῦ σοβαράν τινα παιδίσκην ἐπάγοντος αὐτοῖς (fr. 607)

‘κύψας καθ’ ἑαυτὸν τῶν τραγημάτων ἔφλα·’

χαλεπὸν γὰρ ὁ δανεισμὸς τῆς ἀκρασίας κόλασμα καὶ τὸ [c] λῦσαι βαλάντιον οὐ πάνυ ῥᾴδιον· ταύταις δὲ ταῖς ἐλευθερίαις λεγομέναις ‹περὶ› ὦτα καὶ ὄμματα φιλομούσοις καὶ φιλαύλοις μουσομανίαις προῖκα καὶ ἀμισθὶ τῶν ἡδονῶν πάρεστι πολλαχόθεν ἀρύτεσθαι καὶ ἀπολαύειν, ἐν ἀγῶσιν, ἐν θεάτροις, ἐν συμποσίοις, ἑτέρων χορηγούντων· ὅθεν ἕτοιμον τὸ διαφθαρῆναι τοῖς μὴ βοηθοῦντα καὶ παιδαγωγοῦντα τὸν λογισμὸν ἔχουσι.’

Γενομένης οὖν σιωπῆς ‘τί οὖν’ ἔφην ‘ποιοῦντα τὸν λογισμὸν ἢ τί λέγοντα βοηθεῖν ἀξιοῦμεν; οὐ γὰρ ἀμφωτίδας γε περιθήσει τὰς Ξενοκράτους (fr. 96 H.) ἡμῖν οὐδ’ ἀναστήσει μεταξὺ δειπνοῦντας, ἐὰν αἰσθώμεθα [d] λύρας ἁρμοζομένης ἢ κινουμένων αὐλῶν.’ ‘οὐ γὰρ οὖν’ εἶπεν ὁ Λαμπρίας, ‘ἀλλ’ ὁσάκις ἂν εἰς τὰς Σειρῆνας ἐμπέσωμεν, ἐπικαλεῖσθαι δεῖ τὰς Μούσας καὶ καταφεύγειν εἰς τὸν Ἑλικῶνα τὸν τῶν παλαιῶν. ἐρῶντι μὲν γὰρ πολυτελοῦς οὐκ ἔστι τὴν Πηνελόπην προσαγαγεῖν οὐδὲ συνοικίσαι τὴν Πάνθειαν· ἡδόμενον δὲ μίμοις καὶ μέλεσι καὶ ᾠδαῖς κακοτέχνοις καὶ κακοζήλοις ἔξεστι μετάγειν ἐπὶ τὸν Εὐριπίδην καὶ τὸν Πίνδαρον καὶ τὸν Μένανδρον, ‘ποτίμῳ λόγῳ ἁλμυρὰν ἀκοήν’ ὥς φησιν ὁ Πλάτων (Phaedr. 243d) ‘ἀποκλυζόμενον.’ ὥσπερ γὰρ οἱ μάγοι [e] τοὺς δαιμονιζομένους κελεύουσι τὰ Ἐφέσια γράμματα πρὸς αὑτοὺς καταλέγειν καὶ ὀνομάζειν, οὕτως ἡμεῖς ἐν τοῖς τοιούτοις τερετίσμασι καὶ σκιρτήμασι (Pind. fr. 208 6 704a, 10)

‘μανίαις τ’ ἀλαλαῖς τ’ ὀρινόμενοι ῥιψαύχενι σὺν κλόνῳ’

τῶν ἱερῶν καὶ σεμνῶν ἐκείνων γραμμάτων ἀναμιμνησκόμενοι καὶ παραβάλλοντες ᾠδὰς καὶ ποιήματα καὶ λόγους †κενοὺς οὐκ ἐκπλαγησόμεθα παντάπασιν ὑπὸ τούτων οὐδὲ πλαγίους παραδώσομεν ἑαυτοὺς ὥσπερ ὑπὸ ῥεύματος λείου φέρεσθαι.’

ΠΡΟΒΛΗΜΑ Ϛ

Περὶ τῶν λεγομένων σκιῶν, καὶ εἰ δεῖ βαδίζειν καλούμενον πρὸς ἑτέρους ὑφ’ ἑτέρων ἐπὶ δεῖπνον, καὶ πότε, καὶ παρὰ τίνας

[f] Τὸν Μενέλαον Ὅμηρος πεποίηκεν αὐτόματον ἑστιῶντι τοὺς ἀριστεῖς τῷ Ἀγαμέμνονι παραγινόμενον·

‘ᾔδεε γὰρ κατὰ θυμὸν ἀδελφεὸν ὡς ἐπονεῖτο·’(B 409)

καὶ τὴν ἄγνοιαν οὐ περιεῖδεν αὐτοῦ καταφανῆ γενομένην οὐδ’ ἤλεγξε τῷ μὴ ἐλθεῖν, ὥσπερ οἱ φιλομεμφεῖς καὶ δύσκολοι ταῖς τοιαύταις τῶν φίλων παροράσεσι καὶ ἀγνοίαις ἐπιτίθενται, τῷ ἀμελεῖσθαι μᾶλλον ἢ τῷ τιμᾶσθαι χαίροντες, [707] [a] ὅπως ἐγκαλεῖν ἔχωσιν. τὸ δὲ τῶν ἐπικλήτων ἔθος, οὓς νῦν σκιὰς καλοῦσιν, οὐ κεκλημένους αὐτοὺς ἀλλ’ ὑπὸ τῶν κεκλημένων ἐπὶ τὸ δεῖπνον ἀγομένους, ἐζητεῖτο πόθεν ἔσχε τὴν ἀρχήν· ἐδόκει δ’ ἀπὸ Σωκράτους, Ἀριστόδημον ἀναπείσαντος οὐ κεκλημένον εἰς Ἀγάθωνος ἰέναι σὺν αὐτῷ (Plat. Conv. 174a ss.) καὶ παθόντα τι γελοῖον· ἔλαθε γὰρ κατὰ τὴν ὁδὸν ὑπολειφθεὶς ὁ Σωκράτης, [b] ὁ δὲ προεισῆλθεν, ἀτεχνῶς σκιὰ προβαδίζουσα σώματος ἐξόπισθεν τὸ φῶς ἔχοντος. ὕστερον μέντοι περὶ τὰς τῶν ξένων ὑποδοχάς, μάλιστα τῶν ἡγεμονικῶν, ἀναγκαῖον ἐγίνετο τοῖς ἀγνοοῦσι τοὺς ἑπομένους καὶ τιμωμένους ἐπὶ τῷ ξένῳ ποιεῖσθαι τὴν κλῆσιν, ἀριθμὸν δ’ ὁρίζειν, ὅπως μὴ πάθωσιν ὃ παθεῖν συνέπεσε τῷ δεχομένῳ τὸν βασιλέα Φίλιππον ἐπὶ τῆς χώρας· ἧκε γὰρ ἄγων πολλούς, τὸ δὲ δεῖπνον οὐ πολλοῖς ἦν παρεσκευασμένον· ἰδὼν οὖν θορυβούμενον τὸν ξένον περιέπεμπε πρὸς τοὺς φίλους ἀτρέμα, χώραν πλακοῦντι καταλιπεῖν κελεύων· οἱ δὲ προσδοκῶντες ὑπεφείδοντο τῶν παρακειμένων καὶ πᾶσιν οὕτως ἐξήρκεσε τὸ δεῖπνον.

[c] Ἐμοῦ δὲ ταῦτα πρὸς τοὺς παρόντας ἀδολεσχοῦντος, ἔδοξε Φλώρῳ καὶ σπουδάσαι τι περὶ τῶν σκιῶν λεγομένων, διαπορήσαντας εἰ προσήκει τοῖς καλουμένοις οὕτω βαδίζειν καὶ συνακολουθεῖν. ὁ μὲν οὖν γαμβρὸς αὐτοῦ Καισέρνιος ὅλως ἀπεδοκίμαζε τὸ πρᾶγμα. μάλιστα μὲν γὰρ τῷ Ἡσιόδῳ (OD 342) πειθομένους ἔφη χρῆναι ‘τὸν φιλέοντ’ ἐπὶ δαῖτα καλεῖν’· εἰ δὲ μή, γνωρίμους αὑτῶν καὶ ἐπιτηδείους παρακαλεῖν ἐπὶ κοινωνίαν σπονδῆς καὶ τραπέζης καὶ λόγων ἐν οἴνῳ γινομένων καὶ φιλοφροσύνης. ‘νῦν δ’ ὥσπερ’ εἶπεν ‘οἱ τὰ πλοῖα ναυλοῦντες, ὅ τι ἂν φέρῃ τις, ἐμβάλλεσθαι παρέχουσιν, οὕτως ἡμεῖς τὰ συμπόσια παραδόντες [d] ἑτέροις πληροῦν ἀφίεμεν ἐκ τῶν προστυχόντων, ἄν τε χαρίεντες ὦσιν ἄν τε φαῦλοι. θαυμάσαιμι δ’ ἄν, εἰ χαρίεις ἀνὴρ ἐπίκλητος ἀφίκοιτο, μᾶλλον δ’ ἄκλητος, ὅν γε πολλάκις οὐδὲ γινώσκει τὸ παράπαν ὁ δειπνίζων· εἰ δὲ γινώσκων καὶ χρώμενος μὴ κέκληκεν, ἔτι γε μᾶλλον αἰσχύνη βαδίζειν πρὸς τοῦτον ὥσπερ ἐξελέγχοντα ‹καὶ› μετέχειν τῶν ἐκείνου τρόπον τινὰ βίᾳ καὶ ἄκοντος.

Εἰ δεῖ παρὰ πότον αὐλητρίσι χρῆσθαι

[b] Περὶ ἀκροαμάτων ἐν Χαιρωνείᾳ λόγοι παρὰ πότον ἐγένοντο Διογενιανοῦ τοῦ Περγαμηνοῦ παρόντος, καὶ πράγματ' εἴχομεν ἀμυνόμενοι βαθυπώγωνα σοφιστὴν ἀπὸ τῆς Στοᾶς, ὃς ἐπήγαγεν τὸν Πλάτωνα (Prot. 347c Conv. 176e) κατηγοροῦντα τῶν αὐλητρίσι χρωμένων παρ' οἶνον, ἀλλήλοις δὲ συγγίνεσθαι διὰ λόγου μὴ δυναμένων. καίτοι παρὼν ἀπὸ τῆς αὐτῆς παλαίστρας Φίλιππος ὁ Προυσιεὺς ἐᾶν ἐκέλευσεν τοὺς παρ' Ἀγάθωνι δαιτυμόνας ἐκείνους παντὸς αὐλοῦ καὶ πηκτίδων ἐπιτερπέστερα φθεγγομένους· οὐ γὰρ αὐλητρίδα παρόντων ἐκείνων ἐκπεσεῖν [c] θαυμαστὸν ἦν, ἀλλ' εἰ μὴ καὶ πότου καὶ σίτου λήθη κατελάμβανεν ὑφ' ἡδονῆς καὶ κηλήσεως τὸ συμπόσιον. Ὅτι βουλεύεσθαι παρὰ πότον οὐχ ἧττον ἦν Ἑλληνικὸν ἢ Περσικόν

Περὶ ὧν ἔμελλον ἐκκλησιάζειν Ἀθηναῖοι λόγος ἦν παρὰ τὸ δεῖπνον, ἑστιῶντος ἡμᾶς Νικοστράτου· καί τινος εἰπόντος ὡς 'Περσικὸν πρᾶγμα ποιοῦμεν, ὦ ἄνδρες, βουλευόμενοι παρ' οἶνον,' 'τί μᾶλλον' ἔφη ὁ Γλαυκίας ὑπολαβών '‹ἢ› Ἑλληνικόν; Ἕλλην μὲν γὰρ ἦν ὁ εἰπών (Callim. Schneideri II p. 786 fr. 378)

ΠΡΟΒΛΗΜΑ Ι

Εἰ καλῶς ἐποίουν βουλευόμενοι παρὰ πότον

Ταῦτα τοῦ Γλαυκίου διεξελθόντος, ἔδοξαν ἡμῖν ἐπιεικῶς οἱ θορυβώδεις ἐκεῖνοι κατακεκοιμῆσθαι λόγοι, καὶ ὅπως ἔτι μᾶλλον αὐτῶν ἀμνηστία γένοιτο, ζήτησιν ἑτέραν ἐπάγων Νικόστρατος ἔφη πρότερον οὐ πάνυ μέλειν αὐτῷ Περσικοῦ τοῦ πράγματος εἶναι δοκοῦντος· ἐπεὶ δὲ νῦν Ἑλληνικὸν ὂν πεφώραται, δεῖσθαι λόγου βοηθοῦντος αὐτῷ πρὸς τὴν αὐτόθεν φαινομένην ἀτοπίαν. ‘ὅ τε γὰρ λογισμὸς ὥσπερ ὀφθαλμὸς ἐν ὑγρῷ σάλον ἔχοντι δυσκίνητον ἡμῖν καὶ δύσεργόν ἐστι, τά τε πάθη πανταχόθεν [e] ὥσπερ ἑρπετὰ πρὸς ἥλιον σαλευόμενα πρὸς τὸν οἶνον καὶ ἀναδυόμενα τὴν γνώμην ἐπισφαλῆ ποιεῖ καὶ ἀκατάστατον. ὅθεν ὥσπερ ἡ κλίνη τοῖς πίνουσι τῆς καθέδρας ἀμείνων, ὅτι τὸ σῶμα κατέχει καὶ ἀπολύει κινήσεως ἁπάσης, οὕτως ἔχειν ἀτρέμα τὴν ψυχὴν ἄριστον· εἰ δὲ μή, δοτέον, ὥσπερ παισὶν ἀτρεμεῖν μὴ δυναμένοις, οὐ δόρυ καὶ ξίφος, ἀλλὰ πλαταγὴν καὶ σφαῖραν, ὥσπερ ὁ θεὸς τὸν νάρθηκα τοῖς μεθύουσιν ἐνεχείρισε κωφότατον βέλος καὶ μαλακώτατον ἀμυντήριον, ὅπως, ἐπεὶ τάχιστα παίουσιν, ἥκιστα βλάπτωσιν· δεῖ γὰρ γελοῖα τὰ σφάλματα τοῖς μεθύουσι ποιεῖν, οὐκ οἰκτρὰ καὶ τραγικὰ καὶ μεγάλας [f] ἀποτεύξεις ἔχοντα. καὶ μήν, ὅπερ ἐστὶ μέγιστον ἐν ταῖς περὶ τῶν μεγίστων σκέψεσι, τὸν [μὲν] ἐνδεᾶ νοῦ καὶ πραγμάτων ἄπειρον ἕπεσθαι τοῖς φρονοῦσι καὶ τῶν ἐμπείρων ἀκούειν, ἀφαιρεῖται τοὺς μεθύοντας ὁ οἶνος· [715] [a] ὥστε καὶ τοὔνομα γενέσθαι φησὶν ὁ Πλάτων (Crat. 406c) ‘ὅτι οἴεσθαι νοῦν ἔχειν ποιεῖ’ τοὺς πίνοντας· οὔτε γὰρ ἐλλόγιμος οὔτε καλὸς οὔτε πλούσιος οὕτως

οἴεται, καίπερ οἰόμενος, εἶναι τῶν πινόντων ἕκαστος ὡς φρόνιμος· διὸ καὶ πολύφωνος ὁ οἶνός ἐστι καὶ λαλιᾶς ἀκαίρου καὶ φρονήματος ἡγεμονικοῦ καταπίμπλησιν, ὡς οὐκ ἀκούειν ἀλλ' ἀκούεσθαι μᾶλλον ἡμῖν καὶ ἄγειν οὐχ ἕπεσθαι προσῆκον. ἀλλὰ γάρ' ἔφη 'τὰ μὲν εἰς τοῦτο ῥᾳδίως ἄν τις συναγάγοι, δῆλα γάρ ἐστιν· τῶν δ' ἐναντίων ἀκουστέον εἴ τις ἢ νέος προσέστηκεν ἢ πρεσβύτερος.'

Ἐπιβούλως δὴ πάνυ καὶ σοφιστικῶς ὁ ἀδελφὸς [b] ἡμῶν 'οἴει γὰρ ἄν' ἔφη 'τινὰ τοὺς ἐνδεχομένους λόγους εὑρεῖν ἐν τῷ παρόντι καιρῷ πρὸς τὸ πρόβλημα;' τοῦ δὲ Νικοστράτου πάνυ φήσαντος οἴεσθαι, τοσούτων φιλολόγων καὶ πολιτικῶν παρόντων, ὑπομειδιάσας ἐκεῖνος 'εἶτ'' ἔφη 'περὶ τούτων μὲν οἴει καὶ σεαυτὸν ἱκανῶς ἂν εἰπεῖν πρὸς ἡμᾶς, πρὸς δὲ πραγματικὴν καὶ πολιτικὴν σκέψιν ἀθέτως ἔχειν διὰ τὸν οἶνον; ἢ τοῦθ' ὅμοιόν ἐστι τῷ νομίζειν ὅτι ταῖς ὄψεσιν ὁ πίνων †γὰρ εὖ μεταβλέπει, αὖθις δὲ τοῖς ὠσὶ παρακούει τῶν ἐντυγχανόντων καὶ διαλεγομένων, τῶν δ' ᾀδόντων καὶ αὐλούντων ἀκριβῶς ἀκούει; ὡς γὰρ ἐνταῦθα μᾶλλον εἰκός ἐστι τῶν γλαφυρῶν τὰ χρειώδη τὴν αἴσθησιν ἐπιστρέφειν, οὕτως καὶ τὴν διάνοιαν οὐ θαυμάσαιμί γ' ἂν εἴ τι τῶν φιλοσόφων καὶ περιττῶν ἐκφύγοι παρ' οἶνον, εἰς δὲ πραγματικὰς σκέψεις ἀγομένην πυκνοῦσθαι καὶ συνίστασθαι τῷ φρονεῖν εἰκός ἐστιν· ὥσπερ ὁ Φίλιππος ἐν Χαιρωνείᾳ, πολλὰ ληρῶν ὑπὸ μέθης καὶ καταγέλαστος ὤν, ἅμα τῷ προσπεσεῖν αὐτῷ περὶ σπονδῶν καὶ εἰρήνης λόγον ἔστησε τὸ πρόσωπον καὶ συνήγαγε τὰς ὀφρῦς καὶ τὸ ῥεμβῶδες καὶ ἀκόλαστον ἐκσοβήσας εὖ μάλα βεβουλευμένην καὶ νήφουσαν ἔδωκε τοῖς Ἀθηναίοις ἀπόκρισιν. καίτοι τὸ πίνειν τοῦ [c] μεθύειν διαφέρει, καὶ τοὺς μεθύοντας ὥστε ληρεῖν οἰόμεθα δεῖν ἀπιόντας καθεύδειν, οἴνῳ δὲ χρωμένους ἐπὶ πλέον καὶ διαπίνοντας, ἄλλως νοῦν ἔχοντας ἄνδρας, οὐκ ἄξιον δεδιέναι μὴ σφαλῶσι τῷ λογισμῷ καὶ τὴν ἐμπειρίαν ἀποβάλωσιν, ‹ὁρῶντας› ὀρχηστάς τε καὶ κιθαριστὰς οὐδέν τι χεῖρον ἐν συμποσίοις ἢ θεάτροις πράττοντας· ἡ γὰρ ἐμπειρία παροῦσα καὶ τὸ σῶμα ταῖς ἐνεργείαις ὀρθούμενον παρέχει καὶ συγκινούμενον ἀσφαλῶς. πολλοῖς δ' ἰταμότητα θάρσους συνεργὸν ὁ ἄκρατος, οὐ [δὲ] βδελυρὰν οὐδ' ἄκρατον ἀλλ' εὔχαριν καὶ πιθανήν, προστίθησιν· ὥσπερ καὶ τὸν Αἰσχύλον ἱστοροῦσι τὰς [d] τραγῳδίας ἐμπίνοντα ποιεῖν, καὶ οὐχ, ὡς Γοργίας (fr. 24) εἶπεν, ἓν τῶν δραμάτων αὐτοῦ 'μεστὸν Ἄρεως' εἶναι, τοὺς Ἕπτ' ἐπὶ Θήβας, ἀλλὰ πάντα Διονύσου. 'θερμαντικὸς' γὰρ ὢν κατὰ τὸν Πλάτωνα (Tim. 60a) 'τῆς ψυχῆς μετὰ τοῦ σώματος ὁ οἶνος' εὔδρομον τὸ σῶμα ποιεῖ καὶ πόρους ῥήγνυσι φαντασιῶν ἐφελκομένων μετὰ τοῦ θαρρεῖν τὸν λόγον· ἔνιοι γὰρ εὑρετικὴν φύσιν ἔχοντες, ἐν δὲ τῷ νήφειν ἀτολμοτέραν καὶ πεπηγυῖαν, ὅταν εἰς τὸ πίνειν

ἔλθωσιν ὥσπερ ὁ λιβανωτὸς ὑπὸ θερμότητος ἀναθυμιῶνται. τὸν δὲ δὴ φόβον οὐδενὸς ἧττον ἐμποδὼν ὄντα βουλευομένοις ἐξελαύνει, καὶ πολλὰ τῶν ἄλλων παθῶν ἀφιλότιμα [e] καὶ ἀγεννῆ κατασβέννυσι, καὶ ‹τὸ› κακόηθες καὶ τὸ ὕπουλον ὥσπερ τινὰς διπλόας ἀναπτύσσει τῆς ψυχῆς, καὶ παντὸς ἤθους καὶ πάθους ποιεῖ καταφάνειαν ἐν τοῖς λόγοις· ἔστι [716] [a] δὲ παρρησίας καὶ δι' αὐτὴν ἀληθείας γονιμώτατος· ἧς μὴ παρούσης οὐδὲν ἐμπειρίας οὐδ' ἀγχινοίας ὄφελος. ἀλλὰ πολλοὶ τῷ ἐπιόντι χρώμενοι μᾶλλον κατορθοῦσιν ἢ ‹εἰ› κρύπτουσιν ἐπιβούλως καὶ πανούργως τὸ παριστάμενον. οὐδὲν οὖν δεῖ δεδιέναι κινοῦντα τὰ πάθη τὸν οἶνον· κινεῖ γὰρ οὐ τὰ φαυλότατα, πλὴν ἐν τοῖς κακίστοις, ὧν οὐδέποτε νήφει τὸ βουλευόμενον· ἀλλ' ὥσπερ τὰ κουρεῖα Θεόφραστος (fr. 76 Wi.) εἰώθει καλεῖν ἄοινα συμπόσια διὰ τὴν λαλιάν, οὕτως ἄοινος ἀεὶ μέθη καὶ σκυθρωπὴ ταῖς τῶν ἀπαιδεύτων ἐνοικεῖ ψυχαῖς, ἐπιταραττομένη ὑπ' ὀργῆς τινος ἢ δυσμενείας ἢ φιλονεικίας ἢ ἀνελευθερίας· ὧν ὁ οἶνος ἀμβλύνων τὰ πολλὰ μᾶλλον ἢ παροξύνων οὐκ ἄφρονας [b] οὐδ' ἠλιθίους ἀλλ' ἁπλοῦς ποιεῖ καὶ ἀπανούργους, οὐδὲ παροραтικοὺς τοῦ συμφέροντος ἀλλὰ τοῦ καλοῦ προαιρετικούς. οἱ δὲ τὴν πανουργίαν δεινότητα καὶ φρόνησιν ἡγούμενοι τὴν ψευδοδοξίαν καὶ ἀνελευθερίαν εἰκότως ἀβελτέρους ἀποφαίνουσι τοὺς ἐν οἴνῳ λέγοντας ἀφελῶς καὶ ἀδόλως τὸ φαινόμενον· τοὐναντίον δ' οἱ παλαιοὶ τὸν θεὸν Ἐλευθερέα καὶ Λύσιον ἐκάλουν καὶ μαντικῆς πολλὴν ἔχειν ἡγοῦντο μοῖραν, οὐ διὰ 'τὸ βακχεύσιμον καὶ μανιῶδες' ὥσπερ Εὐριπίδης (Bacch. 298) εἶπεν, ἀλλ' ὅτι τὸ δουλοπρεπὲς καὶ περιδεὲς καὶ ἄπιστον ἐξαιρῶν καὶ ἀπολύων [c] τῆς ψυχῆς ἀληθείᾳ καὶ παρρησίᾳ χρῆσθαι πρὸς ἀλλήλους δίδωσιν.'

ΣΥΜΠΟΣΙΑΚΩΝ ΒΙΒΛΙΟΝ ΟΓΔΟΟΝ

[d] Οἱ φιλοσοφίαν, ὦ Σόσσιε Σενεκίων, ἐκ τῶν συμποσίων ἐκβάλλοντες οὐ ταὐτὸ ποιοῦσι τοῖς τὸ φῶς ἀναιροῦσιν, ἀλλὰ χεῖρον, ὅσῳ λύχνου μὲν ἀρθέντος οἱ μέτριοι καὶ σώφρονες οὐδὲν ἔσονται κακίους, τὸ αἰδεῖσθαι τοῦ βλέπειν ἀλλήλους μεῖζον ἔχοντες, ἀμαθίας δὲ δὴ καὶ ἀμουσίας σὺν οἴνῳ παρούσης οὐδ' ὁ τῆς Ἀθηνᾶς χρυσοῦς [e] λύχνος ἐκεῖνος εὔχαριν ἂν πότον καὶ κόσμιον παράσχοι. σιωπῶντας μὲν γὰρ ἐμπίπλασθαι μετ' ἀλλήλων κομιδῇ συῶδες καὶ ἴσως ἀδύνατον· ὁ δὲ λόγον μὲν ἀπολιπὼν ἐν συμποσίῳ, τὸ δὲ τεταγμένως χρῆσθαι λόγῳ καὶ ὠφελίμως οὐ προσιέμενος πολὺ γελοιότερός ἐστιν τοῦ πίνειν μὲν οἰομένου δεῖν καὶ τρώγειν τοὺς δειπνοῦντας, ἄκρατον δὲ τὸν οἶνον αὐτοῖς ἐγχέοντος καὶ τοὔψον ἀνήδυντον καὶ ἀκάθαρτον παρατιθέντος. οὔτε γὰρ ποτὸν οὐδὲν οὔτ' ἐδεστὸν οὕτως ἀηδὲς καὶ βλαβερόν ἐστιν μὴ θεραπευθὲν ὃν προσήκει τρόπον, ὡς λόγος ἀκαίρως καὶ ἀνοήτως ἐν [f] συμποσίῳ περιφερόμενος. τὴν γοῦν μέθην οἱ

λοιδοροῦντες φιλόσοφοι λήρησιν πάροινον ἀποκαλοῦσιν· τὸ δὲ ληρεῖν οὐδέν ἐστιν ἀλλ' ἢ λόγῳ κενῷ χρῆσθαι καὶ φλυαρώδει· λαλιᾶς δ' ἀτάκτου καὶ φλυαρίας εἰς ἄκρατον ἐμπεσούσης ὕβρις καὶ παροινία τέλος ἀμουσότατον καὶ ἀχαριστότατον.

[717] [a] οὐ φαύλως οὖν καὶ παρ' ἡμῖν ἐν τοῖς Ἀγριωνίοις τὸν Διόνυσον αἱ γυναῖκες ὡς ἀποδεδρακότα ζητοῦσιν, εἶτα παύονται καὶ λέγουσιν ὅτι πρὸς τὰς Μούσας καταπέφευγεν καὶ κέκρυπται παρ' ἐκείναις, μετ' ὀλίγον δέ, τοῦ δείπνου τέλος ἔχοντος, αἰνίγματα καὶ γρίφους ἀλλήλαις προβάλλουσιν, τοῦ μυστηρίου διδάσκοντος, ὅτι λόγῳ τε δεῖ χρῆσθαι παρὰ πότον θεωρίαν τινὰ καὶ μοῦσαν ἔχοντι καὶ λόγου τοιούτου τῇ μέθῃ παρόντος ἀποκρύπτεται τὸ ἄγριον καὶ μανικόν, ὑπὸ τῶν Μουσῶν εὐμενῶς κατεχόμενον. ἃ τοίνυν ἐν τοῖς Πλάτωνος γενεθλίοις πέρυσι καὶ ἀκοῦσαι καὶ εἰπεῖν συνέτυχεν ἡμῖν, πρῶτα τοῦτο περιέχει τὸ βυβλίον· ἔστι δὲ τῶν Συμποσιακῶν ὄγδοον.

ΠΡΟΒΛΗΜΑ Α

Περὶ ἡμερῶν ἐν αἷς γεγόνασί τινες τῶν ἐπιφανῶν· ἐν ᾧ καὶ περὶ τῆς λεγομένης ἐκ θεῶν γενέσεως

[b] Τῇ ἕκτῃ τοῦ Θαργηλιῶνος ἱσταμένου τὴν Σωκράτους ἀγαγόντες γενέθλιον τῇ ἑβδόμῃ τὴν Πλάτωνος ἤγομεν, καὶ τοῦτο πρῶτον λόγους ἡμῖν παρεῖχε τῇ συντυχίᾳ πρέποντας, ὧν κατῆρξεν Διογενιανὸς ὁ Περγαμηνός. ἔφη γὰρ οὐ φαύλως εἰπεῖν Ἴωνα (Vorsokr. 36 B 3) περὶ τῆς τύχης ὅτι πολλὰ τῆς σοφίας διαφέρουσα πλεῖστ' αὐτῇ ὅμοια ποιεῖ· τοῦτο μέντοι μουσικῶς ἔοικεν ἀπαυτοματίσαι τὸ μὴ μόνον οὕτω σύνεγγυς, ἀλλὰ καὶ πρότερον τῇ τάξει γεγονέναι τὸν πρεσβύτερον καὶ καθηγητήν. ἐμοὶ δὲ πολλὰ λέγειν ἐπῄει τοῖς παροῦσι τῶν εἰς ταὐτὸ καιροῦ συνδραμόντων· οἷον ἦν τὸ περὶ τῆς Εὐριπίδου γενέσεως [c] καὶ τελευτῆς, γενομένου μὲν ἡμέρᾳ καθ' ἣν οἱ Ἕλληνες ἐναυμάχουν ἐν Σαλαμῖνι πρὸς τὸν Μῆδον, ἀποθανόντος δὲ καθ' ἣν ἐγεννήθη Διονύσιος ὁ πρεσβύτερος τῶν ἐν Σικελίᾳ τυράννων· ἅμα τῆς τύχης, ὡς Τίμαιος (FHG I 223) ἔφη, τὸν μιμητὴν ἐξαγούσης τῶν τραγικῶν παθῶν καὶ τὸν ἀγωνιστὴν ἐπεισαγούσης. ἐμνήσθησαν δὲ καὶ τῆς Ἀλεξάνδρου τοῦ βασιλέως τελευτῆς καὶ τῆς Διογένους τοῦ Κυνὸς ἡμέρᾳ μιᾷ γενομένης. καὶ τὸν μὲν Ἄτταλον ἐν τοῖς ἑαυτοῦ γενεθλίοις τὸν βασιλέα τελευτῆσαι συνεφωνεῖτο· Πομπήιον δὲ Μᾶγνον οἱ μὲν ἐν τοῖς γενεθλίοις ἔφασαν, οἱ δὲ πρὸ μιᾶς ἡμέρας τῶν γενεθλίων ἀποθανεῖν [d] περὶ Αἴγυπτον. ἧκεν δὲ καὶ Πίνδαρος ἐπὶ μνήμην ἐν Πυθίοις γενόμενος, πολλῶν καὶ καλῶν ὕμνων τῷ θεῷ χορηγός.

Ὁ δὲ Φλῶρος οὐδὲ Καρνεάδην ἀπαξιοῦν ἔφη μνήμης ἐν τοῖς Πλάτωνος γενεθλίοις, ἄνδρα τῆς Ἀκαδημίας εὐκλεέστατον ὀργιαστήν· Ἀπόλλωνος γὰρ

ἀμφοτέρους ἑορτῇ γενέσθαι, τὸν μὲν [γὰρ] Θαργηλίοις Ἀθήνησιν, τὸν δὲ Κάρνεια Κυρηναίων ἀγόντων· ‘ἑβδόμῃ δ’ ἀμφοτέρας ἑορτάζουσιν, καὶ τὸν θεὸν ὡς ταύτῃ γενόμενον ὑμεῖς’ εἶπεν ‘οἱ προφῆται καὶ ἱερεῖς Ἑβδομαγενῆ καλεῖτε. διὸ τοὺς Ἀπόλλωνι τὴν Πλάτωνος τέκνωσιν ἀνατιθέντας οὐκ ἂν οἶμαί τινα φάναι καταισχύνειν τὸν θεόν, ἐπὶ μείζονα [e] πάθη καὶ νοσήματα τοῦτον ἡμῖν διὰ Σωκράτους ἰατρὸν ὥσπερ ἑτέρου Χείρωνος ἀπειργασμένον.’ ἅμα δὲ τῆς λεγομένης Ἀρίστωνι τῷ Πλάτωνος πατρὶ γενέσθαι καθ’ ὕπνον ὄψεως καὶ φωνῆς ἀπαγορευούσης μὴ συγγενέσθαι τῇ γυναικὶ μηδ’ ἅψασθαι δέκα μηνῶν ἐμνημόνευσεν.

Ὑπολαβὼν δὲ Τυνδάρης ὁ Λακεδαιμόνιος ‘ἄξιον μέν ἐστιν’ ἔφη ‘περὶ Πλάτωνος ᾄδειν καὶ λέγειν τὸ (Ω 258)

‘οὐδὲ ἐῴκει

ἀνδρός γε θνητοῦ πάις ἔμμεναι ἀλλὰ θεοῖο·’

τοῦ δὲ θείου δέδια μὴ δόξῃ τῷ ἀφθάρτῳ μάχεσθαι τὸ γεννῶν οὐχ ἧττον ἢ τὸ γεννώμενον· μεταβολὴ γάρ τις [f] καὶ αὐτὴ καὶ πάθος· ὥς που καὶ Ἀλέξανδρος ὑπενόησεν, εἰπὼν μάλιστα θνητὸν καὶ φθαρτὸν ἐπιγινώσκειν ἑαυτὸν ἐν τῷ συγγίνεσθαι γυναικὶ καὶ καθεύδειν, ὡς τὸν μὲν ὕπνον ἐνδόσει γινόμενον ὑπ’ ἀσθενείας, γένεσιν δὲ πᾶσαν [718] [a] οἰκείου τινὸς εἰς ἕτερον ἔκστασιν καὶ φθορὰν οὖσαν. ἀναθαρρῶ δὲ πάλιν αὐτοῦ Πλάτωνος (Tim. 28c al.) ἀκούων πατέρα καὶ ποιητὴν τοῦ τε κόσμου καὶ τῶν ἄλλων γεννητῶν τὸν ἀγέννητον καὶ ἀίδιον θεὸν ὀνομάζοντος, οὐ διὰ σπέρματος δήπου γενομένων, ἄλλῃ δὲ δυνάμει τοῦ θεοῦ τῇ ὕλῃ γόνιμον ἀρχήν, ὑφ’ ἧς ἔπαθεν καὶ μετέβαλεν, ἐντεκόντος·

‘λήθουσι γάρ τοι κἀνέμων διέξοδοι

θήλειαν ὄρνιν, πλὴν ὅταν παρῇ τόκος’ (Soph. fr. 436)·

καὶ οὐδὲν οἴομαι δεινόν, εἰ μὴ πλησιάζων ὁ θεὸς ὥσπερ ἄνθρωπος, ἀλλ’ ἑτέραις τισὶν ἁφαῖς δι’ ἑτέρων καὶ ψαύσεσι τρέπει καὶ ὑποπίμπλησι θειοτέρας γονῆς τὸ θνητόν. ‘καὶ οὐκ ἐμὸς ὁ μῦθος’ (Eur. fr. 484)’ εἶπεν ‘ἀλλ’ Αἰγύπτιοι [b] τόν τ’ Ἆπιν οὕτως λοχεύεσθαί φασιν ἐπαφῇ τῆς σελήνης, καὶ ὅλως ἄρρενι θεῷ πρὸς γυναῖκα θνητὴν ἀπολείπουσιν ὁμιλίαν· ἀνάπαλιν δ’ οὐκ ἂν οἴονται θνητὸν ἄνδρα θηλείᾳ θεῷ τόκου καὶ κυήσεως ἀρχὴν παρασχεῖν διὰ τὸ τὰς οὐσίας τῶν θεῶν ἐν ἀέρι καὶ πνεύμασιν καί τισι θερμότησι καὶ ὑγρότησι τίθεσθαι.’

ΠΡΟΒΛΗΜΑ Β

Πῶς Πλάτων ἔλεγε τὸν θεὸν ἀεὶ γεωμετρεῖν

Ἐκ δὲ τούτου γενομένης σιωπῆς, πάλιν ὁ Διογενιανὸς ἀρξάμενος ‘βούλεσθ’’ εἶπεν, ‘ἐπεὶ λόγοι περὶ [c] θεῶν γεγόνασιν, ἐν τοῖς Πλάτωνος

γενεθλίοις αὐτὸν Πλάτωνα κοινωνὸν παραλάβωμεν, ἐπισκεψάμενοι τίνα λαβὼν γνώμην ἀπεφήνατ' ‹ἀεὶ› γεωμετρεῖν τὸν θεόν; εἴ γε δὴ θετέον εἶναι τὴν ἀπόφασιν ταύτην Πλάτωνος.' ἐμοῦ δὲ ταῦτ' εἰπόντος ὡς γέγραπται μὲν ἐν οὐδενὶ σαφῶς τῶν ἐκείνου βυβλίων, ἔχει δὲ πίστιν ἱκανὴν καὶ τοῦ Πλατωνικοῦ χαρακτῆρός ἐστιν, εὐθὺς ὑπολαβὼν ὁ Τυνδάρης 'οἴει γάρ' εἶπεν, 'ὦ Διογενιανέ, τῶν περιττῶν τι καὶ δυσθεωρήτων αἰνίττεσθαι τὸν λόγον, οὐχ ὅπερ αὐτὸς εἴρηκε καὶ γέγραφεν πολλάκις, ὑμνῶν γεωμετρίαν ὡς ἀποσπῶσαν [d] ἡμᾶς προσισχομένους τῇ αἰσθήσει καὶ ἀποστρέφουσαν ἐπὶ τὴν νοητὴν καὶ ἀίδιον φύσιν, ἧς θέα τέλος ἐστὶ φιλοσοφίας οἷον ἐποπτεία τελετῆς; ὁ γὰρ ἡδονῆς καὶ ἀλγηδόνος ἧλος, ᾧ πρὸς τὸ σῶμα τὴν ψυχὴν προσηλοῖ (Plat. Phaed. 83d), μέγιστον κακὸν ἔχειν ἔοικεν τὸ τὰ αἰσθητὰ ποιεῖν ἐναργέστερα τῶν νοητῶν καὶ καταβιάζεσθαι [καὶ] πάθει μᾶλλον ἢ λόγῳ κρίνειν τὴν διάνοιαν· ἐθιζομένη γὰρ ὑπὸ τοῦ σφόδρα πονεῖν καὶ ἥδεσθαι τῷ περὶ τὰ σώματα πλανητῷ καὶ μεταβλητῷ προσέχειν ὡς ὄντι τοῦ ἀληθῶς ὄντος τυφλοῦται καὶ τὸ 'μυρίων' ἀντάξιον 'ὀμμάτων' (Plat. Rep. 527e) ὄργανον ψυχῆς καὶ φέγγος ἀπόλλυσιν, [e] ᾧ μόνῳ θεατόν ἐστι τὸ θεῖον. πᾶσι μὲν οὖν τοῖς καλουμένοις μαθήμασιν, ὥσπερ ἀστραβέσι καὶ λείοις κατόπτροις, ἐμφαίνεται τῆς τῶν νοητῶν ἀληθείας ἴχνη καὶ εἴδωλα· μάλιστα δὲ γεωμετρία κατὰ τὸν Φιλόλαον (Vorsokr. α a) ἀρχὴ καὶ μητρόπολις οὖσα τῶν ἄλλων ἐπανάγει καὶ στρέφει τὴν διάνοιαν, οἷον ἐκκαθαιρομένην καὶ ἀπολυομένην ἀτρέμα τῆς αἰσθήσεως. διὸ καὶ Πλάτων αὐτὸς ἐμέμψατο τοὺς περὶ Εὔδοξον καὶ Ἀρχύταν καὶ Μέναιχμον εἰς ὀργανικὰς καὶ μηχανικὰς κατασκευὰς τὸν τοῦ στερεοῦ διπλασιασμὸν ἀπάγειν ἐπιχειροῦντας, ὥσπερ πειρωμένους δίχα λόγου δύο μέσας ἀνὰ λόγον, ᾗ παρείκοι, λαβεῖν· ἀπόλλυσθαι γὰρ οὕτω καὶ διαφθείρεσθαι [f] τὸ γεωμετρίας ἀγαθὸν αὖθις ἐπὶ τὰ αἰσθητὰ παλινδρομούσης καὶ μὴ φερομένης ἄνω μηδ' ἀντιλαμβανομένης τῶν ἀιδίων καὶ ἀσωμάτων εἰκόνων, πρὸς αἷσπερ ὢν ὁ θεὸς ἀεὶ θεός ἐστιν' (Plat. Phaedr. 249c).

Μετὰ δὲ τὸν Τυνδάρην ὁ Φλῶρος, ἑταῖρος ὢν [719] [a] αὐτοῦ καὶ προσποιούμενος ἀεὶ μετὰ παιδιᾶς ἐραστὴς εἶναι καὶ φάσκων, 'ὤνησας' ἔφη 'τὸν λόγον οὐ σεαυτοῦ ποιησάμενος ἀλλὰ κοινόν· ἐλέγξαι γὰρ ἔδωκας αὐτὸν ἀποδεικνύοντα μὴ θεοῖς οὖσαν ἀλλ' ἡμῖν ἀναγκαίαν τὴν γεωμετρίαν· οὐ γάρ τί που καὶ θεὸς δεῖται μαθήματος οἷον ὀργάνου στρέφοντος ἀπὸ τῶν γενητῶν καὶ περιάγοντος ἐπὶ τὰ ὄντα τὴν διάνοιαν· ἐν αὐτῷ γὰρ ἔστιν ἐκείνῳ καὶ σὺν αὐτῷ καὶ περὶ αὐτόν. ἀλλ' ὅρα μή τι σοι προσῆκον ὁ Πλάτων καὶ οἰκεῖον αἰνιττόμενος λέληθεν, ἅτε δὴ τῷ Σωκράτει τὸν Λυκοῦργον ἀναμιγνὺς οὐχ ἧττον ἢ τὸν Πυθαγόραν, ‹ὡς› ᾤετο Δικαίαρχος (FHG II 243). ὁ γὰρ

Ταῦθ' ἡμεῖς ἐπῃνοῦμεν. ὁ δὲ Τυνδάρης φθονεῖν ἔφασκεν καὶ παρεκάλει τὸν Αὐτόβουλον ἅψασθαι Φλώρου καὶ κολάσαι τὸν λόγον. ὁ δὲ τοῦτο μὲν ἀπεῖπεν, ἰδίαν δέ τινα δόξαν ἀντιπαρήγαγεν. ἔφη γὰρ οὔτε τὴν γεωμετρίαν ἄλλου τινὸς ἢ τῶν περὶ τὰ πέρατα συμπτωμάτων καὶ παθῶν εἶναι θεωρητικήν, οὔτε τὸν θεὸν ἑτέρῳ τινὶ τρόπῳ κοσμοποιεῖν ἢ περατοῦντα τὴν ὕλην ἄπειρον οὖσαν, οὐ [d] μεγέθει καὶ πλήθει, διὰ δ' ἀταξίαν καὶ πλημμέλειαν αὐτῆς τὸ ἀόριστον καὶ ἀπεράτωτον ἄπειρον εἰωθότων καλεῖν τῶν παλαιῶν. καὶ γὰρ ἡ μορφὴ καὶ τὸ σχῆμα πέρας ἐστὶ τοῦ μεμορφωμένου καὶ ἐσχηματισμένου παντός, ὧν στερήσει καθ' αὑτὴν ἄμορφος ἦν καὶ ἀσχημάτιστος· ἀριθμῶν δὲ καὶ λόγων ἐγγενομένων, οἷον δεθεῖσα καὶ περιληφθεῖσα γραμμαῖς ἐκ δὲ τῶν γραμμῶν ἐπιπέδοις καὶ βάθεσιν, εἴδη τὰ πρῶτα καὶ διαφορὰς σωμάτων ὥσπερ θεμελίων παρέσχεν πρὸς γένεσιν ἀέρος καὶ γῆς ὕδατός τε καὶ πυρός· ὀκταέδρων γὰρ καὶ εἰκοσαέδρων, ἔτι δὲ πυραμίδων καὶ κύβων ἰσότητας ἐν πλευραῖς καὶ ὁμοιότητας ἐν [e] γωνίαις καὶ ἁρμονίας ἀνασχεῖν ἐξ ὕλης ἀτάκτου καὶ πλανητῆς ἄνευ τοῦ περιορίζοντος καὶ διαρθροῦντος ἕκαστα γεωμετρικῶς ἄπορον ἦν καὶ ἀδύνατον. ὅθεν ἀπείρῳ πέρατος ἐγγενομένου τὸ πᾶν ἡρμοσμένον καὶ κεκραμένον ἄριστα καὶ πεπερασμένον γέγονέν τε καὶ γίνεται, τῆς μὲν ὕλης ἀεὶ βιαζομένης εἰς τὸ ἀόριστον ἀναδῦναι καὶ φευγούσης τὸ γεωμετρεῖσθαι, τοῦ δὲ λόγου καταλαμβάνοντος αὐτὴν καὶ περιγράφοντος καὶ διανέμοντος εἰς ἰδέας καὶ διαφοράς, ἐξ ὧν τὰ φυόμενα πάντα τὴν γένεσιν ἔσχεν καὶ σύστασιν.

Ἐπὶ τούτοις ῥηθεῖσιν ἠξίουν καὶ ἐμὲ συμβαλέσθαι τι [f] πρὸς τὸν λόγον αὐτοῖς. ἐγὼ δὲ τὰς μὲν εἰρημένας δόξας ὡς ἰθαγενεῖς καὶ ἰδίας αὐτῶν ἐκείνων ἐπῄνεσα καὶ τὸ εἰκὸς ἔφην ἔχειν ἱκανῶς· 'ὅπως δ'' εἶπον 'ἑαυτῶν μὴ καταφρονῆτε μηδ' ἔξω βλέπητε παντάπασιν, ἀκούσατε τὸν μάλιστα παρὰ

'εὖ λέγεις' εἶπεν ὁ Διογενιανός, 'ἀλλὰ τί τοῦτο πρὸς τὸν λόγον;' 'εἴσεσθε ῥᾳδίως' εἶπον 'ἀναμνήσαντες αὑτοὺς τῆς ἐν Τιμαίῳ (48e ss.) διαιρέσεως, ᾗ διεῖλε τριχῇ τὰ πρῶθ', ὑφ' ὧν τὴν γένεσιν ὁ κόσμος ἔσχεν, ὧν τὸ μὲν θεὸν τῷ δικαιοτάτῳ τῶν ὀνομάτων [b] τὸ δ' ὕλην τὸ δ' ἰδέαν καλοῦμεν, ἡ μὲν οὖν ὕλη τῶν ὑποκειμένων ἀτακτότατόν ἐστιν, ἡ δ' ἰδέα τῶν παραδειγμάτων κάλλιστον, ὁ δὲ θεὸς τῶν αἰτίων ἄριστον. ἐβούλετ' οὖν μηθέν, ὡς ἀνυστὸν ἦν, ὑπολιπεῖν †ὁριστὸν καὶ ἀόριστον, ἀλλὰ κοσμῆσαι λόγῳ καὶ μέτρῳ καὶ ἀριθμῷ τὴν φύσιν, ἕν τι ποιῶν ἐκ πάντων ὁμοῦ τῶν ὑποκειμένων, οἷον ‹ἡ› ἰδέα καὶ ὅσον ἡ ὕλη γενόμενον. διὸ τοῦτο πρόβλημα δοὺς αὑτῷ, δυεῖν ὄντων τρίτον ἐποίησε καὶ ποιεῖ καὶ φυλάττει διὰ παντὸς τὸ ἴσον τῇ ὕλῃ καὶ ὅμοιον τῇ ἰδέᾳ τὸν κόσμον· ἀεὶ γὰρ ὢν διὰ τὴν σύμφυτον ἀνάγκην τοῦ σώματος [c] ἐν γενέσει καὶ μετατροπῇ καὶ πάθεσι παντοδαποῖς ὑπὸ τοῦ πατρὸς καὶ δημιουργοῦ βοηθεῖται τῷ λόγῳ πρὸς τὸ παράδειγμα τὴν οὐσίαν ὁρίζοντος· ᾗ καὶ κάλλιον τοῦ συμμέτρου τὸ περὶ μέτρον τῶν ὄντων.'

ΠΡΟΒΛΗΜΑ Γ

Διὰ τί τῆς ἡμέρας ἠχωδεστέρα ἡ νύξ

Θόρυβός τις, ἑστιωμένων ἡμῶν Ἀθήνησι παρ' Ἀμμωνίῳ, τὴν οἰκίαν περιήχησεν, ἔξωθεν ἐπιβοωμένων τὸν στρατηγόν· ἐστρατήγει δὲ τὸ τρίτον ὁ Ἀμμώνιος. ἐπεὶ δὲ [d] πέμψας τῶν περὶ αὑτόν τινας ἔπαυσε τὴν ταραχὴν καὶ παρέπεμψαν τοὺς ἀνθρώπους, ἐζητοῦμεν ἡμεῖς, διὰ τί τῶν ἔξωθεν βοώντων συνεξακούουσιν οἱ ἐντὸς οἱ δ' ἔξω τῶν ἐντὸς οὐχ ὁμοίως. καὶ ὁ Ἀμμώνιος ἔφη τοῦτο μὲν ὑπ' Ἀριστοτέλους (Probl. 903b 13) λελύσθαι· τὴν γὰρ φωνὴν τῶν ἔνδον ἔξω φερομένην εἰς ἀέρα πολὺν καὶ ἀναπεπταμένον εὐθὺς ἐξαμαυροῦσθαι καὶ διασπείρεσθαι, τὴν δ' ἔξωθεν εἴσω κατιοῦσαν οὐδὲν τοιοῦτο πάσχειν ἀλλὰ συνέχεσθαι καὶ διαμένειν εὔσημον· ἐκεῖνο δὲ μᾶλλον λόγου δεῖσθαι, τὸ νυκτὸς ἠχωδεστέρας εἶναι τὰς φωνὰς καὶ πρὸς τῷ μεγέθει τὴν τρανότητα καθαρῶς συνδιαφυλάττειν. 'ἐμοὶ μὲν οὖν' εἶπεν 'οὐ φαύλως ἡ πρόνοια δοκεῖ [e] μεμηχανῆσθαι τῇ ἀκοῇ σαφήνειαν, ὅτε τῆς ὄψεως οὐδὲν ἢ κομιδῇ τι μικρὸν ἔργον ἐστί· σκοτεινὸς γὰρ ὢν ὁ ἀὴρ κατ' Ἐμπεδοκλέα (fr. 49) 'νυκτὸς ἐρημαίης ἀλαώπιδος', ὅσον τῶν ὀμμάτων ἀφαιρεῖται τοῦ προαισθάνεσθαι, διὰ τῶν ὤτων ἀποδίδωσιν. ἐπεὶ δὲ δεῖ καὶ τὰ δι' ἀνάγκης

φύσει περαινόμενα τῶν αἰτίων ἀνευρίσκειν καὶ τοῦτο τοῦ φυσικοῦ ἴδιόν ἐστιν, ἡ περὶ τὰς ὑλικὰς καὶ ὀργανικὰς ἀρχὰς πραγματεία, τίς ἄν' ἔφη 'πρῶτος ὑμῶν εὐπορήσειεν λόγου τὸ πιθανὸν ἔχοντος;'

Ἡσυχίας δὲ γενομένης Βόηθος ἔφη νέος μὲν ὢν ἔτι καὶ σοφιστεύων ἀπὸ γεωμετρίας αἰτήμασι χρῆσθαι [f] καὶ λαμβάνειν ἀναποδείκτους ὑποθέσεις, νυνὶ δὲ χρήσεσθαί τισι τῶν προαποδεδειγμένων ὑπ' Ἐπικούρου (fr. 323). 'φέρεται τὰ ὄντ' ἐν τῷ μὴ ὄντι· πολὺ γὰρ κενὸν ἐνδιέσπαρται καὶ μέμικται ταῖς τοῦ ἀέρος ἀτόμοις· ὅταν μὲν οὖν ᾖ διακεχυμένος καὶ πλάτος ἔχων καὶ περιδρομὴν ὑπὸ μανότητος, μικρὰ καὶ λεπτὰ τὰ μεταξὺ τῶν [721] [a] μορίων κενὰ λείπεται καὶ πολλὴν αἱ ἄτομοι κατεσπαρμέναι χώραν ἐπέχουσιν· ὅταν δὲ συσταλῇ καὶ πίλησις εἰς ὀλίγον αὐτῶν γένηται καὶ συμπέσωσιν ἀποβιασθεῖσαι πρὸς ἀλλήλας, πολλὴν εὐρυχωρίαν ἔξω καὶ διαστάσεις μεγάλας ποιοῦσιν, τοῦτο δὲ γίνεται νυκτὸς ὑπὸ ψυχρότητος· ἡ γὰρ θερμότης χαλᾷ καὶ διίστησιν καὶ λύει τὰς πυκνώσεις, διὸ πλείονα τόπον τὰ ζέοντα καὶ μαλασσόμενα καὶ τηκόμενα τῶν σωμάτων ἐπιλαμβάνει· καὶ τοὐναντίον αὖ πάλιν τὰ πηγνύμενα καὶ ψυχόμενα συγχωρεῖ πρὸς ἄλληλα καὶ συνάγεται καὶ ἀπολείπει [καὶ] κενότητας ἐν τοῖς περιέχουσιν ἀγγείοις καὶ τόπους, ἐξ ὧν ὑποκεχώρηκεν.

[b] ἡ δὲ φωνὴ προσφερομένη καὶ προστυγχάνουσα σώμασι πολλοῖς καὶ ἀθρόοις ἢ τυφλοῦται παντάπασιν ἢ διασπάσματα λαμβάνει μεγάλα καὶ πολλὰς ἀντικρούσεις καὶ διατριβάς· ἐν δὲ κενῷ καὶ σωμάτων ἐρήμῳ διαστήματι λεῖον δρόμον ἔχουσα καὶ συνεχῆ καὶ ἄπταιστον ἐξικνεῖται πρὸς τὴν ἀκοήν, ὑπὸ τάχους ἅμα τῷ λόγῳ διασῴζουσα τὴν σαφήνειαν. ὁρᾷς γὰρ ὅτι καὶ τῶν ἀγγείων τὰ κενὰ πληττόμενα μᾶλλον ὑπακούει ‹ταῖς› πληγαῖς καὶ τὸν ἦχον ἀποτείνει μακράν, πολλάκις δὲ καὶ κύκλῳ περιφερόμενον διαδίδωσι πολύ· τὸ δ' [ἀγγεῖον] ἐμπλησθὲν ἢ στερεοῦ [c] σώματος ἤ τινος ὑγροῦ παντάπασιν γίνεται κωφὸν καὶ ἄναυδον, ὁδὸν οὐκ ἐχούσης οὐδὲ χώραν ᾗ δίεισι τῆς φωνῆς. αὐτῶν δὲ τῶν σωμάτων χρυσὸς μὲν καὶ λίθος ὑπὸ πληρότητος ἰσχνόφωνα καὶ δυσηχῆ καὶ ταχὺ κατασβέννυσι τοὺς φθόγγους ἐν αὑτοῖς· εὔφωνος δὲ καὶ λάλος ὁ χαλκός, ᾗ πολύκενος καὶ ὄγκον ἐλαφρὸς καὶ λεπτός, οὐ πολλοῖς συντεθλιμμένος ἐπαλλήλοις σώμασιν, ἀλλ' ἄφθονον ἔχων τὸ τῆς †ἐπιεικοῦς καὶ ἀναφοῦς μεμιγμένον οὐσίας, ἣ ταῖς τ' ἄλλαις κινήσεσιν εὐπορίαν δίδωσι τήν τε φωνὴν εὐμενῶς ὑπολαμβάνουσα παραπέμπει, μέχρι ἂν [d] ἁψάμενός τις ὥσπερ ἐν ὁδῷ καταλάβῃ καὶ τυφλώσῃ [τὸ κενόν]· ἐνταῦθα δ' ἔστη καὶ ἀπεπαύσατο τοῦ πρόσω χωρεῖν διὰ τὴν ἀντίφραξιν. ταῦτ'' ἔφη 'δοκεῖ μοι τὴν νύκτα ποιεῖν ἠχώδη, τὴν δ' ἡμέραν ἧττον,

θερμότητι καὶ διαχύσει τοῦ ἀέρος μικρὰ τὰ διαστήματα τῶν ἀτόμων ποιοῦσαν· μόνον' ἔφη 'μηδεὶς ἐνιστάσθω πρὸς τὰς πρώτας ὑποθέσεις.'

Κἀγώ, τοῦ Ἀμμωνίου κελεύοντος εἰπεῖν τι πρὸς αὐτόν, 'αἱ μὲν πρῶταί σοι τῶν ὑποθέσεων' ἔφην, 'ὦ φίλε Βόηθε, καίπερ πολὺ τὸ κενὸν ἔχουσαι μενέτωσαν· τῇ δὲ φωνῇ τὸ κενὸν οὐκ ὀρθῶς πρὸς σωτηρίαν καὶ κίνησιν ὑποτίθεσθε. σιωπῆς γὰρ οἰκεῖον καὶ ἡσυχίας τὸ ἀναφὲς [e] καὶ ἀπαθὲς καὶ ἄπληκτον, ἡ δὲ φωνὴ πληγὴ σώματος διηχοῦς, διηχὲς δὲ τὸ συμπαθὲς αὑτῷ καὶ συμφυὲς εὐκίνητον δὲ καὶ κοῦφον καὶ ὁμαλὸν καὶ ὑπήκοον †τοῦ δι' εὐτονίαν καὶ συνέχειαν, οἷός ἐστι παρ' ἡμῖν ὁ ἀήρ· καὶ γὰρ ὕδωρ καὶ γῆ καὶ πῦρ ἄφωνα καθ' ἑαυτά, φθέγγεται δὲ πνεύματος ἐμπεσόντος ἅπαντα καὶ ψόφους καὶ πατάγους ἀναδίδωσιν· χαλκῷ δὲ κενοῦ μὲν οὐδὲν μέτεστιν, ὁμαλῷ δὲ πνεύματι καὶ λείῳ κεκραμένος εὔπληκτός ἐστι καὶ ἠχώδης· εἰ δὲ δεῖ τῇ ὄψει τεκμαίρεσθαι, φαίνεται μᾶλλον ὁ σίδηρος ἔχων τι σαθρὸν καὶ πολύκενον καὶ τενθρηνῶδες, [f] ἔστι δὲ κακόφωνος σφόδρα καὶ τῶν μεταλλικῶν κωφότατος. οὐδὲν οὖν ἔδει τῇ νυκτὶ παρέχειν πράγματα συσπῶντας αὐτῆς τὸν ἀέρα καὶ συντείνοντας ἑτέρωθι δ' αὖ χώρας καὶ κενότητας ἀπολείποντας, ὥσπερ ἐμποδὼν ὄντα τῇ φωνῇ τὸν ἀέρα καὶ φθείροντα τὴν οὐσίαν, ἧς αὐτὸς οὐσία καὶ σῶμα καὶ δύναμίς ἐστιν. ἄνευ δὲ τούτων ἔδει δή που τὰς ἀνωμάλους νύκτας, οἷον ὁμιχλώδεις καὶ δυσχειμέρους, ἠχωδεστέρας εἶναι τῶν αἰθρίων [722] [a] καὶ κεκραμένων ὁμαλῶς (διὰ τὸ δεῦρο μὲν συνωθεῖν τὰς ἀτόμους ἐκεῖ δ' ὅθεν μεθίστανται χώραν ἔρημον ἀπολείπειν σωμάτων), καὶ τὸ δὴ προχειρότατον, ἡμέραν ψυχρὰν ἠχωδεστέραν εἶναι νυκτὸς ἀλεεινῆς καὶ θερινῆς· ὧν οὐδέτερον ἀληθές ἐστι. διὸ τὸν λόγον τοῦτον ἀπολελοιπὼς ἐπιβάλλω τὸν Ἀναξαγόραν (A 74), ὑπὸ τοῦ ἡλίου λέγοντα κινεῖσθαι τὸν ἀέρα κίνησιν τρομώδη καὶ παλμοὺς ἔχουσαν, ὡς δῆλόν ἐστι τοῖς διὰ τοῦ φωτὸς ἀεὶ διᾴττουσι ψήγμασι μικροῖς καὶ θραύμασιν, ἃ δή τινες τίλας καλοῦσιν· ταῦτ' οὖν φησιν ὁ ἀνὴρ πρὸς τὴν θερμότητα σίζοντα καὶ ψοφοῦντα δι' ἡμέρας δυσηκόους τῷ ψόφῳ τὰς [b] φωνὰς ποιεῖν, νυκτὸς δὲ †φαίνεσθαι τὸν σάλον αὐτῶν καὶ τὸν ἦχον.'

Ἐμοῦ δὲ ταῦτ' εἰπόντος Ἀμμώνιος ἔφη 'γελοῖοι μὲν ἴσως φανούμεθα, καὶ Δημόκριτον ἐλέγχειν οἰόμενοι καὶ Ἀναξαγόραν ἐπανορθοῦσθαι θέλοντες· οὐ μὴν ‹ἀλλ'› ἀφαιρετέον γε τῶν Ἀναξαγόρου σωμάτων τὸν σιγμόν· οὔτε γὰρ πιθανὸς οὔτ' ἀναγκαῖος, ἀλλ' ὁ τρόμος ἀρκεῖ τῶν σωμάτων καὶ ἡ κίνησις ἐν τῷ φωτὶ κλονουμένων τὰς φωνὰς διασπᾶν καὶ διαρρίπτειν πολλάκις. ὁ γὰρ ἀήρ, ὥσπερ εἴρηται (721f), σῶμα τῆς φωνῆς καὶ οὐσίαν ἐμπαρέχων ἑαυτόν, ἐὰν μὲν ᾖ σταθερός, εὐθύπορα καὶ λεῖα καὶ συνεχῆ τὰ τῶν ψόφων μόρια καὶ

κινήματα πόρρωθεν διαδίδωσι· [c] νηνεμία γὰρ ἠχῶδες καὶ γαλήνη, καὶ τοὐναντίον, ὡς Σιμωνίδης φησίν (fr. 41; II 79 D.),

'οὐδὲ γὰρ ἐννοσίφυλλος ἀήτα τότ' ὦρτ' ἀνέμων,

ΠΡΟΒΛΗΜΑ Δ

Διὰ τί τῶν ἱερῶν ἀγώνων ἄλλος ἄλλον ἔχει στέφανον, τὸν δὲ φοίνικα πάντες ἐν ᾧ καὶ διὰ τί τὰς μεγάλας φοινικοβαλάνους Νικολάους καλοῦσιν

Ἰσθμίων ἀγομένων ἐν τῇ δευτέρᾳ τῶν Σώσπιδος ἀγωνοθεσιῶν τὰς μὲν ἄλλας ἑστιάσεις διεφύγομεν, ἑστιῶντος αὐτοῦ πολλοὺς μὲν ἅμα ξένους πάντας δὲ πολλάκις τοὺς πολίτας· ἅπαξ δὲ τοὺς μάλιστα φίλους καὶ φιλολόγους οἴκοι δεχομένου καὶ αὐτοὶ παρῆμεν. ἀπηρμένων [b] δὲ τῶν πρώτων τραπεζῶν ἧκέν τις Ἡρώδῃ τῷ ῥήτορι παρὰ γνωρίμου νενικηκότος ἐγκωμίῳ φοίνικα καὶ στέφανόν τινα τῶν πλεκτῶν κομίζων. ὁ δὲ ταῦτα μὲν δεξιωσάμενος ἀπέπεμψε πάλιν, ἔφη δ' ἀπορεῖν, τί δήποτε τῶν ἀγώνων στέφανον ἄλλος ἄλλον ἔχει, τὸν δὲ φοίνικα κοινῇ πάντες. 'οὐ γὰρ ἐμὲ γοῦν' ἔφη 'πείθουσιν οἱ τὴν ἰσότητα τῶν φύλλων, οἷον ἀντανισταμένων ἀεὶ καὶ συνεκτρεχόντων, ἀγῶνι καὶ ἁμίλλῃ παραπλήσιόν τι ποιεῖν φάσκοντες αὐτήν τε τὴν 'νίκην' παρὰ τὸ μὴ εἶκον ὠνομάσθαι· καὶ γὰρ ἄλλα πάμπολλα μονονοὺ μέτροις τισὶ καὶ σταθμοῖς [c] ἀκριβῶς τὴν τροφὴν διανέμοντα τοῖς ἀντιζύγοις πετάλοις ἰσότητα θαυμαστὴν καὶ τάξιν ἀποδίδωσιν. ἐπεὶ πιθανώτεροι τούτων εἰσὶν οἱ τὸ κάλλος καὶ τὴν εὐφυΐαν ἀγαπῆσαι τοὺς παλαιούς, ὡς Ὅμηρον (ζ 163) 'ἔρνεϊ φοίνικος' ἀπεικάσαντα τὴν ὥραν τῆς Φαιακίδος, ὑπονοοῦντες· οὐ γὰρ ἀγνοεῖτε δήπουθεν, ὅτι καὶ ῥόδοις καὶ λυχνίσιν, ἔνιοι δὲ καὶ μήλοις καὶ ῥοιαῖς ἔβαλλον ὡς καλοῖς γεραίροντες ἀεὶ τοὺς νικηφόρους. ἀλλ' οὐδὲν οὕτως ἐπιφανῶς ἐκπρεπέστερον ἔχει τῶν ἄλλων ὁ φοῖνιξ, ἅτε μηδὲ καρπὸν ἐν τῇ Ἑλλάδι φέρων ἐδώδιμον ἀλλ' ἀτελῆ καὶ ἄπεπτον. εἰ γὰρ ὥσπερ ἐν Συρίᾳ καὶ ἐν Αἰγύπτῳ παρεῖχε τὴν βάλανον [d] ὄψει τε θεαμάτων καὶ γλυκύτητι τραγημάτων πάντων ἥδιστον, οὐκ ἂν ἦν ἕτερον αὐτῷ παραβαλεῖν· ὁ γοῦν βασιλεύς, ὥς φασιν, ἀγαπήσας διαφερόντως τὸν Περιπατητικὸν φιλόσοφον Νικόλαον, γλυκὺν ὄντα τῷ ἤθει ῥαδινὸν δὲ τῷ μήκει τοῦ σώματος διάπλεων δὲ τὸ πρόσωπον ἐπιφοινίσσοντος ἐρυθήματος, τὰς μεγίστας καὶ καλλίστας τῶν φοινικοβαλάνων Νικολάους ὠνόμαζεν, καὶ μέχρι νῦν οὕτως ὀνομάζονται.'

Ταῦτ' εἰπὼν ὁ Ἡρώδης οὐκ ἀτερπέστερον ἐμβάλλειν ἔδοξεν τοῦ ζητουμένου ‹τὸ› περὶ τοῦ Νικολάου. 'διὸ καὶ μᾶλλον' ἔφη 'προθυμητέον' ‹ὁ Σῶσπις› 'ὡς [e] ἕκαστον αὐτῷ τι συνεπεισενεγκεῖν εἰς τὸ ζητούμενον. ἐγὼ δ' εἰσφέρω πρῶτος, ὅτι δεῖ τὴν τῶν νικηφόρων δόξαν ἄφθιτον, ὡς ἀνυστόν ἐστι, καὶ ἀγήρω διαμένειν· ὁ δὲ φοῖνιξ μακρόβιον μέν ἐστιν ἐν τοῖς μάλιστα τῶν φυτῶν, ὥς που καὶ τὰ Ὀρφικὰ (fr. 225) ταῦτα μεμαρτύρηκεν

'ζῶον δ' ἶσον ἀκροκόμοισιν
φοινίκων ἔρνεσσιν,'

μόνῳ δ' αὐτῷ σχεδὸν ὑπάρχει τὸ κατὰ πολλῶν οὐκ ἀληθῶς λεγόμενον· τί δὲ τοῦτ' ἔστι; τὸ 'ἐμπεδόφυλλον' εἶναι καὶ ἀείφυλλον· οὔτε γὰρ δάφνην οὔτ' ἐλαίαν οὔτε μυρσίνην οὔτ' ἄλλο τι τῶν μὴ φυλλορροεῖν λεγομένων ὁρῶμεν

ἀεὶ ταὐτὰ φύλλα διατηροῦν, ἀλλὰ τοῖς πρώτοις ἀπορρέουσιν ἑτέρων ἐπιβλαστανόντων, ὥσπερ πόλεις ἕκαστον [f] ἀείζωον διαμένει καὶ †ἀμείλικτον· ὁ δὲ φοῖνιξ, οὐθὲν ἀποβάλλων ἀφ' αὑτοῦ τῶν φυομένων, βεβαίως ἀείφυλλός ἐστιν, καὶ τοῦτο δὴ τὸ κράτος αὐτοῦ μάλιστα τῆς νίκης τῷ ἰσχυρῷ συνοικειοῦσιν.'

Παυσαμένου δὲ τοῦ Σώσπιδος Πρωτογένης ὁ γραμματικὸς ὀνόματι καλέσας Πραξιτέλην τὸν περιηγητήν [724] [a] 'οὕτω δὴ τούτους' ἔφη 'τοὺς ῥήτορας ἐάσομεν περαίνειν τὸ οἰκεῖον, ἐξ εἰκότων καὶ πιθανῶν ἐπιχειροῦντας, αὐτοὶ δ' ἀφ' ἱστορίας οὐδὲν ἂν ἔχοιμεν τῷ λόγῳ συμβάλλεσθαι; καίτοι δοκῶ μοι μνημονεύειν ἐν τοῖς Ἀττικοῖς ἀνεγνωκὼς ἔναγχος, ὅτι πρῶτος ἐν Δήλῳ Θησεὺς ἀγῶνα ποιῶν ἀπέσπασε κλάδον τοῦ ἱεροῦ φοίνικος· ᾗ καὶ σπάδιξ ὠνομάσθη.'

Καὶ ὁ Πραξιτέλης ‹'ἔστι› ταῦτ'' εἶπεν, 'ἀλλὰ

καὶ τοῦ Θησέως αὐτοῦ πυνθάνεσθαι φήσουσιν, ᾧτινι λόγῳ φοίνικος, οὐ δάφνης οὐδ' ἐλαίας, κλάδον ἀπέσπασεν ἀγωνοθετῶν. σκόπει δή, μὴ Πυθικόν ἐστι τὸ νικητήριον, ὡς [b] Ἀμφικτύονος κἀκεῖ πρῶτον ἐπὶ τιμῇ τοῦ θεοῦ †δάφνῃ καὶ φοίνικι τοὺς νικῶντας ἐκόσμησαν, ἅτε δὴ καὶ τῷ θεῷ μὴ δάφνας μηδ' ἐλαίας ἀλλὰ φοίνικας ἀνατιθέντες, ὡς ἐν Δήλῳ Νικίας χορηγήσας Ἀθηναίων καὶ ἐν Δελφοῖς Ἀθηναῖοι καὶ Κύψελος πρότερον Κορίνθιος. ἐπεὶ καὶ φίλαθλος ἄλλως ‹καὶ› φιλόνικος ἡμῖν ὁ θεός, αὐτὸς μὲν κιθαρίσει καὶ ᾠδῇ καὶ βολαῖς δίσκων, ὡς δ' ἔνιοί φασι, καὶ πυγμῇ, ἁμιλλώμενος, ἀνθρώποις δὲ προσαμύνων ἀγωνιζομένοις, ὡς Ὅμηρος ἐμαρτύρησεν, τὸν μὲν Ἀχιλλέα λέγοντα ποιήσας (Ψ 659)

'ἄνδρε δύω περὶ τῶνδε κελεύομεν, ὥπερ ἀρίστω,
πὺξ μάλ' ἀνασχομένω πεπληγέμεν· ᾧ δέ κ' Ἀπόλλων
δώῃ καμμονίην,'

[c] τῶν δὲ τοξοτῶν (Ψ 850 ss.) τὸν μὲν εὐξάμενον τῷ θεῷ κατορθῶσαι καὶ λαβεῖν τὰ πρωτεῖα, τὸν δὲ γαῦρον ἀστοχῆσαι τοῦ σκοποῦ μὴ εὐξάμενον. καὶ μὴν οὐδ' Ἀθηναίους εἰκός ἐστιν Ἀπόλλωνι καθιερῶσαι τὸ γυμνάσιον ἀλόγως καὶ αὐτομάτως, ἀλλὰ παρ' οὗ τὴν ὑγίειαν ἔχομεν θεοῦ, τοῦτον εὐεξίαν τε διδόναι καὶ ῥώμην ἐπὶ τοὺς ἀγῶνας ᾤοντο. κούφων δὲ καὶ βαρέων ἀγωνισμάτων ὄντων, πύκτῃ μὲν Ἀπόλλωνι Δελφούς, δρομαίῳ δὲ Κρῆτας ἱστοροῦσι θύειν καὶ Λακεδαιμονίους. σκύλων δὲ Πυθοῖ καὶ ἀκροθινίων καὶ τροπαίων ἀναθέσεις ἆρ' οὐ συμμαρτυροῦσιν [d] ὅτι τῆς εἰς τὸ νικᾶν καὶ κρατεῖν δυνάμεως τῷ θεῷ τούτῳ πλεῖστον μέτεστιν;'

Ἔτι δ’ αὐτοῦ λέγοντος ὑπολαβὼν Καφισίας ὁ Θέωνος υἱός ‘ἀλλὰ ταῦτά γ’’ εἶπεν ‘οὐχ ἱστορίας οὐδὲ περιηγητικῶν ὅδωδε βυβλίων, ἀλλ’ ἐκ μέσων ἀνεσπασμένα τῶν Περιπατητικῶν τόπων εἰς τὸ πιθανὸν ἐπικεχείρηται, καὶ προσέτι τραγικῶς μηχανὴν ἄραντες, ὦ φίλοι, δεδίττεσθε τῷ θεῷ τοὺς ἀντιλέγοντας. ὁ μὲν οὖν θεός, ὥσπερ προσήκει, πᾶσιν ἴσος ἐστὶν μετ’ εὐμενείας· ἡμεῖς δ’ ἑπόμενοι Σώσπιδι (καλῶς γὰρ ὑφηγεῖται) πάλιν ἐχώμεθα τοῦ φοίνικος ἀμφιλαφεῖς τῷ λόγῳ λαβὰς διδόντος. Βαβυλώνιοι [e] μὲν γὰρ ὑμνοῦσι καὶ ᾄδουσιν ὡς ἑξήκοντα καὶ τριακόσια χρειῶν γένη παρέχον αὐτοῖς τὸ δένδρον· ἡμῖν δὲ τοῖς Ἕλλησιν ἥκιστα μέν ἐστι χρειώδης, ἀθλητικῆς δὲ φιλοσοφίας καὶ τὸ ἄκαρπον ἂν εἴη· κάλλιστος γὰρ ὢν καὶ μέγιστος ὑπ’ εὐταξίας οὐ γόνιμός ἐστι παρ’ ἡμῖν, ἀλλὰ τὴν τροφὴν ὥσπερ ἀθλητοῦ περὶ τὸ σῶμα τῆς εὐταξίας ἀναλισκούσης σμικρὸν αὐτῷ καὶ φαῦλον εἰς σπέρμα περίεστιν. ἴδιον δὲ παρὰ ταῦτα πάντα καὶ μηδενὶ συμβεβηκὸς ἑτέρῳ τὸ μέλλον λέγεσθαι· φοίνικος γὰρ ξύλον ἂν ἄνωθεν ἐπιθεὶς βάρη πιέζῃς, οὐ κάτω θλιβόμενον ἐνδίδωσιν, ἀλλὰ κυρτοῦται πρὸς τοὐναντίον ὥσπερ ἀνθιστάμενον [f] τῷ βιαζομένῳ· τοῦτο δὴ καὶ περὶ τοὺς ἀθλητικοὺς ἀγῶνάς ἐστιν· τοὺς μὲν γὰρ ὑπ’ ἀσθενείας καὶ μαλακίας εἴκοντας αὐτοῖς πιέζουσι κάμπτοντες, οἱ δ’ ἐρρωμένως ὑπομένοντες τὴν ἄσκησιν οὐ μόνον τοῖς σώμασιν ἀλλὰ καὶ τοῖς φρονήμασιν ἐπαίρονται καὶ αὔξονται.’

ΠΡΟΒΛΗΜΑ Ε

Διὰ τί πρὸ ἡμέρας ἐκ τοῦ Νείλου οἱ πλέοντες ὑδρεύονται

Αἰτίαν τις ἐζήτησεν, δι’ ἣν οἱ ναύκληροι τὰς ὑδρείας ἐκ τοῦ Νείλου νυκτὸς οὐχ ἡμέρας ποιοῦνται. καί τισι μὲν ἐδόκουν τὸν ἥλιον δεδιέναι, τῷ προθερμαίνειν τὰ ὑγρὰ μᾶλλον εὔσηπτα ποιοῦντα· πᾶν γὰρ τὸ θερμανθὲν καὶ χλιανθὲν ἀεὶ πρὸς μεταβολὴν ἑτοιμότερόν ἐστιν καὶ προπέπονθεν ἀνέσει τῆς ποιότητος· ἡ δὲ ψυχρότης πιέζουσα συνέχειν δοκεῖ καὶ φυλάττειν ἕκαστον ἐν ᾧ πέφυκεν, †ἥκιστα τὸ ὕδωρ· ὕδατος γὰρ ἡ ψυχρότης σχετικόν ἐστι [b] φύσει· δηλοῦσιν αἱ χιόνες, τὰ κρέα δύσσηπτα τηροῦσαι πολὺν χρόνον. ἡ δὲ θερμότης τά τ’ ἄλλα καὶ τὸ μέλι [καὶ] τῆς ἰδίας ποιότητος ἐξίστησι· φθείρεται γὰρ ἑψηθέν· ἂν δ’ ὠμὸν διαμένῃ, καὶ τοῖς ἄλλοις πρὸς τὸ μὴ φθείρεσθαι βοηθεῖ. μεγίστην δὲ τῇ αἰτίᾳ πίστιν παρεῖχεν τὰ λιμναῖα τῶν ὑδάτων· χειμῶνος γὰρ οὐδὲν διαφέροντα τῶν ἄλλων ποθῆναι, τοῦ θέρους γίνεται πονηρὰ καὶ νοσώδη· διὸ χειμῶνι μὲν τῆς νυκτὸς ἀναλογεῖν δοκούσης θέρει δὲ τῆς ἡμέρας, μᾶλλον οἴονται διαμένειν ἄτρεπτον καὶ ἀπαθὲς τὸ ὕδωρ, ἂν νυκτὸς λαμβάνηται.

Τούτοις ἐπιεικῶς οὖσι πιθανοῖς ἐπανέκυψεν λόγος ὥσπερ [c] ἀτέχνῳ πίστει ναυτικῇ βεβαιούμενος ἐμπειρίᾳ· νυκτὸς γὰρ ἔφασαν λαμβάνειν τὸ ὕδωρ ἔτι τοῦ ποταμοῦ καθεστῶτος καὶ ἡσυχάζοντος, ἡμέρας δέ, πολλῶν ἀνθρώπων ὑδρευομένων καὶ πλεόντων, πολλῶν δὲ θηρίων διαφερομένων, ἀναταραττόμενον γίνεσθαι παχὺ καὶ γεῶδες· τὸ δὲ τοιοῦτον εὔσηπτον εἶναι. πάντα γὰρ τὰ μεμιγμένα τῶν ἀμίκτων ἐπισφαλέστερα πρὸς σῆψίν ἐστιν· ποιεῖ γὰρ ἡ μῖξις μάχην, ἡ δὲ μάχη μεταβολήν, μεταβολὴ δέ τις ἡ σῆψις· διὸ τάς τε μίξεις τῶν χρωμάτων οἱ ζωγράφοι φθορὰς ὀνομάζουσιν καὶ τὸ βάψαι ‘μιῆναι’ κέκληκεν ὁ ποιητής (Δ 141), ἡ δὲ κοινὴ συνήθεια τὸ ἄμικτον καὶ καθαρὸν [d] ἄφθαρτον καὶ ἀκήρατον. μάλιστα δὲ γῆ μιχθεῖσα πρὸς ὕδωρ ἐξίστησιν καὶ φθείρει τὸ πότιμον καὶ οἰκεῖον· ὅθεν εὔσηπτα μᾶλλόν ἐστι τὰ στάσιμα καὶ κοῖλα, πολλῆς ἀναπιμπλάμενα γῆς, τὰ δὲ ῥέοντα φεύγει καὶ διακρούεται τὴν προσφερομένην· καὶ καλῶς Ἡσίοδος ἐπήνεσεν (OD 595)

‘κρήνης ἀενάου καὶ ἀπορρύτου, ἥ τ’ ἀθόλωτος’·

ὑγιεινὸν γὰρ τὸ ἀδιάφθορον, ἀδιάφθορον δὲ τὸ ἄμικτον καὶ καθαρόν. οὐχ ἥκιστα δ’ αἱ τῆς γῆς διαφοραὶ τῷ λόγῳ μαρτυροῦσιν· τὰ γὰρ ὀρεινὴν διεξιόντα γῆν καὶ λιθώδη στερρότερα τῶν ἑλείων καὶ πεδινῶν ἐστιν, πολλὴν γὰρ οὐκ ἀποσπᾷ γῆν· ὁ δὲ Νεῖλος ὑπὸ μαλθακῆς χώρας περιεχόμενος, [e] μᾶλλον δ’ ὥσπερ αἷμα σαρκὶ κεκραμένος, γλυκύτητος μὲν ἀπολαύει καὶ χυμῶν ἀναπίμπλαται δύναμιν ἐμβριθῆ καὶ τρόφιμον ἐχόντων, συμμιγὴς δὲ φέρεται καὶ θολερός· ἂν δ’ ἀναταράττηται, καὶ μᾶλλον· ἡ γὰρ κίνησις ἀναμίγνυσι τῷ ὑγρῷ τὸ γεῶδες, ὅταν δ’ ἠρεμήσῃ, κάτω ῥέπον διὰ βάρος ἄπεισιν. ὅθεν ὑδρεύονται τῆς νυκτός, ἅμα καὶ τὸν ἥλιον προλαμβάνοντες, ὑφ’ οὗ τὸ λεπτότατον καὶ κουφότατον ἀεὶ τῶν ὑγρῶν αἰρόμενον διαφθείρεται.

ΠΡΟΒΛΗΜΑ Ϛ

Περὶ τῶν ὀψὲ παραγινομένων ἐπὶ τὸ δεῖπνον· ἐν ᾧ καὶ πόθεν [f] ἀκράτισμα καὶ ἄριστον καὶ δεῖπνον ὠνομάσθη

Τῶν υἱῶν μου τοὺς νεωτέρους ἐν θεάτρῳ προσδιατρίψαντας ἀκροάμασι καὶ βράδιον ἐπὶ τὸ δεῖπνον ἐλθόντας [726] [a] οἱ Θέωνος υἱοὶ ‘κωλυσιδείπνους’ καὶ ‘ζοφοδορπίδας’ καὶ τοιαῦτα μετὰ παιδιᾶς ἔσκωπτον· οἱ δ’ ἀμυνόμενοι πάλιν ἐκείνους ‘τρεχεδείπνους’ ἀπεκάλουν. καί τις εἶπε τῶν πρεσβυτέρων τρεχέδειπνον εἶναι τὸν ὑστερίζοντα τοῦ δείπνου· θᾶττον γὰρ ἢ βάδην ἐπειγόμενον, ὅταν βραδύνῃ, φαίνεσθαι· καὶ Γάββα τοῦ παρὰ Καίσαρι γελωτοποιοῦ χάριεν ἀπεμνημόνευσεν· ἐκεῖνος γὰρ ‘ἐπιθυμοδείπνους’ ἐκάλει τοὺς ὀψὲ παραγινομένους ἐπὶ δεῖπνον, ἀσχολουμένους γὰρ αὐτοὺς ὅμως διὰ τὸ φιλόδειπνον οὐκ ἀπολέγεσθαι τὰς κλήσεις. ἐγὼ δ’ εἶπον, ὅτι καὶ

Πολύχαρμος ἐν Ἀθήναις δημαγωγῶν καὶ τοῦ [b] βίου διδοὺς ἀπολογισμὸν ἐν ἐκκλησίᾳ 'ταῦτ'' εἶπεν, 'ἄνδρες Ἀθηναῖοι, τἀμά· καὶ πρὸς τούτοις, οὐδέποτε κληθεὶς ἐπὶ δεῖπνον ὕστατος ἀφικόμην.' δημοτικὸν γὰρ εὖ μάλα δοκεῖ τὸ τοιοῦτο, καὶ τοὐναντίον οἱ ἄνθρωποι τοὺς ὀψὲ παραγινομένους ἀναγκαζόμενοι περιμένειν ὡς ἀηδεῖς καὶ ὀλιγαρχικοὺς βαρύνονται.

Ὁ δὲ Σώκλαρος ὑπερδικῶν τῶν νεανίσκων 'ἀλλ' οὐδὲ τὸν Πιττακόν' ἔφη 'ζοφοδορπίδαν ὁ Ἀλκαῖος (fr. 37 B) ὡς ὀψὲ δειπνοῦντα λέγεται προσειπεῖν, ἀλλ' ὡς ἀδόξοις τὰ πολλὰ καὶ φαύλοις ἡδόμενον συμπόταις· τὸ μέντοι πρωίτερον δειπνεῖν ὄνειδος ἦν πάλαι, καὶ τὸ ἀκράτισμά φασιν οὕτως λέγεσθαι διὰ τὴν ἀκρασίαν.' [c] ὑπολαβὼν δ' ὁ Θέων 'ἥκιστ'' εἶπεν, 'εἰ δεῖ τοῖς τὸν ἀρχαῖον βίον διαμνημονεύουσιν πιστεύειν. φασὶ γὰρ ἐκείνους, ἐργατικοὺς ἅμα καὶ σώφρονας ὄντας, ἕωθεν ἐσθίειν ἄρτον ἐν ἀκράτῳ, καὶ μηθὲν ἄλλο· διὸ τοῦτο μὲν ἀκράτισμα καλεῖν διὰ τὸν ἄκρατον, ὄψον δὲ τὸ παρασκευαζόμενον εἰς δεῖπνον αὐτοῖς· ὀψὲ γὰρ δειπνεῖν ἀπὸ τῶν πράξεων γενομένους.'

Ἐκ τούτου καὶ τὸ δεῖπνον καὶ τὸ ἄριστον, ἀφ' ὅτου λάβοι τοὔνομα, ζήτησιν παρέσχεν. καὶ τὸ μὲν ἄριστον ἐδόκει τῷ ἀκρατίσματι ταὐτὸν εἶναι, †μαρτυρεῖ τῷ Ὁμήρῳ λέγοντι τοὺς περὶ τὸν Εὔμαιον (π 2)

[d] 'ἐντύνοντ' ἄριστον ἅμ' ἠοῖ φαινομένηφι,'

καὶ πιθανὸν ἐδόκει διὰ τὴν ἑωθινὴν αὔραν ἄριστον ὠνομάσθαι καθάπερ τὸ αὔριον· τὸ δὲ δεῖπνον, ὅτι τῶν πόνων διαναπαύει· πράξαντες γάρ τι δειπνοῦσιν ἢ μεταξὺ πράττοντες· ἔστι δὲ καὶ τοῦτο παρ' Ὁμήρου λαβεῖν λέγοντος (Λ 86)

'ἦμος δὲ δρυτόμος περ ἀνὴρ ὡπλίσσατο δεῖπνον.'

εἰ μὴ νὴ Δία τὸ ἄριστον αὐτόθεν ἀπραγμόνως προσφερόμενοι καὶ ῥᾳδίως ἀπὸ τῶν τυχόντων, τὸ δὲ δεῖπνον ἤδη παρεσκευασμένον, ἐκεῖνο μὲν ῥᾷστον, τοῦτο δ' ὥσπερ διαπεπονημένον ἐκάλεσαν.

Ὑβριστὴς δ' ὢν καὶ φιλόγελως φύσει ὁ ἀδελφὸς [e] ἡμῶν Λαμπρίας ἔφη μυρίῳ τὰ Ῥωμαϊκὰ δείξειν οἰκειότερα τῶν Ἑλληνικῶν ὀνόματα, τοσαύτης ἀδείας τῷ φλυαρεῖν δεδομένης. 'τὸ μὲν γὰρ δεῖπνόν φασι 'κῆναν' διὰ τὴν κοινωνίαν καλεῖσθαι· καθ' ἑαυτοὺς γὰρ ἠρίστων ἐπιεικῶς οἱ πάλαι Ῥωμαῖοι συνδειπνοῦντες τοῖς φίλοις. τὸ δ' ἄριστον ἐκλήθη 'πράνδιον' ἀπὸ τῆς ὥρας· ἔνδιον γὰρ τὸ δειλινόν, καὶ τὴν μετ' ἄριστον ἀνάπαυσιν ἐνδιάζειν· ἢ πρωινήν τινα σημαίνοντες ἐδωδήν, ἢ τροφὴν ᾗ χρῶνται πρὶν ἐνδεεῖς γενέσθαι. καὶ μήν, ἵν' ἀφῶ τὰ στρώματ'' ἔφη 'τὸν οἶνον τὸ μέλι τοὔλαιον τὸ γεύσασθαι τὸ προπιεῖν [f] ἕτερα πάμπολλα τοῖς αὐτοῖς ὀνόμασι καταφανῶς χρώμενα, τίς

οὐκ ἂν εἴποι ἐπὶ κῶμον Ἑλληνικῶς ‘κωμισσᾶτον’ λέγεσθαι, καὶ τὸ κεράσαι ‘μισκῆρε’ καθ’ Ὅμηρον (κ 356)

καί ‘μῆνσαν’ μὲν τὴν τράπεζαν ‹ἀπὸ› τῆς ἐν μέσῳ θέσεως, ‘πᾶνιν’ δὲ τὸν ἄρτον ὡς ἀνιέντα τὴν πεῖναν, τὸν δὲ στέφανον ‘κορῶναν’ ἀπὸ τῆς κεφαλῆς ὡς Ὅμηρος (Η 12 al.) τὸ κράνος εἴκασέ που στεφάνῃ, τὸ δ’ ἔδειν [727] [a] ‘ἔδερε’ καί ‘δέντης’ τοὺς ὀδόντας καί ‘λάβρα’ τὰ χείλη ἀπὸ τοῦ λαμβάνειν τὴν βορὰν δι’ αὐτῶν; ἢ καὶ τούτων οὖν ἀκουστέον ἀγελαστὶ λεγομένων ἢ μηδ’ ἐκείνοις εὐκόπους οὕτως διὰ τῶν ὀνομάτων ὥσπερ τριγχίων τὰ μὲν ἐκκόπτουσι μέρη τὰ δὲ καθαιροῦσιν παραδύσεις διδῶμεν.’

ΠΡΟΒΛΗΜΑ Ζ

Περὶ συμβόλων Πυθαγορικῶν, ἐν οἷς παρεκελεύοντο χελιδόνα οἰκίᾳ μὴ δέχεσθαι καὶ τὰ στρώματα συνταράττειν εὐθὺς ἀναστάντας

[b] Σύλλας ὁ Καρχηδόνιος εἰς Ῥώμην ἀφικομένῳ μοι διὰ χρόνου τὸ ὑποδεκτικόν, ὡς Ῥωμαῖοι καλοῦσιν, καταγγείλας δεῖπνον ἄλλους τε τῶν ἑταίρων παρέλαβεν οὐ πολλοὺς καὶ Μοδεράτου τινὰ τοῦ Πυθαγορικοῦ μαθητήν, ὄνομα Λεύκιον, ἀπὸ Τυρρηνίας. οὗτος οὖν ὁρῶν Φιλῖνον τὸν ἡμέτερον ἐμψύχων ἀπεχόμενον, οἷον εἰκός, εἰς τοὺς Πυθαγόρου λόγους προήχθη· καὶ Τυρρηνὸν ἀπέφηνεν, οὐ πατρόθεν, ὥσπερ ἕτεροί τινες, ἀλλ’ αὐτὸν ἐν Τυρρηνίᾳ καὶ γεγονέναι καὶ τεθράφθαι καὶ πεπαιδεῦσθαι τὸν Πυθαγόραν [c] ἰσχυριζόμενος οὐχ ἥκιστα τοῖς συμβόλοις, οἷόν ἐστι καὶ τὸ συνταράττειν ἀναστάντας ἐξ εὐνῆς τὰ στρώματα καὶ χύτρας τύπον ἀρθείσης ἐν σποδῷ μὴ ἀπολείπειν ἀλλὰ συγχεῖν καὶ χελιδόνας οἰκίᾳ μὴ δέχεσθαι μηδὲ σάρον ὑπερβαίνειν μηδὲ γαμψώνυχον οἴκοι τρέφειν· ταῦτα γὰρ ἔφη τῶν Πυθαγορικῶν λεγόντων καὶ γραφόντων μόνους ἔργῳ Τυρρηνοὺς ἐξευλαβεῖσθαι καὶ φυλάττειν.

Λεχθέντων δὲ τούτων ὑπὸ τοῦ Λευκίου, μάλιστα τὸ τῶν χελιδόνων ἀτοπίαν ἔχειν ἐδόκει, ζῷον ἀσινὲς καὶ φιλάνθρωπον εἴργεσθαι τοῖς γαμψωνύχοις ὁμοίως, ἀγριωτάτοις οὖσιν καὶ φονικωτάτοις· καὶ γὰρ ᾧ μόνῳ τινὲς τῶν [d] παλαιῶν ᾤοντο λύειν τὸ σύμβολον, ὡς πρὸς τοὺς διαβόλους καὶ ψιθύρους τῶν συνήθων ᾐνιγμένον, οὐδ’ αὐτὸς ὁ Λεύκιος ἐδοκίμαζεν· ψιθυρισμοῦ μὲν γὰρ ἥκιστα χελιδόνι μέτεστι, λαλιᾶς ‹δὲ› καὶ πολυφωνίας οὐ μᾶλλον ἢ κίτταις καὶ πέρδιξι καὶ ἀλεκτορίσιν. ‘ἆρ’ οὖν’ ὁ Σύλλας ἔφη ‘διὰ τὸν μῦθον τὸν περὶ τὴν παιδοφονίαν ἀφοσιοῦνται τὰς χελιδόνας, ἄπωθεν ἡμᾶς πρὸς ἐκεῖνα τὰ πάθη διαβάλλοντες, ἐξ ὧν τὸν Τηρέα καὶ τὰς γυναῖκας τὰ μὲν δρᾶσαι τὰ δὲ παθεῖν ἄθεσμα καὶ σχέτλια λέγουσι, καὶ μέχρι νῦν Δαυλίδας ὀνομάζουσιν τὰς ὄρνιθας, Γοργίας δ’ ὁ σοφιστής, χελιδόνος

ἀφείσης ἐπ’ αὐτὸν ἀπόπατον, ἀναβλέψας [e] πρὸς αὐτήν ‘οὐ καλὰ ταῦτ’’ εἶπεν, ‘ὦ Φιλομήλα’; ἢ καὶ τοῦτο κενόν ἐστιν; τὴν γὰρ ἀηδόνα, ταῖς αὐταῖς τραγῳδίαις ἔνοχον οὖσαν, οὐκ ἀπείργουσιν οὐδὲ ξενηλατοῦσιν.’

‘Ἴσως’ ἔφην ἐγώ ‘καὶ ταῦτ’ ἔχει λόγον, ὦ Σύλλα. σκόπει δὲ μὴ πρῶτον μέν, ᾧ λόγῳ τὸ γαμψώνυχον οὐ προσίενται, τούτῳ καὶ ἡ χελιδὼν ἀδοξεῖ παρ’ αὐτοῖς· σαρκοφάγος γάρ ἐστιν καὶ μάλιστα τοὺς τέττιγας, ἱεροὺς καὶ μουσικοὺς ὄντας, ἀποκτίννυσι καὶ σιτεῖται· καὶ πρόσγειος αὐτῆς ἡ πτῆσίς ἐστιν, τὰ μικρὰ καὶ λεπτὰ τῶν ζῴων ἀγρευούσης, ὥς φησιν Ἀριστοτέλης (fr. 353). ἔπειτα [f] μόνη τῶν ὁμωροφίων ἀσύμβολος ἐνοικεῖ καὶ ἀτελὴς ἐνδιαιτᾶται· καίτοι ὅ γε πελαργὸς οὔτε σκέπης μετέχων οὔτ’ ἀλέας οὔτ’ ἀδείας τινὸς ἢ βοηθείας παρ’ ἡμῖν ἐπίβαθρόν τι τῆς ‹διαίτης› δίδωσιν, τὰ γὰρ ἐπίβουλα καὶ πολέμια τῶν ἀνθρώπων, φρύνους καὶ ὄφεις, ἀναιρεῖ περιιών· ἡ δὲ πάντων τυχοῦσα τούτων, ὅταν ἐκθρέψῃ καὶ τελειώσῃ τοὺς νεοσσούς, ἄπεισιν ἀχάριστος γενομένη καὶ [728] [a] ἄπιστος. ὃ δὲ δεινότατόν ἐστι, μόνα τῶν συνοίκων μυῖα καὶ χελιδὼν οὐχ ἡμεροῦται πρὸς ἄνθρωπον οὐδ’ ἀνέχεται ψαῦσιν οὐδ’ ὁμιλίαν οὐδὲ κοινωνίαν ἔργου τινὸς ἢ παιδιᾶς, ἡ μὲν μυῖα φοβουμένη τῷ πάσχειν κακῶς καὶ διασοβεῖσθαι πολλάκις, ἡ δὲ χελιδὼν τῷ φύσει μισάνθρωπος εἶναι καὶ δι’ ἀπιστίαν ἀτιθάσευτος ἀεὶ καὶ ὕποπτος· εἴπερ οὖν δεῖ τὰ τοιαῦτα μὴ κατ’ εὐθυωρίαν ἀλλ’ ἀνακλάσαντας ὥσπερ ἐμφάσεις ἑτέρων ἐν ἑτέροις θεωρεῖν, παράδειγμα τὰς χελιδόνας τοῦ ἀβεβαίου καὶ ἀχαρίστου θέμενος οὐκ ἐᾷ τοὺς ἕνεκα καιροῦ προσφερομένους καὶ ὑποδυομένους ποιεῖσθαι [b] συνήθεις ἐπὶ πλέον, ἑστίας καὶ οἴκου καὶ τῶν ἁγιωτάτων μεταδιδόντας.’

Ταῦτ’ εἰπὼν ἐγώ μοι δοκῶ ποιῆσαι λόγων ἄδειαν· εὐθαρσῶς γὰρ ἤδη τοῖς ἄλλοις συμβόλοις προσῆγον, ἠθικὰς ἐπιεικῶς ποιούμενοι τὰς λύσεις αὐτῶν. τῆς μὲν γὰρ χύτρας τὸν τύπον ἔφη Φιλῖνος ἀφανίζειν αὐτοὺς διδάσκοντας ὅτι δεῖ μηδὲν ὀργῆς ἔνδηλον ἀπολείπειν ἴχνος, ἀλλ’ ὅταν ἀναζέσασα παύσηται καὶ καταστῇ, πᾶσαν ἐξαληλίφθαι μνησικακίαν. ἡ δὲ τῶν στρωμάτων συντάραξις ἐνίοις μὲν ἐδόκει μηθὲν ἔχειν ἀποκεκρυμμένον, ἀλλ’ αὐτόθεν φαίνεσθαι τὸ μὴ πρέπον, ἀνδρὶ συγκεκοιμημένης γαμετῆς χώραν ὁρᾶσθαι καὶ τύπον ὥσπερ ἐκμαγεῖον ἀπολειπόμενον.

[c] ὁ δὲ Σύλλας μᾶλλον εἴκαζε κοιμήσεως μεθημερινῆς ἀποτροπὴν εἶναι τὸ σύμβολον, ἀναιρουμένης ἕωθεν εὐθὺς τῆς πρὸς τὸν ὕπνον παρασκευῆς· ὡς νυκτὸς ἀναπαύεσθαι δεῖν, ἡμέρας δὲ πράττειν ἀναστάντας καὶ μὴ περιορᾶν οἷον ἴχνος πτώματος· οὐδὲν γὰρ ἀνδρὸς ὄφελος καθεύδοντος, ὥσπερ οὐδὲ τεθνηκότος. τούτοις δὲ συμμαρτυρεῖν ἐδόκει καὶ τὸ παρεγγυᾶν

τοὺς Πυθαγορικοὺς τοῖς ἑταίροις μηδενὸς ἀφαιρεῖν βάρος, συνεπιτιθέναι δὲ καὶ συνεπιφορτίζειν, ὡς μηδεμίαν σχολὴν μηδὲ ῥᾳστώνην ἀποδεχομένους.

ΠΡΟΒΛΗΜΑ Η

Διὰ τί μάλιστα οἱ Πυθαγορικοὶ ἐμψύχων τοὺς ἰχθῦς παρῃτοῦντο

Ἐπεὶ δὲ τούτων λεγομένων ὁ Λεύκιος οὔτε ψέγων [d] οὔτ' ἐπαινῶν, ἀλλ' ἡσυχίαν ἄγων, σιγῇ δὲ καὶ καθ' ἑαυτὸν ὁρῶν ἤκουεν, ὀνομαστὶ καλέσας τὸν Σύλλαν ὁ Ἐμπεδοκλῆς 'Λεύκιος' εἶπεν 'ὁ ἑταῖρος εἰ μὲν ἄχθεται τοῖς λεγομένοις, ὥρα πεπαῦσθαι καὶ ἡμᾶς· εἰ δὲ ταῦτα τῶν ὑπὸ τὴν ἐχεμυθίαν ἐστίν, ἀλλ' ἐκεῖνό γε δοκῶ μήτ' ἄρρητον [e] εἶναι μήτ' ἀνέξοιστον πρὸς ἑτέρους, ὅτι δὴ μάλιστα τῶν ἰχθύων ἀπείχοντο· καὶ γὰρ ἱστορεῖται τοῦτο περὶ τῶν παλαιῶν Πυθαγορικῶν, καὶ τοῦ καθ' ἡμᾶς Ἀλεξικράτους ἐνέτυχον μαθηταῖς ἄλλα μὲν ‹ἔμψυχ'› ἔστιν ὅτε μετρίως προσφερομένοις καὶ νὴ Δία θύουσιν, ἰχθύος δὲ μὴ γεύσασθαι τὸ παράπαν ὑπομένουσιν. ἣν δὲ Τυνδάρης ὁ Λακεδαιμόνιος αἰτίαν ἔλεγε δὲ τῆς ἐχεμυθίας τοῦτο γέρας εἶναι, τοὺς ἰχθῦς καλεῖν ‹ἔλλοπας› οἷον ἰλλομένην τὴν ὄπα καὶ καθειργομένην ἔχοντας· καὶ τὸν ὁμώνυμον ἐμοὶ τῷ Παυσανίᾳ Πυθαγορικῶς παραινεῖν τὰ δόγματα 'στεγάσαι φρενὸς ἔλλοπος εἴσω' (Vorsokr. 31 B 5), [f] καὶ ὅλως θεῖον ἡγεῖσθαι τὴν σιωπὴν τοὺς ἄνδρας, ἅτε δὴ καὶ τῶν θεῶν ἔργοις καὶ πράγμασιν ἄνευ φωνῆς ἐπιδεικνυμένων ἃ βούλονται τοῖς ξυνετοῖς.'

Τοῦ δὲ Λευκίου πράως καὶ ἀφελῶς εἰπόντος, ὡς ὁ μὲν ἀληθὴς ἴσως λόγος καὶ νῦν ἀπόθετος καὶ ἀπόρρητος εἴη, τοῦ δὲ πιθανοῦ καὶ εἰκότος οὐ φθόνος ἀποπειρᾶσθαι, πρῶτος Θέων ὁ γραμματικὸς εἶπεν, ὅτι Τυρρηνὸν μὲν [729] [a] ἀποδεῖξαι Πυθαγόραν μέγ' ἔργον εἴη καὶ οὐ ῥᾴδιον· 'Αἰγυπτίων δὲ τοῖς σοφοῖς συγγενέσθαι πολὺν χρόνον ὁμολογεῖται ζηλῶσαί τε πολλὰ καὶ δοκιμάσαι μάλιστα τῶν περὶ τὰς ἱερατικὰς ἁγιστείας, οἷόν ἐστι καὶ τὸ τῶν κυάμων· οὔτε γὰρ σπείρειν οὔτε σιτεῖσθαι κύαμον Αἰγυπτίους, ἀλλ' οὐδ' ὁρῶντας ἀνέχεσθαί φησιν ὁ Ἡρόδοτος (II 37). ἰχθύων δὲ †καὶ τοὺς ἱερεῖς ἴσμεν ἔτι νῦν ἀπεχομένους· ἁγνεύοντες δὲ καὶ τὸν ἅλα φεύγουσιν, ὡς μήτ' ὄψον προσφέρεσθαι μήτ' ‹ἄρτον› ἁλσὶ θαλαττίοις μεμιγμένον. ἄλλοι μὲν οὖν ἄλλας αἰτίας φέρουσιν· ἔστι δ' ἀληθὴς μία, τὸ πρὸς τὴν θάλατταν ἔχθος ὡς ἀσύμφυλον ἡμῖν καὶ [b] ἀλλότριον μᾶλλον δ' ὅλως πολέμιον τῇ φύσει τοῦ ἀνθρώπου στοιχεῖον. οὐ γὰρ τρέφεσθαι τοὺς θεοὺς ἀπ' αὐτῆς, ὥσπερ οἱ Στωικοὶ τοὺς ἀστέρας, ὑπολαμβάνουσιν, ἀλλὰ τοὐναντίον εἰς ταύτην ἀπόλλυσθαι τὸν πατέρα καὶ σωτῆρα τῆς χώρας, ὃν Ὀσίριδος ἀπορροὴν ὀνομάζουσιν· καὶ θρηνοῦντες τὸν ἐν τοῖς ἀριστεροῖς μέρεσι γεννώμενον ἐν ‹δὲ› τοῖς δεξιοῖς φθειρόμενον αἰνίττονται τὴν τοῦ Νείλου τελευτὴν καὶ φθορὰν ἐν τῇ θαλάττῃ γινομένην. ὅθεν οὔτε τὸ ὕδωρ πότιμον αὐτῆς οὔθ' ὧν

τρέφει τι καὶ γεννᾷ καθαρὸν ἡγοῦνται καὶ οἰκεῖον, οἷς μήτε πνεύματος κοινοῦ μήτε συμφύλου νομῆς μέτεστιν, ἀλλ’ ὁ σῴζων [c] πάντα τἄλλα καὶ τρέφων ἀὴρ ἐκείνοις ὀλέθριός ἐστιν, ὡς παρὰ φύσιν καὶ χρείαν γεγονόσι καὶ ζῶσιν. οὐ δεῖ δὲ θαυμάζειν, εἰ τὰ ζῷα διὰ τὴν θάλατταν ἀλλότρια καὶ οὐκ ἐπιτήδεια καταμίγνυσθαι εἰς αἷμα καὶ πνεῦμα νομίζουσιν αὐτῶν, οἵ γε μηδὲ τοὺς κυβερνήτας ἀξιοῦσι προσαγορεύειν ἀπαντῶντες, ὅτι τὸν βίον ἀπὸ θαλάττης ἔχουσιν.’

Ταῦτ’ ἐπαινέσας ὁ Σύλλας προσεῖπε περὶ τῶν Πυθαγορικῶν, ὡς μάλιστα μὲν ἐγεύοντο τῶν ἱεροθύτων ἀπαρξάμενοι τοῖς θεοῖς, ἰχθύων δὲ θύσιμος οὐδεὶς οὐδ’ ἱερεύσιμός ἐστιν. ἐγὼ δέ, παυσαμένων ἐκείνων, Αἰγυπτίοις [d] μὲν ἔφην ὑπὲρ τῆς θαλάττης πολλοὺς μαχεῖσθαι καὶ φιλοσόφους καὶ ἰδιώτας, ἐκλογιζομένους ὅσοις ἀγαθοῖς εὐπορώτερον καὶ ἡδίω τὸν βίον ἡμῶν πεποίηκεν. ‘ἡ δὲ τῶν Πυθαγορικῶν πρὸς τὸν ἰχθῦν ἐκεχειρία διὰ τὸ μὴ σύμφυλον ἄτοπος καὶ γελοία, μᾶλλον δ’ ἀνήμερος ὅλως καὶ Κυκλώπειόν τι τοῖς ἄλλοις γέρας νέμουσα τῆς συγγενείας καὶ τῆς οἰκειότητος, ὀψοποιουμένοις καὶ ἀναλισκομένοις ὑπ’ αὐτῶν. καίτοι βόλον ἰχθύων πρίασθαί ποτέ φασι τὸν Πυθαγόραν, εἶτ’ ἀφεῖναι κελεῦσαι τὴν σαγήνην, οὐχ ὡς ἀλλοφύλων καὶ πολεμίων ἀμελήσαντα τῶν ἰχθύων [e] ἀλλ’ ὡς ὑπὲρ φίλων καὶ οἰκείων γεγονότων αἰχμαλώτων λύτρα καταβάλλοντα. διὸ τοὐναντίον’ ἔφην ‘ὑπονοεῖν τῶν ἀνδρῶν ‹ἡ› ἐπιείκεια καὶ πραότης δίδωσιν, μήποτ’ ἄρα μελέτης ἕνεκεν τοῦ δικαίου καὶ συνηθείας ἐφείδοντο μάλιστα τῶν ἐναλίων, ὡς τἄλλα μὲν αἰτίαν ἁμωσγέπως παρέχοντα τοῦ κακῶς πάσχειν τῷ ἀνθρώπῳ, τοὺς δ’ ἰχθῦς οὐδὲν ἀδικοῦντας ἡμᾶς, οὐδ’ εἰ πάνυ πεφύκασι δυνάμενοι. πάρεστι δὲ τῶν τε λόγων καὶ τῶν ἱερῶν εἰκάζειν τοῖς παλαιοῖς, ὡς οὐ μόνον ἐδωδὴν ἀλλὰ καὶ φόνον ζῴου μὴ βλάπτοντος ἔργον ἐναγὲς καὶ ἄθεσμον ἐποιοῦντο· πλήθει [f] δ’ ἐπιχεομένῳ καθειργόμενοι καὶ χρησμοῦ τινος, ὥς φασιν, ἐκ Δελφῶν ἐπικελευσαμένου τοῖς καρποῖς ἀρήγειν φθειρομένοις, ἤρξαντο μὲν καθιερεύειν· ἔτι δ’ ὅμως ταραττόμενοι καὶ δειμαίνοντες ‘ἔρδειν’ μὲν ἐκάλουν καὶ ‘ῥέζειν,’ ὥς τι μέγα δρῶντες τὸ θύειν ἔμψυχον, ἄχρι δὲ νῦν παραφυλάττουσιν ἰσχυρῶς τὸ μὴ σφάττειν πρὶν ἐπινεῦσαι κατασπενδόμενον. οὕτως εὐλαβεῖς πρὸς ἅπασαν [730] [a] ἀδικίαν ἦσαν. καίτοι, ἵνα τἄλλ’ ἐάσωμεν, εἰ μόνον ἀλεκτορίδων ἀπείχοντο πάντες ἢ δασυπόδων, οὐκ ἂν ἦν χρόνου βραχέος ὑπὸ πλήθους οὔτε πόλιν οἰκεῖν οὔτε καρπῶν ὄνασθαι· διὸ τῆς ἀνάγκης ἐπαγούσης τὸ πρῶτον, ἤδη καὶ δι’ ἡδονὴν ἔργον ἐστὶν παῦσαι τὴν σαρκοφαγίαν. τὸ δὲ τῶν θαλαττίων γένος οὔτ’ ἀέρα τὸν αὐτὸν οὔθ’ ὕδωρ ἀναλίσκον ἡμῖν οὔτε καρποῖς προσιόν, ἀλλ’ ὥσπερ ἑτέρῳ κόσμῳ περιεχόμενον καὶ χρώμενον ὅροις ἰδίοις, οὓς ὑπερβαίνουσιν αὐτοῖς ἐπίκειται

δίκη [ὁ] θάνατος, οὔτε μικρὰν οὔτε μεγάλην τῇ γαστρὶ πρόφασιν κατ’ αὐτῶν δίδωσιν· ἀλλὰ παντὸς ἰχθύος ἄγρα καὶ σαγηνεία λαιμαργίας καὶ [b] φιλοψίας περιφανῶς ἔργον ἐστίν, ἐπ’ οὐδενὶ δικαίῳ ταραττούσης τὰ πελάγη καὶ καταδυομένης εἰς τὸν βυθόν. οὔτε γὰρ τρίγλαν ἔστιν δήπου ‘ληιβότειραν’ οὔτε σκάρον ‘τρυγηφάγον’ οὔτε κεστρεῖς τινας ἢ λάβρακας ‘σπερμολόγους’ προσειπεῖν, ὡς τὰ χερσαῖα κατηγοροῦντες ὀνομάζομεν· ἀλλ’ οὐδ’ ὅσα γαλῇ καὶ μυὶ κατοικιδίῳ μικρολόγως ἐγκαλοῦμεν, ἔχοι τις ἂν αἰτιάσασθαι τὸν μέγιστον ἰχθῦν. ὅθεν ἀνείργοντες ἑαυτοὺς οὐ νόμῳ μόνῳ τῆς πρὸς ἄνθρωπον ἀδικίας ἀλλὰ καὶ φύσει τῆς πρὸς ἅπαν τὸ μὴ βλάπτον, ἥκιστα τῶν ὄψων ἐχρῶντο τοῖς ἰχθύσιν ἢ τὸ παράπαν οὐκ ἐχρῶντο· καὶ γὰρ ἄνευ τῆς ἀδικίας ἀκρασίαν [c] τινὰ καὶ λιχνείαν ἐμφαίνειν ἔοικεν ἡ περὶ ταῦτα πραγματεία πολυτελὴς οὖσα καὶ περίεργος. ὅθεν Ὅμηρος οὐ μόνον τοὺς Ἕλληνας ἰχθύων ἀπεχομένους πεποίηκε παρὰ τὸν Ἑλλήσποντον στρατοπεδεύοντας, ἀλλ’ οὐδὲ τοῖς ἁβροβίοις Φαίαξιν οὐδὲ τοῖς ἀσώτοις μνηστῆρσιν, ἀμφοτέροις οὖσιν νησιώταις, θαλάττιον παρατέθεικεν ὄψον· οἱ δ’ Ὀδυσσέως ἑταῖροι, τοσαύτην πλέοντες θάλατταν, οὐδαμοῦ καθῆκαν ἄγκιστρον οὐδὲ πόρκον οὐδὲ δίκτυον ἀλφίτων παρόντων·

‘ἀλλ’ ὅτε δὴ νηὸς ἐξέφθιτο ἤια πάντα’ (μ 329),

μικρὸν ἔμπροσθεν ἢ ταῖς τοῦ Ἡλίου βουσὶν ἐπιχειρεῖν, [d] ἰχθῦς ἀγρεύοντες, οὐκ ὄψον ἀλλὰ τροφὴν ἀναγκαίαν ἐποιοῦντο

‘γναμπτοῖς ἀγκίστροισιν· ἔτειρε δὲ γαστέρα λιμὸς’ (μ 332) ὑπὸ τῆς αὐτῆς ἀνάγκης ἰχθύσι τε χρωμένων καὶ τὰς τοῦ Ἡλίου βοῦς κατεσθιόντων. ὅθεν οὐ παρ’ Αἰγυπτίοις μόνον οὐδὲ Σύροις, ἀλλὰ καὶ παρ’ Ἕλλησι γέγονεν ἁγνείας μέρος ἀποχὴ ἰχθύων, μετὰ τοῦ δικαίου καὶ τὸ περίεργον οἶμαι τῆς βρώσεως ἀποδιοπομπουμένοις.’

Ὑπολαβὼν δ’ ὁ Νέστωρ ‘τῶν δ’ ἐμῶν’ ἔφη ‘πολιτῶν ὥσπερ Μεγαρέων οὐδεὶς λόγος; καίτοι πολλάκις ἀκήκοας ἐμοῦ λέγοντος, ὅτι οἱ ἐν Λέπτει τοῦ Ποσειδῶνος ἱερεῖς, οὓς ἱερομνήμονας καλοῦμεν, ἰχθῦς οὐκ ἐσθίουσιν· ὁ γὰρ θεὸς λέγεται φυτάλμιος. οἱ δ’ ἀφ’ Ἕλληνος τοῦ παλαιοῦ [e] καὶ πατρογενείῳ Ποσειδῶνι θύουσιν, ἐκ τῆς ὑγρᾶς τὸν ἄνθρωπον οὐσίας φῦναι δοξάζοντες, ὡς καὶ Σύροι· διὸ καὶ σέβονται τὸν ἰχθῦν, ὡς ὁμογενῆ καὶ σύντροφον, ἐπιεικέστερον Ἀναξιμάνδρου (A 30) φιλοσοφοῦντες· οὐ γὰρ ἐν τοῖς αὐτοῖς ἐκεῖνος ἰχθῦς καὶ ἀνθρώπους, ἀλλ’ ἐν ἰχθύσιν ἐγγενέσθαι τὸ πρῶτον ἀνθρώπους ἀποφαίνεται καὶ τραφέντας ὥσπερ οἱ γαλεοὶ καὶ γενομένους ἱκανοὺς ἑαυτοῖς βοηθεῖν ἐκβῆναι τηνικαῦτα καὶ γῆς λαβέσθαι. καθάπερ οὖν τὸ πῦρ τὴν ὕλην, ἐξ ἧς ἀνήφθη, μητέρα καὶ πατέρ’ οὖσαν, ἤσθιεν, ὡς ὁ τὸν Κήυκος γάμον εἰς τὰ [f] Ἡσιόδου (fr. 158) παρεμβαλὼν εἴρηκεν, οὕτως ὁ

Ἀναξίμανδρος τῶν ἀνθρώπων πατέρα καὶ μητέρα κοινὸν ἀποφήνας τὸν ἰχθῦν διέβαλεν πρὸς τὴν βρῶσιν.’

ΠΡΟΒΛΗΜΑ Θ

Εἰ δυνατόν ἐστι συστῆναι νοσήματα καινὰ καὶ δι’ ἃς αἰτίας

Φίλων ὁ ἰατρὸς διεβεβαιοῦτο τὴν καλουμένην ἐλεφαντίασιν οὐ πρὸ πολλοῦ πάνυ χρόνου γνώριμον γεγονέναι· μηδένα γὰρ τῶν παλαιῶν ἰατρῶν τοῦ πάθους τούτου πεποιῆσθαι λόγον, εἰς ἕτερα μικρὰ καὶ γλίσχρα καὶ δυσθεώρητα τοῖς πολλοῖς ἐνταθέντας. ἐγὼ δὲ καὶ μάρτυν αὐτῷ παρεῖχον ἐκ φιλοσοφίας Ἀθηνόδωρον, ἐν τῷ προτέρῳ τῶν Ἐπιδημιῶν ἱστοροῦντα πρῶτον ἐν τοῖς κατ’ Ἀσκληπιάδην [b] χρόνοις οὐ μόνον τὴν ἐλεφαντίασιν ἀλλὰ καὶ τὸν ὑδροφόβαν ἐκφανῆ γενέσθαι. θαυμάζοντες οὖν οἱ παρόντες, εἰ νέα πάθη τότε πρῶτον ἔσχεν ἐν τῇ φύσει γένεσιν καὶ ‹σύ›στασιν, οὐχ ἧττον ᾤοντο θαυμάσιον εἶναι τὸ λαθεῖν τηλικαῦτα συμπτώματα χρόνον τοσοῦτον· ἐρρύησαν δέ πως μᾶλλον οἱ πλείους ἐπὶ τὸ δεύτερον ὡς ἀνθρώπινον μᾶλλον, ἥκιστα τὴν φύσιν ἔν γε τούτοις φιλόκαινον εἶναι καὶ νέων πραγμάτων ὥσπερ ἐν πόλει τῷ σώματι δημιουργὸν ἀξιοῦντες.

Ὁ δὲ Διογενιανὸς ἔφη καὶ τὰ τῆς ψυχῆς νοσήματα καὶ πάθη κοινήν τινα καὶ πάτριον ὁδὸν βαδίζειν. ‘καίτοι [c] παντοδαπὸν μέν’ εἶπεν ‘ἡ μοχθηρία καὶ πολύτολμον, αὐτοκρατὲς δ’ ἡ ψυχὴ καὶ κύριον ὑφ’ αὐτῆς, εἰ βούλοιτο, μεταβάλλειν καὶ τρέπεσθαι ῥᾳδίως· ἔχει δέ τινα τάξιν τὸ ἄτακτον αὐτῆς καὶ τὰ μέτρα τηρεῖ τοῖς πάθεσιν, ὥσπερ ἡ θάλαττα ταῖς ὑπερεκχύσεσι, καὶ καινὸν οὐδὲν οὐδὲ τοῖς παλαιοῖς ἀνιστόρητον ἐξήνθηκε κακίας εἶδος· ἀλλὰ πολλαὶ μὲν ἐπιθυμιῶν διαφοραί, μυρία δὲ κινήματα φόβου καὶ σχήματα, τὰς δὲ λύπης καὶ ἡδονῆς μορφὰς ἔργον ἐστὶ μὴ ἀπειπεῖν ἐξαριθμούμενον·

‘οὐ μήν τι νῦν γε κἀχθές, ἀλλ’ ἀεί ποτε

ζῇ ταῦτα, κοὐδεὶς οἶδεν ἐξ ὅτου ‘φάνη·’ (Soph. Ant. 456)

πόθεν γε δὴ σώματι νόσημα καινὸν ἢ πάθος ὀψίγονον, [d] ἰδίαν μὲν ὥσπερ ἡ ψυχὴ κινήσεως ἀρχὴν οἴκοθεν οὐκ ἔχοντι, συνημμένῳ δὲ κοιναῖς πρὸς τὴν φύσιν αἰτίαις καὶ κεκραμένῳ κρᾶσιν, ἧς καὶ τὸ ἀόριστον ἐντὸς ὅρων πλανᾶται, καθάπερ πλοῖον ἐν περιδρόμῳ σαλεῦον; οὔτε γὰρ ἀναίτιος νόσου σύστασίς ἐστιν, τὴν ἐκ μὴ ὄντος παρανόμως ἐπεισάγουσα γένεσιν [δύναμιν] τοῖς πράγμασιν, αἰτίαν τε καινὴν ἔργον ἐξευρεῖν μὴ καινὸν ἀέρα καὶ ξένον ὕδωρ καὶ τροφὰς ἀγεύστους τοῖς πρότερον ἐξ ἑτέρων τινῶν κόσμων ἢ μετακοσμίων ἀποφήναντι δεῦρο νῦν πρῶτον ἐπιρρεούσας. ἐκ τούτων γὰρ νοσοῦμεν οἷς καὶ ζῶμεν, ἴδια δὲ σπέρματα [e] νόσων οὐκ ἔστιν, ἀλλ’ αἱ τούτων μοχθηρίαι πρὸς ἡμᾶς καὶ ἡμῶν περὶ ταῦτα πλημμέλειαι τὴν φύσιν

ἐπιταράττουσιν. αἱ δὲ ταραχαὶ διαφορὰς ἀιδίους ἔχουσιν πολλάκις νέοις χρωμένας ὀνόμασιν· τὰ γὰρ ὀνόματα τῆς συνηθείας ἐστὶν τὰ δὲ πάθη τῆς φύσεως· ὅθεν ‹ἐν› ἀφωρισμένοις τούτοις ἐκεῖνα ποικιλλόμενα τὴν ἀπάτην πεποίηκεν· ὡς δὲ τοῖς τοῦ λόγου μορίοις καὶ ταῖς πρὸς ἄλληλα τούτων συντάξεσι καινὸν ἐγγενέσθαι βαρβαρισμὸν ἢ σολοικισμὸν ἐξαίφνης ἀδύνατόν ἐστιν, οὕτως αἱ τοῦ σώματος κράσεις ὡρισμένας ἔχουσι τὰς ὀλισθήσεις καὶ παραβάσεις, τρόπον τινὰ τῇ φύσει καὶ τῶν παρὰ φύσιν ἐμπεριεχομένων.

[f] ταύτῃ γε κομψοὶ καὶ οἱ μυθογράφοι· τὰ γὰρ παντάπασιν ἔκφυλα καὶ τεράστια τῶν ζῴων γενέσθαι λέγουσιν ἐν τῇ γιγαντομαχίᾳ, τῆς σελήνης ἐκτρεπομένης καὶ τὰς ἀνατολὰς οὐχ ὅθεν εἴωθεν ποιουμένης· οἱ δὲ καινὰ νοσήματα [732] [a] τὴν φύσιν ὥσπερ τέρατα γεννᾶν ἀξιοῦσιν, μήτε πιθανὴν μήτ’ ἀπίθανον αἰτίαν τῆς ἐξαλλαγῆς πλάσσοντες, ἀλλὰ τὸ ἄγαν καὶ τὸ μᾶλλον ἐνίων παθῶν καινότητα καὶ διαφορὰν ἀποφαίνοντες· οὐκ ὀρθῶς, ὦ μακάριε Φίλων· ἐπίτασις γὰρ καὶ αὔξησις μέγεθος ἢ πλῆθος προστίθησι, τοῦ δὲ γένους ‹οὐκ› ἐκβιβάζει τὸ ὑποκείμενον· ὥσπερ οὐδὲ τὴν ἐλεφαντίασιν οἴομαι, σφοδρότητα τῶν ψωρικῶν τινος τούτων οὖσαν, οὐδὲ τὸν ὑδροφόβαν τῶν στομαχικῶν ἢ μελαγχολικῶν. καίτοι τοῦτό γε θαυμαστὸν εἰ μηδ’ Ὅμηρος (Θ 299) ἀγνοῶν ἐλάνθανεν ὑμᾶς· τὸν γὰρ ‘λυσσητῆρα κύνα’ δῆλός ἐστιν ἀπὸ τοῦ πάθους τούτου προσαγορεύων, [b] ἀφ’ οὗ καὶ ἄνθρωποι λυσσᾶν λέγονται.’

ΠΡΟΒΛΗΜΑ Ι

Διὰ τί τοῖς φθινοπωρινοῖς ἐνυπνίοις ἥκιστα πιστεύομεν

Προβλήμασιν Ἀριστοτέλους φυσικοῖς ἐντυγχάνων [d] Φλῶρος εἰς Θερμοπύλας κομισθεῖσιν αὐτός τε πολλῶν ἀποριῶν, ὅπερ εἰώθασι πάσχειν ἐπιεικῶς αἱ φιλόσοφοι φύσεις, ὑπεπίμπλατο καὶ τοῖς ἑταίροις μετεδίδου, μαρτυρῶν αὐτῷ τῷ Ἀριστοτέλει (fr. 62) λέγοντι τὴν πολυμάθειαν πολλὰς ‹ἀποριῶν› ἀρχὰς ποιεῖν. τὰ μὲν οὖν ἄλλα μεθ᾽ ἡμέραν οὐκ ἄχαριν ἡμῖν ἐν τοῖς περιπάτοις διατριβὴν παρέσχεν· τὸ δὲ λεγόμενον (fr. 242) περὶ τῶν ἐνυπνίων, ὥς ἐστιν ἀβέβαια καὶ ψευδῆ μάλιστα περὶ τοὺς φυλλοχόους μῆνας, οὐκ οἶδ᾽ ὅπως ‹ἐφ'› ἑτέροις λόγοις πραγματευσαμένου τοῦ Φαβωρίνου μετὰ τὸ δεῖπνον ἀνέκυψεν.

[e] τοῖς μὲν οὖν σοῖς ἑταίροις ἐμοῖς δ᾽ υἱοῖς ἐδόκει λελυκέναι τὴν ἀπορίαν Ἀριστοτέλης, καὶ οὐδὲν ᾤοντο δεῖν ζητεῖν οὐδὲ λέγειν ἀλλ᾽ ἢ τοὺς καρπούς, ὥσπερ ἐκεῖνος, αἰτιᾶσθαι. νέοι γὰρ ὄντες ἔτι καὶ σφριγῶντες πολὺ πνεῦμα γεννῶσιν ἐν τῷ σώματι καὶ ταραχῶδες· οὐ γὰρ τὸν οἶνον εἰκός ἐστι μόνον ζεῖν καὶ ἀγανακτεῖν, οὐδὲ τοὔλαιον ἂν ᾖ νεουργὸν ἐν τοῖς λύχνοις ψόφον ἐμποιεῖν, ἀποκυματιζούσης τὸ πνεῦμα τῆς θερμότητος, ἀλλὰ καὶ τὰ σιτία τὰ πρόσφατα καὶ τὴν ὀπώραν ἅπασαν ὁρῶμεν ἐντεταμένην καὶ οἰδοῦσαν, ἄχρι ἂν ἀποπνεύσῃ τὸ φυσῶδες καὶ ἄπεπτον. ὅτι δ᾽ ἐστὶ τῶν βρωμάτων ἔνια

Ὁ δὲ Φαβωρῖνος αὐτὸς τὰ μὲν ἄλλα δαιμονιώτατος Ἀριστοτέλους ἐραστής ἐστι καὶ τῷ Περιπάτῳ νέμει μερίδα τοῦ πιθανοῦ πλείστην· τότε μέντοι λόγον τινὰ τοῦ Δημοκρίτου (A 77) παλαιὸν ὥσπερ ἐκ καπνοῦ καθελὼν ἠμαυρωμένον [735] [a] οἷος ἦν ἐκκαθαίρειν καὶ διαλαμπρύνειν, ὑποθέμενος τοῦτο δὴ τοὐπιδήμιον ὅ φησιν Δημόκριτος ἐγκαταβυσσοῦσθαι τὰ εἴδωλα διὰ τῶν πόρων εἰς τὰ σώματα καὶ ποιεῖν τὰς κατὰ τὸν ὕπνον ὄψεις ἐπαναφερόμενα· φοιτᾶν δὲ ταῦτα πανταχόθεν ἀπιόντα καὶ σκευῶν καὶ ἱματίων καὶ φυτῶν, μάλιστα δὲ ζῴων ὑπὸ σάλου πολλοῦ καὶ θερμότητος οὐ μόνον ἔχοντα μορφοειδεῖς τοῦ σώματος ἐκμεμαγμένας ὁμοιότητας (ὡς Ἐπίκουρος (fr. 326) οἴεται μέχρι τούτου Δημοκρίτῳ συνεπόμενος, ἐνταῦθα δὲ προλιπὼν τὸν λόγον), ἀλλὰ καὶ τῶν κατὰ ψυχὴν κινημάτων καὶ βουλευμάτων ἑκάστῳ καὶ ἠθῶν καὶ παθῶν ἐμφάσεις ἀναλαμβάνοντα [b] συνεφέλκεσθαι, καὶ προσπίπτοντα μετὰ τούτων ὥσπερ ἔμψυχα φράζειν καὶ διαγγέλλειν τοῖς ὑποδεχομένοις τὰς τῶν μεθιέντων αὐτὰ δόξας καὶ διαλογισμοὺς καὶ ὁρμάς, ὅταν ἐνάρθρους καὶ ἀσυγχύτους φυλάττοντα προσμίξῃ τὰς εἰκόνας. τοῦτο δὲ μάλιστα ποιεῖ δι’ ἀέρος λείου τῆς φορᾶς αὐτοῖς γινομένης ἀκωλύτου καὶ ταχείας. ὁ δὲ φθινοπωρινός, ἐν ᾧ φυλλοχοεῖ τὰ δένδρα, πολλὴν ἀνωμαλίαν ἔχων καὶ τραχύτητα διαστρέφει καὶ παρατρέπει πολλαχῇ τὰ εἴδωλα καὶ τὸ ἐναργὲς αὐτῶν ἐξίτηλον καὶ ἀσθενὲς ποιεῖ τῇ βραδυτῆτι τῆς πορείας ἀμαυρούμενον, ὥσπερ αὖ πάλιν πρὸς ὀργώντων καὶ διακαιομένων ἐκθρώσκοντα [c] πολλὰ καὶ ταχὺ κομιζόμενα τὰς ἐμφάσεις νεαρὰς καὶ σημαντικὰς ἀποδίδωσιν.

Εἶτα διαβλέψας πρὸς τοὺς περὶ τὸν Αὐτόβουλον καὶ μειδιάσας ‘ἀλλ’ ὁρῶ’ εἶπεν ‘ὑμᾶς οἵους [τε] ὄντας ἤδη σκιαμαχεῖν πρὸς τὰ εἴδωλα καὶ δόξῃ παλαιᾷ καθάπερ γραφῇ προσφέροντας ἁφὴν οἴεσθαί τι ποιεῖν.’ καὶ ὁ Αὐτόβουλος ‘παῦε ποικίλλων’ ἔφη ‘πρὸς ἡμᾶς· οὐ γὰρ ἀγνοοῦμεν, ὅτι τὴν Ἀριστοτέλους δόξαν εὐδοκιμῆσαι βουλόμενος ὥσπερ σκιὰν αὐτῇ τὴν Δημοκρίτου παραβέβληκας. ‹ἐπ’› ἐκείνην οὖν τρεψόμεθα κἀκείνῃ μαχούμεθα κατηγορούσῃ [d] τῶν νέων καρπῶν καὶ τῆς φίλης ὀπώρας οὐ προσηκόντως. τὸ γὰρ θέρος αὐτοῖς μαρτυρεῖ καὶ τὸ μετόπωρον, ὅτε μάλιστα χλωρὰν καὶ φλείουσαν, ὡς Ἀντίμαχος (fr. 36 Kink. 40 Wyss) ἔφη, τὴν ὀπώραν, γεννωμένην ἄρτι, προσφερόμενοι [τοὺς καρποὺς] ἧττον ἀπατηλοῖς καὶ ψευδέσιν ἐνυπνίοις σύνεσμεν· οἱ δὲ φυλλοχόοι μῆνες ἤδη τῷ χειμῶνι παρασκηνοῦντες ἐν πέψει τὰ σιτία καὶ τὰ περιόντα τῶν ἀκροδρύων ἰσχνὰ καὶ

ΣΥΜΠΟΣΙΑΚΩΝ ΒΙΒΛΙΟΝ ΕΝΑΤΟΝ

Περὶ στίχων εὐκαίρως ἀναπεφωνημένων καὶ ἀκαίρως

[d] Ἀμμώνιος Ἀθήνησι στρατηγῶν ἀπόδειξιν ἔλαβεν ‹ἐν› τῷ Διογενείῳ τῶν γράμματα καὶ γεωμετρίαν καὶ τὰ ῥητορικὰ καὶ μουσικὴν μανθανόντων ἐφήβων, καὶ τοὺς εὐδοκιμήσαντας τῶν διδασκάλων ἐπὶ δεῖπνον ἐκάλεσεν. παρῆσαν δὲ καὶ τῶν ἄλλων φιλολόγων συχνοὶ καὶ πάντες ἐπιεικῶς οἱ συνήθεις. ὁ μὲν οὖν Ἀχιλλεὺς (Ψ 810) μόνοις τῶν ἀγωνισαμένων τοῖς μονομαχήσασι δεῖπνον κατήγγειλεν, βουλόμενος, ὥς φασιν, εἴ τις ἐν τοῖς ὅπλοις ὀργὴ πρὸς ἀλλήλους καὶ χαλεπότης γένοιτο, ταύτην ἀφεῖναι καὶ καταθέσθαι τοὺς ἄνδρας ἑστιάσεως κοινῆς καὶ τραπέζης μετασχόντας· τῷ δ' Ἀμμωνίῳ συνέβαινε τοὐναντίον· [e] ἀκμὴν γὰρ ἡ τῶν διδασκάλων ἅμιλλα καὶ φιλονεικία σφοδροτέραν ἔλαβεν ἐν ταῖς κύλιξι γενομένων· ἤδη δὲ καὶ προτάσεις καὶ προκλήσεις ἦσαν ἄκριτοι καὶ ἄτακτοι.

'τρὶς μάκαρες Δαναοὶ καὶ τετράκις, οἳ τότ' ὄλοντο·'

καὶ γὰρ παθεῖν τι τὸν Μόμμιόν φασι καὶ δακρῦσαι καὶ πάντας ἀφεῖναι ἐλευθέρους τοὺς τῷ παιδὶ προσήκοντας. ἐμνήσθη δὲ καὶ τῆς Θεοδώρου ‹τοῦ› τραγῳδοῦ γυναικὸς [b] οὐ προσδεξαμένης αὐτὸν ἐν τῷ συγκαθεύδειν ὑπογύου τοῦ ἀγῶνος ὄντος, ἐπεὶ δὲ νικήσας εἰσῆλθεν πρὸς αὐτήν, ἀσπασαμένης καὶ εἰπούσης (Soph. Ἐκ δὲ τούτου πολλὰ καὶ τῶν ἀκαίρων ἐνίοις ἐπῄει λέγειν, ὡς οὐκ ἄχρηστον εἰδέναι καὶ φυλάττεσθαι. οἷον Πομπηίῳ Μάγνῳ φασὶν ἀπὸ τῆς μεγάλης ἐπανήκοντι στρατείας τὸν διδάσκαλον τῆς θυγατρὸς ἀπόδειξιν διδόντα βιβλίου κομισθέντος ἐνδοῦναι τῇ παιδὶ τοιαύτην ἀρχήν (Γ 428)

ΠΡΟΒΛΗΜΑ Β

Τίς αἰτία, δι' ἣν τὸ ἄλφα προτέτακται τῶν στοιχείων

[d] Ἔθους δ' ὄντος ἐν τοῖς Μουσείοις κλήρους περιφέρεσθαι καὶ τοὺς συλλαχόντας ἀλλήλοις προτείνειν φιλόλογα ζητήματα, φοβούμενος ὁ Ἀμμώνιος μὴ τῶν ὁμοτέχνων τινὲς ἀλλήλοις συλλάχωσι, προσέταξεν ἄνευ κλήρου γεωμέτρην [e] γραμματικῷ προτεῖναι καὶ ῥητορικῷ μουσικόν, εἶτ' ἔμπαλιν ἀναστρέφειν τὰς ἀνταποδόσεις.

Προὔτεινεν οὖν [ὁ] Ἑρμείας ὁ γεωμέτρης Πρωτογένει τῷ γραμματικῷ πρῶτος αἰτίαν εἰπεῖν, δι' ἣν τὸ ἄλφα προτάττεται τῶν γραμμάτων ἁπάντων. ὁ δὲ τὴν ἐν ταῖς σχολαῖς λεγομένην ἀπέδωκε. τὰ μὲν γὰρ φωνήεντα τῷ δικαιοτάτῳ λόγῳ πρωτεύειν τῶν ἀφώνων καὶ ἡμιφώνων· ἐν δὲ τούτοις τῶν μὲν μακρῶν ὄντων τῶν δὲ βραχέων τῶν δ' ἀμφότερα καὶ διχρόνων λεγομένων, ταῦτ' εἰκότως τῇ δυνάμει διαφέρειν. αὐτῶν δὲ τούτων πάλιν ἡγεμονικωτάτην ἔχειν τάξιν τὸ προτάττεσθαι τῶν ἄλλων δυεῖν ὑποτάττεσθαι δὲ μηδετέρῳ πεφυκός, οἷόν ἐστι τὸ [f] ἄλφα· τουτὶ γὰρ οὔτε τοῦ ἰῶτα δεύτερον οὔτε τοῦ υ ταττόμενον ἐθέλειν ὁμολογεῖν οὐδ' ὁμοπαθεῖν ὥστε συλλαβὴν μίαν ἐξ ἀμφοῖν γενέσθαι, ἀλλ' ὥσπερ ἀγανακτοῦν καὶ ἀποπηδῶν ἰδίαν ἀρχὴν ζητεῖν ἀεί· ἐκείνων δ' ὁποτέρου βούλῃ προταττόμενον ἀκολουθοῦντι καὶ συμφωνοῦντι χρῆσθαι καὶ συλλαβὰς ὀνομάτων ποιεῖν, ὥσπερ τοῦ 'αὔριον' καὶ τοῦ 'αὐλεῖν' καὶ τοῦ 'Αἴαντος' καὶ τοῦ 'αἰδεῖσθαι' [738] [a] καὶ μυρίων ἄλλων. διὸ τοῖς τρισίν, ὥσπερ οἱ πένταθλοι, περίεστι καὶ νικᾷ τὰ μὲν πολλὰ τῷ φωνᾶεν εἶναι, τὰ δ' αὖ φωνάεντα [ἐν] τῷ δίχρονον,

ταῦτα δ’ αὐτὰ τῷ πεφυκέναι καθηγεῖσθαι δευτερεύειν δὲ μηδέποτε μηδ’ ἀκολουθεῖν.

Παυσαμένου δὲ τοῦ Πρωτογένους, καλέσας ἔμ’ ὁ Ἀμμώνιος ‘οὐδέν’ ἔφη ‘σὺ τῷ Κάδμῳ βοηθεῖς ὁ Βοιώτιος, ὅν φασι τὸ ἄλφα πάντων προτάξαι διὰ τὸ Φοίνικας οὕτω καλεῖν τὸν βοῦν, ‹ὃν› οὐ δεύτερον οὐδὲ τρίτον, ὥσπερ Ἡσίοδος (OD 405), ἀλλὰ πρῶτον τίθεσθαι τῶν ἀναγκαίων;’ ‘οὐδέν’ ἔφην ἐγώ· ‘τῷ γὰρ ἐμῷ πάππῳ βοηθεῖν, εἴ τι δύναμαι, δίκαιός εἰμι μᾶλλον ἢ τῷ τοῦ Διονύσου.

[b] Λαμπρίας γὰρ ὁ ἐμὸς πάππος ἔλεγεν πρώτην φύσει φωνὴν τῶν ἐνάρθρων ἐκφέρεσθαι διὰ τῆς τοῦ ἄλφα δυνάμεως· τὸ γὰρ ἐν τῷ στόματι πνεῦμα ταῖς περὶ τὰ χείλη μάλιστα πλάττεσθαι κινήσεσιν, ὧν πρώτην ἀνοιγομένων τὴν ἄνω διάστασιν οὖσαν ἐξιέναι τοῦτον τὸν ἦχον, ἁπλοῦν ὄντα κομιδῇ καὶ μηδεμιᾶς δεόμενον πραγματείας, μηδὲ τὴν γλῶτταν παρακαλοῦντα μηδ’ ὑπομένοντ’, ἀλλὰ κατὰ χώραν ἀποκειμένης [ἐσκειμένης] ἐκείνης ἐκπεμπόμενον· ᾗ καὶ τὰ νήπια ταύτην πρώτην ἀφιέναι φωνήν, ὠνομάσθαι ‹δὲ› καὶ τὸ ‘ἀίειν’ ἐπὶ τῷ φωνῆς αἰσθάνεσθαι [c] καὶ πολλὰ τῶν ὁμοίων, ὥσπερ καὶ τὸ ‘ᾄδειν’ καὶ ‹τὸ› ‘αὐλεῖν’ καὶ τὸ ‘ἀλαλάζειν’· οἶμαι δὲ καὶ τὸ ‘αἴρειν’ καὶ τὸ ‘ἀνοίγειν’ οὐκ ἀπὸ τρόπου τῇ τῶν χειλῶν ἀνοίξει καὶ ἄρσει, καθ’ ἣν οὗτος ἐκπίπτει τοῦ στόματος ὁ φθόγγος, ὠνομάσθαι. διὸ καὶ τὰ τῶν ἀφώνων γραμμάτων ὀνόματα πλὴν ἑνὸς ἅπαντα προσχρῆται τῷ ἄλφα καθάπερ φωτὶ τῆς περὶ αὐτὰ τυφλότητος· τοῦ δὲ πῖ μόνον ἄπεστιν ἡ δύναμις αὕτη· τὸ γὰρ φῖ καὶ τὸ χῖ τὸ μέν ἐστι πῖ τὸ δὲ κάππα δασυνόμενον.’

ΠΡΟΒΛΗΜΑ Γ

Κατὰ ποίαν ἀναλογίαν ὁ τῶν φωνηέντων καὶ ἡμιφώνων ἀριθμὸς συντέτακται

Πρὸς ταῦτα τοῦ Ἑρμείου φήσαντος ἀμφοτέρους ἀποδέχεσθαι τοὺς λόγους ‘τί οὖν’ ἔφην ‘οὐ καὶ σὺ διῆλθες [d] ἡμῖν, εἴ τις ἔστι λόγος τοῦ ἀριθμοῦ τῶν στοιχείων, ὥς γ’ ἐμοὶ δοκεῖ; τεκμήριον δὲ ποιοῦμαι τὸ μὴ κατὰ τύχην τῶν ἀφώνων καὶ ἡμιφώνων πρός τ’ ἄλληλα καὶ πρὸς τὰ φωνήεντα γεγονέναι τὸ πλῆθος, ἀλλὰ κατὰ τὴν πρώτην ἀναλογίαν ἀριθμητικὴν δὲ καλουμένην ὑφ’ ἡμῶν· ἐννέα γὰρ ὄντων καὶ ὀκτὼ ‹καὶ ἑπτά›, ταὐτῷ τὸν μέσον ἀριθμὸν ὑπερέχειν καὶ ὑπερέχεσθαι συμβέβηκε. τῶν δ’ ἄκρων ὁ μέγιστος πρὸς τὸν ἐλάχιστον ἔχει λόγον, ‹ὃν› ὁ τῶν Μουσῶν πρὸς τὸν τοῦ Ἀπόλλωνος· ἡ γὰρ ἐννεὰς δήπου ταῖς Μούσαις ἡ δ’ ἑβδομὰς τῷ Μουσηγέτῃ προσκεκλήρωται· συντεθέντα δ’ ἀλλήλοις διπλασιάζει τὸν μέσον [e] εἰκότως, ἐπεὶ καὶ τὰ ἡμίφωνα τῆς ἀμφοῖν τρόπον τινὰ κοινωνεῖ δυνάμεως.’

Καὶ ὁ Ἑρμείας ‘Ἑρμῆς’ ἔφη ‘λέγεται θεῶν ἐν Αἰγύπτῳ γράμματα πρῶτος εὑρεῖν· διὸ καὶ τὸ τῶν γραμμάτων Αἰγύπτιοι πρῶτον ἶβιν γράφουσιν, ὡς Ἑρμῇ προσήκουσαν, οὐκ ὀρθῶς κατά γε τὴν ἐμὴν δόξαν ἀναύδῳ καὶ ἀφθόγγῳ προεδρίαν ἐν γράμμασιν ἀποδόντες. Ἑρμῇ [f] δὲ μάλιστα τῶν ἀριθμῶν ἡ τετρὰς ἀνάκειται, πολλοὶ δὲ καὶ τετράδι μηνὸς ἱσταμένου γενέσθαι τὸν θεὸν ἱστοροῦσιν· τά τε δὴ πρῶτα καὶ Φοινίκεια διὰ Κάδμον ὀνομασθέντα τετράκις ἡ τετρὰς γενομένη παρέσχεν, καὶ τῶν αὖθις ἐφευρεθέντων δὲ Παλαμήδης τε πρότερος τέτταρα καὶ Σιμωνίδης αὖθις ἄλλα τοσαῦτα προσέθηκεν. καὶ μὴν ὅ‹τι› πάντων ἀριθμῶν πρῶτος τέλειος ἡ μὲν τριὰς ὡς ἀρχὴν καὶ μέσον ἔχουσα καὶ τέλος, ἡ δ’ ἑξὰς ὡς ἴση τοῖς αὑτῆς μέρεσι γινομένη, δῆλόν ἐστι· τούτων τοίνυν ἡ μὲν ἑξὰς ὑπὸ τῆς τετράδος, ‹ἡ δὲ τριὰς ὑπὸ τῆς ὀγδοάδος› πολλαπλασιασθεῖσα, πρώτου κύβου πρῶτος τέλειος, τὸ τῶν τεττάρων καὶ εἴκοσι παρέσχηκε πλῆθος.’

Ἔτι δ’ αὐτοῦ λέγοντος ὁ γραμματιστὴς Ζωπυρίων δῆλος ἦν καταγελῶν καὶ παρεφθέγγετο· παυσαμένου δ’ οὐ κατέσχεν ἀλλὰ φλυαρίαν τὰ τοιαῦτα πολλὴν ἀπεκάλει· [739] [a] μηδενὶ γὰρ λόγῳ συντυχίᾳ δέ τινι καὶ τὸ πλῆθος τῶν γραμμάτων γεγονέναι τοσοῦτον καὶ τὴν τάξιν οὕτως ἔχουσαν, ὥσπερ, ἔφη, καὶ τὸ τῆς Ἰλιάδος τὸν πρῶτον στίχον τῷ τῆς Ὀδυσσείας ἰσοσύλλαβον εἶναι καὶ πάλιν τῷ τελευταίῳ τὸν τελευταῖον ἐκ τύχης καὶ αὐτομάτως ἐπηκολουθηκέναι.

ΠΡΟΒΛΗΜΑ Δ

Ποτέραν χεῖρα τῆς Ἀφροδίτης ἔτρωσεν ὁ Διομήδης

[b] Μετὰ δὲ ταῦτα τὸν μὲν Ἑρμείαν βουλόμενόν τι προβαλεῖν τῷ Ζωπυρίωνι ἀπεκωλύσαμεν· ὁ δὲ ῥήτωρ Μάξιμος ἄπωθεν ἠρώτησεν αὐτὸν ἐκ τῶν Ὁμήρου, ποτέραν χεῖρα τρώσειεν τῆς Ἀφροδίτης ὁ Διομήδης. ταχὺ δὲ τοῦ Ζωπυρίωνος ἀντερομένου ποτέρῳ σκέλει χωλὸς ἦν ὁ Φίλιππος, ‘οὐχ ὅμοιον’ εἶπεν ὁ Μάξιμος· ‘οὐδὲ γὰρ ὁ Δημοσθένης ὑπόλογον περὶ τούτου δέδωκεν· σὺ δ’ ἐὰν ἀπορεῖν ὁμολογήσῃς, ἕτεροι δείξουσιν ὅπου τὴν τετρωμένην χεῖρα φράζει τοῖς νοῦν ἔχουσιν ὁ ποιητής.’ ἔδοξεν οὖν ἡμῖν ὁ Ζωπυρίων διηπορῆσθαι, καὶ τὸν Μάξιμον, ἐκείνου σιωπῶντος, ἠξιοῦμεν ἐπιδεικνύναι.

[c] ‘Πρῶτον οὖν’ ὁ Μάξιμος ἔφη ‘τῶν ἐπῶν οὕτως ἐχόντων (E 335)

Διὰ τί Πλάτων εἰκοστὴν ἔφη τὴν Αἴαντος ψυχὴν ἐπὶ τὸν κλῆρον ἐλθεῖν

Ταῦτα τοὺς ἄλλους ἅπαντας ἡδίους ἐποίησεν, μόνον δὲ τὸν γραμματικὸν Ὕλαν ὁ ῥήτωρ Σῶσπις ὁρῶν ἀποσιωπῶντα καὶ βαρυθυμούμενον (οὐ πάνυ γὰρ εὐημέρησεν ἐν ταῖς ἐπιδείξεσιν) ἀνεφώνησεν (λ 543)

'οἴη δ' Αἴαντος ψυχὴ Τελαμωνιάδαο·'

τὰ ‹δὲ› λοιπὰ μεῖζον [ἢ] φθεγγόμενος ἤδη πρὸς ἐκεῖνον ἐπέραινεν (λ 561)

'ἀλλ' ἴθι δεῦρο, ἄναξ, ἵν' ἔπος καὶ μῦθον ἀκούσῃς

ἡμέτερον· δάμασον δὲ μένος καὶ ἀτειρέα θυμόν.'

[f] ἔτι δ' ἀνώμαλος ὢν ὑπ' ὀργῆς ὁ Ὕλας ἀπεκρίνατο σκαιῶς· τὴν μὲν Αἴαντος ἔφη ψυχὴν εἰκοστὴν λαχοῦσαν ἐν Ἅιδου διαμείψασθαι κατὰ τὸν Πλάτωνα (Rep. 620b) φύσιν λέοντος, αὐτῷ δὲ πολλάκις παρίστασθαι καὶ τὰ τοῦ κωμικοῦ γέροντος (Menand. fr. 223, 18)

'ὄνον γενέσθαι κρεῖττον ἢ τοὺς χείρονας

ὁρᾶν ἑαυτοῦ ζῶντας ἐπιφανέστερον.'

καὶ ὁ Σῶσπις γελάσας 'ἀλλ' ἕως μέλλομεν ἐνδύεσθαι [740] [a] τὸ κανθήλιον, εἴ τι κήδει Πλάτωνος, δίδαξον ἡμᾶς, ᾧτινι λόγῳ τὴν τοῦ Τελαμωνίου ψυχὴν πεποίηκεν ἀπὸ κλήρου βαδίζουσαν εἰκοστὴν ἐπὶ τὴν αἵρεσιν.' ἀποσκορακίσαντος ‹δὲ› τοῦ Ὕλα (χλευάζεσθαι γὰρ ᾤετο δυσημερῶν) ὑπολαβὼν ὁ ἀδελφὸς ἡμῶν 'τί οὖν;' εἶπεν 'οὐ δευτερεῖα μὲν ὁ Αἴας κάλλους καὶ μεγέθους καὶ ἀνδρείας ἀεὶ φέρεται 'μετ' ἀμύμονα Πηλείωνα' (λ 551), τὰ δ' εἴκοσι δευτέρα δεκάς, ἡ δὲ δεκὰς ἐν τοῖς ἀριθμοῖς κράτιστος, ὡς ἐν τοῖς Ἀχαιοῖς ὁ Ἀχιλλεύς;' γελασάντων δ' ἡμῶν 'ταῦτα μέν' ὁ Ἀμμώνιος εἶπεν, 'ὦ Λαμπρία, κείσθω σοι πεπαιγμένα πρὸς Ὕλαν· ἡμῖν δὲ

μὴ παίζων [b] ἀλλ’ ἀπὸ σπουδῆς, ἐπεὶ τὸν λόγον ἑκὼν ἐξεδέξω, δίελθε περὶ τῆς αἰτίας.’

Θορυβηθεὶς οὖν ὁ Λαμπρίας, εἶτα χρόνον οὐ πολὺν ἐπισχὼν ἔφη πολλαχοῦ μὲν ἡμῖν τὸν Πλάτωνα προσπαίζειν διὰ τῶν ὀνομάτων· ὅπου δὲ μῦθόν τινα τῷ περὶ ψυχῆς λόγῳ μίγνυσι, χρῆσθαι μάλιστα τῷ νῷ. τοῦ τε γὰρ οὐρανοῦ τὴν νοητὴν φύσιν ἅρμα καλεῖν πτηνὸν (Phaedr. 246e) ‹διὰ› τὴν ἐναρμόνιον τοῦ κόσμου περιφοράν, ἐνταῦθά τε τὸν αὐτάγγελον τῶν ἐν Ἅιδου Πάμφυλον γένος Ἁρμονίου πατρὸς Ἦρα δ’ αὐτὸν ὀνομάζειν (Rep. 614b), αἰνιττόμενον ὅτι γεννῶνται μὲν αἱ ψυχαὶ καθ’ ἁρμονίαν [c] καὶ συναρμόττονται τοῖς σώμασιν, ἀπαλλαγεῖσαι δὲ συμφέρονται πανταχόθεν εἰς τὸν ἀέρα κἀκεῖθεν αὖθις ἐπὶ τὰς δευτέρας γενέσεις τρέπονται. ‘τί δὴ κωλύει καὶ τὸ ‘εἰκοστὸν’ εἰρῆσθαι πρὸς τὸ μὴ ἀληθὲς ἀλλ’ ‘εἰκὸς’ τοῦ λόγου καὶ πλαττόμενον, ἢ πρὸς τὸν κλῆρον ὡς ‘εἰκῆ’ καὶ κατὰ τύχην γινόμενον; ἀεὶ μὲν γὰρ ἅπτεται τῶν τριῶν αἰτιῶν, ἅτε δὴ πρῶτος ἢ μάλιστα συνιδών, ὅπη τὸ καθ’ εἱμαρμένην τῷ κατὰ τύχην αὖθίς τε τὸ ἐφ’ ἡμῖν ἑκατέρῳ καὶ συναμφοτέροις ἐπιμίγνυσθαι καὶ συμπλέκεσθαι πέφυκε. νῦν δὲ θαυμαστῶς, ἣν ἔχει δύναμιν ‹ἐν› τοῖς ἡμετέροις [d] πράγμασιν ἕκαστον, ὑποδεδήλωκεν, τὴν μὲν αἵρεσιν τῶν βίων τῷ ἐφ’ ἡμῖν ἀποδιδούς (ἀρετὴ γὰρ ἀδέσποτον καὶ κακία), τὸ δ’ εὖ βιοῦν τοὺς ὀρθῶς ἑλομένους καὶ τἀναντία τοὺς κακῶς εἱμαρμένης ἀνάγκῃ συνάπτων· αἱ δὲ τῶν κλήρων ἀτάκτως διασπειρομένων ἐπιπτώσεις τὴν τύχην παρεισάγουσιν καὶ τροφαῖς καὶ πολιτείαις, ὧν ἕκαστοι λαγχάνουσι, πολλὰ τῶν ἡμετέρων προκαταλαμβάνουσαν. ὅρα δή, μὴ τῶν κατὰ τύχην αἰτίαν ζητεῖν ἄλογόν ἐστιν· ἂν γὰρ ἔν τινι λόγῳ φαίνηται γεγονὼς ὁ κλῆρος, οὐκέτι γίνεται κατὰ τύχην οὐδ’ αὐτομάτως ἀλλ’ ἔκ τινος εἱμαρμένης καὶ προνοίας.’

καὶ διαλέγεσθαι καὶ ξυνιέναι τῶν ζώντων, πρὶν ἢ πιεῖν [f] τοῦ αἵματος. ἂν οὖν ταύτας ὑπεξελόμενος, ὦ Λαμπρία, τὰς ἄλλας διαριθμῇς, αὐτὸ συμβαίνει, τὴν Αἴαντος εἰκοστὴν εἰς ὄψιν ἀφῖχθαι τοῦ Ὀδυσσέως· καὶ πρὸς τοῦτο παίζειν τὸν Πλάτωνα τῇ Ὁμηρικῇ Νεκυίᾳ προσαναχρωννύμενον.’

εἰ δέ κ' Ἀλέξανδρον κτείνῃ ξανθὸς Μενέλαος,
κτήμαθ' ἑλὼν εὖ πάντα γυναῖκά τε οἴκαδ' ἀγέσθω.'

ἐπεὶ τοίνυν ἐνίκησεν μὲν οὐκ ἀνεῖλεν δ' ὁ Μενέλαος, μεταλαβόντες ἑκάτεροι τὴν ἀξίωσιν ἰσχυρίζονται τοῖς τῶν πολεμίων, οἱ μὲν ὡς νενικημένου τοῦ Πάριδος ἀπαιτοῦντες, οἱ δ' ὡς μὴ τεθνηκότος οὐκ ἀποδιδόντες. πῶς οὖν' ἔφην 'τὴν δίκην ταύτην 'ἰθύντατα εἴποι' (Σ 508) καὶ διαιτήσειεν τὴν ἀντινομίαν, οὐ φιλοσόφων οὐδὲ γραμματικῶν, [b] ἀλλὰ ῥητόρων ἔργον ἐστὶ φιλογραμματούντων ὥσπερ ὑμεῖς καὶ φιλοσοφούντων.'

Ὁ μὲν οὖν Σῶσπις ἔφη κυριώτερον εἶναι τὸν τοῦ προκεκλημένου λόγον, ὥσπερ νόμον· ‘ἐκεῖνος γὰρ ἐφ’ οἷς διαγωνιοῦνται κατήγγειλεν, οἱ δὲ δεξάμενοι καὶ ὑπακούσαντες οὐκέτι κύριοι προστιθέντες. ἡ δὲ πρόκλησις οὐ περὶ φόνου καὶ θανάτου γέγονεν, ἀλλὰ περὶ νίκης καὶ ἥττης· καὶ μάλα δικαίως. ἔδει γὰρ τὴν γυναῖκα τοῦ κρείττονος εἶναι, κρείττων δ’ ὁ νικῶν, ἀποθνήσκειν δὲ πολλάκις συμβαίνει καὶ ἀγαθοῖς ὑπὸ κακῶν, ὡς ὕστερον Ἀχιλλεὺς ἀπέθανεν τοξευθεὶς ὑπὸ Πάριδος· καὶ οὐκ ἂν οἶμαι φαίημεν Ἀχιλλέως ἧτταν γεγονέναι τὸν θάνατον οὐδὲ νίκην [c] ἀλλ’ ἄδικον εὐτυχίαν τοῦ βάλλοντος. ἀλλ’ ὁ Ἕκτωρ ἥττητο καὶ πρὶν ἀποθνήσκειν, μὴ δεξάμενος ἀλλὰ δείσας καὶ φυγὼν ἐπερχομένου τοῦ Ἀχιλλέως· ὁ γὰρ ἀπειπάμενος καὶ φυγὼν ἧτταν ἀπροφάσιστον ἥττηται καὶ συγκεχώρηκε κρείττονα τὸν ἀντίπαλον εἶναι. διὸ πρῶτον μὲν ἡ Ἶρις ἐξαγγέλλουσα τῇ Ἑλένῃ φησί (Γ 137)

‘μακρῇς ἐγχείῃσι μαχήσονται περὶ σεῖο·

τῷ δέ κε νικήσαντι φίλη κεκλήσῃ ἄκοιτις·’

ἔπειθ’ ὁ Ζεὺς τῷ Μενελάῳ τῆς μάχης τὸ βραβεῖον ἀπέδωκεν εἰπών (Γ 457, cf. Δ 13)

‘νίκη μὲν δὴ φαίνετ’ ἀρηιφίλου Μενελάου.’

γελοῖον γάρ, εἰ τὸν μὲν Ποδῆν ἐνίκησεν (Ρ 575) πόρρωθεν [d] ἀκοντίσας μὴ προσδοκήσαντα μηδὲ φυλαξάμενον, τοῦ δ’ ἀπειπαμένου καὶ δραπετεύσαντος καὶ καταδύντος εἰς τοὺς κόλπους τῆς γυναικὸς ἐσκυλευμένου ζῶντος οὐκ ἄξιος ἦν τὰ νικητήρια φέρεσθαι, κατὰ τὴν αὐτοῦ πρόκλησιν ἐκείνου κρείττων φανεὶς καὶ περιγενόμενος.’

Ὑπολαβὼν δ’ ὁ Γλαυκίας ἔφη πρῶτον μὲν ἔν τε δόγμασι καὶ νόμοις ἔν τε συνθήκαις καὶ ὁμολογίαις κυριώτερα τὰ δεύτερα νομίζεσθαι καὶ βεβαιότερα τῶν πρώτων· ‘δεύτεραι δ’ ἦσαν αἱ δι’ Ἀγαμέμνονος ὁμολογίαι τέλος ἔχουσαι θάνατον οὐχὶ ἧτταν τοῦ κρατηθέντος. ἔπειτ’ ἐκεῖναι μὲν λόγοις, αὗται δὲ καὶ μεθ’ ὅρκων εἵποντο καὶ [e] προσῆσαν ἀραὶ τοῖς παραβαίνουσιν, οὐχ ἑνὸς ἀνδρὸς ἀλλὰ πάντων ἀποδεχομένων καὶ συνομολογούντων· ὥστε ταύτας γεγονέναι κυρίως ὁμολογίας, ἐκείνας δὲ μόνας προκλήσεις. μαρτυρεῖ δ’ ὁ Πρίαμος μετὰ τὰ ὅρκια τοῦ ἀγῶνος ἀπιὼν [καί] (Γ 308)

‘Ζεὺς μέν που τό γε οἶδε καὶ ἀθάνατοι θεοὶ ἄλλοι,

ὁπποτέρῳ θανάτοιο τέλος πεπρωμένον ἐστίν·’

ᾔδει γὰρ ἐπὶ τούτοις τὰς ὁμολογίας γεγενημένας· διὸ καὶ μετὰ μικρὸν ὁ Ἕκτωρ φησίν (Η 69)

‘ὅρκια μὲν Κρονίδης ὑψίζυγος οὐκ ἐτέλεσσεν.’

ἀτελὴς γὰρ ἔμεινεν ὁ ἀγὼν καὶ πέρας ἀναμφισβήτητον [f] οὐκ εἶχεν μηδετέρου πεσόντος. ὅθεν ἔμοιγε δοκεῖ μηδ’ ἀντινομικὸν γεγονέναι τὸ

ζήτημα, ταῖς δευτέραις ὁμολογίαις τῶν πρώτων ἐμπεριεχομένων· ὁ γὰρ ἀποκτείνας νενίκηκεν, οὐ μὴν ὁ νικήσας ἔκτεινεν. συνελόντι δ’ εἰπεῖν, Ἀγαμέμνων οὐκ ἔλυσε τὴν τοῦ Ἕκτορος πρόκλησιν ἀλλ’ ἐσαφήνισεν, οὐδὲ μετέθηκεν ἀλλὰ προσέθηκεν τὸ [743] [a] κυριώτατον, ἐν τῷ κτεῖναι τὸ νικῆσαι θέμενος· αὕτη γάρ ἐστι νίκη παντελής, αἱ δ’ ἄλλαι προφάσεις καὶ ἀντιλογίας ἔχουσιν, ὡς ἡ παρὰ Μενελάου μήτε τρώσαντος μήτε διώξαντος. ὥσπερ οὖν ἐν ταῖς ἀληθιναῖς ἀντινομίαις οἱ δικασταὶ τῷ μηδὲν ἀμφισβητήσιμον ἔχοντι προστίθενται, τὸν ἀσαφέστερον ἐάσαντες, οὕτως ἐνταῦθα τὴν ἀπροφάσιστον καὶ γνώριμον τέλος ἄγουσαν ὁμολογίαν βεβαιοτέραν χρὴ καὶ κυριωτέραν νομίζειν. ὃ δὲ μέγιστόν ἐστιν, αὐτὸς ὁ δοκῶν κρατεῖν, οὐκ ἀποστὰς φυγόντος οὐδὲ παυσάμενος, ἀλλὰ πανταχόσε ‘φοιτῶν ἀν’ ὅμιλον’

‘εἴ που ἐσαθρήσειεν Ἀλέξανδρον θεοειδέα,’ (Γ 450)

[b] μεμαρτύρηκεν ἄκυρον εἶναι καὶ ἀτελῆ ‹τὴν› νίκην, ἐκείνου διαπεφευγότος· οὐδ’ ἠμνημόνει τῶν ὑπ’ αὐτοῦ ‹δι›ειρημένων· (Γ 101)

‘ἡμέων δ’ ὁπποτέρῳ θάνατος καὶ μοῖρα τέτυκται,

τεθναίη, ἄλλοι δὲ διακρινθεῖτε τάχιστα.’

διὸ ζητεῖν μὲν ἀναγκαῖον ἦν αὐτῷ τὸν Ἀλέξανδρον, ὅπως ἀποκτείνας συντελέσῃ τὸ τοῦ ἀγῶνος ἔργον, μὴ κτείνας δὲ μηδὲ λαβὼν οὐ δικαίως ἀπῄτει τὸ νικητήριον. οὐδὲ γὰρ ἐνίκησεν, εἰ δεῖ τεκμήρασθαι τοῖς ὑπ’ αὐτοῦ λεγομένοις, ἐγκαλοῦντος τῷ Διὶ καὶ τὰς ἀποτεύξεις ὀδυρομένου· (Γ 365)

‘Ζεῦ πάτερ, οὔ τις σεῖο θεῶν ὀλοώτερος ἄλλος·

[c] ἦ τ’ ἐφάμην τίσασθαι Ἀλέξανδρον κακότητος,

νῦν δέ μοι ἐν χείρεσσιν ἄγη ξίφος, ἐκ δέ μοι ἔγχος

ἠίχθη παλάμηφιν ἐτώσιον, οὐδ’ ἔβαλόν μιν·’

αὐτὸς γὰρ ὁμολογεῖ μηδὲν εἶναι τὸ διακόψαι τὸ ἀσπίδιον καὶ λαβεῖν ἀπορρυὲν τὸ κράνος, εἰ μὴ βάλοι μηδ’ ἀποκτείνειε τὸν πολέμιον.’

ΠΡΟΒΛΗΜΑ ΙΔ

Περὶ τοῦ ἀριθμοῦ τῶν Μουσῶν ὅσα λέγεται μὴ κοινῶς

Ἐκ τούτου σπονδὰς ἐποιησάμεθα ταῖς Μούσαις, καὶ τῷ Μουσηγέτῃ [Ἀπόλλωνι] παιανίσαντες συνῄσαμεν τῷ Ἐράτωνι πρὸς τὴν λύραν ἐκ τῶν Ἡσιόδου (Th. 53 ss.) τὰ περὶ τὴν τῶν Μουσῶν γένεσιν. μετὰ δὲ τὴν ᾠδὴν Ἡρώδης [d] ὁ ῥήτωρ ‘ἀκούετ’’ ἔφη ‘ὑμεῖς οἱ τὴν Καλλιόπην ἀποσπῶντες ἡμῶν, ὡς τοῖς βασιλεῦσιν αὐτὴν παρεῖναί φησιν (Th. 80), οὐκ ἀναλύουσι δήπου συλλογισμοὺς οὐδ’ ἐρωτῶσι μεταλλάττοντας, ἀλλὰ ταῦτα πράττουσιν ἃ ῥητόρων ἐστὶ καὶ πολιτικῶν ἔργα. τῶν δ’ ἄλλων ἥ τε Κλειὼ τὸ ἐγκωμιαστικὸν προσάγεται· ‘κλέα’ γὰρ ἐκάλουν τοὺς ἐπαίνους· ἥ τε Πολύμνια τὸ ἱστορικόν· ἔστι γὰρ μνήμη πολλῶν· ἐνιαχοῦ δὲ καὶ πάσας,

ὥσπερ ἐν Χίῳ, τὰς Μούσας Μνείας καλεῖσθαι λέγουσιν. ἐγὼ δὲ μεταποιοῦμαί τι καὶ τῆ‹ς Εὐ›τέρπης, εἴπερ, ὥς φησι Χρύσιππος (St. V. Fr. II 1099), αὕτη τὸ περὶ τὰς ὁμιλίας ἐπιτερπὲς εἴληχε καὶ κεχαρισμένον· ὁμιλητικὸς γὰρ οὐδὲν [e] ἧττον ἢ δικανικὸς ὁ ῥήτωρ καὶ συμβουλευτικός· αἱ γὰρ †ἕξεις ἔχουσι καὶ εὐμενείας καὶ συνηγορίας καὶ ἀπολογίας· πλείστῳ δὲ τῷ ἐπαινεῖν χρώμεθα καὶ τῷ ψέγειν ἐν τούτοις, οὐ φαύλων οὐδὲ μικρῶν τυγχάνοντες, ἂν τεχνικῶς τοῦτο πράττωμεν, ἂν δ' ἀπείρως καὶ ἀτέχνως, ἀστοχοῦντες· τὸ γάρ

Καὶ ὁ Ἀμμώνιος 'οὐκ ἄξιον' ἔφη 'σοι νεμεσᾶν, ὦ Ἡρώδη, καὶ 'παχείῃ' χειρὶ τῶν Μουσῶν ἐπιδραττομένῳ· κοινὰ γὰρ τὰ φίλων, καὶ διὰ τοῦτο πολλὰς ἐγέννησε Μούσας ὁ Ζεύς, ὅπως ᾖ πᾶσιν ἀρύσασθαι τῶν καλῶν [f] ἀφθόνως· οὔτε γὰρ κυνηγίας πάντες οὔτε στρατείας οὔτε ναυτιλίας οὔτε βαναυσουργίας, παιδείας δὲ καὶ λόγου δεόμεθα πάντες (Simon. fr. 5, 17 II p. 65 D.)

'τί δὲ τοῦτο σοφόν;' εἶπεν ὁ Ἡρώδης· 'πᾶσι γὰρ διὰ στόματός ἐστι καὶ πάσαις ὑμνούμενος ‹ὁ› τῆς ἐννεάδος ἀριθμός, ὡς πρῶτος ἀπὸ πρώτου περισσοῦ τετράγωνος ὢν καὶ περισσάκις περισσός, ἅτε δὴ τὴν διανομὴν εἰς τρεῖς ἴσους [b] λαμβάνων περισσούς.' καὶ ὁ Ἀμμώνιος ἐπιμειδιάσας 'ἀνδρικῶς ταυτὶ διεμνημόνευσας· καὶ πρόσθες αὐτοῖς ἔτι τοσοῦτον, τὸν ἀριθμὸν ἐκ δυεῖν τῶν πρώτων ‹κύβων› συνηρμόσθαι μονάδος καὶ ὀγδοάδος, καὶ καθ' ἑτέραν αὖ πάλιν σύνθεσιν ἐκ δυεῖν τριγώνων, τριάδος καὶ ἑξάδος, ὧν ἑκάτερος καὶ τέλειός ἐστιν. ἀλλὰ τί ταῦτα ταῖς Μούσαις μᾶλλον ἢ τοῖς ἄλλοις θεοῖς προσῆκεν, ὥστε Μούσας ἔχομεν ἐννέα, Δήμητρας δὲ καὶ Ἀθηνᾶς καὶ Ἀρτέμιδας οὐκ ἔχομεν; οὐ γὰρ δήπου καὶ σὲ πείθει τὸ Μούσας γεγονέναι τοσαύτας, ὅτι τοὔνομα τῆς μητρὸς αὐτῶν ἐκ τοσούτων γραμμάτων ἐστίν.' γελάσαντος δὲ τοῦ Ἡρώδου καὶ σιωπῆς γενομένης, [c] προὔτρεπεν ἡμᾶς ἐπιχειρεῖν ὁ Ἀμμώνιος,

Εἶπεν οὖν ὁ ἀδελφός, ὅτι τρεῖς ᾔδεσαν οἱ παλαιοὶ Μούσας· 'καὶ τούτου λέγειν ἀπόδειξιν ὀψιμαθές ἐστι καὶ ἄγροικον ἐν τοσούτοις καὶ τοιούτοις

ΠΡΟΒΛΗΜΑ ΙΕ

Ὅτι τρία μέρη τῆς ὀρχήσεως, φορὰ καὶ σχῆμα καὶ δεῖξις· καὶ τί ἕκαστον αὐτῶν, καὶ τίνα κοινὰ ποιητικῆς καὶ ὀρχηστικῆς

Ἐκ τούτου πυραμοῦντες ἐπήγοντο τοῖς παισὶ νικητήριον ὀρχήσεως· ἀπεδείχθη δὲ κριτὴς μετὰ Μενίσκου τοῦ [b] παιδοτρίβου Λαμπρίας ὁ ἀδελφός· ὠρχήσατο γὰρ πιθανῶς τὴν πυρρίχην καὶ χειρονομῶν ἐν ταῖς παλαίστραις ἐδόκει διαφέρειν τῶν παίδων. ὀρχουμένων δὲ πολλῶν προθυμότερον ἢ μουσικώτερον, δύο τοὺς εὐδοκίμους καὶ βουλομένους ἀνασῴζειν τὴν ἐμμέλειαν ἠξίουν τινὲς ὀρχεῖσθαι φορὰν παρὰ φοράν. ἐπεζήτησεν οὖν ὁ Θρασύβουλος, [Ἀμμωνίου] τί βούλεται τοὔνομα τῆς φορᾶς, καὶ παρέσχε τῷ Ἀμμωνίῳ περὶ τῶν μερῶν τῆς ὀρχήσεως πλείονα διελθεῖν.

Ἔφη δὲ τρί’ εἶναι, τὴν φορὰν καὶ τὸ σχῆμα καὶ τὴν δεῖξιν. ‘ἡ γὰρ ὄρχησις ἔκ τε κινήσεων καὶ σχέσεων συνέστηκεν, [c] ὡς τὸ μέλος τῶν φθόγγων καὶ τῶν διαστημάτων· ἐνταῦθα δ’ αἱ μοναὶ πέρατα τῶν κινήσεών εἰσιν. φορὰς μὲν οὖν τὰς κινήσεις ὀνομάζουσι, σχήματα δὲ ‹τὰς› σχέσεις καὶ διαθέσεις, εἰς ἃς φερόμεναι τελευτῶσιν αἱ κινήσεις, ὅταν Ἀπόλλωνος ἢ Πανὸς ἤ τινος Βάκχης σχῆμα διαθέντες ἐπὶ τοῦ σώματος γραφικῶς τοῖς εἴδεσιν ἐπιμένωσι. τὸ δὲ τρίτον, ἡ δεῖξις, οὐ μιμητικόν ἐστιν, ἀλλὰ δηλωτικὸν ἀληθῶς τῶν ὑποκειμένων· ὡς γὰρ οἱ ποιηταὶ τοῖς κυρίοις ὀνόμασι δεικτικῶς χρῶνται, τὸν Ἀχιλλέα καὶ τὸν Ὀδυσσέα καὶ τὴν γῆν καὶ τὸν οὐρανὸν ὀνομάζοντες [d] ὡς ὑπὸ τῶν πολλῶν λέγονται, πρὸς δὲ τὰς ἐμφάσεις καὶ τὰς μιμήσεις

ὀνοματοποιίαις χρῶνται καὶ μεταφοραῖς, 'κελαρύζειν' καὶ 'καχλάζειν' τὰ κλώμενα τῶν ῥευμάτων λέγοντες, καὶ τὰ βέλη φέρεσθαι 'λιλαιόμενα χροὸς ἆσαι' (Λ 574 al.), ‹καὶ› τὴν ἰσόρροπον μάχην 'ἴσας ὑσμίνη κεφαλὰς ἔχεν' (Λ 72), πολλὰς δὲ καὶ συνθέσεις τῶν ὀνομάτων κατὰ μέλη μιμητικῶς σχηματίζουσιν, ὡς Εὐριπίδης (fr. 985)

'ὁ πετόμενος ἱερὸν ἀνὰ Διὸς αἰθέρα γοργοφόνος,'

καὶ περὶ τοῦ ἵππου Πίνδαρος (Ol. I 20)

'ὅτε παρ' Ἀλφεῷ σύτο δέμας

ἀκέντητον ἐν δρόμοισι παρέχων,'

καὶ Ὅμηρος ἐπὶ τῆς ἱπποδρομίας (Ψ 503)

[e] 'ἅρματα δ' αὖ χαλκῷ πεπυκασμένα κασσιτέρῳ τε

ἵπποις ὠκυπόδεσσιν ἐπέτρεχον',

οὕτως ἐν ὀρχήσει τὸ μὲν σχῆμα μιμητικόν ἐστι μορφῆς καὶ ἰδέας, καὶ πάλιν ἡ φορὰ πάθους τινὸς ἐμφαντικὸν ἢ πράξεως ἢ δυνάμεως· ταῖς δὲ δείξεσι κυρίως αὐτὰ δηλοῦσι τὰ πράγματα, τὴν γῆν, τὸν οὐρανόν, αὑτοὺς τοὺς πλησίον· ὃ δὴ τάξει μέν τινι καὶ ἀριθμῷ γινόμενον ἔοικεν τοῖς ἐν ποιητικῇ κυρίοις ὀνόμασιν μετά τινος κόσμου καὶ λειότητος ἐκφερομένοις, ὡς τὰ τοιαῦτα (Hes. Th. 16).

'καὶ Θέμιν αἰδοίην ἑλικοβλέφαρόν τ' Ἀφροδίτην

Ἥρην τε χρυσοστέφανον καλήν τε Διώνην',

καὶ (Hes. fr. `27] 7)

[f] '"Ελληνος δ' ἐγένοντο θεμιστοπόλοι βασιλῆες,

Δῶρός τε Ξοῦθός τε καὶ Αἴολος ἱππιοχάρμης·'

εἰ δὲ μή, τοῖς ἄγαν πεζοῖς καὶ κακομέτροις, ὡς τὰ τοιαῦτα (Tr. adesp. 400)·

'ἐγένοντο τοῦ μὲν Ἡρακλῆς τοῦ δ' Ἴφικλος·'

'τῆσδε πατὴρ καὶ ἀνὴρ καὶ παῖς βασιλεῖς, καὶ ἀδελφοί,

τοιαῦτα γὰρ ἁμαρτάνεται καὶ περὶ τὴν ὄρχησιν ἐν ταῖς δείξεσιν, ἂν μὴ πιθανότητα μηδὲ χάριν μετ' εὐπρεπείας καὶ ἀφελείας ἔχωσι. καὶ ὅλως' ἔφη 'μεταθετέον τὸ Σιμωνίδειον ἀπὸ τῆς ζωγραφίας ἐπὶ τὴν ὄρχησιν· σιωπῶσαν, καὶ φθεγγομένην ὄρχησιν [δὲ] πάλιν τὴν ποίησιν· †ὅθεν εἶπεν οὔτε γραφικὴν εἶναι ποιητικῆς οὔτε ποιητικὴν γραφ‹ικ›ῆς, οὐδὲ χρῶνται τὸ παράπαν ἀλλήλαις· ὀρχηστικῇ δὲ καὶ ποιητικῇ κοινωνία πᾶσα καὶ μέθεξις ἀλλήλων ἐστί, καὶ μάλιστα [μιμούμεναι] περὶ ‹τὸ› τῶν ὑπορχημάτων γένος ἓν ἔργον ἀμφότεραι τὴν διὰ τῶν [b] σχημάτων καὶ τῶν ὀνομάτων μίμησιν ἀποτελοῦσι. δόξειε δ' ἂν ὥσπερ ἐν γραφικῇ τὰ μὲν ποιήματα ταῖς γραμμαῖς, ὑφ' ὧν

ὁρίζεται τὰ εἴδη . δηλοῖ δ’ ὁ μάλιστα κατωρθωκέναι δόξας ἐν ὑπορχήμασι καὶ γεγονέναι πιθανώτατος ἑαυτοῦ τὸ δεῖσθαι τὴν ἑτέραν τῆς ἑτέρας· τὸ γὰρ (Pind. fr. 107a)

τὰν δ’ ἐπ’ αὐχένι στρέφοισαν [ἕτερον] κάρα πάντ’
[ἐπ’ οἶμον’

καὶ τὰ ἑξῆς μόνον οὐ †λειόθεν τὴν ἐν ὀρχήσει διάθεσιν [c] [τὰ ποιήματα] καὶ παρακαλεῖν τὼ χεῖρε καὶ τὼ πόδε, μᾶλλον δ’ ὅλον ὥσπερ τισὶ μηρίνθοις ἕλκειν τὸ σῶμα τοῖς μέλεσι καὶ ἐντείνειν, τούτων [δὲ] λεγομένων καὶ ᾀδομένων ἡσυχίαν ἄγειν μὴ δυνάμενον. αὐτὸς γοῦν ἑαυτὸν οὐκ αἰσχύνεται περὶ τὴν ὄρχησιν οὐχ ἧττον ἢ τὴν ποίησιν ἐγκωμιάζων, ὅταν λέγῃ ῥῶσαι †νῦν (Pind. fr. 107b)

‘ἐλαφρὸν ὄρχημ’ ἀοιδᾷ ποδῶν μειγνύμεν·
Κρῆτα μὲν καλέουσι τρόπον.’

ἀλλ’ οὐδὲν οὕτως τὸ νῦν ἀπολέλαυκε τῆς κακομουσίας ὡς ἡ ὄρχησις. διὸ καὶ πέπονθεν ὃ φοβηθεὶς Ἴβυκος ἐποίησε (fr. 24. II p. 58 D)

‘δέδοικα μή τι παρὰ θεοῖς
ἀμπλακὼν τιμὰν πρὸς ἀνθρώπων ἀμείψω.’

[d] καὶ γὰρ αὕτη [καὶ] πάνδημόν τινα ποιητικὴν προσεταιρισαμένη τῆς δ’ οὐρανίας ἐκπεσοῦσ’ ἐκείνης, τῶν μὲν ἐμπλήκτων καὶ ἀνοήτων κρατεῖ θεάτρων, ὥσπερ τύραννος ὑπήκοον ἑαυτῇ πεποιημένη μουσικὴν ὀλίγου τὴν ἅπασαν, τὴν δὲ παρὰ τοῖς νοῦν ἔχουσι καὶ θείοις ἀνδράσιν ὡς ἀληθῶς τιμὴν ἀπολώλεκε.’

Ταῦτα σχεδόν, ὦ Σόσσιε Σενεκίων, τελευταῖα τῶν ἐν τοῖς Μουσείοις τότε παρ’ Ἀμμωνίῳ τῷ ἀγαθῷ φιλολογηθέντων.

ΕΡΩΤΙΚΟΣ

[748] Φ. Ἐν Ἑλικῶνι φής, ὦ Αὐτόβουλε, τοὺς περὶ Ἔρωτος λόγους γενέσθαι, οὓς εἴτε γραψάμενος εἴτε καταμνημονεύσας τῷ πολλάκις ἐπανερέσθαι τὸν πατέρα νυνὶ [f] μέλλεις ἡμῖν δεηθεῖσιν ἀπαγγέλλειν;

ΑΥ. Ἐν Ἑλικῶνι παρὰ ταῖς Μούσαις, ὦ Φλαουιανέ, τὰ Ἐρωτίδια Θεσπιέων ἀγόντων· ἄγουσι γὰρ ἀγῶνα πενταετηρικὸν ὥσπερ καὶ ταῖς Μούσαις καὶ τῷ Ἔρωτι φιλοτίμως πάνυ καὶ λαμπρῶς.

Φ. Οἶσθ' οὖν ὃ σοῦ μέλλομεν δεῖσθαι πάντες οἱ πρὸς τὴν ἀκρόασιν ἥκοντες;

[749] [a] ΑΥ. Οὔκ, ἀλλ' εἴσομαι λεγόντων.

Φ. Ἄφελε τοῦ λόγου τὸ νῦν ἔχον ἐποποιῶν τε λειμῶνας καὶ σκιὰς καὶ ἅμα κιττοῦ τε καὶ σμιλάκων διαδρομὰς καὶ ὅσ' ἄλλα τοιούτων τόπων ἐπιλαβόμενοι γλίχονται τὸν Πλάτωνος (Phaedr. 229a. 230c) Ἰλισσὸν καὶ τὸν ἄγνον ἐκεῖνον καὶ τὴν ἠρέμα προσάντη πόαν πεφυκυῖαν προθυμότερον ἢ κάλλιον ἐπιγράφεσθαι.

ΑΥ. Τί δὲ δεῖται τοιούτων, ὦ ἄριστε Φλαουιανέ, προοιμίων ἡ διήγησις; εὐθὺς ἡ πρόφασις, ἐξ ἧς ὡρμήθησαν οἱ λόγοι, χορὸν αἰτεῖ τῷ πάθει καὶ σκηνῆς δεῖται, τά τ' ἄλλα δράματος οὐδὲν ἐλλείπει· μόνον εὐχώμεθα τῇ μητρὶ [b] τῶν Μουσῶν ἵλεω παρεῖναι καὶ συνανασῴζειν τὸν μῦθον.

Ὁ γὰρ πατήρ, ἐπεὶ πάλαι, πρὶν ἡμᾶς γενέσθαι, τὴν μητέρα νεωστὶ κεκομισμένος ἐκ τῆς γενομένης τοῖς γονεῦσιν αὐτῶν διαφορᾶς καὶ στάσεως ἀφίκετο τῷ Ἔρωτι θύσων, ἐπὶ τὴν ἑορτὴν ἦγε τὴν μητέρα· καὶ γὰρ ἦν ἐκείνης ἡ εὐχὴ καὶ ἡ θυσία. τῶν δὲ φίλων οἴκοθεν μὲν αὐτῷ παρῆσαν οἱ συνήθεις, ἐν δὲ Θεσπιαῖς εὗρε Δαφναῖον τὸν Ἀρχιδάμου [καὶ] Λυσάνδρας ἐρῶντα τῆς Σίμωνος καὶ μάλιστα τῶν μνωμένων αὐτὴν εὐημεροῦντα, καὶ Σώκλαρον ἐκ Τιθόρας ἥκοντα τὸν Ἀριστίωνος· ἦν δὲ καὶ Πρωτογένης ὁ Ταρσεύς, καὶ Ζεύξιππος ὁ Λακεδαιμόνιος, ξένοι· [c] Βοιωτῶν δ' ὁ πατὴρ ἔφη τῶν γνωρίμων τοὺς πλείστους παρεῖναι. δύο μὲν οὖν ἢ τρεῖς ἡμέρας κατὰ πόλιν, ὡς ἔοικεν, ἡσυχῇ πως φιλοσοφοῦντες ἐν ταῖς παλαίστραις καὶ διὰ τῶν θεάτρων ἀλλήλοις συνῆσαν· ἔπειτα φεύγοντες ἀργαλέον ἀγῶνα κιθαρῳδῶν, ἐντεύξεσι καὶ σπουδαῖς προειλημμένον, ἀνέζευξαν οἱ πλείους ὥσπερ ἐκ πολεμίας εἰς τὸν Ἑλικῶνα καὶ κατηυλίσαντο παρὰ ταῖς Μούσαις. ἕωθεν οὖν ἀφίκετο πρὸς αὐτοὺς Ἀνθεμίων, καὶ Πεισίας, ἄνδρες ἔνδοξοι, Βάκχωνι δὲ τῷ καλῷ λεγομένῳ προσήκοντες καὶ τρόπον τινὰ δι' εὔνοιαν ἀμφότεροι τὴν

ἐκείνου [d] διαφερόμενοι πρὸς ἀλλήλους. ἦν γὰρ ἐν Θεσπιαῖς Ἰσμηνοδώρα γυνὴ πλούτῳ καὶ γένει λαμπρὰ καὶ νὴ Δία τὸν ἄλλον εὔτακτος βίον· ἐχήρευσε γὰρ οὐκ ὀλίγον χρόνον ἄνευ ψόγου, καίπερ οὖσα νέα καὶ ἱκανὴ τὸ εἶδος. τῷ δὲ Βάκχωνι φίλης ὄντι καὶ συνήθους γυναικὸς υἱῷ πράττουσα γάμον κόρης κατὰ γένος προσηκούσης ἐκ τοῦ συμπαρεῖναι καὶ διαλέγεσθαι πολλάκις ἔπαθε πρὸς τὸ μειράκιον αὐτή· καὶ λόγους φιλανθρώπους ἀκούουσα καὶ λέγουσα περὶ αὐτοῦ καὶ πλῆθος ὁρῶσα γενναίων ἐραστῶν εἰς τὸ ἐρᾶν προήχθη καὶ διενοεῖτο μηθὲν ποιεῖν ἀγεννές, [e] ἀλλὰ γημαμένη φανερῶς συγκαταζῆν τῷ Βάκχωνι. παραδόξου δὲ τοῦ πράγματος αὐτοῦ φανέντος, ἥ τε μήτηρ ὑφεωρᾶτο τὸ βάρος τοῦ οἴκου καὶ τὸν ὄγκον ὡς οὐ κατὰ τὸν ἐραστήν, τινὲς δὲ καὶ συγκυνηγοὶ τῷ μὴ καθ’ ἡλικίαν τῆς Ἰσμηνοδώρας δεδιττόμενοι τὸν Βάκχωνα καὶ σκώπτοντες ἐργωδέστεροι τῶν ἀπὸ σπουδῆς ἐνισταμένων ἦσαν ἀνταγωνισταὶ πρὸς τὸν γάμον, ᾐδεῖτο γὰρ ἔφηβος ἔτι ὢν χήρᾳ συνοικεῖν. οὐ μὴν ἀλλὰ τοὺς ἄλλους ἐάσας παρεχώρησε τῷ Πεισίᾳ καὶ τῷ Ἀνθεμίωνι βουλεύσασθαι τὸ συμφέρον, ὧν ὁ μὲν ἀνεψιὸς ἦν αὐτοῦ πρεσβύτερος, ὁ δὲ [f] Πεισίας αὐστηρότατος τῶν ἐραστῶν· διὸ καὶ πρὸς τὸν γάμον ἀντέπραττε καὶ καθήπτετο τοῦ Ἀνθεμίωνος ὡς προϊεμένου τῇ Ἰσμηνοδώρᾳ τὸ μειράκιον· ὁ δ’ ἐκεῖνον οὐκ ὀρθῶς ἔλεγε ποιεῖν, ἀλλὰ τὰ ἄλλα χρηστὸν ὄντα μιμεῖσθαι τοὺς φαύλους ἐραστὰς οἴκου καὶ γάμου καὶ πραγμάτων μεγάλων ἀποστεροῦντα τὸν φίλον, ὅπως ἄθικτος αὐτῷ καὶ νεαρὸς [750] [a] ἀποδύοιτο πλεῖστον χρόνον ἐν ταῖς παλαίστραις. ἵν’ οὖν μὴ παροξύνοντες ἀλλήλους κατὰ μικρὸν εἰς ὀργὴν προαγάγοιεν, ὥσπερ διαιτητὰς ἑλόμενοι καὶ βραβευτὰς τὸν πατέρα καὶ τοὺς σὺν αὐτῷ παρεγένοντο· καὶ τῶν ἄλλων φίλων οἷον ἐκ παρασκευῆς τῷ μὲν ὁ Δαφναῖος παρῆν τῷ δ’ ὁ Πρωτογένης. ἀλλ’ οὗτος μὲν ἀνέδην ἔλεγε κακῶς τὴν Ἰσμηνοδώραν· ὁ δὲ Δαφναῖος ‘ὦ Ἡράκλεις’ ἔφη; ‘τί οὐκ ἄν τις προσδοκήσειεν, εἰ καὶ Πρωτογένης Ἔρωτι πολεμήσων πάρεστιν ᾧ καὶ παιδιὰ πᾶσα καὶ σπουδὴ περὶ Ἔρωτα καὶ δι’ Ἔρωτος, ‘λήθη δὲ λόγων λήθη δὲ πάτρας’ [b] (Fr. Tr. Gr. p. 632), οὐχ ὡς τῷ Λαΐῳ πέντε μόνον ἡμερῶν ἀπέχοντι τῆς πατρίδος; βραδὺς γὰρ ὁ ἐκείνου καὶ χερσαῖος Ἔρως, ὁ δὲ σὸς ἐκ Κιλικίας Ἀθήναζε ‘λαιψηρὰ κυκλώσας πτερὰ διαπόντιος πέταται’, τοὺς καλοὺς ἐφορῶν καὶ συμπλανώμενος.’ ἀμέλει γὰρ ἐξ ἀρχῆς ἐγεγόνει τοιαύτη τις αἰτία τῷ Πρωτογένει τῆς ἀποδημίας.

Γενομένου δὲ γέλωτος ὁ Πρωτογένης ‘ἐγὼ δέ σοι δοκῶ’ εἶπεν ‘Ἔρωτι νῦν πολεμεῖν, οὐχ ὑπὲρ Ἔρωτος διαμάχεσθαι πρὸς ἀκολασίαν καὶ ὕβριν αἰσχίστοις πράγμασι καὶ πάθεσιν εἰς τὰ κάλλιστα καὶ σεμνότατα τῶν ὀνομάτων εἰσβιαζομένην;’ καὶ ὁ Δαφναῖος ‘αἴσχιστα δὲ [c] καλεῖς’ ἔφη

'γάμον καὶ σύνοδον ἀνδρὸς καὶ γυναικός, ἧς οὐ γέγονεν οὐδ' ἔστιν ἱερωτέρα κατάζευξις;' 'ἀλλὰ ταῦτα μέν' εἶπεν ὁ Πρωτογένης 'ἀναγκαῖα πρὸς γένεσιν ὄντα σεμνύνουσιν οὐ φαύλως οἱ νομοθέται καὶ κατευλογοῦσι πρὸς τοὺς πολλούς· ἀληθινοῦ δ' Ἔρωτος οὐδ' ὁτιοῦν τῇ γυναικωνίτιδι μέτεστιν, οὐδ' ἐρᾶν ὑμᾶς ἔγωγέ φημι τοὺς γυναιξὶ προσπεπονθότας ἢ παρθένοις, ὥσπερ οὐδὲ μυῖαι γάλακτος οὐδὲ μέλιτται κηρίων ἐρῶσιν οὐδὲ σιτευταὶ καὶ μάγειροι φίλα φρονοῦσι πιαίνοντες ὑπὸ σκότῳ μόσχους καὶ ὄρνιθας. ἀλλ' ὥσπερ ἐπὶ σιτίον ἄγει καὶ ὄψον ἡ φύσις μετρίως καὶ ἱκανῶς τὴν ὄρεξιν, ἡ δ' ὑπερβολὴ πάθος [d] ἐνεργασαμένη λαιμαργία τις ἢ φιλοψία καλεῖται, οὕτως ἔνεστι τῇ φύσει τὸ δεῖσθαι τῆς ἀπ' ἀλλήλων ἡδονῆς γυναῖκας καὶ ἄνδρας, τὴν δ' ἐπὶ τοῦτο κινοῦσαν ὁρμὴν σφοδρότητι καὶ ῥώμῃ γενομένην πολλὴν καὶ δυσκάθεκτον οὐ προσηκόντως Ἔρωτα καλοῦσιν. Ἔρως γὰρ εὐφυοῦς καὶ νέας ψυχῆς ἁψάμενος εἰς ἀρετὴν διὰ φιλίας τελευτᾷ· ταῖς δὲ πρὸς γυναῖκας ἐπιθυμίαις ταύταις, ἂν ἄριστα πέσωσιν, ἡδονὴν περίεστι καρποῦσθαι καὶ ἀπόλαυσιν ὥρας καὶ σώματος, ὡς ἐμαρτύρησεν Ἀρίστιππος, τῷ κατηγοροῦντι Λαΐδος πρὸς αὐτὸν ὡς οὐ φιλούσης ἀποκρινάμενος, ὅτι [e] καὶ τὸν οἶνον οἴεται καὶ τὸν ἰχθῦν μὴ φιλεῖν αὐτόν, ἀλλ' ἡδέως ἑκατέρῳ χρῆται. τέλος γὰρ ἐπιθυμίας ἡδονὴ καὶ ἀπόλαυσις· Ἔρως δὲ προσδοκίαν φιλίας ἀποβαλὼν οὐκ ἐθέλει παραμένειν οὐδὲ θεραπεύειν ἐφ' ὥρᾳ τὸ †λυποῦν καὶ ἀκμάζον, εἰ καρπὸν ἤθους οἰκεῖον εἰς φιλίαν καὶ ἀρετὴν οὐκ ἀποδίδωσιν. ἀκούεις δέ τινος τραγικοῦ γαμέτου λέγοντος πρὸς τὴν γυναῖκα (Trag. adesp. 401)

'μισεῖς; ἐγὼ δὲ ῥᾳδίως μισήσομαι,
πρὸς κέρδος ἕλκων τὴν ἐμὴν ἀτιμίαν.'

τούτου γὰρ οὐδέν ἐστιν ἐρωτικώτερος ὁ μὴ διὰ κέρδος ἀλλ' ἀφροδισίων ἕνεκα καὶ συνουσίας ὑπομένων γυναῖκα [f] μοχθηρὰν καὶ ἄστοργον· ὥσπερ Στρατοκλεῖ τῷ ῥήτορι Φιλιππίδης ὁ κωμικὸς (fr. 31) ἐπεγγελῶν ἐποίησεν

'ἀποστρεφομένης τὴν κορυφὴν φιλεῖς μόλις.'

Εἰ δ' οὖν καὶ τοῦτο τὸ πάθος δεῖ καλεῖν Ἔρωτα, θῆλυν καὶ νόθον ὥσπερ εἰς Κυνόσαργες συντελοῦντα τὴν γυναικωνῖτιν· μᾶλλον δ' ὥσπερ ἀετόν τινα λέγουσι γνήσιον [751] [a] καὶ ὀρεινόν, ὃν Ὅμηρος (Φ 252. Ω 315 s.) 'μέλανα' καὶ 'θηρευτὴν' προσεῖπεν, ἄλλα δὲ γένη νόθων ἐστὶν ἰχθῦς περὶ ἕλη καὶ ὄρνιθας ἀργοὺς λαμβανόντων, ἀπορούμενοι δὲ πολλάκις ἀναφθέγγονταί τι λιμῶδες καὶ ὀδυρτικόν, οὕτως εἷς Ἔρως [ὁ] γνήσιος ὁ παιδικός ἐστιν, οὐ 'πόθῳ στίλβων', ὡς ἔφη τὸν παρθένιον Ἀνακρέων (fr. 13a), οὐδὲ 'μύρων ἀνάπλεως καὶ γεγανωμένος', ἀλλὰ λιτὸν αὐτὸν ὄψει καὶ ἄθρυπτον ἐν σχολαῖς φιλοσόφοις ἤ που περὶ γυμνάσια καὶ παλαίστρας περὶ θήραν νέων ὀξὺ μάλα

καὶ γενναῖον ἐγκελευόμενον πρὸς ἀρετὴν τοῖς ἀξίοις ἐπιμελείας. τὸν δ' ὑγρὸν τοῦτον καὶ οἰκουρὸν ἐν κόλποις διατρίβοντα καὶ κλινιδίοις γυναικῶν ἀεὶ διώκοντα τὰ μαλθακὰ [b] καὶ θρυπτόμενον ἡδοναῖς ἀνάνδροις καὶ ἀφίλοις καὶ ἀνενθουσιάστοις καταβάλλειν ἄξιον, ὡς καὶ Σόλων κατέβαλε· δούλοις μὲν γὰρ ἐρᾶν ἀρρένων παίδων ἀπεῖπε καὶ ξηραλοιφεῖν, χρῆσθαι δὲ συνουσίαις γυναικῶν οὐκ ἐκώλυσε· καλὸν γὰρ ἡ φιλία καὶ ἀστεῖον, ἡ δ' ἡδονὴ κοινὸν καὶ ἀνελεύθερον. ὅθεν οὐδὲ δούλων ἐρᾶν παίδων ἐλευθέριόν ἐστιν οὐδ' ἀστεῖον· συνουσίας γὰρ οὗτος ὁ ἔρως, καθάπερ ‹ὁ› τῶν γυναικῶν.'

Ἔτι δὲ πλείονα λέγειν προθυμουμένου τοῦ Πρωτογένους, ἀντικρούσας ὁ Δαφναῖος 'εὖ γε νὴ Δί'' ἔφη 'τοῦ Σόλωνος ἐμνήσθης καὶ χρηστέον αὐτῷ γνώμονι τοῦ ἐρωτικοῦ ἀνδρός,

[c] 'ἔσθ' ἥβης ἐρατοῖσιν ἐπ' ἄνθεσι παιδοφιλήσῃ
μηρῶν ‹ἱμείρων› καὶ γλυκεροῦ στόματος'
(fr. 25 I p. 29 D.).

πρόσλαβε δὲ τῷ Σόλωνι καὶ τὸν Αἰσχύλον λέγοντα (fr. 135)

'σέβας δὲ μηρῶν οὐ κατῃδέσω,
ὦ δυσχάριστε τῶν πυκνῶν φιλημάτων.'

ἕτεροι μὲν γὰρ καταγελῶσιν αὐτῶν, εἰ καθάπερ θύτας καὶ μάντεις εἰς τὰ μηρία καὶ τὴν ὀσφὺν ἀποβλέπειν τοὺς ἐραστὰς κελεύουσιν· ἐγὼ δὲ παμμέγεθες τοῦτο ποιοῦμαι σημεῖον ὑπὲρ τῶν γυναικῶν· εἰ γὰρ ἡ παρὰ φύσιν ὁμιλία πρὸς ἄρρενας οὐκ ἀναιρεῖ τὴν ἐρωτικὴν εὔνοιαν οὐδὲ βλάπτει, πολὺ μᾶλλον εἰκός ἐστι τὸν γυναικῶν ἢ ἀνδρῶν ἔρωτα [d] τῇ φύσει χρώμενον εἰς φιλίαν διὰ χάριτος ἐξικνεῖσθαι. χάρις γὰρ οὖν, ὦ Πρωτόγενες, ἡ τοῦ θήλεος ὕπειξις τῷ ἄρρενι κέκληται πρὸς τῶν παλαιῶν· ὡς καὶ Πίνδαρος ἔφη τὸν Ἥφαιστον 'ἄνευ χαρίτων' ἐκ τῆς Ἥρας γενέσθαι· καὶ τὴν οὔπω γάμων ἔχουσαν ὥραν ἡ Σαπφὼ (fr. 34. I p. 347 D.) προσαγορεύουσά φησιν ὅτι

'σμίκρα μοι πάις ἔμμεν ἐφαίνεο κἄχαρις'.

ὁ δ' Ἡρακλῆς ὑπό τινος ἐρωτᾶται (Trag. adesp. 402)

'βίᾳ δ' ἔπραξας χάριτας ἢ πείσας κόρην;'

ἡ δ' ἀπὸ τῶν ἀρρένων ἀκόντων ‹μὲν› μετὰ βίας γινομένη καὶ λεηλασίας, ἂν δ' ἑκουσίως, σὺν μαλακίᾳ καὶ θηλύτητι, 'βαίνεσθαι' κατὰ Πλάτωνα (Phaedr. 250e) 'νόμῳ τετράποδος [e] καὶ παιδοσπορεῖσθαι' παρὰ φύσιν ἐνδιδόντων, ἄχαρις ‹χάρις› παντάπασι καὶ ἀσχήμων καὶ ἀναφρόδιτος. ὅθεν, οἶμαι, καὶ Σόλων ἐκεῖνα μὲν ἔγραψε νέος ὢν ἔτι καὶ 'σπέρματος πολλοῦ μεστός' ὡς ὁ Πλάτων (Leg. VIII 839b) φησί· ταυτὶ δὲ πρεσβύτης γενόμενος (fr. 26. I p. 32 D.)·

'ἔργα δὲ Κυπρογενοῦς νῦν μοι φίλα καὶ Διονύσου
καὶ Μουσέων, ἃ τίθησ' ἀνδράσιν εὐφροσύνας',

ὥσπερ ἐκ ζάλης καὶ χειμῶνος [καὶ] τῶν παιδικῶν ἐρώτων ἔν τινι γαλήνῃ τῇ περὶ γάμον καὶ φιλοσοφίαν θέμενος τὸν βίον. Εἰ μὲν οὖν τὸ ἀληθὲς σκοποῦμεν, ὦ Πρωτόγενες, ἓν καὶ ταὐτόν ἐστι πρὸς παῖδας καὶ γυναῖκας πάθος [f] τὸ τῶν Ἐρώτων· εἰ δὲ βούλοιο φιλονεικῶν διαιρεῖν, οὐ μέτρι' ἂν δόξειε ποιεῖν ὁ παιδικὸς οὗτος, ἀλλ' ὥσπερ ὀψὲ γεγονὼς καὶ παρ' ὥραν τῷ βίῳ νόθος καὶ σκότιος ἐξελαύνειν τὸν γνήσιον Ἔρωτα καὶ πρεσβύτερον. ἐχθὲς γάρ, ὦ ἑταῖρε, καὶ πρῴην μετὰ τὰς ἀποδύσεις καὶ ἀπογυμνώσεις τῶν νέων παραδὺς εἰς τὰ γυμνάσια καὶ προσανατριβόμενος ἡσυχῇ καὶ προσαγκαλιζόμενος, εἶτα κατὰ μικρὸν ἐν ταῖς παλαίστραις πτεροφυήσας οὐκέτι καθεκτός ἐστιν, [752] [a] ἀλλὰ λοιδορεῖ καὶ προπηλακίζει τὸν γαμήλιον ἐκεῖνον καὶ συνεργὸν ἀθανασίας τῷ θνητῷ γένει, σβεννυμένην ἡμῶν τὴν φύσιν αὖθις ἐξανάπτοντα διὰ τῶν γενέσεων. οὗτος δ' ἀρνεῖται τὴν ἡδονήν; αἰσχύνεται γὰρ καὶ φοβεῖται· δεῖ δέ τινος εὐπρεπείας ἁπτομένῳ καλῶν καὶ ὡραίων· πρόφασις οὖν φιλία καὶ ἀρετή. κονίεται δὴ καὶ ψυχρολουτεῖ καὶ τὰς ὀφρῦς αἴρει καὶ φιλοσοφεῖν φησι καὶ σωφρονεῖν ἔξω διὰ τὸν νόμον· εἶτα νύκτωρ καὶ καθ' ἡσυχίαν

'γλυκεῖ' ὀπώρα φύλακος ἐκλελοιπότος' (Trag. ad. 403).

Εἰ δ', ὥς φησι Πρωτογένης, οὐκ ἔστιν ἀφροδισίων †παιδικῶν κοινωνία, πῶς Ἔρως ἔστιν Ἀφροδίτης μὴ παρούσης, [b] ἣν εἴληχε θεραπεύειν ἐκ θεῶν καὶ περιέπειν, τιμῆς τε μετέχειν καὶ δυνάμεως ὅσον ἐκείνη δίδωσιν; εἰ δ' ἔστι τις Ἔρως χωρὶς Ἀφροδίτης, ὥσπερ μέθη χωρὶς οἴνου πρὸς σύκινον πόμα καὶ κρίθινον, ἄκαρπον αὐτοῦ καὶ ἀτελὲς τὸ ταρακτικόν ἐστι καὶ πλήσμιον καὶ ἁψίκορον.'

Λεγομένων τούτων ὁ Πεισίας ἦν δῆλος ἀγανακτῶν καὶ παροξυνόμενος ἐπὶ τὸν Δαφναῖον· μικρὸν δ' αὐτοῦ καταλιπόντος 'ὦ Ἡράκλεις' ἔφη 'τῆς εὐχερείας καὶ θρασύτητος, ἀνθρώπους ὁμολογοῦντας ὥσπερ οἱ κύνες ἐκ ‹τῶν› μορίων συνηρτῆσθαι πρὸς τὸ θῆλυ μεθιστάναι καὶ μετοικίζειν [c] τὸν θεὸν ἐκ γυμνασίων καὶ περιπάτων καὶ τῆς ἐν ἡλίῳ καθαρᾶς καὶ ἀναπεπταμένης διατριβῆς εἰς ματρυλεῖα καὶ κοπίδας καὶ φάρμακα καὶ μαγεύματα καθειργνύμενον ἀκολάστων γυναικῶν· ἐπεὶ ταῖς γε σώφροσιν οὔτ' ἐρᾶν οὔτ' ἐρᾶσθαι δήπου προσῆκόν ἐστιν.' ἐνταῦθα μέντοι καὶ ὁ πατὴρ ἔφη τοῦ Πρωτογένους ἐπιλαβέσθαι καὶ εἰπεῖν

Τοιούτων λόγων ὁ πατὴρ ἔφη παρόντων αὐτοῖς ἐλθεῖν τῷ Πεισίᾳ ἑταῖρον ἐκ πόλεως ἵππῳ θέοντα, πρᾶγμα θαυμαστὸν ἀπαγγέλλοντα τετολμημένον. ἡ γὰρ Ἰσμηνοδώρα, ὡς ἔοικεν, αὐτὸν μὲν οὐκ ἀηδῶς ἔχειν οἰομένη τὸν Βάκχωνα πρὸς τὸν γάμον, αἰσχύνεσθαι δὲ τοὺς ἀποτρέποντας, ἔγνω μὴ προέσθαι τὸ μειράκιον. τῶν οὖν φίλων τοὺς μάλιστα τοῖς βίοις νεαροὺς καὶ συνερῶντας αὐτῇ καὶ τῶν γυναικῶν τὰς συνήθεις μεταπεμψαμένη καὶ συγκροτήσασα παρεφύλαττε τὴν ὥραν, ἣν ὁ Βάκχων ἔθος εἶχεν [f] ἀπιὼν ἐκ παλαίστρας παρὰ τὴν οἰκίαν αὐτῆς παρεξιέναι κοσμίως. ὡς οὖν τότε προσῄει μετὰ δυοῖν ἢ τριῶν ἑταίρων ἀληλιμμένος, αὐτὴ μὲν ἐπὶ τὰς θύρας ἀπήντησεν

ἡ Ἰσμηνοδώρα καὶ τῆς χλαμύδος ἔθιγε μόνον, οἱ δὲ φίλοι καλὸν καλῶς ἐν τῇ χλαμύδι καὶ τῇ διβολίᾳ συναρπάσαντες εἰς τὴν οἰκίαν παρήνεγκαν ἀθρόοι καὶ τὰς θύρας εὐθὺς ἀπέκλεισαν· [755] [a] ἅμα δ' αἱ μὲν γυναῖκες ἔνδον αὐτοῦ τὸ χλαμύδιον ἀφαρπάσασαι περιέβαλον ἱμάτιον νυμφικόν· οἰκέται δὲ περὶ κύκλῳ δραμόντες ἀνέστεφον ἐλαίᾳ καὶ δάφνῃ τὰς θύρας οὐ μόνον τὰς τῆς Ἰσμηνοδώρας ἀλλὰ καὶ τὰς τοῦ Βάκχωνος· ἡ δ' αὐλητρὶς αὐλοῦσα διεξῆλθε τὸν στενωπόν. τῶν δὲ Θεσπιέων καὶ τῶν ξένων οἱ μὲν ἐγέλων, οἱ δ' ἠγανάκτουν καὶ τοὺς γυμνασιάρχους παρώξυνον· ἄρχουσι γὰρ ἰσχυρῶς τῶν ἐφήβων καὶ προσέχουσι τὸν νοῦν σφόδρα τοῖς ὑπ' αὐτῶν πραττομένοις. ἦν δὲ λόγος οὐθεὶς τῶν ἀγωνιζομένων, ἀλλ' ἀφέντες τὸ θέατρον ἐπὶ τῶν [b] θυρῶν τῆς Ἰσμηνοδώρας ἐν λόγοις ἦσαν καὶ φιλονεικίαις πρὸς ἀλλήλους.

Ὡς οὖν ὁ τοῦ Πεισίου φίλος ὥσπερ ἐν πολέμῳ προσελάσας τὸν ἵππον αὐτὸ τοῦτο τεταραγμένος εἶπεν, ὅτι Βάκχων' ἥρπακεν Ἰσμηνοδώρα, τὸν μὲν Ζεύξιππον ὁ πατὴρ ἔφη γελάσαι καὶ εἰπεῖν, ἅτε δὴ καὶ φιλευριπίδην ὄντα, (Eur. fr. 986)

Καὶ ὁ Πεμπτίδης ἐπιγελάσας ‘ἀμέλει καὶ σώματός τις’ ἔφη ‘νόσος ἔστιν, ἣν ἱερὰν καλοῦσιν· οὐδὲν οὖν ἄτοπον, εἰ καὶ ψυχῆς τὸ μανικώτατον πάθος καὶ μέγιστον ἱερὸν καὶ θεῖον ἔνιοι προσαγορεύουσιν. εἶθ’ ὥσπερ ἐν Αἰγύπτῳ ποτὲ γείτονας ἑώρων δύο διαμφισβητοῦντας, ὄφεως προερπύσαντος εἰς τὴν ὁδόν, ἀμφοτέρων μὲν ἀγαθὸν δαίμονα καλούντων ἑκατέρου δ’ ἔχειν ἀξιοῦντος ὡς ἴδιον, οὕτως ὁρῶν ὑμῶν ἄρτι τοὺς μὲν εἰς τὴν ἀνδρωνῖτιν [f] ἕλκοντας τὸν Ἔρωτα τοὺς δ’ εἰς τὴν γυναικωνῖτιν, ὑπερφυὲς καὶ θεῖον ἀγαθόν, οὐκ ἐθαύμαζον, εἰ τηλικαύτην δύναμιν ἔσχε καὶ τιμὴν τὸ πάθος, οἷς ἦν προσῆκον ἐξελαύνειν αὐτὸ πανταχόθεν καὶ κολούειν, ὑπὸ τούτων αὐξανόμενον καὶ σεμνυνόμενον. ἄρτι μὲν οὖν ἡσυχίαν ἦγον· ἐν γὰρ ἰδίοις μᾶλλον ἢ κοινοῖς ἑώρων τὴν ἀμφισβήτησιν [756] [a] οὖσαν· νυνὶ δ’ ἀπηλλαγμένος Πεισίου, ἡδέως ἂν ὑμῶν ἀκούσαιμι πρὸς τί βλέψαντες ἀπεφήναντο τὸν Ἔρωτα θεὸν οἱ πρῶτοι τοῦτο λέξαντες.’

Παυσαμένου δὲ τοῦ Πεμπτίδου καὶ τοῦ πατρὸς ἀρξαμένου τι περὶ τούτων λέγειν, ἕτερος ἧκεν ἐκ πόλεως, τὸν Ἀνθεμίωνα μεταπεμπομένης τῆς Ἰσμηνοδώρας· ἐπέτεινε γὰρ ἡ ταραχή, καὶ τῶν γυμνασιάρχων ἦν διαφορά, τοῦ μὲν οἰομένου δεῖν τὸν Βάκχωνα ἀπαιτεῖν τοῦ δὲ πολυπραγμονεῖν οὐκ ἐῶντος. ὁ μὲν οὖν Ἀνθεμίων ἀναστὰς ἐβάδιζεν· ὁ δὲ πατὴρ τὸν Πεμπτίδην ὀνομαστὶ προσαγορεύσας ‘μεγάλου μοι δοκεῖς ἅπτεσθαι’ εἶπεν ‘καὶ [b] παραβόλου πράγματος, ὦ Πεμπτίδη, μᾶλλον δ’ ὅλως τὰ ἀκίνητα κινεῖν τῆς περὶ θεῶν δόξης ἣν ἔχομεν, περὶ ἑκάστου λόγον ἀπαιτῶν καὶ ἀπόδειξιν. ἀρκεῖ γὰρ ἡ πάτριος καὶ παλαιὰ πίστις, ἧς οὐκ ἔστιν εἰπεῖν οὐδ’ ἀνευρεῖν τεκμήριον ἐναργέστερον (Eur. ‘Ζεύς, ‹ὅστις ὁ Ζεύς,› οὐ γὰρ οἶδα πλὴν λόγῳ,’

[c] μεταλαβὼν δὲ χορὸν ἄλλον (ἐθάρρει ‹γὰρ› ὡς ἔοικε τῷ δράματι γεγραμμένῳ πανηγυρικῶς καὶ περιττῶς) ἤλλαξε τὸν στίχον ὡς νῦν γέγραπται (fr. 481)

‘Ζεύς, ὡς λέλεκται τῆς ἀληθείας ὕπο.’

τί οὖν διαφέρει τὴν περὶ τοῦ Διὸς δόξαν ἢ τῆς Ἀθηνᾶς ἢ τοῦ Ἔρωτος εἰς ἀμφίβολον τῷ λόγῳ θέσθαι [ἢ] καὶ ἄδηλον; οὐ γὰρ νῦν αἰτεῖ πρῶτον βωμὸν ὁ Ἔρως καὶ θυσίαν οὐδ’ ἔπηλυς ἔκ τινος βαρβαρικῆς δεισιδαιμονίας, ὥσπερ Ἄτται τινὲς καὶ Ἀδωναῖοι λεγόμενοι, δι’ ἀνδρογύνων καὶ γυναικῶν

λοιπὰ μέρη τοῦ σώματος, αἱρόμενον καὶ ἀναπιμπλάμενον ἀπέκρυπτε τὸν τῆς γαστρὸς ὄγκον. τὰς δ' ὠδῖνας αὐτὴ καθ' ἑαυτὴν διήνεγκεν, ὥσπερ ἐν φωλεῷ λέαινα καταδῦσα πρὸς τὸν ἄνδρα, καὶ τοὺς γενομένους ὑπεθρέψατο σκύμνους ἄρρενας· δύο γὰρ ἔτεκε. τῶν δ' υἱῶν ὁ μὲν ἐν Αἰγύπτῳ πεσὼν ἐτελεύτησεν, ὁ δ' [c] ἕτερος ἄρτι καὶ πρῴην γέγονεν ἐν Δελφοῖς παρ' ἡμῖν ὄνομα Σαβῖνος. ἀποκτείνει μὲν οὖν αὐτὴν ὁ Καῖσαρ· ἀποκτείνας δὲ δίδωσι δίκην, ἐν ὀλίγῳ χρόνῳ τοῦ γένους παντὸς ἄρδην ἀναιρεθέντος· οὐδὲν γὰρ ἤνεγκεν ἡ τόθ' ἡγεμονία σκυθρωπότερον οὐδὲ μᾶλλον ἑτέραν εἰκὸς ἦν καὶ θεοὺς καὶ δαίμονας ὄψιν ἀποστραφῆναι. καίτοι τὸν οἶκτον ἐξῄρει τῶν θεωμένων τὸ θαρραλέον αὐτῆς καὶ μεγαλήγορον, ᾧ καὶ μάλιστα παρώξυνε τὸν Οὐεσπασιανόν, ὡς ἀπέγνω τῆς σωτηρίας πρὸς αὐτὸν †ἀλλαγὴν κελεύουσα· βεβιωκέναι γὰρ ὑπὸ σκότῳ καὶ κατὰ γῆς ἥδιον ἢ †βασιλεύων ἐκείνως.'

[d] Ἐνταῦθα μὲν ὁ πατὴρ ἔφη τὸν περὶ Ἔρωτος αὐτοῖς τελευτῆσαι λόγον, τῶν Θεσπιῶν ἐγγὺς οὖσιν· ὀφθῆναι δὲ προσιόντα θᾶττον ἢ βάδην πρὸς αὐτοὺς ἕνα τῶν Πεισίου ἑταίρων Διογένη· τοῦ δὲ Σωκλάρου πρὸς αὐτὸν ἔτι πόρρωθεν εἰπόντος 'οὐ πόλεμόν γ', ὦ Διόγενες, ἀπαγγέλλων', ἐκεῖνον 'οὐκ εὐφημήσετε' φάναι 'γάμων ὄντων καὶ προάξετε θᾶσσον, ὡς ὑμᾶς τῆς θυσίας περιμενούσης;' πάντας μὲν οὖν ἡσθῆναι, τὸν δὲ Ζεύξιππον ἐρέσθαι, ‹εἰ› ἔτι χαλεπός ἐστι. Ἐν Ἁλιάρτῳ τῆς Βοιωτίας κόρη τις γίνεται κάλλει διαπρέπουσα ὄνομα Ἀριστόκλεια· θυγάτηρ δ' ἦν Θεοφάνους.

[f] ταύτην μνῶνται Στράτων Ὀρχομένιος καὶ Καλλισθένης Ἁλιάρτιος. πλουσιώτερος δ' ἦν Στράτων καὶ μᾶλλόν τι τῆς παρθένου ἡττημένος· ἐτύγχανε γὰρ ἰδὼν αὐτὴν ἐν Λεβαδείᾳ λουομένην ἐπὶ τῇ κρήνῃ τῇ Ἑρκύνῃ· [772] [a] ἔμελλε γὰρ τῷ Διὶ τῷ βασιλεῖ κανηφορεῖν. ἀλλ' ὁ Καλλισθένης γε πλέον ἐφέρετο· ἦν γὰρ καὶ γένει προσήκων τῇ κόρῃ. ἀπορῶν δὲ τῷ πράγματι ὁ Θεοφάνης, ἐδεδίει γὰρ τὸν Στράτωνα πλούτῳ τε καὶ γένει σχεδὸν ἁπάντων διαφέροντα τῶν Βοιωτῶν, τὴν αἵρεσιν ἐβούλετο τῷ Τροφωνίῳ ἐπιτρέψαι. καὶ ὁ Στράτων, ἀνεπέπειστο γὰρ ὑπὸ τῶν τῆς παρθένου οἰκετῶν ὡς πρὸς αὐτὸν μᾶλλον ἐκείνη ῥέποι, ἠξίου ἐπ' αὐτῇ ποιεῖσθαι τῇ γαμουμένῃ τὴν ἐκλογήν. ὡς δὲ τῆς παιδὸς ὁ Θεοφάνης ἐπυνθάνετο ἐν ὄψει πάντων, ἡ δὲ τὸν Καλλισθένην προὔκρινεν, [b] εὐθὺς μὲν ὁ Στράτων δῆλος ἦν βαρέως φέρων τὴν ἀτιμίαν· ἡμέρας δὲ διαλιπὼν δύο προσῆλθε τῷ Θεοφάνει καὶ τῷ Καλλισθένει, ἀξιῶν τὴν φιλίαν αὐτῷ πρὸς αὐτοὺς διαφυλάττεσθαι, εἰ καὶ τοῦ γάμου ἐφθονήθη ὑπὸ δαιμονίου τινός. οἱ δ' ἐπῄνουν τὰ λεγόμενα, ὥστε καὶ ἐπὶ τὴν ἑστίασιν τῶν γάμων παρεκάλουν αὐτόν. ὁ δὲ παρεσκευασμένος ἑταίρων ὄχλον καὶ πλῆθος οὐκ ὀλίγον θεραπόντων, διεσπαρμένους παρὰ τούτοις καὶ λανθάνοντας, ἕως ἡ κόρη κατὰ τὰ πάτρια ἐπὶ τὴν Κισσόεσσαν καλουμένην κρήνην κατῄει ταῖς Νύμφαις τὰ προτέλεια θύσουσα, [c] τότε δὴ συνδραμόντες πάντες οἱ λοχῶντες ἐκείνῳ συνελάμβανον αὐτήν. καὶ ὁ Στράτων γ' εἴχετο τῆς παρθένου· ἀντελαμβάνετο δ' ὡς εἰκὸς ὁ Καλλισθένης ἐν μέρει καὶ οἱ σὺν αὐτῷ, ἕως ἔλαθεν ἡ παῖς ἐν χερσὶ τῶν ἀνθελκόντων διαφθαρεῖσα. ὁ Καλλισθένης μὲν οὖν παραχρῆμα ἀφανὴς ἐγένετο, εἴτε διαχρησάμενος ἑαυτὸν εἴτε φυγὰς ἀπελθὼν ἐκ τῆς Βοιωτίας· οὐκ εἶχε δ' οὖν τις εἰπεῖν ὅ τι καὶ πεπόνθοι. ὁ δὲ Στράτων φανερῶς ἐπικατέσφαξεν ἑαυτὸν τῇ παρθένῳ.

Φείδων τις τῶν Πελοποννησίων ἐπιτιθέμενος ἀρχῇ, τὴν Ἀργείων πόλιν, τὴν πατρίδα τὴν ἑαυτοῦ, ἡγεμονεύειν [d] τῶν λοιπῶν βουλόμενος, πρῶτον ἐπεβούλευσε Κορινθίοις· πέμψας γὰρ ᾔτει παρ' αὐτῶν νεανίας χιλίους τοὺς ἀκμῇ διαφέροντας καὶ ἀνδρείᾳ· οἱ δὲ πέμπουσι τοὺς χιλίους, στρατηγὸν

αὐτῶν ἀποδείξαντες Δέξανδρον. ἐν νῷ δ' ἔχων ὁ Φείδων ἐπιθέσθαι τούτοις, ἵν' ἔχοι Κόρινθον ἀτονωτέραν καὶ τῇ πόλει χρήσαιτο, προτείχισμα γὰρ τοῦτο ἐπικαιρότατον ἔσεσθαι τῆς ὅλης Πελοποννήσου, τὴν πρᾶξιν ἀνέθετο τῶν ἑταίρων τισίν. ἦν δὲ καὶ Ἅβρων ἐν αὐτοῖς· οὗτος δὲ ξένος ὢν τοῦ Δεξάνδρου ἔφρασεν αὐτῷ τὴν ἐπιβουλήν. καὶ οὕτως οἱ μὲν Φλιάσιοι πρὸ τῆς ἐπιθέσεως εἰς τὴν Κόρινθον ἐσώθησαν, Φείδων [e] δ' ἀνευρεῖν ἐπειρᾶτο τὸν προδόντα καὶ ἐπιμελῶς ἐζήτει. δείσας δ' ὁ Ἅβρων φεύγει εἰς Κόρινθον, ἀναλαβὼν τὴν γυναῖκα καὶ τοὺς οἰκέτας, ἐν Μελίσσῳ, κώμῃ τινὶ τῆς Κορινθίων χώρας· ἔνθα καὶ παῖδα γεννήσας Μέλισσον προσηγόρευσεν, ἀπὸ τοῦ τόπου θέμενος τοὔνομα αὐτῷ. τούτου δὴ τοῦ Μελίσσου υἱὸς Ἀκταίων γίνεται, κάλλιστος καὶ σωφρονέστατος τῶν ὁμηλίκων, οὗ πλεῖστοι μὲν ἐγένοντο ἐρασταί, διαφερόντως δ' Ἀρχίας, γένους μὲν ὢν τοῦ τῶν Ἡρακλειδῶν, πλούτῳ δὲ καὶ τῇ ἄλλῃ δυνάμει λαμπρότατος Κορινθίων. ἐπεὶ δὲ πείθειν οὐκ ἠδύνατο τὸν παῖδα, ἔγνω βιάσασθαι καὶ συναρπάσαι τὸ μειράκιον· [f] ἐπεκώμασεν ‹οὖν› ἐπὶ τὴν οἰκίαν τοῦ Μελίσσου, πλῆθος ἐπαγόμενος καὶ φίλων καὶ οἰκετῶν, καὶ ἀπάγειν τὸν παῖδα ἐπειρᾶτο. ἀντιποιουμένου δὲ τοῦ πατρὸς καὶ τῶν φίλων, ἐπεκδραμόντων δὲ καὶ τῶν γειτόνων καὶ ἀνθελκόντων, ἀνθελκόμενος ὁ Ἀκταίων διεφθάρη· καὶ οἱ μὲν [773] [a] οὕτως ἀπεχώρουν. Μέλισσος δὲ τὸν νεκρὸν τοῦ παιδὸς εἰς τὴν ἀγορὰν τῶν Κορινθίων παρακομίσας ἐπεδείκνυε, δίκην ἀπαιτῶν παρὰ τῶν ταῦτα πραξάντων· οἱ δὲ πλέον οὐδὲν ἢ τὸν ἄνδρα ἠλέουν. ἄπρακτος δ' ἀναχωρήσας παρεφύλασσε τὴν πανήγυριν τῶν Ἰσθμίων, ἀναβάς τ' ἐπὶ τὸν τοῦ Ποσειδῶνος νεὼν κατεβόα τῶν Βακχιαδῶν καὶ τὴν τοῦ πατρὸς Ἅβρωνος εὐεργεσίαν ὑπεμίμνησκε, τούς τε θεοὺς ἐπικαλεσάμενος ῥίπτει ἑαυτὸν κατὰ τῶν πετρῶν. μετ' οὐ πολὺ δ' αὐχμὸς καὶ λοιμὸς κατελάμβανε τὴν πόλιν· καὶ τῶν Κορινθίων περὶ ἀπαλλαγῆς χρωμένων, ὁ θεὸς ἀνεῖλε μῆνιν εἶναι Ποσειδῶνος οὐκ ἀνήσοντος, [b] ἕως ἂν τὸν Ἀκταίωνος θάνατον μετέλθοιεν. ταῦτα πυθόμενος Ἀρχίας, αὐτὸς γὰρ θεωρὸς ἦν, εἰς μὲν τὴν Κόρινθον ἑκὼν οὐκ ἐπανῆλθε, πλεύσας δ' εἰς τὴν Σικελίαν Συρακούσας ἔκτισε. πατὴρ δὲ γενόμενος ἐνταῦθα θυγατέρων δυεῖν, Ὀρτυγίας τε καὶ Συρακούσης, ὑπὸ τοῦ Τηλέφου δολοφονεῖται, ὃς ἐγεγόνει μὲν αὐτοῦ παιδικά, νεὼς δ' ἀφηγούμενος συνέπλευσεν εἰς Σικελίαν.

Ἀνὴρ πένης Σκέδασος τοὔνομα κατῴκει Λεῦκτρα· ἔστι δὲ κώμιον τῆς τῶν Θεσπιέων χώρας. τούτῳ θυγατέρες γίνονται δύο· ἐκαλοῦντο δ' Ἱππὼ καὶ Μιλητία, ἤ, ὥς [c] τινες, Θεανὼ καὶ Εὐξίππη. ἦν δὲ χρηστὸς ὁ Σκέδασος καὶ τοῖς ξένοις ἐπιτήδειος, καίπερ οὐ πολλὰ κεκτημένος. ἀφικομένους οὖν πρὸς αὐτὸν δύο Σπαρτιάτας νεανίας ὑπεδέξατο προθύμως· οἱ δὲ τῶν παρθένων

ἡττώμενοι διεκωλύοντο πρὸς τὴν τόλμαν ὑπὸ τῆς τοῦ Σκεδάσου χρηστότητος. τῇ δ' ὑστεραίᾳ Πυθῶδε ἀπῄεσαν· αὕτη γὰρ αὐτοῖς προὔκειτο ἡ ὁδός· καὶ τῷ θεῷ χρησάμενοι περὶ ὧν ἐδέοντο, πάλιν ἐπανῄεσαν οἴκαδε, καὶ χωροῦντες διὰ τῆς Βοιωτίας ἐπέστησαν πάλιν τῇ τοῦ Σκεδάσου οἰκίᾳ. ὁ δ' ἐτύγχανεν οὐκ ἐπιδημῶν τοῖς Λεύκτροις, ἀλλ' αἱ θυγατέρες αὐτοῦ ὑπὸ τῆς συνήθους ἀγωγῆς [d] τοὺς ξένους ὑπεδέξαντο. οἱ δὲ καταλαβόντες ἐρήμους τὰς κόρας βιάζονται· ὁρῶντες δ' αὐτὰς καθ' ὑπερβολὴν τῇ ὕβρει χαλεπαινούσας ἀπέκτειναν, καὶ ἐμβαλόντες ἔς τι φρέαρ ἀπηλλάγησαν. ἐπανελθὼν δ' ὁ Σκέδασος τὰς μὲν κόρας οὐχ ἑώρα, πάντα δὲ τὰ καταλειφθέντα εὑρίσκει σῷα καὶ τῷ πράγματι ἠπόρει, ἕως τῆς κυνὸς κνυζωμένης καὶ πολλάκις μὲν προστρεχούσης πρὸς αὐτὸν ἀπὸ δ' αὐτοῦ εἰς τὸ φρέαρ ἐπανιούσης, εἴκασεν ὅπερ ἦν, καὶ τῶν θυγατέρων τὰ νεκρὰ οὕτως ἀνιμήσατο. πυθόμενος δὲ παρὰ τῶν γειτόνων, ὅτι ἴδοιεν τῇ χθὲς [e] ἡμέρᾳ τοὺς καὶ πρῴην καταχθέντας ἐπ' αὐτοὺς Λακεδαιμονίους εἰσιόντας, συνεβάλετο τὴν πρᾶξιν ἐκείνων, ὅτι καὶ πρῴην συνεχῶς ἐπῄνουν τὰς κόρας, μακαρίζοντες τοὺς γαμήσοντας. ἀπῄει εἰς Λακεδαίμονα, τοῖς ἐφόροις ἐντευξόμενος· γενόμενος δ' ἐν τῇ Ἀργολικῇ, νυκτὸς καταλαμβανούσης, εἰς πανδοκεῖόν τι κατήχθη· κατὰ τὸ αὐτὸ δὲ καὶ πρεσβύτης τις ἕτερος τὸ γένος ἐξ Ὠρεοῦ πόλεως τῆς Ἑστιαιάτιδος· οὗ στενάξαντος καὶ ‹κατὰ› Λακεδαιμονίων ἀρὰς ποιουμένου ἀκούσας ὁ Σκέδασος ἐπυνθάνετο τί κακὸν ὑπὸ Λακεδαιμονίων πεπονθὼς εἴη. ὁ δὲ διηγεῖτο, ὡς ὑπήκοος μέν ἐστι τῆς Σπάρτης, πεμφθεὶς [f] δ' εἰς Ὠρεὸν Ἀριστόδημος ἁρμοστὴς παρὰ Λακεδαιμονίων ὠμότητα καὶ παρανομίαν ἐπιδείξαιτο πολλήν. 'ἐρασθεὶς γάρ' ἔφη 'τοῦ ἐμοῦ παιδός, ἐπειδὴ πείθειν ἀδύνατος ἦν, ἐπεχείρει βιάσασθαι καὶ ἀπάγειν αὐτὸν τῆς παλαίστρας· κωλύοντος δὲ τοῦ παιδοτρίβου καὶ νεανίσκων πολλῶν ἐκβοηθούντων, παραχρῆμα ὁ Ἀριστόδημος ἀπεχώρησε· τῇ δ' ὑστεραίᾳ πληρώσας τριήρη συνήρπασε τὸ μειράκιον, καὶ ἐξ Ὠρεοῦ διαπλεύσας εἰς τὴν περαίαν ἐπεχείρει ὑβρίσαι, οὐ συγχωροῦντα δ' αὐτὸν [774] [a] ἀπέσφαξεν. ἐπανελθὼν δ' εἰς τὴν Ὠρεὸν εὐωχεῖτο. ἐγὼ δ'' ἔφη 'τὸ πραχθὲν πυθόμενος καὶ τὸ σῶμα κηδεύσας παρεγενόμην εἰς τὴν Σπάρτην καὶ τοῖς ἐφόροις ἐνετύγχανον· οἱ δὲ λόγον οὐκ ἐποιοῦντο.' Σκέδασος δὲ ταῦτα ἀκούων ἀθύμως διέκειτο, ὑπολαμβάνων ὅτι οὐδ' αὐτοῦ λόγον τινὰ ποιήσονται οἱ Σπαρτιᾶται· ἐν μέρει τε τὴν οἰκείαν διηγήσατο συμφορὰν τῷ ξένῳ· ὁ δὲ παρεκάλει αὐτὸν μηδ' ἐντυχεῖν τοῖς ἐφόροις, ἀλλ' ὑποστρέψαντα εἰς τὴν Βοιωτίαν κτίσαι τῶν θυγατέρων τὸν τάφον. οὐκ ἐπείθετο δ' ὅμως ὁ Σκέδασος, ἀλλ' εἰς τὴν Σπάρτην ἀφικόμενος τοῖς ἐφόροις ἐντυγχάνει· ὧν μηδὲν προσεχόντων, ἐπὶ τοὺς βασιλέας ἵεται καὶ ἀπὸ τούτων ἑκάστῳ τῶν

δημοτῶν προσιὼν ὠδύρετο. μηδὲν δὲ πλέον ἀνύων ἔθει διὰ μέσης τῆς πόλεως ἀνατείνων πρὸς ἥλιον τὼ χεῖρε, αὖθις δὲ τὴν γῆν τύπτων ἀνεκαλεῖτο τὰς Ἐρινύας, καὶ τέλος αὑτὸν τοῦ ζῆν μετέστησεν. ὑστέρῳ γε μὴν χρόνῳ δίκας ἔδοσαν οἱ Λακεδαιμόνιοι· ἐπειδὴ γὰρ τῶν Ἑλλήνων ἁπάντων ἦρχον καὶ τὰς πόλεις φρουραῖς κατειλήφεσαν, Ἐπαμεινώνδας ὁ Θηβαῖος πρῶτον μὲν τὴν παρ' αὑτῷ φρουρὰν ἀπέσφαξε· Λακεδαιμονίων δ' ἐπὶ τούτῳ πόλεμον ἐξενεγκάντων, [b] ἀπήντων οἱ Θηβαῖοι ἐπὶ τὰ Λεῦκτρα, αἰσιούμενοι τὸ χωρίον, ὅτι καὶ πρότερον ἐνταῦθα ἠλευθερώθησαν, ὅτε Ἀμφιτρύων ὑπὸ Σθενέλου φυγὰς ἐλαθεὶς εἰς τὴν Θηβαίων ἀφίκετο πόλιν καὶ Χαλκιδεῦσιν ὑποφόρους λαβὼν ἔπαυσε τὸν δασμόν, Χαλκώδοντα τὸν βασιλέα τῶν Εὐβοέων ἀποκτείνας. συνέβη δὲ Λακεδαιμονίων ἧτταν παντελῆ γενέσθαι περὶ αὐτὸ τὸ μνῆμα τῶν Σκεδάσου θυγατέρων. φασὶ δὲ πρὸ τῆς μάχης Πελοπίδᾳ, ἑνὶ τῶν στρατηγῶν τοῦ Θηβαϊκοῦ στρατεύματος, ἐπὶ σημείοις τισὶν οὐ καλοῖς κρινομένοις θορυβουμένῳ Σκέδασον ἐπιστῆναι κατὰ τοὺς ὕπνους, θαρρεῖν κελεύοντα· παραγίνεσθαι [c] γὰρ εἰς Λεῦκτρα Λακεδαιμονίους αὐτῷ τε καὶ ταῖς θυγατράσι δώσοντας δίκας· πρὸ μιᾶς δ' ἡμέρας ἢ συμβαλεῖν τοῖς Λακεδαιμονίοις πῶλον ἐκέλευεν ἵππου λευκὸν ἕτοιμον παρὰ τῷ τάφῳ τῶν παρθένων σφαγιάσασθαι. τὸν δὲ Πελοπίδαν, ἔτι τῶν Λακεδαιμονίων στρατευομένων ἐν Τεγέᾳ, εἰς Λεῦκτρα πέμψαι τοὺς ἐξετάσοντας περὶ τοῦ τάφου τούτου, καὶ πυθόμενον παρὰ τῶν ἐγχωρίων θαρροῦντα τὴν στρατιὰν ἐξαγαγεῖν καὶ νικῆσαι.

Φῶκος Βοιώτιος μὲν ἦν τῷ γένει, ἦν γὰρ ἐκ Γλίσαντος, πατὴρ δὲ Καλλιρρόης κάλλει τε καὶ σωφροσύνῃ διαφερούσης.

[d] ταύτην ἐμνηστεύοντο νεανίαι τριάκοντα εὐδοκιμώτατοι ἐν Βοιωτίᾳ· ὁ δὲ Φῶκος ἄλλας ἐξ ἄλλων ἀναβολὰς τῶν γάμων ἐποιεῖτο, φοβούμενος μὴ βιασθείη, τέλος δὲ λιπαρούντων ἐκείνων, ἠξίου ἐπὶ τῷ Πυθίῳ ποιήσασθαι τὴν αἵρεσιν. οἱ δὲ πρὸς τὸν λόγον ἐχαλέπηναν καὶ ὁρμήσαντες ἀπέκτειναν τὸν Φῶκον· ἐν δὲ τῷ θορύβῳ ἡ κόρη φυγοῦσα ἵετο διὰ τῆς χώρας· ἐδίωκον δ' αὐτὴν οἱ νεανίαι. ἡ δ' ἐντυχοῦσα γεωργοῖς ἅλω συντιθεῖσι σωτηρίας ἔτυχε παρ' αὐτῶν· ἀπέκρυψαν γὰρ αὐτὴν οἱ γεωργοὶ ἐν τῷ σίτῳ. καὶ οὕτω παρῆξαν μὲν οἱ διώκοντες· ἡ δὲ [e] διασωθεῖσα ἐφύλαξε τὴν τῶν Παμβοιωτίων ἑορτήν, καὶ τότε εἰς Κορώνειαν ἐλθοῦσα ἱκέτις καθέζεται ἐπὶ τῷ βωμῷ τῆς Ἰτωνίας Ἀθηνᾶς καὶ τῶν μνηστήρων τὴν παρανομίαν διηγεῖτο, τό τε ἑκάστου ὄνομα καὶ τὴν πατρίδα σημαίνουσα. ἠλέουν οὖν οἱ Βοιωτοὶ τὴν παῖδα καὶ τοῖς νεανίαις ἠγανάκτουν· οἱ δὲ ταῦτα πυθόμενοι εἰς Ὀρχομενὸν καταφεύγουσιν. οὐ δεξαμένων δ' αὐτοὺς [775] [a] τῶν Ὀρχομενίων πρὸς

Ἱππότας εἰσώρμησαν· κώμη δ’ ἦν παρὰ τῷ Ἑλικῶνι κειμένη μεταξὺ Θίσβης καὶ Κορωνείας· οἱ δ’ ὑποδέχονται αὐτούς. εἶτα πέμπουσι Θηβαῖοι ἐξαιτοῦντες τοὺς Φώκου φονεῖς· τῶν δ’ οὐ διδόντων, ἐστράτευσαν μὲν μετὰ τῶν ἄλλων Βοιωτῶν, στρατηγοῦντος Φοίδου, ὃς τότε τὴν ἀρχὴν τῶν Θηβαίων διεῖπε· πολιορκήσαντες δὲ τὴν κώμην ὀχυρὰν οὖσαν, δίψει δὲ τῶν ἔνδον κρατηθέντων, τοὺς μὲν φονεῖς ληφθέντας κατέλευσαν, τοὺς δ’ ἐν τῇ κώμῃ ἐξηνδραποδίσαντο· κατασκάψαντες δὲ τὰ τείχη καὶ τὰς οἰκίας διένειμαν τὴν χώραν Θισβεῦσι τε καὶ Κορωνεῦσι. φασὶ δὲ νυκτός, πρὸ [b] τῆς ἁλώσεως τῶν Ἱπποτῶν, φωνὴν ἐκ τοῦ Ἑλικῶνος πολλάκις ἀκουσθῆναι λέγοντός τινος ‘πάρειμι’· τοὺς δὲ μνηστῆρας τοὺς τριάκοντα τόδε τὸ φώνημα γνωρίζειν, ὅτι Φώκου εἴη. ᾗ δ’ ἡμέρᾳ κατελεύσθησαν, τὸ ἐν Γλίσαντι μνῆμα τοῦ γέροντος κρόκῳ φασὶ ῥεῦσαι· Φοίδῳ δὲ τῷ Θηβαίων ἄρχοντι καὶ στρατηγῷ ἐκ τῆς μάχης ἐπανιόντι ἀγγελθῆναι θυγατέρα γεγενημένην, ‹ἣν› αἰσιούμενον προσαγορεῦσαι Νικοστράτην.

Ἄλκιππος τὸ μὲν γένος Λακεδαιμόνιος ἦν· γήμας δὲ Δαμοκρίταν πατὴρ θυγατέρων γίνεται δύο· συμβουλεύων [c] τε τῇ πόλει κράτιστα [τε] καὶ πράττων ὅτου δέοιντο Λακεδαιμόνιοι, ἐφθονήθη ὑπὸ τῶν ἀντιπολιτευομένων, οἳ τοὺς ἐφόρους ψευδέσι λόγοις παραγαγόντες, ὡς τοῦ Ἀλκίππου βουλομένου τοὺς νόμους καταλῦσαι, φυγῇ περιέβαλον τὸν ἄνδρα. καὶ ὁ μὲν ὑπεξῆλθε τῆς Σπάρτης, Δαμοκρίταν δὲ τὴν γυναῖκα μετὰ τῶν θυγατέρων βουλομένην ἕπεσθαι τἀνδρὶ ἐκώλυον, ἀλλὰ καὶ τὴν οὐσίαν αὐτοῦ ἐδήμευσαν, ἵνα μὴ εὐπορῶσι προικὸς αἱ παρθένοι. ἐπεὶ δὲ καὶ ὣς ἐμνηστεύοντό τινες τὰς παῖδας διὰ τὴν τοῦ πατρὸς ἀρετήν, ἐκώλυσαν οἱ ἐχθροὶ διὰ ψηφίσματος [d] μνηστεύεσθαί τινας τὰς κόρας, λέγοντες ὡς ἡ μήτηρ αὐτῶν Δαμοκρίτα πολλάκις εὔξατο τὰς θυγατέρας ταχέως γεννῆσαι παῖδας τιμωροὺς τῷ πατρὶ γενησομένους. πανταχόθεν δ’ ἡ Δαμοκρίτα περιελαυνομένη ἐτήρησέ τινα πάνδημον ἑορτήν, ἐν ᾗ γυναῖκες ἅμα παρθένοις καὶ οἰκείοις καὶ νηπίοις ἑώρταζον, αἱ δὲ τῶν ἐν τέλει καθ’ ἑαυτὰς ἐν ἀνδρῶνι μεγάλῳ διεπαννύχιζον· ξίφος τε ὑποζωσαμένη καὶ τὰς κόρας λαβοῦσα νυκτὸς ἦλθεν εἰς τὸ ἱερὸν [e] καιρὸν παραφυλάξασα, ἐν ᾧ πᾶσαι τὸ μυστήριον ἐπετέλουν ἐν τῷ ἀνδρῶνι· καὶ κεκλεισμένων τῶν εἰσόδων, ξύλα ταῖς θύραις πολλὰ προσνήσασα (ταῦτα δ’ ἦν εἰς τὴν τῆς ἑορτῆς θυσίαν ὑπ’ ἐκείνων παρεσκευασμένα), πῦρ ἐνῆκε. συνθεόντων δὲ τῶν ἀνδρῶν ἐπὶ τὴν βοήθειαν, ἡ Δαμοκρίτα τὰς θυγατέρας ἀπέσφαξε καὶ ἐπ’ ἐκείναις ἑαυτήν. οὐκ ἔχοντες δ’ οἱ Λακεδαιμόνιοι, ὅπη τὸν θυμὸν ἀπερείσονται, ἐκτὸς ὅρων

ἔρριψαν τῆς τε Δαμοκρίτας καὶ τῶν θυγατέρων τὰ σώματα. ἐφ’ ᾧ μηνίσαντος τοῦ θεοῦ τὸν μέγαν ἱστοροῦσι Λακεδαιμονίοις σεισμὸν ἐπιγενέσθαι.

ΠΕΡΙ ΤΟΥ ΟΤΙ ΜΑΛΙΣΤΑ ΤΟΙΣ ΗΓΕΜΟΣΙ ΔΕΙ ΤΟΝ ΦΙΛΟΣΟΦΟΝ ΔΙΑΛΕΓΕΣΘΑΙ

[776] Σωρκανὸν ἐγκολπίσασθαι καὶ φιλίαν τιμᾶν [b] καὶ μετιέναι καὶ προσδέχεσθαι καὶ γεωργεῖν, πολλοῖς μὲν ἰδίᾳ πολλοῖς δὲ καὶ δημοσίᾳ χρήσιμον καὶ ἔγκαρπον γενησομένην, φιλοκάλων ἐστὶ καὶ πολιτικῶν καὶ φιλανθρώπων οὐχ ὡς ἔνιοι νομίζουσι φιλοδόξων· ἀλλὰ καὶ τοὐναντίον, φιλόδοξός ἐστι καὶ ψοφοδεὴς ὁ φεύγων καὶ φοβούμενος ἀκοῦσαι λιπαρὴς τῶν ἐν ἐξουσίᾳ καὶ θεραπευτικός. ἐπεὶ τί φησιν ἀνὴρ θεραπευτικὸς καὶ φιλοσοφίας δεόμενος; Σίμων οὖν γένωμαι ὁ σκυτοτόμος ἢ Διονύσιος ὁ γραμματιστὴς ἐκ Περικλέους ἢ Κάτωνος, ἵνα μοι προσδιαλέγηται καὶ προσκαθίζῃ [c] ὡς Σωκράτης ἐκείνῳ; καὶ Ἀρίστων μὲν ὁ Χῖος ἐπὶ τῷ πᾶσι διαλέγεσθαι τοῖς βουλομένοις ὑπὸ τῶν σοφιστῶν κακῶς ἀκούων "ὤφελεν," εἶπε, "καὶ τὰ θηρία λόγων συνιέναι κινητικῶν πρὸς ἀρετήν"· ἡμεῖς δὲ φευξούμεθα τοῖς δυνατοῖς καὶ ἡγεμονικοῖς ὥσπερ ἀγρίοις καὶ ἀνημέροις γίγνεσθαι συνήθεις;

Οὐκ "ἀνδριαντοποιός" ἐστιν ὁ τῆς φιλοσοφίας λόγος, "ὥστ' ἐλινύοντα ποιεῖν ἀγάλματ' ἐπ' αὐτᾶς βαθμίδος ἑσταότα" κατὰ Πίνδαρον· ἀλλ' ἐνεργὰ βούλεται ποιεῖν ὧν ἂν ἅψηται καὶ πρακτικὰ καὶ ἔμψυχα καὶ κινητικὰς ὁρμὰς ἐντίθησι καὶ κρίσεις ἀγωγοὺς ἐπὶ τὰ ὠφέλιμα καὶ προαιρέσεις [d] φιλοκάλους καὶ φρόνημα καὶ μέγεθος μετὰ πραότητος καὶ ἀσφαλείας, δι' ὧν τοῖς ὑπερέχουσι καὶ δυνατοῖς ὁμιλοῦσιν οἱ πολιτικοὶ προθυμότερον. καὶ γάρ, ἂν ἰατρὸς ᾖ φιλόκαλος, ἥδιον ὀφθαλμὸν ἰάσεται τὸν ὑπὲρ πολλῶν βλέποντα καὶ πολλοὺς φυλάσσοντα· καὶ φιλόσοφος ψυχῆς ἐπιμελήσεται προθυμότερον, ἣν ὑπὲρ πολλῶν φροντίζουσαν ὁρᾷ καὶ πολλοῖς φρονεῖν καὶ σωφρονεῖν καὶ δικαιοπραγεῖν ὀφείλουσαν. καὶ γὰρ εἰ δεινὸς ἦν περὶ ζήτησιν ὑδάτων καὶ συναγωγήν, ὥσπερ ἱστοροῦσι τὸν Ἡρακλέα καὶ πολλοὺς τῶν πάλαι, οὐκ ἂν ἔχαιρε φρεωρυχῶν ἐν ἐσχατιᾷ "παρὰ Κόρακος πέτρῃ" τὴν συβωτικὴν ἐκείνην Ἀρέθουσαν, ἀλλὰ ποταμοῦ τινος ἀενάους πηγὰς ἀνακαλύπτων πόλεσι καὶ στρατοπέδοις καὶ φυτείαις βασιλέων καὶ ἄλσεσιν. ἀκούομεν δὴ Ὁμήρου τὸν Μίνω "θεοῦ μεγάλου ὀαριστὴν" ἀποκαλοῦντος· τοῦτο δ' ἐστίν, ὥς φησιν ὁ Πλάτων, ὁμιλητὴν καὶ μαθητήν· οὐδὲ γὰρ ἰδιώτας οὐδ' οἰκουροὺς οὐδ' ἀπράκτους ἠξίουν εἶναι θεῶν μαθητάς, ἀλλὰ βασιλεῖς, οἷς [e] εὐβουλίας ἐγγενομένης καὶ δικαιοσύνης καὶ χρηστότητος καὶ μεγαλοφροσύνης, πάντες ἔμελλον ὠφεληθήσεσθαι καὶ ἀπολαύσειν οἱ χρώμενοι. τὸ ἠρύγγιον τὸ

βοτάνιον λέγουσι μιᾶς αἰγὸς εἰς τὸ στόμα λαβούσης, αὐτήν τε πρώτην ἐκείνην καὶ τὸ λοιπὸν αἰπόλιον ἵστασθαι, μέχρι ἂν ὁ αἰπόλος ἐξέλῃ προσελθών· τοιαύτην ἔχουσιν αἱ ἀπορροιαὶ τῆς δυνάμεως ὀξύτητα, πυρὸς δίκην ἐπινεμομένην τὰ γειτνιῶντα καὶ κατασκιδναμένην. καὶ μὴν ὁ τοῦ φιλοσόφου λόγος, ἐὰν μὲν ἰδιώτην ἕνα λάβῃ, χαίροντα ἀπραγμοσύνῃ καὶ περιγράφοντα ἑαυτὸν ὡς κέντρῳ καὶ διαστήματι γεωμετρικῷ [777] [a] ταῖς περὶ τὸ σῶμα χρείαις, οὐ διαδίδωσιν εἰς ἑτέρους, ἀλλ' ἐν ἑνὶ ποιήσας ἐκείνῳ γαλήνην καὶ ἡσυχίαν ἀπεμαράνθη καὶ συνεξέλιπεν. ἂν δ' ἄρχοντος ἀνδρὸς καὶ πολιτικοῦ καὶ πρακτικοῦ καθάψηται καὶ τοῦτον ἀναπλήσῃ καλοκαγαθίας, πολλοὺς δι' ἑνὸς ὠφέλησεν, ὡς Ἀναξαγόρας Περικλεῖ συγγενόμενος καὶ Πλάτων Δίωνι καὶ Πυθαγόρας τοῖς πρωτεύουσιν Ἰταλιωτῶν. Κάτων δ' αὐτὸς ἔπλευσεν ἀπὸ στρατιᾶς ἐπ' Ἀθηνόδωρον· καὶ Σκιπίων μετεπέμψατο Παναίτιον, ὅτ' αὐτὸν ἡ σύγκλητος ἐξέπεμψεν

ἀνθρώπων ὕβριν τε καὶ εὐνομίην ἐφορώμενον

ὥς φησι Ποσειδώνιος. τί οὖν ἔδει λέγειν τὸν [b] Παναίτιον; εἰ μὲν ἦς ἢ Βάτων ἢ Πολυδεύκης ἤ τις ἄλλος ἰδιώτης, τὰ μέσα τῶν πόλεων ἀποδιδράσκειν βουλόμενος, ἐν γωνίᾳ τινὶ καθ' ἡσυχίαν ἀναλύων συλλογισμοὺς καὶ περιέλκων φιλοσόφων, ἄσμενος ἄν σε προσεδεξάμην καὶ συνῆν· ἐπεὶ δ' υἱὸς μὲν Αἰμιλίου Παύλου τοῦ δισυπάτου γέγονας, υἱωνὸς δὲ Σκιπίωνος τοῦ Ἀφρικανοῦ τοῦ νικήσαντος τὸν Ἀννίβαν τὸν Καρχηδόνιον, οὐκ οὖν σοι διαλέξομαι;

Τὸ δὲ λέγειν ὅτι δύο λόγοι εἰσίν, ὁ μὲν ἐνδιάθετος ἡγεμόνος Ἑρμοῦ δῶρον, ὁ δ' ἐν προφορᾷ διάκτορος καὶ ὀργανικός, ἕωλόν ἐστι καὶ ὑποπιπτέτω τῷ

[c] τουτὶ μὲν ᾔδειν πρὶν Θέογνιν γεγονέναι.

ἐκεῖνο δ' οὐκ ἂν ἐνοχλήσειεν, ὅτι καὶ τοῦ ἐνδιαθέτου λόγου καὶ τοῦ προφορικοῦ φιλία τέλος ἐστί, τοῦ μὲν πρὸς ἑαυτὸν τοῦ δὲ πρὸς ἕτερον. ὁ μὲν γὰρ εἰς ἀρετὴν διὰ φιλοσοφίας τελευτῶν σύμφωνον ἑαυτῷ καὶ ἄμεμπτον ὑφ' ἑαυτοῦ καὶ μεστὸν εἰρήνης καὶ φιλοφροσύνης τῆς πρὸς ἑαυτὸν ἀεὶ παρέχεται τὸν ἄνθρωπον.

οὐ στάσις οὐδέ τε δῆρις ἀναίσιος ἐν μελέεσσιν,

οὐ πάθος λόγῳ δυσπειθές, οὐχ ὁρμῆς μάχη πρὸς ὁρμήν, οὐ λογισμοῦ πρὸς λογισμὸν ἀντίβασις, οὐχ ὥσπερ ἐν μεθορίῳ τοῦ ἐπιθυμοῦντος καὶ τοῦ μετανοοῦντος τὸ τραχὺ καὶ ταραχῶδες καὶ τὸ ἡδόμενον, [d] ἀλλ' εὐμενῆ πάντα καὶ φίλα καὶ ποιοῦντα πλείστων τυγχάνειν ἀγαθῶν καὶ ἑαυτῷ χαίρειν ἕκαστον. τοῦ δὲ προφορικοῦ τὴν Μοῦσαν ὁ Πίνδαρος "οὐ φιλοκερδῆ," φησίν, "οὐδ' ἐργάτιν" εἶναι πρότερον, οἶμαι δὲ μηδὲ νῦν, ἀλλ' ἀμουσίᾳ καὶ

ἀπειροκαλίᾳ τὸν κοινὸν Ἑρμῆν ἐμπολαῖον καὶ ἔμμισθον γενέσθαι. οὐ γὰρ ἡ μὲν Ἀφροδίτη ταῖς τοῦ Προποίτου θυγατράσιν ἐμήνιεν ὅτι

πρῶται μίσεα μηχανήσαντο καταχέειν νεανίσκων,

ἡ δ' Οὐρανία καὶ Καλλιόπη καὶ ἡ Κλειὼ χαίρουσι τοῖς ἐπ' ἀργυρίῳ λυμαινομένοις τὸν λόγον. ἀλλ' ἔμοιγε δοκεῖ τὰ τῶν Μουσῶν ἔργα καὶ δῶρα μᾶλλον ἢ τὰ τῆς Ἀφροδίτης φιλοτήσια εἶναι. καὶ γὰρ τὸ [e] ἔνδοξον, ὅ τινες τοῦ λόγου ποιοῦνται τέλος, ὡς ἀρχὴ καὶ σπέρμα φιλίας ἠγαπήθη· μᾶλλον δ' ὅλως οἵ γε πολλοὶ κατ' εὔνοιαν τὴν δόξαν τίθενται, νομίζοντες ἡμᾶς μόνον ἐπαινεῖν οὓς φιλοῦμεν. ἀλλ' οὗτοι μέν, ὡς ὁ Ἰξίων διώκων τὴν Ἥραν ὤλισθεν εἰς τὴν νεφέλην, οὕτως ἀντὶ τῆς φιλίας εἴδωλον ἀπατηλὸν καὶ πανηγυρικὸν καὶ περιφερόμενον ὑπολαμβάνουσιν. ὁ δὲ νοῦν ἔχων, ἂν ἐν πολιτείαις καὶ πράξεσιν ἀναστρέφηται, δεήσεται δόξης τοσαύτης, ὅση δύναμιν περὶ τὰς πράξεις ἐκ τοῦ [f] πιστεύεσθαι δίδωσιν· οὔτε γὰρ ἡδὺ μὴ βουλομένους οὔτε ῥᾴδιον ὠφελεῖν, βούλεσθαι δὲ ποιεῖ τὸ πιστεύειν· ὥσπερ γὰρ τὸ φῶς μᾶλλόν ἐστιν ἀγαθὸν τοῖς βλέπουσιν ἢ τοῖς βλεπομένοις, οὕτως ἡ δόξα τοῖς αἰσθανομένοις ἢ τοῖς μὴ παρορωμένοις. ὁ δ' ἀπηλλαγμένος τοῦ τὰ κοινὰ πράττειν καὶ συνὼν ἑαυτῷ καὶ τἀγαθὸν ἐν ἡσυχίᾳ καὶ ἀπραγμοσύνῃ τιθέμενος τὴν μὲν ἐν ὄχλοις καὶ θεάτροις πάνδημον [778] [a] καὶ ἀναπεπταμένην δόξαν οὕτως ὡς τὴν Ἀφροδίτην ὁ Ἱππόλυτος "ἄπωθεν ἁγνὸς ὢν ἀσπάζεται," τῆς δέ γε τῶν ἐπιεικῶν καὶ ἐλλογίμων οὐδ' αὐτὸς καταφρονεῖ· πλοῦτον δὲ καὶ δόξαν ἡγεμονικὴν καὶ δύναμιν ἐν φιλίαις οὐ διώκει, οὐ μὴν οὐδὲ φεύγει ταῦτα μετρίῳ προσόντ' ἤθει· οὐδὲ γὰρ τοὺς καλοὺς τῶν νέων διώκει καὶ ὡραίους, ἀλλὰ τοὺς εὐαγώγους καὶ κοσμίους καὶ φιλομαθεῖς· οὐδ' οἷς ὥρα καὶ χάρις συνέπεται καὶ ἄνθος δεδίττεται τὸν φιλόσοφον οὐδ' ἀποσοβεῖ καὶ ἀπελαύνει τῶν ἀξίων ἐπιμελείας τὸ κάλλος. οὕτως οὖν ἀξίας ἡγεμονικῆς καὶ δυνάμεως ἀνδρὶ μετρίῳ καὶ ἀστείῳ προσούσης, [b] οὐκ ἀφέξεται τοῦ φιλεῖν καὶ ἀγαπᾶν οὐδὲ φοβήσεται τὸ αὐλικὸς ἀκοῦσαι καὶ θεραπευτικός·

οἱ γὰρ Κύπριν φεύγοντες ἀνθρώπων ἄγαν
νοσοῦσ' ὁμοίως τοῖς ἄγαν θηρωμένοις·

καὶ οἱ πρὸς ἔνδοξον οὕτως καὶ ἡγεμονικὴν φιλίαν ἔχοντες. ὁ μὲν οὖν ἀπράγμων φιλόσοφος οὐ φεύξεται τοὺς τοιούτους, ὁ δὲ πολιτικὸς καὶ περιέξεται αὐτῶν, ἄκουσιν οὐκ ἐνοχλῶν οὐδ' ἐπισταθμεύων τὰ ὦτα διαλέξεσιν ἀκαίροις καὶ σοφιστικαῖς, βουλομένοις δὲ χαίρων καὶ διαλεγόμενος καὶ σχολάζων καὶ συνὼν προθύμως.

Σπείρω δ' ἄρουραν δώδεχ' ἡμερῶν ὁδὸν
Βερέκυντα χῶρον·

[c] οὗτος εἰ μὴ μόνον φιλογέωργος ἀλλὰ καὶ φιλάνθρωπος ἦν, ἥδιον ἂν ἔσπειρε τὴν τοσούτους τρέφειν δυναμένην ἢ τὸ Ἀντισθένους ἐκεῖνο χωρίδιον, ὃ μόλις Αὐτολύκῳ παλαίειν ἂν ἤρκεσε· εἰ δέ σε ἠρόμην τὴν οἰκουμένην ἅπασαν ἐπιστρέφειν παραιτοῦμαι. καίτοι Ἐπίκουρος τἀγαθὸν ἐν τῷ βαθυτάτῳ τῆς ἡσυχίας ὥσπερ ἐν ἀκλύστῳ λιμένι καὶ κωφῷ τιθέμενος τοῦ εὖ πάσχειν τὸ εὖ ποιεῖν οὐ μόνον κάλλιον ἀλλὰ καὶ ἥδιον εἶναί φησι.

χαρᾶς γὰρ οὕτω γόνιμον οὐδὲν ἐστιν

ὡς χάρις·

ἀλλὰ σοφὸς ἦν ὁ ταῖς Χάρισι τὰ ὀνόματα θέμενος [d] Ἀγλαΐην καὶ Εὐφροσύνην καὶ Θάλειαν· τὸ γὰρ ἀγαλλόμενον καὶ τὸ χαῖρον ἐν τῷ διδόντι τὴν χάριν πλεῖόν ἐστι καὶ καθαρώτερον. διὸ τῷ πάσχειν εὖ αἰσχύνονται πολλάκις, ἀεὶ δ’ ἀγάλλονται τῷ εὖ ποιεῖν· εὖ δὲ ποιοῦσι πολλοὺς οἱ ποιοῦντες ἀγαθοὺς ὧν πολλοὶ δέονται· καὶ τοὐναντίον, οἱ ἀεὶ διαφθείροντες ἡγεμόνας ἢ βασιλεῖς ἢ τυράννους διάβολοι καὶ συκοφάνται καὶ κόλακες ὑπὸ πάντων ἐλαύνονται καὶ κολάζονται, καθάπερ οὐκ εἰς μίαν κύλικα φάρμακον [e] ἐμβάλλοντες θανάσιμον, ἀλλ’ εἰς πηγὴν δημοσίᾳ ῥέουσαν, ᾗ χρωμένους πάντας ὁρῶσιν. ὥσπερ οὖν τοὺς Καλλίου κωμῳδουμένους κόλακας γελῶσιν, οὓς

οὐ πῦρ οὐδὲ σίδηρος

οὐδὲ χαλκὸς ἀπείργει

μὴ φοιτᾶν ἐπὶ δεῖπνον

κατὰ τὸν Εὔπολιν· τοὺς δ’ Ἀπολλοδώρου τοῦ τυράννου καὶ Φαλάριδος καὶ Διονυσίου φίλους καὶ συνήθεις ἀπετυμπάνιζον, ἐστρέβλουν καὶ ἐνεπίμπρασαν, ἐναγεῖς ἐποιοῦντο καὶ καταράτους, ὡς ἐκείνων μὲν ἀδικούντων ἕνα τούτων δὲ πολλοὺς δι’ ἑνὸς τοῦ ἄρχοντος· οὕτως οἱ μὲν ἰδιώταις συνόντες αὐτοὺς ἐκείνους ποιοῦσιν ἑαυτοῖς ἀλύπους καὶ ἀβλαβεῖς καὶ προσηνεῖς, ὁ δ’ ἄρχοντος ἦθος [f] ἀφαιρῶν μοχθηρὸν ἢ γνώμην ἐφ’ ὃ δεῖ συγκατευθύνων τρόπον τινὰ δημοσίᾳ φιλοσοφεῖ καὶ τὸ κοινὸν ἐπανορθοῦται, ᾧ πάντες διοικοῦνται. τοῖς ἱερεῦσιν αἰδῶ καὶ τιμὴν αἱ πόλεις νέμουσιν, ὅτι τἀγαθὰ παρὰ τῶν θεῶν οὐ μόνον αὑτοῖς καὶ φίλοις καὶ οἰκείοις, ἀλλὰ κοινῇ πᾶσιν αἰτοῦνται τοῖς πολίταις· καίτοι τοὺς θεοὺς οἱ ἱερεῖς οὐ ποιοῦσιν ἀγαθῶν δοτῆρας, ἀλλὰ τοιούτους ὄντας παρακαλοῦσι· τοὺς δ’ ἄρχοντας οἱ συνόντες τῶν φιλοσόφων δικαιοτέρους ποιοῦσι καὶ μετριωτέρους καὶ προθυμοτέρους εἰς τὸ εὖ ποιεῖν, ὥστε καὶ χαίρειν εἰκός ἐστι μᾶλλον.

[779] [a] Ἐμοὶ δὲ δοκεῖ καὶ λυροποιὸς ἂν ἥδιον λύραν ἐργάσασθαι καὶ προθυμότερον, μαθὼν ὡς ὁ ταύτην κτησόμενος τὴν λύραν μέλλει τὸ Θηβαίων ἄστυ τειχίζειν ὡς ὁ Ἀμφίων, ἢ τὴν Λακεδαιμονίων στάσιν παύειν

ἐπᾴδων καὶ παραμυθούμενος ὡς Θαλῆς· καὶ τέκτων ὁμοίως πηδάλιον δημιουργῶν ἡσθῆναι, πυθόμενος ὅτι τοῦτο τὴν Θεμιστοκλέους ναυαρχίδα κυβερνήσει προπολεμοῦσαν τῆς Ἑλλάδος ἢ τὴν Πομπηίου τὰ πειρατικὰ καταναυμαχοῦντος· τί οὖν οἴει περὶ τοῦ λόγου τὸν φιλόσοφον, διανοούμενον [b] ὡς ὁ τοῦτον παραλαβὼν πολιτικὸς ἀνὴρ καὶ ἡγεμονικὸς κοινὸν ὄφελος ἔσται δικαιοδοτῶν, νομοθετῶν, κολάζων τοὺς πονηρούς, αὔξων τοὺς ἐπιεικεῖς καὶ ἀγαθούς; ἐμοὶ δὲ δοκεῖ καὶ ναυπηγὸς ἀστεῖος ἥδιον ἂν ἐργάσασθαι πηδάλιον, πυθόμενος ὅτι τοῦτο τὴν Ἀργὼ κυβερνήσει τὴν "πᾶσι μέλουσαν"· καὶ τεκτονικὸς οὐκ ἂν οὕτω κατασκευάσαι ἄροτρον προθύμως ἢ ἅμαξαν, ὡς τοὺς ἄξονας, οἷς ἔμελλε Σόλων τοὺς νόμους ἐγχαράξειν. καὶ μὴν οἱ λόγοι τῶν φιλοσόφων, ἐὰν ψυχαῖς ἡγεμονικῶν καὶ πολιτικῶν ἀνδρῶν ἐγγραφῶσι βεβαίως καὶ κρατήσωσι, νόμων δύναμιν λαμβάνουσιν· ᾗ καὶ Πλάτων εἰς Σικελίαν ἔπλευσεν, ἐλπίζων τὰ δόγματα νόμους καὶ ἔργα ποιήσειν ἐν [c] τοῖς Διονυσίου πράγμασιν· ἀλλ' εὗρε Διονύσιον ὥσπερ βιβλίον παλίμψηστον ἤδη μολυσμῶν ἀνάπλεων καὶ τὴν βαφὴν οὐκ ἀνιέντα τῆς τυραννίδος, ἐν πολλῷ χρόνῳ δευσοποιὸν οὖσαν καὶ δυσέκπλυτον· ἀκμαίους δ' ὄντας ἔτι δεῖ τῶν χρηστῶν ἀντιλαμβάνεσθαι λόγων.

Ad principem ineruditum

ΠΡΟΣ ΗΓΕΜΟΝΑ ΑΠΑΙΔΕΥΤΟΝ

[779] Πλάτωνα Κυρηναῖοι παρεκάλουν νόμους τε γραψάμενον αὐτοῖς ἀπολιπεῖν καὶ διακοσμῆσαι τὴν πολιτείαν, ὁ δὲ παρῃτήσατο φήσας χαλεπὸν εἶναι Κυρηναίοις νομοθετεῖν οὕτως εὐτυχοῦσιν·

οὐδὲν γὰρ οὕτω γαῦρον

καὶ τραχὺ καὶ δύσαρκτον

ὡς ἀνὴρ ἔφυ

εὐπραγίας δοκούσης ἐπιλαμβανόμενος. διὸ τοῖς [e] ἄρχουσι χαλεπόν ἐστι σύμβουλον περὶ ἀρχῆς γενέσθαι· τὸν γὰρ λόγον ὥσπερ ἄρχοντα παραδέξασθαι φοβοῦνται, μὴ τῆς ἐξουσίας αὐτῶν τἀγαθὸν κολούσῃ τῷ καθήκοντι δουλωσάμενος. οὐ γὰρ ἴσασι τὰ Θεοπόμπου τοῦ Σπαρτιατῶν βασιλέως, ὃς πρῶτος ἐν Σπάρτῃ τοῖς βασιλεύουσι καταμίξας τοὺς Ἐφόρους, εἶτ' ὀνειδιζόμενος ὑπὸ τῆς γυναικός, εἰ τοῖς παισὶν ἐλάττονα παραδώσει τὴν ἀρχὴν ἧς παρέλαβε, "μείζονα μὲν οὖν," εἶπεν, "ὅσῳ καὶ βεβαιοτέραν." τὸ γὰρ σφοδρὸν ἀνεὶς καὶ ἄκρατον αὐτῆς ἅμα τῷ φθόνῳ διέφυγε τὸν [f] κίνδυνον. καίτοι Θεόπομπος μὲν εἰς ἑτέρους τὸ τῆς ἀρχῆς ὥσπερ ῥεύματος μεγάλου παροχετευσάμενος, ὅσον ἄλλοις ἔδωκεν, αὑτοῦ περιέκοψεν· ὁ δ' ἐκ φιλοσοφίας τῷ ἄρχοντι πάρεδρος καὶ φύλαξ ἐγκατοικισθεὶς λόγος, ὥσπερ εὐεξίας τῆς δυνάμεως τὸ ἐπισφαλὲς ἀφαιρῶν, ἀπολείπει τὸ ὑγιαῖνον.

Ἀλλὰ νοῦν οὐκ ἔχοντες οἱ πολλοὶ τῶν βασιλέων καὶ ἀρχόντων μιμοῦνται τοὺς ἀτέχνους ἀνδριαντοποιούς, οἳ νομίζουσι μεγάλους καὶ ἁδροὺς φαίνεσθαι τοὺς κολοσσούς, ἂν διαβεβηκότας σφόδρα [780] [a] καὶ διατεταμένους καὶ κεχηνότας πλάσωσι· καὶ γὰρ οὗτοι βαρύτητι φωνῆς καὶ βλέμματος τραχύτητι καὶ δυσκολίᾳ τρόπων καὶ ἀμιξίᾳ διαίτης ὄγκον ἡγεμονίας καὶ σεμνότητα μιμεῖσθαι δοκοῦσιν, οὐδ' ὁτιοῦν τῶν κολοσσικῶν διαφέροντες ἀνδριάντων, οἳ τὴν ἔξωθεν ἡρωικὴν καὶ θεοπρεπῆ μορφὴν ἔχοντες ἐντός εἰσι γῆς μεστοὶ καὶ λίθου καὶ μολίβδου· πλὴν ὅτι τῶν μὲν ἀνδριάντων ταῦτα τὰ βάρη τὴν ὀρθότητα μόνιμον καὶ ἀκλινῆ διαφυλάττει, οἱ [b] δ' ἀπαίδευτοι στρατηγοὶ καὶ ἡγεμόνες ὑπὸ τῆς ἐντὸς ἀγνωμοσύνης πολλάκις σαλεύονται καὶ περιτρέπονται· βάσει γὰρ οὐ κειμένῃ πρὸς ὀρθὰς ἐξουσίαν ἐποικοδομοῦντες ὑψηλὴν συναπονεύουσι. δεῖ δέ, ὥσπερ ὁ κανὼν αὐτός, ἀστραβὴς γενόμενος καὶ ἀδιάστροφος, οὕτως ἀπευθύνει τὰ λοιπὰ τῇ πρὸς αὑτὸν ἐφαρμογῇ καὶ παραθέσει συνεξομοιῶν, παραπλησίως τὸν ἄρχοντα πρῶτον τὴν ἀρχὴν κτησάμενον ἐν ἑαυτῷ καὶ κατευθύναντα τὴν ψυχὴν καὶ καταστησάμενον τὸ

ἦθος οὕτω συναρμόττειν τὸ ὑπήκοον· οὔτε γὰρ πίπτοντός ἐστιν ὀρθοῦν οὔτε διδάσκειν ἀγνοοῦντος οὔτε κοσμεῖν ἀκοσμοῦντος ἢ τάττειν ἀτακτοῦντος ἢ ἄρχειν μὴ [c] ἀρχομένου· ἀλλ' οἱ πολλοὶ κακῶς φρονοῦντες οἴονται πρῶτον ἐν τῷ ἄρχειν ἀγαθὸν εἶναι τὸ μὴ ἄρχεσθαι, καὶ ὅ γε Περσῶν βασιλεὺς πάντας ἡγεῖτο δούλους πλὴν τῆς αὑτοῦ γυναικός, ἧς μάλιστα δεσπότης ὤφειλεν εἶναι.

Τίς οὖν ἄρξει τοῦ ἄρχοντος; ὁ
νόμος ὁ πάντων βασιλεὺς
θνατῶν τε καὶ ἀθανάτων,

ὡς ἔφη Πίνδαρος, οὐκ ἐν βιβλίοις ἔξω γεγραμμένος οὐδέ τισι ξύλοις, ἀλλ' ἔμψυχος ὢν ἐν αὐτῷ λόγος, ἀεὶ συνοικῶν καὶ παραφυλάττων καὶ μηδέποτε τὴν ψυχὴν ἐῶν ἔρημον ἡγεμονίας. ὁ μὲν γὰρ Περσῶν βασιλεὺς ἕνα τῶν κατευναστῶν εἶχε πρὸς τοῦτο τεταγμένον, ὥσθ' ἕωθεν εἰσιόντα λέγειν πρὸς αὐτὸν "ἀνάστα, ὦ βασιλεῦ, καὶ φρόντιζε πραγμάτων, ὧν σε φροντίζειν ὁ μέγας Ὠρομάσδης ἠθέλησε"· [d] τοῦ δὲ πεπαιδευμένου καὶ σωφρονοῦντος ἄρχοντος ἐντός ἐστιν ὁ τοῦτο φθεγγόμενος ἀεὶ καὶ παρακελευόμενος. Πολέμων γὰρ ἔλεγε τὸν ἔρωτα εἶναι "θεῶν ὑπηρεσίαν εἰς νέων ἐπιμέλειαν καὶ σωτηρίαν"· ἀληθέστερον δ' ἄν τις εἴποι τοὺς ἄρχοντας ὑπηρετεῖν θεῷ πρὸς ἀνθρώπων ἐπιμέλειαν καὶ σωτηρίαν, ὅπως ὧν θεὸς δίδωσιν ἀνθρώποις καλῶν καὶ ἀγαθῶν τὰ μὲν νέμωσι τὰ δὲ φυλάττωσιν.

ὁρᾷς τὸν ὑψοῦ τόνδ' ἄπειρον αἰθέρα,
καὶ γῆν πέριξ ἔχονθ' ὑγραῖς ἐν ἀγκάλαις;

ὁ μὲν καθίησιν ἀρχὰς σπερμάτων προσηκόντων γῆ δ' ἀναδίδωσιν, αὔξεται δὲ τὰ μὲν ὄμβροις τὰ δ' ἀνέμοις τὰ δ' ἄστροις ἐπιθαλπόμενα καὶ σελήνῃ, [e] κοσμεῖ δ' ἥλιος ἅπαντα καὶ πᾶσι τοῦτο δὴ τὸ παρ' αὑτοῦ φίλτρον ἐγκεράννυσιν. ἀλλὰ τῶν τοιούτων καὶ τηλικούτων ἃ θεοὶ χαρίζονται δώρων καὶ ἀγαθῶν οὐκ ἔστιν ἀπόλαυσις οὐδὲ χρῆσις ὀρθὴ δίχα νόμου καὶ δίκης καὶ ἄρχοντος. δίκη μὲν οὖν νόμου τέλος ἐστί, νόμος δ' ἄρχοντος ἔργον, ἄρχων δ' εἰκὼν θεοῦ τοῦ πάντα κοσμοῦντος, οὐ Φειδίου δεόμενος πλάττοντος οὐδὲ Πολυκλείτου καὶ Μύρωνος, ἀλλ' αὐτὸς αὑτὸν εἰς ὁμοιότητα θεῷ δι' ἀρετῆς [f] καθιστὰς καὶ δημιουργῶν ἀγαλμάτων τὸ ἥδιστον ὀφθῆναι καὶ θεοπρεπέστατον. οἷον δ' ἥλιον ἐν οὐρανῷ περικαλλὲς εἴδωλον ἑαυτοῦ καὶ σελήνην ὁ θεὸς ἐνίδρυσε, τοιοῦτον ἐν πόλεσι μίμημα καὶ φέγγος ἄρχων

ὅστε θεουδὴς
εὐδικίας ἀνέχῃσι,

τουτέστι θεοῦ λόγον ἔχων, διάνοιαν, οὐ σκῆπτρον οὐδὲ κεραυνὸν οὐδὲ τρίαιναν, ὡς ἔνιοι πλάττουσιν ἑαυτοὺς καὶ γράφουσι τῷ ἀνεφίκτῳ ποιοῦντες

ἐπίφθονον τὸ ἀνόητον· νεμεσᾷ γὰρ ὁ θεὸς τοῖς ἀπομιμουμένοις βροντὰς καὶ κεραυνοὺς καὶ ἀκτινοβολίας, [781] [a] τοὺς δὲ τὴν ἀρετὴν ζηλοῦντας αὐτοῦ καὶ πρὸς τὸ καλὸν καὶ φιλάνθρωπον ἀφομοιοῦντας ἑαυτοὺς ἡδόμενος αὔξει καὶ μεταδίδωσι τῆς περὶ αὐτὸν εὐνομίας καὶ δίκης καὶ ἀληθείας καὶ πραότητος· ὧν θειότερον οὐ πῦρ ἐστιν οὐ φῶς οὐχ ἡλίου δρόμος οὐκ ἀνατολαὶ καὶ δύσεις ἄστρων οὐ τὸ ἀίδιον καὶ ἀθάνατον. οὐ γὰρ χρόνῳ ζωῆς ὁ θεὸς εὐδαίμων ἀλλὰ τῆς ἀρετῆς τῷ ἄρχοντι· τοῦτο γὰρ θεῖόν ἐστι, καλὸν δ᾽ αὐτῆς καὶ τὸ ἀρχόμενον.

Ἀνάξαρχος μὲν οὖν ἐπὶ τῷ Κλείτου φόνῳ δεινοπαθοῦντα παραμυθούμενος Ἀλέξανδρον ἔφη [b] καὶ τῷ Διὶ τὴν Δίκην εἶναι καὶ τὴν Θέμιν παρέδρους, ἵνα πᾶν πραττόμενον ὑπὸ βασιλέως θεμιτὸν δοκῇ καὶ δίκαιον, οὐκ ὀρθῶς οὐδ᾽ ὠφελίμως τὴν ἐφ᾽ οἷς ἥμαρτε μετάνοιαν αὐτοῦ τῷ πρὸς τὰ ὅμοια θαρρύνειν ἰώμενος. εἰ δὲ δεῖ ταῦτ᾽ εἰκάζειν, ὁ μὲν Ζεὺς οὐκ ἔχει τὴν Δίκην πάρεδρον, ἀλλ᾽ αὐτὸς Δίκη καὶ Θέμις ἐστὶ καὶ νόμων ὁ πρεσβύτατος καὶ τελειότατος. οἱ δὲ παλαιοὶ οὕτω λέγουσι καὶ γράφουσι καὶ διδάσκουσιν, ὡς ἄνευ Δίκης ἄρχειν μηδὲ τοῦ Διὸς καλῶς δυναμένου· "ἡ δέ γε παρθένος [c] ἐστὶ" καθ᾽ Ἡσίοδον ἀδιάφθορος, αἰδοῦς καὶ σωφροσύνης καὶ ὠφελείας σύνοικος· ὅθεν "αἰδοίους" προσαγορεύουσι τοὺς βασιλεῖς· μάλιστα γὰρ αἰδεῖσθαι προσήκει τοῖς ἥκιστα φοβουμένοις. φοβεῖσθαι δὲ δεῖ τὸν ἄρχοντα τοῦ παθεῖν κακῶς μᾶλλον τὸ ποιῆσαι· τοῦτο γὰρ αἴτιόν ἐστιν ἐκείνου καὶ οὗτός ἐστιν ὁ φόβος τοῦ ἄρχοντος φιλάνθρωπος καὶ οὐκ ἀγεννής, ὑπὲρ τῶν ἀρχομένων δεδιέναι μὴ λάθωσι βλαβέντες,

ὡς δὲ κύνες περὶ μῆλα δυσωρήσονται ἐν αὐλῇ,
θηρὸς ἀκούσαντες κρατερόφρονος,

Κλέαρχος δ᾽ ὁ Ποντικὸς τύραννος εἰς κιβωτὸν ἐνδυόμενος ὥσπερ ὄφις [e] ἐκάθευδε. καὶ Ἀριστόδημος ὁ Ἀργεῖος εἰς ὑπερῷον οἴκημα θύραν ἔχον ἐπιρρακτήν, ἧς ἐπάνω τιθεὶς τὸ κλινίδιον ἐκάθευδε μετὰ τῆς ἑταίρας· ἡ δὲ μήτηρ ἐκείνης ὑφεῖλκε κάτωθεν τὸ κλιμάκιον, εἶθ᾽ ἡμέρας πάλιν προσετίθει φέρουσα. πῶς οὗτος, οἴεσθε, τὸ θέατρον ἐπεφρίκει καὶ τὸ ἀρχεῖον, τὸ βουλευτήριον, τὸ συμπόσιον, ὁ τὸν θάλαμον ἑαυτῷ δεσμωτήριον πεποιηκώς;

οὐκ ἀγνοοῦμεν. ἐπειδὴ δὲ πλείστας αἱ πρὸς τοὺς πολιτικοὺς ἀγῶνας ἀποκνήσεις καὶ μαλακίαι προφάσεις ἔχουσαι τελευταίαν ὥσπερ τὴν "ἀφ᾽ ἱερᾶς" ἐπάγουσιν ἡμῖν τὸ γῆρας, καὶ μάλιστα δὴ τούτῳ τὸ φιλότιμον ἀμβλύνειν καὶ δυσωπεῖν δοκοῦσαι πείθουσιν εἶναί τινα πρέπουσαν οὐκ ἀθλητικῆς μόνον ἀλλὰ καὶ πολιτικῆς περιόδου κατάλυσιν· [c] οἴομαι δεῖν ἃ πρὸς ἐμαυτὸν ἑκάστοτε λογίζομαι καὶ πρὸς σὲ διελθεῖν περὶ τῆς πρεσβυτικῆς πολιτείας· ὅπως μηδέτερος ἀπολείψει τὴν μακρὰν συνοδίαν μέχρι δεῦρο κοινῇ προερχομένην μηδὲ τὸν πολιτικὸν βίον ὥσπερ ἡλικιώτην καὶ συνήθη φίλον ἀπορρίψας μεταβαλεῖται πρὸς ἄλλον ἀσυνήθη καὶ χρόνον οὐκ ἔχοντα συνήθη γενέσθαι καὶ οἰκεῖον, ἀλλ᾽ ἐμμενοῦμεν οἷς ἀπ᾽ ἀρχῆς προειλόμεθα, ταὐτὸ τοῦ ζῆν καὶ τοῦ καλῶς ζῆν ποιησάμενοι πέρας· εἴ γε δὴ μὴ μέλλοιμεν ἐν βραχεῖ τῷ λειπομένῳ τὸν πολὺν ἐλέγχειν χρόνον, ὡς ἐπ᾽ οὐδενὶ καλῷ μάτην ἀνηλωμένον.

[d] Οὐ γὰρ ἡ τυραννίς, ὥς τις εἶπε Διονυσίῳ, καλὸν ἐντάφιον· ἀλλ᾽ ἐκείνῳ γε τὴν μοναρχίαν μετὰ τῆς ἀδικίας τό γε μὴ παύσασθαι συμφορὰν τελεωτέραν ἐποίησε. καὶ καλῶς Διογένης ὕστερον ἐν Κορίνθῳ τὸν υἱὸν αὐτοῦ θεασάμενος ἰδιώτην ἐκ τυράννου γεγενημένον "ὡς ἀναξίως," ἔφη, "Διονύσιε, σεαυτοῦ πράττεις· οὐ γὰρ ἐνταῦθά σε μεθ᾽ ἡμῶν ἔδει ζῆν ἐλευθέρως καὶ ἀδεῶς, ἀλλ᾽ ἐκεῖ τοῖς τυραννείοις ἐγκατῳκοδομημένον ὥσπερ ὁ πατὴρ ἄχρι γήρως ἐγκαταβιῶσαι." πολιτεία δὲ δημοκρατικὴ καὶ νόμιμος ἀνδρὸς εἰθισμένου παρέχειν αὑτὸν οὐχ ἧττον ἀρχόμενον [e] ὠφελίμως ἢ ἄρχοντα καλὸν ἐντάφιον ὡς ἀληθῶς τὴν ἀπὸ τοῦ βίου δόξαν τῷ θανάτῳ προστίθησι· τοῦτο γὰρ

ἔσχατον δύεται κατὰ γᾶς

ὥς φησι Σιμωνίδης, πλὴν ὧν προαποθνήσκει τὸ φιλάνθρωπον καὶ φιλόκαλον καὶ προαπαυδᾷ τῆς τῶν ἀναγκαίων ἐπιθυμίας ὁ τῶν καλῶν ζῆλος, ὡς τὰ πρακτικὰ μέρη καὶ θεῖα τῆς ψυχῆς ἐξιτηλότερα τῶν παθητικῶν καὶ σωματικῶν ἐχούσης· ὅπερ οὐδὲ λέγειν καλὸν οὐδ᾽ ἀποδέχεσθαι τῶν λεγόντων, [f] ὡς κερδαίνοντες μόνον οὐ κοπιῶμεν· ἀλλὰ καὶ τὸ τοῦ

Θουκυδίδου παράγειν ἐπὶ τὸ βέλτιον, μὴ τὸ φιλότιμον ἀγήρων μόνον ἡγουμένους, ἀλλὰ μᾶλλον τὸ κοινωνικὸν καὶ πολιτικόν, ὃ καὶ μύρμηξιν ἄχρι τέλους παραμένει καὶ μελίτταις· οὐδεὶς γὰρ πώποτ’ εἶδεν ὑπὸ γήρως κηφῆνα γενομένην μέλιτταν, ὥσπερ ἔνιοι τοὺς πολιτικοὺς ἀξιοῦσιν, ὅταν παρακμάσωσιν, οἴκοι σιτουμένους καθῆσθαι καὶ ἀποκεῖσθαι, καθάπερ ἰῷ σίδηρον ὑπ’ ἀργίας τὴν πρακτικὴν ἀρετὴν σβεννυμένην περιορῶντας.

[784] [a] ὁ γὰρ Κάτων ἔλεγεν, ὅτι πολλὰς ἰδίας ἔχοντι τῷ γήρᾳ κῆρας οὐ δεῖ τὴν ἀπὸ τῆς κακίας ἑκόντας ἐπάγειν αἰσχύνην· πολλῶν δὲ κακιῶν οὐδεμιᾶς ἧττον ἀπραξία καὶ δειλία καὶ μαλακία καταισχύνουσιν ἄνδρα πρεσβύτην, ἐκ πολιτικῶν ἀρχείων καταδυόμενον εἰς οἰκουρίαν γυναικῶν ἢ κατ’ ἀγρὸν ἐφορῶντα καλαμητρίδας καὶ θεριστάς·

ὁ δ’ Οἰδίπους ποῦ καὶ τὰ κλείν’ αἰνίγματα;

Τὸ μὲν γὰρ ἐν γήρᾳ πολιτείας ἄρχεσθαι καὶ μὴ πρότερον, ὥσπερ Ἐπιμενίδην λέγουσι κατακοιμηθέντα νεανίαν ἐξεγρέσθαι γέροντα μετὰ πεντήκοντα [b] ἔτη· εἶτα τὴν οὕτω μακρὰν καὶ συμβεβιωκυῖαν ἡσυχίαν ἀποθέμενον ἐμβαλεῖν ἑαυτὸν εἰς ἀγῶνας καὶ ἀσχολίας, ἀήθη καὶ ἀγύμναστον ὄντα καὶ μήτε πράγμασιν ἐνωμιληκότα πολιτικοῖς μήτ’ ἀνθρώποις, ἴσως ἂν αἰτιωμένῳ τινὶ παράσχοι τὸ τῆς Πυθίας εἰπεῖν “ὄψ’ ἦλθες” ἀρχὴν καὶ δημαγωγίαν διζήμενος, καὶ παρ’ ὥραν στρατηγίου κόπτεις θύραν, ὥσπερ τις ἀτεχνότερος ὢν νύκτωρ ἐπίκωμος ἀφιγμένος, ἢ ξένος οὐ τόπον οὐδὲ χώραν ἀλλὰ βίον, οὗ μὴ πεπείρασαι, μεταλλάττων. τὸ γὰρ “πόλις ἄνδρα διδάσκει” κατὰ Σιμωνίδην ἀληθές ἐστιν ἐπὶ τῶν ἔτι χρόνον ἐχόντων μεταδιδαχθῆναι καὶ μεταμαθεῖν μάθημα, διὰ πολλῶν ἀγώνων καὶ [c] πραγμάτων μόλις ἐκπονούμενον, ἄνπερ ἐν καιρῷ φύσεως ἐπιλάβηται καὶ πόνον ἐνεγκεῖν καὶ δυσημερίαν εὐκόλως δυναμένης. ταῦτα δόξει τις μὴ κακῶς λέγεσθαι πρὸς τὸν ἀρχόμενον ἐν γήρᾳ πολιτείας.

Καίτοι τοὐναντίον ὁρῶμεν ὑπὸ τῶν νοῦν ἐχόντων τὰ μειράκια καὶ τοὺς νέους ἀποτρεπομένους τοῦ τὰ κοινὰ πράττειν· καὶ μαρτυροῦσιν οἱ νόμοι διὰ τοῦ κήρυκος ἐν ταῖς ἐκκλησίαις οὐκ Ἀλκιβιάδας οὐδὲ Πυθέας ἀνιστάντες ἐπὶ τὸ βῆμα πρώτους, ἀλλὰ τοὺς ὑπὲρ πεντήκοντ’ ἔτη γεγονότας, [d] λέγειν καὶ συμβουλεύειν παρακαλοῦντες· οὐ γὰρ τοιούτους ἀήθεια τόλμης καὶ τριβῆς ἔνδεια καλεῖ πρὸς τροπαῖον κατ’ ἀντιστασιωτῶν. ὁ δὲ Κάτων μετ’ ὀγδοήκοντ’ ἔτη δίκην ἀπολογούμενος ἔφη χαλεπὸν εἶναι βεβιωκότα μετ’ ἄλλων ἐν ἄλλοις ἀπολογεῖσθαι. Καίσαρος δὲ τοῦ καταλύσαντος Ἀντώνιον οὔτι μικρῷ βασιλικώτερα καὶ δημωφελέστερα γενέσθαι πολιτεύματα πρὸς τῇ τελευτῇ πάντες ὁμολογοῦσιν· αὐτὸς δὲ τοὺς νέους ἔθεσι καὶ νόμοις αὐστηρῶς σωφρονίζων, ὡς ἐθορύβησαν, “ἀκούσατ’,” εἶπε, “νέοι γέροντος οὗ

νέου γέροντες [e] ἤκουον.” ἡ δὲ Περικλέους πολιτεία τὸ μέγιστον ἐν γήρᾳ κράτος ἔσχεν, ὅτε καὶ τὸν πόλεμον ἄρασθαι τοὺς Ἀθηναίους ἔπεισε· καὶ προθυμουμένων οὐ κατὰ καιρὸν μάχεσθαι πρὸς ἑξακισμυρίους ὁπλίτας, ἐνέστη καὶ διεκώλυσε, μονονοὺ τὰ ὅπλα τοῦ δήμου καὶ τὰς κλεῖς τῶν πυλῶν ἀποσφραγισάμενος. ἀλλὰ μὴν ἅ γε Ξενοφῶν περὶ Ἀγησιλάου γέγραφεν, αὐτοῖς ὀνόμασιν ἄξιόν ἐστι παραθέσθαι· “ποίας γάρ,” φησί, “νεότητος οὐ κρεῖττον τὸ ἐκείνου γῆρας ἐφάνη; τίς μὲν γὰρ τοῖς ἐχθροῖς ἀκμάζων οὕτω φοβερὸς ἦν, ὡς Ἀγησίλαος τὸ μήκιστον τοῦ αἰῶνος ἔχων; τίνος δ’ ἐκποδὼν γενομένου μᾶλλον ἥσθησαν οἱ πολέμιοι ἢ Ἀγησιλάου, καίπερ γηραιοῦ [f] τελευτήσαντος; τίς δὲ συμμάχοις θάρσος παρέσχεν ἢ Ἀγησίλαος, καίπερ ἤδη πρὸς τῷ τέρματι τοῦ βίου ὤν; τίνα δὲ νέον οἱ φίλοι πλέον ἐπόθησαν ἢ Ἀγησίλαον γηραιὸν ἀποθανόντα;”

Εἶτ’ ἐκείνους μὲν τηλικαῦτα πράττειν ὁ χρόνος οὐκ ἐκώλυεν, ἡμεῖς δ’ οἱ νῦν τρυφῶντες ἐν πολιτείαις, μὴ τυραννίδα μὴ πόλεμόν τινα μὴ πολιορκίαν ἐχούσαις, ἀπολέμους δ’ ἁμίλλας καὶ φιλοτιμίας νόμῳ τὰ πολλὰ καὶ λόγῳ μετὰ δίκης [785] [a] περαινομένας ἀποδειλιῶμεν; οὐ μόνον στρατηγῶν τῶν τότε καὶ δημαγωγῶν, ἀλλὰ καὶ ποιητῶν καὶ σοφιστῶν καὶ ὑποκριτῶν ὁμολογοῦντες εἶναι κακίους· εἴγε Σιμωνίδης μὲν ἐν γήρᾳ χοροῖς ἐνίκα, ὡς τοὐπίγραμμα δηλοῖ τοῖς τελευταίοις ἔπεσιν·

ἐν οὐ μικρῷ μέρει πολιτείας οὐδὲ φαύλῳ χρήσιμός ἐστιν, ἀλλ' εἰς ὃ μάλιστα καὶ πρῶτον ὁ Λυκοῦργος [f] ἐντείνας ἑαυτὸν εἴθισε τοὺς νέους παντὶ πρεσβύτῃ καθάπερ νομοθέτῃ πειθομένους διατελεῖν. ἐπεὶ πρὸς τί βλέψας ὁ Λύσανδρος εἶπεν, ὡς ἐν Λακεδαίμονι κάλλιστα γηρῶσιν; ἆρ' ὅτι γ' ἀργεῖν ἔξεστι μάλιστα τοῖς πρεσβυτέροις ἐκεῖ καὶ δανείζειν ἢ κυβεύειν συγκαθεζομένους ἢ πίνειν ἐν ὥρᾳ συνάγοντας; οὐκ ἂν εἴποις· ἀλλ' ὅτι τρόπον τινὰ πάντες οἱ τηλικοῦτοι τάξιν ἀρχόντων ἤ τινων πατρονόμων ἢ παιδαγωγῶν ἔχοντες οὐ τὰ κοινὰ [796] [a] μόνον ἐπισκοποῦσιν, ἀλλὰ καὶ τῶν νέων ἕκαστ' ἀεὶ περί τε τὰ γυμνάσια καὶ παιδιὰς καὶ διαίτας καταμανθάνουσιν οὐ παρέργως, φοβεροὶ μὲν ὄντες τοῖς ἁμαρτάνουσιν αἰδεστοὶ δὲ τοῖς ἀγαθοῖς καὶ ποθεινοί· θεραπεύουσι γὰρ ἀεὶ καὶ διώκουσιν αὐτοὺς οἱ νέοι, τὸ κόσμιον καὶ τὸ γενναῖον αὔξοντας καὶ συνεπιγαυροῦντας ἄνευ φθόνου.

Τοῦτο γὰρ τὸ πάθος οὐδενὶ χρόνῳ πρέπον ἡλικίας, ὅμως ἐν νέοις εὐπορεῖ χρηστῶν ὀνομάτων, ἅμιλλα καὶ ζῆλος καὶ φιλοτιμία προσαγορευόμενον, ἐν δὲ πρεσβύταις παντελῶς ἄωρόν ἐστι καὶ ἄγριον καὶ ἀγεννές. διὸ δεῖ

πορρωτάτω τοῦ φθονεῖν ὄντα τὸν πολιτικὸν γέροντα μὴ καθάπερ τὰ βάσκανα [b] γεράνδρυα τῶν παραβλαστανόντων καὶ ὑποφυομένων σαφῶς ἀφαιρεῖσθαι καὶ κολούειν τὴν βλάστην καὶ τὴν αὔξησιν, ἀλλ' εὐμενῶς προσδέχεσθαι καὶ παρέχειν τοῖς ἀντιλαμβανομένοις καὶ προσπλεκομένοις ἑαυτὸν ὀρθοῦντα καὶ χειραγωγοῦντα καὶ τρέφοντα μὴ μόνον ὑφηγήσεσι καὶ συμβουλίαις ἀγαθαῖς, ἀλλὰ καὶ παραχωρήσεσι πολιτευμάτων τιμὴν ἐχόντων καὶ δόξαν ἤ τινας ὑπουργίας ἀβλαβεῖς μὲν ἡδείας δὲ τοῖς πολλοῖς καὶ πρὸς χάριν ἐσομένας· ὅσα δ' ἐστὶν ἀντίτυπα καὶ προσάντη καὶ καθάπερ τὰ φάρμακα δάκνει παραχρῆμα καὶ λυπεῖ τὸ δὲ [c] καλὸν καὶ λυσιτελὲς ὕστερον ἀποδίδωσι, μὴ τοὺς νέους ἐπὶ ταῦτα προσάγοντα μηδ' ὑποβάλλοντα θορύβοις, ὄχλων ἀγνωμονούντων ἀήθεις ὄντας, ἀλλ' αὐτὸν ἐκδεχόμενον τὰς ὑπὲρ τῶν συμφερόντων ἀπεχθείας· τούτῳ γὰρ εὐνουστέρους τε ποιήσει τοὺς νέους καὶ προθυμοτέρους ἐν ταῖς ἄλλαις ὑπηρεσίαις.

Παρὰ πάντα δὲ ταῦτα χρὴ μνημονεύειν, ὡς οὐκ ἔστι πολιτεύεσθαι μόνον τὸ ἄρχειν καὶ πρεσβεύειν καὶ μέγα βοᾶν ἐν ἐκκλησίᾳ καὶ περὶ τὸ βῆμα βακχεύειν λέγοντας ἢ γράφοντας, ἃ οἱ πολλοὶ τοῦ πολιτεύεσθαι νομίζουσιν, ὥσπερ ἀμέλει καὶ [d] φιλοσοφεῖν τοὺς ἀπὸ τοῦ δίφρου διαλεγομένους καὶ σχολὰς ἐπὶ βιβλίοις περαίνοντας· ἡ δὲ συνεχὴς ἐν ἔργοις καὶ πράξεσιν ὁρωμένη καθ' ἡμέραν ὁμαλῶς πολιτεία καὶ φιλοσοφία λέληθεν αὐτούς. καὶ γὰρ τοὺς ἐν ταῖς στοαῖς ἀνακάμπτοντας περιπατεῖν φασιν, ὡς ἔλεγε Δικαίαρχος, οὐκέτι δὲ τοὺς εἰς ἀγρὸν ἢ πρὸς φίλον βαδίζοντας. ὅμοιον δ' ἐστὶ τῷ φιλοσοφεῖν τὸ πολιτεύεσθαι. Σωκράτης γοῦν οὔτε βάθρα θεὶς οὔτ' εἰς θρόνον καθίσας οὔθ' ὥραν διατριβῆς ἢ περιπάτου τοῖς γνωρίμοις τεταγμένην φυλάττων, ἀλλὰ καὶ συμπαίζων, ὅτε τύχοι, καὶ συμπίνων καὶ συστρατευόμενος ἐνίοις καὶ συναγοράζων, τέλος δὲ καὶ δεδεμένος καὶ [e] πίνων τὸ φάρμακον, ἐφιλοσόφει· πρῶτος ἀποδείξας τὸν βίον ἅπαντι χρόνῳ καὶ μέρει καὶ πάθεσι καὶ πράγμασιν ἁπλῶς ἅπασι φιλοσοφίαν δεχόμενον. οὕτω δὴ διανοητέον καὶ περὶ πολιτείας, ὡς τοὺς μὲν ἀνοήτους, οὐδ' ὅταν στρατηγῶσιν ἢ γραμματεύωσιν ἢ δημηγορῶσι, πολιτευομένους ἀλλ' ὀχλοκοποῦντας ἢ πανηγυρίζοντας ἢ στασιάζοντας ἢ λειτουργοῦντας ἀναγκαίως· τὸν δὲ κοινωνικὸν καὶ φιλάνθρωπον καὶ φιλόπολιν καὶ κηδεμονικὸν καὶ πολιτικὸν ἀληθῶς, κἂν μηδέποτε τὴν χλαμύδα περίθηται, πολιτευόμενον ἀεὶ τῷ παρορμᾶν τοὺς [f] δυναμένους, ὑφηγεῖσθαι τοῖς δεομένοις, συμπαρεῖναι τοῖς βουλευομένοις, διατρέπειν τοὺς κακοπραγμονοῦντας, ἐπιρρωννύναι τοὺς εὐγνώμονας, φανερὸν εἶναι μὴ παρέργως προσέχοντα τοῖς κοινοῖς μηδ' ὅπου σπουδή τις ἢ παράκλησις διὰ τὸ πρωτεῖον εἰς τὸ θέατρον βαδίζοντα καὶ τὸ βουλευτήριον, ἄλλως δὲ

διαγωγῆς χάριν ὡς ἐπὶ θέαν ἢ ἀκρόασιν, [797] [a] ὅταν ἐπέλθῃ, παραγιγνόμενον, ἀλλά, κἂν μὴ παραγένηται τῷ σώματι, παρόντα τῇ γνώμῃ καὶ τῷ πυνθάνεσθαι τὰ μὲν ἀποδεχόμενον τοῖς δὲ δυσκολαίνοντα τῶν πραττομένων.

Οὐδὲ γὰρ Ἀθηναίων Ἀριστείδης οὐδὲ Ῥωμαίων Κάτων ἦρξε πολλάκις, ἀλλὰ πάντα τὸν αὑτῶν βίον ἐνεργὸν ἀεὶ ταῖς πατρίσι παρέσχον. Ἐπαμεινώνδας δὲ πολλὰ μὲν καὶ μεγάλα κατώρθωσε στρατηγῶν, οὐκ ἔλαττον δ' αὐτοῦ μνημονεύεται μηδὲ στρατηγοῦντος μηδ' ἄρχοντος ἔργον περὶ Θετταλίαν, ὅτε τῶν στρατηγῶν εἰς τόπους χαλεποὺς ἐμβαλόντων τὴν φάλαγγα καὶ θορυβουμένων [b] (ἐπέκειντο γὰρ οἱ πολέμιοι βάλλοντες), ἀνακληθεὶς ἐκ τῶν ὁπλιτῶν πρῶτον μὲν ἔπαυσε θαρρύνας τὸν τοῦ στρατεύματος τάραχον καὶ φόβον, ἔπειτα διατάξας καὶ διαρμοσάμενος τὴν φάλαγγα συγκεχυμένην ἐξήγαγε ῥᾳδίως καὶ κατέστησεν ἐναντίαν τοῖς πολεμίοις, ὥστ' ἀπελθεῖν ἐκείνους μεταβαλομένους. Ἄγιδος δὲ τοῦ βασιλέως ἐν Ἀρκαδίᾳ τοῖς πολεμίοις ἐπάγοντος ἤδη τὸ στράτευμα συντεταγμένον εἰς μάχην, τῶν πρεσβυτέρων τις Σπαρτιατῶν ἐπεβόησεν, ὅτι διανοεῖται κακὸν κακῷ ἰᾶσθαι, δηλῶν τῆς ἐξ Ἄργους ἐπαιτίου [c] ἀναχωρήσεως τὴν παροῦσαν ἄκαιρον προθυμίαν ἀνάληψιν βουλομένην εἶναι, ὡς ὁ Θουκυδίδης φησίν· ὁ δ' Ἆγις ἀκούσας ἐπείσθη καὶ ἀνεχώρησε. Μενεκράτει δὲ καὶ δίφρος ἔκειτο καθ' ἡμέραν παρὰ ταῖς θύραις τοῦ ἀρχείου, καὶ πολλάκις ἀνιστάμενοι πρὸς αὐτὸν οἱ Ἔφοροι διεπυνθάνοντο καὶ συνεβουλεύοντο περὶ τῶν μεγίστων. ἐδόκει γὰρ ἔμφρων ἀνὴρ εἶναι καὶ συνετὸς ἱστορεῖσθαι· διὸ καὶ παντάπασιν ἤδη τὴν τοῦ σώματος ἐξημαυρωμένος δύναμιν καὶ τὰ πολλὰ κλινήρης διημερεύων, μεταπεμπομένων εἰς ἀγορὰν τῶν Ἐφόρων, ὥρμησε μὲν ἐξαναστὰς βαδίζειν, μόλις δὲ καὶ χαλεπῶς προερχόμενος, εἶτα [d] παιδαρίοις ἐντυχὼν καθ' ὁδόν, ἠρώτησεν, εἴ τι γινώσκουσιν ἀναγκαιότερον ὂν τοῦ πείθεσθαι δεσπότῃ· τῶν δὲ φησάντων "τὸ μὴ δύνασθαι," τοῦτο τῆς ὑπουργίας λογισάμενος πέρας ἀνέστρεψεν οἴκαδε. δεῖ γὰρ μὴ προαπολείπειν τὴν προθυμίαν τῆς δυνάμεως, ἐγκαταλειφθεῖσαν δὲ μὴ βιάζεσθαι. καὶ μὴν Γαΐῳ Λαιλίῳ Σκιπίων ἐχρῆτο συμβούλῳ στρατηγῶν ἀεὶ καὶ πολιτευόμενος, ὥστε καὶ λέγειν ἐνίους ὑποκριτὴν τῶν πράξεων Σκιπίωνα ποιητὴν δὲ τὸν Γάιον εἶναι. Κικέρων δ' αὐτὸς ὁμολογεῖ τὰ κάλλιστα καὶ μέγιστα τῶν συμβουλευμάτων, οἷς ὤρθωσεν ὑπατεύων τὴν πατρίδα, μετὰ Ποπλίου Νιγιδίου τοῦ φιλοσόφου συνθεῖναι.

[e] Οὕτω διὰ πολλῶν τρόπων τῆς πολιτείας οὐδὲν ἀποκωλύει τοὺς γέροντας ὠφελεῖν τὸ κοινὸν ἀπὸ τῶν βελτίστων, λόγου καὶ γνώμης καὶ παρρησίας καὶ φροντίδος πινυτῆς, ὡς δὴ ποιηταὶ λέγουσιν. οὐ γὰρ αἱ χεῖρες

ἡμῶν οὐδ’ οἱ πόδες, οὐδ’ ἡ τοῦ σώματος ῥώμη κτῆμα καὶ μέρος ἐστὶ τῆς πόλεως μόνον, ἀλλὰ πρῶτον ἡ ψυχὴ καὶ τὰ τῆς ψυχῆς κάλλη, δικαιοσύνη καὶ σωφροσύνη καὶ φρόνησις· ὧν ὀψὲ καὶ βραδέως τὸ οἰκεῖον ἀπολαμβανόντων, ἄτοπόν ἐστι τὴν μὲν οἰκίαν καὶ τὸν ἀγρὸν [f] ἀπολαύειν καὶ τὰ λοιπὰ χρήματα καὶ κτήματα, κοινῇ δὲ τῇ πατρίδι καὶ τοῖς πολίταις μηκέτι χρησίμους εἶναι διὰ τὸν χρόνον, οὐ τοσοῦτον τῶν ὑπηρετικῶν παραιρούμενον δυνάμεων, ὅσον ταῖς ἡγεμονικαῖς καὶ πολιτικαῖς προστίθησι. διὸ καὶ τῶν Ἑρμῶν τοὺς πρεσβυτέρους ἄχειρας καὶ ἄποδας ἐντεταμένους δὲ τοῖς μορίοις δημιουργοῦσιν, αἰνιττόμενοι τῶν γερόντων ἐλάχιστα δεῖσθαι διὰ τοῦ σώματος ἐνεργούντων, ἐὰν τὸν λόγον ἐνεργόν, ὡς προσήκει, καὶ γόνιμον ἔχωσιν.

ἐκπλήττεται τούτων οὐδ’ ἀναστρέφεται τὴν γνώμην. οὔτε γὰρ ἐπ’ ἐργασίᾳ καὶ χρηματισμῷ προσιτέον τοῖς κοινοῖς, ὡς οἱ περὶ Στρατοκλέα καὶ Δρομοκλείδην ἐπὶ τὸ χρυσοῦν θέρος, τὸ βῆμα [f] μετὰ παιδιᾶς οὕτως ὀνομάζοντες, ἀλλήλους παρεκάλουν· οὔθ’ οἷον ἐπιλήπτους ὑπὸ πάθους ἄφνω γενομένους, ὡς Γάιος Γράκχος ἐπὶ θερμοῖς τοῖς περὶ τὸν ἀδελφὸν ἀτυχήμασιν ἀπωτάτω τῶν κοινῶν τὸν βίον θέμενος, εἶθ’ ὕβρει τινῶν καὶ λοιδορίᾳ πρὸς αὐτὸν ἀναφλεχθεὶς ὑπ’ ὀργῆς, ἐνέπεσε τοῖς κοινοῖς· καὶ ταχὺ μὲν ἐπλήσθη πραγμάτων καὶ δόξης, ζητῶν δὲ παύσασθαι καὶ δεόμενος μεταβολῆς καὶ ἡσυχίας [799] [a] οὐχ εὗρε καταθέσθαι τὴν δύναμιν αὐτοῦ διὰ μέγεθος ἀλλὰ προαπώλετο· τούς τε πρὸς ἅμιλλαν ἢ δόξαν ὥσπερ ὑποκριτὰς εἰς θέατρον ἀναπλάττοντας ἑαυτοὺς ἀνάγκη μετανοεῖν, ἢ δουλεύοντας ὧν ἄρχειν ἀξιοῦσιν ἢ προσκρούοντας οἷς ἀρέσκειν ἐθέλουσιν. ἀλλ’ ὥσπερ εἰς φρέαρ οἶμαι τὴν πολιτείαν τοὺς μὲν ἐμπίπτοντας αὐτομάτως καὶ παραλόγως ταράττεσθαι καὶ μετανοεῖν, τοὺς δὲ καταβαίνοντας ἐκ παρασκευῆς καὶ λογισμοῦ καθ’ ἡσυχίαν χρῆσθαί τε τοῖς πράγμασι μετρίως καὶ πρὸς μηδὲν δυσκολαίνειν, ἅτε δὴ τὸ καλὸν αὐτὸ καὶ μηδὲν ἄλλο τῶν πράξεων ἔχοντας τέλος.

[b] Οὕτω δὴ τὴν προαίρεσιν ἀπερείσαντας ἐν ἑαυτοῖς καὶ ποιήσαντας ἄτρεπτον καὶ δυσμετάθετον, τρέπεσθαι χρὴ πρὸς κατανόησιν τοῦ ἤθους τῶν πολιτῶν, ὃ μάλιστα συγκραθὲν ἐκ πάντων ἐπιφαίνεται καὶ ἰσχύει. τὸ μὲν γὰρ εὐθὺς αὐτὸν ἐπιχειρεῖν ἠθοποιεῖν καὶ μεθαρμόττειν τοῦ δήμου τὴν φύσιν οὐ ῥᾴδιον οὐδ’ ἀσφαλές, ἀλλὰ καὶ χρόνου δεόμενον πολλοῦ καὶ μεγάλης δυνάμεως. δεῖ δ’, ὥσπερ οἶνος ἐν ἀρχῇ μὲν ὑπὸ τῶν ἠθῶν κρατεῖται τοῦ πίνοντος ἡσυχῇ δὲ διαθάλπων καὶ [c] κατακεραννύμενος αὐτὸς ἠθοποιεῖ τὸν πίνοντα καὶ μεθίστησιν, οὕτω τὸν πολιτικόν, ἕως ἂν ἰσχὺν ἀγωγὸν ἐκ δόξης καὶ πίστεως κατασκευάσηται, τοῖς ὑποκειμένοις ἤθεσιν εὐάρμοστον εἶναι καὶ στοχάζεσθαι τούτων, ἐπιστάμενον οἷς χαίρειν ὁ δῆμος καὶ ὑφ’ ὧν ἄγεσθαι πέφυκεν· οἷον ὁ Ἀθηναίων εὐκίνητός ἐστι πρὸς ὀργήν, εὐμετάθετος πρὸς ἔλεον, μᾶλλον ὀξέως ὑπονοεῖν ἢ διδάσκεσθαι καθ’ ἡσυχίαν βουλόμενος· ὥσπερ τῶν ἀνδρῶν τοῖς ἀδόξοις καὶ ταπεινοῖς βοηθεῖν προθυμότερος, οὕτω τῶν λόγων τοὺς παιγνιώδεις καὶ γελοίους ἀσπάζεται καὶ προτιμᾷ· τοῖς μὲν ἐπαινοῦσιν αὐτὸν μάλιστα χαίρει, τοῖς δὲ σκώπτουσιν ἥκιστα δυσχεραίνει· φοβερός ἐστιν [d] ἄχρι τῶν ἀρχόντων, εἶτα φιλάνθρωπος ἄχρι τῶν πολεμίων. ἕτερον ἦθος τοῦ Καρχηδονίων δήμου, πικρόν, σκυθρωπόν, ὑπήκοον τοῖς ἄρχουσι, βαρὺ τοῖς ὑπηκόοις, ἀγεννέστατον ἐν φόβοις, ἀγριώτατον ἐν ὀργαῖς, ἐπίμονον τοῖς γνωσθεῖσι, πρὸς παιδιὰν καὶ χάριν ἀνήδυντον καὶ σκληρόν· οὐκ ἂν οὗτοι, Κλέωνος ἀξιοῦντος αὐτούς, ἐπεὶ τέθυκε καὶ ξένους ἑστιᾶν

μέλλει, τὴν ἐκκλησίαν ὑπερθέσθαι, γελάσαντες ἂν καὶ κροτήσαντες ἀνέστησαν· οὐδ’ Ἀλκιβιάδην ὄρτυγος ἐν τῷ λέγειν διαφυγόντος ἐκ τοῦ ἱματίου, φιλοτίμως συνθηρεύσαντες ἀπέδωκαν [e] ἄν· ἀλλὰ καὶ ἀπέκτειναν ἄν, ὡς ὑβρίζοντας καὶ τρυφῶντας· ὅπου καὶ Ἄννωνα λέοντι χρώμενον σκευοφόρῳ παρὰ τὰς στρατείας αἰτιασάμενοι τυραννικὰ φρονεῖν ἐξήλασαν. οἶμαι δ’ ἂν ἔγωγε μηδὲ Θηβαίους ἀποσχέσθαι γραμμάτων πολεμίων κυρίους γενομένους, ὡς Ἀθηναῖοι Φιλίππου γραμματοφόρους λαβόντες ἐπιστολὴν ἐπιγεγραμμένην Ὀλυμπιάδι κομίζοντας οὐκ ἔλυσαν οὐδ’ ἀπεκάλυψαν ἀπόρρητον ἀνδρὸς ἀποδήμου πρὸς γυναῖκα φιλοφροσύνην· οὐδέ γ’ αὖ πάλιν Ἀθηναίους, Ἐπαμεινώνδου πρὸς τὴν κατηγορίαν ἀπολογεῖσθαι μὴ [f] θέλοντος ἀλλ’ ἀναστάντος ἐκ τοῦ θεάτρου καὶ διὰ τῆς ἐκκλησίας εἰς τὸ γυμνάσιον ἀπιόντος, εὐκόλως ἐνεγκεῖν τὴν ὑπεροψίαν καὶ τὸ φρόνημα τοῦ ἀνδρός· πολλοῦ δ’ ἂν ἔτι καὶ Σπαρτιάτας δεῆσαι τὴν Στρατοκλέους ὕβριν ὑπομεῖναι καὶ βωμολοχίαν, πείσαντος μὲν αὐτοὺς εὐαγγέλια θύειν ὡς νενικηκότας, ἐπεὶ δέ, τῆς ἥττης ἀληθῶς ἀπαγγελθείσης, [800] [a] ἠγανάκτουν, ἐρωτῶντος τὸν δῆμον τί ἠδίκηται, τρεῖς ἡμέρας δι’ αὐτὸν ἡδέως γεγονώς. οἱ μὲν οὖν αὐλικοὶ κόλακες ὥσπερ ὀρνιθοθῆραι μιμούμενοι τῇ φωνῇ καὶ συνεξομοιοῦντες ἑαυτοὺς ὑποδύονται μάλιστα καὶ προσάγουσι δι’ ἀπάτης τοῖς βασιλεῦσι· τῷ δὲ πολιτικῷ μιμεῖσθαι μὲν οὐ προσήκει τοῦ δήμου τὸν τρόπον, ἐπίστασθαι δὲ καὶ χρῆσθαι πρὸς ἕκαστον, οἷς ἁλώσιμός ἐστιν· ἡ γὰρ ἄγνοια τῶν ἠθῶν ἀστοχίας φέρει καὶ διαπτώσεις οὐχ ἥττονας ἐν ταῖς πολιτείαις ἢ ταῖς φιλίαις τῶν βασιλέων.

Τὸ μὲν οὖν τῶν πολιτῶν ἦθος ἰσχύοντα δεῖ καὶ πιστευόμενον ἤδη πειρᾶσθαι ῥυθμίζειν ἀτρέμα [b] πρὸς τὸ βέλτιον ὑπάγοντα καὶ πρᾴως μεταχειριζόμενον· ἐργώδης γὰρ ἡ μετάθεσις τῶν πολλῶν. αὐτὸς δ’ ὥσπερ ἐν θεάτρῳ τὸ λοιπὸν ἀναπεπταμένῳ βιωσόμενος, ἐξάσκει καὶ κατακόσμει τὸν τρόπον· εἰ δὲ μὴ ῥᾴδιον ἀπαλλάξαι παντάπασι τῆς ψυχῆς τὴν κακίαν, ὅσα γοῦν ἐπανθεῖ μάλιστα καὶ προπίπτει τῶν ἁμαρτημάτων ἀφαιρῶν καὶ κολούων. ἀκούεις γάρ, ὅτι καὶ Θεμιστοκλῆς ἅπτεσθαι τῆς πολιτείας διανοούμενος ἀπέστησε τῶν πότων καὶ τῶν κώμων ἑαυτόν, ἀγρυπνῶν δὲ καὶ νήφων καὶ πεφροντικὼς ἔλεγε πρὸς τοὺς συνήθεις, ὡς οὐκ ἐᾷ καθεύδειν αὐτὸν τὸ Μιλτιάδου τρόπαιον· [c] Περικλῆς δὲ καὶ περὶ τὸ σῶμα καὶ τὴν δίαιταν ἐξήλλαξεν αὑτὸν ἠρέμα βαδίζειν καὶ πρᾴως διαλέγεσθαι καὶ τὸ πρόσωπον ἀεὶ συνεστηκὸς ἐπιδείκνυσθαι καὶ τὴν χεῖρα συνέχειν ἐντὸς τῆς περιβολῆς καὶ μίαν ὁδὸν πορεύεσθαι τὴν ἐπὶ τὸ βῆμα καὶ τὸ βουλευτήριον. οὐ γὰρ εὐμεταχείριστον οὐδὲ ῥᾴδιον ἁλῶναι τὴν σωτήριον ἅλωσιν ὑπὸ τοῦ τυχόντος ὄχλος, ἀλλ’ ἀγαπητόν, εἰ μήτ’ ὄψει μήτε φωνῇ πτυρόμενος ὥσπερ

θηρίον ὕποπτον καὶ ποικίλον ἐνδέχοιτο τὴν ἐπιστασίαν. ᾧ τοίνυν οὐδὲ [d] τούτων ἐπιμελητέον ἐστὶ παρέργως, ἧπου τῶν περὶ τὸν βίον καὶ τὸ ἦθος ἀμελητέον ὅπως ᾖ ψόγου καθαρὰ καὶ διαβολῆς ἁπάσης; οὐ γὰρ ὧν λέγουσιν ἐν κοινῷ καὶ πράττουσιν οἱ πολιτευόμενοι μόνον εὐθύνας διδόασιν, ἀλλὰ καὶ δεῖπνον αὐτῶν πολυπραγμονεῖται καὶ κοίτη καὶ γάμος καὶ παιδιὰ καὶ σπουδὴ πᾶσα. τί γὰρ δεῖ λέγειν Ἀλκιβιάδην, ὃν περὶ τὰ κοινὰ πάντων ἐνεργότατον ὄντα καὶ στρατηγὸν ἀήττητον ἀπώλεσεν ἡ περὶ τὴν δίαιταν ἀναγωγία καὶ θρασύτης, καὶ τῶν ἄλλων ἀγαθῶν αὐτοῦ τὴν πόλιν ἀνόνητον ἐποίησε διὰ τὴν πολυτέλειαν καὶ τὴν ἀκολασίαν; ὅπου καὶ Κίμωνος οὗτοι [e] τὸν οἶνον, καὶ Ῥωμαῖοι Σκιπίωνος οὐδὲν ἄλλο ἔχοντες λέγειν τὸν ὕπνον ᾐτιῶντο· Πομπήιον δὲ Μάγνον ἐλοιδόρουν οἱ ἐχθροί, παραφυλάξαντες ἑνὶ δακτύλῳ τὴν κεφαλὴν κνώμενον. ὡς γὰρ ἐν προσώπῳ φακὸς καὶ ἀκροχορδὼν δυσχεραίνεται μᾶλλον ἢ στίγματα καὶ κολοβότητες καὶ οὐλαὶ τοῦ λοιποῦ σώματος, οὕτω τὰ μικρὰ φαίνεται μεγάλα τῶν ἁμαρτημάτων ἐν ἡγεμονικοῖς καὶ πολιτικοῖς ὁρώμενα βίοις διὰ δόξαν, ἣν οἱ πολλοὶ περὶ ἀρχῆς καὶ πολιτείας ἔχουσιν, ὡς πράγματος μεγάλου καὶ καθαρεύειν ἀξίου πάσης ἀτοπίας καὶ πλημμελείας.

[f] εἰκότως οὖν Λιούιος Δροῦσος ὁ δημαγωγὸς εὐδοκίμησεν ὅτι, τῆς οἰκίας αὐτοῦ πολλὰ μέρη κάτοπτα τοῖς γειτνιῶσιν ἐχούσης καὶ τῶν τεχνιτῶν τινος ὑπισχνουμένου ταῦτ᾽ ἀποστρέψειν καὶ μεταθήσειν ἀπὸ πέντε μόνων ταλάντων, “δέκα,” ἔφη, “λαβὼν ὅλην μου ποίησον καταφανῆ τὴν οἰκίαν, ἵνα πάντες ὁρῶσιν οἱ πολῖται πῶς διαιτῶμαι”· καὶ γὰρ ἦν ἀνὴρ σώφρων καὶ κόσμιος. ἴσως δὲ ταύτης οὐδὲν ἔδει τῆς καταφανείας αὐτῷ· διορῶσι γὰρ οἱ πολλοὶ καὶ τὰ πάνυ βαθέως περιαμπέχεσθαι δοκοῦντα τῶν πολιτευομένων [801] [a] ἤθη καὶ βουλεύματα καὶ πράξεις καὶ βίους, οὐχ ἧττον ἀπὸ τῶν ἰδίων ἢ τῶν δημοσίων ἐπιτηδευμάτων τὸν μὲν φιλοῦντες καὶ θαυμάζοντες τὸν δὲ δυσχεραίνοντες καὶ καταφρονοῦντες.

Τί οὖν δή; οὐχὶ καὶ τοῖς ἀσελγῶς καὶ τεθρυμμένως ζῶσιν αἱ πόλεις χρῶνται; καὶ γὰρ αἱ κιττῶσαι λίθους καὶ οἱ ναυτιῶντες ἁλμυρίδας καὶ τὰ τοιαῦτα βρώματα διώκουσι πολλάκις, εἶτ᾽ ὀλίγον ὕστερον ἐξέπτυσαν καὶ ἀπεστράφησαν· οὕτω καὶ οἱ δῆμοι διὰ τρυφὴν καὶ ὕβριν ἢ βελτιόνων ἀπορίᾳ δημαγωγῶν [b] χρῶνται τοῖς ἐπιτυχοῦσι βδελυττόμενοι καὶ καταφρονοῦντες, εἶτα χαίρουσι τοιούτων εἰς αὐτοὺς λεγομένων, οἷα Πλάτων ὁ κωμικὸς τὸν Δῆμον αὐτὸν λέγοντα ποιεῖ·

Οὐ μὴν ἀλλὰ καὶ σκῶμμα καὶ γελοῖον ἔστιν ὅτε γίγνεται πολιτικοῦ λόγου μέρος, εἰ μὴ πρὸς [c] ὕβριν ἢ βωμολοχίαν, ἀλλὰ χρησίμως ἐπιπλήττοντος ἢ διασύροντος λέγοιτο. μάλιστα δ' εὐδοκιμεῖ τὰ τοιαῦτα περὶ τὰς ἀμείψεις καὶ τὰς ἀπαντήσεις· τὸ γὰρ ἐκ παρασκευῆς καὶ κατάρχοντα γελωτοποιοῦντος ἐστι καὶ δόξα κακοηθείας πρόσεστιν, ὡς προσῆν τοῖς Κικέρωνος σκώμμασι καὶ τοῖς Κάτωνος τοῦ πρεσβυτέρου καὶ Εὐξιθέου τοῦ Ἀριστοτέλους συνήθους· οὗτοι γὰρ ἔσκωπτον ἀρχόμενοι πολλάκις. ἀμυνομένῳ δὲ συγγνώμην ἅμα καὶ χάριν ὁ καιρὸς δίδωσι, καθάπερ Δημοσθένει πρὸς τὸν αἰτίαν ἔχοντα [d] κλέπτειν χλευάζοντα δ' αὐτοῦ τὰς νυκτογραφίας, "οἶδ' ὅτι σε λυπῶ λύχνον καίων"· καὶ πρὸς Δημάδην βοῶντα Δημοσθένης ἐμὲ

Φωκίωνος δὲ καὶ τὴν βραχυλογίαν ἐθαύμαζον· ὁ γοῦν Πολύευκτος ἀπεφαίνετο ῥήτορα μέγιστον εἶναι Δημοσθένην, δεινότατον δ' εἰπεῖν Φωκίωνα· πλεῖστον γὰρ αὐτοῦ τὸν λόγον ἐν λέξει βραχυτάτῃ νοῦν περιέχειν. καὶ ὁ Δημοσθένης τῶν ἄλλων καταφρονῶν εἰώθει λέγειν, ἀνισταμένου Φωκίωνος, "ἡ τῶν ἐμῶν λόγων κοπὶς ἀνίσταται."

[f] Μάλιστα μὲν οὖν ἐσκεμμένῳ πειρῶ καὶ μὴ διακένῳ τῷ λόγῳ χρῆσθαι πρὸς τοὺς πολλοὺς μετ' ἀσφαλείας, εἰδὼς ὅτι καὶ Περικλῆς ἐκεῖνος εὔχετο πρὸ τοῦ δημηγορεῖν μηδὲ ῥῆμα μηδὲν ἀλλότριον τῶν πραγμάτων ἐπελθεῖν αὐτῷ. δεῖ δ' ὅμως καὶ πρὸς τὰς ἀπαντήσεις τὸν λόγον εὔστροφον ἔχειν [804] [a] καὶ γεγυμνασμένον· ὀξεῖς γὰρ οἱ καιροὶ καὶ πολλὰ φέροντες ἐν ταῖς πολιτείαις αἰφνίδια. διὸ καὶ Δημοσθένης ἠλαττοῦτο πολλῶν, ὥς φασι, παρὰ τὸν καιρὸν ἀναδυόμενος καὶ κατοκνῶν· Ἀλκιβιάδην δ' ὁ Θεόφραστος ἱστορεῖ, μὴ μόνον ἃ δεῖ λέγειν ἀλλὰ καὶ ὡς δεῖ βουλευόμενον, πολλάκις ἐν αὐτῷ τῷ λέγειν ζητοῦντα καὶ συντιθέντα τὰς λέξεις ἐνίσχεσθαι καὶ διαπίπτειν. ὁ δ' ὑπὸ τῶν πραγμάτων αὐτῶν ἀνιστάμενος καὶ ὑπὸ τῶν καιρῶν ἐκπλήττει μάλιστα καὶ προσάγεται τοὺς πολλοὺς καὶ μετατίθησιν· οἷον ὁ Βυζάντιος Λέων ἧκε δή ποτε τοῖς Ἀθηναίοις στασιάζουσι διαλεξόμενος· ὀφθεὶς δὲ [b] μικρὸς καὶ γελασθεὶς "τί δ'" εἶπεν "εἰ τὴν γυναῖκά μου θεάσαισθε μόλις ἐξικνουμένην πρὸς τὸ γόνυ;" πλείων οὖν ἐγένετο γέλως· "ἀλλ' ἡμᾶς" ἔφη "μικροὺς οὕτως ὄντας, ὅταν διαφερώμεθα πρὸς ἀλλήλους, ἡ Βυζαντίων πόλις οὐ χωρεῖ." Πυθέας δ' ὁ ῥήτωρ, ὅτε πρὸς τὰς Ἀλεξάνδρου τιμὰς ἀντέλεγεν, εἰπόντος τινὸς "οὕτω σὺ νέος ὢν περὶ πραγμάτων τολμᾷς λέγειν τηλικούτων;" "καὶ μὴν Ἀλέξανδρος" εἶπεν "ἐμοῦ νεώτερός ἐστιν, ὃν ψηφίζεσθε θεὸν εἶναι."

Δεῖ δὲ καὶ φωνῆς εὐεξίᾳ καὶ πνεύματος ῥώμῃ πρὸς οὐ φαῦλον ἀλλὰ πάμμαχον ἀγῶνα τὸν τῆς [c] πολιτείας ἠθληκότα κομίζειν τὸν λόγον, ὡς μὴ πολλάκις ἀπαγορεύοντα καὶ σβεννύμενον ὑπερβάλλῃ τις αὐτὸν

Κάτων δέ, περὶ ὧν οὐκ ἤλπιζε πείσειν τῷ προκατέχεσθαι χάρισι καὶ σπουδαῖς τὸν δῆμον ἢ τὴν βουλήν, ἔλεγε τὴν ἡμέραν ὅλην ἀναστὰς καὶ τὸν καιρὸν οὕτως ἐξέκρουε. περὶ μὲν οὖν τῆς τοῦ λόγου παρασκευῆς καὶ χρείας ἱκανὰ ταῦτα τῷ δυναμένῳ τὸ ἀκόλουθον προσεξευρίσκειν.

Εἰσβολαὶ δὲ καὶ ὁδοὶ δύο τῆς πολιτείας εἰσίν, ἡ μὲν ταχεῖα καὶ λαμπρὰ πρὸς δόξαν οὐ [d] μὴν ἀκίνδυνος, ἡ δὲ πεζοτέρα καὶ βραδυτέρα τὸ δ' ἀσφαλὲς ἔχουσα μᾶλλον. οἱ μὲν γὰρ εὐθὺς ὥσπερ ἐξ ἄκρας πελαγίου πράξεως ἐπιφανοῦς καὶ μεγάλης ἐχούσης δὲ τόλμαν ἄραντες ἀφῆκαν ἐπὶ τὴν πολιτείαν, ἡγούμενοι λέγειν ὀρθῶς τὸν Πίνδαρον ὡς

Πομπήιος δὲ καὶ θριαμβεύειν ἠξίου μήπω παριὼν εἰς σύγκλητον· οὐκ ἐῶντος δὲ Σύλλα, "πλείονες" ἔφη "τὸν ἥλιον ἀνατέλλοντα προσκυνοῦσιν ἢ δυόμενον"· καὶ Σύλλας ὑπεῖξε τοῦτ' ἀκούσας. καὶ Σκιπίωνα δὲ Κορνήλιον οὐκ ἀφ' ἧς ἔτυχεν ἀρχῆς ὁ Ῥωμαίων δῆμος ἀγορανομίαν μετερχόμενον ἐξαίφνης ὕπατον ἀπέδειξε [805] [a] παρὰ τὸν νόμον, ἀλλὰ θαυμάσας αὐτοῦ μειρακίου μὲν ὄντος τὴν ἐν Ἰβηρίᾳ μονομαχίαν καὶ νίκην, μικρὸν δ' ὕστερον τὰ πρὸς Καρχηδόνι χιλιαρχοῦντος ἔργα, περὶ ὧν καὶ Κάτων ὁ πρεσβύτερος ἀνεφώνησεν

νῦν οὖν ὅτε τὰ πράγματα τῶν πόλεων οὐκ ἔχει πολέμων ἡγεμονίας οὐδὲ τυραννίδων καταλύσεις οὐδὲ συμμαχικὰς πράξεις, τίν' ἄν τις ἀρχὴν ἐπιφανοῦς λάβοι καὶ λαμπρᾶς πολιτείας; αἱ δίκαι τε λείπονται αἱ δημόσιαι καὶ πρεσβεῖαι πρὸς αὐτοκράτορα [b] ἀνδρὸς διαπύρου καὶ θάρσος ἅμα καὶ νοῦν

ἔχοντος δεόμεναι. πολλὰ δ’ ἔστι καὶ τῶν παρειμένων ἐν ταῖς πόλεσι καλῶν ἀναλαμβάνοντα καὶ τῶν ἐξ ἔθους φαύλου παραδυομένων ἐπ’ αἰσχύνῃ τινὶ τῆς πόλεως ἢ βλάβῃ μεθιστάντα πρὸς αὑτὸν ἐπιστρέφειν. ἤδη δὲ καὶ δίκη μεγάλη καλῶς δικασθεῖσα καὶ πίστις ἐν συνηγορίᾳ πρὸς ἀντίδικον ἰσχυρὸν ὑπὲρ ἀσθενοῦς καὶ παρρησία πρὸς ἡγεμόνα μοχθηρὸν ὑπὲρ τοῦ δικαίου κατέστησεν ἐνίους εἰς ἀρχὴν πολιτείας ἔνδοξον. οὐκ ὀλίγοι δὲ καὶ δι’ ἔχθρας ηὐξήθησαν, ἐπιχειρήσαντες ἀνθρώποις ἐπίφθονον ἔχουσιν ἀξίωμα καὶ φοβερόν· εὐθὺς γὰρ ἡ [c] τοῦ καταλυθέντος ἰσχὺς τῷ κρατήσαντι μετὰ βελτίονος δόξης ὑπάρχει. τὸ μὲν γὰρ ἀνδρὶ χρηστῷ καὶ δι’ ἀρετὴν πρωτεύοντι προσμάχεσθαι κατὰ φθόνον, ὡς Περικλεῖ Σιμμίας, Ἀλκμέων δὲ Θεμιστοκλεῖ, Πομπηίῳ δὲ Κλώδιος, Ἐπαμεινώνδᾳ δὲ Μενεκλείδης ὁ ῥήτωρ, οὔτε πρὸς δόξαν καλὸν οὔτ’ ἄλλως συμφέρον· ὅταν γὰρ ἐξαμαρτόντες οἱ πολλοὶ πρὸς ἄνδρα χρηστόν, εἶθ’ ὃ γίγνεται ταχέως ἐπ’ ὀργῇ μετανοήσωσι, πρὸς τοῦτο τὴν ῥᾴστην ἀπολογίαν δικαιοτάτην νομίζουσιν, ἐπιτρῖψαι τὸν ἀναπείσαντα καὶ καταρξάμενον. τὸ μέντοι φαῦλον ἄνθρωπον, ἀπονοίᾳ δὲ καὶ δεινότητι πεποιημένον [d] ὑφ’ αὑτῷ τὴν πόλιν, οἷος ἦν Κλέων Ἀθήνησι καὶ Κλεοφῶν, ἐπαναστάντα καθελεῖν καὶ ταπεινῶσαι λαμπρὰν ποιεῖται τὴν πάροδον ὥσπερ δράματος τῆς πολιτείας. οὐκ ἀγνοῶ δ’ ὅτι καὶ βουλήν τινες ἐπαχθῆ καὶ ὀλιγαρχικὴν κολούσαντες, ὥσπερ Ἐφιάλτης Ἀθήνησι καὶ Φορμίων παρ’ Ἠλείοις, δύναμιν ἅμα καὶ δόξαν ἔσχον· ἀλλὰ μέγας ἀρχομένῳ πολιτείας οὗτος ὁ κίνδυνός ἐστι. διὸ καὶ βελτίονα Σόλων ἔλαβεν ἀρχήν, διεστώσης ἐς τρία μέρη τῆς [e] πόλεως, τὸ τῶν Διακρίων λεγομένων καὶ τὸ τῶν Πεδιέων καὶ τὸ τῶν Παραλίων· οὐδενὶ γὰρ ἐμμίξας ἑαυτόν, ἀλλὰ κοινὸς ὢν πᾶσι καὶ πάντα λέγων καὶ πράττων πρὸς ὁμόνοιαν ᾑρέθη νομοθέτης ἐπὶ τὰς διαλύσεις καὶ κατέστησεν οὕτω τὴν ἀρχήν. ἡ μὲν οὖν ἐπιφανεστέρα πάροδος εἰς τὴν πολιτείαν τοσαύτας ἔχει καὶ τοιαύτας ἀρχάς.

Τὴν δ’ ἀσφαλῆ καὶ σχολαίαν εἵλοντο πολλοὶ τῶν ἐνδόξων, Ἀριστείδης, Φωκίων, Παμμένης ὁ Θηβαῖος, Λεύκολλος ἐν Ῥώμῃ, Κάτων, Ἀγησίλαος ὁ Λακεδαιμόνιος· τούτων γὰρ ἕκαστος, ὥσπερ οἱ κιττοὶ τοῖς ἰσχύουσι τῶν δένδρων περιπλεκόμενοι [f] συνεξανίστανται, προσδραμὼν ἀνδρὶ πρεσβυτέρῳ νέος ἔτι καὶ ἄδοξος ἐνδόξῳ, κατὰ μικρὸν αἰρόμενος ὑπὸ τῆς περὶ ἐκεῖνον δυνάμεως καὶ συναυξανόμενος ἤρεισε καὶ κατερρίζωσεν ἑαυτὸν εἰς τὴν πολιτείαν. Ἀριστείδην μὲν γὰρ ηὔξησε Κλεισθένης καὶ Φωκίωνα Χαβρίας, Λεύκολλον δὲ Σύλλας, Κάτωνα δὲ Μάξιμος, Ἐπαμεινώνδας δὲ Παμμένη, καὶ Λύσανδρος Ἀγησίλαον· ἀλλ’ οὗτος μὲν ὑπὸ φιλοτιμίας ἀκαίρου καὶ ζηλοτυπίας διὰ δόξαν ὑβρίσας ἀπέρριψε ταχὺ τὸν καθηγεμόνα τῶν πράξεων· οἱ δ’ ἄλλοι καλῶς καὶ πολιτικῶς καὶ ἄχρι τέλους ἐθεράπευσαν

[806] [a] καὶ συνεπεκόσμησαν, ὥσπερ τὰ πρὸς ἥλιον ὑφιστάμενα σώματα, τὸ λαμπρῦνον αὐτοὺς πάλιν ἀφ' ἑαυτῶν αὔξοντες καὶ συνεκφωτίζοντες. οἱ γοῦν Σκιπίωνι βασκαίνοντες ὑποκριτὴν αὐτὸν ἀπεφαίνοντο τῶν πράξεων ποιητὴν δὲ Λαίλιον τὸν ἑταῖρον, ὁ δὲ Λαίλιος ὑπ' οὐδενὸς ἐπήρθη τούτων ἀλλ' ἀεὶ διετέλεσε τῇ Σκιπίωνος ἀρετῇ καὶ δόξῃ συμφιλοτιμούμενος. Ἀφράνιος δὲ Πομπηίου φίλος, εἰ καὶ πάνυ ταπεινὸς ἦν, ὅμως ἐπίδοξος ὢν ὕπατος αἱρεθήσεσθαι, [b] Πομπηίου σπουδάζοντος ἑτέροις, ἀπέστη τῆς φιλοτιμίας εἰπὼν οὐκ ἂν οὕτω λαμπρὸν αὐτῷ γενέσθαι τὸ τυχεῖν ὑπατείας, ὡς ἀνιαρὸν ἅμα καὶ δυσχερές, εἰ Πομπηίου μὴ θέλοντος μηδὲ συμπράττοντος· ἐνιαυτὸν οὖν ἀνασχόμενος μόνον οὔτε τῆς ἀρχῆς ἀπέτυχε καὶ τὴν φιλίαν διετήρησε. τοῖς δ' οὕτω χειραγωγουμένοις ὑφ' ἑτέρων ἐπὶ δόξαν ἅμα συμβαίνει χαρίζεσθαί τε πολλοῖς, κἄν τι συμβαίνῃ δύσκολον, ἧττον ἀπεχθάνεσθαι· διὸ καὶ Φίλιππος Ἀλεξάνδρῳ παρῄνει κτᾶσθαι φίλους, ἕως ἔξεστι, βασιλεύοντος ἑτέρου πρὸς χάριν ὁμιλοῦντα καὶ φιλοφρονούμενον.

Αἱρεῖσθαι δὲ δεῖ τὸν ἀρχόμενον πολιτείας [c] ἡγεμόνα μὴ ἁπλῶς τὸν ἔνδοξον καὶ δυνατόν, ἀλλὰ καὶ τὸν δι' ἀρετὴν τοιοῦτον. ὡς γὰρ οὐ πᾶν δένδρον ἐθέλει προσίεσθαι καὶ φέρειν περιπλεκομένην τὴν ἄμπελον ἀλλ' ἔνια καταπνίγει καὶ διαφθείρει τὴν αὔξησιν αὐτῆς, οὕτως ἐν ταῖς πόλεσιν οἱ μὴ φιλόκαλοι, φιλότιμοι δὲ καὶ φίλαρχοι μόνον, οὐ προΐενται τοῖς νέοις πράξεων ἀφορμάς, ἀλλ' ὥσπερ τροφὴν ἑαυτῶν τὴν δόξαν ἀφαιρουμένους πιέζουσιν ὑπὸ φθόνου καὶ καταμαραίνουσιν· ὡς Μάριος ἐν Λιβύῃ καὶ πάλιν ἐν Γαλατίᾳ πολλὰ διὰ Σύλλα κατορθώσας ἐπαύσατο χρώμενος, ἀχθεσθεὶς μὲν [d] αὐτοῦ τῇ αὐξήσει, πρόφασιν δὲ τὴν σφραγῖδα ποιησάμενος ἀπέρριψεν· ὁ γὰρ Σύλλας, ὅτε τῷ Μαρίῳ στρατηγοῦντι συνῆν ταμιεύων ἐν Λιβύῃ, πεμφθεὶς ὑπ' αὐτοῦ πρὸς Βῶκχον ἤγαγεν Ἰογόρθαν αἰχμάλωτον· οἷα δὲ νέος φιλότιμος, ἄρτι δόξης γεγευμένος, οὐκ ἤνεγκε μετρίως τὸ εὐτύχημα, γλυψάμενος δ' εἰκόνα τῆς πράξεως ἐν σφραγῖδι τὸν Ἰογόρθαν αὐτῷ παραδιδόμενον ἐφόρει· καὶ τοῦτ' ἐγκαλῶν ὁ Μάριος ἀπέρριψεν αὐτόν· ὁ δὲ πρὸς Κάτουλον καὶ Μέτελλον ἄνδρας ἀγαθοὺς καὶ Μαρίῳ διαφόρους μεταστὰς ταχὺ τὸν Μάριον ἐξήλασε καὶ κατέλυσε τῷ ἐμφυλίῳ πολέμῳ μικροῦ [e] δεήσαντα τὴν Ῥώμην ἀνατρέψαι. Σύλλας μέντοι καὶ Πομπήιον ἐκ νέου μὲν ἦρεν ὑπεξανιστάμενος αὐτῷ καὶ τὴν κεφαλὴν ἀποκαλυπτόμενος ἐπιόντι, καὶ τοῖς ἄλλοις νέοις πράξεων ἡγεμονικῶν μεταδιδοὺς ἀφορμάς, ἐνίους δὲ καὶ παροξύνων ἄκοντας, ἐνέπλησε φιλοτιμίας καὶ ζήλου τὰ στρατεύματα· καὶ πάντων ἐκράτησε βουλόμενος εἶναι μὴ μόνος ἀλλὰ πρῶτος καὶ μέγιστος ἐν πολλοῖς καὶ μεγάλοις. τούτων οὖν ἔχεσθαι δεῖ τῶν ἀνδρῶν καὶ τούτοις ἐμφύεσθαι, μή, καθάπερ ὁ Αἰσώπου βασιλίσκος [f] ἐπὶ τῶν ὤμων

τοῦ ἀετοῦ κομισθεὶς αἰφνίδιον ἐξέπτη καὶ προέφθασεν, οὕτω τὴν ἐκείνων δόξαν ὑφαρπάζοντας αὐτοὺς ἀλλὰ παρ' ἐκείνων ἅμα μετ' εὐνοίας καὶ φιλίας λαμβάνοντας, ὡς οὐδ' ἄρξαι καλῶς τοὺς μὴ πρότερον ὀρθῶς δουλεύσαντας, ᾗ φησιν ὁ Πλάτων, δυναμένους.

Ἕπεται δὲ τούτοις ἡ περὶ φίλων κρίσις, μήτε τὴν Θεμιστοκλέους ἐπαινοῦσα μήτε τὴν Κλέωνος διάνοιαν. ὁ μὲν γὰρ Κλέων, ὅτε πρῶτον ἔγνω τῆς πολιτείας ἅπτεσθαι, τοὺς φίλους συναγαγὼν εἰς ταὐτὸ διελύσατο τὴν φιλίαν πρὸς αὐτούς, ὡς πολλὰ τῆς ὀρθῆς καὶ δικαίας προαιρέσεως μαλάσσουσαν ἐν τῇ πολιτείᾳ καὶ παράγουσαν· ἄμεινον δ' ἂν ἐποίησε τὴν φιλοπλουτίαν ἐκβαλὼν [807] [a] τῆς ψυχῆς καὶ τὴν φιλονεικίαν καὶ φθόνου καὶ κακοηθείας καθήρας αὑτόν· οὐ γὰρ ἀφίλων αἱ πόλεις ἀνδρῶν καὶ ἀνεταίρων ἀλλὰ χρηστῶν καὶ σωφρόνων δέονται· νυνὶ δὲ τοὺς μὲν φίλους ἀπήλασεν,

ἑκατὸν δὲ κύκλῳ κεφαλαὶ κολάκων οἰμωξομένων ἐλιχμῶντο

περὶ αὐτόν, ὡς οἱ κωμικοὶ λέγουσι· καὶ τραχὺς ὢν πρὸς τοὺς ἐπιεικεῖς καὶ βαρὺς αὖθις ὑπέβαλλε τοῖς πολλοῖς πρὸς χάριν ἑαυτόν,

Τιμησίας δ’ ὁ Κλαζομένιος τὰ μὲν ἄλλα ἦν περὶ τὴν πόλιν ἀνὴρ ἀγαθός, τῷ δὲ πάντα πράσσειν δι’ ἑαυτοῦ φθονούμενος ἠγνόει καὶ μισούμενος, ἕως αὐτῷ συνέβη τι τοιοῦτον· ἔτυχον ἐν ὁδῷ παῖδες ἐκ λάκκου τινὸς ἀστράγαλον ἐκκόπτοντες, ἐκείνου παριόντος· ὧν οἱ μὲν ἔφασκον μένειν, ὁ δὲ πατάξας “οὕτως,” εἶπεν, “ἐκκόψαιμι Τιμησίου τὸν ἐγκέφαλον, ὡς οὗτος ἐκκέκοπται.” τοῦθ’ ὁ Τιμησίας ἀκούσας καὶ συνεὶς τὸν διήκοντα διὰ [b] πάντων αὐτοῦ φθόνον, ἀναστρέψας ἔφρασε τὸ πρᾶγμα τῇ γυναικί, καὶ κελεύσας ἕπεσθαι συνεσκευασμένην εὐθὺς ἀπὸ τῶν θυρῶν ᾤχετ’ ἀπιὼν ἐκ τῆς πόλεως. ἔοικε δὲ καὶ Θεμιστοκλῆς, τοιούτου τινὸς ἀπαντῶντος αὐτῷ παρὰ τῶν Ἀθηναίων, εἰπεῖν “τί, ὦ μακάριοι, κοπιᾶτε πολλάκις εὖ πάσχοντες;”

Τῶν δὲ τοιούτων τὰ μὲν ὀρθῶς τὰ δ’ οὐκ εὖ λέλεκται. τῇ μὲν γὰρ εὐνοίᾳ καὶ κηδεμονίᾳ δεῖ μηδενὸς ἀφεστάναι τῶν κοινῶν, ἀλλὰ πᾶσι προσέχειν καὶ γιγνώσκειν ἕκαστα, μηδ’ ὥσπερ ἐν [c] πλοίῳ σκεῦος ἱερὸν ἀποκεῖσθαι τὰς

Περικλῆς δὲ καὶ πρὸς Κίμωνα διενείματο τὴν δύναμιν, αὐτὸς μὲν ἄρχειν ἐν ἄστει, τὸν δὲ πληρώσαντα τὰς ναῦς τοῖς βαρβάροις πολεμεῖν· ἦν γὰρ ὁ μὲν πρὸς πολιτείαν ὁ δὲ πρὸς πόλεμον εὐφυέστερος. ἐπαινοῦσι δὲ καὶ τὸν Ἀναφλύστιον Εὔβουλον, ὅτι πίστιν ἔχων ἐν τοῖς μάλιστα καὶ δύναμιν οὐδὲν τῶν Ἑλληνικῶν ἔπραξεν οὐδ’ ἐπὶ στρατηγίαν ἦλθεν, ἀλλ’ ἐπὶ τὰ χρήματα τάξας ἑαυτὸν ηὔξησε τὰς κοινὰς προσόδους καὶ μεγάλα τὴν πόλιν ἀπὸ τούτων ὠφέλησεν. Ἰφικράτης δὲ καὶ μελέτας λόγων ποιούμενος ἐν οἴκῳ πολλῶν [813] [a] παρόντων, ἐχλευάζετο· καὶ γὰρ εἰ λογεὺς ἀγαθὸς ἀλλὰ μὴ φαῦλος ἦν, ἔδει τὴν ἐν τοῖς ὅπλοις δόξαν ἀγαπῶντα τῆς σχολῆς ἐξίστασθαι τοῖς σοφισταῖς.

Ἐπεὶ δὲ παντὶ δήμῳ τὸ κακόηθες καὶ φιλαίτιον ἔνεστι πρὸς τοὺς πολιτευομένους καὶ πολλὰ τῶν χρησίμων, ἂν μὴ στάσιν ἔχῃ μηδ’ ἀντιλογίαν, ὑπονοοῦσι πράττεσθαι συνωμοτικῶς, καὶ τοῦτο διαβάλλει μάλιστα τὰς ἑταιρείας καὶ φιλίας, ἀληθινὴν μὲν ἔχθραν ἢ διαφορὰν οὐδεμίαν ἑαυτοῖς

Φολεγάνδριος ἢ Σικινήτης,

[814] [a] ἀντί γ' Ἀθηναίου πατρίδ' ἀμειψάμενος.

Τὰ μὲν γὰρ μικρὰ παιδία τῶν πατέρων ὁρῶντες ἐπιχειροῦντα τὰς κρηπῖδας ὑποδεῖσθαι καὶ τοὺς στεφάνους περιτίθεσθαι μετὰ παιδιᾶς γελῶμεν, οἱ δ' ἄρχοντες ἐν ταῖς πόλεσιν ἀνοήτως τὰ τῶν προγόνων ἔργα καὶ φρονήματα καὶ πράξεις ἀσυμμέτρους τοῖς παροῦσι καιροῖς καὶ πράγμασιν οὔσας μιμεῖσθαι κελεύοντες ἐξαίρουσι τὰ πλήθη, γέλωτά τε ποιοῦντες οὐκέτι γέλωτος ἄξια πάσχουσιν, ἂν μὴ πάνυ καταφρονηθῶσι. πολλὰ γὰρ ἔστιν ἄλλα τῶν πρότερον [b] Ἑλλήνων διεξιόντα τοῖς νῦν ἠθοποιεῖν καὶ σωφρονίζειν, ὡς Ἀθήνησιν ὑπομιμνήσκοντα μὴ τῶν πολεμικῶν, ἀλλ' οἷόν ἐστι τὸ ψήφισμα τὸ τῆς ἀμνηστίας ἐπὶ τοῖς τριάκοντα· καὶ τὸ ζημιῶσαι Φρύνιχον τραγῳδίᾳ διδάξαντα τὴν Μιλήτου ἅλωσιν· καὶ ὅτι, Θήβας Κασάνδρου κτίζοντος, ἐστεφανηφόρησαν· τὸν δ' ἐν Ἄργει πυθόμενοι σκυταλισμόν, ἐν ᾧ πεντακοσίους καὶ χιλίους ἀνῃρήκεσαν ἐξ αὑτῶν οἱ Ἀργεῖοι, περιενεγκεῖν καθάρσιον περὶ τὴν ἐκκλησίαν ἐκέλευσαν· ἐν δὲ τοῖς Ἁρπαλείοις τὰς οἰκίας ἐρευνῶντες μόνην τὴν τοῦ γεγαμηκότος νεωστὶ παρῆλθον. ταῦτα γὰρ καὶ νῦν ἔξεστι ζηλοῦντας [c] ἐξομοιοῦσθαι τοῖς προγόνοις· τὸν δὲ Μαραθῶνα καὶ τὸν Εὐρυμέδοντα καὶ τὰς Πλαταιάς, καὶ ὅσα τῶν παραδειγμάτων οἰδεῖν ποιεῖ καὶ φρυάττεσθαι διακενῆς τοὺς πολλούς, ἀπολιπόντας ἐν ταῖς σχολαῖς τῶν σοφιστῶν.

Οὐ μόνον δὲ δεῖ παρέχειν αὑτόν τε καὶ τὴν πατρίδα πρὸς τοὺς ἡγεμόνας ἀναίτιον, ἀλλὰ καὶ φίλον ἔχειν ἀεί τινα τῶν ἄνω δυνατωτάτων, ὥσπερ ἕρμα τῆς πολιτείας βέβαιον· αὐτοὶ γάρ εἰσι Ῥωμαῖοι πρὸς τὰς πολιτικὰς σπουδὰς προθυμότατοι τοῖς φίλοις· καὶ καρπὸν ἐκ φιλίας ἡγεμονικῆς λαμβάνοντας, οἷον ἔλαβε Πολύβιος καὶ Παναίτιος τῇ [d] Σκιπίωνος εὐνοίᾳ πρὸς αὐτοὺς μεγάλα τὰς πατρίδας ὠφελήσαντες, εἰς εὐδαιμονίαν δημοσίαν ἐξενέγκασθαι καλόν. Ἄρειόν τε Καῖσαρ, ὅτε τὴν Ἀλεξάνδρειαν εἷλε, διὰ χειρὸς ἔχων καὶ μόνῳ προσομιλῶν τῶν συνήθων συνεισήλασεν, εἶτα τοῖς Ἀλεξανδρεῦσι τὰ ἔσχατα προσδοκῶσι καὶ δεομένοις ἔφη διαλλάττεσθαι διά τε τὸ μέγεθος τῆς πόλεως καὶ διὰ τὸν οἰκιστὴν Ἀλέξανδρον, "καὶ τρίτον," ἔφη, "τῷ φίλῳ μου τούτῳ χαριζόμενος." ἆρά γ' ἄξιον τῇ χάριτι ταύτῃ παραβαλεῖν τὰς πολυταλάντους ἐπιτροπὰς καὶ διοικήσεις τῶν ἐπαρχιῶν, ἃς διώκοντες οἱ πολλοὶ γηράσκουσι πρὸς ἀλλοτρίαις θύραις, τὰ οἴκοι προλιπόντες· ἢ [e] τὸν Εὐριπίδην ἐπανορθωτέον ᾄδοντα καὶ λέγοντα, ὡς εἴπερ ἀγρυπνεῖν χρὴ καὶ φοιτᾶν ἐπ' αὔλειον ἑτέρου καὶ ὑποβάλλειν ἑαυτὸν ἡγεμονικῇ συνηθείᾳ,

ἢ τὸ τοῦ Δημοσθένους, ὅτι νῦν οὐκ ἔστι Δημοσθένης μόνον ἀλλὰ καὶ θεσμοθέτης ἢ χορηγὸς ἢ στεφανηφόρος. ἀναθετέον οὖν τὴν ἄμυναν εἰς τὸν χρόνον· ἢ γὰρ ἐπέξιμεν ἀπαλλαγέντι τῆς ἀρχῆς ἢ κερδανοῦμεν ἐν τῷ περιμένειν τὸ παύσασθαι τῆς ὀργῆς.

[d] Σπουδῇ μέντοι καὶ προνοίᾳ περὶ τὰ κοινὰ καὶ φροντίδι πρὸς ἅπασαν ἀρχὴν ἀεὶ διαμιλλητέον, ἂν μὲν ὦσι χαρίεντες, αὐτὸν ὑφηγούμενον ἃ δεῖ καὶ φράζοντα καὶ διδόντα χρῆσθαι τοῖς βεβουλευμένοις ὀρθῶς καὶ τὸ κοινὸν εὐδοκιμεῖν ὠφελοῦντας· ἐὰν δ’ ἐνῇ τις ἐκείνοις ὄκνος ἢ μέλλησις ἢ κακοήθεια πρὸς τὴν πρᾶξιν, οὕτω χρὴ παριέναι καὶ λέγειν αὐτὸν εἰς τοὺς πολλοὺς καὶ μὴ παραμελεῖν μηδ’ ὑφίεσθαι τῶν κοινῶν, ὡς οὐ προσῆκον, ἄρχοντος ἑτέρου, πολυπραγμονεῖν καὶ παραδιοικεῖν. ὁ γὰρ νόμος ἀεὶ τῷ [e] τὰ δίκαια πράσσοντι καὶ γιγνώσκοντι τὰ συμφέροντα τὴν πρώτην τάξιν ἐν τῇ πολιτείᾳ δίδωσιν. “ἦν δέ τις,” φησίν, “ἐν τῷ στρατεύματι Ξενοφῶν, οὔτε στρατηγὸς οὔτε λοχαγός,” ἀλλὰ τῷ φρονεῖν τὰ δέοντα καὶ τολμᾶν αὑτὸν εἰς τὸ ἄρχειν καταστήσας διέσῳσε τοὺς Ἕλληνας. καὶ τῶν Φιλοποίμενος ἔργων ἐπιφανέστατόν ἐστι τό, τοῦ Νάβιδος Μεσσήνην καταλαβόντος οὐκ ἐθέλοντος δὲ τοῦ στρατηγοῦ τῶν Ἀχαιῶν βοηθεῖν ἀλλ’ ἀποδειλιῶντος, αὐτὸν ὁρμήσαντα μετὰ τῶν προθυμοτάτων ἄνευ δόγματος ἐξελέσθαι τὴν πόλιν. οὐ μὴν διὰ μικρὰ [f] δεῖ καὶ τὰ τυχόντα καινοτομεῖν, ἀλλ’ ἐπὶ τοῖς ἀναγκαίοις ὡς ὁ Φιλοποίμην, ἢ τοῖς καλοῖς ὡς Ἐπαμεινώνδας, ἐπιβαλὼν τέτταρας μῆνας τῇ βοιωταρχίᾳ παρὰ τὸν νόμον, ἐν οἷς εἰς τὴν Λακωνικὴν ἐνέβαλε καὶ τὰ περὶ Μεσσήνην ἔπραξεν· ὅπως, κἂν ἀπαντᾷ τις ἐπὶ τούτῳ κατηγορία καὶ μέμψις,

ἀπολογίαν τῆς αἰτίας τὴν ἀνάγκην ἔχωμεν ἢ παραμυθίαν τοῦ κινδύνου τὸ μέγεθος τῆς πράξεως καὶ τὸ κάλλος.

Ἰάσονος τοῦ Θεσσαλῶν μονάρχου γνώμην ἀπομνημονεύουσιν, ἐφ' οἷς ἐβιάζετο καὶ παρηνώχλει τινάς, [818] [a] ἀεὶ λεγομένην, ὡς ἀναγκαῖον ἀδικεῖν τὰ μικρὰ τοὺς βουλομένους τὰ μεγάλα δικαιοπραγεῖν. τοῦτον μὲν οὖν ἄν τις εὐθὺς καταμάθοι τὸν λόγον ὡς ἔστι δυναστευτικός· ἐκεῖνο δὲ πολιτικώτερον παράγγελμα, τὸ τὰ μικρὰ τοῖς πολλοῖς προΐεσθαι χαριζόμενον ἐπὶ τῷ τοῖς μείζοσιν ἐνίστασθαι καὶ κωλύειν ἐξαμαρτάνοντας. ὁ γὰρ αὖ περὶ πάντα λίαν ἀκριβὴς καὶ σφοδρός, οὐδὲν ὑποχωρῶν οὐδ' ὑπείκων ἀλλὰ τραχὺς ἀεὶ καὶ ἀπαραίτητος, ἀντιφιλονεικεῖν τὸν δῆμον αὐτῷ καὶ προσδυσκολαίνειν ἐθίζει,

μικρὸν δὲ δεῖ ποδὸς
χαλάσαι μεγάλῃ κύματος ἀλκῇ,

[b] τὰ μὲν αὐτὸν ἐνδιδόντα καὶ συμπαίζοντα κεχαρισμένως οἷον ἐν θυσίαις καὶ ἀγῶσι καὶ θεάτροις, τὰ δ' ὥσπερ ἐν οἰκίᾳ νέων ἁμαρτήματα προσποιούμενον παρορᾶν καὶ παρακούειν, ὅπως ἡ τοῦ νουθετεῖν καὶ παρρησιάζεσθαι δύναμις ὥσπερ φαρμάκου μὴ κατακεχρημένη μηδ' ἕωλος ἀλλ' ἀκμὴν ἔχουσα καὶ πίστιν ἐν τοῖς μείζοσι μᾶλλον καθάπτηται καὶ δάκνῃ τοὺς πολλούς. Ἀλέξανδρος μὲν γὰρ ἀκούσας τὴν ἀδελφὴν ἐγνωκέναι τινὰ τῶν [c] καλῶν καὶ νέων οὐκ ἠγανάκτησεν εἰπών, ὅτι κἀκείνῃ τι δοτέον ἀπολαῦσαι τῆς βασιλείας· οὐκ ὀρθῶς τὰ τοιαῦτα συγχωρῶν οὐδ' ἀξίως ἑαυτοῦ· δεῖ γὰρ ἀρχῆς τὴν κατάλυσιν καὶ ὕβριν ἀπόλαυσιν μὴ νομίζειν. δήμῳ δ' ὕβριν μὲν οὐδεμίαν εἰς πολίτας οὐδὲ δήμευσιν ἀλλοτρίων οὐδὲ κοινῶν διανέμησιν ὁ πολιτικὸς ἐφήσει κατὰ δύναμιν, ἀλλὰ πείθων καὶ διδάσκων καὶ δεδιττόμενος διαμαχεῖται ταῖς τοιαύταις ἐπιθυμίαις, οἵας οἱ περὶ Κλέωνα βόσκοντες καὶ αὔξοντες πολύν, ὥς φησιν ὁ Πλάτων, κηφῆνα τῇ πόλει κεκεντρωμένον ἐνεποίησαν. ἐὰν δ' ἑορτὴν πάτριον οἱ πολλοὶ καὶ θεοῦ τιμὴν πρόφασιν λαβόντες ὁρμήσωσι πρός τινα θέαν ἢ νέμησιν ἐλαφρὰν ἢ χάριν τινὰ φιλάνθρωπον ἢ φιλοτιμίαν, [d] ἔστω πρὸς τὰ τοιαῦτα ἡ τῆς ἐλευθερίας ἅμα καὶ τῆς εὐπορίας ἀπόλαυσις αὐτοῖς. καὶ γὰρ τοῖς Περικλέους πολιτεύμασι καὶ τοῖς Δημητρίου πολλὰ τοιαῦτ' ἔνεστι, καὶ Κίμων ἐκόσμησε τὴν ἀγορὰν πλατάνων φυτείαις καὶ περιπάτοις· Κάτων δὲ τὸν δῆμον ὑπὸ Καίσαρος ὁρῶν ἐν τοῖς περὶ Κατιλίναν διαταρασσόμενον καὶ πρὸς μεταβολὴν τῆς πολιτείας ἐπισφαλῶς ἔχοντα συνέπεισε τὴν βουλὴν ψηφίσασθαι νεμήσεις τοῖς πένησι, καὶ τοῦτο δοθὲν ἔστησε τὸν θόρυβον καὶ κατέπαυσε τὴν ἐπανάστασιν. ὡς γὰρ ἰατρός, ἀφελὼν πολὺ τοῦ [e] διεφθορότος αἵματος, ὀλίγον ἀβλαβοῦς τροφῆς προσήνεγκεν, οὕτως ὁ

πολιτικὸς ἀνήρ, μέγα τι τῶν ἀδόξων ἢ βλαβερῶν παρελόμενος, ἐλαφρᾷ πάλιν χάριτι καὶ φιλανθρώπῳ τὸ δυσκολαῖνον καὶ μεμψιμοιροῦν παρηγόρησεν.

Οὐ χεῖρον δὲ καὶ μετάγειν ἐπ' ἄλλα χρειώδη τὸ σπουδαζόμενον, ὡς ἐποίησε Δημάδης, ὅτε τὰς προσόδους εἶχεν ὑφ' ἑαυτῷ τῆς πόλεως· ὡρμημένων γὰρ ἐκπέμπειν τριήρεις βοηθοὺς τοῖς ἀφισταμένοις Ἀλεξάνδρου καὶ χρήματα κελευόντων παρέχειν ἐκεῖνον, "ἔστιν ὑμῖν," ἔφη, "χρήματα· παρεσκευασάμην γὰρ εἰς τοὺς χόας, ὥσθ' ἕκαστον ὑμῶν λαβεῖν ἡμιμναῖον· εἰ δ' εἰς ταῦτα βούλεσθε [f] μᾶλλον, αὐτοὶ καταχρῆσθε τοῖς ἰδίοις." καὶ τοῦτον τὸν τρόπον, ὅπως μὴ στεροῖντο τῆς διανομῆς, ἀφέντων τὸν ἀπόστολον, ἔλυσε τὸ πρὸς Ἀλέξανδρον ἔγκλημα τοῦ δήμου. πολλὰ γὰρ ἀπ' εὐθείας οὐκ ἔστιν ἐξῶσαι τῶν ἀλυσιτελῶν, ἀλλὰ δεῖ τινος ἁμωσγέπως καμπῆς καὶ περιαγωγῆς, οἵᾳ καὶ [819] [a] Φωκίων ἐχρῆτο κελευόμενος εἰς Βοιωτίαν ἐμβαλεῖν παρὰ καιρόν· ἐκήρυξε γὰρ εὐθὺς ἀκολουθεῖν ἀφ' ἥβης τοὺς μέχρι ἐτῶν ἑξήκοντα· καὶ θορύβου τῶν πρεσβυτέρων γενομένου "τί δεινόν;" εἶπεν· "ἐγὼ γὰρ ὁ στρατηγὸς ὀγδοήκοντα γεγονὼς ἔτη μεθ' ὑμῶν ἔσομαι." τούτῳ δὴ τῷ τρόπῳ καὶ πρεσβείας διακοπτέον ἀκαίρους, συγκαταλέγοντα πολλοὺς τῶν ἀνεπιτηδείως ἐχόντων, καὶ κατασκευὰς ἀχρήστους, κελεύοντα συνεισφέρειν, καὶ δίκας καὶ ἀποδημίας ἀπρεπεῖς, ἀξιοῦντα συμπαρεῖναι καὶ συναποδημεῖν. πρώτους δὲ τοὺς γράφοντας τὰ τοιαῦτα [b] καὶ παροξύνοντας ἕλκειν δεῖ καὶ παραλαμβάνειν· ἢ γὰρ ἀναδυόμενοι τὴν πρᾶξιν αὐτοὶ διαλύειν δόξουσιν ἢ μεθέξουσι τῶν δυσχερῶν παρόντες.

Ὅπου μέντοι μέγα δεῖ τι περανθῆναι καὶ χρήσιμον ἀγῶνος δὲ πολλοῦ καὶ σπουδῆς δεόμενον, ἐνταῦθα πειρῶ τῶν φίλων αἱρεῖσθαι τοὺς κρατίστους ἢ τῶν κρατίστων τοὺς πραοτάτους· ἥκιστα γὰρ ἀντιπράξουσιν οὗτοι καὶ μάλιστα συνεργήσουσι, τὸ φρονεῖν ἄνευ τοῦ φιλονεικεῖν ἔχοντες. οὐ μὴν ἀλλὰ καὶ τῆς ἑαυτοῦ φύσεως ἔμπειρον ὄντα δεῖ πρὸς ὃ χείρων ἑτέρου πέφυκας αἱρεῖσθαι τοὺς [c] μᾶλλον δυναμένους ἀντὶ τῶν ὁμοίων, ὡς ὁ Διομήδης ἐπὶ τὴν κατασκοπὴν μεθ' ἑαυτοῦ τὸν φρόνιμον εἵλετο, τοὺς ἀνδρείους παρελθών. καὶ γὰρ αἱ πράξεις μᾶλλον ἰσορροποῦσι καὶ τὸ φιλόνεικον οὐκ ἐγγίγνεται πρὸς ἀλλήλους τοῖς ἀφ' ἑτέρων ἀρετῶν καὶ δυνάμεων φιλοτιμουμένοις. λάμβανε δὴ καὶ δίκης συνεργὸν καὶ πρεσβείας κοινωνόν, ἂν λέγειν μὴ δυνατὸς ᾖς, τὸν ῥητορικόν, ὡς Πελοπίδας Ἐπαμεινώνδαν· κἂν ᾖς ἀπίθανος πρὸς ὁμολίαν τῷ πλήθει καὶ ὑψηλός, ὡς Καλλικρατίδας, τὸν εὔχαριν καὶ θεραπευτικόν· κἂν ἀσθενὴς καὶ δύσεργος τὸ σῶμα, τὸν φιλόπονον καὶ ῥωμαλέον, ὡς Νικίας [d] Λάμαχον. οὕτω γὰρ ἂν ἦν ὁ Γηρυόνης ζηλωτὸς ἔχων σκέλη πολλὰ καὶ χεῖρας καὶ ὀφθαλμούς, εἰ πάντα μιᾷ ψυχῇ διῴκει. τοῖς δὲ πολιτικοῖς ἔξεστι μὴ σώματα μηδὲ χρήματα μόνον,

ἀλλὰ καὶ τύχας καὶ δυνάμεις καὶ ἀρετάς, ἂν ὁμονοῶσιν, εἰς μίαν χρείαν συντιθέντας εὐδοκιμεῖν μᾶλλον ἄλλου περὶ τὴν αὐτὴν πρᾶξιν· οὐχ ὥσπερ οἱ Ἀργοναῦται τὸν Ἡρακλέα καταλιπόντες ἠναγκάζοντο διὰ τῆς γυναικωνίτιδος καταδόμενοι καὶ φαρμακευόμενοι σῴζειν ἑαυτοὺς καὶ κλέπτειν τὸ νάκος.

[e] Χρυσὸν μὲν εἰς ἔνια τῶν ἱερῶν εἰσιόντες ἔξω καταλείπουσι, σίδηρον δ' ὡς ἁπλῶς εἰπεῖν εἰς οὐδὲν συνεισφέρουσιν. ἐπεὶ δὲ κοινόν ἐστιν ἱερὸν τὸ βῆμα Βουλαίου τε Διὸς καὶ Πολιέως καὶ Θέμιδος καὶ Δίκης, αὐτόθεν μὲν ἤδη φιλοπλουτίαν καὶ φιλοχρηματίαν, ὥσπερ σίδηρον μεστὸν ἰοῦ καὶ νόσημα τῆς ψυχῆς, ἀποδυσάμενος εἰς ἀγορὰς καπήλων ἢ δανειστῶν ἀπόρριψον,

αὐτὸς δ' ἀπονόσφι τραπέσθαι

τὸν ἀπὸ δημοσίων χρηματιζόμενον ἡγούμενος ἀφ' ἱερῶν κλέπτειν, ἀπὸ τάφων, ἀπὸ φίλων, ἐκ προδοσίας, ἀπὸ ψευδομαρτυρίας, σύμβουλον ἄπιστον εἶναι, δικαστὴν ἐπίορκον, ἄρχοντα δωροδόκον, οὐδεμιᾶς ἁπλῶς καθαρὸν ἀδικίας. ὅθεν οὐ δεῖ πολλὰ [f] περὶ τούτων λέγειν.

Ἡ δὲ φιλοτιμία, καίπερ οὖσα σοβαρωτέρα τῆς φιλοκερδείας, οὐκ ἐλάττονας ἔχει κῆρας ἐν πολιτείᾳ· καὶ γὰρ τὸ τολμᾶν αὐτῇ πρόσεστι μᾶλλον· ἐμφύεται γὰρ οὐκ ἀργαῖς οὐδὲ ταπειναῖς ἀλλ' ἐρρωμέναις μάλιστα καὶ νεανικαῖς προαιρέσεσι, καὶ τὸ παρὰ τῶν ὄχλων ῥόθιον πολλάκις συνεξαῖρον αὐτὴν [820] [a] καὶ συνεξωθοῦν τοῖς ἐπαίνοις ἀκατάσχετον ποιεῖ καὶ δυσμεταχείριστον. ὥσπερ οὖν ὁ Πλάτων ἀκουστέον εἶναι τοῖς νέοις ἔλεγεν ἐκ παίδων εὐθύς, ὡς οὔτε περικεῖσθαι χρυσὸν αὐτοῖς ἔξωθεν οὔτε κεκτῆσθαι θέμις, οἰκεῖον ἐν τῇ ψυχῇ συμμεμιγμένον ἔχοντας, αἰνιττόμενος οἶμαι τὴν ἐκ γένους διατείνουσαν εἰς τὰς φύσεις αὐτῶν ἀρετήν· οὕτω παραμυθώμεθα τὴν φιλοτιμίαν, λέγοντες ἐν ἑαυτοῖς ἔχειν χρυσὸν ἀδιάφθορον καὶ ἀκήρατον καὶ ἄχραντον ὑπὸ φθόνου καὶ μώμου τιμήν, ἅμα λογισμῷ καὶ παραθεωρήσει τῶν πεπραγμένων ἡμῖν καὶ πεπολιτευμένων [b] αὐξανόμενον· διὸ μὴ δεῖσθαι γραφομένων τιμῶν ἢ πλαττομένων ἢ χαλκοτυπουμένων, ἐν αἷς καὶ τὸ εὐδοκιμοῦν ἀλλότριόν ἐστιν· ἐπαινεῖται γὰρ οὐχ ᾧ γέγονεν ἀλλ' ὑφ' οὗ γέγονεν ὡς ὁ σαλπικτὴς καὶ ὁ δορυφόρος. ὁ δὲ Κάτων, ἤδη τότε τῆς Ῥώμης καταπιμπλαμένης ἀνδριάντων, οὐκ ἐῶν αὐτοῦ γενέσθαι "μᾶλλον," ἔφη, "βούλομαι πυνθάνεσθαί τινας, διὰ τί μου ἀνδριὰς οὐ κεῖται ἢ διὰ τί κεῖται." καὶ γὰρ φθόνον ἔχει τὰ τοιαῦτα καὶ νομίζουσιν οἱ πολλοὶ τοῖς μὴ λαβοῦσιν αὐτοὶ χάριν ὀφείλειν, τοὺς δὲ λαβόντας αὐτοῖς καὶ βαρεῖς εἶναι, οἷον ἐπὶ μισθῷ [c] τὰς χρείας ἀπαιτοῦντας. ὥσπερ οὖν ὁ παραπλεύσας τὴν Σύρτιν εἶτ' ἀνατραπεὶς περὶ τὸν πορθμὸν οὐδὲν μέγα πεποίηκεν οὐδὲ σεμνόν, οὕτως ὁ τὸ ταμιεῖον φυλαξάμενος καὶ τὸ δημοσιώνιον ἁλοὺς δὲ περὶ τὴν προεδρίαν ἢ τὸ πρυτανεῖον, ὑψηλῷ μὲν προσέπταικεν ἀκρωτηρίῳ βαπτίζεται δ' ὁμοίως.

ἄριστος μὲν οὖν ὁ μηδενὸς δεόμενος τῶν τοιαούτων ἀλλὰ φεύγων καὶ παραιτούμενος· ἂν δ’ ᾖ μὴ ῥᾴδιον [d] δήμου τινὰ χάριν ἀπώσασθαι καὶ φιλοφροσύνην πρὸς τοῦτο ῥυέντος, ὥσπερ οὐκ ἀργυρίτην οὐδὲ δωρίτην ἀγῶνα πολιτείας ἀγωνιζομένοις ἀλλ’ ἱερὸν ὡς ἀληθῶς καὶ στεφανίτην, ἐπιγραφή τις ἀρκεῖ καὶ πινάκιον καὶ ψήφισμα καὶ θαλλός, ὡς Ἐπιμενίδης ἔλαβεν ἐξ ἀκροπόλεως καθήρας τὴν πόλιν. Ἀναξαγόρας δὲ τὰς διδομένας ἀφεὶς τιμὰς ᾐτήσατο τὴν ἡμέραν ἐκείνην, καθ’ ἣν ἂν τελευτήσῃ, τοὺς παῖδας ἀφιέναι παίζειν καὶ σχολάζειν ἀπὸ τῶν μαθημάτων. τοῖς δὲ τοὺς Μάγους ἀνελοῦσιν ἑπτὰ Πέρσαις ἔδωκαν αὐτοῖς καὶ τοῖς ἀπ’ αὐτῶν γενομένοις εἰς τοὔμπροσθεν τῆς κεφαλῆς τὴν τιάραν φορεῖν· τοῦτο [e] γὰρ ἐποιήσαντο σύμβολον, ὡς ἔοικε, χωροῦντες ἐπὶ τὴν πρᾶξιν. ἔχει δέ τι καὶ ἡ τοῦ Πιττακοῦ τιμὴ πολιτικόν· ἧς γὰρ ἐκτήσατο χώρας τοῖς πολίταις γῆν ὅσην ἐθέλοι λαβεῖν κελευσθεὶς ἔλαβε τοσαύτην, ὅσην ἐπῆλθε τὸ ἀκόντιον αὐτοῦ βαλόντος· ὁ δὲ Ῥωμαῖος Κόκλης, ὅσην ἡμέρᾳ μιᾷ χωλὸς ὢν περιήροσεν. οὐ γὰρ μισθὸν εἶναι δεῖ τῆς πράξεως ἀλλὰ σύμβολον τὴν τιμήν, ἵνα καὶ διαμένῃ πολὺν χρόνον, ὥσπερ ἐκεῖναι διέμειναν. τῶν δὲ Δημητρίου τοῦ Φαληρέως τριακοσίων ἀνδριάντων οὐδεὶς [f] ἔσχεν ἰὸν οὐδὲ πίνον, ἀλλὰ πάντες ἔτι ζῶντος προανηρέθησαν· τοὺς δὲ Δημάδου κατεχώνευσαν εἰς ἀμίδας· καὶ πολλαὶ τοιαῦτα τιμαὶ πεπόνθασιν οὐ μοχθηρίᾳ τοῦ λαβόντος μόνον ἀλλὰ καὶ μεγέθει τοῦ δοθέντος δυσχερανθεῖσαι. διὸ κάλλιστον καὶ βεβαιότατον εὐτέλεια τιμῆς φυλακτήριον, αἱ δὲ μεγάλαι καὶ ὑπέρογκοι καὶ βάρος ἔχουσαι παραπλησίως τοῖς ἀσυμμέτροις ἀνδριᾶσι ταχὺ περιτρέπονται.

Ὀνομάζω δὲ νῦν τιμάς, ἃς οἱ πολλοὶ κατ’ Ἐμπεδοκλέα

ᾗ θέμις οὐ καλέουσι, νόμῳ δ’ ἐπίφημι καὶ αὐτός·

ἐπεὶ τήν γ’ ἀληθινὴν τιμὴν καὶ χάριν ἱδρυμένην ἐν εὐνοίᾳ καὶ διαθέσει τῶν μεμνημένων οὐχ ὑπερόψεται πολιτικὸς ἀνήρ, [821] [a] οὐδέ γε δόξαν ἀτιμάσει φεύγων τὸ “τοῖς πέλας ἁνδάνειν,” ὡς ἠξίου Δημόκριτος. οὐδὲ γὰρ κυνῶν ἀσπασμὸς οὐδ’ ἵππων εὔνοια θηραταῖς καὶ ἱπποτρόφοις ἀπόβλητον, ἀλλὰ καὶ χρήσιμον καὶ ἡδὺ συντρόφοις καὶ συνήθεσι ζῴοις τοιαύτην ἐνεργάσασθαι διάθεσιν πρὸς αὑτόν, οἵαν ὁ Λυσιμάχου κύων ἐπεδείκνυτο καὶ τῶν Ἀχιλλέως ἵππων ὁ ποιητὴς διηγεῖται περὶ τὸν Πάτροκλον· οἶμαι δ’ ἂν καὶ τὰς μελίττας ἀπαλλάττειν βέλτιον, [b] εἰ τοὺς τρέφοντας καὶ θεραπεύοντας ἀσπάζεσθαι καὶ προσίεσθαι μᾶλλον ἢ κεντεῖν καὶ χαλεπαίνειν ἐβούλοντο· νυνὶ δὲ ταύτας μὲν καπνῷ κολάζουσιν, ἵππους δ’ ὑβριστὰς καὶ κύνας ἀποστάτας κλοιοῖς καὶ χαλινοῖς ἄγουσιν ἠναγκασμένους· ἄνθρωπον δ’ ἀνθρώπῳ χειροήθη καὶ πρᾶον ἑκουσίως οὐδὲν ἀλλ’ ἢ πίστις εὐνοίας καὶ καλοκαγαθίας δόξα καὶ δικαιοσύνης παρίστησιν. ᾗ καὶ Δημοσθένης ὀρθῶς μέγιστον ἀποφαίνεται

πρὸς τοὺς τυράννους φυλακτήριον ἀπιστίαν ταῖς πόλεσι· τοῦτο γὰρ μάλιστα τῆς ψυχῆς τὸ μέρος, ᾧ πιστεύομεν, ἁλώσιμόν ἐστιν. ὥσπερ οὖν τῆς Κασάνδρας ἀδοξούσης ἀνόνητος ἦν ἡ μαντικὴ τοῖς πολίταις

"ἄκραντα γάρ με" φησίν "ἔθηκε θεσπίζειν θεός,

[c] καὶ πρὸς παθόντων κἀν κακοῖσι κειμένων

σοφὴ κέκλημαι, πρὶν παθεῖν δέ 'μαίνομαι,'"

οὕτως ἡ πρὸς Ἀρχύταν πίστις καὶ πρὸς Βάττον εὔνοια τῶν πολιτῶν μεγάλα τοὺς χρωμένους αὐτοῖς διὰ τὴν δόξαν ὠφέλησε. καὶ τοῦτο μὲν πρῶτον καὶ μέγιστον ἔνεστι τῇ δόξῃ τῇ τῶν πολιτικῶν ἀγαθόν, ἡ πάροδον ἐπὶ τὰς πράξεις διδοῦσα πίστις· δεύτερον δ' ὅτι πρὸς τοὺς βασκάνους καὶ πονηροὺς ὅπλον ἡ παρὰ τῶν πολλῶν εὔνοια τοῖς ἀγαθοῖς ἐστιν

ὡς ὅτε μήτηρ

παιδὸς ἐέργει μυῖαν, ὅθ' ἡδέι λέξεται ὕπνῳ,

ἀπερύκουσα τὸν φθόνον καὶ πρὸς τὰς δυνάμεις ἐπανισοῦσα τὸν ἀγεννῆ τοῖς εὐπατρίδαις καὶ τὸν πένητα τοῖς πλουσίοις καὶ τὸν ἰδιώτην τοῖς ἄρχουσι· [d] καὶ ὅλως, ὅταν ἀλήθεια καὶ ἀρετὴ προσγένηται, φορόν ἐστι πνεῦμα καὶ βέβαιον ἐπὶ τὴν πολιτείαν. σκόπει δὲ τὴν ἐναντίαν καταμανθάνων διάθεσιν ἐν τοῖς παραδείγμασι. τοὺς μὲν γὰρ Διονυσίου παῖδας καὶ τὴν γυναῖκα καταπορνεύσαντες οἱ περὶ τὴν Ἰταλίαν ἀνεῖλον, εἶτα καύσαντες τὰ σώματα τὴν τέφραν κατέσπειραν ἐκ πλοίου κατὰ τῆς θαλάττης. Μενάνδρου δέ τινος ἐν Βάκτροις ἐπιεικῶς βασιλεύσαντος [e] εἶτ' ἀποθανόντος ἐπὶ στρατοπέδου, τὴν μὲν ἄλλην ἐποιήσαντο κηδείαν κατὰ τὸ κοινὸν αἱ πόλεις, περὶ δὲ τῶν λειψάνων αὐτοῦ καταστάντες εἰς ἀγῶνα μόλις συνέβησαν, ὥστε νειμάμενοι μέρος ἴσον τῆς τέφρας ἀπελθεῖν, καὶ γενέσθαι μνημεῖα παρὰ πᾶσι τοῦ ἀνδρός. αὖθις δ' Ἀκραγαντῖνοι μὲν ἀπαλλαγέντες Φαλάριδος ἐψηφίσαντο μηδένα φορεῖν ἱμάτιον γλαύκινον· οἱ γὰρ ὑπηρέται τοῦ τυράννου γλαυκίνοις ἐχρῶντο περιζώμασι. Πέρσαι δ', ὅτι [f] γρυπὸς ἦν ὁ Κῦρος, ἔτι καὶ νῦν ἐρῶσι τῶν γρυπῶν καὶ καλλίστους ὑπολαμβάνουσιν.

Οὕτως ἁπάντων ἐρώτων ἰσχυρότατος ἅμα καὶ θειότατός ἐστιν ὁ πόλεσι καὶ δήμοις πρὸς ἕνα δι' ἀρετὴν ἐγγιγνόμενος· αἱ δ' ἀπὸ θεάτρων ἢ νεμήσεων ἢ μονομάχων ψευδώνυμοι τιμαὶ καὶ ψευδομάρτυρες ἑταιρικαῖς ἐοίκασι κολακείαις, ὄχλων ἀεὶ τῷ διδόντι καὶ χαριζομένῳ προσμειδιώντων, ἐφήμερόν τινα καὶ ἀβέβαιον δόξαν. εὖ μὲν οὖν ὁ πρῶτος εἰπὼν καταλυθῆναι δῆμον ὑπὸ τοῦ πρώτου δεκάσαντος συνεῖδεν, ὅτι τὴν ἰσχὺν ἀποβάλλουσιν [822] [a] οἱ πολλοὶ τοῦ λαμβάνειν ἥττονες γενόμενοι· δεῖ δὲ καὶ τοὺς δεκάζοντας οἴεσθαι καταλύειν ἑαυτούς, ὅταν ἀναλωμάτων μεγάλων ὠνούμενοι τὴν δόξαν

ἰσχυροὺς ποιῶσι καὶ θρασεῖς τοὺς πολλούς, ὡς μέγα τι καὶ δοῦναι καὶ ἀφελέσθαι κυρίους ὄντας.

Οὐ μὴν διὰ τοῦτο μικρολογητέον ἐν τοῖς νενομισμένοις φιλοτιμήμασι, τῶν πραγμάτων εὐπορίαν παρεχόντων· ὡς μᾶλλον οἱ πολλοὶ μὴ μεταδιδόντα τῶν ἰδίων πλούσιον ἢ πένητα τῶν δημοσίων κλέπτοντα δι' ἔχθους ἔχουσιν, ὑπεροψίαν τοῦτο καὶ περιφρόνησιν αὑτῶν ἐκεῖνο δ' ἀνάγκην [b] ἡγούμενοι. γιγνέσθωσαν οὖν αἱ μεταδόσεις πρῶτον μὲν ἀντὶ μηδενός· οὕτω γὰρ ἐκπλήττουσι καὶ χειροῦνται μᾶλλον τοὺς λαμβάνοντας· ἔπειτα σὺν καιρῷ πρόφασιν ἀστείαν καὶ καλὴν ἔχοντι, μετὰ τιμῆς θεοῦ πάντας ἀγούσης πρὸς εὐσέβειαν· ἐγγίγνεται γὰρ ἅμα τοῖς πολλοῖς ἰσχυρὰ διάθεσις καὶ δόξα τοῦ τὸ δαιμόνιον εἶναι μέγα καὶ σεμνόν, ὅταν, οὓς αὐτοὶ τιμῶσι καὶ μεγάλους νομίζουσιν, οὕτως ἀφειδῶς καὶ προθύμως περὶ τὸ θεῖον ὁρῶσι φιλοτιμουμένους. ὥσπερ οὖν ὁ Πλάτων ἀφεῖλε τῶν παιδευομένων [c] νέων τὴν ἁρμονίαν τὴν Λύδιον καὶ τὴν ἰαστί, τὴν μὲν τὸ θρηνῶδες καὶ φιλοπενθὲς ἡμῶν ἐγείρουσαν τῆς ψυχῆς, τὴν δὲ τὸ πρὸς ἡδονὰς ὀλισθηρὸν καὶ ἀκόλαστον αὔξουσαν· οὕτω σὺ τῶν φιλοτιμιῶν ὅσαι τὸ φονικὸν καὶ θηριῶδες ἢ τὸ βωμολόχον καὶ ἀκόλαστον ἐρεθίζουσι καὶ τρέφουσι, μάλιστα μὲν ἐξέλαυνε τῆς πόλεως, εἰ δὲ μή, φεῦγε καὶ διαμάχου τοῖς πολλοῖς αἰτουμένοις τὰ τοιαῦτα θεάματα· χρηστὰς δὲ καὶ σώφρονας ἀεὶ ποιοῦ τῶν ἀναλωμάτων ὑποθέσεις, τὸ καλὸν ἢ τὸ ἀναγκαῖον ἐχούσας τέλος ἢ τὸ γοῦν ἡδὺ καὶ κεχαρισμένον ἄνευ βλάβης καὶ ὕβρεως προσούσης.

[d] Ἂν δ' ᾖ τὰ τῆς οὐσίας μέτρια καὶ κέντρῳ καὶ διαστήματι περιγραφόμενα πρὸς τὴν χρείαν, οὔτ' ἀγεννὲς οὔτε ταπεινὸν οὐδέν ἐστι πενίαν ὁμολογοῦντα ταῖς τῶν ἐχόντων ἐξίστασθαι φιλοτιμίαις, καὶ μὴ δανειζόμενον οἰκτρὸν ἅμα καὶ καταγέλαστον εἶναι περὶ τὰς λειτουργίας· οὐ γὰρ λανθάνουσιν ἐξασθενοῦντες ἢ φίλοις ἐνοχλοῦντες ἢ θωπεύοντες δανειστάς, ὥστε μὴ δόξαν αὐτοῖς μηδ' ἰσχὺν ἀλλὰ μᾶλλον αἰσχύνην καὶ καταφρόνησιν ἀπὸ τῶν τοιούτων [e] ἀναλωμάτων ὑπάρχειν. διὸ χρήσιμον ἀεὶ πρὸς τὰ τοιαῦτα μεμνῆσθαι τοῦ Λαμάχου καὶ τοῦ Φωκίωνος· οὗτος μὲν γάρ, ἀξιούντων αὐτὸν ἐν θυσίᾳ τῶν Ἀθηναίων ἐπιδοῦναι καὶ κροτούντων πολλάκις "αἰσχυνοίμην ἄν" εἶπεν "ὑμῖν μὲν ἐπιδιδοὺς Καλλικλεῖ δὲ τούτῳ μὴ ἀποδιδούς," δείξας τὸν δανειστήν. Λάμαχος δ' ἐν τοῖς τῆς στρατηγίας ἀεὶ προσέγραφεν ἀπολογισμοῖς ἀργύριον εἰς κρηπῖδας αὑτῷ καὶ ἱμάτιον· Ἕρμωνι δὲ Θεσσαλοὶ φεύγοντι τὴν ἀρχὴν ὑπὸ πενίας ἐψηφίσαντο λάγυνον οἴνου κατὰ μῆνα διδόναι καὶ μέδιμνον ἀλφίτων ἀφ' ἑκάστης τετράδος. οὕτως οὔτ' ἀγεννές [f] ἐστι πενίαν ὁμολογεῖν, οὔτε λείπονται πρὸς δύναμιν ἐν πόλεσι τῶν ἑστιώντων καὶ χορηγούντων οἱ πένητες, ἂν παρρησίαν ἀπ' ἀρετῆς

κεκρότηται χρυσέα κρηπὶς ἱεραῖσιν ἀοιδαῖς,

ὁ προτρεπόμενος καὶ διαίρων ἐπὶ πολιτείαν βέβληται λόγος· "εἶα τειχίζωμεν ἤδη" τὴν ὀφειλομένην ἐποικοδομοῦντες τῇ προτροπῇ διδασκαλίαν, ὀφείλεται δὲ τῷ παραδεδεγμένῳ τὴν ἐπὶ τὸ πράττειν τὰ κοινὰ προτροπὴν καὶ ὁρμὴν ἑξῆς ἀκοῦσαι καὶ λαβεῖν παραγγέλματα πολιτείας, οἷς χρώμενος, [c] ὡς ἀνυστόν ἐστιν ἀνθρώπῳ, δημωφελὴς ἔσται, μετ' ἀσφαλείας ἅμα καὶ τιμῆς δικαίας εὖ τιθέμενος τὸ οἰκεῖον. ὃ δὲ προὔργου μέν ἐστιν εἰς τὰ μέλλοντα τοῖς δὲ προλελεγμένοις ἕπεται, σκεπτέον ἥτις ἀρίστη πολιτεία. καθάπερ γὰρ ἀνθρώπου βίοι πλείονες, ἔστι καὶ δήμου ἡ πολιτεία βίος· ὥστε λαβεῖν τὴν ἀρίστην ἀναγκαῖον· ἢ γὰρ ἐκ πασῶν αἱρήσεται ταύτην ὁ πολιτικὸς ἢ τῶν λοιπῶν τὴν ὁμοιοτάτην, εἰ ταύτην ἀδύνατον.

Λέγεται μὲν δὴ πολιτεία καὶ μετάληψις τῶν ἐν πόλει δικαίων· ὥς φαμεν Ἀλεξάνδρῳ πολιτείαν Μεγαρεῖς ψηφίσασθαι· τοῦ δ' εἰς γέλωτα θεμένου τὴν σπουδὴν αὐτῶν, εἰπεῖν ἐκείνους ὅτι μόνῳ πρότερον τὴν πολιτείαν Ἡρακλεῖ καὶ μετ' ἐκεῖνον αὐτῷ [d] ψηφίσαιντο· τὸν δὲ θαυμάσαντα δέξασθαι τὸ τίμιον ἐν τῷ σπανίῳ τιθέμενον. λέγεται δὲ καὶ βίος ἀνδρὸς πολιτικοῦ καὶ τὰ κοινὰ πράττοντος πολιτεία· καθὸ τὴν Περικλέους πολιτείαν ἐπαινοῦμεν καὶ τὴν Βίαντος, ψέγομεν δὲ τὴν Ὑπερβόλου καὶ Κλέωνος. ἔνιοι δὲ καὶ μίαν πρᾶξιν εὔστοχον εἰς τὰ κοινὰ καὶ λαμπρὰν πολιτείαν προσαγορεύουσιν, οἷον χρημάτων ἐπίδοσιν, διάλυσιν πολέμου, ψηφίσματος εἰσήγησιν· καθὸ καὶ πολιτεύσασθαι τὸν δεῖνα σήμερον λέγομεν, εἰ τύχοι τι διαπραξάμενος ἐν κοινῷ τῶν δεόντων.

Παρὰ πάντα ταῦτα λέγεται πολιτεία τάξις [e] καὶ κατάστασις πόλεως διοικοῦσα τὰς πράξεις· καθά φασι τρεῖς εἶναι πολιτείας, μοναρχίαν καὶ ὀλιγαρχίαν καὶ δημοκρατίαν, ὧν καὶ Ἡρόδοτος ἐν τῇ τρίτῃ σύγκρισιν πεποίηται· καὶ δοκοῦσι γενικώταται εἶναι. τὰς γὰρ ἄλλας, ὥσπερ ἐν τοῖς μουσικοῖς διαγράμμασι τῶν πρώτων τρόπων ἀνιεμένων ἢ ἐπιτεινομένων, συμβέβηκε παρακρούσεις καὶ [f] διαφθορὰς κατ' ἔλλειψιν καὶ ὑπερβολὴν εἶναι. ταύτας δὲ καὶ πλεῖστον καὶ μέγιστον ἐν ἡγεμονίαις δυνηθείσας τῶν

ἐθνῶν ἀπεκληρώσαντο τὰς πολιτείας, Πέρσαι μὲν αὐτοκρατῆ βασιλείαν καὶ ἀνυπεύθυνον, Σπαρτιᾶται δ’ ἀριστοκρατικὴν ὀλιγαρχίαν καὶ αὐθέκαστον, Ἀθηναῖοι δ’ αὐτόνομον καὶ ἄκρατον δημοκρατίαν. ὧν ἁμαρτανομένων παρατροπαὶ καὶ ὑπερχύσεις εἰσὶν αἱ λεγόμεναι τυραννίδες καὶ δυναστεῖαι καὶ ὀχλοκρατίαι· ὅταν βασιλεία μὲν [827] [a] ὕβριν ἐντέκῃ καὶ τὸ ἀνυπεύθυνον· ὀλιγαρχία δ’ ὑπερφροσύνην καὶ τὸ αὔθαδες· δημοκρατία δ’ ἀναρχίαν, ἰσότης δ’ ἀμετρίαν, πᾶσαι δὲ τὸ ἀνόητον.

Ὥσπερ οὖν ὁ ἁρμονικὸς καὶ μουσικὸς ἀνὴρ παντὶ μὲν ὀργάνῳ χρήσεται προσῳδῷ τεχνικῶς ἁρμοσάμενος καὶ λόγῳ κρούων ἕκαστον, ὡς πέφυκεν ἐμμελὲς ὑπηχεῖν· ἤδη μέντοι συμβούλῳ Πλάτωνι χρησάμενος, πηκτίδας, σαμβύκας καὶ ψαλτήρια πολύφθογγα καὶ βαρβίτους καὶ τρίγωνα παραπέμψας, [b] τὴν λύραν καὶ τὴν κιθάραν προτιμήσει· τὸν αὐτὸν τρόπον ὁ πολιτικὸς ἀνὴρ εὖ μὲν ὀλιγαρχίαν Λακωνικὴν καὶ Λυκούργειον μεταχειριεῖται, συναρμοσάμενος αὑτῷ τοὺς ἰσοκρατεῖς καὶ ὁμοτίμους ἄνδρας, ἡσυχῇ προσβιαζόμενος· εὖ δὲ πολυφθόγγῳ καὶ πολυχόρδῳ συνοίσεται δημοκρατίᾳ, τὰ μὲν ἀνιεὶς τὰ δ’ ἐπιτείνων τῆς πολιτείας, χαλάσας τ’ ἐν καιρῷ καὶ καρτερῶς αὖθις ἐμφύς, ἀντιβῆναι καὶ ἀντισχεῖν ἐπιστάμενος· εἰ δ’ αἵρεσις αὐτῷ δοθείη, καθάπερ ὀργάνων, τῶν πολιτειῶν, οὐκ ἂν ἄλλην ἕλοιτο πλὴν τὴν μοναρχίαν, Πλάτωνι πειθόμενος, τὴν μόνην δυναμένην τὸν ἐντελῆ καὶ ὄρθιον ἐκεῖνον ὡς ἀληθῶς [c] τῆς ἀρετῆς τόνον ἀνασχέσθαι καὶ μήτε πρὸς ἀνάγκην μήτε πρὸς χάριν ἁρμόσαι τοῦ συμφέροντος. αἱ μὲν γὰρ ἄλλαι πολιτεῖαι τρόπον τινὰ κρατούμεναι κρατοῦσι καὶ φερόμεναι φέρουσι τὸν πολιτικόν, οὐκ ἔχοντα τὴν ἰσχὺν βέβαιον ἐπὶ τούτους, παρ’ ὧν ἔχει τὸ ἰσχῦον, ἀλλὰ πολλάκις ἀναγκαζόμενον τὸ Αἰσχύλειον ἀναφωνεῖν, ᾧ πρὸς τὴν τύχην ἐχρῆτο Δημήτριος ὁ πολιορκητὴς ἀποβαλὼν τὴν ἡγεμονίαν

σύ τοί με φυσᾷς, σύ με καταίθειν μοι δοκεῖς.

Τί θεραπεύεις τὸν τραπεζίτην ἢ πραγματευτήν; [828] [a] ἀπὸ τῆς ἰδίας δάνεισαι τραπέζης· ἐκπώματ' ἔχεις, παροψίδας ἀργυρᾶς, λεκανίδας· ὑπόθου ταῦτα τῇ χρείᾳ· τὴν δὲ τράπεζαν ἡ καλὴ Αὐλὶς ἢ Τένεδος ἀντικοσμήσει τοῖς κεραμεοῖς, καθαρωτέροις οὖσι τῶν ἀργυρῶν· οὐκ ὄζει τόκου βαρὺ καὶ δυσχερὲς ὥσπερ ἰοῦ καθ' ἡμέραν ἐπιρρυπαίνοντος τὴν πολυτέλειαν, οὐδ' ἀναμνήσει τῶν καλανδῶν καὶ τῆς νουμηνίας, ἣν ἱερωτάτην ἡμερῶν οὖσαν ἀποφράδα ποιοῦσιν οἱ δανεισταὶ καὶ στύγιον. τοὺς μὲν γὰρ ἀντὶ τοῦ πωλεῖν τιθέντας ἐνέχυρα τὰ αὑτῶν οὐδ' [b] ἂν ὁ θεὸς σῴσειεν ὁ Κτήσιος· αἰσχύνονται τιμὴν λαμβάνοντες, οὐκ αἰσχύνονται τόκον τῶν ἰδίων διδόντες. καίτοι ὅ γε Περικλῆς ἐκεῖνος τὸν τῆς θεᾶς κόσμον, ἄγοντα τάλαντα τεσσαράκοντα χρυσίου ἀπέφθου, περιαιρετὸν ἐποίησεν, ὅπως, ἔφη, χρησάμενοι πρὸς τὸν πόλεμον αὖθις ἀποδῶμεν μὴ ἔλαττον· οὐκοῦν καὶ ἡμεῖς ὥσπερ ἐν πολιορκίᾳ ταῖς χρείαις μὴ παραδεχώμεθα φρουρὰν δανειστοῦ πολεμίου, μηδ' ὁρᾶν τὰ αὑτῶν ἐπὶ δουλείᾳ διδόμενα· ἀλλὰ τῆς τραπέζης περιελόντες τὰ μὴ χρήσιμα, τῆς κοίτης, τῶν ὀχημάτων, τῆς διαίτης, ἐλευθέρους διαφυλάττωμεν ἑαυτούς, ὡς ἀποδώσοντες αὖθις, ἐὰν εὐτυχήσωμεν.

[c] Αἱ μὲν οὖν Ῥωμαίων γυναῖκες εἰς ἀπαρχὴν τῷ Πυθίῳ Ἀπόλλωνι τὸν κόσμον ἐπέδωκαν, ὅθεν ὁ χρυσοῦς κρατὴρ εἰς Δελφοὺς ἐπέμφθη· αἱ δὲ

Καρχηδονίων γυναῖκες ἐκείραντο τὰς κεφαλὰς καὶ ταῖς θριξὶν ἐντεῖναι τὰς μηχανὰς καὶ τὰ ὄργανα παρέσχον ὑπὲρ τῆς πατρίδος· ἡμεῖς δὲ τὴν αὐτάρκειαν αἰσχυνόμενοι καταδουλοῦμεν ἑαυτοὺς ὑποθήκαις καὶ συμβολαίοις, δέον εἰς αὐτὰ τὰ χρήσιμα συσταλέντας καὶ συσπειραθέντας ἐκ τῶν ἀχρήστων καὶ περιττῶν κατακοπέντων ἢ πραθέντων ἐλευθερίας αὑτοῖς ἱερὸν ἱδρύσασθαι καὶ τέκνοις καὶ γυναιξίν.

[d] ἡ μὲν γὰρ Ἄρτεμις ἡ ἐν Ἐφέσῳ τοῖς χρεώσταις, ὅταν καταφύγωσιν εἰς τὸ ἱερὸν αὐτῆς, ἀσυλίαν παρέχει καὶ ἄδειαν ἀπὸ τῶν δανείων· τὸ δὲ τῆς εὐτελείας καὶ ἄσυλον καὶ ἄβατον πανταχοῦ τοῖς σώφροσιν ἀναπέπταται, πολλῆς σχολῆς εὐρυχωρίαν παρέχον ἱλαρὰν καὶ ἐπίτιμον. ὡς γὰρ ἡ Πυθία τοῖς Ἀθηναίοις περὶ τὰ Μηδικὰ τεῖχος ξύλινον διδόναι τὸν θεὸν ἔφη, κἀκεῖνοι τὴν χώραν καὶ τὴν πόλιν καὶ τὰ κτήματα καὶ τὰς οἰκίας ἀφέντες εἰς τὰς ναῦς κατέφυγον ὑπὲρ τῆς ἐλευθερίας, οὕτως ἡμῖν ὁ θεὸς δίδωσι ξυλίνην τράπεζαν καὶ κεραμεᾶν λεκάνην καὶ τραχὺ ἱμάτιον, ἐὰν ἐλεύθεροι ζῆν ἐθέλωμεν.

[e] μηδὲ σύ γ' ἱπποσύνας τε μένειν,

μηδ' ὀχήματα ζευκτὰ κερασφόρα καὶ κατάργυρα, ἃ τόκοι ταχεῖς καταλαμβάνουσι καὶ παρατρέχουσιν· ἀλλ' ὄνῳ τινὶ τῷ τυχόντι καὶ καβάλλῃ χρώμενος φεῦγε πολέμιον καὶ τύραννον δανειστήν, οὐ γῆν αἰτοῦντα καὶ ὕδωρ ὡς ὁ Μῆδος, ἀλλὰ τῆς ἐλευθερίας ἁπτόμενον καὶ προγράφοντα τὴν ἐπιτιμίαν· κἂν μὴ διδῷς, ἐνοχλοῦντα· κἂν ἔχῃς, μὴ λαμβάνοντα· κἂν πωλῇς, ἐπευωνίζοντα· κἂν μὴ πωλῇς, ἀναγκάζοντα· κἂν δικάζῃς, ἐντυγχάνοντα· κἂν [f] ὀμόσῃς, ἐπιτάττοντα· κἂν βαδίζῃς ἐπὶ θύρας, ἀποκλείοντα· κἂν οἴκοι μένῃς, ἐπισταθμεύοντα καὶ θυροκοποῦντα.

Τί γὰρ ὤνησε Σόλων Ἀθηναίους ἀπαλλάξας τοῦ ἐπὶ τοῖς σώμασιν ὀφείλειν; δουλεύουσι γὰρ ἅπασι τοῖς ἀφανισταῖς, μᾶλλον δ' οὐδ' αὐτοῖς· τί γὰρ ἦν τὸ δεινόν; ἀλλὰ δούλοις ὑβρισταῖς καὶ βαρβάροις καὶ ἀγρίοις, ὥσπερ οὓς ὁ Πλάτων φησὶ καθ' Ἅιδου διαπύρους κολαστὰς καὶ δημοκοίνους ἐφεστάναι τοῖς ἠσεβηκόσι. καὶ γὰρ οὗτοι τὴν ἀγορὰν [829] [a] ἀσεβῶν χώραν ἀποδείξαντες τοῖς ἀθλίοις χρεώσταις γυπῶν δίκην ἔσθουσι καὶ ὑποκείρουσιν αὐτοὺς "δέρτρον ἔσω δύνοντες," τοὺς δ' ὥσπερ Ταντάλους ἐφεστῶτες εἴργουσι γεύσασθαι τῶν ἰδίων τρυγῶντας καὶ συγκομίζοντας. ὡς δὲ Δαρεῖος ἐπὶ τὰς Ἀθήνας ἔπεμψε Δᾶτιν καὶ Ἀρταφέρνην ἐν ταῖς χερσὶν ἁλύσεις ἔχοντας καὶ δεσμὰ κατὰ τῶν αἰχμαλώτων, παραπλησίως οὗτοι τῶν χειρογράφων καὶ συμβολαίων ὥσπερ πεδῶν ἐπὶ τὴν Ἑλλάδα κομίζοντες ἀγγεῖα μεστὰ τὰς πόλεις ἐπιπορεύονται καὶ διελαύνουσι, [b] σπείροντες οὐχ ἥμερον καρπὸν ὡς ὁ Τριπτόλεμος, ἀλλ' ὀφλημάτων ῥίζας πολυπόνους καὶ πολυτόκους καὶ δυσεκλείπτους τιθέντες, αἳ κύκλῳ νεμόμεναι καὶ

περιβλαστάνουσαι κάμπτουσι καὶ ἄγχουσι τὰς πόλεις. τοὺς μὲν γὰρ λαγὼς λέγουσι τίκτειν ἅμα καὶ τρέφειν ἕτερα καὶ ἐπικυΐσκεσθαι πάλιν, τὰ δὲ τῶν μαστιγιῶν τούτων καὶ βαρβάρων χρέα πρὶν ἢ συλλαβεῖν τίκτει· διδόντες γὰρ εὐθὺς ἀπαιτοῦσι καὶ τιθέντες αἴρουσι καὶ δανείζουσιν ὃ λαμβάνουσιν ὑπὲρ τοῦ δανεῖσαι.

Λέγεται μὲν παρὰ Μεσσηνίοις

[c] ἔστι Πύλος πρὸ Πύλοιο, Πύλος γε μὲν ἔστι καὶ ἄλλος·

λεχθήσεται δὲ πρὸς τοὺς δανειστὰς

ἔστι τόκος πρὸ τόκοιο, τόκος γε μὲν ἔστι καὶ ἄλλος.

εἶτα τῶν φυσικῶν δήπου καταγελῶσι, λεγόντων μηδὲν ἐκ τοῦ μὴ ὄντος γενέσθαι· παρὰ τούτοις γὰρ ἐκ τοῦ μηκέτ' ὄντος μηδ' ὑφεστῶτος γεννᾶται τόκος· καὶ τὸ τελωνεῖν ὄνειδος ἡγοῦνται, τοῦ νόμου διδόντος· αὐτοὶ γὰρ παρανόμως δανείζουσι τελωνοῦντες, μᾶλλον δ', εἰ δεῖ τἀληθὲς εἰπεῖν, ἐν τῷ δανείζειν χρεωκοποῦντες· ὁ γὰρ οὗ γράφει λαμβάνων ἔλαττον χρεωκοπεῖται. καίτοι Πέρσαι γε τὸ ψεύδεσθαι δεύτερον ἡγοῦνται τῶν ἁμαρτημάτων, πρῶτον δὲ τὸ ὀφείλειν· ὅτι καὶ τὸ ψεύδεσθαι τοῖς ὀφείλουσι [d] συμβαίνει πολλάκις· ψεύδονται δὲ μᾶλλον οἱ δανείζοντες καὶ ῥᾳδιουργοῦσιν ἐν ταῖς ἑαυτῶν ἐφημερίσι, γράφοντες ὅτι τῷ δεῖνι τοσοῦτον διδόασιν, ἔλαττον διδόντες· καὶ τὸ ψεῦδος αἰτίαν ἔχει πλεονεξίαν, οὐκ ἀνάγκην οὐδ' ἀπορίαν, ἀλλ' ἀπληστίαν, ἧς ἀναπόλαυστόν ἐστιν αὐτοῖς τὸ τέλος καὶ ἀνωφελὲς ὀλέθριον δὲ τοῖς ἀδικουμένοις. οὔτε γὰρ ἀγροὺς οὓς ἀφαιροῦνται τῶν χρεωστῶν γεωργοῦσιν, οὔτ' οἰκίας αὐτῶν, ἐκβαλόντες ἐκείνους, οἰκοῦσιν, οὔτε τραπέζας παρατίθενται οὔτ' ἐσθῆτας ἐκείνων· ἀλλὰ πρῶτός τις ἀπόλωλε, καὶ δεύτερος κυνηγετεῖται [e] ὑπ' ἐκείνου δελεαζόμενος. νέμεται γὰρ ὡς πῦρ τὸ ἄγριον αὐξόμενον ὀλέθρῳ καὶ φθορᾷ τῶν ἐμπεσόντων, ἄλλον ἐξ ἄλλου καταναλίσκον· ὁ δὲ τοῦτο ῥιπίζων καὶ τρέφων ἐπὶ πολλοὺς δανειστὴς οὐδὲν ἔχει πλέον ἢ διὰ χρόνου λαβὼν ἀναγνῶναι πόσους πέπρακε καὶ πόσους ἐκβέβληκε καὶ πόθεν που κυλινδόμενον καὶ σωρευόμενον διαβέβηκε τὸ ἀργύριον.

Καὶ ταῦτα μή μ' οἴεσθε λέγειν πόλεμον ἐξενηνοχότα πρὸς τοὺς δανειστάς·

οὐ γὰρ πώποτ' ἐμὰς βοῦς ἤλασαν οὐδὲ μὲν ἵππους·

πενίαν φέρειν μὴ δυνάμενος δανειστὴν ἐπιτίθης σεαυτῷ, φορτίον καὶ πλουτοῦντι δύσοιστον. πῶς οὖν διατραφῶ; τοῦτ’ ἐρωτᾷς, ἔχων χεῖρας, ἔχων πόδας, ἔχων φωνήν, ἄνθρωπος ὤν, ᾧ τὸ φιλεῖν ἔστι καὶ φιλεῖσθαι καὶ τὸ χαρίζεσθαι καὶ τὸ εὐχαριστεῖν; [b] γράμματα διδάσκων, καὶ παιδαγωγῶν, καὶ θυρωρῶν, πλέων, παραπλέων· οὐδέν ἐστι τούτων αἴσχιον οὐδὲ δυσχερέστερον τοῦ ἀκοῦσαι “ἀπόδος.”

Ὁ Ῥουτίλιος ἐκεῖνος ἐν Ῥώμῃ τῷ Μουσωνίῳ προσελθὼν “Μουσώνιε,” εἶπεν, “ὁ Ζεὺς ὁ σωτήρ, ὃν σὺ μιμῇ καὶ ζηλοῖς, οὐ δανείζεται.” καὶ ὁ Μουσώνιος μειδιάσας εἶπεν “οὐδὲ δανείζει.” ὁ γὰρ Ῥουτίλιος, δανείζων αὐτὸς ὠνείδιζεν ἐκείνῳ δανειζομένῳ. Στωική τις αὕτη τυφομανία· τί γάρ σε δεῖ τὸν Δία τὸν σωτῆρα κινεῖν, αὐτόθεν ὑπομνῆσαι τοῖς φαινομένοις ἐνόν; οὐ δανείζονται χελιδόνες, οὐ δανείζονται μύρμηκες, οἷς ἡ φύσις οὐ [c] χεῖρας, οὐ λόγον, οὐ τέχνην δέδωκεν· ἄνθρωποι δὲ περιουσίᾳ συνέσεως διὰ τὸ εὐμήχανον ἵππους παρατρέφουσι, κύνας, πέρδικας, λαγωούς, κολοιούς· τί οὖν γε σεαυτοῦ κατέγνωκας, ἀπιθανώτερος ὢν κολοιοῦ καὶ ἀφωνότερος πέρδικος καὶ κυνὸς ἀγεννέστερος, ὥστ’ ἀπ’ ἀνθρώπου μηδενὸς ὠφελεῖσθαι περιέπων, ψυχαγωγῶν, φυλάττων, προμαχόμενος; οὐχ ὁρᾷς, ὡς πολλὰ μὲν γῆ παρέχει πολλὰ δὲ θάλαττα;

[832] ΑΝΤΙΦΩΝ

Ἀντιφῶν Σοφίλου μὲν ἦν πατρὸς τῶν δὲ δήμων Ῥαμνούσιος· [c] μαθητεύσας δὲ τῷ πατρὶ (ἦν γὰρ σοφιστής, †ᾧ καὶ Ἀλκιβιάδης †παρ' αὐτὸν ἔτι παῖδα ὄντα φοιτῆσαι) καὶ δύναμιν λόγων κτησάμενος, ὥς τινες νομίζουσιν, ἀπ' οἰκείας φύσεως, παρέπεμψε μὲν πολιτεύεσθαι, διατριβὴν δὲ συνέστησε καὶ Σωκράτει τῷ φιλοσόφῳ διεφέρετο τὴν ὑπὲρ τῶν λόγων διαφορὰν οὐ φιλονείκως ἀλλ' ἐλεγκτικῶς, ὡς Ξενοφῶν ἱστόρηκεν ἐν τοῖς Ἀπομνημονεύμασι (1, 6). καί τινας λόγους τοῖς δεομένοις τῶν πολιτῶν συνέγραφεν εἰς τοὺς ἐν τοῖς δικαστηρίοις ἀγῶνας πρῶτος ἐπὶ τοῦτο [d] τραπείς, ὥσπερ τινές φασι· τῶν γοῦν πρὸ αὐτοῦ γενομένων οὐδενὸς φέρεται δικανικὸς λόγος, ἀλλ' οὐδὲ τῶν κατ' αὐτόν, διὰ τὸ μηδέπω ἐν ἔθει τοῦ συγγράφειν εἶναι, οὐ Θεμιστοκλέους οὐκ Ἀριστείδου οὐ Περικλέους, καίτοι πολλὰς ἀφορμὰς καὶ ἀνάγκας παρασχόντων αὐτοῖς τῶν καιρῶν· καὶ γὰρ οὐ δι' ἀσθένειαν ἀπελείποντο τοῦ συγγράφειν, ὡς δῆλον ἐκ τῶν εἰρημένων παρὰ τοῖς συγγραφεῦσι περὶ ἑνὸς ἑκάστου τῶν προειρημένων ἀνδρῶν. ὅσους μέντοι ἔχομεν ἐπὶ τὸ παλαιότατον ἀναφέροντες [e] ἀπομνημονεῦσαι τὴν ἰδέαν τῶν λόγων ταύτην μεταχειρισαμένους, τούτους εὕροι τις ἂν ἐπιβεβληκότας Ἀντιφῶντι πρεσβύτῃ ἤδη ὄντι, οἷον Ἀλκιβιάδην, Κριτίαν, Λυσίαν, Ἀρχῖνον. πρῶτος δὲ καὶ ῥητορικὰς τέχνας ἐξήνεγκε, γενόμενος ἀγχίνους· διὸ καὶ Νέστωρ ἐπεκαλεῖτο. Καικίλιος (fr. 99 Ofenloch, FHG III 332) δ' ἐν τῷ περὶ αὐτοῦ συντάγματι Θουκυδίδου τοῦ συγγραφέως καθηγητὴν τεκμαίρεται γεγονέναι ἐξ ὧν ἐπαινεῖται παρ' αὐτῷ (8, 68) ὁ Ἀντιφῶν. ἔστι δ' ἐν τοῖς λόγοις ἀκριβὴς καὶ πιθανὸς καὶ δεινὸς περὶ τὴν εὕρεσιν καὶ ἐν τοῖς ἀπόροις τεχνικὸς καὶ ἐπιχειρῶν ἐξ ἀδήλου καὶ ἐπὶ τοὺς νόμους καὶ ‹οὐ› τὰ πάθη τρέπων τοὺς λόγους τοῦ εὐπρεποῦς μάλιστα στοχαζόμενος.

[f] γέγονε δὲ κατὰ τὰ Περσικὰ καὶ Γοργίαν τὸν σοφιστήν, ὀλίγῳ ‹ὢν› νεώτερος αὐτοῦ· καὶ παρατέτακεν ἕως καταλύσεως τῆς δημοκρατίας ὑπὸ τῶν τετρακοσίων γενομένης, ἣν αὐτὸς δοκεῖ συγκατασκευάσαι, ὁτὲ μὲν δυσὶ τριηραρχῶν ναυσὶν ὁτὲ δὲ στρατηγῶν, καὶ πολλαῖς μάχαις νικῶν, καὶ συμμαχίας μεγάλας αὐτοῖς προσαγόμενος, καὶ τοὺς ἀκμάζοντας ὁπλίζων, καὶ τριήρεις πληρῶν ἑξήκοντα, καὶ πρεσβεύων δ' ἑκάστοτε ὑπὲρ αὐτῶν εἰς [833] [a] Λακεδαίμονα, ἡνίκα ἐτετείχιστο Ἠετιώνεια. μετὰ δὲ τὴν κατάλυσιν τῶν

Ἕρμιππος (FHG III 50) δέ φησιν αὐτὸν γλωττοτομηθῆναι εἰς Μακεδονίαν ἐλθόντα καὶ ῥιφῆναι ἄταφον, Ἀλφίνουν δ’ ἀνεψιὸν ὄντα αὐτῷ ἤ, ὥς τινες, Γλαυκίππου τοῦ υἱοῦ τὸν υἱὸν διὰ Φιλοπείθους τινὸς ἰατροῦ λαβόντα ἐξουσίαν τοῦ σώματος καῦσαι αὐτὸν καὶ τὰ ὀστᾶ κομίσαι εἰς Ἀθήνας τοῖς προσήκουσι παρὰ τὰ Ἀθηναίων καὶ Μακεδόνων δόγματα· οὐ μόνον γὰρ κελεῦσαι αὐτοὺς φυγεῖν, ἀλλὰ μηδ’ ἐν τῇ οἰκείᾳ ταφῆναι. οἱ δ’ ἐν Κλεωναῖς ἀποθανεῖν αὐτὸν λέγουσιν, ἀπαχθέντα μετὰ τῶν ἄλλων, ὅπου γλωττοτομηθῆναι καὶ διαφθαρῆναι ὃν προείρηται τρόπον· τοὺς δ’ οἰκείους τὰ ὀστᾶ λαβόντας θάψαι [τε] ἅμα τοῖς γονεῦσι πρὸ τῶν Ἱππάδων πυλῶν, ὥς φησιν Ἡλιόδωρος (FGrHist 372 F 34) ἐν τῷ τρίτῳ [d] περὶ μνημάτων. νυνὶ δὲ κατερήρειπται τὸ μνῆμα καὶ ἔστιν ἄδηλον. πάντων δὲ κατὰ τὴν δημηγορίαν διενεγκεῖν λέγεται· τέτακται δὲ ὑπ’ ἐνίων πρὸ Δημοσθένους. φέρονται δ’ αὐτοῦ λόγοι ἑβδομήκοντα ἑπτά, ὧν γνήσιοί εἰσι πεντήκοντα δύο. ἐγένετο δὲ καὶ πρὸς τὰ ἀφροδίσια καταφερής, ὡς ἐκβαλεῖν μὲν τὸν υἱὸν εἰσαγαγεῖν δὲ Μυρρίνην τὴν πολυτελεστάτην ἑταίραν, ἐν Πειραιεῖ δ’ ἔχειν Ἀρισταγόραν, ἐν Ἐλευσῖνι δ’ ἐν τοῖς ἰδίοις κτήμασι Φίλαν τὴν Θηβαίαν, [e] εἴκοσι μνῶν λυτρωσάμενος. ἐποιεῖτό τε τὸν περίπατον ἐν τῇ ἰχθυοπώλιδι ὁσημέραι ὡς εἰκός. ‹καὶ› δὴ καὶ [δίκῃ] Φρύνῃ τῇ ἑταίρᾳ ἀσεβεῖν κρινομένῃ συνεξητάσθη· αὐτὸς γὰρ τοῦτο ἐν ἀρχῇ τοῦ λόγου δηλοῖ· μελλούσης δ’ αὐτῆς ἁλίσκεσθαι, παραγαγὼν εἰς μέσον καὶ περιρρήξας τὴν ἐσθῆτα ἐπέδειξε τὰ στέρνα τῆς γυναικός, καὶ τῶν δικαστῶν εἰς τὸ κάλλος ἀπιδόντων ἀφείθη. συνετίθει δ’ ἡσυχῇ κατὰ τοῦ Δημοσθένους ἐγκλήματα, ὡς καὶ φωραθῆναι· νοσοῦντος γὰρ τοῦ Ὑπερείδου ἥκοντα εἰς τὴν οἰκίαν [f] τὸν Δημοσθένη ὡς ἐπισκεψόμενον καταλαβεῖν κατέχοντα τὸ καθ’ αὑτοῦ βιβλίον· τούτου δ’ ἀγανακτοῦντος εἶπε ‘φίλον μὲν ὄντα οὐδένα λυπήσει, ἐχθρὸν δὲ γενόμενον κωλύσει τι κατ’ ἐμοῦ πρᾶξαι’. ἐψηφίσατο δὲ καὶ τιμὰς Ἰόλᾳ τῷ δο‹κοῦ›ντι Ἀλεξάνδρῳ τὸ φάρμακον δοῦναι. ἐκοινώνησε δὲ καὶ Λεωσθένει τοῦ Λαμιακοῦ πολέμου, καὶ

ἐπὶ τοῖς πεσοῦσιν εἶπε τὸν ἐπιτάφιον θαυμασίως. Φιλίππου δὲ πλεῖν ἐπ' Εὐβοίας παρεσκευασμένου καὶ τῶν Ἀθηναίων εὐλαβῶς ἐχόντων, τεσσαράκοντα τριήρεις ἤθροισεν ἐξ ἐπιδόσεως καὶ πρῶτος ὑπὲρ αὑτοῦ καὶ τοῦ [850] [a] παιδὸς ἐπέδωκε δύο τριήρεις. συστάντος δὲ πρὸς Δηλίους ἀμφισβητήματος, ποτέρους δεῖ προΐστασθαι τοῦ ἱεροῦ, αἱρεθέντος Αἰσχίνου συνειπεῖν, ἡ ἐξ Ἀρείου πάγου βουλὴ Ὑπερείδην ἐχειροτόνησεν· καὶ ἔστιν ὁ λόγος Δηλιακὸς ἐπιγεγραμμένος (fr. 6775 Jensen). ἐπρέσβευσε δὲ καὶ πρὸς Ῥοδίους (fr. 161 Jensen). ἡκόντων δὲ καὶ παρ' Ἀντιπάτρου πρέσβεων, ἐπαινούντων τὸν Ἀντίπατρον ὡς χρηστόν, ἀπαντήσας αὐτοῖς εἶπεν 'οἶδα μὲν ὅτι χρηστὸς ὑπάρχει, ἀλλ' ἡμεῖς γ' οὐ δεόμεθα χρηστοῦ δεσπότου'.

ΠΕΡΙ ΤΗΣ ΗΡΟΔΟΤΟΥ ΚΑΚΟΗΘΕΙΑΣ

[854] Πολλοὺς μέν, ὦ Ἀλέξανδρε, τοῦ Ἡροδότου καὶ ἡ λέξις ὡς ἀφελὴς καὶ δίχα πόνου καὶ ῥᾳδίως ἐπιτρέχουσα τοῖς πράγμασιν ἐξηπάτηκε· πλείονες δὲ τοῦτο πρὸς τὸ ἦθος αὐτοῦ πεπόνθασιν. οὐ γὰρ [f] μόνον, ὥς φησιν ὁ Πλάτων, τῆς ἐσχάτης ἀδικίας μὴ ὄντα δοκεῖν εἶναι δίκαιον, ἀλλὰ καὶ κακοηθείας ἄκρας ἔργον εὐκολίαν μιμούμενον καὶ ἁπλότητα δυσφώρατον εἶναι. μάλιστα πρός τε Βοιωτοὺς καὶ Κορινθίους κέχρηται μηδὲ τῶν ἄλλων τινὸς ἀπεσχημένος, οἶμαι προσήκειν ἡμῖν, ἀμυνομένοις ὑπὲρ τῶν προγόνων ἅμα καὶ τῆς ἀληθείας, κατ' αὐτὸ τοῦτο τῆς γραφῆς τὸ μέρος· ἐπεὶ τά γ' ἄλλα ψεύσματα καὶ πλάσματα βουλομένοις ἐπεξιέναι πολλῶν ἂν βιβλίων δεήσειεν. ἀλλὰ

δεινὸν τὸ τᾶς Πειθοῦς πρόσωπον,

[855] [a] ὥς φησιν ὁ Σοφοκλῆς, μάλιστα δ' ὅταν ἐν λόγῳ χάριν ἔχοντι καὶ δύναμιν τοσαύτην ἐγγένηται τάς τ' ἄλλας ἀτοπίας καὶ τὸ ἦθος ἀποκρύπτειν τοῦ συγγραφέως. ὁ μὲν γὰρ Φίλιππος ἔλεγε πρὸς τοὺς ἀφισταμένους Ἕλληνας αὐτοῦ καὶ τῷ Τίτῳ προστιθεμένους, ὅτι λειότερον μὲν μακρότερον δὲ κλοιὸν μεταλαμβάνουσιν· ἡ δ' Ἡροδότου κακοήθεια λειοτέρα μέν ἐστιν ἀμέλει καὶ μαλακωτέρα τῆς Θεοπόμπου, καθάπτεται δὲ καὶ λυπεῖ μᾶλλον, ὥσπερ οἱ κρύφα διὰ στενοῦ παραπνέοντες ἄνεμοι τῶν διακεχυμένων.

Δοκεῖ δέ μοι βέλτιον εἶναι τύπῳ τινὶ λαβόντας [b] ὅσα κοινῇ μὴ καθαρᾶς μηδ' εὐμενοῦς ἐστιν ἀλλὰ κακοήθους οἷον ἴχνη καὶ γνωρίσματα διηγήσεως, εἰς ταῦτα τῶν ἐξεταζομένων ἕκαστον, ἂν ἐναρμόττῃ, τίθεσθαι.

Πρῶτον μὲν οὖν ὁ τοῖς δυσχερεστάτοις ὀνόμασι καὶ ῥήμασιν, ἐπιεικεστέρων παρόντων, ἐν τῷ λέγειν τὰ πεπραγμένα χρώμενος (ὥσπερ εἰ θειασμῷ προσκείμενον ἄγαν ἐξὸν εἰπεῖν τὸν Νικίαν ὁ δὲ θεόληπτον προσείποι, ἢ θρασύτητα καὶ μανίαν Κλέωνος μᾶλλον ἢ κουφολογίαν) οὐκ εὐμενής ἐστιν, ἀλλ' οἷον ἀπολαύων τῷ †σοφῶς †διηγεῖσθαι τοῦ πράγματος.

[c] Δεύτερον, ὅτῳ κακὸν πρόσεστιν ἄλλως τῇ δ' ἱστορίᾳ μὴ προσῆκον, ὁ δὲ συγγραφεὺς ἐπιδράττεται τούτου καὶ παρεμβάλλει τοῖς πράγμασιν οὐδὲν δεομένοις, ἀλλὰ τὴν διήγησιν ἐπεξάγων καὶ κυκλούμενος, ὅπως ἐμπεριλάβῃ ἀτύχημά τινος ἢ πρᾶξιν ἄτοπον καὶ οὐ χρηστήν, δῆλός ἐστιν ἡδόμενος τῷ κακολογεῖν. ὅθεν ὁ Θουκυδίδης οὐδὲ τῶν Κλέωνος ἁμαρτημάτων ἀφθόνων ὄντων ἐποιήσατο σαφῆ διήγησιν, Ὑπερβόλου τε τοῦ δημαγωγοῦ θιγὼν ἑνὶ ῥήματι καὶ μοχθηρὸν ἄνθρωπον προσειπὼν ἀφῆκε. Φίλιστος δὲ καὶ

Διονυσίου τῶν πρὸς τοὺς βαρβάρους ἀδικιῶν ὅσαι μὴ συνεπλέκοντο τοῖς [d] Ἑλληνικοῖς πράγμασιν ἁπάσας παρέλιπεν· αἱ γὰρ ἐκβολαὶ καὶ παρατροπαὶ τῆς ἱστορίας μάλιστα τοῖς μύθοις δίδονται καὶ ταῖς ἀρχαιολογίαις, ἔτι δὲ πρὸς τοὺς ἐπαίνους· ὁ δὲ παρενθήκην λόγου τὸ βλασφημεῖν καὶ ψέγειν ποιούμενος ἔοικεν εἰς τὴν τραγικὴν ἐμπίπτειν κατάραν,

θνητῶν ἐκλέγων τὰς συμφοράς.

Καὶ μὴν τό γ' ἀντίστροφον τούτῳ παντὶ δῆλον ὡς καλοῦ τινος κἀγαθοῦ παράλειψίς ἐστιν, ἀνυπεύθυνον δοκοῦν πρᾶγμα εἶναι, γινόμενον δὲ κακοήθως, [e] ἄνπερ ἐμπίπτῃ τὸ παραλειφθὲν εἰς τόπον προσήκοντα τῇ ἱστορίᾳ· τὸ γὰρ ἀπροθύμως ἐπαινεῖν τοῦ ψέγοντα χαίρειν οὐκ ἐπιεικέστερον, ἀλλὰ πρὸς τῷ μὴ ἐπιεικέστερον ἴσως καὶ χεῖρον.

Τέταρτον τοίνυν τίθεμαι σημεῖον οὐκ εὐμενοῦς ἐν ἱστορίᾳ τρόπου τὸ δυοῖν ἢ πλειόνων περὶ ταὐτοῦ λόγων ὄντων τῷ χείρονι προστίθεσθαι. τοῖς γὰρ σοφισταῖς ἐφεῖται πρὸς ἐργασίαν ἢ δόξαν ἔστιν ὅτε τῶν λόγων κοσμεῖν τὸν ἥττονα παραλαμβάνοντας· οὐ γὰρ ἐμποιοῦσι πίστιν ἰσχυρὰν περὶ τοῦ πράγματος [f] οὐδ' ἀρνοῦνται πολλάκις εἰς τὸ παράδοξον ἐπιχειρεῖν ὑπὲρ τῶν ἀπίστων. ὁ δ' ἱστορίαν γράφων ἃ μὲν οἶδεν ἀληθῆ λέγων δίκαιός ἐστι, τῶν δ' ἀδήλων τὰ βελτίονα δοκεῖν ἀληθῶς λέγεσθαι μᾶλλον ἢ τὰ χείρονα. πολλοὶ δ' ὅλως τὰ χείρονα παραλείπουσιν· ὥσπερ ἀμέλει περὶ Θεμιστοκλέους Ἔφορος μέν, εἰπὼν ὅτι τὴν Παυσανίου προδοσίαν ἔγνω καὶ τὰ πρασσόμενα πρὸς τοὺς βασιλέως στρατηγούς, "ἀλλ' οὐκ ἐπείσθη," φησίν, "οὐδὲ προσεδέξατο κοινουμένου καὶ παρακαλοῦντος αὐτὸν ἐπὶ τὰς ἐλπίδας"· Θουκυδίδης δὲ καὶ τὸ παράπαν τὸν λόγον τοῦτον ὡς κατεγνωκὼς παρῆκεν.

Ἔτι τοίνυν ἐπὶ τῶν ὁμολογουμένων πεπρᾶχθαι, τὴν δ' αἰτίαν ἀφ' ἧς πέπρακται καὶ τὴν διάνοιαν ἐχόντων ἄδηλον, ὁ πρὸς τὸ χεῖρον εἰκάζων δυσμενής ἐστι καὶ κακοήθης· ὥσπερ οἱ κωμικοὶ [856] [a] τὸν πόλεμον ὑπὸ τοῦ Περικλέους ἐκκεκαῦσθαι δι' Ἀσπασίαν ἢ διὰ Φειδίαν ἀποφαίνοντες, οὐ φιλοτιμίᾳ τινὶ καὶ φιλονεικίᾳ μᾶλλον στορέσαι τὸ φρόνημα Πελοποννησίων καὶ μηδενὸς ὑφεῖσθαι Λακεδαιμονίοις ἐθελήσαντος. εἰ μὲν γάρ τις εὐδοκιμοῦσιν ἔργοις καὶ πράγμασιν ἐπαινουμένοις αἰτίαν φαύλην ὑποτίθησι καὶ κατάγεται ταῖς διαβολαῖς εἰς ὑποψίας ἀτόπους περὶ τῆς ἐν ἀφανεῖ προαιρέσεως τοῦ πράξαντος, αὐτὸ τὸ πεπραγμένον ἐμφανῶς οὐ δυνάμενος ψέγειν (ὥσπερ οἱ τὸν ὑπὸ Θήβης Ἀλεξάνδρου τοῦ τυράννου φόνον οὐ μεγαλονοίας οὐδὲ μισοπονηρίας, ζήλου δέ τινος ἔργον [b] καὶ πάθους γυναικείου τιθέμενοι· καὶ Κάτωνα λέγοντες ἑαυτὸν ἀνελεῖν δείσαντα τὸν μετ' αἰκίας θάνατον ὑπὸ Καίσαρος), εὔδηλον ὅτι φθόνου καὶ κακοηθείας ὑπερβολὴν οὐ λέλοιπε.

Δέχεται δὲ καὶ παρὰ τὸν τρόπον τοῦ ἔργου διήγησις ἱστορικὴ κακοήθειαν, ἂν χρήμασι φάσκῃ μὴ δι᾽ ἀρετῆς κατειργάσθαι τὴν πρᾶξιν, ὡς Φίλιππον ἔνιοι φάσκουσιν· ἂν σὺν οὐδενὶ πόνῳ καὶ ῥᾳδίως, ὡς Ἀλέξανδρον· ἂν μὴ φρονίμως ἀλλ᾽ εὐτυχῶς, ὡς Τιμόθεον οἱ ἐχθροί, γράφοντες ἐν πίναξιν εἰς κύρτον τινὰ τὰς πόλεις αὐτάς, ἐκείνου καθεύδοντος, ὑποδυομένας. δῆλον γὰρ ὅτι τῶν [c] πράξεων ἐλαττοῦσι τὸ μέγεθος καὶ τὸ κάλλος οἱ τὸ γενναίως καὶ φιλοπόνως καὶ κατ᾽ ἀρετὴν καὶ δι᾽ αὐτῶν ἀφαιροῦντες.

Ἔστι τοίνυν τοῖς ἀπ᾽ εὐθείας οὓς βούλονται κακῶς λέγουσι δυσκολίαν ἐπικαλεῖν καὶ θρασύτητα καὶ μανίαν, ἐὰν μὴ μετριάζωσιν· οἱ δὲ πλαγίως οἷον ἐξ ἀφανοῦς βέλεσι χρώμενοι ταῖς διαβολαῖς, εἶτα περιιόντες ὀπίσω καὶ ἀναδυόμενοι, τῷ φάσκειν ἀπιστεῖν ἃ πάνυ πιστεύεσθαι θέλουσιν, ἀρνούμενοι κακοήθειαν ἀνελευθερίαν τῇ κακοηθείᾳ προσοφλισκάνουσιν.

Ἐγγὺς δὲ τούτων εἰσὶν οἱ τοῖς ψόγοις ἐπαίνους τινὰς παρατιθέντες, ὡς ἐπὶ Σωκράτους Ἀριστόξενος, [d] ἀπαίδευτον καὶ ἀμαθῆ καὶ ἀκόλαστον εἰπών, ἐπήνεγκεν "ἀδικία δ᾽ οὐ προσῆν." ὥσπερ γὰρ οἱ σύν τινι τέχνῃ καὶ δεινότητι κολακεύοντες ἔστιν ὅτε πολλοῖς καὶ μακροῖς ἐπαίνοις ψόγους παραμιγνύουσιν ἐλαφρούς, οἷον ἥδυσμα τῇ κολακείᾳ τὴν παρρησίαν ἐμβάλλοντες, οὕτω τὸ κακόηθες εἰς πίστιν ὧν ψέγει προϋποτίθεται τὸν ἔπαινον.

Ἦν δὲ καὶ πλείονας καταριθμεῖσθαι τῶν χαρακτήρων· ἀρκοῦσι δ᾽ οὗτοι κατανόησιν τἀνθρώπου τῆς προαιρέσεως καὶ τοῦ τρόπου παρασχεῖν.

Πρῶτα δὴ πάντων ὥσπερ ἀφ᾽ ἑστίας ἀρξάμενος Ἰοῦς τῆς Ἰνάχου θυγατρός, ἣν πάντες Ἕλληνες [e] ἐκτεθειῶσθαι νομίζουσι ταῖς τιμαῖς ὑπὸ τῶν βαρβάρων καὶ καταλιπεῖν ὄνομα πολλαῖς μὲν θαλάτταις, πορθμῶν δὲ τοῖς μεγίστοις ἀφ᾽ αὐτῆς διὰ τὴν δόξαν, ἀρχὴν δὲ καὶ πηγὴν τῶν ἐπιφανεστάτων καὶ βασιλικωτάτων γενῶν παρασχεῖν· ταύτην ὁ γενναῖος ἐπιδοῦναί φησιν ἑαυτὴν Φοίνιξι φορτηγοῖς, ὑπὸ τοῦ ναυκλήρου διαφθαρεῖσαν ἑκουσίως καὶ φοβουμένην μὴ κύουσα φανερὰ γένηται. καὶ καταψεύδεται Φοινίκων ὡς ταῦτα περὶ αὐτῆς λεγόντων. Περσῶν δὲ τοὺς λογίους μαρτυρεῖν φήσας, ὅτι τὴν Ἰοῦν μετ᾽ ἄλλων γυναικῶν οἱ Φοίνικες ἀφαρπάσειαν, [f] εὐθὺς ἀποφαίνεται γνώμην τὸ κάλλιστον ἔργον καὶ μέγιστον τῆς Ἑλλάδος ἀβελτερίᾳ τὸν Τρωικὸν πόλεμον γενέσθαι διὰ γυναῖκα φαύλην. "δῆλον γάρ," φησίν, "ὅτι, εἰ μὴ αὐταὶ ἐβούλοντο, οὐκ ἂν ἡρπάζοντο." καὶ τοὺς θεοὺς τοίνυν ἀβέλτερα ποιεῖν λέγωμεν, ὑπὲρ τῶν Λεύκτρου θυγατέρων βιασθεισῶν μηνίοντας Λακεδαιμονίοις καὶ κολάζοντας Αἴαντα διὰ τὴν Κασάνδρας ὕβριν· δῆλα γὰρ δὴ καθ᾽ Ἡρόδοτον ὅτι, εἰ μὴ αὐταὶ ἐβούλοντο, οὐκ ἂν ὑβρίζοντο. καίτοι καὶ Ἀριστομένη φησὶν αὐτὸς ὑπὸ

Λακεδαιμονίων ζῶντα συναρπασθῆναι, καὶ Φιλοποίμην ὕστερον ὁ τῶν Ἀχαιῶν στρατηγὸς [857] [a] ταὐτὸ τοῦτ' ἔπαθε, καὶ Ῥηγοῦλον ἐχειρώσαντο Καρχηδόνιοι τὸν Ῥωμαίων ὕπατον· ὧν ἔργον εὑρεῖν μαχιμωτέρους καὶ πολεμικωτέρους ἄνδρας. ἀλλὰ θαυμάζειν οὐκ ἄξιον, ὅπου καὶ παρδάλεις ζώσας καὶ τίγρεις συναρπάζουσιν ἄνθρωποι· Ἡρόδοτος δὲ κατηγορεῖ τῶν βιασθεισῶν γυναικῶν, ἀπολογούμενος ὑπὲρ τῶν ἁρπασάντων.

Οὕτω δὲ φιλοβάρβαρός ἐστιν, ὥστε Βούσιριν ἀπολύσας τῆς λεγομένης ἀνθρωποθυσίας καὶ ξενοκτονίας, καὶ πᾶσιν Αἰγυπτίοις ὁσιότητα πολλὴν καὶ δικαιοσύνην μαρτυρήσας, ἐφ' Ἕλληνας ἀναστρέφει τὸ μύσος τοῦτο καὶ τὴν μιαιφονίαν. ἐν γὰρ τῇ [b] δευτέρᾳ βίβλῳ Μενέλαόν φησι παρὰ Πρωτέως ἀπολαβόντα τὴν Ἑλένην καὶ τιμηθέντα δωρεαῖς μεγάλαις ἀδικώτατον ἀνθρώπων γενέσθαι καὶ κάκιστον· ὑπὸ γὰρ ἀπλοίας συνεχόμενον "ἐπιτεχνήσασθαι πρᾶγμα οὐχ ὅσιον, καὶ λαβόντα δύο παιδία ἀνδρῶν ἐπιχωρίων ἔντομά σφεα ποιῆσαι· μισηθέντα δ' ἐπὶ τούτῳ καὶ διωκόμενον οἴχεσθαι φεύγοντα τῇσι νηυσὶν ἐπὶ Λιβύης." τοῦτον δὲ τὸν λόγον οὐκ οἶδ' ὅστις Αἰγυπτίων εἴρηκεν· ἀλλὰ τἀναντία πολλαὶ μὲν Ἑλένης πολλαὶ δὲ Μενελάου τιμαὶ διαφυλάττονται παρ' αὐτοῖς.

Ὁ δὲ συγγραφεὺς ἐπιμένων Πέρσας μέν φησι [c] παισὶ μίσγεσθαι παρ' Ἑλλήνων μαθόντας. καίτοι πῶς Ἕλλησι Πέρσαι διδασκάλια ταύτης ὀφείλουσι τῆς ἀκολασίας, παρ' οἷς ὀλίγου δεῖν ὑπὸ πάντων ὁμολογεῖται παῖδας ἐκτετμῆσθαι, πρὶν Ἑλληνικὴν ἰδεῖν θάλασσαν; Ἕλληνας δὲ μαθεῖν παρ' Αἰγυπτίων πομπὰς καὶ πανηγύρεις, καὶ τὸ τοὺς δώδεκα θεοὺς σέβεσθαι· Διονύσου δὲ καὶ τοὔνομα παρ' Αἰγυπτίων Μελάμποδα μαθεῖν καὶ διδάξαι τοὺς ἄλλους Ἕλληνας· μυστήρια δὲ καὶ τὰς περὶ Δήμητρα τελετὰς ὑπὸ τῶν Δαναοῦ θυγατέρων ἐξ Αἰγύπτου κομισθῆναι. καὶ τύπτεσθαι μὲν Αἰγυπτίους φησὶ καὶ πενθεῖν, ὃν δὲ θεὸν οὐ βούλεσθαι [d] αὐτὸς ὀνομάζειν, ἀλλ' εὐστόμως κεῖσθαι περὶ τῶν θείων. Ἡρακλέα δὲ καὶ Διόνυσον οὓς μὲν Αἰγύπτιοι σέβονται, παλαιοὺς ἀποφαίνων ὄντας θεούς, οὓς Ἕλληνες δέ, ἀνθρώπους καταγεγηρακότας, οὐδαμοῦ ταύτην προύθετο τὴν εὐλάβειαν. καίτοι καὶ τὸν Αἰγύπτιον Ἡρακλέα τῶν δευτέρων θεῶν γενέσθαι λέγει καὶ τὸν Διόνυσον τῶν τρίτων, ὡς ἀρχὴν ἐσχηκότας γενέσεως καὶ οὐκ ὄντας ἀιδίους· ἀλλ' ὅμως ἐκείνους μὲν ἀποφαίνει θεούς, τούτοις δ' ὡς φθιτοῖς καὶ ἥρωσιν ἐναγίζειν οἴεται δεῖν ἀλλὰ μὴ θύειν ὡς θεοῖς. ταὐτὰ καὶ περὶ Πανὸς εἴρηκε, [e] ταῖς Αἰγυπτίων ἀλαζονείαις καὶ μυθολογίαις τὰ σεμνότατα καὶ ἁγνότατα τῶν Ἑλληνικῶν ἱερῶν ἀνατρέπων.

Καὶ οὐ τοῦτο δεινόν· ἀλλ' ἀναγαγὼν εἰς Περσέα τὸ Ἡρακλέους γένος Περσέα μὲν Ἀσσύριον γεγονέναι λέγει κατὰ τὸν Περσῶν λόγον· "οἱ δὲ

Δωριέων," φησίν, "ἡγεμόνες φαίνοιντ' ἂν Αἰγύπτιοι ἰθαγενέες ἐόντες, καταλέγοντι τοὺς ἄνω Δανάης καὶ Ἀκρισίου πατέρας." τὸν γὰρ Ἔπαφον καὶ τὴν Ἰὼ καὶ τὸν Ἴασον καὶ τὸν Ἄργον ὅλως ἀφῆκε, φιλοτιμούμενος μὴ μόνον ἄλλους Ἡρακλεῖς Αἰγυπτίους καὶ Φοίνικας ἀποφαίνειν, ἀλλὰ καὶ τοῦτον, ὃν αὐτὸς τρίτον γεγονέναι φησίν, [f] εἰς βαρβάρους ἀποξενῶσαι τῆς Ἑλλάδος. καίτοι τῶν παλαιῶν καὶ λογίων ἀνδρῶν οὐχ Ὅμηρος οὐχ Ἡσίοδος οὐκ Ἀρχίλοχος οὐ Πείσανδρος οὐ Στησίχορος οὐκ Ἀλκμὰν οὐ Πίνδαρος Αἰγυπτίου ἔσχον λόγον Ἡρακλέους ἢ Φοίνικος, ἀλλ' ἕνα τοῦτον ἴσασι πάντες Ἡρακλέα τὸν Βοιώτιον ὁμοῦ καὶ Ἀργεῖον.

Καὶ μὴν τῶν ἑπτὰ σοφῶν, οὓς αὐτὸς σοφιστὰς προσεῖπε, τὸν μὲν Θάλητα Φοίνικα τῷ γένει τὸ ἀνέκαθεν ἀποφαίνεται βάρβαρον· τοῖς δὲ θεοῖς λοιδορούμενος ἐν τῷ Σόλωνος προσωπείῳ ταῦτ' εἴρηκεν· "ὦ Κροῖσε, ἐπιστάμενόν με τὸ θεῖον πᾶν [858] [a] ἐὸν φθονερόν τε καὶ ταραχῶδες ἐπειρωτᾷς ἀνθρωπηίων πραγμάτων πέρι"· ἃ γὰρ αὐτὸς ἐφρόνει περὶ τῶν θεῶν τῷ Σόλωνι προστριβόμενος κακοήθειαν τῇ βλασφημίᾳ προστίθησι. Πιττακῷ τοίνυν εἰς μικρὰ καὶ οὐκ ἄξια λόγου χρησάμενος, ὃ μέγιστόν ἐστι τῶν πεπραγμένων τἀνδρὶ καὶ κάλλιστον, ἐν ταῖς πράξεσι γενόμενος, παρῆκε. πολεμούντων γὰρ Ἀθηναίων καὶ Μυτιληναίων περὶ Σιγείου καὶ Φρύνωνος τοῦ στρατηγοῦ τῶν Ἀθηναίων προκαλεσαμένου τὸν βουλόμενον εἰς μονομαχίαν, ἀπήντησεν [b] ὁ Πιττακὸς καὶ δικτύῳ περιβαλὼν τὸν ἄνδρα ῥωμαλέον ὄντα καὶ μέγαν ἀπέκτεινε· τῶν δὲ Μυτιληναίων δωρεὰς αὐτῷ μεγάλας διδόντων, ἀκοντίσας τὸ δόρυ τοῦτο μόνον τὸ χωρίον ἠξίωσεν ὅσον ἐπέσχεν ἡ αἰχμή· καὶ καλεῖται μέχρι νῦν Πιττάκειον. τί οὖν ὁ Ἡρόδοτος, κατὰ τὸν τόπον γενόμενος τοῦτον; ἀντὶ τῆς Πιττακοῦ ἀριστείας τὴν Ἀλκαίου διηγήσατο τοῦ ποιητοῦ φυγὴν ἐκ τῆς μάχης, τὰ ὅπλα ῥίψαντος· τῷ τὰ μὲν χρηστὰ μὴ γράψαι τὰ δ' αἰσχρὰ μὴ παραλιπεῖν μαρτυρήσας τοῖς ἀπὸ μιᾶς κακίας καὶ τὸν φθόνον φύεσθαι καὶ τὴν ἐπιχαιρεκακίαν λέγουσι.

[c] Μετὰ ταῦτα τοὺς Ἀλκμεωνίδας, ἄνδρας γενομένους καὶ τὴν πατρίδα τῆς τυραννίδος ἐλευθερώσαντας, εἰς αἰτίαν ἐμβαλὼν προδοσίας δέξασθαί φησι τὸν Πεισίστρατον ἐκ τῆς φυγῆς καὶ συγκαταγαγεῖν ἐπὶ τῷ γάμῳ τῆς Μεγακλέους θυγατρός· τὴν δὲ παῖδα πρὸς τὴν μητέρα φράσαι τὴν ἑαυτῆς ὅτι "ὦ μαμμίδιον, ὁρᾷς; οὐ μίγνυταί μοι κατὰ νόμον Πεισίστρατος." ἐπὶ τούτῳ δὲ τοὺς Ἀλκμεωνίδας τῷ παρανομήματι σχετλιάσαντας ἐξελάσαι τὸν τύραννον.

Ἵνα τοίνυν μηδ' οἱ Λακεδαιμόνιοι τῶν Ἀθηναίων ἔλαττον ἔχωσι τῆς κακοηθείας, τὸν ἐν αὐτοῖς μάλιστα θαυμαζόμενον καὶ τιμώμενον ὅρα πῶς [d] διαλελύμανται, τὸν Ὀθρυάδαν· "τὸν δὲ ἕνα," φησί, "τὸν περιλειφθέντα τῶν τριηκοσίων αἰσχυνόμενον ἀπονοστέειν ἐς Σπάρτην, τῶν συλλοχιτέων

διεφθαρμένων, αὐτοῦ μιν ἐν τῇσι Θυρέῃσι καταχρήσασθαι ἑωυτόν.” ἄνω μὲν γὰρ ἀμφοτέροις ἐπίδικον εἶναι τὸ νίκημά φησιν, ἐνταῦθα δὲ τῇ αἰσχύνῃ τοῦ Ὀθρυάδου τὴν ἧτταν τῶν Λακεδαιμονίων κατεμαρτύρησεν· ἡττηθέντα μὲν γὰρ ζῆν αἰσχρὸν ἦν, περιγενέσθαι δὲ νικῶντα κάλλιστον.

Ἐῶ τοίνυν ὅτι τὸν Κροῖσον ἀμαθῆ καὶ ἀλαζόνα καὶ γελοῖον φήσας ἐν πᾶσιν, ὑπὸ τούτου φησίν, αἰχμαλώτου γενομένου, καὶ παιδαγωγεῖσθαι καὶ νουθετεῖσθαι τὸν Κῦρον, ὃς φρονήσει καὶ ἀρετῇ καὶ [e] μεγαλονοίᾳ πολὺ πάντων δοκεῖ πεπρωτευκέναι τῶν βασιλένω· τῷ δὲ Κροίσῳ μηδὲν ἄλλο καλὸν ἢ τὸ τιμῆσαι τοὺς θεοὺς ἀναθήμασι πολλοῖς καὶ μεγάλοις μαρτυρήσας, αὐτὸ τοῦτο πάντων ἀσεβέστατον ἀποδείκνυσιν ἔργον. ἀδελφὸν γὰρ αὐτοῦ Πανταλέοντα περὶ τῆς βασιλείας αὐτῷ διαφέρεσθαι, ζῶντος ἔτι τοῦ πατρός· τὸν οὖν Κροῖσον, ὡς εἰς τὴν βασιλείαν κατέστη, τῶν ἑταίρων καὶ φίλων τοῦ Πανταλέοντος [f] ἕνα τῶν γνωρίμων ἐπὶ κνάφου διαφθεῖραι καταξαινόμενον, ἐκ δὲ τῶν χρημάτων αὐτοῦ ποιησάμενον ἀναθήματα τοῖς θεοῖς ἀποστεῖλαι. Δηιόκην δὲ τὸν Μῆδον ἀρετῇ καὶ δικαιοσύνῃ κτησάμενον τὴν ἡγεμονίαν οὐ φύσει γενέσθαι φησὶ τοιοῦτον, ἐρασθέντα δὲ τυραννίδος ἐπιθέσθαι προσποιήματι δικαιοσύνης.

Ἀλλ’ ἀφίημι τὰ τῶν βαρβάρων· ἀφθονίαν γὰρ αὐτὸς ἐν τοῖς Ἑλληνικοῖς πεποίηκεν. Ἀθηναίους τοίνυν καὶ τοὺς πολλοὺς τῶν ἄλλων Ἰώνων ἐπαισχύνεσθαι τῷ ὀνόματι τούτῳ, μὴ βουλομένους ἀλλὰ φεύγοντας Ἴωνας κεκλῆσθαι, τοὺς δὲ νομίζοντας αὐτῶν γενναιοτάτους εἶναι καὶ ὁρμηθέντας ἀπὸ τοῦ πρυτανηίου τῶν Ἀθηναίων ἐκ βαρβάρων παιδοποιήσασθαι γυναικῶν, πατέρας αὐτῶν καὶ ἄνδρας καὶ παῖδας φονεύσαντας· διὸ τὰς γυναῖκας νόμον θέσθαι καὶ ὅρκους ἐπελάσαι καὶ παραδοῦναι ταῖς θυγατράσι, μήποτε ὁμοσιτῆσαι τοῖς ἀνδράσι μηδ’ ὀνομαστὶ βοῆσαι τὸν αὑτῆς ἄνδρα· καὶ τοὺς [859] [a] νῦν ὄντας Μιλησίους ἐξ ἐκείνων γεγονέναι τῶν γυναικῶν. ὑπειπὼν δὲ καθαρῶς Ἴωνας γεγονέναι τοὺς Ἀπατούρια ἄγοντας ἑορτήν, “ἄγουσι δὲ πάντες,” φησί, “πλὴν Ἐφεσίων καὶ Κολοφωνίων.” τούτους μὲν οὕτως ἐκκέκλεικε τῆς εὐγενείας.

Πακτύην δ’ ἀποστάντα Κύρου φησὶ Κυμαίους καὶ Μυτιληναίους ἐκδιδόναι παρασκευάζεσθαι τὸν ἄνθρωπον “ἐπὶ μισθῷ ὅσῳ δή, οὐ γὰρ ἔχω γε εἰπεῖν ἀτρεκέως” (εὖ τὸ μὴ διαβεβαιοῦσθαι πόσος ἦν ὁ μισθός, τηλικοῦτο δ’ Ἑλληνίδι πόλει προσβαλεῖν ὄνειδος, ὡς δὴ σαφῶς εἰδότα)· Χίους [b] μέντοι τὸν Πακτύην κομισθέντα πρὸς αὐτοὺς ἐξ ἱροῦ Ἀθηναίης πολιούχου ἐκδοῦναι, καὶ ταῦτα ποιῆσαι τοὺς Χίους τὸν Ἀταρνέα μισθὸν λαβόντας. καίτοι Χάρων ὁ Λαμψακηνός, ἀνὴρ πρεσβύτερος, ἐν τοῖς περὶ Πακτύην λόγοις γενόμενος, τοιοῦτον οὐδὲν οὔτε Μυτιληναίοις οὔτε Χίοις ἄγος προστέτριπται· ταυτὶ δὲ

κατὰ λέξιν γέγραφε, "Πακτύης δὲ ὡς ἐπύθετο προσελαύνοντα τὸν στρατὸν τὸν Περσικὸν ᾤχετο φεύγων ἄρτι μὲν εἰς Μυτιλήνην, ἔπειτα δὲ εἰς Χίον· καὶ αὐτοῦ ἐκράτησε Κῦρος."

Ἐν δὲ τῇ τρίτῃ τῶν βίβλων διηγούμενος τὴν Λακεδαιμονίων ἐπὶ Πολυκράτη τὸν τύραννον [c] στρατείαν, αὐτοὺς μὲν οἴεσθαί φησι καὶ λέγειν Σαμίους, ὡς χάριν ἐκτίνοντες αὐτοῖς τῆς ἐπὶ Μεσσηνίους βοηθείας στρατεύσειαν, τούς τε φεύγοντας κατάγοντες τῶν πολιτῶν καὶ τῷ τυράννῳ πολεμοῦντες· ἀρνεῖσθαι δὲ τὴν αἰτίαν ταύτην Λακεδαιμονίους, καὶ λέγειν ὡς οὐ βοηθοῦντες οὐδ' ἐλευθεροῦντες ἀλλὰ τιμωρούμενοι Σαμίους στρατεύσαιντο, κρατῆρά τινα πεμπόμενον Κροίσῳ παρ' αὐτῶν καὶ θώρακα πάλιν παρ' Ἀμάσιδος κομιζόμενον αὐτοῖς ἀφελομένους. καίτοι πόλιν ἐν τοῖς τότε χρόνοις οὔτε φιλότιμον οὕτως οὔτε μισοτύραννον ἴσμεν ὡς τὴν Λακεδαιμονίων γενομένην· ποίου γὰρ ἕνεκα θώρακος ἢ τίνος κρατῆρος ἑτέρου Κυψελίδας μὲν [d] ἐξέβαλον ἐκ Κορίνθου καὶ Ἀμπρακίας ἐκ δὲ Νάξου Λύγδαμιν ἐξ Ἀθηνῶν δὲ τοὺς Πεισιστράτου παῖδας ἐκ δὲ Σικυῶνος Αἰσχίνην ἐκ Θάσου δὲ Σύμμαχον ἐκ δὲ Φωκέων Αὖλιν ἐκ Μιλήτου δ' Ἀριστογένη, τὴν δ' ἐν Θετταλοῖς δυναστείαν ἔπαυσαν, Ἀριστομήδη καὶ Ἀγέλαον καταλύσαντες διὰ Λεωτυχίδου τοῦ βασιλέως; περὶ ὧν ἐν ἄλλοις ἀκριβέστερον γέγραπται. κατὰ δ' Ἡρόδοτον οὔτε κακίας οὔτ' ἀβελτερίας ὑπερβολὴν λελοίπασιν, εἰ τὴν καλλίστην καὶ δικαιοτάτην τῆς στρατείας ἀρνούμενοι πρόφασιν ὡμολόγουν διὰ μνησικακίαν καὶ μικρολογίαν ἐπιτίθεσθαι δυστυχοῦσιν ἀνθρώποις καὶ κακῶς πράττουσιν.

[e] Οὐ μὴν ἀλλὰ Λακεδαιμονίους μὲν ἁμωσγέπως ὑποπεσόντας αὐτοῦ τῷ γραφείῳ προσέχρωσε· τὴν δὲ Κορινθίων πόλιν, ἐκτὸς δρόμου κατὰ τοῦτον οὖσαν τὸν τόπον, ὅμως προσπεριλαβὼν ὁδοῦ, φασί, πάρεργον ἀνέπλησεν αἰτίας δεινῆς καὶ μοχθηροτάτης διαβολῆς. "συνεπελάβοντο γάρ," φησί, "τοῦ στρατεύματος τοῦ ἐπὶ Σάμον ὥστε γενέσθαι [f] καὶ Κορίνθιοι προθύμως, ὑβρίσματος εἰς αὐτοὺς ὑπὸ Σαμίων πρότερον ὑπάρξαντος. ἦν δὲ τοιοῦτο· Κερκυραίων παῖδας τριακοσίους τῶν πρώτων Περίανδρος ὁ Κορίνθου τύραννος ἐπ' ἐκτομῇ παρ' Ἀλυάττην ἔπεμπε· τούτους ἀποβάντας εἰς τὴν νῆσον οἱ Σάμιοι διδάξαντες ἐν ἱερῷ Ἀρτέμιδος ἱκέτας καθίζεσθαι καὶ τρωκτὰ προτιθέντες αὐτοῖς ὁσημέραι σησάμου καὶ μέλιτος περιεποίησαν." τοῦθ' ὕβρισμα Σαμίων εἰς Κορινθίους ὁ συγγραφεὺς προσαγορεύει καὶ διὰ τοῦτό φησι συμπαροξῦναι Λακεδαιμονίους κατ' αὐτῶν ἔτεσιν οὐκ ὀλίγοις ὕστερον, ἔγκλημα ποιησαμένους ὅτι τριακοσίους παῖδας Ἑλλήνων ἐφύλαξαν ἄνδρας. ὁ δὲ τοῦτο Κορινθίοις προστριβόμενος τοὔνειδος ἀποφαίνει τοῦ τυράννου μοχθηροτέραν τὴν πόλιν· ἐκεῖνος μέν γε τὸν υἱὸν αὐτοῦ Κερκυραίους

ἀνελόντας ἠμύνατο, Κορίνθιοι δὲ τί παθόντες ἐτιμωροῦντο Σαμίους ἐμποδὼν στάντας ὠμότητι καὶ παρανομίᾳ τοσαύτῃ, καὶ ταῦτα μετὰ τρεῖς γενεὰς ὀργὴν καὶ μνησικακίαν ἀναφέροντες ὑπὲρ τυραννίδος, [860] [a] ἧς καταλυθείσης πᾶν τε μνῆμα καὶ πᾶν ἴχνος ἐξαλείφοντες καὶ ἀφανίζοντες οὐκ ἐπαύοντο, χαλεπῆς καὶ βαρείας αὐτοῖς γενομένης;

Ἀλλὰ δὴ τὸ μὲν ὕβρισμα τοιοῦτον ἦν τὸ Σαμίων εἰς Κορινθίους· τὸ δὲ τιμώρημα ποῖόν τι τὸ Κορινθίων εἰς Σαμίους; εἰ γὰρ ὄντως ὠργίζοντο Σαμίοις, οὐ παροξύνειν, ἀποτρέπειν δὲ μᾶλλον αὐτοῖς ἦν προσῆκον Λακεδαιμονίους ἐπὶ Πολυκράτη [b] στρατευομένους, ὅπως μὴ τοῦ τυράννου καταλυθέντος ἐλεύθεροι Σάμιοι γένοιντο καὶ παύσαιντο δουλεύοντες. ὃ δὲ μέγιστόν ἐστι, τί δήποτε Κορίνθιοι Σαμίοις μὲν ὠργίζοντο βουληθεῖσι σῶσαι καὶ μὴ δυνηθεῖσι Κερκυραίων παῖδας, Κνιδίοις δὲ τοῖς σώσασι καὶ ἀποδοῦσιν οὐκ ἐνεκάλουν; καίτοι Κερκυραῖοι Σαμίων μὲν ἐπὶ τούτῳ λόγον οὐ πολὺν ἔχουσι, Κνιδίων δὲ μέμνηνται καὶ Κνιδίοις εἰσὶ τιμαὶ καὶ ἀτέλειαι καὶ ψηφίσματα παρ’ αὐτοῖς· οὗτοι γὰρ ἐπιπλεύσαντες ἐξήλασαν ἐκ τοῦ ἱεροῦ τοὺς Περιάνδρου [c] φύλακας, αὐτοὶ δ’ ἀναλαβόντες τοὺς παῖδας εἰς Κέρκυραν διεκόμισαν, ὡς Ἀντήνωρ ἐν τοῖς Κρητικοῖς ἱστόρηκε καὶ Διονύσιος ὁ Χαλκιδεὺς ἐν ταῖς Κτίσεσιν.

Ὅτι δ’ οὐ τιμωρούμενοι Σαμίους ἀλλ’ ἐλευθεροῦντες ἀπὸ τοῦ τυράννου καὶ σῴζοντες ἐστράτευσαν οἱ Λακεδαιμόνιοι, Σαμίοις αὐτοῖς ἔστι χρήσασθαι μάρτυσιν. Ἀρχίᾳ γὰρ ἀνδρὶ Σπαρτιάτῃ λαμπρῶς ἀγωνισαμένῳ τότε καὶ πεσόντι τάφον εἶναι δημοσίᾳ κατεσκευασμένον ἐν Σάμῳ καὶ τιμώμενον ὑπ’ αὐτῶν λέγουσι· διὸ καὶ τοὺς ἀπογόνους τἀνδρὸς ἀεὶ διατελεῖν Σαμίοις οἰκείως καὶ φιλανθρώπως προσφερομένους, ὡς αὐτὸς Ἡρόδοτος ταῦτα γοῦν ἀπομεμαρτύρηκεν.

Ἐν δὲ τῇ πέμπτῃ, τῶν ἀρίστων Ἀθήνησι καὶ πρώτων ἀνδρῶν Κλεισθένη μὲν ἀναπεῖσαί φησι [d] τὴν Πυθίαν ψευδόμαντιν γενέσθαι, προφέρουσαν ἀεὶ Λακεδαιμονίοις ἐλευθεροῦν ἀπὸ τῶν τυράννων τὰς Ἀθήνας, καλλίστῳ μὲν ἔργῳ καὶ δικαιοτάτῳ προσάπτων ἀσεβήματος διαβολὴν τηλικούτου καὶ ῥᾳδιουργήματος, ἀφαιρούμενος δὲ τοῦ θεοῦ μαντείαν καλὴν καὶ ἀγαθὴν καὶ τῆς λεγομένης συμπροφητεύειν Θέμιδος ἀξίαν. Ἰσαγόραν δὲ τῆς γαμετῆς ὑφίεσθαι Κλεομένει φοιτῶντι παρ’ αὐτήν· ὡς δ’ εἰώθει, παραμιγνὺς πίστεως ἕνεκα τοῖς ψόγοις ἐπαίνους [e] τινάς, “Ἰσαγόρης δέ,” φησίν, “ὁ Τισάνδρου οἰκίης μὲν ἦν δοκίμου, ἀτὰρ τὰ ἀνέκαθεν οὐκ ἔχω φράσαι· θύουσι δὲ οἱ συγγενεῖς αὐτοῦ Διὶ Καρίῳ.” εὔρυθμός γε καὶ πολιτικὸς ὁ μυκτὴρ τοῦ συγγραφέως, εἰς Κᾶρας ὥσπερ εἰς κόρακας ἀποδιοπομπουμένου τὸν Ἰσαγόραν. Ἀριστογείτονα μέντοι οὐκέτι κύκλῳ καὶ κακῶς, ἀλλ’ ἄντικρυς διὰ

πυλῶν εἰς Φοινίκην ἐξελαύνει, Γεφυραῖον γεγονέναι λέγων ἀνέκαθεν· τοὺς δὲ Γεφυραίους οὐκ ἀπ᾽ Εὐβοίας [f] οὐδ᾽ Ἐρετριεῖς, ὥσπερ οἴονταί τινες, ἀλλὰ Φοίνικας εἶναί φησιν, αὐτὸς οὕτω πεπυσμένος.

Ἀφελέσθαι τοίνυν Λακεδαιμονίους μὴ δυνάμενος τὴν Ἀθηναίων ἐλευθέρωσιν ἀπὸ τῶν τυράννων αἰσχίστῳ πάθει κάλλιστον ἔργον οἷός τ᾽ ἐστὶν ἀφανίζειν καὶ καταισχύνειν. ταχὺ γὰρ μετανοῆσαι φησιν αὐτούς, ὡς οὐ ποιήσαντας ὀρθῶς, ὅτι "κιβδήλοισι μαντηίοισιν ἐπαρθέντες ἄνδρας ξείνους ὄντας αὐτοῖσι καὶ ὑποσχομένους ὑποχειρίας παρέξειν τὰς Ἀθήνας ἐξήλασαν ἐκ τῆς πατρίδος τοὺς τυράννους καὶ δήμῳ ἀχαρίστῳ παρέδωκαν τὴν πόλιν." εἶτα μεταπεμψαμένους Ἱππίαν ἀπὸ Σιγείου κατάγειν εἰς τὰς Ἀθήνας· ἀντιστῆναι δὲ [861] [a] Κορινθίους αὐτοῖς καὶ ἀποτρέψαι, Σωκλέους διελθόντος ὅσα Κύψελος καὶ Περίανδρος κακὰ τὴν Κορινθίων πόλιν εἰργάσαντο τυραννοῦντες. καίτοι Περιάνδρου σχετλιώτερον οὐδὲν οὐδ᾽ ὠμότερον ἔργον ἱστορεῖται τῆς ἐκπομπῆς τῶν τριακοσίων ἐκείνων, οὓς ἐξαρπάσασι καὶ διακωλύσασι παθεῖν ταῦτα Σαμίοις ὀργίζεσθαί φησι καὶ μνησικακεῖν Κορινθίους ὥσπερ ὑβρισθέντας. τοσαύτης ἀναπίμπλησι ταραχῆς καὶ διαφωνίας τὸ κακόηθες αὐτοῦ τὸν λόγον, ἐξ ἁπάσης τῇ διηγήσει προφάσεως ὑποδυόμενον.

Ἐν δὲ τοῖς ἐφεξῆς τὰ περὶ Σάρδεις διηγούμενος, ὡς ἐνῆν μάλιστα διέλυσε καὶ διελυμήνατο τὴν πρᾶξιν, ἃς μὲν Ἀθηναῖοι ναῦς ἐξέπεμψαν Ἴωσι τιμωροὺς ἀποστᾶσι βασιλέως ἀρχεκάκους τολμήσας [b] προσειπεῖν, ὅτι τοσαύτας πόλεις καὶ τηλικαύτας Ἑλληνίδας ἐλευθεροῦν ἐπεχείρησαν ἀπὸ τῶν βαρβάρων, Ἐρετριέων δὲ κομιδῇ μνησθεὶς ἐν παρέργῳ καὶ παρασιωπήσας μέγα κατόρθωμα καὶ ἀοίδιμον. ἤδη γὰρ ὡς τῶν περὶ τὴν Ἰωνίαν συγκεχυμένων καὶ στόλου βασιλικοῦ προσπλέοντος, ἀπαντήσαντες ἔξω Κυπρίους ἐν τῷ Παμφυλίῳ πελάγει κατεναυμάχησαν· εἶτ᾽ ἀναστρέψαντες ὀπίσω καὶ τὰς ναῦς ἐν Ἐφέσῳ καταλιπόντες ἐπέθεντο Σάρδεσι καὶ Ἀρταφέρνην ἐπολιόρκουν εἰς τὴν ἀκρόπολιν καταφυγόντα, [c] βουλόμενοι τὴν Μιλήτου λῦσαι πολιορκίαν· καὶ τοῦτο μὲν ἔπραξαν καὶ τοὺς πολεμίους ἀνέστησαν ἐκεῖθεν, ἐν φόβῳ θαυμαστῷ γενομένους· πλήθους δ᾽ ἐπιχυθέντος αὐτοῖς ἀπεχώρησαν. ταῦτα δ᾽ ἄλλοι τε καὶ Λυσανίας ὁ Μαλλώτης ἐν τοῖς περὶ Ἐρετρίας εἴρηκε· καὶ καλῶς εἶχεν, εἰ καὶ διὰ μηδὲν ἄλλο, τῇ γοῦν ἁλώσει καὶ φθορᾷ τῆς πόλεως ἐπειπεῖν τὸ ἀνδραγάθημα τοῦτο καὶ τὴν ἀριστείαν. ὁ δὲ καὶ κρατηθέντας αὐτοὺς ὑπὸ τῶν βαρβάρων φησὶν εἰς τὰς ναῦς καταδιωχθῆναι, μηδὲν τοιοῦτο τοῦ Λαμψακηνοῦ Χάρωνος ἱστοροῦντος, ἀλλὰ ταυτὶ γράφοντος κατὰ λέξιν· "Ἀθηναῖοι δ᾽ εἴκοσι τριήρεσιν [d] ἔπλευσαν ἐπικουρήσοντες τοῖς Ἴωσι, καὶ εἰς Σάρδεις

ἐστρατεύσαντο καὶ εἷλον τὰ περὶ Σάρδεις ἅπαντα χωρὶς τοῦ τείχους τοῦ βασιληίου· ταῦτα δὲ ποιήσαντες ἐπαναχωροῦσιν εἰς Μίλητον."

Ἐν δὲ τῇ ἕκτῃ διηγησάμενος περὶ Πλαταιέων, ὡς σφᾶς αὐτοὺς ἐδίδοσαν Σπαρτιάταις, οἱ δὲ μᾶλλον ἐκέλευσαν πρὸς Ἀθηναίους τρέπεσθαι "πλησιοχώρους ἐόντας αὐτοῖς καὶ τιμωρέειν οὐ κακούς," προστίθησιν οὐ καθ' ὑπόνοιαν οὐδὲ δόξαν, ἀλλ' ὡς ἀκριβῶς ἐπιστάμενος, ὅτι "ταῦτα συνεβούλευον οἱ Λακεδαιμόνιοι οὐ κατ' εὔνοιαν οὕτω τῶν Πλαταιέων, ὡς βουλόμενοι τοὺς Ἀθηναίους [e] ἔχειν πόνους συνεστεῶτας Βοιωτοῖς." οὐκοῦν εἰ μὴ κακοήθης Ἡρόδοτος, ἐπίβουλοι μὲν Λακεδαιμόνιοι καὶ κακοήθεις, ἀναίσθητοι δ' Ἀθηναῖοι παρακρουσθέντες, Πλαταιεῖς δ' οὐ κατ' εὔνοιαν οὐδὲ τιμὴν ἀλλὰ πολέμου πρόφασις εἰς μέσον ἐρρίφησαν.

Καὶ μὴν τὴν πανσέληνον ἤδη σαφῶς ἐξελήλεγκται Λακεδαιμονίων καταψευδόμενος, ἥν φησι περιμένοντας αὐτοὺς εἰς Μαραθῶνα μὴ βοηθῆσαι τοῖς Ἀθηναίοις. οὐ γὰρ μόνον ἄλλας μυρίας ἐξόδους καὶ μάχας πεποίηνται μηνὸς ἱσταμένου, μὴ περιμείναντες [f] τὴν πανσέληνον, ἀλλὰ καὶ ταύτης τῆς μάχης, ἕκτῃ Βοηδρομιῶνος ἱσταμένου γενομένης, ὀλίγον ἀπελείφθησαν, ὥστε καὶ θεάσασθαι τοὺς νεκροὺς ἐπελθόντες ἐπὶ τὸν τόπον. ἀλλ' ὅμως ταῦτα περὶ τῆς πανσελήνου γέγραφεν, "ἀδύνατα δέ σφι τὸ παραυτίκα ποιέειν ταῦτα, οὐ βουλομένοισι λύειν τὸν νόμον· ἦν γὰρ ἱσταμένου τοῦ μηνὸς ἐνάτη· ἐνάτῃ δὲ οὐκ ἐξελεύσεσθαι ἔφασαν, οὐ πλήρεος ἐόντος τοῦ κύκλου. οὗτοι μὲν οὖν τὴν πανσέληνον ἔμενον."

Σὺ δὲ μεταφέρεις τὴν πανσέληνον εἰς ἀρχὴν μηνὸς ἐκ διχομηνίας, καὶ τὸν οὐρανὸν ὁμοῦ καὶ τὰς ἡμέρας καὶ πάντα πράγματα συνταράσσεις. καὶ [862] [a] τὰ τῆς Ἑλλάδος ἐπαγγελλόμενος γράφειν ὡς μὴ ἀκλεᾶ γένηται, ἐσπουδακὼς δὲ περὶ τὰς Ἀθήνας διαφερόντως, οὐδὲ τὴν πρὸς Ἄγρας πομπὴν ἱστόρηκας, ἣν πέμπουσιν ἔτι νῦν τῇ ἕκτῃ χαριστήρια τῆς νίκης ἑορτάζοντες.

Ἀλλὰ τοῦτό γε βοηθεῖ τῷ Ἡροδότῳ πρὸς ἐκείνην τὴν διαβολὴν ἣν ἔχει, κολακεύσας τοὺς Ἀθηναίους ἀργύριον πολὺ λαβεῖν παρ' αὐτῶν. εἰ γὰρ ἀνέγνω ταῦτ' Ἀθηναίοις, οὐκ ἂν εἴασαν οὐδὲ περιεῖδον ἐνάτῃ τὸν Φιλιππίδην παρακαλοῦντα Λακεδαιμονίους [b] ἐπὶ τὴν μάχην ἐκ τῆς μάχης γεγενημένον, καὶ ταῦτα δευτεραῖον εἰς Σπάρτην ἐξ Ἀθηνῶν, ὡς αὐτός φησιν, ἀφιγμένον· εἰ μὴ μετὰ τὸ νικῆσαι τοὺς πολεμίους Ἀθηναῖοι μετεπέμποντο τοὺς συμμάχους. ὅτι μέντοι δέκα τάλαντα δωρεὰν ἔλαβεν ἐξ Ἀθηνῶν Ἀνύτου τὸ ψήφισμα γράψαντος, ἀνὴρ Ἀθηναῖος, οὐ τῶν παρημελημένων ἐν ἱστορίᾳ, Δίυλλος εἴρηκεν.

Ἀπαγγείλας δὲ τὴν ἐν Μαραθῶνι μάχην ὁ Ἡρόδοτος ὡς μὲν οἱ πλεῖστοι λέγουσι, καὶ τῶν νεκρῶν τῷ ἀριθμῷ καθεῖλε τοὔργον. εὐξαμένους γάρ φασι

τοὺς Ἀθηναίους τῇ Ἀγροτέρᾳ θύσειν χιμάρους ὅσους ἂν τῶν βαρβάρων καταβάλωσιν, [c] εἶτα μετὰ τὴν μάχην, ἀναρίθμου πλήθους τῶν νεκρῶν ἀναφανέντος, παραιτεῖσθαι ψηφίσματι τὴν θεόν, ὅπως καθ’ ἕκαστον ἐνιαυτὸν ἀποθύωσι πεντακοσίας τῶν χιμάρων.

Οὐ μὴν ἀλλὰ τοῦτ’ ἐάσαντες ἴδωμεν τὰ μετὰ τὴν μάχην· “τῇσι δὲ λοιπῇσι,” φησίν, “οἱ βάρβαροι ἐξανακρουσάμενοι, καὶ ἀναλαβόντες ἐκ τῆς νήσου ἐν τῇ ἔλιπον τὰ ἐξ Ἐρετρίης ἀνδράποδα, περιέπλεον Σούνιον, βουλόμενοι φθῆναι τοὺς Ἀθηναίους ἀφικόμενοι εἰς τὸ ἄστυ· αἰτίη δὲ ἔσχεν Ἀθηναίοισι ἐξ Ἀλκμεωνιδέων μηχανῆς αὐτοὺς ταῦτα ἐπινοηθῆναι· τούτους γὰρ συνθεμένους τοῖσι Πέρσῃσιν ἀναδεῖξαι ἀσπίδα ἐοῦσιν ἤδη ἐν τῇσι νηυσί· οὗτοι μὲν δὴ περιέπλεον Σούνιον.” ἐνταῦθα [d] τὸ μὲν τοὺς Ἐρετριέας ἀνδράποδα προσειπεῖν, οὔτε τόλμαν Ἑλλήνων οὐδενὸς οὔτε φιλοτιμίαν ἐνδεεστέραν παρασχομένους καὶ παθόντας ἀνάξια τῆς ἀρετῆς, ἀφείσθω· διαβεβλημένων δὲ τῶν Ἀλκμεωνιδῶν, ἐν οἷς οἱ μέγιστοί τε τῶν οἴκων καὶ δοκιμώτατοι τῶν ἀνδρῶν ἦσαν, ἐλάττων λόγος· ἀνατέτραπται δὲ τῆς νίκης τὸ μέγεθος καὶ τὸ τέλος εἰς οὐδὲν ἥκει τοῦ περιβοήτου κατορθώματος, οὐδ’ ἀγών τις ἔοικεν οὐδ’ ἔργον γεγονέναι τοσοῦτον, ἀλλὰ πρόσκρουσμα βραχὺ τοῖς βαρβάροις ἀποβᾶσιν (ὥσπερ οἱ διασύροντες καὶ βασκαίνοντες λέγουσιν), εἰ μετὰ τὴν μάχην οὐ φεύγουσι κόψαντες [e] τὰ πείσματα τῶν νεῶν, τῷ φέροντι προσωτάτω τῆς Ἀττικῆς ἀνέμῳ παραδόντες αὐτούς, ἀλλ’ αἴρεται μὲν ἀσπὶς αὐτοῖς προδοσίας σημεῖον, ἐπιπλέουσι δὲ ταῖς Ἀθήναις ἐλπίζοντες αἱρήσειν, καὶ καθ’ ἡσυχίαν Σούνιον κάμψαντες ὑπεραιωροῦνται Φαλήρων οἱ δὲ πρῶτοι καὶ δοκιμώτατοι τῶν ἀνδρῶν προδιδόασιν ἀπεγνωκότες τὴν πόλιν. καὶ γὰρ ἀπολύων ὕστερον Ἀλκμεωνίδας ἑτέροις τὴν προδοσίαν ἀνατίθησιν· “ἀνεδείχθη μὲν γὰρ ἀσπίς, καὶ τοῦτο [f] οὐκ ἔστιν ἄλλως εἰπεῖν,” φησὶν αὐτὸς ἰδών. τοῦτο δ’ ἀμήχανον μὲν ἦν γενέσθαι, νενικηκότων κατὰ κράτος τῶν Ἀθηναίων· γενόμενον δ’ οὐκ ἂν ὑπὸ τῶν βαρβάρων συνώφθη, φυγῇ καὶ πόνῳ πολλῷ καὶ τραύμασι καὶ βέλεσιν εἰς τὰς ναῦς ἐλαυνομένων καὶ ἀπολιπόντων τὸ χωρίον, ὡς ἕκαστος τάχους εἶχεν. ἀλλ’ ὅταν γε πάλιν ὑπὲρ τῶν Ἀλκμεωνιδῶν ἀπολογεῖσθαι προσποιῆται, μεθεὶς ἃ πρῶτος ἀνθρώπων ἐπενήνοχεν ἐγκλήματα, καὶ εἴπῃ “θῶμα δέ μοι καὶ οὐκ ἐνδέχομαι τὸν λόγον, Ἀλκμεωνίδας ἄν ποτε ἀναδεῖξαι Πέρσῃσιν ἐκ συνθήματος ἀσπίδα, βουλομένους ὑπὸ βαρβάροισί τε εἶναι Ἀθηναίους καὶ ὑπὸ Ἱππίῃ,” κόμματός τινος ἀναμιμνήσκομαι παροιμιακοῦ·

μένε, καρκίνε, καί σε μεθήσω.

τί γὰρ ἐσπούδακας καταλαβεῖν, εἰ καταλαβὼν μεθιέναι [863] [a] μέλλεις; καὶ σὺ κατηγορεῖς, εἶτ’ ἀπολογῇ· καὶ γράφεις κατ’ ἐπιφανῶν ἀνδρῶν διαβολάς,

ἃς πάλιν ἀναιρεῖς, ἀπιστῶν δὲ σεαυτῷ δηλονότι· σεαυτοῦ γὰρ ἀκήκοας λέγοντος Ἀλκμεωνίδας ἀνασχεῖν ἀσπίδα νενικημένοις καὶ φεύγουσι τοῖς βαρβάροις. καὶ μὴν ἐν οἷς περὶ Ἀλκμεωνιδῶν ἀπολογῇ σεαυτὸν ἀποφαίνεις συκοφάντην· εἰ γὰρ "μᾶλλον ἢ ὁμοίως Καλλίῃ τῷ Φαινίππου, Ἱππονίκου δὲ πατρί, φαίνονται μισοτύραννοι ἐόντες," ὡς ἐνταῦθα γράφεις, Ἀλκμεωνίδαι, ποῦ θήσεις αὐτῶν ἐκείνην τὴν συνωμοσίαν ἣν ἐν τοῖς πρώτοις γέγραφας; ὡς ἐπιγαμίαν [b] ποιησόμενοι Πεισιστράτῳ κατήγαγον αὐτὸν ἀπὸ τῆς φυγῆς ἐπὶ τὴν τυραννίδα καὶ οὐκ ἂν ἐξήλασαν αὖθις, ἕως διεβλήθη παρανόμως τῇ γυναικὶ μιγνύμενος.

Ταῦτα μὲν οὖν τοιαύτας ἔχει ταραχάς· ἐν μέσῳ γὰρ τῆς Ἀλκμεωνιδῶν διαβολῆς καὶ ὑπονοίας τοῖς Καλλίου τοῦ Φαινίππου χρησάμενος ἐπαίνοις καὶ προσάψας αὐτῷ τὸν υἱὸν Ἱππόνικον, ὃς ἦν καθ' Ἡρόδοτον ἐν τοῖς πλουσιωτάτοις Ἀθηναίων, ὡμολόγησεν ὅτι μηδὲν τῶν πραγμάτων δεομένων, ἀλλὰ θεραπείᾳ καὶ χάριτι τοῦ Ἱππονίκου τὸν Καλλίαν παρενέβαλεν.

Ἐπεὶ δ' Ἀργείους ἅπαντες ἴσασιν οὐκ ἀπειπαμένους τοῖς Ἕλλησι τὴν συμμαχίαν, ἡγεῖσθαι δὲ κατὰ τὸ ἥμισυ πάσης τῆς συμμαχίας ἀξιώσαντας, [c] ὡς ἂν μὴ Λακεδαιμονίοις ἐχθίστοις καὶ πολεμιωτάτοις οὖσι ποιοῦντες ἀεὶ τὸ προστασσόμενον ἕπωνται, καὶ τοῦτ' ἄλλως οὐκ ἦν, αἰτίαν κακοηθεστάτην ὑποβάλλεται, γράφων, "ἐπεὶ δέ σφεας παραλαμβάνειν τοὺς Ἕλληνας, οὕτω δὴ ἐπισταμένους, ὅτι οὐ μεταδώσουσι τῆς ἀρχῆς Λακεδαιμόνιοι, μεταιτέειν, ἵνα ἐπὶ προφάσεως ἡσυχίαν ἄγωσι." τούτων δ' ὕστερον ἀναμνῆσαί φησιν Ἀρταξέρξην ἀναβάντας εἰς Σοῦσα πρέσβεις Ἀργείων, κἀκεῖνον εἰπεῖν ὡς "οὐδεμίαν νομίζοι πόλιν Ἄργεος φιλιωτέρην"· εἶθ' ὑπειπών, ὥσπερ εἴωθε, καὶ ἀναδυόμενος οὐκ εἰδέναι φησὶ περὶ τούτων ἀτρεκέως, εἰδέναι δ' ὅτι πᾶσιν ἀνθρώποις ἐστὶν [d] ἐγκλήματα, "καὶ οὐκ Ἀργείοισιν αἴσχιστα πεποίηται. ἐγὼ δὲ λέγειν ὀφείλω τὰ λεγόμενα, πείθεσθαί γε μὴν οὐ παντάπασι ὀφείλω, καί μοι τὸ ἔπος τοῦτο ἐχέτω ἐς πάντα τὸν λόγον. ἐπεὶ καὶ ταῦτα λέγεται, ὡς ἄρα Ἀργεῖοι ἦσαν οἱ ἐπικαλεσάμενοι τὸν Πέρσην ἐπὶ τὴν Ἑλλάδα, ἐπειδή σφιν πρὸς τοὺς Λακεδαιμονίους κακῶς ἡ αἰχμὴ ἑστήκεε, πᾶν δὴ βουλόμενοι σφίσι εἶναι πρὸ τῆς παρούσης λύπης."

Ἆρ' οὖν οὐχ, ὅπερ αὐτὸς τὸν Αἰθίοπά φησι πρὸς [e] τὰ μύρα καὶ τὴν πορφύραν εἰπεῖν, ὡς δολερὰ μὲν τὰ χρίματα δολερὰ δὲ τὰ εἵματα τῶν Περσέων ἐστί, τοῦτ' ἄν τις εἴποι πρὸς αὐτόν, ὡς δολερὰ μὲν τὰ ῥήματα δολερὰ δὲ τὰ σχήματα τῶν Ἡροδότου λόγων,

ἑλικτὰ κοὐδὲν ὑγιὲς ἀλλὰ πᾶν πέριξ,

ὥσπερ οἱ ζῳγράφοι τὰ λαμπρὰ τῇ σκιᾷ τρανότερα ποιοῦσιν, οὕτω ταῖς ἀρνήσεσι τὰς διαβολὰς ἐπιτείνοντος αὐτοῦ καὶ τὰς ὑπονοίας ταῖς ἀμφιβολίαις

βαθυτέρας ποιοῦντος; Ἀργεῖοι δ’ ὅτι μὲν οὐ συναράμενοι τοῖς Ἕλλησιν, ἀλλὰ διὰ τὴν ἡγεμονίαν [f] καὶ τῆς ἀρετῆς Λακεδαιμονίοις ἐκστάντες, κατῄσχυναν τὸν Ἡρακλέα καὶ τὴν εὐγένειαν, οὐκ ἔστιν ἀντειπεῖν. ὑπὸ Σιφνίοις γὰρ ἦν καὶ Κυθνίοις ἄμεινον ἐλευθεροῦν τοὺς Ἕλληνας ἢ Σπαρτιάταις φιλονεικοῦντας ὑπὲρ ἀρχῆς ἐγκαταλιπεῖν τοσούτους καὶ τοιούτους ἀγῶνας. εἰ δ’ αὐτοὶ ἦσαν οἱ ἐπικαλεσάμενοι τὸν Πέρσην ἐπὶ τὴν Ἑλλάδα διὰ τὴν κακῶς ἑστῶσαν αὐτοῖς αἰχμὴν πρὸς Λακεδαιμονίους, πῶς οὐκ ἐμήδιζον ἀναφανδὸν ἥκοντος οὐδ’, εἰ μὴ συστρατεύειν ἐβούλοντο βασιλεῖ, τὴν γοῦν Λακωνικὴν ὑπολειπόμενοι κακῶς ἐποίουν, ἢ Θυρέας ἥπτοντο πάλιν ἢ τρόπον ἄλλον ἀντελαμβάνοντο καὶ [864] [a] παρηνώχλουν Λακεδαιμονίοις, μέγα βλάψαι δυνάμενοι τοὺς Ἕλληνας, εἰ μὴ παρῆκαν εἰς Πλαταιὰς ἐκείνους ἐκστρατεῦσαι τοσούτοις ὁπλίταις;

Ἀλλ’ Ἀθηναίους γε μεγάλους ἐνταῦθα τῷ λόγῳ πεποίηκε καὶ σωτῆρας ἀνηγόρευκε τῆς Ἑλλάδος· ὀρθῶς γε ποιῶν καὶ δικαίως, εἰ μὴ πολλὰ καὶ βλάσφημα προσῆν τοῖς ἐπαίνοις. νῦν δὲ προδοθῆναι μὲν ἂν λέγων ὑπὸ τῶν ἄλλων Ἑλλήνων Λακεδαιμονίους, “μονωθέντας δ’ ἂν καὶ ἀποδεξαμένους ἔργα μεγάλα ἀποθανεῖν γενναίως, ἢ πρὸ τούτου ὁρῶντας καὶ τοὺς ἄλλους Ἕλληνας μηδίζοντας ὁμολογίῃ ἂν χρήσασθαι πρὸς Ξέρξεα,” δῆλός ἐστιν οὐ τοῦτο λέγων εἰς τὸν Ἀθηναίων ἔπαινον, ἀλλ’ [b] Ἀθηναίους ἐπαινῶν ἵνα κακῶς εἴπῃ τοὺς ἄλλους ἅπαντας. τί γὰρ ἄν τις ἔτι δυσχεραίνοι, Θηβαίους ἀεὶ καὶ Φωκέας πικρῶς αὐτοῦ καὶ κατακόρως ἐξονειδίζοντος, ὅπου καὶ τῶν προκινδυνευσάντων ὑπὲρ τῆς Ἑλλάδος τὴν γενομένην μὲν οὔ, γενομένην δ’ ἄν, ὡς αὐτὸς εἰκάζει, καταψηφίζεται προδοσίαν; αὐτοὺς δὲ Λακεδαιμονίους ἐν ἀδήλῳ θέμενος, ἐπηπόρησεν εἴτ’ ἔπεσον ἂν μαχόμενοι τοῖς πολεμίοις εἴτε παρέδωκαν ἑαυτούς, μικροῖς γε νὴ Δία τεκμηρίοις αὐτῶν ἀπιστήσας τοῖς περὶ Θερμοπύλας.

[c] Διηγούμενος δὲ συμπεσοῦσαν ναυαγίαν ταῖς βασιλικαῖς ναυσὶ καὶ ὅτι “πολλῶν χρημάτων ἐκπεσόντων, Ἀμεινοκλῆς ὁ Κρητίνεω Μάγνης ἀνὴρ ὠφελήθη μεγάλως, χρυσία ἄφατα καὶ χρήματα περιβαλόμενος,” οὐδὲ τοῦτον ἄδηκτον παρῆκεν. “ἀλλ’ ὁ μὲν τἆλλα,” φησίν, “οὐκ εὐτυχέων εὑρήμασι μέγα πλούσιος ἐγένετο· ἦν γάρ τις καὶ τοῦτον ἄχαρις συμφορὴ λυπεῦσα παιδοφόνος.” τοῦτο μὲν οὖν παντὶ δῆλον, ὅτι τὰ χρυσᾶ χρήματα καὶ τὰ εὑρήματα καὶ τὸν ἐκβρασσόμενον ὑπὸ τῆς θαλάσσης πλοῦτον ἐπεισήγαγε τῇ ἱστορίᾳ χώραν καὶ τόπον ποιῶν, ἐν ᾧ θήσεται τὴν Ἀμεινοκλέους παιδοφονίαν.

[d] Ἀριστοφάνους δὲ τοῦ Βοιωτοῦ γράψαντος ὅτι χρήματα μὲν αἰτήσας οὐκ ἔλαβε παρὰ Θηβαίων, ἐπιχειρῶν δὲ τοῖς νέοις διαλέγεσθαι καὶ

συσχολάζειν ὑπὸ τῶν ἀρχόντων ἐκωλύθη δι᾽ ἀγροικίαν αὐτῶν καὶ μισολογίαν, ἄλλο μὲν οὐδέν ἐστι τεκμήριον· ὁ δ᾽ Ἡρόδοτος τῷ Ἀριστοφάνει μεμαρτύρηκε, δι᾽ ὧν τὰ μὲν ψευδῶς, τὰ δὲ διὰ κολακείαν, τὰ δὲ ὡς μισῶν καὶ διαφερόμενος τοῖς Θηβαίοις ἐγκέκληκε.

Θεσσαλοὺς μὲν γὰρ ὑπ᾽ ἀνάγκης ἀποφαίνεται [e] μηδίσαι τὸ πρῶτον, ἀληθῆ λέγων· καὶ περὶ τῶν ἄλλων Ἑλλήνων μαντευόμενος ὡς προδόντων ἂν Λακεδαιμονίους ὑπεῖπεν ὡς "οὐχ ἑκόντων ἀλλ᾽ ὑπ᾽ ἀνάγκης ἁλισκομένων κατὰ πόλεις." Θηβαίοις δὲ τῆς αὐτῆς ἀνάγκης οὐ δίδωσι τὴν αὐτὴν συγγνώμην. καίτοι πεντακοσίους μὲν εἰς τὰ Τέμπη καὶ Μναμίαν στρατηγὸν ἔπεμψαν, εἰς δὲ Θερμοπύλας ὅσους ᾔτησε Λεωνίδας, οἳ καὶ μόνοι σὺν Θεσπιεῦσι παρέμειναν αὐτῷ, τῶν ἄλλων ἀπολιπόντων μετὰ τὴν κύκλωσιν. ἐπεὶ δὲ τῶν παρόδων κρατήσας ὁ βάρβαρος [f] ἐν τοῖς ὅροις ἦν καὶ Δημάρατος ὁ Σπαρτιάτης διὰ ξενίας εὔνους ὢν Ἀτταγίνῳ τῷ προεστῶτι τῆς ὀλιγαρχίας διεπράξατο φίλον βασιλέως γενέσθαι καὶ ξένον, οἱ δ᾽ Ἕλληνες ἐν ταῖς ναυσὶν ἦσαν, πεζῇ δ᾽ οὐδεὶς προσήλαυνεν, οὕτω προσεδέξαντο τὰς διαλύσεις ὑπὸ τῆς μεγάλης ἀνάγκης ἐγκαταληφθέντες. οὔτε γὰρ θάλασσα καὶ νῆες αὐτοῖς παρῆσαν ὡς Ἀθηναίοις, οὔτ᾽ ἀπωτάτω κατῴκουν ὡς Σπαρτιᾶται τῆς Ἑλλάδος ἐν μυχῷ, μιᾶς δ᾽ ἡμέρας ὁδὸν καὶ ἡμισείας ἀπέχοντι τῷ Μήδῳ συστάντες ἐπὶ τῶν στενῶν καὶ διαγωνισάμενοι μετὰ μόνων Σπαρτιατῶν [865] [a] καὶ Θεσπιέων ἠτύχησαν. ὁ δὲ συγγραφεὺς οὕτως ἐστὶ δίκαιος, ὥστε "Λακεδαιμονίους μὲν μονωθέντας καὶ γενομένους συμμάχων ἐρήμους τυχὸν ἄν," φησιν, "ὁμολογίῃ χρήσασθαι πρὸς Ξέρξεα"· Θηβαίοις δὲ ταὐτὸ διὰ τὴν αὐτὴν ἀνάγκην παθοῦσι λοιδορεῖται. τὸ δὲ μέγιστον καὶ κάλλιστον ἔργον ἀνελεῖν μὴ δυνηθεὶς ὡς οὐ πραχθὲν αὐτοῖς, αἰτίᾳ φαύλῃ καὶ ὑπονοίᾳ διαλυμαινόμενος ταῦτ᾽ ἔγραφεν· "οἱ μέν νυν ξύμμαχοι ἀποπεμπόμενοι ᾤχοντό τε ἀπιόντες καὶ ἐπείθοντο Λεωνίδῃ· Θεσπιέες δὲ καὶ Θηβαῖοι κατέμειναν μοῦνοι παρὰ Λακεδαιμονίοισι.

[b] τούτων δὲ Θηβαῖοι μὲν ἀέκοντες ἔμενον καὶ οὐ βουλόμενοι· κατεῖχε γάρ σφεας Λεωνίδης ἐν ὁμήρων λόγῳ ποιεύμενος· Θεσπιέες δὲ ἑκόντες μάλιστα, οἳ οὐδαμᾶ ἔφασαν ἀπολιπόντες Λεωνίδην καὶ τοὺς μετὰ τούτου ἀπαλλάξεσθαι."

Εἶτ᾽ οὐ δῆλός ἐστιν ἰδίαν τινὰ πρὸς Θηβαίους ἔχων ὀργὴν καὶ δυσμένειαν, ὑφ᾽ ἧς οὐ μόνον διέβαλε ψευδῶς καὶ ἀδίκως τὴν πόλιν, ἀλλ᾽ οὐδὲ τοῦ πιθανοῦ τῆς διαβολῆς ἐφρόντισεν, οὐδ᾽ ὅπως αὐτὸς ἑαυτῷ τἀναντία λέγων παρ᾽ ὀλίγους ἀνθρώπους οὐ φανεῖται συνειδώς; προειπὼν γὰρ ὡς "ὁ Λεωνίδης, [c] ἐπεί τ᾽ ᾔσθετο τοὺς συμμάχους ἐόντας ἀπροθύμους καὶ οὐκ ἐθέλοντας συγκινδυνεύειν, κελεύσαι σφέας ἀπαλλάττεσθαι," πάλιν μετ᾽

ὀλίγον λέγει τοὺς Θηβαίους ἄκοντας αὐτὸν κατασχεῖν, οὓς εἰκὸς ἦν ἀπελάσαι καὶ βουλομένους παραμένειν, εἰ μηδίζειν αἰτίαν εἶχον. ὅπου γὰρ οὐκ ἐδεῖτο τῶν μὴ προθύμων, τί χρήσιμον ἦν ἀναμεμίχθαι μαχομένοις ἀνθρώπους ὑπόπτους; οὐ γὰρ δὴ φρένας εἶχε τοιαύτας ὁ τῶν Σπαρτιατῶν βασιλεὺς καὶ τῆς Ἑλλάδος ἡγεμών, ὥστε "κατέχειν ἐν ὁμήρων λόγῳ" τοῖς τριακοσίοις τοὺς τετρακοσίους ὅπλ' ἔχοντας καὶ προσκειμένων ἔμπροσθεν ἤδη καὶ ὄπισθεν ἅμα τῶν πολεμίων. καὶ γὰρ εἰ πρότερον ἐν [d] ὁμήρων λόγῳ ποιούμενος ἦγεν αὐτούς, ἔν γε τοῖς ἐσχάτοις εἰκὸς ἦν καιροῖς ἐκείνους τε Λεωνίδα μηδὲν φροντίσαντας ἀπαλλαγῆναι καὶ Λεωνίδαν δεῖσαι τὴν ὑπ' ἐκείνων μᾶλλον ἢ τῶν βαρβάρων κύκλωσιν.

Ἄνευ δὲ τούτων, πῶς οὐ γελοῖος ὁ Λεωνίδας, τοὺς μὲν ἄλλους Ἕλληνας ἀπιέναι κελεύων ὡς αὐτίκα μάλα τεθνηξομένους, Θηβαίους δὲ κωλύων ὡς ὑπ' αὐτοῦ φυλάττοιντο τοῖς Ἕλλησιν ἀποθνήσκειν μέλλοντος; εἰ γὰρ ὡς ἀληθῶς ἐν ὁμήρων λόγῳ, μᾶλλον δ' ἀνδραπόδων, περιῆγε τοὺς ἄνδρας, οὐ κατέχειν ὤφειλεν αὐτοὺς μετὰ τῶν ἀπολουμένων, ἀλλὰ παραδοῦναι τοῖς ἀπιοῦσι τῶν Ἑλλήνων.

[e] ὃ δὲ λοιπὸν ἦν τῶν αἰτίων εἰπεῖν, "ἴσως δὲ ἀπολουμένους κατεῖχε," καὶ τοῦτ' ἀνήρηκεν ὁ συγγραφεύς, οἷς περὶ τῆς φιλοτιμίας τοῦ Λεωνίδου κατὰ λέξιν εἴρηκε· "ταῦτα δὲ δὴ ἐπιλεγόμενον Λεωνίδεα καὶ βουλόμενον καταθέσθαι κλέος μούνων Σπαρτιητέων ἀποπέμψαι τοὺς συμμάχους μᾶλλον ἢ τῇσι γνώμῃσι διενεχθέντας." ὑπερβολὴ γὰρ εὐηθείας ἦν, ἧς ἀπήλαυνε δόξης τοὺς συμμάχους [f] κατέχειν μεθέξοντας τοὺς πολεμίους. ὅτι τοίνυν οὐ διεβέβλητο τοῖς Θηβαίοις ὁ Λεωνίδας, ἀλλὰ καὶ φίλους ἐνόμιζε βεβαίους, ἐκ τῶν πεπραγμένων δῆλόν ἐστι. καὶ γὰρ παρῆλθεν εἰς Θήβας ἄγων τὸ στράτευμα καὶ δεηθεὶς ἔτυχεν οὗ μηδὲ εἷς ἄλλος, ἐν τῷ ἱερῷ κατακοιμηθῆναι τοῦ Ἡρακλέους, καὶ τὴν ὄψιν ἣν εἶδεν ὄναρ ἐξήγγειλε τοῖς Θηβαίοις· ἔδοξε γὰρ ἐν θαλάσσῃ πολὺν ἐχούσῃ καὶ τραχὺν κλύδωνα τὰς ἐπιφανεστάτας καὶ μεγίστας πόλεις τῆς Ἑλλάδος ἀνωμάλως διαφέρεσθαι καὶ σαλεύειν, τὴν δὲ Θηβαίων ὑπερέχειν τε πασῶν καὶ μετέωρον ἀρθῆναι πρὸς τὸν οὐρανὸν εἶτ' ἐξαίφνης ἀφανῆ γενέσθαι· καὶ ταῦτα μὲν ἦν ὅμοια τοῖς ὕστερον χρόνῳ πολλῷ συμπεσοῦσι περὶ τὴν πόλιν.

[866] [a] Ὁ δ' Ἡρόδοτος ἐν τῇ διηγήσει τῆς μάχης καὶ τοῦ Λεωνίδου τὴν μεγίστην ἠμαύρωκε πρᾶξιν, αὐτοῦ πεσεῖν πάντας εἰπὼν ἐν τοῖς στενοῖς περὶ τὸν Κολωνόν· ἐπράχθη δ' ἄλλως. ἐπεὶ γὰρ ἐπύθοντο νύκτωρ τὴν περίοδον τῶν πολεμίων, ἀναστάντες ἐβάδιζον ἐπὶ τὸ στρατόπεδον καὶ τὴν σκηνὴν ὀλίγου δεῖν βασιλέως, ὡς ἐκεῖνον αὐτὸν ἀποκτενοῦντες καὶ περὶ ἐκείνῳ τεθνηξόμενοι· μέχρι μὲν οὖν τῆς σκηνῆς ἀεὶ τὸν ἐμποδὼν φονεύοντες, τοὺς

δ’ ἄλλους τρεπόμενοι προῆλθον· ἐπεὶ δ’ οὐχ εὑρίσκετο Ξέρξης, [b] ζητοῦντες ἐν μεγάλῳ καὶ ἀχανεῖ στρατεύματι καὶ πλανώμενοι μόλις ὑπὸ τῶν βαρβάρων πανταχόθεν περιχυθέντων διεφθάρησαν. ὅσα δ’ ἄλλα πρὸς τούτῳ τολμήματα καὶ ῥήματα τῶν Σπαρτιατῶν παραλέλοιπεν, ἐν τῷ Λεωνίδου βίῳ γραφήσεται· μικρὰ δ’ οὐ χεῖρόν ἐστι καὶ νῦν διελθεῖν. ἀγῶνα μὲν γὰρ ἐπιτάφιον αὐτῶν ἠγωνίσαντο πρὸ τῆς ἐξόδου καὶ τοῦτον ἐθεῶντο πατέρες αὐτῶν καὶ μητέρες· αὐτὸς δ’ ὁ Λεωνίδας πρὸς μὲν τὸν εἰπόντα παντελῶς ὀλίγους ἐξάγειν αὐτὸν ἐπὶ τὴν μάχην “πολλοὺς μέν,” ἔφη, “τεθνηξομένους”· πρὸς δὲ τὴν γυναῖκα, πυνθανομένην ἐξιόντος εἴ τι λέγοι, [c] μεταστραφεὶς εἶπεν· “ἀγαθοῖς γαμεῖσθαι κἀγαθὰ τίκτειν.” ἐν δὲ Θερμοπύλαις μετὰ τὴν κύκλωσιν δύο τῶν ἀπὸ γένους ὑπεξελέσθαι βουλόμενος ἐπιστολὴν ἐδίδου τῷ ἑτέρῳ καὶ ἔπεμπεν· ὁ δ’ οὐκ ἐδέξατο φήσας μετ’ ὀργῆς· “μαχατάς τοι, οὐκ ἀγγελιαφόρος, εἱπόμαν”· τὸν δ’ ἕτερον ἐκέλευεν εἰπεῖν τι πρὸς τὰ τέλη τῶν Σπαρτιατῶν· ὁ δ’ ἀπεκρίνατο, ‹”κρείσσων ἐγὼ μένων καὶ κρείσσον’ ἐμοῦ μένοντος› τὰ πράγματα,” καὶ τὴν ἀσπίδα λαβὼν εἰς τάξιν κατέστη.

Ταῦτ’ οὐκ ἄν τις ἐπετίμησεν ἄλλου παραλιπόντος· ὁ δὲ τὴν Ἀμάσιδος ἀποψόφησιν καὶ τὴν τῶν ὄνων τοῦ κλέπτου προσέλασιν καὶ τὴν τῶν ἀσκῶν ἐπίδοσιν καὶ πόλλ’ ἄλλα τοιαῦτα συναγαγὼν καὶ [d] διαμνημονεύων, οὐκ ἀμελείᾳ δόξειεν ἂν καὶ ὑπεροψίᾳ προΐεσθαι καλὰ μὲν ἔργα καλὰς δὲ φωνάς, ἀλλ’ οὐκ εὐμενὴς ὢν πρὸς ἐνίους οὐδὲ δίκαιος.

Τοὺς δὲ Θηβαίους πρῶτον μέν φησι “μετὰ τῶν Ἑλλήνων ἐόντας μάχεσθαι ὑπ’ ἀνάγκης ἐχομένους”· οὐ γὰρ μόνον Ξέρξης, ὡς ἔοικεν, ἀλλὰ καὶ Λεωνίδας μαστιγοφόρους εἶχεν ἑπομένους, ὑφ’ ὧν οἱ Θηβαῖοι παρὰ γνώμην ἠναγκάζοντο μαστιγούμενοι μάχεσθαι. καὶ τίς ἂν ὠμότερος τούτου γένοιτο συκοφάντης, ὃς μάχεσθαι μὲν ὑπ’ ἀνάγκης φησὶ τοὺς ἀπελθεῖν καὶ φεύγειν δυναμένους, μηδίσαι δ’ ἑκόντας οἷς οὐδεὶς παρῆν βοηθῶν; ἑξῆς δὲ τούτοις γέγραφεν ὅτι “τῶν ἄλλων ἐπειγομένων [e] ἐπὶ τὸν Κολωνὸν ἀποσχισθέντες οἱ Θηβαῖοι χεῖράς τε προέτειναν καὶ ἦσαν ἆσσον τῶν βαρβάρων, λέγοντες τὸν ἀληθέστατον τῶν λόγων, ὡς μηδίσειαν καὶ γῆν τε καὶ ὕδωρ ἔδοσαν βασιλεῖ, ὑπὸ δ’ ἀνάγκης ἐχόμενοι εἰς Θερμοπύλας ἀπικέατο καὶ ἀναίτιοι εἶεν τοῦ τρώματος τοῦ γενομένου βασιλεῖ· ταῦτα λέγοντες περιεγένοντο· εἶχον γὰρ καὶ Θεσσαλοὺς τούτων τῶν λόγων μάρτυρας.” ὅρα διὰ τοσούτων ἐν βαρβάροις κραυγαῖς καὶ παμμιγέσι θορύβοις καὶ φυγαῖς καὶ διώξεσιν ἀκουομένην δικαιολογίαν καὶ μαρτύρων ἀνάκρισιν καὶ Θεσσαλοὺς μεταξὺ τῶν φονευομένων καὶ πατουμένων ὑπ’ [f] ἀλλήλων παρὰ τὰ στενὰ Θηβαίοις συνδικοῦντας, ὅτι τῆς Ἑλλάδος αὐτοὺς κρατοῦντας ἄχρι Θεσπιέων ἔναγχος ἐξήλασαν μάχῃ περιγενόμενοι καὶ τὸν ἄρχοντα Λατταμύαν ἀποκτείναντες.

ταῦτα γὰρ ὑπῆρχε Βοιωτοῖς τότε καὶ Θεσσαλοῖς πρὸς ἀλλήλους, ἐπιεικὲς δὲ καὶ φιλάνθρωπον οὐδέν.

Ἀλλὰ δὴ τῶν Θεσσαλῶν μαρτυρούντων, πῶς περιεγένοντο Θηβαῖοι; “τοὺς μὲν αὐτῶν ἀπέκτειναν οἱ βάρβαροι προσιόντας,” ὡς αὐτὸς εἴρηκε, “τοὺς δὲ πλεῦνας, κελεύσαντος Ξέρξεω, ἔστιξαν στίγματα βασιλήια, ἀρξάμενοι ἀπὸ τοῦ στρατηγοῦ [867] [a] Λεοντιάδεω.” ἀλλ’ οὔτε Λεοντιάδης ἐν Θερμοπύλαις ἦν στρατηγός, ἀλλ’ Ἀνάξανδρος, ὡς Ἀριστοφάνης ἐκ τῶν κατ’ ἄρχοντας ὑπομνημάτων ἱστόρησε καὶ Νίκανδρος ὁ Κολοφώνιος· οὔτε γινώσκει τις ἀνθρώπων πρὸ Ἡροδότου στιχθέντας ὑπὸ Ξέρξου Θηβαίους. ἐπεὶ μέγιστον ἦν ἀπολόγημα τῆς διαβολῆς καὶ καλῶς εἶχε τὴν πόλιν ἀγάλλεσθαι τοῖς στίγμασιν ἐκείνοις, ὡς Ξέρξου δικάσαντος ἐχθίστοις χρήσασθαι Λεωνίδῃ καὶ Λεοντιάδῃ· τοῦ μὲν γὰρ ᾐκίσατο πεπτωκότος τὸ σῶμα, τοῦ δὲ ζῶντος ἔστιξεν. ὁ δὲ τὴν μὲν εἰς Λεωνίδαν ὠμότητα [b] δήλωμα ποιούμενος, ὅτι μάλιστα δὴ ἀνδρῶν ὁ βάρβαρος ἐθυμώθη ζῶντι Λεωνίδῃ, Θηβαίους δὲ καὶ μηδίζοντας λέγων ἐν Θερμοπύλαις στιχθῆναι καὶ στιχθέντας αὖθις ἐν Πλαταιαῖς μηδίζειν προθύμως δοκεῖ μοι, καθάπερ Ἱπποκλείδης ὁ τοῖς σκέλεσι χειρονομῶν ἐπὶ τῆς τραπέζης, εἰπεῖν ἂν ἐξορχούμενος τὴν ἀλήθειαν· “οὐ φροντὶς Ἡροδότῳ.”

Ἐν δὲ τῇ ὀγδόῃ τοὺς Ἕλληνάς φησι καταδειλιάσαντας ἀπὸ τοῦ Ἀρτεμισίου δρησμὸν βουλεύεσθαι ἔσω εἰς τὴν Ἑλλάδα, καὶ τῶν Εὐβοέων δεομένων ὀλίγον ἐπιμεῖναι χρόνον, ὅπως ὑπεκθοῖντο γενεὰς καὶ τὸ οἰκετικόν, ὀλιγωρεῖν, ἄχρι οὗ [c] Θεμιστοκλῆς ἀργύριον λαβὼν Εὐρυβιάδῃ τε μετέδωκε καὶ Ἀδειμάντῳ τῷ Κορινθίων στρατηγῷ· τότε δὲ μεῖναι καὶ διαναυμαχῆσαι πρὸς τοὺς βαρβάρους. ὁ μὲν Πίνδαρος, οὐκ ὢν συμμάχου πόλεως ἀλλὰ μηδίζειν αἰτίαν ἐχούσης, ὅμως τοῦ Ἀρτεμισίου μνησθεὶς ἐπιπεφώνηκεν·

ὅθι παῖδες Ἀθαναίων ἐβάλοντο φαεννὰν
κρηπῖδ’ ἐλευθερίας.

Ἡρόδοτος δέ, ὑφ’ οὗ κεκοσμῆσθαί τινες ἀξιοῦσι τὴν Ἑλλάδα, δωροδοκίας καὶ κλοπῆς ἔργον ἀποφαίνει τὴν νίκην ἐκείνην γενομένην καὶ τοὺς Ἕλληνας ἀκουσίως ἀγωνισαμένους, ὑπὸ τῶν στρατηγῶν ἐξαπατηθέντας ἀργύριον λαβόντων. καὶ τοῦτο τὸ [d] πέρας οὐ γέγονεν αὐτῷ τῆς κακοηθείας· ἀλλὰ πάντες μὲν ἄνθρωποι σχεδὸν ὁμολογοῦσι ταῖς ναυμαχίαις αὐτόθι κρατοῦντας τοὺς Ἕλληνας ὅμως ὑφέσθαι τοῦ Ἀρτεμισίου τοῖς βαρβάροις, τὰ περὶ Θερμοπύλας ἀκούσαντας· οὐδὲ γὰρ ἦν ὄφελος ἐνταῦθα καθημένους φρουρεῖν τὴν θάλασσαν, ἐντὸς Πυλῶν τοῦ πολέμου γεγονότος καὶ Ξέρξου τῶν παρόδων κρατοῦντος. Ἡρόδοτος δέ, πρὶν ἀπαγγελῆναι τὸν Λεωνίδου θάνατον, ἤδη ποιεῖ τοὺς Ἕλληνας βουλευομένους ἀποδιδράσκειν· λέγει δ’

οὕτως· “τρηχέως δὲ περιεφθέντες, καὶ οὐχ ἥκιστα [e] Ἀθηναῖοι, τῶν αἱ ἡμίσειαι τῶν νεῶν τετρωμέναι ἦσαν, δρησμὸν ἐβούλευον εἰς τὴν Ἑλλάδα.” καίτοι τὴν πρὸ τοῦ ἀγῶνος ἀναχώρησιν οὕτως ὀνομάσαι, μᾶλλον δ’ ὀνειδίσαι, δεδόσθω· ὁ δὲ καὶ πρότερον δρασμὸν εἶπε καὶ νῦν δρασμὸν ὀνομάζει καὶ μετ’ ὀλίγον πάλιν ἐρεῖ δρασμόν· οὕτω πικρῶς τῷ ῥήματι προσπέφυκε. “τοῖς δὲ βαρβάροισιν αὐτίκα μετὰ ταῦτα πλοίῳ ἦλθεν ἀνὴρ Ἑστιαιεύς, ἀγγέλλων τὸν δρησμὸν τὸν ἀπ’ Ἀρτεμισίου τῶν Ἑλλήνων· οἱ δὲ ὑπὸ ἀπιστίης τὸν μὲν ἀγγέλλοντα εἶχον ἐν φυλακῇ, νέας δὲ ταχείας ἀπέστειλαν προκατοψομένας.”

Τί σὺ λέγεις; ἀποδιδράσκειν ὡς κεκρατημένους,

[f]οὓς οἱ πολέμιοι μετὰ τὴν μάχην ἀπιστοῦσι φεύγειν ὡς πολὺ κρατοῦντας; εἶτα πιστεύειν ἄξιον τούτῳ γράφοντι περὶ ἀνδρὸς ἢ πόλεως μιᾶς, ὃς ἑνὶ ῥήματι τὸ νίκημα τῆς Ἑλλάδος ἀφαιρεῖται καὶ τὸ τρόπαιον καθαιρεῖ καὶ τὰς ἐπιγραφάς, ἃς ἔθεντο παρὰ τῇ Ἀρτέμιδι τῇ Προσηῴᾳ, κόμπον ἀποφαίνει καὶ ἀλαζονείαν; ἔχει δ’ οὕτω τοὐπίγραμμα·

παντοδαπῶν ἀνδρῶν γενεὰς Ἀσίας ἀπὸ χώρας
παῖδες Ἀθηναίων τῷδέ ποτ’ ἐν πελάγει
ναυμαχίᾳ δαμάσαντες, ἐπεὶ στρατὸς ὤλετο Μήδων,
σήματα ταῦτ’ ἔθεσαν παρθένῳ Ἀρτέμιδι.

[868] [a] ἐν μὲν οὖν ταῖς μάχαις οὐκ ἔταξε τοὺς Ἕλληνας οὐδ’ ἐδήλωσεν ἣν ἑκάστη πόλις ἔχουσα χώραν ἐναυμάχησε, κατὰ δὲ τὸν ἀπόπλουν, ὃν αὐτὸς δρασμὸν προσαγορεύει, πρώτους φησὶ Κορινθίους πλεῖν ὑστάτους δ’ Ἀθηναίους.

Ἔδει μὲν οὖν μηδὲ τοῖς μηδίσασιν Ἑλλήνων ἄγαν ἐπεμβαίνειν, καὶ ταῦτα Θούριον μὲν ὑπὸ τῶν ἄλλων νομιζόμενον αὐτὸν δὲ Ἁλικαρνασέων περιεχόμενον, οἳ Δωριεῖς ὄντες μετὰ τῆς γυναικωνίτιδος ἐπὶ τοὺς Ἕλληνας ἐστράτευσαν.

Ὁ δὲ τοσοῦτον ἀποδεῖ τοῦ πραότερον ὀνομάζειν

[b]τὰς τῶν μηδισάντων ἀνάγκας, ὥστε περὶ Θεσσαλῶν διηγησάμενος ὅτι Φωκεῦσιν, ἐχθροῖς καὶ πολεμίοις οὖσι, προσέπεμψαν ἐπαγγελλόμενοι τὴν χώραν αὐτῶν ἀβλαβῆ διαφυλάξειν, εἰ πεντήκοντα τάλαντα μισθὸν λάβοιεν, ταῦτα περὶ Φωκέων γέγραφεν αὐτοῖς ὀνόμασιν· “οἱ γὰρ Φωκεῖς μοῦνοι τῶν ταύτῃ ἀνθρώπων οὐκ ἐμήδιζον, κατ’ ἄλλο μὲν οὐδέν, ὡς ἐγὼ συμβαλλόμενος εὑρίσκω, κατὰ δὲ τὸ ἔχθος τὸ Θεσσαλῶν· εἰ δὲ Θεσσαλοὶ τὰ Ἑλλήνων ηὖξον, ὡς ἐμοὶ δοκεῖ, ἐμήδιζον ἂν οἱ Φωκεῖς.” καίτοι μετὰ μικρὸν αὐτὸς ἐρεῖ τρισκαίδεκα πόλεις τῶν Φωκέων ὑπὸ τοῦ βαρβάρου κατακεκαῦσθαι, διεφθάρθαι [c] τὴν χώραν, ἐμπεπρῆσθαι τὸ ἐν Ἄβαις ἱερόν, ἄνδρας

ἀπολωλέναι καὶ γυναῖκας, ὅσοι μὴ διαφυγόντες ἔφθησαν εἰς τὸν Παρνασόν. ἀλλ’ ὅμως τοὺς τὰ ἔσχατα παθεῖν ἐπὶ τῷ μὴ προέσθαι τὸ καλὸν ὑπομείναντας εἰς τὴν αὐτὴν ἔθετο κακίαν τοῖς προθυμότατα μηδίσασι· καὶ τὰ ἔργα τῶν ἀνδρῶν ψέξαι μὴ δυνηθείς, αἰτίας ἐκάθητο φαύλας καὶ ὑπονοίας ἐπὶ τοῦ γραφείου συντιθεὶς κατ’ αὐτῶν καὶ κελεύων οὐκ ἀφ’ ὧν ἔπραξαν, ἀλλ’ ἀφ’ ὧν ἔπραξαν ἂν εἰ μὴ ταῦτα Θεσσαλοῖς ἔδοξε, κρίνεσθαι τὴν διάνοιαν αὐτῶν, ὥσπερ χώρας ἀντειλημμένης [d] ὑφ’ ἑτέρων τῆς προδοσίας ἀπολειφθέντας.

Εἰ τοίνυν Θεσσαλούς τις ἐπιχειρεῖ τοῦ μηδισμοῦ παραιτεῖσθαι, λέγων ὡς οὐ ταῦτ’ ἐβούλοντο, τῇ δὲ πρὸς Φωκέας διαφορᾷ τοῖς Ἕλλησι προστιθεμένους ὁρῶντες αὐτοὶ παρὰ γνώμην ἐμήδισαν, ἆρ’ οὐκ ἂν αἴσχιστα κολακεύειν ἔδοξε καὶ πρὸς ἑτέρων χάριν αἰτίας χρηστὰς ἐπὶ πράγμασι φαύλοις πορίζων διαστρέφειν τὴν ἀλήθειαν; ἐγὼ μὲν οἶμαι. πῶς οὖν οὐ περιφανέστατα δόξει συκοφαντεῖν ὁ μὴ δι’ ἀρετὴν τὰ βέλτιστα Φωκεῖς ἑλομένους ἀποφαινόμενος, ἀλλ’ ὅτι τἀναντία Θεσσαλοὺς ἔγνωσαν φρονοῦντας; [e] οὐδὲ γὰρ εἰς ἑτέρους, ὥσπερ εἴωθεν, ἀνάγει τὴν διαβολὴν ἀκηκοέναι λέγων ἀλλ’ αὐτὸς εὑρίσκειν συμβαλλόμενος. εἰπεῖν οὖν ἔδει τὰ τεκμήρια, δι’ ὧν ἐπείσθη τοὺς ὅμοια πράττοντας τοῖς ἀρίστοις ταὐτὰ τοῖς φαυλοτάτοις διανοηθῆναι.

Τὸ γὰρ τῆς ἔχθρας γελοῖόν ἐστιν· οὔτε γὰρ Αἰγινήτας ἐκώλυσεν ἡ πρὸς Ἀθηναίους διαφορὰ καὶ Χαλκιδεῖς ἡ πρὸς Ἐρετριέας καὶ Κορινθίους ἡ πρὸς Μεγαρέας τῇ Ἑλλάδι συμμαχεῖν· οὐδ’ αὖ πάλιν Θεσσαλοὺς μηδίζοντες οἱ πολεμιώτατοι Μακεδόνες τῆς πρὸς τὸν βάρβαρον φιλίας ἀπέστρεψαν. τὰς γὰρ ἰδίας ἀπεχθείας ὁ κοινὸς ἀπέκρυψε κίνδυνος, ὥστε τῶν ἄλλων παθῶν ἐκπεσόντας ἢ τῷ καλῷ δι’ [f] ἀρετὴν ἢ τῷ συμφέροντι δι’ ἀνάγκην προστίθεσθαι τὴν γνώμην. οὐ μὴν ἀλλὰ καὶ μετὰ τὴν ἀνάγκην ἐκείνην, ᾗ κατελήφθησαν ὑπὸ Μήδοις γενέσθαι, πάλιν μετεβάλοντο πρὸς τοὺς Ἕλληνας οἱ ἄνδρες, καὶ Λακράτης μὲν αὐτοῖς ὁ Σπαρτιάτης ἄντικρυς ἐμαρτύρησεν· αὐτὸς δ’ ὁ Ἡρόδοτος ὥσπερ ἐκβιασθεὶς ἐν τοῖς Πλαταιικοῖς ὁμολογεῖ καὶ Φωκέας παραγενέσθαι τοῖς Ἕλλησιν.

Οὐ δεῖ δὲ θαυμάζειν εἰ τοῖς ἀτυχήσασιν ἔγκειται πικρῶς, ὅπου καὶ τοὺς παραγενομένους [869] [a] καὶ συγκινδυνεύσαντας εἰς τὴν τῶν πολεμίων μερίδα καὶ προδοτῶν μετατίθησι. “Νάξιοι γὰρ τρεῖς ἔπεμψαν τριήρεις συμμάχους τοῖς βαρβάροις, εἷς δὲ τῶν τριηράρχων Δημόκριτος ἔπεισε τοὺς ἄλλους ἑλέσθαι τὰ τῶν Ἑλλήνων.” οὕτως οὐδ’ ἐπαινεῖν ἄνευ τοῦ ψέγειν οἶδεν, ἀλλ’ ἵν’ εἷς ἀνὴρ ἐγκωμιασθῇ, πόλιν ὅλην δεῖ κακῶς ἀκοῦσαι καὶ δῆμον. μαρτυρεῖ δ’ αὐτοῖς τῶν μὲν πρεσβυτέρων Ἑλλάνικος τῶν δὲ νεωτέρων Ἔφορος, ὁ μὲν

ἓξ ὁ δὲ πέντε ναυσὶ τοὺς Ναξίους ἐλθεῖν τοῖς Ἕλλησι βοηθοῦντας ἱστορήσας. αὐτὸς δὲ καὶ παντάπασιν ἑαυτὸν ὁ Ἡρόδοτος ἐξελέγχει ταῦτα πλαττόμενον.

[b] οἱ μὲν γὰρ Ναξίων ὡρογράφοι λέγουσι καὶ πρότερον Μεγαβάτην ἀπώσασθαι ναυσὶ διακοσίαις ἐπιπλεύσαντα τῇ νήσῳ, καὶ Δᾶτιν αὖθις τὸν στρατηγὸν ἐξελάσαι καταπρήσαντα ‹τὰ ἱερά, αὐτοὺς δὲ Ναξίους οὐδὲν ἐπιχειρήσαντα› ποιῆσαι κακόν. εἰ δέ, ὡς Ἡρόδοτος εἴρηκεν ἀλλαχόθι, τὴν μὲν πόλιν αὐτῶν ἐμπρήσαντες διέφθειραν, οἱ δ’ ἄνθρωποι καταφυγόντες εἰς τὰ ὄρη διεσώθησαν, ἦπου καλὴν αἰτίαν εἶχον τοῖς ἀπολέσασι τὴν πατρίδα πέμπειν βοήθειαν, ἀλλὰ μὴ τοῖς ἀμυνομένοις ὑπὲρ τῆς κοινῆς ἐλευθερίας ἀμύνειν. ὅτι δ’ οὐκ ἐπαινέσαι βουληθεὶς Δημόκριτον, ἀλλ’ ἐπ’ αἰσχύνῃ Ναξίων [c] συνέθηκε τὸ ψεῦδος, δῆλός ἐστι τῷ παραλιπεῖν ὅλως καὶ παρασιωπῆσαι τὸ Δημοκρίτου κατόρθωμα καὶ τὴν ἀριστείαν, ἣν ἐπιγράμματι Σιμωνίδης ἐδήλωσε

Δημόκριτος τρίτος ἦρξε μάχης, ὅτε πὰρ Σαλαμῖνα
Ἕλληνες Μήδοις σύμβαλον ἐν πελάγει·
πέντε δὲ νῆας ἕλεν δηίων, ἕκτην δ’ ὑπὸ χεῖρα
ῥύσατο βαρβαρικὴν Δωρίδ’ ἁλισκομένην.

Ἀλλὰ τί ἄν τις ἀγανακτοίη περὶ Ναξίων; εἰ γάρ εἰσιν ἀντίποδες ἡμῶν, ὥσπερ ἔνιοι λέγουσι, τῆς γῆς τὰ κάτω περιοικοῦντες, οἶμαι μηδ’ ἐκείνους ἀνηκόους εἶναι Θεμιστοκλέους καὶ τοῦ Θεμιστοκλέους βουλεύματος, ὃ βουλεύσας τῇ Ἑλλάδι ναυμαχῆσαι [d] πρὸ τῆς Σαλαμῖνος ἱδρύσατο ναὸν Ἀριστοβούλης Ἀρτέμιδος ἐν Μελίτῃ, τοῦ βαρβάρου καταπολεμηθέντος. τοῦτο μὲν τοῦ Θεμιστοκλέους ὁ χαρίεις συγγραφεὺς ὅσον ἐφ’ ἑαυτῷ παραιρούμενος καὶ τὴν δόξαν εἰς ἕτερον μεταφέρων ταῦτα γράφει κατὰ λέξιν· “ἐνταῦθα δὲ Θεμιστοκλέα ἀφικόμενον ἐπὶ τὴν νέα εἴρετο Μνησίφιλος ἀνὴρ Ἀθηναῖος, ὅ τι σφιν εἴη βεβουλευμένον· πυθόμενος δὲ πρὸς αὐτοῦ, ὡς ἐστὶ δεδογμένον ἀνάγειν τὰς νέας πρὸς τὸν Ἰσθμὸν καὶ πρὸ τῆς Πελοποννήσου ναυμαχέειν, εἶπε· ‘οὐκ ἄρα, ἢν ἀπαίρωσι τὰς νέας ἀπὸ Σαλαμῖνος, οὐδὲ περὶ μιῆς ἔτι πατρίδος ναυμαχήσεις· κατὰ γὰρ πόλεις ἕκαστοι τρέψονται’”

[e] (καὶ μετ’ ὀλίγον) “‘ἀλλὰ εἴ τις ἔστι μηχανή, ἴθι τε καὶ πειρῶ διαχέαι τὰ βεβουλευμένα, ἥν κως δύνῃ ἀναγνῶσαι Εὐρυβιάδεα μεταβουλεύσασθαι ὥστε αὐτοῦ μενεῖν.’” εἶθ’ ὑπειπὼν ὅτι “κάρτα τῷ Θεμιστοκλεῖ ἤρεσεν ἡ ὑποθήκη, καὶ οὐδὲν πρὸς ταῦτα ἀμειψάμενος ἀφίκετο πρὸς τὸν Εὐρυβιάδην,” πάλιν αὐταῖς λέξεσι γέγραφεν· “ἐνταῦθα δὲ Θεμιστοκλῆς παριζόμενός οἱ καταλέγει κεῖνά τε πάντα [f] ἃ ἤκουσε Μνησιφίλου ἑωυτοῦ ποιεύμενος, καὶ ἄλλα

προστιθείς.” ὁρᾷς ὅτι κακοηθείας προστρίβεται τἀνδρὶ δόξαν, ἴδιον αὐτοῦ βούλευμα ποιεῖσθαι τὸ τοῦ Μνησιφίλου λέγων;

Ἔτι δὲ μᾶλλον τῶν Ἑλλήνων καταγελῶν Θεμιστοκλέα μὲν οὔτε φησὶ φρονῆσαι τὸ συμφέρον ἀλλὰ παριδεῖν, ὃς Ὀδυσσεὺς ἐπωνομάσθη διὰ τὴν φρόνησιν, Ἀρτεμισίαν δὲ τὴν Ἡροδότου πολῖτιν, μηδενὸς διδάξαντος, αὐτὴν ἀφ’ ἑαυτῆς ἐπινοήσασαν Ξέρξῃ προειπεῖν, ὡς “οὐχ οἷοί τε πολλὸν χρόνον ἔσονταί τοι ἀντέχειν οἱ Ἕλληνες, ἀλλά σφεας διασκεδᾷς, [870] [a] κατὰ πόλεις δὲ ἕκαστοι φεύξονται· καὶ οὐκ εἰκὸς αὐτούς, ἢν σὺ ἐπὶ τὴν Πελοπόννησον ἐλαύνῃς τὸν πεζὸν στρατόν, ἀτρεμήσειν, οὐδέ σφιν μελήσειν πρὸ τῶν Ἀθηνέων ναυμαχέειν· ἢν δὲ αὐτίκα ἐπειχθῇς ναυμαχῆσαι, δειμαίνω μὴ ὁ ναυτικὸς στρατὸς κακωθεὶς καὶ τὸν πεζὸν προσδηλήσηται.” ταῦτα μὲν οὖν μέτρων ἐνδεῖ τῷ Ἡροδότῳ, Σίβυλλαν ἀποφῆναι τὴν Ἀρτεμισίαν τὰ μέλλοντα προθεσπίζουσαν οὕτως ἀκριβῶς. διὸ καὶ Ξέρξης αὐτῇ παρέδωκε τοὺς ἑαυτοῦ παῖδας ἀπάγειν εἰς Ἔφεσον· ἐπελέληστο γὰρ ἐκ Σούσων, ὡς ἔοικεν, ἄγειν γυναῖκας, εἰ γυναικείας ἐδέοντο παραπομπῆς οἱ παῖδες.

Ἀλλ’ ὃ μὲν ἔψευσται, λόγος ἡμῖν οὐδείς·

[b]ἃ δέ γε κατέψευσται μόνον ἐξετάζομεν. φησὶ τοίνυν Ἀθηναίους λέγειν, ὡς Ἀδείμαντος ὁ Κορινθίων στρατηγός, ἐν χερσὶ τῶν πολεμίων γενομένων, ὑπερεκπλαγεὶς καὶ καταδείσας ἔφευγεν, οὐ πρύμναν κρουσάμενος οὐδὲ διαδὺς ἀτρέμα διὰ τῶν μαχομένων, ἀλλὰ λαμπρῶς ἐπαιρόμενος τὰ ἱστία καὶ τὰς ναῦς ἁπάσας ἀποστρέψας· εἶτα μέντοι κέλης ἐλαυνόμενος αὐτῷ συνέτυχε περὶ τὰ λήγοντα τῆς Σαλαμινίας, ἐκ δὲ τοῦ κέλητος ἐφθέγξατό τις· “σὺ μέν, ὦ Ἀδείμαντε, φεύγεις καταπροδοὺς τοὺς Ἕλληνας· [c] οἱ δὲ καὶ δὴ νικῶσι, καθάπερ ἠρῶντο ἐπικρατῆσαι τῶν ἐχθρῶν.” ὁ δὲ κέλης οὗτος ἦν, ὡς ἔοικεν, οὐρανοπετής· τί γὰρ ἔδει φείδεσθαι μηχανῆς τραγικῆς, ἐν πᾶσι τοῖς ἄλλοις ὑπερπαίοντα τοὺς τραγῳδοὺς ἀλαζονείᾳ; πιστεύσας οὖν ὁ Ἀδείμαντος “ἐπανῆλθεν εἰς τὸ στρατόπεδον ἐπ’ ἐξειργασμένοις· αὕτη φάτις ἔχει ὑπὸ Ἀθηναίων· οὐ μέντοι Κορίνθιοι ὁμολογέουσιν, ἀλλὰ ἐν πρώτοισι σφέας αὐτοὺς τῆς ναυμαχίης νομίζουσι γενέσθαι· μαρτυρεῖ δέ σφι καὶ ἡ ἄλλη Ἑλλάς.”

Τῶν τοίνυν αἰτιῶν τῶν κατὰ Θεμιστοκλέους ἀνέδην ἐμφορηθείς, ἐν οἷς κλέπτοντα καὶ πλεονεκτοῦντα λάθρα τῶν ἄλλων στρατηγῶν οὔ φησι παύσασθαι περὶ τὰς νήσους, τέλος αὐτῶν Ἀθηναίων τὸν στέφανον ἀφελόμενος Αἰγινήταις ἐπιτίθησι, γράφων ταῦτα· “πέμψαντες ἀκροθίνια οἱ Ἕλληνες εἰς Δελφοὺς ἐπηρώτων τὸν θεὸν κοινῇ, εἰ λελάβηκε πλήρεα καὶ ἀρεστὰ τὰ ἀκροθίνια· ὁ δὲ παρ’ Ἑλλήνων μὲν τῶν ἄλλων ἔφησεν ἔχειν, παρ’ [d] Αἰγινητέων δὲ οὔ, ἀλλ’ ἀπαίτεε αὐτοὺς τὰ ἀριστεῖα τῆς ἐν Σαλαμῖνι ναυμαχίας.” οὐκέτι Σκύθαις οὐδὲ Πέρσαις οὐδ’ Αἰγυπτίοις τοὺς ἑαυτοῦ λόγους ἀνατίθησι πλάττων, ὥσπερ Αἴσωπος κόραξι καὶ πιθήκοις, ἀλλὰ τῷ τοῦ Πυθίου προσώπῳ χρώμενος ἀπωθεῖ τῶν ἐν Σαλαμῖνι πρωτείων τὰς Ἀθήνας. Θεμιστοκλεῖ δὲ τῶν δευτερείων ἐν Ἰσθμῷ γενομένων διὰ τὸ τῶν στρατηγῶν ἕκαστον αὑτῷ μὲν τὸ πρωτεῖον ἐκείνῳ δὲ τὸ δευτερεῖον ἀποδοῦναι, καὶ τέλος τῆς κρίσεως μὴ λαβούσης, δέον αἰτιάσασθαι [e] τὴν φιλοτιμίαν τῶν στρατηγῶν, πάντας ἀποπλεῦσαί φησι τοὺς Ἕλληνας ὑπὸ φθόνου μὴ βουληθέντας ἀναγορεῦσαι τὸν ἄνδρα πρῶτον.

Ἐν δὲ τῇ ἐνάτῃ καὶ τελευταίᾳ τῶν βίβλων, ὅσον ἦν ὑπόλοιπον ἔτι τῆς πρὸς Λακεδαιμονίους αὐτῷ δυσμενείας ἐκχέαι σπεύδων, τὸ παρ’ αὐτὸν ἀφείλετο τὴν ἀοίδιμον νίκην καὶ τὸ περιβόητον Πλαταιᾶσι κατόρθωμα τῆς πόλεως. γέγραφε γὰρ ὡς πρότερον μὲν ὠρρώδουν τοὺς Ἀθηναίους, μὴ πεισθέντες ὑπὸ Μαρδονίου τοὺς Ἕλληνας ἐγκαταλίπωσι, τοῦ δ’ Ἰσθμοῦ τειχισθέντος ἐν ἀσφαλεῖ θέμενοι τὴν Πελοπόννησον ἠμέλουν ἤδη τῶν ἄλλων καὶ περιεώρων, ἑορτάζοντες οἴκοι καὶ τοὺς πρέσβεις τῶν Ἀθηναίων κατειρωνευόμενοι καὶ διατρίβοντες.

[f] πῶς οὖν ἐξῆλθον εἰς Πλαταιὰς πεντακισχίλιοι Σπαρτιᾶται, περὶ αὑτὸν ἔχων ἀνὴρ ἕκαστος ἑπτὰ εἵλωτας; ἢ πῶς κίνδυνον ἀράμενοι τοσοῦτον ἐκράτησαν καὶ κατέβαλον μυριάδας τοσαύτας; ἄκουσον αἰτίας πιθανῆς· “ἔτυχε,” φησίν, “ἐν Σπάρτῃ παρεπιδημῶν ἐκ Τεγέας ἀνὴρ ὄνομα Χείλεως, ᾧ φίλοι τινὲς καὶ ξένοι τῶν ἐφόρων ἦσαν· οὗτος οὖν ἔπεισεν αὐτοὺς ἐκπέμψαι τὸ στράτευμα, λέγων ὅτι τοῦ διατειχίσματος οὐδὲν ὄφελός ἐστι Πελοποννησίοις, ἂν Ἀθηναῖοι Μαρδονίῳ προσγένωνται.” τοῦτο Παυσανίαν ἐξήγαγεν εἰς Πλαταιὰς μετὰ τῆς [872] [a] δυνάμεως· εἰ δέ τι κατέσχεν οἰκεῖον ἐν Τεγέᾳ πρᾶγμα τὸν Χείλεων ἐκεῖνον, οὐκ ἂν ἡ Ἑλλὰς περιεγένετο.

Πάλιν δὲ τοῖς Ἀθηναίοις οὐκ ἔχων ὅ τι χρήσαιτο, ποτὲ μὲν αἴρει ποτὲ δὲ καταβάλλει τὴν πόλιν ἄνω καὶ κάτω μεταφέρων, οὓς Τεγεάταις μὲν εἰς ἀγῶνα λέγει περὶ τῶν δευτερείων καταστάντας Ἡρακλειδῶν τε μεμνῆσθαι καὶ τὰ πρὸς Ἀμαζόνας πραχθέντα προφέρειν ταφάς τε Πελοποννησίων τῶν ὑπὸ τῇ Καδμείᾳ πεσόντων· καὶ τέλος εἰς τὸν Μαραθῶνα καταβαίνειν τῷ λόγῳ φιλοτιμουμένους καὶ ἀγαπῶντας ἡγεμονίας τυχεῖν τοῦ ἀριστεροῦ κέρως· [b] ὀλίγον δ' ὕστερον αὐτοῖς Παυσανίαν καὶ Σπαρτιάτας τῆς ἡγεμονίας ὑφίεσθαι, καὶ παρακαλεῖν ὅπως κατὰ Πέρσας ἀντιταχθῶσι τὸ δεξιὸν κέρας παραλαβόντες, αὐτοῖς δὲ παραδόντες τὸ εὐώνυμον ὡς ἀηθείᾳ τὴν πρὸς τοὺς βαρβάρους μάχην ἀπολεγομένους. καίτοι γελοῖον, εἰ μὴ συνήθεις εἶεν οἱ πολέμιοι, μάχεσθαι μὴ θέλειν.

Ἀλλὰ τούς γ' ἄλλους Ἕλληνας εἰς ἕτερον ὑπὸ τῶν στρατηγῶν ἀγομένους στρατόπεδον, "ὡς ἐκινήθησαν,"

Ἀλλὰ Κορινθίους γε καὶ τάξιν ἣν ἐμάχοντο τοῖς βαρβάροις, καὶ τέλος ἡλίκον ὑπῆρξεν αὐτοῖς ἀπὸ τοῦ Πλαταιᾶσιν ἀγῶνος ἔξεστι Σιμωνίδου πυθέσθαι γράφοντος ἐν τούτοις·

Ὁ δὲ προλαμβάνων τὸν ἔλεγχον τοῦ ψεύσματος [f] τῶν ἐρησομένων, “πόθεν οὖν πολυάνδρια καὶ θῆκαι τοσαῦται καὶ μνήματα νεκρῶν, ἐν οἷς ἐναγίζουσιν ἄχρι νῦν Πλαταιεῖς τῶν Ἑλλήνων συμπαρόντων,” πρᾶγμα αἴσχιον, ὡς οἶμαι, τῆς προδοσίας τῶν γενεῶν κατηγόρηκεν ἐν τούτοις· “τῶν δὲ ἄλλων ὅσοι καὶ φαίνονται ἐν Πλαταιῇσιν ἐόντες τάφοι, τούτους δέ, ὡς ἐγὼ πυνθάνομαι, αἰσχυνομένους τῇ ἀπεστοῖ τῆς μάχης ἑκάστους χώματα χῶσαι κεινὰ τῶν ἐπιγινομένων εἵνεκ’ ἀνθρώπων.” ταύτην τὴν ἀπεστὼ τῆς μάχης προδοσίαν οὖσαν Ἡρόδοτος ἀνθρώπων μόνος ἁπάντων ἤκουσε, Παυσανίαν δὲ [873] [a] καὶ Ἀριστείδην καὶ Λακεδαιμονίους καὶ Ἀθηναίους ἔλαθον οἱ Ἕλληνες ἐγκαταλιπόντες τὸν κίνδυνον· καὶ οὔτ’ Αἰγινήτας Ἀθηναῖοι διαφόρους ὄντας εἶρξαν τῆς ἐπιγραφῆς, οὔτε Κορινθίους ἤλεγξαν, οὓς πρότερον νικῶντες φεύγειν ἀπὸ Σαλαμῖνος, ἀντιμαρτυρούσης αὐτοῖς τῆς Ἑλλάδος. καίτοι Κλεάδας ἦν ὁ Πλαταιεύς, ὕστερον ἔτεσι δέκα τῶν Μηδικῶν Αἰγινήταις χαριζόμενος, ὥς φησιν Ἡρόδοτος, ὃς ἐπώνυμον ἔχωσεν αὐτῶν πολυάνδριον.

Ἀθηναῖοι δὲ καὶ Λακεδαιμόνιοι τί παθόντες εὐθὺς τότε πρὸς μὲν ἀλλήλους ὀλίγον ἐδέησαν εἰς [b] χεῖρας ἐλθεῖν περὶ τοῦ τροπαίου τῆς ἀναστάσεως, τοὺς δ’ Ἕλληνας ἀποδειλιάσαντας καὶ ἀποδράντας οὐκ ἀπήλαυνον τῶν ἀριστείων, ἀλλ’ ἐνέγραφον τοῖς τρίποσι καὶ τοῖς κολοσσοῖς καὶ μετεδίδοσαν τῶν λαφύρων; τέλος δὲ τῷ βωμῷ τοὐπίγραμμα τοῦτο γράφοντες ἐνεχάραξαν·

Καὶ μὴν Παυσανίας, ὡς λέγουσιν, ἤδη τυραννικὰ φρονῶν ἐπέγραψεν ἐν Δελφοῖς·

Ἑλλήνων ἀρχηγός, ἐπεὶ στρατὸν ὤλεσε Μήδων,

Παυσανίας Φοίβῳ μνῆμ’ ἀνέθηκε τόδε,

κοινούμενος ἁμωσγέπως τοῖς Ἕλλησι τὴν δόξαν ὧν ἑαυτὸν ἀνηγόρευσεν ἡγεμόνα· τῶν δ’ Ἑλλήνων οὐκ ἀνασχομένων ἀλλ’ ἐγκαλούντων, πέμψαντες εἰς Δελφοὺς Λακεδαιμόνιοι τοῦτο μὲν ἐξεκόλαψαν ‹ἀπὸ τοῦ τρίποδος τὸ

ἐλεγεῖον, πασῶν δ' ἀντεπέγραψαν› [d] τὰ ὀνόματα τῶν πόλεων, ὥσπερ ἦν δίκαιον. καίτοι πῶς εἰκός ἐστιν ἢ τοὺς Ἕλληνας ἀγανακτεῖν τῆς ἐπιγραφῆς μὴ μετασχόντας, εἰ συνῄδεσαν ἑαυτοῖς τὴν ἀπεστὼ τῆς μάχης, ἢ Λακεδαιμονίους τὸν ἡγεμόνα καὶ στρατηγὸν ἐκχαράξαντας ἐπιγράψαι τοὺς ἐγκαταλιπόντας καὶ περιιδόντας τὸν κίνδυνον; ὡς δεινότατόν ἐστιν, εἰ Σωφάνης μὲν καὶ Ἀείμνηστος καὶ πάντες οἱ διαπρεπῶς ἀγωνισάμενοι τὴν μάχην ἐκείνην οὐδὲ [e] Κυθνίων ἐπιγραφομένων τοῖς τροπαίοις οὐδὲ Μηλίων ἠχθέσθησαν, Ἡρόδοτος δὲ τρισὶ μόναις πόλεσιν ἀναθεὶς τὸν ἀγῶνα τὰς ἄλλας πάσας ἐκχαράττει τῶν τροπαίων καὶ τῶν ἱερῶν.

Τεσσάρων δ' ἀγώνων τότε πρὸς τοὺς βαρβάρους γενομένων, ἐκ μὲν Ἀρτεμισίου τοὺς Ἕλληνας ἀποδρᾶναί φησιν, ἐν δὲ Θερμοπύλαις, τοῦ στρατηγοῦ καὶ βασιλέως προκινδυνεύοντος, οἰκουρεῖν καὶ ἀμελεῖν Ὀλύμπια καὶ Κάρνεια πανηγυρίζοντας· τὰ δ' ἐν Σαλαμῖνι διηγούμενος τοσούτους περὶ Ἀρτεμισίας λόγους γέγραφεν, ὅσοις ὅλην τὴν [f] ναυμαχίαν οὐκ ἀπήγγελκε· τέλος δέ, καθημένους ἐν Πλαταιαῖς ἀγνοῆσαι μέχρι τέλους τὸν ἀγῶνα τοὺς Ἕλληνας, ὥσπερ βατραχομαχίας γινομένης, ἣν Πίγρης ὁ Ἀρτεμισίας ἐν ἔπεσι παίζων καὶ φλυαρῶν ἔγραψε, σιωπῇ διαγωνίσασθαι συνθεμένων, ἵνα λάθωσι τοὺς ἄλλους· αὐτοὺς δὲ Λακεδαιμονίους ἀνδρείᾳ μὲν οὐδὲν κρείττονας γενέσθαι τῶν βαρβάρων, ἀνόπλοις δὲ καὶ γυμνοῖς μαχομένους κρατῆσαι. Ξέρξου μὲν γὰρ αὐτοῦ παρόντος, ὑπὸ μαστίγων μόλις ὄπισθεν ὠθούμενοι προσεφέροντο [874] [a] τοῖς Ἕλλησιν, ἐν δὲ Πλαταιαῖς, ὡς ἔοικεν, ἑτέρας ψυχὰς μεταλαβόντες "λήματι μὲν καὶ ῥώμῃ οὐκ ἥσσονες ἦσαν, ἡ δὲ ἐσθής, ἔρημος ἐοῦσα ὅπλων, πλεῖστον ἐδηλήσατό σφεας· πρὸς γὰρ ὁπλίτας ἐόντες γυμνῆται ἀγῶνα ἐποιέοντο."

Τί οὖν περίεστιν ἔνδοξον ἢ μέγα τοῖς Ἕλλησιν ἀπ' ἐκείνων τῶν ἀγώνων, εἰ Λακεδαιμόνιοι μὲν ἀόπλοις ἐμάχοντο, τοὺς δ' ἄλλους ἡ μάχη παρόντας ἔλαθε, κενὰ δὲ πολυάνδρια τιμώμενα τοῖς ἑκάστου, ψευστῶν δὲ γραμμάτων μεστοὶ τρίποδες ἑστᾶσι καὶ βωμοὶ παρὰ τοῖς θεοῖς, μόνος δὲ τἀληθὲς Ἡρόδοτος ἔγνω, τοὺς δ' ἄλλους ἅπαντας ἀνθρώπους, [b] ὅσοι λόγον Ἑλλήνων ἔχουσιν, ἐξηπάτηκεν ἡ φήμη τῶν τότε κατορθωμάτων, ὡς ὑπερφυῶν γενομένων;

Τί δῆτα; γραφικὸς ἀνήρ, καὶ ἡδὺς ὁ λόγος, καὶ χάρις ἔπεστι καὶ δεινότης καὶ ὥρα τοῖς διηγήμασι,

μῦθον δ' ὡς ὅτ' ἀοιδός, ἐπισταμένως

μὲν οὔ, λιγυρῶς δὲ καὶ γλαφυρῶς ἠγόρευκεν. ἀμέλει ταῦτα καὶ κηλεῖ καὶ προσάγεται πάντας, ἀλλ' ὥσπερ ἐν ῥόδοις δεῖ κανθαρίδα φυλάττεσθαι τὴν βλασφημίαν αὐτοῦ καὶ κακολογίαν, λείοις καὶ ἁπαλοῖς [c] σχήμασιν

ὑποδεδυκυῖαν, ἵνα μὴ λάθωμεν ἀτόπους καὶ ψευδεῖς περὶ τῶν ἀρίστων καὶ μεγίστων τῆς Ἑλλάδος πόλεων καὶ ἀνδρῶν δόξας λαβόντες.

ΑΙΤΙΑ ΦΥΣΙΚΑ

[911] Α΄.

Διὰ τί τὸ θαλάττιον ὕδωρ οὐ τρέφει τὰ δένδρα;

Πότερον δι’ ἣν αἰτίαν οὐδὲ τῶν ζῴων τὰ χερσαῖα; ζῷον γὰρ ἔγγαιον τὸ φυτὸν εἶναι οἱ περὶ Πλάτωνα καὶ [d] Ἀναξαγόραν (A 116. 117) καὶ Δημόκριτον οἴονται· οὐ γὰρ διότι τοῖς ἐναλίοις φυτοῖς τρόφιμόν ἐστι καὶ πότιμον ὥσπερ τοῖς ἰχθύσιν, ἤδη καὶ τὰ ἐν τῇ χέρσῳ φυτά τε καὶ δένδρα τρέφει· οὔτε γὰρ ἐνδύεται ταῖς ῥίζαις ὑπὸ πάχους οὔτ’ ἀναφέρεται ὑπὸ βάρους· ὅτι δ’ ἐμβριθές ἐστι καὶ γεῶδες, ἄλλοις τε πολλοῖς ἀποδείκνυται καὶ τῷ μᾶλλον ἀνέχειν καὶ ὑπερείδειν τὰ πλοῖα καὶ τοὺς κολυμβῶντας. ἢ μάλιστα μὲν βλάπτεται ξηρότητι τὰ δένδρα, ξηραντικὸν δὲ τὸ θαλάττιον; ὅθεν πρός γε τὰς σήψεις οἱ ἅλες βοηθοῦσι, καὶ τὰ σώματα τῶν λουσαμένων ἐν θαλάττῃ ξηρὰν εὐθὺς ἴσχει καὶ τραχεῖαν τὴν ἐπιφάνειαν.

[e] ἢ τὸ μὲν ἔλαιον τοῖς φυτοῖς πολέμιον καὶ φθείρει τὰ προσαλειφόμενα, μετέχει δὲ πολλῆς ἡ θάλαττα λιπαρότητος· διὸ συνεξάπτει, καὶ παραινοῦμεν εἰς τὰς φλόγας μὴ ἐμβάλλειν θαλάττιον ὕδωρ. ἢ γέγονεν ἄποτον καὶ πικρὸν τὸ ὕδωρ, ὡς Ἀριστοτέλης φησίν (Meteor. II 358a 14), ἀναμίξει κατακεκαυμένης γῆς; καὶ γὰρ ἡ κονία γίνεται γλυκέος ὕδατος εἰς τέφραν ἐμπεσόντος, ἡ δὲ διάκαυσις ἐξίστησι καὶ φθείρει τὸ χρηστὸν καὶ πότιμον, ὡς ἐν ἡμῖν οἱ πυρετοὶ τὸ ὑγρὸν εἰς χολὴν τρέπουσιν. ἃ δ’ ἱστοροῦσιν ἐν τῇ Ἐρυθρᾷ θαλάσσῃ βλαστάνειν ὑλήματα καὶ φυτά, καρπὸν μὲν οὐδένα φέρει τρέφεται δὲ τοῖς ποταμοῖς πολλὴν [f] ἐμβάλλουσιν ἰλύν· ὅθεν οὐ πρόσω τῆς γῆς ἀλλὰ πλησίον ἔχει τὴν γένεσιν.

Β΄.

Διὰ τί μᾶλλον ὑπὸ τῶν ὑετίων ἢ τῶν ἐπιρρύτων ὑδάτων τὰ δένδρα καὶ τὰ σπέρματα πέφυκε τρέφεσθαι;

Πότερον, ὡς Λαῖτος ἔλεγε, τῇ πληγῇ τὰ ὄμβρια διιστάντα τὴν γῆν πόρους ποιεῖ καὶ διαδύεται μᾶλλον εἰς τὴν ῥίζαν; ἢ τοῦτο μὲν οὐκ ἀληθές, ἀλλ’ ἔλαθε τὸν [912] [a] Λαῖτον ὅτι καὶ τὰ λιμναῖα φυτά, τίφη καὶ φλέως καὶ θρύον, ἀναυξῆ καὶ ἀβλαστῆ μένει μὴ γενομένων ὄμβρων καθ’ ὥραν· τὸ δὲ τοῦ Ἀριστοτέλους (fr. 215 R.) ἀληθές, ὅτι πρόσφατόν ἐστι καὶ νέον ὕδωρ τὸ ὑόμενον ἕωλον δὲ καὶ παλαιὸν τὸ λιμναῖον; ἢ καὶ τοῦτο πιθανὸν μᾶλλον ἢ ἀληθές ἐστι; τὰ γὰρ πηγαῖα καὶ ποτάμια νάματα πρόσφατα μέν ἐστι καὶ νεογενῆ (‘ποταμοῖς γὰρ δὶς τοῖς αὐτοῖς οὐκ ἂν ἐμβαίης’ ὥς φησιν

Ἡράκλειτος (fr. 91. 49a. 12), ἕτερα γὰρ ἐπιρρεῖ ὕδατα), τρέφει δὲ καὶ ταῦτα τῶν ὀμβρίων χεῖρον. ἆρ' οὖν κοῦφόν ἐστι τὸ ἐκ Διὸς ὕδωρ καὶ ἀερῶδες, καὶ πνεύματι μεμιγμένον ὁδηγεῖται καὶ ἀναπέμπεται [b] ταχέως εἰς τὸ φυτὸν ὑπὸ λεπτότητος, δι' ὃ καὶ πομφόλυγας ποιεῖ τῇ ἀναμίξει τοῦ ἀέρος; ἢ τρέφει μὲν μάλιστα ‹τὸ μάλιστα› κρατούμενον ὑπὸ τοῦ τρεφομένου (τοῦτο γάρ ἐστι πέψις· ἀπεψία δὲ τοὐναντίον, ὅταν ἰσχυρότερα τοῦ παθεῖν ᾖ), καὶ μεταβάλλει τὰ λεπτὰ καὶ ἁπλᾶ καὶ ἄχυμα μᾶλλον, οἷόν ἐστι τὸ ὄμβριον ὕδωρ; γεννώμενον γὰρ ἐν ἀέρι καὶ πνεύματι καθαρὸν καὶ ἀμιγὲς κάτεισι· τὰ δὲ πηγαῖα καὶ τῇ γῇ καὶ τοῖς τόποις ὁμοιούμενα, δι' ὧν ἔξεισι, πολλῶν ἀναπίμπλαται ποιοτήτων, δι' ἃς ἧττόν ἐστιν εὔτρεπτα καὶ βράδιον αὐτὰ παρέχει τῇ πέψει μεταβάλλειν εἰς τὸ τρεφόμενον. τῶν δ' ὀμβρίων [c] τὸ εὔτρεπτον αἱ σήψεις κατηγοροῦσιν· εὐσηπτότερα γάρ ἐστι τῶν ποταμίων καὶ φρεατιαίων, ἡ δὲ πέψις ἔοικεν εἶναι σῆψις, ὡς Ἐμπεδοκλῆς (fr. 81) μαρτυρεῖ λέγων

'οἶνος ἀπὸ φλοιοῦ πέλεται σαπὲν ἐν ξύλῳ ὕδωρ'.

ἢ πάντων ἑτοιμότατόν ἐστι καὶ ῥᾷστον αἰτιάσασθαι τὸ γλυκὺ τῶν ὀμβρίων καὶ χρηστόν, ἐκπεμπόμενον εὐθὺς ὑπὸ τοῦ πνεύματος; διὸ καὶ τὰ θρέμματα τούτων ἀπολαύει προθυμότερον, καὶ οἱ βάτραχοι προσδοκῶντες ὄμβρον ἐπιλαμπρύνουσι τὴν φωνὴν ὑπὸ χαρᾶς, ὥσπερ ἥδυσμα τοῦ λιμναίου τὸ ὑέτιον προσδεχόμενοι καὶ σπέρμα τῆς ἐκείνων γλυκύτητος· ἓν γὰρ καὶ τοῦτο ποιεῖται [d] σημεῖον ὑετοῦ μέλλοντος Ἄρατος εἰπών (Phaen. 946 sq.)

'ἦ μάλα δείλαιαι γενεαί, ὕδροισιν ὄνειαρ,
αὐτόθεν ἐκ λίμνης πατέρες βοόωσι γυρίνων.'

Γ΄.

Διὰ τί παραβάλλουσι τοῖς θρέμμασιν ἅλας οἱ νομεῖς;

Πότερον, ὡς οἱ πολλοὶ νομίζουσι, πλήθους τροφῆς ἕνεκα καὶ τοῦ παχύνειν; τήν τε γὰρ ὄρεξιν ἡ δριμύτης ἐκκαλεῖται καὶ τοὺς πόρους ἀναστομοῦσα μᾶλλον ὁδοποιεῖ τῇ τροφῇ πρὸς τὴν ἀνάδοσιν· διὸ καὶ τοὺς ἰσχνοὺς καὶ τοὺς ἀτρόφους Ἀπολλώνιος ὁ Ἡροφίλειος ἐκέλευε μὴ γλυκεῖ μηδὲ χονδρῷ τρέφειν ἀλλὰ τοῖς ταριχευτοῖς καὶ ὑφαλμυρίζουσιν, [e] ὧν ἡ λεπτότης, ὥσπερ ἐντρίχωμα γενομένη, τὰ σιτία τοῖς σώμασι διὰ τῶν πόρων προστίθησιν. ἢ μᾶλλον ὑγιείας ἕνεκα καὶ συγκοπῆς πλήθους τὸν ἅλα λείχειν ἐθίζουσι τὰ βοσκήματα; νοσεῖ γὰρ ἄγαν πιαινόμενα, τὴν δὲ πιμελὴν τήκουσιν οἱ ἅλες καὶ διαχέουσιν· ὅθεν εὐμαρῶς καὶ ῥᾳδίως ἀποδέρουσιν αὐτὰ σφάξαντες· ἡ γὰρ κολλῶσα καὶ συνδέουσα τὸ δέρμα πιμελὴ λεπτὴ καὶ ἀσθενὴς γέγονεν ὑπὸ τῆς δριμύτητος. λεπτύνεται δὲ καὶ τὸ αἷμα τῶν [τὸ] ἅλας λειχόντων οὐδὲ πήγνυται τὰ ἐντὸς ἁλῶν μιγέντων. σκόπει δέ, μὴ καὶ

γονιμώτερα καὶ προθυμότερα πρὸς τὰς συνουσίας· καὶ γὰρ αἱ κύνες [f] κύουσι ταχέως τάριχος ἐπεσθίουσαι, καὶ τὰ ἅληγὰ τῶν πλοίων πλείους τρέφει μῦς διὰ τὸ πολλάκις συμπλέκεσθαι.

Δ΄.

Διὰ τί τῶν ὀμβρίων ὑδάτων εὐαλδέστερα τοῖς σπέρμασι τὰ μετὰ βροντῶν καὶ ἀστραπῶν, ἃ δὴ καὶ ἀστραπαῖα καλοῦσι;

Πότερον ὅτι πνευματώδη διὰ τὴν τοῦ ἀέρος ταραχὴν καὶ ἀνάμιξιν, τὸ δὲ πνεῦμα τὴν ὑγρότητα κινοῦν μᾶλλον ἀναπέμπει καὶ ἀναδίδωσιν; ἢ βροντὰς μὲν καὶ [913] [a] ἀστραπὰς ποιεῖ τὸ θερμὸν ἐν τῷ ἀέρι πρὸς τὸ ψυχρὸν μαχόμενον (διὸ χειμῶνος ἥκιστα βροντᾷ μάλιστα δ’ ἔαρος καὶ φθινοπώρου διὰ τὴν ἀνωμαλίαν τῆς κράσεως), ἡ δὲ θερμότης πέττουσα τὸ ὑγρὸν προσφιλὲς ποιεῖ τοῖς βλαστάνουσι καὶ ὠφέλιμον; ἢ μάλιστα μὲν ἔαρος βροντᾷ καὶ ἀστράπτει διὰ τὴν εἰρημένην αἰτίαν, τὰ δ’ ἐαρινὰ τῶν ὑδάτων ἀναγκαιότερα τοῖς σπέρμασι πρὸ τοῦ θέρους, ὅθεν ἡ πλεῖστον ὑομένη τοῦ ἔαρος χώρα καθάπερ ἡ ἐν Σικελίᾳ πολλοὺς καὶ ἀγαθοὺς καρποὺς ἀναδίδωσιν;

Ε΄.

Διὰ τί τῶν χυμῶν, ὀκτὼ τῷ γένει ὄντων, ἕνα μόνον, τὸν [b] ἁλμυρόν, ἀπ’ οὐδενὸς καρποῦ γεννώμενον ὁρῶμεν; καίτοι καὶ τὸν πικρὸν ἡ ἐλαία φέρει πρῶτον καὶ τὸν ὀξὺν ὁ βότρυς, εἶτα μεταβάλλων ὁ μὲν γίνεται λιπαρὸς ὁ δ’ οἰνώδης· μεταβάλλει δὲ καὶ ὁ στρυφνὸς ἐν ταῖς φοινικοβαλάνοις καὶ ὁ αὐστηρὸς ἐν ταῖς ῥόαις εἰς τὸν γλυκύν· ἔνιαι δὲ ῥόαι καὶ μῆλα τὸν ὀξὺν ἁπλῶς φέρουσιν, ὁ δὲ δριμὺς ἐν ταῖς ῥίζαις καὶ σπέρμασι πολύς ἐστι.

Πότερον οὖν οὐκ ἔστιν ἁλμυροῦ γένεσις ἀλλὰ φθορὰ τῶν ἄλλων τὸ ἁλμυρόν, διὸ καὶ πᾶσιν ἄτροφον τοῖς ἀπὸ φυτῶν καὶ σπερμάτων τρεφομένοις, ἥδυσμα δ’ ἐνίοις γίνεται τῷ τὸ πλήσμιον ἀφαιρεῖν τῶν τρεφόντων; ἤ, [c] καθάπερ τῆς θαλάττης ἕψοντες ἀφαιροῦσι τὸ ἁλυκὸν καὶ δηκτικόν, ἐν τοῖς θερμοῖς ὑπὸ θερμότητος ἐξαμαυροῦται τὸ ἁλμυρόν; ἢ χυμὸς μέν ἐστιν, ὡς Πλάτων (Tim. 59e) εἶπεν, ὕδωρ ἠθημένον διὰ φυτοῦ, διηθουμένη δὲ καὶ θάλαττα τὸ ἁλμυρὸν ἀποβάλλει; γεῶδες γὰρ καὶ παχυμερές ἐστιν, ὅθεν ὀρύττοντες παρὰ τὸν αἰγιαλὸν ἐντυγχάνουσι ποτίμοις λιβαδίοις, πολλοὶ δὲ καὶ κηρίνοις ἀγγείοις ἀναλαμβάνουσιν ἐκ τῆς θαλάττης ὕδωρ γλυκὺ διηθούμενον, ἀποκρινομένου τοῦ ἁλυκοῦ καὶ γεώδους· ἡ δὲ δι’ ἀργίλου προδιαγωγὴ παντάπασι τὴν θάλατταν διηθουμένην πότιμον [d] ἀποδίδωσι τῷ κατέχειν ἐν ἑαυτῇ καὶ μὴ διιέναι τὸ γεῶδες. οὕτω δὲ τούτων ἐχόντων, εἰκός ἐστι τὰ φυτὰ μήτ’ ἔξωθεν ἀναλαμβάνειν ἁλμυρίδα μήτ’, ἂν ἐν αὐτοῖς λάβῃ γένεσιν, ἐκκρίνειν εἰς τὸν καρπόν· οἱ γὰρ πόροι διὰ λεπτότητα

τὸ γεῶδες καὶ παχυμερὲς οὐ διηθοῦσιν. ἢ τῆς πικρότητος εἶδος τὴν ἁλμυρότητα θετέον, ὡς Ὅμηρος (ε 322)

'στόματος δ' ἐξέπτυσεν ἅλμην

πικρήν, ἥ οἱ πολλὴ ἀπὸ κρατὸς κελάρυζε',

καὶ ὁ Πλάτων (tim. 65d e) φησὶν ἀμφοτέρους ῥύπτειν καὶ ἀποτήκειν τοὺς χυμούς, ἧττον δὲ ταῦτα ποιεῖν τὸν ἁλυκὸν καὶ οὐ τραχὺν εἶναι· δόξει δὲ τὸ πικρὸν τοῦ ἁλυκοῦ [e] ξηρότητος ὑπερβολῇ διαφέρειν, ἐπεὶ ξηραντικόν τι καὶ τὸ ἁλυκόν.

Ϛ΄.

Διὰ τί τοῖς συνεχῶς διὰ τῶν δεδροσισμένων δένδρων βαδίζουσι λέπραν ἴσχει τὰ ψαύοντα τῆς ὕλης μόρια τοῦ σώματος;

Πότερον, ὡς Λαῖτος ἔλεγε, τῇ λεπτότητι τὸ δροσῶδες ὑγρὸν ἀποξύει τοῦ χρωτός· ἤ, καθάπερ ἐρυσίβη [ἣ] τοῖς ὑγραινομένοις ἐγγίνεται σπέρμασιν, οὕτως ὑπὸ τῆς δρόσου τῶν ἐπιπολῆς χλωρῶν καὶ ἁπαλῶν ἀναχαρασσομένων καὶ ἀποτηκομένων ἄχνη τις ἀπιοῦσα τοῦ σίνοντος ἀναπίμπλησι, προσχεομένη τοῖς ἀναιμοτάτοις μέρεσι τῆς σαρκός, οἷα κνῆμαι καὶ πόδες, ‹καὶ› ἀμύσσει καὶ δάκνει [f] τὴν ἐπιφάνειαν; ὅτι γὰρ φύσει τι δηκτικὸν ἔνεστι τῇ δρόσῳ, μαρτυρεῖ τὸ τοὺς πίονας ἰσχνοτέρους ποιεῖν· αἱ γοῦν πίονες γυναῖκες ἱματίοις ἢ ἐρίοις ἁπαλοῖς ἀναλαμβάνουσαι τῆς δρόσου δοκοῦσι συντήκειν τὴν πολυσαρκίαν.

Ζ΄.

Διὰ τί τὰ πλοῖα χειμῶνος ἐν τοῖς ποταμοῖς πλεῖ βράδιον, ἐν δὲ τῇ θαλάττῃ οὐ παραπλησίως;

Πότερον ὁ ποτάμιος ἀήρ, ἀεὶ δυσκίνητος ὢν καὶ βαρὺς ἐν δὲ χειμῶνι μᾶλλον παχυνόμενος διὰ τὴν περίψυξιν, ἐμποδών ἐστι τοῖς πλέουσιν; ἢ τοῦτο μᾶλλον τοῦ [914] [a] ἀέρος πάσχουσιν οἱ ποταμοί; ‹συν›ελαύνουσα γὰρ ἡ ψυχρότης τὸ ὕδωρ ποιεῖ βαρὺ καὶ σωματῶδες, ὡς ἔστιν ἐν ταῖς κλεψύδραις καταμαθεῖν, βράδιον γὰρ ἕλκουσι χειμῶνος ἢ θέρους· ἐν δὲ Θρᾴκῃ περὶ τὸ Πάγγαιον ἱστορεῖ Θεόφραστος (fr. 161 Wi.) εἶναι κρήνην, ἀφ' ἧς ταὐτὸ γέμον ‹ἀγγεῖον› ὕδατος ἱστάμενον χειμῶνος ἕλκειν διπλάσιον σταθμὸν ἢ θέρους. ὅτι δ' ἡ πυκνότης τοῦ ὕδατος τὴν βραδυτῆτα ποιεῖ τοῦ πλοῦ, δῆλόν ἐστι τῷ πλείονα γόμον φέρειν τὰ ποτάμια πλοῖα τοῦ χειμῶνος· τὸ γὰρ ὕδωρ μᾶλλον ἀντερείδει πυκνότερον καὶ βαρύτερον γινόμενον, τὴν δὲ θάλατταν ἡ θερμότης κωλύει πυκνοῦσθαι, δι' ἣν οὐδὲ [b] πήγνυται, μάλκη γὰρ ἔοικεν εἶναι [ἡ] πύκνωσις.

Η΄.

Διὰ τί, τῶν ἄλλων ὑγρῶν ἐν τῷ κινεῖσθαι καὶ στρέφεσθαι ψυχομένων, τὴν θάλατταν ὁρῶμεν ἐν τῷ κυματοῦ σθαι θερμοτέραν γιγνομένην;

Ἢ τῶν μὲν ἄλλων ὑγρῶν ἐπεισόδιον οὖσαν καὶ ἀλλοτρίαν ἐξίστησιν ἡ κίνησις τὴν θερμότητα καὶ διαφορεῖ, τὴν δὲ τῆς θαλάττης σύμφυτον οὖσαν ἐκριπίζουσι μᾶλλον οἱ ἄνεμοι καὶ τρέφουσι; μαρτύρια δὲ τῆς θερμότητος ἡ διαύγεια καὶ τὸ μὴ πήγνυσθαι, καίπερ οὖσαν γεώδη καὶ βαρεῖαν.

Θ΄.

Διὰ τί τοῦ χειμῶνος ἧττον πικρὰ γίνεται γευομένοις ἡ θάλαττα; τοῦτο γάρ φασι καὶ Διονύσιον ἱστορεῖν τὸν ὑδραγωγόν.

[c] ‹Ἢ› ὅτι παντελῶς μὲν ἔρημος οὐκ ἔστι γλυκύτητος οὐδ’ ἄμοιρος ἡ πικρότης, ἅτε δὴ ποταμοὺς τοσούτους ὑποδεχομένης τῆς θαλάττης· τοῦ δ’ ἡλίου τὸ γλυκὺ καὶ πότιμον ἐξαιροῦντος ὑπὸ κουφότητος [τὸ] ἐπιπολάζον καὶ μᾶλλον ἐν τῷ θέρει τοῦτο ποιοῦντος, ἐν δὲ τῷ χειμῶνι μαλακώτερον ἁπτομένου δι’ ἀσθένειαν θερμότητος, ὑπολειπομένη μοῖρα πολλὴ γλυκύτητος ἀνίησι τὸ ἀκράτως πικρὸν καὶ φαρμακῶδες; τοῦτο δ’ ἡσυχῇ καὶ τοῖς ποτίμοις συμβέβηκε· θέρους γὰρ πονηρότερα γίνεται, τὸ κουφότατον καὶ γλυκύτατον τοῦ θερμοῦ διαφοροῦντος, ἐν δὲ χειμῶνι [d] νέον ἐπιρρεῖ καὶ πρόσφατον, οὗ μετέχειν ἀνάγκη καὶ τὴν θάλατταν, ὑομένην ἅμα καὶ τῶν ποταμῶν ἐπιδιδόντων.

Ι΄.

Διὰ τί τῷ οἴνῳ θάλασσαν παραχέουσι καὶ χρησμόν τινα λέγουσιν ἁλιεῖς κομισθῆναι προστάττοντα βαπτίζειν τὸν Διόνυσον πρὸς τὴν θάλατταν, οἱ δὲ πόρρω θαλάττης ἐμβάλλουσι γύψον Ζακυνθίαν ὀπτήσαντες;

Πότερον ἡ θερμότης βοηθεῖ πρὸς τὴν περίψυξιν, ἢ αὐτὴ ἐξίστησι μάλιστα τὸν οἶνον ἀποσβεννύουσα καὶ φθείρουσα τὴν δύναμιν; ἢ τὸ ὑδατῶδες καὶ πνευματῶδες τοῦ οἴνου πρὸς μεταβολὴν ἐπισφαλέστατ’ ἔχον ἵστησι τὰ γεώδη πεφυκότα στύφειν καὶ κατισχναίνειν, οἱ δ’ ἅλες μετὰ τῆς θαλάττης λεπτύνοντες καὶ ἀποτήκοντες τὸ ἀλλότριον [e] καὶ περιττὸν οὐκ ἐῶσι δυσωδίαν οὐδὲ σῆψιν ἐγγίνεσθαι; πρὸς δὲ τούτοις, ὅσον ἐστὶ παχὺ καὶ γεῶδες, ἐμπλεκόμενον τοῖς βαρυτέροις καὶ συγκατασπώμενον ὑποστάθμην ποιεῖ καὶ τρύγα τὸν δ’ οἶνον ἀπολείπει καθαρόν;

ΙΑ΄.

Διὰ τί μᾶλλον ναυτιῶσι τὴν θάλατταν πλέοντες ἢ τοὺς ποταμούς, κἂν ἐν γαλήνῃ πλέωσι;

‹Ἢ ὅτι› μάλιστα ναυτίαν κινεῖ τῶν αἰσθήσεων ἡ ὄσφρησις, τῶν δὲ παθῶν ὁ φόβος; καὶ γὰρ τρέμουσι καὶ φρίττουσι καὶ κοιλίας ἐξυγραίνονται φαντασίαν κινδύνου λαβόντες. τούτων δ’ οὐδέτερον ἐνοχλεῖ τοῖς διὰ

ποταμοῦ πλέουσιν· ἡ γὰρ ὄσφρησις παντὶ ποτίμῳ καὶ γλυκεῖ συνήθης ἐστὶν ὁ δὲ πλοῦς ἀκίνδυνος. ἐν δὲ τῇ θαλάττῃ τήν [f] τ' ὀσμὴν ἀηθείᾳ δυσχεραίνουσι καὶ φοβοῦνται, μὴ πιστεύοντες τῷ παρόντι, περὶ τοῦ μέλλοντος· οὐδὲν οὖν ὄφελος τῆς ἔξω γαλήνης, ἀλλὰ [καὶ] ἡ ψυχὴ σάλον ἔχουσα καὶ θορυβουμένη συγκινεῖ καὶ ἀναπίμπλησι τὸ σῶμα τῆς ταραχῆς.

ΙΒ΄.

Διὰ τί τῆς θαλάττης ἐλαίῳ καταρραινομένης γίνεται καταφάνεια καὶ γαλήνη;

Πότερον, ὡς Ἀριστοτέλης φησί, τὸ πνεῦμα τῆς λειότητος ἀπολισθαῖνον οὐ ποιεῖ πληγὴν οὐδὲ σάλον; ἢ τοῦτο [915] [a] μὲν πιθανῶς εἴρηται πρὸς τὰ ἐκτός, ἐπεὶ δέ φασι καὶ τοὺς κατακολυμβῶντας, ὅταν ἔλαιον εἰς τὸ στόμα λαβόντες ἐκφυσήσωσιν, ἐν τῷ βυθῷ φέγγος ἴσχειν καὶ δίοψιν, οὐκ ἔστιν ἐκεῖ πνεύματος ὄλισθον αἰτιάσασθαι; σκόπει δὴ μὴ τὴν θάλατταν γεώδη καὶ ἀνώμαλον οὖσαν ἐξωθεῖ καὶ διαστέλλει τῇ πυκνότητι τὸ ἔλαιον, εἶτ' ἀνατρεχούσης εἰς αὑτὴν καὶ συστελλομένης ἀπολείπονται πόροι μεταξὺ ταῖς ὄψεσι διαύγειαν καὶ καταφάνειαν διδόντες. ἢ φύσει μέν ἐστι φωτεινὸς ὑπὸ θερμότητος ὁ τῇ θαλάττῃ καταμεμιγμένος ἀήρ, γίνεται δὲ ταραχθεὶς ἀνώμαλος καὶ σκιώδης· ὅταν οὖν τὴν ἀνωμαλίαν ἐπιλεάνῃ πυκνότητι τὸ [b] ἔλαιον, ἀπολαμβάνει τὴν ὁμαλότητα καὶ τὴν διαύγειαν;

ΙΓ΄.

διὰ τί χειμῶνος μᾶλλον ἢ θέρους τὰ τῶν ἁλιέων σήπεται δίκτυα, καίτοι τά γ' ἄλλα μᾶλλον ἐν τῷ θέρει τοῦτο πάσχει;

Πότερον, ὡς Θεόφραστος (fr. 163 Wi.) οἴεται, τῷ ψυχρῷ τὸ θερμὸν ὑποχωροῦν ἀντιπεριίσταται καὶ θερμότερα ποιεῖ τὰ ἐν βάθει τῆς θαλάττης, ὥσπερ τῆς γῆς; διὸ καὶ τὰ πηγαῖα τῶν ὑδάτων χλιαρώτερα τοῦ χειμῶνός ἐστι καὶ μᾶλλον ἀτμίζουσιν αἱ λίμναι καὶ οἱ ποταμοί· κατακλείεται γὰρ εἰς βάθος ἡ θερμότης ὑπὸ τοῦ ψυχροῦ κρατήσαντος. ἢ σῆψις μὲν οὐκ ἔστι τῶν δικτύων, ὅταν δὲ φρίξῃ καὶ παγῇ διὰ τὸ ψῦχος ἀναξηραινόμενα καὶ θρυπτόμενα, [c] μᾶλλον ὑπὸ τοῦ κλύδωνος σήψει τι[νὶ] καὶ μυδήσει πάσχει παραπλήσιον; καὶ γὰρ πονεῖ μᾶλλον ἐν κρύει, καθάπερ τὰ νεῦρα συντεινόμενα σπαράττεται, πλεονάκις ἐκταραττομένης διὰ τὸν χειμῶνα τῆς θαλάττης· διὸ καὶ στύφουσιν αὐτὰ ταῖς βαφαῖς καὶ πυκνοῦσι, φοβούμενοι τὰς ἀναλύσεις· ἐπεὶ μὴ βαφέντα μηδὲ χρισθέντα μᾶλλον ἂν ἐλάνθανε τοὺς ἰχθῦς, ἐνάερον γὰρ τὸ τοῦ λίνου χρῶμα καὶ ἀπατηλὸν ἐν θαλάττῃ.

ΙΔ΄.

Διὰ τί Δωριεῖς εὔχονται κακὴν χόρτου συγκομιδήν;

Ἢ κακῶς μὲν συγκομίζεται χόρτος ὑόμενος; κόπτεται γὰρ οὐ ξηρὸς ἀλλὰ χλωρός, ὥστε σήπεται ταχὺ διάβροχος [d] γενόμενος· ὑόμενος δὲ πρὸ τοῦ θέρους ὁ σῖτος βοηθεῖται πρὸς τὰ θερμὰ καὶ νότια πνεύματα· ταῦτα γὰρ οὐκ ἐᾷ πυκνωθῆναι συνιστάμενον ἐν τῷ στάχυι τὸν καρπόν, ἀλλ' ἐξίστησι καὶ διαχεῖ τῇ θερμότητι τὴν πῆξιν, ἂν μὴ βεβρεγμένης τῆς γῆς ὑγρότης παραρρέῃ ψύχουσα καὶ νοτίζουσα τὸν στάχυν.

ΙΕ΄.

Διὰ τί πυροφόρος ἡ πίων καὶ βαθεῖα χώρα, κριθοφόρος δὲ μᾶλλον ἡ λεπτόγεως;

Ἢ ὅτι τῶν σπερμάτων τὰ ἰσχυρὰ πλείονος τροφῆς δεῖται τὰ δ' ἀσθενῆ λεπτῆς καὶ ἐλαφρᾶς, ἀσθενέστερον δ' ἡ κριθὴ καὶ μανότερον· ὅθεν οὐ φέρει τὴν πολλὴν τροφὴν καὶ βαρεῖαν; μαρτυρεῖ δὲ τῷ λόγῳ τούτῳ πυροῦ τὸν τρίμηνον [e] ἐν τοῖς ὑποξήροις φύεσθαι βέλτιον, ἀνο‹τι›στότερον ὄντα καὶ τροφῆς ἐλάττονος δεόμενον· διὸ καὶ συντελεῖται τάχιον.

ΙϚ΄.

Διὰ τί λέγεται (Carm. pop. 16 II 6 p. 34 D.[2]) 'σῖτον ἐν πηλῷ φύτευε, τὴν δὲ κριθὴν ἐν κόνει';

Πότερον, ὡς εἰρήκαμεν, ὁ μὲν δύναται πλείονος τροφῆς κατακρατεῖν ἡ δ' οὐ φέρει τὸ πολὺ καὶ κατακλύζον, ἢ πυκνὸς ὢν ὁ πυρὸς καὶ ξυλώδης φύεται βέλτιον ἐν ὑγρῷ μαλαττόμενος καὶ χυλούμενος, τῇ δὲ κριθῇ διὰ μανότητα σύμφορον ἐν ἀρχῇ τὸ ξηρότερον; ἢ διὰ θερμότητα σύμμετρος καὶ ἀβλαβὴς ἡ κρᾶσις ψυχρότερον δ' ἡ κριθή; ἢ φοβοῦνται τὸν πυρὸν ἐν ξηρῷ τρίβειν διὰ τοὺς μύρμηκας, [f] εὐθὺς γὰρ ἐπιτίθενται· τὰς δὲ κριθὰς ἧττον φέρονται, δυσβάστακτοι γάρ εἰσι καὶ δυσπαρακόμιστοι διὰ μέγεθος;

ΙΖ΄.

Διὰ τί τῶν ἀρρένων ἵππων μᾶλλον ἢ τῶν θηλειῶν τὰς τρίχας εἰς τὴν ὁρμιὰν λαμβάνουσι;

Πότερον, ὡς τοῖς ἄλλοις τὸ ἄρρεν τοῦ θήλεος μέρεσι, [916] [a] καὶ ταῖς θριξὶν εὐτονώτερόν ἐστιν; ἢ μᾶλλον διὰ τὸ οὖρον οἴονται τὰς τρίχας τῶν θηλειῶν βρεχομένας γίνεσθαι χείρονας;

ΙΗ΄.

Διὰ τί τευθὶς φαινομένη σημεῖόν ἐστι μεγάλου χειμῶνος;

Ἢ πάντα φύσει τὰ μαλάκια δύσριγα διὰ γυμνότητα τῆς σαρκὸς καὶ ψιλότητα, μήτ' ὀστράκῳ μήτε δέρματι μήτε λεπίδι σκεπομένης ἀλλ' ἐντὸς ἐχούσης τὸ σκληρὸν καὶ ὀστεῶδες, διὸ καὶ κέκληται μαλάκια; ταχὺ δὴ προαισθάνεται δι' εὐπάθειαν τοῦ χειμῶνος· ὅθεν ὁ μὲν πολύπους εἰς γῆν ἀνατρέχει καὶ τῶν πετριδίων ἀντιλαμβανόμενος σημεῖόν ἐστι πνεύματος

ὅσον οὔπω παρόντος, ἡ [b] δὲ τευθὶς ἐξάλλεται, φεύγουσα τὸ ψῦχος καὶ τὴν ἐν βάθει ταραχὴν τῆς θαλάττης· καὶ γὰρ ἔχει μάλιστα τῶν μαλακίων εὔθρυπτον καὶ ἁπαλὸν τὸ σαρκῶδες.

ΙΘ΄.

Διὰ τί τὴν χρόαν ὁ πολύπους ἐξαλλάττει;

Πότερον, ὡς Θεόφραστος (fr. 188 Wi.) ᾤετο, δειλόν ἐστι φύσει ζῷον· ὅταν οὖν ταραχθῇ τρεπόμενον τῷ πνεύματι, συμμεταβάλλει τὸ χρῶμα καθάπερ ἄνθρωπος· διὸ καὶ λέλεκται (Hom. N 279)

'τοῦ μὲν γάρ τε κακοῦ τρέπεται χρώς';

ἢ τοῦτο πρὸς τὴν μεταβολὴν πιθανῶς λέλεκται πρὸς δὲ τὴν ἐξομοίωσιν οὐχ ἱκανῶς; μεταβάλλει γὰρ οὕτως, ὥστε τὴν χρόαν αἷς ἂν πλησιάζῃ πέτραις ὁμοιοῦν· πρὸς ὃ καὶ Πίνδαρος (fr. 43) ἐποίησε

'ποντίου θηρὸς χρωτὶ μάλιστα νόον

[c] προσφέρων πάσαις πολίεσσιν ὁμίλει',

καὶ Θέογνις (215 sq.)

'πουλύποδος νόον ἴσχε πολυχρόου, ὃς ποτὶ πέτρῃ,

τῇ προσομιλήσῃ, τοῖος ἰδεῖν ἐφάνη.'

τοῦτο δὴ καὶ τοὺς πανουργίᾳ καὶ δεινότητι ὑπερφέροντας ἔχειν τὸ ἐπιτήδευμα λέγουσιν, ὡς ὑπὲρ τοῦ λαθεῖν καὶ διαφυγεῖν †τοὺς πλησίον ἑαυτοὺς ἀεὶ ἀπεικάζειν πολύποδι. ἢ καθάπερ ἐσθῆτι τῇ χρόᾳ νομίζουσι χρῆσθαι, ῥᾳδίως οὕτως ᾗ βούλεται μετενδυόμενον. ἆρ' οὖν τὴν μὲν ἀρχὴν αὐτὸς ἐνδίδωσι τοῦ πάθους δείσας, τὰ δὲ κύρια τῆς αἰτίας ἐν ἄλλοις ἐστί; σκόπει δή, κατ' Ἐμπεδοκλέα (fr. 89)

[d] 'γνοὺς ὅτι πάντων εἰσὶν ἀπορροαὶ ὅσσ' ἐγένοντο·'

οὐ γὰρ ζῴων μόνον οὐδὲ φυτῶν οὐδὲ γῆς καὶ θαλάττης, ἀλλὰ καὶ λίθων ἄπεισιν ἐνδελεχῶς πολλὰ ῥεύματα καὶ χαλκοῦ καὶ σιδήρου· καὶ γὰρ φθέγγεται πάντα καὶ ὄδωδε τῷ ῥεῖν ἀεί τι καὶ φθείρεσθαι συνεχῶς· καὶ γὰρ ἕλξεις ἢ ἐπιπηδήσεις ποιοῦσι ταῖς ἀπορροίαις, οἱ μὲν ἐμπλοκὰς αὐτῶν οἱ δὲ πληγὰς οἱ δ' ὤσεις τινὰς καὶ περιελάσεις ὑποτιθέμενοι. μάλιστα δὲ τῶν παράλων πετρῶν ἐπιρραινομένων καὶ ψηχομένων ὑπὸ τῆς θαλάττης ἀπιέναι μέρη καὶ θραύσματα πολλὰ καὶ λεπτὰ ‹εἰκὸς› συνεχῶς, ἃ τ‹οῖς χρώμασιν ἀλλήλων διαφέροντα τοῖς μὲν ἄλ›λοις οὐ [e] προσί‹σχεται› σώμα‹σιν› ἀλλὰ λανθάνει περιολισθάνοντα τῶν πυκνοτέρους ἐχόντων πόρους ἢ διεκθέοντα τῶν μανοτέρους. ὁ δὲ πολύπους τήν τε σάρκα προσιδεῖν αὐτόθεν ἀνθρηνιώδης καὶ πολύπορος καὶ δεκτικὸς ἀπορροιῶν ἐστιν, ὅταν τε δείσῃ, τῷ πνεύματι τρεπόμενος καὶ τρέπων οἷον ἔσφιγξε τὸ σῶμα καὶ συνήγαγεν, ὥστε προσδέχεσθαι καὶ στέγειν ἐπιπολῆς τὰς τῶν ἐγγὺς ἀπορροίας. καὶ γὰρ ἡ

Διὰ τίν' αἰτίαν τὸ τῶν ἀγρίων συῶν δάκρυον ἡδὺ τὸ δὲ τῶν ἐλάφων ἁλμυρόν ἐστι καὶ φαῦλον;

[917] [a] Αἰτία δὲ θερμότης καὶ ψυχρότης τούτων, καὶ ψυχρὸν μὲν ὁ ἔλαφος περίθερμον δὲ καὶ πυρῶδες ὁ σῦς· ὅθεν τὸ μὲν φεύγει τὸ δ' ἀμύνεται τοὺς ἐπιόντας, ὅτε καὶ μάλιστα διὰ τὸν θυμὸν ἐκβάλλει τὸ δάκρυον· πολλῆς γὰρ ἐπὶ τὰ ὄμματα θερμότητος φερομένης, ὡς εἴρηται (Hom. τ 446)

'φρίξας εὖ λοφιήν, πῦρ ὀφθαλμοῖσι δεδορκώς',

γλυκὺ γίνεται τὸ ἀποτηκόμενον. ἔνιοι δέ φασιν, ὥσπερ γάλακτος ὀρρὸν τοῦ αἵματος ταραχθέντος ἐκκρούεσθαι τὸ δάκρυον, ὡς Ἐμπεδοκλῆς (A 78). ἐπεὶ τοίνυν τραχὺ καὶ μέλαν τὸ τῶν κάπρων αἷμα διὰ θερμότητα λεπτὸν δὲ καὶ ὑδαρὲς τὸ τῶν ἐλάφων, εἰκότως καὶ τὸ [b] ἀποκρινόμενον ἐν τοῖς θυμοῖς καὶ τοῖς φόβοις ἑκατέρου τοιοῦτον.

Διὰ τί τῶν ὑῶν αἱ μὲν ἥμεροι πλεονάκις τίκτουσι καὶ κατ' ἄλλον ἄλλαι χρόνον, αἱ δ' ἄγριαι καὶ ἅπαξ καὶ περὶ τὰς αὐτὰς ἅπασαι σχεδὸν ἡμέρας; αὗται δ' εἰσὶν ἀρχομένου θέρους· διὸ καὶ λέλεκται 'μηκέτι νυκτὸς ὕειν, ἧ κεν τέκῃ ἀγροτέρη σῦς.'

Ἦ διὰ πλῆθος τροφῆς, ὄντως 'ἐν πλησμονῇ Κύπρις' (Eur. fr. 895); ἀφθονία γὰρ τροφῆς τὸ γόνιμον περίττωμα ποιεῖ καὶ φυτοῖς καὶ ζῴοις· αἱ μὲν οὖν ἄγριαι δι' αὑτῶν καὶ μετὰ φόβου τὴν τροφὴν ζητοῦσι, ταῖς δ' ἡμέροις ὑπάρχει διὰ παντὸς ἡ μὲν αὐτοφυὴς ἡ δ' ἐκ παρασκευῆς.

[c] ἢ τὸ τῆς σχολῆς καὶ ἀσχολίας ἅμα συμβαῖνον; αἱ μὲν γὰρ ἀργοῦσι, μὴ βουλόμεναι πόρρω πλανᾶσθαι τῶν συφορβῶν, αἱ δ' ὀρειβατοῦσαι καὶ περιθέουσαι τὴν τροφὴν διαφοροῦσι καὶ καταναλίσκουσιν εἰς τὸ σῶμα πᾶσαν, ὥστε διὰ τὸ ἀεὶ συντείνειν μὴ γίνεσθαι περίττωμα. ἢ καὶ τὸ συντρέφεσθαι καὶ συναγελάζεσθαι τὰ θήλεα τοῖς ἄρρεσιν ἀνάμνησιν ποιεῖ τῶν ἀφροδισίων καὶ συνεκκαλεῖται τὴν ὄρεξιν (ὡς ἐπ' ἀνθρώπων Ἐμπεδοκλῆς ἐποίησε (fr. 64)

'τῷ δ' ἐπὶ καὶ πόθος εἶσι δι' ὄψιος ἀμμιμνῄσκων'),

ἐν δὲ τοῖς ἀγρίοις, ἀποτρόφοις οὖσιν ἀλλήλων, τὸ ἄστοργον καὶ δυσεπίμικτον ἀμβλύνει καὶ ἀνασβέννυσι τὰς ὁρμάς; [d] ἢ καὶ τὸ λεγόμενον ὑπ' Ἀριστοτέλους (H. An. Διὰ τί δυστίβευτος ἡ τοῦ ἔαρος ὥρα;

Πότερον αἱ κύνες, ὥς φησιν Ἐμπεδοκλῆς (fr. 101), 'κέρματα θηρείων μελέων μυκτῆρσιν ἐρευνῶσαι' τὰς ἀπορροίας ἀναλαμβάνουσιν, ἃς ἐναπολείπει τὰ θηρία τῇ ὕλῃ, ταύτας δὲ τοῦ ἔαρος ἐξαμαυροῦσι καὶ συγχέουσιν αἱ πλεῖσται τῶν φυτῶν καὶ τῶν ὑλημάτων ὀσμαί, ‹αἳ› ὑπὲρ τὴν ἄνθησιν ὑπερχεόμεναι καὶ κεραννύμεναι †περιποτῶσι καὶ διαπλανῶσι τὰς κύνας τῆς τῶν θηρίων ὀσμῆς ἐπιλαβέσθαι; διὸ περὶ τὴν Αἴτνην ἐν Σικελίᾳ φασὶ [f] μηδένα κυνηγεῖν· πολὺ γὰρ ἀναφύεσθαι καὶ τεθηλέναι δι' ἔτους ἴον ὀρεινὸν ἐν τοῖς λειμῶσι, καὶ τὸν τόπον εὐωδίαν ἀεὶ κατέχουσαν ἁρπάζειν τὰς τῶν θηρίων ἀναπνοάς. λέγεται δὲ μῦθος, ὡς τὴν Κόρην ἐκεῖθεν ἀνθολογοῦσαν ὁ Πλούτων ἀφαρπάσειε, καὶ διὰ τοῦτο τιμῶντες καὶ σεβόμενοι τὸ χωρίον ὡς ἄσυλον οὐκ ἐπιτίθενται τοῖς ἐκεῖ νεμομένοις.

Διὰ τί περὶ τὰς πανσελήνους ἥκιστα ταῖς ἰχνοσκοπίαις ἐπιτυγχάνουσιν;

Ἦ διὰ τὴν εἰρημένην αἰτίαν; δροσοβόλοι γὰρ αἱ πανσέληνοι· [918] [a] διὸ καὶ τὴν δρόσον ὁ Ἀλκμὰν (fr. 43 II 2 p. 26 D.) Διὸς θυγατέρα καὶ Σελήνης προσεῖπε ποιήσας

'Διὸς θυγάτηρ Ἔρσα τρέφει καὶ Σελάνας δίας'.

ἡ γὰρ δρόσος ἀσθενής ἐστι καὶ ἀδρανὴς ὄμβρος, ἀσθενὲς δὲ καὶ τὸ τῆς σελήνης θερμόν· ὅθεν ἕλκει μὲν ἀπὸ γῆς ὥσπερ ὁ ἥλιος, ἄγειν δ' εἰς ὕψος μὴ δυναμένη μηδ' ἀναλαμβάνειν μεθίησιν.

Διὰ τί τὸ δρόσιμον γενόμενον διὰ τοῦ ψύχους δυστίβευτον;

Πότερον ὅτι τὰ θηρία πόρρω τῶν κοιτῶν ὀκνοῦντα προϊέναι διὰ τὸ κρύος οὐ ποιεῖ πολλὰ σημεῖα; διὸ καί φασιν αὐτὰ φείδεσθαι τῶν πλησίον, ὅπως μὴ κακοπαθῇ πλανώμενα μακρὰν τοῦ χειμῶνος ἀλλ' ἀεὶ ἐγγύθεν ἔχῃ [b] νέμεσθαι. ἢ δεῖ μὴ μόνον ἔχειν ἴχνη τὸν στιβευόμενον τόπον ἀλλὰ κινεῖν τὴν ὄσφρησιν, κινεῖ δὲ λυόμενα καὶ χαλώμενα μαλακῶς ὑπὸ θερμότητος, ἡ δ' ἄγαν περίψυξις πηγνύουσα τὰς ὀσμὰς οὐκ ἐᾷ ῥεῖν οὐδὲ κινεῖν τὴν αἴσθησιν; ὅθεν καὶ τὰ μύρα καὶ τὸν οἶνον ἧττον ὄζειν ψύχους καὶ χειμῶνος λέγουσιν· ὁ γὰρ ἀὴρ πηγνύμενος ἵστησι τὰς ὀσμὰς ἐν αὑτῷ καὶ οὐκ ἐᾷ ἀναδίδοσθαι.

Διὰ τί τὰ ζῷα τὰς βοηθούσας δυνάμεις, ὅταν ἐν πάθει γένηται, ζητεῖ καὶ διώκει καὶ χρώμενα πολλάκις ὠφελεῖται; καθάπερ αἱ κύνες ἐσθίουσι πόαν, ἵνα τὴν χολὴν ἐξεμῶσιν· αἱ δ' ὕες ἐπὶ τοὺς ποταμίους καρκίνους φέρονται, [c] βοηθοῦνται γὰρ ἐσθίουσαι πρὸς κεφαλαλγίαν· ἡ δὲ χελώνη φαγοῦσα τὴν σάρκα τοῦ ἔχεως ὀρίγανον ἐπεσθίει· τὴν δ' ἄρκτον λέγουσιν ἀσωμένην τοὺς μύρμηκας ἀναλαμβάνειν τῇ γλώττῃ καὶ καταπίνουσαν ἀπαλλάττεσθαι. τούτων δ' οὔτε πεῖρα οὔτε περίπτωσις γέγονεν αὐτοῖς.

Πότερον οὖν, ὥσπερ τὰ κηρία τὴν μέλιτταν τῇ ὀσμῇ καὶ τὰ κενέβρεια τὸν γῦπα κινεῖ καὶ προσάγεται πόρρωθεν, οὕτως [οὖν] καὶ σῦς οἱ καρκίνοι καὶ τὴν χελώνην ἡ ὀρίγανος, αἱ δὲ μυρμηκιαὶ τὴν ἄρκτον ὀσμαῖς καὶ ῥεύμασι προσφερέσι καὶ οἰκείοις ἕλκουσιν, οὐ λογισμῷ τοῦ συμφέροντος [d] ἀγούσης τῆς αἰσθήσεως; ἢ τὰς ὀρέξεις ἐπιφέρουσι τοῖς ζῴοις αἱ τῶν σωμάτων κράσεις, ‹ἃς› αἱ νόσοι ποιοῦσι, διαφόρους δριμύτητας ἢ γλυκύτητας ἤ τινας ἄλλας ἐντίκτουσαι ποιότητας ἀήθεις καὶ ἀτόπους, τῶν ὑγρῶν τρεπομένων; ὡς δῆλόν ἐστιν ἐπὶ τῶν γυναικῶν, ὅταν κύωσι, καὶ λίθους καὶ γῆν προσφερομένων· διὸ καὶ τῶν νοσούντων ταῖς ὀρέξεσιν οἱ χαρίεντες ἰατροὶ προΐσασι τοὺς ἀσώτως ἢ σωτηρίως ἔχοντας· ἱστορεῖ γοῦν Μνησίθεος ἰατρὸς ἐν ἀρχῇ πνευμονίας τὸν ἐπιθυμήσαντα κρομμύων σῴζεσθαι τὸν δὲ σύκων ἀπόλλυσθαι, διὰ τὸ ταῖς κράσεσι τὰς ὀρέξεις τὰς δὲ κράσεις τοῖς πάθεσιν [e] ἕπεσθαι. πιθανὸν οὖν ἐστι καὶ τῶν θηρίων τὰ μὴ παντελῶς ὀλεθρίοις μηδ' ἀναιρετικοῖς περιπίπτοντα νοσήμασι ταύτην τὴν διάθεσιν καὶ κρᾶσιν ἴσχειν, ὑφ' ἧς ἐπὶ τὰ σῴζοντα φέρεται καὶ ἄγεται ταῖς ὀρέξεσιν ἕκαστον αὐτῶν.

τῆς σταφυλῆς χυμὸς ὁ γλυκύς, διὸ καὶ πεπαίνεσθαι λέγεται τὸ γλυκὺ κιρνώμενον· ἡ δὲ ψυχρότης οὐκ ἐῶσα διαπνεῖν, ἀλλὰ συνέχουσα [f] τὸ θερμὸν τὴν γλυκύτητα διατηρεῖ τοῦ γλεύκους. αὕτη δ' ἐστὶν αἰτία καὶ τῶν τρυγωμένων ὄμβρῳ τὸ γλεῦκος ἧττον ἀναζεῖν· ἡ γὰρ ζέσις ὑπὸ θερμότητος, τὴν δὲ θερμότητα κατέχει καὶ συστέλλει τὸ ψυχρόν.

Θαυμάζοντος δέ μου ταῦτα καὶ δεομένου σαφέστερον ἀκοῦσαι ‘πολλά’ εἶπεν ‘ὦ Σύλλα, περὶ θεῶν οὐ πάντα δὲ καλῶς λέγεται παρ’ Ἕλλησιν. οἷον εὐθὺς ὀρθῶς Δήμητραν καὶ Κόρην ὀνομάζοντες οὐκ ὀρθῶς ὁμοῦ καὶ περὶ τὸν αὐτὸν ἀμφοτέρας εἶναι τόπον νομίζουσιν. ἡ μὲν γὰρ ἐν γῇ καὶ κυρία τῶν περὶ γῆν ἐστιν, ἡ δ’ ἐν σελήνῃ καὶ τῶν περὶ σελήνην, Κόρη τε καὶ Φερσεφόνη κέκληται, τὸ μὲν ὡς φωσφόρος οὖσα, Κόρη δ’ ὅτι καὶ τοῦ ὄμματος, ἐν ᾧ τὸ εἴδωλον ἀντιλάμπει τοῦ βλέποντος, ὥσπερ τὸ ἡλίου φέγγος ἐνορᾶται τῇ σελήνῃ, κόρην προσαγορεύομεν.

‘ἀλλά ‹σ’› ἐς Ἠλύσιον πεδίον καὶ πείρατα γαίης’.

ὅπου γὰρ ἡ σκιὰ τῆς γῆς ἐπινεμομένη παύεται, τοῦτο τέρμα τῆς γῆς ἔθετο καὶ πέρας. εἰς δὲ τοῦτο φαῦλος μὲν οὐδεὶς οὐδ’ ἀκάθαρτος ἄνεισιν, οἱ δὲ χρηστοὶ μετὰ τὴν τελευτὴν κομισθέντες αὐτόθι ῥᾷστον μὲν οὕτως βίον, οὐ μὴν μακάριον οὐδὲ θεῖον ἔχοντες ἄχρι τοῦ δευτέρου θανάτου διατελοῦσι.’

‘Τίς δ’ οὗτός ἐστιν, ὦ Σύλλα;’ ‘μὴ περὶ τούτων ἔρῃ, μέλλω γὰρ αὐτὸς διηγεῖσθαι.

[943] [a] Τὸν ἄνθρωπον οἱ πολλοὶ σύνθετον μὲν ὀρθῶς, ἐκ δυοῖν δὲ μόνων σύνθετον οὐκ ὀρθῶς ἡγοῦνται. μόριον γὰρ εἶναί πως ψυχῆς οἴονται τὸν νοῦν, οὐδὲν ἧττον ἐκείνων ἁμαρτάνοντες, οἷς ἡ ψυχὴ δοκεῖ μόριον εἶναι τοῦ σώματος. νοῦς γὰρ ψυχῆς, ὅσῳ ψυχὴ σώματος, ἄμεινόν ἐστι καὶ θειότερον. ποιεῖ δ’ ἡ μὲν ψυχῆς ‹καὶ σώματος μῖξις αἴσθησιν ἡ δὲ νοῦ καὶ ψυχῆς› σύνοδος λόγον· ὧν τὸ μὲν ἡδονῆς ἀρχὴ καὶ πόνου τὸ δ’ ἀρετῆς καὶ κακίας.

τριῶν δὲ τούτων συμπαγέντων, τὸ μὲν σῶμα ἡ γῆ τὴν δὲ ψυχὴν ἡ σελήνη, τὸν δὲ νοῦν ὁ ἥλιος παρέσχεν εἰς τὴν γένεσιν ... ὥσπερ αὖ τῇ σελήνῃ τὸ φέγγος. ὃν δ' ἀποθνήσκομεν θάνατον, [b] ὁ μὲν ἐκ τριῶν δύο ποιεῖ τὸν ἄνθρωπον ὁ δ' ἓν ἐκ δυοῖν, καὶ ὁ μέν ἐστιν ἐν τῇ ‹γῇ› τῆς Δήμητρος, ... ἐν αὐτῇ τελεῖν καὶ τοὺς νεκροὺς Ἀθηναῖοι Δημητρείους ὠνόμαζον τὸ παλαιόν· ‹ὁ› δ' ἐν τῇ σελήνῃ τῆς Φερσεφόνης· καὶ σύνοικός ἐστι τῆς μὲν χθόνιος ὁ Ἑρμῆς τῆς δ' οὐράνιος. λύει δ' αὕτη μὲν ταχὺ καὶ μετὰ βίας τὴν ψυχὴν ἀπὸ τοῦ σώματος, ἡ δὲ Φερσεφόνη πράως καὶ χρόνῳ πολλῷ τὸν νοῦν ἀπὸ τῆς ψυχῆς καὶ διὰ τοῦτο μονογενὴς κέκληται· μόνον γὰρ γίνεται τὸ βέλτιστον τοῦ ἀνθρώπου διακρινόμενον αὐτῆς. συντυγχάνει δ' οὕτως κατὰ φύσιν ἑκάτερον·

[c] Πᾶσαν ψυχήν, ἄνουν τε καὶ σὺν νῷ, σώματος ἐκπεσοῦσαν εἱμαρμένον ἐστὶν ‹ἐν› τῷ μεταξὺ γῆς καὶ σελήνης χωρίῳ πλανηθῆναι χρόνον - οὐκ ἴσον, ἀλλ' αἱ μὲν ἄδικοι καὶ ἀκόλαστοι δίκας τῶν ἀδικημάτων τίνουσι, τὰς δ' ἐπιεικεῖς, ὅσον ἀφαγνεῦσαι καὶ ἀποπνεῦσαι ‹τοὺς› ἀπὸ τοῦ σώματος ὥσπερ ἀτμοῦ πονηροῦ μιασμούς, ἐν τῷ πραοτάτῳ τοῦ ἀέρος, ὃν λειμῶνας Ἅιδου καλοῦσι, δεῖ γίνεσθαι χρόνον τινὰ τεταγμένον. ‹ἔνθ'› οἷον ἐξ ἀποδημίας ἀνακομιζόμεναι φυγαδικῆς εἰς πατρίδα γεύονται χαρᾶς, οἵαν οἱ τελούμενοι μάλιστα θορύβῳ καὶ πτοήσει συγκεκραμένην μετ' ἐλπίδος ἡδείας ἔχουσι· πολλὰς γὰρ ἐξωθεῖ [d] καὶ ἀποκυματίζει γλιχομένας ἤδη τῆς σελήνης, ἐνίας δὲ καὶ τῶν ἐκεῖ περικάτω τρεπομένας οἷον εἰς βυθὸν αὖθις ὁρῶσι καταδυομένας. αἱ δ' ἄνω γενόμεναι καὶ βεβαίως ἱδρυθεῖσαι πρῶτον μέν, ὥσπερ οἱ νικηφόροι, περιίασιν ἀναδούμεναι στεφάνοις πτερῶν εὐσταθείας λεγομένοις, ὅτι τῆς ψυχῆς τὸ ἄλογον καὶ τὸ παθητικὸν εὐήνιον ἐπιεικῶς τῷ λόγῳ καὶ κεκοσμημένον ἐν τῷ βίῳ παρέσχοντο. δεύτερον ‹δ'› ἀκτῖνι τὴν ὄψιν ἐοικυῖαι, πυρὶ δὲ τὴν ψυχὴν ἄνω κουφιζομένην ὥσπερ ἐνταῦθα, τῷ περὶ τὴν σελήνην αἰθέρι καὶ τόνον ἀπ' αὐτοῦ καὶ δύναμιν, οἷον τὰ στομούμενα βαφήν, ἴσχουσι· τὸ γὰρ ἀραιὸν ἔτι [e] καὶ διακεχυμένον ῥώννυται καὶ γίνεται σταθερὸν καὶ διαυγές, ὥσθ' ὑπὸ τῆς τυχούσης ἀναθυμιάσεως τρέφεσθαι· καὶ καλῶς Ἡράκλειτος εἶπεν ὅτι 'αἱ ψυχαὶ ὀσμῶνται καθ' Ἅιδην' (B 98).

Ἐφορῶσι δὲ πρῶτον μὲν αὐτῆς σελήνης τὸ μέγεθος καὶ τὸ κάλλος καὶ τὴν φύσιν οὐχ ἁπλῆν οὐδ' ἄμικτον, ἀλλ' οἷον ἄστρου σύγκραμα καὶ γῆς οὖσαν. ὡς γὰρ ἡ γῆ πνεύματι μεμιγμένη καὶ ὑγρῷ ... μαλακὴ γέγονε καὶ τὸ αἷμα τῇ σαρκὶ παρέχει τὴν αἴσθησιν ἐγκεκραμένον, οὕτως τῷ αἰθέρι λέγουσι τὴν σελήνην ἀνακεκραμένην διὰ βάθους ἅμα μὲν ἔμψυχον εἶναι καὶ γόνιμον, ἅμα δ' ἰσόρροπον ἔχειν τὴν πρὸς τὸ βαρὺ συμμετρίαν τῆς κουφότητος.

[f] καὶ γὰρ αὐτὸν οὕτως τὸν κόσμον ἐκ τῶν ἄνω καὶ τῶν κάτω φύσει φερομένων συνηρμοσμένον ἀπηλλάχθαι παντάπασι τῆς κατὰ τόπον

κινήσεως. ταῦτα δὲ καὶ Ξενοκράτης (fr. 56) ἔοικεν ἐννοῆσαι θείῳ τινὶ λογισμῷ, τὴν ἀρχὴν λαβὼν παρὰ Πλάτωνος (Tim. 31). Πλάτων γάρ ἐστιν ὁ καὶ τῶν ἀστέρων ἕκαστον ἐκ γῆς καὶ πυρὸς συνηρμόσθαι διὰ τῶν ‹δυοῖν› μεταξὺ φύσεων ἀναλογίᾳ δεθεισῶν ἀποφηνάμενος· οὐδὲν γὰρ εἰς αἴσθησιν ἐξικνεῖσθαι, ᾧ μή τι γῆς ἐμμέμικται καὶ φωτός. ὁ δὲ Ξενοκράτης (fr. 56) τὰ μὲν ἄστρα καὶ τὸν ἥλιον ἐκ πυρός φησι καὶ τοῦ πρώτου [944] [a] πυκνοῦ συγκεῖσθαι, τὴν δὲ σελήνην ἐκ τοῦ δευτέρου πυκνοῦ καὶ τοῦ ἰδίου ἀέρος, τὴν δὲ γῆν ἐξ ὕδατος καὶ ἀέρος καὶ τοῦ τρίτου τῶν πυκνῶν· ὅλως δὲ μήτε τὸ πυκνὸν αὐτὸ καθ’ αὑτὸ μήτε τὸ μανὸν εἶναι ψυχῆς δεκτικόν. καὶ ταῦτα μὲν περὶ οὐσίας σελήνης.

Εὖρος δὲ καὶ μέγεθος οὐχ ὅσον οἱ γεωμέτραι λέγουσιν, ἀλλὰ μεῖζον πολλάκις ἐστί· καταμετρεῖ δὲ τὴν σκιὰν τῆς γῆς ὀλιγάκις τοῖς ἑαυτῆς μεγέθεσιν οὐχ ὑπὸ σμικρότητος, ἀλλὰ θερμ‹ότητος, ᾗ κατ›επείγει τὴν κίνησιν ὅπως ταχὺ διεκπερᾷ τὸν σκοτώδη τόπον ὑπεκφέρουσα τῶν ἀγαθῶν ‹τὰς ψυχὰς› σπευδούσας καὶ βοώσας. οὐκέτι [b] γὰρ ἐξακούουσιν ἐν τῇ σκιᾷ γενόμεναι τῆς περὶ τὸν οὐρανὸν ἁρμονίας· ἅμα δὲ καὶ κάτωθεν αἱ τῶν κολαζομένων ψυχαὶ τηνικαῦτα διὰ τῆς σκιᾶς ὀδυρόμεναι ‹καὶ› ἀλαλάζουσαι προσφέρονται (διὸ καὶ κροτεῖν ἐν ταῖς ἐκλείψεσιν εἰώθασιν οἱ πλεῖστοι χαλκώματα καὶ ψόφον ποιεῖν καὶ πάταγον ἐπὶ τὰς φαύλας)· ἐκφοβεῖ δ’ αὐτὰς καὶ τὸ καλούμενον πρόσωπον, ὅταν ἐγγὺς γένωνται, βλοσυρόν τι καὶ φρικῶδες ὁρώμενον. ἔστι δ’ οὐ τοιοῦτον, ἀλλ’ ὥσπερ ἡ παρ’ ἡμῖν ἔχει γῆ κόλπους βαθεῖς καὶ μεγάλους, ἕνα μὲν ἐνταῦθα διὰ στηλῶν Ἡρακλείων ἀναχεόμενον εἴσω πρὸς ἡμᾶς, ἔξω δὲ τὸν Κάσπιον καὶ τοὺς περὶ τὴν Ἐρυθρὰν [c] θάλατταν, οὕτως βάθη ταῦτα τῆς σελήνης ἐστὶ καὶ κοιλώματα. καλοῦσι δ’ αὐτῶν τὸ μὲν μέγιστον Ἑκάτης μυχόν, ὅπου καὶ δίκας διδόασιν αἱ ψυχαὶ καὶ λαμβάνουσιν ὧν ἂν ἤδη γεγενημέναι δαίμονες ἢ πάθωσιν ἢ δράσωσι, τὰς δὲ δύο Μακράς· περαιοῦνται γὰρ αἱ ψυχαὶ δι’ αὐτῶν, νῦν μὲν εἰς τὰ πρὸς οὐρανὸν τῆς σελήνης, νῦν δὲ πάλιν εἰς τὰ πρὸς γῆν· ὀνομάζεσθαι δὲ τὰ μὲν πρὸς οὐρανὸν τῆς σελήνης Ἠλύσιον πεδίον, τὰ δ’ ἐνταῦθα Φερσεφόνης †οὐκ ἀντίχθονος.

Οὐκ ἀεὶ δὲ διατρίβουσιν ἐπ’ αὐτὴν οἱ δαίμονες, ἀλλὰ χρηστηρίων δεῦρο κατίασιν ἐπιμελησόμενοι, καὶ ταῖς ἀνωτάτω συμπάρεισι καὶ συνοργιάζουσι τῶν τελετῶν, [d] κολασταί τε γίνονται καὶ φύλακες ἀδικημάτων καὶ σωτῆρες ἔν τε πολέμοις καὶ κατὰ θάλατταν ἐπιλάμπουσιν. ὅ τι δ’ ἂν μὴ καλῶς περὶ ταῦτα πράξωσιν ἀλλ’ ὑπ’ ὀργῆς ἢ πρὸς ἄδικον χάριν ἢ φθόνῳ, δίκην τίνουσιν· ὠθοῦνται γὰρ αὖθις ἐπὶ γῆν συνειργνύμενοι σώμασιν ἀνθρωπίνοις. ἐκ δὲ τῶν βελτιόνων ἐκείνων οἵ τε περὶ τὸν Κρόνον ὄντες ἔφασαν αὐτοὺς

εἶναι καὶ πρότερον ἐν τῇ Κρήτῃ τοὺς Ἰδαίους Δακτύλους, ἔν τε Φρυγίᾳ τοὺς Κορύβαντας γενέσθαι καὶ τοὺς περὶ Βοιωτίαν ἐν †Οὐδώρα Τροφωνιάδας καὶ μυρίους ἄλλους πολλαχόθι τῆς οἰκουμένης· ὧν [e] ἱερὰ καὶ τιμαὶ καὶ προσηγορίαι διαμένουσιν, αἱ δὲ δυνάμεις ‹ἐξέλιπον› ἐνίων εἰς ἕτερον τόπον τῆς ἀρίστης ἐξαλλαγῆς τυγχανόντων.

Τυγχάνουσι δ' οἱ μὲν πρότερον οἱ δ' ὕστερον, ὅταν ὁ νοῦς ἀποκριθῇ τῆς ψυχῆς· ἀποκρίνεται δ' ἔρωτι τῆς περὶ τὸν ἥλιον εἰκόνος, δι' ἧς ἐπιλάμπει τὸ ἐφετὸν καὶ καλὸν καὶ θεῖον καὶ μακάριον, οὗ πᾶσα φύσις, ἄλλη δ' ἄλλως ὀρέγεται. καὶ γὰρ αὐτὴν τὴν σελήνην ἔρωτι τοῦ ἡλίου περιπολεῖν ἀεὶ καὶ συγγίνεσθαι ὀρεγομένην ἀπ' αὐτοῦ τὸ γονιμώτατον. λείπεται δ' ἡ τῆς ψυχῆς φύσις ἐπὶ τὴν σελήνην, οἷον ἴχνη τινὰ βίου καὶ ὀνείρατα διαφυλάττουσα· [f] καὶ περὶ ταύτης ὀρθῶς ἡγοῦ λελέχθαι τό 'ψυχὴ δ' ἠύτ' ὄνειρος ἀποπταμένη πεπότηται' (λ 222). οὐδὲ γὰρ εὐθὺς οὐδὲ τοῦ σώματος ἀπαλλαγεῖσα τοῦτο πέπονθεν ἀλλ' ὕστερον, ὅταν ἔρημος καὶ μόνη τοῦ νοῦ ἀπαλλαττομένη γένηται. καὶ Ὅμηρος ὧν εἶπε πάντων μάλιστα δὴ κατὰ θεὸν εἰπεῖν ἔοικε περὶ τῶν καθ' Ἅιδου (λ 601)

'τὸν δὲ μετ' εἰσενόησα βίην Ἡρακληείην,
εἴδωλον· αὐτὸς δὲ μετ' ἀθανάτοισι θεοῖσιν.'

αὐτός τε γὰρ ἕκαστος ἡμῶν οὐ θυμός ἐστιν οὐδὲ φόβος οὐδ' ἐπιθυμία, καθάπερ οὐδὲ σάρκες οὐδ' ὑγρότητες, ἀλλ' [945] [a] ᾧ διανοούμεθα καὶ φρονοῦμεν, ἥ τε ψυχὴ τυπουμένη μὲν ὑπὸ τοῦ νοῦ τυποῦσα δὲ τὸ σῶμα καὶ περιπτύσσουσα πανταχόθεν ἐκμάττεται τὸ εἶδος· ὥστε κἂν χωρὶς ἑκατέρου γένηται, πολὺν χρόνον διατηροῦσα τὴν ὁμοιότητα καὶ τὸν τύπον εἴδωλον ὀρθῶς ὀνομάζεται.

Τούτων δ' ἡ σελήνη, καθάπερ εἴρηται, στοιχεῖόν ἐστιν. ἀναλύονται γὰρ εἰς ταύτην, ὥσπερ εἰς τὴν γῆν τὰ σώματα τῶν νεκρῶν, ταχὺ μὲν αἱ σώφρονες, μετὰ σχολῆς ἀπράγμονα καὶ φιλόσοφον στέρξασαι βίον (ἀφεθεῖσαι γὰρ ὑπὸ τοῦ νοῦ καὶ πρὸς οὐθὲν ἔτι χρώμεναι τοῖς πάθεσιν ἀπομαραίνονται)· [b] τῶν δὲ φιλοτίμων καὶ πρακτικῶν ἐρωτικῶν τε περὶ σώματα καὶ θυμοειδῶν αἱ μὲν οἷον ἐν ὕπνῳ ταῖς τοῦ βίου μνημοσύναις ὀνείρασι χρώμεναι διαφέρονται, καθάπερ ἡ τοῦ Ἐνδυμίωνος· εἰ δ' αὐτὰς τὸ ἄστατον καὶ τὸ εὐπαθὲς ἐξίστησι καὶ ἀφέλκει τῆς σελήνης πρὸς ἄλλην γένεσιν, οὐκ ἐᾷ ... ἀλλ' ἀνακαλεῖται καὶ καταθέλγει. μικρὸν γὰρ οὐδὲν οὐδ' ἥσυχον οὐδ' ὁμολογούμενον ἔργον ἐστίν, ὅταν ἄνευ νοῦ τῷ παθητικῷ σώματος ἐπιλάβωνται. Τιτυοὶ δὲ καὶ Τυφῶνες ὅ τε Δελφοὺς κατασχὼν καὶ συνταράξας τὸ χρηστήριον ὕβρει καὶ βίᾳ Πύθων ἐξ ἐκείνων [c] ἄρα τῶν ψυχῶν ἦσαν, ἐρήμων λόγου καὶ τύφῳ πλανηθέντι τῷ παθητικῷ χρησαμένων.

Χρόνῳ δὲ κἀκείνας κατεδέξατο εἰς αὑτὴν ἡ σελήνη καὶ κατεκόσμησεν, εἶτα τὸν νοῦν αὖθις ἐπισπείραντος τοῦ ἡλίου τῷ ζωτικῷ δεχομένη νέας ποιεῖ ψυχάς, ἡ δὲ γῆ τρίτον σῶμα παρέσχεν. οὐδὲν γὰρ αὕτη δίδωσιν ‹ἀλλ' ἀποδίδωσιν› μετὰ θάνατον ὅσα λαμβάνει πρὸς γένεσιν· ἥλιος δὲ λαμβάνει μὲν οὐδὲν ἀπολαμβάνει δὲ τὸν νοῦν διδούς, σελήνη δὲ καὶ λαμβάνει καὶ δίδωσι καὶ συντίθησι καὶ διαιρεῖ [καὶ] κατ' ἄλλην καὶ ἄλλην δύναμιν· ὧν Εἰλείθυια μὲν ᾗ συντίθησιν Ἄρτεμις δ' ᾗ διαιρεῖ καλεῖται. καὶ τριῶν Μοιρῶν ἡ μὲν Ἄτροπος περὶ τὸν ἥλιον [d] ἱδρυμένη τὴν ἀρχὴν ἐνδίδωσι τῆς γενέσεως, ἡ δὲ Κλωθὼ περὶ τὴν σελήνην φερομένη συνδεῖ καὶ μίγνυσιν, ἐσχάτη δὲ συνεφάπτεται περὶ γῆν ἡ Λάχεσις· ᾗ πλεῖστον τύχης μέτεστι. τὸ γὰρ ἄψυχον ἄκυρον αὐτὸ καὶ παθητὸν ὑπ' ἄλλων, ὁ δὲ νοῦς ἀπαθὴς καὶ αὐτοκράτωρ, μικτὸν δὲ καὶ μέσον ἡ ψυχὴ καθάπερ ἡ σελήνη τῶν ἄνω καὶ κάτω σύμμιγμα καὶ μετακέρασμα ὑπὸ τοῦ θεοῦ γέγονε, τοῦτον ἄρα πρὸς ἥλιον ἔχουσα τὸν λόγον ὃν ἔχει γῆ πρὸς σελήνην.

Ταῦτ'' εἶπεν ὁ Σύλλας 'ἐγὼ μὲν ἤκουσα τοῦ ξένου διεξιόντος, ἐκείνῳ δ' οἱ τοῦ Κρόνου κατευνασταὶ καὶ θεράποντες, [e] ὡς ἔλεγεν αὐτός, ἐξήγγειλαν. ὑμῖν δ', ὦ Λαμπρία, χρῆσθαι τῷ λόγῳ πάρεστιν ᾗ βούλεσθε.'

ΠΕΡΙ ΤΟΥ ΠΡΩΤΩΣ ΨΥΧΡΟΥ

[945] Ἔστι τις ἆρα τοῦ ψυχροῦ δύναμις, ὦ Φαβωρῖνε, πρώτη καὶ οὐσία, καθάπερ τοῦ θερμοῦ τὸ πῦρ, ἧς παρουσίᾳ τινὶ καὶ μετοχῇ γίνεται τῶν ἄλλων ἕκαστον ψυχρόν; ἢ μᾶλλον ἡ ψυχρότης στέρησίς ἐστι θερμότητος, ὥσπερ τοῦ φωτὸς τὸ σκότος λέγουσι καὶ τῆς κινήσεως τὴν στάσιν; ἐπεὶ καὶ τὸ ψυχρὸν ἔοικε στάσιμον εἶναι, κινητικὸν [946] [a] δὲ τὸ θερμόν· αἵ τε τῶν θερμῶν καταψύξεις οὐδεμιᾶς παρουσίᾳ γίνονται δυνάμεως, ἀλλ' ἐκστάσει θερμότητος· ἅμα γὰρ ἀπιοῦσα πολλὴ φαίνεται καὶ ψύχεται τὸ ὑπολειπόμενον· ὁ γὰρ ἀτμός, ὃν τὰ ζέοντα τῶν ὑδάτων μεθίησιν, ἀπιόντι τῷ θερμῷ συνεκπίπτει· διὸ καὶ μειοῖ τὸ πλῆθος ἡ περίψυξις, ἐκκρίνουσα τὸ θερμὸν ἑτέρου μηδενὸς ἐπεισιόντος.

Ἢ πρῶτον μὲν ἄν τις ὑπίδοιτο τοῦ λόγου τούτου τὸ πολλὰς τῶν ἐμφανῶν ἀναιρεῖν δυνάμεων, ὡς οὐ ποιότητας οὐδ' ἕξεις ἕξεων δὲ καὶ ποιοτήτων στερήσεις, βαρύτητα μὲν κουφότητος καὶ σκληρότητα μαλακότητος τὸ [b] μέλαν δὲ τοῦ λευκοῦ καὶ τὸ πικρὸν τοῦ γλυκέος, καὶ ὧν ἕκαστον ἑκάστῳ πέφυκεν ἀντικεῖσθαι κατὰ δύναμιν, οὐχ ὡς ἕξει στέρησις; ἔπειθ' ὅτι πᾶσα στέρησις ἀργόν ἐστι καὶ ἄπρακτον, ὡς τυφλότης καὶ κωφότης καὶ σιωπὴ καὶ θάνατος (ἐκστάσεις γάρ εἰσιν εἰδῶν καὶ ἀναιρέσεις οὐσιῶν, οὐ φύσεις τινὲς οὐδ' οὐσίαι καθ' ἑαυτάς), ἡ δὲ ψυχρότης οὐκ ἐλάττονα τῆς θερμότητος ἐγγινομένη τοῖς σώμασι πάθη καὶ μεταβολὰς ἐνεργάζεσθαι πέφυκε; καὶ γὰρ πήγνυται πολλὰ τῷ ψυχρῷ καὶ συγκρίνεται καὶ πυκνοῦται· καὶ τὸ στάσιμον αὐτῷ καὶ δυσκίνητον οὐκ ἀργόν ἐστιν, ἀλλ' ἐμβριθὲς καὶ βέβαιον, ὑπὸ ῥώμης συνερειστικὸν [c] καὶ συνεκτικὸν ἐχούσης τόνον. ὅθεν ἡ μὲν στέρησις ἔκλειψις γίνεται καὶ ὑποχώρησις τῆς ἀντικειμένης δυνάμεως, ψύχεται δὲ πολλὰ πολλῆς αὐτοῖς θερμότητος ἐνυπαρχούσης· ἔνια δὲ καὶ μᾶλλον ἡ ψυχρότης, ἂν λάβῃ θερμότερα, πήγνυσι καὶ συνάγει, καθάπερ τὸν βαπτόμενον σίδηρον. οἱ δὲ Στωικοὶ καὶ τὸ πνεῦμα λέγουσιν ἐν τοῖς σώμασι τῶν βρεφῶν τῇ περιψύξει στομοῦσθαι καὶ μεταβάλλον ἐκ φύσεως γίνεσθαι ψυχήν· ἀλλὰ τοῦτο μὲν ἀμφισβητήσιμον, ἑτέρων δὲ πολλῶν τὴν ψυχρότητα φαινομένην δημιουργὸν οὐκ ἄξιον ἡγεῖσθαι στέρησιν.

Ἔτι στέρησις μὲν οὐδεμία δέχεται τὸ μᾶλλον καὶ [d] τὸ ἧττον, οὐδ' ἂν εἴποι τις ἕτερον ἑτέρου μᾶλλον πεπηρῶσθαι τῶν μὴ βλεπόντων ἢ σιωπᾶν τῶν μὴ φθεγγομένων ἢ τεθνάναι τῶν μὴ ζώντων· ἐν δὲ τοῖς ψυχροῖς πολὺ τὸ μᾶλλον καὶ τὸ ἧττον ἔνεστι καὶ τὸ λίαν καὶ τὸ μὴ λίαν καὶ ὅλως ἐπιτάσεις καὶ

ἀνέσεις, ὥσπερ ἐν τοῖς θερμοῖς, διὰ τὸ τὴν ὕλην πῇ μὲν σφόδρα πῇ δ’ ἠρέμα πάσχουσαν ὑπὸ τῶν ἐναντίων δυνάμεων ἕτερα μᾶλλον ἑτέρων καὶ θερμότερα καὶ ψυχρότερα παρέχειν ἐξ ἑαυτῆς. καὶ γὰρ ἕξεως μὲν οὐκ ἔστι μῖξις πρὸς στέρησιν οὐδ’ ἀναδέχεται δύναμις οὐδεμία τὴν ἀντικειμένην αὐτῇ στέρησιν [e] ἐπιοῦσαν οὐδὲ ποιεῖ κοινωνὸν ἀλλ’ ἀντεξανίσταται· θερμὰ δ’ ἔστιν ἄχρις οὗ κεραννύμενα ψυχροῖς ὑπομένει, καθάπερ μέλανα λευκοῖς καὶ βαρέσιν ὀξέα καὶ γλυκέσιν αὐστηρά, παρέχοντα τῇ κοινωνίᾳ ταύτῃ καὶ ἁρμονίᾳ χρωμάτων τε καὶ φθόγγων καὶ φαρμάκων καὶ ὄψων προσφιλεῖς πολλὰς καὶ φιλανθρώπους γενέσεις. ἡ μὲν γὰρ κατὰ στέρησιν καὶ ἕξιν ἀντίθεσις πολεμικὴ καὶ ἀσύμβατός ἐστιν, οὐσίαν θατέρου τὴν θατέρου φθορὰν ἔχοντος· τῇ δὲ κατὰ τὰς ἐναντίας δυνάμεις καιροῦ τυχούσῃ πολλὰ μὲν [f] αἱ τέχναι χρῶνται, πλεῖστα δ’ ἡ φύσις ἔν τε ταῖς ἄλλαις γενέσεσι καὶ ταῖς περὶ τὸν ἀέρα τροπαῖς, καὶ ὅσα διακοσμῶν καὶ βραβεύων ὁ θεὸς ἁρμονικὸς καλεῖται καὶ μουσικός, οὐ βαρύτητας συναρμόττων καὶ ὀξύτητας οὐδὲ λευκὰ καὶ μέλανα συμφώνως ὁμιλοῦντα παρέχων ἀλλήλοις, ἀλλὰ τὴν τῆς θερμότητος καὶ ψυχρότητος ἐν κόσμῳ κοινωνίαν καὶ διαφοράν, ὅπως συνοίσονταί τε μετρίως καὶ διοίσονται πάλιν, ἐπιτροπεύων καὶ τὸ ἄγαν ἑκατέρας ἀφαιρῶν εἰς τὸ δέον ἀμφοτέρας καθίστησι.

[947] [a] Καὶ μὴν ψυχροῦ μὲν αἴσθησις ἔστιν, ὥσπερ καὶ θερμοῦ· στέρησις δ’ οὔθ’ ὁρατὸν οὔτ’ ἀκουστὸν οὔθ’ ἁπτὸν οὔτε ταῖς ἄλλαις αἰσθήσεσι γνωστόν. οὐσίας γάρ τινος αἴσθησις ἦν· ὅπου δ’ οὐσία μὴ φαίνεται, νοεῖται στέρησις, οὐσίας ἀπόφασις οὖσα, καθάπερ ὄψεως τυφλότης καὶ φωνῆς σιωπὴ καὶ σώματος ἐρημία καὶ κενόν. οὔτε γὰρ κενοῦ δι’ ἁφῆς αἴσθησις ἔστιν, ἀλλ’ ὅπου μὴ γίνεται σώματος ἁφή, κενοῦ γίνεται νόησις· οὔτε σιγῆς ἀκούομεν, ἀλλά, ἐὰν μηδενὸς ἀκούωμεν, σιγὴν νοοῦμεν· ὡς δ’ αὔτως καὶ τυφλῶν καὶ γυμνῶν καὶ ἀνόπλων οὐκ αἴσθησις ἔστιν ἀλλ’ αἰσθήσεως ἀποφάσει νόησις. ἔδει τοίνυν [b] μὴ γίνεσθαι ψυχρῶν αἴσθησιν, ἀλλ’ ὅπου τὸ θερμὸν ἐπιλείπει νοεῖσθαι τὸ ψυχρόν, εἴπερ ἦν θερμοῦ στέρησις· εἰ δ’, ὥσπερ τὸ θερμὸν ἀλέᾳ καὶ διακρίσει τῆς σαρκός, οὕτω συγκρίσει καὶ πυκνώσει τὸ ψυχρὸν αἰσθητόν ἐστι, δῆλον ὅτι καὶ ψυχρότητος ἰδία τις ἔστιν ἀρχὴ καὶ πηγὴ καθάπερ θερμότητος.

Ἔτι τοίνυν ἕν τι καὶ ἁπλοῦν ἡ περὶ ἕκαστον εἶδος στέρησις, αἱ δ’ οὐσίαι πλείονας διαφορὰς καὶ δυνάμεις ἔχουσι. μονοειδὲς γὰρ ἡ σιωπὴ ποικίλον δ’ ἡ φωνή, νῦν μὲν ἐνοχλοῦσα νῦν δὲ τέρπουσα τὴν αἴσθησιν· ἔχει δὲ τοιαύτας καὶ τὰ χρώματα καὶ τὰ σχήματα διαφοράς, ἐν [c] αἷς ἄλλοτ’ ἄλλως τὸν προστυγχάνοντα διατίθησι· τὸ δ’ ἀναφὲς καὶ ἄχρωστον καὶ ὅλως ἄποιον οὐκ ἔχει διαφοράν, ἀλλ’ ὅμοιόν ἐστιν. ἆρ’ οὖν ἔοικε τοῖς στερητικοῖς τούτοις τὸ

ψυχρόν, ὥστε μὴ ποιεῖν ἐν τοῖς πάθεσι διαφοράν, ἢ τοὐναντίον ἡδοναί τε μεγάλαι καὶ ὠφέλιμοι τοῖς σώμασιν ἀπὸ ψυχρῶν ὑπάρχουσι καὶ βλάβαι πάλιν νεανικαὶ καὶ πόνοι καὶ βαρύτητες, ὑφ' ὧν οὐκ ἀεὶ φεύγει καὶ ἀπολείπει τὸ θερμὸν ἀλλὰ πολλάκις ἐγκαταλαμβανόμενον ἀνθίσταται καὶ μάχεται, τῇ μάχῃ δ' αὐτῶν ὄνομα φρίκη καὶ τρόμος, ἡττωμένῳ δὲ τῷ θερμῷ τὸ πήγνυσθαι καὶ ναρκᾶν ἐπιγίνεται, κρατοῦν δὲ τοῦ ψυχροῦ διάχυσιν [d] παρέχει καὶ ἀλέαν τῷ σώματι μεθ' ἡδονῆς, ὅπερ Ὅμηρος 'ἰαίνεσθαι' κέκληκεν; ἀλλὰ ταῦτά γε παντὶ δῆλα, καὶ τούτοις οὐχ ἥκιστα τοῖς πάθεσιν ἐνδείκνυται τὸ ψυχρὸν ὅτι πρὸς τὸ θερμὸν ὡς οὐσία πρὸς οὐσίαν ἢ πάθος πρὸς πάθος οὐχ ὡς ἀπόφασις ἀντίκειται καὶ στέρησις, οὐδὲ φθορά τίς ἐστι τοῦ θερμοῦ καὶ ἀναίρεσις ἀλλὰ φθαρτικὴ φύσις καὶ δύναμις. ἢ καὶ τὸν χειμῶνα τῶν ὡρῶν καὶ τὰ βόρεια τῶν πνευμάτων ἐξέλωμεν, ὡς στερήσεις ὄντα τῶν θερμῶν καὶ νοτίων ἰδίαν δ' ἀρχὴν οὐκ ἔχοντα.

Καὶ μὴν τεττάρων γε τῶν πρώτων ὄντων ἐν τῷ παντὶ σωμάτων, ἃ διὰ πλῆθος καὶ ἁπλότητα καὶ δύναμιν [e] οἱ πλεῖστοι στοιχεῖα τῶν ἄλλων ὑποτίθενται καὶ ἀρχάς, πυρὸς καὶ ὕδατος καὶ ἀέρος καὶ γῆς, ἀναγκαῖόν ἐστι καὶ ποιότητας εἶναι τὰς πρώτας καὶ ἁπλᾶς τοσαύτας. τίνες οὖν εἰσιν αὗται πλὴν θερμότης καὶ ψυχρότης καὶ ξηρότης καὶ ὑγρότης, αἷς τὰ στοιχεῖα πάσχειν ἅπαντα καὶ ποιεῖν πέφυκεν; ὡς δὲ τῶν ἐν γραμματικῇ στοιχείων βραχύτητές εἰσι καὶ μακρότητες, τῶν δ' ἐν μουσικῇ βαρύτητες καὶ ὀξύτητες, οὐ θάτερα τῶν ἑτέρων στέρησις, οὕτως ἐν τοῖς φυσικοῖς σώμασιν ἀντιστοιχίαν ὑποληπτέον ὑγρῶν πρὸς ξηρὰ καὶ ψυχρῶν πρὸς θερμά, τὸ κατὰ λόγον ἅμα καὶ τὰ [f] φαινόμενα διαφυλάττοντας. ἤ, καθάπερ Ἀναξιμένης (fr. 1) ὁ παλαιὸς ᾤετο, μήτε τὸ ψυχρὸν ἐν οὐσίᾳ μήτε τὸ θερμὸν ἀπολείπωμεν, ἀλλὰ πάθη κοινὰ τῆς ὕλης ἐπιγινόμενα ταῖς μεταβολαῖς· τὸ γὰρ συστελλόμενον αὐτῆς καὶ πυκνούμενον ψυχρὸν εἶναί φησι, τὸ δ' ἀραιὸν καὶ τὸ χαλαρὸν (οὕτω πως ὀνομάσας καὶ τῷ ῥήματι) θερμόν· ὅθεν οὐκ ἀπεικότως λέγεσθαι τὸ καὶ θερμὰ τὸν ἄνθρωπον ἐκ [948] [a] τοῦ στόματος καὶ ψυχρὰ μεθιέναι· ψύχεται γὰρ ἡ πνοὴ πιεσθεῖσα καὶ πυκνωθεῖσα τοῖς χείλεσιν, ἀνειμένου δὲ τοῦ στόματος ἐκπίπτουσα γίνεται θερμὸν ὑπὸ μανότητος. (τοῦτο μὲν οὖν ἀγνόημα ποιεῖται τοῦ ἀνδρὸς ὁ Ἀριστοτέλης· ἀνειμένου γὰρ τοῦ στόματος ἐκπνεῖσθαι τὸ θερμὸν ἐξ ἡμῶν αὐτῶν, ὅταν δὲ συστρέψαντες τὰ χείλη φυσήσωμεν, οὐ τὸν ἐξ ἡμῶν ἀλλὰ τὸν ἀέρα τὸν πρὸ τοῦ στόματος ὠθεῖσθαι ψυχρὸν ὄντα καὶ προσπίπτειν.)

Εἰ δ' ἀπολειπτέον οὐσίαν ψυχροῦ καὶ θερμοῦ, προάγωμεν ἐπὶ τὸ ἑξῆς τὸν λόγον, ἥτις ἐστὶν οὐσία καὶ ἀρχὴ καὶ φύσις ψυχρότητος ζητοῦντες. οἱ μὲν οὖν, τῶν σκαληνῶν [b] καὶ τριγωνοειδῶν σχηματισμῶν ἐν τοῖς σώμασι

κειμένων, τὸ ῥιγοῦν καὶ τρέμειν καὶ φρίττειν καὶ ὅσα συγγενῆ τοῖς πάθεσι τούτοις ὑπὸ τραχύτητος ἐγγίνεσθαι λέγοντες, εἰ καὶ τοῖς κατὰ μέρος διαμαρτάνουσι, τὴν ἀρχὴν ὅθεν δεῖ λαμβάνουσι· δεῖ γὰρ ὥσπερ ἀφ' ἑστίας τῆς τῶν ὅλων οὐσίας ἄρχεσθαι τὴν ζήτησιν. ᾧ καὶ μάλιστα δόξειεν ἂν ἰατροῦ καὶ γεωργοῦ καὶ αὐλητοῦ διαφέρειν ὁ φιλόσοφος. ἐκείνοις μὲν γὰρ ἐξαρκεῖ τὰ ἔσχατα τῶν αἰτίων θεωρῆσαι· τὸ γὰρ ἐγγυτάτω τοῦ πάθους αἴτιον ἂν συνοφθῇ, πυρετοῦ μὲν ἔντασις ἢ παρέμπτωσις ἐρυσίβης δ' ἥλιοι πυριφλεγεῖς ἐπ' ὄμβρῳ βαρύτητος δὲ κλίσις αὐλῶν [c] καὶ συναγωγὴ πρὸς ἀλλήλους, ἱκανόν ἐστι τῷ τεχνίτῃ πρὸς τὸ οἰκεῖον ἔργον. τῷ δὲ φυσικῷ θεωρίας ἕνεκα μετιόντι τἀληθὲς ἡ τῶν ἐσχάτων γνῶσις οὐ τέλος ἐστὶν ἀλλ' ἀρχὴ τῆς ἐπὶ τὰ πρῶτα καὶ ἀνωτάτω πορείας. διὸ καὶ Πλάτων ὀρθῶς καὶ Δημόκριτος αἰτίαν θερμότητος καὶ βαρύτητος ζητοῦντες οὐ κατέπαυσαν ἐν γῇ καὶ πυρὶ τὸν λόγον ἀλλ' ἐπὶ τὰς νοητὰς ἀναφέροντες ἀρχὰς τὰ αἰσθητὰ μέχρι τῶν ἐλαχίστων ὥσπερ σπερμάτων προῆλθον.

Οὐ μὴν ἀλλὰ καὶ τὰ αἰσθητὰ ταυτὶ προανακινῆσαι βέλτιόν ἐστιν, ἐν οἷς Ἐμπεδοκλῆς τε καὶ Στράτων καὶ οἱ Στωικοὶ τὰς οὐσίας τίθενται τῶν δυνάμεων, οἱ μὲν Στωικοὶ [d] τῷ ἀέρι τὸ πρώτως ψυχρὸν ἀποδιδόντες, Ἐμπεδοκλῆς δὲ καὶ Στράτων τῷ ὕδατι· τὴν δὲ γῆν ἴσως ἂν ἕτερος φανείη ψυχρότητος αἰτίαν ὑποτιθέμενος. πρότερον δὲ τὰ ἐκείνων σκοπῶμεν. ἐπεὶ τὸ πῦρ θερμὸν ἅμα καὶ λαμπρόν ἐστι, δεῖ τὴν ἀντικειμένην τῷ πυρὶ φύσιν ψυχράν τ' εἶναι καὶ σκοτεινήν· ἀντίκειται γὰρ ὡς τῷ λαμπρῷ τὸ ζοφερὸν οὕτω τῷ θερμῷ τὸ ψυχρόν· ἔστι γὰρ ὡς ὄψεως τὸ σκοτεινὸν οὕτω τὸ ψυχρὸν ἁφῆς συγχυτικόν, ἡ δὲ θερμότης διαχεῖ τὴν αἴσθησιν τοῦ ἁπτομένου καθάπερ [e] ἡ λαμπρότης τοῦ ὁρῶντος. τὸ ἄρα πρώτως σκοτεινὸν ἐν τῇ φύσει πρώτως καὶ ψυχρόν ἐστιν. ὅτι δ' ἀὴρ τὸ πρώτως σκοτεινόν ἐστιν, οὐδὲ τοὺς ποιητὰς λέληθεν· ἀέρα γὰρ τὸ σκότος καλοῦσιν· (Hom. ι 144)

'ἀὴρ γὰρ παρὰ νηυσὶ βαθεῖ' ἦν οὐδὲ σελήνη
οὐρανόθεν προὔφαινε·'

καὶ πάλιν (Hes. O. D. 255)

'ἠέρα ἑσσάμενοι πᾶσαν φοιτῶσιν ἐπ' αἶαν'

καὶ πάλιν (P 649)

'αὐτίκα δ' ἠέρα μὲν σκέδασεν καὶ ἀπῶσεν ὀμίχλην,
ἠέλιος δ' ἐπέλαμψε· μάχη δ' ἐπὶ πᾶσα φαάνθη.'

καὶ γὰρ 'κνέφας' τὸν ἀφώτιστον ἀέρα καλοῦσι, κενὸν ὡς ἔοικε φάους ὄντα· καὶ 'νέφος' ὁ συμπεσὼν καὶ πυκνωθεὶς ἀὴρ ἀποφάσει φωτὸς κέκληται· †καλεῖται δὲ καὶ ἀχλὺς καὶ ὀμίχλη καὶ ὅσα τοῦ φωτὸς οὐ παρέχει τῇ αἰσθήσει δίοψιν ἀέρος εἰσὶ διαφοραί· καὶ τὸ ἀειδὲς αὐτοῦ [f] καὶ ἄχρωστον Ἅιδης καὶ

Ἀχέρων ἐπίκλησιν ἔσχεν. ὥσπερ οὖν αὐγῆς ἐπιλιπούσης σκοτεινὸς ἀήρ, οὕτω θερμοῦ μεταστάντος τὸ ἀπολειπόμενον ἀὴρ ψυχρὸς ἄλλο δ' οὐδέν ἐστι· διὸ καὶ 'Τάρταρος' οὗτος, ὑπὸ ψυχρότητος, κέκληται (δηλοῖ δὲ καὶ Ἡσίοδος εἰπὼν (Th. 119) 'Τάρταρά τ' ἠερόεντα') καὶ τὸ ῥιγοῦντα πάλλεσθαι καὶ τρέμειν 'ταρταρίζειν'. ταῦτα μὲν οὖν τοιοῦτον ἔχει λόγον.

Ἐπεὶ δ' ἡ φθορὰ μεταβολή τίς ἐστι τῶν φθειρομένων [949] [a] εἰς τοὐναντίον ἑκάστῳ, σκοπῶμεν εἰ καλῶς εἴρηται τὸ 'πυρὸς θάνατος ἀέρος γένεσις'. θνήσκει καὶ πῦρ ὥσπερ ζῷον ἢ βίᾳ σβεννύμενον ἢ δι' αὑτοῦ μαραινόμενον. ἡ μὲν οὖν σβέσις ἐμφανεστέραν ποιεῖ τὴν εἰς ἀέρα μεταβολὴν αὐτοῦ· καὶ γὰρ ὁ καπνὸς ἀέρος ἐστὶν εἶδος καὶ ἡ κατὰ Πίνδαρον (Isthm. 4, 84) 'ἀέρα κνισᾶντι λακτίζοισα καπνῷ' λιγνὺς καὶ ἀναθυμίασις. οὐ μὴν ἀλλὰ καὶ φθινούσης ἀτροφίᾳ φλογὸς ἰδεῖν ἔστιν, ὥσπερ ἐπὶ τῶν λύχνων, τὸ ἄκρον εἰς ἀέρα [καὶ] γνοφώδη καὶ ζοφερὸν ἀποχεόμενον. ἱκανῶς δὲ καὶ ὁ τῶν μετὰ λουτρὸν ἢ πυρίαν περιχεαμένων ψυχρὸν ἀνιὼν ἀτμὸς ἐνδείκνυται τὴν εἰς [b] ἀέρα τοῦ θερμοῦ φθειρομένου μεταβολήν, ὡς φύσει πρὸς τὸ πῦρ ἀντικείμενον. ᾧ τὸ πρώτως τὸν ἀέρα σκοτεινὸν εἶναι καὶ ψυχρὸν ἠκολούθει.

Καὶ μὴν ἁπάντων γε τῶν γινομένων ὑπὸ ψυχρότητος ἐν τοῖς σώμασι σφοδρότατον καὶ βιαιότατον ἡ πῆξις οὖσα πάθος μέν ἐστιν ὕδατος ἔργον δ' ἀέρος· αὐτὸ μὲν γὰρ καθ' ἑαυτὸ τὸ ὕδωρ εὐδιάχυτον καὶ ἀπαγὲς καὶ ἀσύστατόν ἐστιν, ἐντείνεται δὲ καὶ συνάγεται τῷ ἀέρι σφιγγόμενον ὑπὸ ψυχρότητος. διὸ καὶ λέλεκται (Callim. fr. anon. 384 Schn. om. Pfeiffer)

'εἰ δὲ νότος βορέην προκαλέσσεται, αὐτίκα νίψει'·

τοῦ γὰρ νότου καθάπερ ὕλην τὴν ὑγρότητα παρασκευάσαντος, ὁ βόρειος ἀὴρ ὑπολαβὼν ἔπηξε. καὶ δῆλόν ἐστι [c] μάλιστα περὶ τὰς χιόνας· ἀέρα γὰρ μεθεῖσαι καὶ προαναπνεύσασαι λεπτὸν καὶ ψυχρὸν οὕτω ῥέουσιν. Ἀριστοτέλης δὲ (fr. 212 R.) καὶ τὰς ἀκόνας τοῦ μολίβδου τήκεσθαί φησι καὶ ῥεῖν ὑπὸ κρύους καὶ χειμῶνος, ὕδατος μόνου πλησιάζοντος αὐταῖς· ὁ δ' ἀήρ, ὡς ἔοικε, συνελαύνων τὰ σώματα τῇ ψυχρότητι καταθραύει καὶ ῥήγνυσιν. ἔτι τοίνυν τὰ μὲν ἀποσπασθέντα τῆς πηγῆς ὕδατα μᾶλλον πήγνυται· μᾶλλον γὰρ ὁ ἀὴρ ἐπικρατεῖ τοῦ ἐλάττονος. ἂν δέ τις ψυχρὸν ἐκ φρέατος ὕδωρ λαβὼν ἐν ἀγγείῳ καὶ καθεὶς αὖθις εἰς τὸ φρέαρ ὥστε μὴ ψαύειν τοῦ ὕδατος τὸ ἀγγεῖον ἀλλ' ἐν τῷ ἀέρι κρέμασθαι, περιμείνῃ χρόνον [d] οὐ πολύν, ἔσται ψυχρότερον τὸ ὕδωρ· ᾧ μάλιστα δηλοῦται τὸ μὴ τοῦ ὕδατος εἶναι τὴν πρώτην αἰτίαν τῆς ψυχρότητος ἀλλὰ τοῦ ἀέρος. τῶν γε μὴν μεγάλων ποταμῶν οὐδεὶς πήγνυται διὰ βάθους· οὐ γὰρ καθίησιν εἰς ὅλον ὁ ἀήρ, ἀλλ' ὅσα τῇ ψυχρότητι περιλαμβάνει ψαύων καὶ πλησιάζων, ταῦθ' ἵστησιν. ὅθεν οἱ βάρβαροι διαβαίνουσι πεζῇ, προβαλόντες ἀλώπεκας· ἂν γὰρ μὴ πολὺς

ἀλλ’ ἐπιπόλαιος ὁ πάγος ᾖ, αἰσθανόμεναι τῷ ψόφῳ τοῦ ὑπορρέοντος ὕδατος ἀναστρέφουσιν. ἔνιοι δὲ καὶ θηρεύουσιν ἰχθῦς ὕδατι θερμῷ τοῦ πάγου παραλύοντες καὶ χαλῶντες τό γε τὴν ὁρμιὰν δεξόμενον. οὕτως οὐδὲν ὑπὸ τοῦ ψυχροῦ τὸ ἐν βάθει [e] πέπονθε. καίτοι τῶν ἄνω τοσαύτη γίνεται μεταβολὴ διὰ τὴν πῆξιν, ὥστε συντρίβειν τὰ πλοῖα τὸ ὕδωρ ἀποβιαζόμενον εἰς ἑαυτὸ καὶ συνθλιβόμενον, ὡς ἱστοροῦσιν οἱ νῦν μετὰ τοῦ Καίσαρος ἐπὶ τοῦ Ἴστρου διαχειμάσαντες. οὐ μὴν ἀλλὰ καὶ τὸ περὶ ἡμᾶς συμβαῖνον ἱκανὴν μαρτυρίαν δίδωσι· μετὰ γὰρ τὰ λουτρὰ καὶ τὰς ἐξιδρώσεις περιψυχόμεθα μᾶλλον, τοῖς σώμασιν ἀνειμένοις καὶ διακεχυμένοις πολλὴν ψυχρότητα μετὰ τοῦ ἀέρος καταδεχόμενοι. τὸ δ’ αὐτὸ τοῦτο καὶ τὸ ὕδωρ πάσχει· ψύχεται γάρ, ἂν προθερμανθῇ, μᾶλλον, εὐπαθέστερον τῷ ἀέρι γενόμενον· ὁπότε τὰ ζέοντα τῶν ὑδάτων ἀναρύτοντες καὶ [f] μετεωρίζοντες οὐδὲν ἄλλο δήπου ποιοῦσιν ἢ πρὸς ἀέρα πολὺν ἀνακεραννύουσιν. ὁ μὲν οὖν τῷ ἀέρι τὴν πρώτην ἀποδιδοὺς τῆς ψυχρότητος δύναμιν, ὦ Φαβωρῖνε, λόγος ἐν τοιαύταις ἐστὶ πιθανότησιν.

Ὁ δὲ τῷ ὕδατι λαμβάνει μὲν καὶ αὐτὸς ἀρχὰς ὁμοίως, οὕτω πως τοῦ Ἐμπεδοκλέους λέγοντος (fr. 21, 3. 5)·

‘ἠέλιον μὲν λαμπρὸν ὅρα καὶ θερμὸν ἁπάντῃ,
ὄμβρον δ’ ἐν πᾶσι δνοφόεντά τε ῥιγαλέον τε’·

τῷ γὰρ θερμῷ τὸ ψυχρὸν ὡς τῷ λαμπρῷ τὸ μέλαν ἀντιτάξας συλλογίσασθαι δέδωκεν, ὅτι τῆς αὐτῆς οὐσίας ἐστὶ [950] [a] τὸ μέλαν καὶ τὸ ψυχρόν, ὡς τῆς αὐτῆς τὸ λαμπρὸν καὶ τὸ θερμόν. ὅτι δ’ οὐ τοῦ ἀέρος τὸ μέλαν ἀλλὰ τοῦ ὕδατός ἐστιν, ἡ αἴσθησις ἐπιμαρτυρεῖ, τῷ μὲν ἀέρι μηδενὸς ὡς ἁπλῶς εἰπεῖν μελαινομένου τῷ δ’ ὕδατι πάντων. ἂν γὰρ τὸ λευκότατον ἐμβάλῃς ἔριον εἰς ὕδωρ ἢ ἱμάτιον, ἀναφαίνεται μέλαν καὶ διαμένει, μέχρι ἂν ὑπὸ θερμότητος ἐξικμασθῇ τὸ ὑγρὸν ἤ τισι στρέβλαις καὶ βάρεσιν ἐκπιεσθῇ· τῆς τε γῆς ὕδατι ῥαινομένης, διαμελαίνουσιν οἱ καταλαμβανόμενοι ταῖς σταγόσι τόποι, τῶν ἄλλων ὁμοίων μενόντων. αὐτοῦ μὲν οὖν τοῦ ὕδατος σκοτεινότατον ὑπὸ πλήθους φαίνεται τὸ βαθύτατον, οἷς δ’ ἀὴρ [b] πλησιάζει, ταῦτα περιλάμπεται καὶ διαγελᾷ. τῶν δ’ ἄλλων ὑγρῶν διαφανὲς μάλιστα τοὔλαιόν ἐστι, πλείστῳ χρώμενον ἀέρι· τούτου δὲ τεκμήριον ἡ κουφότης, δι’ ἣν ἐπιπολάζει πᾶσιν ὑπὸ τοῦ ἀέρος ἄνω φερόμενον. ποιεῖ δὲ καὶ τὴν γαλήνην ἐν τῇ θαλάττῃ τοῖς κύμασιν ἐπιρραινόμενον, οὐ διὰ τὴν λειότητα τῶν ἀνέμων ἀπολισθαινόντων, ὡς Ἀριστοτέλης ἔλεγεν, ἀλλὰ παντὶ μὲν ὑγρῷ τὸ κῦμα διαχεῖται πληττόμενον, ἰδίως δὲ τοὔλαιον αὐγὴν καὶ καταφάνειαν ἐν βυθῷ παρέχει, διαστελλομένων τῷ ἀέρι τῶν ὑγρῶν· οὐ γὰρ μόνον ἐπιπολῆς τοῖς διανυκτερεύουσιν ἀλλὰ καὶ κάτω τοῖς σπογγοθήραις διαφυσώμενον ἐκ τοῦ [c] στόματος ἐν τῇ θαλάττῃ φέγγος ἐνδίδωσιν. οὐ μᾶλλον οὖν τῷ ἀέρι τοῦ

μέλανος ἢ τῷ ὕδατι μέτεστιν, ἧττον δὲ τοῦ ψυχροῦ. τὸ γοῦν ἔλαιον, ἀέρος πλείστου τῶν ὑγρῶν μετέχον, ἥκιστα ψυχρόν ἐστι καὶ πήγνυται μαλακῶς· ὁ γὰρ ἀὴρ ἐγκεκραμένος οὐκ ἐᾷ σκληρὰν γενέσθαι τὴν πῆξιν· βελόνας δὲ καὶ πόρπας σιδηρᾶς καὶ τὰ λεπτὰ τῶν ἔργων οὐχ ὕδατι βάπτουσιν ἀλλ’ ἐλαίῳ, τὴν ἄγαν ψυχρότητα φοβούμενοι τοῦ ὕδατος ὡς διαστρέφουσαν. ἀπὸ τούτων γὰρ δικαιότερόν ἐστιν ἐξετάζεσθαι τὸν λόγον, οὐκ ἀπὸ τῶν χρωμάτων· ἐπεὶ καὶ χιὼν καὶ χάλαζα καὶ κρύσταλλος ἅμα λαμπρότατα γίνεται [d] καὶ ψυχρότατα· καὶ πάλιν πίττα θερμότερόν ἐστι μέλιτος καὶ σκοτωδέστερον.

Ὅμως δὲ θαυμάζω τῶν ἀξιούντων τὸν ἀέρα ψυχρὸν εἶναι διὰ τὸ καὶ σκοτεινόν, εἰ μὴ συνορῶσιν ἑτέρους ἀξιοῦντας θερμὸν εἶναι διὰ τὸ καὶ κοῦφον. οὐ γὰρ οὕτω τῷ ψυχρῷ τὸ σκοτεινὸν ὡς τὸ βαρὺ καὶ στάσιμον οἰκεῖόν ἐστι καὶ συγγενές· πολλὰ γὰρ ἄμοιρα θερμότητος ὄντα μετέχει λαμπηδόνος, ἐλαφρὸν δὲ καὶ κοῦφον καὶ ἀνωφερὲς οὐδέν ἐστι τῶν ψυχρῶν. ἀλλὰ καὶ τὰ νέφη, μέχρι μὲν ἀέρος οὐσίᾳ μᾶλλον προσήκει, μετεωρίζεται· μεταβαλόντα δ’ εἰς ὑγρὸν εὐθὺς ὀλισθαίνει καὶ τὸ κοῦφον οὐχ ἧττον ἢ τὸ θερμὸν ἀποβάλλει, ψυχρότητος ἐγγιγνομένης· [e] καὶ τοὐναντίον ὅταν θερμότης ἐπέλθῃ, πάλιν ἀναστρέφει τὴν κίνησιν, ἅμα τῷ μεταβαλεῖν εἰς ἀέρα τῆς οὐσίας ἄνω φερομένης. καὶ μὴν οὐδὲ τὸ τῆς φθορᾶς ἀληθές ἐστιν· οὐ γὰρ εἰς τοὐναντίον ἀλλ’ ὑπὸ τοῦ ἐναντίου φθείρεται τῶν ἀπολλυμένων ἕκαστον, ὥσπερ τὸ πῦρ ὑπὸ τοῦ ὕδατος εἰς τὸν ἀέρα. τὸ γὰρ ὕδωρ ὁ μὲν Αἰσχύλος εἰ καὶ τραγικῶς ἀλλ’ ἀληθῶς εἶπε (fr. 360)

‘παύσυβριν δίκην πυρός·’

Ὅμηρος δὲ (Φ 342. 435) τῷ ποταμῷ τὸν Ἥφαιστον καὶ τῷ Ποσειδῶνι τὸν Ἀπόλλωνα κατὰ τὴν μάχην φυσικῶς μᾶλλον ἢ μυθικῶς ἀντέταξεν. ὁ δ’ Ἀρχίλοχος ἐπὶ τῆς τἀναντία φρονούσης οὐ κακῶς εἶπε (fr. 86, I 3 p. 38 D[3] .)

‘τῇ μὲν ὕδωρ ἐφόρει

[f] δολοφρονέουσα χειρί, θἠτέρῃ δὲ πῦρ.’

ἐν δὲ Πέρσαις τῶν ἱκετευμάτων μέγιστον ἦν καὶ ἀπαραίτητον, εἰ πῦρ λαβὼν ὁ ἱκετεύων καὶ ἐν ποταμῷ βεβηκὼς ἀπειλοίη μὴ τυχὼν τὸ πῦρ εἰς τὸ ὕδωρ ἀφήσειν· ἐτύγχανε μὲν γὰρ ὧν ἐδεῖτο, τυχὼν δ’ ἐκολάζετο διὰ τὴν ἀπειλὴν ὡς παράνομον καὶ κατὰ τῆς φύσεως γενομένην. καὶ τοῦτο δὴ τὸ πρόχειρον ἅπασι ‘πῦρ ὕδατι μιγνύναι’ τὸ παροιμιαζόμενον ἐν τοῖς ἀδυνάτοις μαρτυρεῖν ἔοικεν ὅτι τῷ πυρὶ τὸ ὕδωρ πολέμιόν ἐστι καὶ ὑπὸ τούτου φθείρεται [951] [a] καὶ κολάζεται σβεννύμενον, οὐχ ὑπὸ τοῦ ἀέρος †τίον ὡς ὑπολαμβάνει τὴν οὐσίαν αὐτοῦ καὶ δέχεται μεταβάλλοντος. εἰ γὰρ ἀεὶ τὸ εἰς ὃ μεταβάλλει τὸ φθειρόμενον ἐναντίον ἐστί, τί μᾶλλον τῷ ἀέρι τὸ πῦρ ἢ τὸ ὕδωρ ἐναντίον φανεῖται; μεταβάλλει γὰρ εἰς ὕδωρ συνιστάμενος εἰς δὲ πῦρ

διακρινόμενος· ὥσπερ αὖ πάλιν τὸ ὕδωρ διακρίσει μὲν εἰς ἀέρα φθείρεται συγκρίσει δ᾽ εἰς γῆν, ὡς μὲν ἐγὼ νομίζω δι᾽ οἰκειότητα τὴν πρὸς ἀμφότερα καὶ συγγένειαν, οὐχ ὡς ἐναντίον ἑκατέρῳ καὶ πολέμιον. ἐκεῖνοι δέ, ὁποτέρως ἂν εἴπωσι, τὸ ἐπιχείρημα διαφθείρουσι. πήγνυσθαί γε μὴν ὑπὸ τοῦ ἀέρος φάναι ‹τὸ› ὕδωρ ἀλογώτατόν ἐστιν, αὐτὸν τὸν ἀέρα μηδαμοῦ πηγνύμενον ὁρῶντας. νέφη γὰρ καὶ ὁμίχλαι καὶ κνηκίδες οὐ πήξεις εἰσὶν ἀλλὰ συστάσεις καὶ παχύτητες ἀέρος διεροῦ καὶ ἀτμώδους· ὁ δ᾽ ἄνικμος καὶ ξηρὸς οὐδ᾽ ἄχρι ταύτης τὴν κατάψυξιν ἐνδέχεται τῆς μεταβολῆς. ἔστι γὰρ ἃ τῶν ὀρῶν οὐ λαμβάνει νέφος οὐδὲ δρόσον οὐδ᾽ ὁμίχλην, εἰς καθαρὸν ἀέρα καὶ ἄμοιρον ὑγρότητος ἐξικνούμενα τοῖς ἄκροις· ᾧ μάλιστα δῆλόν ἐστιν ὡς τὰς κάτω πυκνώσεις καὶ συστάσεις τῷ ἀέρι συμμεμιγμένον ὑγρὸν καὶ ψυχρὸν ἐνδίδωσι.

Τὰ δὲ κάτω τῶν μεγάλων ποταμῶν οὐ πήγνυται κατὰ λόγον. τὰ γὰρ ἄνω παγέντα τὴν ἀναθυμίασιν οὐ [b] διίησιν, ἀλλ᾽ ἐγκαθειργνυμένη καὶ ἀποστρεφομένη θερμότητα παρέχει τοῖς διὰ βάθους ὑγροῖς· ἀπόδειξις δὲ τούτου τὸ λυομένου τοῦ πάγου πάλιν ἀτμὸν πολὺν ἐκ τῶν ὑγρῶν ἀναφέρεσθαι. διὸ καὶ τὰ τῶν ζῴων σώματα χειμῶνός ἐστι θερμότερα, τῷ συνέχειν τὸ θερμὸν ἐν ἑαυτοῖς ὑπὸ τῆς ἔξωθεν ψυχρότητος εἴσω συνελαυνόμενον. αἱ δ᾽ ἀναρύσεις καὶ μετεωρίσεις οὐ μόνον τὸ θερμὸν ἐξαιροῦσι τῶν ὑδάτων ἀλλὰ καὶ τὸ ψυχρόν· ὅθεν ἥκιστα τὰς χιόνας καὶ τὸ συνθλιβόμενον ὑγρὸν ἀπ᾽ αὐτῶν οἱ σφόδρα ψυχροῦ δεόμενοι κινοῦσιν· ἐκστατικὸν γὰρ ἀμφοῖν ἡ κίνησις.

[c] Ὅτι δ᾽ οὐκ ἀέρος ἐστὶν ἀλλ᾽ ὕδατος ἡ τοιαύτη δύναμις, οὕτως ἄν τις ἐξ ὑπαρχῆς ἐπέλθοι. πρῶτον μὲν οὐκ εἰκός ἐστιν ἀέρα, τῷ αἰθέρι γειτνιῶντα καὶ ψαύοντα τῆς περιφορᾶς καὶ ψαυόμενον, οὔσης πυρώδους, τὴν ἐναντίαν ἔχειν δύναμιν· οὔτε γὰρ ἄλλως δυνατὸν ἁπτόμενα καὶ συνεχῆ τοῖς πέρασιν ὄντα δύο σώματα μὴ πάσχειν ὑπ᾽ ἀλλήλων, εἰ δὲ πάσχει, μὴ ἀναπίμπλασθαι τῆς τοῦ κρείττονος δυνάμεως τὸ ἧττον· οὔτε τὴν φύσιν ἔχει λόγον ἐφεξῆς τῷ φθείροντι τάξαι τὸ φθειρόμενον, ὥσπερ οὐ κοινωνίας οὖσαν οὐδ᾽ ἁρμονίας ἀλλὰ πολέμου καὶ μάχης δημιουργόν. χρῆται μὲν γὰρ ἐναντίοις εἰς τὰ ὅλα πράγμασι· χρῆται δ᾽ οὐκ ἀκράτοις οὐδ᾽ ἀντιτύποις, ἀλλ᾽ ἐναλλάξ τινα θέσιν καὶ τάξιν οὐκ ἀναιρετικὴν ἀλλὰ κοινωνικὴν δι᾽ ἑτέρων καὶ συνεργὸν ἐν μέσῳ παρεμπλεκομένην ἔχουσι· καὶ ταύτην [d] εἴληφεν ὁ ἀήρ, ὑποκεχυμένος τῷ πυρὶ πρὸ τοῦ ὕδατος καὶ διαδιδοὺς ἐπ᾽ ἀμφότερα καὶ συνάγων, οὔτε θερμὸς ὢν αὐτὸς οὔτε ψυχρὸς ἀλλὰ ψυχροῦ καὶ θερμοῦ μετακέρασμα καὶ κοινώνημα, μιγνυμένων ἐν αὐτῷ μῖξιν ἀβλαβῆ καὶ μαλακῶς ἀνιεῖσαν καὶ δεχομένην τὰς ἐναντίας ἀκρότητας.

Ἔπειτα πανταχοῦ μέν ἐστιν ἀὴρ ἴσος, οὐ πανταχοῦ δὲ χειμὼν ὅμοιος οὐδὲ ψῦχος, ἀλλὰ ταῦτα μὲν τὰ μέρη ψυχρὰ καὶ κάθυγρα, ταῦτα δὲ ξηρὰ καὶ θερμὰ τῆς οἰκουμένης, οὐ κατὰ τύχην, ἀλλὰ τῷ μίαν οὐσίαν ψυχρότητος καὶ ὑγρότητος εἶναι. Λιβύης μὲν γὰρ ἔνθερμος ἡ πολλὴ [e] καὶ ἄνυδρος, Σκυθίαν δὲ καὶ Θρᾴκην καὶ Πόντον οἱ πεπλανημένοι λίμνας τε μεγάλας ἔχειν καὶ ποταμοῖς διαρρεῖσθαι βαθέσι καὶ πολλοῖς ἱστοροῦσιν· αὐτῶν τε τῶν ἐν μέσῳ τόπων τὰ παράλιμνα καὶ ἑλώδη ψῦχος ἔχει μάλιστα διὰ τὰς ἀπὸ τῶν ὑγρῶν ἀναθυμιάσεις· Ποσειδώνιος δὲ τῆς ψυχρότητος αἰτίαν εἰπὼν τὸ πρόσφατον εἶναι τὸν ἕλειον ἀέρα καὶ νοτερὸν οὐκ ἔλυσε τὸ πιθανόν, ἀλλὰ πιθανώτερον ἐποίησεν· οὐ γὰρ ἂν ἐφαίνετο τοῦ ἀέρος ὁ πρόσφατος ἀεὶ ψυχρότερος, εἰ μὴ τὸ ψυχρὸν ἐν τοῖς [952] [a] ὑγροῖς τὴν γένεσιν εἶχε. βέλτιον οὖν Ὅμηρος εἰπὼν (ε 469)

'αὔρη δ' ἐκ ποταμοῦ ψυχρὴ ‹πνέει› ἠῶθι πρό',

τὴν πηγὴν τῆς ψυχρότητος ἔδειξεν. ἔτι τοίνυν ἡ μὲν αἴσθησις πολλάκις ἡμᾶς ἐξαπατᾷ, ὅταν ἱματίων ἢ ἐρίων ψυχρῶν θιγγάνωμεν, οἰομένους ὑγρῶν θιγγάνειν διὰ τὸ κοινὴν ἀμφοτέροις οὐσίαν ὑπάρχειν καὶ τὰς φύσεις σύνεγγυς εἶναι καὶ οἰκείας. ἐν δὲ τοῖς δυσχειμέροις κλίμασι πολλὰ ῥηγνύει τὸ ψῦχος ἀγγεῖα καὶ χαλκᾶ καὶ κεραμεᾶ· κενὸν δ' οὐδὲν ἀλλὰ πάντα πλήρη, βιαζομένου τῇ ψυχρότητι τοῦ ὕδατος. καίτοι φησὶ Θεόφραστος τὸν ἀέρα ῥηγνύειν τὰ ἀγγεῖα τῷ ὑγρῷ καθάπερ ἥλῳ χρώμενον· ὅρα [b] δὲ μὴ τοῦτο κομψῶς μᾶλλον ἢ ἀληθῶς εἰρημένον ἐστίν· ἔδει γὰρ τὰ πίττης γέμοντα μᾶλλον ῥήγνυσθαι ὑπὸ τοῦ ἀέρος καὶ τὰ γάλακτος. ἀλλ' ἔοικε τὸ ὕδωρ ἐξ ἑαυτοῦ ψυχρὸν εἶναι καὶ πρώτως· ἀντίκειται γὰρ τῇ ψυχρότητι πρὸς τὴν θερμότητα τοῦ πυρός, ὥσπερ τῇ ὑγρότητι πρὸς τὴν ξηρότητα καὶ τῇ βαρύτητι πρὸς τὴν κουφότητα. καὶ ὅλως τὸ μὲν πῦρ διαστατικόν ἐστι καὶ διαιρετικόν, τὸ δ' ὕδωρ κολλητικὸν καὶ σχετικόν, τῇ ὑγρότητι συνέχον καὶ πιέζον· ᾗ καὶ παρέσχεν Ἐμπεδοκλῆς (fr. 17, 19. 19) ὑπόνοιαν, ὡς τὸ μὲν πῦρ 'Νεῖκος οὐλόμενον' 'σχεδύνην' δὲ 'Φιλότητα' τὸ ὑγρὸν ἑκάστοτε προσαγορεύων· ἐπεὶ [c] τροφὴ μὲν πυρὸς τὸ μεταβάλλον εἰς πῦρ, μεταβάλλει δὲ τὸ συγγενὲς καὶ οἰκεῖον, τὸ δ' ἐναντίον δυσμετάβλητον, ὡς τὸ ὕδωρ· καὶ αὐτὸ μὲν ὡς ἔπος εἰπεῖν ἄκαυστόν ἐστιν, ὕλην δὲ καὶ πόαν νοτερὰν καὶ ξύλα βεβρεγμένα δυσκαῆ παρέχει, καὶ φλόγα ζοφερὰν καὶ ἀμβλεῖαν ὑπὸ χλωρότητος ἀναδίδωσι τῷ ψυχρῷ μαχόμενον πρὸς τὸ θερμὸν ὡς φύσει πολέμιον.

Σκόπει δὲ καὶ ταῦτα παραβάλλων ἐκείνοις. ἐπειδὴ καὶ Χρύσιππος (fr. 429) οἰόμενος τὸν ἀέρα πρώτως ψυχρὸν εἶναι, διότι καὶ σκοτεινόν, ἐμνήσθη μόνον τῶν πλέον ἀφεστάναι τὸ ὕδωρ τοῦ αἰθέρος ἢ τὸν ἀέρα λεγόντων, καὶ πρὸς αὐτούς τι βουλόμενος εἰπεῖν 'οὕτω μὲν ἄν' ἔφη [d] 'καὶ τὴν γῆν ψυχρὰν εἶναι

πρώτως λέγοιμεν, ὅτι τοῦ αἰθέρος ἀφέστηκε πλεῖστον,’ ὡς ἀδόκιμόν τινα παντελῶς τοῦτον καὶ ἄτοπον ἀπορρίψας τὸν λόγον, ἐγώ μοι δοκῶ μηδὲ τὴν γῆν ἄμοιρον εἰκότων καὶ πιθανῶν ἀποφαίνειν, ποιησάμενος ἀρχὴν ᾧ μάλιστα Χρύσιππος ὑπὲρ τοῦ ἀέρος κέχρηται. τί δὲ τοῦτ’ ἐστί; τὸ σκοτεινὸν ὄντα πρώτως ‹εἶναι καὶ ψυχρὸν πρώτως›. εἰ γὰρ δύο λαβὼν οὗτος ἀντιθέσεις δυνάμεων οἴεται τῇ ἑτέρᾳ καὶ τὴν ἑτέραν ἐξ ἀνάγκης ἕπεσθαι, μυρίαι δήπουθέν εἰσιν ἀντιτάξεις καὶ ἀντιπάθειαι πρὸς τὸν αἰθέρα τῆς γῆς, αἷς καὶ ταύτην ἄν τις ἀκολουθεῖν ἀξιώσειεν. οὐ γὰρ ὡς βαρεῖα πρὸς κοῦφον [e] καὶ καταρρεπὴς πρὸς ἀνωφερὲς ἀντίκειται μόνον, οὐδ’ ὡς πυκνὴ πρὸς ἀραιὸν οὐδ’ ὡς βραδεῖα καὶ στάσιμος πρὸς ὀξύρροπον καὶ κινητικόν, ἀλλ’ ὡς βαρυτάτη πρὸς κουφότατον καὶ πυκνοτάτη πρὸς ἀραιότατον καὶ τέλος ὡς ἀκίνητος ἐξ ἑαυτῆς πρὸς αὐτοκίνητον καὶ τὴν μέσην χώραν ἐπέχουσα πρὸς ἀεὶ κυκλοφορούμενον. οὐκ ἄτοπον οὖν τηλικαύταις καὶ τοσαύταις ἀντιτάξεσι καὶ τὴν τῆς ψυχρότητος καὶ θερμότητος ἕπεσθαι. ‘ναί, ἀλλὰ τὸ πῦρ καὶ λαμπρόν ἐστιν· οὔτι μὴν σκοτεινὸν ἡ γῆ;’ σκοτεινότατον μὲν οὖν ἁπάντων καὶ ἀφεγγέστατον. ἀέρι μέν τοι μετοχὴ φωτός ἐστι πρώτῳ, καὶ τάχιστα τρέπεται καὶ ἀναπλησθεὶς [f] διανέμει πανταχοῦ τὴν λαμπρότητα, σῶμα παρέχων τῆς αὐγῆς ἑαυτόν· ὁ γὰρ ἥλιος ἀνίσχων, ὥς τις εἶπε τῶν διθυραμβοποιῶν,

‘εὐθὺς ἀνέπλησεν ἀεροβατᾶν μέγαν οἶκον ἀνέμων·’

ἐκ τούτου δὲ καὶ λίμνῃ καὶ θαλάττῃ μοῖραν αὐγῆς κατιὼν ἐνίησι καὶ βυθοὶ ποταμῶν διαγελῶσιν, ὅσον ἀέρος ἐξικνεῖται πρὸς αὐτούς. μόνη δ’ ἡ γῆ τῶν σωμάτων ἀεὶ ἀφώτιστός ἐστι καὶ ἄτρωτος [ὑφ’] ἡλίου καὶ σελήνης τῷ φωτίζοντι· θάλπεται δ’ ὑπ’ αὐτῶν καὶ παρέχει χλιαίνειν [953] [a] ἐπ’ ὀλίγον βάθος ἐνδυομένῳ τῷ θερμῷ, τὸ δὲ λαμπρὸν οὐ παρίησιν ὑπὸ στερεότητος ἀλλ’ ἐπιπολῆς περιφωτίζεται, τὰ δ’ ἐντὸς ὄρφνη καὶ χάος καὶ Ἅιδης ὀνομάζεται· καὶ τὸ ἔρεβος τοῦτ’ ἦν ἄρα, τὸ χθόνιον καὶ ἔγγαιον σκότος. τὴν δὲ νύκτα ποιηταὶ μὲν ἐκ γῆς γεγονέναι μυθολογοῦσι, μαθηματικοὶ δὲ γῆς σκιὰν οὖσαν ἀποδεικνύουσιν ἀντιφραττούσης πρὸς τὸν ἥλιον· ὁ γὰρ ἀὴρ ἀναπίμπλαται σκότους ὑπὸ γῆς ὡς φωτὸς ὑφ’ ἡλίου· καὶ τὸ ἀφώτιστον αὐτοῦ μῆκός ἐστι νυκτός, ὅσον ἡ σκιὰ τῆς γῆς ἐπινέμεται. διὸ τῷ μὲν ἐκτὸς ἀέρι καὶ νυκτὸς οὔσης ἄνθρωποί τε χρῶνται καὶ θηρία πολλὰ νομὰς ποιούμενα [b] διὰ σκότους, ἁμωσγέπως ἴχνη φωτὸς καὶ ἀπορροὰς αὐγῆς ἐνδιεσπαρμένας ἔχοντος· ὁ δ’ οἰκουρὸς καὶ ὑπωρόφιος, ἅτε δὴ τῆς γῆς πανταχόθεν περιεχούσης, κομιδῇ τυφλός ἐστι καὶ ἀφώτιστος. ἀλλὰ μὴν καὶ δέρματα καὶ κέρατα ζῴων ὅλα μὲν οὐ διίησιν αὐγὴν ὑπὸ στερεότητος, ὅταν δὲ πρισθῇ καὶ καταξεσθῇ, γίνεται διαφανῆ, παραμιχθέντος αὐτοῖς τοῦ ἀέρος. οἶμαι δὲ καὶ

μέλαιναν ἑκάστοτε τὴν γῆν ὑπὸ τῶν ποιητῶν καλεῖσθαι διὰ τὸ σκοτῶδες καὶ τὸ ἀφώτιστον· ὥστε καὶ τὴν πολυτίμητον ἀντίθεσιν τοῦ σκοτεινοῦ πρὸς τὸ λαμπρὸν ἐπὶ τῆς γῆς μᾶλλον ἢ τοῦ ἀέρος ὑπάρχειν.

Ἀλλ' αὕτη μὲν ἀπήρτηται τοῦ ζητουμένου· πολλὰ [c] γὰρ δέδεικται ψυχρὰ τῶν λαμπρῶν ὄντα καὶ θερμὰ τῶν ἀμαυρῶν καὶ σκοτεινῶν. ἐκεῖναι δὲ συγγενέστεραι δυνάμεις ψυχρότητός εἰσι, τὸ ἐμβριθὲς τὸ πυκνὸν τὸ μόνιμον τὸ ἀμετάβλητον· ὧν ἀέρι μὲν οὐδεμιᾶς, γῇ δὲ μᾶλλον ἢ ὕδατι πασῶν μέτεστι. καὶ μὴν ἐν τοῖς μάλιστα τὸ ψυχρὸν αἰσθητῶς σκληρόν ἐστι καὶ σκληροποιὸν καὶ ἀντίτυπον. ἰχθῦς μὲν γὰρ ἱστορεῖ Θεόφραστος (fr. 184) ὑπὸ ῥίγους πεπηγότας, ἂν ἀφεθῶσιν ἐπὶ τὴν γῆν, κατάγνυσθαι καὶ συντρίβεσθαι δίκην ὑελῶν ἢ κεραμεῶν σωμάτων. ἐν δὲ Δελφοῖς αὐτὸς ἤκουες ὅτι τῶν εἰς τὸν Παρνασὸν ἀναβάντων [d] βοηθῆσαι ταῖς Θυιάσιν, ἀπειλημμέναις ὑπὸ πνεύματος χαλεποῦ καὶ χιόνος, οὕτως ἐγένοντο διὰ τὸν πάγον σκληραὶ καὶ ξυλώδεις αἱ χλαμύδες, ὡς καὶ θραύεσθαι διατεινομένας καὶ ῥήγνυσθαι. ποιεῖ δὲ καὶ νεῦρα δυσκαμπῆ καὶ γλῶτταν ἄναυδον ἀκινησίᾳ καὶ σκληρότητι τὸ ἄγαν ψῦχος, ἐκπηγνύον τὰ ὑγρὰ καὶ μαλακὰ τοῦ σώματος.

Ὧν βλεπομένων, σκόπει τὸ γιγνόμενον οὕτω· πᾶσα δήπου δύναμις, ἂν περιγένηται, πέφυκε μεταβάλλειν καὶ τρέπειν εἰς ἑαυτὴν τὸ νικώμενον· τὸ μὲν γὰρ ὑπὸ θερμοῦ κρατηθὲν ἐκπυροῦται, τὸ δ' ὑπὸ πνεύματος ἐξαεροῦται, τὸ δ' εἰς ὕδωρ ἐμπεσόν, ἂν μὴ διαφύγῃ, καθυγραίνεται [e] συνδιαχεόμενον. ἀνάγκη δὴ καὶ τὰ ψυχόμενα κομιδῇ μεταβάλλειν εἰς τὸ πρώτως ψυχρόν· ἔστι δ' ὑπερβολὴ ψύξεως πῆξις, πῆξις δ' εἰς ἀγνωσίαν τελευτᾷ καὶ λίθωσιν, ὅταν, παντάπασι τοῦ ψυχροῦ κρατήσαντος, ἐκπαγῇ μὲν τὸ ὑγρὸν ἐκθλιβῇ δὲ τὸ θερμόν. ὅθεν ἡ μὲν ἐν βάθει γῆ πάγος ἐστὶν ὡς εἰπεῖν καὶ κρύσταλλος ἅπασα· τὸ γὰρ ψυχρὸν ἄκρατον οἰκουρεῖ καὶ ἀμάλακτον ἀπεωσμένον ἐκεῖ τοῦ αἰθέρος ἀπωτάτω· ταυτὶ δὲ τὰ ἐμφανῆ, κρημνοὺς καὶ σκοπέλους καὶ πέτρας, Ἐμπεδοκλῆς (A 69) μὲν ὑπὸ τοῦ πυρὸς οἴεται τοῦ ἐν βάθει τῆς γῆς ἑστάναι καὶ ἀνέχεσθαι διερειδόμενα φλεγμαίνοντος· ἐμφαίνεται δὲ μᾶλλον, [f] ὅσων τὸ θερμὸν ἐξεθλίβη καὶ διέπτατο, πάντα ταῦτα παντάπασιν ὑπὸ τῆς ψυχρότητος παγῆναι· διὸ καὶ πάγοι καλοῦνται. καὶ τὰ ἄκρα πολλῶν ἐπιμελανθέντων, ᾗ τὸ θερμὸν ἐξέπεσε, πυρικαύστοις ἰδεῖν προσέοικε· πήγνυσι γὰρ τὸ ψυχρὸν τὰ μὲν μᾶλλον τὰ δ' ἧττον, μάλιστα δ' οἷς πρώτως ἐνυπάρχειν πέφυκεν. ὥσπερ γάρ, εἰ θερμοῦ τὸ [954] [a] κουφίζειν, θερμότατόν ἐστι τὸ κουφότατον, εἰ δ' ὑγροῦ τὸ μαλάσσειν, ὑγρότατον τὸ μαλακώτατον, οὕτως, εἰ ψυχροῦ τὸ πηγνύειν, ἀνάγκη ψυχρότατον εἶναι τὸ μάλιστα πεπηγός, οἷον ἡ γῆ. τὸ δὲ ψυχρότατον φύσει δήπου καὶ πρώτως ψυχρόν· ὥστε φύσει καὶ πρώτως ψυχρὸν ἡ γῆ. τοῦτο δ' ἀμέλει καὶ τῇ αἰσθήσει δῆλόν ἐστι· καὶ

γὰρ πηλὸς ὕδατος ψυχρότερος καὶ τὸ πῦρ γῆν ἐπιφοροῦντες ἀφανίζουσιν· οἱ δὲ χαλκεῖς τῷ πυρουμένῳ καὶ ἀνατηκομένῳ σιδήρῳ μάρμαρον καὶ λατύπην παραπάσσουσι, τὴν πολλὴν ῥύσιν ἐφιστάντες καὶ καταψύχοντες· ψύχει δὲ καὶ [b] τὰ τῶν ἀθλητῶν ἡ κόνις σώματα καὶ κατασβέννυσι τοὺς ἱδρῶτας.

Ἡ δὲ καθ' ἕκαστον ἐνιαυτὸν ἡμᾶς μετάγουσα καὶ μετοικίζουσα χρεία τί βούλεται, χειμῶνος μὲν ἀπωτάτω φεύγουσα τῆς γῆς εἰς τὰ μετέωρα καὶ ἀπόγεια, θέρους δὲ πάλιν ἀντεχομένη τῶν κάτω καὶ ὑποδυομένη καὶ διώκουσα προσφόρους καταφυγάς, τιθεμένη τὴν δίαιταν ἐν ἀγκάλαις γῆς ἀγαπητῶς; ἆρ' οὐχὶ ταῦτα ποιοῦμεν ἐπὶ τὴν γῆν ὑπὸ ψυχρότητος ὁδηγούμενοι τῇ αἰσθήσει καὶ τὸ πρώτως ‹καὶ› φύσει ψυχρὸν ἐπιγινώσκοντες; αἱ γοῦν παράλιοι χειμῶνος δίαιται τρόπον τινὰ γῆς φυγαί εἰσιν, ὡς ἀνυστὸν ἀπολειπόντων διὰ κρύος αὐτήν, τὸν δ' ἔναλον [c] ἀέρα καὶ πελάγιον θερμὸν ὄντα περιβαλλομέν‹ων›· εἶτ' αὖθις ἐν θέρει τὸν γηγενῆ καὶ χερσαῖον ὑπὸ καύματος ποθοῦμεν, οὐκ αὐτὸν ὄντα ψυχρὸν ἀλλὰ τοῦ φύσει ψυχροῦ καὶ πρώτως ἀποβλαστάνοντα καὶ βεβαμμένον ὑπὸ τῆς ἐν τῇ γῇ δυνάμεως ὥσπερ βαφῇ σίδηρον. καὶ γὰρ τῶν ῥυτῶν ὑδάτων τὰ πετραῖα καὶ ὀρεινὰ ψυχρότατα καὶ τῶν φρεατιαίων τὰ κοιλότατα· τούτοις μὲν γὰρ οὐκέτι μίγνυται διὰ βάθους ἔξωθεν ὁ ἀήρ, ἐκεῖνα δ' ἐκπίπτει διὰ γῆς ἀμίκτου καὶ καθαρᾶς, ὡς περὶ τὸ Τιτάριον ὃ δὴ [d] Στυγὸς ὕδωρ καλοῦσιν ἐκ πέτρας γλίσχρως συλλειβόμενον οὕτω ψυχρόν ἐστιν, ὥστε μηδὲν ἀγγεῖον ἄλλο μόνην δ' ὁπλὴν ὄνου στέγειν, τὰ δ' ἄλλα διακόπτει καὶ ῥήγνυσιν.

Ἔτι γε μὴν τῶν ἰατρῶν ἀκούομεν, ὡς πᾶσα γῆ τῷ γένει στύφειν καὶ ψύχειν πέφυκε· καὶ πολλὰ τῶν μεταλλευομένων καταριθμοῦσι στυπτικὴν αὐτοῖς παρέχοντα καὶ σχετικὴν εἰς τὰς φαρμακείας δύναμιν· καὶ γὰρ τὸ στοιχεῖον αὐτῆς οὐ τμητικὸν οὐδὲ κινητικὸν οὐδὲ †λεῖπον οὐδ' ἔχον ὀξύτητας οὐδὲ μαλθακὸν οὐδ' εὐπερίχυτον γέγονεν, ἀλλ' ἑδραῖον ὡς ὁ κύβος καὶ συνερειστικόν. ὅθεν αὐτή τε βρῖθος ἔσχε, καὶ τὸ ψυχρόν, ὅπερ ἦν δύναμις [e] αὐτῆς, τῷ πυκνοῦν καὶ συνωθεῖν καὶ ἀποθλίβειν τὰ ὑγρὰ φρίκας καὶ τρόμους διὰ τὴν ἀνωμαλίαν ἐνεργάζεται τοῖς σώμασιν· ἂν δ' ἐπικρατήσῃ παντάπασι, τοῦ θερμοῦ φυγόντος ἢ σβεσθέντος, ἔστησε τὴν ἕξιν ἐκπαγεῖσαν καὶ νεκρωθεῖσαν. ὅθεν οὐδὲ καίεται γῆ τὸ παράπαν ἢ καίεται γλίσχρως καὶ μόγις. ἀὴρ μὲν γὰρ ἐξ ἑαυτοῦ πολλάκις φλόγας ἀναδίδωσι καὶ ζεῖ καὶ διαστράπτει πυρούμενος· τῷ δ' ὑγρῷ τροφῇ χρῆται τὸ θερμόν· οὐ γὰρ τὸ στερεὸν ἀλλὰ τὸ νοτερὸν τοῦ ξύλου καυστόν ἐστιν· ἐξικμασθέντος δὲ τούτου, τὸ στερεὸν καὶ ξηρὸν ἀπολείπεται τέφρα γενόμενον. οἱ δὲ καὶ τοῦτο φιλοτιμούμενοι μεταβάλλον ἀποδεῖξαι καὶ καταναλισκόμενον ἀναδεύοντες πολλάκις ἐλαίῳ [f] καὶ στέατι φύροντες οὐδὲν περαίνουσιν, ἀλλ' ὅταν ἐκκαῇ

τὸ λιπαρόν, περίεστι πάντως καὶ διαμένει τὸ γεῶδες· ὅθεν οὐ κατὰ χώραν μόνον ἐξ ἕδρας ἀκίνητον οὖσαν αὐτὴν ἀλλὰ καὶ κατ' οὐσίαν ἀμετάβλητον, Ἑστίαν, ἅτε δή 'μένουσαν ἐν θεῶν οἴκῳ', †κλίτα προσηγόρευσαν οἱ παλαιοί, διὰ τὴν στάσιν καὶ πῆξιν· ἧς ἡ ψυχρότης δεσμός ἐστιν, ὡς Ἀρχέλαος ὁ φυσικὸς (fr. 1a) εἶπεν, οὐδενὸς χαλῶντος αὐτὴν οὐδὲ μαλάττοντος, ἅτε θερομένην καὶ ἀλεαινομένην [955] [a] †οὖσαν. οἱ δὲ πνεύματος μὲν αἰσθάνεσθαι ψυχροῦ καὶ ὕδατος, γῆς δ' ἧττον οἰόμενοι, τὴν ἔγγιστα γῆν ὁρῶσιν ἀέρων καὶ ὑδάτων καὶ ἡλίου [καὶ] θερμότητος ἀνάπλεων σύμμιγμα καὶ συμφόρημα γεγενημένην· καὶ οὐδὲν διαφέρουσι τῶν μὴ τὸν αἰθέρα φύσει καὶ πρώτως θερμὸν ἀλλὰ τὸ ζέον ὕδωρ ἢ τὸν διάπυρον σίδηρον ἀποφαινομένων, ὅτι τούτων μὲν ἅπτονται καὶ προσθιγγάνουσι, τοῦ δὲ πρώτου καθαροῦ καὶ οὐρανίου πυρὸς αἴσθησιν δι' ἁφῆς οὐ λαμβάνουσιν, ὥσπερ οὐδ' οὗτοι τῆς ἐν βάθει γῆς, ἣν μάλιστα γῆν ἄν τις νοήσειεν αὐτὴν καθ' αὑτὴν ἀποκεκριμένην τῶν ἄλλων. δεῖγμα δ' αὐτῆς ἐστι [b] κἀνταῦθα περὶ τὰς πέτρας· πολὺ γὰρ ἐκ βάθους καὶ οὐ ῥᾴδιον ἀνασχέσθαι προβάλλουσι κρύος. οἱ δὲ ψυχροτέρου ποτοῦ δεόμενοι χάλικας ἐμβάλλουσιν εἰς τὸ ὕδωρ· γίνεται γὰρ οὐλότερον καὶ στομοῦται παρὰ τὴν ἀπὸ τῶν λίθων ψυχρότητα, πρόσφατον καὶ ἄκρατον ἀναφερομένην.

Τοὺς οὖν πάλαι σοφοὺς καὶ λογίους ἄμικτα θέσθαι τὰ ἐπίγεια καὶ τὰ οὐράνια χρὴ νομίζειν, οὐ τοῖς τόποις, ὥσπερ ἐπὶ ζυγοῦ πρὸς τὰ κάτω καὶ ἄνω βλέποντας, ἀλλὰ τῇ διαφορᾷ τῶν δυνάμεων τὰ μὲν θερμὰ καὶ λαμπρὰ καὶ ταχέα καὶ κοῦφα τῇ θείᾳ καὶ ἀιδίῳ φύσει προσνέμοντας, [c] τὰ δὲ σκοτεινὰ καὶ ψυχρὰ καὶ βραδέα φθιτῶν καὶ ἐνέρων οὐκ εὐδαίμονα κλῆρον ἀποφαίνοντας. ἐπεὶ καὶ τὸ σῶμα τοῦ ζῴου, μέχρι μὲν ἔμπνουν ἐστὶ καὶ 'θαλερόν', ὡς οἱ ποιηταὶ λέγουσι, θερμότητι χρῆται καὶ ζωῇ· γενόμενον δὲ τούτων ἔρημον καὶ ἀπολειφθὲν ἐν μόνῃ τῇ τῆς γῆς μοίρᾳ ψυχρότης εὐθὺς ἴσχει καὶ κρύος, ὡς ἐν παντὶ μᾶλλον ἢ τῷ γεώδει κατὰ φύσιν θερμότητος ἐνυπαρχούσης.

Ταῦτ', ὦ Φαβωρῖνε, τοῖς εἰρημένοις ὑφ' ἑτέρων παράβαλλε· κἂν μήτε λείπηται τῇ πιθανότητι μήθ' ὑπερέχῃ πολύ, χαίρειν ἔα τὰς δόξας, τὸ ἐπέχειν ἐν τοῖς ἀδήλοις τοῦ συγκατατίθεσθαι φιλοσοφώτερον ἡγούμενος.

ΠΟΤΕΡΟΝ ΥΔΩΡ Η ΠΥΡ ΧΡΗΣΙΜΩΤΕΡΟΝ

[955] ‘Ἄριστον μὲν ὕδωρ, ὁ δὲ χρυσὸς αἰθόμενον πῦρ,’

[e] φησιν ὁ Πίνδαρος (O. I 1)· ὥσθ’ οὗτος μὲν δευτέραν ἄντικρυς τῷ πυρὶ χώραν ἔδωκε· συμφωνεῖ δὲ καὶ Ἡσίοδος εἰπὼν (Th 116)

‘ἤτοι μὲν πρώτιστα χάος γένετο’·

τοῖς πλείστοις γὰρ ὠνομακέναι δοκεῖ τὸ ὕδωρ τοῦτον τὸν τρόπον παρὰ τὴν χύσιν. ἀλλὰ τὸ μὲν τῶν μαρτύρων ἑκατέροις ἴσον· ἐπεὶ καὶ τὸ πῦρ εἰσιν οἱ τοῦ παντὸς ἀρχὴν ἀποφαινόμενοι καὶ οἷον σπέρμα τοῦτ’ ἐξ ἑαυτοῦ τε πάντα ποιεῖν καὶ εἰς ἑαυτὸ ἐκλαμβάνειν κατὰ τὴν ἐκπύρωσιν. ἀφέμενοι δὲ τῶν ἀνδρῶν σκεψώμεθα τοὺς εἰς ἑκάτερον λόγους πῇ μᾶλλον ἄγουσιν ἡμᾶς.

Ἆρ’ οὖν οὐ χρησιμώτερον ἐκεῖνο, οὗ πάντοτε καὶ [f] διηνεκῶς δεόμεθα καὶ πλείστου, καθάπερ ἐργαλεῖον καὶ ὄργανον καὶ νὴ Δία φίλος ὁ πάσης ὥρας καὶ παντὸς καιροῦ παρὼν ἕτοιμος; καὶ μὴν τὸ μὲν πῦρ οὐ πάντοτε χρήσιμον, ἔστι δ’ ὅτε καὶ βαρυνόμεθα καὶ ἀποσπώμεθα· τοῦ δ’ ὕδατος χρεία καὶ χειμῶνος καὶ θέρους καὶ νοσοῦσι [956] [a] καὶ ὑγιαίνουσι, νυκτὸς καὶ μεθ’ ἡμέραν, καὶ οὐκ ἔστιν ὅτ’ ἄνθρωπος οὐ δεῖται. ἀμέλει τοὺς ἀποθανόντας ἀλίβαντας καλοῦσιν ὡς ἐνδεεῖς λιβάδος, τουτέστιν ὑγρότητος, καὶ παρὰ τοῦτο στερουμένους τοῦ ζῆν. καὶ ἄνευ μὲν πυρὸς ἦν πολλά‹κις›, ὕδατος δ’ οὐδέποτ’ ἄνθρωπος. ἔτι τὸ ἐξ ἀρχῆς καὶ ἅμα τῇ πρώτῃ καταβολῇ τῶν ἀνθρώπων χρησιμώτερον τοῦ ὕστερον εὑρεθέντος· δῆλον γὰρ ὡς τὸ μὲν ὡς ἀναγκαῖον ἡ φύσις ἔδωκε, τὸ δὲ περιουσίᾳ τῆς χρήσεως τέχνη καὶ μηχανή τις εὗρεν. ὕδωρ μὲν οὖν οὐκ ἔστιν εἰπεῖν ὅτ’ οὐκ ἦν ἀνθρώποις οὐδέ τις εὑρετὴς λέγεται θεῶν ἢ ἡρώων· σχεδὸν γὰρ γενομένων εὐθὺς [b] ὑπῆρχε, †τὸ γεγενῆσθαι παρεῖχεν· ἡ δὲ πυρὸς χρῆσις ἐχθές φασι καὶ πρῴην ὑπὸ Προμηθέως βίος πυρός, οὐκ ἄνευ δ’ ὕδατος ἦν. καὶ τὸ μὲν πλάσμα τοῦτο μὴ εἶναι ποιητικὸν ἀποδείκνυσιν ὁ καθ’ ἡμᾶς βίος· ἔστι γὰρ ἀνθρώπων γένη τινὰ χωρὶς πυρὸς ποιούμενα τὴν δίαιταν, ἄοικα καὶ ἀνέστια καὶ ὑπαίθρια· καὶ Διογένης δ’ ὁ κύων ἥκιστα προσεχρῆτο πυρί, ὥστε καὶ πολύποδα καταπιὼν ὠμόν ‘οὕτως ὑπὲρ ὑμῶν’ εἶπεν ‘ὦ ἄνδρες, παραβάλλομαι·’ χωρὶς δ’ ὕδατος οὔτε καλόν τις ἐνόμισε ζῆν οὔτε δυνατόν.

Καὶ τί μικρολογοῦμαι τὴν τῶν ἀνθρώπων ἐπερχόμενος φύσιν; πολλῶν γὰρ ὄντων, μᾶλλον δ’ ἀπείρων [c] γενῶν τὸ τῶν ἀνθρώπων σχεδὸν μόνον οἶδε πυρὸς χρῆσιν, τὰ δὲ λοιπὰ ἀπύροις χρῆται διαίταις καὶ τροφαῖς, καὶ βίος αὐτοῖς νεμομένοις, ἱπταμένοις, ἕρπουσιν ἀπὸ ῥιζῶν καὶ καρπῶν καὶ σαρκῶν

ἄνευ πυρός· ὕδατος δὲ χωρὶς οὐκ ἔναλον οὐ[δὲ] χερσαῖον οὐκ αἰθέριον· καὶ γὰρ τὰ σαρκοβόρα τῶν ζῴων, ὧν ἔνιά φησι μὴ πίνειν Ἀριστοτέλης, τῷ γ' ἐντὸς ὑγρῷ χρώμενα διαζῇ. τοῦτ' οὖν χρησιμώτερον, οὗ μηδεμία ζωὴ φύσις ἄνευ ἵσταται καὶ διαμένει.

Μετίωμεν ἀπὸ τῶν χρωμένων ἐπὶ ταῦθ' οἷς χρώμεθα, φυτὰ καὶ καρπούς. τούτων ἃ μὲν οὐδ' ὅλως θερμοῦ μετείληφεν, ἃ δ' ἥκιστα καὶ ἀδήλως· ἡ δ' ὑγρὰ φύσις [d] βλαστάνοντα πάντα παρέχεται καὶ αὐξανόμενα καὶ καρποφοροῦντα· καὶ τί με δεῖ καταριθμεῖσθαι μέλι καὶ οἶνον καὶ ἔλαιον καὶ τὰ λοιπά, ὅσα τρυγῶμεν καὶ ἀμέλγομεν καὶ βλίττομεν, ἐν φανερῷ κείμενα, ὅπου γε καὶ ὁ πυρός, δοκῶν εἶναι τῆς ξηρᾶς τροφῆς, μεταβολῇ καὶ σήψει καὶ διαχύσει τοῦ ὑγροῦ γίγνεται;

Καὶ μὴν καὶ χρησιμώτερον ὃ μηδέποτε βλάπτει. πῦρ μὲν οὖν ῥαγδαῖον ὀλεθριώτατον, ἡ δ' ὕδατος φύσις οὐδέποτε βλαβερά. καὶ μὴν δυεῖν ὠφελιμώτερον τὸ εὐτελέστερον καὶ χωρίς τινος παρασκευῆς τὴν ἐξ αὑτοῦ παρέχον ὠφέλειαν. ἡ μὲν οὖν ἀπὸ τοῦ πυρὸς χορηγίας [e] δεῖται καὶ ὕλης, διὰ τοῦτο μετέχουσιν αὐτοῦ πλέον πλούσιοι πενήτων, βασιλεῖς ἰδιωτῶν· τὸ δ' ὕδωρ καὶ τοῦτ' ἔχει φιλάνθρωπον, τὴν ἰσότητα, τὸ ὅμοιον, οὐ δεῖται γὰρ ὀργάνων οὐδ' ἐργαλείων, ἀπροσδεές, αὐτοτελὲς ἀγαθόν.

Ἔτι μήν, ὃ πολλαπλασιαζόμενον τὴν ὠφέλειαν ἀπόλλυσιν, ἀχρηστότερον· τοιοῦτον δὲ τὸ πῦρ, οἷον θηρίον παμφάγον καὶ δαπανῶν τῶν παρακειμένων, καὶ μεθόδῳ καὶ τέχνῃ μᾶλλον καὶ μετριότητι ‹ἢ› τῇ αὑτοῦ φύσει ὠφέλιμον· τὸ δ' ὕδωρ οὐδέποτε φοβερόν. καὶ μὴν δυεῖν τὸ μετὰ τοῦ ἑτέρου χρησιμώτερον· πῦρ μὲν οὖν οὐκ ἐπιδέχεται τὸ ὑγρὸν οὐδὲ τῇ δι' αὑτοῦ κοινωνίᾳ [f] χρήσιμον, ὕδωρ δ' ἐστὶ μετὰ πυρὸς ὠφέλιμον· τὰ γοῦν θερμὰ τῶν ὑδάτων ἀκέσιμα καὶ πρὸς θεραπείαν εὐαίσθητα. καὶ πῦρ μὲν ὑγρὸν οὐκ ἄν τις εὕροι, ὕδωρ δ' ὡς ψυχρὸν οὕτω καὶ θερμὸν ὠφέλιμον ἀνθρώπῳ.

Καὶ μὴν τεττάρων ὄντων στοιχείων τὸ ὕδωρ ἐξ ἑαυτοῦ πέμπτον, ὡς ἄν τις εἴποι, πεποίηκε στοιχεῖον [957] [a] τὴν θάλασσαν, οὐδὲν ἧττον ἐκείνων ὠφέλιμον τῶν τ' ἄλλων ἕνεκεν καὶ μάλιστα τῆς ἐπιμιξίας· ἄγριον οὖν ἡμῶν ὄντα καὶ ἀσύμβολον τὸν βίον τοῦτο τὸ στοιχεῖον συνῆψε καὶ τέλειον ἐποίησε, διορθούμενον ταῖς παρ' ἀλλήλων ἐπικουρίαις καὶ ἀντιδόσεσι, κοινωνίαν δ' ἐργαζόμενον καὶ φιλίαν. Ἡράκλειτος (B 99) μὲν οὖν 'εἰ μὴ ἥλιος' φησίν 'ἦν, εὐφρόνη ἂν ἦν·' ἔστι δ' εἰπεῖν, ὡς, εἰ μὴ θάλαττα ἦν, πάντων ‹ἂν› ἀγριώτατον ζῷον καὶ ἐνδεέστατον ὁ ἄνθρωπος ἦν. νυνὶ δὲ τοῦτο μὲν παρ' Ἰνδῶν ἄμπελον τοῖς Ἕλλησιν, ἐκ δὲ τῆς Ἑλλάδος καρπῶν χρῆσιν τοῖς ἐπέκεινα [ὁ] τῆς θαλάσσης ἔδωκεν, ἐκ Φοινίκης [b] δὲ γράμματα μνημόσυνα λήθης ἐκόμισε, καὶ ἄοινον καὶ ἄκαρπον καὶ ἀπαίδευτον

ἐκώλυσεν εἶναι τὸ πλεῖστον ἀνθρώπων γένος. πῶς οὖν οὐ χρησιμώτερον ὕδωρ στοιχείῳ περιττεῦον;

Ἢ πρὸς τοὐναντίον ἄν τις ἐντεῦθεν †ἔχων λέγοι, διότι τέτταρα μὲν στοιχεῖα θεῷ καθάπερ τεχνίτῃ πρὸς τὴν τῶν ὅλων ἐργασίαν ὑποκείμενα, τούτων δ' αὖ πάλιν ‹ἐν› ἀλλήλοις διαφοραί, πλὴν γῆ μὲν καὶ ὕδωρ ὑποβέβληται δίκην ὕλης ποιούμενα καὶ πλαττόμενα καὶ μετέχοντα κόσμου καὶ τάξεως καὶ τοῦ φύειν γε [φασί] καὶ γεννᾶν, ὅσον ἂν μεταλάβῃ παρὰ ‹τῶν› ἑτέρων, πνεῦμά ‹φα›μεν καὶ πῦρ, ποιούντων καὶ δημιουργούντων καὶ ‹τὰ› κείμενα [c] νεκρὰ τέως ἐπὶ τὴν γένεσιν ἀνιστάντων. τῶν δὲ δυεῖν τούτων αὖθις τὸ πῦρ ἄρχει καὶ ἡγεμονεύει. δῆλον δ' ἐκ τῆς ἐπαγωγῆς· γῆ τε γὰρ ἄνευ θερμῆς οὐσίας ἄγονος καὶ ἄκαρπος· τὸ δὲ πῦρ ἐγκραθὲν καὶ διαχέαν παρίστησιν εἰς τὴν γένεσιν ὀργῶντα οὐδεμίαν γὰρ αἰτίαν εὕροι τις ἄν, δι' ἣν ἄγονοι πέτραι καὶ τὰ κατεσκληκότα τῶν ὀρῶν, πλὴν ὅτι πυρὸς οὐδ' ὅλως ἢ ὀλίγον μετέσχηκε.

Τὸ δ' ὅλον τοσοῦτον ἀπέχει πρὸς σωτηρίαν ἢ ἑτέρων γένεσιν αὐτοτελὲς εἶναι, ὥστε καὶ αὐτῷ φθορὰ πυρὸς ἔνδεια· συνέχει γὰρ ἡ θερμότης ἕκαστον ἐν τῷ εἶναι καὶ ἐπὶ τῆς ἰδίας οὐσίας φυλάττει καθάπερ καὶ τἄλλα καὶ [d] τὸ ὕδωρ· ἀπ[εχ]όντος δ' ἢ ἐνδεήσαντος σήπεται, καὶ θάνατος ὕδατι καὶ ὄλεθρος ἐπίλειψις θερμότητος. ἀμέλει τὰ λιμναῖα καὶ ὅσα στάσιμα τῶν ὑδάτων καί τιν' ἀδιεξόδοις ἐγκαθήμενα κοιλότησι μοχθηρὰ καὶ τελευτῶντα σήπεται τῷ κινήσεως ἥκιστα μετέχειν, ἣ τὸ θερμὸν ἐν ἑκάστοις ῥιπίζουσα τηρεῖ μάλιστα περὶ τὰ φερόμενα καὶ ῥέοντα τῶν ὑδάτων, ‹ἃ› διὰ τὴν κίνησιν συνεχομένης τῆς θερμότητος οὕτω καὶ προσαγορεύομεν, ζῆν λέγοντες. πῶς τοίνυν δυεῖν οὐκ ὠφελιμώτερον, ὃ τῷ ἑτέρῳ τὴν αἰτίαν τοῦ εἶναι παρέσχηκε, καθάπερ τὸ πῦρ τῷ ὕδατι; καὶ μήν, οὗ παντάπασιν ἀπαλλαγέντος [e] φθείρεται τὸ ζῷον, τοῦτ' ὠφελιμώτερον· δῆλον γὰρ ὡς, [τὸ] οὗ στερούμενον οὐκ ἔστιν εἶναι, τοῦτο καὶ τὴν αἰτίαν παρέσχηκεν, ὅτ' ἦν. ὑγρότης μὲν οὖν καὶ τοῖς τεθνηκόσι πάρεστι καὶ οὐκ ἐξῄρηται παντάπασιν· ἐπεὶ οὐκ ἂν ἐσήπετο τὰ νεκρὰ τῶν σωμάτων, τῆς σήψεως εἰς ὑγρὸν οὔσης ἐκ ξηροῦ μεταβολῆς, μᾶλλον δ' ὑγρῶν ἐν σαρκὶ φθορᾶς. θάνατος δ' οὐκ ἄλλο τι πλὴν ἔκλειψις θερμοῦ παντελής· ψυχρότατοι τοίνυν οἱ νεκροί, καὶ τὰς ἀκμάς, εἴ τις ἐπιχειροίη, τῶν ξυρῶν ἀπαμβλύνουσι δι' ὑπερβολὴν ψυχρότητος. καὶ ἐν αὐτῷ δὲ τῷ ζῴῳ τὰ ἥκιστα μετέχοντα ἀναισθητότατα, καθάπερ ὀστᾶ καὶ τρίχες καὶ [f] τὰ πόρρωθεν ἀφεστῶτα τῆς καρδίας· σχεδὸν γὰρ ἡ πρὸς τὰ μὴ ζῶ‹ντα τῶν ζών›των ἐκ τῆς τοῦ πυρὸς γίγνεται παρουσίας διαφορά. φυτὰ μὲν γὰρ καὶ καρποὺς οὐχ ἡ ὑγρότης ἀναδίδωσιν ἀλλ' ἡ θερμὴ ὑγρότης· ἀμέλει τὰ ψυχρὰ τῶν ὑδάτων ἧττον ἢ οὐδ' ὅλως γόνιμα. καίτοι γ' εἰ τῇ αὑτοῦ φύσει τὸ ὕδωρ

καρποφόρον, δεῖ πάντοτε καὶ [958] [a] καθ’ αὑτὸ ἀναφέρειν καρπούς· τὸ δὲ τοὐναντίον καὶ βλαβερόν ἐστιν.

Ἀπ’ ἄλλης ἀρχῆς. πρὸς μὲν τὴν πυρὸς ὡς πυρὸς χρῆσιν ὕδατος οὐ προσδεόμεθα, ἀλλὰ τοὐναντίον ἐμποδὼν γίγνεται· κατασβέννυσι γὰρ καὶ διαφθείρει. ὕδατος δὲ τοῖς πλείστοις χρῆσις οὐκ ἔστιν ἄνευ πυρός· θερμανθὲν γὰρ ὠφέλιμον, ‹καθ’› αὑτὸ δὲ βλαβερόν. ὥστε δυεῖν ἄμεινον, ὃ ἀφ’ ἑαυτοῦ παρέχεται χρείαν, τοῦ ἑτέρου μὴ προσδεόμενον. ἔτι ὕδωρ μὲν μοναχῶς ὠφέλιμον κατὰ θίξιν λουσαμένοις ἢ ἁψαμένοις, τὸ δὲ πῦρ διὰ πάσης αἰσθήσεως, καὶ γὰρ διὰ τῆς ἁφῆς καὶ πόρρωθεν ὁρώμενον· ὥστε προσεῖναι τοῖς ἄλλοις τῆς χρείας αὐτοῦ καὶ [b] τὴν ποικιλίαν.

Τὸ γὰρ λέγειν ὡς ἔστι ποτὲ ὁ ἄνθρωπος ἄνευ πυρὸς οὐδ’ ὅλως δύναται γενέσθαι ὁ ἄνθρωπος. διαφοραὶ δ’ εἰσὶν ἐν γένει καθάπερ καὶ ἐν ἄλλοις. καὶ τὴν θάλατταν ἡ θερμότης ὠφελιμωτέραν ἐποίησεν, ὡς †καταθέρει τῶν ὑδάτων, ἐπεὶ καθ’ αὑτήν γε τῶν λοιπῶν οὐδὲν διέφερε. καὶ οἱ μὴ προσδεόμενοι δὲ τοῦ ἔξωθεν πυρὸς οὐχ ὡς ἀπροσδεεῖς τοῦτο πάσχουσιν, ἀλλὰ περιουσίᾳ καὶ πλεονασμῷ τοῦ ἐν αὑτοῖς θερμοῦ· ὥστε καὶ κατὰ τοῦθ’ ὑπερέχειν τὴν τοῦ πυρὸς χρείαν, ὡς εἰκός. τὸ μὲν ὕδωρ οὐδέποτε τοιοῦτον, ὥστε μὴ δεῖσθαι τῶν ἐκτός, τὸ [c] δὲ πῦρ ὑπ’ ἀρετῆς πολλῆς καὶ αὔταρκες. ὡς οὖν στρατηγὸς ἀμείνων ὁ παρασκευάσας τὴν πόλιν μὴ δεῖσθαι τῶν ἔξωθεν συμμάχων, οὕτω καὶ στοιχεῖον τὸ τῆς ἔξωθεν ἐπικουρίας παρέχον πολλάκις μὴ δεομένους. τοῦτο ῥητέον [πολλάκις] καὶ περὶ τῶν ἄλλων ζῴων, ὅσα μὴ πυρὸς δεῖται. καίτοι γ’ εἰς τοὐναντίον λάβοι τις ἄν, τὸ χρησιμώτερον εἶναι τοῦτο, ᾧ χρώμεθα μόνοι καὶ μάλιστα ‹οἱ› τὸ βέλτιον ἐκ λογισμοῦ λαβεῖν δυνάμενοι· ἐπεὶ τί λόγου χρησιμώτερον ἢ †μᾶλλον ἀνθρώποις λυσιτελέστερον; ‘ἀλλ’ οὐ πάρεστι τοῖς ἀλόγοις·’ τί οὖν; διὰ τοῦθ’ ἧττον ὠφέλιμον ‹τὸ› ἐκ τῆς προνοίας τοῦ βελτίονος εὑρεθέν;

[d] Ἐπεὶ δὲ κατὰ τοῦτο τοῦ λόγου γεγόναμεν, τί τέχνης τῷ βίῳ λυσιτελέστερον; τέχνας δὲ πάσας καὶ ἀνεῦρε τὸ πῦρ καὶ σῴζει· διὸ καὶ τὸν Ἥφαιστον ἀρχηγὸν αὐτῶν ποιοῦσι. καὶ μὴν ὀλίγου χρόνου καὶ βίου τοῖς ἀνθρώποις δεδομένου ὁ μὲν Ἀρίστων (SVF I 403) φησὶν ὅτι ὁ ὕπνος οἷον τελώνης τὸ ἥμισυ ἀφαιρεῖ τούτου· ἐγὼ δ’ ἂν εἴποιμι †διόπερ σκότος ἐγρήγορεν ἀεὶ διὰ νυκτός, ἀλλ’ οὐδὲν ὄφελος τῆς ἐγρηγόρσεως, εἰ μὴ τὸ πῦρ τὰ τῆς ἡμέρας ἡμῖν παρεῖχεν ἀγαθά, καὶ τὴν ‹πρὸς› ἡμέραν νυκτὸς ἐξῄρει διαφοράν. εἰ τοίνυν τοῦ ζῆν οὐδὲν ἀνθρώποις λυσιτελέστερον καὶ τοῦτο πολλαπλασιάζει τὸ πῦρ, πῶς οὐκ ἂν εἴη πάντων ὠφελιμώτατον;

Καὶ μήν, οὗ πλεῖστον ἡ κρατίστη τῶν αἰσθήσεων [e] μετείληφεν, οὐκ ἂν εἴη λυσιτελέστατον; οὐχ ὁρᾷς οὖν, ὡς τῇ μὲν ὑγρᾷ φύσει οὐδεμία τῶν

αἰσθήσεων καθ’ αὑτὴν προσχρῆται χωρὶς πνεύματος ἢ πυρὸς ἐγκεκραμένου, τοῦ δὲ πυρὸς ἅπασα μὲν αἴσθησις, οἷον τὸ ζωτικὸν ἐνεργαζομένου, μετείληφεν, ἐξαιρέτως δ’ ἡ ὄψις, ἥτις ὀξυτάτη τῶν διὰ σώματός ἐστιν αἰσθήσεων, πυρὸς ἔξαμμα οὖσα; καὶ ὅτι θεῶν πίστιν παρέσχηκεν· ἔτι τε, ᾗ Πλάτων (Tim. 47b) φησί, δυνάμεθα κατασχηματίζειν πρὸς τὰς τῶν ἐν οὐρανῷ κινήσεις τὴν ψυχὴν διὰ τῆς ὄψεως.

ΠΟΤΕΡΑ ΤΩΝ ΖΩΙΩΝ ΦΡΟΝΙΜΩΤΕΡΑ, ΤΑ ΧΕΡΣΑΙΑ Η ΤΑ ΕΝΥΔΡΑ

[959] ΑΥ. Τὸν Τυρταῖον ὁ Λεωνίδας ἐρωτηθεὶς ποῖόν τινα [b] νομίζοι ποιητήν, 'ἀγαθόν' ἔφη 'νέων ψυχὰς κακκονῆν', ὡς τοῖς νέοις διὰ τῶν ἐπῶν ὁρμὴν ἐμποιοῦντα μετὰ θυμοῦ καὶ φιλοτιμίας, ἐν ταῖς μάχαις ἀφειδοῦσιν αὑτῶν. δέδια δή, ὦ φίλοι, μὴ καὶ τὸ τῆς κυνηγεσίας ἐγκώμιον ἐχθὲς ἀνεγνωσμένον ἐπάρῃ τοῦ μετρίου πέρα τοὺς φιλοθήρους ἡμῖν νεανίσκους, ὥστε τἆλλα πάρεργα καὶ τὸ μηδὲν ἡγεῖσθαι, πρὸς τοῦτο παντάπασι ῥυέντας· ὅπου δοκῶ μοι καὶ αὐτὸς ἐκ νέας αὖθις ἀρχῆς παρ' ἡλικίαν ἐμπαθέστερος γεγονέναι καὶ ποθεῖν, ὥσπερ ἡ Εὐριπίδου Φαίδρα (Hipp. 218 sq.), 'κυσὶ θωΰξαι βαλιαῖς ἐλάφοις [c] ἐγχριμπτόμενος'· οὕτως ἔθιγέ μου πυκνὰ καὶ πιθανὰ τῶν ἐπιχειρημάτων ἐπάγων ὁ λόγος.

Σ. Ἀληθῆ λέγεις, ὦ Αὐτόβουλε· καὶ γὰρ ἐκεῖνος ἔδοξέ μοι τὸ ῥητορικὸν ἐγεῖραι διὰ χρόνου, χαριζόμενος καὶ συνεαρίζων τοῖς μειρακίοις· μάλιστα δ' ἥσθην τοὺς μονομάχους αὐτοῦ παραθέντος, ὡς οὐχ ἥκιστα τὴν θηρευτικὴν ἄξιον ἐπαινεῖν, ὅτι τοῦ πεφυκότος ἐν ἡμῖν ἢ μεμαθηκότος χαίρειν μάχαις ἀνδρῶν πρὸς ἀλλήλους διὰ σιδήρου τὸ πολὺ δεῦρο τρέψασα καθαρὰν παρέχει θέαν, ἅμα τέχνης καὶ τόλμης νοῦν ἐχούσης πρὸς ἀνόητον ἰσχὺν καὶ βίαν ἀντιταττομένης καὶ ἐπαινούσης τὸ Εὐριπίδειον (fr. 27)

'ἦ βραχύ τοι σθένος ἀνέρος. ἀλλὰ

δεινὰ μὲν πόντου χθονίων τ' ὀρέων
δάμναται παιδεύματα.'

ΑΥ. Καὶ μὴν ἐκεῖθεν, ὦ φίλε Σώκλαρε, φασὶν ἥκειν ἐπ' ἀνθρώπους τὴν ἀπάθειαν καὶ τὴν ἀγριότητα γευσαμένην φόνου καὶ προεθισθεῖσαν ἐν ταῖς ἄγραις καὶ τοῖς κυνηγεσίοις αἷμα καὶ τραύματα ζῴων μὴ δυσχεραίνειν ἀλλὰ χαίρειν σφαττομένοις καὶ ἀποθνήσκουσιν. εἶθ' ὥσπερ ἐν Ἀθήναις πρῶτός τις ὑπὸ τῶν τριάκοντα συκοφάντης ἀποθανὼν ἐπιτήδειος ἐλέχθη, καὶ δεύτερος ὁμοίως καὶ τρίτος, ἐκ τούτου δὲ κατὰ μικρὸν ἤδη προϊόντες ἥπτοντο τῶν ἐπιεικῶν καὶ τέλος οὐδὲ τῶν ἀρίστων ἀπέσχοντο πολιτῶν, [e] οὕτως ὁ πρῶτος ἄρκτον ἀνελὼν ἢ λύκον εὐδοκίμησε, καὶ βοῦς τις ἢ σῦς αἰτίαν ἔσχε προκειμένων ἱερῶν γευσάμενος [ἐπιτήδειος ἀποθανεῖν]· ἔλαφοι δὲ τοὐντεῦθεν ἤδη καὶ λαγωοὶ καὶ δορκάδες ἐσθιόμενοι προβάτων καὶ κυνῶν ἐνιαχοῦ καὶ ἵππων κρέα προυξένησαν· τιθασὸν δὲ χῆνα καὶ περιστεράν,

‘ἐφέστιον οἰκέτιν’ τὸ Σοφοκλέους (fr. 782), οὐχ ὡς γαλαῖ καὶ αἴλουροι τροφῆς ἕνεκα διὰ λιμόν, ἀλλ’ ἐφ’ ἡδονῇ καὶ ὄψῳ διασπῶντες καὶ κατακόπτοντες ὅσον ‹ἔν›εστι τῇ φύσει φονικὸν καὶ θηριῶδες ἔρρωσαν καὶ πρὸς οἶκτον ἀκαμπὲς ἀπειργάσαντο, τοῦ δ’ [f] ἡμέρου τὸ πλεῖστον ἀπήμβλυναν· ὥσπερ αὖ πάλιν οἱ Πυθαγορικοὶ τὴν πρὸς τὰ θηρία πραότητα μελέτην ἐποιήσαντο [960] [a] πρὸς τὸ φιλάνθρωπον καὶ φιλοίκτιρμον· ἡ γὰρ συνήθεια δεινὴ τοῖς κατὰ μικρὸν ἐνοικειουμένοις πάθεσι πόρρω προαγαγεῖν τὸν ἄνθρωπον. ἀλλ’ οὐκ οἶδ’ ὅπως ἐν λόγοις γεγονότες λελήθαμεν οὔτε τῶν χθὲς ἡμῖν γεγονότων οὔτε τῶν τάχα δὴ γενησομένων σήμερον ἀπηρτημένοις. ‹ἀποφηνάμενοι› γὰρ ἐχθές, ὡς οἶσθα, μετέχειν ἁμωσγέπως πάντα τὰ ζῷα διανοίας καὶ λογισμοῦ παρέσχομεν οὐκ ἄμουσον οὐδ’ ἄχαριν τοῖς θηρατικοῖς νεανίσκοις περὶ συνέσεως θηρίων ἐνάλων τε καὶ πεζῶν ἅμιλλαν, ἣν σήμερον, ὡς ἔοικε, βραβεύσομεν, ἄν γε δὴ ταῖς προκλήσεσιν οἱ περὶ Ἀριστότιμον καὶ Φαίδιμον ἐμμείνωσιν· [b] ἐκείνων γὰρ ὁ μὲν τῆς γῆς ὡς διαφέροντα τῷ φρονεῖν ζῷα γεννώσης ἐπεδίδου τοῖς ἑταίροις συνήγορον ἑαυτόν, ὁ δὲ τῆς θαλάττης.

Σ. Ἐμμένουσιν, ὦ Αὐτόβουλε, καὶ ὅσον οὔπω πάρεισι· συντασσομένους γὰρ αὐτοὺς ἕωθεν ἑώρων. ἀλλ’ εἰ βούλει, πρὸ τοῦ ἀγῶνος ὅσα τοῖς ἐχθὲς λόγοις προσήκοντα λεχθῆναι καιρὸν οὐκ ἔσχεν ἢ σὺν οἴνῳ καὶ παρὰ πότον οὐ μετὰ σπουδῆς ἐλέχθη πρὸς αὐτοὺς ἀναλάβωμεν. ἐδόκει γάρ τι πραγματικῶς οἷον ἀντηχεῖν ἐκ τῆς Στοᾶς, ὡς τῷ θνητῷ τὸ ἀθάνατον ἀντίκειται καὶ τῷ φθαρτῷ τὸ ἄφθαρτον καὶ σώματί γε τὸ ἀσώματον, οὕτως ὑπάρχοντι [c] τῷ λογικῷ χρῆναι τὸ ἄλογον ἀντικεῖσθαι καὶ ἀνθυπάρχειν καὶ μὴ μόνην ἐν τοσαῖσδε συζυγίαις ἀτελῆ τήνδε λείπεσθαι καὶ πεπηρωμένην.

[e] ταὐτὰ δὲ καὶ τὸν Ἡσιόδου κύνα τοῦ σοφοῦ δρᾶσαι λέγουσι, τοὺς Γανύκτορος ἐξελέγξαντα τοῦ Ναυπακτίου παῖδας, ὑφ᾽ ὧν ὁ Ἡσίοδος ἀπέθανεν. ὃ δ᾽ οἱ πατέρες ἡμῶν ἔγνωσαν αὐτοὶ σχολάζοντες Ἀθήνησιν ἐναργέστερόν ἐστι τῶν εἰρημένων· παραρρυεὶς γὰρ ἄνθρωπος εἰς τὸν νεὼν τοῦ Ἀσκληπιοῦ τὰ εὔογκα τῶν ἀργυρῶν καὶ χρυσῶν ἔλαβεν ἀναθημάτων καὶ λεληθέναι νομίζων ὑπεξῆλθεν· ὁ δὲ φρουρὸς κύων, ὄνομα Κάππαρος, ἐπεὶ μηδεὶς ὑλακτοῦντι τῶν ζακόρων ὑπήκουσεν αὐτῷ, φεύγοντα τὸν ἱερόσυλον ἐπεδίωκε· καὶ πρῶτον μὲν βαλλόμενος λίθοις [f] οὐκ ἀπέστη· γενομένης δ᾽ ἡμέρας, ἐγγὺς οὐ προσιὼν ἀλλ᾽ ἀπ᾽ ὀφθαλμοῦ παραφυλάττων εἵπετο καὶ τροφὴν προβάλλοντος οὐκ ἐλάμβανεν· ἀναπαυομένῳ δὲ παρενυκτέρευε καὶ βαδίζοντος πάλιν ἀναστὰς ἐπηκολούθει, τοὺς δ᾽ ἀπαντῶντας ὁδοιπόρους ἔσαινεν, ἐκείνῳ δ᾽ ἐφυλάκτει καὶ προσέκειτο. ταῦτα δ᾽ οἱ διώκοντες πυνθανόμενοι παρὰ τῶν ἀπαντώντων ἅμα καὶ τὸ χρῶμα φραζόντων καὶ τὸ μέγεθος τοῦ κυνὸς προθυμότερον ἐχρήσαντο τῇ διώξει, καὶ καταλαβόντες τὸν ἄνθρωπον ἀνήγαγον ἀπὸ [970] [a] Κρομμυῶνος. ὁ δὲ κύων ἀναστρέψας προηγεῖτο γαῦρος καὶ περιχαρής, οἷον ἑαυτοῦ ποιούμενος ἄγραν καὶ θήραμα

τὸν ἱερόσυλον. ἐψηφίσαντο δὴ σῖτον αὐτῷ δημοσίᾳ μετρεῖσθαι καὶ παρεγγυᾶσθαι τοῖς ἱερεῦσιν εἰς ἀεὶ τὴν ἐπιμέλειαν, ἀπομιμησάμενοι τὸ πρὸς τὸν ἡμίονον φιλανθρώπευμα τῶν παλαιῶν Ἀθηναίων. τὸν γὰρ ἑκατόμπεδον νεὼν Περικλέους ἐν ἀκροπόλει κατασκευάζοντος, ὡς εἰκός, λίθοι προσήγοντο πολλοῖς ζεύγεσι καθ' ἡμέραν· τῶν οὖν συνειργασμένων μὲν προθύμως ἤδη δὲ διὰ γῆρας ἀφειμένων ὀρέων εἷς κατερχόμενος εἰς Κεραμεικὸν καὶ [b] τοῖς ἀνάγουσι ζεύγεσι τοὺς λίθους ὑπαντῶν ἀεὶ συνανέστρεφε καὶ συμπαρετρόχαζεν, οἷον ἐγκελευόμενος καὶ παρορμῶν· διὸ θαυμάσας αὐτοῦ τὴν φιλοτιμίαν ὁ δῆμος ἐκέλευσε δημοσίᾳ τρέφεσθαι, καθάπερ ἀθλητῇ σίτησιν ὑπὸ γήρως ἀπειρηκότι ψηφισάμενος.

Διὸ τοὺς λέγοντας, ὡς ἡμῖν οὐδὲν πρὸς τὰ ζῷα δίκαιόν ἐστι, ῥητέον εὖ λέγειν ἄχρι τῶν ἐνάλων καὶ βυθίων· ἄμικτα γὰρ ἐκεῖνα κομιδῇ πρὸς χάριν καὶ ἄστοργα καὶ πάσης ἄμοιρα γλυκυθυμίας· καὶ καλῶς Ὅμηρος (Π 34) εἶπε 'γλαυκὴ δέ σ' ἔτικτε θάλασσα' πρὸς τὸν ἀνήμερον εἶναι δοκοῦντα καὶ ἄμικτον, ὡς μηδὲν τῆς θαλάσσης εὐνοϊκὸν μηδὲ πρᾶον φερούσης. ὁ δὲ καὶ πρὸς τὰ χερσαῖα [c] τῷ λόγῳ τούτῳ χρώμενος ἀπηνὴς καὶ θηριώδης· ἢ μηδὲ Λυσιμάχῳ τι γεγονέναι φήσῃ πρὸς τὸν κύνα τὸν Ὑρκανὸν δίκαιον, ὃς νεκρῷ τε μόνος παρέμεινεν αὐτῷ καί, καομένου τοῦ σώματος, ἐνδραμὼν αὐτὸς ἑαυτὸν ἐπέρριψε. τὰ δ' αὐτὰ καὶ τὸν ἀετὸν δρᾶσαι λέγουσιν, ὃν Πύρρος οὐχ ὁ βασιλεὺς ἀλλ' ἕτερός τις ἰδιώτης ἔθρεψεν· ἀποθανόντος γὰρ αὐτοῦ περὶ τὸ σῶμα διατρίβων καὶ περὶ τὸ κλινίδιον αἰωρούμενος ἐκφερομένου, τέλος εἰς τὴν πυρὰν στειλάμενος ἀφῆκεν ἑαυτὸν καὶ συγκατέκαυσε. Πώρου δὲ τοῦ βασιλέως ὁ ἐλέφας, ἐν τῇ πρὸς Ἀλέξανδρον μάχῃ [d] κατατετρωμένου, πολλὰ τῶν ἀκοντισμάτων ἀτρέμα καὶ φειδόμενος ἐξῄρει τῇ προβοσκίδι, καὶ κακῶς ἤδη διακείμενος αὐτὸς οὐ πρότερον ἐνέδωκεν ἢ τοῦ βασιλέως ἐξαίμου γενομένου καὶ περιρρέοντος αἰσθόμενος καὶ φοβηθεὶς μὴ πέσῃ πράως ὑφῆκε, παρέχων ἐκείνῳ τὴν ἀπόκλισιν ἄλυπον. ὁ δὲ Βουκεφάλας γυμνὸς μὲν ὢν παρεῖχεν ἀναβῆναι τῷ ἱπποκόμῳ, κοσμηθεὶς δὲ τοῖς βασιλικοῖς προκοσμίοις καὶ περιδεραίοις οὐδένα προσίετο πλὴν αὐτὸν Ἀλέξανδρον· τοῖς δ' ἄλλοις, εἰ πειρώμενοι προσίοιεν, ἐναντίος ἐπιτρέχων ἐχρεμέτιζε μέγα καὶ ἐνήλλετο καὶ [e] κατεπάτει τοὺς μὴ πρόσω ἵεσθαι μηδ' ἀποφεύγειν φθάσαντας.

Οὐκ ἀγνοῶ δ' ὅτι ‹τὸ› τῶν παραδειγμάτων ὑμῖν φανεῖταί τι ποικίλον· οὐκ ἔστι δὲ ῥᾳδίως τῶν εὐφυῶν ζῴων πρᾶξιν εὑρεῖν μιᾶς ἔμφασιν ἀρετῆς ἔχουσαν· ἀλλ' ἐμφαίνεται καὶ τῷ φιλοστόργῳ τὸ φιλότιμον αὐτῶν καὶ τῷ γενναίῳ τὸ θυμόσοφον, ἥ τε πανουργία καὶ τὸ συνετὸν οὐκ ἀπήλλακται τοῦ θυμοειδοῦς καὶ ἀνδρώδους. οὐ μὴν ἀλλὰ βουλομένοις διαιρεῖν καὶ διορίζειν καθ' ἕκαστον, ἡμέρου μὲν ἔμφασιν ὁμοῦ καὶ ὑψηλοῦ φρονήματος ποιοῦσιν

οἱ κύνες, ἀποτρεπόμενοι τῶν συγκαθεζομένων· ὥς που καὶ ταῦτ’ εἴρηται (ξ 30)

[f] ‘οἱ μὲν κεκλήγοντες ἐπέδραμον· αὐτὰρ Ὀδυσσεὺς
ἕζετο κερδοσύνῃ, σκῆπτρον δέ οἱ ἔκπεσε χειρός·’

οὐκέτι γὰρ προσμάχονται τοῖς ὑποπεσοῦσι καὶ γεγονόσι ταπεινῶν τὰς ἕξεις ὁμοίοις. φασὶ δὲ καὶ τὸν πρωτεύοντα κύνα τῶν Ἰνδικῶν †καὶ μαχεσθέντα πρὸς Ἀλέξανδρον, ἐλάφου ‹μὲν› ἀφιεμένου καὶ κάπρου καὶ ἄρκτου, ἡσυχίαν ἔχοντα κεῖσθαι καὶ περιορᾶν, ὀφθέντος δὲ λέοντος εὐθὺς [971] [a] ἐξαναστῆναι καὶ διακονίεσθαι καὶ φανερὸν εἶναι αὑτοῦ ποιούμενον ἀνταγωνιστήν, τῶν δ’ ἄλλων ὑπερφρονοῦντα πάντων. οἱ δὲ τοὺς δασύποδας διώκοντες, ἐὰν μὲν αὐτοὶ κτείνωσιν, ἥδονται διασπῶντες καὶ τὸ αἷμα λάπτουσι προθύμως· ἐὰν δ’ ἀπογνοὺς ἑαυτὸν ὁ λαγωός, ὃ γίγνεται πολλάκις, ὅσον ἔχει πνεύματος εἰς τὸν ἔσχατον ἀναλώσας δρόμον ἐκλίπῃ, νεκρὸν καταλαβόντες οὐχ ἅπτονται τὸ παράπαν, ἀλλ’ ἵστανται τὰς οὐρὰς κινοῦντες, ὡς οὐ κρεῶν χάριν ἀλλὰ νίκης καὶ φιλονεικίας ἀγωνιζόμενοι.

Πανουργίας δὲ πολλῶν παραδειγμάτων ὄντων, ἀφεὶς ἀλώπεκας καὶ λύκους καὶ τὰ γεράνων σοφίσματα καὶ κολοιῶν, [b] ἔστι γὰρ δῆλα, μάρτυρι χρήσομαι Θαλῇ τῷ παλαιοτάτῳ τῶν σοφῶν, ὃν οὐχ ἥκιστα θαυμασθῆναι λέγουσιν ὀρέως τέχνῃ περιγενόμενον. τῶν γὰρ ἁληγῶν ἡμιόνων εἷς ἐμβαλὼν εἰς ποταμὸν ὤλισθεν αὐτομάτως καὶ τῶν ἁλῶν διατακέντων ἀναστὰς ἐλαφρὸς ᾔσθετο τὴν αἰτίαν καὶ κατεμνημόνευσεν· ὥστε διαβαίνων ἀεὶ τὸν ποταμὸν ἐπίτηδες ὑφιέναι καὶ βαπτίζειν τὰ ἀγγεῖα, συγκαθίζων καὶ ἀπονεύων εἰς ἑκάτερον μέρος. ἀκούσας οὖν ὁ Θαλῆς ἐκέλευσεν ἀντὶ τῶν ἁλῶν ἐρίων τὰ ἀγγεῖα καὶ σπόγγων ἐμπλήσαντας καὶ ἀναθέντας ἐλαύνειν τὸν [c] ἡμίονον. ποιήσας οὖν τὸ εἰωθὸς καὶ ἀναπλήσας ὕδατος τὰ φορτία συνῆκεν ἀλυσιτελῆ σοφιζόμενος ἑαυτῷ, καὶ τὸ λοιπὸν οὕτω προσέχων καὶ φυλαττόμενος διέβαινε τὸν ποταμόν, ὥστε μηδ’ ἄκοντος αὐτοῦ τῶν φορτίων παραψαῦσαι τὸ ὑγρόν. ἄλλην δὲ πανουργίαν ὁμοῦ μετὰ τοῦ φιλοστόργου πέρδικες ἐπιδεικνύντες τοὺς μὲν νεοττοὺς ἐθίζουσι μηδέπω φεύγειν δυναμένους, ὅταν διώκωνται, καταβαλόντας ὑπτίους ἑαυτοὺς βῶλόν τιν’ ἢ συρφετὸν ἄνω προΐσχεσθαι τοῦ σώματος οἷον ἐπηλυγαζομένους· αὐταὶ δὲ τοὺς διώκοντας ὑπάγουσιν ἄλλῃ καὶ περισπῶσιν ‹εἰς› ἑαυτάς, ἐμποδὼν διαπετόμεναι καὶ κατὰ μικρὸν [d] ἐξανιστάμεναι, μέχρις ἂν οὕτως ἁλισκομένων δόξαν ἐνδιδοῦσαι μακρὰν ἀποσπάσωσι τῶν νεοττῶν. οἱ δὲ δασύποδες πρὸς εὐνὴν ἐπανιόντες ἄλλον ἀλλαχῆ κομίζουσι τῶν λαγιδέων, καὶ πλέθρου διάστημα πολλάκις ἀλλήλων ἀπέχοντας, ὅπως, ἂν ἄνθρωπος ἢ κύων ἐπίῃ, μὴ πάντες

ἅμα συγκινδυνεύωσιν· αὐτοὶ δὲ πολλαχόθι ταῖς μεταδρομαῖς ἴχνη θέντες, τὸ δ’ ἔσχατον ἅλμα μέγα καὶ μακρὰν τῶν ἰχνῶν ἀποσπάσαντες οὕτω καθεύδουσιν. ἡ δ’ ἄρκτος ὑπὸ τοῦ πάθους, ὃ καλοῦσι φωλείαν, καταλαμβανομένη, πρὶν ἢ παντάπασι ναρκῆσαι καὶ γενέσθαι βαρεῖα [e] καὶ δυσκίνητος, τόν τε τόπον ἀνακαθαίρει καὶ μέλλουσα καταδύεσθαι τὴν μὲν ἄλλην πορείαν ὡς ἐνδέχεται μάλιστα ποιεῖται μετέωρον καὶ ἐλαφρὰν ἄκροις ἐπιθιγγάνουσα τοῖς ἴχνεσι, τῷ νώτῳ δὲ τὸ σῶμα προσάγει καὶ παρακομίζει πρὸς τὸν φωλεόν. τῶν ἐλάφων δ’ αἱ θήλειαι μάλιστα τίκτουσι παρὰ τὴν ὁδόν, ὅπου τὰ σαρκοβόρα θηρία μὴ πρόσεισιν· οἵ τ’ ἄρρενες, ὅταν αἴσθωνται βαρεῖς ὑπὸ πιμελῆς καὶ πολυσαρκίας ὄντες, ἐκτοπίζουσι σῴζοντες αὑτοὺς τῷ λανθάνειν, ὅτε τῷ φεύγειν οὐ πεποίθασιν. τῶν δὲ χερσαίων ἐχίνων ἡ μὲν ὑπὲρ αὑτῶν [f] ἄμυνα καὶ φυλακὴ παροιμίαν πεποίηκε (Archilochi fr. 103 D.)

‘πόλλ’ οἶδ’ ἀλώπηξ, ἀλλ’ ἐχῖνος ἓν μέγα’·
προσιούσης γὰρ αὐτῆς, ὥς φησιν ὁ Ἴων (fr. 38 N. 6 81 Bl.),
‘στρόβιλος ἀμφ’ ἄκανθαν εἱλίξας δέμας
κεῖται θιγεῖν τε καὶ δακεῖν ἀμήχανος.’

γλαφυρωτέρα δ’ ἐστὶν ἡ περὶ τῶν σκυμνίων πρόνοια· μετοπώρου γὰρ ὑπὸ τὰς ἀμπέλους ὑποδυόμενος καὶ τοῖς ποσὶ τὰς ῥᾶγας ἀποσείσας τοῦ βότρυος χαμᾶζε καὶ περικυλινδηθείς, [972] [a] ἀναλαμβάνει ταῖς ἀκάνθαις· καὶ παρέσχε ποτὲ παισὶν ἡμῖν ὁρῶσιν ὄψιν ἑρπούσης ἢ βαδιζούσης σταφυλῆς, οὕτως ἀνάπλεως ἐχώρει τῆς ὀπώρας· εἶτα καταδὺς εἰς τὸν φωλεὸν τοῖς σκύμνοις χρῆσθαι καὶ λαμβάνειν ἀπ’ αὐτοῦ ταμιευομένοις παραδίδωσι. τὸ δὲ κοιταῖον αὐτῶν ὀπὰς ἔχει δύο, τὴν μὲν πρὸς νότον τὴν δὲ πρὸς βορέαν βλέπουσαν· ὅταν δὲ προαίσθωνται τὴν διαφορὰν τοῦ ἀέρος, ὥσπερ ἱστίον κυβερνῆται μεταλαμβάνοντες ἐμφράττουσι τὴν κατ’ ἄνεμον τὴν δ’ ἑτέραν ἀνοίγουσι. καὶ τοῦτό τις ἐν Κυζίκῳ καταμαθὼν δόξαν ἔσχεν ὡς ἀφ’ αὑτοῦ τὸν μέλλοντα πνεῖν ἄνεμον προαγορεύων.

[b] Τό γε μὴν κοινωνικὸν μετὰ τοῦ συνετοῦ τοὺς ἐλέφαντας ἀποδείκνυσθαί φησιν ὁ Ἰόβας (fr. 51a). ὀρύγματα γὰρ αὐτοῖς οἱ θηρεύοντες ὑπεργασάμενοι λεπτοῖς φρυγάνοις καὶ φορυτῷ κούφῳ κατερέφουσιν· ὅταν οὖν ‹εἷς› τις εἰσολίσθῃ πολλῶν ὁμοῦ πορευομένων, οἱ λοιποὶ φοροῦντες ὕλην καὶ λίθους ἐμβάλλουσιν, ἀναπληροῦντες τὴν κοιλότητα τοῦ ὀρύγματος, ὥστε ῥᾳδίαν ἐκείνῳ γίνεσθαι τὴν ἔκβασιν. ἱστορεῖ δὲ καὶ (fr. 53) εὐχῇ χρῆσθαι θεῶν τοὺς ἐλέφαντας ἀδιδάκτως, ἁγνιζομένους τε τῇ θαλάσσῃ καὶ τὸν ἥλιον ἐκφανέντα προσκυνοῦντας ὥσπερ χειρὸς ἀνασχέσει τῆς προβοσκίδος. ὅθεν καὶ θεοφιλέστατόν ἐστι τὸ θηρίον, ὡς Πτολεμαῖος ὁ Φιλοπάτωρ ἐμαρτύρησε.

κρατήσας γὰρ Ἀντιόχου καὶ βουλόμενος ἐκπρεπῶς τιμῆσαι τὸ θεῖον ἄλλα τε πάμπολλα κατέθυσεν ἐπινίκια τῆς μάχης καὶ τέσσαρας ἐλέφαντας· εἶτα νύκτωρ ὀνείρασιν ἐντυχών, ὡς τοῦ θεοῦ μετ' ὀργῆς ἀπειλοῦντος αὐτῷ διὰ τὴν ἀλλόκοτον ἐκείνην θυσίαν, ἱλασμοῖς τε πολλοῖς ἐχρήσατο καὶ χαλκοῦς ἐλέφαντας ἀντὶ τῶν σφαγέντων ἀνέστησε τέσσαρας. οὐχ ἧττον δὲ κοινωνικὰ τὰ τῶν λεόντων. οἱ γὰρ νέοι τοὺς βραδεῖς καὶ γέροντας ἤδη συνεξάγουσιν ἐπὶ θήραν· ὅπου δ' ἂν ἀπαγορεύσωσιν, οἱ μὲν κάθηνται περιμένοντες οἱ δὲ θηρεύουσι· κἂν λάβωσιν [c] ὁτιοῦν, ἀνακαλοῦνται, μόσχου μυκήματι τὸ βρύχημα ποιοῦντες ὅμοιον· οἱ δ' εὐθὺς αἰσθάνονται καὶ παραγενόμενοι κοινῇ τὴν ἄγραν ἀναλίσκουσιν.

Ἔρωτες δὲ πολλῶν οἱ μὲν ἄγριοι καὶ περιμανεῖς γεγόνασιν, οἱ δ' ἔχοντες οὐκ ἀπάνθρωπον ὡραϊσμὸν οὐδ' ἀναφρόδιτον ὁμιλίαν. οἷος ἦν ὁ τοῦ ἐλέφαντος ἐν Ἀλεξανδρείᾳ τοῦ ἀντερῶντος Ἀριστοφάνει τῷ γραμματικῷ· τῆς γὰρ αὐτῆς ἤρων στεφανοπώλιδος, καὶ οὐχ ἧττον ἦν ὁ ἐλέφας διάδηλος· ἔφερε γὰρ αὐτῇ τῆς ὀπώρας ἀεὶ ‹τὰ› πρατήρια παραπορευόμενος, καὶ χρόνον πολὺν ὑφίστατο καὶ τὴν προβοσκίδα τῶν χιτωνίων ἐντὸς ὥσπερ χεῖρα [d] παραβαλὼν ἀτρέμα τῆς περὶ τὸ στῆθος ὥρας ἔψαυεν. ὁ δὲ δράκων ὁ τῆς Αἰτωλίδος ἐρασθεὶς ἐφοίτα νύκτωρ παρ' αὐτὴν καὶ τοῦ σώματος ὑποδυόμενος ἐν χρῷ καὶ περιπλεκόμενος οὐδὲν οὔθ' ἑκὼν οὔτ' ἄκων ἔβλαψεν ἀλλὰ κοσμίως ἀεὶ περὶ τὸν ὄρθρον ἀπηλλάττετο. συνεχῶς δὲ τοῦτο ποιοῦντος αὐτοῦ, μετῴκισαν οἱ προσήκοντες ἀπωτέρω τὴν ἄνθρωπον· ὁ δὲ τρεῖς μὲν ἢ τέτταρας ‹νύκτας› οὐκ ἦλθεν ἀλλ' ὡς ἔοικε περιῄει ζητῶν καὶ πλανώμενος· μόλις δέ πως ἐξανευρὼν καὶ περιπεσὼν οὐ πρᾴως ὥσπερ εἰώθει ἀλλὰ τραχύτερον τῷ μὲν ἄλλῳ σπειράματι τὰς [e] χεῖρας αὐτῆς ἔδησε πρὸς τὸ σῶμα, τῷ δ' ἀπολήγοντι τῆς οὐρᾶς ἐμαστίγου τὰς κνήμας, ἐλαφράν τινα καὶ φιλόστοργον καὶ πλέον ἔχουσαν τοῦ κολάζοντος τὸ φειδόμενον ὀργὴν ἀποδεικνύμενος. τὸν δ' ἐν Αἰγίῳ παιδεραστοῦντα χῆνα καὶ τὸν ἐπιθυμήσαντα Γλαύκης τῆς κιθαρῳδοῦ κριόν, περιβόητοι γάρ εἰσι καὶ πολλῶν οἶμαι διηγημάτων διακορεῖς ὑμᾶς εἶναι, διὰ ταῦτα μὲν ἀφίημι.

Ψᾶρες δὲ καὶ κόρακες καὶ ψιττακοὶ μανθάνοντες διαλέγεσθαι καὶ τὸ τῆς φωνῆς πνεῦμα τοῖς διδάσκουσιν εὔπλαστον οὕτω καὶ μιμηλὸν ἐξαρθροῦν καὶ ῥυθμίζειν [973] [a] παρέχοντες ἐμοὶ δοκοῦσι προδικεῖν καὶ συνηγορεῖν τοῖς ἄλλοις ζῴοις ἐν τῷ μανθάνειν, τρόπον τινὰ διδάσκοντες ἡμᾶς, ὅτι καὶ προφορικοῦ λόγου καὶ φωνῆς ἐνάρθρου μέτεστιν αὐτοῖς· ᾗ καὶ πολὺς κατάγελως τὸ πρὸς ταῦτα καταλιπεῖν ἐκείνοις σύγκρισιν, οἷς οὐδ' ὅσον ὠρύσασθαι μέτεστιν οὐδ' ὅσον στενάξαι φωνῆς. τούτων δὲ καὶ τοῖς αὐτοφυέσι καὶ τοῖς ἀδιδάκτοις γηρύμασιν ὅση μοῦσα καὶ χάρις ἔπεστιν, οἱ

λογιώτατοι καὶ καλλιφωνότατοι μαρτυροῦσι, τὰ ἥδιστα ποιήματα μέλεσι κύκνων καὶ ἀηδόνων ᾠδαῖς ἀπεικάζοντες. ἐπεὶ δὲ τοῦ μαθεῖν τὸ διδάξαι λογικώτερον, ἤδη πειστέον Ἀριστοτέλει (an. h. 536b 18) [b] λέγοντι καὶ τοῦτο τὰ ζῷα ποιεῖν· ὀφθῆναι γὰρ ἀηδόνα νεοσσὸν ᾄδειν προδιδάσκουσαν. μαρτυρεῖ δ' αὐτῷ τὸ φαυλότερον ᾄδειν ὅσαις συμβέβηκε μικραῖς ἁλούσαις ἀποτρόφοις τῶν μητέρων γενέσθαι· διδάσκονται γὰρ αἱ συντρεφόμεναι καὶ μανθάνουσιν οὐ διὰ μισθὸν οὐδὲ πρὸς δόξαν ἀλλὰ τῷ χαίρειν διαμελιζόμεναι καὶ τὸ καλὸν ἀγαπᾶν μᾶλλον ἢ τὸ χρειῶδες τῆς φωνῆς. ἔχω δὲ περὶ τούτου καὶ λόγον εἰπεῖν πρὸς ὑμᾶς, ἀκούσας Ἑλλήνων τε πολλῶν καὶ Ῥωμαίων παραγενομένων. κουρεὺς γάρ τις ἐργαστήριον ἔχων ἐν Ῥώμῃ πρὸ τοῦ τεμένους, ὃ καλοῦσιν [c] Ἑλλήνων ἀγοράν, θαυμαστόν τι χρῆμα πολυφώνου καὶ πολυφθόγγου κίττης ἔτρεφε, καὶ ἀνθρώπου ῥήματα καὶ θηρίων φθόγγους καὶ ψόφους ὀργάνων ἀνταπεδίδου, μηδενὸς ἀναγκάζοντος ἀλλ' αὑτὴν ἐθίζουσα καὶ φιλοτιμουμένη μηδὲν ἄρρητον ἀπολιπεῖν μηδ' ἀμίμητον. ἔτυχε δέ τις ἐκεῖθεν τῶν πλουσίων ἐκκομιζόμενος ὑπὸ σάλπιγξι πολλαῖς, καὶ γενομένης ὥσπερ εἴωθε κατὰ τὸν τόπον ἐπιστάσεως, εὐδοκιμοῦντες οἱ σαλπιγκταὶ καὶ κελευόμενοι πολὺν χρόνον ἐνδιέτριψαν· ἡ δὲ κίττα μετὰ τὴν ἡμέραν ἐκείνην ἄφθογγος ἦν καὶ ἄναυδος, οὐδὲ τὴν αὑτῆς ἐπὶ τοῖς [d] ἀναγκαίοις πάθεσιν ἀφιεῖσα φωνήν. τοῖς οὖν πρότερον αὐτῆς θαυμάζουσι τὴν φωνὴν τότε θαῦμα μεῖζον ἡ σιωπὴ παρεῖχε, κωφὸν ἀκροάματος συνήθους παροδεύουσι τὸν τόπον· ὑποψίαι δὲ φαρμάκων ἐπὶ τοὺς ὁμοτέχνους ἦσαν· οἱ δὲ πλεῖστοι τὰς σάλπιγγας εἴκαζον ἐκπλῆξαι τὴν ἀκοήν, τῇ δ' ἀκοῇ συγκατεσβέσθαι τὴν φωνήν. ἦν δ' οὐδέτερα τούτων, ἀλλ' ἄσκησις ὡς ἔοικε καὶ ἀναχώρησις εἰς ἑαυτὸ τοῦ μιμητικοῦ, καθάπερ ὄργανον ἐξαρτυομένου τὴν φωνὴν καὶ παρασκευάζοντος· ἄφνω γὰρ αὖθις ἧκε καὶ ἀνέλαμψεν οὐδὲν τῶν συνήθων καὶ παλαιῶν μιμημάτων [e] ἐκείνων, ἀλλὰ τὰ μέλη τῶν σαλπίγγων αὐταῖς περιόδοις φθεγγομένη καὶ μεταβολὰς πάσας καὶ κρουμάτων διεξιοῦσα πάντας ῥυθμούς· ὥστε, ὅπερ ἔφην, τῆς εὐμαθείας λογικωτέραν εἶναι τὴν αὐτομάθειαν ἐν αὐτοῖς. πλὴν ἕν γέ τι μάθημα κυνὸς οὐ δοκῶ μοι παρήσειν, γενόμενος ἐν Ῥώμῃ θεατής. παρὼν γὰρ ὁ κύων μίμῳ πλοκὴν ἔχοντι δραματικὴν καὶ πολυπρόσωπον ἄλλας τε μιμήσεις ἀπεδίδου τοῖς ὑποκειμένοις πάθεσι καὶ πράγμασι προσφόρους, καὶ φαρμάκου ποιουμένων ἐν αὐτῷ πεῖραν ὑπνωτικοῦ μὲν ὑποκειμένου δ' εἶναι θανασίμου, τόν τ' ἄρτον, ᾧ δῆθεν ἐμέμικτο τὸ φάρμακον, ἐδέξατο καὶ [f] καταφαγὼν ὀλίγον ὕστερον ὅμοιος ἦν ὑποτρέμοντι καὶ σφαλλομένῳ καὶ καρηβαροῦντι· τέλος δὲ προτείνας ἑαυτὸν ὥσπερ νεκρὸς ἔκειτο, καὶ παρεῖχεν ἕλκειν καὶ μεταφέρειν, ὡς ὁ τοῦ δράματος ὑπηγόρευε λόγος. ἐπεὶ δὲ τὸν καιρὸν ἐκ τῶν

λεγομένων καὶ πραττομένων ἐνόησεν, ἡσυχῇ τὸ πρῶτον ἐκίνησεν ἑαυτόν, ὥσπερ ἐξ ὕπνου βαθέος ἀναφερόμενος, [974] [a] καὶ τὴν κεφαλὴν ἐπάρας διέβλεψεν· ἔπειτα θαυμασάντων, ἐξαναστὰς ἐβάδιζε πρὸς ὃν ἔδει καὶ προσῄκαλλε χαίρων καὶ φιλοφρονούμενος, ὥστε πάντας ἀνθρώπους καὶ Καίσαρα (παρῆν γὰρ ὁ γέρων Οὐεσπασιανὸς ἐν τῷ Μαρκέλλου θεάτρῳ) συμπαθεῖς γενέσθαι.

Γελοῖοι δ' ἴσως ἐσμὲν ἐπὶ τῷ μανθάνειν τὰ ζῷα σεμνύνοντες, ὧν ὁ Δημόκριτος (B 154) ἀποφαίνει μαθητὰς ἐν τοῖς μεγίστοις γεγονότας ἡμᾶς· ἀράχνης ‹ἐν› ὑφαντικῇ καὶ ἀκεστικῇ, χελιδόνος ἐν οἰκοδομίᾳ, καὶ τῶν λιγυρῶν, κύκνου καὶ ἀηδόνος, ἐν ᾠδῇ κατὰ μίμησιν. ἰατρικῆς δὲ πολὺ τῶν τριῶν εἰδῶν ἑκάστου καὶ γενναῖον [b] ἐν αὐτοῖς μόριον ὁρῶμεν· οὐ γὰρ μόνον τῷ φαρμακευτικῷ χρῶνται, χελῶναι μὲν ὀρίγανον γαλαῖ δὲ πήγανον, ὅταν ὄφεως φάγωσιν, ἐπεσθίουσαι· κύνες δὲ πόᾳ τινὶ καθαίροντες ἑαυτοὺς χολεριῶντας· ὁ δὲ δράκων τῷ μαράθρῳ τὸν ὀφθαλμὸν ἀμβλυώττοντα λεπτύνων καὶ διαχαράττων· ἡ δ' ἄρκτος, ὅταν ἐκ τοῦ φωλεοῦ προέλθῃ, τὸ ἄρον ἐσθίουσα πρῶτον τὸ ἄγριον· ἡ γὰρ δριμύτης ἀνοίγει συμπεφυκὸς αὐτῆς τὸ ἔντερον· ἄλλως δ' ἀσώδης γενομένη πρὸς τὰς μυρμηκιὰς τρέπεται καὶ κάθηται προβάλλουσα λιπαρὰν καὶ μαλακὴν ἰκμάδι γλυκείᾳ τὴν γλῶσσαν, ἄχρι [c] οὗ μυρμήκων ἀνάπλεως γένηται· καταπίνουσα γὰρ ὠφελεῖται. τῆς τ' ἴβεως τὸν ὑποκλυσμὸν ἅλμῃ καθαιρομένης Αἰγύπτιοι συνιδεῖν καὶ μιμήσασθαι λέγουσιν· οἱ δ' ἱερεῖς ὕδατι χρῶνται, περιαγνίζοντες ἑαυτούς, ἐξ οὗ πέπωκεν ἶβις· ἂν γὰρ ᾖ φαρμακῶδες ἢ νοσηρὸν ἄλλως τὸ ὕδωρ, οὐ πρόσεισιν. ἀλλὰ καὶ τροφῆς ἀποσχέσει ἔνια θεραπεύονται· καθάπερ λύκοι καὶ λέοντες, ὅταν κρεῶν γένωνται διακορεῖς, ἡσυχίαν ἄγουσι κατακείμενοι καὶ συνθάλποντες ἑαυτούς. τίγριν δέ φασιν, ἐρίφου παραδοθέντος αὐτῇ, χρωμένην διαίτῃ μὴ φαγεῖν ἐφ' ἡμέρας δύο, τῇ δὲ [d] τρίτῃ πεινῶσαν αἰτεῖν ἄλλο καὶ τὴν γαλεάγραν σπαράσσειν· ἐκείνου δὲ φείσασθαι οἰομένην σύντροφον ἔχειν ἤδη καὶ σύνοικον. οὐ μὴν ἀλλὰ καὶ χειρουργίᾳ χρῆσθαι τοὺς ἐλέφαντας ἱστοροῦσι· καὶ γὰρ ξυστὰ καὶ λόγχας καὶ τοξεύματα, παριστάμενοι τοῖς τετρωμένοις, ἄνευ σπαραγμοῦ ῥᾳδίως καὶ ἀβλαβῶς ἐξέλκουσιν. αἱ δὲ Κρητικαὶ αἶγες, ὅταν τὸ δίκταμνον φάγωσιν, ἐκβάλλουσαι τὰ τοξεύματα ῥᾳδίως καταμαθεῖν ταῖς ἐγκύοις τὴν βοτάνην παρέσχον ἐκτρωτικὴν δύναμιν ἔχουσαν· ἐπ' οὐδὲν γὰρ ἄλλο τρωθεῖσαι φέρονται καὶ ζητοῦσι καὶ διώκουσιν ‹ἢ› τὸ δίκταμνον.

Ἧττον δὲ ταῦτα θαυμαστά, καίπερ ὄντα θαυμάσια, [e] ποιοῦσιν αἱ νόησιν ἀριθμοῦ καὶ δύναμιν τοῦ ἀριθμεῖν ἔχουσαι φύσεις, ὥσπερ ἔχουσιν αἱ περὶ Σοῦσα βόες. εἰσὶ γὰρ αὐτόθι τὸν βασιλικὸν παράδεισον ἄρδουσαι περιάκτοις

ἀντλήμασιν, ὧν ὥρισται τὸ πλῆθος· ἑκατὸν γὰρ ἑκάστη βοῦς ἀναφέρει καθ’ ἡμέραν ἑκάστην ἀντλήματα· πλείονα δ’ οὐκ ἔστιν οὔτε λαθεῖν οὔτε βιάσασθαι βουλόμενον· ἀλλὰ καὶ πείρας ἕνεκα πολλάκις προστιθέντων ὑφίσταται καὶ οὐ πρόεισιν, ἀποδοῦσα τὸ τεταγμένον· οὕτως ἀκριβῶς συντίθησι καὶ καταμνημονεύει τὸ κεφάλαιον, ὡς Κτησίας ὁ Κνίδιος (fr. 53) ἱστόρηκε. Λίβυες δ’ Αἰγυπτίων καταγελῶσι μυθολογούντων περὶ τοῦ ὄρυγος, [f] ὡς φωνὴν ἀφιέντος ἡμέρας ἐκείνης καὶ ὥρας ᾗς ἐπιτέλλει τὸ ἄστρον, ὃ Σῶθιν αὐτοὶ Κύνα δὲ καὶ Σείριον ἡμεῖς καλοῦμεν· τὰς γὰρ αὐτῶν ὁμοῦ πάσας αἶγας, ὅταν ἀνάσχῃ μεθ’ ἡλίου τὸ ἄστρον ἀτρεκῶς, ἐκεῖ στρεφομένας ἀποβλέπειν πρὸς τὴν ἀνατολήν· καὶ τεκμήριον τοῦτο τῆς περιόδου βεβαιότατον εἶναι καὶ μάλιστα τοῖς μαθηματικοῖς κανόσιν ὁμολογούμενον.

Phaed. 85b) ‘ὁμόδουλον’ ἑαυτὸν ποιεῖσθαι ‘τῶν κύκνων’· ὥσπερ αὖ καὶ τῶν βασιλέων Ἀετὸς μὲν ὁ Πύρρος ἥδετο καλούμενος Ἱέραξ δ’ ὁ Ἀντίοχος· ἰχθῦς δὲ τοὺς ἀμαθεῖς καὶ ἀνοήτους λοιδοροῦντες ἢ σκώπτοντες ὀνομάζομεν. ἀλλὰ δὴ μυρίων μυριάκις εἰπεῖν παρόντων, ἃ προδείκνυσιν ἡμῖν καὶ προσημαίνει τὰ πεζὰ καὶ πτηνὰ παρὰ τῶν θεῶν, ἓν οὐκ ἔστι τοιοῦτον ἀποφῆναι τῷ προδικοῦντι τῶν ἐνύδρων, ἀλλὰ κωφὰ πάντα καὶ τυφλὰ τῆς προνοίας εἰς τὸν ἄθεον καὶ τιτανικὸν ἀπέρριπται τόπον ὥσπερ ἀσεβῶν χῶρον, οὗ τὸ λογικὸν καὶ νοερὸν ἐγκατέσβεσται τῆς ψυχῆς, [c] ἐσχάτῳ δέ τινι συμπεφυρμένης καὶ κατακεκλυσμένης αἰσθήσεως μορίῳ σπαίρουσι μᾶλλον ἢ ζῶσιν ἐοίκεν.

ΗΡΑΚΛΕΩΝ. Ἄναγε τὰς ὀφρῦς, ὦ φίλε Φαίδιμε, καὶ διέγειρε σεαυτὸν ἡμῖν τοῖς ἐνάλοις καὶ νησιώταις· οὐ παιδιὰ τὸ χρῆμα τοῦ λόγου γέγονεν, ἀλλ’ ἐρρωμένος ἀγὼν καὶ ῥητορεία κιγκλίδων ἐπιδέουσα καὶ βήματος.

ΦΑΙΔΙΜΟΣ. Ἐνέδρα μὲν οὖν, ὦ Ἡρακλέων, σὺν δόλῳ καταφανής· κραιπαλῶσι γὰρ ἔτι τὸ χθιζὸν καὶ βεβαπτισμένοις νήφων, ὡς ὁρᾷς, ὁ γενναῖος ἐκ παρασκευῆς ἐπιτέθειται. παραιτεῖσθαι δ’ οὐκ ἔστιν· οὐ γὰρ βούλομαι Πινδάρου (fr. 228) ζηλωτὴς ὢν ἀκοῦσαι τὸ

σχολὴ μὲν οὖν πολλὴ πάρεστιν ὑμῖν, ἀργούντων οὐ χορῶν ἀλλὰ κυνῶν καὶ ἵππων καὶ δικτύου καὶ πάσης σαγήνης, διὰ τοὺς λόγους ἐκεχειρίας κοινῇ πᾶσι τοῖς ζῴοις κατά τε γῆν καὶ κατὰ θάλατταν δεδομένης τὸ σήμερον. ἀλλὰ μὴ φοβηθῆτε· χρήσομαι γὰρ αὐτῇ μετρίως, οὔτε δόξας φιλοσόφων οὔτ’ Αἰγυπτίων μύθους οὔτ’ ἀμαρτύρους Ἰνδῶν ἐπαγόμενος ἢ Λιβύων διηγήσεις· ἃ δὲ πανταχοῦ μάρτυρας ἔχει τοὺς ἐργαζομένους τὴν θάλατταν ὁρώμενα καὶ δίδωσι τῇ ὄψει πίστιν, τούτων ὀλίγα παραθήσομαι.

[e] καίτοι τῶν ἐν γῇ παραδειγμάτων ἐπιπροσθοῦν οὐδέν ἐστιν, ἀλλ’ ἀνεῳγμένη παρέχει τῇ αἰσθήσει τὴν ἱστορίαν· ἡ δὲ θάλασσα μικρὰ κατιδεῖν καὶ γλίσχρα δίδωσι, τῶν δὲ πλείστων κατακαλύπτει γενέσεις καὶ τροφὰς ἐπιθέσεις τε καὶ φυλακὰς ἀλλήλων, ἐν αἷς οὐκ ὀλίγα καὶ συνέσεως ἔργα καὶ μνήμης καὶ κοινωνίας ἀγνοούμενα βλάπτει τὸν λόγον. ἔπειτα τὰ μὲν ἐν γῇ διὰ τὴν ὁμοφυλίαν καὶ τὴν συνδιαίτησιν ἁμωσγέπως συναναχρωννύμενα τοῖς ἀνθρωπίνοις ἤθεσιν ἀπολαύει καὶ τροφῆς καὶ διδασκαλίας καὶ μιμήσεως· ᾗ τὸ μὲν πικρὸν ἅπαν καὶ [f] σκυθρωπὸν ὥσπερ ἐπιμιξία ποτίμου θάλασσαν ἐφηδύνει, τὸ δὲ δυσξύνετον ἅπαν καὶ νωθρὸν ἐπεγείρει ταῖς μετ’ ἀνθρώπων κινήσεσιν ἀναρριπιζόμενον. ὁ δὲ τῶν ἐνάλων βίος ὅροις μεγάλοις τῆς πρὸς ἀνθρώπους ἀπῳκισμένος ὁμιλίας ἐπείσακτον οὐδὲν οὐδὲ συνειθισμένον [976] [a] ἔχων ἴδιός ἐστι καὶ αὐθιγενὴς καὶ ἄκρατος ἀλλοτρίοις ἤθεσι διὰ τὸν τόπον, οὐ διὰ τὴν φύσιν. ἡ γὰρ φύσις ὅσον ἐξικνεῖται μαθήσεως ἐπ’ αὐτὴν δεχομένη καὶ στέγουσα παρέχει πολλὰς μὲν ἐγχέλεις [ἱερὰς λεγομένας] ἀνθρώποις χειροήθεις, ὥσπερ τὰς ‹ἱερὰς λεγομένας› ἐν τῇ Ἀρεθούσῃ, πολλαχοῦ δ’ ἰχθῦς ὑπακούοντας αὐτῶν ὀνόμασιν· ὥσπερ τὴν Κράσσου μύραιναν ἱστοροῦσιν, ἧς ἀποθανούσης ἔκλαυσεν ὁ Κράσσος· καί ποτε Δομετίου πρὸς αὐτὸν εἰπόντος ‘οὐ σὺ μυραίνης ἀποθανούσης ἔκλαυσας;’ ἀπήντησεν ‘οὐ σὺ τρεῖς θάψας γυναῖκας οὐκ ἐδάκρυσας;’ οἱ δὲ κροκόδειλοι τῶν ἱερέων οὐ μόνον γνωρίζουσι τὴν [b] φωνὴν καλούντων καὶ τὴν ψαῦσιν ὑπομένουσιν, ἀλλὰ καὶ διαχανόντες παρέχουσι τοὺς ὀδόντας ἐκκαθαίρειν ταῖς χερσὶ καὶ περιμάττειν ὀθονίοις. ἔναγχος δὲ Φιλῖνος ὁ βέλτιστος ἥκων πεπλανημένος ἐν Αἰγύπτῳ παρ’ ἡμᾶς διηγεῖτο γραῦν ἰδεῖν ἐν Ἀνταίου πόλει κροκοδείλῳ συγκαθεύδουσαν ἐπὶ σκίμποδος εὖ μάλα κοσμίως παρεκτεταμένῳ. πάλαι δ’ ἱστοροῦσι Πτολεμαίου τοῦ βασιλέως παρακαλουμένου τὸν ἱερὸν κροκόδειλον μὴ ἐπακούσαντα μηδὲ πεισθέντα λιπαροῦσι καὶ δεομένοις τοῖς ἱερεῦσι δόξαι προσημαίνειν τὴν μετ’ οὐ πολὺ συμβᾶσαν αὐτῷ τοῦ βίου [c] τελευτήν· ὥστε μηδὲ τῆς πολυτιμήτου μαντικῆς ἄμοιρον εἶναι τὸ τῶν ἐνύδρων γένος μηδ’ ἀγέραστον· ἐπεὶ καὶ περὶ Σοῦραν

πυνθάνομαι, κώμην ἐν τῇ Λυκίᾳ Φελλοῦ μεταξὺ καὶ Μύρων, καθεζομένους ἐπ᾽ ἰχθύσιν ὥσπερ οἰωνοῖς διαμαντεύεσθαι τέχνῃ τινὶ καὶ λόγῳ νήξεις καὶ φυγὰς καὶ διώξεις αὐτῶν ἐπισκοποῦντας.

Ἀλλὰ ταῦτα μὲν ἔστω τοῦ μὴ παντάπασιν ἐκφύλου μηδ᾽ ἀσυμπαθοῦς πρὸς ἡμᾶς ἱκανὰ δείγματα· τῆς δ᾽ ἀκράτου καὶ φυσικῆς συνέσεως μέγα δήλωμα τὸ κοινόν ἐστιν· οὐδὲν γὰρ οὕτως εὐχείρωτον ἀνθρώπῳ νηκτόν, ὃ μὴ πέτραις προσέχεται καὶ προσπέφυκεν, οὐδ᾽ ἁλώσιμον [d] ἄνευ πραγματείας, ὡς λύκοις μὲν ὄνοι καὶ μέροψι μέλισσαι χελιδόσι δὲ τέττιγες, ἐλάφοις δ᾽ ὄφεις ἀγόμενοι ῥᾳδίως ὑπ᾽ αὐτῶν (ᾗ καὶ τοὔνομα πεποίηται παρώνυμον οὐ τῆς ἐλαφρότητος ἀλλὰ τῆς ἕλξεως τοῦ ὄφεως)· καὶ τὸ πρόβατον προσκαλεῖται τῷ ποδὶ τὸν λύκον, τῇ δὲ παρδάλει τὰ πλεῖστα προσχωρεῖν χαίροντα τῇ ὀσμῇ, μάλιστα δὲ τὸν πίθηκον λέγουσι. τῶν δὲ θαλαττίων ὁμοῦ τι πάντων ἡ προαίσθησις ὕποπτος οὖσα καὶ πεφυλαγμένη πρὸς τὰς ἐπιθέσεις ὑπὸ συνέσεως, οὐχ ἁπλοῦν τὸ τῆς ἄγρας ἔργον οὐδὲ φαῦλον ἀλλ᾽ ὀργάνων τε παντοδαπῶν καὶ σοφισμάτων [e] ἐπ᾽ αὐτὰ δεινῶν καὶ ἀπατηλῶν δεόμενον ἀπείργασται. καὶ τοῦτο δῆλόν ἐστιν ἀπὸ τῶν πάνυ προχείρων. τὸν μὲν γὰρ ἀσπαλιευτικὸν κάλαμον οὐ βούλονται πάχος ἔχειν, καίπερ εὐτόνου δεόμενοι πρὸς τοὺς σπαραγμοὺς τῶν ἁλισκομένων, ἀλλὰ μᾶλλον ἐκλέγονται τὸν λεπτόν, ὅπως μὴ πλατεῖαν ἐπιβάλλων σκιὰν ἐκταράττῃ τὸ ὕποπτον αὐτῶν. ἔπειτα τὴν ὁρμιὰν οὐ ποιοῦσι πολύπλοκον τοῖς ἅμμασι τῶν βρόχων οὐδὲ τραχεῖαν· ἐπεὶ καὶ τοῦτο τοῦ δόλου γίγνεται τεκμήριον αὐτοῖς. καὶ τῶν τριχῶν τὰ καθήκοντα πρὸς τὸ ἄγκιστρον ὡς ἔνι μάλιστα λευκὰ φαίνεσθαι μηχανῶνται· μᾶλλον γὰρ οὕτως ἐν τῇ θαλάττῃ [f] δι᾽ ὁμοιότητα τῆς χρόας λανθάνουσι. τὸ δ᾽ ὑπὸ τοῦ ποιητοῦ λεγόμενον (Ω 80)

‘ἡ δὲ μολυβδαίνῃ ἰκέλη ἐς βυσσὸν ὄρουσεν,
ἥτε κατ᾽ ἀγραύλοιο βοὸς κέρας ἐμβεβαυῖα
ἔρχεται ὠμηστῇσιν ἐπ᾽ ἰχθύσι κῆρα φέρουσα·’

παρακούοντες ἔνιοι βοείαις θριξὶν οἴονται πρὸς τὰς ὁρμιὰς χρῆσθαι τοὺς παλαιούς· ‘κέρας’ γὰρ τὴν τρίχα λέγεσθαι καὶ τὸ κείρασθαι διὰ τοῦτο καὶ τὴν κουράν· καὶ [977] [a] τὸν παρ᾽ Ἀρχιλόχῳ (fr. 59 D) ‘κεροπλάστην’ φιλόκοσμον εἶναι περὶ κόμην καὶ καλλωπιστήν. ἔστι δ᾽ οὐκ ἀληθές· ἱππείαις γὰρ θριξὶ χρῶνται, τὰς τῶν ἀρρένων λαμβάνοντες· αἱ γὰρ θήλειαι τῷ οὔρῳ τὴν τρίχα βεβρεγμένην ἀδρανῆ ποιοῦσιν. Ἀριστοτέλης δέ φησι μηδὲν ἐν τούτοις λέγεσθαι σοφὸν ἢ περιττὸν ἀλλὰ τῷ ὄντι κεράτιον περιτίθεσθαι πρὸ τοῦ ἀγκίστρου περὶ τὴν ὁρμιάν, ἐπεὶ πρὸς ἄλλο ἐρχόμενοι διεσθίουσι. τῶν δ᾽ ἀγκίστρων τοῖς μὲν στρογγύλοις ἐπὶ κεστρέας καὶ ἀμίας χρῶνται μικροστόμους ὄντας· τὸ γὰρ εὐθύτερον εὐλαβοῦνται· πολλάκις δὲ καὶ τὸ

στρογγύλον ὁ κεστρεὺς ὑποπτεύων ἐν κύκλῳ περινήχεται, τῇ οὐρᾷ περιρραπίζων τὸ ἐδώδιμον [b] καὶ ἀνακάπτων τὸ ἀποκρουόμενον· ἂν δὲ μὴ δύνηται, συν‹αγ›αγὼν τὸ στόμα καὶ περιστείλας, τοῖς χείλεσιν ἄκροις ἐπιψαύων ἀποκνίζει τοῦ δελέατος. ὁ δὲ λάβραξ ἀνδρικώτερον τοῦ ἐλέφαντος οὐχ ἕτερον ἀλλ' αὐτὸς ἑαυτόν, ὅταν περιπέσῃ τῷ ἀγκίστρῳ, βελουλκεῖ, τῇ δεῦρο κἀκεῖ παραλλάξει τῆς κεφαλῆς ἀνευρύνων τὸ τραῦμα καὶ τὸν ἐκ τοῦ σπαραγμοῦ πόνον ὑπομένων, ἄχρις ἂν ἐκβάλῃ τὸ ἄγκιστρον. ἡ δ' ἀλώπηξ οὐ πολλάκις μὲν ἀγκίστρῳ πρόσεισιν ἀλλὰ φεύγει τὸν δόλον, ἁλοῦσα δ' εὐθὺς ἐκτρέπεται· πέφυκε γὰρ δι' εὐτονίαν καὶ ὑγρότητα μεταβάλλειν τὸ σῶμα καὶ στρέφειν, ὥστε τῶν ἐντὸς ἐκτὸς γενομένων [c] ἀποπίπτειν τὸ ἄγκιστρον.

Ταῦτα μὲν οὖν γνῶσιν ἐμφαίνει καὶ χρῆσιν ἐπὶ καιρῷ τοῦ συμφέροντος εὐμήχανον καὶ περιττήν· ἄλλα δ' ἐπιδείκνυται μετὰ τοῦ συνετοῦ τὸ κοινωνικὸν καὶ τὸ φιλάλληλον, ὥσπερ ἀνθίαι καὶ σκάροι. σκάρου μὲν γὰρ ἄγκιστρον καταπιόντος, οἱ παρόντες σκάροι προσαλλόμενοι τὴν ὁρμιὰν ἀποτρώγουσιν· οὗτοι δὲ καὶ τοῖς εἰς κύρτον ἐμπεσοῦσι τὰς οὐρὰς παραδόντες ἔξωθεν ἕλκουσι δάκνοντας προθύμως καὶ συνεξάγουσιν. οἱ δ' ἀνθίαι τῷ συμφύλῳ βοηθοῦσιν ἰταμώτερον· τὴν γὰρ ὁρμιὰν ἀναθέμενοι κατὰ τὴν ῥάχιν καὶ στήσαντες ὀρθὴν τὴν ἄκανθαν [d] ἐπιχειροῦσι διαπρίειν τῇ τραχύτητι καὶ διακόπτειν. καίτοι χερσαῖον οὐδὲν ἴσμεν ἑτέρῳ κινδυνεύοντι τολμῶν ἀμύνειν, οὐκ ἄρκτον οὐ σῦν οὐδὲ λέαιναν οὐδὲ πάρδαλιν· ἀλλὰ συγχωρεῖ μὲν εἰς ταὐτὸν ἐν τοῖς θεάτροις τὰ ὁμόφυλα καὶ κύκλῳ μετ' ἀλλήλων περίεισιν, ἑτέρῳ δ' ἕτερον οὐκ οἶδεν οὐδὲ φρονεῖ βοηθεῖν, ἀλλὰ φεύγει καὶ ἀποπηδᾷ πορρωτάτω γιγνόμενα τοῦ τετρωμένου καὶ θνήσκοντος. ἡ δὲ τῶν ἐλεφάντων ἱστορία, φίλε, τῶν εἰς τὰ ὀρύγματα φορούντων καὶ τὸν ὀλισθόντα διὰ χώματος ἀναβιβαζόντων ἔκτοπός ἐστι δεινῶς καὶ ἀλλοδαπὴ καὶ καθάπερ ἐκ βασιλικοῦ διαγράμματος ἐπιτάττουσα πιστεύειν αὐτῇ τῶν [e] Ἰόβα βιβλίων· ἀληθὴς δ' οὖσα πολλὰ δείκνυσι τῶν ἐνάλων μηδὲν ἀπολειπόμενα τῷ κοινωνικῷ καὶ συνετῷ τοῦ σοφωτάτου τῶν χερσαίων. ἀλλὰ περὶ κοινωνίας αὐτῶν ἴδιος ἔσται τάχα λόγος.

Οἱ δ' ἁλιεῖς συνορῶντες ὥσπερ ἀλεξήμασι παλαισμάτων τὰ πλεῖστα διακρουόμενα τὰς ἀπ' ἀγκίστρου βολὰς ἐπὶ βίας ἐτράπησαν, καθάπερ οἱ Πέρσαι σαγηνεύοντες, ὡς τοῖς ἐνσχεθεῖσιν οὐδεμίαν ἐκ λογισμοῦ καὶ σοφίας διάφευξιν οὖσαν. ἀμφιβλήστροις μὲν γὰρ καὶ ὑποχαῖς κεστρεῖς καὶ ἰουλίδες ἁλίσκονται, μόρμυροί τε καὶ [f] σαργοὶ καὶ κωβιοὶ καὶ λάβρακες· τὰ δὲ βολιστικὰ καλούμενα, τρίγλαν καὶ χρυσωπὸν καὶ σκορπίον, γρίποις τε καὶ σαγήναις σύρουσι περιλαμβάνοντες, [τῶν δικτύων] ὧν τὸ γένος ὀρθῶς Ὅμηρος (Ε 487) πανάγραν προσεῖπεν. ἀλλὰ καὶ πρὸς ταῦτα μηχαναὶ ταῖς

γαλαῖς εἰσιν ὥσπερ τῷ λάβρακι· συρομένην γὰρ αἰσθανόμενος βίᾳ διίστησι καὶ τύπτων κοιλαίνει τοὔδαφος· ὅταν δὲ ποιήσῃ τῇ ἐπιδρομῇ τοῦ δικτύου χώραν, ‹ἐν›έωσεν ἑαυτὸν καὶ προσέχεται, μέχρις ἂν παρέλθῃ. δελφὶς δὲ περιληφθείς, ὅταν συναίσθηται γεγονὼς ἐν ἀγκάλαις σαγήνης, ὑπομένει μὴ ταραττόμενος ἀλλὰ χαίρων· εὐωχεῖται γὰρ ἄνευ πραγματείας ἀφθόνων ἰχθύων παρόντων· ὅταν δὲ πλησίον τῇ γῇ προσίῃ, ‹δια›φαγὼν τὸ δίκτυον ἄπεισιν. [978] [a] εἰ δὲ μὴ φθαίη διαφυγών, τὸ πρῶτον οὐδὲν ἔπαθε δεινὸν ἀλλὰ διαρράψαντες αὐτοῦ περὶ τὸν λόφον ὁλοσχοίνους ἀφῆκαν· αὖθις δὲ ληφθέντα πληγαῖς κολάζουσι, γνωρίσαντες ἐκ τοῦ διαρράμματος. σπανίως δὲ τοῦτο συμβαίνει· συγγνώμης γὰρ τυγχάνοντες τὸ πρῶτον εὐγνωμονοῦσιν οἱ πλεῖστοι καὶ φυλάττονται τὸ λοιπὸν μὴ ἀδικεῖν. ἔτι δὲ πολλῶν τῶν πρὸς εὐλάβειαν καὶ προφυλακὴν καὶ ἀπόδρασιν ὄντων παραδειγμάτων, οὐκ ἄξιόν ἐστι τὸ τῆς σηπίας παρελθεῖν. τὴν γὰρ καλουμένην μύτιν παρὰ τὸν τράχηλον ἔχουσα πλήρη ζοφερᾶς ὑγρότητος, [b] ἣν θόλον καλοῦσιν, ὅταν καταλαμβάνηται, μεθίησιν ἔξω, τεχνωμένη, τῆς θαλάττης διαθολωθείσης ποιήσασα περὶ αὑτὴν σκότος, ὑπεκδῦναι καὶ ἀποδρᾶναι τὴν τοῦ θηρεύοντος ὄψιν· ἀπομιμουμένη τοὺς Ὁμήρου (E 345 passim) θεοὺς 'κυανέῃ νεφέλῃ' πολλάκις οὓς ἂν σῶσαι θέλωσιν ὑφαιρουμένους καὶ διακλέπτοντας. ἀλλὰ τούτων μὲν ἅλις.

Τῆς δ' ἐπιχειρητικῆς καὶ θηρευτικῆς δεινότητος αὐτῶν ἐν πολλοῖς σοφίσματα κατιδεῖν ἔστιν. ὁ μὲν γὰρ ἀστήρ, ὧν ἂν ἅψηται, πάντα διαλυόμενα καὶ διατηκόμενα γιγνώσκων ἐνδίδωσι τὸ σῶμα καὶ περιορᾷ ψαυόμενον ὑπὸ τῶν παρατρεχόντων ἢ προσπελαζόντων. τῆς δὲ νάρκης ἴστε δήπου τὴν δύναμιν, οὐ μόνον τοὺς θιγόντας [c] αὐτῆς ἐκπηγνύουσαν, ἀλλὰ καὶ διὰ τῆς σαγήνης βαρύτητα ναρκώδη ταῖς χερσὶ τῶν ἀντιλαμβανομένων ἐμποιοῦσαν. ἔνιοι δ' ἱστοροῦσι, πεῖραν αὐτῆς ἐπὶ πλέον λαμβάνοντες, ἂν ἐκπέσῃ ζῶσα, κατασκεδαννύντες ὕδωρ ἄνωθεν, αἰσθάνεσθαι τοῦ πάθους ἀνατρέχοντος ἐπὶ τὴν χεῖρα καὶ τὴν ἀφὴν ἀμβλύνοντος ὡς ἔοικε διὰ τοῦ ὕδατος τρεπομένου καὶ προπεπονθότος. ταύτης οὖν ἔχουσα σύμφυτον αἴσθησιν μάχεται μὲν ἐξ ἐναντίας πρὸς οὐδὲν οὐδὲ διακινδυνεύει· κύκλῳ δὲ περιιοῦσα τὸ θηρευόμενον ὥσπερ βέλη διασπείρει τὰς ἀπορροάς, φαρμάττουσα τὸ ὕδωρ πρῶτον, [d] εἶτα τὸ ζῷον διὰ τοῦ ὕδατος, μήτ' ἀμύνεσθαι δυνάμενον μήτε φυγεῖν ἀλλ' ἐνισχόμενον ὥσπερ ὑπὸ δεσμῶν καὶ πηγνύμενον. ὁ δὲ καλούμενος ἁλιεὺς γνώριμος μέν ἐστι πολλοῖς καὶ διὰ τοὔργον αὐτῷ γέγονε τοὔνομα· ᾧ σοφίσματι καὶ τὴν σηπίαν χρῆσθαί φησιν ὁ Ἀριστοτέλης· καθίησι γὰρ ὥσπερ ὁρμιὰν ἀπὸ τοῦ τραχήλου πλεκτάνην, μηκύνεσθαί τε πόρρω χαλώσης καὶ πάλιν συντρέχειν εἰς ἑαυτὴν ἀναλαμβανούσης ῥᾷστα

πεφυκυῖαν. ὅταν οὖν τι τῶν μικρῶν ἰχθυδίων ἴδῃ πλησίον, ἐνδίδωσι δακεῖν καὶ κατὰ μικρὸν ἀναμηρύεται λανθάνουσα καὶ προσάγεται, μέχρις ἂν ἐν ἐφικτῷ τοῦ στόματος γένηται τὸ προσισχόμενον.

[e] τῶν δὲ πολυπόδων τῆς χρόας τὴν ἄμειψιν ὅ τε Πίνδαρος περιβόητον πεποίηκεν εἰπὼν (fr. 43)

‘ποντίου θηρὸς ‹πετραίου› χρωτὶ μάλιστα νόον

προσφέρων πάσαις πολίεσσιν ὁμίλει·’

καὶ Θέογνις ὁμοίως (v. 215)

‘πουλύποδος νόον ἴσχε πολυχρόου, ὃς ποτὶ πέτρῃ,

τῇ περ ὁμιλήσῃ, τοῖος ἰδεῖν ἐφάνη.’

μεταβάλλει γὰρ ὁ μὲν χαμαιλέων οὐδέν τι μηχανώμενος οὐδὲ κατακρύπτων ἑαυτὸν ἀλλ’ ὑπὸ δέους ἄλλως τρέπεται, φύσει ψοφοδεὴς ὢν καὶ δειλός· συνέπεται δὲ καὶ πνεύματος πλῆθος, ὡς Θεόφραστος (fr. 189)· ὀλίγον γὰρ ἀποδεῖ πᾶν τὸ σῶμα τοῦ ζῴου πλῆρες εἶναι πνεύμονος, [f] ᾧ τεκμαίρεται τὸ πνευματικὸν αὐτοῦ καὶ διὰ τοῦτο πρὸς τὰς μεταβολὰς εὔτρεπτον. τοῦ δὲ πολύποδος ἔργον ἐστὶν οὐ πάθος ἡ μεταβολή· μεταβάλλει γὰρ ἐκ προνοίας, μηχανῇ χρώμενος τοῦ λανθάνειν ἃ δέδιε καὶ λαμβάνειν οἷς τρέφεται· παρακρουόμενος γὰρ ‹τὰ μὲν› αἱρεῖ μὴ φεύγοντα τὰ δ’ ἐκφεύγει παρερχόμενα. τὸ μὲν γὰρ αὑτοῦ τὰς πλεκτάνας κατεσθίειν αὐτὸν ψεῦδός ἐστιν· τὸ δὲ μύραιναν δεδιέναι καὶ γόγγρον ἀληθές ἐστιν· ὑπ’ ἐκείνων γὰρ κακῶς πάσχει, δρᾶν μὴ δυνάμενος ἐξολισθανόντων. [979] [a] ὥσπερ αὖ πάλιν ὁ κάραβος ἐκείνων μὲν ἐν λαβαῖς γενομένων περιγίγνεται ῥᾳδίως· ἡ γὰρ ψιλότης οὐ βοηθεῖ πρὸς τὴν τραχύτητα· τοῦ δὲ πολύποδος εἴσω τὰς πλεκτάνας διωθοῦντος ἀπόλλυται. καὶ τὸν κύκλον τοῦτον καὶ τὴν περίοδον ταῖς κατ’ ἀλλήλων διώξεσι καὶ φυγαῖς γύμνασμα καὶ μελέτην ἡ φύσις αὐτοῖς ἐναγώνιον πεποίηκε δεινότητος καὶ συνέσεως.

Ἀλλὰ μὴν ἐχίνου γέ τινα χερσαίου διηγήσατο πρόγνωσιν Ἀριστότιμος πνευμάτων, ὃς ἐθαύμαζε καὶ γεράνων τὴν ἐν τριγώνῳ πτῆσιν· ἐγὼ δ’ ἐχῖνον μὲν οὐχ ἕνα Κυζικηνὸν ἢ Βυζάντιον, ἀλλὰ πάντας ὁμοῦ παρέχομαι [b] τοὺς θαλαττίους, ὅταν αἴσθωνται μέλλοντα χειμῶνα καὶ σάλον, ἑρματιζομένους λιθιδίοις, ὅπως μὴ περιτρέπωνται διὰ κουφότητα μηδ’ ἀποσύρωνται γενομένου κλύδωνος, ἀλλ’ ἐπιμένωσιν ἀραρότως τοῖς πετριδίοις. ἡ δὲ γεράνων μεταβολὴ τῆς πτήσεως πρὸς ἄνεμον οὐχ ἑνὸς γένους ἐστίν, ἀλλὰ τοῦτο κοινῇ πάντες ἰχθύες νοοῦντες ἀεὶ πρὸς κῦμα καὶ ῥοῦν ἀντινήχονται καὶ παραφυλάττουσιν, ὅπως μὴ κατ’ οὐρὰν προσφερομένου τοῦ πνεύματος ἡ λεπὶς ἀναπτυσσομένη λυπῇ τὸ σῶμα γυμνούμενον καὶ διατραχυνόμενον· ὅθεν ἀεὶ συνέχουσιν ἑαυτοὺς ἀντιπρῴρους· σχιζομένη [c] γὰρ οὕτω κατὰ

κορυφὴν ἡ θάλασσα τά τε βράγχια καταστέλλει καὶ κατὰ τῆς ἐπιφανείας ῥέουσα λείως πιέζει καὶ οὐκ ἀνίστησι τὸ φρικῶδες. τοῦτο μὲν οὖν, ὥσπερ ἔφην, κοινόν ἐστι τῶν ἰχθύων, πλὴν τοῦ ἔλλοπος· τοῦτον δέ φασι κατ’ ἄνεμον καὶ ῥοῦν νήχεσθαι, μὴ φοβούμενον τὴν ἀναχάραξιν τῆς λεπίδος, ἅτε δὴ μὴ πρὸς οὐρὰν τὰς ἐπιπτυχὰς ἐχούσης.

Ὁ δὲ θύννος οὕτως ἰσημερίας αἰσθάνεται καὶ τροπῆς, ὥστε καὶ τὸν ἄνθρωπον διδάσκειν μηδὲν ἀστρολογικῶν κανόνων δεόμενος· ὅπου γὰρ ἂν αὐτὸν χειμῶνος αἱ τροπαὶ καταλάβωσιν, ἀτρεμεῖ καὶ διατρίβει περὶ τὸν [d] αὐτὸν τόπον ἄχρι τῆς ἰσημερίας. ‘ἀλλὰ τῆς γεράνου σοφὸν ἡ τοῦ λίθου περίδραξις, ὅπως προϊεμένη †πυκνὸν ἐξυπνίζηται’. καὶ πόσῳ σοφώτερον, ὦ φίλε, τὸ τοῦ δελφῖνος, ᾧ

‘στῆναι μὲν οὐ θέμις οὐδὲ παύσασθαι φορᾶς·’

τῷ γὰρ ἑτέρῳ δοκοῦσιν ἀμβλυώττειν· ὅθεν ἐμβάλλουσιν εἰς τὸν Πόντον ἐν δεξιᾷ τῆς γῆς ἐχόμενοι, καὶ τοὐναντίον ὅταν ἐξίωσιν, ἐμφρόνως πάνυ καὶ νουνεχῶς ἀεὶ τὴν τοῦ σώματος φυλακὴν ἐπὶ τῷ κρείττονι ποιούμενοι τῶν ὀφθαλμῶν.

[f] ἀριθμητικῆς δὲ διὰ τὴν κοινωνικήν, ὡς ἔοικε, καὶ φιλάλληλον ἀγάπησιν ἑαυτῶν δεηθέντες οὕτως ἐπ’ ἄκρον ἥκουσι τοῦ μαθήματος, ὥστ’, ἐπεὶ πάνυ χαίρουσι τῷ συντρέφεσθαι καὶ συναγελάζεσθαι μετ’ ἀλλήλων, ἀεὶ τὸ πλῆθος τῷ σχήματι κυβίζουσι καὶ στερεὸν ἐκ πάντων ποιοῦσιν, ἓξ ἴσοις ἐπιπέδοις περιεχόμενον· εἶτα νήχονται κατὰ τάξιν οὕτως τὸ πλαίσιον ἀμφίστομον διαφυλάττοντες. [980] [a] ὁ γοῦν θυννοσκόπος, ἂν ἀκριβῶς λάβῃ τὸν ἀριθμὸν τῆς ἐπιφανείας, εὐθὺς ἀποφαίνεται πόσον καὶ ἅπαν τὸ πλῆθός ἐστιν, εἰδὼς ὅτι καὶ τὸ βάθος αὐτῶν ἐν ἴσῳ τεταγμένον στοιχείῳ πρός τε τὸ

πλάτος ἐστὶ καὶ τὸ μῆκος. ἀμίαις δὲ καὶ τοὔνομα παρέσχηκεν ὁ συναγελασμός, οἶμαι δὲ καὶ ταῖς πηλαμύσι.

Τῶν δ’ ἄλλων γενῶν ὅσα φαίνεται καὶ ζῇ κοινωνικῶς μετ’ ἀλλήλων ἀγεληδὸν οὐκ ἄν τις εἴποι τὸν ἀριθμόν, ἀλλὰ μᾶλλον ἐπὶ τὰς κατ’ ἰδίαν κοινωνίας αὐτῶν καὶ συμβιώσεις ἰτέον. ὧν ἐστι καὶ ὁ τὸ πλεῖστον ἐξαναλώσας Χρυσίππου μέλαν πιννοτήρας, παντὶ καὶ φυσικῷ βιβλίῳ καὶ [b] ἠθικῷ προεδρίαν ἔχων· τὸν γὰρ σπογγοτήραν οὐχ ἱστόρηκεν, οὐ γὰρ ἂν παρέλιπεν. ὁ μὲν οὖν πιννοτήρας ζῷόν ἐστι καρκινῶδες, ὥς φασι, καὶ τῇ πίννῃ σύνεστι καὶ πυλωρεῖ τὴν κόγχην προκαθήμενος, ἐῶν ἀνεῳγμένην καὶ διακεχηνυῖαν, ἄχρις οὗ προσπέσῃ τι τῶν ἁλωσίμων αὐτοῖς ἰχθυδίων· τότε δὲ τὴν σάρκα τῆς πίννης δακὼν παρεισῆλθεν, ἡ δὲ συνέκλεισε τὴν κόγχην, καὶ κοινῶς τὴν ἄγραν ἐντὸς ἕρκους γενομένην κατεσθίουσι. τὸν δὲ σπόγγον ἡνιοχεῖ θηρίδιον οὐ καρκινῶδες ἀλλ’ ἀράχνῃ παραπλήσιον· οὐ γὰρ ἄψυχον οὐδ’ ἀναίσθητον οὐδ’ ἄναιμον ὁ σπόγγος ἐστὶν ἀλλὰ ταῖς μὲν πέτραις, ὡς ἄλλα [c] πολλά, προσπέφυκεν, ἔχει δὲ κίνησιν ἰδίαν ἐξ ἑαυτοῦ καὶ εἰς ἑαυτόν, οἷον ὑπομνήσεως καὶ παιδαγωγίας δεομένην· μανὸς γὰρ ὢν ἄλλως καὶ τοῖς ἀραιώμασιν ἀνειμένος ὑπ’ ἀργίας καὶ ἀμβλύτητος, ὅταν ἐμβῇ τι τῶν ἐδωδίμων, ἐκείνου σημήναντος ἔμυσε καὶ κατηνάλωσεν· ἔτι δὲ μᾶλλον ἀνθρώπου προσιόντος ἢ θιγόντος διδασκόμενος καὶ χαρασσόμενος οἷον ἔφριξε καὶ συνέκλεισε τὸ σῶμα πήξας καὶ πυκνώσας, ὥστε μὴ ῥᾳδίαν ἀλλὰ δύσεργον εἶναι τὴν ὑποτομὴν αὐτοῦ τοῖς θηρεύουσιν. αἱ δὲ πορφύραι συναγελαζόμεναι τὸ μὲν κηρίον, ὥσπερ αἱ μέλιτται, κοινῇ ποιοῦσιν, ἐν ᾧ λέγονται γονεύειν· τὰ δ’ ἐδώδιμα τῶν [d] βρύων καὶ τῶν φυκίων ἀναλαμβάνουσαι προσισχόμενα τοῖς ὀστράκοις οἷον ἐν περιόδῳ κυκλουμένην ἑστίασιν ἀλλήλαις παρέχουσιν, ἑτέραν ἑτέρας ἔξωθεν ἐπινεμομένης.

Καὶ τί ἄν τις ἐν τούτοις τὴν κοινωνίαν θαυμάσειεν, ὅπου τὸ πάντων ἀμικτότατον καὶ [τὸ] θηριωδέστατον ὧν τρέφουσι ποταμοὶ καὶ λίμναι καὶ θάλασσαι ζῷον, ὁ κροκόδειλος, θαυμαστὸν ἑαυτὸν ἐπιδείκνυται πρὸς κοινωνίαν καὶ χάριν ἐν τοῖς πρὸς τὸν τροχίλον συμβολαίοις; ὁ γὰρ τροχίλος ἐστὶ μὲν ὄρνις τῶν ἑλείων καὶ παραποταμίων, φρουρεῖ δὲ τὸν κροκόδειλον οὐκ οἰκόσιτος ἀλλὰ τοῖς ἐκείνου λειψάνοις παρατρεφόμενος· ὅταν γὰρ αἴσθηται, [e] τοῦ κροκοδείλου καθεύδοντος, ἐπιβουλεύοντα τὸν ἰχνεύμονα πηλούμενον ἐπ’ αὐτὸν ὥσπερ ἀθλητὴν κονιόμενον, ἐπεγείρει φθεγγόμενος καὶ κολάπτων· ὁ δ’ οὕτως ἐξημεροῦται πρὸς αὐτόν, ὥστε τοῦ στόματος διαχανὼν ἐντὸς παρίησι, καὶ χαίρει τὰ λεπτὰ τῶν ἐνισχομένων τοῖς ὀδοῦσι σαρκῶν ἐκλέγοντος ἀτρέμα τῷ ῥάμφει καὶ διασκαλεύοντος· ἂν δὲ μετρίως

ἔχων ἤδη βούληται συναγαγεῖν τὸ στόμα καὶ κλεῖσαι, προκλίνει τὴν σιαγόνα καὶ διασημαίνει καὶ οὐ πρότερον καθίησιν ἢ συναισθανόμενον ἐκπτῆναι τὸν τροχίλον. ὁ δὲ καλούμενος ἡγεμὼν μεγέθει [f] μέν ἐστι καὶ σχήματι κωβιῶδες ἰχθύδιον, τὴν δ' ἐπιφάνειαν ὄρνιθι φρίσσοντι διὰ τὴν τραχύτητα τῆς λεπίδος ἐοικέναι λέγεται, καὶ ἀεὶ σύνεστιν ἑνὶ τῶν μεγάλων κητῶν καὶ προνήχεται, τὸν δρόμον ἐπευθύνων, ὅπως οὐκ ἐνσχεθήσεται βράχεσιν οὐδ' εἰς τέναγος ἤ τινα πορθμὸν [981] [a] ἐμπεσεῖται δυσέξοδον· ἕπεται γὰρ αὐτῷ τὸ κῆτος, ὥσπερ οἴακι ναῦς, παραγόμενον εὐπειθῶς. καὶ τῶν μὲν ἄλλων, ὅ τι ἂν παραλάβῃ τῷ χάσματι ζῷον ἢ σκάφος ἢ λίθον, εὐθὺς διέφθαρται καὶ ἀπόλωλε πᾶν ἐμβεβυθισμένον· ἐκεῖνον δὲ γιγνῶσκον ἀναλαμβάνει τῷ στόματι καθάπερ ἄγκυραν ἐντός· ἐγκαθεύδει γὰρ αὐτῷ καὶ τὸ κῆτος ἕστηκεν ἀναπαυομένου καὶ ὁρμεῖ· προελθόντος δ' αὖθις ἐπακολουθεῖ μήθ' ἡμέρας μήτε νυκτὸς ἀπολειπόμενον, ἢ ῥέμβεται καὶ πλανᾶται, καὶ πολλὰ διεφθάρη καθάπερ ἀκυβέρνητα πρὸς γῆν ἐξενεχθέντα. καὶ γὰρ ἡμεῖς περὶ Ἀντίκυραν ἑωράκαμεν οὐ πάλαι· καὶ πρότερον ἱστοροῦσιν οὐ [b] πόρρω Βουνῶν ἐξοκείλαντος καὶ κατασαπέντος λοιμὸν γενέσθαι. ἆρ' οὖν ἄξιόν ἐστι ταύταις ταῖς κοινωνίαις καὶ συμπεριφοραῖς παραβάλλειν ἅσπερ Ἀριστοτέλης (p. 354 R.) ἱστορεῖ φιλίας ἀλωπέκων καὶ ὄφεων διὰ τὸ κοινὸν αὐτοῖς πολέμιον εἶναι τὸν ἀετόν, ἢ τὰς ὠτίδων πρὸς ἵππους, ὅτι χαίρουσι προσπελάζουσαι καὶ διασκάλλουσαι τὸν ὄνθον; ἐγὼ μὲν γὰρ οὐδ' ἐν μελίτταις ὁρῶ τοσαύτην ἀλλήλων ἐπιμέλειαν οὐδ' ἐν μύρμηξι· τὸ γὰρ κοινὸν αὔξουσι πᾶσαι καὶ πάντες ἔργον, ἑτέρῳ δὲ καθ' ἕτερον ἑτέρου στοχασμὸς οὐδεὶς οὐδὲ φροντὶς ἔστιν.

Ἔτι δὲ μᾶλλον κατοψόμεθα τὴν διαφοράν, ἐπὶ τὰ [c] πρεσβύτατα καὶ μέγιστα τῶν κοινωνικῶν ἔργων καὶ καθηκόντων τὰ περὶ τὰς γενέσεις καὶ τεκνώσεις τὸν λόγον τρέψαντες. πρῶτον μὲν γὰρ οἱ λίμναις παρήκουσαν ἢ ποταμοὺς ὑποδεχομένην νεμόμενοι θάλατταν ἰχθύες, ὅταν μέλλωσι τίκτειν, ἀνατρέχουσι, τῶν ποτίμων ὑδάτων τὴν πραότητα καὶ τὸ ἄσαλον διώκοντες· ἀγαθὴ γὰρ ἡ γαλήνη λοχεῦσαι· καὶ τὸ ἄθηρον ἅμα ταῖς λίμναις ἔνεστι καὶ ποταμοῖς, ὥστε σῴζεσθαι τὰ τικτόμενα. διὸ καὶ πλεῖστα καὶ μάλιστα γονεύεται περὶ τὸν Εὔξεινον πόντον· οὐ γὰρ τρέφει κήτη ἀλλ' ἢ φώκην ἀραιὰν καὶ δελφῖνα μικρόν· ἔτι δ' ἡ τῶν ποταμῶν ἐπιμιξία, πλείστων καὶ [d] μεγίστων ἐκδιδόντων εἰς τὸν Πόντον, ἤπιον παρέχει καὶ πρόσφορον τοῖς λοχευομένοις κρᾶσιν. τὸ δὲ τοῦ ἀνθίου θαυμασιώτατόν ἐστιν, ὃν Ὅμηρος (Π 407) 'ἱερὸν ἰχθύν' εἴρηκε· καίτοι μέγαν τινὲς οἴονται τὸν ἱερὸν καθάπερ ὀστοῦν ἱερὸν τὸ μέγα, καὶ τὴν ἐπιληψίαν, μεγάλην νόσον οὖσαν, ἱερὰν

καλοῦσιν· ἔνιοι δὲ κοινῶς τὸν ἄφετον καὶ ἱερωμένον. Ἐρατοσθένης δὲ τὸν χρύσοφρυν ἔοικεν (fr. 14 H.)

λέγειν· πολλοὶ δὲ τὸν ἔλλοπα, σπάνιος γάρ ἐστι καὶ οὐ ῥᾴδιος ἁλῶναι. φαίνεται δὲ περὶ Παμφυλίαν πολλάκις· ἂν οὖν ποτε λάβωσι, στεφανοῦνται μὲν αὐτοὶ στεφανοῦσι δὲ τὰς ἁλιάδας, κρότῳ δὲ καὶ πατάγῳ καταπλέοντας αὐτοὺς [e] ὑποδέχονται καὶ τιμῶσιν. οἱ δὲ πλεῖστοι τὸν ἀνθίαν ἱερὸν εἶναι καὶ λέγεσθαι νομίζουσιν· ὅπου γὰρ ἂν ἀνθίας ὀφθῇ, θηρίον οὐκ ἔστιν, ἀλλὰ θαρροῦντες μὲν οἱ σπογγοθῆραι κατακολυμβῶσι θαρροῦντες δὲ τίκτουσιν οἱ ἰχθύες, ὥσπερ ἐγγυητὴν ἀσυλίας ἔχοντες. ἡ δ’ αἰτία δυσλόγιστος, εἴτε φεύγει τὰ θηρία τὸν ἀνθίαν ὡς σῦν ἐλέφαντες ἀλεκτρυόνα δὲ λέοντες, εἴτ’ ἐστὶ σημεῖα τόπων ἀθήρων, ἃ γιγνώσκει καὶ παραφυλάττει συνετὸς ὢν καὶ μνημονικὸς ὁ ἰχθύς.

Ἀλλ’ ἥ γε πρόνοια κοινὴ τοῖς τίκτουσι τῶν γεννωμένων· οἱ δ’ ἄρρενες οὐ τὸν αὑτῶν κατεσθίουσι γόνον, [f] ἀλλὰ καὶ προσδιατρίβουσι τοῖς κυήμασιν ᾠοφυλακοῦντες ὡς ἱστόρηκεν Ἀριστοτέλης (an. h. 621a 23)· οἱ δ’ ἑπόμενοι ταῖς θηλείαις καταρραίνουσι ‹κατὰ› μικρὸν τὸν θορόν· ἄλλως γὰρ οὐ γίγνεται μέγα τὸ τεχθὲν ἀλλ’ ἀτελὲς μένει καὶ ἄναυξον. ἰδίᾳ δ’ αἱ φυκίδες ἐκ τῶν φυκίων οἷον νεοττιὰν διαπλασάμεναι περιαμπέχουσι τὸν γόνον [982] [a] καὶ σκέπουσιν ἀπὸ τοῦ κλύδωνος. τοῦ δὲ γαλεοῦ τὸ φιλόστοργον οὐδενὶ τῶν ἡμερωτάτων ζῴων ὑπερβολὴν γλυκυθυμίας πρὸς τὰ ἔγγονα καὶ χρηστότητος ἀπολέλοιπε· τίκτουσι μὲν γὰρ ᾠόν, εἶτα ‹τὸ› ζῷον οὐκ ἐκτὸς ἀλλ’ ἐντὸς ἐν ἑαυτοῖς [καὶ] τρέφουσιν οὕτω καὶ φέρουσιν ὥσπερ ἐκ δευτέρας γενέσεως· ὅταν δὲ μείζονα γένηται, μεθιᾶσι θύραζε καὶ διδάσκουσι νήχεσθαι πλησίον· εἶτα πάλιν εἰς ἑαυτοὺς διὰ τοῦ στόματος ἐπαναλαμβάνουσι καὶ παρέχουσιν ἐνδιαιτᾶσθαι τὸ σῶμα χώραν ἅμα καὶ τροφὴν καὶ καταφυγήν, ἄχρις ἂν ἐν δυνάμει τοῦ βοηθεῖν αὑτοῖς γένηται. θαυμαστὴ δὲ καὶ ἡ τῆς χελώνης [b] περὶ τὴν γένεσιν καὶ σωτηρίαν τῶν γεννωμένων ἐπιμέλεια· τίκτει μὲν γὰρ ἐκβαίνουσα τῆς θαλάττης πλησίον, ἐπῳάζειν δὲ μὴ δυναμένη μηδὲ χερσεύειν πολὺν χρόνον ἐντίθησι τῇ ψάμμῳ τὰ ᾠὰ καὶ τὸ λειότατον ἐπαμᾶται τῆς θινὸς αὐτοῖς καὶ μαλακώτατον· ὅταν δὲ καταχώσῃ καὶ ἀποκρύψῃ βεβαίως, οἱ μὲν λέγουσι τοῖς ποσὶν ἀμύττειν καὶ καταστίζειν τὸν τόπον, εὔσημον ἑαυτῇ ποιοῦσαν, οἱ δὲ τὴν θήλειαν ὑπὸ τοῦ ἄρρενος στρεφομένην τύπους ἰδίους καὶ σφραγῖδας ἐναπολείπειν· ὃ δὲ τούτου θαυμασιώτερόν ἐστιν, ἡμέραν ἐκφυλάξασα τεσσαρακοστὴν [c] (ἐν τοσαύταις γὰρ ἐκπέττεται καὶ περιρρήγνυται τὰ ᾠά) πρόσεισι, καὶ γνωρίσασα τὸν ἑαυτῆς ἑκάστη

θησαυρόν, ὡς οὐδεὶς χρυσίου θήκην ἄνθρωπος, ἀσμένως ἀνοίγει καὶ προθύμως.

Τῶν δὲ κροκοδείλων τὰ μὲν ἄλλα παραπλήσια, τῆς δὲ χώρας ὁ στοχασμὸς ἐπίνοιαν ἀνθρώπῳ τῆς αἰτίας οὐ δίδωσιν οὐδὲ συλλογισμόν· ὅθεν οὔ φασι λογικὴν ἀλλὰ μαντικὴν εἶναι τὴν παρὰ τούτου τοῦ θηρίου πρόγνωσιν· οὔτε γὰρ πλέον οὔτ' ἔλαττον ἐκβᾶσ' ἀλλ' ὅσον εἰς ὥραν ἔτους ὁ Νεῖλος αὐξηθεὶς ἐπικλύσει καὶ ἀποκρύψει τῆς γῆς, ἐκεῖ τὰ ᾠὰ τίθησιν· ὥστε τὸν ἐντυχόντα τῶν γεωργῶν [d] αὐτόν ‹τε› γιγνώσκειν ἑτέροις τε φράζειν, ὁπόσον αὐτοῖς ὁ ποταμὸς πρόεισιν· οὕτω συνεμετρήσατο, μὴ βρεχομένων αὐτὸς βρεχόμενος ἐπῳάζῃ· ἐκλεπισθέντων δὲ τῶν σκύμνων, ὃς ἂν εὐθὺς ἀναδὺς μὴ λάβῃ τι τῶν προστυχόντων, ἢ μυῖαν ἢ σέριφον ἢ γῆς ἔντερον ἢ κάρφος ἢ βοτάνην, τῷ στόματι, διασπαράξασα τοῦτον ἡ μήτηρ ἀπέκτεινε δακοῦσα· τὰ δὲ θυμοειδῆ καὶ δραστήρια στέργει καὶ περιέπει, καθάπερ οἱ σοφώτατοι τῶν ἀνθρώπων ἀξιοῦσι, κρίσει τὸ φιλεῖν ἀπαθεῖ νέμουσα. καὶ μὴν αἱ φῶκαι τίκτουσι μὲν ἐν τῷ ξηρῷ, κατὰ μικρὸν δὲ προάγουσαι τὰ σκυμνία γεύουσι τῆς θαλάττης καὶ ταχὺ πάλιν [e] ἐξάγουσι· καὶ τοῦτο πολλάκις ποιοῦσιν ἐν μέρει, μέχρι ἂν οὕτως ἐθιζόμενα θαρρήσῃ καὶ στέρξῃ τὴν ἔναλον δίαιταν. οἱ δὲ βάτραχοι περὶ τὰς ὀχείας ἀνακλήσεσι χρῶνται, τὴν λεγομένην ποιοῦντες ὀλολυγόνα, φωνὴν ἐρωτικὴν καὶ γαμήλιον οὖσαν· ὅταν δὲ τὴν θήλειαν οὕτως ὁ ἄρρην προσαγάγηται, κοινῇ τὴν νύκτα περιμένουσιν· ἐν ὑγρῷ μὲν γὰρ οὐ δύνανται, μεθ' ἡμέραν δὲ δεδίασιν ἐπὶ γῆς μίγνυσθαι· γενομένου δὲ σκότους, ἀδεῶς συμπλέκονται προϊόντες· ἄλλως δὲ λαμπρύνουσι τὴν φωνήν, ὑετὸν προσδεχόμενοι· καὶ τοῦτο σημεῖον ἐν τοῖς βεβαιοτάτοις ἐστίν.

ἀλλὰ μᾶλλον ἔοικε τὸ φιλάνθρωπον αὐτοῦ θεοφιλὲς εἶναι· μόνος γὰρ ἄνθρωπον ἀσπάζεται, καθ' ὃ ἄνθρωπός ἐστι. τῶν δὲ χερσαίων τὰ μὲν οὐδένα τὰ δ' ἡμερώτατα μόνους περιέπει τοὺς τρέφοντας ὑπὸ χρείας, καὶ τοὺς συνήθεις ὁ κύων ὁ ἵππος ὁ ἐλέφας· αἱ δὲ χελιδόνες ὅσων μὲν δέονται τυγχάνουσιν εἰσοικισάμεναι, σκιᾶς καὶ ἀναγκαίας ἀσφαλείας, φεύγουσι δὲ καὶ φοβοῦνται τὸν ἄνθρωπον ὥσπερ θηρίον. τῷ δὲ δελφῖνι παρὰ πάντα καὶ μόνῳ τὸ ζητούμενον ὑπὸ τῶν ἀρίστων φιλοσόφων ἐκεῖνο, τὸ φιλεῖν [d] ἄνευ χρείας, φύσει πρὸς ἀνθρώπους ὑπάρχει. μηδενὸς γὰρ εἰς μηδὲν ἀνθρώπου δεόμενος πᾶσιν εὐμενής τε φίλος ἐστὶ καὶ βεβοήθηκε πολλοῖς. ὧν τὰ μὲν Ἀρίονος οὐδεὶς ἀγνοεῖ, περιβόητα γάρ ἐστιν· Ἡσιόδου δὲ κατὰ καιρὸν αὐτὸς ἡμᾶς, ὦ φίλε, ἀνέμνησας, 'ἀτὰρ οὐ τέλος ἵκεο μύθων' (I 56). ἔδει δὲ τὸν κύν'

αἰτιασάμενον μὴ παραλιπεῖν τοὺς δελφῖνας· τυφλὸν γὰρ ἦν τὸ μήνυμα τοῦ κυνός, ὑλακτοῦντος καὶ μετὰ βοῆς ἐπιφερομένου τοῖς φονεῦσιν, ‹εἰ μὴ τὸν νεκρὸν› περὶ τὸ Νέμειον θαλάσσῃ διαφερόμενον ἀράμενοι δελφῖνες, ἕτεροι παρ' ἑτέρων ἐκδεχόμενοι προθύμως, εἰς τὸ Ῥίον ἐκθέντες ἔδειξαν ἐσφαγμένον.

[e] Ἔναλον δὲ τὸν Αἰολέα Μυρσίλος ὁ Λέσβιος (FHG IV 459 fr. 12) ἱστορεῖ, τῆς Σμινθέως ἐρῶντα θυγατρὸς ῥιφείσης κατὰ χρησμὸν τῆς Ἀμφιτρίτης ὑπὸ τῶν Πενθιλιδῶν, καὶ αὐτὸν ἐξαλόμενον εἰς τὴν θάλασσαν ὑπὸ δελφῖνος σῶον ἐξενεχθῆναι πρὸς τὴν Λέσβον. ἡ δὲ πρὸς τὸν Ἰασέα παῖδα τοῦ δελφῖνος εὔνοια καὶ φιλία δι' ὑπερβολὴν ἔρως ἔδοξε· συνέπαιζε γὰρ αὐτῷ καὶ συνενήχετο καθ' ἡμέραν καὶ παρεῖχεν ἐν χρῷ ψαυόμενος· ἔπειτα περιβαίνοντος οὐκ ἔφευγεν, ἀλλ' ἔφερε χαίρων, πρὸς ὃ ἔκαμπτε κλίνων, ὁμοῦ πάντων Ἰασέων ἑκάστοτε συντρεχόντων ἐπὶ τὴν θάλατταν. ὄμβρου δέ ποτε πολλοῦ μετὰ χαλάζης ἐπιπεσόντος [f] ὁ μὲν παῖς ἀπορρυεὶς ἐξέλιπεν, ὁ δὲ δελφὶν ὑπολαβὼν ἅμα τῷ νεκρῷ συνεξέωσεν αὑτὸς ἑαυτὸν ἐπὶ τὴν γῆν καὶ οὐκ ἀπέστη τοῦ σώματος, ἕως ἀπέθανε, δικαιώσας μετασχεῖν ἧς συναίτιος ἔδοξε γεγονέναι τελευτῆς. καὶ τοῦ πάθους ἐπίσημον Ἰασεῦσι τὸ χάραγμα τοῦ νομίσματός ἐστι, παῖς ὑπὲρ δελφῖνος ὀχούμενος. ἐκ δὲ τούτου καὶ τὰ περὶ Κοίρανον ὄντα μυθώδη πίστιν ἔσχε. [985] [a] Πάριος γὰρ ὢν τὸ γένος ἐν Βυζαντίῳ δελφίνων βόλον, ἐνσχεθέντων σαγήνῃ καὶ κινδυνευόντων κατακοπῆναι, πριάμενος μεθῆκε πάντας· ὀλίγῳ δ' ὕστερον ἔπλει πεντηκόντορον ἔχων, ὥς φασι, ναῦν λῃστῶν ἄνδρας ἄγουσαν ‹πεντήκοντα›· ἐν δὲ τῷ μεταξὺ Νάξου καὶ Πάρου πορθμῷ τῆς νεὼς ἀνατραπείσης καὶ τῶν ἄλλων διαφθαρέντων, ἐκεῖνον λέγουσι, δελφῖνος ὑποδραμόντος αὐτῷ καὶ ἀνακουφίζοντος, ἐξενεχθῆναι τῆς †Σικύνθου κατὰ σπήλαιον, ὃ δείκνυται μέχρι νῦν καὶ καλεῖται Κοιράνειον· ἐπὶ τούτῳ δὲ λέγεται ποιῆσαι τὸν Ἀρχίλοχον (fr. 117 D.)

'πεντήκοντ' ἀνδρῶν λίπε Κοίρανον ἤπιος Ποσειδῶν.'

[b] ἐπεὶ δ' ὕστερον ἀποθανόντος αὐτοῦ τὸ σῶμα πλησίον τῆς θαλάττης οἱ προσήκοντες ἔκαιον, ἐπεφαίνοντο πολλοὶ δελφῖνες παρὰ τὸν αἰγιαλόν, ὥσπερ ἐπιδεικνύντες ἑαυτοὺς ἥκοντας ἐπὶ τὰς ταφάς, καὶ παραμείναντες ἄχρις οὗ συνετελέσθησαν. ἡ δ' Ὀδυσσέως ἀσπὶς ὅτι μὲν ἐπίσημον εἶχε δελφῖνα καὶ Στησίχορος (fr. 70) ἱστόρηκεν· ἐξ ἧς δ' αἰτίας, Ζακύνθιοι διαμνημονεύουσιν, ὡς Κριθεὺς μαρτυρεῖ· νήπιος γὰρ ὢν ὁ Τηλέμαχος, ὥς φασιν, εἰς ἀγχιβαθὲς τῆς θαλάττης ὀλισθὼν ἐσώθη δελφίνων ὑπολαβόντων καὶ ἀνανηξαμένων· ὅθεν ἐποιήσατο γλυφὴν τῇ σφραγῖδι καὶ τῆς ἀσπίδος κόσμον ὁ πατὴρ ἀμειβόμενος [c] τὸ ζῷον. ἀλλ' ἐπεὶ προειπὼν ὡς οὐδὲ μῦθον ὑμῖν ἐρῶ, καὶ

ΠΕΡΙ ΤΟΥ ΤΑ ΑΛΟΓΑ ΛΟΓΩΙ ΧΡΗΣΘΑΙ

[985] Ο. Ταῦτα μέν, ὦ Κίρκη, μεμαθηκέναι δοκῶ καὶ διαμνημονεύσειν· ἡδέως δ’ ἄν σου πυθοίμην, εἴ τινας ἔχεις Ἕλληνας ἐν τούτοις, οὓς λύκους καὶ λέοντας ἐξ ἀνθρώπων πεποίηκας.

[e] Κ. Καὶ πολλούς, ὦ ποθούμεν’ Ὀδυσσεῦ. πρὸς τί δὲ τοῦτ’ ἐρωτᾷς;

Ο. Ὅτι νὴ Δία καλὴν ἄν μοι δοκῶ γενέσθαι φιλοτιμίαν πρὸς τοὺς Ἕλληνας, εἰ χάριτι σῇ λαβὼν τούτους αὖθις ‹εἰς› ἀνθρώπους [ἑταίρους] ἀνασώσαιμι καὶ μὴ περιίδοιμι καταγηράσαντας παρὰ φύσιν ἐν σώμασι θηρίων, οἰκτρὰν καὶ ἄτιμον οὕτω δίαιταν ἔχοντας.

Κ. Οὗτος ὁ ἀνὴρ οὐχ αὑτῷ μόνον οὐδὲ τοῖς ἑταίροις, ἀλλὰ τοῖς μηδὲν προσήκουσιν οἴεται δεῖν ὑπ’ ἀβελτερίας συμφορὰν γενέσθαι τὴν αὑτοῦ φιλοτιμίαν.

Ο. Ἕτερον αὖ τινα τοῦτον, ὦ Κίρκη, κυκεῶνα λόγων ταράττεις καὶ ὑποφαρμάττεις, ἐμὲ γοῦν ἀτεχνῶς ποιοῦσα θηρίον, εἰ πείσομαί σοι ὡς συμφορά ἐστιν ἄνθρωπον [f] ἐκ θηρίου γενέσθαι.

Κ. Οὐ γὰρ ἤδη τούτων ἀτοπώτερα πεποίηκας σεαυτόν, ὃς τὸν ἀθάνατον καὶ ἀγήρω σὺν ἐμοὶ βίον ἀφεὶς ἐπὶ γυναῖκα θνητήν, ὡς δ’ ἐγώ φημι καὶ γραῦν ἤδη, διὰ μυρίων [986] [a] ἔτι κακῶν σπεύδεις, ὡς δὴ περίβλεπτος ἐκ τούτου καὶ ὀνομαστὸς ἔτι μᾶλλον ἢ νῦν γεν‹ης›όμενος, κενὸν ἀγαθὸν καὶ εἴδωλον ἀντὶ τῆς ἀληθείας διώκων;

Ο. Ἐχέτω ταῦτα, ὡς λέγεις, ὦ Κίρκη· τί γὰρ δεῖ πολλάκις ζυγομαχεῖν ἡμᾶς περὶ τῶν αὐτῶν; τούτους δέ μοι δὸς ἀναλύσασα καὶ χάρισαι τοὺς ἄνδρας.

Κ. Οὐχ οὕτω γ’ ἁπλῶς, μὰ τὴν Ἑκάτην· οὐ γὰρ οἱ τυχόντες εἰσίν· ἀλλ’ ἐροῦ πρῶτον αὐτούς, εἰ θέλουσιν· ἂν δὲ μὴ φῶσι, διαλεχθείς, ὦ γενναῖε, πεῖσον· ἐὰν δὲ μὴ πείσῃς ἀλλὰ καὶ περιγένωνται διαλεγόμενοι, ἱκανὸν ἔστω σοι περὶ σεαυτοῦ καὶ τῶν φίλων κακῶς βεβουλεῦσθαι.

[b] Ο. Τί μου καταγελᾷς, ὦ μακαρία; πῶς γὰρ ἂν ἢ δοῖεν οὗτοι λόγον ἢ λάβοιεν, ἕως ὄνοι καὶ σύες καὶ λέοντές εἰσι;

Κ. Θάρρει, φιλοτιμότατ’ ἀνθρώπων· ἐγώ σοι παρέξω καὶ συνιέντας αὐτοὺς καὶ διαλεγομένους· μᾶλλον δ’ εἷς ἱκανὸς ἔσται καὶ διδοὺς καὶ λαμβάνων ὑπὲρ πάντων λόγον· ἰδού, τούτῳ διαλέγου.

Ο. Καὶ τίνα τοῦτον, ὦ Κίρκη, προσαγορεύσομεν; ἢ τίς ἦν οὗτος ἀνθρώπων;

Κ. Τί γὰρ τοῦτο πρὸς τὸν λόγον; ἀλλὰ κάλει αὐτόν, εἰ βούλει, Γρύλλον. ἐγὼ δ’ ἐκστήσομαι ὑμῖν, μὴ καὶ παρὰ γνώμην ἐμοὶ δοκῇ χαριζόμενος διαλέγεσθαι.

[c] Γ. Χαῖρε, Ὀδυσσεῦ.

Ο. Καὶ σὺ νὴ Δία, Γρύλλε.

Γ. Τί βούλει ἐρωτᾶν;

Ο. Ἐγὼ γινώσκων ὑμᾶς ἀνθρώπους γεγονότας οἰκτείρω μὲν [οὖν] ἅπαντας οὕτως ἔχοντας, εἰκὸς δέ μοι μᾶλλον διαφέρειν ὅσοι Ἕλληνες ὄντες εἰς ταύτην ἀφῖχθε τὴν δυστυχίαν· νῦν οὖν ἐποιησάμην τῆς Κίρκης δέησιν, ὅπως τὸν βουλόμενον ὑμῶν ἀναλύσασα καὶ καταστήσασα πάλιν εἰς τὸ ἀρχαῖον εἶδος ἀποπέμψῃ μεθ’ ἡμῶν.

Γ. Παῦε, Ὀδυσσεῦ, καὶ περαιτέρω μηδὲν εἴπῃς· ὡς καὶ σοῦ πάντες ἡμεῖς καταφρονοῦμεν, ὡς μάτην ἄρα δεινὸς ἐλέγου καὶ τῷ φρονεῖν πολὺ τῶν ἄλλων ἀνθρώπων [d] ἐδόκεις διαφέρειν, ὃς αὐτὸ τοῦτ’ ἔδεισας, τὴν μεταβολὴν ἐκ χειρόνων εἰς ἀμείνω, μὴ σκεψάμενος· ὡς γὰρ οἱ παῖδες τὰ φάρμακα τῶν ἰατρῶν φοβοῦνται καὶ τὰ μαθήματα φεύγουσιν, ἃ μεταβάλλοντα ἐκ νοσερῶν καὶ ἀνοήτων ὑγιεινοτέρους καὶ φρονιμωτέρους ποιοῦσιν αὐτούς, οὕτω σὺ διεκρούσω τὸ ἄλλος ἐξ ἄλλου γενέσθαι, καὶ νῦν αὐτός τε φρίττων καὶ ὑποδειμαίνων τῇ Κίρκῃ σύνει, μή σε ποιήσῃ λαθοῦσα σῦν ἢ λύκον, ἡμᾶς τε πείθεις, ἐν ἀφθόνοις ζῶντας ἀγαθοῖς, ἀπολιπόντας ἅμα τούτοις τὴν ταῦτα παρασκευάζουσαν ἐκπλεῖν μετὰ σοῦ, τὸ πάντων φιλο‹πονώτατον [e] καὶ βαρυ›ποτμότατον ζῷον αὖθις ἀνθρώπους γενομένους.

Ο. Ἐμοὶ σύ, Γρύλλε, δοκεῖς οὐ τὴν μορφὴν μόνον ἀλλὰ καὶ τὴν διάνοιαν ὑπὸ τοῦ πόματος ἐκείνου διεφθάρθαι καὶ γεγονέναι μεστὸς ἀτόπων καὶ διαλελωβημένων παντάπασι δοξῶν· ἢ σέ τις αὖ συνηθείας ἡδονὴ πρὸς τόδε τὸ σῶμα καταγεγοήτευκεν;

Γ. Οὐδέτερα τούτων, ὦ βασιλεῦ Κεφαλλήνων· ἂν δὲ διαλέγεσθαι μᾶλλον ἐθέλῃς ἢ λοιδορεῖσθαι, ταχύ σε μεταπείσομεν, ἑκατέρου τῶν βίων ἐμπείρως ἔχοντες, ὅτι ταῦτα πρὸ ἐκείνων εἰκότως ἀγαπῶμεν.

Ο. Ἀλλὰ μὴν ἐγὼ πρόθυμος ἀκροᾶσθαι.

[f] Γ. Καὶ ἡμεῖς τοίνυν λέγειν. ἀρκτέον δὲ πρῶτον ἀπὸ τῶν ἀρετῶν, ἐφ’ αἷς ὁρῶμεν ὑμᾶς μέγα φρονοῦντας, ὡς τῶν θηρίων πολὺ καὶ δικαιοσύνῃ καὶ φρονήσει καὶ ἀνδρείᾳ καὶ ταῖς ἄλλαις ἀρεταῖς διαφέροντας. ἀπόκριναι δή μοι, σοφώτατ’ ἀνδρῶν· ἤκουσα γάρ σού ποτε διηγουμένου τῇ Κίρκῃ περὶ τῆς τῶν Κυκλώπων γῆς, ὡς οὔτ’ ἀρουμένη τὸ παράπαν οὔτε τινὸς εἰς αὐτὴν φυτεύοντος οὐδὲν οὕτως ἐστὶν γενναία καὶ ἀγαθὴ τὴν φύσιν, ὥσθ’ ἅπαντας

ἐκφέρειν [987] [a] τοὺς καρποὺς ἀφ’ αὑτῆς· πότερον οὖν ταύτην ἐπαινεῖς μᾶλλον ἢ τὴν αἰγίβοτον Ἰθάκην καὶ τραχεῖαν, ἣ μόλις ἀπ’ ἔργων τε πολλῶν καὶ διὰ πόνων μεγάλων μικρὰ καὶ γλίσχρα καὶ μηδενὸς ἄξια τοῖς γεωργοῦσιν ἀναδίδωσι; καὶ ὅπως οὐ χαλεπῶς οἴσεις, παρὰ τὸ φαινόμενον εὐνοίᾳ τῆς πατρίδος ἀποκρινόμενος.

Ο. Ἀλλ’ οὐ δεῖ ψεύδεσθαι· φιλῶ μὲν γὰρ καὶ ἀσπάζομαι τὴν ἐμαυτοῦ πατρίδα καὶ χώραν μᾶλλον, ἐπαινῶ δὲ καὶ θαυμάζω τὴν ἐκείνων.

Γ. Οὐκοῦν τοῦτο μὲν οὕτως ἔχειν φήσομεν, ὡς ὁ φρονιμώτατος ἀνθρώπων ἄλλα μὲν οἴεται δεῖν ἐπαινεῖν καὶ [b] δοκιμάζειν ἄλλα δ’ αἱρεῖσθαι καὶ ἀγαπᾶν, ἐκεῖνο δ’ οἶμαί σε καὶ περὶ τῆς ψυχῆς ἀποκεκρίσθαι· ταὐτὸν γάρ ἐστι τῷ περὶ τῆς χώρας, ὡς ἀμείνων ἥτις ἄνευ πόνου τὴν ἀρετὴν ὥσπερ αὐτοφυῆ καρπὸν ἀναδίδωσιν.

Ο. Ἔστω καὶ τοῦτό σοι οὕτως.

Γ. Ἤδη μὲν οὖν ὁμολογεῖς τὴν τῶν θηρίων ψυχὴν εὐφυεστέραν εἶναι πρὸς γένεσιν ἀρετῆς καὶ τελειοτέραν· ἀνεπίτακτος γὰρ καὶ ἀδίδακτος ὥσπερ ἄσπορος καὶ ἀνήροτος ἐκφέρει καὶ αὔξει κατὰ φύσιν τὴν ἑκάστῳ προσήκουσαν ἀρετήν.

Ο. Καὶ τίνος ποτ’ ἀρετῆς, ὦ Γρύλλε, μέτεστι τοῖς θηρίοις;

Γ. Τίνος μὲν οὖν οὐχὶ μᾶλλον ἢ τῷ σοφωτάτῳ τῶν [c] ἀνθρώπων; σκόπει δὲ πρῶτον, εἰ βούλει, τὴν ἀνδρείαν, ἐφ’ ᾗ σὺ φρονεῖς μέγα καὶ οὐκ ἐγκαλύπτῃ ‘θρασὺς’ καὶ ‘πτολίπορθος’ ἀποκαλούμενος, ὅστις, ὦ σχετλιώτατε, δόλοις καὶ μηχαναῖς ἀνθρώπους ἁπλοῦν καὶ γενναῖον εἰδότας πολέμου τρόπον ἀπάτης δὲ καὶ ψευδῶν ἀπείρους παρακρουσάμενος ὄνομα τῇ πανουργίᾳ προστίθης ἀρετῆς ἥκιστα πανουργίαν προσιεμένης. ἀλλὰ τῶν γε θηρίων τοὺς πρὸς ἄλληλα καὶ πρὸς ὑμᾶς ἀγῶνας ὁρᾷς ὡς ἄδολοι καὶ ἄτεχνοι καὶ μετ’ ἐμφανοῦς γυμνοῦ τε τοῦ θαρρεῖν πρὸς ἀληθινῆς ἀλκῆς ποιοῦνται τὰς ἀμύνας· καὶ οὔτε [d] νόμου καλοῦντος οὔτ’ ἀστρατείας δεδοικότα γραφὴν ἀλλὰ φύσει φεύγοντα τὸ κρατεῖσθαι μέχρι τῶν ἐσχάτων ἐγκαρτερεῖ καὶ διαφυλάττει τὸ ἀήττητον· οὐ γὰρ ἡττᾶται κρατούμενα τοῖς σώμασιν οὐδ’ ἀπαγορεύει ταῖς ψυχαῖς ἀλλὰ ταῖς μάχαις ἐναποθνήσκει. πολλῶν δὲ θνησκόντων ἡ ἀλκὴ μετὰ τοῦ θυμοειδοῦς ἀποχωρήσασά που καὶ συναθροισθεῖσα περὶ ἕν τι τοῦ σώματος μόριον ἀνθίσταται τῷ κτείνοντι καὶ πηδᾷ καὶ ἀγανακτεῖ, μέχρις ἂν ὥσπερ πῦρ ἐγκατασβεσθῇ παντάπασι καὶ ἀπόληται. δέησις δ’ οὐκ ἔστιν οὐδ’ οἴκτου παραίτησις οὐδ’ ἐξομολόγησις ἥττης, οὐδὲ δουλεύει λέων λέοντι καὶ ἵππος ἵππῳ δι’ [e] ἀνανδρίαν, ὥσπερ ἄνθρωπος ἀνθρώπῳ, τὴν τῆς δειλίας ἐπώνυμον εὐκόλως [ἐν]ἀσπαζόμενος. ὅσα δ’ ἄνθρωποι πάγαις ἢ δόλοις ἐχειρώσαντο, τὰ μὲν ἤδη τέλεια καὶ τροφὴν

ἀπωσάμενα καὶ πρὸς δίψαν ἐγκαρτερήσαντα τὸν πρὸ δουλείας ἐπάγεται καὶ ἀγαπᾷ θάνατον· νεοσσοῖς δὲ καὶ σκύμνοις τούτων, δι’ ἡλικίαν εὐαγώγοις καὶ ἁπαλοῖς οὖσιν, πολλὰ καὶ ἀπατηλὰ μειλίγματα καὶ †ὑποπεττεύματα προσφέροντες καὶ καταφαρμάττοντες, ἡδονῶν παρὰ φύσιν γευόμενα καὶ διαίτης ἀδρανῆ χρόνῳ κατειργάσαντο, ἕως προσεδέξαντο καὶ ὑπέμειναν τὴν καλουμένην ἐξημέρωσιν [f] ὥσπερ ἀπογυναίκωσιν τοῦ θυμοειδοῦς· οἷς δὴ μάλιστα δῆλον ὅτι τὰ θηρία πρὸς τὸ θαρρεῖν εὖ πέφυκε. τοῖς δ’ ἀνθρώποις ἡ καρτέρησις καὶ παρὰ φύσιν ἐστίν. ἐκεῖθεν δ’ ἄν, ὦ βέλτιστ’ Ὀδυσσεῦ, μάλιστα καταμάθοις. ἐν γὰρ τοῖς θηρίοις ἰσορροπεῖ πρὸς ἀλκὴν ἡ φύσις καὶ τὸ θῆλυ τοῦ ἄρρενος οὐδὲν ἀποδεῖ πονεῖν τε τοὺς ἐπὶ τοῖς ἀναγκαίοις πόνους ἀγωνίζεσθαί τε τοὺς ὑπὲρ τῶν τέκνων ἀγῶνας. ἀλλὰ καὶ Κρομμυωνίαν τινὰ σῦν ἀκούεις, ἣ πράγματα πολλά, θῆλυ θηρίον οὖσα, τῷ Θησεῖ παρέσχε· [988] [a] καὶ τὴν Σφίγγα ἐκείνην οὐκ ἂν ὤνησεν ἡ σοφία περὶ τὸ Φίκιον ἄνω καθεζομένην, αἰνίγματα καὶ γρίφους πλέκουσαν, εἰ μὴ ῥώμῃ καὶ ἀνδρείᾳ πολὺ τῶν Καδμείων ἐπεκράτει. ἐκεῖ δέ που καὶ Τευμησίαν ἀλώπεκα ‘μέρμερον χρῆμα’ καὶ πλησίον ὄφιν τῷ Ἀπόλλωνι περὶ τοῦ χρηστηρίου μονομαχοῦσαν ἐν Δελφοῖς γενέσθαι λέγουσι. τὴν δ’ Αἴθην ὁ βασιλεὺς ὑμῶν ἔλαβε παρὰ τοῦ Σικυωνίου μισθὸν ἀστρατείας, ἄριστα βουλευσάμενος, ὃς δειλοῦ προετίμησεν ἀνδρὸς ἵππον ἀγαθὴν καὶ φιλόνικον. αὐτὸς δὲ καὶ παρδάλεις καὶ λεαίνας πολλάκις ἑώρακας ὡς οὐδέν τι τὰ θήλεα [b] τοῖς ἄρρεσιν ὑφίεται θυμοῦ καὶ ἀλκῆς, ὥσπερ ἡ σὴ γυνὴ σοῦ πολεμοῦντος οἴκοι κάθηται πρὸς ἐσχάρᾳ πυρός, οὐκ ἂν οὐδ’ ὅσον αἱ χελιδόνες ἀμυνομένη τοὺς ἐπ’ αὐτὴν καὶ τὸν οἶκον βαδίζοντας, καὶ ταῦτα Λάκαινα οὖσα· τί οὖν ἔτι σοι λέγω τὰς Καρίνας ἢ Μαιονίδας; ἀλλ’ ἐκ τούτων γε δῆλόν ἐστιν, ὅτι τοῖς ἀνδράσιν οὐ φύσει μέτεστι τῆς ἀνδρείας· μετῆν γὰρ ἂν ὁμοίως καὶ ταῖς γυναιξὶν ἀλκῆς. ὥσθ’ ὑμεῖς κατὰ νόμων ἀνάγκην οὐχ ἑκούσιον οὐδὲ βουλομένην ἀλλὰ δουλεύουσαν ἔθεσι καὶ ψόγοις καὶ δόξαις ἐπήλυσι καὶ λόγοις πλανωμένοις μελετᾶτε ἀνδρείαν· καὶ [c] τοὺς πόνους ὑφίστασθε καὶ τοὺς κινδύνους οὐ πρὸς ταῦτα θαρροῦντες ἀλλὰ τῷ ἕτερα μᾶλλον τούτων δεδιέναι. ὥσπερ οὖν τῶν σῶν ἑταίρων ὁ φθάσας πρῶτος ἐπὶ τὴν ἐλαφρὰν ἀνίσταται κώπην οὐ καταφρονῶν ἐκείνης ἀλλὰ δεδιὼς καὶ φεύγων τὴν βαρυτέραν, οὕτως ὁ πληγὴν ὑπομένων, ἵνα μὴ λάβῃ τραύματα, καὶ πρὸ αἰκίας τινὸς ἢ θανάτου πολέμιον ἀμυνόμενος οὐ πρὸς ταῦτα θαρραλέος ἀλλὰ πρὸς ἐκεῖνα δειλός ἐστιν. οὕτω δ’ ἀναφαίνεται ὑμῖν ἡ μὲν ἀνδρεία δειλία φρόνιμος οὖσα, τὸ δὲ θάρσος φόβος ἐπιστήμην ἔχων τοῦ δι’ ἑτέρων ἕτερα φεύγειν. ὅλως δ’, εἰ πρὸς [d] ἀνδρείαν οἴεσθε βελτίους εἶναι τῶν θηρίων, τί ποθ’ ὑμῶν οἱ ποιηταὶ τοὺς κράτιστα τοῖς πολεμίοις μαχομένους

Ο. Παπαί, ὦ Γρύλλε, δεινός μοι δοκεῖς γεγονέναι [f] σοφιστής, ὅς γε καὶ νῦν ἐκ τῆς συηνίας φθεγγόμενος οὕτω νεανικῶς πρὸς τὴν ὑπόθεσιν ἐπικεχείρηκας. ἀλλὰ τί οὐ περὶ τῆς σωφροσύνης ἐφεξῆς διεξῆλθες;

Γ. Ὅτι ᾤμην σε τῶν εἰρημένων πρότερον ἐπιλήψεσθαι· σὺ δὲ σπεύδεις ἀκοῦσαι τὸ περὶ τῆς σωφροσύνης, ἐπεὶ σωφρονεστάτης μὲν ἀνὴρ εἶ γυναικός, ἀπόδειξιν δὲ σωφροσύνης αὐτὸς οἴει δεδωκέναι, τῶν Κίρκης ἀφροδισίων περιφρονήσας. καὶ τούτῳ μὲν οὐδενὸς τῶν θηρίων διαφέρεις πρὸς ἐγκράτειαν· οὐδὲ γὰρ ἐκεῖνα τοῖς κρείττοσιν [989] [a] ἐπιθυμεῖ πλησιάζειν ἀλλὰ καὶ τὰς ἡδονὰς καὶ τοὺς ἔρωτας πρὸς τὰ ὁμόφυλα ποιεῖται. οὐ θαυμαστὸν οὖν ἐστιν, εἰ καθάπερ ὁ Μενδήσιος ἐν Αἰγύπτῳ τράγος λέγεται πολλαῖς καὶ καλαῖς συνειργνύμενος γυναιξὶν οὐκ εἶναι μίγνυσθαι πρόθυμος ἀλλὰ πρὸς τὰς αἶγας ἐπτόηται μᾶλλον, οὕτω σὺ χαίρων ἀφροδισίοις συνήθεσιν οὐ θέλεις ἄνθρωπος ὢν θεᾷ συγκαθεύδειν. τὴν δὲ Πηνελόπης σωφροσύνην μυρίαι κορῶναι κρώζουσαι γέλωτα θήσονται καὶ καταφρονήσουσιν, ὧν ἑκάστη, ἂν ἀποθάνῃ ὁ ἄρρην, οὐκ ὀλίγον χρόνον ἀλλ’ ἐννέα χηρεύει γενεὰς ἀνθρώπων· ὥστε [b] σοι τὴν καλὴν Πηνελόπην ἐννάκις ἀπολείπεσθαι τῷ σωφρονεῖν ἧς βούλει κορώνης.

Ἀλλ’ ἐπεί σε μὴ λέληθα σοφιστὴς ὤν, φέρε χρήσωμαι τάξει τινὶ τοῦ λόγου, τῆς μὲν σωφροσύνης ὅρον θέμενος κατὰ γένος δὲ τὰς ἐπιθυμίας διελόμενος. ἡ μὲν οὖν σωφροσύνη βραχύτης τίς ἐστιν ἐπιθυμιῶν καὶ τάξις, ἀναιροῦσα μὲν τὰς ἐπεισάκτους καὶ περιττὰς καιρῷ δὲ καὶ μετριότητι κοσμοῦσα τὰς ἀναγκαίας. ταῖς δ’ ἐπιθυμίαις ἐνορᾷς που μυρίαν διαφοράν· ‹αἱ μὲν γὰρ περὶ τὴν βρῶσιν› καὶ τὴν πόσιν ἅμα τῷ φυσικῷ καὶ τὸ ἀναγκαῖον

[996] Ἐπὶ τὰ ἕωλα τῆς σαρκοφαγίας προσφάτους ἡμᾶς ὁ λόγος παρακαλεῖ ταῖς τε διανοίαις καὶ ταῖς προθυμίαις γενέσθαι. χαλεπὸν μὲν γάρ, ὥσπερ Κάτων ἔφησε, λέγειν πρὸς γαστέρας ὦτα μὴ ἐχούσας· καὶ πέποται ὁ τῆς συνηθείας κυκεών, ὥσπερ ὁ τῆς Κίρκης (Emped. B 154a)

ὅσον ἐν τῷ θεάτρῳ κίνημα ποιεῖ, συνεξορθιάζουσα φόβῳ, καὶ δέος μὴ φθάσῃ τὸν ἐπιλαμβανόμενον γέροντα καὶ τρώσῃ τὸ μειράκιον. εἰ δ’ ἕτερος γέρων παρεστήκοι λέγων ‘παῖσον, πολέμιός ἐστιν’, ἕτερος δὲ ‘μὴ παίσῃς, υἱός ἐστι’, πότερον ἀδίκημα μεῖζον, ἐχθροῦ κόλασιν ἐκλιπεῖν διὰ τὸν υἱὸν ἢ τεκνοκτονίᾳ περιπεσεῖν ὑπὸ τῆς πρὸς τὸν ἐχθρὸν ὀργῆς; ὁπότε τοίνυν οὐ μῖσός ἐστιν οὐδὲ θυμὸς ὁ πρὸς τὸν φόνον ἐξάγων ἡμᾶς οὐδ’ ἄμυνά τις οὐδὲ

φόβος [f] ὑπὲρ αὐτῶν, ἀλλ’ εἰς ἡδονῆς μέρος ἕστηκεν ἱερεῖον ἀνακεκλασμένῳ τραχήλῳ ὑποκείμενον, εἶτα λέγει τῶν φιλοσόφων ὁ μέν ‘κατάκοψον, ἄλογόν ἐστι τὸ ζῷον’, ὁ δέ ‘ἀνάσχου· τί γὰρ εἰ συγγενοῦς ἢ φίλου τινος ἐνταῦθα ψυχὴ κεχώρηκεν;’ ἴσος γ’, ὦ θεοί, καὶ ὅμοιος ὁ κίνδυνος, ἐκεῖ, ἂν ἀπειθῶ, ‹μὴ› φαγεῖν κρέας, ‹ἐνταῦθα δ’›, ἂν ἀπιστῶ, φονεῦσαι τέκνον ἢ ἕτερον οἰκεῖον.

[999] [a] Οὐκ ἴσος δέ τις οὗτος ὁ ἀγὼν τοῖς Στωικοῖς ὑπὲρ τῆς σαρκοφαγίας. τίς γὰρ ὁ πολὺς τόνος εἰς τὴν γαστέρα καὶ τὰ ὀπτανεῖα; τί τὴν ἡδονὴν θηλύνοντες καὶ διαβάλλοντες ὡς οὔτ’ ἀγαθὸν οὔτε προηγμένον οὔτ’ οἰκεῖον οὕτω πρὸς τὰ περι‹ττὰ› τῶν ἡδονῶν ἐσπουδάκασι; καὶ μὴν ἀκόλουθον ἦν αὐτοῖς, εἰ μύρον ἐξελαύνουσι καὶ πέμμα τῶν συμποσίων, μᾶλλον αἷμα καὶ σάρκα δυσχεραίνειν. νῦν δ’ ὥσπερ εἰς τὰς ἐφημερίδας φιλοσοφοῦντες δαπάνην ἀφαιροῦσι τῶν δείπνων ἐν τοῖς ἀχρήστοις καὶ περιττοῖς, τὸ δ’ ἀνήμερον τῆς πολυτελείας καὶ φονικὸν οὐ παραιτοῦνται. ‘ναί, φησίν, οὐδὲν γὰρ ἡμῖν πρὸς τὰ ἄλογα οἰκεῖον [b] ἔστιν.’ οὐδὲ γὰρ πρὸς τὸ μύρον, φαίη τις ἄν, οὐδὲ πρὸς τὰ ξενικὰ τῶν ἡδυσμάτων· ἀλλὰ καὶ τούτων ἀποτρέπεσθε, τὸ μὴ χρήσιμον μηδ’ ἀναγκαῖον ἐν ἡδονῇ πανταχόθεν ἐξελαύνοντες.

Οὐ μὴν ἀλλὰ καὶ τοῦτ’ ἤδη σκεψώμεθα, τὸ μηδὲν εἶναι πρὸς τὰ ζῷα δίκαιον ἡμῖν, μήτε τεχνικῶς μήτε σοφιστικῶς, ἀλλὰ τοῖς πάθεσιν ἐμβλέψαντες τοῖς ἑαυτῶν καὶ πρὸς ἑαυτοὺς ἀνθρωπικῶς λαλήσαντες καὶ ἀνακρίναντες.

ΠΛΑΤΩΝΙΚΑ ΖΗΤΗΜΑΤΑ

[999] ΖΗΤΗΜΑ Α΄.

‘Τί δήποτε τὸν Σωκράτην ὁ θεὸς μαιοῦσθαι μὲν ἐκέλευσεν ἑτέρους, αὐτὸν δὲ γεννᾶν ἀπεκώλυσεν, ὡς ἐν Θεαιτήτῳ (150c) λέγεται;’ Οὐ γὰρ εἰρωνευόμενός γε καὶ παίζων προσεχρήσατ’ ἂν τῷ τοῦ θεοῦ ὀνόματι. καὶ [d] ἄλλως ἐν τῷ Θεαιτήτῳ πολλὰ μεγάλαυχα καὶ σοβαρὰ Σωκράτει περιτέθεικεν, ὧν καὶ ταῦτ’ ἐστί (151c)· ‘πολλοὶ γὰρ δή, ὦ θαυμάσιε, πρός με οὕτω διετέθησαν, ὥστ’ ἀτεχνῶς δάκνειν ‹ἕτοιμοι εἶναι›, ἐπειδάν τινα λῆρον αὐτῶν ἀφαιρῶμαι· καὶ οὐκ οἴονταί με εὐνοίᾳ τοῦτο ποιεῖν, πόρρω ὄντες τοῦ εἰδέναι ὅτι οὐδεὶς θεὸς δύσνους ἀνθρώποις· οὐδ’ ἐγὼ δυσνοίᾳ τοιοῦτον οὐδὲν δρῶ, ἀλλά μοι ψεῦδός τε συγχωρῆσαι καὶ ἀληθὲς ἀφανίσαι οὐδαμῶς θέμις.’

Πότερον οὖν τὴν ἑαυτοῦ φύσιν ὡς κριτικωτέραν ἢ γονιμωτέραν οὖσαν θεὸν προσεῖπε, καθάπερ Μένανδρος ‘ὁ νοῦς γὰρ ἡμῶν ὁ θεός’ καὶ Ἡράκλειτος (B 119) [e] ‘ἦθος ἀνθρώπῳ δαίμων’· ἢ θεῖόν τι καὶ δαιμόνιον ὡς ἀληθῶς αἴτιον ὑφηγήσατο Σωκράτει τοῦτο τῆς φιλοσοφίας τὸ γένος, ᾧ τοὺς ἄλλους ἐξετάζων ἀεὶ τύφου καὶ πλάνου καὶ ἀλαζονείας καὶ τοῦ βαρεῖς εἶναι πρῶτον μὲν αὑτοῖς εἶτα καὶ τοῖς συνοῦσιν ἀπήλλαττε; καὶ γὰρ ὥσπερ ἐκ τύχης τότε φορὰν συνέβη γενέσθαι σοφιστῶν ἐν τῇ Ἑλλάδι· καὶ τούτοις οἱ νέοι πολὺ τελοῦντες ἀργύριον οἰήματος ἐπληροῦντο καὶ δοξοσοφίας, καὶ λόγων ἐζήλουν σχολὴν καὶ διατριβὰς ἀπράκτους ἐν ἔρισι καὶ φιλοτιμίαις καλὸν δὲ καὶ χρήσιμον οὐδ’ ὁτιοῦν. τὸν οὖν ἐλεγκτικὸν λόγον ὥσπερ καθαρτικὸν ἔχων φάρμακον ὁ Σωκράτης [f] ἀξιόπιστος ἦν ἑτέρους ἐλέγχων τῷ μηδὲν ἀποφαίνεσθαι, καὶ μᾶλλον ἥπτετο δοκῶν ζητεῖν κοινῇ τὴν ἀλήθειαν οὐκ αὐτὸς ἰδίᾳ δόξῃ βοηθεῖν.

[1000] [a] Ἔπειτα τοῦ κρίνειν ὄντος ὠφελίμου τὸ γεννᾶν ἐμπόδιόν ἐστι. τυφλοῦται γὰρ τὸ φιλοῦν περὶ τὸ φιλούμενον· φιλεῖται δὲ τῶν ἰδίων οὐδὲν οὕτως ὡς δόξα καὶ λόγος ὑπὸ τοῦ τεκόντος. ἡ γὰρ λεγομένη τέκνων δικαιοτάτη διανομὴ πρὸς λόγους ἐστὶν ἀδικωτάτη· δεῖ γὰρ ἐκεῖ μὲν λαβεῖν τὸ ἴδιον, ἐνταῦθα δέ, κἂν ἀλλότριον ᾖ, τὸ βέλτιστον. ὅθεν ὁ γεννῶν ἴδια γίγνεται φαυλότερος ἑτέρων κριτής. καὶ καθάπερ Ἠλείους τῶν σοφῶν τις ἔφη βελτίους ἂν εἶναι τῶν Ὀλυμπίων ἀγωνοθέτας, εἰ μηδὲ εἷς Ἠλείων ἦν ἀγωνιστής, οὕτως ὁ μέλλων ἐν λόγοις ὀρθῶς ἐπιστατήσειν καὶ βραβεύσειν οὐ δίκαιός ἐστιν αὐτὸς [b] φιλοστεφανεῖν οὐδ’ ἀνταγωνίζεσθαι τοῖς κρινομένοις. καὶ γὰρ οἱ τῶν Ἑλλήνων στρατηγοὶ τὴν περὶ τῶν ἀριστείων ψῆφον φέροντες

αὑτοὺς ἀρίστους ἔκριναν ἅπαντες· καὶ τῶν φιλοσόφων οὐδεὶς ἔστιν, ὃς οὐ τοῦτο πέπονθε δίχα τῶν ὥσπερ Σωκράτης ὁμολογούντων μηδὲν ἴδιον λέγειν· οὗτοι δὲ καθαροὺς μόνοι καὶ ἀδεκάστους τῆς ἀληθείας παρέχουσιν ἑαυτοὺς δικαστάς. ὥσπερ γὰρ ὁ ἐν τοῖς ὠσὶν ἀήρ, ἂν μὴ σταθερὸς ᾖ μηδὲ φωνῆς ἰδίας ἔρημος ἀλλ' ἤχου καὶ ῥοίζου μεστός, οὐκ ἀκριβῶς ἀντιλαμβάνεται τῶν φθεγγομένων, οὕτω τὸ τοὺς λόγους ἐν φιλοσοφίᾳ [c] κρῖνον, ἂν ἔνδοθεν ἀντιπαταγῇ ‹τι› καὶ ἀντηχῇ, δυσξύνετον ἔσται τῶν λεγομένων ἔξωθεν. ἡ γὰρ οἰκεία δόξα καὶ σύνοικος οὐ προσδέξεται τὸ διαφωνοῦν πρὸς αὑτήν, ὡς μαρτυρεῖ τῶν αἱρέσεων τὸ πλῆθος, ὧν, ἂν ἄριστα πράττῃ φιλοσοφία, μίαν ἔχει κατορθοῦσαν, οἰομένας δὲ τὰς ἄλλας ἁπάσας καὶ μαχομένας πρὸς τὴν ἀλήθειαν.

Ἔτι τοίνυν, εἰ μὲν οὐδέν ἐστι καταληπτὸν ἀνθρώπῳ καὶ γνωστόν, εἰκότως ὁ θεὸς ἀπεκώλυσεν αὐτὸν ὑπηνέμια καὶ ψευδῆ καὶ ἀβέβαια γεννᾶν, ἐλέγχειν δὲ τοὺς ἄλλους ἠνάγκαζε τοιαῦτα δοξάζοντας. οὐ γὰρ μικρὸν ἦν ὄφελος ἀλλὰ μέγιστον ὁ τοῦ μεγίστου τῶν κακῶν, ἀπάτης καὶ κενοφροσύνης, ἀπαλλάττων λόγος (Theogn. 432)

'οὐδ' Ἀσκληπιάδαις τοῦτό γ' ἔδωκε θεός.'

[d] οὐ γὰρ σώματος ἡ Σωκράτους ἰατρεία, ψυχῆς δ' ἦν ὑπούλου καὶ διεφθαρμένης καθαρμός. εἰ δ' ἔστιν ἐπιστήμη τοῦ ἀληθοῦς ἓν δὲ τὸ ἀληθές, οὐκ ἔλαττον ἔχει τοῦ εὑρόντος ὁ μαθὼν παρὰ τοῦ εὑρόντος· λαμβάνει δὲ μᾶλλον ὁ μὴ πεπεισμένος ἔχειν, καὶ λαμβάνει τὸ βέλτιστον ἐξ ἁπάντων, ὥσπερ ὁ μὴ τεκὼν παῖδα ποιεῖται τὸν ἄριστον.

Ὅρα δὲ μὴ τἄλλα μὲν οὐδεμιᾶς ἦν ἄξια σπουδῆς ποιήματα καὶ μαθήματα καὶ λόγοι ῥητόρων καὶ δόγματα σοφιστῶν, ἃ Σωκράτην γεννᾶν τὸ δαιμόνιον ἀπεκώλυσεν· ἣν δὲ μόνην ἡγεῖτο Σωκράτης σοφίαν ‹τὴν› περὶ τὸ θεῖον καὶ νοητόν, ἐρωτικὴν ὑπ' αὐτοῦ προσαγορευομένην, ταύτης [e] οὐ γένεσις ἔστιν ἀνθρώποις οὐδ' εὕρεσις ἀλλ' ἀνάμνησις. ὅθεν οὐδὲν ἐδίδασκε Σωκράτης, ἀλλ' ἐνδιδοὺς ἀρχὰς ἀποριῶν ὥσπερ ὠδίνων τοῖς νέοις ἐπήγειρε καὶ ἀνεκίνει καὶ συνεξῆγε τὰς ἐμφύτους νοήσεις· καὶ τοῦτο μαιωτικὴν τέχνην ὠνόμαζεν, οὐκ ἐντιθεῖσαν ἔξωθεν, ὥσπερ ἕτεροι προσεποιοῦντο, νοῦν τοῖς ἐντυγχάνουσιν, ἀλλ' ἔχοντας οἰκεῖον ἐν ἑαυτοῖς ἀτελῆ δὲ καὶ συγκεχυμένον καὶ δεόμενον τοῦ τρέφοντος καὶ βεβαιοῦντος ἐπιδεικνύουσαν.

ΖΗΤΗΜΑ Β΄.

'Τί δήποτε τὸν ἀνωτάτω θεὸν πατέρα τῶν πάντων καὶ ποιητὴν προσεῖπεν;' (Tim. 28c al.) πότερον ὅτι τῶν μὲν θεῶν τῶν γεννητῶν καὶ τῶν ἀνθρώπων πατήρ ἐστιν, [f] ὡς Ὅμηρος ἐπονομάζει, ποιητὴς δὲ τῶν ἀλόγων καὶ ἀψύχων; οὐδὲ γὰρ χορίου φησὶ Χρύσιππος (fr. 1158) πατέρα καλεῖσθαι τὸν

παρασχόντα τὸ σπέρμα, καίπερ ἐκ τοῦ σπέρματος γεγονότος. ἢ τῇ μεταφορᾷ χρώμενος, ὥσπερ εἴωθε, τὸν αἴτιον πατέρα τοῦ κόσμου κέκληκεν; ὡς τῶν ἐρωτικῶν λόγων 'πατέρα' Φαῖδρον ἐν Συμποσίῳ [1001] [a] (177d) προσεῖπεν, εἰσηγητὴν αὐτῶν γενόμενον· ἐν δὲ τῷ ὁμωνύμῳ διαλόγῳ (Phaedr. 261a) 'καλλίπαιδα'· πολλοὺς γὰρ καὶ καλοὺς λόγους ἐν φιλοσοφίᾳ γενέσθαι τὴν ἀρχὴν ἐκείνου παρασχόντος. ἢ διαφέρει πατήρ τε ποιητοῦ καὶ γεννήσεως ποίησις; ὡς γὰρ τὸ γεγεννημένον καὶ πεποίηται, οὐ μὴν ἀνάπαλιν, οὕτως ὁ γεννήσας καὶ πεποίηκεν· ἐμψύχου γὰρ ποίησις ἡ γέννησίς ἐστι. καὶ ποιητοῦ μέν, οἷος οἰκοδόμος ἢ ὑφάντης ἢ λύρας δημιουργὸς ἢ ἀνδριάντος, ἀπήλλακται γενόμενον τὸ ἔργον· ἡ δ' ἀπὸ τοῦ γεννήσαντος ἀρχὴ καὶ δύναμις ἐγκέκραται τῷ τεκνωθέντι καὶ συνέχει τὴν φύσιν, ἀπόσπασμα καὶ μόριον [b] οὖσαν τοῦ τεκνώσαντος. ἐπεὶ τοίνυν οὐ πεπλασμένοις ὁ κόσμος οὐδὲ συνηρμοσμένοις ποιήμασιν ἔοικεν, ἀλλ' ἔνεστιν αὐτῷ μοῖρα πολλὴ ζωότητος καὶ θειότητος, ἣν ὁ θεὸς ἐγκατέσπειρεν ἀφ' ἑαυτοῦ τῇ ὕλῃ καὶ κατέμιξεν, εἰκότως ἅμα πατήρ τε τοῦ κόσμου, ζῴου γεγονότος, καὶ ποιητὴς ἐπονομάζεται.

Τούτων δὲ μάλιστα τῆς Πλάτωνος ἁπτομένων δόξης, ἐπίστησον εἰ κἀκεῖνο λεχθήσεται πιθανῶς· ὅτι, δυεῖν ὄντων ἐξ ὧν ὁ κόσμος συνέστηκε, σώματος καὶ ψυχῆς, τὸ μὲν οὐκ ἐγέννησε θεὸς ἀλλά, τῆς ὕλης παρασχομένης, ἐμόρφωσε καὶ συνήρμοσε, πέρασιν οἰκείοις καὶ σχήμασι [c] δήσας καὶ ὁρίσας τὸ ἄπειρον· ἡ δὲ ψυχή, νοῦ μετασχοῦσα καὶ λογισμοῦ καὶ ἁρμονίας, οὐκ ἔργον ἐστὶ τοῦ θεοῦ μόνον ἀλλὰ καὶ μέρος, οὐδ' ὑπ' αὐτοῦ ἀλλ' ἀπ' αὐτοῦ καὶ ἐξ αὐτοῦ γέγονεν.

ΖΗΤΗΜΑ Γ΄.

Ἐν τῇ Πολιτείᾳ (509d), τοῦ παντὸς ὥσπερ μιᾶς γραμμῆς τετμημένης εἰς ἄνισα τμήματα, πάλιν τέμνων ἑκάτερον τμῆμα εἰς δύο ἀνὰ τὸν αὐτὸν λόγον, τό τε τοῦ ὁρωμένου γένους καὶ τὸ τοῦ νοουμένου, τέτταρα τὰ πάντα ποιήσας, τοῦ μὲν νοητοῦ πρῶτον ἀποφαίνει τὸ περὶ τὰ πρῶτα εἴδη, δεύτερον τὸ μαθηματικόν· τοῦ δ' αἰσθητοῦ πρῶτον μὲν τὰ στερέμνια σώματα, δεύτερον δὲ τὰς εἰκόνας καὶ τὰ εἴδωλα τούτων· καὶ κριτήριον ἑκάστῳ τῶν [d] τεττάρων ἀποδίδωσιν ἴδιον, νοῦν μὲν τῷ πρώτῳ διάνοιαν δὲ τῷ μαθηματικῷ, τοῖς δ' αἰσθητοῖς πίστιν, εἰκασίαν δὲ τοῖς περὶ τὰ εἴδωλα καὶ τὰς εἰκόνας. 'τί οὖν διανοηθεὶς εἰς ἄνισα τὰ τμήματα τὸ πᾶν ἔτεμε; καὶ πότερον τῶν τμημάτων, τὸ νοητὸν ἢ τὸ αἰσθητόν, μεῖζόν ἐστιν;' αὐτὸς γὰρ οὐ δεδήλωκε.

Δόξει δ' αὐτόθεν μὲν εἶναι μεῖζον τὸ αἰσθητόν· ἡ γὰρ ἀμέριστος οὐσία καὶ κατὰ ταὐτὸν ὡσαύτως ἔχουσα τῶν νοητῶν ἐστιν εἰς βραχὺ συνηγμένη καὶ καθαρόν, ἡ δὲ σκεδαστὴ περὶ τὰ σώματα καὶ περιπλανὴς τὸ αἰσθητὸν

παρέσχεν. ἔτι τὸ μὲν ἀσώματον πέρατος οἰκεῖον, τὸ δὲ σῶμα τῇ ὕλῃ μὲν ἄπειρον καὶ ἀόριστον, αἰσθητὸν δὲ [e] γιγνόμενον ὅταν ὁρισθῇ μετοχῇ τοῦ νοητοῦ. ἔτι, καθάπερ αὐτῶν τῶν αἰσθητῶν ἕκαστον εἰκόνας ἔχει πλείους καὶ σκιὰς καὶ εἴδωλα καὶ ὅλως ἀφ' ἑνὸς παραδείγματος πάμπολλα μιμήματα γίγνεσθαι καὶ φύσει καὶ τέχνῃ δυνατόν ἐστιν, οὕτως ἀνάγκη τὰ ἐνταῦθα τῶν ἐκεῖ πλήθει διαφέρειν κατὰ τὸν Πλάτωνα παραδείγματα καὶ ἰδέας τὰ νοητὰ τῶν αἰσθητῶν ὥσπερ εἰκόνων ἢ ἐμφάσεων ὑποτιθέμενον. ἔτι τῶν εἰδῶν νόησιν ἐξ ἀφαιρέσεως καὶ περικοπῆς σώματος ἐπάγει, τῇ τῶν μαθημάτων τάξει καταβιβάζων (Rep. VI 524 sqq.) ἀπὸ τῆς ἀριθμητικῆς ἐπὶ γεωμετρίαν, εἶτα μετὰ ταύτην ἐπ' ἀστρολογίαν, ἐπὶ [f] πάσαις δὲ τὴν ἁρμονικὴν τιθείς· γίγνεται γὰρ τὰ μὲν γεωμετρούμενα τοῦ ποσοῦ μέγεθος προσλαβόντος· τὰ δὲ στερεὰ τοῦ μεγέθους βάθος· τὰ δ' ἀστρολογούμενα τοῦ στερεοῦ κίνησιν· τὰ δ' ἁρμονικὰ τῷ κινουμένῳ σώματι φωνῆς προσγενομένης. ὅθεν ἀφαιροῦντες φωνὴν μὲν τῶν κινουμένων κίνησιν δὲ τῶν στερεῶν βάθος δὲ τῶν [1002] [a] ἐπιπέδων μέγεθος δὲ τῶν ποσῶν, ἐν αὐταῖς γενησόμεθα ταῖς νοηταῖς ἰδέαις, οὐδεμίαν διαφορὰν ἐχούσαις πρὸς ἀλλήλας, κατὰ τὸ ἓν καὶ μόνον νοουμέν‹αις›. οὐ γὰρ ποιεῖ μονὰς ἀριθμόν, ἂν μὴ τῆς ἀπείρου δυάδος ἅψηται· ποιήσασα δ' οὕτως ἀριθμόν, εἰς στιγμὰς εἶτα γραμμὰς ἐκ δὲ τούτων εἰς ἐπιφανείας καὶ βάθη καὶ σώματα πρόεισι καὶ σωμάτων ποιότητας ἐν πάθεσι γιγνομένων. ἔτι τῶν μὲν νοητῶν ἓν κριτήριον ὁ νοῦς· καὶ γὰρ ἡ διάνοια νοῦς ἐστιν ἐν τοῖς μαθηματικοῖς ὥσπερ ἐν κατόπτροις ἐμφαινομένων τῶν νοητῶν. ἐπὶ δὲ τὴν τῶν σωμάτων γνῶσιν ὑπὸ πλήθους πέντε δυνάμεις καὶ διαφορὰς αἰσθητηρίων ἡ φύσις ἔδωκεν ἡμῖν· καὶ οὐ πάντα [b] φωρᾶται ταύταις ἀλλ' ἐκφεύγει πολλὰ διὰ μικρότητα τὴν αἴσθησιν. ἔτι, ὥσπερ ἡμῶν ἑκάστου συνεστῶτος ἔκ τε τῆς ψυχῆς καὶ τοῦ σώματος μικρόν ἐστι τὸ ἡγεμονικὸν καὶ νοερὸν ἐν πολλῷ τῷ τῆς σαρκὸς ὄγκῳ κεκρυμμένον, οὕτως εἰκὸς ἔχειν ἐν τῷ παντὶ τὸ νοητὸν πρὸς τὸ αἰσθητόν. καὶ γὰρ ἄρχει τὰ νοητὰ τῶν σωματικῶν, ἀρχῆς δὲ πάσης πλέον τὸ ἐξ αὐτῆς καὶ μεῖζον.

Πρὸς δὲ τοὐναντίον εἴποι τις ἂν πρῶτον, ὅτι συγκρίνοντες ‹τὰ› αἰσθητὰ τοῖς νοητοῖς τρόπον τινὰ τὰ θνητὰ τοῖς θείοις ἐξισοῦμεν· ὁ γὰρ θεὸς ἐν τοῖς νοητοῖς. ἔπειτα πανταχοῦ δήπου τὸ περιεχόμενον ἔλαττόν ἐστι τοῦ περιέχοντος, ἡ δὲ τοῦ παντὸς φύσις τῷ νοητῷ περιέχει [c] τὸ αἰσθητόν· ὁ γὰρ θεὸς 'τὴν ψυχὴν εἰς τὸ μέσον θεὶς διὰ παντός τ' ἔτεινε καὶ ἔτι ἔξωθεν τὰ σώματα αὐτῇ περιεκάλυψεν' (Plat. Tim. 34b). ἔστι δ' ἀόρατος ἡ ψυχὴ καὶ 'πάσαις ταῖς αἰσθήσεσιν ἀναίσθητος' ὡς ἐν τοῖς Νόμοις (898e) εἴρηται· διὸ καὶ φθαρτὸς ἡμῶν εἷς ἕκαστός ἐστιν, ὁ δὲ κόσμος οὐ φθαρησόμενος· ἡμῶν μὲν γὰρ ἑκάστου τὴν ζωτικὴν δύναμιν ἐντὸς περιέχει τὸ θνητοειδὲς καὶ

διαλυτόν, ἐν δὲ τῷ κόσμῳ τοὐναντίον ὑπὸ τῆς κυριωτέρας ἀρχῆς καὶ κατὰ τὰ αὐτὰ ὡσαύτως ἐχούσης ἀεὶ σῴζεται τὸ σωματικὸν ἐν μέσῳ περιεχόμενον. καὶ μὴν ἀμερές γε λέγεται καὶ ἀμέριστον τὸ μὲν σῶμα μικρότητι, τὸ [d] δ' ἀσώματον καὶ νοητὸν ὡς ἁπλοῦν καὶ εἰλικρινὲς καὶ καθαρὸν ἁπάσης ἑτερότητος καὶ διαφορᾶς. καὶ ἄλλως εὔηθές ἐστι τοῖς σωματικοῖς τεκμαίρεσθαι περὶ τῶν ἀσωμάτων. τὸ γοῦν 'νῦν' ἀμερὲς μὲν καλεῖται καὶ ἀμέριστον, ἅμα δὲ πανταχοῦ ἐνέστηκε καὶ οὐδὲν αὐτοῦ τῆς οἰκουμένης μέρος ἔρημόν ἐστιν, ἀλλὰ καὶ πάθη πάντα καὶ πράξεις φθοραί τε πᾶσαι καὶ γενέσεις αἱ ὑπὸ τὸν κόσμον ἐν τῷ 'νῦν' περιέχονται. κριτήριον δὲ τοῦ νοητοῦ μόνον ἐστὶν ὁ νοῦς, ὡς φωτὸς ὄψις, δι' ἁπλότητα καὶ ὁμοιότητα· τὰ δὲ σώματα, πολλὰς διαφορὰς ἔχοντα καὶ ἀνομοιότητας, ἄλλα ἄλλοις κριτηρίοις ὥσπερ ὀργάνοις ἁλίσκεσθαι [e] πέφυκεν. ἀλλὰ μὴν οὐδὲ τῆς ἐν ἡμῖν νοητῆς καὶ νοερᾶς δυνάμεως καταφρονοῦσιν ὀρθῶς· πολλὴ γὰρ οὖσα καὶ μεγάλη περίεστι παντὸς τοῦ αἰσθητοῦ καὶ μέχρι τῶν θείων ἐξικνεῖται. τὸ δὲ μέγιστον αὐτὸς ἐν Συμποσίῳ (p. 210d) διδάσκων, πῶς δεῖ τοῖς ἐρωτικοῖς χρῆσθαι, μετάγοντα τὴν ψυχὴν ἀπὸ τῶν αἰσθητῶν καλῶν ἐπὶ τὰ νοητά, παρεγγυᾷ μήτε σώματός τινος μήτ' ἐπιτηδεύματος μήτ' ἐπιστήμης κάλλει μιᾶς ὑποτετάχθαι καὶ δουλεύειν, ἀλλ' ἀποστάντα τῆς περὶ ταῦτα μικρολογίας 'ἐπὶ τὸ πολὺ τοῦ καλοῦ πέλαγος τρέπεσθαι'.

ΖΗΤΗΜΑ Δ΄.

'Τί δήποτε, τὴν ψυχὴν ἀεὶ πρεσβυτέραν ἀποφαίνων [f] τοῦ σώματος αἰτίαν τε τῆς ἐκείνου γενέσεως καὶ ἀρχήν, πάλιν φησὶν (Tim. 30b) οὐκ ἂν γενέσθαι ψυχὴν ἄνευ σώματος οὐδὲ νοῦν ἄνευ ψυχῆς, ἀλλὰ ψυχὴν μὲν ἐν σώματι νοῦν δ' ἐν τῇ ψυχῇ; δόξει γὰρ τὸ σῶμα καὶ εἶναι καὶ μὴ εἶναι, συνυπάρχον ἅμα τῇ ψυχῇ καὶ γεννώμενον ὑπὸ τῆς [1003] [a] ψυχῆς.' ἢ τὸ πολλάκις ὑφ' ἡμῶν λεγόμενον ἀληθές ἐστιν; ἡ μὲν γὰρ ἄνους ψυχὴ καὶ τὸ ἄμορφον σῶμα συνυπῆρχον ἀλλήλοις ἀεὶ καὶ οὐδέτερον αὐτῶν γένεσιν ἔσχεν οὐδ' ἀρχήν· ἐπεὶ δ' ἡ ψυχὴ νοῦ μετέλαβε καὶ ἁρμονίας καὶ γενομένη διὰ συμφωνίας ἔμφρων μεταβολῆς αἰτία γέγονε τῇ ὕλῃ καὶ κρατήσασα ταῖς αὑτῆς κινήσεσι τὰς ἐκείνης ἐπεσπάσατο καὶ ἐπέστρεψεν, οὕτω τὸ σῶμα τοῦ κόσμου γένεσιν ἔσχεν ὑπὸ τῆς ψυχῆς, καὶ κατασχηματιζόμενον καὶ συνομοιούμενον. οὐ γὰρ ἐξ αὑτῆς ἡ ψυχὴ τὴν τοῦ σώματος ἐδημιούργει φύσιν οὐδ' ἐκ τοῦ μὴ ὄντος, ἀλλ' ἐκ σώματος ἀτάκτου καὶ ἀσχηματίστου σῶμα [b] τεταγμένον ἀπειργάσατο καὶ πειθήνιον. ὥσπερ οὖν, εἰ φαίη τις ἀεὶ τὴν τοῦ σπέρματος δύναμιν εἶναι μετὰ σώματος, γεγονέναι μέντοι τὸ σῶμα τῆς συκῆς ἢ τῆς ἐλαίας ὑπὸ σπέρματος, οὐδὲν ἐρεῖ διάφωνον (αὐτὸ γὰρ τὸ σῶμα, κινήσεως αὐτῷ καὶ μεταβολῆς ὑπὸ τοῦ σπέρματος ἐγγενομένης, ἔφυ

τοιοῦτο καὶ διεβλάστησεν), οὕτως ἡ ἄμορφος ὕλη καὶ ἀόριστος ὑπὸ τῆς ψυχῆς ἐνούσης σχηματισθεῖσα μορφὴν ἔσχε τοιαύτην καὶ διάθεσιν.

ΖΗΤΗΜΑ Ε΄.

‘Διὰ τί, τῶν μὲν εὐθυγράμμων τῶν δὲ κυκλικῶν σωμάτων καὶ σχημάτων ὄντων, τὰς τῶν εὐθυγράμμων ἀρχὰς ἔλαβε (Tim. 53 sqq.), τὸ ἰσοσκελὲς τρίγωνον καὶ [c] τὸ σκαληνόν, ὧν τὸ μὲν τὸν κύβον συνέστησε γῆς στοιχεῖον ὄντα, τὸ δὲ σκαληνὸν τήν τε πυραμίδα καὶ τὸ ὀκτάεδρον καὶ τὸ εἰκοσάεδρον, τὸ μὲν πυρὸς σπέρμα τὸ δ’ ἀέρος τὸ δ’ ὕδατος γενόμενον· τὸ δὲ τῶν κυκλικῶν ὅλως παρῆκε, καίτοι μνησθεὶς τοῦ σφαιροειδοῦς, ἐν οἷς φησι (55a) τῶν κατηριθμημένων σχημάτων ἕκαστον σώματος περιφεροῦς εἰς ἴσα διανεμητικὸν εἶναι;’

Πότερον, ὡς ὑπονοοῦσιν ἔνιοι, τὸ δωδεκάεδρον τῷ σφαιροειδεῖ προσένειμεν, εἰπὼν (55c) ὅτι τούτῳ πρὸς τὴν τοῦ παντὸς ‘ὁ θεὸς κατεχρήσατο’ φύσιν ‘ἐκεῖνο διαζωγραφῶν’; καὶ γὰρ μάλιστα τῷ πλήθει τῶν στοιχείων [d] ἀμβλύτητι δὲ τῶν γωνιῶν τὴν εὐθύτητα διαφυγὸν εὐκαμπές ἐστι, καὶ τῇ περιτάσει καθάπερ αἱ δωδεκάσκυτοι σφαῖραι κυκλοτερὲς γίγνεται καὶ περιληπτικόν· ἔχει γὰρ εἴκοσι γωνίας στερεάς, ὧν ἑκάστην ἐπίπεδοι περιέχουσιν ἀμβλεῖαι τρεῖς· ἑκάστη γὰρ ὀρθῆς ἐστι καὶ πέμπτου μορίου· συνήρμοσται δὲ καὶ συμπέπηγεν ἐκ δώδεκα πενταγώνων ἰσογωνίων καὶ ἰσοπλεύρων, ὧν ἕκαστον ἐκ τριάκοντα τῶν πρώτων σκαληνῶν τριγώνων συνέστηκε· διὸ καὶ δοκεῖ τὸν ζῳδιακὸν ἅμα καὶ τὸν ἐνιαυτὸν ἀπομιμεῖσθαι ταῖς διανομαῖς τῶν μοιρῶν ἰσαρίθμοις οὔσαις.

Ἢ πρότερόν ἐστι κατὰ φύσιν τὸ εὐθὺ τοῦ περιφεροῦς, μᾶλλον δ’ ὅλως πάθος τι τῆς εὐθείας ἡ περιφερής; [e] κάμπτεσθαι γὰρ λέγεται τὸ ὀρθόν, καὶ ὁ κύκλος γράφεται κέντρῳ καὶ διαστήματι, τοῦτο δ’ ἐστὶν εὐθείας τόπος, ὑφ’ ἧς καὶ μετρεῖται, τὸ γὰρ περιέχον ἐκ τοῦ μέσου πανταχόθεν ἴσον ἀφέστηκε. γεννᾶται δὲ καὶ κῶνος καὶ κύλινδρος ἀπ’ εὐθυγράμμων, ὁ μὲν τριγώνου περὶ μίαν πλευρὰν μένουσαν τῇ ἑτέρᾳ πλευρᾷ καὶ τῇ βάσει περιενεχθέντος, ὁ δὲ κύλινδρος παραλληλογράμμου ταὐτὸ τοῦτο παθόντος. ἔτι τῆς μὲν ἀρχῆς ἐγγυτέρω τὸ ἔλαττον, ἐλαχίστη δὲ πασῶν ἡ εὐθεῖα· τῆς γὰρ περιφεροῦς τὸ μὲν ‹ἐντός› ἐστι κοῖλον κυρτὸν δὲ τὸ ἐκτός. ἔτι τῶν σχημάτων [f] οἱ ἀριθμοὶ πρότεροι, καὶ γὰρ ἡ μονὰς τῆς στιγμῆς· ἔστι γὰρ ἡ στιγμὴ μονὰς ἐν θέσει. καὶ μὴν ἡ μονὰς τρίγωνός ἐστι· πᾶς γὰρ τρίγωνος ἀριθμὸς ὀκτάκις γενόμενος καὶ μονάδα προσλαβὼν γίγνεται τετράγωνος· τοῦτο δὲ καὶ τῇ μονάδι συμβέβηκε· πρότερον οὖν τοῦ κύκλου τὸ τρίγωνον· εἰ δὲ τοῦτο, καὶ εὐθεῖα τῆς περιφεροῦς. ἔτι τὸ στοιχεῖον εἰς οὐδὲν διαιρεῖται τῶν συνισταμένων ἐξ [1004] [a] αὐτοῦ, τοῖς δ’ ἄλλοις εἰς τὸ στοιχεῖον ἡ διάλυσις. εἰ τοίνυν τὸ μὲν

τρίγωνον εἰς οὐδὲν περιφερὲς διαλύεται, τὸν δὲ κύκλον εἰς τέτταρα τρίγωνα τέμνουσιν αἱ δύο διάμετροι, πρότερον ἂν τῇ φύσει καὶ στοιχειωδέστερον εἴη τοῦ κυκλικοῦ τὸ εὐθύγραμμον. ὅτι τοίνυν προηγούμενον μέν ἐστι τὸ εὐθύγραμμον, τὸ δὲ κυκλικὸν ἐπιγιγνόμενον καὶ συμβεβηκός, αὐτὸς ὁ Πλάτων (Tim. 55d) ἐνεδείξατο· τὴν γὰρ γῆν ἐκ κύβων συστησάμενος, ὧν ἕκαστον εὐθύγραμμοι περιέχουσιν ἐπιφάνειαι, σφαιροειδὲς αὐτῆς γεγονέναι τὸ σχῆμά φησι καὶ στρογγύλον. ὥστ' οὐδὲν ἔδει ποιεῖν τῶν περιφερῶν ἴδιον στοιχεῖον, εἰ καὶ τοῖς εὐθυγράμμοις πρὸς ἄλληλά πως συναρμοττομένοις ὁ σχηματισμὸς [b] οὗτος ἐπιγίγνεσθαι πέφυκεν.

Ἔτι, εὐθεῖα μὲν ἥ τε μείζων ἥ τε μικροτέρα τὴν αὐτὴν εὐθύτητα διατηρεῖ, τὰς δὲ τῶν κύκλων περιφερείας, ἂν ὦσι σμικρότεραι, καμπυλωτέρας καὶ σφιγγομένας τῇ κυρτότητι μᾶλλον ὁρῶμεν· ἂν δὲ μείζους, ἀνειμένας· ἱστάμενοι γοῦν κατὰ τὴν κυρτὴν περιφέρειαν οἱ μὲν κατὰ σημεῖον οἱ δὲ κατὰ γραμμὴν ἅπτονται τῶν ὑποκειμένων ἐπιπέδων· ὥσθ' ὑπονοήσειεν ἄν τις εὐθείας κατὰ μικρὰ πολλὰς συντιθεμένας τὴν περιφερῆ γραμμὴν ἀποτελεῖν.

Ὅρα δὲ μὴ τῶν μὲν ἐνταῦθα κυκλικῶν καὶ σφαιροειδῶν οὐδέν ἐστιν ἀπηκριβωμένον, ἀλλ' ἐντάσει καὶ περιτάσει τῶν εὐθυγράμμων ἢ μικρότητι τῶν μορίων τῆς [c] διαφορᾶς λανθανούσης ἐπιφαίνεται τὸ στρογγύλον καὶ κυκλοειδές, ὅθεν οὐδὲ κινεῖται φύσει τῶν ἐνταῦθα σωμάτων ἐγκυκλίως οὐδὲν ἀλλ' ἐπ' εὐθείας ἅπαντα· τὸ δ' ὄντως σφαιροειδὲς οὐκ ἔστιν αἰσθητοῦ σώματος ἀλλὰ τῆς ψυχῆς καὶ τοῦ νοῦ στοιχεῖον, οἷς καὶ τὴν κυκλοφορητικὴν κίνησιν ὡς προσήκουσαν κατὰ φύσιν ἀποδίδωσιν (Tim. 36e sq.).

ΖΗΤΗΜΑ Ϛ´.

'Πῶς ποτ' ἐν τῷ Φαίδρῳ (246d) λέγεται τὸ τὴν τοῦ πτεροῦ φύσιν, ὑφ' ἧς ἄνω τὸ ἐμβριθὲς ἄγεται, κεκοινωνηκέναι μάλιστα τῶν περὶ τὸ σῶμα τοῦ θείου;'

Πότερον ὅτι περὶ ἔρωτος ὁ λόγος ἐστί, κάλλους δὲ τοῦ περὶ τὸ σῶμα ὁ ἔρως, τὸ δὲ κάλλος ὁμοιότητι τῇ πρὸς [d] τὰ θεῖα κινεῖ καὶ ἀναμιμνήσκει τὴν ψυχήν; ἢ μᾶλλον οὐδὲν περιεργαστέον ἀλλ' ἁπλῶς ἀκουστέον ὅτι, τῶν περὶ τὸ σῶμα τῆς ψυχῆς δυνάμεων πλειόνων οὐσῶν, ἡ διαλογιστικὴ καὶ διανοητικὴ μάλιστα τοῦ θείου κεκοινώνηκεν, ἣν τῶν θείων καὶ οὐρανίων ἔφησεν; ἣν οὐκ ἀπὸ τρόπου πτερὸν προσηγόρευσεν, ὡς τὴν ψυχὴν ἀπὸ τῶν ταπεινῶν καὶ θνητῶν ἀναφέρουσαν.

ΖΗΤΗΜΑ Ζ´.

'Πῶς ποτέ φησιν ὁ Πλάτων (Tim. 79e80c) τὴν ἀντιπερίστασιν τῆς κινήσεως διὰ τὸ μηδαμοῦ κενὸν ὑπάρχειν αἰτίαν εἶναι τῶν περὶ τὰς ἰατρικὰς σικύας παθημάτων, καὶ τῶν περὶ τὴν κατάποσιν καὶ τὰ ῥιπτούμενα [e] βάρη

καὶ τὰ τῶν ὑδάτων ῥεύματα καὶ κεραυνούς, τήν τε φαινομένην πρὸς ἤλεκτρα καὶ τὴν λίθον τὴν Ἡρακλείαν ὁλκὴν τάς τε τῶν φθόγγων συμφωνίας;' δόξει γὰρ ἀτόπως αἰτίαν ‹μίαν› παμπόλλων καὶ ἀνομοίων γένεσιν ἐπάγειν παθῶν. τὸ μὲν γὰρ περὶ τὴν ἀναπνοὴν ὡς γίγνεται τῇ ἀντιπεριστάσει τοῦ ἀέρος, αὐτὸς ἱκανῶς ἀποδέδειχε (79b. 80d)· τὰ δὲ λοιπὰ πάντα φήσας θαυματουργεῖσθαι καὶ τῷ κενὸν εἶναι μηδὲν περιωθεῖν θ' αὑτὰ ταῦτ' εἰς ἄλληλα καὶ διαμείβεσθαι πρὸς τὰς αὑτῶν ἕδρας ἰόντα, τὴν καθ' ἕκαστον ἐξεργασίαν ἡμῖν ἀφῆκε.

Πρῶτον μὲν οὖν τὸ περὶ τὴν σικύαν τοιοῦτόν ἐστιν· ὁ περιληφθεὶς ὑπ' αὐτῆς πρὸς τῇ σαρκὶ μετὰ θερμότητος [f] ἀὴρ ἐκπυρωθεὶς καὶ γενόμενος τῶν τοῦ χαλκοῦ πόρων ἀραιότερος ἐξέπεσεν οὐκ εἰς κενὴν χώραν, οὐ γὰρ ἔστιν, εἰς δὲ τὸν περιεστῶτα τὴν σικύαν ἔξωθεν ἀέρα, κἀκεῖνον ἀπέωσεν· ὁ δὲ τὸν πρὸ αὑτοῦ· καὶ τοῦτο πάσχων ἀεὶ καὶ δρῶν ὁ ἔμπροσθεν ὑποχωρεῖ, τῆς κενουμένης γλιχόμενος [1005] [a] χώρας, ἣν ὁ πρῶτος ἐξέλιπεν· οὕτω δὲ τῇ σαρκὶ περιπίπτων, ἧς ἡ σικύα δέδρακται, καὶ ἀναζέων ἅμα συνεκθλίβει τὸ ὑγρὸν εἰς τὴν σικύαν.

Ἡ δὲ κατάποσις γίγνεται τὸν αὐτὸν τρόπον· αἱ γὰρ περὶ τὸ στόμα καὶ τὸν στόμαχον κοιλότητες ἀέρος ἀεὶ πλήρεις εἰσίν· ὅταν οὖν ἐμπιεσθῇ τὸ σιτίον ὑπὸ τῆς γλώττης, ἅμα καὶ τῶν παρισθμίων ἐνταθέντων, ἐκθλιβόμενος ὁ ἀὴρ πρὸς τὸν οὐρανὸν ἔχεται τοῦ ὑποχωροῦντος καὶ συνεπωθεῖ τὸ σιτίον.

Τὰ δὲ ῥιπτούμενα βάρη τὸν ἀέρα σχίζει μετὰ πληγῆς ἐμπεσόντα καὶ διίστησιν· ὁ δὲ περιρρέων ὀπίσω, τῷ φύσιν ἔχειν ἀεὶ τὴν ἐρημουμένην χώραν διώκειν καὶ ἀναπληροῦν συνέπεται τῷ ἀφιεμένῳ τὴν κίνησιν συνεπιταχύνων.

[b] Αἱ δὲ τῶν κεραυνῶν πτώσεις καὶ αὗται ῥίψεσιν ἐοίκασιν· ἐκπηδᾷ γὰρ ὑπὸ πληγῆς ἐν τῷ νέφει γενομένης τὸ πυρῶδες εἰς τὸν ἀέρα· κἀκεῖνος ἀντιρραγεὶς ὑποχωρεῖ, καὶ πάλιν ἐς ταὐτὸ συμπίπτων ἄνωθεν ἐξωθεῖ κάτω παρὰ φύσιν ἀποβιαζόμενος τὸν κεραυνόν.

Τὸ δ' ἤλεκτρον οὐδὲν ἕλκει τῶν παρακειμένων ὥσπερ οὐδ' ἡ σιδηρῖτις λίθος, οὐδὲ προσπηδᾷ τι τούτοις ἀφ' αὑτοῦ τῶν πλησίον· ἀλλ' ἡ μὲν λίθος τινὰς ἀπορροίας ἐξίησιν ἐμβριθεῖς καὶ πνευματώδεις, αἷς ὁ συνεχὴς ἀναστελλόμενος ἀὴρ ὠθεῖ τὸν πρὸ αὑτοῦ· κἀκεῖνος ἐν κύκλῳ περιιὼν καὶ ὑπονοστῶν αὖθις ἐπὶ τὴν κενουμένην χώραν [c] ἀποβιάζεται καὶ συνεφέλκεται τὸν σίδηρον. τὸ δ' ἤλεκτρον ἔχει μέν τι φλογοειδὲς ἢ πνευματικόν, ἐκβάλλει δὲ τοῦτο τρίψει τῆς ἐπιφανείας, τῶν πόρων ἀναστομωθέντων· τὸ δὲ ταὐτὸ μὲν ἐκπεσὸν ποιεῖ τῷ τῆς σιδηρίτιδος, ἐφέλκεται δὲ τῶν πλησίον τὰ κουφότατα καὶ ξηρότατα διὰ λεπτότητα καὶ ἀσθένειαν· οὐ γάρ ἐστιν ἰσχυρὸν οὐδ' ἔχει βάρος οὐδὲ ῥύμην πλῆθος ἀέρος

ἐξῶσαι δυναμένην, ᾧ τῶν μειζόνων, ὥσπερ ἡ σιδηρῖτις, ἐπικρατήσει. πῶς οὖν οὔτε λίθον οὔτε ξύλον ὁ ἀὴρ ἀλλὰ μόνον τὸν σίδηρον ὠθεῖ καὶ προστέλλει πρὸς τὴν λίθον; αὕτη δ' ἐστὶ μὲν ἀπορία κοινὴ πρός τε τοὺς ὁλκῇ τῆς λίθου καὶ τοὺς φορᾷ τοῦ σιδήρου τὴν σύμπηξιν οἰομένους γίγνεσθαι τῶν σωμάτων, εὔλυτος δ' ἂν οὕτως ὑπὸ τοῦ Πλάτωνος.

[d] ὁ σίδηρος οὔτ' ἄγαν ἀραιός ἐστιν ὡς ξύλον οὔτ' ἄγαν πυκνὸς ὡς χρυσὸς ἢ λίθος, ἀλλ' ἔχει πόρους καὶ οἴμους καὶ τραχύτητας διὰ τὰς ἀνωμαλίας τῷ ἀέρι συμμέτρους, ὥστε μὴ ἀπολισθαίνειν ἀλλ' ἕδραις τισὶν ἐνισχόμενον καὶ ἀντερείσεσι περιπλοκὴν σύμμετρον ἐχούσαις, ὡς ἂν ἐμπέσῃ πρὸς τὴν λίθον φερόμενος, ἀποβιάζεσθαι καὶ προωθεῖν τὸν σίδηρον. τούτων μὲν οὖν τοιοῦτός τις ἂν εἴη λόγος.

Ἡ δὲ τῶν ἐπὶ γῆς ὑδάτων ῥύσις οὐχ ὁμοίως εὐσύνοπτον ἔχει τὸν τῆς ἀντιπεριώσεως τρόπον. ἀλλὰ χρὴ καταμανθάνειν τὰ λιμναῖα τῶν ὑδάτων ἀτρεμοῦντα καὶ μένοντα τῷ περικεχύσθαι καὶ συναγαγεῖν πανταχόθεν [e] αὐτοῖς ἀκίνητον ἀέρα, μηδαμοῦ κενὴν ποιοῦντα χώραν. τὸ γοῦν ἐπιπολῆς ὕδωρ ἔν τε ταῖς λίμναις καὶ ἐν τοῖς πελάγεσι δονεῖται καὶ κυμαίνεται τοῦ ἀέρος σάλον λαμβάνοντος· ἕπεται γὰρ εὐθὺς μεθισταμένῳ καὶ συναπορρεῖ διὰ τὴν ἀνωμαλίαν· ἡ δὰρ κάτω πληγὴ τὴν κοιλότητα ποιεῖ τοῦ κύματος, ἡ δ' ἄνω τὸν ὄγκον, ἄχρις οὗ καταστῇ καὶ παύσηται, τῆς περιεχούσης τὰ ὑγρὰ χώρας ἱσταμένης. αἱ ῥύσεις οὖν τῶν φερομένων ἀεὶ τὰ ὑποχωροῦντα τοῦ ἀέρος διώκουσαι τοῖς δ' ἀντιπεριωθουμένοις ἐλαυνόμεναι τὸ ἐνδελεχὲς καὶ ἀλώφητον ἔχουσι. διὸ καὶ φέρονται θᾶττον [f] οἱ ποταμοὶ πληθύοντες· ὅταν δ' ὀλίγον ᾖ καὶ κοῖλον, †ἵεται τὸ ὑγρὸν ὑπ' ἀσθενείας, οὐχ ὑπείκοντος τοῦ ἀέρος οὐδὲ πολλὴν ἀντιπερίστασιν λαμβάνοντος. οὕτω δὲ καὶ τὰ πηγαῖα τῶν ὑδάτων ἀναγκαῖόν ἐστιν ἀναφέρεσθαι, τοῦ θύραθεν ἀέρος εἰς τὰς κενουμένας ἐν βάθει χώρας ὑποφερομένου [1006] [a] καὶ πάλιν θύραζε τὸ ὕδωρ ἐκπέμποντος. οἴκου δὲ βαθυσκίου καὶ περιέχοντος ἀέρα νήνεμον ὕδατι ῥανθὲν ἔδαφος πνεῦμα ποιεῖ καὶ ἄνεμον, μεθισταμένου τοῦ ἀέρος ἐξ ἕδρας παρεμπίπτοντι τῷ ὑγρῷ καὶ πληγὰς λαμβάνοντος. οὕτως ἐξωθεῖσθαί θ' ὑπ' ἀλλήλων καὶ ἀνθυπείκειν ἀλλήλοις πέφυκεν, οὐκ οὔσης κενότητος ἐν ᾗ θάτερον ἱδρυθὲν οὐ μεθέξει τῆς θατέρου μεταβολῆς.

Καὶ μὴν τὰ περὶ τῆς συμφωνίας αὐτὸς εἴρηκεν (Tim.

80a sq.), ὃν τρόπον ὁμοι‹οπαθεῖς αἱ κινήσεις ποι›οῦσι τοὺς φθόγγους. ὀξὺς μὲν γὰρ ὁ ταχὺς γίγνεται βαρὺς δ' ὁ βραδύς· διὸ καὶ πρότερον κινοῦσι τὴν αἴσθησιν οἱ ὀξεῖς· ὅταν δὲ τούτοις ἤδη μαραινομένοις καὶ ἀπολήγουσιν οἱ [b] βραδεῖς ἐπιβάλωσιν ἀρχόμενοι, τὸ κραθὲν αὐτῶν δι' ὁμοιοπάθειαν ἡδονὴν τῇ ἀκοῇ παρέσχεν, ἣν συμφωνίαν καλοῦσιν. ὅτι δὲ τούτων ὄργανον ὁ ἀήρ ἐστι,

ῥᾴδιον συνιδεῖν ἐκ τῶν προειρημένων. ἔστι γὰρ ἡ φωνὴ πληγὴ τοῦ αἰσθανομένου δι' ὤτων ὑπ' ἀέρος· πλήττει γὰρ πληγεὶς ὁ ἀὴρ ὑπὸ τοῦ κινήσαντος, ἂν μὲν ᾖ σφοδρόν, ὀξέως, ἂν δ' ἀμβλύ, μαλακώτερον· ὁ δὴ σφόδρα καὶ συντόνως πληγεὶς προσμίγνυσι τῇ ἀκοῇ πρότερος, εἶτα περιιὼν πάλιν καὶ καταλαμβάνων τὸν βραδύτερον συνέπεται καὶ συμπαραπέμπει τὴν αἴσθησιν.

ΖΗΤΗΜΑ Η΄.

'Πῶς λέγει τὰς ψυχὰς ὁ Τίμαιος (42d) εἴς τε γῆν καὶ σελήνην καὶ τἆλλα ὅσα ὄργανα χρόνου σπαρῆναι;'

[c] Πότερον οὕτως ἐκίνει τὴν γῆν, ὥσπερ ἥλιον καὶ σελήνην καὶ τοὺς πέντε πλάνητας, οὓς ὄργανα χρόνου διὰ τὰς τροπὰς προσηγόρευε, καὶ ἔδει τὴν γῆν (Tim. 40b) 'ἰλλομένην περὶ τὸν διὰ πάντων πόλον τεταμένον' μὴ μεμηχανῆσθαι συνεχομένην καὶ μένουσαν, ἀλλὰ στρεφομένην καὶ ἀνειλουμένην νοεῖν, ὡς ὕστερον Ἀρίσταρχος καὶ Σέλευκος ἀπεδείκνυσαν, ὁ μὲν ὑποτιθέμενος μόνον ὁ δὲ Σέλευκος καὶ ἀποφαινόμενος; Θεόφραστος δὲ καὶ προσιστορεῖ τῷ Πλάτωνι πρεσβυτέρῳ γενομένῳ μεταμέλειν, ὡς οὐ προσήκουσαν ἀποδόντι τῇ γῇ τὴν μέσην χώραν τοῦ παντός.

[d] Ἢ τούτοις μὲν ἀντίκειται πολλὰ τῶν ὁμολογουμένως ἀρεσκόντων τῷ ἀνδρί, μεταγραπτέον δὲ τὸ 'χρόνου' 'χρόνῳ' λαμβάνοντας ἀντὶ τῆς γενικῆς τὴν δοτικήν, καὶ δεκτέον ὄργανα μὴ τοὺς ἀστέρας ἀλλὰ τὰ σώματα τῶν ζῴων λέγεσθαι; καθάπερ Ἀριστοτέλης (de an. II 412a 27. b 5) ὡρίσατο τὴν ψυχὴν 'ἐντελέχειαν σώματος φυσικοῦ ὀργανικοῦ δυνάμει ζωὴν ἔχοντος.' ὥστε τοιοῦτον εἶναι τὸν λόγον· αἱ ψυχαὶ εἰς τὰ προσήκοντα ὀργανικὰ σώματα ἐν χρόνῳ κατεσπάρησαν. ἀλλὰ καὶ τοῦτο παρὰ τὴν δόξαν ἐστίν· οὐ γὰρ ἅπαξ ἀλλὰ πολλάκις ὄργανα χρόνου τοὺς ἀστέρας εἴρηκεν, ὅπου καὶ τὸν ἥλιον αὐτὸν 'εἰς [e] διορισμὸν καὶ φυλακὴν ἀριθμῶν χρόνου γεγονέναι' φησὶ (Tim. 38c) μετὰ τῶν ἄλλων πλανήτων.

Ἄριστον οὖν τὴν γῆν ὄργανον ἀκούειν χρόνου μὴ κινουμένην ὥσπερ τοὺς ἀστέρας, ἀλλὰ τῷ περὶ αὑτὴν μένουσαν ἀεὶ παρέχειν ἐκείνοις φερομένοις ἀνατολὰς καὶ δύσεις, αἷς τὰ πρῶτα μέτρα τῶν χρόνων, ἡμέραι καὶ νύκτες, ὁρίζονται· διὸ καὶ 'φύλακα καὶ δημιουργὸν' αὐτὴν ἀτρεκῆ 'νυκτὸς καὶ ἡμέρας' προσεῖπε (40c)· καὶ γὰρ οἱ τῶν ὡρολογίων γνώμονες οὐ συμμεθιστάμενοι ταῖς σκιαῖς ἀλλ' ἑστῶτες ὄργανα χρόνου καὶ μέτρα γεγόνασι, μιμούμενοι τῆς γῆς τὸ ἐπιπροσθοῦν τῷ ἡλίῳ περὶ αὐτὴν ὑποφερομένῳ, καθάπερ εἶπεν Ἐμπεδοκλῆς (B 48)

[f] 'νύκτα δὲ γαῖα τίθησιν, ὑφισταμένη φαέεσσι.'

τοῦτο μὲν οὖν τοιαύτην ἔχει τὴν ἐξήγησιν.

Ἐκεῖνο δὲ μᾶλλον ἄν τις ὑπίδοιτο, μὴ παρὰ τὸ εἰκὸς ὁ ἥλιος καὶ ἀτόπως λέγεται μετὰ τῆς σελήνης καὶ τῶν πλανήτων εἰς διορισμὸν χρόνου γεγονέναι. καὶ γὰρ ἄλλως μέγα τοῦ ἡλίου τὸ ἀξίωμα καὶ ὑπ' αὐτοῦ Πλάτωνος ἐν Πολιτείᾳ (508a. 509d) βασιλεὺς ἀνηγόρευται παντὸς [1007] [a] τοῦ αἰσθητοῦ καὶ κύριος, ὥσπερ τοῦ νοητοῦ τὸ ἀγαθόν· ἐκείνου γὰρ ἔγγονος λέγεται, παρέχων τοῖς ὁρατοῖς μετὰ τοῦ φαίνεσθαι τὸ γίγνεσθαι, καθάπερ ἀπ' ἐκείνου τὸ εἶναι καὶ τὸ γιγνώσκεσθαι τοῖς νοητοῖς ὑπάρχει. τὸν δὴ τοιαύτην φύσιν ἔχοντα καὶ δύναμιν τηλικαύτην θεὸν ὄργανον χρόνου γεγονέναι καὶ μέτρον ἐναργὲς τῆς πρὸς ἀλλήλας βραδυτῆτι καὶ τάχει τῶν ὀκτὼ σφαιρῶν διαφορᾶς οὐ πάνυ δοκεῖ πρεπῶδες οὐδ' ἄλλως εὔλογον εἶναι. ῥητέον οὖν τοὺς ὑπὸ τούτων ταραττομένους δι' ἄγνοιαν οἴεσθαι τὸν χρόνον 'μέτρον εἶναι κινήσεως καὶ ἀριθμὸν κατὰ ‹τὸ› πρότερον καὶ ὕστερον' ὡς Ἀριστοτέλης (Phys. IV 219b 2 al.) εἶπεν, ἢ 'τὸ ἐν κινήσει ποσόν' ὡς Σπεύσιππος, [b] ἢ 'διάστημα κινήσεως' ἄλλο δ' οὐδὲν ὡς ἔνιοι τῶν Στωικῶν (II 515) ἀπὸ συμβεβηκότος ὁριζόμενοι τὴν δ' οὐσίαν αὐτοῦ καὶ τὴν δύναμιν οὐ συνορῶντες, ἣν ὅ γε Πίνδαρος ἔοικεν οὐ φαύλως ὑπονοῶν εἰπεῖν (fr. 33)

'ἄνακτα τὸν πάντων ὑπερβάλλοντα χρόνον μακάρων'

ὅ τε Πυθαγόρας, ἐρωτηθεὶς τί χρόνος ἐστί, τὴν τοῦ ὅλου ψυχὴν εἰπεῖν. οὐ γὰρ πάθος οὐδὲ συμβεβηκὸς ἧς ἔτυχε κινήσεως ὁ χρόνος ἐστίν, αἰτία δὲ καὶ δύναμις καὶ ἀρχὴ τῆς πάντα συνεχούσης τὰ γιγνόμενα συμμετρίας καὶ τάξεως, ἣν ἡ τοῦ ὅλου φύσις ἔμψυχος οὖσα κινεῖται· μᾶλλον [c] δὲ κίνησις οὖσα καὶ τάξις αὐτὴ καὶ συμμετρία χρόνος καλεῖται· (Eur. Tro. 887)

'πάντα γὰρ δι' ἀψόφου
βαίνων κελεύθου κατὰ δίκην τὰ θνήτ' ἄγει·'

καὶ γὰρ ἡ ψυχῆς οὐσία κατὰ τοὺς παλαιοὺς 'ἀριθμὸς ἦν αὐτὸς ἑαυτὸν κινῶν'. διὸ δὴ καὶ Πλάτων (Tim. 38b) ἔφη χρόνον ἅμα μετ' οὐρανοῦ γεγονέναι, κίνησιν δὲ καὶ πρὸ τῆς τοῦ οὐρανοῦ γενέσεως. χρόνος δ' οὐκ ἦν· οὐδὲ γὰρ τάξις οὐδὲ μέτρον οὐδὲν οὐδὲ διορισμός, ἀλλὰ κίνησις ἀόριστος ὥσπερ ἄμορφος ὕλη χρόνου καὶ ἀσχημάτιστος· †ἐπικλύσασα δ' ἐν χρόᾳ καὶ καταβαλοῦσα τὴν μὲν ὕλην σχήμασι τὴν δὲ κίνησιν περιόδοις, τὴν μὲν κόσμον ἅμα τὴν δὲ χρόνον ἐποίησεν. εἰκόνες δ' εἰσὶν ἄμφω τοῦ θεοῦ, [d] τῆς μὲν οὐσίας ὁ κόσμος τῆς δ' ἀιδιότητος ‹ὁ› χρόνος, ἐν κινήσει, καθάπερ ἐν γενέσει θεὸς ὁ κόσμος. ὅθεν ὁμοῦ γεγονότας φησὶν (Tim. 38b) ὁμοῦ καὶ λυθήσεσθαι πάλιν, ἄν τις αὐτοὺς καταλαμβάνῃ λύσις· οὐ γὰρ οἷόν τε χωρὶς χρόνου τὸ γενητὸν ὥσπερ οὐδὲ τὸ νοητὸν αἰῶνος, εἰ μέλλει τὸ μὲν ἀεὶ μένειν τὸ δὲ μηδέποτε διαλύεσθαι γιγνόμενον. οὕτως οὖν ἀναγκαίαν πρὸς τὸν οὐρανὸν ἔχων συμπλοκὴν καὶ συναρμογὴν ὁ χρόνος οὐχ ἁπλῶς ἐστι κίνησις,

ἀλλ’ ὥσπερ εἴρηται κίνησις ἐν τάξει μέτρον ἐχούσῃ καὶ πέρατα καὶ περιόδους· ὧν ὁ ἥλιος ἐπιστάτης ὢν καὶ [e] σκοπὸς ὁρίζειν καὶ βραβεύειν καὶ ἀναδεικνύναι καὶ ἀναφαίνειν μεταβολὰς καὶ ὥρας ‘αἳ πάντα φέρουσι’ καθ’ Ἡράκλειτον (B 100), οὐ φαύλων οὐδὲ μικρῶν ἀλλὰ τῶν μεγίστων καὶ κυριωτάτων τῷ ἡγεμόνι καὶ πρώτῳ θεῷ γίγνεται συνεργός.

ΖΗΤΗΜΑ Θ΄.

Περὶ τῶν τῆς ψυχῆς δυνάμεων ἐν Πολιτείᾳ (443d) Πλάτωνος τὴν τοῦ λογι‹στι›κοῦ καὶ θυμοειδοῦς καὶ ἐπιθυμητικοῦ συμφωνίαν ἁρμονίᾳ μέσης καὶ ὑπάτης καὶ νήτης εἰκάσαντος ἄριστα, διαπορήσειεν ἄν τις ‘πότερον κατὰ τῆς μέσης τὸ θυμοειδὲς ἢ τὸ λογιστικὸν ἔταξεν;’ αὐτὸς γὰρ ἔν γε τούτοις οὐ δεδήλωκεν. ἡ μὲν οὖν κατὰ τόπον [f] τῶν μερῶν τάξις εἰς τὴν τῆς μέσης χώραν τίθεται τὸ θυμοειδές, τὸ δὲ λογιστικὸν εἰς τὴν τῆς ὑπάτης. τὸ γὰρ ἄνω καὶ πρῶτον ὕπατον οἱ παλαιοὶ προσηγόρευον· ᾗ καὶ Ξενοκράτης (fr. 18 H.) Δία τὸν μὲν ἐν τοῖς κατὰ τὰ αὐτὰ καὶ ὡσαύτως ἔχουσιν ὕπατον καλεῖ, νέατον δὲ τὸν ὑπὸ σελήνην· πρότερος δ’ Ὅμηρος (Θ 31 al.) τὸν τῶν ἀρχόντων [1008] [a] ἄρχοντα θεὸν ‘ὕπατον κρειόντων’ προσεῖπε. καὶ δικαίως τῷ κρατίστῳ ἀποδέδωκε τὴν ἄνω χώραν ἡ φύσις, ὥσπερ κυβερνήτην ἐνιδρύσασα τῇ κεφαλῇ τὸν λογισμόν, ἔσχατον δὲ καὶ νέατον ἀποικίσασα πόρρω τὸ ἐπιθυμητικόν. ἡ γὰρ κάτω νεάτη προσαγορεύεται τάξις, ὡς δηλοῦσιν αἱ τῶν νεκρῶν κλήσεις ‘νερτέρων’ καὶ ‘ἐνέρων’ προσαγορευομένων· ἔνιοι δὲ καὶ τῶν ἀνέμων φασὶ τὸν κάτωθεν ἐκ τοῦ ἀφανοῦς πνέοντα νότον ὠνομάσθαι. ἣν οὖν τὸ ἔσχατον ἔχει πρὸς τὸ πρῶτον ἀντίθεσιν καὶ τὸ νέατον πρὸς τὸ ὕπατον, ταύτην τοῦ ἐπιθυμητικοῦ πρὸς τὸ λογιστικὸν ἔχοντος, οὐκ ἔστιν ἀνωτάτω μὲν εἶναι καὶ πρῶτον ὕπατον δὲ μὴ εἶναι τὸ λογιστικὸν ἀλλ’ ἕτερον. οἱ γὰρ ὡς [b] κυρίαν δύναμιν αὐτῷ τὴν τῆς μέσης ἀποδιδόντες ἀγνοοῦσιν ὅτι τὴν κυριωτέραν ἀφαιροῦνται τὴν τῆς ὑπάτης, μήτε τῷ θυμῷ μήτε τῇ ἐπιθυμίᾳ προσήκουσαν· ἑκάτερον γὰρ ἄρχεσθαι καὶ ἀκολουθεῖν οὐδέτερον δ’ ἄρχειν ἢ ἡγεῖσθαι τοῦ λογιστικοῦ πέφυκεν. ἔτι δὲ μᾶλλον τῇ φύσει φανεῖται τὸ θυμοειδὲς ‹ἢ› τῷ τόπῳ τὴν μέσην ἔχον ἐκείνων τάξιν· εἴ γε δὴ τῷ μὲν λογιστικῷ τὸ ἄρχειν, τῷ δὲ θυμοειδεῖ τὸ ἄρχεσθαι καὶ τὸ ἄρχειν κατὰ φύσιν ἐστίν, ὑπηκόῳ μὲν ὄντι τοῦ λογισμοῦ κρατοῦντι δὲ καὶ κολάζοντι τὴν ἐπιθυμίαν, ὅταν ἀπειθῇ τῷ λογισμῷ. καὶ καθάπερ ἐν γράμμασι τὰ ἡμίφωνα μέσα τῶν ἀφώνων ἐστὶ καὶ [c] τῶν φωνηέντων τῷ πλέον ἐκείνων ἠχεῖν ἔλαττον δὲ τούτων, οὕτως ἐν τῇ ψυχῇ τοῦ ἀνθρώπου τὸ θυμοειδὲς οὐκ ἀκράτως παθητικόν ἐστιν ἀλλὰ φαντασίαν καλοῦ πολλάκις ἔχει μεμιγμένην ἀλόγῳ τῇ τῆς τιμωρίας ὀρέξει. καὶ Πλάτων (Phaedr. 246a) αὐτὸς εἰκάσας συμφύτῳ ζεύγει καὶ ἡνιόχῳ τὸ τῆς ψυχῆς, εἶδος, ἡνίοχον μέν, ὡς παντὶ

δῆλον, ἀπέφηνε τὸ λογιστικόν· τῶν δ' ἵππων τὸ μὲν περὶ τὰς ἐπιθυμίας ἀπειθὲς καὶ ἀνάγωγον παντάπασι 'περὶ ὦτα λάσιον, κωφόν, μάστιγι μετὰ κέντρων μόγις ὑπεῖκον' (253e), τὸ δὲ θυμοειδὲς εὐήνιον τὰ πολλὰ τῷ λογισμῷ καὶ σύμμαχον. ὥσπερ οὖν συνωρίδος οὐχ ὁ [d] ἡνίοχός ἐστιν ἀρετῇ καὶ δυνάμει μέσος, ἀλλὰ τῶν ἵππων ὁ φαυλότερος μὲν τοῦ ἡνιόχου βελτίων δὲ τοῦ ὁμοζύγου, οὕτω τῆς ψυχῆς οὐ τῷ κρατοῦντι τὴν μέσην ἀπένειμε τάξιν, ἀλλ' ᾧ πάθους μὲν ἧττον ἢ τῷ ‹τρίτῳ μᾶλλον δ' ἢ τῷ› πρώτῳ, λόγου δὲ μᾶλλον ἢ τῷ τρίτῳ ‹ἧττον δ' ἢ τῷ πρώτῳ› μέτεστιν. αὕτη γὰρ ἡ τάξις καὶ τὴν τῶν συμφωνιῶν ἀναλογίαν φυλάσσει, τοῦ μὲν θυμοειδοῦς πρὸς τὸ λογιστικὸν ὡς ὑπάτην τὸ διὰ τεσσάρων, πρὸς δὲ τὸ ἐπιθυμητικὸν ὡς νήτην τὸ διὰ πέντε, τοῦ δὲ λογιστικοῦ πρὸς τὸ ἐπιθυμητικὸν ὡς ὑπάτη πρὸς νήτην τὸ διὰ πασῶν. ἐὰν δὲ τὸν λογισμὸν εἰς τὸ μέσον ἕλκωμεν, ἔσται [e] πλέον ὁ θυμὸς ἀπέχων τῆς ἐπιθυμίας, ὃν ἔνιοι τῶν φιλοσόφων ἐπιθυμίᾳ ταὐτὸν εἶναι δι' ὁμοιότητα νομίζουσιν.

Ἢ τὸ μὲν τοῖς τόποις ἀπονέμειν τὰ πρῶτα καὶ τὰ μέσα καὶ τὰ τελευταῖα γελοῖόν ἐστιν, αὐτὴν τὴν ὑπάτην ὁρῶντας ἐν μὲν λύρᾳ τὸν ἀνωτάτω καὶ πρῶτον, ἐν δ' αὐλοῖς τὸν κάτω καὶ τὸν τελευταῖον ἐπέχουσαν, ἔτι δὲ τὴν μέσην ἐν ᾧ τις ἂν χωρίῳ τῆς λύρας θέμενος ὡσαύτως ἁρμόσηται, φθεγγομένην ὀξύτερον μὲν ὑπάτης βαρύτερον δὲ νήτης. καὶ γὰρ ὀφθαλμὸς οὐκ ἐν παντὶ ζῴῳ τὴν αὐτὴν ἔχει τάξιν, ἐν παντὶ δὲ καὶ πανταχοῦ κείμενος κατὰ φύσιν ὁρᾶν ὁμοίως πέφυκεν. ὥσπερ οὖν ὁ παιδαγωγὸς οὐ [f] πρόσθεν ἀλλ' ὄπισθεν βαδίζων ἄγειν λέγεται, καὶ ὁ τῶν Τρώων στρατηγὸς (Λ 64)

'ὁτὲ μέν τε μετὰ πρώτοισι φάνεσκεν,

ἄλλοτε δ' ἐν πυμάτοισι κελεύων',

ἑκατέρωθι δ' ἦν πρῶτος καὶ τὴν πρώτην δύναμιν εἶχεν, οὕτω τὰ τῆς ψυχῆς μόρια δεῖ μὴ τοῖς τόποις καταβιάζεσθαι μηδὲ τοῖς ὀνόμασιν, ἀλλὰ τὴν δύναμιν καὶ τὴν ἀναλογίαν [1009] [a] ἐξετάζειν. τὸ γὰρ τῇ θέσει πρῶτον ἱδρῦσθαι τὸ λογιστικὸν ἐν τῷ σώματι τοῦ ἀνθρώπου κατὰ συμβεβηκός ἐστι· τὴν δὲ πρώτην ἔχει καὶ κυριωτάτην δύναμιν ὡς μέση πρὸς ὑπάτην μὲν τὸ ἐπιθυμητικόν, νήτην δὲ τὸ θυμοειδές, τῷ χαλᾶν καὶ ἐπιτείνειν καὶ ὅλως συνῳδὰ καὶ σύμφωνα ποιεῖν ἑκατέρου τὴν ὑπερβολὴν ἀφαιρῶν καὶ πάλιν οὐκ ἐῶν ἀνίεσθαι παντάπασιν οὐδὲ καταδαρθάνειν· τὸ γὰρ μέτριον καὶ σύμμετρον ὁρίζεται μεσότητι. μᾶλλον δὲ τοῦτο τέλος ἐστὶ τῆς τοῦ λόγου δυνάμεως, μεσότητας ἐν τοῖς πάθεσι ποιεῖν, ἃς ἱερὰς καλοῦσι καὶ ὁσίας, ἐχούσας [b] τὴν τῶν ἄκρων πρὸς τὸν λόγον καὶ πρὸς ἄλληλα διὰ τοῦ λόγου σύγκρασιν. οὐ γὰρ ἡ συνωρὶς μέσον ἔχει τῶν ὑποζυγίων τὸ κρεῖττον, οὐδὲ τὴν ἡνιοχείαν ἀκρότητα θετέον ἀλλὰ μεσότητα τῆς ἐν ὀξύτητι καὶ βραδύτητι

τῶν ἵππων ἀμετρίας, ὥσπερ ἡ τοῦ λόγου δύναμις ἀντιλαμβανομένη κινουμένων ἀλόγως τῶν παθῶν καὶ συναρμόττουσα περὶ αὑτὴν εἰς τὸ μέτριον ἐλλείψεως καὶ ὑπερβολῆς μεσότητα καθίστησι.

ΖΗΤΗΜΑ Ι΄.

'Διὰ τί Πλάτων εἶπε (Soph. 262c) τὸν λόγον ἐξ ὀνομάτων καὶ ῥημάτων κεράννυσθαι;' δοκεῖ γὰρ πάντα πλὴν δυεῖν τούτων τὰ μέρη τοῦ λόγου †μηθὲν .... Ὅμηρον [c] δὲ καὶ νεανιευσάμενον εἰς ἕνα στίχον ἐμβαλεῖν ἅπαντα τοῦτον (Α 185)

'αὐτὸς ἰὼν κλισίηνδε, τὸ σὸν γέρας· ὄφρ' εὖ εἰδῇς.'

καὶ γὰρ ἀντωνυμία καὶ μετοχὴ καὶ ὄνομα καὶ ῥῆμα καὶ πρόθεσις καὶ ἄρθρον καὶ σύνδεσμος καὶ ἐπίρρημα ἔνεστι· τὸ γὰρ 'δε' μόριον νῦν ἀντὶ τῆς 'εἰς' προθέσεως τέτακται· τὸ γὰρ 'κλισίηνδε' τοιοῦτόν ἐστιν οἷον τὸ 'Ἀθήναζε'. τί δὴ ῥητέον ὑπὲρ τοῦ Πλάτωνος;

Ἦ ὅτι πρῶτον λόγον οἱ παλαιοὶ τὴν τότε καλουμένην πρότασιν νῦν δ' ἀξίωμα προσηγόρευον, ὃ πρῶτον λέγοντες ἀληθεύουσιν ἢ ψεύδονται; τοῦτο δ' ἐξ ὀνόματος καὶ ῥήματος συνέστηκεν, ὧν τὸ μὲν πτῶσιν οἱ διαλεκτικοὶ [d] τὸ δὲ κατηγόρημα καλοῦσιν. ἀκούσαντες γὰρ ὅτι 'Σωκράτης φιλοσοφεῖ' καὶ πάλιν ὅτι 'Σωκράτης πέτεται', τὸν μὲν ἀληθῆ λόγον εἶναι τὸν δὲ ψευδῆ φήσομεν, οὐδενὸς ἄλλου προσδεηθέντες. καὶ γὰρ εἰκὸς ἀνθρώπους ἐν χρείᾳ λόγου τὸ πρῶτον καὶ φωνῆς ἐνάρθρου γενέσθαι τάς τε πράξεις καὶ τοὺς πράττοντας αὐτὰς καὶ τὰ πάθη καὶ τοὺς πάσχοντας ἀλλήλοις διασαφεῖν καὶ ἀποσημαίνειν βουλομένους. ἐπεὶ τοίνυν τῷ μὲν ῥήματι τὰ πράγματα καὶ τὰ πάθη, τῷ δ' ὀνόματι τοὺς πράττοντας αὐτὰ καὶ πάσχοντας ἀποχρώντως δηλοῦμεν, ὡς αὐτὸς εἴρηκε (Soph. 262a), ταῦτα σημαίνειν ἔδοξε· τὰ δ' ἄλλα φαίη τις ἂν οὐ σημαίνειν· [e] οἷον οἱ στεναγμοὶ καὶ ὀλολυγμοὶ τῶν ὑποκριτῶν, καὶ νὴ Δία πολλάκις ἐπιμειδίασις καὶ ἀποσιώπησις ἐμφαντικώτερον ποιεῖ τὸν λόγον, οὐ μὴν ἀναγκαίαν ἔχει πρὸς τὸ σημαίνειν ὡς τὸ ῥῆμα καὶ τοὔνομα δύναμιν ἀλλ' ἐπίθετόν τινα ποικίλλουσαν τὸν λόγον· ὥσπερ τὰ στοιχεῖα ποικίλλουσιν οἱ τὰ πνεύματα καὶ τὰς δασύτητας αὐτῶν ἐκτάσεις τε καὶ συστολὰς ἐνίων αὐτὰ καθ' αὑτὰ στοιχεῖα τιθέμενοι, πάθη μᾶλλον ὄντα καὶ συμβεβηκότα καὶ διαφορὰς στοιχείων, ὡς ἐδήλωσαν οἱ παλαιοὶ διὰ τῶν ἑκκαίδεκα φράζοντες ἀποχρώντως καὶ γράφοντες.

[f] Ἔπειτα σκόπει μὴ παρακούωμεν τοῦ Πλάτωνος, ἐκ τούτων κεράννυσθαι τὸν λόγον οὐ διὰ τούτων εἰρηκότος· εἶθ' ὥσπερ ὁ τὸν λέγοντα τὸ φάρμακον ἐκ κηροῦ μεμῖχθαι καὶ χαλβάνης συκοφαντῶν, ἐπεὶ τὸ πῦρ παρέλιπε καὶ τὸ ἀγγεῖον ὧν χωρὶς οὐκ ἐνῆν μεμῖχθαι, καὶ ἡμεῖς ὁμοίως ἐγκαλῶμεν ὅτι συνδέσμους καὶ προθέσεις καὶ τὰ τοιαῦτα παρῆκεν· οὐ γὰρ ἐκ

τούτων ὁ λόγος ἀλλ', εἴπερ ἄρα, διὰ τούτων καὶ οὐκ ἄνευ τούτων κεράννυσθαι πέφυκεν. [1010] [a] οὐ γάρ, ὥσπερ ὁ τὸ 'τύπτει' φθεγξάμενος ἢ τὸ 'τύπτεται' καὶ πάλιν τὸ 'Σωκράτης' ἢ τὸ 'Πυθαγόρας' ἁμωσγέπως νοῆσαί τι καὶ διανοηθῆναι παρέσχηκεν, οὕτω τοῦ 'μέν' ἢ 'γάρ' ἢ 'περί' καθ' αὑτὸ ἐκφωνηθέντος ἔστιν ἔννοιάν τινα λαβεῖν ἢ πράγματος ἢ σώματος· ἀλλ' ἐὰν μὴ περὶ ἐκεῖνα καὶ μετ' ἐκείνων ἐκφέρηται, ψόφοις κενοῖς καὶ ἤχοις ἔοικεν· ὅτι ταῦτα μὲν οὔτε καθ' αὑτὰ σημαίνειν οὔτε μετ' ἀλλήλων οὐδὲν πέφυκεν, ἀλλ' ὅπως ἂν συμπλέκωμεν ἢ μιγνύωμεν εἰς ταὐτὸ συνδέσμους καὶ ἄρθρα καὶ προθέσεις, ἕν τι πειρώμενοι κοινὸν ἐξ αὐτῶν ποιεῖν, [b] τερετίζειν μᾶλλον ἢ διαλέγεσθαι δόξομεν· ῥήματος δ' ὀνόματι συμπλεκομένου, τὸ γενόμενον εὐθὺς διάλεκτός ἐστι καὶ λόγος. ὅθεν εἰκότως ἔνιοι μόνα ταῦτα μέρη τοῦ λόγου τίθενται· καὶ Ὅμηρος ἴσως τοῦτο βούλεται δηλοῦν ἑκάστοτε λέγων (Η 108)

'ἔπος τ' ἔφατ' ἔκ τ' ὀνόμαζεν·'

ἔπος γὰρ τὸ ῥῆμα καλεῖν εἴωθεν, ὥσπερ ἐν τούτοις (ψ 183)

'ὦ γύναι, ἦ μάλα τοῦτο ἔπος θυμαλγὲς ἔειπες'

καὶ (θ 408)

'χαῖρε πάτερ ὦ ξεῖνε, ἔπος δ' εἴπερ τι λέλεκται
δεινόν, ἄφαρ τὸ φέροιεν ἀναρπάξασαι ἄελλαι.'

οὔτε γὰρ σύνδεσμον οὔτ' ἄρθρον οὔτε πρόθεσιν δεινὸν ἔστι καὶ θυμαλγὲς εἰπεῖν, ἀλλὰ ῥῆμα πράξεως ἐμφαντικὸν [c] αἰσχρᾶς ἢ πάθους τινὸς ἀνεπιτηδείου. διὸ καὶ ποιητὰς καὶ συγγραφεῖς εἰώθαμεν ἐπαινεῖν ἢ ψέγειν οὕτω πως λέγοντες 'Ἀττικοῖς ὀνόμασιν ὁ δεῖνα κέχρηται' καὶ 'καλοῖς ῥήμασιν' ἢ πάλιν 'πεζοῖς'· τὸ δέ γε 'πεζοῖς' ἢ 'καλοῖς' πάλιν καὶ 'Ἀττικοῖς ἄρθροις' οὐκ ἂν εἴποι τις Εὐριπίδην ἢ Θουκυδίδην διειλέχθαι.

'Τί οὖν;' φήσαι τις ἄν, 'οὐδὲν ταῦτα συμβάλλεται πρὸς λόγον;' ἔγωγε φήσαιμ' ἂν ὥσπερ ἅλας συμβάλλεσθαι πρὸς ὄψον ὕδωρ δὲ πρὸς μᾶζαν· Εὔηνος δὲ καὶ τὸ πῦρ ἔφασκεν ἡδυσμάτων εἶναι κράτιστον. ἀλλ' οὔθ' ὕδωρ μάζης ἢ ἄρτου μέρος εἶναι λέγομεν οὔτε πῦρ οὔθ' ἅλας ἑψήματος ἢ βρώματος· ὧν ἀεὶ τυγχάνομεν δεόμενοι, οὐχ ὥσπερ ὁ λόγος πολλάκις ἐκείνων ἀπροσδεής ἐστιν· ὡς [d] δοκεῖ μοι περὶ Ῥωμαίων λέγειν ὁρῶ μέλλω †νῦν ὁμοῦ τι πάντες ἄνθρωποι χρῶνται· προθέσεις τε γὰρ ἀφῄρηκε πλὴν ὀλίγων ἁπάσας, τῶν τε καλουμένων ἄρθρων οὐδὲν προσδέχεται τὸ παράπαν, ἀλλ' ὥσπερ ἀκρασπέδοις χρῆται τοῖς ὀνόμασι. καὶ οὐ θαυμαστόν ἐστιν, ὅπου καὶ Ὅμηρος 'ἐπέων κόσμῳ' περιγενόμενος ὀλίγοις τῶν ὀνομάτων ἄρθρα ὥσπερ λαβὰς ἐκπώμασι δεομένοις ἢ λόφους κράνεσιν ἐπιτίθησι· διὸ καὶ παράσημα τῶν ἐπῶν ἐν οἷς ταῦτα ποιεῖ γέγονεν, ὡς τὸ (Ξ 459)

‘Αἴαντι δὲ μάλιστα δαΐφρονι θυμὸν ὄρινε

καὶ τὸ (Υ 147)
‘ποιέεν, ὄφρα τὸ κῆτος ὑπεκπροφυγὼν ἀλέοιτο·’

[e]καὶ βραχέα πρὸς τούτοις ἕτερα· τοῖς δ’ ἄλλοις μυρίοις οὖσιν ἄρθρου μὴ προσόντος οὐδὲν εἰς σαφήνειαν οὐδὲ κάλλος ἡ φράσις βλάπτεται.

Καὶ μὴν οὔτε ζῷον οὔτ’ ὄργανον οὔθ’ ὅπλον οὔτ’ ἄλλο τῶν ὄντων οὐδὲν οἰκείου μέρους ἀφαιρέσει καὶ στερήσει πέφυκε γίγνεσθαι κάλλιον οὐδ’ ἐνεργέστερον οὐδ’ ἥδιον· λόγος δέ, συνδέσμων ἐξαιρεθέντων, πολλάκις ἐμπαθεστέραν καὶ κινητικωτέραν ἔχει δύναμιν· ὡς ὁ τοιοῦτος (Σ 536)
‘ἄλλον ζωὸν ἔχουσα νεούτατον, ἄλλον ἄουτον,
ἄλλον τεθνειῶτα κατὰ μόθον ἕλκε ποδοῖιν·’

καὶ τὰ τοῦ Δημοσθένους (21, 72) ταυτὶ ‘πολλὰ γὰρ ἂν ποιήσειεν ὁ τύπτων, ὧν ὁ παθὼν ἔνι’ οὐδ’ ἂν ἀπαγγεῖλαι [f] δύναιθ’ ἑτέρῳ· τῷ σχήματι τῷ βλέμματι τῇ φωνῇ· ὅταν ὑβρίζων, ὅταν ἐχθρὸς ὑπάρχων, ὅταν κονδύλοις, ὅταν ἐπὶ κόρρης· ταῦτα κινεῖ, ταῦτ’ ἐξίστησιν αὑτῶν ἀνθρώπους ἀήθεις τοῦ προπηλακίζεσθαι.’ καὶ πάλιν (21, 200) ‘ἀλλ’ οὐ Μειδίας· ἀλλ’ ἀπὸ ταύτης τῆς ἡμέρας λέγει, λοιδορεῖται, βοᾷ· χειροτονεῖταί τις; Μειδίας Ἀναγυράσιος. [1011] [a] προβέβληται· Πλουτάρχου προξενεῖ, τὰ ἀπόρρητ’ οἶδεν, ἡ πόλις αὐτὸν οὐ χωρεῖ.’ διὸ καὶ σφόδρα τὸ ἀσύνδετον σχῆμα παρὰ τοῖς τέχνας γράφουσιν εὐδοκιμεῖ· τοὺς δ’ ἄγαν νομίμους ἐκείνους καὶ μηδένα σύνδεσμον ἐκ τῆς συνηθείας ἀφιέντας ὡς ἀργὴν καὶ ἀπαθῆ καὶ κοπώδη τῷ ἀμεταβλήτῳ τὴν φράσιν ποιοῦντας αἰτιῶνται. τὸ δὲ τοὺς διαλεκτικοὺς μάλιστα συνδέσμων δεῖσθαι πρὸς τὰς τῶν ἀξιωμάτων συναφὰς καὶ συμπλοκὰς καὶ διαζεύξεις, ὥσπερ ἡνιόχους ζυγῶν καὶ τὸν ‹ἐν› Κύκλωπος Ὀδυσσέα λύγων πρὸς τὴν τῶν προβάτων σύν‹δεσιν ....› οὐ μέρος λόγου τὸν σύνδεσμον ἀλλ’ ὄργανόν τι συνδετικὸν ἀποφαίνει, [b] καθάπερ ὠνόμασται, καὶ συνεκτικὸν οὐ πάντων ἀλλὰ τῶν οὐχ ἁπλῶς λεγομένων· εἰ μὴ καὶ τοῦ φορτίου τὸν ἱμάντα καὶ τοῦ βιβλίου τὴν κόλλαν ἀξιοῦσι μέρος εἶναι, καὶ νὴ Δία τὰς διανομὰς τοῦ πολιτεύματος, ὡς ἔλεγε Δημάδης, κόλλαν ὀνομάζων τὰ θεωρικὰ τῆς δημοκρατίας. ποῖος δὲ σύνδεσμος οὕτως ἓν ἐκ πολλῶν ἀξίωμα ποιεῖ συμπλέκων καὶ συνάπτων, ὡς ἡ μάρμαρος τὸν συλλιπαινόμενον διὰ τοῦ πυρὸς σίδηρον; ἀλλ’ οὐκ ἔστιν οὐδὲ λέγεται τοῦ σιδήρου μέρος· καίτοι ταῦτά γε τοῖς κεραννυμένοις ἐνδυόμενα καὶ συντηκόμενα ποιεῖ τι καὶ πάσχει [c] κοινὸν ἐκ πλειόνων, τοὺς δὲ συνδέσμους εἰσὶν οἱ μὴ νομίζοντες ἕν τι ποιεῖν, ἀλλ’ ἐξαρίθμησιν εἶναι τὴν διάλεκτον, ὥσπερ ἀρχόντων ἐφεξῆς ‹ἢ› ἡμερῶν καταλεγομένων.

Καὶ μὴν τῶν γε λοιπῶν ἡ μὲν ἀντωνυμία περιφανῶς γένος ὀνόματός ἐστιν, οὐχ ᾗ πτώσεων μετέχει μόνον, ἀλλὰ καὶ τῷ κυριωτάτην ἅμα τῇ φάσει ποιεῖν δεῖξιν ἐνίας ἐπὶ τῶν ὡρισμένων ἐκφερομένας· καὶ οὐκ οἶδ' ὅ τι μᾶλλον ὁ 'Σωκράτην' φθεγξάμενος ἢ ὁ 'τοῦτον' εἰπὼν ὀνομαστὶ πρόσωπον δεδήλωκεν. ἡ δὲ καλουμένη μετοχή, μῖγμα ῥήματος οὖσα καὶ ὀνόματος, καθ' ἑαυτὴν μὲν οὐκ ἔστιν, ὥσπερ οὐδὲ τὰ κοινὰ θηλυκῶν καὶ ἀρρενικῶν ὀνόματα, [d] συντάττεται δ' ἐκείνοις, ἐφαπτομένη τοῖς μὲν χρόνοις τῶν ῥημάτων ταῖς δὲ πτώσεσι τῶν ὀνομάτων. οἱ δὲ διαλεκτικοὶ τὰ τοιαῦτα καλοῦσιν ‹ἀντ›ανακλάστους, οἷον ὁ 'φρονῶν' ἀπὸ τοῦ 'φρονίμου' καὶ ὁ 'σωφρονῶν' ἀπὸ τοῦ 'σώφρονός' ἐστιν, ὡς ὀνομάτων καὶ προσηγοριῶν δύναμιν ἔχοντα. τάς γε μὴν προθέσεις ἔστιν ἐπικράνοις καὶ βάσεσι καὶ ὑποθέμασιν, ὡς οὐ λόγους ἀλλὰ περὶ τοὺς λόγους μᾶλλον οὔσας, ὁμοιοῦν. ὅρα δὲ μὴ κόμμασι καὶ θραύσμασιν ὀνομάτων ἐοίκασιν, ὥσπερ γραμμάτων σπαράγμασι καὶ κεραίαις οἱ σπεύδοντες γράφουσι· τὸ γὰρ 'ἐμβῆναι' καὶ [e] 'ἐκβῆναι' συγκοπὴ προφανής ἐστι τοῦ 'ἐντὸς βῆναι' καὶ τοῦ 'ἐκτὸς βῆναι', καὶ τὸ 'προγενέσθαι' τοῦ 'πρότερον γενέσθαι', καὶ τὸ 'καθίζειν' τοῦ 'κάτω ἵζειν'· ὥσπερ ἀμέλει τὸ 'λίθους βάλλειν' καὶ 'τοίχους ὀρύσσειν' 'λιθοβολεῖν' καὶ 'τοιχωρυχεῖν' ἐπιταχύνοντες καὶ σφίγγοντες τὴν φράσιν λέγουσι.

Διὸ χρείαν μέν τινα τῷ λόγῳ παρέχεται τούτων ἕκαστον, μέρος δὲ λόγου καὶ στοιχεῖον οὐδέν ἐστι, πλὴν ὥσπερ εἴρηται τὸ ῥῆμα καὶ τοὔνομα, ποιοῦντα τὴν πρώτην τό τ' ἀληθὲς καὶ τὸ ψεῦδος δεχομένην σύνθεσιν, ἣν οἱ μὲν πρότασιν οἱ δ' ἀξίωμα, Πλάτων δὲ λόγον προσηγόρευκεν.

Ὁ δὲ Πλάτων οὐχ οὕτως, ἀλλὰ τήν γ' ὕλην διαφορᾶς ἁπάσης ἀπαλλάττων καὶ τοῦ θεοῦ τὴν τῶν κακῶν αἰτίαν ἀπωτάτω τιθέμενος ταῦτα περὶ τοῦ κόσμου γέγραφεν ἐν τῷ Πολιτικῷ (273b) 'παρὰ μὲν γὰρ τοῦ ξυνθέντος πάντα τὰ καλὰ κέκτηται· παρὰ δὲ τῆς ἔμπροσθεν ἕξεως ὅσα χαλεπὰ καὶ ἄδικα ἐν οὐρανῷ γίγνεται, ταῦτ' ἐξ [d] ἐκείνης αὐτός τε ἔχει καὶ τοῖς ζῴοις ἐναπεργάζεται.' καὶ μικρὸν ἔτι προελθὼν (273c) 'προϊόντος δέ' φησι 'τοῦ χρόνου καὶ λήθης ἐγγιγνομένης ἐν αὐτῷ, μᾶλλον δυναστεύει τὸ τῆς παλαιᾶς ἀναρμοστίας πάθος' καὶ κινδυνεύει 'διαλυθεὶς εἰς τὸν τῆς ἀνομοιότητος ἄπειρον ὄντα τόπον' δῦναι πάλιν. ἀνομοιότης δὲ περὶ τὴν ὕλην, ἄποιον καὶ ἀδιάφορον οὖσαν, οὐκ ἔστιν. ἀλλὰ μετὰ πολλῶν ἄλλων καὶ Εὔδημος ἀγνοήσας κατειρωνεύεται τοῦ Πλάτωνος, ὡς οὐκ εὖ τὴν πολλάκις ὑπ' αὐτοῦ μητέρα καὶ τιθήνην προσαγορευομένην αἰτίαν κακῶν καὶ ἀρχὴν ἀποφαίνοντος. ὁ γὰρ Πλάτων μητέρα μὲν καὶ τιθήνην καλεῖ τὴν ὕλην, [e] αἰτίαν δὲ κακοῦ τὴν κινητικὴν τῆς ὕλης καὶ περὶ τὰ σώματα γιγνομένην μεριστὴν ἄτακτον καὶ ἄλογον οὐκ ἄψυχον δὲ κίνησιν, ἣν ἐν Νόμοις ὥσπερ εἴρηται (p. 149, 13 sq.) ψυχὴν ἐναντίαν καὶ ἀντίπαλον τῇ ἀγαθουργῷ προσεῖπε. ψυχὴ γὰρ αἰτία κινήσεως καὶ ἀρχή, νοῦς δὲ τάξεως καὶ συμφωνίας περὶ κίνησιν. ὁ γὰρ θεὸς οὐκ ἀνέστησε τὴν ὕλην ἀργοῦσαν ἀλλ' ἔστησεν ὑπὸ τῆς ἀνοήτου ταραττομένην αἰτίας· οὐδ' ἀρχὰς τῇ φύσει μεταβολῆς καὶ παθῶν παρέσχεν, ἀλλ' οὔσης ἐν πάθεσι παντοδαποῖς καὶ μεταβολαῖς ἀτάκτοις ἐξεῖλε τὴν πολλὴν ἀοριστίαν καὶ πλημμέλειαν, ἁρμονίᾳ καὶ ἀναλογίᾳ καὶ ἀριθμῷ χρώμενος ὀργάνοις· ὧν ἔργον ἐστὶν οὐ μεταβολῇ καὶ κινήσει ἑτερότητος [f] πάθη καὶ διαφορὰς παρέχειν τοῖς πράγμασιν, ἀλλὰ μᾶλλον ἀπλανῆ καὶ στάσιμα καὶ τοῖς κατὰ ταὐτὰ ὡσαύτως ἔχουσιν ὅμοια ποιεῖν.

Ἡ μὲν οὖν διάνοια τοιαύτη, κατά γε τὴν ἐμὴν δόξαν, τοῦ Πλάτωνος· ἀπόδειξις δὲ πρώτη μὲν ἡ τῆς λεγομένης καὶ δοκούσης αὐτοῦ πρὸς ἑαυτὸν ἀσυμφωνίας καὶ [1016] [a] διαφορᾶς λύσις. οὐδὲ γὰρ σοφιστῇ κραιπαλῶντι, πόθεν γε δὴ Πλάτωνι, τοιαύτην ἄν τις ἀναθείη περὶ οὓς ἐσπουδάκει μάλιστα τῶν λόγων ταραχὴν καὶ ἀνωμαλίαν, ὥστε τὴν αὐτὴν φύσιν ὁμοῦ καὶ ἀγένητον ἀποφαίνειν καὶ γενομένην, ἀγένητον μὲν ἐν Φαίδρῳ (245c. 246a)

Τίς οὖν τούτων ἐπανόρθωσις ἑτέρα πλὴν ἧς αὐτὸς δίδωσι τοῖς δέχεσθαι βουλομένοις; ἀγένητον μὲν γὰρ ἀποφαίνει ψυχὴν τὴν πρὸ τῆς κόσμου γενέσεως πλημμελῶς πάντα καὶ ἀτάκτως κινοῦσαν· γενομένην δὲ καὶ γενητὴν πάλιν, ἣν ὁ θεὸς ἔκ τε ταύτης καὶ τῆς μονίμου τε καὶ ἀρίστης οὐσίας ἐκείνης ἔμφρονα καὶ τεταγμένην ἀπεργασάμενος καθάπερ εἶδος καὶ τῷ αἰσθητικῷ τὸ νοερὸν καὶ τῷ κινητικῷ τὸ τεταγμένον ἀφ' αὑτοῦ παρασχὼν ἡγεμόνα τοῦ παντὸς ἐγκατέστησεν. οὕτω γὰρ καὶ [d] τὸ σῶμα τοῦ κόσμου πῇ μὲν ἀγένητον ἀποφαίνει πῇ δὲ γενητόν· ὅταν μὲν γὰρ εἴπῃ (Tim. 30a), πᾶν ὅσον ἦν ὁρατὸν οὐχ ἡσυχίαν ἄγον ἀλλὰ κινούμενον ἀτάκτως τὸν θεὸν παραλαβόντα διακοσμεῖν, καὶ πάλιν (Tim. 52e sq.), τὰ τέτταρα γένη, πῦρ καὶ ὕδωρ καὶ γῆν καὶ ἀέρα, πρὶν ἢ τὸ πᾶν ὑπ' αὐτῶν διακοσμηθὲν γενέσθαι, σεισμὸν ἐμποιεῖν τῇ ὕλῃ καὶ ὑπ' ἐκείνης τινάσσεσθαι διὰ τὴν ἀνωμαλίαν, ὄντα που ποιεῖ καὶ ὑποκείμενα τὰ σώματα πρὸ τῆς τοῦ κόσμου γενέσεως· ὅταν δὲ πάλιν λέγῃ (Tim. 34c) τῆς ψυχῆς νεώτερον γεγονέναι τὸ σῶμα καὶ (28b sq.) τὸν κόσμον εἶναι γενητόν, ὅτι ὁρατὸς καὶ ἁπτὸς καὶ σῶμα [e] ἔχων ἐστὶ τὰ δὲ τοιαῦτα γιγνόμενα καὶ γενητὰ ἐφάνη, παντὶ δῆλον ὡς γένεσιν τῇ φύσει τοῦ σώματος ἀποδίδωσιν. ἀλλὰ πολλοῦ δεῖ τἀναντία λέγειν καὶ διαφέρεσθαι πρὸς αὑτὸν οὕτως ἐκφανῶς ἐν τοῖς μεγίστοις. οὐ γὰρ ὡσαύτως οὐδὲ ταὐτὸ σῶμα γίγνεσθαί τέ φησιν ὑπὸ τοῦ θεοῦ καὶ εἶναι πρὶν ἢ γενέσθαι· ταῦτα γὰρ ἄντικρυς φαρμακῶντός ἐστιν. ἀλλὰ τί δεῖ νοεῖν καὶ τὴν γένεσιν, αὐτὸς διδάσκει. Πρότερον δὲ τί τὸ λεῖμμά ἐστι καὶ τίς ἡ διάνοια τοῦ Πλάτωνος, μᾶλλον κατόψεσθε τῶν εἰωθότων ἐν ταῖς Πυθαγορικαῖς σχολαῖς λέγεσθαι βραχέως ὑπομνησθέντες. ἔστι γὰρ διάστημα ἐν μελῳδίᾳ πᾶν τὸ περιεχόμενον ὑπὸ δυεῖν φθόγγων ἀνομοίων τῇ τάσει· τῶν δὲ διαστημάτων ἓν ὁ καλούμενος τόνος, ᾧ τὸ διὰ πέντε μεῖζόν ἐστι τοῦ διὰ τεσσάρων. τοῦτον οἱ μὲν ἁρμονικοὶ δίχα τεμνόμενον οἴονται δύο διαστήματα ποιεῖν, ὧν ἑκάτερον ἡμιτόνιον καλοῦσιν· οἱ δὲ Πυθαγορικοὶ τὴν μὲν εἰς ἴσα τομὴν ἀπέγνωσαν [f] αὐτοῦ, τῶν δὲ τμημάτων ἀνίσων ὄντων λεῖμμα τὸ ἔλαττον ὀνομάζουσιν, ὅτι τοῦ ἡμίσεος ἀπολείπει. διὸ καὶ τῶν συμφωνιῶν τὴν διὰ τεσσάρων οἱ μὲν δυεῖν τόνων καὶ ἡμιτονίου ποιοῦσιν οἱ δὲ δυεῖν καὶ λείμματος. μαρτυρεῖν δὲ δοκεῖ τοῖς μὲν ἁρμονικοῖς ἡ αἴσθησις τοῖς δὲ μαθηματικοῖς ἡ ἀπόδειξις, ἧς τοιοῦτος ὁ τρόπος ἐστίν· ἐλήφθη διὰ τῶν ὀργάνων θεωρηθέν, ὅτι τὸ μὲν διὰ πασῶν τὸν διπλάσιον λόγον ἔχει, τὸ δὲ διὰ πέντε τὸν ἡμιόλιον, τὸ δὲ διὰ τεσσάρων τὸν ἐπίτριτον, ὁ δὲ τόνος τὸν [1021] [a] ἐπόγδοον. ἔξεστι δὲ καὶ νῦν βασανίσαι τὸ ἀληθές, ἢ βάρη δυεῖν ἄνισα χορδῶν ἐξαρτήσαντας ἢ δυεῖν ἰσοκοίλων αὐλῶν τὸν ἕτερον μήκει διπλάσιον τοῦ ἑτέρου ποιήσαντας· τῶν μὲν γὰρ αὐλῶν ὁ μείζων βαρύτερον φθέγξεται ὡς ὑπάτη πρὸς νήτην, τῶν δὲ χορδῶν ἡ τῷ διπλασίῳ κατατεινομένη βάρει τῆς ἑτέρας ὀξύτερον ὡς νήτη πρὸς ὑπάτην· τοῦτο δ' ἐστὶ ‹τὸ› διὰ πασῶν. ὁμοίως δὲ καὶ τρία πρὸς δύο ληφθέντα μήκη καὶ βάρη τὸ διὰ πέντε ποιήσει καὶ τέσσαρα πρὸς τρία τὸ διὰ τεσσάρων, ὧν

τοῦτο μὲν ἐπίτριτον ἔχει λόγον ἐκεῖνο δ' ἡμιόλιον. ἐὰν δ' ὡς ἐννέα [b] πρὸς ὀκτὼ γένηται τῶν βαρῶν ἢ τῶν μηκῶν ἡ ἀνισότης, ποιήσει διάστημα τονιαῖον, οὐ σύμφωνον ἀλλ' ἐμμελὲς ὡς εἰπεῖν ἔμβραχυ, τῷ τοὺς φθόγγους, ἂν ἀνὰ μέρος κρουσθῶσι, παρέχειν ἡδὺ φωνοῦντας καὶ προσηνές, ἂν δ' ὁμοῦ, τραχὺ καὶ λυπηρόν· ἐν δὲ ταῖς συμφωνίαις κἂν ὁμοῦ κρούωνται κἂν ἐναλλάξ, ἡδέως προσίεται τὴν συνήχησιν ἡ αἴσθησις. οὐ μὴν ἀλλὰ καὶ διὰ λόγου τοῦτο δεικνύουσιν. ἐν μὲν γὰρ ἁρμονίᾳ τὸ διὰ πασῶν ἔκ τε τοῦ διὰ πέντε σύγκειται καὶ τοῦ διὰ τεσσάρων, ἐν δ' ἀριθμοῖς τὸ διπλάσιον ἔκ τε τοῦ ἡμιολίου καὶ τοῦ ἐπιτρίτου· τὰ γὰρ δώδεκα τῶν μὲν ἐννέα ἐστὶν ἐπίτριτα τῶν δ' ὀκτὼ [c] ἡμιόλια τῶν δὲ Ϛ´ διπλάσια. σύνθετος οὖν ὁ τοῦ διπλασίου λόγος ἐστὶν ἐκ τοῦ ἡμιολίου καὶ τοῦ ἐπιτρίτου, καθάπερ ὁ τοῦ διὰ πασῶν ἐκ τοῦ διὰ πέντε καὶ τοῦ διὰ τεσσάρων. ἀλλὰ κἀκεῖ τὸ διὰ πέντε τοῦ διὰ τεσσάρων τόνῳ κἀνταῦθα τὸ ἡμιόλιον τοῦ ἐπιτρίτου τῷ ἐπογδόῳ μεῖζόν ἐστι. φαίνεται τοίνυν, ὅτι τὸ διὰ πασῶν τὸν διπλάσιον λόγον ἔχει καὶ τὸ διὰ πέντε τὸν ἡμιόλιον καὶ τὸ διὰ τεσσάρων τὸν ἐπίτριτον καὶ ὁ τόνος τὸν ἐπόγδοον.

Ἀποδεδειγμένου δὲ τούτου, σκοπῶμεν εἰ δίχα τέμνεσθαι πέφυκε τὸ ἐπόγδοον· εἰ γὰρ μὴ πέφυκεν, οὐδ' ὁ τόνος. ἐπεὶ δὲ πρῶτοι τὸν ἐπόγδοον λόγον ὁ θ´ καὶ ὁ η´ [d] ποιοῦντες οὐδὲν διάστημα μέσον ἔχουσι, διπλασιασθέντων δ' ἀμφοτέρων ὁ παρεμπίπτων μεταξὺ δύο ποιεῖ διαστήματα, δῆλον ὅτι τούτων μὲν ἴσων ὄντων δίχα τέμνεται τὸ ἐπόγδοον. ἀλλὰ μὴν διπλάσια γίγνεται τῶν μὲν θ´ τὰ ιη´ τῶν δ' η´ τὰ ιϚ´, δέχονται δ' οὗτοι μεταξὺ τὰ ιζ´ καὶ γίγνεται τῶν διαστημάτων τὸ μὲν μεῖζον τὸ δ' ἔλαττον· ἔστι γὰρ τὸ μὲν πρότερον ἐφεπτακαιδέκατον τὸ δὲ δεύτερον ἐφεξκαιδέκατον. εἰς ἄνισα τοίνυν τέμνεται τὸ ἐπόγδοον· εἰ δὲ τοῦτο, καὶ ὁ τόνος. οὐδέτερον ἄρα γίγνεται διαιρεθέντος αὐτοῦ τῶν τμημάτων ἡμιτόνιον, ἀλλ' ὀρθῶς ὑπὸ τῶν μαθηματικῶν λεῖμμα προσηγόρευται.

[e] καὶ τοῦτ' ἐστὶν ὅ φησιν ὁ Πλάτων τὰ ἐπίτριτα τοῖς ἐπογδόοις συμπληροῦντα τὸν θεὸν λείπειν ἑκάστου μόριον αὐτῶν, οὗ λόγος ἐστίν, ὃν ἔχει τὰ Ϛ´ καὶ ν´ καὶ σ´ πρὸς τὰ γ´ καὶ μ´ καὶ σ´. εἰλήφθω γὰρ τὸ διὰ τεσσάρων ἐν ἀριθμοῖς δυσὶ τὸν ἐπίτριτον λόγον περιέχουσι, τοῖς σνϚ´ καὶ τοῖς ἑκατὸν ἐνενήκοντα δύο· ὧν ὁ μὲν ἐλάττων, τὰ ἑκατὸν ἐνενήκοντα δύο, κείσθω κατὰ τὸν βαρύτατον τοῦ τετραχόρδου φθόγγον, ὁ δὲ μείζων, τὰ σνϚ´, κατὰ τὸν ὀξύτατον· ἀποδεικτέον ὅτι, τούτου συμπληρουμένου δυσὶν ἐπογδόοις, λείπεται διάστημα τηλικοῦτον, ἡλίκον ὡς ἐν ἀριθμοῖς τὰ Ϛ´ καὶ ν´ καὶ σ´ πρὸς τὰ γ´ καὶ μ´ [f] καὶ σ´. τοῦ γὰρ βαρυτέρου τόνον ἐπιταθέντος, ὅπερ ἐστὶν ἐπόγδοον, γίγνεται σιϚ´· τούτου πάλιν τόνον ἄλλον ἐπιταθέντος, γίγνεται σμγ´· ταῦτα μὲν γὰρ ὑπερέχει τῶν σιϚ´ τοῖς κζ´, τὰ δὲ σιϚ´ τῶν

ἑκατὸν ἐνενήκοντα δύο τοῖς εἴκοσι καὶ τέσσαρσιν· ὧν τὰ μὲν κζ´ τῶν σιϚ´ [ἐπ]ὄγδοά ἐστι, τὰ δὲ κδ´ τῶν ἑκατὸν ἐνενήκοντα δύο. διὸ γίγνεται τῶν τριῶν τούτων ἀριθμῶν ὅ τε μέγιστος ἐπόγδοος τοῦ μέσου καὶ ὁ μέσος τοῦ ἐλαχίστου· τὸ δ’ ἀπὸ τοῦ ἐλαχίστου διάστημα μέχρι τοῦ μεγίστου, τουτέστι τὸ ἀπὸ τῶν ἑκατὸν ἐνενήκοντα δύο μέχρι τῶν σμγ´, δίτονον ἐκ δυεῖν συμπληρούμεν‹ον› ἐπογδόων· [1022] [a] ἀφαιρουμένου δὲ τούτου, περίεστι τοῦ ὅλου διάστημα λοιπὸν τὸ μεταξὺ τῶν σμγ´ καὶ τῶν σνϚ´, τὰ τρισκαίδεκα· διὸ καὶ λεῖμμα τοῦτον τὸν ἀριθμὸν ὠνόμαζον.

Ἐγὼ μὲν οὖν εὐσημότατα δηλοῦσθαι τὴν Πλάτωνος οἶμαι γνώμην ἐν τούτοις τοῖς ἀριθμοῖς. ἕτεροι δὲ τοῦ διὰ τεσσάρων ὅρους θέμενοι, τὸν μὲν ὀξὺν ἐν ‹τοῖς› σπη´ τὸν δὲ βαρὺν ἐν τοῖς σιϚ´, ἀναλόγως ἤδη τὰ ἑξῆς περαίνουσιν· πλὴν ὅτι τὸ λεῖμμα τῶν δυεῖν τόνων μεταξὺ λαμβάνουσι· τοῦ γὰρ βαρυτέρου τόνον ἐπιταθέντος, γίγνεται σμγ´· τοῦ δ’ ὀξυτέρου τόνον ἀνεθέντος, γίγνεται σνϚ´· ἔστι γὰρ ἐπόγδοα τὰ μὲν σμγ´ τῶν σιϚ´ τὰ δὲ σπη´ τῶν [b] σνϚ´· ὥστε τονιαῖον εἶναι τῶν διαστημάτων ἑκάτερον, λείπεσθαι δὲ τὸ μεταξὺ τῶν σμγ´ καὶ τῶν σνϚ´, ὅπερ οὐκ ἔστιν ἡμιτόνιον ἀλλ’ ἔλαττον· τὰ μὲν γὰρ σπη´ τῶν σνϚ´ ὑπερέχει τοῖς λ´ καὶ δυσί, τὰ δὲ σμγ´ τῶν σιϚ´ ὑπερέχει τοῖς κζ´, τὰ δὲ σνϚ´ τῶν σμγ´ ὑπερέχει τοῖς ιγ´· ταῦτα δὲ τῶν ὑπεροχῶν ἀμφοτέρων ἐλάττω ἢ ἡμίσεά ἐστι. διὸ δυεῖν τόνων καὶ λείμματος, οὐ δυεῖν καὶ ἡμίσεος, εὕρηται τὸ διὰ τεσσάρων. καὶ ταῦτα μὲν ἔχει τοιαύτην ἀπόδειξιν. ἐκεῖνο δ’ οὐ πάνυ χαλεπὸν ἐκ τῶν προειρημένων συνιδεῖν, τί δήποτε φήσας ὁ Πλάτων ἡμιολίους καὶ ἐπιτρίτους καὶ ἐπογδόους γίγνεσθαι διαστάσεις ἐν τῷ [c] συμπληροῦσθαι τὰς ἐπιτρίτους ταῖς ἐπογδόοις, οὐκ ἐμνήσθη τῶν ἡμιολίων ἀλλὰ παρέλιπε. τὸ γὰρ ἡμιόλιον τοῦ ἐπιτρίτου τῷ ἐπογδόῳ τῷ ἐπιτρίτῳ προστιθεμένου συμπληροῦσθαι καὶ τὸ ἡμιόλιον.

Ὑποδεδειγμένων δὲ τούτων, τὸ μὲν συμπληροῦν τὰ διαστήματα καὶ παρεντάττειν τὰς μεσότητας, εἰ καὶ μηδεὶς ἐτύγχανε πεποιηκὼς πρότερον, ὑμῖν ἂν αὐτοῖς ἕνεκα γυμνασίας παρῆκα· νῦν δὲ πολλοῖς κἀγαθοῖς ἀνδράσιν ἐξειργασμένου τούτου, μάλιστα δὲ Κράντορι καὶ Κλεάρχῳ καὶ Θεοδώρῳ τοῖς Σολεῦσι, μικρὰ περὶ τῆς τούτων διαφορᾶς εἰπεῖν οὐκ ἄχρηστόν ἐστιν. ὁ γὰρ [d] Θεόδωρος οὐχ ὡς ἐκεῖνοι δύο στίχους ποιῶν, ἀλλ’ ἐπὶ μιᾶς εὐθείας ἐφεξῆς τούς τε διπλασίους ἐκτάττων καὶ τοὺς τριπλασίους, πρῶτον μὲν ἰσχυρίζεται τῇ λεγομένῃ (Tim. 36b) κατὰ μῆκος σχίσει τῆς οὐσίας, δύο ποιούσῃ μοίρας ὡς ἐκ μιᾶς οὐ τέσσαρας ἐκ δυεῖν· ἔπειτά φησι τὰς τῶν μεσοτήτων παρεντάξεις οὕτω λαμβάνειν προσήκειν χώραν· εἰ δὲ μή, ταραχὴν καὶ σύγχυσιν ἔσεσθαι καὶ μεταστάσεις εἰς τὸ πρῶτον εὐθὺς τριπλάσιον ἐκ τοῦ πρώτου διπλασίου τῶν συμπληροῦν ἑκάτερον ὀφειλόντων. τοῖς δὲ περὶ

τὸν Κράντορα βοηθοῦσιν αἵ τε θέσεις τῶν ἀριθμῶν, ἐπιπέδων ἐπιπέδοις καὶ τετραγώνων [e] τετραγώνοις καὶ κύβων κύβοις ἀντιθέτως συζυγούντων, τῇ τε μὴ κατὰ τάξιν αὐτῶν λήψει, ἀλλ' ἐναλλὰξ ἀρτίων [1027] καὶ (30b) περιττῶν ‹αὐτὸς ὁ Πλάτων›. τὴν γὰρ μονάδα κοινὴν οὖσαν ἀμφοῖν προτάξας λαμβάνει τὰ ὀκτὼ καὶ [1028] [a] ἐφεξῆς τὰ κζ´· μονονουχὶ δεικνύων ἡμῖν, ἣν ἑκατέρῳ γένει χώραν ἀποδίδωσι. ταῦτα μὲν οὖν ἑτέροις προσήκει μᾶλλον ἐξακριβοῦν, τὸ δ' ἀπολειπόμενον οἰκεῖόν ἐστι τῆς ὑποκειμένης ἡμῖν πραγματείας.

Οὐ γὰρ ἐπίδειξιν ὁ Πλάτων θεωρίας μαθηματικῆς ποιούμενος εἰς φυσικὴν ὑπόθεσιν μὴ δεομένην μεσότητας ἀριθμητικὰς καὶ ἁρμονικὰς παρεισήγαγεν, ἀλλ' ὡς μάλιστα δὴ τῇ συστάσει τῆς ψυχῆς τοῦ λόγου τούτου προσήκοντος. καίτοι τινὲς μὲν ἐν τοῖς τάχεσι τῶν πλανωμένων σφαιρῶν τινὲς δὲ μᾶλλον ἐν τοῖς ἀποστήμασιν ἔνιοι δ' ἐν τοῖς μεγέθεσι τῶν ἀστέρων, οἱ δ' ἄγαν ἀκριβοῦν δοκοῦντες [b] ἐν ταῖς τῶν ἐπικύκλων διαμέτροις ζητοῦσι τὰς εἰρημένας ἀναλογίας, ὡς τὴν ψυχὴν ἕνεκα τούτων τοῦ δημιουργοῦ τοῖς οὐρανίοις ἐναρμόσαντος, εἰς ἑπτὰ μοίρας νενεμημένην. πολλοὶ δὲ καὶ τὰ Πυθαγορικὰ δεῦρο μεταφέρουσιν, ἀπὸ τοῦ μέσου τὰς τῶν σωμάτων ἀποστάσεις τριπλασιάζοντες· γίγνεται δὲ τοῦτο κατὰ μὲν τὸ πῦρ μονάδος τιθεμένης, κατὰ δ' ἀντίχθονα τριῶν, κατὰ δὲ γῆν ἐννέα καὶ κατὰ σελήνην εἰκοσιεπτά, καὶ κατὰ τὸν Ἑρμοῦ μιᾶς καὶ ὀγδοήκοντα, κατὰ δὲ Φωσφόρον τριῶν καὶ μ´ καὶ σ´, κατ' αὐτὸν δὲ τὸν ἥλιον θ´ καὶ κ´ καὶ ψ´, ὅς γ' ἅμα τετράγωνός τε καὶ κύβος ἐστί· διὸ καὶ τὸν ἥλιον [c] ἔστιν ὅτε τετράγωνον καὶ κύβον προσαγορεύουσιν. οὕτω δὲ καὶ τοὺς ἄλλους ἐπανάγουσι τοῖς τριπλασιασμοῖς, πολὺ τοῦ κατὰ λόγον οὗτοί γε παραπαίοντες, εἴ τι τῶν γεωμετρικῶν ὄφελός ἐστιν ἀποδείξεων, καὶ μακρῷ πιθανωτέρους ‹ὡς› παραβαλεῖν αὐτοῖς ἀποδεικνύοντες τοὺς ὁρμωμένους ἐκεῖθεν, οὐδ' αὐτοὺς παντάπασιν ἐξακριβοῦντας ἀλλ' ὡς ἔγγιστα λέγοντας, ὅτι τῆς μὲν ἡλίου διαμέτρου πρὸς τὴν διάμετρον τῆς γῆς λόγος ἐστὶ δωδεκαπλάσιος, τῆς δὲ γῆς αὖ πάλιν διαμέτρου πρὸς τὴν σελήνης διάμετρον τριπλάσιος, ὁ δὲ φαινόμενος ἐλάχιστος τῶν ἀπλανῶν ἀστέρων οὐκ ἐλάττονα τῆς διαμέτρου τῆς [d] γῆς ἢ τριτημόριον ἔχει τὴν διάμετρον· τῇ δ' ὅλῃ σφαίρᾳ τῆς γῆς πρὸς τὴν ὅλην σφαῖραν τῆς σελήνης ὡς ἑπτὰ καὶ εἴκοσι πρὸς ‹ἕν› ἐστι· Φωσφόρου δὲ καὶ γῆς αἱ μὲν διάμετροι τὸν διπλάσιον αἱ δὲ σφαῖραι τὸν ὀκταπλάσιον ἔχουσι λόγον, τὸ δὲ διάστημα τῆς ἐκλειπτικῆς σκιᾶς τῆς διαμέτρου τῆς σελήνης τριπλάσιον· ὃ δ' ἐκτρέπεται πλάτος ἡ σελήνη τοῦ διὰ μέσων τῶν ζῳδίων ἐφ' ἑκάτερα δωδεκάμοιρον. αἱ δὲ πρὸς ἥλιον σχέσεις αὐτῆς ἐν τριγώνοις καὶ τετραγώνοις ἀποστήμασι διχοτόμους καὶ ἀμφικύρτους σχηματισμοὺς λαμβάνουσιν· ἓξ δὲ ζῴδια διελθοῦσα τὴν [e] πανσέληνον ὥσπερ τινὰ

Χαλδαῖοι δὲ λέγουσι τὸ ἔαρ ἐν τῷ διὰ τεττάρων [f] γίγνεσθαι πρὸς τὸ μετόπωρον, ἐν δὲ τῷ διὰ πέντε πρὸς τὸν χειμῶνα, πρὸς δὲ τὸ θέρος ἐν τῷ διὰ πασῶν. εἰ δ’ ὀρθῶς ὁ Εὐριπίδης διορίζεται θέρους τέσσαρας μῆνας καὶ χειμῶνος ἴσους (fr. 990)

‘φίλης τ’ ὀπώρας διπτύχους ἦρός τ’ ἴσους’

ἐν τῷ διὰ πασῶν αἱ ὧραι μεταβάλλουσιν. ἔνιοι δὲ γῇ μὲν τὴν τοῦ προσλαμβανομένου χώραν ἀποδιδόντες σελήνῃ [1029] [a] δὲ τὴν ὑπάτην Στίλβωνα δὲ καὶ Φωσφόρον ἐν διατόνοις ‹παρυπάταις› καὶ λιχανοῖς κινοῦντες, αὐτὸν τὸν ἥλιον ὡς μέσην συνέχειν τὸ διὰ πασῶν ἀξιοῦσιν, ἀπέχοντα τῆς μὲν γῆς τὸ διὰ πέντε τῆς δὲ τῶν ἀπλανῶν τὸ διὰ τεσσάρων.

Ἀλλ’ οὔτε τούτων τὸ κομψὸν ἅπτεταί τινος ἀληθείας οὔτ’ ἐκεῖνοι παντάπασι τοῦ ἀκριβοῦς ἔχονται. οἷς δ’ οὖν οὐ δοκεῖ ταῦτα τῆς τοῦ Πλάτωνος ἀπηρτῆσθαι διανοίας, ἐκεῖνα κομιδῇ φανεῖται τῶν μουσικῶν λόγων ἔχεσθαι, τὸ ε´ τετραχόρδων ὄντων τῶν ὑπάτων καὶ μέσων καὶ συνημμένων καὶ διεζευγμένων καὶ ὑπερβολαίων ἐν πέντε διαστήμασι τετάχθαι τοὺς πλάνητας· ὧν τὸ μέν ἐστι τὸ ἀπὸ σελήνης ἐφ’ ἥλιον καὶ τοὺς ὁμοδρόμους ἡλίῳ, [b] Στίλβωνα καὶ Φωσφόρον· ἕτερον τὸ ἀπὸ τούτων ἐπὶ τὸν Ἄρεος Πυρόεντα· τρίτον δὲ τὸ μεταξὺ τούτου καὶ Φαέθοντος· εἶθ’ ἑξῆς τὸ ἐπὶ Φαίνωνα καὶ πέμπτον ἤδη τὸ ἀπὸ τούτου πρὸς τὴν ἀπλανῆ σφαῖραν· ὥστε τοὺς ὁρίζοντας φθόγγους τὰ τετράχορδα τὸν τῶν πλανωμένων λόγον ἔχειν ἀστέρων. ἔτι τοίνυν τοὺς παλαιοὺς ἴσμεν ὑπάτας μὲν δύο τρεῖς δὲ νήτας μίαν δὲ μέσην καὶ μίαν παραμέσην τιθεμένους, ὥστε τοῖς πλάνησιν ἰσαρίθμους εἶναι τοὺς ἑστῶτας. οἱ δὲ νεώτεροι τὸν προσλαμβανόμενον, τόνῳ διαφέροντα τῆς ὑπάτης, ἐπὶ τὸ βαρὺ τάξαντες τὸ μὲν ὅλον σύστημα δὶς διὰ πασῶν ἐποίησαν, τῶν δὲ συμφωνιῶν [c] τὴν κατὰ φύσιν οὐκ ἐτήρησαν τάξιν· τὸ γὰρ διὰ πέντε πρότερον γίγνεται τοῦ διὰ τεσσάρων, ἐπὶ τὸ βαρὺ τῇ ὑπάτῃ τοῦ τόνου προσληφθέντος. ὁ δὲ Πλάτων δῆλός ἐστιν ἐπὶ τὸ ὀξὺ προσλαμβάνων· λέγει γὰρ ἐν τῇ Πολιτείᾳ (617b) τῶν ὀκτὼ σφαιρῶν ἑκάστην περιφέρειν [εἶτ’] ἐπ’ αὐτῇ Σειρῆνα βεβηκυῖαν· ᾄδειν δὲ πάσας ἕνα ‹ἑκάστην› τόνον ἱείσας, ἐκ δὲ πασῶν κεράννυσθαι μίαν ἁρμονίαν. αὗται δ’ ἀνιέμεναι τὰ

θεῖα εἴρουσι καὶ κατᾴδουσι τῆς ἱερᾶς περιόδου καὶ χορείας ὀκτάχορδον ἐμμέλειαν· ὀκτὼ γὰρ ἦσαν καὶ οἱ πρῶτοι τῶν διπλασίων καὶ τριπλασίων ὅροι λόγων, ἑκατέρᾳ προσαριθμουμένης μερίδι [d] τῆς μονάδος. οἱ δὲ πρεσβύτεροι Μούσας παρέδωκαν καὶ ἡμῖν ἐννέα, τὰς μὲν ὀκτὼ καθάπερ ὁ Πλάτων περὶ τὰ οὐράνια, τὴν δ' ἐνάτην τὰ περίγεια κηλεῖν ἀνακαλουμένην καὶ καθιστᾶσαν ἐκ πλάνης καὶ διαφορᾶς ἀνωμαλίαν καὶ ταραχὴν ἐχούσης.

Σκοπεῖτε δὲ μὴ τὸν μὲν οὐρανὸν ἄγει καὶ τὰ οὐράνια ταῖς περὶ αὑτὴν ἐμμελείαις καὶ κινήσεσιν ἡ ψυχὴ φρονιμωτάτη καὶ δικαιοτάτη γεγονυῖα· γέγονε δὲ τοιαύτη τοῖς καθ' ἁρμονίαν λόγοις, ὧν εἰκόνες μὲν ὑπάρχουσιν εἰς τὰ ἀσώματα ἐν τοῖς ὁρατοῖς καὶ ὁρωμένοις μέρεσι τοῦ κόσμου καὶ σώμασιν· ἡ δὲ πρώτη καὶ κυριωτάτη [e] δύναμις ἀοράτως ἐγκέκραται τῇ ψυχῇ καὶ παρέχει σύμφωνον ἑαυτῇ καὶ πειθήνιον, ἀεὶ τῷ κρατίστῳ καὶ θειοτάτῳ μέρει τῶν ἄλλων ἁπάντων ὁμονοούντων. παραλαβὼν γὰρ ὁ δημιουργὸς ἀταξίαν καὶ πλημμέλειαν ἐν ταῖς κινήσεσι τῆς ἀναρμόστου καὶ ἀνοήτου ψυχῆς διαφερομένης πρὸς ἑαυτὴν τὰ μὲν διώρισε καὶ διέστησε τὰ δὲ συνήγαγε πρὸς ἄλληλα καὶ συνέταξεν, ἁρμονίαις καὶ ἀριθμοῖς χρησάμενος· οἷς καὶ τὰ κωφότατα σώματα, λίθοι καὶ ξύλα καὶ φλοιοὶ φυτῶν καὶ θηρίων ὀστᾶ καὶ πυτίαι, συγκεραννύμενα [f] καὶ συναρμοττόμενα θαυμαστὰς μὲν ἀγαλμάτων ὄψεις, θαυμαστὰς δὲ παρέχει φαρμάκων καὶ ὀργάνων δυνάμεις. ᾗ καὶ Ζήνων ὁ Κιτιεὺς (fr. 299) ἐπὶ θέαν αὐλητῶν παρεκάλει τὰ μειράκια καταμανθάνειν, οἵαν κέρατα καὶ ξύλα καὶ κάλαμοι καὶ ὀστᾶ λόγου μετέχοντα καὶ συμφωνίας φωνὴν ἀφίησι. τὸ μὲν γὰρ ἀριθμῷ πάντα ἐπεοικέναι κατὰ τὴν Πυθαγορικὴν ἀπόφανσιν λόγου [1030] [a] δεῖται· τὸ δὲ πᾶσιν, οἷς ἐκ διαφορᾶς καὶ ἀνομοιότητος ἐγγέγονε κοινωνία τις πρὸς ἄλληλα καὶ συμφωνία, ταύτης αἰτίαν εἶναι μετριότητα καὶ τάξιν, ἀριθμοῦ καὶ ἁρμονίας μετασχοῦσιν, οὐδὲ τοὺς ποιητὰς λέληθεν 'ἄρθμια' μὲν τὰ φίλα καὶ προσηνῆ καλοῦντας 'ἀναρσίους' δὲ τοὺς ἐχθροὺς καὶ τοὺς πολεμίους, ὡς ἀναρμοστίαν τὴν διαφορὰν οὖσαν. ὁ δὲ τῷ Πινδάρῳ ποιήσας τὸ ἐπικήδειον

εὐαρμοστίαν δῆλός ἐστι τὴν ἀρετὴν ἡγούμενος· ὥς που καὶ αὐτὸς ὁ Πίνδαρος (fr. 32) τοῦ θεοῦ φησιν ἐπακοῦσαι 'μουσικὰν ὀρθὰν ἐπιδεικνυμένου' τὸν Κάδμον. οἵ τε πάλαι [b] θεολόγοι, πρεσβύτατοι φιλοσόφων ὄντες, ὄργανα μουσικὰ θεῶν ἐνεχείριζον ἀγάλμασιν· οὐχ ὡς λύραν που ... καὶ αὐλοῦσιν, ἀλλ' οὐθὲν ἔργον οἰόμενοι θεῶν οἷον ἁρμονίαν εἶναι καὶ συμφωνίαν. ὥσπερ οὖν ὁ τοὺς ἐπιτρίτους καὶ ἡμιολίους καὶ διπλασίους λόγους ζητῶν ἐν τῷ ζυγῷ τῆς λύρας καὶ τῇ χελώνῃ καὶ τοῖς κολλάβοις γελοῖός ἐστι (δεῖ μὲν γὰρ ἀμέλει καὶ ταῦτα συμμέτρως γεγονέναι

ΕΠΙΤΟΜΗ ΤΟΥ ΠΕΡΙ ΤΗΣ ΕΝ ΤΩΙ ΤΙΜΑΙΩΙ ΨΥΧΟΓΟΝΙΑΣ

[1030] Ὁ περὶ τῆς ἐν τῷ Τιμαίῳ ψυχογονίας ἐπιγεγραμμένος λόγος, ὅσα Πλάτωνι καὶ τοῖς Πλατωνικοῖς πεφιλοτίμηται, [e] ἀπαγγέλλει· εἰσάγει δὲ καὶ γεωμετρικάς τινας ἀναλογίας καὶ ὁμοιότητας, πρὸς τὴν τῆς ψυχῆς ὡς οἴεται θεωρίαν συντεινούσας αὐτῷ, καὶ δὴ καὶ μουσικὰ καὶ ἀριθμητικὰ θεωρήματα.

Λέγει δὲ τὴν ὕλην διαμορφωθῆναι ὑπὸ τῆς ψυχῆς καὶ δίδωσι μὲν τῷ παντὶ ψυχήν, δίδωσι δὲ καὶ ἑκάστῳ ζῴῳ τὴν διοικοῦσαν αὐτό, καὶ πῇ μὲν ἀγένητον εἰσάγει ταύτην πῇ δὲ γενέσει δουλεύουσαν· ἀίδιον δὲ τὴν ὕλην καὶ ὑπὸ τοῦ θείου διὰ τῆς ψυχῆς μορφωθῆναι· καὶ τὴν κακίαν δὲ βλάστημα τῆς ὕλης γεγονέναι, ἵνα μή, φησί, [f] τὸ θεῖον αἴτιον τῶν κακῶν νομισθείη.

Ὅτι οἱ περὶ τὸν Ποσειδώνιον οὐ μακρὰν τῆς ὕλης ἀπέστησαν τὴν ψυχήν, ἀλλὰ δεξάμενοι τὴν τῶν περάτων οὐσίαν περὶ τὰ σώματα λέγεσθαι μεριστὴν καὶ ταῦτα τῷ νοητῷ μίξαντες ἀπεφήναντο τὴν ψυχὴν ἰδέαν εἶναι τοῦ πάντῃ διαστατοῦ κατ’ ἀριθμὸν συνεστῶσαν ἁρμονίαν περιέχοντα· [1031] [a] τά τε γὰρ μαθηματικὰ τῶν πρώτων νοητῶν μεταξὺ καὶ τῶν αἰσθητῶν τετάχθαι, τῆς τε ψυχῆς τῷ νοητῷ τὸ ἀίδιον καὶ τῷ αἰσθητικῷ τὸ παθητικὸν ἐχούσης, προσῆκον ἐν μέσῳ τὴν οὐσίαν ὑπάρχειν. ἔλαθε γὰρ καὶ τούτους ὁ θεὸς τοῖς τῶν σωμάτων πέρασιν ὕστερον, ἀπειργασμένης ἤδη τῆς ψυχῆς, χρώμενος ἐπὶ τὴν τῆς ὕλης διαμόρφωσιν, τὸ σκεδαστὸν αὐτῆς καὶ ἀσύνδετον ὁρίζων καὶ περιλαμβάνων ταῖς ἐκ τῶν τριγώνων συναρμοττομένων ἐπιφανείαις. ἀτοπώτερον δὲ τὸ τὴν ψυχὴν ἰδέαν ποιεῖν· ἡ μὲν γὰρ ἀεικίνητος ἡ δ’ ἀκίνητος, καὶ ἡ μὲν ἀμιγὴς πρὸς τὸ αἰσθητὸν ἡ δὲ τῷ σώματι [b] συνειργμένη· πρὸς δὲ τούτοις ὁ θεὸς τῆς μὲν ἰδέας ὡς παραδείγματος γέγονε μιμητής, τῆς δὲ ψυχῆς ὥσπερ ἀποτελέσματος δημιουργός. ὅτι δ’ οὐδ’ ἀριθμὸν ὁ Πλάτων τὴν οὐσίαν τίθεται τῆς ψυχῆς ἀλλὰ ταττομένην ὑπ’ ἀριθμοῦ, προείρηται.

Πρὸς δ’ ἀμφοτέροις τούτοις κοινόν ἐστι τὸ μήτε τοῖς πέρασι μήτε τοῖς ἀριθμοῖς μηθὲν ἴχνος ἐνυπάρχειν ἐκείνης τῆς δυνάμεως, ᾗ τὸ αἰσθητὸν ἡ ψυχὴ πέφυκε κρίνειν. νοῦν μὲν γὰρ αὐτῇ καὶ νοητὸν ἡ τῆς νοητῆς μέθεξις ἀρχῆς ἐμπεποίηκε, δόξας δὲ καὶ πίστεις καὶ τὸ φανταστικὸν καὶ τὸ παθητικὸν ὑπὸ τῶν περὶ τὸ σῶμα ποιοτήτων, ὃ οὐκ ἄν τις ἐκ μονάδων οὐδὲ γραμμῶν οὐδ’ ἐπιφανειῶν [c] ἁπλῶς νοήσειεν ἐγγινόμενον. καὶ μὴν οὐ μόνον αἱ τῶν θνητῶν ψυχαὶ γνωστικὴν τοῦ αἰσθητοῦ δύναμιν ἔχουσιν, ἀλλὰ καὶ τὴν τοῦ κύκλου φησὶν (Tim. 37a sq.) ἀνακυκλουμένην αὐτὴν πρὸς ἑαυτήν, ὅταν

οὐσίαν σκεδαστὴν ἔχοντός τινος ἐφάπτηται καὶ ὅταν ἀμέριστον, λέγῃ κινουμένην διὰ πάσης ἑαυτῆς, ὅτῳ ἄν τι ταὐτὸν ᾖ καὶ ὅτου ἂν ἕτερον, πρὸς ὅτι τε μάλιστα καὶ ὅπη καὶ ὅπως συμβαίνει, καὶ τὰ γιγνόμενα πρὸς ἕκαστον ἕκαστα εἶναι καὶ πάσχειν. ἐν τούτοις ἅμα καὶ τῶν δέκα κατηγοριῶν ποιούμενος ὑπογραφὴν ἔτι μᾶλλον τοῖς ἐφεξῆς διασαφεῖ. ‘λόγος’ γάρ φησιν ‘ἀληθής, ὅταν μὲν περὶ τὸ αἰσθητὸν γένηται καὶ [d] ὁ τοῦ θατέρου κύκλος ὀρθὸς ἰὼν εἰς πᾶσαν αὐτοῦ τὴν ψυχὴν διαγγείλῃ, δόξαι καὶ πίστεις γίγνονται βέβαιοι καὶ ἀληθεῖς· ὅταν δ’ αὖ πάλιν περὶ τὸ λογιστικὸν ᾖ καὶ ὁ τοῦ ταὐτοῦ κύκλος εὔτροχος ὢν αὐτὰ μηνύσῃ, ἐπιστήμη ἐξ ἀνάγκης ἀποτελεῖται. τούτω δὲ ἐν ᾧ τῶν ὄντων ἐγγίγνεσθον, ἐάν ποτέ τις αὐτὸ ἄλλο πλὴν ψυχὴν προσείπῃ, πᾶν μᾶλλον ἢ τὸ ἀληθὲς ἐρεῖ.’ πόθεν οὖν ἔσχεν ἡ ψυχὴ τὴν ἀντιληπτικὴν τοῦ αἰσθητοῦ καὶ δοξαστικὴν ταύτην κίνησιν, ἑτέραν τῆς νοητῆς ἐκείνης καὶ τελευτώσης εἰς ἐπιστήμην, ἔργον εἰπεῖν μὴ θεμένους βεβαίως ὅτι νῦν οὐχ ἁπλῶς ψυχὴν ἀλλὰ κόσμου ψυχὴν συνίστησιν ἐξ [e] ὑποκειμένης τῆς τε κρείττονος οὐσίας καὶ ἀμερίστου καὶ τῆς χείρονος, ἣν περὶ τὰ σώματα μεριστὴν κέκληκεν, οὐχ ἑτέραν οὖσαν ἢ τὴν δοξαστικὴν καὶ φανταστικὴν καὶ συμπαθῆ τῶν αἰσθητῶν κίνησιν, οὐ γενομένην ἀλλ’ ὑφεστῶσαν ἀίδιον, ὥσπερ ἡ ἑτέρα. τὸ γὰρ νοερὸν ἡ φύσις ἔχουσα καὶ τὸ δοξαστικὸν εἶχεν· ἀλλ’ ἐκεῖνο μὲν ἀκίνητον καὶ ἀπαθὲς καὶ περὶ τὴν ἀεὶ μένουσαν ἱδρυμένον οὐσίαν· τοῦτο δὲ μεριστὸν καὶ πλανητόν, ἅτε δὴ φερομένης καὶ σκεδαννυμένης ἐφαπτόμενον ὕλης. οὔτε γὰρ τὸ αἰσθητὸν εἰλήχει τάξεως ἀλλ’ ἦν ἄμορφον καὶ ἀόριστον, ἥ τε περὶ [f] τοῦτο τεταγμένη δύναμις οὔτε δόξας ἐνάρθρους οὔτε κινήσεις ἁπάσας ἔχουσα τεταγμένας, ἀλλὰ τὰς πολλὰς ἐνυπνιώδεις καὶ παραφόρους καὶ ταραττούσας τὸ σωματοειδές, ὅσα μὴ κατὰ τύχην τῷ βελτίονι περιέπιπτεν· ἐν μέσῳ γὰρ ἦν ἀμφοῖν καὶ πρὸς ἀμφότερα συμπαθῆ καὶ [1032] [a] συγγενῆ φύσιν εἶχε, τῷ μὲν αἰσθητικῷ τῆς ὕλης ἀντεχομένη τῷ δὲ κριτικῷ τῶν νοητῶν.

Οὕτω δέ πως καὶ Πλάτων διασαφεῖ τοῖς ὀνόμασιν· ‘οὗτος’ γάρ φησι (Tim. 52d) ‘παρὰ τῆς ἐμῆς ψήφου λογισθεὶς ἐν κεφαλαίῳ δεδόσθω λόγος ὄντος καὶ χώραν καὶ γένεσιν εἶναι τρία τριχῇ καὶ πρὶν οὐρανὸν γενέσθαι.’ καὶ χώραν τε γὰρ καλεῖ τὴν ὕλην ὥσπερ ἕδραν ἔστιν ὅτε καὶ ὑποδοχήν, ὂν δὲ τὸ νοητόν, γένεσιν δὲ τοῦ κόσμου μήπω γεγονότος οὐδεμίαν ἄλλην ἢ τὴν ἐν μεταβολαῖς καὶ κινήσεσιν οὐσίαν, τοῦ τυποῦντος καὶ τοῦ τυπουμένου μεταξὺ τεταγμένην, διαδιδοῦσαν ἐνταῦθα τὰς ἐκεῖθεν [b] εἰκόνας. διά τε δὴ ταῦτα μεριστὴ προσηγορεύθη καὶ ὅτι τῷ αἰσθητῷ τὸ αἰσθανόμενον καὶ τῷ φανταστῷ τὸ φανταζόμενον ἀνάγκη συνδιανέμεσθαι καὶ συμπαρήκειν· ἡ γὰρ αἰσθητικὴ κίνησις, ἰδία ψυχῆς οὖσα, κινεῖται πρὸς τὸ αἰσθητὸν ἐκτός· ὁ δὲ

νοῦς αὐτὸς μὲν ἐφ' ἑαυτοῦ μόνιμος ἦν καὶ ἀκίνητος, ἐγγενόμενος δὲ τῇ ψυχῇ καὶ κρατήσας εἰς ἑαυτὸν ἐπιστρέφει καὶ συμπεραίνει τὴν ἐγκύκλιον φορὰν περὶ τὸ μένον ἀεὶ μάλιστα ψαύουσαν τοῦ ὄντος. διὸ καὶ δυσανάκρατος ἡ κοινωνία γέγονεν αὐτῶν, τῷ ἀμερίστῳ τὸ μεριστὸν καὶ τῷ μηδαμῇ κινητῷ τὸ πάντῃ φορητὸν μιγνύουσα καὶ καταβιαζομένη θάτερον εἰς ταὐτὸν [c] συνελθεῖν. ἦν δὲ τὸ θάτερον οὐ κίνησις ὥσπερ οὐδὲ ταὐτὸν στάσις, ἀλλ' ἀρχὴ διαφορᾶς καὶ ἀνομοιότητος. ἑκάτερον γὰρ ἀπὸ τῆς ἑτέρας ἀρχῆς κάτεισι, τὸ μὲν ταὐτὸν ἀπὸ τοῦ ἑνὸς τὸ δὲ θάτερον ἀπὸ τῆς δυάδος· καὶ μέμικται πρῶτον ἐνταῦθα περὶ τὴν ψυχήν, ἀριθμοῖς καὶ λόγοις συνδεθέντα καὶ μεσότησιν ἐναρμονίοις, καὶ ποιεῖ θάτερον μὲν ἐγγενόμενον τῷ αὐτῷ διαφοράν, τὸ δὲ ταὐτὸν ἐν τῷ ἑτέρῳ τάξιν, ὡς δῆλόν ἐστιν ἐν ταῖς πρώταις τῆς ψυχῆς δυνάμεσιν· εἰσὶ δ' αὗται τὸ κριτικὸν καὶ τὸ κινητικόν. ἡ μὲν οὖν κίνησις εὐθὺς ἐπιδείκνυται περὶ τὸν οὐρανὸν ἐν μὲν τῇ ταὐτότητι τὴν ἑτερότητα τῇ περιφορᾷ [d] τῶν ἀπλανῶν, ἐν δὲ τῇ ἑτερότητι τὴν ταὐτότητα τῇ τάξει τῶν πλανήτων· ἐπικρατεῖ γὰρ ἐν ἐκείνοις τὸ ταὐτόν, ἐν δὲ τοῖς περὶ γῆν τοὐναντίον. ἡ δὲ κρίσις ἀρχὰς μὲν ἔχει δύο, τόν τε νοῦν ἀπὸ τοῦ ταὐτοῦ πρὸς τὰ καθόλου καὶ τὴν αἴσθησιν ἀπὸ τοῦ ἑτέρου πρὸς τὰ καθ' ἕκαστα. μέμικται δὲ λόγος ἐξ ἀμφοῖν, νόησις ἐν τοῖς νοητοῖς καὶ δόξα γινόμενος ἐν τοῖς αἰσθητοῖς· ὀργάνοις τε μεταξὺ φαντασίαις τε καὶ μνήμαις χρώμενος, ὧν τὰ μὲν ἐν τῷ αὐτῷ τὸ ἕτερον τὰ δ' ἐν τῷ ἑτέρῳ ποιεῖ τὸ ταὐτόν. ἔστι γὰρ ἡ μὲν νόησις κίνησις τοῦ νοοῦντος περὶ τὸ μένον, ἡ δὲ δόξα μονὴ τοῦ αἰσθανομένου περὶ τὸ κινούμενον· φαντασίαν δὲ [e] συμπλοκὴν δόξης πρὸς αἴσθησιν οὖσαν ἵστησιν ἐν μνήμῃ τὸ ταὐτόν· τὸ δὲ θάτερον κινεῖ πάλιν ἐν διαφορᾷ τοῦ πρόσθεν καὶ νῦν, ἑτερότητος ἅμα καὶ ταὐτότητος ἐφαπτόμενον.

Δεῖ δὲ τὴν περὶ τὸ σῶμα τοῦ κόσμου γενομένην σύνταξιν εἰκόνα λαβεῖν τῆς ἀναλογίας ἐν ᾗ διηρμόσατο τὴν ψυχήν. ἐκεῖ μὲν γὰρ ἦν ἄκρα τὸ πῦρ καὶ ἡ γῆ, χαλεπὴν πρὸς ἄλληλα κραθῆναι φύσιν ἔχοντα, μᾶλλον δ' ὅλως ἄκρατον καὶ ἀσύστατον· ὅθεν ἐν μέσῳ θέμενος αὐτῶν τὸν μὲν ἀέρα πρὸ τοῦ πυρὸς τὸ δ' ὕδωρ πρὸ τῆς γῆς, ταῦτα πρῶτον ἀλλήλοις ἐκέρασεν· εἶτα διὰ τούτων ἐκεῖνα πρός τε ταῦτα καὶ ἄλληλα συνέμιξε καὶ συνήρμοσεν. ἐνταῦθα [f] δὲ πάλιν τὸ ταὐτὸν καὶ τὸ θάτερον, ἐναντίας δυνάμεις καὶ ἀκρότητας ἀντιπάλους, συνήγαγεν οὐ δι' αὑτῶν, ἀλλ' οὐσίας ἑτέρας μεταξύ, τὴν μὲν ἀμέριστον πρὸ τοῦ ταὐτοῦ, πρὸ δὲ τοῦ θατέρου τὴν μεριστήν, ἔστιν ᾗ προσήκουσαν ἑκατέραν ἑκατέρᾳ τάξας, εἶτα μιχθείσαις ἐκείναις ἐπεγκεραννύμενος, οὕτω τὸ πᾶν συνύφηνε τῆς ψυχῆς εἶδος, ὡς ἦν ἀνυστόν, ἐκ διαφόρων ὅμοιον ἔκ τε πολλῶν ἓν ἀπεργασάμενος.

De Stoicorum repugnantiis

ΠΕΡΙ ΣΤΩΙΚΩΝ ΕΝΑΝΤΙΩΜΑΤΩΝ

[1033] Πρῶτον ἀξιῶ τὴν τῶν δογμάτων ὁμολογίαν ἐν τοῖς βίοις θεωρεῖσθαι· δεῖ γὰρ οὐχ οὕτως τὸν ῥήτορα κατ’ [b] Αἰσχίνην (III 16) τὸ αὐτὸ φθέγγεσθαι καὶ τὸν νόμον ὡς τὸν βίον τοῦ φιλοσόφου τῷ λόγῳ σύμφωνον εἶναι. ὁ γὰρ λόγος τοῦ φιλοσόφου νόμος αὐθαίρετος καὶ ἴδιός ἐστιν, εἴ γε δὴ μὴ παιδιὰν καὶ εὑρησιλογίαν ἕνεκα δόξης ἀλλ’ ἔργον ἄξιον σπουδῆς τῆς μεγίστης, ὥσπερ ἔστιν, ἡγοῦνται φιλοσοφίαν.

Ἐπεὶ τοίνυν πολλὰ μὲν ὡς ἐν ὀλίγοις αὐτῷ Ζήνωνι πολλὰ δὲ Κλεάνθει πλεῖστα δὲ Χρυσίππῳ γεγραμμένα τυγχάνει περὶ πολιτείας καὶ τοῦ ἄρχεσθαι καὶ ἄρχειν καὶ δικάζειν καὶ ῥητορεύειν, ἐν δὲ τοῖς βίοις οὐδενὸς ἔστιν εὑρεῖν οὐ στρατηγίαν οὐ νομοθεσίαν οὐ πάροδον εἰς βουλὴν [c] οὐ συνηγορίαν ἐπὶ δικαστῶν οὐ στρατείαν ὑπὲρ πατρίδος οὐ πρεσβείαν οὐκ ἐπίδοσιν, ἀλλ’ ἐπὶ ξένης ὥσπερ τινὸς λωτοῦ γευσάμενοι σχολῆς τὸν πάντα βίον οὐ βραχὺν ἀλλὰ παμμήκη γενόμενον διήγαγον ἐν λόγοις καὶ βιβλίοις καὶ περιπάτοις, οὐκ ἄδηλον ὅτι τοῖς ὑφ’ ἑτέρων γραφομένοις καὶ λεγομένοις μᾶλλον ἢ τοῖς ὑφ’ αὑτῶν ὁμολογουμένως ἔζησαν, ἣν Ἐπίκουρος (fr. 426) ἡσυχίαν ἐπαινεῖ καὶ Ἱερώνυμος (fr. 16), ἐν ταύτῃ τὸ παράπαν καταβιώσαντες. αὐτὸς γοῦν Χρύσιππος ἐν τῷ τετάρτῳ περὶ Βίων οὐδὲν οἴεται τὸν σχολαστικὸν βίον τοῦ ἡδονικοῦ διαφέρειν· αὐτὰς [d] δὲ παραθήσομαι τὰς λέξεις· ‘ὅσοι δ’ ὑπολαμβάνουσι φιλοσόφοις ἐπιβάλλειν μάλιστα τὸν σχολαστικὸν βίον, ἀπ’ ἀρχῆς τί μοι δοκοῦσι διαμαρτάνειν, ὑπονοοῦντες διαγωγῆς τινος ἕνεκεν δεῖν τοῦτο ποιεῖν ἢ ἄλλου τινὸς τούτῳ παραπλησίου καὶ τὸν ὅλον βίον οὕτω πως διελκύσαι· τοῦτο δ’ ἐστίν, ἂν σαφῶς θεωρηθῇ, ἡδέως· οὐ γὰρ δεῖ λανθάνειν τὴν ὑπόνοιαν αὐτῶν, πολλῶν μὲν σαφῶς τοῦτο λεγόντων οὐκ ὀλίγων δ’ ἀδηλότερον.’ τίς οὖν μᾶλλον ἐν τῷ σχολαστικῷ βίῳ τούτῳ κατεγήρασεν ἢ Χρύσιππος καὶ Κλεάνθης καὶ Διογένης καὶ Ζήνων καὶ Ἀντίπατρος, οἵ γε καὶ τὰς αὑτῶν κατέλιπον πατρίδας, οὐδὲν ἐγκαλοῦντες ἀλλ’ ὅπως [e] καθ’ ἡσυχίαν ἐν τῷ Ὠιδείῳ καὶ ἐπὶ Ζωστῆρος σχολάζοντες καὶ φιλολογοῦντες διάγωσιν; Ἀριστοκρέων γοῦν ὁ Χρυσίππου μαθητὴς καὶ οἰκεῖος εἰκόνα χαλκῆν ἀναστηλώσας ἐπέγραψε τόδε τὸ ἐλεγεῖον

†’τὸν νέον Χρύσιππον Ἀριστοκρέων ἀνέθηκε,

τῶν Ἀκαδημιακῶν στραγγαλίδων κοπίδα.’

τοῦτ’ οὖν ὁ Χρύσιππος, ὁ γέρων, ὁ φιλόσοφος, ὁ τὸν βασιλικὸν καὶ πολιτικὸν ἐπαινῶν βίον, τὸν δὲ σχολαστικὸν οὐδὲν οἰόμενος τοῦ ἡδονικοῦ

διαφέρειν. ὅσοι γε μὴν ἄλλοι πολιτείᾳ προσίασιν, ἔτι μᾶλλον ἐναντιοῦνται τοῖς αὑτῶν [f] δόγμασι· καὶ γὰρ ἄρχουσι καὶ δικάζουσι καὶ συμβουλεύουσι καὶ νομοθετοῦσι καὶ κολάζουσι καὶ τιμῶσιν, ὡς πόλεων μὲν οὐσῶν ἐν αἷς πολιτεύονται, βουλευτῶν δὲ καὶ δικαστῶν ἀεὶ τῶν λαγχανόντων, στρατηγῶν δὲ τῶν χειροτονουμένων, νόμων δὲ τῶν Κλεισθένους καὶ Λυκούργου καὶ Σόλωνος, οὓς φαύλους καὶ ἀνοήτους γεγονέναι λέγουσιν. ὥστε καὶ πολιτευόμενοι μάχονται.

[1034] [a] Καὶ μὴν Ἀντίπατρος ἐν τῷ περὶ τῆς Κλεάνθους καὶ Χρυσίππου διαφορᾶς ἱστόρηκεν, ὅτι Ζήνων καὶ Κλεάνθης οὐκ ἠθέλησαν Ἀθηναῖοι γενέσθαι, μὴ δόξωσι τὰς αὑτῶν πατρίδας ἀδικεῖν. ὅτι μέν, εἰ καλῶς οὗτοι, Χρύσιππος οὐκ ὀρθῶς ἐποίησεν ἐγγραφεὶς εἰς τὴν πολιτείαν, παρείσθω· πολλὴν δὲ μάχην καὶ παράλογον ἔχει τὸ τὰ σώματα καὶ τοὺς βίους οὕτω μακρὰν ἀποξενώσαντας τὰ ὀνόματα ταῖς πατρίσι τηρεῖν, ὥσπερ εἴ τις τὴν γαμετὴν ἀπολιπών, ἑτέρᾳ δὲ συζῶν καὶ συναναπαυόμενος καὶ παιδοποιούμενος ἐξ ἑτέρας, μὴ συγγράφοιτο γάμον, ὅπως ἀδικεῖν μὴ δοκῇ τὴν προτέραν.

[b] Χρύσιππος δὲ πάλιν ἐν τῷ περὶ Ῥητορικῆς γράφων οὕτω ῥητορεύσειν καὶ πολιτεύσεσθαι τὸν σοφόν, ὡς καὶ τοῦ πλούτου ὄντος ἀγαθοῦ καὶ τῆς δόξης καὶ τῆς ὑγιείας, ὁμολογεῖ τοὺς λόγους αὑτῶν ἀνεξόδους εἶναι καὶ ἀπολιτεύτους καὶ τὰ δόγματα ταῖς χρείαις ἀνάρμοστα καὶ ταῖς πράξεσιν.

Ἔτι δόγμα Ζήνωνός ἐστιν 'ἱερὰ θεῶν μὴ οἰκοδομεῖν· ἱερὸν γὰρ μὴ πολλοῦ ἄξιον καὶ ἅγιον οὐκ ἔστιν· οἰκοδόμων δ' ἔργον καὶ βαναύσων οὐδέν ἐστι πολλοῦ ἄξιον.' οἱ δὲ ταῦτ' ἐπαινοῦντες ὡς εὖ ἔχοντα μυοῦνται μὲν ἐν ἱεροῖς, ἀναβαίνουσι δ' εἰς ἀκρόπολιν, προσκυνοῦσι δὲ τὰ ἕδη καὶ [c] στεφανοῦσι τοὺς ναούς, οἰκοδόμων ὄντας ἔργα καὶ βαναύσων ἀνθρώπων· εἶτα τοὺς Ἐπικουρείους ἐλέγχεσθαι δοκοῦσι θύοντας θεοῖς, αὐτοὶ δὲ μᾶλλον ἐλέγχονται θύοντες ἐπὶ τῶν βωμῶν καὶ τῶν ἱερῶν, ἃ μήτ' εἶναι μήτ' οἰκοδομεῖσθαι δεῖν ἀξιοῦσιν.

Ἀρετὰς ὁ Ζήνων ἀπολείπει πλείονας κατὰ διαφοράς, ὥσπερ ὁ Πλάτων, οἷον φρόνησιν ἀνδρείαν σωφροσύνην δικαιοσύνην, ὡς ἀχωρίστους μὲν οὔσας ἑτέρας δὲ καὶ διαφερούσας ἀλλήλων. πάλιν δ' ὁριζόμενος αὐτῶν ἑκάστην τὴν μὲν ἀνδρείαν φησὶν εἶναι φρόνησιν ἐνεργητέοις τὴν δὲ δικαιοσύνην φρόνησιν ἐν ἀπονεμητέοις, ὡς μίαν οὖσαν ἀρετὴν ταῖς δὲ πρὸς τὰ πράγματα σχέσεσι κατὰ [d] τὰς ἐνεργείας διαφέρειν δοκοῦσαν. οὐ μόνον δ' ὁ Ζήνων περὶ ταῦτα φαίνεται αὑτῷ μαχόμενος, ἀλλὰ καὶ Χρύσιππος Ἀρίστωνι μὲν ἐγκαλῶν ὅτι μιᾶς ἀρετῆς σχέσεις ἔλεγε τὰς ἄλλας εἶναι, Ζήνωνι δὲ συνηγορῶν οὕτως ὁριζομένῳ τῶν ἀρετῶν ἑκάστην. ὁ δὲ Κλεάνθης ἐν

Ὑπομνήμασι Φυσικοῖς εἰπὼν ὅτι ‘πληγὴ πυρὸς ὁ τόνος ἐστί, κἂν ἱκανὸς ἐν τῇ ψυχῇ γένηται πρὸς τὸ ἐπιτελεῖν τὰ ἐπιβάλλοντα, ἰσχὺς καλεῖται καὶ κράτος’ ἐπιφέρει κατὰ λέξιν ‘ἡ δ’ ἰσχὺς αὕτη καὶ τὸ κράτος, ὅταν μὲν ἐπὶ τοῖς φανεῖσιν ἐμμενετέοις ἐγγένηται, ἐγκράτειά ἐστιν, ὅταν δ’ ἐπὶ τοῖς ὑπομενετέοις, ἀνδρεία· περὶ τὰς ἀξίας δὲ δικαιοσύνη· [e] περὶ δὲ τὰς αἱρέσεις καὶ ἐκκλίσεις σωφροσύνη.’

Πρὸς τὸν εἰπόντα

‘μηδὲ δίκην δικάσῃς, πρὶν ἄμφω μῦθον ἀκούσῃς’

ἀντέλεγεν ὁ Ζήνων τοιούτῳ τινὶ λόγῳ χρώμενος ‘εἴτ’ ἀπέδειξεν ὁ πρότερος εἰπών, οὐκ ἀκουστέον τοῦ δευτέρου λέγοντος (πέρας γὰρ ἔχει τὸ ζητούμενον), εἴτ’ οὐκ ἀπέδειξεν (ὅμοιον γὰρ ὡς εἰ μηδ’ ὑπήκουσε κληθεὶς ἢ ὑπακούσας ἐτερέτισεν). ἤτοι δ’ ἀπέδειξεν ἢ οὐκ ἀπέδειξεν· οὐκ ἀκουστέον ἄρα τοῦ δευτέρου λέγοντος.’ τοῦτον δὲ τὸν λόγον ἐρωτήσας αὐτὸς ἀντέγραφε μὲν πρὸς τὴν Πλάτωνος Πολιτείαν, ἔλυε δὲ σοφίσματα, καὶ τὴν διαλεκτικὴν ὡς τοῦτο ποιεῖν δυναμένην ἐκέλευε παραλαμβάνειν [f] τοὺς μαθητάς. καίτοι ἢ ἀπέδειξε Πλάτων ἢ οὐκ ἀπέδειξε τὰ ἐν τῇ Πολιτείᾳ, κατ’ οὐδέτερον δ’ ἦν ἀναγκαῖον ἀντιγράφειν ἀλλὰ πάντως περιττὸν καὶ μάταιον. τὸ δ’ αὐτὸ καὶ περὶ τῶν σοφισμάτων ἔστιν εἰπεῖν.

[1035] [a] Ὁ Χρύσιππος οἴεται δεῖν τῶν λογικῶν πρῶτον ἀκροᾶσθαι τοὺς νέους δεύτερον δὲ τῶν ἠθικῶν μετὰ δὲ ταῦτα τῶν φυσικῶν, ὡς ἂν τέλος δὲ τούτοις τὸν περὶ θεῶν λόγον ἔσχατον παραλαμβάνειν. πολλαχοῦ δὲ τούτων ὑπ’ αὐτοῦ λεγομένων ἀρκέσει παραθέσθαι τὰ ἐν τῷ τετάρτῳ περὶ Βίων ἔχοντα κατὰ λέξιν οὕτως· ‘πρῶτον μὲν οὖν δοκεῖ μοι κατὰ τὰ ὀρθῶς ὑπὸ τῶν ἀρχαίων εἰρημένα τρία γένη τῶν τοῦ φιλοσόφου θεωρημάτων εἶναι, τὰ μὲν λογικὰ τὰ δ’ ἠθικὰ τὰ δὲ φυσικά· εἶτα τούτων δεῖν τάττεσθαι πρῶτα μὲν τὰ λογικὰ δεύτερα δὲ τὰ ἠθικὰ τρίτα δὲ τὰ φυσικά· τῶν δὲ φυσικῶν ἔσχατος εἶναι ὁ περὶ τῶν θεῶν λόγος· [b] διὸ καὶ τελετὰς ‹προς›ηγόρευσαν τὰς τούτου παραδόσεις.’ ἀλλὰ τοῦτόν γε τὸν λόγον, ὃν ἔσχατόν φησι δεῖν τάττεσθαι, ‹τὸν› περὶ θεῶν, ἔθει προτάττει καὶ προεκτίθησι παντὸς ἠθικοῦ ζητήματος· οὔτε γὰρ περὶ τελῶν οὔτε περὶ δικαιοσύνης οὔτε περὶ ἀγαθῶν καὶ κακῶν οὔτε περὶ γάμου καὶ παιδοτροφίας οὔτε περὶ νόμου καὶ πολιτείας φαίνεται τὸ παράπαν φθεγγόμενος, εἰ μή, καθάπερ οἱ τὰ ψηφίσματα ταῖς πόλεσιν εἰσφέροντες προγράφουσιν Ἀγαθὴν Τύχην, οὕτως καὶ αὐτὸς προγράψειε τὸν Δία, τὴν Εἱμαρμένην, τὴν Πρόνοιαν, τὸ συνέχεσθαι μιᾷ δυνάμει τὸν κόσμον ἕνα ὄντα καὶ πεπερασμένον· ὧν οὐθὲν ἔστι [c] πεισθῆναι μὴ διὰ βάθους ἐγκραθέντα τοῖς φυσικοῖς λόγοις. ἄκουε δ’ ἃ λέγει περὶ τούτων ἐν τῷ τρίτῳ περὶ Θεῶν· ‘οὐ γὰρ ἔστιν εὑρεῖν τῆς δικαιοσύνης ἄλλην ἀρχὴν οὐδ’ ἄλλην

γένεσιν ἢ τὴν ἐκ τοῦ Διὸς καὶ τὴν ἐκ τῆς κοινῆς φύσεως· ἐντεῦθεν γὰρ δεῖ πᾶν τὸ τοιοῦτον τὴν ἀρχὴν ἔχειν, εἰ μέλλομεν ὀρθῶς τι ἐρεῖν περὶ ἀγαθῶν καὶ κακῶν.' πάλιν ἐν ταῖς Φυσικαῖς Θέσεσιν 'οὐ γὰρ ἔστιν ἄλλως οὐδ' οἰκειότερον ἐπελθεῖν ἐπὶ τὸν τῶν ἀγαθῶν καὶ κακῶν λόγον οὐδ' ἐπὶ τὰς ἀρετὰς οὐδ' ἐπ' εὐδαιμονίαν, ἀλλ' ‹ἢ› ἀπὸ τῆς κοινῆς φύσεως καὶ ἀπὸ τῆς τοῦ κόσμου διοικήσεως.' [d] προελθὼν δ' αὖθις· 'δεῖ γὰρ τούτοις συνάψαι τὸν περὶ ἀγαθῶν καὶ κακῶν λόγον, οὐκ οὔσης ἄλλης ἀρχῆς αὐτῶν ἀμείνονος οὐδ' ἀναφορᾶς, οὐδ' ἄλλου τινὸς ἕνεκεν τῆς φυσικῆς θεωρίας παραληπτῆς οὔσης ἢ πρὸς τὴν περὶ ἀγαθῶν ἢ κακῶν διάστασιν.' γίνεται τοίνυν ἅμα πρόσω καὶ ὀπίσω τῶν ἠθικῶν ὁ φυσικὸς λόγος κατὰ Χρύσιππον· μᾶλλον δ' ὅλως ἄπορος ἡ περιτροπὴ τῆς τάξεως, εἰ μετὰ ταῦτα τακτέον ἐκεῖνον, ὧν καταλαβεῖν οὐθὲν ἐκείνου χωρὶς ἔστιν· καὶ πρόδηλος ἡ μάχη τοῦ τὸν φυσικὸν λόγον ἀρχὴν μὲν εἶναι τοῦ περὶ ἀγαθῶν καὶ κακῶν τιθεμένου κελεύοντος δὲ μὴ πρότερον ἀλλ' ὕστερον ἐκείνων παραδίδοσθαι.

[e] εἰ δέ τις ἐρεῖ γεγραφέναι τὸν Χρύσιππον ἐν τῷ περὶ Λόγου Χρήσεως, ὡς 'οὐ καθάπαξ ἀφεκτέον ἐστὶ τῶν ἄλλων τῷ τὴν λογικὴν ἀναλαμβάνοντι πρώτην, ἀλλὰ κἀκείνων μεταληπτέον κατὰ τὸ διδόμενον,' ἀληθῆ μὲν ἐρεῖ βεβαιώσει δὲ τὴν αἰτίαν· μάχεται γὰρ πρὸς ἑαυτόν, ὅπου μὲν ἔσχατον τὸν περὶ θεῶν λόγον ἀναλαμβάνειν κελεύων καὶ τελευταῖον, ὡς διὰ τοῦτο καὶ τελετὴν προσαγορευόμενον, ὅπου δὲ πάλιν ἐν πρώτοις ἅμα καὶ τούτου μεταληπτέον εἶναι λέγων· οἴχεται γὰρ ἡ τάξις, εἰ πάντων ἐν πᾶσι μεταλαμβάνειν δεήσει. τὸ δὲ μεῖζον, ὅτι τοῦ περὶ ἀγαθῶν [f] καὶ κακῶν λόγου τὸν περὶ θεῶν ἀρχὴν πεποιημένος οὐκ ἀπὸ τούτου κελεύει τὸν ἠθικὸν ἀρξαμένους ἀναλαμβάνειν, ἀλλ' ἐκεῖνον ἀναλαμβάνοντας τούτου μεταλαμβάνειν κατὰ τὸ διδόμενον, εἶτα μεταβαίνειν ἐπὶ τοῦτον ἀπ' ἐκείνων, οὗ χωρὶς οὐδεμίαν ἀρχὴν [ἀπ'] ἐκείνων οὐδ' ἔφοδον εἶναί φησι.

Τὸ πρὸς τὰ ἐναντία διαλέγεσθαι καθόλου μὲν οὔ φησιν ἀποδοκιμάζειν, χρῆσθαι δὲ οὕτω παραινεῖ, μετ' εὐλαβείας ὥσπερ ἐν τοῖς δικαστηρίοις, μὴ μετὰ συνηγορίας [1036] [a] ἀλλὰ διαλύοντας αὐτῶν τὸ πιθανόν· 'τοῖς μὲν γὰρ ἐποχὴν ἄγουσι περὶ πάντων ἐπιβάλλει' φησί 'τοῦτο ποιεῖν καὶ συνεργόν ἐστι πρὸς ὃ βούλονται· τοῖς δ' ἐπιστήμην ἐνεργαζομένοις καθ' ἣν ὁμολογουμένως βιωσόμεθα, τὰ ἐναντία, στοιχειοῦν καὶ καταστοιχίζειν τοὺς εἰσαγομένους ἀπ' ἀρχῆς μέχρι τέλους· ἐφ' ὧν καιρός ἐστι μνησθῆναι καὶ τῶν ἐναντίων λόγων, διαλύοντας αὐτῶν τὸ πιθανόν, καθάπερ καὶ ἐν τοῖς δικαστηρίοις·' ταυτὶ γὰρ αὐταῖς λέξεσιν εἴρηκεν. ὅτι μὲν οὖν ἄτοπός ἐστι τοὺς φιλοσόφους τὸν ἐναντίον λόγον οἰόμενος δεῖν τιθέναι μὴ μετὰ [b] συνηγορίας ἀλλ' ὁμοίως τοῖς δικολόγοις κακοῦντας, ὥσπερ οὐ πρὸς τὴν ἀλήθειαν ἀλλὰ περὶ νίκης

ταῦτά φησι τοὺς θεοὺς ποιεῖν, ὅπως τῶν πονηρῶν κολαζομένων οἱ λοιποὶ παραδείγμασι τούτοις χρώμενοι ἧττον ἐπιχειρῶσι τοιοῦτόν τι ποιεῖν. πάλιν ἐν μὲν τοῖς περὶ Δικαιοσύνης ὑπειπὼν ὅτι τοὺς ἀγαθὸν ἀλλὰ μὴ τέλος τιθεμένους τὴν ἡδονὴν ἐνδέχεται σῴζειν καὶ τὴν δικαιοσύνην, θεὶς τοῦτο κατὰ λέξιν εἴρηκε· ‘τάχα γὰρ ἀγαθοῦ αὐτῆς ἀπολειπομένης τέλους δὲ μή, τῶν δὲ δι’ αὑτῶν αἱρετῶν ὄντος καὶ τοῦ καλοῦ, σῴζοιμεν ἂν τὴν δικαιοσύνην, μεῖζον ἀγαθὸν ἀπολιπόντες τὸ καλὸν καὶ τὸ δίκαιον τῆς [d] ἡδονῆς.’ ταῦτα μὲν ἐν τούτοις περὶ τῆς ἡδονῆς. ἐν δὲ τοῖς πρὸς Πλάτωνα κατηγορῶν αὐτοῦ δοκοῦντος ἀγαθὸν ἀπολιπεῖν τὴν ὑγίειαν, οὐ μόνον τὴν δικαιοσύνην φησὶν ἀλλὰ καὶ τὴν μεγαλοψυχίαν ἀναιρεῖσθαι καὶ τὴν σωφροσύνην καὶ τὰς ἄλλας ἀρετὰς ἁπάσας, ἂν ἢ τὴν ἡδονὴν ἢ τὴν ὑγίειαν ἤ τι τῶν ἄλλων, ὃ μὴ καλόν ἐστιν, ἀγαθὸν ἀπολίπωμεν. ἃ μὲν οὖν ῥητέον ὑπὲρ Πλάτωνος, ἐν ἄλλοις γέγραπται πρὸς αὐτόν· ἐνταῦθα δ’ ἡ μάχη καταφανής ἐστιν, ὅπου μέν, ἂν μετὰ τοῦ καλοῦ τις ὑποθῆται καὶ τὴν ἡδονὴν ἀγαθὸν εἶναι, σῴζεσθαι δικαιοσύνην λέγοντος, ὅπου δὲ πάλιν τοὺς μὴ μόνον τὸ καλὸν ‹ἀγαθὸν› ἀπολιπόντας [e] αἰτιωμένου τὰς ἀρετὰς ἁπάσας ἀναιρεῖν. ἵνα δὲ μηδ’ ἀπολογίαν ὑπολίπῃ τοῖς ἐναντιώμασιν, Ἀριστοτέλει περὶ δικαιοσύνης ἀντιγράφων οὔ φησιν αὐτὸν ὀρθῶς λέγειν, ὅτι τῆς ἡδονῆς οὔσης τέλους ἀναιρεῖται μὲν ἡ δικαιοσύνη, συναναιρεῖται δὲ τῇ δικαιοσύνῃ καὶ τῶν ἄλλων ἀρετῶν ἑκάστη· τὴν μὲν γὰρ δικαιοσύνην ὑπ’ αὐτῶν ὡς ἀληθῶς ἀναιρεῖσθαι, τὰς δ’ ἄλλας ἀρετὰς οὐδὲν κωλύειν ὑπάρχειν, εἰ καὶ μὴ δι’ αὑτὰς αἱρετὰς ἀλλ’ ἀγαθὰς γοῦν καὶ ἀρεστὰς ἐσομένας· εἶθ’ ἑκάστην ἐξ ὀνόματος προσαγορεύει. βέλτιον δὲ τὰς ἐκείνου λέξεις ἀναλαβεῖν· ‘τῆς γὰρ ἡδονῆς’ φησίν [f] ‘ἐμφαινομένης τέλους κατὰ τὸν τοιοῦτον λόγον τὸ μὲν τοιοῦτο πᾶν μοι δοκεῖ οὐκ ἐμπεριλαμβάνεσθαι, δι’ ὃ ῥητέον μήτε τῶν ἀρετῶν τινα δι’ αὑτὴν αἱρετὴν εἶναι μήτε τῶν κακιῶν φευκτήν, ἀλλὰ πάντα ταῦτα δεῖν ἀναφέρεσθαι πρὸς τὸν ὑποκείμενον σκοπόν· οὐδὲν μέντοι κωλύσει κατ’ αὐτοὺς τὴν ἀνδρείαν μὲν καὶ τὴν φρόνησιν καὶ τὴν ἐγκράτειαν καὶ τὴν καρτερίαν καὶ τὰς ὁμοίας ταύταις ἀρετὰς εἶναι τῶν ἀγαθῶν, τὰς δ’ ἐναντίας

‹κακίας› ὑπάρχειν [1041] [a] φευκτάς.’ τίς οὖν τούτου πρὸς λόγους ἰταμώτερος γέγονεν, ὃς δυεῖν τῶν ἀρίστων φιλοσόφων ἐγκέκληκε τῷ μὲν ὅτι πᾶσαν ἀρετὴν ἀναιρεῖ μὴ μόνον τὸ καλὸν ἀγαθὸν ἀπολιπών, τῷ δ’ ὅτι τῆς ἡδονῆς τέλους οὔσης οὐ πᾶσαν ἀρετὴν ἄνευ τῆς δικαιοσύνης σῴζεσθαι νομίζει; θαυμαστὴ γὰρ ἡ ἐξουσία περὶ τῶν αὐτῶν πραγμάτων διαλεγόμενον, ἃ τίθησιν αὐτὸς ἐγκαλῶν Ἀριστοτέλει, ταῦτ’ ἀναιρεῖν πάλιν Πλάτωνος κατηγοροῦντα. καὶ μὴν ἐν ταῖς περὶ Δικαιοσύνης Ἀποδείξεσι λέγει ῥητῶς ὅτι ‘πᾶν κατόρθωμα καὶ εὐνόμημα καὶ δικαιοπράγημά ἐστι· τὸ δέ γε [b] κατ’ ἐγκράτειαν ἢ καρτερίαν ἢ φρόνησιν ἢ ἀνδρείαν πραττόμενον κατόρθωμά ἐστιν· ὥστε καὶ δικαιοπράγημα.’ πῶς οὖν, οἷς ἀπολείπει φρόνησιν καὶ ἀνδρείαν καὶ ἐγκράτειαν, οὐκ ἀπολείπει δικαιοσύνην; εὐθὺς αὐτῶν ὅσα κατορθοῦσιν ἐν ταῖς εἰρημέναις ἀρεταῖς καὶ δικαιοπραγούντων;

Τοῦ δὲ Πλάτωνος εἰπόντος τὴν ἀδικίαν ὡς διαφορὰ ψυχῆς οὖσα καὶ στάσις οὐδ’ ἐν αὐτοῖς τοῖς ἔχουσιν ἀποβάλλει τὴν δύναμιν ἀλλ’ αὐτὸν ἑαυτῷ συμβάλλει καὶ ‹συγ›κρούει [ταράττει] τὸν πονηρόν, ἐγκαλῶν Χρύσιππος ἀτόπως φησὶ λέγεσθαι τὸ ἀδικεῖν ἑαυτόν· εἶναι γὰρ πρὸς ἕτερον οὐ πρὸς ἑαυτὸν τὴν ἀδικίαν· ἐπιλαθόμενος δὲ τούτων [c] αὖθις ἐν ταῖς περὶ Δικαιοσύνης Ἀποδείξεσιν ἀδικεῖσθαί φησιν ὑφ’ ἑαυτοῦ τὸν ἀδικοῦντα καὶ αὐτὸν ἀδικεῖν, ὅταν ἄλλον ἀδικῇ, γενόμενον ἑαυτῷ τοῦ παρανομεῖν αἴτιον καὶ βλάπτοντα παρ’ ἀξίαν ἑαυτόν. ἐν μὲν τοῖς πρὸς Πλάτωνα ταῦτ’ εἴρηκε περὶ τοῦ τὴν ἀδικίαν λέγεσθαι μὴ πρὸς ἑαυτὸν ἀλλὰ πρὸς ἕτερον· ‘†οἱ γὰρ κατ’ ἰδίαν ἄδικοι συνεστήκασιν ἐκ πλειόνων τοιούτων τἀναντία λεγόντων, καὶ ἄλλως τῆς ἀδικίας λαμβανομένης ὡς ἂν ἐν πλείοσι πρὸς ἑαυτοὺς οὕτως ἔχουσιν εἰς δὲ τὸν ἕνα μηδενὸς διατείνοντος τοιούτου, καθ’ ὅσον δὲ πρὸς τοὺς πλησίον ἔχει οὕτως.’ ἐν [d] δὲ ταῖς Ἀποδείξεσι τοιούτους ἠρώτηκε λόγους περὶ τοῦ τὸν ἄδικον καὶ ἑαυτὸν ἀδικεῖν· ‘παραίτιον γενέσθαι παρανομήματος ἀπαγορεύει ὁ νόμος· καὶ τὸ ἀδικεῖν ἐστι παρανόμημα· ὁ τοίνυν παραίτιος γενόμενος αὑτῷ τοῦ ἀδικεῖν παρανομεῖ εἰς ἑαυτόν· ὁ δὲ παρανομῶν εἰς ἕνα καὶ ἀδικεῖ ἐκεῖνον· ὁ ἄρα καὶ ὁντινοῦν ἀδικῶν καὶ ἑαυτὸν ἀδικεῖ.’ πάλιν ‘τὸ ἁμάρτημα τῶν βλαμμάτων ἐστί, καὶ πᾶς ἁμαρτάνων παρ’ ἑαυτὸν ἁμαρτάνει· πᾶς ἄρ’ ὁ ἁμαρτάνων βλάπτει ἑαυτὸν παρὰ τὴν ἀξίαν· εἰ δὲ τοῦτο, καὶ ἀδικεῖ ἑαυτόν.’ ἔτι καὶ οὕτως ‘ὁ βλαπτόμενος ὑφ’ ἑτέρου ἑαυτὸν βλάπτει [e] καὶ παρὰ τὴν ἀξίαν ἑαυτὸν βλάπτει· τοῦτο δ’ ἦν τὸ ἀδικεῖν· ὁ ἄρ’ ἀδικούμενος καὶ ὑφ’ ὁτουοῦν πᾶς ἑαυτὸν ἀδικεῖ.’

Τὸν περὶ ἀγαθῶν καὶ κακῶν λόγον, ὃν αὐτὸς εἰσάγει καὶ δοκιμάζει, συμφωνότατον εἶναί φησι τῷ βίῳ καὶ μάλιστα τῶν ἐμφύτων ἅπτεσθαι προλήψεων. ταυτὶ γὰρ ἐν τῷ τρίτῳ τῶν Προτρεπτικῶν εἴρηκεν· ἐν δὲ τῷ

πρώτῳ τοῦτον τὸν λόγον φησὶν ἀπὸ τῶν ἄλλων ἁπάντων ἀφέλκειν τὸν ἄνθρωπον ὡς οὐδὲν ὄντων πρὸς ἡμᾶς οὐδὲ συνεργούντων πρὸς εὐδαιμονίαν οὐδέν. ὅρα τοίνυν, πῶς αὑτῷ σύμφωνός ἐστι, τὸν ἀφέλκοντα τοῦ ζῆν καὶ τῆς ὑγιείας καὶ τῆς ἀπονίας καὶ τῆς τῶν αἰσθητηρίων ὁλοκληρίας καὶ μηδὲν [f] εἶναι ταῦτα φάσκοντα πρὸς ἡμᾶς, ἃ παρὰ τῶν θεῶν αἰτούμεθα, μάλιστα συμφωνεῖν τῷ βίῳ καὶ ταῖς κοιναῖς προλήψεσιν ἀποφαινόμενος. ἀλλ' ἵνα μηδ' ἄρνησις ᾖ τοῦ τἀναντία λέγειν, ἐν τῷ τρίτῳ περὶ Δικαιοσύνης ταῦτ' εἴρηκε· 'διὸ καὶ διὰ τὴν ὑπερβολὴν τοῦ τε μεγέθους καὶ τοῦ κάλλους πλάσμασι δοκοῦμεν ὅμοια λέγειν καὶ οὐ [1042] [a] κατὰ τὸν ἄνθρωπον καὶ τὴν ἀνθρωπίνην φύσιν.' ἔστιν οὖν ὅπως ἄν τις ἐξομολογήσαιτο σαφέστερον τἀναντία λέγειν αὐτὸς πρὸς ἑαυτὸν ἢ οὗτος, ἃ δι' ὑπερβολήν φησι πλάσματα δοκεῖν εἶναι καὶ ὑπὲρ τὸν ἄνθρωπον καὶ ὑπὲρ τὴν ἀνθρωπίνην φύσιν λέγεσθαι, ταῦτα συμφωνεῖν τῷ βίῳ φάσκων καὶ μάλιστα τῶν ἐμφύτων ἅπτεσθαι προλήψεων;

Οὐσίαν κακοδαιμονίας ἀποφαίνει τὴν κακίαν, ἐν παντὶ βιβλίῳ φυσικῷ καὶ ἠθικῷ γράφων καὶ διατεινόμενος ὅτι 'τὸ κατὰ κακίαν ζῆν τῷ κακοδαιμόνως ζῆν ταὐτόν ἐστιν'· ἐν δὲ τῷ τρίτῳ περὶ Φύσεως ὑπειπὼν ὅτι 'λυσιτελεῖ ζῆν ἄφρονα μᾶλλον ἢ ‹μὴ› βιοῦν, κἂν μηδέποτε μέλλῃ φρονήσειν' [b] ἐπιλέγει 'τοιαῦτα γὰρ τἀγαθά ἐστι τοῖς ἀνθρώποις, ὥστε τρόπον τινὰ τὰ κακὰ τῶν ἀνὰ μέσον προτερεῖν.' ὅτι μὲν οὖν εἰρηκὼς ἐν ἑτέροις μηδὲν εἶναι τοῖς ἄφροσι λυσιτελὲς ἐνταῦθά φησι λυσιτελεῖν τὸ ἀφρόνως ζῆν, ἀφίημι· τῶν δ' ἀνὰ μέσον λεγομένων παρὰ τοῖς Στωικοῖς μήτε κακῶν ὄντων μήτ' ἀγαθῶν τὰ κακὰ προτερεῖν λέγων οὐδὲν ἄλλο λέγει πλὴν τῶν μὴ κακῶν τὰ κακὰ προτερεῖν καὶ τὸ κακοδαιμονεῖν λυσιτελέστερον εἶναι τοῦ μὴ κακοδαιμονεῖν, καὶ τοῦ κακοδαιμονεῖν ἀλυσιτελέστερον ἡγεῖται τὸ μὴ κακοδαιμονεῖν· εἰ δ' ἀλυσιτελέστερον, καὶ βλαβερώτερον· τὸ μὴ κακοδαιμονεῖν ἄρα βλαβερώτερον τοῦ κακοδαιμονεῖν. βουλόμενος οὖν ταύτην ἐπιλεαίνειν τὴν ἀτοπίαν [c] ἐπιλέγει περὶ τῶν κακῶν· 'ἔστι δ' οὐ ταῦτα προτεροῦντα, ἀλλ' ὁ λόγος, μεθ' οὗ βιοῦν ἐπιβάλλει μᾶλλον, καὶ εἰ ἄφρονες ἐσόμεθα.' πρῶτον μὲν οὖν τὰ κακὰ κακίαν λέγει καὶ τὰ μετέχοντα κακίας, ἄλλο δ' οὐθέν· ἡ δὲ κακία λογικόν ἐστι μᾶλλον δὲ λόγος ἡμαρτημένος· οὐδὲν οὖν ἕτερόν ἐστι τὸ μετὰ λόγου βιοῦν ἄφρονας ὄντας ἢ τὸ μετὰ κακίας βιοῦν· ἔπειτα τὸ βιοῦν ἄφρονας ὄντας βιοῦν ἐστι κακοδαίμονας ὄντας. πρὸς τί οὖν προτερεῖ τοῦτο τῶν ἀνὰ μέσον; οὐ γὰρ πρός γε τὸ εὐδαιμονεῖν φήσει προτερεῖν τὸ κακοδαιμονεῖν. ἀλλ' οὐδ' ὅλως, φασίν, οἴεται δεῖν Χρύσιππος [d] οὔτε μονὴν ἐν τῷ βίῳ τοῖς ἀγαθοῖς οὔτ' ἐξαγωγὴν τοῖς κακοῖς παραμετρεῖν ἀλλὰ τοῖς μέσοις κατὰ φύσιν· διὸ καὶ τοῖς εὐδαιμονοῦσι γίνεταί ποτε καθῆκον ἐξάγειν

ἑαυτοὺς καὶ μένειν αὖθις ἐν τῷ ζῆν τοῖς κακοδαιμονοῦσιν. εἶτα τί τούτου μεῖζόν ἐστιν ὑπεναντίωμα πρὸς αἵρεσιν καὶ φυγήν, εἰ τοῖς ἐπ' ἄκρον εὐδαιμονοῦσιν ἀπουσίᾳ τῶν ἀδιαφόρων ἀφίστασθαι τῶν ἀγαθῶν παρόντων καθήκει; καίτοι τῶν ἀδιαφόρων οὐθὲν αἱρετὸν οὐδὲ φευκτόν, ἀλλὰ μόνον αἱρετὸν τὸ ἀγαθὸν καὶ μόνον φευκτὸν ἡγοῦνται τὸ κακόν· ὥστε συμβαίνει κατ' αὐτοὺς μὴ πρὸς τὰ αἱρετὰ μηδὲ πρὸς [e] τὰ φευκτὰ τοὺς τῶν πράξεων τίθεσθαι λογισμούς, ἀλλ' ἑτέρων στοχαζομένους ἃ μήτε φεύγουσι μήθ' αἱροῦνται, πρὸς ταῦτα καὶ ζῆν καὶ ἀποθνήσκειν.

Τἀγαθὰ πρὸς τὰ κακὰ τὴν πᾶσαν ἔχειν διαφορὰν ὁμολογεῖ Χρύσιππος· καὶ ἀναγκαῖόν ἐστιν, εἰ τὰ μὲν ἐσχάτως ποιεῖ κακοδαίμονας εὐθὺς οἷς ἂν παρῇ, τὰ δ' ἐπ' ἄκρον εὐδαίμονας. αἰσθητὰ δ' εἶναι τἀγαθὰ καὶ τὰ κακά φησιν, ἐν τῷ προτέρῳ περὶ Τέλους ταῦτα γράφων· 'ὅτι μὲν γὰρ αἰσθητά ἐστι τἀγαθὰ καὶ τὰ κακά, καὶ τούτοις ἐκποιεῖ λέγειν· οὐ γὰρ μόνον τὰ πάθη ἐστὶν αἰσθητὰ σὺν τοῖς [f] εἴδεσιν, οἷον λύπη καὶ φόβος καὶ τὰ παραπλήσια, ἀλλὰ καὶ κλοπῆς καὶ μοιχείας καὶ τῶν ὁμοίων ἔστιν αἰσθέσθαι, καὶ καθόλου ἀφροσύνης καὶ δειλίας καὶ ἄλλων οὐκ ὀλίγων κακιῶν· οὐδὲ μόνον χαρᾶς καὶ εὐεργεσιῶν καὶ ἄλλων πολλῶν κατορθώσεων, ἀλλὰ καὶ φρονήσεως καὶ ἀνδρείας καὶ τῶν λοιπῶν ἀρετῶν.' τούτων τὴν μὲν ἄλλην ἀτοπίαν ἀφῶμεν, ὅτι δὲ μάχεται τοῖς περὶ τὸν διαλεληθότα σοφόν, τίς οὐκ ἂν ὁμολογήσειεν; αἰσθητοῦ γὰρ ὄντος τοῦ ἀγαθοῦ [1043] [a] καὶ μεγάλην πρὸς τὸ κακὸν διαφορὰν ἔχοντος, τὸν ἐκ φαύλου γενόμενον σπουδαῖον ἀγνοεῖν τοῦτο καὶ τῆς ἀρετῆς μὴ αἰσθάνεσθαι παρούσης ἀλλ' οἴεσθαι τὴν κακίαν αὐτῷ παρεῖναι, πῶς οὐκ ἔστιν ἀτοπώτατον; ἢ γὰρ οὐδεὶς ἀγνοεῖν ἢ ἀπιστεῖν δύναται τὰς ἀρετὰς ἔχων ἁπάσας, ἢ μικρά τίς ἐστι καὶ παντάπασι δυσθεώρητος ἡ διαφορὰ τῆς ἀρετῆς πρὸς τὴν κακίαν καὶ τῆς εὐδαιμονίας πρὸς τὴν κακοδαιμονίαν καὶ τοῦ καλλίστου βίου πρὸς τὸν αἴσχιστον, εἰ ταῦτά τις ἀντ' ἐκείνων κτησάμενος ἑαυτὸν λέληθε.

Μία σύνταξις ἡ περὶ Βίων τέτταρα βιβλία· τούτων ἐν τῷ τετάρτῳ λέγει τὸν σοφὸν ἀπράγμονά τ' εἶναι καὶ [b] ἰδιοπράγμονα καὶ τὰ αὑτοῦ πράττειν· ἔστι δ' ἡ λέξις αὕτη· 'οἶμαι γὰρ ἔγωγε τὸν φρόνιμον καὶ ἀπράγμονα εἶναι καὶ ἰδιοπράγμονα καὶ τὰ αὑτοῦ πράττειν ὁμοίως τῆς τ' αὐτοπραγίας καὶ τῆς ὀλιγοπραγμοσύνης ἀστείων ὄντων.' τὰ δ' ὅμοια σχεδὸν ἐν τῷ περὶ τῶν Δι' αὑτὰ αἱρετῶν εἴρηκε ταύταις ταῖς λέξεσι· 'τῷ γὰρ ὄντι φαίνεται ὁ κατὰ τὴν ἡσυχίαν βίος ἀκίνδυνόν τι καὶ ἀσφαλὲς ἔχειν, οὐ πάνυ τῶν πολλῶν δυναμένων τοῦτο συνιδεῖν.' ὅτι μὲν τῷ Ἐπικούρῳ τὴν πρόνοιαν ἀναιροῦντι διὰ τῆς ἀπραγμοσύνης τῆς περὶ τὸν θεὸν οὐκ ἀπᾴδει, δῆλόν ἐστιν· ἀλλ' αὐτὸς ὁ Χρύσιππος ἐν τῷ πρώτῳ περὶ Βίων βασιλείαν τε τὸν σοφὸν ἑκουσίως [c]

ἀναδέχεσθαι λέγει χρηματιζόμενον ἀπ' αὐτῆς, κἂν αὐτὸς βασιλεύειν μὴ δύνηται, συμβιώσεται βασιλεῖ καὶ στρατεύσεται μετὰ βασιλέως, οἷος ἦν Ἰδάνθυρσος ὁ Σκύθης ἢ Λεύκων ὁ Ποντικός. παραθήσομαι δὲ καὶ ταύτην αὐτοῦ τὴν διάλεκτον, ὅπως εἰδῶμεν, εἰ, καθάπερ ἐκ νήτης καὶ ὑπάτης γίνεται σύμφωνον, οὕτως ὁμολογεῖ βίος ἀνδρὸς καὶ ἀπραγμοσύνην αἱρουμένου καὶ ὀλιγοπραγμοσύνην, εἶτα συνιππαζομένου Σκύθαις καὶ τὰ τῶν ἐν Βοσπόρῳ τυράννων πράττοντος ἐξ οἱασδήτινος ἀνάγκης· 'ὅτι γάρ' φησί 'καὶ στρατεύσεται μετὰ δυναστῶν καὶ βιώσεται, πάλιν [d] ἐπισκεψώμεθα τούτων ἐχόμενοι, τινῶν μὲν οὐδὲ ταῦτ' ὑπονοούντων διὰ τοὺς ὁμοίους ὑπολογισμούς, ἡμῶν δὲ καὶ ταῦτ' ἀπολιπόντων διὰ τοὺς παραπλησίους λόγους.' καὶ μετὰ μικρόν· 'οὐ μόνον δὲ μετὰ τῶν προκεκοφότων ἐπὶ ποσὸν καὶ ἐν ἀγωγαῖς καὶ ἐν ἔθεσι ποιοῖς γεγονότων, οἷον παρὰ Λεύκωνι καὶ Ἰδανθύρσῳ.' Καλλισθένει τινὲς ἐγκαλοῦσιν, ὅτι πρὸς Ἀλέξανδρον ἔπλευσεν ἐλπίζων ἀναστήσειν Ὄλυνθον, ὡς Στάγειρα Ἀριστοτέλης· Ἔφορον δὲ καὶ Ξενοκράτη καὶ Μενέδημον ἐπαινοῦσι παραιτησαμένους τὸν Ἀλέξανδρον· ὁ δὲ Χρύσιππος ἕνεκα χρηματισμοῦ τὸν σοφὸν ἐπὶ κεφαλὴν ἐς Παντικάπαιον ὠθεῖ καὶ τὴν 'Σκυθῶν [e] ἐρημίαν'. ὅτι γὰρ ἐργασίας ἕνεκα καὶ χρηματισμοῦ ταῦτα ποιεῖ, καὶ προδεδήλωκε τρεῖς ὑποθέμενος ἁρμόζοντας μάλιστα τῷ σοφῷ χρηματισμούς, τὸν ἀπὸ βασιλείας καὶ τὸν ἀπὸ φίλων καὶ τρίτον ἐπὶ τούτοις τὸν ἀπὸ σοφιστείας. καίτοι πολλαχοῦ μὲν ἀποκναίει ταῦτ' ἐπαινῶν (Eur. fr. 892)·

'ἐπεὶ τί δεῖ βροτοῖσι πλὴν δυοῖν μόνον,

ἐν δὲ τοῖς περὶ Φύσεως λέγει τὸν σοφόν, εἰ τὴν μεγίστην οὐσίαν ἀποβάλοι, δραχμὴν μίαν ἐκβεβληκέναι δόξειν. οὕτω δ' αὐτὸν ἄρας ἐκεῖ καὶ ὀγκώσας ἐνταῦθα πάλιν εἰς μισθαρνίαν καταβάλλει καὶ σοφιστείαν· καὶ γὰρ αἰτήσειν καὶ [f] προλήψεσθαι τὸ μὲν εὐθὺς ἀρχομένου, τὸ δὲ χρόνου τῷ μαθητῇ διελθόντος, ὅπερ εὐγνωμονέστερον εἶναί φησιν, ἀσφαλέστερον δὲ τὸ προλαμβάνειν, ὡς ἀδικήματα τοῦ τόπου ἐπιδεχομένου. λέγει δ' οὕτως· 'εἰσπράττονται δὲ τὸν μισθὸν οὐ πάντας οἱ νοῦν ἔχοντες ὡσαύτως, ἀλλ' †ἄλλως πλῆθος, ὡς ἂν ὁ καιρὸς φέρῃ, οὐκ ἐπαγγελλόμενοι ποιήσειν ἀγαθούς, καὶ ταῦτ' ἐν ἐνιαυτῷ· ὅσον δὲ πρὸς ἑαυτούς, ταῦτα ποιήσειν πρὸς τὸν συμφωνηθέντα χρόνον.' [1044] [a] καὶ πάλιν προελθών· 'τόν τε καιρὸν εἴσεται, πότερον εὐθὺς δεῖ τὸν μισθὸν λαμβάνειν ἅμα τῇ προσόδῳ, καθάπερ πλείους πεποιήκασιν, ἢ καὶ χρόνον αὐτοῖς διδόναι, τοῦ τόπου τούτου μᾶλλον καὶ ἀδικήματα ἐπιδεχομένου δόξαντος δ' ἂν εἶναι εὐγνωμονεστέρου.' καὶ πῶς ἢ χρημάτων καταφρονητὴς ὁ σοφός, ὑπὸ συγγραφὴν ἐπ' ἀργυρίῳ τὴν ἀρετὴν

[b] ἄτοπον μὲν οὖν τὸ ἐκεῖ μὲν εὔκαιρον εἰπεῖν τὴν τῶν ἀλόγων ζῴων ἀποθεώρησιν, ἐνταῦθα δ’ ἀπὸ λόγου.

Τοῦ κατηναγκάσθαι δοκοῦντες ὑπὸ τῶν ἔξωθεν αἰτιῶν ταῖς ὁρμαῖς ἀπόλυσιν πορίζειν ἔνιοι τῶν φιλοσόφων ἐπελευστικήν τινα κίνησιν ἐν τῷ ἡγεμονικῷ κατασκευάζουσιν, ἐπὶ τῶν ἀπαραλλάκτων μάλιστα γινομένην ἔκδηλον· ὅταν γὰρ δυοῖν ἴσον δυναμένων καὶ ὁμοίως ἐχόντων θάτερον ᾖ λαβεῖν ἀνάγκη, μηδεμιᾶς αἰτίας ἐπὶ θάτερον ἀγούσης τῷ μηδὲν τοῦ ἑτέρου διαφέρειν, ἡ ἐπελευστικὴ δύναμις αὕτη τῆς ψυχῆς ἐπίκλισιν ἐξ αὑτῆς λαβοῦσα διέκοψε τὴν ἀπορίαν. πρὸς τούτους ὁ Χρύσιππος ἀντιλέγων, [c] ὡς βιαζομένους τῷ ἀναιτίῳ τὴν φύσιν, ἐν πολλοῖς παρατίθησι τὸν ἀστράγαλον καὶ τὸν ζυγὸν καὶ πολλὰ τῶν μὴ δυναμένων ἄλλοτ’ ἄλλας λαμβάνειν πτώσεις καὶ ῥοπὰς ἄνευ τινὸς αἰτίας καὶ διαφορᾶς ἢ περὶ αὐτὰ πάντως ἢ περὶ τὰ ἔξωθεν γινομένης· τὸ γὰρ ἀναίτιον ὅλως ἀνύπαρκτον εἶναι καὶ τὸ αὐτόματον· ἐν δὲ ταῖς πλαττομέναις ὑπ’ ἐνίων καὶ λεγομέναις ταύταις ἐπελεύσεσιν αἰτίας ἀδήλους ὑποτρέχειν καὶ λανθάνειν ἡμᾶς ἐπὶ θάτερα τὴν ὁρμὴν ἀγούσας. ταῦτα μὲν οὖν ἐν τοῖς γνωριμωτάτοις ἐστὶ τῶν [d] ὑπ’ αὐτοῦ πολλάκις εἰρημένων· ἃ δὲ τούτοις πάλιν αὐτὸς ἐξ ἐναντίας εἴρηκεν, οὐχ ὁμοίως οὕτως ἐν μέσῳ κείμενα, δι’ αὐτῶν παραθήσομαι τῶν ἐκείνου λέξεων. ἐν μὲν γὰρ τῷ περὶ τοῦ Δικάζειν ὑποθέμενος δύο δρομεῖς ὁμοῦ συνεκπίπτειν ἀλλήλοις διαπορεῖ τί τῷ βραβευτῇ καθήκει ποιῆσαι· ‘πότερον’ φησίν ‘ἔξεστι τὸν βραβευτὴν τὸν φοίνικα, ὁποτέρῳ βούλεται, ἀποδοῦναι, καθ’ ὃ ἂν τύχωσιν

αὐτῷ συνηθέστεροι ὄντες, ὡς ἂν ἐνταῦθα τῶν αὐτοῦ τι χαρισάμενον; ‹ἢ καθήκει› τρόπον τινὰ μᾶλλον, ὡς κοινοῦ τοῦ φοίνικος γεγονότος ἀμφοτέρων, οἱονεί τινος κλήρου [e] γινομένου ἀδήλως, κατὰ τὴν ἐπίκλισιν, ὡς ἔτυχε, δοῦναι αὐτόν; λέγω δ' ἣν ἔτυχεν ἐπίκλισιν, οἵα γίνεται, ὅταν δυεῖν προκειμένων δραχμῶν ὁμοίων κατὰ τὰ λοιπὰ ἐπὶ τὴν ἑτέραν ἐπικλίναντες λαμβάνωμεν αὐτήν.' ἐν δὲ τῷ ἕκτῳ περὶ Καθήκοντος εἶναί τινα φήσας πράγματα μὴ πάνυ πολλῆς ἄξια [εἶναι] πραγματείας μηδὲ προσοχῆς, ἀφιέναι περὶ ταῦτα τῇ ὡς ἔτυχεν ἐπικλίσει τῆς διανοίας οἴεται δεῖν τὴν αἵρεσιν ἀποκληρώσαντας· 'οἷον' φησίν 'εἰ τῶν δοκιμαζόντων τάσδε τινὰς δραχμὰς δύο ἐπὶ τοσόνδε οἱ μὲν τήνδε οἱ δὲ τήνδε φαῖεν εἶναι καλήν, δέοι δὲ μίαν [f] αὐτῶν λαβεῖν, τηνικαῦτ' ἀφέντες τὸ ἐπὶ πλεῖον ἐπιζητεῖν, ἣν ἔτυχε ληψόμεθα, κατ' ἄδηλόν τιν' ἀποκληρώσαντες αὐτὰς λόγον, καὶ εἰ μάλιστα τὴν μοχθηρὰν ληψόμεθα αὐτῶν.' ἐν τούτοις γὰρ ‹ἡ› ἀποκλήρωσις καὶ ‹τὸ› ὡς ἔτυχεν ἐπικλῖνον τῆς διανοίας [τὸ] ἄνευ πάσης αἰτίας εἰσάγει τῶν ἀδιαφόρων λῆψιν.

Ἐν τῷ τρίτῳ περὶ τῆς Διαλεκτικῆς ὑπειπὼν ὅτι 'Πλάτων ἐσπούδασε περὶ τὴν διαλεκτικὴν καὶ Ἀριστοτέλης καὶ ‹οἱ› ἀπὸ τούτων ἄχρι Πολέμωνος καὶ Στράτωνος, [1046] [a] μάλιστα δὲ Σωκράτης' καὶ ἐπιφωνήσας ὅτι 'καὶ συνεξαμαρτάνειν ἄν τις θελήσειε τούτοις τοσούτοις καὶ τοιούτοις οὖσιν' ἐπιφέρει κατὰ λέξιν· 'εἰ μὲν γὰρ ἐκ παρέργου περὶ αὐτῶν εἰρήκεσαν, τάχ' ἄν τις διέσυρε τὸν τόπον τοῦτον· οὕτω δ' αὐτῶν ἐπιμελῶς εἰρηκότων ὡς ἐν ταῖς μεγίσταις δυνάμεσι καὶ ἀναγκαιοτάταις αὐτῆς οὔσης, οὐ πιθανὸν ἐπὶ τοσοῦτον διαμαρτάνειν αὐτοὺς ἐν τοῖς ὅλοις ὄντας οἵους ὑπονοοῦμεν.' τί οὖν σύ, φήσαι τις ἄν, αὐτὸς ἀνδράσι τοιούτοις καὶ τοσούτοις οὐδέποτε παύσῃ μαχόμενος οὐδ' [b] ἐλέγχων, ὡς νομίζεις, ἐν τοῖς κυριωτάτοις καὶ μεγίστοις διαμαρτάνοντας; οὐ γὰρ δήπου περὶ μὲν διαλεκτικῆς ἐσπουδασμένως ἔγραψαν, περὶ δ' ἀρχῆς καὶ τέλους καὶ θεῶν καὶ δικαιοσύνης ἐκ παρέργου καὶ παίζοντες, ἐν οἷς τυφλὸν αὐτῶν ἀποκαλεῖς τὸν λόγον καὶ μαχόμενον αὐτῷ καὶ μυρίας ἄλλας ἁμαρτίας ἔχοντα.

Τὴν ἐπιχαιρεκακίαν ὅπου μὲν ἀνύπαρκτον εἶναί φησιν, ἐπεὶ τῶν μὲν ἀστείων οὐδεὶς ἐπ' ἀλλοτρίοις κακοῖς χαίρει, ‹τῶν δὲ φαύλων οὐδεὶς χαίρει› τὸ παράπαν· ἐν δὲ τῷ δευτέρῳ περὶ Ἀγαθοῦ τὸν φθόνον ἐξηγησάμενος ὅτι 'λύπη ἐστὶν ἐπ' ἀλλοτρίοις ἀγαθοῖς, ὡς δήποτε βουλομένων ταπεινοῦν [c] τοὺς πλησίον, ὅπως ὑπερέχωσιν αὐτοί,' συνάπτει τὰ τῆς ἐπιχαιρεκακίας· 'ταύτῃ δὲ συνεχὴς ἡ ἐπιχαιρεκακία γίνεται, ταπεινοὺς βουλομένων εἶναι τοὺς πλησίον διὰ τὰς ὁμοίας αἰτίας· καθ' ἑτέρας δὲ φυσικὰς φορὰς ἐκτρεπομένων ὁ ἔλεος γίνεται.' δῆλος ἄρ' ἐστὶν ἐνταῦθα τὴν ἐπιχαιρεκακίαν ὑπαρκτὴν

ὥσπερ τὸν φθόνον καὶ τὸν ἔλεον ἀπολιπών, ἣν ἐν ἑτέροις ἀνύπαρκτον εἶναί φησιν ὥσπερ τὴν μισοπονηρίαν καὶ τὴν αἰσχροκέρδειαν.

Ἐν πολλοῖς εἰρηκὼς ὅτι παρὰ τὸν πλείονα χρόνον οὐδὲν μᾶλλον εὐδαιμονοῦσιν ἀλλ' ὁμοίως καὶ ἐπίσης τοῖς τὸν ἀμερῆ χρόνον εὐδαιμονίας μετασχοῦσιν, ἐν πολλοῖς πάλιν εἴρηκεν ὡς οὐδὲ τὸν δάκτυλον καθήκει προτεῖναι [d] χάριν ἀμεριαίας φρονήσεως καὶ καθάπερ ἀστραπῆς διιπταμένης. ἀρκέσει δὲ παραθεῖναι τὰ ἐν τῷ ἕκτῳ τῶν Ἠθικῶν Ζητημάτων ὑπ' αὐτοῦ γεγραμμένα περὶ τούτων· ὑπειπὼν γὰρ ὡς 'οὔτε πᾶν ἀγαθὸν ἐπίσης εἰς χαρὰν πίπτει οὔτε πᾶν κατόρθωμα εἰς σεμνολογίαν' ἐπενήνοχε ταῦτα· 'καὶ γάρ, εἰ μόνον μέλλοι ἀμερῆ χρόνον ἢ τὸν ἔσχατον ἕξειν φρόνησιν, οὐδ' ἂν τὸν δάκτυλον καθήκοι ἐκτεῖναι ἕνεκα τῆς οὕτω παρεσομένης φρονήσεως,' καίπερ παρὰ τὸν πλείονα χρόνον οὐδὲν μᾶλλον εὐδαιμονούντων οὐδὲ τῆς ἀιδίου εὐδαιμονίας αἱρετωτέρας γινομένης παρὰ τὴν ἀμεριαίαν.

[e] εἰ μὲν οὖν τὴν φρόνησιν ἡγεῖτο ποιητικὸν εἶναι τῆς εὐδαιμονίας ἀγαθὸν ὥσπερ ὁ Ἐπίκουρος (fr. 515), αὐτῆς ἔδει μόνον τῆς ἀτοπίας καὶ παραδοξολογίας ἐπιλαμβάνεσθαι τοῦ δόγματος· ἐπεὶ δ' ἡ φρόνησις οὐχ ἕτερόν ἐστι τῆς εὐδαιμονίας κατ' αὐτὸν ἀλλ' εὐδαιμονία, πῶς οὐ μάχεται τὸ λέγειν ἐπίσης μὲν αἱρετὴν εἶναι τὴν ἀμεριαίαν εὐδαιμονίαν καὶ τὴν ἀίδιον, μηδενὸς δ' ἀξίαν τὴν ἀμεριαίαν;

Τὰς ἀρετάς φασιν ἀντακολουθεῖν ἀλλήλαις, οὐ μόνον τῷ τὸν μίαν ἔχοντα πάσας ἔχειν, ἀλλὰ καὶ τῷ τὸν κατὰ μίαν ὁτιοῦν ἐνεργοῦντα κατὰ πάσας ἐνεργεῖν· οὔτε γὰρ [f] ἄνδρα φασὶ τέλειον εἶναι τὸν μὴ πάσας ἔχοντα τὰς ἀρετὰς οὔτε πρᾶξιν τελείαν, ἥτις οὐ κατὰ πάσας πράττεται τὰς ἀρετάς. ἀλλὰ μὴν ἐν τῷ ἕκτῳ τῶν Ἠθικῶν Ζητημάτων ὁ Χρύσιππος οὐκ ἀεί φησιν ἀνδρίζεσθαι τὸν ἀστεῖον οὐδὲ δειλαίνειν τὸν φαῦλον, ὡς †δέον ἐν φαντασίαις ἐπιφερομένων τινῶν τὸν μὲν ἐμμένειν τοῖς κρίμασι τὸν δ' ἀφίστασθαι. [1047] [a] 'πιθανὸν δέ' φησί 'μηδ' ἀκολασταίνειν ἀεὶ τὸν φαῦλον.' εἴπερ οὖν τὸ ἀνδρίζεσθαι τοιοῦτόν ἐστιν οἷον ἀνδρείᾳ χρῆσθαι καὶ τὸ δειλαίνειν οἷον δειλίᾳ χρῆσθαι, μαχόμενα λέγουσι λέγοντες κατὰ πάσας μὲν ἅμα τὰς ἀρετὰς καὶ τὰς κακίας ἐνεργεῖν τὸν ἔχοντα ‹μίαν›, μὴ ἀεὶ δὲ τὸν ἀστεῖον ἀνδρίζεσθαι μηδὲ δειλαίνειν τὸν φαῦλον.

Τὴν ῥητορικὴν ὁρίζεται τέχνην περὶ †κόσμου καὶ εἰρημένου λόγου τάξιν· ἔτι δ' ἐν τῷ πρώτῳ καὶ ταῦτα γέγραφεν· 'οὐ μόνον δὲ τοῦ ἐλευθερίου καὶ ἀφελοῦς κόσμου δεῖν οἴομαι ἐπιστρέφεσθαι κἀπὶ τῶν λόγων †ᾧ καὶ τῶν οἰκείων ὑποκρίσεων κατὰ τὰς ἐπιβαλλούσας τάσεις τῆς [b] φωνῆς καὶ σχηματισμοὺς τοῦ τε προσώπου καὶ τῶν χειρῶν.' οὕτω δέ τις φιλότιμος

ἐνταῦθα περὶ τὸν λόγον γενόμενος πάλιν ἐν τῷ αὐτῷ βιβλίῳ περὶ τῆς τῶν φωνηέντων συγκρούσεως ὑπειπών 'οὐ μόνον' φησί 'ταῦτα παρετέον τοῦ βελτίονος ἐχομένους, ἀλλὰ καὶ ποιὰς ἀσαφείας καὶ ἐλλείψεις καὶ νὴ Δία σολοικισμούς, ἐφ' οἷς ἄλλοι ἂν αἰσχυνθείησαν οὐκ ὀλίγοι.' τὸ δὴ ποτὲ μὲν ἄχρι χειρῶν καὶ στόματος εὐπρεπείας ἐπιχωρεῖν τοῖς λέγουσιν ἐν κόσμῳ τὸν λόγον διατίθεσθαι, ποτὲ δὲ μήτ' ἐλλείψεων ἐπιστρέφεσθαι καὶ ἀσαφειῶν μήτε σολοικίζοντας αἰσχύνεσθαι τελέως ὅ τι ἂν ἐπίῃ λέγοντός ἐστιν.

[c] Ἐν δὲ ταῖς Φυσικαῖς Θέσεσι περὶ τῶν ἐμπειρίας καὶ ἱστορίας δεομένων διακελευσάμενος τὴν ἡσυχίαν ἔχειν, ἂν μή τι κρεῖττον καὶ ἐναργέστερον ἔχωμεν λέγειν, 'ἵνα' φησί 'μήτε Πλάτωνι παραπλησίως ὑπονοήσωμεν τὴν μὲν ὑγρὰν τροφὴν εἰς τὸν πλεύμονα φέρεσθαι τὴν δὲ ξηρὰν εἰς τὴν κοιλίαν, μήθ' ἕτερα παραπλήσια γεγονότα τούτοις διαπτώματα'. δοκῶ δὴ τὸ ἐγκαλεῖν ἑτέροις εἶτα περιπίπτειν αὐτὸν οἷς ἐγκαλεῖ καὶ μὴ φυλάττεσθαι τῶν ἐναντιωμάτων μέγιστον εἶναι καὶ τῶν διαπτωμάτων αἴσχιστον. ἀλλὰ μὴν αὐτὸς τὰς διὰ δέκα ἀξιωμάτων συμπλοκὰς πλήθει φησὶν ὑπερβάλλειν ἑκατὸν μυριάδας οὔτε δι' αὑτοῦ [d] ζητήσας ἐπιμελῶς οὔτε διὰ τῶν ἐμπείρων τὸ ἀληθὲς ἱστορήσας. καίτοι Πλάτων μὲν ἔχει τῶν ἰατρῶν τοὺς ἐνδοξοτάτους μαρτυροῦντας, Ἱπποκράτην Φιλιστίωνα Διώξιππον τὸν Ἱπποκράτειον, καὶ τῶν ποιητῶν Εὐριπίδην Ἀλκαῖον Εὔπολιν Ἐρατοσθένην, λέγοντας ὅτι τὸ ποτὸν διὰ τοῦ πνεύμονος διέξεισι· Χρύσιππον δὲ πάντες ἐλέγχουσιν οἱ ἀριθμητικοί, ὧν καὶ Ἵππαρχός ἐστιν ἀποδεικνύων τὸ διάπτωμα τοῦ λογισμοῦ παμμέγεθες αὐτῷ γεγονός, εἴγε τὸ μὲν καταφατικὸν ποιεῖ συμπεπλεγμένων ἀξιωμάτων μυριάδας δέκα καὶ πρὸς ταύταις τρισχίλια τεσσαράκοντα [e] ἐννέα, τὸ δ' ἀποφατικὸν ἐνακόσια πεντήκοντα δύο πρὸς τριάκοντα καὶ μιᾷ μυριάσι.

Τῶν πρεσβυτέρων τινές, ἃ τῷ τὸν ὀξίνην ἔχοντι συνέβαινε μήθ' ὡς ὄξος ἀποδόσθαι δυναμένῳ μήθ' ὡς οἶνον, ἔφασαν τῷ Ζήνωνι συμβαίνειν· τὸ γὰρ προηγμένον αὐτῷ μήθ' ὡς ἀγαθὸν μήθ' ὡς ἀδιάφορον ἔχειν διάθεσιν. ἀλλ' ὁ Χρύσιππος ἔτι μᾶλλον τὸ πρᾶγμα δυσδιάθετον πεποίηκεν· ὁτὲ μὲν γάρ φησι μαίνεσθαι τοὺς τὸν πλοῦτον καὶ τὴν ὑγίειαν καὶ τὴν ἀπονίαν καὶ τὴν ὁλοκληρίαν τοῦ σώματος ἐν μηδενὶ ποιουμένους μηδ' ἀντεχομένους τῶν τοιούτων, καὶ παραθέμενος τὰ τοῦ Ἡσιόδου (O. D. 299) 'ἐργάζευ, Πέρση, δῖον γένος' ἐπιπεφώνηκεν ὅτι τἀναντία [f] παραινεῖν μανικόν ἐστι, τό 'μὴ ἐργάζευ, Πέρση, δῖον γένος'· καὶ τὸν μὲν σοφὸν ἐν τοῖς περὶ Βίων καὶ βασιλεῦσι συνέσεσθαί φησιν ἕνεκα χρηματισμοῦ καὶ σοφιστεύσειν ἐπ' ἀργυρίῳ, παρ' ὧν μὲν προλαμβάνοντα πρὸς οὓς δὲ συντιθέμενον τῶν μαθητῶν, ἐν δὲ τῷ ἑβδόμῳ ‹περὶ› τοῦ Καθήκοντος καὶ κυβιστήσειν τρὶς ἐπὶ

τούτῳ λαβόντα τάλαντον· [1048] [a] ἐν δὲ τῷ πρώτῳ περὶ Ἀγαθῶν τρόπον τινὰ συγχωρεῖ καὶ δίδωσι τοῖς βουλομένοις τὰ προηγμένα καλεῖν ἀγαθὰ καὶ κακὰ τἀναντία, ταύταις ταῖς λέξεσιν· 'εἴ τις βούλεται κατὰ τὰς τοιαύτας παραλλαγὰς τὸ μὲν ἀγαθὸν αὐτῶν λέγειν τὸ δὲ κακόν, ἐπὶ ταῦτα φερόμενος τὰ πράγματα καὶ μὴ ἄλλως ἀποπλανώμενος, ἐν μὲν τοῖς σημαινομένοις οὐ διαπίπτοντος αὐτοῦ, τὰ δ' ἄλλα στοχαζομένου τῆς κατὰ τὰς ὀνομασίας συνηθείας.' οὕτω δὲ τὸ προηγμένον τῷ ἀγαθῷ συναγαγὼν ἐγγὺς ἐνταῦθα καὶ συμμίξας, ἐν ἑτέροις πάλιν οὐδὲν εἶναί φησι τούτων καθόλου πρὸς ἡμᾶς, ἀλλ' [b] ἀποσπᾶν τὸν λόγον ἡμᾶς καὶ ἀποστρέφειν ἁπάντων τῶν τοιούτων· ταῦτα γὰρ ἐν τῷ πρώτῳ περὶ τοῦ Προτρέπεσθαι γέγραφεν. ἐν δὲ τῷ τρίτῳ περὶ Φύσεως μακαρίζεσθαί φησιν ἐνίους βασιλεύοντας καὶ πλουτοῦντας, ὅμοιον εἰ χρυσαῖς ἀμίσι χρώμενοι καὶ χρυσοῖς κρασπέδοις ἐμακαρίζοντο· 'τῷ δ' ἀγαθῷ τὸ τὴν οὐσίαν ἀποβαλεῖν οἱονεὶ δραχμὴν ἀποβαλεῖν καὶ τὸ νοσῆσαι οἷον προσκόψαι.'

Διὸ τῶν ἐναντιωμάτων τούτων οὐ μόνον τὴν ἀρετὴν ἀλλὰ καὶ τὴν πρόνοιαν ἀναπέπληκεν. ἡ μὲν γὰρ ἀρετὴ μικρολόγος ἐσχάτως φανεῖται καὶ ἀνόητος περὶ ταῦτα πραγματευομένη καὶ τούτων ἕνεκα πλεῖν εἰς Βόσπορον κελεύουσα [c] καὶ κυβιστᾶν τὸν σοφόν· ὁ δὲ Ζεὺς γελοῖος εἰ Κτήσιος χαίρει καὶ Ἐπικάρπιος καὶ Χαριδότης προσαγορευόμενος, ὅτι δηλαδὴ χρυσᾶς ἀμίδας καὶ χρυσᾶ κράσπεδα χαρίζεται τοῖς φαύλοις, τοῖς δ' ἀγαθοῖς ἄξια δραχμῆς, ὅταν πλούσιοι γένωνται κατὰ τὴν τοῦ Διὸς πρόνοιαν· ἔτι δὲ γελοιότερος ὁ Ἀπόλλων, εἰ περὶ χρυσῶν κρασπέδων καὶ ἀμίδων κάθηται θεμιστεύων καὶ περὶ προσκομμάτων ἀπολύσεως. ἔτι δὲ μᾶλλον τῇ ἀποδείξει τὸ ἐναντίωμα ποιοῦσι φανερώτερον. ᾧ γὰρ ἔστιν εὖ χρήσασθαι καὶ κακῶς, τοῦτό φασι μήτ' ἀγαθὸν εἶναι μήτε κακόν· πλούτῳ δὲ καὶ ὑγιείᾳ καὶ ῥώμῃ σώματος κακῶς χρῶνται πάντες οἱ ἀνόητοι· [d] διόπερ οὐδέν ἐστι τούτων ἀγαθόν. εἴπερ οὖν ὁ θεὸς ἀρετὴν μὲν οὐ δίδωσιν ἀνθρώποις ἀλλὰ τὸ καλὸν αὐθαίρετόν ἐστι, πλοῦτον δὲ καὶ ὑγίειαν χωρὶς ἀρετῆς δίδωσιν, οὐκ εὖ χρησομένοις δίδωσιν ἀλλὰ κακῶς, τουτέστι βλαβερῶς καὶ αἰσχρῶς καὶ ὀλεθρίως. καίτοι εἰ μὲν δύνανται τὴν ἀρετὴν παρέχειν οἱ θεοί, οὔκ εἰσι χρηστοὶ μὴ παρέχοντες· εἰ δὲ μὴ δύνανται ποιεῖν ἀγαθούς, οὐδ' ὠφελεῖν δύνανται, μηδενός γε τῶν ἄλλων ὄντος ἀγαθοῦ μηδ' ὠφελίμου. τὸ δ' ἄλλως τοὺς γενομένους ἀγαθοὺς κρίνειν ‹ἢ› κατ' ἀρετὴν ἢ ἰσχὺν οὐδ' ἔνεστι· καὶ γὰρ τοὺς θεοὺς οἱ ἀγαθοὶ κρίνουσι [e] κατ' ἀρετὴν καὶ ἰσχύν· ὥστε μηδὲν μᾶλλον ὠφελεῖν ἢ ὠφελεῖσθαι τοὺς θεοὺς ὑπὸ τῶν ἀνθρώπων. καὶ μὴν οὔθ' αὑτὸν ὁ Χρύσιππος ἀποφαίνει σπουδαῖον οὔτε τινὰ τῶν αὑτοῦ γνωρίμων ἢ καθηγεμόνων. τί οὖν περὶ τῶν ἄλλων φρονοῦσιν; ἢ ταῦτα ἅπερ λέγουσι;

μαίνεσθαι πάντας, ἀφραίνειν, ἀνοσίους εἶναι, παρανόμους, ἐπ’ ἄκρον ἥκειν δυστυχίας, κακοδαιμονίας ἁπάσης· εἶτα προνοίᾳ θεῶν διοικεῖσθαι τὰ καθ’ ἡμᾶς οὕτως ἀθλίως πράττοντας; εἰ γοῦν οἱ θεοὶ μεταβαλόμενοι βλάπτειν ἐθέλοιεν ἡμᾶς καὶ κακοῦν καὶ διαστρέφειν καὶ προσεπιτρίβειν, οὐκ ἂν δύναιντο διαθεῖναι χεῖρον ἢ νῦν ἔχομεν, ὡς Χρύσιππος ἀποφαίνει [f] μήτε κακίας ὑπερβολὴν ἀπολείπειν μήτε κακοδαιμονίας τὸν βίον· ὥστ’, εἰ λάβοι φωνήν, εἰπεῖν ἂν αὐτὸν τὰ τοῦ Ἡρακλέους

‘γέμω κακῶν δή, καὶ οὐκ ἔσθ’ ὅπου τεθῇ.’

τίνας οὖν ἄν τις εὕροι μαχομένας μᾶλλον ἀλλήλαις ἀποφάσεις τῆς περὶ θεῶν Χρυσίππου καὶ τῆς περὶ ἀνθρώπων, [1049] [a] τοὺς μὲν ὡς ἔνι βέλτιστα προνοεῖν τοὺς δ’ ὡς ἔνι χείριστα πράττειν λέγοντος;

Ἐγκαλοῦσιν αὐτῷ τινες τῶν Πυθαγορικῶν ἐν τοῖς περὶ Δικαιοσύνης γράφοντι περὶ τῶν ἀλεκτρυόνων ὅτι ‘χρησίμως γεγόνασιν· ἐπεγείρουσι γὰρ ἡμᾶς καὶ τοὺς σκορπίους ἐκλέγουσι καὶ κατὰ τὰς μάχας ἐπιστρέφουσι, ζῆλόν τινα πρὸς ἀλκὴν ἐμποιοῦντες· ὅμως δὲ δεῖ κατεσθίειν καὶ τούτους, ἵνα μὴ τὴν χρείαν ὑπερβάλλῃ τὸ πλῆθος τῶν νεοττῶν.’ ὁ δ’ οὕτως καταγελᾷ τῶν ἐπὶ τούτοις ἐγκαλούντων, ὥστε περὶ τοῦ Διός, τοῦ Σωτῆρος καὶ Γενέτορος καὶ πατρὸς Δίκης καὶ Εὐνομίας καὶ Εἰρήνης, ταῦτα [b] γράφειν ἐν τῷ τρίτῳ περὶ Θεῶν· ‘ὡς δ’ αἱ πόλεις πλεονάσασαι εἰς ἀποικίας ἀπερῶσι τὰ πλήθη καὶ πολέμους ἐνίστανται πρός τινας, οὕτως ὁ θεὸς φθορᾶς ἀρχὰς δίδωσι·’ καὶ τὸν Εὐριπίδην μάρτυρα καὶ τοὺς ἄλλους προσάγεται τοὺς λέγοντας ὡς ὁ Τρωικὸς πόλεμος ὑπὸ τῶν θεῶν ἀπαντλήσεως χάριν τοῦ πλήθους τοῦ τῶν ἀνθρώπων γένους γένοιτο. τούτων δὲ τὰς μὲν ἄλλας ἀτοπίας ἄφες· οὐ γὰρ εἴ τι μὴ καλῶς ἀλλ’ ὅσα πρὸς ἑαυτοὺς διαφόρως λέγουσιν, ἐξετάσαι μόνον πρόκειται· σκόπει δ’ ὅτι τῷ θεῷ καλὰς μὲν ἐπικλήσεις ἀεὶ καὶ φιλανθρώπους, ἄγρια δ’ ἔργα καὶ βάρβαρα καὶ Γαλατικὰ προστίθησιν. οὐ γὰρ ἀποικίαις [c] ἐοίκασιν αἱ τοσαῦται φθοραὶ καὶ πανωλεθρίαι τῶν ἀνθρώπων, οἵας ὁ Τρωικὸς εἰργάσατο πόλεμος καὶ πάλιν ὁ Μηδικὸς καὶ ὁ Πελοποννησιακός, εἰ μή τινας ἐν Ἅιδου καὶ ὑπὸ γῆς ἴσασιν οὗτοι πόλεις κτιζομένας, ἀλλὰ τῷ Γαλάτῃ Δηιοτάρῳ ποιεῖ Χρύσιππος ὅμοιον τὸν θεόν, ὅς, πλειόνων αὐτῷ παίδων γεγονότων, ἑνὶ βουλόμενος τὴν ἀρχὴν ἀπολιπεῖν καὶ τὸν οἶκον ἅπαντας ἐκείνους ἀπέσφαξεν, ὥσπερ ἀμπέλου βλαστοὺς ἀποτεμὼν καὶ κολούσας, ἵν’ εἷς ὁ λειφθεὶς ἰσχυρὸς γένηται καὶ μέγας. καίτοι γ’ ὁ μὲν ἀμπελουργὸς ἔτι μικρῶν ὄντων καὶ ἀσθενῶν τοῦτο ποιεῖ τῶν κλημάτων, καὶ ἡμεῖς νεογνῶν καὶ τυφλῶν ὄντων τῶν σκυλακίων [d] ὑφαιροῦμεν τὰ πολλὰ φειδόμενοι τῆς κυνός. ὁ δὲ Ζεὺς οὐ μόνον ἐάσας καὶ περιιδὼν ἐν ἡλικίᾳ γενομένους ἀλλὰ καὶ φύσας αὐτὸς καὶ αὐξήσας ἀποτυμπανίζει, φθορᾶς καὶ ὀλέθρου μηχανώμενος

[e] Ἀλλὰ μὴν τὸν θεὸν κολάζειν φησὶ τὴν κακίαν καὶ πολλὰ ποιεῖν ἐπὶ κολάσει τῶν πονηρῶν, ὥσπερ ἐν τῷ δευτέρῳ περὶ Θεῶν ποτὲ μὲν τὰ δύσχρηστα συμβαίνειν φησὶ τοῖς ἀγαθοῖς οὐχ ὥσπερ τοῖς φαύλοις κολάσεως χάριν, ἀλλὰ κατ’ ἄλλην οἰκονομίαν, ὥσπερ ἐν ταῖς πόλεσι· καὶ πάλιν ἐν τούτοις· ‘πρῶτον δὲ τῶν κακῶν παραπλησίως ἐστὶν ἀκουστέον τοῖς προειρημένοις· εἶθ’ ὅτι ταῦτ’ ἀπονέμεται κατὰ τὸν τοῦ Διὸς λόγον ἤτοι ἐπὶ κολάσει ἢ κατ’ ἄλλην ἔχουσάν πως πρὸς τὰ ὅλα οἰκονομίαν.’ ἔστι μὲν οὖν καὶ τοῦτο δεινόν, τὸ καὶ γίνεσθαι τὴν κακίαν καὶ κολάζεσθαι κατὰ τὸν τοῦ Διὸς λόγον· ἐπιτείνει δὲ τὴν ὑπεναντίωσιν [f] ἐν τῷ δευτέρῳ περὶ Φύσεως γράφων τάδε· ‘ἡ δὲ κακία πρὸς τὰ δεινὰ συμπτώματα ἴδιόν τιν’ ἔχει λόγον· γίνεται μὲν γὰρ καὶ αὐτή πως κατὰ τὸν τῆς φύσεως λόγον καί, ἵν’ οὕτως εἴπω, οὐκ ἀχρήστως γίνεται πρὸς τὰ ὅλα· οὐδὲ γὰρ ἂν τἀγαθὸν ἦν.’ καὶ οὗτος ἐπιτιμᾷ τοῖς ἐπίσης πρὸς [1051] [a] τὰ ἐναντία διαλεγομένοις, ὃς ὑπὸ τοῦ πάντως τι βούλεσθαι καὶ περὶ παντὸς εἰπεῖν ἴδιον καὶ περιττὸν οὐκ ἀχρήστως λέγει βαλλαντιοτομεῖν συκοφαντεῖν καὶ ἀφραίνειν, οὐκ ἀχρήστως ἀχρήστους εἶναι, βλαβεροὺς κακοδαίμονας. εἶτα ποῖός τις ὁ Ζεύς, λέγω δὲ τὸν Χρυσίππου, κολάζων πρᾶγμα μήτ’ ἀφ’ αὑτοῦ μήτ’ ἀχρήστως γινόμενον; ἡ μὲν γὰρ κακία πάντως ἀνέγκλητός ἐστι κατὰ τὸν τοῦ Χρυσίππου λόγον, ὁ δὲ Ζεὺς ἐγκλητέος εἴτ’ ἄχρηστον οὖσαν τὴν κακίαν πεποίηκεν εἴτε ποιήσας οὐκ ἀχρήστως κολάζει.

Πάλιν ἐν τῷ πρώτῳ περὶ Δικαιοσύνης εἰπὼν περὶ τῶν θεῶν ὡς ἐνισταμένων ἐνίοις ἀδικήμασι ‘κακίαν δέ’ [b] φησί ‘καθόλου ἆραι οὔτε δυνατόν ἐστιν οὔτ’ ἔχει καλῶς ἀρθῆναι’. τὴν ἀνομίαν τὴν ἀδικίαν τὴν ἀβελτερίαν, οὐ τοῦ παρόντος ἐστὶ λόγου τὸ ζητεῖν· αὐτὸς δὲ τὴν κακίαν, ὅσον ἐφ’ ἑαυτῷ, διὰ τοῦ φιλοσοφεῖν ἀναιρῶν, ἣν οὐκ ἔχει καλῶς ἀναιρεῖν, μαχόμενόν τι ποιεῖ καὶ τῷ λόγῳ καὶ τῷ θεῷ. πρὸς δὲ τούτοις λέγων ἐνίοις ἀδικήμασιν ἐνίστασθαι τὸν θεὸν ἔμφασιν πάλιν τῆς τῶν ἁμαρτημάτων δίδωσιν ἀνοσιότητος.

τῇ πρὸς ἐκεῖνα κράσει τὰς ἐναντίας λαμβάνει μορφὰς αἷς ἔχειν πέφυκεν, ὕλη τρόπον τινὰ τῆς ὕλης, οὐκ αἴτιον οὐδὲ δύναμίς ἐστιν.

Ὅτι τοῦ κόσμου κενὸν ἐκτὸς ἄπειρόν ἐστι, τὸ δ' ἄπειρον οὔτ' ἀρχὴν οὔτε μέσον οὔτε τελευτὴν ἔχει, πολλάκις ὑπ' αὐτοῦ λέγεται. καὶ τούτῳ μάλιστα τὴν λεγομένην ὑπ' Ἐπικούρου (fr. 299) τῆς ἀτόμου κάτω φορὰν [c] ἐξ αὑτῆς ἀναιροῦσιν, οὐκ οὔσης ἐν ἀπείρῳ διαφορᾶς, καθ' ἣν τὸ μὲν ἄνω τὸ δὲ κάτω νοεῖται γινόμενον. ἀλλ' ἔν γε τῷ τετάρτῳ περὶ Δυνατῶν μέσον τινὰ τόπον καὶ μέσην χώραν ὑποθέμενος ἐνταῦθά φησιν ἱδρῦσθαι τὸν κόσμον· ἔστι δ' ἡ λέξις αὕτη· 'διὸ καὶ ἐπὶ τοῦ κόσμου εἰ ῥητέον φθαρτὸν εἶναι αὐτόν, λόγου οἴομαι δεῖσθαι. οὐ μὴν ἀλλὰ καὶ μᾶλλον ἐμοὶ φαίνεται οὕτως ἔχειν. οἷα τε δ' εἰς τὴν ὥσπερ ἀφθαρσίαν πολύ τι αὐτῷ συνεργεῖν καὶ ἡ τῆς χώρας κατάληψις, οἷον διὰ τὸ ἐν μέσῳ εἶναι· ἐπεί, εἰ ἀλλαχῇ νοηθείη ὤν, καὶ παντελῶς ἂν αὐτῷ συνάπτοι ἡ φθορά.' καὶ μετὰ μικρὸν [d] αὖθις· 'οὕτω γάρ πως καὶ ἡ οὐσία συντέτευχεν ἀιδίως τὸν μέσον κατειληφυῖα τόπον, εὐθὺς τοιάδε τις οὖσα ὥστε ‹καὶ› καθ' ἕτερον τρόπον, ἀλλὰ καὶ διὰ τὴν συντυχίαν μὴ ἐπιδέχεσθαι αὐτὴν φθοράν, καὶ κατὰ τοῦτ' εἶναι ἀίδιον.' ταῦτα μίαν μὲν ἔχει καταφανῆ καὶ βλεπομένην ἐναντίωσιν, ἐν ἀπείρῳ μέσον τινὰ τόπον καὶ μέσην χώραν ἀπολείποντος· δευτέραν δ' ἀδηλοτέραν μὲν ἀλογωτέραν δὲ ταύτης. οἰόμενος γὰρ οὐκ ἂν ἄφθαρτον διαμένειν τὸν κόσμον, εἰ κατ' ἄλλο μέρος αὐτῷ τοῦ κενοῦ συντετεύχει γενέσθαι τὴν ἵδρυσιν, δῆλός ἐστι δεδιὼς μή, τῶν μερῶν τῆς οὐσίας ἐπὶ [e] τὸ μέσον φερομένων, διάλυσις καὶ φθορὰ τοῦ κόσμου γένοιτο. ταῦτα δ' οὐκ ἂν ἐφοβεῖτο, μὴ φύσει τὰ σώματα φέρεσθαι πανταχόθεν ἐπὶ τὸ μέσον ἡγούμενος οὐ τῆς οὐσίας ἀλλὰ τῆς περιεχούσης τὴν οὐσίαν χώρας. περὶ οὗ καὶ πολλάκις εἴρηκεν ὡς ἀδυνάτου καὶ παρὰ φύσιν ὄντος· οὐ γὰρ ὑπάρχειν ἐν τῷ κενῷ διαφοράν, ᾗ τὰ σώματα δευρὶ μᾶλλον ἢ δευρὶ προσάγεται· τὴν δὲ τοῦ κόσμου τούτου σύνταξιν αἰτίαν εἶναι τῆς κινήσεως ἐπὶ τὸ κέντρον καὶ τὸ μέσον αὐτοῦ νευόντων καὶ φερομένων πανταχόθεν. ἀρκεῖ δ' εἰς τοῦτο παραθέσθαι λέξιν ἐκ τοῦ δευτέρου περὶ Κινήσεως. ὑπειπὼν γὰρ ὅτι 'τέλεον μὲν ὁ κόσμος σῶμά [f] ἐστιν, οὐ τέλεα δὲ τὰ τοῦ κόσμου μέρη τῷ πρὸς τὸ ὅλον πως ἔχειν καὶ μὴ καθ' αὑτὰ εἶναι' καὶ περὶ τῆς κινήσεως αὐτοῦ διελθὼν ὡς ἐπὶ τὴν συμμονὴν καὶ τὴν συνοχὴν τὴν ἑαυτοῦ κινεῖσθαι διὰ τῶν μερῶν πάντων πεφυκότος, οὐκ ἐπὶ τὴν διάλυσιν καὶ τὴν θρύψιν, ταῦτ' ἐπείρηκεν· 'οὕτω δὲ τοῦ ὅλου τεινομένου εἰς αὑτὸ καὶ κινουμένου καὶ τῶν μορίων ταύτην τὴν κίνησιν ἐχόντων ἐκ τῆς τοῦ σώματος [1055] [a] φύσεως, πιθανὸν πᾶσι τοῖς σώμασιν εἶναι τὴν πρώτην κατὰ φύσιν κίνησιν πρὸς τὸ τοῦ κόσμου μέσον, τῷ μὲν κόσμῳ οὑτωσὶ κινουμένῳ πρὸς αὑτόν, τοῖς δὲ μέρεσιν ὡς ἂν μέρεσιν οὖσιν.'

εἶτα, φήσαι τις ἄν, ὦ ἄνθρωπε, τί παθὼν ἐπελάθου τῶν λόγων τούτων, ὥστε τὸν κόσμον, εἰ μὴ τὴν μέσην χώραν ἐκ τύχης κατειλήφει, διαλυτὸν καὶ φθαρτὸν ἀποφαίνειν; εἰ γὰρ αὐτός γε νεύειν ἐπὶ τὸ αὑτοῦ μέσον ἀεὶ πέφυκε καὶ τὰ μέρη πρὸς τοῦτο κατατείνειν πανταχόθεν, ὅποι ποτ᾽ ἂν τοῦ κενοῦ μετατεθῇ, συνέχων ἑαυτὸν οὕτως καὶ περιστέλλων, ἄφθαρτος καὶ ἄθρυπτος [b] διαμενεῖ· τὰ γὰρ θρυπτόμενα καὶ σκεδαννύμενα τοῦτο πάσχει διακρίσει τῶν μερῶν ἑκάστου καὶ διαλύσει πρὸς τὸν οἰκεῖον τόπον ἐκ τοῦ παρὰ φύσιν ἀπορρέοντος. τί δὴ κατ᾽ ἄλλο τοῦ κενοῦ τεθέντα τὸν κόσμον οἰόμενος οὕτω παντελεῖ συνάπτεσθαι φθορᾷ καὶ λέγων οὕτως καὶ διὰ τοῦτο μέσον ἐν τῷ μηδὲν ἔχειν πεφυκότι μέσον ζητῶν ἀπείρῳ, τὰς μὲν τάσεις καὶ συνοχὰς καὶ νεύσεις ἐκείνας ὡς οὐδὲν ἐχέγγυον εἰς σωτηρίαν ἐχούσας ἀφῆκας, τῇ δὲ καταλήψει τοῦ τόπου τὴν σύμπασαν αἰτίαν τῆς διαμονῆς ἀνέθηκας; καίτοι τοῖς προειρημένοις ταυτὶ συνάπτεις, ὥσπερ αὐτὸς σεαυτὸν ἐξελέγξαι φιλοτιμούμενος· ‘ὃν τρόπον δὲ κινεῖται ἕκαστον τῶν μορίων συμφυὲς ὂν τῷ λοιπῷ, [c] εὔλογον οὕτως καὶ καθ᾽ αὑτὸ κινεῖσθαι, καὶ εἰ λόγου χάριν νοήσαιμεν αὐτὸ καὶ ὑποθοίμεθα εἶναι ἐν κενῷ τινι τοῦ κόσμου τούτου· ὡς γὰρ ἂν συνεχόμενον πάντοθεν ἐκινεῖτο ἐπὶ τὸ μέσον, μενεῖ ἐν τῇ κινήσει ταύτῃ, κἂν λόγου χάριν ἐξαίφνης περὶ αὐτὸ γένηται κενόν.’ εἶτα μέρος μὲν ὁτιοῦν ὑπὸ κενοῦ περιληφθὲν οὐκ ἀποβάλλει τὴν ἐπὶ τὸ τοῦ κόσμου μέσον ἄγουσαν ῥοπήν, αὐτὸς δ᾽ ὁ κόσμος, ἂν μὴ τὴν μέσην παρασκευάσῃ χώραν αὑτῷ τὸ αὐτόματον, ἀπολεῖ τὸν συνεκτικὸν τόνον, ἄλλοις ἀλλαχόσε τῆς οὐσίας αὐτοῦ μέρεσι φερομένης. καὶ ταῦτα μὲν ἔχει μεγάλας [d] ὑπεναντιώσεις πρὸς τὸν φυσικὸν λόγον, ἐκεῖνο δ᾽ ἤδη καὶ πρὸς τὸν περὶ θεοῦ καὶ προνοίας, τὸ τὰ μικρότατα τῶν αἰτίων τούτοις ἀνατιθέντα τὸ κυριώτατον ἀφαιρεῖσθαι καὶ μέγιστον. τί γάρ ἐστι κυριώτερον τῆς τοῦ κόσμου διαμονῆς καὶ τοῦ τὴν οὐσίαν ἡνωμένην τοῖς μέρεσι συνέχεσθαι πρὸς αὑτήν; ἀλλὰ τοῦτό γε συμπέπτωκεν αὐτομάτως κατὰ Χρύσιππον. εἰ γὰρ ἡ τοῦ τόπου κατάληψις αἰτία τῆς ἀφθαρσίας ἐστὶν αὕτη δὲ συντυχίᾳ γέγονε, δῆλον ὅτι συντυχίας ἔργον ἡ σωτηρία τῶν ὅλων ἐστίν, οὐχ εἱμαρμένης καὶ προνοίας.

Ὁ δὲ τῶν δυνατῶν λόγος πρὸς τὸν τῆς εἱμαρμένης λόγον αὐτῷ πῶς οὐ μαχόμενός ἐστιν; εἰ γὰρ οὐκ ἔστι [e] δυνατὸν ὅπερ ἤ ἐστιν ἀληθὲς ἢ ἔσται κατὰ Διόδωρον, ἀλλὰ πᾶν τὸ ἐπιδεκτικὸν τοῦ γενέσθαι, κἂν μὴ μέλλῃ γενήσεσθαι, δυνατόν ἐστιν, ἔσται δυνατὰ πολλὰ τῶν μὴ καθ᾽ εἱμαρμένην ἀνίκητον καὶ ἀνεκβίαστον καὶ περιγενητικὴν ἁπάντων ἡ εἱμαρμένη δύναμιν ἀπόλλυσιν, ἢ ταύτης οἵαν ἀξιοῖ Χρύσιππος οὔσης τὸ ἐπιδεκτικὸν τοῦ γενέσθαι πολλάκις εἰς τὸ ἀδύνατον ἐμπεσεῖται. καὶ πᾶν μὲν ἀληθὲς ἀναγκαῖον ἔσται τῇ κυριωτάτῃ πασῶν ἀνάγκῃ κατειλημμένον, πᾶν δὲ ψεῦδος

ἀδύνατον, τὴν μεγίστην ἔχον αἰτίαν ἀντιπίπτουσαν αὐτῷ πρὸς τὸ ἀληθὲς γενέσθαι. ᾧ γὰρ ἐν θαλάττῃ πεπρωμένον ἐστὶν ἀποθανεῖν, πῶς ἂν οἷόν τε [f] τοῦτον ἐπιδεκτικὸν εἶναι τοῦ ἐν γῇ ἀποθανεῖν; τί δέ; τὸν Μεγαροῖ δυνατόν ἐστιν ἐλθεῖν εἰς Ἀθήνας ὑπὸ τῆς εἱμαρμένης κωλυόμενον;

Ἀλλὰ μὴν καὶ τὰ περὶ τῶν φαντασιῶν λεγόμενα νεανικῶς πρὸς τὴν εἱμαρμένην ἐναντιοῦται. τὴν γὰρ φαντασίαν βουλόμενος οὐκ οὖσαν αὐτοτελῆ τῆς συγκαταθέσεως αἰτίαν ἀποδεικνύειν, εἴρηκεν ὅτι ‘βλάψουσιν οἱ σοφοὶ ψευδεῖς φαντασίας ἐμποιοῦντες, ἂν αἱ φαντασίαι ποιῶσιν αὐτοτελῶς τὰς συγκαταθέσεις· πολλάκις γὰρ οἱ σοφοὶ ψεύδει [1056] [a] χρῶνται πρὸς τοὺς φαύλους καὶ φαντασίαν παριστᾶσι πιθανήν, οὐ μὴν αἰτίαν τῆς συγκαταθέσεως· ἐπεὶ καὶ τῆς ὑπολήψεως αἰτία τῆς ψευδοῦς ἔσται καὶ τῆς ἀπάτης.’ ταῦτ’ οὖν ἄν τις ἀπὸ τοῦ σοφοῦ μεταφέρων ἐπὶ τὴν εἱμαρμένην λέγῃ μὴ διὰ τὴν εἱμαρμένην γίνεσθαι τὰς συγκαταθέσεις, ἐπεὶ διὰ τὴν εἱμαρμένην ἔσονται καὶ ψευδεῖς συγκαταθέσεις καὶ ὑπολήψεις καὶ ἀπάται καὶ βλαβήσονται διὰ τὴν εἱμαρμένην, ὁ τοῦ βλάπτειν τὸν σοφὸν ἐξαιρούμενος λόγος ἅμα καὶ τὸ μὴ πάντων αἰτίαν εἶναι τὴν εἱμαρμένην ἀποδείκνυσιν. εἰ γὰρ μήτε δοξάζουσι μήτε βλάπτονται διὰ τὴν εἱμαρμένην, δῆλον ὅτι οὐδὲ κατορθοῦσιν [b] οὐδὲ φρονοῦσιν οὐδ’ ὑπολαμβάνουσι βεβαίως οὐδ’ ὠφελοῦνται διὰ τὴν εἱμαρμένην, ἀλλ’ οἴχεται τὸ πάντων αἰτίαν εἶναι τὴν εἱμαρμένην. ὁ δὲ λέγων, ὅτι Χρύσιππος οὐκ αὐτοτελῆ τούτων αἰτίαν ἀλλὰ προκαταρκτικὴν μόνον ἐποιεῖτο τὴν εἱμαρμένην, ἐκεῖ πάλιν αὐτὸν ἀποδείξει μαχόμενον πρὸς αὑτόν, ὅπου τὸν μὲν Ὅμηρον ὑπερφυῶς ἐπαινεῖ περὶ τοῦ Διὸς λέγοντα (O 109)· ‘τῷ ἔχεθ’, ὅττι κεν ὔμμι κακὸν πέμπῃσιν ἑκάστῳ’ ἢ ἀγαθόν, καὶ τὸν Εὐριπίδην (Suppl. 734)

‘ὦ Ζεῦ, τί δῆτα τοὺς ταλαιπώρους βροτοὺς
φρονεῖν λέγοιμ’ ἄν; σοῦ γὰρ ἐξηρτήμεθα,
δρῶμέν τε τοιάδ’, ἃ σὺ τυγχάνεις φρονῶν·’

[c]αὐτὸς δὲ πολλὰ τούτοις ὁμολογούμενα γράφει, τέλος δέ φησι μηδὲν ἴσχεσθαι μηδὲ κινεῖσθαι μηδὲ τοὐλάχιστον ἄλλως ἢ κατὰ τὸν τοῦ Διὸς λόγον, ὃν τῇ εἱμαρμένῃ τὸν αὐτὸν εἶναι. ἔτι τοίνυν τὸ μὲν προκαταρκτικὸν αἴτιον ἀσθενέστερόν ἐστι τοῦ αὐτοτελοῦς καὶ οὐκ ἐξικνεῖται κρατούμενον ὑπ’ ἄλλων ἐνισταμένων, τὴν δ’ εἱμαρμένην αἰτίαν ἀνίκητον καὶ ἀκώλυτον καὶ ἄτρεπτον ἀποφαίνων αὐτὸς Ἄτροπον καλεῖ καὶ Ἀδράστειαν καὶ Ἀνάγκην καὶ Πεπρωμένην ὡς πέρας ἅπασιν ἐπιτιθεῖσαν. πότερον οὖν τὰς συγκαταθέσεις μὴ λέγωμεν ἐφ’ ἡμῖν εἶναι μηδὲ τὰς ἀρετὰς [d] μηδὲ τὰς κακίας μηδὲ τὸ κατορθοῦν μηδὲ τὸ ἁμαρτάνειν, ἢ τὴν εἱμαρμένην λέγωμεν ἐλλείπουσαν εἶναι καὶ τὴν πεπρωμένην ἀπεράτωτον καὶ τὰς τοῦ Διὸς κινήσεις καὶ σχέσεις

[1058] ΕΤΑΙΡΟΣ. Σοὶ μὲν εἰκός, ὦ Διαδούμενε, μὴ πάνυ [f] μέλειν, εἴ τινι δοκεῖτε παρὰ τὰς κοινὰς φιλοσοφεῖν ἐννοίας, ὁμολογοῦντί γε καὶ τῶν αἰσθήσεων περιφρονεῖν, ἀφ' ὧν σχεδὸν αἱ πλεῖσται γεγόνασιν ἔννοιαι, τήν [γε] περὶ τὰ φαινόμενα πίστιν ἕδραν ἔχουσαι καὶ ἀσφάλειαν· ἐμὲ δὲ πολλῆς, [1059] [a] ὥς γ' ἐμαυτῷ φαίνομαι, καὶ ἀτόπου μεστὸν ἥκοντα ταραχῆς εἴτε τισὶ λόγοις εἴτ' ἐπῳδαῖς εἴτ' ἄλλον ἐπίστασαι τρόπον παρηγορίας οὐκ ἂν φθάνοις ἰατρεύων· οὕτω σοι διασέσεισμαι καὶ γέγονα μετέωρος ὑπὸ Στωικῶν ἀνδρῶν τὰ μὲν ἄλλα βελτίστων καὶ νὴ Δία συνήθων καὶ φίλων, πικρῶς δ' ἄγαν ἐγκειμένων τῇ Ἀκαδημείᾳ καὶ ἀπεχθῶς. οἵ γε πρὸς μικρὰ καὶ μετ' αἰδοῦς τὰ παρ' ἐμοῦ λεχθέντα σεμνῶς, οὐ γὰρ ψεύσομαι, καὶ πράως ἠντίασαν, τοὺς δὲ πρεσβυτέρους μετ' ὀργῆς σοφιστὰς καὶ λυμεῶνας τῶν ἐν φιλοσοφίᾳ καὶ δογμάτων ὁδῷ βαδιζόντων ἀνατροπέας καὶ πολλὰ τούτων ἀτοπώτερα λέγοντες καὶ [b] νομίζοντες τέλος ἐπὶ τὰς ἐννοίας ἐρρύησαν, ὡς δή τινα σύγχυσιν καὶ ἀναδασμὸν αὐταῖς ἐπάγοντας τοὺς ἐκ τῆς Ἀκαδημείας. εἶτά τις εἶπεν αὐτῶν ὡς οὐκ ἀπὸ τύχης ἀλλ' ἐκ προνοίας θεῶν νομίζοι μετ' Ἀρκεσίλαον καὶ πρὸ Καρνεάδου γεγονέναι Χρύσιππον, ὧν ὁ μὲν ὑπῆρξε τῆς εἰς τὴν συνήθειαν ὕβρεως καὶ παρανομίας ὁ δ' ἤνθησε μάλιστα τῶν Ἀκαδημαϊκῶν. Χρύσιππος γοῦν ἐν μέσῳ γενόμενος ταῖς πρὸς Ἀρκεσίλαον ἀντιγραφαῖς καὶ τὴν Καρνεάδου δεινότητα ἐνέφραξε, πολλὰ μὲν τῇ αἰσθήσει καταλιπὼν ὥσπερ εἰς πολιορκίαν βοηθήματα, τὸν δὲ περὶ τὰς προλήψεις καὶ [c] τὰς ἐννοίας τάραχον ἀφελὼν παντάπασι [καὶ] διαρθρώσας ἑκάστην καὶ θέμενος εἰς τὸ οἰκεῖον· ὥστε καὶ τοὺς αὖθις ἐκκρούειν τὰ πράγματα καὶ παραβιάζεσθαι βουλομένους μηδὲν περαίνειν ἀλλ' ἐλέγχεσθαι κακουργοῦντας καὶ σοφιζομένους. ὑπὸ τοιούτων ἐγὼ λόγων διακεκαυμένος ἕωθεν σβεστηρίων δέομαι, καθάπερ τινὰ φλεγμονὴν ἀφαιρούντων τὴν ἀπορίαν τῆς ψυχῆς.

ΔΙΑΔΟΥΜΕΝΟΣ. Ὅμοια πολλοῖς ἴσως πέπονθας. εἰ δ' οἱ ποιηταί σε πείθουσι, λέγοντες ὡς ἐκ θεῶν προνοίας ἀνατροπὴν ἔσχεν ἡ παλαιὰ Σίπυλος τὸν Τάνταλον κολαζόντων, πείθου τοῖς ἀπὸ τῆς Στοᾶς ἑταίροις, ὅτι καὶ [d] Χρύσιππον οὐκ ἀπὸ τύχης ἀλλ' ἐκ προνοίας ἡ φύσις ἤνεγκεν, ἄνω τὰ κάτω καὶ τοὔμπαλιν ἀνατρέψαι δεομένη τὸν βίον· ὡς οὐ γέγονε πρὸς τοῦτο τῶν ὄντων οὐδεὶς εὐφυέστερος, ἀλλ' ὥσπερ ὁ Κάτων ἔλεγε περὶ Καίσαρος ‹πλὴν› ἐκείνου μηδένα νήφοντα μηδὲ φρονοῦντ' ἐπὶ συγχύσει τῆς πολιτείας τοῖς

δημοσίοις προσελθεῖν πράγμασιν, οὕτως ἐμοὶ δοκεῖ μετὰ πλείστης ἐπιμελείας καὶ δεινότητος οὗτος ὁ ἀνὴρ ἀνατρέπειν καὶ καταβάλλειν τὴν συνήθειαν, ὡς ἐνιαχοῦ καὶ αὐτοὶ μαρτυροῦσιν οἱ τὸν ἄνδρα σεμνύνοντες, ὅταν αὐτῷ περὶ τοῦ ψευδομένου μάχωνται. τὸ γάρ, ὦ ἄριστε, συμπεπλεγμένον τι δι' ἀντικειμένων μὴ φάναι [e] ψεῦδος εὐπόρως εἶναι, λόγους δὲ πάλιν αὖ φάναι τινὰς ἀληθῆ τὰ λήμματα καὶ τὰς ἀγωγὰς ὑγιεῖς ἔχοντας εἶτα καὶ τὰ ἀντικείμενα τῶν συμπερασμάτων ἔχειν ἀληθῆ, ποίαν ἔννοιαν ἀποδείξεως ἢ τίνα πίστεως οὐκ ἀνατρέπει πρόληψιν; τὸν μέν γε πολύποδά φασι τὰς πλεκτάνας αὑτοῦ περιβιβρώσκειν ὥρᾳ χειμῶνος, ἡ δὲ Χρυσίππου διαλεκτικὴ τὰ κυριώτατα μέρη καὶ τὰς ἀρχὰς αὑτῆς ἀναιροῦσα καὶ περικόπτουσα τίνα τῶν ἄλλων ἐννοιῶν ἀπολέλοιπεν ἀνύποπτον; οὐ γὰρ οἷόν τε δήπου [καὶ] τὰ ἐποικοδομούμενα [μὴ] βέβαια κεῖσθαι καὶ πάγια, τῶν πρώτων μὴ μενόντων ἀπορίας [f] δὲ καὶ ταραχὰς ἐχόντων τηλικαύτας. ἀλλ' ὥσπερ οἱ πηλὸν ἢ κονιορτὸν ἐπὶ τοῦ σώματος ἔχοντες τὸν ἁπτόμενον αὐτῶν καὶ προσαναχρωννύμενον οὐ κινεῖν ἀλλὰ προσβάλλειν τὸ τραχῦνον δοκοῦσιν, οὕτως ἐκεῖνοι τοὺς Ἀκαδημαϊκοὺς αἰτιῶνται καὶ νομίζουσι τὰς αἰτίας παρέχειν ὧν ἀναπεπλησμένους ἀποδεικνύουσιν αὑτούς· ἐπεὶ τάς γε κοινὰς [1060] [a] ἐννοίας τίνες μᾶλλον διαστρέφουσιν; εἰ δὲ βούλει, τὸ κατηγορεῖν ἐκείνων ἀφέντες, ὑπὲρ ὧν ἐγκαλοῦσιν ἡμῖν ἀπολογησώμεθα.

ΕΤΑΙΡΟΣ. Ἐγώ μοι δοκῶ τήμερον, ὦ Διαδούμενε, ποικίλος τις ἄνθρωπος γεγονέναι καὶ παντοδαπός· ἄρτι μὲν γὰρ ἀπολογίας δεόμενος προσῄειν ταπεινὸς καὶ τεθορυβημένος, νῦν δὲ μεταβάλλομαι πρὸς τὴν κατηγορίαν καὶ βούλομαι ἀπολαῦσαι τῆς ἀμύνης ἐλεγχομένους εἰς ταὐτὸν τοὺς ἄνδρας ἐπιδών, τὸ παρὰ τὰς ἐννοίας καὶ τὰς προλήψεις τὰς κοινὰς φιλοσοφεῖν, ἀφ' ὧν μάλιστα τὴν αἵρεσιν ὥσπερ ἐπιβαθρῶν ἀνα‹βαίνειν› δοκοῦσι καὶ μόνην ὁμολογεῖν τῇ φύσει λέγουσιν.

ΔΙΑΔΟΥΜ. Ἆρ' οὖν ἐπὶ τὰ κοινὰ πρῶτα καὶ περιβόητα [b] βαδιστέον, ἃ δὴ παράδοξα καὶ αὐτοὶ μετ' εὐκολίας δεχόμενοι τὴν ἀτοπίαν ἐπονομάζουσι, τοὺς μόνους βασιλεῖς καὶ μόνους πλουσίους καὶ καλοὺς αὐτῶν καὶ πολίτας καὶ δικαστὰς μόνους; ἢ ταυτὶ μὲν εἰς τὴν τῶν ἑώλων καὶ ψυχρῶν ἀγορὰν βούλει παρῶμεν, ἐν δὲ τοῖς ὡς ἔνι μάλιστα πραγματικοῖς καὶ μετὰ σπουδῆς λεγομένοις ποιησώμεθα τοῦ λόγου τὸν ἐξετασμόν;

ΕΤΑΙΡΟΣ. Ἐμοὶ γοῦν ἥδιον οὕτως· τῶν γὰρ πρὸς ἐκεῖνα γενομένων ἐλέγχων τίς οὐκ ἤδη διάπλεώς ἐστιν;

ΔΙΑΔΟΥΜ. Ἤδη τοίνυν αὐτὸ τοῦτο σκόπει πρῶτον εἰ κατὰ τὰς κοινάς ἐστιν ἐννοίας, ὁμολογεῖν τῇ φύσει τοὺς τὰ κατὰ φύσιν ἀδιάφορα νομίζοντας, καὶ μήθ' ὑγίειαν [c] μήτ' εὐεξίαν μήτε κάλλος μήτ' ἰσχὺν ἡγουμένους αἱρετὰ

μηδ’ ὠφέλιμα μηδὲ λυσιτελῆ μηδὲ συμπληρωτικὰ τῆς κατὰ φύσιν τελειότητος· μήτε τἀναντία φευκτὰ καὶ βλαβερά, πηρώσεις ἀλγηδόνας αἴσχη νόσους· ὧν αὐτοὶ λέγουσι πρὸς ἃ μὲν ἀλλοτριοῦν πρὸς ἃ δ’ οἰκειοῦν ἡμᾶς τὴν φύσιν, εὖ μάλα καὶ τούτου παρὰ τὴν κοινὴν ἔννοιαν ὄντος, οἰκειοῦν πρὸς τὰ μὴ συμφέροντα μηδ’ ἀγαθὰ τὴν φύσιν καὶ ἀλλοτριοῦν πρὸς τὰ μὴ κακὰ μηδὲ βλάπτοντα, καὶ ὃ μεῖζόν ἐστιν, οἰκειοῦν ἐπὶ τοσοῦτο καὶ ἀλλοτριοῦν, ὥστε τῶν μὲν μὴ τυγχάνοντας τοῖς δὲ περιπίπτοντας [d] εὐλόγως ἐξάγειν τοῦ ζῆν ἑαυτοὺς καὶ τὸν βίον ἀπολέγεσθαι.

Νομίζω δ’ ἐγὼ κἀκεῖνο παρὰ τὴν ἔννοιαν λέγεσθαι, τὸ τὴν μὲν φύσιν αὐτὴν ἀδιάφορον εἶναι τὸ δὲ τῇ φύσει ὁμολογεῖν ἀγαθὸν μέγιστον. οὐδὲ γὰρ τὸ νόμῳ κατακολουθεῖν οὐδὲ τὸ λόγῳ πείθεσθαι σπουδαῖον ‹καὶ ἀστεῖον›, εἰ μὴ σπουδαῖος εἴη καὶ ἀστεῖος ὁ νόμος καὶ ὁ λόγος. καὶ τοῦτο μὲν ἔλαττον· εἰ δέ, ὡς Χρύσιππος ἐν τῷ πρώτῳ περὶ τοῦ Προτρέπεσθαι γέγραφεν, ἐν τῷ κατ’ ἀρετὴν βιοῦν μόνον ἐστὶ τὸ εὐδαιμόνως, ‘τῶν ἄλλων’ φησίν ‘οὐδὲν ὄντων πρὸς ἡμᾶς οὐδ’ εἰς τοῦτο συνεργούντων’, οὐ μόνον οὔκ ἐστιν ἀδιάφορος ἡ φύσις, ἀλλ’ ἀνόητος καὶ [e] ἀπόπληκτος, οἰκειοῦσ’ ἡμᾶς πρὸς τὰ μηδὲν πρὸς ἡμᾶς· ἀνόητοι δὲ καὶ ἡμεῖς εὐδαιμονίαν ἡγούμενοι τὸ τῇ φύσει ὁμολογεῖν ἀγούσῃ πρὸς τὰ μηδὲν συνεργοῦντα πρὸς εὐδαιμονίαν. καίτοι τί μᾶλλόν ἐστι κατὰ τὴν κοινὴν ἔννοιαν ἢ καθάπερ τὰ αἱρετὰ πρὸς τὸ ὠφελίμως, οὕτω τὰ κατὰ φύσιν πρὸς τὸ ζῆν κατὰ φύσιν; οἱ δ’ οὐχ οὕτως λέγουσιν, ἀλλὰ τὸ ζῆν κατὰ φύσιν τέλος εἶναι τιθέμενοι τὰ κατὰ φύσιν ἀδιάφορ’ εἶναι νομίζουσιν.

Οὐχ ἧττον δὲ τούτου παρὰ τὴν κοινὴν ἔννοιάν ἐστι τὸ ἔννουν καὶ φρόνιμον ἄνδρα πρὸς τὰ ἴσα τῶν ἀγαθῶν μὴ ἐπίσης ἔχειν, ἀλλὰ τὰ μὲν ἐν μηδενὶ λόγῳ τίθεσθαι [f] τῶν δ’ ἕνεκα πᾶν ὁτιοῦν ἂν ὑπομεῖναι καὶ παθεῖν, μηδὲν ἀλλήλων μικρότητι καὶ μεγέθει διαφερόντων· ταὐτὸ δὲ λέγουσιν αὐτοὶ [του] τῷ τὸ σωφρόνως δυσθανατῶσαν ἀποτρίψασθαι πρεσβῦτιν· ὁμοίως γὰρ ἀμφότεροι κατορθοῦσιν. ἀλλὰ δι’ ἐκεῖνα μὲν ὡς λαμπρὰ καὶ μεγάλα κἂν [1061] [a] ἀποθάνοιεν, ἐπὶ τούτοις δὲ σεμνύνειν ἑαυτὸν αἰσχύνη καὶ γέλως. λέγει δὲ καὶ Χρύσιππος ἐν τῷ περὶ τοῦ Διὸς συγγράμματι καὶ τῷ τρίτῳ περὶ Θεῶν ψυχρὸν εἶναι καὶ ἄτοπον καὶ ἀλλότριον τὰ τοιαῦτα τῶν ἀπ’ ἀρετῆς συμβαινόντων ἐπαινεῖν, ὅτι δῆγμα μυίας ἀνδρείως ὑπέμεινε καὶ δυσθανατώσης γραὸς ἀπέσχετο σωφρόνως. ἆρ’ οὖν παρὰ τὴν κοινὴν φιλοσοφοῦσιν ἔννοιαν, ἃς αἰσχύνονται πράξεις ἐπαινεῖν, μηδὲν τούτων κάλλιον ὁμολογοῦντες; ποῦ γὰρ αἱρετὸν ἢ πῶς ἀποδεκτόν, ὃ μήτ’ ἐπαινεῖν μήτε θαυμάζειν ἄξιόν ἐστιν, ἀλλὰ καὶ τοὺς ἐπαινοῦντας ἢ θαυμάζοντας ἀτόπους καὶ ψυχροὺς νομίζουσιν;

[b] Ἔτι δὲ μᾶλλον, οἶμαι, φανεῖταί σοι παρὰ τὴν κοινὴν ἔννοιαν, εἰ τῶν μεγίστων ἀγαθῶν ὁ φρόνιμος μήτ' ἀπόντων μήτ' εἰ πάρεστιν αὐτῷ φροντίζοι, ἀλλ' οἷός ἐστιν ἐν τοῖς ἀδιαφόροις καὶ τῇ περὶ ταῦτα πραγματείᾳ καὶ οἰκονομίᾳ, τοιοῦτος ἂν κἀν τούτοις εἴη. πάντες γὰρ δήπουθεν 'εὐρυεδοῦς ὅσοι καρπὸν αἰνύμεθα χθονός' (Simon. fr. 4, 16), οὗ μὲν καὶ παρόντος ὄνησίς ἐστι καὶ μὴ παρόντος ὥσπερ ἔνδεια καὶ ὄρεξις, αἱρετὸν καὶ ἀγαθὸν καὶ ὠφέλιμον νοοῦμεν, ἐφ' ᾧ δ' οὐδὲν ἄν τις πραγματεύσαιτο μὴ παιδιᾶς ἕνεκεν μηδὲ ῥᾳστώνης, τοῦτ' ἀδιάφορον. ἄλλῳ γὰρ οὐδενὶ [c] τοῦ φιλοπόνου τὸν κενόσπουδον ἀφορίζομεν ἐν τοῖς ἔργοις ‹ἴσον› ὄντα πολλάκις ἢ τῷ τὸν μὲν εἰς ἀνωφελῆ πονεῖν καὶ ἀδιάφορα τὸν δ' ἕνεκά του τῶν συμφερόντων καὶ λυσιτελῶν. ἀλλ' οὗτοί γε τοὐναντίον· ὁ γὰρ σοφὸς αὐτοῖς καὶ φρόνιμος ἐν πολλαῖς καταλήψεσι καὶ μνήμαις καταλήψεων γεγονὼς ὀλίγας πρὸς αὑτὸν ἡγεῖται, τῶν τ' ἄλλων οὐ πεφροντικὼς οὔτ' ἔλαττον ἔχειν οὔτε πλέον οἴεται μνημονεύων ὅτι πέρυσι κατάληψιν ἔλαβε πταρνυμένου Δίωνος ἢ σφαιρίζοντος Θέωνος· καίτοι πᾶσα κατάληψις ἐν τῷ σοφῷ καὶ μνήμη τὸ ἀσφαλὲς ἔχουσα καὶ βέβαιον εὐθύς ἐστιν ἐπιστήμη καὶ ἀγαθὸν μέγα καὶ μέγιστον. ἆρ' [d] οὖν ὁμοίως ὑγιείας ἐπιλειπούσης, αἰσθητηρίου καμόντος, οὐσίας ἀπολλυμένης ἄφροντίς ἐστι καὶ πρὸς αὑτὸν οὐδὲν ἡγούμενος τούτων ὁ σοφός; ἢ νοσῶν μὲν ἰατροῖς τελεῖ μισθοὺς χρημάτων δ' ἕνεκα πρὸς Λεύκωνα πλεῖ τὸν ἐν Βοσπόρῳ δυνάστην καὶ πρὸς Ἰδάνθυρσον ἀποδημεῖ τὸν Σκύθην, ὥς φησι Χρύσιππος, τῶν δ' αἰσθήσεων ἔστιν ἃς ἀποβαλὼν οὐδὲ ζῆν ὑπομένει; πῶς οὖν οὐχ ὁμολογοῦσι παρὰ τὰς ἐννοίας φιλοσοφεῖν, ἐπὶ τοῖς ἀδιαφόροις τοσαῦτα πραγματευόμενοι καὶ σπουδάζοντες, ἀγαθῶν δὲ μεγάλων καὶ παρόντων καὶ μὴ παρόντων ἀδιαφόρως ἔχοντες;

[e] Ἀλλὰ κἀκεῖνο παρὰ τὰς κοινὰς ἐννοίας ἐστίν, ἄνθρωπον ὄντα μὴ χαίρειν ἐκ τῶν μεγίστων κακῶν ἐν τοῖς μεγίστοις ἀγαθοῖς γενόμενον. τοῦτο δὲ πέπονθεν ὁ τούτων σοφός· ἐκ γὰρ τῆς ἄκρας κακίας μεταβαλὼν εἰς τὴν ἄκραν ἀρετὴν καὶ τὸν ἀθλιώτατον βίον διαφυγὼν ἅμα καὶ κτησάμενος τὸν μακαριώτατον οὐδὲν ἐπίδηλον εἰς χαρὰν ἔσχεν, οὐδ' ἐπῆρεν αὐτὸν οὐδ' ἐκίνησεν ἡ τοσαύτη μεταβολή, κακοδαιμονίας ἀπαλλαγέντα καὶ μοχθηρίας ἁπάσης, εἰς δ' ἀσφαλῆ τινα καὶ βεβαίαν παντέλειαν ἀγαθῶν ἐξικόμενον. παρὰ τὴν ἔννοιάν ἐστιν ἀγαθῶν μὲν εἶναι μέγιστον τὸ ἀμετάπτωτον ἐν ταῖς κρίσεσι καὶ βέβαιον, μὴ δεῖσθαι [f] δὲ τούτου τὸν ἐπ' ἄκρον προκόπτοντα μηδὲ φροντίζειν παραγενομένου, πολλάκις δὲ μηδὲ τὸν δάκτυλον προτεῖναι ταύτης γ' ἕνεκα τῆς ἀσφαλείας καὶ βεβαιότητος, ἣν τέλειον ἀγαθὸν καὶ μέγα νομίζουσιν. οὐ μόνον οὖν ταῦτα λέγουσιν οἱ ἄνδρες, ἀλλὰ κἀκεῖνα πρὸς τούτοις, ὅτι 'ἀγαθὸν [1062] [a] ὁ χρόνος οὐκ αὔξει προσγινόμενος, ἀλλὰ κἂν

ἀκαρές τις ὥρας γένηται φρόνιμος, οὐδὲν πρὸς εὐδαιμονίαν ἀπολειφθήσεται τοῦ τὸν αἰῶνα χρωμένου τῇ ἀρετῇ καὶ μακαρίως ἐν αὐτῇ καταβιοῦντος.' ταῦτα δ' οὕτως νεανικῶς ἀπισχυρισάμενοι πάλιν οὐδὲν εἶναί φασιν ἀρετῆς ὄφελος ὀλιγοχρονίου· 'τί γάρ, ἂν μέλλοντι ναυαγεῖν εὐθὺς ἢ κατακρημνίζεσθαι φρόνησις ἐπιγένηται; τί δ' ἂν ὁ Λίχας ὑπὸ τοῦ Ἡρακλέους ἀποσφενδονώμενος εἰς ἀρετὴν ἐκ κακίας μεταβάλῃ;' ταῦτ' οὖν οὐ μόνον παρὰ τὰς κοινὰς ἐννοίας ἐστὶ φιλοσοφούντων ἀλλὰ καὶ τὰς ἰδίας κυκώντων, εἰ τὸ [b] βραχὺν χρόνον κτήσασθαι τὴν ἀρετὴν οὐθὲν ἀπολείπεσθαι τῆς ἄκρας εὐδαιμονίας ἅμα καὶ μηδενὸς ὅλως ἄξιον νομίζουσι.

Τοῦτο δ' οὐκ ἂν μάλιστα θαυμάσαις αὐτῶν, ἀλλ' ὅτι τῆς ἀρετῆς καὶ τῆς εὐδαιμονίας παραγινομένης πολλάκις οὐδ' αἰσθάνεσθαι τὸν κτησάμενον οἴονται, διαλεληθέναι δ' αὐτὸν ὅτι μικρῷ πρόσθεν ἀθλιώτατος ὢν καὶ ἀφρονέστατος νῦν ὁμοῦ φρόνιμος καὶ μακάριος γέγονεν. οὐ γὰρ μόνον ἔχοντά τινα τὴν φρόνησιν τοῦτο μόνον μὴ φρονεῖν ὅτι φρονεῖ μηδὲ γινώσκειν ὅτι τὸ ἀγνοεῖν διαπέφευγεν εὐτράπελόν ἐστιν· ἀλλὰ καὶ ὅλως εἰπεῖν τὸ ἀγαθὸν ἀρρεπὲς ποιοῦσι καὶ ἀμαυρόν, εἰ μηδ' αἴσθησιν αὑτοῦ [c] ποιεῖ παραγενόμενον. φύσει γὰρ ἀνεπαίσθητον οὐκ ἔστι κατ' αὐτούς, ἀλλὰ καὶ λέγει διαρρήδην Χρύσιππος ἐν τοῖς περὶ Τέλους αἰσθητὸν εἶναι τὸ ἀγαθόν, ὡς δ' οἴεται, καὶ ἀποδείκνυσι. λείπεται τοίνυν ἀσθενείᾳ καὶ μικρότητι διαφεύγειν αὐτὸ τὴν αἴσθησιν, ὁπόταν παρὸν ἀγνοῆται καὶ διαλανθάνῃ τοὺς ἔχοντας. ἔτι τοίνυν ἄτοπον μέν ἐστι τὴν τῶν ἀτρέμα καὶ μέσως λευκῶν αἰσθανομένην ὄψιν ἐκφεύγειν τὰ ἐπ' ἄκρον λευκὰ καὶ τὴν τὰ μαλακῶς καὶ ἀνειμένως θερμὰ καταλαμβάνουσαν ἁφὴν ἀναισθητεῖν τῶν σφόδρα θερμῶν, ἀτοπώτερον δέ, εἴ τις τὰ κοινῶς κατὰ φύσιν, οἷόν ἐστιν ὑγίεια καὶ εὐεξία, καταλαμβάνων τὴν [d] ἀρετὴν ἀγνοεῖ παροῦσαν, ἣν μάλιστα καὶ ἄκρως κατὰ φύσιν εἶναι τίθενται. πῶς γὰρ οὐ παρὰ τὴν ἔννοιάν ἐστιν ὑγιείας καὶ νόσου διαφορὰν καταλαμβάνειν, ‹φρονήσεως δὲ μὴ καταλαμβάνειν› καὶ ἀφροσύνης, ἀλλὰ τὴν μὲν ἀπηλλαγμένην οἴεσθαι παρεῖναι, τὴν δὲ κεκτημένον ἀγνοεῖν ὅτι πάρεστιν; ἐπεὶ δ' ἐκ τῆς ἄκρας προκοπῆς μεταβάλλουσιν εἰς εὐδαιμονίαν καὶ ἀρετήν, δυοῖν ἀνάγκη θάτερον, ἢ τὴν προκοπὴν κακίαν μὴ εἶναι μηδὲ κακοδαιμονίαν, ἢ τὴν ἀρετὴν τῆς κακίας μὴ πολλῷ παραλλάττειν μηδὲ τῆς κακοδαιμονίας τὴν εὐδαιμονίαν, ἀλλὰ μικρὰν καὶ ἀνεπαίσθητον [e] εἶναι τὴν πρὸς τὰ κακὰ τῶν ἀγαθῶν διαφοράν· οὐ γὰρ ἂν ἑαυτοὺς διελάνθανον ἀντ' ἐκείνων ταῦτ' ἔχοντες.

Ὅταν μὲν οὖν μηδενὸς ἐκστῆναι τῶν μαχομένων ἀλλὰ πάνθ' ὁμοῦ λέγειν καὶ τιθέναι θέλωσι, τὸ τοὺς προκόπτοντας ἀνοήτους καὶ κακοὺς εἶναι, τὸ φρονίμους καὶ ἀγαθοὺς γενομένους διαλανθάνειν ἑαυτούς, τὸ μεγάλην

διαφορὰν τῆς φρονήσεως πρὸς τὴν ἀφροσύνην ὑπάρχειν, ἧ πού σοι δοκοῦσι θαυμασίως ἐν τοῖς δόγμασι τὴν ὁμολογίαν βεβαιοῦν; ἔτι δὲ μᾶλλον ἐν τοῖς πράγμασιν, ὅταν πάντας ἐπίσης κακοὺς καὶ ἀδίκους καὶ ἀπίστους καὶ ἄφρονας τοὺς μὴ σοφοὺς ἀποφαίνοντες εἶτα πάλιν τοὺς μὲν [f] αὐτῶν ἐκτρέπωνται καὶ βδελύττωνται, τοὺς δ' ἀπαντῶντες μηδὲ προσαγορεύωσι, τοῖς δὲ χρήματα πιστεύωσιν, ἀρχὰς ἐγχειρίζωσιν, ἐκδιδῶσι θυγατέρας; ταῦτα γὰρ εἰ μὲν παίζοντες λέγουσι, καθείσθωσαν τὰς ὀφρῦς· εἰ δ' ἀπὸ σπουδῆς καὶ φιλοσοφοῦντες, παρὰ τὰς κοινάς ἐστιν ἐννοίας ψέγειν [1063] [a] μὲν ὁμοίως καὶ κακίζειν πάντας ἀνθρώπους, χρῆσθαι δὲ τοῖς μὲν ὡς μετρίοις τοῖς δ' ὡς κακίστοις, καὶ Χρύσιππον μὲν ὑπερεκπεπλῆχθαι καταγελᾶν δ' Ἀλεξίνου, μηδὲν δὲ μᾶλλον οἴεσθαι μηδ' ἧττον ἀλλήλων ἀφραίνειν τοὺς ἄνδρας. 'ναί' φασίν, 'ἀλλ' ὥσπερ ὁ πῆχυν ἀπέχων ἐν θαλάττῃ τῆς ἐπιφανείας οὐδὲν ἧττον πνίγεται τοῦ καταδεδυκότος ὀργυιὰς πεντακοσίας, οὕτως οὐδ' οἱ πελάζοντες ἀρετῇ τῶν μακρὰν ὄντων ἧττόν εἰσιν ἐν κακίᾳ· καὶ καθάπερ οἱ τυφλοὶ τυφλοί εἰσι, κἂν ὀλίγον ὕστερον ἀναβλέπειν μέλλωσιν, οὕτως οἱ προκόπτοντες, ἄχρις οὗ τὴν ἀρετὴν ἀναλάβωσιν, [b] ἀνόητοι καὶ μοχθηροὶ διαμένουσιν.' ὅτι μὲν οὖν οὔτε τυφλοῖς ἐοίκασιν οἱ προκόπτοντες ἀλλ' ἧττον ὀξυδορκοῦσιν, οὔτε πνιγομένοις ἀλλὰ νηχομένοις, καὶ ταῦτα πλησίον λιμένος, αὐτοὶ διὰ τῶν πραγμάτων μαρτυροῦσιν. οὐ γὰρ ἂν ἐχρῶντο συμβούλοις καὶ στρατηγοῖς καὶ νομοθέταις ὥσπερ τυφλοῖς χειραγωγοῖς, οὐδ' ἂν ἐζήλουν ἔργα καὶ πράξεις καὶ λόγους καὶ βίους ἐνίων, εἰ πάντας ὡσαύτως πνιγομένους ὑπὸ τῆς ἀφροσύνης καὶ μοχθηρίας ἑώρων. ἀφεὶς δὲ τοῦτο θαύμασον ἐκείνῃ τοὺς ἄνδρας, εἰ μηδὲ τοῖς ἑαυτῶν διδάσκονται παραδείγμασι προέσθαι ‹τοὺς› διαλεληθότας [c] ἐκείνους σοφοὺς καὶ μὴ συνιέντας μηδ' αἰσθανομένους ὅτι πνιγόμενοι πέπαυνται καὶ φῶς ὁρῶσι καὶ τῆς κακίας ἐπάνω γεγονότες ἀναπεπνεύκασι.

Παρὰ τὴν ἔννοιάν ἐστιν ἄνθρωπον, ᾧ πάντα τἀγαθὰ πάρεστι καὶ μηδὲν ἐνδεῖ πρὸς εὐδαιμονίαν καὶ τὸ μακάριον, τούτῳ καθήκειν ἐξάγειν ἑαυτόν· ἔτι δὲ μᾶλλον, ᾧ μηδὲν ἀγαθὸν ἔστι μηδ' ἔσται, τὰ δεινὰ δὲ πάντα καὶ τὰ δυσχερῆ καὶ κακὰ πάρεστι καὶ παρέσται διὰ τέλους, τούτῳ μὴ καθήκειν ἀπολέγεσθαι τὸν βίον, ἂν μή τι νὴ Δία τῶν ἀδιαφόρων αὐτῷ προσγένηται. ταῦτα τοίνυν ἐν τῇ Στοᾷ νομοθετεῖται, καὶ πολλοὺς μὲν ἐξάγουσι τῶν σοφῶν ὡς [d] ἄμεινον εὐδαιμονοῦντας πεπαῦσθαι, πολλοὺς δὲ κατέχουσι τῶν φαύλων ὡς καθήκοντος αὐτοῖς ζῆν κακοδαιμονοῦντας. καίτοι ὁ μὲν σοφὸς ὄλβιος μακάριος πανευδαίμων ἀσφαλὴς ἀκίνδυνος, ὁ δὲ φαῦλος καὶ ἀνόητος οἷος εἰπεῖν· 'γέμω κακῶν δὴ καὶ οὐκ ἔσθ' ὅπου τεθῇ·' ἀλλὰ καὶ τούτοις μονὴν οἴονται καθήκουσαν εἶναι κἀκείνοις ἐξαγωγήν. [e] ΕΤΑΙΡΟΣ. Ἀλλὰ τοῦτο μὲν οὐ φαύλως λέλεκται, τὸ δ' ἕτερον οἶμαι μηδ' ἐμὲ λανθάνειν. ὁρῶ γὰρ διαφοράν, ᾗ τὸ μὲν οὐκ ἀληθὲς εὐθὺς ψεῦδός ἐστιν, οὐ μὴν εὐθὺς κακὸν τὸ μὴ ἀγαθόν. ὅθεν ἀληθῶν μὲν καὶ ψευδῶν οὐδέν ἐστι μέσον, ἀγαθῶν δὲ καὶ κακῶν τὸ ἀδιάφορον. καὶ οὐκ ἀνάγκη ταῦτα συνυπάρχειν ἐκείνοις· ἐξήρκει γὰρ τὴν φύσιν ἔχειν τὸ ἀγαθόν, τοῦ κακοῦ μὴ δεομένην ἀλλὰ τὸ μήτ' ἀγαθὸν μήτε κακὸν ἔχουσαν. πρὸς δὲ τὸν πρότερον λόγον εἴ τι λέγεται παρ' ὑμῶν, ἀκουστέον.

ΔΙΑΔΟΥΜ. Ἀλλὰ πολλὰ μὲν λέγεται, τὰ δὲ νῦν τοῖς ἀναγκαίοις χρηστέον. πρῶτον μὲν οὖν εὔηθες οἴεσθαι [f] φρονήσεως ἕνεκα γένεσιν κακῶν ὑποστῆναι καὶ ἀγαθῶν. ὄντων γὰρ ἀγαθῶν καὶ κακῶν ἐπιγίνεται φρόνησις, ὥσπερ ἰατρικὴ νοσερῶν ὑποκειμένων καὶ ὑγιεινῶν. οὐ γὰρ τὸ ἀγαθὸν ὑφίσταται καὶ τὸ κακόν, ἵνα γένηται φρόνησις, ἀλλ' ᾗ τὸ ἀγαθὸν καὶ τὸ κακὸν ὄντα καὶ ὑφεστῶτα κρίνομεν, ὠνομάσθη φρόνησις· ὥσπερ ὄψις ἡ λευκῶν καὶ μελάνων αἴσθησις οὐ γενομένων ὅπως ἔχοιμεν ὄψιν ἡμεῖς, [1067] [a] ἀλλὰ μᾶλλον ἡμῶν πρὸς τὸ τὰ τοιαῦτα κρίνειν ὄψεως δεηθέντων. δεύτερον, ὅταν ἐκπυρώσωσι τὸν κόσμον οὗτοι, κακὸν μὲν οὐδ' ὁτιοῦν ἀπολείπεται, τὸ δ' ὅλον φρόνιμόν ἐστι τηνικαῦτα καὶ σοφόν· ἔστι τοίνυν φρόνησις οὐκ ὄντος κακοῦ, καὶ οὐκ ἀνάγκη κακὸν ὑπάρχειν, εἰ φρόνησις ἔνι. εἰ δὲ δὴ πάντως δεῖ τὴν φρόνησιν ἀγαθῶν εἶναι καὶ κακῶν ἐπιστήμην, τί δεινόν, εἰ τῶν κακῶν ἀναιρεθέντων οὐκ ἔσται φρόνησις ἑτέραν τ' ἀντ' ἐκείνης ἀρετὴν ἕξομεν, οὐκ ἀγαθῶν καὶ κακῶν ἀλλ' ἀγαθῶν μόνων ἐπιστήμην οὖσαν; ὥσπερ εἰ τῶν χρωμάτων τὸ μέλαν ἐξαπόλοιτο παντάπασιν, [b] εἶτά τις βιάζοιτο καὶ τὴν ὄψιν ἀπολωλέναι, λευκῶν γὰρ οὐκ εἶναι καὶ μελάνων αἴσθησιν, τί κωλύει φάναι πρὸς αὐτόν, ὅτι δεινὸν οὐδέν, εἰ τὴν μὲν ὑπὸ σοῦ λεγομένην ὄψιν οὐκ ἔχομεν, ἄλλη δὲ πάρεστιν ἀντ' ἐκείνης αἴσθησις ἡμῖν καὶ δύναμις, ᾗ λευκῶν ἀντιλαμβανόμεθα καὶ μὴ λευκῶν χρωμάτων; ἐγὼ μὲν γὰρ οὔτε γεῦσιν οἶμαι φροῦδον ἂν γενέσθαι πικρῶν ἐπιλιπόντων, οὔθ' ἁφὴν ἀλγηδόνος ἀναιρεθείσης, οὔτε φρόνησιν κακοῦ μὴ παρόντος, ἀλλ' ἐκείνας τε μένειν αἰσθήσεις γλυκέων καὶ ἡδέων καὶ τῶν μὴ τοιούτων ἀντιλαμβανομένας, ταύτην τε τὴν φρόνησιν ἀγαθῶν καὶ μὴ ἀγαθῶν ἐπιστήμην οὖσαν.

[c] οἷς δὲ μὴ δοκεῖ, τοὔνομα λαβόντες ἀπολιπέτωσαν ἡμῖν τὸ πρᾶγμα. χωρὶς δὲ τούτων, τί ἐκώλυε τοῦ μὲν κακοῦ νόησιν εἶναι τοῦ δ' ἀγαθοῦ καὶ ὕπαρξιν; ὥσπερ οἶμαι καὶ τοῖς θεοῖς ὑγιείας μὲν ἔστι παρουσία, πυρετοῦ δὲ καὶ πλευρίτιδος νόησις. ἐπεὶ καὶ ἡμεῖς, κακῶν μὲν ἀφθόνως πᾶσι παρόντων

ἀγαθοῦ δὲ μηδενός, ὡς οὗτοι λέγουσιν, ἀλλὰ τοῦ γε νοεῖν οὐκ ἀπολελείμμεθα τὴν φρόνησιν τὸ ἀγαθὸν τὴν εὐδαιμονίαν. ὃ καὶ θαυμαστόν ἐστιν, εἰ τῆς μὲν ἀρετῆς μὴ παρούσης εἰσὶν οἱ διδάσκοντες ὁποῖόν ἐστι καὶ κατάληψιν ἐμποιοῦντες, τῆς κακίας δὲ μὴ γενομένης [d] οὐ δυνατὸν ἦν κτήσασθαι νόησιν. ὅρα γὰρ οἷα πείθουσιν ἡμᾶς οἱ κατὰ τὰς ἐννοίας φιλοσοφοῦντες, ὅτι τῇ μὲν ἀφροσύνῃ καταλαμβάνομεν τὴν φρόνησιν, ἡ δὲ φρόνησις ἄνευ τῆς ἀφροσύνης οὐθ’ αὑτὴν ‹οὔτε τὴν› ἀφροσύνην καταλαμβάνειν πέφυκεν.

Εἰ δὲ δὴ πάντως ἐδεῖτο κακοῦ γενέσεως ἡ φύσις, ἓν ἦν δήπου παράδειγμα κακίας ἱκανὸν ἢ δεύτερον· εἰ δὲ βούλει, δέκα φαύλους ἢ χιλίους ἢ μυρίους ἔδει γενέσθαι, καὶ μὴ κακίας μὲν φορὰν τοσαύτην τὸ πλῆθος -

[1068] [a] Ὁ τοίνυν λέγων οὐκ ἀχρήστως γεγονέναι τὴν κακίαν ὅρα πάλιν οἷον αὐτὴν ἀποδείκνυσι χρῆμα καὶ κτῆμα τοῖς ἔχουσι, γράφων ἐν τοῖς περὶ Κατορθωμάτων ὡς ‘ὁ φαῦλος οὐδενὸς δεῖται, οὐδενὸς ἔχει χρείαν· οὐθέν ἐστιν αὐτῷ χρήσιμον, οὐθὲν οἰκεῖον, οὐθὲν ἁρμόττον’. πῶς οὖν εὔχρηστος ἡ κακία, μεθ’ ἧς οὐδ’ ὑγίεια χρήσιμον οὐδὲ πλῆθος χρημάτων οὐδὲ προκοπή; οὐ δεῖται δέ τις ὧν τὰ μὲν προηγμένα καὶ ληπτὰ καὶ νὴ Δί’ εὔχρηστα, τὰ δὲ κατὰ φύσιν, ὡς αὐτοὶ καλοῦσιν; εἶτα τούτων οὐδεὶς ἔχει [b] χρείαν, ἂν μὴ γένηται σοφός; οὐδὲ τοῦ σοφὸς οὖν γενέσθαι χρείαν ἔχει ὁ φαῦλος. οὐδὲ διψῶσιν οὐδὲ πεινῶσιν ἄνθρωποι, πρὶν σοφοὶ γενέσθαι; διψῶντες οὖν ὕδατος οὐκ ἔχουσι χρείαν οὐδ’ ἄρτου πεινῶντες.

Στοιχείου γε μὴν ἔννοια καὶ ἀρχῆς κοινὴ πᾶσιν ὡς ἔπος εἰπεῖν ἀνθρώποις ἐμπέφυκεν, ὡς ἁπλοῦν καὶ ἄκρατον εἶναι καὶ ἀσύνθετον· οὐ γὰρ στοιχεῖον οὐδ' ἀρχὴ τὸ μεμιγμένον ἀλλ' ἐξ ὧν μέμικται. καὶ μὴν οὗτοι τὸν θεὸν ἀρχὴν ὄντα σῶμα νοερὸν καὶ νοῦν ἐν ὕλῃ ποιοῦντες οὐ καθαρὸν οὐδ' ἁπλοῦν οὐδ' ἀσύνθετον ἀλλ' ἐξ ἑτέρου καὶ δι' ἕτερον ἀποφαίνουσιν· ἡ δ' ὕλη καθ' αὑτὴν ἄλογος [c] οὖσα καὶ ἄποιος τὸ ἁπλοῦν ἔχει καὶ τὸ ἀρχοειδές. ὁ θεὸς δή, εἴπερ οὐκ ἔστιν ἀσώματος οὐδ' ἄυλος, ὡς ἀρχῆς μετέσχηκε τῆς ὕλης. εἰ μὲν γὰρ ἓν καὶ ταὐτὸν ἡ ὕλη καὶ ὁ λόγος, οὐκ εὖ τὴν ὕλην ἄλογον ἀποδεδώκασιν· εἰ δ' ἕτερα, †καὶ ἀμφοτέρων ταμίας ἄν τις ὁ θεὸς εἴη καὶ οὐχ ἁπλοῦν ἀλλὰ σύνθετον πρᾶγμα τῷ νοερῷ τὸ σωματικὸν ἐκ τῆς ὕλης προσειληφώς.

Τά γε μὴν τέσσαρα σώματα, γῆν καὶ ὕδωρ ἀέρα τε καὶ πῦρ, πρῶτα στοιχεῖα προσαγορεύοντες οὐκ οἶδ' ὅπως τὰ μὲν ἁπλᾶ καὶ καθαρὰ τὰ δὲ σύνθετα καὶ μεμιγμένα ποιοῦσι. γῆν μὲν γὰρ τιθέασι καὶ ὕδωρ οὔθ' αὑτὰ [d] συνέχειν οὔθ' ἕτερα, πνευματικῆς δὲ μετοχῇ καὶ πυρώδους δυνάμεως τὴν ἑνότητα διαφυλάττειν· ἀέρα δὲ καὶ πῦρ αὑτῶν τ' εἶναι δι' εὐτονίαν συνεκτικά, καὶ τοῖς δυσὶν ἐκείνοις ἐγκεκραμένα τόνον παρέχειν καὶ τὸ μόνιμον καὶ οὐσιῶδες. πῶς οὖν ἔτι γῆ στοιχεῖον ἢ ὕδωρ, εἰ μήθ' ἁπλοῦν μήτε πρῶτον μήθ' αὑτῷ διαρκές, ἀλλ' ἐνδεὲς ἔξωθεν εἰς ἀεὶ τοῦ συνέχοντος ἐν τῷ εἶναι καὶ σῴζοντος; οὐδὲ γὰρ οὐσίας αὐτῶν ἐπίνοιαν ἀπολελοίπασιν, ἀλλὰ πολλὴν ἔχει ταραχὴν καὶ ἀσάφειαν οὕτως ὁ λόγος λεγόμενος, τῆς γῆς ... τινὸς καθ' ἑαυτήν. εἶτα πῶς οὖσα γῆ [e] καθ' ἑαυτὴν ἀέρος δεῖται συνιστάντος αὐτὴν καὶ συνέχοντος; 'ἀλλ' οὐκ ἔστι γῆ καθ' ἑαυτὴν οὐδ' ὕδωρ, ἀλλὰ τὴν ὕλην ὁ ἀὴρ ὧδε μὲν συναγαγὼν καὶ πυκνώσας γῆν ἐποίησεν, ὧδε δὲ πάλιν διαλυθεῖσαν καὶ μαλαχθεῖσαν ὕδωρ.' οὐδέτερον οὖν τούτων στοιχεῖον, οἷς ἕτερον ἀμφοτέροις οὐσίαν καὶ γένεσιν παρέσχηκεν.

Ἔτι τὴν μὲν οὐσίαν καὶ τὴν ὕλην ὑφεστάναι ταῖς ποιότησι λέγουσιν, ὡς σχεδὸν οὕτως τὸν ὅρον ἀποδιδόναι· τὰς δὲ ποιότητας αὖ πάλιν οὐσίας καὶ σώματα ποιοῦσι. ταῦτα δὲ πολλὴν ἔχει ταραχήν. εἰ μὲν γὰρ ἰδίαν οὐσίαν αἱ

ποιότητες ἔχουσι καθ’ ἣν σώματα λέγονται καί εἰσιν, [f] οὐχ ἑτέρας οὐσίας δέονται· τὴν γὰρ αὑτῶν ἔχουσιν. εἰ δὲ τοῦτο μόνον αὐταῖς ὑφέστηκε τὸ κοινόν, ὅπερ οὐσίαν οὗτοι καὶ ὕλην καλοῦσι, δῆλον ὅτι σώματος μετέχουσι, σώματα δ’ οὔκ εἰσι· τὸ γὰρ ὑφεστὼς καὶ δεχόμενον διαφέρειν ἀνάγκη τῶν ἃ δέχεται καὶ οἷς ὑφέστηκεν. οἱ δὲ τὸ [1086] [a] ἥμισυ βλέπουσι· τὴν γὰρ ὕλην ἄποιον ὀνομάζουσι, τὰς δὲ ποιότητας οὐκέτι βούλονται καλεῖν ἀύλους. καίτοι πῶς οἷόν τε σῶμα ποιότητος ἄνευ νοῆσαι, ποιότητα σώματος ἄνευ μὴ νοοῦντας; ὁ γὰρ συμπλέκων σῶμα πάσῃ ποιότητι λόγος οὐδενὸς ἐᾷ μὴ σύν τινι ποιότητι σώματος ἅψασθαι τὴν διάνοιαν. ἢ τοίνυν πρὸς τὸ ἀσώματον τῆς ποιότητος μαχόμενος μάχεσθαι καὶ πρὸς τὸ ἄποιον τῆς ὕλης ἔοικεν, ἢ θατέρου θάτερον ἀποκρίνων καὶ ἀμφότερα χωρίζειν ἀλλήλων. ὃν δέ τινες αὐτῶν προβάλλονται λόγον, ὡς ἄποιον τὴν οὐσίαν ὀνομάζοντες οὐχ ὅτι πάσης ἐστέρηται ποιότητος ἀλλ’ ὅτι πάσας ἔχει τὰς [b] ποιότητας, μάλιστα παρὰ τὴν ἔννοιάν ἐστιν· οὐδεὶς γὰρ ἄποιον νοεῖ τὸ μηδεμιᾶς ποιότητος ἄμοιρον οὐδ’ ἀπαθὲς τὸ πάντα πάσχειν ἀεὶ πεφυκὸς οὐδ’ ἀκίνητον τὸ πάντῃ κινητόν. ἐκεῖνο δ’ οὐ λέλυται, κἂν ἀεὶ μετὰ ποιότητος ἡ ὕλη νοῆται, τὸ ἑτέραν αὐτὴν νοεῖσθαι καὶ διαφέρουσαν τῆς ποιότητος.

ΠΡΟΣ ΚΩΛΩΤΗΝ

[1107] Κωλώτης, ὃν Ἐπίκουρος εἰώθει Κωλωταρᾶν ὑποκορίζεσθαι καὶ Κωλωτάριον, ὦ Σατορνῖνε, βιβλίον ἐξέδωκεν ἐπιγράψας ‘Περὶ τοῦ ὅτι κατὰ τὰ τῶν ἄλλων [e] φιλοσόφων δόγματα οὐδὲ ζῆν ἔστιν’. ἐκεῖνο μὲν οὖν Πτολεμαίῳ τῷ βασιλεῖ προσπεφώνηται· ἃ δ’ ἡμῖν ἐπῆλθεν εἰπεῖν πρὸς τὸν Κωλώτην, ἡδέως ἂν οἶμαί σε γεγραμμένα διελθεῖν, φιλόκαλον καὶ φιλάρχαιον ὄντα καὶ τὸ μεμνῆσθαι καὶ διὰ χειρῶν ἔχειν ὡς μάλιστα δυνατόν ἐστι τοὺς λόγους τῶν παλαιῶν βασιλικωτάτην διατριβὴν ἡγούμενον.

Ἔναγχος οὖν ἀναγινωσκομένου τοῦ συγγράμματος εἷς τῶν ἑταίρων, Ἀριστόδημος ὁ Αἰγιεύς (οἶσθα γὰρ τὸν ἄνδρα τῶν ἐξ Ἀκαδημείας οὐ ναρθηκοφόρον ἀλλ’ ἐμμανέστατον ὀργιαστὴν Πλάτωνος), οὐκ οἶδ’ ὅπως παρὰ τὸ εἰωθὸς ἐγκαρτερήσας σιωπῇ καὶ παρασχὼν ἑαυτὸν ἀκροατὴν ἄχρι τέλους κόσμιον, ὡς τέλος ἔσχεν ἡ ἀνάγνωσις, [f] ‘εἶεν’ ἔφη, ‘τίνα τούτῳ μαχούμενον ἀνίσταμεν ὑπὲρ τῶν φιλοσόφων; οὐ γὰρ ἄγα‹μαι τὸ› τοῦ Νέστορος ἑλέσθαι δέον ἐκ τῶν ἐννέα τὸν ἄριστον ἐπὶ τῇ τύχῃ ποιουμένου καὶ διακληροῦντος.’ ‘ἀλλ’ ὁρᾷς’ ἔφην ‘ὅτι κἀκεῖνος ἐπὶ τὸν κλῆρον ἑαυτὸν ἔταξεν, ὥστε τοῦ φρονιμωτάτου βραβεύοντος [1108] [a] γενέσθαι τὸν κατάλογον, ‘ἐκ δ’ ἔθορε κλῆρος κυνέης, ὃν ἄρ’ ἤθελον αὐτοί, Αἴαντος’ (Η 182). οὐ μὴν ἀλλ’ εἰ σὺ προστάττεις ἑλέσθαι, ‘πῶς ἂν ἔπειτ’ Ὀδυσῆος ἐγὼ θείοιο λαθοίμην;’ (Κ 243) ὅρα δὴ καὶ σκόπει, πῶς ἀμυνῇ τὸν ἄνδρα.’ καὶ ὁ Ἀριστόδημος ‘ἀλλ’ οἶσθα’ ἔφη ‘τὸ τοῦ Πλάτωνος, ὅτι τῷ παιδὶ χαλεπήνας οὐκ αὐτὸς ἐνέτεινε πληγὰς ἀλλὰ Σπεύσιππον ἐκέλευσεν, εἰπὼν αὐτὸς ὀργίζεσθαι. καὶ σὺ τοίνυν παραλαβὼν κόλαζε τὸν ἄνθρωπον ὅπως βούλει· ἐγὼ γὰρ ὀργίζομαι.’ τὰ αὐτὰ δὴ καὶ τῶν ἄλλων παρακελευομένων ‘λεκτέον μέν’ ἔφην ‘ἄρα, [b] φοβοῦμαι δὲ μὴ δόξω καὶ αὐτὸς ἐσπουδακέναι μᾶλλον ἢ δεῖ πρὸς τὸ βιβλίον ὑπ’ ὀργῆς, δι’ ἀγροικίαν καὶ βωμολοχίαν καὶ ὕβριν τοῦ ἀνθρώπου χόρτον τινὰ προβάλλοντος ...ήσεως Σωκράτει καί, πῶς εἰς τὸ στόμα τὸ σιτίον οὐκ εἰς τὸ οὖς ἐντίθησιν, ἐρωτῶντος. ἀλλ’ ἴσως ἂν ἐπὶ τούτοις καὶ γελάσειέ τις ἐννοήσας τὴν Σωκράτους πραότητα καὶ χάριν, ‘ὑπέρ γε μέντοι παντὸς Ἑλλήνων στρατοῦ’ τῶν ἄλλων φιλοσόφων, ἐν οἷς Δημόκριτός ἐστι καὶ Πλάτων καὶ Στίλπων καὶ Ἐμπεδοκλῆς καὶ Παρμενίδης καὶ Μέλισσος, οὕτω κακῶς ἀκηκοότων, οὐ μόνον ‘αἰσχρὸν σιωπᾶν’, ἀλλ’ οὐδ’ ὅσιον ἐνδοῦναί τι καὶ ὑφελέσθαι τῆς ἄκρας ὑπὲρ αὐτῶν παρρησίας εἰς τοῦτο δόξης [c] φιλοσοφίαν προαγαγόντων. καίτοι τὸ μὲν ζῆν οἱ γονεῖς μετὰ

Καίτοι ταῦτα μὲν ἐγκέκραται τοῖς Ἐπικούρου λόγοις καὶ διαπεφοίτηκεν αὐτοῦ τῆς φιλοσοφίας. ὁ δὲ Κωλώτης ὅτι φωνάς τινας ἐρήμους πραγμάτων ἀποσπῶν καὶ μέρη λόγων καὶ σπαράγματα κωφὰ τοῦ βεβαιοῦντος καὶ συνεργοῦντος πρὸς νόησιν καὶ πίστιν ἕλκων ὥσπερ ἀγορὰν ἢ πίνακα τεράτων συντίθησι τὸ βιβλίον, ἴστε δήπου παντὸς μᾶλλον ὑμεῖς' ἔφην 'τὰ συγγράμματα τῶν παλαιῶν διὰ χειρὸς ἔχοντες. ἐμοὶ δὲ δοκεῖ καθάπερ ὁ Λυδὸς ἐφ' αὑτὸν ἀνοίγειν οὐ θύραν μίαν, ἀλλὰ ταῖς πλείσταις τῶν ἀποριῶν [e] καὶ μεγίσταις περιβάλλειν τὸν Ἐπίκουρον.

Ἄρχεται γὰρ ἀπὸ Δημοκρίτου, καλὰ καὶ πρέποντα διδασκάλια κομιζομένου παρ' αὐτοῦ. καίτοι πολὺν χρόνον αὐτὸς ἑαυτὸν ἀνηγόρευε Δημοκρίτειον ὁ Ἐπίκουρος, ὡς ἄλλοι τε λέγουσι καὶ Λεοντεύς, εἷς τῶν ἐπ' ἄκρον Ἐπικούρου μαθητῶν, πρὸς Λυκόφρονα γράφων τιμᾶσθαί τέ φησι τὸν Δημόκριτον ὑπ' Ἐπικούρου διὰ τὸ πρότερον ἅψασθαι τῆς ὀρθῆς γνώσεως, καὶ τὸ σύνολον τὴν περὶ φύσεως πραγματείαν Δημοκρίτειον προσαγορεύεσθαι διὰ τὸ περιπεσεῖν αὐτὸν πρότερον ταῖς ἀρχαῖς. ὁ δὲ Μητρόδωρος ἄντικρυς ‹ἐν τῷ› περὶ Φιλοσοφίας εἴρηκεν (fr. 33), [f] ὡς, εἰ μὴ προκαθηγήσατο Δημόκριτος, οὐκ ἂν προῆλθεν Ἐπίκουρος ἐπὶ τὴν σοφίαν. ἀλλ' εἰ κατὰ τὰ Δημοκρίτου δόγματα ζῆν οὐκ ἔστιν, ὡς οἴεται Κωλώτης, γελοῖος ἦν ἐπὶ τὸ μὴ ζῆν ἄγοντι Δημοκρίτῳ κατακολουθῶν ὁ Ἐπίκουρος.

Ἐγκαλεῖ δ' αὐτῷ πρῶτον, ὅτι τῶν πραγμάτων ἕκαστον εἰπὼν οὐ μᾶλλον τοῖον ἢ τοῖον εἶναι συγκέχυκε τὸν [1109] [a] βίον. ἀλλὰ τοσοῦτόν γε Δημόκριτος ἀποδεῖ τοῦ νομίζειν μὴ μᾶλλον εἶναι τοῖον ἢ τοῖον τῶν πραγμάτων ἕκαστον, ὥστε Πρωταγόρᾳ τῷ σοφιστῇ τοῦτ' εἰπόντι μεμαχῆσθαι καὶ γεγραφέναι πολλὰ καὶ πιθανὰ πρὸς αὐτόν. οἷς οὐδ' ὄναρ ἐντυχὼν ὁ Κωλώτης ἐσφάλη περὶ λέξιν τοῦ ἀνδρός, ἐν ᾗ διορίζεται μὴ μᾶλλον τό 'δέν' ἢ τό 'μηδέν' εἶναι, 'δέν' μὲν ὀνομάζων τὸ σῶμα 'μηδέν' δὲ τὸ κενόν, ὡς καὶ τούτου φύσιν τινὰ καὶ ὑπόστασιν ἰδίαν ἔχοντος. ὁ δ' οὖν δόξας τό 'μηδὲν

Διὸ καὶ τὰ πρὸς τοῦτον εἰρημένα δοκεῖ μοι λαβεῖν ἐφεξῆς. καὶ πρῶτόν γε τὴν ἐπιμέλειαν καὶ πολυμάθειαν [1115] [a] τοῦ φιλοσόφου σκεψώμεθα, λέγοντος ὅτι τούτοις τοῖς δόγμασι τοῦ Πλάτωνος ἐπηκολουθήκασιν Ἀριστοτέλης καὶ Ξενοκράτης καὶ Θεόφραστος καὶ πάντες οἱ Περιπατητικοί. ποῦ γὰρ ὢν τῆς ἀοικήτου τὸ βιβλίον ἔγραφες, ἵνα ταῦτα συντιθεὶς τὰ ἐγκλήματα μὴ τοῖς ἐκείνων συντάγμασιν ἐντύχῃς μηδ’ ἀναλάβῃς εἰς χεῖρας Ἀριστοτέλους τὰ περὶ Οὐρανοῦ καὶ τὰ περὶ Ψυχῆς, Θεοφράστου δὲ τὰ πρὸς τοὺς Φυσικούς, Ἡρακλείδου δὲ τὸν Ζωροάστρην, τὸ περὶ τῶν ἐν Ἅιδου, τὸ περὶ τῶν Φυσικῶς ἀπορουμένων, Δικαιάρχου δὲ τὰ περὶ Ψυχῆς, ἐν οἷς πρὸς τὰ κυριώτατα καὶ μέγιστα τῶν φυσικῶν ὑπεναντιούμενοι τῷ Πλάτωνι καὶ [b] μαχόμενοι διατελοῦσι; καὶ μὴν τῶν ἄλλων Περιπατητικῶν ὁ κορυφαιότατος Στράτων οὔτ’ Ἀριστοτέλει κατὰ πολλὰ συμφέρεται καὶ Πλάτωνι τὰς ἐναντίας ἔσχηκε δόξας περὶ κινήσεως, περὶ νοῦ καὶ περὶ ψυχῆς καὶ περὶ γενέσεως, τελευτῶν ‹τε› τὸν κόσμον αὐτὸν οὐ ζῷον εἶναί φησι, τὸ δὲ κατὰ φύσιν ἕπεσθαι τῷ κατὰ τύχην· ἀρχὴν γὰρ ἐνδιδόναι τὸ αὐτόματον, εἶθ’ οὕτως περαίνεσθαι τῶν φυσικῶν παθῶν ἕκαστον. τάς γε μὴν ἰδέας, περὶ ὧν ἐγκαλεῖ τῷ Πλάτωνι, πανταχοῦ κινῶν Ἀριστοτέλης καὶ πᾶσαν ἐπάγων ἀπορίαν αὐταῖς ἐν τοῖς ἠθικοῖς ὑπομνήμασιν ἐν τοῖς ‹λογικοῖς, ἐν τοῖς› φυσικοῖς, διὰ τῶν ἐξωτερικῶν [c] διαλόγων φιλονεικότερον ἐνίοις ἔδοξεν ἢ φιλοσοφώτερον ἐκ τῶν δογμάτων τούτων, ὡς προθέμενος τὴν Πλάτωνος ὑπερείπειν φιλοσοφίαν·

οὕτω μακρὰν ἦν τοῦ ἀκολουθεῖν. τίνος οὖν εὐχερείας ἐστὶ τὰ δοκοῦντα τοῖς ἀνδράσι μὴ μαθόντα καταψεύδεσθαι τὰ μὴ δοκοῦντα; καὶ πεπεισμένον ἐλέγχειν ἑτέρους αὐτόγραφον ἐξενεγκεῖν ἀμαθίας ἔλεγχον καθ' αὑτοῦ καὶ θρασύτητος, ὁμολογεῖν Πλάτωνι φάσκοντα τοὺς διαφερομένους καὶ ἀκολουθεῖν τοὺς ἀντιλέγοντας;

'Ἀλλὰ δὴ Πλάτων φησὶ τοὺς ἵππους ὑφ' ἡμῶν ματαίως ἵππους εἶναι ‹νομίζεσθαι› καὶ τοὺς ἀνθρώπους ‹ἀνθρώπους›.' καὶ ποῦ τοῦτο τῶν Πλάτωνος συγγραμμάτων [d] ἀποκεκρυμμένον εὗρεν ὁ Κωλώτης; ἡμεῖς γὰρ ἐν πᾶσιν ἀναγινώσκομεν καὶ τὸν ἄνθρωπον ἄνθρωπον καὶ τὸν ἵππον ἵππον καὶ πῦρ τὸ πῦρ ὑπ' αὐτοῦ δοξαζόμενον· ᾗ καὶ δοξαστὸν ὀνομάζει τούτων ἕκαστον. ὁ δ' οἷα δὴ σοφίας οὐδ' ἀκαρὲς ἀπέχων ὡς ἓν καὶ ταὐτὸν ἔλαβε τὸ μὴ εἶναι τὸν ἄνθρωπον καὶ τὸ εἶναι μὴ ὂν τὸν ἄνθρωπον. τῷ Πλάτωνι δὲ θαυμαστῶς ἐδόκει διαφέρειν τὸ μὴ εἶναι τοῦ μὴ ὂν εἶναι· τῷ μὲν γὰρ ἀναίρεσιν οὐσίας πάσης τῷ δ' ἑτερότητα δηλοῦσθαι τοῦ μεθεκτοῦ καὶ τοῦ μετέχοντος. ἣν οἱ μὲν ὕστερον εἰς γένους καὶ εἴδους καὶ κοινῶς τινων καὶ ἰδίως λεγομένων ποιῶν διαφορὰν ἔθεντο μόνον, ἀνωτέρω [e] δ' οὐ προῆλθον, εἰς λογικωτέρας ἀπορίας ἐμπεσόντες. ἔστι δὲ τοῦ μεθεκτοῦ πρὸς τὸ μετέχον λόγος, ὃν αἰτία τε πρὸς ὕλην ἔχει καὶ παράδειγμα πρὸς εἰκόνα καὶ δύναμις πρὸς πάθος. ᾧ γε δὴ μάλιστα τὸ καθ' αὑτὸ καὶ ταὐτὸν ἀεὶ διαφέρει τοῦ δι' ἕτερον καὶ μηδέποτ' ὡσαύτως ἔχοντος· ὅτι τὸ μὲν οὔτ' ἔσται ποτὲ μὴ ὂν οὔτε γέγονε καὶ διὰ τοῦτο πάντως καὶ ὄντως ὄν ἐστι, τῷ δ' οὐδ' ὅσον ἀπ' ἄλλου συμβέβηκε μετέχειν τοῦ εἶναι βέβαιόν ἐστιν, ἀλλ' ἐξίσταται δι' ἀσθένειαν, ἅτε τῆς ὕλης περὶ τὸ εἶδος ὀλισθανούσης καὶ πάθη πολλὰ καὶ μεταβολὰς ἐπὶ τὴν εἰκόνα τῆς οὐσίας, [f] ὥστε κινεῖσθαι καὶ σαλεύεσθαι, δεχομένης. ὥσπερ οὖν ὁ λέγων Πλάτωνα μὴ εἶναι τὴν εἰκόνα τὴν Πλάτωνος οὐκ ἀναιρεῖ τὴν ὡς εἰκόνος αἴσθησιν αὐτῆς καὶ ὕπαρξιν, ἀλλ' ἐνδείκνυται καθ' αὑτό τινος ὄντος καὶ πρὸς ἐκεῖνον ἑτέρου γεγονότος διαφοράν, οὕτως οὔτε φύσιν οὔτε χρῆσιν οὔτ' αἴσθησιν ἀνθρώπων ἀναιροῦσιν οἱ κοινῆς τινος οὐσίας [1116] [a] μετοχῇ καὶ ἰδέας γινόμενον ἡμῶν ἕκαστον εἰκόνα τοῦ παρασχόντος τὴν ὁμοιότητα τῇ γενέσει προσαγορεύοντες. οὐδὲ γὰρ ὁ πῦρ μὴ λέγων εἶναι τὸν πεπυρωμένον σίδηρον ἢ τὴν σελήνην ἥλιον, ἀλλὰ κατὰ Παρμενίδην (B 14) 'νυκτιφαὲς περὶ γαῖαν ἀλώμενον ἀλλότριον φῶς', ἀναιρεῖ σιδήρου χρῆσιν ἢ σελήνης φύσιν, ἀλλ' εἰ μὴ λέγοι σῶμα μηδὲ πεφωτισμένον, ἤδη μάχεται ταῖς αἰσθήσεσιν, ὥσπερ ὁ σῶμα καὶ ζῷον καὶ γένεσιν καὶ αἴσθησιν μὴ ἀπολείπων. ὁ δὲ ταῦθ' ὑπάρχειν τῷ μετεσχηκέναι καὶ ὅσον ἀπολείπεται τοῦ ὄντος ἀεὶ καὶ τὸ εἶναι παρέχοντος αὐτοῖς ὑπονοῶν οὐ παρορᾷ τὸ αἰσθητὸν ἀλλ' ‹οὐ› παρορᾷ τὸ νοητόν, οὐδ' [b] ἀναιρεῖ τὰ γινόμενα καὶ φαινόμενα περὶ ἡμᾶς τῶν παθῶν,

ἀλλ’ ὅτι βεβαιότερα τούτων ἕτερα καὶ μονιμώτερα πρὸς οὐσίαν ἐστὶ τῷ μήτε γίνεσθαι μήτ’ ἀπόλλυσθαι μήτε πάσχειν μηθέν, ἐνδείκνυται τοῖς ἑπομένοις καὶ διδάσκει καθαρώτερον τῆς διαφορᾶς ἁπτομένους τοῖς ὀνόμασι τὰ μὲν ὄντα τὰ δὲ γινόμενα προσαγορεύειν. τοῦτο δὲ καὶ τοῖς νεωτέροις συμβέβηκε· πολλὰ γὰρ καὶ μεγάλα πράγματα τῆς τοῦ ὄντος ἀποστεροῦσι προσηγορίας, τὸ κενὸν τὸν χρόνον τὸν τόπον, ἁπλῶς τὸ τῶν λεκτῶν γένος, ἐν ᾧ καὶ τἀληθῆ πάντ’ ἔνεστι. ταῦτα γὰρ ὄντα μὲν μὴ εἶναι τινὰ δ’ εἶναι λέγουσι, χρώμενοι δ’ αὐτοῖς ὡς [c] ὑφεστῶσι καὶ ὑπάρχουσιν ἐν τῷ βίῳ καὶ τῷ φιλοσοφεῖν διατελοῦσιν.

Ταῦτα μὲν οὖν πρὸς τὰς βλασφημίας. ὅτι δέ, οἷς [f] ἐγκαλεῖ περὶ τῶν ἐναργῶν, ἔνοχος αὐτός ἐστιν, οὐ συνεῖδεν. ἓν γάρ ἐστι τῶν Ἐπικούρου δογμάτων, τὸ μηδὲν ἀμεταπείστως πεπεῖσθαι μηδένα πλὴν τὸν σοφόν. ἐπεὶ τοίνυν ὁ Κωλώτης οὐκ ἦν σοφὸς οὐδὲ μετὰ τὰς σεβάσεις ἐκείνας, ἐρωτάτω πρῶτον ‹ἑαυτὸν› ἐκεῖνα τὰ ἐρωτήματα, πῶς σιτία προσάγεται καὶ οὐ χόρτον †ἐπιτήδειος ὢν καὶ τὸ ἱμάτιον τῷ σώματι καὶ οὐ τῷ κίονι περιτίθησι, μήθ’ ἱμάτιον εἶναι τὸ ἱμάτιον μήτε σιτίον τὸ σιτίον ἀμεταπείστως [1118] [a] πεπεισμένος. εἰ δὲ καὶ ταῦτα πράττει καὶ τοὺς ποταμούς, ὅταν ὦσι μεγάλοι, ποσὶν οὐ διέρχεται, καὶ τοὺς ὄφεις φεύγει καὶ τοὺς λύκους, μηδὲν εἶναι τούτων οἷον φαίνεται πεπεισμένος ἀμεταπείστως ἀλλὰ πράττων ἕκαστα κατὰ τὸ φαινόμενον, οὐδὲ Σωκράτει δήπουθεν ἐμποδὼν ἦν ἡ περὶ τῶν αἰσθήσεων δόξα τοῦ χρῆσθαι τοῖς φαινομένοις ὁμοίως. οὐ γὰρ Κωλώτῃ μὲν ὁ ἄρτος ἄρτος ἐφαίνετο καὶ χόρτος ὁ χόρτος, ὅτι τούς ‘διοπετεῖς’ ἀνεγνώκει Κανόνας, ὁ δὲ Σωκράτης ὑπ’ ἀλαζονείας ἄρτου μὲν ὡς χόρτου χόρτου δ’ ὡς ἄρτου φαντασίαν ἐλάμβανε. δόγμασι γὰρ ἡμῶν καὶ λόγοις οὗτοι χρῶνται βελτίοσιν οἱ [b] σοφοί, τὸ δ’ αἰσθάνεσθαι καὶ τυποῦσθαι πρὸς τὰ φαινόμενα κοινόν ἐστι πάθος ἀλόγοις περαινόμενον αἰτίαις. ὁ δὲ τὰς αἰσθήσεις λόγος ἐπαγόμενος ὡς οὐκ ἀκριβεῖς οὐδ’ ἀσφαλεῖς πρὸς πίστιν οὔσας οὐκ ἀναιρεῖ τὸ φαίνεσθαι τῶν πραγμάτων ἡμῖν ἕκαστον, ἀλλὰ χρωμένοις κατὰ τὸ φαινόμενον ἐπὶ τὰς πράξεις ταῖς αἰσθήσεσι τὸ πιστεύειν ὡς ἀληθέσι πάντῃ καὶ ἀδιαπτώτοις οὐ δίδωσιν αὐταῖς· τὸ γὰρ ἀναγκαῖον ἀρκεῖ καὶ χρειῶδες ἀπ’ αὐτῶν, ὅτι βέλτιον ἕτερον οὐκ ἔστιν· ἣν δὲ ποθεῖ φιλόσοφος ψυχὴ λαβεῖν ἐπιστήμην περὶ ἑκάστου καὶ γνῶσιν, οὐκ ἔχουσι.

‘μισῶ σοφιστήν, ὅστις οὐχ αὑτῷ σοφός’ (Eur. fr. 905).

τοὺς μὲν γὰρ περὶ Φιλόξενον τὸν Ἐρύξιδος καὶ Γνάθωνα τὸν Σικελιώτην ἐπτοημένους περὶ τὰ ὄψα λέγουσιν ἐναπομύττεσθαι ταῖς παροψίσιν, ὅπως τοὺς συνεσθίοντας διατρέψαντες αὐτοὶ μόνοι τῶν παρακειμένων ἐμφορηθῶσιν· οἱ δ’ ἀκράτως φιλόδοξοι καὶ κατακόρως διαβάλλουσιν ἑτέροις τὴν δόξαν ὥσπερ ἀντερασταῖς, ἵνα τυγχάνωσιν αὐτῆς ἀνανταγωνίστως, καὶ ταὐτὰ τοῖς ἐρέσσουσι ποιοῦσιν· ὡς γὰρ ἐκεῖνοι, πρὸς τὴν πρύμναν ἀφορῶντες τῆς [c] νεὼς τῇ κατὰ πρῷραν ὁρμῇ συνεργοῦσιν, ὡς ἂν ἐκ τῆς ἀνακοπῆς παλίρροια καταλαμβάνουσα συνεπωθῇ τὸ πορθμεῖον, οὕτως οἱ τὰ τοιαῦτα παραγγέλματα διδόντες ὥσπερ ἀπεστραμμένοι τὴν δόξαν διώκουσιν. ἐπεὶ τί λέγειν ἔδει τοῦτο, τί δὲ γράφειν καὶ γράψαντα ἐκδιδόναι πρὸς τὸν μετὰ ταῦτα χρόνον, εἰ λαθεῖν ἐβούλετο; ‹ἢ λαθεῖν ἐβούλετο› τοὺς ὄντας ὁ μηδὲ τοὺς ἐσομένους;

Ἀλλὰ τοῦτο μὲν ‹ἐῶμεν›· αὐτὸ ‹δὲ› τὸ πρᾶγμα πῶς οὐ πονηρόν; ‘λάθε βιώσας’ - ὡς τυμβωρυχήσας; ἆρ’ αἰσχρόν ἐστι τὸ ζῆν, ἵν’ ἀγνοώμεθα πάντες; ἐγὼ δ’ ἂν εἴποιμι· ‘μηδὲ κακῶς βιώσας λάθε, ἀλλὰ γνώσθητι σωφρονίσθητι μετανόησον· εἴτ’ ἀρετὴν ἔχεις, μὴ γένῃ [d] ἄχρηστος, εἴτε κακίαν, μὴ μείνῃς ἀθεράπευτος.’ μᾶλλον δὲ διελοῦ καὶ διόρισον, τίνι τοῦτο προστάττεις· εἰ μὲν ἀμαθεῖ καὶ πονηρῷ καὶ ἀγνώμονι, οὐδὲν διαφέρεις τοῦ λέγοντος ‘λάθε πυρέττων’ καὶ ‘λάθε φρενιτίζων, μὴ γνῷ σε ὁ ἰατρός· ἴθι ῥίψας ποι κατὰ σκότους σεαυτόν, ἀγνοούμενος σὺν τοῖς πάθεσιν’. ‹φῂς γὰρ› καὶ σύ· ‘ἴθι τῇ κακίᾳ νόσον ἀνήκεστον νοσῶν καὶ ὀλέθριον, ἀποκρύπτων τοὺς φθόνους, τὰς δεισιδαιμονίας ὥσπερ τινὰς σφυγμούς, δεδιὼς παρασχεῖν τοῖς νουθετεῖν καὶ ἰᾶσθαι δυναμένοις.’ οἱ δὲ σφόδρα παλαιοὶ καὶ τοὺς νοσοῦντας φανερῶς †προσεῖχον· [e] τούτων δ’ ἕκαστος εἴ τι πρόσφορον ἔχοι, παθὼν αὐτὸς ἢ παθόντα θεραπεύσας, ἔφραζε τῷ δεομένῳ· καὶ τέχνην οὕτω φασὶν ἐκ πείρας συνερανιζομένην μεγάλην γενέσθαι. ἔδει δὴ καὶ τοὺς νοσώδεις βίους καὶ τὰ τῆς ψυχῆς παθήματα πᾶσιν ἀπογυμνοῦν, καὶ ἅπτεσθαι καὶ λέγειν ἕκαστον ἐπισκοποῦντα τὰς διαθέσεις· ‘ὀργίζῃ; τοῦτο φύλαξαι· ζηλοτυπεῖς; ἐκεῖνο ποίησον· ἐρᾷς; κἀγώ ποτ’ ἠράσθην ἀλλὰ μετενόησα.’ νῦν δ’ ἀρνούμενοι

ΠΛΟΥΤΑΡΧΟΥ ΦΙΛΟΣΟΦΟΥ ΠΟΤΕΡΟΝ ΨΥΧΗΣ Η ΣΩΜΑΤΟΣ ΕΠΙΘΥΜΙΑ ΚΑΙ ΛΥΠΗ

[1] Ἡ μὲν πρόθεσις περὶ ἐπιθυμίας γέγονε καὶ λύπης, πότερον σώματος πάθος ἐστὶν ἢ ἐπὶ σώματι ψυχῆς· καὶ γὰρ εἰ τὴν αὐτοπάθειαν ἀπολύσεται τὸ σῶμα τούτων, οὐ διαφεύξεται τὴν αἰτίαν, ἀλλὰ διὰ σώματος πάθη φαίνεται, κἂν περὶ ψυχὴν ἀπελέγχηται. ἡ δὲ κοινότης τοῦ λόγου καὶ τὰ λοιπὰ πάθη ζητήσει συνυποβάλλει, φόβον καὶ ἡδονήν, ὧν τὸ μὲν λύπῃ, τὸ δ' ἐπιθυμίᾳ συμπέφυκεν, εἴ γε πᾶς ἄνθρωπος ὧν μὲν λυπεῖται παρόντων, ὧν δὲ δέδιε μελλόντων, ὧν δ' ὀρέγεται [καὶ] μὴ παρόντων, οἷς δ' ἥδεται δεδομένοις. τὸν μὲν γὰρ κόσμον οἱ φυσικοὶ λέγουσιν ἐκ τεττάρων σωμάτων πρώτων καὶ μεγίστων συνηρμόσθαι, κατ' ἀντίθεσιν καὶ ἀντίταξιν ἀλλήλοις ἄνω καὶ κάτω φύσει ῥεπόντων, τὴν δὲ κακίαν καὶ ἀκοσμίαν τὴν ἐν ἡμῖν τέσσαρα πάθη τὰ πρῶτα κινεῖ καὶ διαφέρει πρὸς τοὐναντίον ἀτάκτως καὶ ἀλόγως, ἄνω μὲν ἡδονὴ καὶ κάτω λύπη, πρόσω δ' ἐπιθυμία καὶ ὀπίσω φόβος, ὥσπερ ἐξ ὀργάνων ἀ‹συμ›μέτρων μετασχηματιζομένης ‹τῆς ψυχῆς›. ἔπαρσις γὰρ αὐτῆς ἡδονή, συστολὴ δὲ λύπη· τείνεται δ' εἰς ἐπιθυμίαν, φεύγει δ' ὃ δέδιεν. ὅ γε μὴν θυμός, εἴτε τῆς ἐπιθυμίας ἐστὶν εἶδος κατ' ὄρεξιν ἀντιλυπήσεως ὑφιστάμενος, εἴτε ἕτερόν τι καὶ διάφορον, πολλάκις δὲ καὶ μαχόμενον πρὸς ἐπιθυμίαν πάθος, ὡς ὑπενόει Πλάτων (resp. IV 439e sq.), οὐκ ἄδηλον ὅτι καὶ αὐτὸς παρέξει ζήτησιν, εἴτε τοῦ σώματος ἐκριπιζόμενος χειμάζει τὸν ἄνθρωπον.

[2] Ἔοικε παλαιά τις αὕτη τῷ σώματι διαδικασία πρὸς τὴν ψυχὴν περὶ τῶν παθῶν εἶναι. καὶ Δημόκριτος μὲν (Vorsokr. 68 B 159) ἐπὶ τὴν ψυχὴν ἀναφέρων ‹τὴν αἰτίαν τοῦ› κακοδαιμον‹εῖν› φησιν, εἰ τοῦ σώματος αὐτῇ δίκην λαχόντος, παρὰ πάντα τὸν βίον ὧν ὠδύνηται ‹καὶ› κακῶς πέπονθεν, αὐτὸς γένοιτο τοῦ ἐγκλήματος δι‹καστής›, ἡδέως ἂν καταψηφίσασθαι τῆς ψυχῆς, ἐφ' οἷς τὰ μὲν ἀπώλεσε τοῦ σώματος ταῖς ἀμελείαις καὶ ἐξέλυσε ταῖς μέθαις, τὰ δὲ κατέφθειρε καὶ διέσπασε ταῖς φιληδονίαις, ὥσπερ ὀργάνου τινὸς ἢ σκεύους κακῶς ἔχοντος τὸν χρώμενον ἀφειδῶς αἰτιασάμενος. Θεόφραστος δὲ τοὐναντίον ἔφη τῷ σώματι πολλοῦ τὴν ψυχὴν ἐνοικεῖν, ὀλίγου χρόνου βαρεῖς μισθοὺς ὑποτελοῦσαν, τὰς λύπας, τοὺς φόβους, τὰς ἐπιθυμίας, τὰς ζηλοτυπίας, αἷς συμφερομένη περὶ τὸ σῶμα δικαιότερον ἂν αὐτῷ δικάζοιτο πηρώσεως ὧν ἐπιλέλησται, καὶ βιαίων ἐφ' οἷς κατέχεται, καὶ

ὕβρεως ὧν ἀδοξεῖ καὶ λοιδορεῖται, τῶν ἐκείνου κακῶν ἀναδεχομένη τὰς αἰτίας οὐ προσηκόντως.

[3] Ἀγωνιστέον οὖν ὑπὲρ τῆς ἀληθείας. καλὸς γὰρ ὁ ἀγών, καὶ τῇ ψυχῇ ὁ λόγος πάντως χρήσιμος, εἰ μὲν οὐκ αὐτῆς τὰ πάθη φαίνεται, πρὸς ἀπολογίαν, εἰ δ' αὐτῆς, πρὸς ἀπαλλαγήν· ὥστ' ἢ φυλάξασθαι τὸ ἑκούσιον ἢ μὴ λοιδορεῖσθαι τὸ ἀλλότριον.

[4] Ἔδει μὲν τοὺς δογματικοὺς καὶ καταληπτικοὺς εἶναι φιλοσόφους φάσκοντας, εἰ μὴ περὶ ἄλλο τι, τήν γε τῶν παθῶν ἐνάργειαν ὁμολογεῖν ἀλλήλοις καὶ συμφέρεσθαι. πολὺς δ' αὐτῶν ὁ παράλογός ἐστιν. οἱ μὲν γὰρ ἅπαντα συλλήβδην ταῦτα τῇ ψυχῇ φέροντες ἀνέθεσαν, ὥσπερ Στράτων ὁ φυσικός, οὐ μόνον τὰς ἐπιθυμίας, ἀλλὰ καὶ τὰς λύπας, οὐδὲ τοὺς φόβους καὶ τοὺς φθόνους καὶ τὰς ἐπιχαιρεκακίας, ἀλλὰ καὶ πόνους καὶ ἡδονὰς καὶ ἀλγηδόνας καὶ ὅλως πᾶσαν αἴσθησιν ἐν τῇ ψυχῇ συνίστασθαι φάμενος, καὶ τῆς ψυχῆς τὰ τοιαῦτα πάντ' εἶναι, μὴ τὸν πόδα πονούντων ἡμῶν, ὅταν προσκρούσωμεν, μηδὲ τὴν κεφαλήν, ὅταν κατάξωμεν, μη‹δὲ› τὸν δάκτυλον, ὅταν ἐκτέμωμεν· ἀναίσθητα γὰρ τὰ λοιπὰ πλὴν τοῦ ἡγεμονικοῦ, πρὸς ὃ τῆς πληγῆς ὀξέως ἀναφερομένης τὴν αἴσθησιν ἀλγηδόνα καλοῦμεν. ὡς δὲ τὴν φωνὴν τοῖς ὠσὶν αὐτοῖς ἐνηχοῦσαν ἔξω δοκοῦμεν εἶναι, τὸ ἀπὸ τῆς ἀρχῆς ἐπὶ τὸ ἡγεμονικὸν διάστημα τῇ αἰσθήσει προσλογιζόμενοι, παραπλησίως τὸν ἐκ τοῦ τραύματος πόνον οὐχ ὅπου τὴν αἴσθησιν εἴληφεν, ἀλλ' ὅθεν ἔσχε τὴν ἀρχὴν εἶναι δοκοῦμεν, ἑλκομένης ἐπ' ἐκεῖνο τῆς ψυχῆς ἀφ' οὗ πέπονθε. διὸ καὶ προσκόψαντες αὐτίκα τὰς ὀφρῦς συνάγομεν, τῷ πληγέντι μορίῳ τοῦ ἡγεμονικοῦ τὴν αἴσθησιν ὀξέως ἀποδιδόντος, καὶ παρεγκάπτομεν ἔσθ' ὅτε τὸ πνεῦμα, κἂν τὰ μέρη δεσμοῖς διαλαμβάνηται, χερσὶ σφόδρα πιέζομεν, ‹ἐν›ιστάμενοι πρὸς τὴν διάδοσιν τοῦ πάθους καὶ τὴν πληγὴν ἐν τοῖς ἀναισθήτοις θλίβοντες, ἵνα μὴ ‹τῷ› συνάψαι πρὸς τὸ φρονοῦν ἀλγηδὼν γένηται. ταῦτα μὲν οὖν ὁ Στράτων ἐπὶ πολλοῖς ὡς εἰκὸς τοιούτοις.

[5] Ἔνιοι δ' ἄντικρυς καὶ δόξαν καὶ διαλογισμὸν εἰς τὸ σῶμα κατατείνουσιν, οὐδ' εἶναι οὐσίαν ‹τὸ› παράπαν ψυχῆς λέγοντες, ἀλλὰ τῇ τοῦ σώματος διαφορᾷ καὶ ποιότητι καὶ δυνάμει συντελεῖσθαι τὰ τοιαῦτα. τὸ μὲν γὰρ Περὶ τῶν ἐν Ἅιδου βιβλίον ἐπιγραφόμενον, ἐν ᾧ τὴν ψυχὴν τῇ οὐσίᾳ παρυπάρχειν ἀποφαίνεται ὁ λόγος, οἱ μὲν οὐδ' εἶναι τὸ παράπαν Ἡρακλείδου νομίζουσιν, οἱ δὲ πρὸς ἀντιπαρεξαγωγὴν ‹συν›τετάχθαι τῶν εἰρημένων ἑτέροις περὶ οὐσίας ψυχῆς· ὅτῳ ‹δ' οὖν› γεγραμμένον, ἄντικρυς ἀναιρεῖ τὴν οὐσίαν αὐτῆς, ὡς τοῦ σώματος ἔχοντος ἐν αὐτῷ τὰς εἰρημένας δυνάμεις πάσας.

Οἱ δ' ὥσπερ διὰ μέσου τῶν λόγων ἐπεχείρησαν ἀφορίζειν τῆς ψυχῆς ἴδια πάθη καὶ ἴδια τοῦ σώματος, ἐν κοινῷ καὶ πλάτος οὐκ ἔχοντι φερόμενοι τόπῳ συνεχύθησαν.

[6] Ὅ γέ τοι Ποσειδώνιος τὰ μὲν εἶναι ψυχικά, τὰ δὲ σωματικά, καὶ τὰ μὲν οὐ ψυχῆς, περὶ ψυχὴν δὲ ‹σωματικά, τὰ δ' οὐ σώματος, περὶ σῶμα δὲ ψυχικά φησι, ψυχικὰ μὲν› ἁπλῶς τὰ ἐν κρίσεσι καὶ ὑπολήψεσιν οἷον ἐπιθυμίας λέγων, φόβους, ὀργάς, σωματικὰ δ' ἁπλῶς πυρετούς, περιψύξεις, πυκνώσεις, ἀραιώσεις, περὶ ψυχὴν δὲ σωματικὰ ληθάργους, μελαγχολίας, δηγμοὺς, φαντασίας, διαχύσεις, ἀνάπαλιν δὲ περὶ σῶμα ψυχικὰ τρόμους καὶ ὠχριάσεις καὶ μεταβολὰς τοῦ εἴδους κατὰ φόβον ἢ λύπην.

Διόδοτος πάλιν ἴδια μέν τινα τοῦ λογικοῦ φησι τῆς ψυχῆς πάθη, ἴδια δὲ τοῦ συμφυοῦς καὶ ἀλόγου εἶναι, ῥιπταζόμενος ἐπὶ πάντα καὶ ψηλαφῶντι προσεοικὼς τὰς διαφοράς. ὅπου γὰρ ἐπὶ τῶν ἀγγείων ἔργον ἐστὶ διακρῖναι, πότε τῇ περὶ αὑτὰ κακίᾳ τὸ ἐγκεχυμένον διέφθαρκε, καὶ πάλιν πότε τῶν ὑγρῶν νοσησάν‹των› διαβέβρωται [κέκρυπται], ἦπού γε τῆς ψυχῆς ἀναμεμιγμένης εἰς τὸ σῶμα καὶ κατὰ σύγκρασιν ἑνωτικὴν συμπεφυκυίας εὔπορόν ἐστιν ἐκκαθᾶραι τὴν διαφοράν; ὅρους ψυχῆς καὶ σώματος ἐπιζητεῖς, οὓς ἡ φύσις ἀνεῖλεν, ἐκ δυοῖν μίαν γενέσθαι σοφιζομένη, καὶ τῷ λόγῳ παρενδῦναι γλιχόμενος διαστέλλεις κοινωνίαν οὐδενὶ λυτὴν οὐδὲ χωριστὴν ἢ μόνῳ θανάτῳ. ἐκεῖνος δὲ τὰ πρὸς ἄλληλα ‹συγκραθέντα δια›κόψας ἢ ἀποκρίνας θάτερον, ἐξελέγξει τὴν ἑκατέρου φύσιν ὅσον εἶχεν ἀλλότριον· μέχρι δὲ τούτου τὸ συγκεκραμένον ἡ κοινωνία δείκνυσιν, ἀρνουμένη ἐκ δυοῖν εἶναι, καὶ ἀποκρύπτουσα τὰς ἀμφοῖν εἰς κοινωνίαν ἀρχάς, καὶ ἀναπιμπλᾶσα θατέρου θάτερον, ὡς μήτε ψυχῆς εἶναι πάθος ὃ σώματος οὐ καθάπτεται, μήτε σώματος μεταβολὴν ἣ διὰ ψυχῆς οὐ κεχώρηκε. κινδυνεύομεν ὅμοιόν τι ποιεῖν τῇ περὶ τὸν Ὧρον ὑπ' Αἰγυπτίων μυθολογουμένῃ διανομῇ· δικάσαντος ‹γάρ› τινος τῶν παλαιοτέρων θεῶν, ἐπεὶ τῷ πατρὶ τιμωρῶν ἀπέκτεινε τὴν μητέρα, καὶ τὸ αἷμα αὐτοῦ καὶ τὸν μυελὸν καταλιπεῖν, περιελεῖν δὲ τὴν πιμελὴν καὶ τὰς σάρκας, ὡς τούτων ἐν τῇ μητρὶ τὴν σύστασιν λαβόντων, ἐκείνων δ' ἀπὸ τοῦ πατρὸς ‹κατὰ› τὴν γένεσιν ῥυέντων αὐτῷ. καθάπερ γὰρ οὗτοι τῶν σπερ‹μά›των ‹τὴν› ἄνωθεν κατὰ φύσιν κρᾶσιν ἀχώριστον ἐπιχειροῦντες διαιρεῖν ἄχρι λόγου μυθώδους καὶ ἀπίστου προέρχονται, τὸν αὐτὸν τρόπον ἡμεῖς σώματος καὶ ψυχῆς εὐθὺς ἐν πρώτῃ καταβολῇ συγχυθέντων πάθη διαλαβεῖν καὶ χωρίσαι ζητοῦντες, ἀκριβοῦς σφόδρα λόγου καθάπερ ὀργάνου λεπτοῦ πρὸς τὴν διαίρεσιν δεόμεθα.

[7] Ταύτην ἀπογνόντες ‹τινὲς› φιλόσοφοί φασι μήτε σώματος εἶναί τι μήτε ψυχῆς ἴδιον πάθος, ἀλλὰ τοῦ κοινοῦ· τὸν γὰρ ἄνθρωπον ἥδεσθαι καὶ λυπεῖσθαι καὶ φοβεῖσθαί τινα [ἄνθρωπον], οὐχὶ τὴν ψυχήν, ὥσπερ γε πάλιν οὐ τὸ σῶμα βάλλειν καὶ ὀρχεῖσθαι καὶ περιπατεῖν, ἀλλὰ τὸν ἄνθρωπον, ἀμφοτέροις χρώμενον ὥσπερ ἐξ ἀμφοῖν συνέστηκε. καὶ οὐκ ἂν θαυμάσαιμι, ‹εἴ› τούτοις μάλιστά πως τὸ ἀληθὲς συμφέρεται. κρίσις γὰρ ἡ λύπη κακοῦ τινος αὐτῷ παρόντος, ἐφ' ᾧ συστέλλεσθαι καθήκει, καὶ ὁ φόβος κακοῦ μέλλοντος, ἀφ' οὗ φεύγειν καθήκει καὶ ἀναχωρεῖν· ὥστε τὸν λυπούμενον αὐτὸν αὐτῷ λέγειν ὅτι 'μοι κακὸν πάρεστι', καὶ τὸν φοβούμενον ὁμοίως ὅτι 'μοι κακὸν ἔσται'. 'ἐγὼ' δ' οὔκ εἰμι ἡ ψυχή, ἀλλ' ὁ ἄνθρωπος, καὶ τὸ κακὸν οὔκ ἐστι τῆς ψυχῆς, ἀλλὰ τοῦ ἀνθρώπου, πενία, νόσος, ἀδοξία, θάνατος. διὸ τήν τε λύπην καὶ τὸν φόβον ἀναγκαῖον εἶναι πάθη τοῦ ἀνθρώπου καὶ οὐχὶ τῆς ψυχῆς. καὶ γὰρ ἄλλως ὁρμὴ μὲν [προς]πλεονάζουσα τὸ πάθος, τῷ ἀλόγῳ ‹τὸ› σφοδρὸν ἔχουσα καὶ ἀπειθές· ὁρμᾷ δὲ τὸ ζῷον, οὐχ ἡ ψυχή, πρὸς τὸ κείρασθαι, πρὸς τὸ ὁπλίσασθαι, πρὸς τὸ λούσασθαι ‹καὶ› κατακλιθῆναι· ταῦτα γάρ ἐστι τῷ ἀνθρώπῳ πρακτά, τῇ ψυχῇ δ' ἀσύμπτωτα. οἷς καὶ πιθανὸν ὁρμᾶν τὸν ἄνθρωπον, οὐχὶ τὴν ψυχήν· εἰ δ' ὁρμᾶν, καὶ ὀρέγεσθαι· οὐκοῦν καὶ ἀλόγως ὀρέγεσθαι, τουτέστιν ‹ἐπιθυμεῖν›· εἰ δ' ἐπιθυμεῖν, καὶ ἥδεσθαι· εἰ δ' ἥδεσθαι, καὶ λυπεῖσθαι καὶ φοβεῖσθαι· ταῦτα γὰρ ἐκείνοις ἐξ ἀνάγκης ἕπεσθαι συμβέβηκεν· ὥστε μηδ‹ὲν› εἶναι ψυχῆς ἴδιον, ἀλλὰ καὶ χαίρειν καὶ ἄχθεσθαι καὶ ὀρέγεσθαι καὶ φοβεῖσθαι τὸν ἄνθρωπον.

[8] Ταῦτα δ' ἐστὶν οὐ λυόντων τὴν ἀπορίαν, ἀλλ' ἀποδιδρασκόντων. καὶ γὰρ εἰ τὰ μάλιστα φαίη τις εἶναι τοῦ ἀνθρώπου ταῦτα πάθη, μένει τὸ ἀπορεῖν, τίνι καὶ κατὰ τί ταῦτα πάσχει, πότερον κατὰ τὴν ψυχὴν ἢ κατὰ τὸ σῶμα. καὶ ‹γὰρ› ὀρχεῖται ὁ ἄνθρωπος, ἀλλὰ ταῖς χερσί, καὶ λακτίζει ὁ ἄνθρωπος, ἀλλὰ τοῖς σκέλεσι, καὶ βλέπει κατὰ τὴν ὄψιν, καὶ ἀκούει κατὰ τὰ ὦτα· καὶ ὅλως τὸ μὲν ἔργον ἐστὶ κοινὸν τοῦ ἐκ τούτων πάντων συνεστῶτος, τὴν δ' αἰτίαν τῆς συμπράξεως ἔχει τὸ μέρος ᾧ προσχρώμενος ἐνεργεῖ ‹ὁ› ἄνθρωπος. 'ἀλλὰ τὸ μὲν πλεῖον πολυάικος πολέμοιο' φησὶν Ἀχιλλεύς (A 165) 'χεῖρες ἐμαὶ διέπουσιν', οὐκ ἀποστερῶν ἑαυτὸν τῶν πολεμικῶν ἔργων, ὅτι ταῖς χερσὶν ἐπέγραψε τὴν αἰτίαν, ἀλλὰ δηλῶν ὅτι ταῖς μὲν χερσὶ κατειργάζετο τοὺς πολεμίους καὶ τῷ ξίφει, αὐτὸς μέντοι ἦν ὁ διεργαζόμενος. καὶ ὁ λέγων (Trag. adesp. 412 N.[2]) 'δεινὸς κολαστὴς πέλεκυς αὐχένος τεμεῖν' οὐ τὸ ὃ κολάζει εἴρηκεν, ἀλλ' ᾧ κολάζουσιν. οὕτως οὖν ὁ ‹τὴν λύπην καὶ› τὴν ἐπιθυμίαν ἐπιζητῶν, πότερον τοῦ σώματός ἐστιν ἢ τῆς ψυχῆς, οὐκ ἀγνοεῖ ὅτι τὸ λυπούμενον καὶ ἐπιθυμοῦν ἄνθρωπός ἐστι, πότερον ‹δὲ› τῇ ψυχῇ προσχρώμενος ἢ τῷ σώματι καὶ ‹κατὰ τὴν ψυχὴν ἢ› κατὰ τὸ σῶμα τοῦτο

πάσχει, διηπόρηκεν. ὥστε τὰς προφάσεις ἐάσαντες ἁψώμεθα τοῦ λόγου καὶ κατὰ τὴν ζήτησιν ἤδη ‹τραπώμεθα›.

[9] Ὅσοι τοίνυν τὴν ψυχὴν οὐκ ἄφθαρτον οὐδ' ἀθάνατον μόνον, ἀλλὰ καὶ ἀπαθῆ πειρῶνται διαφυλάττειν, ῥώμην τινὰ τὴν ἀπάθειαν τῇ ἀφθαρσίᾳ προβαλλόμενοι, καὶ τὸ πάσχον ἁμωσγέπως ἤδη φθορᾶς ἀναδέχεσθαι πεῖραν οἰόμενοι, τὰ δὲ πάθη πάντα καὶ τὰς ἀσθενείας ὥσπερ ἐκ ῥίζης τῆς σαρκὸς ἀναβλαστάνειν ἐπὶ τὸν ἄνθρωπον, τῶν διαφορῶν πρῶτον ἕξονται τῶν περὶ τὰ σώματα φαινομένων κατὰ χρόνους καὶ φύσεις καὶ μεταβολάς. οἷον εὐθὺς ἐν νέοις ἀκμάζει τὸ ἐπιθυμητικόν, ἐν πρεσβύταις ‹δὲ› τὸ περίλυπον· τοῖς μὲν γὰρ αἷμά τε θερμὸν ἐγκέκραται, καὶ πνεῦμα ῥαγδαῖον ἐπὶ τὰς πράξεις παρέστηκε, καὶ τὸ σῶμα τοῖς ὀργάνοις καθαροῖς καὶ ἀκραιφνέσιν ἐμμελὲς ἀεὶ καὶ πολύσφυκτον ἀνακινεῖ καὶ ἀναρριπίζει τὰς ἐπιθυμίας, ὥσπερ ἐξ ὕλης νεαρᾶς ἀναπτομένας †περιφέρειν αἵματος, ἐξ ὧν μεταβαλλόμενον ἐπὶ πολλὰ ταῖς ὁρμαῖς τὸν νέον ‹ὁρῶμεν›. ὁ ‹δὲ› πρέσβυς τοῦ τε θερμοῦ προλιπόντος ἤδη, ᾧ τὸ ἐπιθυμητικὸν ἀνεζωπυρεῖτο, καὶ τῷ πνεύματι χαλῶν καὶ κατατετριμμένος τῷ σώματι περὶ τὰς ἡδονάς, ἀμβλὺ ταῖς ἐπιθυμίαις καὶ δυσκίνητον * * *

ΕΙ ΜΕΡΟΣ ΤΟ ΠΑΘΗΤΙΚΟΝ ΤΗΣ ΑΝΘΡΩΠΟΥ ΨΥΧΗΣ Η ΔΥΝΑΜΙΣ

[1] Περὶ τῆς παθητικῆς καὶ ἀλόγου ζωῆς, πότερα μέρος ἐστὶ τῆς ἀνθρώπου ψυχῆς ἢ δύναμις, ἐπισκεπτέον. ἐοίκασι γὰρ τῶν ἀρχαίων οἱ μὲν οὕτως, οἱ δ' ἐκείνως ἀποφηνάμενοι περὶ αὐτῆς. ἄξιον οὖν καὶ ἡμᾶς ἀπορήσαντας καὶ ἐπὶ ζήτησιν τραπομένους ταύτῃ δοξάσαι, ᾗπερ δὴ καὶ ζητοῦσι φανεῖται πιθανώτερον.

[2] Ὅσοι μὲν οὖν μέρος ἀποδιδόασιν αὐτήν, δόξαιεν ἂν οὐκ εἶναι λέγειν ἔμψυχα τὰ ἄλογα τῶν ζῴων οὐδὲ ψυχὴν ἔχοντα, ἀλλά τι μόριον ψυχῆς, εἴ γε τοῖς ἀλόγοις ἡ παθητικὴ μέν ἐστιν, ἡ λογικὴ δ' οὐδαμῶς· ὅσοι δ' αὖ δύναμιν, πρῶτον μὲν ἄτοπον ὅτι τῷ τόπῳ διαχωρίζουσιν ἀπὸ τῆς ἀντιδιαιρουμένης αὐτῇ δυνάμεως, τῆς λογικῆς· οὐ γὰρ διαιροῦνται ἀπ' ἀλλήλων αἱ δυνάμεις, ὅσαι τοῦ αὐτοῦ τυγχάνουσιν οὖσαι· ἔπειτα ‹ὅτι› καὶ συνυπάρχειν ποιοῦσι τἀναντία κατὰ ταὐτό. αἱ γὰρ δυνάμεις τοιαῦται ὥστε ἑκάστην, κἂν ὁποσαιοῦν ὦσι, περὶ ὅλον θεωρεῖσθαι τὸ ὑποκείμενον. τὸ δὲ λογικὸν καὶ τὸ ἄλογον οὐχ οὕτω περὶ ψυχήν· ἀποτέμνεσθαι γὰρ δοκεῖ τῆς ὅλης καὶ ποιεῖν αὐτὴν τὸ μὲν ἄλλο, τὸ δ' ἄλλο, καὶ τοῦτ' εἰκότως· ἐναντία γάρ· τὰ δ' ἐναντία καθ' ἓν καὶ τὸ αὐτὸ συνυπάρχειν ‹ἀδύνατον, ...› ἀληθές. οὐδὲν γὰρ ἴσως κωλύει καὶ τἀναντία συνυπάρξαι τὸν εἰρημένον τρόπον, ἐὰν δυνάμεις ὦσι καὶ μὴ ἐνέργειαι λαμβάνωνται. λογίζεσθαι μὲν γὰρ καὶ ἀλογιστεῖν ἢ ὑγιάζειν καὶ κακοῦν ‹ἅμ'› ἄμφω ἀδύνατον· ἡ μέντοι δύναμις τοῦ ‹ὑγιάζειν καὶ τοῦ› κακοῦν ἅμα περὶ τὸ αὐτό, ἥ ‹τε τοῦ λογίζεσθαι καὶ τοῦ› ἀλογιστεῖν περὶ τὴν ψυχὴν ἅμα, οὐ μέντοι καὶ αἱ κατὰ ταύτας ἐνέργειαι· καὶ πλείω δὴ τὸ αὐτὸ δύνασθαι οὐθὲν κωλύει, οἷον τὸ ἀληθεύειν τόν τε ἐπιστήμονα καὶ τὸν διαλεκτικόν· οὕτω δὴ καὶ ἀλογιστεῖν τήν τε τῶν ἀλόγων ζῴων ψυχὴν καὶ τὴν ἀνθρώπου, ἀλλὰ τὴν μὲν τῶν ἀλόγων ἐν τῷ εἶναι αὐτῆς τὸ ἀλογιστεῖν ἔχειν (διὸ καὶ ἀεὶ ἀλογιστεῖ καὶ οὐχ ὁτὲ μὲν τοῦτο, ὁτὲ δὲ τὸ ἐναντίον), τὴν δὲ τοῦ ἀνθρώπου τὸ μὲν ἀλογιστεῖν οὐκ ἐν τῷ εἶναι ἔχειν αὐτῆς (οὐ γὰρ ἂν καὶ ἐλογίζετο), τὸ δύνασθαι μέντοι ἀλογιστεῖν καὶ τὸ δύνασθαι λογίζεσθαι. ἐνεργεῖ δὲ κατ' ἄμφω· κατὰ λόγον μέν, ὁπηνίκ' ἂν βλέψῃ πρὸς τὴν ἑαυτῆς οὐσίαν, αὕτη δ' ἐστὶν ὁ ἐν αὐτῇ νοῦς, κατὰ δὲ τὴν ἀλογίαν, ὁπόταν νεύσῃ πρὸς τὰ ἔξω αὐτῆς, ταῦτα δ' ἐστὶ τὰ αἰσθητά. ἄλλο οὖν τὸ ἐν ἀνθρώπῳ ἄλογον, καὶ ἄλλο τὸ ἐν τοῖς ζῴοις· τὸ μὲν γὰρ ἐν τούτοις ψυχή, τὸ δ' ἐν ἀνθρώπῳ δύναμις· καὶ τοῦτ' ἂν εἴη τῆς τοῦ λογίζεσθαι δυνάμεως ἀχώριστον.

ὀρθῶς ἄρα καὶ Ἀριστοτέλης τὴν ἀνθρώπου ψυχὴν δύναμιν συναποκαλῶν, ὅτι ποτὲ μὲν λογίζεται, ποτὲ δ’ οὔ.

[3] Ὅταν οὖν μὴ λογίζηται, ἄλλο τι ἢ ἀλογιστεῖ; ἆρ’ οὖν ἡ κατὰ τὸ λογίζεσθαι δύναμις καὶ αὐτὸ ‹τὸ› λογίζεσθαι ψυχῆς ἐστι, καὶ ἐν χάρτῃ, χάρτης δ’ οὔ; ἀλλ’ εἰ τοῦτο, ἑτέρα ἔσται αὐτῆς ‹ἡ› οὐσία παρὰ τὸ ἔργον καὶ τὴν πρὸς τοῦτο δύναμιν, καὶ ἕξει τι ὑποκείμενον περὶ ὃ θεωρηθήσεται ἡ δύναμις αὐτῆς, καὶ ἔσται τὸ ὄνομα τοῦτο ‘ψυχή’ τὸ ὑποκείμενον μετὰ τῶν περὶ αὐτὸ θεωρουμένων δυνάμεων· καὶ ζωὴν ἕξει οὐ διὰ πάσης ἑαυτῆς· κατὰ γὰρ τὸ ὑποκείμενον ἄζωος ἔσται, τάχα δὲ καὶ παντάπασιν. οὐδεμία γὰρ αὐτῆς ἐν τῇ φύσει ἐνέργεια ζωτική, ἀλλὰ πάντα δύναμις. δυνάμει οὖν ἔσται ζῶσα.

[4] Ἢ τὸ δυνάμει τὸ καθ’ ἕξιν ῥητέον, ἵνα πὼς μὲν ἔχῃ ζωήν, πὼς δ’ οὐκ ἔχῃ; δύο γὰρ ζωαί, ἡ μὲν ὡς ἕξις, ἡ δ’ ὡς τὸ ἐνεργοῦν· καὶ ἡ μὲν ὡς ἕξις ‹ἡ› ψυχή, ἡ δ’ ὡς τὸ ἐνεργοῦν ὁ νοῦς. εἰ οὖν ἡ ὡς ἕξις ζωὴ ἡ ψυχή, ἁπλῆ ἂν εἴη χωρὶς ὑποκειμένου. τοιοῦτον γάρ τι τὴν ψυχὴν ὑπολαμβάνομεν, ὃ τὴν ζωὴν ἔχει σύμφυτον καὶ οὐ παρ’ ἄλλου, ἀλλὰ παρ’ αὑτῆς· σωμάτων γὰρ τὸ παρ’ ἄλλου τὴν ζωὴν μεταλαγχάνειν. εἰ δ’ ἦν τι σύνθετον ἡ ψυχή, ἐξ ὑποκειμένου καὶ εἴδους συγκειμένη, οὐκ ἂν ἔσχε παρ’ αὑτῆς, ἀλλὰ παρ’ ἄλλου τὴν ζωήν· παρὰ γὰρ τοῦ εἴδους, ὥσπερ καὶ τῷ πυρὶ τὸ θερμῷ εἶναι παρὰ τῆς θερμότητος καὶ οὐ παρὰ τῆς ὕλης. ἔπειτα κἂν σῶμα ἦν· τὸ γὰρ ἐξ ὑποκειμένου καὶ εἴδους συνεστηκὸς σῶμα.

[5] Δύναμις οὖν ζωτικὴ ἡ ψυχή, δύναμις δ’ ἡ ὡς ἕξις. διὰ τοῦτο καὶ ἐλευθέρα καὶ πρὸς τὰς ἐνεργείας ἀκώλυτος. ἔχουσα γὰρ ζωήν, μᾶλλον δ’ οὖσα ζωή, κινεῖται καθ’ ἑαυτὴν ὁπότε βούλεται. τοῦτο δὲ περὶ τῆς ἔξω σωμάτων ψυχῆς ὑποληπτέον· ἡ γὰρ κρατηθεῖσα σώματι καὶ τοῖς ἐκ τούτου πάθεσιν ἀπόλλυσι τὸ ἐλεύθερον, καὶ οὐχ ὁπότε βούλεται κινεῖσθαι ἐᾶται, ἀλλὰ δεδουλωμένη πέπαυται τῆς ἐνεργείας, καὶ εἴ τις ἐπὶ ψυχῆς ὄλεθρος εἴη, οὗτος ἂν εἴη· οἷον γὰρ ἀπόλλυται σβεννυμένης ἐν αὐτῇ τῆς κατὰ νοῦν ἐνεργείας. ἃ δὲ δοκεῖ ἐνέργειαν ἀποστρέφειν, ταῦτα παθήματα ἂν εἴη μᾶλλον, οὐκ ἐνεργήματα, καὶ οὐκ αὐτῆς ταῦτα, ἀλλὰ τοῦ ζῴου, κατ’ αὐτὴν μέντοι. τὸ γὰρ λογίζεσθαι καὶ θεωρεῖν μόνον αὐτῆς, καὶ τοῦθ’ ἡ κυρίως ἐνέργεια, τὰ δὲ παρὰ τοῦτο τοῦ ζῴου πάντα, καὶ πάθη μᾶλλον, οὐκ ἐνέργειαι.

[6] Ἀλλὰ πῶς, εἰ κατ’ αὐτὴν εὖ πάσχει τὰ ζῷα, οὐκ αὐτὴ παθητική; πάσχειν γὰρ κατὰ τὴν παθητικὴν εὔλογον ψυχὴν ὥσπερ καὶ ὑφαίνειν κατὰ τὴν ὑφαντικήν. ἢ τοῦτο μὲν ἀληθὲς καὶ διδόναι χρή, ἀπορητέον δὲ περὶ τῆς καλουμένης παθητικῆς καὶ περὶ τοῦ πάσχειν ὅλως, πῶς γίνεται, πότερα τῷ μὴ ἐνεργεῖν τὴν ψυχὴν κατὰ λόγον ἢ ἄλλως; εἰ[τε] γὰρ τῷ μὴ ἐνεργεῖν, οὐθέν ἐστι πάθος ἐπαινετόν. φαίνεται δ’ ‹ἐπαινετὰ› πάντα ὁπόσα μετρεῖται ὑπὸ τοῦ

λόγου, χρήσιμα ὄντα (ἀρετὰς γὰρ αὐτὰ καλοῦμεν πολιτικὰς καὶ ἐπαινοῦμεν τὸν ἔχοντα αὐτάς)· μετρεῖσθαι δ’ οὐκ ἂν ἠδύνατο μὴ ἐφορῶντος αὐτὰ ‹τοῦ› νοῦ καὶ ἐνδιδόντος αὐτοῖς ἀφ’ αὑτοῦ μέτρον καὶ ὅρον· τοῦτο δ’ οὐθὲν ἀλλ’ ἢ ἐνεργοῦντος περὶ αὐτά, ἐνεργεῖ τε οὖν ἅμα ὁ λόγος καὶ πάσχει τὸ ζῷον, καὶ τῷ αὐτῷ καὶ λογιζόμεθα ἅμα καὶ πάσχομεν· ἓν γὰρ εἶδος ἔχει. δυνάμεις δ’ ἦσαν πλείους, ἥ τε τοῦ ἐνεργεῖν καὶ μή; μᾶλλον δὲ μία δύναμις· τὸ γὰρ μὴ ἐνεργεῖν ἀδυναμίας ἂν εἴη, καθ’ ὃ καὶ ἀλογιστεῖν ἐλέγετο τὸ ζῷον.

[7] Ἀλλὰ τῇ τε ὑποθέσει ταύτῃ φαίνεται πλείω τὰ ἑπόμενα ἄτοπα, καὶ ἄλλως ἀποδοῦναι τὰ πάθη τοῖς ἀνθρώποις οὐκ εὔπορον. ἐπισκεπτέον δ’ ἔτι, πῶς ἔφαμεν ἐνεργεῖν τε ἅμα τὸν λόγον ‹καὶ πάσχειν τὸ ζῷον› καὶ εἶναι τὰ πάθη περὶ τὸ συναμφότερον. φαίνεται γὰρ οὐχ ἅμα ταῦτα γινόμενα ἄμφω, ‹ἀλλὰ› μεινάσης μὲν ἀργῆς τῆς διανοίας ἐπεισελθόντα τὰ πάθη περὶ τὸ συναμφότερον, ‹ἐγ›γενομένων δὲ τῶν παθῶν παρελθὼν αὖθις ὁ λόγος καὶ διακοσμήσας αὐτά. τίς οὖν ἡ καλουμένη παθητικὴ ψυχή; ἡ αὐτὴ ἥπερ καὶ ‹ἡ› λογιστική. πάθος γάρ τι αὐτῆς τὸ μὴ ἀπαύστως ἐνεργεῖν, καὶ παθητικὴ ὅτι θεωρεῖν ἀεί τε καὶ συνεχῶς ἀδύνατος. ὅταν οὖν μὴ θεωρῇ, πρὸς τὸ σῶμα ἐπέστραπται καὶ ἀπόστροφός ἐστι ‹τοῦ νοῦ›· τοῦ νοῦ δ’ οὖσα ἀπόστροφος ἀνοηταίνειν εἰκότως λέγοιτ’ ἂν καὶ οὐθὲν ὑγιὲς βλέπειν οὐδὲ κρίνειν ὀρθῶς, ἀλλὰ δοξάζειν τά τε μὴ ἀγαθὰ ‹ὡς ὄντα ἀγαθὰ› καὶ τοὐναντίον, ἐκ δὲ τῆς τοιαύτης δόξης καὶ κρίσεως ἀποτελεῖσθαι τὰ πάθη περὶ τὸ σύνθετον, σύνθετον δ’ ἔκ τε τοῦ σώματος καὶ τῆς ἐν αὐτῷ ζωῆς, ἣν ἐνδίδωσιν ἡ ψυχή. ἐνδίδωσι γὰρ ἅπασα δύναμίς τινα ἀφ’ αὑτῆς ἀπόρροιαν τῷ * * *

[14] Schol. in Arat. Phaen. 828:

ἀλλ’ οὐχ ὅππότε κοῖλος ἐειδόμενος περιτέλλῃ.

Αἱ ἐν τῷ ἡλίῳ κοιλότητες οὔκ εἰσιν αὐτοῦ, φαντασίαι δὲ εἰσὶ τῆς ὄψεως κατ’ ἐπιπρόσθεσιν ζοφεροῦ ἀέρος. οὐ γὰρ τὸ μέσον ὁρᾶται ἀλλ’ ἡ κύκλῳ ἁψίς· λαμπρὰ ‹δὲ› οὖσα δοκεῖ περιφέγγειν καὶ εἰς τὸ ἐκλιπὲς ἔμφασιν κοιλότητος παρέχειν. ὃν τρόπον γὰρ οἱ ζῳγράφοι ἀντρώδεις τόπους γράφοντες φωτὶ τραχύνουσι τὴν ὄψιν, ἅτε τῇ φύσει τοῦ μὲν λαμπροῦ προβάλλοντος ἔξω καὶ διωθοῦντος τὴν φαντασίαν τοῦ δὲ μέλανος ὑποσκιάζειν καὶ βαθύνεσθαι δοκοῦντος, οὕτω καὶ περὶ τὸν ἥλιον τὸ [μὴ] φαινόμενον τῇ ὄψει κατὰ ἀντίφραξιν τοῦ ἀέρος, ἡ ἐκκοπὴ τοῦ μέσου λαμπροῦ, διὰ τὴν σκιὰν ὑποφαίνεται.

Ὃ ὅλην ποιεῖ τὴν ἀντίφραξιν· ὁ ἀὴρ σφόδρα πιληθεὶς καὶ παχὺς ζοφωθεὶς διὰ χειμέριον τὸ ζῴδιον. Πλούταρχος.

[15] Schol. in Arat. Phaen. 829-830:

οὐδ’ ὁπότ’ ἀκτίνων αἱ μὲν νότον αἱ δὲ βορῆα σχιζόμεναι βάλλωσι, τὰ δ’ αὖ περὶ μέσσα φαείνῃ.

Ὥσπερ ἐπὶ τῶν ὀφθαλμικῶν, ὅταν συμβαίνῃ κοιλαίνεσθαι τοὺς ὀφθαλμούς, δηλονότι ἐξασθενήσαντος τοῦ σώματος, ἢ ὥσπερ ὅταν βλέφαρον καταγαγόντες ἢ περιθλίψαντες τῷ λύχνῳ τὴν ὄψιν προσβάλλωμεν, οὐ φαίνεται συνεχὲς τὸ φῶς ἀλλὰ πλάγιαι καὶ σποράδες αἱ αὐγαί· οὕτως ὅταν ἀχλὺς ἢ νέφωσις ἀνώμαλος πρὸ τοῦ ἡλίου στᾶσα περιθλίψῃ καὶ σείσῃ τὸν τῆς ὄψεως κῶνον εἰς λεπτὰς ἀκτῖνας καὶ ῥαβδοειδεῖς, ὃ πάσχομεν αὐτοὶ τῇ αἰσθήσει, τοῦτο περὶ τὸν ἥλιον εἶναι δοκοῦμεν. οὕτω Πλούταρχος.

[16] Schol. in Arat. Phaen. 1033-1036:

μηδ’ ὅτε ...

ἢ πῦρ αὔηται σπουδῇ καὶ ὑπεύδια λύχνα,

πιστεύειν χειμῶνι.

Τὰ καυστὰ βραδέως ἐξάπτεται παχυμεροῦς τοὺς πόρους ἐπιφράττοντος τοῦ ἀέρος· διόπερ οἱ τὰς δᾷδας ἅπτοντες προτρίβουσιν ἐν τῇ τέφρᾳ, ἵνα ἀποκρουσθῇ εἴ τι ἔνικμον [ᾖ] καὶ τὸ πῦρ τῆς ὕλης μᾶλλον ἅψηται. οὕτω Πλούταρχος.

[17] Schol. in Arat. Phaen. 1047:

πρῖνοι μὲν θαμινῆς ἀκύλου κατὰ μέτρον ἔχουσαι

Κατὰ μέτρον δὲ ἔχουσαι ἀντὶ τοῦ συμμέτρως ἔχουσαι τῶν καρπῶν. φησὶν οὖν ὁ Θεόφραστος ὅτι ὁ πρῖνος καὶ ἡ σχῖνος αὐχμηρὰ τῇ κράσει καὶ ξηρότερα τῶν ἄλλων πεφυκότα πολὺν καρπὸν οὐ φέρει, ἐὰν μὴ εἰς βάθος ὑγρανθῇ. εἰκότως οὖν τῇ τούτων ἀφορίᾳ καταμαντεύονται περὶ τῶν σπερμάτων οἱ γεωργοί, μιᾶς αἰτίας οὔσης δι᾽ ἣν ἀμφοτέροις ἡ πολυκαρπία· εἰ δ᾽ ὑπερβάλλει τοῦ καρποῦ τὸ πλῆθος, οὐκ ἀγαθὸν σημεῖον· ἄμετρον γὰρ ἐπομβρίαν καὶ πλεονασμὸν ὑγρότητος ἡ περὶ τὸν ἀέρα ἄνεσις καὶ θηλύτης δηλοῖ. οὕτω Πλούταρχος.

[18] Schol. in Arat. Phaen. 1051-1052:

τριπλόα δὲ σχῖνος κυέει, τρισσαὶ δέ τε αὖξαι,

γίνονται καρποῖο, φέρει δέ τε σήμαθ᾽ ἑκάστη

Ὅσα γὰρ τὴν σχῖνον ἐκ τοῦ ἀέρος ὠφελεῖ, ταῦτα καὶ τὸν σῖτον· ὁμοίως καὶ τὰ βλάπτοντα. δείγματα οὖν τῶν σπόρων ὁ πρῶτος ἐν τῇ σχίνῳ ἐστὶ τῶν πρώτων, καὶ τῶν μέσων ὁ μέσος, καὶ ὁ τρίτος τῶν τελευταίων. οὕτω Πλούταρχος.

[19] Schol. in Arat. Phaen. 1057-1058:

ὅντινα γὰρ κάλλιστα λοχαίη σχῖνος ἄρηται,

κείνῳ γ᾽ ἐξ ἄλλων ἄροσις πολυλήιος εἴη.

Οὐ μόνον ἐν τοῖς ζῴοις συμπάθειά ἐστι, ἀλλὰ καὶ ἐν τοῖς φυτοῖς. ὁσαοῦν κεκραμένην ὑγρότητι ἢ ψυχρότητι παραπλησίως ἔχει τὴν ἕξιν [ἢ] τρέφεται ἀπὸ τῶν ὁμοίων καὶ τοῖς αὐτοῖς εὐθηνεῖ καὶ μαραίνεται. διὸ πολλὰ μετ᾽ ἀλλήλων συνακμάζει καὶ καρποφορεῖ, τὰ μὲν θέρει τὰ δὲ χειμῶνι τινὰ δὲ καὶ ἔαρι. τῶν μὲν οὖν αἱ κράσεις διάφοροι, τῶν δ᾽ ὅμοιαι καὶ συγγενεῖς σφόδρα· τῶν οὖν τὴν ὁμοίαν κρᾶσιν ἐχόντων εἰσὶ πρῖνος, σχῖνος, σκίλλα, πυρός. οὕτω Πλούταρχος.

[20] Schol. in Arat. Phaen. 1094-1096:

οὐδὲ μὲν ὀρνίθων ἀγέλαις ἠπειρόθεν ἀνήρ,

ἐκ νήσων ὅτε πολλαὶ ἐπιπλήσσωσιν ἀρούραις

ἐρχομένου θέρεος, χαίρει ...

Ξηρότεραι γὰρ αἱ νῆσοι τῶν ἠπείρων ὑπάρχουσαι, ὥς φησι Πλούταρχος, θᾶττον καὶ ῥᾷον τοῦ αὐχμηροῦ καταστήματος ἀντιλαμβάνονται. διὸ καὶ τὰ

ὄρνεα φεύγει καὶ ταῖς ἠπείροις ἐπιπελάζει· καὶ ἄχθεται μὲν ὁ γεωργὸς τῇ τῶν ὀρνίθων ἐπιδημίᾳ τὸν αὐχμὸν ὑποπτεύων, χαίρει δὲ ταῖς αὐταῖς ὄρνισιν ὁ αἰπόλος, ὅταν ἐν κόσμῳ καὶ τεταγμέναι φέρωνται, ὡς πλείονος γάλακτος γενησομένου διὰ τὸ ἔνθερμον εἶναι τὸν ἐνιαυτόν.

ΕΙΣ ΤΑ ΗΣΙΟΔΟΥ ΕΡΓΑ

[25] Schol. in Hesiodi OD 7:

ῥεῖα δέ τ’ ἰθύνει σκολιὸν καὶ ἀγήνορα κάρφει

Τὸν ποικίλον τὸ ἦθος διὰ πανουργίαν ‘σκολιὸν’ ὀνομάζει. τοῦτον οὖν ἰθύνειν λέγει τὸν Δία, πάλιν εἰς τὸ ἁπλοῦν ἐπανάγοντα ἦθος διὰ τὸ κολάζειν αὐτὸν ἐπὶ τῇ πανουργίᾳ. τὸν αὐθάδη καὶ ὑπερόπτην εὐτελῆ ποιεῖ καὶ ταπεινόν. ἡ γὰρ αὐθάδεια πρὸς καταφρόνησιν ἐγείρει τῶν ἄλλων ἁπάντων, ἡ δὲ ταπείνωσις εἰς ἔννοιαν ἄγει τοῦ μηδὲν ἡμᾶς διαφέρειν τῶν ὁμοίων καὶ μετρίους ποιεῖ τὸ ἦθος.

οὐδ’ ὅσον ἐν μαλάχῃ τε καὶ ἀσφοδέλῳ μέγ’ ὄνειαρ.

Ἴσως δὲ καὶ ἀφ’ ἱστορίας τοῦτο λέγει. Ἕρμιππος γὰρ ἐν τῷ ‹Περὶ› τῶν ἑπτὰ σοφῶν περὶ τῆς ἀλίμου βρώσεως λέγει (F. H. G. III. 37, 40). [μέμνηται δὲ τῆς ἀλίμου καὶ Ἡρόδωρος ἐν τῷ πέμπτῳ τοῦ καθ’ Ἡρακλέα λόγου (F. Gr. Hist. I. 31 F 1) καὶ Πλάτων ἐν ‹τῷ› τρίτῳ τῶν Νόμων (677DE)]. Ὅτι δὲ ἄργυρος ἰοῦ δεκτικός, ὡς καὶ διίησιν ἔξω τεγγόμενος ὑπὸ τῶν ὑγρῶν τὴν θερμότητα καὶ ψυχρότητα παντὸς μᾶλλον κεράμου καὶ χαλκοῦ, δῆλον. ψύχεται γὰρ τὸ ὕδωρ ἐν αὐτῷ ῥᾳδίως καὶ θερμαίνεται περιτιθεμένων ψυχρῶν ἢ θερμῶν, ὥστε διὰ τῶν πόρων τούτων καὶ ἰὸν δέχεσθαι, τοῦ χρυσοῦ πυκνοτάτου ὄντος.

[30] Ibid. in OD 143-145:

Τουτέστι τὸ τῶν κακῶν ἔσχατον. ἀναιδείας γὰρ κρατησάσης καὶ φθόνου τῶν ἀνθρώπων, πάντῃ τὸ γένος ἡμῶν ἀπολιπεῖν αἰδῶ καὶ νέμεσιν· τούτων γὰρ ἀπόπτωσίς ἐστιν ἡ ἀναίδεια καὶ ὁ φθόνος, ἀλλ' οὗτος μὲν εἴδωλον ὢν

[32] Ibid. in OD 214-215:

ὕβρις γάρ τε κακὴ δειλῷ βροτῷ· οὐδέ μιν ἐσθλὸς

Λέγει δὲ ἐσθλοὺς οὐ τοὺς τῇ τύχῃ καὶ τῇ δυνάμει προέχοντας, ὥς φησι Πλούταρχος, ἀλλὰ τοὺς κατ’ ἀρετὴν προέχοντας, ἐκ τούτου μᾶλλον δεικνὺς τὴν ὕβριν ἀφόρητον. οἱ μὲν γὰρ ἐν δυνάμει καὶ σφόδρα δυσχεραίνουσιν ἐπὶ ταῖς ἐκ τῶν ἀσθενεστέρων εἰς αὐτοὺς ὕβρεσιν· οἱ δὲ κατ’ ἀρετὴν ζῶντες καὶ ταύτας τὰς ὕβρεις διαπτύουσιν. οὐδὲ γὰρ χείρων ἐγώ, φησὶν ὁ Σωκράτης, ἂν ὁ δεῖνα ἐπὶ κόρρης πατάξῃ με ἀδίκως.

[33] Ibid. in OD 219:

αὐτίκα γὰρ τρέχει ὅρκος ἅμα σκολιῇσι δίκῃσιν.

Σκολιὰς δὲ δίκας λέγει νῦν τὰς κακῶς δεδικασμένας διὰ τὸ μηδὲν ὑγιὲς φρονεῖν τοὺς δικάζοντας ἀλλ’ ἐμπαθῶς δικάζειν· πᾶν γὰρ πάθος σκολιόν, ὡς ἁπλοῦν τὸ ἀπαθές.

Τοῦτο δοκεῖ μὲν οὐκ εἶναι κατὰ δίκην, τὸ ἑνὸς ἕνεκα πονηροῦ πόλιν ὅλην διδόναι ποινήν. δύναται δὲ λέγειν ὅτι μοχθηροῦ ἑνὸς ὄντος ὥσπερ νοσήματος ἡ πόλις παραπολαύουσα πολλάκις εἰς ὅλην ἑαυτὴν ἀναμάττεται τὴν πονηρίαν ἐξομοιουμένη τῷ ἑνί . δύναται δὲ κἀκεῖνο σημαίνειν ὅτι ἑνὸς ὄντος πονηροῦ δίδωσιν ἡ πᾶσα πόλις δίκην, ὡς ἐξὸν κωλύειν μὴ κωλύουσα τὴν τοῦ ἑνὸς πονηρίαν. οὕτω καὶ τοῦ Ἀγαμέμνονος αὐθαδῶς τῷ ἱερεῖ προσενεχθέντος, εἰς πάντας Ἕλληνας διέτεινεν ὁ λοιμός, ὡς παρέντας βοηθῆσαι τῷ ἱερεῖ· καὶ τοῦ Αἴαντος ἀσεβήσαντος περὶ τὸ τῆς Ἀθηνᾶς ἱερόν, πάντες ἔνοχοι τῇ δίκῃ γεγόνασιν, ὡς μὴ ἀγανακτήσαντες ἐπὶ τῷ ἀσεβήματι. δεῖ γὰρ μὴ ἐπιτρέπειν τοῖς ὑβρισταῖς μηδὲ συνεπινεύειν τοῖς ἀδίκοις, δυναμένους μὲν παῦσαι περιορῶντας δὲ τοῦ παῦσαι τὴν ἐξουσίαν τῶν πονηρῶν.

'πάντα ἰδὼν Διὸς ὀφθαλμὸς ...'

ἕως τοῦ

'ἀλλὰ τά γ' οὔπω ἔολπα τελεῖν Δία μητιόεντα',

τοῦ δέ τ' ἀμαυροτέρη γενεὴ μετόπισθε λέλειπται.

Τὰ γὰρ τῶν πατέρων ἀδικήματα χραίνει καὶ τοὺς ἐκγόνους αὐτῶν καὶ ἐνόχους ἀποφαίνει ταῖς τιμωρίαις· καὶ γὰρ ὀνείδη καὶ ἀδοξίαι αὐτοῖς ἐκ τῶν ἀδικιῶν συμβαίνουσι, καὶ τίσεις ἐκ τῶν ἁμαρτημάτων ἀπολαμβάνοντες, ὧν ἔσχον ἀδικήσαντες οἱ πατέρες αὐτῶν, συναπολαύουσι τῶν ὀφειλομένων ἐκείνοις κολάσεων . ἄλλως δὲ γινώσκει τὸ θεῖον ὡς τοῖς ἤθεσιν αὐτῶν ἐμπέφυκέ τι τῆς ἀδίκου τῶν γεννησάντων προαιρέσεως κἂν ἡμᾶς λανθάνωσι, καὶ εἰκότως ταύτην ἐν αὐτοῖς ὁρῶντες τὴν ῥίζαν ἐκκόπτουσι διὰ τῶν τιμωριῶν καὶ τοῦ μὴ ἐνεργῆσαι κωλύουσιν ὡς ἰατροὶ προκαθαίροντές τινας ὧν ὑφορῶνται νόσους.

Id etiam, inquit, multo mirandum est magis, quod apud Plutarchum in quarto in Hesiodum commentario legi: ‘cepetum revirescit et congerminat decedente luna, contra autem inarescit adulescente; eam causam esse dicunt sacerdotes Aegyptii cur Pelusiotae cepe non edint, quia solum olerum omnium contra lunae augmenta atque damna vices minuendi et augendi habeat contrarias.’

Καλῶς ἐπέστησεν ὁ Πλούταρχος ὅτι τὸ σπεῖραι καὶ τὸ φυτεῦσαι οὐχ ὑπὸ τῶν αὐτῶν ἔοικεν ὠφελεῖσθαι. τὸ μὲν γὰρ σπέρμα δεῖ καταβληθὲν κρυφθῆναι πρῶτον εἴσω τῆς γῆς καὶ σαπῆναι, καὶ οὕτως ἑαυτοῦ διαδοῦναι τὴν δύναμιν εἰς τὴν περικρύψασαν αὐτὸ γῆν, ἵν’ ἐξ ἑνὸς πυροῦ τυχὸν ἢ κριθῆς γένηται πλῆθος. διὸ καὶ ὑετοῦ δεῖσθαι καὶ πάχνης αὐτό φασι τὴν ἀρχὴν πιεζόντων ἔσω καὶ χεόντων τὰς ἐν αὐτῷ φυσικὰς δυνάμεις. τὸ δὲ φυτὸν ῥιζωθὲν βλαστῆσαι χρὴ καὶ ἀναδοῦναι τὸν ἐν τῇ ῥίζῃ κρυπτόμενον λόγον, οἷον διοιχθείσῃ διὰ φωτός· ὥστ’ εἰκότως τὴν τρισκαιδεκάτην πρὸς μὲν τὸ σπείρειν ἀνεπιτήδειον εἶναι, πρὸς δὲ τὸ φυτεύειν ἐπιτηδείαν· διὸ καὶ τὸ ‘ἐνθρέψασθαι’ οἰκείως ἔχει πρὸς τὴν φυτείαν· τὸ γὰρ προκαλέσασθαι τὸν ῥιζικὸν λόγον καὶ εἰς ἐπίδοσιν ἄγειν καὶ βλάστην ἐσήμηνε διὰ τοῦ ὀνόματος, πρὸς ἃ συντελεῖ πλεῖον ὂν τὸ ἐκ τῆς σελήνης ἐν ταύτῃ φῶς.

Τὴν ἑκκαιδεκάτην μέσην ἕκτην εἰπὼν ὠφέλιμον εἶναι τοῖς φυτοῖς φησιν δι’ ἣν εἴπομεν αἰτίαν· τὸ γὰρ φῶς θερμὸν ὂν τὸ σεληναῖον καὶ ὑγρὸν προκαλεῖται τὴν βλάστην αὐτῶν. τῶν δὲ ἀνθρώπων ἄρρεσι μὲν σπέρμασι σύμφορον θήλεσι δὲ ἀσύμφορον· αἴτιον δὲ τούτων ὅτι τὸ μέν ἐστι ξηρότερον τὸ δ’ ὑγρότερον τῶν σπερμάτων, οἷς καὶ αὐτὸ τὸ ἄρρεν διαφέρει τοῦ θήλεος· καὶ διὰ ταῦτά φασι καὶ τὰς συλλήψεις τὰς μὲν βορείων πνευμάτων ὄντων γινομένας εἶναι ἀρρενογόνους τὰς δὲ νοτίων θηλυγόνους. καὶ μέντοι καὶ τὰς διαθρώσεις τῶν θηλέων ἐμβρύων βραδυτέρας γίνεσθαι ἢ τῶν ἀρρένων διὰ τὸ πλῆθος ἐκεῖ τῆς ὑγρότητος, μὴ ῥᾳδίως κρατουμένης ὑπὸ τῆς δημιουργούσης ἐν τῇ θερμότητι φύσεως. φυσικῶς οὖν εἴρηται τὴν ἑκκαιδεκάτην ἀρρενογόνον μὲν ἄριστον εἶναι θήλεσι δὲ ἀσύμφορον· ἔχει δέ τινα καὶ πρὸς γάμους ἐναντίωσιν, τῆς σελήνης πάμπολυ τοῦ ἡλίου διεστώσης. διὸ καὶ Ἀθηναῖοι τὰς πρὸς σύνοδον ἡμέρας ἐξελέγοντο πρὸς γάμους καὶ τὰ Θεογάμια ἐτέλουν τότε, φυσικῶς εἶναι πρῶτον οἰόμενοι γάμον τὴν σελήνης πρὸς ἥλιον σύνοδον.

ΚΑΤΑ ΠΛΟΥΤΟΥ

v. ΠΕΡΙ ΠΛΟΥΤΟΥ

ΟΜΗΡΙΚΑΙ ΜΕΛΕΤΑΙ

[122] Aulus Gellius 4.11. Plutarchus quoque, homo in disciplinis gravi auctoritate, in primo librorum quos de Homero composuit Aristotelem philosophum scripsit eadem ipsa de Pythagoricis scripsisse, quod non abstinuerint edundis animalibus, nisi pauca carne quadam. verba ipsa Plutarchi, quoniam res inopinata est, subscripsi: Ἀριστοτέλης δὲ μήτρας καὶ καρδίας καὶ ἀκαλήφης καὶ τοιούτων τινῶν ἄλλων ἀπέχεσθαί φησιν τοὺς Πυθαγορικούς, χρῆσθαι δὲ τοῖς ἄλλοις.

[123] Idem 2.8. Plutarchus secundo librorum, quos de Homero composuit, imperfecte atque praepostere atque inscite syllogismo esse usum Epicurum dicit verbaque ipsa Epicuri ponit: ὁ θάνατος οὐδὲν πρὸς ἡμᾶς· τὸ γὰρ διαλυθὲν ἀναισθητεῖ, τὸ δὲ ἀναισθητοῦν οὐδὲν πρὸς ἡμᾶς. 'nam praetermisit' inquit 'quod in prima parte sumere debuit, τὸν θάνατον εἶναι ψυχῆς καὶ σώματος διάλυσιν· tunc deinde eodem ipso, quod omiserat, quasi posito concessoque ad confirmandum aliud utitur. progredi autem hic' inquit 'syllogismus, nisi illo prius posito, non potest.'

[124] Idem 2.9. In eodem libro idem Plutarchus eundem Epicurum reprehendit, quod verbo usus sit parum proprio et alienae significationis. ita enim scripsit Epicurus: ὅρος τοῦ μεγέθους τῶν ἡδονῶν ἡ παντὸς τοῦ ἀλγοῦντος ὑπεξαίρεσις. 'non' inquit 'παντὸς τοῦ ἀλγοῦντος sed παντὸς τοῦ ἀλγεινοῦ dicere oportuit. detractio enim significanda est doloris' inquit 'non dolentis'.

Ἐν οἷς ἐγὼ μὲν ἐκπλήττομαι τῇ μεγαλοψυχίᾳ τοῦ Χρυσίππου· δέον γὰρ ὡς ἄνθρωπον ἀνεγνωκότα τοσούτους ποιητὰς καὶ γινώσκοντα σαφῶς ἅπασι τοῖς δόγμασιν αὐτοῦ μαρτυροῦντας ἄλλοτε κατ’ ἄλλα τῶν ἐπῶν, ὥσπερ καὶ Πλούταρχος ἐπέδειξεν ἐν τοῖς τῶν Ὁμηρικῶν μελετῶν, ἐκλέγειν μὲν ἐξ αὐτῶν ὅσα μαρτυρεῖ τῷ σπουδαζομένῳ πρὸς αὐτοῦ δόγματι ...

ΠΕΡΙ ΕΡΩΤΟΣ

[134] Stobaeus 4.20.34 (4 p. 444 H.). Πλουτάρχου ἐκ τοῦ Περὶ ἔρωτος.

Τῶν Μενάνδρου δραμάτων ὁμαλῶς ἁπάντων ἓν συνεκτικόν ἐστιν, ὁ ἔρως, οἷον πνεῦμα κοινὸν διαπεφοιτηκώς. ὄντ’ οὖν μάλιστα θιασώτην τοῦ θεοῦ καὶ ὀργιαστὴν τὸν ἄνδρα συμπαραλαμβάνωμεν εἰς τὴν ζήτησιν, ἐπεὶ καὶ λελάληκε περὶ τοῦ πάθους φιλοσοφώτερον. ἄξιον γὰρ εἶναι θαύματος φήσας τὸ περὶ τοὺς ἐρῶντας, ὥσπερ ἔστιν, †ἅμα λαλεῖ, εἶτ’ ἀπορεῖ καὶ ζητεῖ πρὸς ἑαυτόν (fr. 568),

‘τίνι δεδούλωνταί ποτε;

ὄψει; φλύαρος· τῆς γὰρ αὐτῆς πάντες ἂν ἤρων· κρίσιν γὰρ τὸ βλέπειν ἴσην ἔχει.

ἀλλ’ ἡδονή τις τοὺς ἐρῶντας ἐπάγεται

συνουσίας; πῶς οὖν ἕτερος ταύτην ἔχων
οὐδὲν πέπονθεν, ἀλλ' ἀπῆλθε καταγελῶν,
ἕτερος ‹δ'› ἀπόλωλε; καιρός ἐστιν ἡ νόσος
ψυχῆς· ὁ πληγεὶς δ' †εἴσω δὴ τιτρώσκεται.'

ταῦτα τίν' ἐστὶ σκεψώμεθα· καὶ γὰρ ἔχει τι κρουστικὸν καὶ κινητικὸν αἴτιον ‹ὁ ἔρως, εἰ καὶ μήτε τὴν ὄψιν› μήτε τὴν συνουσίαν αἰτίαν εἶναι πιθανόν ἐστι· ἀρχαὶ γὰρ αὗταί τινες ἴσως, ἡ δ' ἰσχὺς καὶ ῥίζωσις τοῦ πάθους ἐν ἑτέροις. ἡ δ' ἀπόδειξις ἐλαφρὰ καὶ οὐδ' ἀληθής· οὐ γὰρ ἔχει κρίσιν ‹ἴσην› τὸ βλέπειν, ὥσπερ οὐδὲ τὸ γεύεσθαι. καὶ γὰρ ὄψις ὄψεως καὶ ἀκοῆς ἀκοὴ φύσει τε μᾶλλον διήρθρωται καὶ τέχνῃ συγγεγύμνασται πρὸς τὴν τοῦ καλοῦ διάγνωσιν, ἐν μὲν ἁρμονίαις καὶ μέλεσιν αἱ τῶν μουσικῶν ἐν δὲ μορφαῖς καὶ ἰδέαις αἱ τῶν ζῳγράφων· ὥσπερ εἰπεῖν ποτε Νικόμαχον λέγουσι πρὸς ἄνθρωπον ἰδιώτην φήσαντα μὴ καλὴν αὐτῷ φανῆναι τὴν Ζεύξιδος Ἑλένην· 'λάβε γάρ' ἔφη 'τοὺς ἐμοὺς ὀφθαλμούς, καὶ θεός σοι φανήσεται'. πολὺ δὲ καὶ μυρεψοὶ περὶ τὰ ὀσφραντὰ καὶ νὴ Δί' ὀψοποιοὶ περὶ τὰ γευστὰ διατριβῇ καὶ συνηθείᾳ διαφέρουσαν ἡμῶν κρίσιν ἔχουσι. πάλιν δὲ τὸ συνουσίᾳ τὸν ἐρῶντα μὴ κρατεῖσθαι, διὰ τὸ τῇ αὐτῇ συγγενόμενον ἄλλον ἀπαλλαγῆναι καὶ καταφρονῆσαι, τοιοῦτόν ἐστιν, οἷον εἰ λέγοι τις μηδὲ χυμῶν ἡδονῇ δεδουλῶσθαι Φιλόξενον τὸν ὀψοφάγον, ὅτι τῶν αὐτῶν Ἀντισθένης γευσάμενος οὐδὲν ἔπαθε τοιοῦτον· μηδ' ὑπὸ οἴνου μεθύειν Ἀλκιβιάδην, ὅτι Σωκράτης πίνων τὸν ἴσον οἶνον ἔνηφεν.

Ἀλλὰ ταῦτα μὲν ἐάσωμεν, τὰ δ' ἐφεξῆς, ἐν οἷς ἤδη τὴν αὑτοῦ δόξαν ἀποφαίνεται, σκοπῶμεν. 'καιρός ἐστιν ἡ νόσος ψυχῆς.' εὖ καὶ ὀρθῶς. δεῖ γὰρ ἅμα τοῦ πάσχοντος εἰς ταὐτὸ καὶ τοῦ ποιοῦντος ἀπάντησιν γενέσθαι, πρὸς ἄλληλά πως ἐχόντων· ὡς ἄκυρον εἰς τὴν τοῦ τέλους ἀπεργασίαν ἡ δραστικὴ δύναμις, ἂν μὴ παθητικὴ διάθεσις ᾖ. τοῦτο δ' εὐστοχίας ἐστὶ καιροῦ τῷ παθεῖν ἑτοίμῳ συνάπτοντος ἐν ἀκμῇ τὸ ποιεῖν πεφυκός.

[135] Stobaeus 4.20.67 (4 p. 468 H.). ἐκ τῶν Πλουτάρχου Ὅτι οὐ κρίσις ὁ ἔρως.

Οἱ μὲν γὰρ νόσον τὸν ἔρωτα οἱ δ' ἐπιθυμίαν ‹οἱ δὲ φιλίαν› οἱ δὲ μανίαν οἱ δὲ θεῖόν τι κίνημα τῆς ψυχῆς καὶ δαιμόνιον, οἱ δ' ἄντικρυς θεὸν ἀναγορεύουσιν. ὅθεν ὀρθῶς ἐνίοις ἔδοξε τὸ μὲν ἀρχόμενον ἐπιθυμίαν εἶναι τὸ δ' ὑπερβάλλον μανίαν τὸ δ' ἀντίστροφον φιλίαν τὸ δὲ ταπεινότερον ἀρρωστίαν τὸ δ' εὐημεροῦν ἐνθουσιασμόν. διὸ καὶ πυρφόρον αὐτὸν οἵ τε ποιηταὶ λέγουσιν οἵ τε πλάσται καὶ γραφεῖς δημιουργοῦσιν, ὅτι καὶ τοῦ πυρὸς τὸ μὲν λαμπρὸν ἥδιστόν ἐστιν τὸ δὲ καυστικὸν ἀλγεινότατον.

[136] Stobaeus 4.20.68 (4 p. 469 H.). ἐν ταὐτῷ.

Ὥσπερ γὰρ τοὺς φίλους ὑγιαίνοντας μέν, ἂν πλημμελῶσιν, ἐξελέγχειν καὶ νουθετεῖν κράτιστόν ἐστιν, ἐν δὲ ταῖς παρακοπαῖς καὶ τοῖς φρενιτισμοῖς εἰώθαμεν μὴ διαμάχεσθαι μηδ’ ἀντιτείνειν ἀλλὰ καὶ συμπεριφέρεσθαι καὶ συνεπινεύειν· οὕτω τοὺς δι’ ὀργὴν ἢ πλεονεξίαν ἁμαρτάνοντας ἀνακόπτειν τῇ παρρησίᾳ δεῖ καὶ κωλύειν, τοῖς δ’ ἐρῶσιν ὥσπερ νοσοῦσι συγγνώμην ἔχειν. διὸ κράτιστον μὲν ἐξ ἀρχῆς τοιούτου πάθους σπέρμα μὴ παραδέχεσθαι μηδ’ ἀρχήν· ἂν δ’ ἐγγένηται, ἴθι ἐπὶ ἀποτροπαίων βωμοὺς θεῶν κατὰ τὸν Πλάτωνα (Legg. 854b), ἴθι ἐπὶ τὰς τῶν σοφῶν ἀνδρῶν συνουσίας, ἐξέλασον αὐτοῦ τὸ θηρίον πρὶν ὄνυχας φῦσαι καὶ ὀδόντας· εἰ δὲ μή, μαχέσῃ τελείῳ κακῷ, τὸ παιδίον τοῦτο καὶ νήπιον ἐναγκαλιζόμενος. τίνες δ’ εἰσὶν οἱ τοῦ ἔρωτος ὄνυχες καὶ ὀδόντες; ὑποψία, ζηλοτυπία. ἀλλ’ ἔχει τι πιθανὸν καὶ ἀνθηρόν. ἀμέλει καὶ ‹ἡ› Σφὶγξ εἶχεν ἐπαγωγὸν τὸ ποίκιλμα τοῦ πτεροῦ, καὶ

‘εἰ μὲν πρὸς αὐγὰς ἡλίου, χρυσωπὸν ἦν
νώτισμα θηρός· εἰ δὲ πρὸς νέφη βάλοι,
κυανωπὸν ὥς τις Ἶρις ἀντηύγει σέλας’.

οὕτω δὴ καὶ ὁ ἔρως ἔχει τι χάριεν καὶ οὐκ ἄμουσον ἀλλ’ αἱμύλον καὶ ἐπιτερπές· ἁρπάζει δὲ καὶ βίους καὶ οἴκους καὶ γάμους καὶ ἡγεμονίας, οὐκ αἰνίγματα προβάλλων ἀλλ’ αὐτὸς αἴνιγμα δυσεύρετον ὢν καὶ δύσλυτον, εἰ βούλοιτό τις προτείνειν τί μισεῖ καὶ φιλεῖ, τί φεύγει καὶ διώκει, τί ἀπειλεῖ καὶ ἱκετεύει, τί ὀργίζεται καὶ ἐλεεῖ, ‹τί› βούλεται παύσασθαι καὶ οὐ βούλεται, τί χαίρει τῷ αὐτῷ μάλιστα καὶ ἀνιᾶται, †τοῦτο λῦσαι καὶ θεραπεῦσαι. τῆς μὲν γὰρ Σφιγγὸς τὸ αἴνιγμα τὰ πλεῖστα καὶ πεπλασμένα ἔχει· οὔτε γὰρ τρίπους ὁ γέρων ἀληθῶς, εἴ ‹τι› προσείληφε τοῖς ποσὶ βοηθεῖν, οὔτε τετράπους ὁ νήπιος, ἐπεὶ ταῖς χερσὶν ὑπερείδει τὴν τῶν βάσεων ὑγρότητα καὶ ἀσθένειαν. τὰ δὲ τῶν ἐρώντων πάθη ἀληθῆ· στέργουσιν, ἐχθραίνουσι· τὸν αὐτὸν ποθοῦσιν ἀπόντα, τρέμουσι παρόντος· κολακεύουσι, λοιδοροῦσι, προαποθνῄσκουσι, φονεύουσιν, εὔχονται μὴ φιλεῖν, καὶ παύσασθαι φιλοῦντες οὐ θέλουσι· σωφρονίζουσι καὶ πειρῶσι, παιδεύουσι καὶ διαφθείρουσιν, ἄρχειν θέλουσι καὶ δουλεύειν ὑπομένουσι. τοῦτ’ αἴτιον γέγονε μάλιστα τοῦ μανίαν ὑποληφθῆναι τὸ πάθος·

‘ἤρων· τὸ μαίνεσθαι δ’ ἄρ’ ἦν ἔρως βροτοῖς’

ἐρωτικὸς ἀνὴρ Εὐριπίδης φησίν.

[137] Stobaeus 4.20.69 (4 p. 470 H.). τοῦ αὐτοῦ Περὶ ἔρωτος.

Ὁ ἔρως οὔτε τὴν γένεσιν ἐξαίφνης λαμβάνει καὶ ἀθρόαν ὡς ὁ θυμός, οὔτε παρέρχεται ταχέως καίπερ εἶναι πτηνὸς λεγόμενος· ἀλλ’ ἐξάπτεται μαλακῶς καὶ σχεδὸν οἷον ἐντήκων ἑαυτόν, ἁψάμενός τε τῆς ψυχῆς παραμένει πολὺν χρόνον, οὐδ’ ἐν γηρῶσιν ἐνίοις ἀναπαυόμενος ἀλλ’ ἐν πολιαῖς ἀκμάζων ἔτι

πρόσφατος καὶ νεαρός· ἂν δὲ καὶ λήξῃ καὶ διαλυθῇ, χρόνῳ μαρανθεὶς ἢ λόγῳ τινὶ κατασβεσθείς, οὔπω παντάπασιν ἐξαπήλλακται τῆς ψυχῆς ἀλλ' ἐναπολείπει πυρίκαυτον ὕλην καὶ σημεῖα θερμά, καθάπερ οἱ κεραυνοὶ τυφόμενοι. λύπης μὲν γὰρ οὐδὲν ἀπαλλαγείσης ἴχνος ἐν τῇ ψυχῇ παραμένει σύνοικον οὐδ' ὀργῆς τραχείας πεσούσης, συστέλλεται δὲ καὶ φλεγμονὴ ἐπιθυμίας παρεχούσης τραχὺ κίνημα· τὰ δ' ἐρωτικὰ δήγματα, κἂν ἀποστῇ τὸ θηρίον, οὐκ ἐξανίησι τὸν ἰόν, ἀλλ' ἐνοιδεῖ τὰ ἐντὸς σπαράγματα, καὶ ἀγνοεῖται τί ἦν, πῶς συνέστη, πόθεν εἰς τὴν ψυχὴν ἐνέπεσεν.

[138] Stobaeus 4.21.25 (4 p. 492 H.). Πλουτάρχου ἐκ τοῦ Περὶ ἔρωτος.

Καὶ τοὺς καλοὺς ὁρᾶν μὲν ἐπιτερπέστατον, ἅψασθαι δὲ καὶ λαβεῖν οὐκ ἀκίνδυνον· μᾶλλον δέ, ὥς φησιν ὁ Ξενοφῶν (Cyrop. 5.1.16), τὸ μὲν πῦρ τοὺς ἁψαμένους κάει μόνον, οἱ δὲ καλοὶ καὶ τοὺς μακρὰν ἑστῶτας ὑφάπτουσιν· ἡ γὰρ ὄψις λαβὴ τοῦ πάθους ἐστί.

ΠΕΡΙ ΕΥΓΕΝΕΙΑΣ

[139] Stobaeus 4.29.21 (5 p. 708 H. = Ps.Plut. De nobilitate .). Πλουτάρχου ἐκ τοῦ Κατὰ εὐγενείας.

Τί γὰρ ἄλλο νομίζομεν εἶναι τὴν εὐγένειαν, εἰ μὴ παλαιὸν πλοῦτον ἢ παλαιὰν δόξαν, οὐδέτερον ἐφ' ἡμῖν ὄν, ἀλλὰ τὰ μὲν τύχης ἀδήλου τὰ δ' ἀκρισίας χάριν ἀνθρωπίνης; ὥστ' ἐκ δυεῖν ἀλλοτρίων κρέμαται τὸ πεφυσημένον ὄνομ' ἡ εὐγένεια. καὶ ὁ πλοῦτος μὲν οὐχ ὁμοίους αὐτῷ τοὺς γεννηθέντας ποιεῖ, ἀλλ' ὁ ἐξ ἀρετῆς γεννηθεὶς εἰκονίζεται, τῶν ἐπὶ τῆς ψυχῆς δικαίων εἰς τοὺς ἐκγόνους διαχεομένων. καὶ τοῦτ' ἔστιν ἡ ὄντως εὐγένεια, ὁμοίωσις δικαιοσύνης.

Stobaeus 4.29.22 (5 p. 709 H. = Ps.Plut. De nobilitate .). ἐν ταὐτῷ.

[140] Ἆρ' οὖν εὐγενέστερος ἦν ὁ Μίδου πλοῦτος τῆς Ἀριστείδου πενίας; καίτοι ὁ μὲν ‹ἀπέθανεν› οὐδ' ἐντάφια καταλιπών, τῷ δὲ Φρυγὶ πάντ' ἂν ἐδύνατ' εἶναι τάφος. ἀλλ' οὐκ ἐν πλουσίῳ τὸ εὐγενές. πυρὸς ἔχει τινὰ τρόπον πᾶσα πονηρία· ἀμφότερα χωρὶς τροφῆς ἀφανίζεται σβεννύμενα. ἡ δὲ Σωκράτους ἀδοξία, μαίας καὶ ἑρμογλύφου πατρός, οὐκ ἦν εὐγενεστέρα τῆς Σαρδαναπάλλου δόξης; μὴ σύ γε νομίζεις ὅτι Ξέρξης εὐγενέστερος ἦν Κυνεγείρου; καίτοι ὁ μὲν ὑπὲρ τῆς ἰδίας πατρίδος ἀπεκόπη τὴν χεῖρα, ὁ δ' ὑπὲρ τοῦ ζῆν ἔφυγεν, ἀντὶ τῆς μεγάλης βασιλείας μεγάλην περικειμένος δειλίαν.

[141] Stobaeus 4.29.51 (5 p. 722 H. = Ps.Plut. De nobilitate .). Πλουτάρχου ὑπὲρ εὐγενείας.

Ἄπιστος ἡ τῶν σοφιστῶν συκοφαντία κατὰ τῆς εὐγενείας, εἰ μηδὲ τὰ ἐν μέσῳ καὶ πᾶσι γνώριμα σκοποῦσιν, ὅτι πρὸς τὰς ὀχείας τοὺς εὐγενεῖς ἵππους

καὶ κύνας ὠνοῦνται καὶ κιχρῶνται καὶ ἀμπέλων εὐγενῆ σπέρματα καὶ ἐλαιῶν καὶ τῶν ἄλλων δένδρων, ἀνθρώπου δ’ οὐδὲν ὄφελος νομίζουσιν εὐγένειαν εἰς τὰς μελλούσας διαδοχάς, ἀλλὰ ταὐτὸ πείθονται βάρβαρον εἶναι καὶ Ἑλληνικὸν σπέρμα καὶ οὐκ οἴονται λεληθυίας τινὰς ἀρχὰς καὶ σπέρματ’ ἀρετῆς συγκαταβάλλεσθαι τοῖς γεννωμένοις, ὥσπερ τῷ Τηλεμάχῳ τοῦ Ὀδυσσέως, ἐφ’ οὗ καὶ πάνυ †τῷ ὀνόματι ὁ ποιητὴς εἴρηκεν (β 271)

‘ἐνέστακται μένος ἠύ’,

ὡς ἂν ἐν ταῖς σπερμάτων ὀλίγαις σταγόσι καὶ τῶν ἀρετῆς συρρεόντων ἀγαθῶν.

[142] ΠΕΡΙ ΗΜΕΡΩΝ

Plut. Vit. Camilli, c. 19. Οἱ ‹δ’› Ἀθηναῖοι καὶ τὴν περὶ Νάξον ἐνίκων ναυμαχίαν, ἧς Χαβρίας ἐστρατήγει, τοῦ Βοηδρομιῶνος περὶ τὴν πανσέληνον, ἐν δὲ Σαλαμῖνι περὶ τὰς εἰκάδας, ὡς ἡμῖν ἐν τῷ Περὶ ἡμερῶν ἀποδέδεικται.

[143] ΠΕΡΙ ΗΣΥΧΙΑΣ

Stobaeus 4.16.18 (4 p. 398 H.). Πλουτάρχου ἐκ τοῦ Περὶ ἡσυχίας.

Σοφὸν ἔοικε χρῆμα τὸ τῆς ἡσυχίας πρός τ’ ἄλλα καὶ εἰς ἐπιστήμης καὶ φρονήσεως μελέτην· λέγω δ’ οὐ τὴν καπηλικὴν καὶ ἀγοραίαν, ἀλλὰ τὴν μεγάλην, ἥτις ἐξομοιοῖ θεῷ τὸν αὐτὴν ἀναλαβόντα. αἱ μὲν γὰρ ἐν ταῖς πόλεσι καὶ τοῖς τῶν ἀνθρώπων ὄχλοις γινόμεναι μελέται γυμνάζουσι τὴν λεγομένην δριμύτητα, πανουργίαν οὖσαν· ὥστε τοὺς ἐν αὐταῖς ἄκρους οἷον ὑπὸ μαγείρων τῶν ἐν ταῖς πόλεσι χρειῶν διαπεποικιλμένους ‹πόσα μὲν οὐχὶ › πόσα δ’ οὐχὶ καὶ διακονήματα δεινὰ ἐργάζεσθαι. ἡ δ’ ἐρημία, σοφίας οὖσα γυμνάσιον, ἠθοποιὸς ἀγαθὴ καὶ πλάττει καὶ μετευθύνει τῶν ἀνδρῶν τὰς ψυχάς. οὐδὲν γὰρ αὐταῖς ἐμπόδιόν ἐστι τῆς αὐξήσεως, οὐδὲ πρὸς πολλὰ καὶ μικρὰ νόμιμα προσπταίουσαι κάμπτονται †εὐθύ, καθάπερ αἱ ταῖς πόλεσιν ἐναπειλημμέναι ψυχαί· ἀλλ’ ἐν ἀέρι καθαρῷ καὶ τὰ πολλὰ ἔξω διαιτώμεναι τῶν ἀνθρώπων ἀνίασιν ὀρθαὶ καὶ πτεροφυοῦσιν, ἀρδόμεναι τῷ διαυγεστάτῳ τε καὶ λειοτάτῳ ῥεύματι τῆς ἡσυχίας, ἐν ᾧ τά τε μαθήματα τοῦ νοῦ θεοειδέστερα καὶ καθαρώτερον ὁρᾷ. διὰ τοῦτό τοι καὶ τῶν θεῶν τὰ ἱερά, ὅσα ἐκ τοῦ ἀρχαίου πάλαι νενόμισται, τοῖς ἐρημοτάτοις χωρίοις ‹ἐνίδρυσαν› οἱ πρῶτοι, μάλιστα δὲ Μουσῶν τε καὶ Πανὸς καὶ Νυμφῶν καὶ Ἀπόλλωνος καὶ ὅσοι μουσικῆς ἡγεμόνες θεοί, διακρίναντες, ὡς οἶμαι, τὰς παιδείας †κατὰ τῶν ἐν ταῖς πόλεσι δεινῶν τε καὶ μιαρῶν τινῶν.

ΠΕΡΙ ΚΑΛΛΟΥΣ (?)

[144] Stobaeus 4.21.12 (4 p. 485 H.). Πλουτάρχου Ὑπὲρ κάλλους.

Τί γάρ; οὐ σύνθετον φύσις ἀνθρώπων ἐκ σώματος καὶ ψυχῆς; ἢ θάτερον ἀρκοῦν ἡμῖν; καὶ πῶς οἷόν τε; τὸ μὲν γὰρ οὐκ ἂν εἴη μὴ χρώμενον ψυχῇ,

ψυχὴ δ’ οὐκ ἂν εἴη μὴ ἔχουσα τὸ συνερεῖδον. τί οὖν; ὥσπερ ἐξ ἴσου κοσμεῖται ἑκάτερα τοῖς συγγενέσιν, ἡ μὲν δικαιοσύνῃ καὶ σωφροσύνῃ καὶ φρονήσει, τὸ δ’ ἰσχύι καὶ κάλλει καὶ ὑγιείᾳ. καὶ πῶς οὐ θαυμαστὸν λέγειν τὰ τῆς ψυχῆς καλά, τὰ τοῦ σώματος ὑπερορῶντα;

[145] Stobaeus 4.21.13 (4 p. 485 H.). ἐν ταὐτῷ.

Ἡ γοῦν τοῦ σώματος εὐμορφία ψυχῆς ἐστιν ἔργον σώματι χαριζομένης δόξαν εὐμορφίας. πεσέτω γοῦν θανάτῳ τὸ σῶμα, καὶ τῆς ψυχῆς μετῳκισμένης, οὐ στάσις, οὐ χρῶμα, οὐκ ὀφθαλμός, οὐ φωνή, οὐδὲν ἔτι καταλείπεται τῶν ἐρασμίων, προδεδομένον ὑπὸ τῶν ἀρχαίων οἰκητόρων· ὥστε καὶ ‹τὴν› ψυχὴν συνυβρίζεις λανθάνων, ἧς ἔστιν ἀνθρώπου κάλλος.

[146] Stobaeus 4.21.22 (4 p. 491 H.). Πλουτάρχου.

Ἀλλὰ μήν, ὥσπερ ἔφην, οὐδὲν τῶν ἄλλων ‹καλλῶν› κινδύνων γένεσίς ἐστιν, ἀλλὰ μόνου τοῦ σώματος. τὰ μὲν γὰρ τῆς ψυχῆς κάλλη καὶ σωτηρίας ἐλπίδες εἰσί, φρόνησις, εὐσέβεια, δικαιοπραγία· καὶ τὸ παιδείας εὐπρόσωπον κάλλος οἴκου καὶ πόλεως καὶ ἐθνῶν ἀθόρυβος εἰρήνη διατελεῖ γιγνομένη· ἡ δὲ γυναικῶν εὐμορφία ἀφορμὴ τοῖς πάθεσι καὶ ταῖς ἐπιθυμίαις.

[147] ΠΕΡΙ ΜΑΝΤΙΚΗΣ

Stobaeus 4.18a.10 (4 p. 414 H.). Πλουτάρχου ἐκ τοῦ Περὶ μαντικῆς.

Τῶν τεχνῶν, ὡς ἔοικε, τὰς μὲν ἡ χρεία συνέστησεν ἐξ ἀρχῆς καὶ μέχρι νῦν διαφυλάσσει -

‘χρειὼ πάντ’ ἐδίδαξε, τί δ’ οὐ χρειώ κεν ἀνεύροι’

τῶν ἀναγκαίων; - ὑφαντικὴν οἰκοδομικὴν ἰατρικὴν καὶ ὅσαι περὶ γεωργίαν ἀναστρέφονται· τὰς δ’ ἡδονή τις προσηγάγετο καὶ κατέσχε, τὴν τῶν μυρεψῶν καὶ τῶν ὀψοποιῶν καὶ κομμωτικὴν πᾶσαν καὶ ἀνθοβαφίαν. ἔστι δ’ ὧν τὴν πιθανότητα καὶ τὴν ἀκρίβειαν καὶ τὸ καθάριον ἀγαπῶντες ἐκμανθάνουσι καὶ περιέπουσιν, ὡς ἀριθμητικὴν καὶ γεωμετρίαν καὶ κανονικὴν πᾶσαν καὶ ἀστρολογίαν, ἅς φησιν ὁ Πλάτων (Rep. 528c) καίπερ ἀμελουμένας ‘βίᾳ ὑπὸ χάριτος αὔξεσθαι’.

[148] ΠΕΡΙ ΟΡΓΗΣ

Stobaeus 3.20.70 (3 p. 555 H.). Πλουτάρχου ἐκ τοῦ Περὶ ὀργῆς.

Ὅσα δ’ ὀργῇ χρώμενοι πράττουσιν ἄνθρωποι, ταῦτ’ ἀνάγκη τυφλὰ εἶναι καὶ ἀνόητα καὶ τοῦ παντὸς ἁμαρτάνειν. οὐ γὰρ οἷόν τ’ ὀργῇ χρώμενον λογισμῷ χρῆσθαι, τὸ δ’ ἄνευ λογισμοῦ ποιούμενον πᾶν ἄτεχνόν τε καὶ διεστραμμένον. λόγον οὖν ἡγεμόνα χρὴ ποιησάμενον οὕτως ἐπιχειρεῖν τοῖς κατὰ τὸν βίον ἔργοις, τὰς ἑκάστοτε προσπιπτούσας ὀργὰς διωθούμενον καὶ διανεύοντα, ὥσπερ οἱ κυβερνῆται τὰ κύματα προσφερόμενα. ἔστι γοῦν οὐκ ἔλαττον τὸ δέος, ὀργῆς ‹δ’› ἀντιπρῴρου κυλινδουμένης, αὑτόν τε καὶ

σύμπαντα οἶκον ἔστιν ἄρδην ἀπολέσαι καὶ ἀνατρέψαι μὴ διαπλεύσαντα δεξιῶς. οὐ μὴν ἀλλ' ἐπιμελείας εἰς αὐτὰ δεῖ καὶ μελέτης ᾗ καὶ μάλιστα ἁλίσκονται κατ' ἄκρας· ‹κατορθοῦσι δὲ μάλιστα› οἱ παραδεξάμενοι τὸν θυμὸν ὡς σύμμαχον ἀρετῆς, ἀπολαύοντες ὅσον αὐτοῦ χρήσιμόν ἐστιν ἔν τε πολέμῳ καὶ νὴ Δί' ἐν πολιτείαις, τὸ πολὺ δ' αὐτοῦ καὶ τὸ ἐπιπολάζον ‹σπουδάζοντες› ἐκκρίνειν καὶ ἐκβάλλειν τῆς ψυχῆς, ὅπερ ὀργή τε καὶ πικρία καὶ ὀξυθυμία λέγεται, νοσήματα ἥκιστα ταῖς ἀνδρείαις ψυχαῖς πρέποντα. τίς οὖν ἐν ἡλικίᾳ τούτων γίγνεται μελέτη; ἐμοὶ μὲν δοκεῖ μάλιστ' ἂν ὧδε γίγνεσθαι, πόρρωθεν ἡμῶν προμελετώντων καὶ προαπαντλούντων ‹τὸ› πλεῖστον, οἷον ἐν οἰκέταις τε καὶ πρὸς γυναῖκας τὰς γαμετάς. ὁ γὰρ οἴκοι πρᾷος καὶ δημοσίᾳ πρᾶος πολὺ μᾶλλον ἔσται, τοιοῦτος ἔνδοθεν καὶ ὑπὸ τῶν οἴκοι πεποιημένος †αὐτῷ τῆς αὑτοῦ ψυχῆς εἶναι ἀγαθός.

[150] Stobaeus 4.31c.86 (5 p. 765 H.). ἐν ταὐτῷ.

Ἀλλ' ἀπληστία καὶ ἄπιστός ἐστιν ἐν αὐτοῖς μανία, τοιούτῳ μὲν ἐνθουσιασμῷ χρῆσθαι περὶ τὴν κτῆσιν, ὡς εἰ κτήσαιντο μηκέτι καμουμένους, τοσαύτῃ δ' ἀμελείᾳ περὶ τὰ ληφθέντα, ὡς μὴ γενόμενα. δυσερωτιῶσι δὲ τῶν ἀπόντων, ὑπερορῶντες ὧν ἔχουσιν· οὐδὲν γὰρ οὕτως ἀγαπῶσιν ὡς [δὲ] ἐλπίζουσιν. οὐκ οἶδα πότερον αὐτοῖς ἄμεινόν ἐστιν, ἔχειν ἢ προσδοκᾶν· ἔχοντες γὰρ οὐ χρῶνται, προσδοκῶντες δὲ κάμνουσι. τί οὖν ἐπαινοῦμεν τοιοῦτον ἀγαθόν, οὗ πέρας ἔστιν οὐδέν, ἀλλ' ᾧ τὸ ληφθὲν ἑτέρων ἀρχή;

Ἀρκεσίλαος τὴν πενίαν λυπρὰν μὲν ἔλεγεν εἶναι ὥσπερ καὶ τὴν Ἰθάκην, ἀγαθὴν δὲ κουροτρόφον, ἐθίζουσαν συνεῖναι λιτότητι καὶ καρτερίᾳ, καὶ καθόλου γυμνάσιον ἀρετῆς ἔμπρακτον.

Τὸν φθόνον ἔνιοι τῷ καπνῷ εἰκάζουσι· πολὺς γὰρ ἐν τοῖς ἀρχομένοις ὤν, ὅταν ἐκλάμψωσιν ἀφανίζεται. ἥκιστα γοῦν τοῖς πρεσβυτέροις φθονοῦσιν.

Ἱππίας λέγει δύο εἶναι φθόνους· τὸν μὲν δίκαιον, ὅταν τις τοῖς κακοῖς φθονῇ τιμωμένοις· τὸν δ’ ἄδικον, ὅταν τοῖς ἀγαθοῖς. καὶ διπλᾶ τῶν ἄλλων οἱ φθονεροὶ κακοῦνται· οὐ γὰρ μόνον τοῖς ἰδίοις κακοῖς ἄχθονται, ὥσπερ ἐκεῖνοι, ἀλλὰ καὶ τοῖς ἀλλοτρίοις ἀγαθοῖς.

Ἱππίας φησὶν ὅτι δεινόν ἐστιν ἡ διαβολία, οὕτως ὀνομάζων· ὅτι οὐδὲ τιμωρία τις κατ’ αὐτῶν γέγραπται ἐν τοῖς νόμοις, ὥσπερ τῶν κλεπτῶν· καίτοι ἄριστον ὂν κτῆμα τὴν φιλίαν κλέπτουσιν, ὥστε ἡ ὕβρις κακοῦργος οὖσα δικαιοτέρα ἐστὶ τῆς διαβολῆς διὰ τὸ μὴ ἀφανὴς εἶναι.

ΠΕΡΙ ΤΩΝ ΕΝ ΠΛΑΤΑΙΑΙΣ ΔΑΙΔΑΛΩΝ

[157] Eusebius, Praep. Ev. 3 Prooem. Λαβὼν ἀνάγνωθι τοῦ Χαιρωνέως Πλουτάρχου τὰς περὶ τῶν προκειμένων φωνάς, ἐν αἷς σεμνολογῶν παρατρέπει τοὺς μύθους ἐφ’ ἅς φησιν εἶναι μυστηριώδεις θεολογίας, ἃς δὴ ἐκκαλύπτων τὸν μὲν Διόνυσον τὴν μέθην εἶναί φησιν ... τὴν δὲ Ἥραν τὴν γαμήλιον ἀνδρὸς καὶ γυναικὸς συμβίωσιν· εἶθ’, ὥσπερ ἐπιλελησμένος τῆς ἀποδόσεως, ἑτέραν ἑξῆς ἐπισυνάψας ἱστορίαν τὴν Ἥραν οὐκέτι ὡς τὸ πρότερον ἀλλὰ τὴν Γῆν ὀνομάζει, λήθην δὲ καὶ νύκτα τὴν Λητώ· καὶ πάλιν τὴν αὐτὴν τῇ Λητοῖ φησιν εἶναι τὴν Ἥραν· εἶτ’ ἐπὶ τούτοις εἰσάγεται αὐτῷ ὁ Ζεὺς εἰς τὴν αἰθέριον δύναμιν ἀλληγορούμενος. καὶ τί με δεῖ ταῦτα προλαμβάνειν, αὐτοῦ παρὸν ἀκοῦσαι τοῦ ἀνδρὸς ὧδέ πως ἐν οἷς ἐπέγραψεν Περὶ τῶν ἐν Πλαταιαῖς Δαιδάλων τὰ λανθάνοντα τοὺς πολλοὺς τῆς ἀπορρήτου περὶ θεῶν φυσιολογίας ἐκφαίνοντος;

Ὅτι μὲν οὖν ἡ παλαιὰ φυσιολογία καὶ παρ’ Ἕλλησι καὶ βαρβάροις λόγος ἦν φυσικὸς ἐγκεκαλυμμένος μύθοις, τὰ πολλὰ δι’ αἰνιγμάτων καὶ ὑπονοιῶν ἐπίκρυφος, καὶ μυστηριώδης θεολογία τά τε λαλούμενα τῶν σιγωμένων ἀσαφέστερα τοῖς πολλοῖς ἔχουσα καὶ τὰ σιγώμενα τῶν λαλουμένων ὑποπτότερα, κατάδηλόν ἐστιν τοῖς Ὀρφικοῖς ἔπεσι καὶ τοῖς Αἰγυπτιακοῖς καὶ Φρυγίοις λόγοις· μάλιστα δ’ οἱ περὶ τὰς τελετὰς ὀργιασμοὶ καὶ τὰ δρώμενα συμβολικῶς ἐν ταῖς ἱερουργίαις τὴν τῶν παλαιῶν ἐμφαίνει διάνοιαν.

Οἷον, ἵνα μὴ μακρὰν τῶν ἐνεστηκότων λόγων βαδίζωμεν, οὐ νομίζουσιν οὐδ’ ἀξιοῦσι κοινωνίαν εἶναι πρὸς Διόνυσον Ἥρᾳ· φυλάσσονται δὲ συμμιγνύναι τὰ ἱερά, καὶ τὰς Ἀθήνησιν ἱερείας ἀπαντώσας φασὶν ἀλλήλαις

μὴ προσαγορεύειν, μηδ' ὅλως κιττὸν εἰς τὸ τῆς Ἥρας εἰσκομίζεσθαι τέμενος, οὐ διὰ τὰς μυθικὰς καὶ φλυαρώδεις ζηλοτυπίας, ἀλλ' ὅτι γαμήλιος μὲν ἡ θεὸς καὶ νυμφαγωγός, ἀπρεπὲς δὲ τὸ μεθύειν νυμφίοις καὶ γάμοις ἀναρμοστότατον, ὥς φησιν ὁ Πλάτων (Legg. 775bd)· ἀκρατοποσία γὰρ ταραχὴν ἐμποιεῖ καὶ ψυχαῖς καὶ σώμασιν, ὑφ' ἧς ἄπλαστα καὶ πεπλανημένα ῥιζοῦται κακῶς τὰ σπειρόμενα καὶ κυϊσκόμενα. πάλιν οἱ θύοντες Ἥρᾳ τὴν χολὴν οὐ καθαγίζουσιν ἀλλὰ κατορύττουσι παρὰ τὸν βωμόν, ὡς δέον ἄθυμον καὶ ἄχολον καὶ καθαρεύουσαν ὀργῆς καὶ πικρίας ἁπάσης τὴν γυναικὸς καὶ ἀνδρὸς εἶναι συμβίωσιν.

Τοῦτο δὲ τὸ συμβολικὸν εἶδος ἐν τοῖς λόγοις καὶ τοῖς μύθοις μᾶλλόν ἐστιν· οἷον ἱστοροῦσι τὴν Ἥραν ἐν τῇ Εὐβοίᾳ τρεφομένην ἔτι παρθένον ὑπὸ τοῦ Διὸς κλαπῆναι, καὶ διακομισθεῖσαν ἐνταῦθα κρύπτεσθαι, Κιθαιρῶνος αὐτοῖς μυχὸν ἐπίσκιόν τινα καὶ θάλαμον αὐτοφυῆ παρασχόντος· ἐλθούσης δὲ τῆς Μακρίδος κατὰ ζήτησιν (ἦν δὲ Ἥρας τιθήνη) καὶ βουλομένης ἐρευνᾶν, οὐκ ἐᾶν τὸ Κιθαιρῶνα πολυπραγμονεῖν οὐδὲ τῷ χωρίῳ προσάγειν, ὡς τοῦ Διὸς ἐκεῖ τῇ Λητοῖ συναναπαυομένου καὶ συνδιατρίβοντος. ἀπελθούσης δὲ τῆς Μακρίδος, οὕτω τότε μὲν διαλαθεῖν τὴν Ἥραν, ὕστερον δὲ τῇ Λητοῖ χάριν ἀπομνημονεύουσαν ὁμοβώμιον θέσθαι καὶ σύνναον· ὥστε καὶ Λητοῖ Μυχίᾳ προθύεσθαι· τινὲς δὲ Νυχίαν λέγουσι. σημαίνεται δ' ἐν ἑκατέρῳ τῶν ὀνομάτων τὸ κρύφιον καὶ διαλεληθός. ἔνιοι δὲ τὴν Ἥραν αὐτὴν ἐκεῖ τῷ Διὶ λάθρᾳ συνοῦσαν καὶ λανθάνουσαν οὕτω φασὶ Λητὼ Νυχίαν προσηγορεῦσθαι· φανερῶν δὲ τῶν γάμων γενομένων καὶ περὶ τὸν Κιθαιρῶνα πρῶτον ἐνταῦθα καὶ τὰς Πλαταιὰς τῆς ὁμιλίας ἀνακαλυφθείσης, Ἥραν Τελείαν καὶ Γαμήλιον αὐτὴν προσαγορευθῆναι.

Οἱ δὲ φυσικῶς μᾶλλον καὶ πρεπόντως ὑπολαμβάνοντες τὸν μῦθον οὕτως εἰς ταὐτὸ τῇ Λητοῖ συνάγουσι τὴν Ἥραν. γῆ μέν ἐστιν ἡ Ἥρα καθάπερ εἴρηται, νὺξ δ' ἡ Λητώ 'ληθώ' τις οὖσα τῶν εἰς ὕπνον τρεπομένων. νὺξ δ' οὐδέν ἐστιν ἄλλο πλὴν σκιὰ γῆς· ὅταν γὰρ πλησιάσαντα ταῖς δυμαῖς ἀποκρύψῃ τὸν ἥλιον, ἀναπλατυνομένη μελαίνει τὸν ἀέρα· καὶ τοῦτ' ἔστι τὸ ἐκλειπτικὸν ὀλίσθημα τῶν πανσελήνων, ὅταν τῆς σελήνης περιφερομένης ἡ σκιὰ τῆς γῆς ἐπιψαύσῃ καὶ διαθολώσῃ τὸ φέγγος.

Ὅτι δ' οὐκ ἄλλη τίς ἐστι τῆς Ἥρας ἡ Λητώ, μάθοιτ' ἂν ἐνθένδε. τὴν Ἄρτεμιν δήπου θυγατέρα Λητοῦς καλοῦμεν, ἀλλὰ καὶ Εἰλείθυιαν τὴν αὐτὴν ὀνομάζομεν· οὐκοῦν ἥ τε Ἥρα καὶ ἡ Λητὼ δύο εἰσὶ μιᾶς θεοῦ προσηγορίαι. πάλιν ἐκ μὲν Λητοῦς ὁ Ἀπόλλων ἐκ δ' Ἥρας ὁ Ἄρης γέγονε· μία δ' ἐστὶν ἀμφοτέρων δύναμις, καὶ κέκληται Ἄρης μὲν ὡς 'ἀρήγων' τοῖς κατὰ βίαν καὶ μάχην συμπτώμασιν, Ἀπόλλων δ' ὡς 'ἀπαλλάττων' καὶ 'ἀπολύων' τῶν περὶ

σῶμα νοσηματικῶν παθῶν τὸν ἄνθρωπον. διὸ καὶ τῶν ἐμπυρωτάτων ἄστρων καὶ πυριφλεγεστάτων ὁ μὲν ἥλιος Ἀπόλλων κέκληται ὁ δὲ πυροειδὴς Ἄρης ἐπωνόμασται. καὶ οὐκ ἀπὸ τρόπου ἐστὶν τὴν αὐτὴν θεὸν Γαμήλιον λέγεσθαι καὶ μητέρα Εἰλειθυίας καὶ Ἡλίου νομίζεσθαι· γάμου μὲν γὰρ τέλος γένεσίς ἐστιν, γένεσις δ' ἡ εἰς ἥλιον καὶ φῶς ἐκ σκότους πορεία· καὶ καλῶς ἔφη ὁ ποιητής (Π 187)

'αὐτὰρ ἐπειδὴ τόν γε μογοστόκος Εἰλείθυια
ἐξάγαγε προφόωσδε καὶ ἠελίου ἴδεν αὐγάς'.

εὖ ὁ ποιητὴς τῇ μὲν προθέσει τὴν σύνθεσιν ‹συν›έθλιψεν, ἐμφαίνων τὸ βεβιασμένον τῆς ὠδῖνος, τέλος δὲ τῆς γενέσεως ἐποίησεν ἥλιον ἰδεῖν. οὐκοῦν ἡ αὐτὴ θεὸς ἐποίησε καὶ γάμον συνελθεῖν, ἵνα γένεσιν παρασκευάσῃ.

Δεῖ δ' ἴσως καὶ τὸν εὐηθέστερον μῦθον εἰπεῖν. λέγεται γὰρ ὁ Ζεύς, τῆς Ἥρας αὐτῷ διαφερομένης καὶ μηκέτι φοιτᾶν εἰς ταὐτὸ βουλομένης ἀλλὰ κρυπτούσης ἑαυτήν, ἀμηχανῶν καὶ πλανώμενος Ἀλαλκομενεῖ τῷ αὐτόχθονι συντυχεῖν καὶ διδαχθῆναι ὑπὸ τούτου, ὡς ἐξαπατητέον τὴν Ἥραν σκηψάμενον γαμεῖν ἑτέραν. συνεργοῦντος δὲ τοῦ Ἀλαλκομενέως, κρύφα τεμόντας αὐτοὺς εὐκτέανον καὶ παγκάλην δρῦν μορφῶσαί τ' αὐτὴν καὶ καταστεῖλαι νυμφικῶς, Δαιδάλην προσαγορεύσαντας· εἶθ' οὕτως ἀναμέλπεσθαι μὲν τὸν ὑμέναιον, λουτρὰ δὲ κομίζειν τὰς Τριτωνίδας Νύμφας, αὐλοὺς δὲ καὶ κώμους τὴν Βοιωτίαν παρασχεῖν· περαινομένων δὲ τούτων οὐκέτι τὴν Ἥραν καρτερεῖν, ἀλλὰ καταβᾶσαν ἐκ τοῦ Κιθαιρῶνος, τῶν Πλαταιατίδων αὐτῇ γυναικῶν ἑπομένων, ὑπ' ὀργῆς καὶ ζηλοτυπίας θέουσαν ἐλθεῖν πρὸς τὸν Δία, καὶ τοῦ πλάσματος φανεροῦ γενομένου, διαλλαγεῖσαν μετὰ χαρᾶς καὶ γέλωτος αὐτὴν νυμφαγωγεῖν· τιμὴν δὲ τῷ ξοάνῳ προσθεῖναι, καὶ Δαίδαλα τὴν ἑορτὴν προσαγορεῦσαι, κατακαῦσαι δ' ὅμως αὐτὸ καίπερ ἄψυχον ὂν ὑπὸ ζηλοτυπίας.

Ὁ μὲν οὖν μῦθος τοιοῦτος, ὁ δὲ λόγος αὐτοῦ τοιόσδε. Ἥρας καὶ Διὸς διαφορὰ καὶ στάσις οὐδὲν ἄλλο πλὴν στοιχείων δυσκρασία καὶ τάραχός ἐστιν, ὅταν ἀλλήλοις μηκέτι συμμετρῆται κατὰ κόσμον, ἀλλὰ καὶ ἀνωμαλίας καὶ τραχύτητος ἐγγενομένης δυσμαχήσαντα λύσῃ τὴν κοινωνίαν καὶ φθορὰν τῶν ὅλων ἀπεργάσηται. ἂν μὲν οὖν ὁ Ζεύς, τουτέστιν ἡ θερμὴ καὶ πυρώδης δύναμις, αἰτίαν παράσχῃ τῆς διαφορᾶς, αὐχμὸς τὴν γῆν καταλαμβάνει· ἐὰν δὲ περὶ τὴν Ἥραν, τουτέστι τὴν ὑγρὰν καὶ πνευματικὴν φύσιν, ὕβρις τις ἢ πλεονασμὸς γένηται, ῥεῦμα ἦλθε πολὺ καὶ συνώμβρισε καὶ κατέκλυσε τὰ πάντα. τοιούτου δέ τινος γενομένου καὶ περὶ τοὺς τότε χρόνους, καὶ μάλιστα τῆς Βοιωτίας βυθισθείσης, ὡς πρῶτον ἀνέδυ τὸ πεδίον καὶ ἡ πλήμμυρα ἐλώφησεν, ὁ μὲν ἐξ εὐδίας κόσμος τοῦ περιέχοντος ὁμόνοια καὶ διαλλαγὴ

τῶν θεῶν ἐλέχθη. πρῶτον δ' ἀνέσχεν ἐκ τῆς γῆς τῶν φυτῶν ἡ δρῦς, καὶ ταύτην ἠγάπησαν οἱ ἄνθρωποι, τροφὴν βίου καὶ σωτηρίας διαμονὴν παρασχοῦσαν. οὐ γὰρ μόνον τοῖς εὐσεβέσιν, ὡς Ἡσίοδός φησιν, ἀλλὰ καὶ τοῖς ὑπολειφθεῖσι τῆς φθορᾶς

'ἄκρη μέν τε φέρει βαλάνους, μέσση δὲ μελίσσας' (OD 233).

ΠΕΡΙ ΨΥΧΗΣ

[173] Origenes contra Celsum, v. 57. Παράδοξα δὲ πράγματα τοῖς ἀνθρώποις ἐπιφαίνεσθαί ποτε καὶ τῶν Ἑλλήνων ἱστόρησαν οὐ μόνον οἱ ὑπονοηθέντες ἂν ὡς μυθοποιοῦντες ἀλλὰ καὶ οἱ πολὺ ἐπιδειξάμενοι γνησίως φιλοσοφεῖν καὶ φιλαληθῶς ἐκτίθεσθαι τὰ εἰς αὐτοὺς φθάσαντα. τοιαῦτα δ' ἀνέγνωμεν παρὰ ... τῷ Χαιρωνεῖ Πλουτάρχῳ ἐν τοῖς Περὶ ψυχῆς.

[174] Aulus Gellius 1.3.31. Super hoc eodem Chilone Plutarchus philosophus in libro Περὶ ψυχῆς primo verbis his ita scripsit: Χείλων ὁ παλαιός, ἀκούσας τινὸς λέγοντος μηδένα ἔχειν ἐχθρόν, ἠρώτησεν εἰ μηδένα φίλον ἔχει, νομίζων ἐξ ἀνάγκης ἐπακολουθεῖν καὶ συνεμπλέκεσθαι φιλίαις ἀπεχθείας.

[175] Aulus Gellius 15.10. Plutarchus in librorum, quos Περὶ ψυχῆς inscripsit, primo, cum de morbis dissereret in animos hominum incidentibus, virgines dixit Milesii nominis, fere quot tum in ea civitate erant, repente sine ulla evidenti causa voluntatem cepisse obeundae mortis, ac deinde plurimas vitam suspendio amisisse. id cum accideret in dies crebrius, neque animis earum mori perseverantium medicina adhiberi quiret, decrevisse Milesios, ut virgines, quae corporibus suspensis demortuae forent, ut hae omnes nudae cum eodem laqueo, quo essent praevinctae, efferrentur. post id decretum virgines voluntariam mortem non petisse, pudore solo perterritas tam inhonesti funeris.

[176] Eusebius, Praep. Ev. 11.36.1. συγγενῆ δὲ τούτοις (sc. Platonis de Ere historiae) καὶ ὁ Πλούταρχος ὧδέ πῃ ἐν τῷ πρώτῳ Περὶ ψυχῆς ἱστορεῖ.

Ἀντύλλῳ δὲ τούτῳ καὶ αὐτοὶ παρῆμεν ἅμα Σωσιτέλει καὶ Ἡρακλέωνι διηγουμένῳ. νοσῶν γὰρ ἔναγχος ἀβιώτως ἔχειν ἐδόκει τοῖς ἰατροῖς· ἀνενεχθεὶς δὲ μικρὸν ἔκ τινος οὐ βεβαίου καταφορᾶς, ἄλλο μὲν οὐδὲν οὔτ' ἔπραξεν οὔτ' εἶπε παρακινητικόν, ἔλεγε δὲ τεθνάναι καὶ πάλιν ἀφεῖσθαι καὶ μὴ τεθνήξεσθαι τὸ παράπαν ὑπὸ τῆς ἀρρωστίας ἐκείνης, ἀλλὰ καὶ κακῶς ἀκηκοέναι τοὺς ἀγαγόντας αὐτὸν ὑπὸ τοῦ κυρίου· πεμφθέντας γὰρ ἐπὶ Νικανδᾶν, αὐτὸν ἥκειν ἀντ' ἐκείνου κομίζοντας. ὁ δὲ Νικανδᾶς ἦν σκυτοτόμος, ἄλλως δὲ τῶν ἐν παλαίστραις γεγονότων καὶ πολλοῖς συνήθης καὶ γνώριμος. ὅθεν οἱ νεανίσκοι προσιόντες ἔσκωπτον αὐτὸν ὡς ἀποδεδρακότα καὶ διεφθαρκότα τοὺς ἐκεῖθεν ὑπηρέτας· αὐτὸς μέντοι δῆλος ἦν εὐθὺς ὑποθραττόμενος καὶ δυσχεραίνων· τέλος δὲ πυρετοῦ προσπεσόντος, ἐξαίφνης ἀπέθανε τριταῖος. οὗτος δ' ἀνεβίω καὶ περίεστιν εὖγε ποιῶν, ἡμῖν ξένων ἐπιεικέστατος.

[177] Stobaeus 4.52.48 (5 p. 1087 H.). Θεμιστίου ἐκ τοῦ Περὶ ψυχῆς.

Ταῦτα τοῦ Τίμωνος εἰπόντος, ὑπολαβὼν ὁ Πατροκλέας ‘ὁ μὲν λόγος’ εἶπεν ‘οὐχ ἧττον ἰσχυρὸς ἢ παλαιός, ἔχει δ’ ὅμως ἀπορίας. εἰ γὰρ ἡ δόξα τῆς ἀφθαρσίας παμπάλαιός ἐστι, πῶς αὖ πάλιν τὸ τοῦ θανάτου δέος πάντων πρεσβύτατον ‹εἰκὸς› εἶναι τῶν φόβων, εἰ μὴ νὴ Δία καὶ πάντας ἡμῖν τοῦτο τοὺς ἄλλους ἐγγεγέννηκεν; οὐ γὰρ νεαρὸν οὐδὲ πρόσφατόν ἐστι τὸ κλαίεσθαι τὸν τεθνηκότα, καὶ ταῦτα δὴ τὰ θρηνώδη καὶ δύσφημα τῶν ὀνομάτων ἐπιλέγεσθαι, τὸν ἄθλιον καὶ τὸν οἰκτρόν.’

‘Ἀλλ’ οὕτω μέν’ ἔφη ὁ Τίμων ‘λογιζόμενοι καὶ τὰ ἄφθαρτα δοξάζουσι συνδιαλύεσθαι ‹τοῖς› φθειρομένοις. ὅτι μὲν οὖν τὸ μετηλλαχέναι καὶ μεθίστασθαι καὶ οἴχεσθαι τὸν τεθνηκότα δυσχεροῦς οὐδενὸς ἁπλῶς, ἀμείψεως δέ τινος ἢ μεταβολῆς ὑπόνοιαν δίδωσιν, οὐκ ἄδηλόν ἐστι· ὅποι δ’ αὕτη γίγνεται τοῖς μεταλλάττουσιν ἡ μεταβολή, καὶ πότερον εἰς χεῖρον ἢ βέλτιον, ἐκ τῶν ἄλλων ὀνομάτων σκοπῶμεν. αὐτὸ τοίνυν τὸ τοῦ θανάτου πρῶτον οὐχ ὑπὸ γῆν ἔοικεν οὐδὲ κάτω δεικνύναι χωροῦν τὸ μετηλλαχὸς ἀλλ’ ἄνω φερόμενον καὶ θέον· διὸ δὴ καὶ λόγον ἔχει καθάπερ ἐκ καμπῆς τινος ἀνείσης οἷον ἐξᾴττειν καὶ ἀναθεῖν τὴν ψυχὴν ἀποπνέοντος τοῦ σώματος ἀναπνέουσαν αὐτὴν καὶ ἀναψύχουσαν. ὅρα δὲ τὸ ἀντικείμενον θανάτῳ, τὴν γένεσιν, ὡς τοὐναντίον δηλοῖ ῥοπήν τινα κάτω καὶ νεῦσιν ἐπὶ γῆν ἐκείνου τοῦ περὶ τὴν τελευτὴν πάλιν ἀναθέοντος· ᾗ καὶ γενέθλιον τὴν ‹πρώτην› ἡμέραν καλοῦσιν, ὡς ἄθλων καὶ πόνων μεγάλων ἀρχὴν γενομένην. μᾶλλον δ’ ἴσως ἀφ’ ἑτέρας ταὐτὸ συζυγίας κατοψόμεθα καὶ σαφέστερον. ἀπολύεσθαι γὰρ τὸν ἀποθνῄσκοντα καὶ τὴν τελευτὴν ἀπόλυσιν καλοῦσιν, ἂν δὲ ἔρημαι σώματος· τοῦτο γὰρ ‘δέμας’ ὀνομάζουσιν, ὡς ‘δεδεμένης’ ὑπ’ αὐτοῦ τῆς ψυχῆς ἐνταῦθα παρὰ φύσιν· οὐδὲν γὰρ ἐν ᾧ πέφυκεν εἶναι κατέχεται βίᾳ, καὶ τὸ δεδέσθαι τήν τε ‘βίαν’ ταύτην παραγαγόντες ὠνόμασαν ‘βίον’, ὥσπερ οἶμαι τὴν ‘ἑσπέραν’ Ὅμηρος ‘ἕσπερον’. ὅθεν ἀντίφωνον τοῦ βίου ὄνομα γέγονε τὸ ἀναπαύεσθαι τὸν θνῄσκοντα, μεγάλης καὶ παρὰ φύσιν ἀνάγκης ἀπαλλαττόμενον.

‘Οὕτω κατὰ τὴν εἰς τὸ ὅλον μεταβολὴν καὶ μετακόσμησιν ὀλωλέναι τὴν ψυχὴν λέγομεν ἐκεῖ γενομένην· ἐνταῦθα δ’ ἀγνοεῖ, πλὴν ὅταν ἐν τῷ τελευτᾶν ἤδη γένηται· τότε δὲ πάσχει πάθος οἷον οἱ τελεταῖς μεγάλαις κατοργιαζόμενοι. διὸ καὶ τὸ ῥῆμα τῷ ῥήματι καὶ τὸ ἔργον τῷ ἔργῳ τοῦ τελευτᾶν καὶ τελεῖσθαι προσέοικε. πλάναι τὰ πρῶτα καὶ περιδρομαὶ κοπώδεις καὶ διὰ σκότους τινὲς ὕποπτοι πορεῖαι καὶ ἀτέλεστοι, εἶτα πρὸ τοῦ τέλους αὐτοῦ τὰ δεινὰ πάντα, φρίκη καὶ τρόμος καὶ ἱδρὼς καὶ θάμβος· ἐκ δὲ τούτου φῶς τι θαυμάσιον ἀπήντησεν καὶ τόποι καθαροὶ καὶ λειμῶνες ἐδέξαντο,

[179] ΣΤΡΩΜΑΤΕΙΣ

Eusebius, Praep. Ev. 1.7.16. Τούτῳ δ' ἂν εὕροις συμφώνους καὶ τοὺς πλείστους τῶν παρ' Ἕλλησι φιλοσόφων, ὧν ἐγώ σοι τὰς περὶ ἀρχῶν δόξας καὶ τὰς πρὸς ἀλλήλους διαστάσεις καὶ διαφωνίας, ἐκ στοχασμῶν ἀλλ' οὐκ ἀπὸ καταλήψεως ὁρμηθείσας, ἀπὸ τῶν Πλουτάρχου Στρωματέων ἐπὶ τοῦ παρόντος ἐκθήσομαι. σὺ δὲ μὴ παρέργως, σχολῇ δὲ καὶ μετὰ λογισμοῦ θέα τῶν δηλουμένων τὴν πρὸς ἀλλήλους διάστασιν.

Θάλητα πρῶτον πάντων φασὶν ἀρχὴν τῶν ὅλων ὑποστήσασθαι τὸ ὕδωρ· ἐξ αὐτοῦ γὰρ εἶναι τὰ πάντα καὶ εἰς αὐτὸ χωρεῖν. μεθ' ὃν Ἀναξίμανδρον, Θάλητος ἑταῖρον γενόμενον, τὸ ἄπειρον φάναι τὴν πᾶσαν αἰτίαν ἔχειν τῆς

τοῦ παντὸς γενέσεώς τε καὶ φθορᾶς· ἐξ οὗ δή φησι τούς τε οὐρανοὺς ἀποκεκρίσθαι, καὶ καθόλου τοὺς ἅπαντας ἀπείρους ὄντας κόσμους. ἀπεφήνατο δὲ τὴν φθορὰν γίγνεσθαι καὶ πολὺ πρότερον τὴν γένεσιν, ἐξ ἀπείρου αἰῶνος ἀνακυκλουμένων πάντων αὐτῶν. ὑπάρχειν δέ φησι τῷ μὲν σχήματι τὴν γῆν κυλινδροειδῆ, ἔχειν δὲ τοσοῦτον βάθος ὅσον ἂν εἴη τρίτον πρὸς τὸ πλάτος. φησὶ δὲ τὸ ἐκ τοῦ ἀιδίου γόνιμον θερμοῦ τε καὶ ψυχροῦ κατὰ τὴν γένεσιν τοῦδε τοῦ κόσμου ἀποκριθῆναι, καί τινα ἐκ τούτου φλογὸς σφαῖραν περιφυῆναι τῷ περὶ τὴν γῆν ἀέρι ὡς τῷ δένδρῳ φλοιόν, ἧς ἀπορραγείσης καὶ εἴς τινας ἀποκλεισθείσης κύκλους, ὑποστῆναι τὸν ἥλιον καὶ τὴν σελήνην καὶ τοὺς ἀστέρας. ἔτι φησὶν ὅτι κατ’ ἀρχὰς ἐξ ἀλλοειδῶν ζῴων ὁ ἄνθρωπος ἐγεννήθη, ἐκ τοῦ τὰ μὲν ἄλλα δι’ ἑαυτῶν ταχὺ νέμεσθαι, μόνον δὲ τὸν ἄνθρωπον πολυχρονίου δεῖσθαι τιθηνήσεως· διὸ καὶ κατ’ ἀρχὰς οὐκ ἄν ποτε τοιοῦτον ὄντα διασωθῆναι. ταῦτα μὲν οὖν ὁ Ἀναξίμανδρος.

Ἀναξιμένην δέ φασι τὴν τῶν ὅλων ἀρχὴν τὸν ἀέρα εἰπεῖν, καὶ τοῦτον εἶναι τῷ μὲν μεγέθει ἄπειρον, ταῖς δὲ περὶ αὐτὸν ποιότησιν ὡρισμένον· γεννᾶσθαί τε πάντα κατά τινα πύκνωσιν τούτου καὶ πάλιν ἀραίωσιν. τήν γε μὴν κίνησιν ἐξ αἰῶνος ὑπάρχειν· πιλουμένου δὲ τοῦ ἀέρος, πρώτην γεγενῆσθαι λέγει τὴν γῆν, πλατεῖαν μάλα· διὸ καὶ κατὰ λόγον αὐτὴν ἐποχεῖσθαι τῷ ἀέρι· καὶ τὸν ἥλιον καὶ τὴν σελήνην καὶ τὰ λοιπὰ ἄστρα τὴν ἀρχὴν τῆς γενέσεως ἐκ γῆς ἔχειν· ἀποφαίνεται γοῦν τὸν ἥλιον γῆν, διὰ δὲ τὴν ὀξεῖαν κίνησιν καὶ μάλ’ ἱκανῶς θερμότητα [κίνησιν] λαβεῖν.

Ξενοφάνης δ’ ὁ Κολοφώνιος, ἰδίαν τινὰ ὁδὸν πεπορευμένος καὶ παρηλλαχυῖαν πάντας τοὺς προειρημένους, οὔτε γένεσιν οὔτε φθορὰν ἀπολείπει, ἀλλ’ εἶναι λέγει τὸ πᾶν ἀεὶ ὅμοιον· εἰ γὰρ γίγνοιτο τοῦτο, φησίν, ἀναγκαῖον πρὸ τούτου μὴ εἶναι· τὸ μὴ ὂν δ’ οὐκ ἂν γένοιτο οὐδ’ ἂν τὸ μὴ ὂν ποιῆσαί τι οὔτε ὑπὸ τοῦ μὴ ὄντος γένοιτ’ ἄν τι. ἀποφαίνεται δὲ καὶ τὰς αἰσθήσεις ψευδεῖς, καὶ καθόλου σὺν αὐταῖς καὶ αὐτὸν τὸν λόγον διαβάλλει. ἀποφαίνεται δὲ καὶ τῷ χρόνῳ καταφερομένην συνεχῶς καὶ κατ’ ὀλίγον τὴν γῆν εἰς τὴν θάλασσαν χωρεῖν. φησὶ δὲ καὶ τὸν ἥλιον ἐκ μικρῶν καὶ πλειόνων πυριδίων ἀθροίζεσθαι. ἀποφαίνεται δὲ καὶ περὶ θεῶν, ὡς οὐδεμιᾶς ἡγεμονίας ἐν αὐτοῖς οὔσης· οὐ γὰρ ὅσιον δεσπόζεσθαί τινα τῶν θεῶν, ἐπιδεῖσθαί τε μηδενὸς αὐτῶν μηδένα μηδ’ ὅλως· ἀκούειν δὲ καὶ ὁρᾶν καθόλου καὶ μὴ κατὰ μέρος. ἀποφαίνεται δὲ καὶ τὴν γῆν ἄπειρον εἶναι καὶ κατὰ πᾶν μέρος μὴ περιέχεσθαι ὑπ’ ἀέρος· γίγνεσθαι δ’ ἅπαντα ἐκ γῆς. τὸν δ’ ἥλιόν φησι καὶ τὰ ἄστρα ἐκ τῶν νεφῶν γίγνεσθαι.

Παρμενίδης δ’ ὁ Ἐλεάτης, ἑταῖρος Ξενοφάνους, ἅμα μὲν καὶ τῶν τούτου δοξῶν ἀντεποιήσατο, ἅμα δὲ καὶ τὴν ἐναντίαν ἐνεχείρησε στάσιν· ἀίδιον μὲν

γὰρ τὸ πᾶν καὶ ἀκίνητον ἀποφαίνεται [καὶ] κατὰ τὴν τῶν πραγμάτων ἀλήθειαν· εἶναι γὰρ αὐτὸ (B 8.34).

‘μοῦνον μουνογενές τε καὶ ἀτρεμὲς ἠδ’ ἀγένητον’·

γένεσιν δὲ τῶν καθ’ ὑπόληψιν ψευδῆ δοκούντων εἶναι· καὶ τὰς αἰσθήσεις ἐκβάλλει ἐκ τῆς ἀληθείας· φησὶ δ’ ὅτι, εἴ τι παρὰ τὸ ὂν ὑπάρχει, τοῦτο οὐκ ἔστιν ὄν, τὸ δὲ μὴ ὂν ἐν τοῖς ὅλοις οὐκ ἔστιν. οὕτως οὖν τὸ ὂν ἀγένητον ἀπολείπει. λέγει δὲ τὴν γῆν τοῦ πυκνοῦ καταρρυέντος ἀέρος γεγονέναι.

Ζήνων δ’ ὁ Ἐλεάτης ἴδιον μὲν οὐδὲν ἐξέθετο, διηπόρησε δὲ περὶ τούτων ἐπὶ πλεῖον.

Δημόκριτος δ' ὁ Ἀβδηρίτης ὑπεστήσατο τὸ πᾶν ἄπειρον διὰ τὸ μηδαμῶς ὑπό τινος αὐτὸ δεδημιουργῆσθαι, ἔτι δὲ καὶ ἀμετάβλητον αὐτὸ λέγει· καὶ καθόλου, οἷον τὸ πᾶν ἐστι, ῥητῶς ἐκτίθεται, μηδεμίαν ἀρχὴν ἔχειν τὰς αἰτίας τῶν νῦν γιγνομένων, ἄνωθεν δ' ὅλως ἐξ ἀπείρου χρόνου προκατέχεσθαι τῇ ἀνάγκῃ πάνθ' ἁπλῶς τὰ γεγονότα καὶ ἐόντα καὶ ἐσόμενα. ἡλίου δὲ καὶ σελήνης γένεσίν φησι· κατ' ἰδίαν φέρεσθαι ταῦτα μηδέπω τὸ παράπαν ἔχοντα θερμὴν φύσιν μηδὲ μὴν καθόλου λαμπρότητα, τοὐναντίον δ' ἐξωμοιωμένην τῇ περὶ τὴν γῆν φύσει· γεγονέναι γὰρ ἑκάτερον τούτων πρότερον ἔτι κατ' ἰδίαν ὑποβολήν τινα κόσμου, ὕστερον δέ, μεγεθοποιουμένου τοῦ περὶ τὸν ἥλιον κύκλου, ἐναποληφθῆναι ἐν αὐτῷ τὸ πῦρ.

Ἐπίκουρος Νεοκλέους Ἀθηναῖος τὸν περὶ θεῶν τῦφον πειρᾶται καταστέλλειν· ἀλλὰ καὶ οὐδέν, φησί, γίγνεται ἐκ τοῦ μὴ ὄντος· ὅτι τὸ πᾶν ἀεὶ τοιοῦτον ἦν καὶ ἔσται τοιοῦτον· ὅτι οὐδὲν ξένον ἐν τῷ παντὶ ἀποτελεῖται παρὰ τὸν ἤδη γεγενημένον χρόνον ἄπειρον· ὅτι πᾶν ἐστι σῶμα, καὶ οὐ μόνον ἀμετάβλητον ἀλλὰ καὶ ἄπειρον· ὅτι τέλος τῶν ἀγαθῶν ‹ἡ› ἡδονή.

Ἀρίστιππος ὁ Κυρηναῖος τέλος ἀγαθῶν τὴν ἡδονὴν κακῶν δὲ τὴν ἀλγηδόνα· τὴν δ' ἄλλην φυσιολογίαν περιγράφει, μόνον ὠφέλιμον εἶναι λέγων τὸ ζητεῖν (δ 392).

'ὅττι τοι ἐν μεγάροισι κακόν τ' ἀγαθόν τε τέτυκται'.

Ἐμπεδοκλῆς ὁ Ἀκραγαντῖνος στοιχεῖα τέσσαρα, πῦρ, ὕδωρ, αἰθέρα, γαῖαν· αἰτίαν δὲ τούτων φιλίαν καὶ νεῖκος· ἐκ πρώτης φησὶ τῆς τῶν στοιχείων κράσεως ἀποκριθέντα τὸν ἀέρα περιχυθῆναι κύκλῳ· μετὰ δὲ τὸν ἀέρα τὸ πῦρ ἐκδραμὸν καὶ οὐκ ἔχον ἑτέραν χώραν ἄνω ἐκτρέχειν ὑπὸ τοῦ περὶ τὸν ἀέρα πάγου. εἶναι δὲ κύκλῳ περὶ τὴν γῆν φερόμενα δύο ἡμισφαίρια, τὸ μὲν καθόλου πυρὸς τὸ δὲ μικτὸν ἐξ ἀέρος καὶ ὀλίγου πυρός, ὅπερ οἴεται τὴν νύκτα εἶναι. τὴν δ' ἀρχὴν τῆς κινήσεως συμβῆναι ἀπὸ τοῦ τετυχηκέναι κατὰ τὸν ἀθροισμὸν ἐπιβρίσαντος τοῦ πυρός. ὁ δ' ἥλιος τὴν φύσιν οὐκ ἔστι πῦρ ἀλλὰ τοῦ πυρὸς ἀντανάκλασις ὁμοία τῇ ἀφ' ὕδατος γιγνομένῃ. σελήνην δέ φησι συστῆναι καθ' ἑαυτὴν ἐκ τοῦ ἀποληφθέντος ἀέρος ὑπὸ τοῦ πυρός· τοῦτον γὰρ παγῆναι καθάπερ καὶ τὴν χάλαζαν· τὸ δὲ φῶς αὐτὴν ἔχειν ἀπὸ τοῦ ἡλίου. τὸ δ' ἡγεμονικὸν οὔτ' ἐν κεφαλῇ οὔτ' ἐν θώρακι ἀλλ' ἐν αἵματι· ὅθεν καθ' ὅ τι ἂν μέρος τοῦ σώματος πλεῖον ᾖ παρεσπαρμένον [τὸ ἡγεμονικόν], οἴεται κατ' ἐκεῖνο προτερεῖν τοὺς ἀνθρώπους.

Μητρόδωρος ὁ Χῖος ἀίδιον εἶναί φησι τὸ πᾶν, ὅτι, εἰ ἦν γενητόν, ἐκ τοῦ μὴ ὄντος ἂν ἦν· ἄπειρον δέ, ὅτι ἀίδιον· οὐ γὰρ ἔχειν ἀρχὴν ὅθεν ἤρξατο οὐδὲ πέρας οὐδὲ τελευτήν. ἀλλ' οὐδὲ κινήσεως μετέχειν τὸ πᾶν· κινεῖσθαι γὰρ ἀδύνατον μὴ μεθιστάμενον· μεθίστασθαι δ' ἀναγκαῖον ἤτοι εἰς πλῆρες ἢ εἰς

κενόν. πυκνούμενον δὲ τὸν ἀέρα ποιεῖν νεφέλας, εἶτα ὕδωρ, ὃ καὶ κατιὸν ἐπὶ τὸν ἥλιον σβεννύναι αὐτὸν καὶ πάλιν ἀραιούμενον ἐξάπτεσθαι· χρόνῳ δὲ πήγνυσθαι τῷ ξηρῷ τὸν ἥλιον καὶ ποιεῖν ἐκ τοῦ λαμπροῦ ὕδατος ἀστέρας, νύκτα τε καὶ ἡμέραν ἐκ τῆς σβέσεως καὶ ἐξάψεως, καὶ καθόλου τὰς ἐκλείψεις ἀποτελεῖν.

Διογένης ὁ Ἀπολλωνιάτης ἀέρα ὑφίσταται στοιχεῖον· κινεῖσθαι δὲ τὰ πάντα ἀπείρους τ' εἶναι τοὺς κόσμους. κοσμοποιεῖ δ' οὕτως· ὅτι τοῦ παντὸς κινουμένου καὶ ᾗ μὲν ἀραιοῦ ᾗ δὲ πυκνοῦ γιγνομένου, ὅπου συνεκύρησε τὸ πυκνόν, συστροφὴν ποιῆσαι, καὶ οὕτω τὰ λοιπὰ κατὰ τὸν αὐτὸν λόγον· τὰ κουφότατα τὴν ἄνω τάξιν λαβόντα τὸν ἥλιον ἀποτελέσαι.

Ἀρχὴν δέ, ὡς καὶ Πλούταρχός φησιν, οὐκ ἐπεὶ δεῖταί τινων ἡμῶν ἡ φύσις καὶ χρώμεθα τούτοις, ἤδη ἐπὶ πᾶν προακτέον καὶ πρὸς πάντα τὴν ἀδικίαν. δίδωσι μὲν γὰρ καὶ παρέχει τοῖς ἀναγκαίοις τὴν ἄχρι τινὸς βλάβην (εἴ γε βλάβη τὸ λαμβάνειν τι παρὰ τῶν φυτῶν, καίτοι ζώντων μενόντων)· τὸ δ’ ἐκ περιουσίας καὶ πρὸς ἡδονὴν ἀπολλύειν ἕτερα καὶ φθείρειν τῆς παντελοῦς ἦν ἀγριότητος καὶ ἀδικίας· καὶ ἡ τούτων ἀποχὴ οὔτε πρὸς τὸ ζῆν οὔτε πρὸς τὸ εὖ ζῆν ἡμᾶς ἠλάττου. εἰ μὲν γὰρ ὡς ἀέρος καὶ ὕδατος φυτῶν τε καὶ καρπῶν, ὧν ἄνευ ζῆν ἀδύνατόν ἐστιν, οὕτω φόνου ζῴων καὶ βρώσεως σαρκῶν ἐτυγχάνομεν δεόμενοι πρὸς τὸν βίον, ἀναγκαίαν ἡ φύσις συμπλοκὴν εἶχεν ἂν πρὸς ταύτην τὴν ἀδικίαν· εἰ δὲ πολλοὶ μὲν ἱερεῖς θεῶν πολλοὶ δὲ βασιλεῖς βαρβάρων ἁγνεύοντες ἄπειρα δὲ γένη ζῴων τὸ παράπαν οὐ θιγγάνοντα τῆς τοιαύτης τροφῆς ζῶσι καὶ τυγχάνουσι τοῦ κατὰ φύσιν τέλους, πῶς οὐκ ἔστιν ἄτοπος ὁ κελεύων, εἴ τισιν ἀναγκαζόμεθα πολεμεῖν, μηδ’ οἷς ἔξεστιν εἰρηνικῶς ὁμιλεῖν, ἀλλ’ ἢ πρὸς μηδὲν τῇ δικαιοσύνῃ χρωμένους ζῆν ἢ πρὸς πάντα χρωμένους μὴ ζῆν; ὥσπερ οὖν ἐπ’ ἀνθρώπων ὁ μὲν αὑτοῦ σωτηρίας ἕνεκα καὶ παίδων καὶ πατρίδος ἢ χρήματά τινων παραιρούμενος ἢ χώραν ἐπιτρίβων καὶ πόλιν ἔχει πρόσχημα τῆς ἀδικίας τὴν ἀνάγκην, ὅστις δὲ ταῦτα δρᾷ διὰ πλοῦτον ἢ κόρον ἢ ἡδονὰς τρυφώσας καὶ ἀποπληρώσεις οὐκ ἀναγκαίων ποριζόμενος ἐπιθυμιῶν, ἄμικτος εἶναι δοκεῖ καὶ ἀκρατὴς καὶ πονηρός· οὕτω τὰς μὲν εἰς φυτὰ βλάβας καὶ πυρὸς καὶ ναμάτων ἀναλώσεις κουράς τε προβάτων καὶ γάλα βοῶν τ’ ἐξημέρωσιν καὶ κατάζευξιν ἐπὶ σωτηρίᾳ καὶ διαμονῇ τοῖς χρωμένοις ὁ θεὸς δίδωσι συγγνώμων· ζῷα δ’ ὑπάγειν σφαγαῖς καὶ μαγειρεύειν ἀναπιμπλαμένους φόνου, μὴ τροφῆς ἢ πληρώσεως χάριν ἀλλ’ ἡδονῆς, καὶ λαιμαργίας ποιουμένους τέλος, ὑπερφυῶς ὡς ἄνομον καὶ δεινόν. ἀρκεῖ γὰρ ὅτι μηδὲν πονεῖν δεομένοις χρώμεθα προκάμνουσι καὶ μοχθοῦσιν,

Ἔστι τοίνυν ὁ μῦθος αἴνιγμα τῶν περὶ ψυχῆς ὑπό τε Πυθαγόρου λεγομένων καὶ Πλάτωνος, ὡς ἄφθαρτος οὖσα τὴν φύσιν καὶ ἀίδιος, οὔ τι μὴν ἀπαθὴς οὐδ’ ἀμετάβλητος, ἐν ταῖς λεγομέναις φθοραῖς καὶ τελευταῖς μεταβολὴν ἴσχει καὶ μετακόσμησιν εἰς ἕτερα σωμάτων εἴδη, καθ’ ἡδονὴν διώκουσα τὸ πρόσφορον καὶ οἰκεῖον ὁμοιότητι καὶ συνηθείᾳ βίου διαίτης· ἔνθα δὴ τὸ μέγα παιδείας ἑκάστῳ καὶ φιλοσοφίας ὄφελος, ἂν μνημονεύουσα τῶν καλῶν ἡ ψυχὴ καὶ δυσχεραίνουσα τὰς αἰσχρὰς καὶ παρανόμους ἡδονὰς δύνηται κρατεῖν καὶ προσέχειν αὑτῇ καὶ φυλάττειν, μὴ λάθῃ θηρίον γενομένη καὶ στέρξασα σώματος οὐκ εὐφυοῦς οὐδὲ καθαροῦ πρὸς ἀρετὴν φύσιν ἄμουσον καὶ ἄλογον καὶ τὸ ἐπιθυμοῦν καὶ θυμούμενον μᾶλλον ἢ τὸ φρόνιμον

αὐξάνοντος καὶ τρέφοντος. αὐτῆς γὰρ τῆς μετακοσμήσεως εἱμαρμένη καὶ φύσις ὑπὸ Ἐμπεδοκλέους δαίμων ἀνηγόρευται

'σαρκῶν ἀλλογνῶτι περιστέλλουσα χιτῶνι' (B 126)

καὶ μεταμπίσχουσα τὰς ψυχάς, Ὅμηρος δὲ τὴν ἐν κύκλῳ περίοδον καὶ περιφορὰν παλιγγενεσίας Κίρκην προσηγόρευκεν, Ἡλίου παῖδα τοῦ πᾶσαν φθορὰν γενέσει καὶ γένεσιν αὖ πάλιν φθορᾷ συνάπτοντος ἀεὶ καὶ συνείροντος. Αἰαίη δὲ νῆσος ἡ δεχομένη τὸν ἀποθνῄσκοντα μοῖρα καὶ χώρα τοῦ περιέχοντος, εἰς ἣν ἐμπεσοῦσαι πρῶτον αἱ ψυχαὶ πλανῶνται καὶ ξενοπαθοῦσι καὶ ὀλοφύρονται καὶ οὐκ ἴσασιν ὅπῃ ζόφος

ΕΚ ΤΩΝ ΤΟΥ ΧΑΙΡΩΝΕΩΣ

[215a] Ὅτι οὐ τὸ ἐπιστητὸν αἴτιον τῆς ἐπιστήμης, ὡς Ἀρκεσίλαος· οὕτω γὰρ καὶ ἡ ἀνεπιστημοσύνη τῆς ἐπιστήμης αἰτία φανεῖται.

[215b] Ὅτι οὐχ ἡ ψυχὴ τρέπει ἑαυτὴν εἰς τὴν τῶν πραγμάτων κατάληψιν καὶ ἀπάτην κατὰ τοὺς ἀπὸ τῆς Στοᾶς. πῶς γὰρ αἰτία ἑαυτῇ γνώσεως ἡ ψυχὴ

καὶ ἀγνοίας, μήπω αὐτὰς ἔχουσα ἀρχήν;

[215c] Ὅτι μόνῳ τῷ Πλάτωνι ῥᾶστον ἀποδοῦναι τὸν λόγον, εἰς λήθην καὶ ἀνάμνησιν ἀναφέροντι τὴν γνῶσιν καὶ τὴν ἄγνοιαν.

[215d] Ὅτι ἔνεισιν μὲν αἱ ἐπιστῆμαι, κρύπτονται δὲ ὑπὸ τῶν ἄλλων ἐπεισοδίων ὁμοίως τῇ ὑπὸ Δημαράτου πεμφθείσῃ δέλτῳ.

[215e] Ὅτι καὶ τὸ ζητεῖν καὶ τὸ εὑρίσκειν δηλοῖ τὴν ἀνάμνησιν· οὔτε γὰρ ζητήσειεν ἄν τις οὗ ἐστιν ἀνεννόητος οὔτε ἀνεύροι διά γε ζητήσεως· λέγεται γὰρ εὑρίσκειν καὶ ὁ κατὰ περίπτωσιν.

[215f] Ὅτι ἄπορον ὄντως εἰ οἷόν τε ζητεῖν καὶ εὑρίσκειν, ὡς ἐν Μένωνι (81d) προβέβληται· οὔτε γὰρ ἃ ἴσμεν, μάταιον γάρ· οὔτε ἃ μὴ ἴσμεν, κἂν γὰρ περιπέσωμεν αὐτοῖς, ἀγνοοῦμεν, ὡς τοῖς τυχοῦσιν. οἱ μὲν γὰρ Περιπατητικοὶ τὸν δυνάμει νοῦν ἐπενόησαν· ἡμεῖς δ’ ἠποροῦμεν ἀπὸ τοῦ ἐνεργείᾳ εἰδέναι καὶ μὴ εἰδέναι. ἔστω γὰρ εἶναι τὸν δυνάμει νοῦν, ἀλλ’ ἔτι ἀπορία ἡ αὐτή· πῶς γὰρ οὗτος νοεῖ; ἢ γὰρ ἃ οἶδεν ἢ ἃ οὐκ οἶδεν. οἱ δὲ ἀπὸ τῆς Στοᾶς τὰς φυσικὰς ἐννοίας αἰτιῶνται· εἰ μὲν δὴ δυνάμει, ταὐτὸ ἐροῦμεν· εἰ δὲ ἐνεργείᾳ, διὰ τί ζητοῦμεν ἃ ἴσμεν; εἰ δὲ ἀπὸ τούτων ἄλλα ἀγνοούμενα, πῶς ἅπερ οὐκ ἴσμεν; οἱ δὲ Ἐπικούρειοι τὰς προλήψεις· ἃς εἰ μὲν διηρθρωμένας φασί, περιττὴ ἡ ζήτησις· εἰ δὲ ἀδιαρθρώτους, πῶς ἄλλο τι παρὰ τὰς προλήψεις ἐπιζητοῦμεν, ὅ γε οὐδὲ προειλήφαμεν;

[215g] Ὅτι καὶ ἡ ἀλήθεια τὸ ὄνομα δηλοῖ λήθης ἐκβολὴν εἶναι τὴν ἐπιστήμην, ὅ ἐστιν ἀνάμνησις.

[215h] Ὅτι καὶ οἱ μητέρα τῶν Μουσῶν τὴν Μνημοσύνην εἰπόντες αὐτὸ τοῦτο ἐνδείκνυνται· αἱ μὲν γὰρ Μοῦσαι τὸ ζητεῖν παρέχονται, ἡ δὲ Μνημοσύνη τὸ εὑρίσκειν.

[215i] Ὅτι καὶ οἱ πολλοὶ τὸ ἀγνοεῖν ἐπιλελῆσθαι λέγοντες τῷ αὐτῷ μαρτυροῦσι· λανθάνειν γὰρ ἡμᾶς φαμεν ἅπερ ἀγνοοῦμεν, καὶ λαθραῖα πράγματα καλοῦμεν τὰ ἀγνοούμενα.

[215j] Ὅτι καὶ προβιοτῆς ἀναμνήσεις ἱστοροῦνται, οἵα καὶ ἡ τοῦ Μύρωνος.

[215k] Ὅτι καὶ ὅσοι γαλῆν φοβοῦνται ἢ σαῦρον ἢ χελώνην, οὓς εἰδέναι αὐτός· καὶ ὁ Τιβερίου ἀδελφιδοῦς ἄρκτους θηρῶν καὶ λέοντας, ὅμως ἀλεκτρυόνα οὐδὲ ἰδεῖν ἠδύνατο· φαρμακοπώλην δέ τινα εἰδέναι ὑπὸ μὲν ἀσπίδων καὶ δρακόντων μηδὲν πάσχειν, μύωπα δὲ φεύγειν μέχρι βοῆς καὶ ἐκστάσεως. Θεμίσων δὲ ὁ ἰατρὸς τὰ μὲν ἄλλα πάθη πάντα μετεχειρίζετο, τὸν δὲ ὑδροφόβαν εἴ τις καὶ ὠνόμασε μόνον, ἐταράττετο καὶ ὅμοια ἔπασχε τοῖς ὑπ’ αὐτοῦ κατεχομένοις· ὧν αἰτίαν εἶναι τὴν ἀνάμνησιν τῆς προπαθείας.

[215l] Ὅτι αἱ τῶν προπαθειῶν σφοδρότεραι τυποῦσι τὰς μνήμας εἰς δύο γενέσεις· οἷον τὸ Πολεμάρχου καὶ τῶν ἐν Κορίνθῳ ὑπὸ τῷ μεγάλῳ σεισμῷ καὶ τὸ ἐν Ἀμοργῷ τοῦ Δημητρίου ἐγγεγραμμένον τῷ τάφῳ.

[215m] Ὅτι ὅμοια πάσχουσι καὶ οἱ ποταμοὺς μᾶλλον ἢ θάλατταν δεδοικότες καὶ οἱ πρὸς τὰ ὕψη ταραττόμενοι.

[216] Ibid. παρὰ τοῦ αὐτοῦ συστάσεις ἕτεραι.

[216a] Ὅτι τὰ νεογενῆ παιδία ἀμειδῆ ἐστι καὶ ἄγριον βλέπει μέχρι τριῶν σχεδὸν ἑβδομάδων ὑπνώττοντα τὸν πλείω χρόνον· ἀλλ’ ὅμως ποτὲ καθ’ ὕπνους καὶ πολλάκις γελᾷ καὶ διαχεῖται. τίνα οὖν τρόπον ἄλλον τοῦτο συμβαίνει ἢ τῆς ψυχῆς τότε ἀπὸ τῆς δίνης τοῦ ζῴου ἀναφερούσης καὶ κατὰ τὰς ἑαυτῆς προπαθείας κινουμένης;

[216b] Ὅτι καὶ αἱ πρὸς τάδε ἢ τάδε εὐφυίαι τοῦτον ἀποβαίνουσι τὸν τρόπον.

[216c] Ὅτι τὸ μὲν λέγειν οὕτω πεφυκέναι παχύ τε καὶ ἰδιωτικὸν καὶ ἀρκοῦν πρὸς πᾶσαν ἀπόκρισιν. ἀλλ’ οἷον τὸ πεφυκέναι ζητητέον ὅμως· ἄλλο γὰρ ἄλλου, ὡς τῆς λογικῆς ψυχῆς τὸ ἀπὸ τῶν προεγνωσμένων τὰ παρόντα ἀναγνωρίζειν.

[216d] Ὅτι ἔσωθεν ἐκφέρομεν τὰς τῶν ζητημάτων ἐπιστήμας, δηλοῖ τὸ πρὸς τὴν εὕρεσιν συντεινομένους εἴσω βλέπειν.

[216e] Ὅτι καὶ ἡ εὐφροσύνη ἡ ἐπὶ τοῖς εὑρήμασι δηλοῖ τὸν ἀναγνωρισμὸν τῆς ὅτι μάλιστα οἰκείας ἡμῖν ἀληθείας ἐν τῷ μέσῳ χρόνῳ οἷον ἀπολομένης.

[216f] Ὅτι Βίων ἠπόρει περὶ τοῦ ψεύδους, εἰ καὶ αὐτὸ κατ’ ἀνάμνησιν ὡς τοὐναντίον γε, ἢ οὔ· καὶ τί ἡ ἀλογία. ἢ ῥητέον ὡς καὶ τοῦτο γίγνεται κατὰ τὸ εἴδωλον τοῦ ἀληθοῦς· τὸ δὲ εἴδωλον εἶναι τοῦτο, ὅπερ ἀληθὲς οὐκ ἄν τις νομίσειεν, εἰ μή πῃ εἰδείη τὸ ἀληθές.

[216g] Ὅτι Στράτων ἠπόρει, εἰ ἔστιν ἀνάμνησις, πῶς ἄνευ ἀποδείξεων οὐ γιγνόμεθα ἐπιστήμονες, πῶς δὲ οὐδεὶς αὐλητὴς ἢ κιθαριστὴς γέγονεν ἄνευ μελέτης. ἢ μάλιστα μὲν γεγόνασί τινες καὶ αὐτοδίδακτοι· Ἡράκλειτος, ὁ Αἰγύπτιος γεωργός, Φήμιος ὁ Ὁμήρου, Ἀγάθαρχος ὁ γραφεύς. εἶτα καὶ αἱ ψυχαὶ πολλῷ τῷ κάρῳ κατεχόμεναι τῆς γενέσεως πολλῆς πρὸς ἀνάμνησιν δέονται τῆς μολείας· διὸ καὶ τῶν αἰσθητῶν χρῄζουσιν.

De proverbiis Alexandrinorum

ΠΛΟΥΤΑΡΧΟΥ ΠΕΡΙ ΤΩΝ ΠΑΡ’ ἈΛΕΧΑΝΔΡΕΥΣΙ ΠΑΡΟΙΜΙΩΝ

[1] οἶδα Σίμωνα καὶ Σίμων ἐμέ· Τελχίνων φύσει βασκάνων ὄντων (καὶ γὰρ τῷ τῆς Στυγὸς ὕδατι τὴν γῆν καταρραίνοντες ἄγονον ἐποίουν) δύο ἐγένοντο ἡγεμόνες, Σίμων καὶ Νίκων. ὑπερίσχυσε δὲ ὁ Σίμων κακοτροπώτατος ὢν ὥστε καὶ τὴν ἐπὶ Νίκωνι φήμην ἀπαλεῖψαι. διόπερ οἱ παροιμιαζόμενοι μόνον τὸν Σίμωνα ὀνομάζουσι. λεχθείη δ’ ἂν ἡ παροιμία ἐπὶ τῶν ἀλλήλους ἐπὶ κακίᾳ γινωσκόντων.

[2] τὸ Βάβυος χεῖρον: Μαιάνδρῳ τῷ ποταμῷ δύο ἐγενέσθην παῖδε, Βάβυς καὶ Μαρσύας· ὧν ὁ Μαρσύας μὲν δυσὶ καλάμοις κατὰ τὸν Φρύγιον ηὔλει νόμον, ἑνὶ δὲ μόνῳ ὁ Βάβυς. ἀλλ’ ὁ μὲν ἐπαρθεὶς τοῖς αὐλοῖς εἰς τοσοῦτον ἀπονοίας ἦλθεν [ὁ Μαρσύας], ὥς καὶ τῷ Ἀπόλλωνι περὶ αὐλητικῆς φιλονεικῆσαι. ἀγανακτήσαντος δὲ τοῦ θεοῦ εἰσπράττεται τῆς ἀπονοίας δίκην ‹καὶ› ἐν Κελαιναῖς τῆς Φρυγίας ἀσκὸς ἐξεδάρη. μέλλοντα δὲ καὶ τὸν Βάβυν ὁμοίως κολάζεσθαι, Ἀθήνη ἐπιφανεῖσα ἐξῃτήσατο ὑποθεμένη ὡς ἀφυῶς τῷ αὐλῷ χρᾶται. ὅθεν

[3] Ὑπερβερεταῖα: ἐπὶ τῶν ὑπερχρονίων εἴρηται. παρὰ γὰρ Μακεδόσιν ὁ τελευταῖος μὴν τοῦ ἐνιαυτοῦ Ὑπερβερεταῖος καλεῖται.

[4] Τὰ ἐκ παλαιᾶς: λείπει ἐνθάδε τὸ ‘τῆς Τύρου’. Τύρον γὰρ τὴν παλαιὰν Ἀλέξανδρος ὁ Μακεδὼν πολλῇ χειρὶ ἐπελθὼν διέθηκε τὰ χαλεπώτατα, ὥστε τὴν πόλιν κατασκάψαι, τοὺς δὲ πολίτας οὓς μὲν ἀνασκολοπίσαι, οὓς δὲ κατακαῦσαι. ἐκ τούτου γοῦν ἡ παροιμία ‹λέγεται› ἐπὶ τῶν κακῶς διακειμένων.

[5] δανάκη: τοῦτο νομίσματός ἐστιν ὄνομα, ὃ τοῖς νεκροῖς ἐδίδοσαν πάλαι συγκηδεύοντες ‘νεὼς Ἀχερουσίας ἐπίβαθρον.’ Ἀχερουσία δέ ἐστι λίμνη ἐν Ἅιδου, ἣν διαπορθμεύονται οἱ τελευτῶντες, τὸ προειρημένον νόμισμα τῷ πορθμεῖ διδόντες.

[6] Ἰνοῦς ἄχη: Ἰνὼ ἡ Κάδμου συνελθοῦσα Ἀθάμαντι δύο ἐγέννησε παῖδας, Λέαρχον καὶ Μελικέρτην, καὶ θυγατέρα Εὐρύκλειαν. οὗτοι ὑπὸ Ἀθάμαντος μανέντος κατετοξεύθησαν. μετὰ δὲ τοῦ Μελικέρτου ἡ Ἰνὼ ἔρριψεν ἑαυτὴν εἰς τὴν πρὸς τῷ Μολουρίῳ θάλασσαν· καὶ τὴν μὲν εἰς Μέγαρα προσβρασθεῖσαν Μεγαρεῖς ἀνελόμενοι καὶ πολυτελῶς κηδεύσαντες ἐκάλεσαν Λευκοθέαν· τὸν δὲ εἰς Κορίνθιοι θάψαντες Μελικέρτην καὶ ἄγουσιν ἐπ’ αὐτῷ ἀγῶνα τὰ Ἴσθμια. διὰ δὴ ταῦτα εἴρηται Ἰνοῦς ἄχη. ἄχος γὰρ ἡ λύπη ἀχανεῖς ποιοῦσα τοὺς κακῶς παθόντας. Ἀθάμαντι δὲ μανίαν

ἐμβαλόντες ‹οἱ θεοὶ› τὴν Ἰνὼ τοιαῦτα παθεῖν παρεσκεύασαν. ταῦτα δὲ δηλώσει καὶ Μενεκράτης ὁ Τύριος

[7] ὁ ἄπληστος πίθος: ἐπὶ τῶν πολλὰ ἐσθιόντων καὶ γαστριμαργούντων. μετενήνεκται δὲ ἀπὸ τοῦ μύθου τοῦ περὶ τὰς Δαναΐδας, καὶ τοῦ πίθου εἰς ὃν ἀνιμῶσαι ὕδωρ βάλλουσι· λέγεται γὰρ οὗτος ὁ πίθος ἐν Ἅιδου εἶναι οὐδέποτε πληρούμενος· πάσχουσι δὲ περὶ αὐτὸν αἱ τῶν ἀμυήτων ψυχαί, καὶ αἱ κόραι, ἃς ἔνιοι Δαναΐδας λέγουσιν, αἳ πληροῦσαι ἐν κατεαγόσιν ἀγγείοις ὕδωρ πρὸς αὐτὸν φέρουσι τετρημένον. ‹ἐγ›γέγραπται δὲ τῷ πίθῳ 'ἀμυήτων' Λέγονται δὲ αἱ κόραι 'ἠπεδαναί', τουτέστιν ἀσθενεῖς παρὰ τὸ ἄπεδον δύναται δὲ ἡ παροιμία καὶ ἐπ' αὐτοῦ λέγεσθαι τοῦ Ἅιδου, ὅτι πολλῶν πάντοτε θνησκόντων οὐδέποτε πληροῦται.

[8] τὰς ἐν Ἅιδου τριακάδας: τιμᾶται ἡ τριακὰς ἐν Ἅιδου διὰ τὴν Ἑκάτην μυστικώτερον, ᾗ καὶ τρίγλα ἐπιθύεται, , ἐπεὶ καὶ αὐτὴν τὴν Ἑκάτην φασὶ Τριτογενῆ εἶναι. καὶ γὰρ Ἀθηνᾶ καὶ Ἄρτεμις καὶ Ἑκάτη αἱ τρεῖς δοκοῦσιν ἓν εἶναι. τὸ γοῦν μυστικὸν Ἑκάτη ἡ Φερσεφόνεια καλεῖται, τῶν ὑποχθονίων δεσπότις. ὅθεν καὶ ἀφιδρύματα Ἑκάτης πρὸς ταῖς τριόδοις ἐστὶ καὶ τὰ νεκύσια τῇ τριακάδι ἄγεται. λεχθείη δ' ἂν ἡ παροιμία ἐπὶ τῶν περιέργων καὶ τὰ ἀποκεκρυμμένα ζητούντων γινώσκειν.

[9] ἐν παντὶ μύθῳ καὶ τὸ Δαιδάλου μύσος· Πασιφάην φασὶν ἐρασθεῖσαν ταύρου Δαίδαλον ἱκετεῦσαι, ποιῆσαι ξυλίνην βοῦν ‹καὶ› κατασκευάσαντα [εἰς] αὐτὴν ἐνθεῖναι· ἣν ἐπιβαίνων ὡς βοῦν ὁ ταῦρος ἔγκυον ἐποίησεν. ἐξ ἧς ἐγεννήθη ὁ Μινώταυρος. Μίνως δὲ διά τινας αἰτίας ὀργιζόμενος τοῖς Ἀθηναίοις ἑπτὰ παρθένους καὶ ἴσους νέους ἐξ αὐτῶν ἐδασμολογεῖτο, οἱ παρεβάλλοντο τῷ θηρίῳ. ὡς οὖν τὸν Δαίδαλον ἀρχηγὸν τούτων τῶν κακῶν γενόμενον διά τε τὸ κατεσκευακέναι τὴν ξυλίνην βοῦν καὶ διὰ τὸ αἴτιον τῆς τοῦ θηρίου γενέσεως γεγονέναι ἐμυσάχθησαν, ἐξηνέχθη ἡ παροιμία.

[10] νόμος καὶ χώρα: ἡ παροιμία αὕτη λέγεται διὰ τὸ ἕκαστον ἔθνος ἰδίοις νόμοις χρῆσθαι. Πέρσαι μὲν γὰρ μεθύοντες βουλεύονται. καὶ τοὺς βασιλεῖς ἑαυτῶν ὡς θεοὺς προσκυνοῦσι, καὶ οἱ μὲν ἶσοι ἀλλήλους καταφιλοῦσιν, οἱ δὲ ταπεινότεροι τῶν παρειῶν τῶν μειζόνων μόνον θιγγάνουσι· τὰ δὲ γεννηθέντα αὐτοῖς παιδία μετὰ τετραετίαν βλέπουσιν.

καὶ ἄλλα εἰσὶ παρ' ἄλλοις, οἷς μόνοι κατὰ ἴδιον ἔθος χρῶνται.

Γόρδιοι τὸν παχύτατον αὐτῶν βασιλέα αἱροῦνται. Σούρακοι τὸ διάδημα τῷ μακροτάτῳ διδόασιν: ὡς δέ τινες φασὶ, τῷ μακροτάτην ἔχοντι τὴν κεφαλήν.

Στάφυλοι τιμῶσι γυναῖκα τὴν πλείοσιν ἀνδράσι γαμηθεῖσαν. Ὄρειοι Μασσαγέται ἐν ταῖς ὁδοῖς πλησιάζουσι. Σαυρομάται παρὰ πότον τὰς

θυγατέρας πιπράσκουσι. παρ’ Ἀμαζόσιν οὐδεμία γαμεῖται, ἐὰν μὴ πολέμιον ἀνέλῃ.

Τιβαρηνοὶ τῶν γυναικῶν τεκουσῶν αὐτοὶ τὰς κεφαλὰς δέονται καὶ κατακλίνονται.

παρὰ τοῖς Κερκεταίοις οἱ ἐργάται τὰ φορτία βαστάζουσιν, ἄχρις οὗ τις αὐτὰ ὠνήσεται.

Ἐσσηδόνες τοὺς γονεῖς ἐσθίουσι χωρὶς τῆς κεφαλῆς· τὴν δὲ κεφαλὴν χρυσοῦσιν. Καυσιανοὶ ἐπὶ μὲν τοῖς γεννωμένοις δακρύουσιν, ἐπὶ δὲ ἀποθνήσκουσι χαίρουσιν.

Βακχείριοι ἐὰν ἀπὸ νόσου ‹μὴ› σωθῶσι, κυσὶν ἑαυτοὺς παραβάλλουσιν.

Ὀργεμπαῖοι οἰκίας οὐκ ἔχουσιν, οὐδ’ ἔμψυχόν τι σιτοῦνται· εἰσὶ δὲ καὶ σὺν γυναιξὶ φαλακροὶ διὰ τὴν φύσιν τοῦ ὕδατος, οὗ πίνουσι.

Θυσσαγέται τὰ ὀστᾶ τοῖς θεοῖς ἐπιθύουσιν, αὐτοὶ τὰς σάρκας ἐσθίοντες. Ταυροσκύθαι ἀνθρωποθυτοῦσιν.

Βυζωνοὶ μεσόγειοι βοῦς ἀμέλγοντες μόνῃ ταύτῃ τροφῇ χρῶνται. οἱ κατὰ τὴν ἡμετέραν οἰκουμένην Ἴβηρες κυνῶν ἀγέλας τρέφουσιν ἀντὶ προβάτων. Αἰθίοπες δὲ οἱ λεγόμενοι Κολχεῖς ὑαίνας. διὰ ταῦτα ἡ παροιμία εἴρηται.

[11] οἶκος φίλος, οἶκος ἄριστος: ἔνιοι τὴν παροιμίαν ἐπὶ τὸ γελοιότερον μεταφράζοντες αὐτὴν ἐπὶ τῆς χελώνης εἶναί φασιν.

[12] συντομώτερος ληκύθου: οἱ γῆς ἐπίβαθρον παρ’ Ἀθηναίοις τελοῦντες μέτοικοι λοιδορούμενοι ὑπὸ τῶν φύσει Ἀθηναίων ἠνείχοντο, οὐδὲ χανεῖν πρὸς τὰς λοιδορίας δυνάμενοι.

[13] λούσαιο τὸν Πελίαν: αὕτη ἡ παροιμία προήχθη ἐκ τῶν συμβεβηκότων τῷ Πελίᾳ· ὃν αἱ θυγατέρες αὐτοῦ εἰς λέβητα ζέοντα καθῆκαν, ἐξαπατηθεῖσαι ὑπὸ Μηδείας, ὡς νέον ποιήσουσαι, καὶ οὕτως αὐτὸν δαπανηθέντα ἀπώλεσαν. ἐλούσαντο δὲ καὶ ἄλλοι πολλοὶ κακῶς. Μάγαν μὲν γὰρ τὸν τοῦ Φιλοπάτορος ἀδελφὸν ὁ Θέογος λουόμενον καθήψησε ζέοντα λέβητα ἐπικλύσας αὐτῷ. Μίνῳ δὲ τῷ Κρητῶν βασιλεῖ αἱ Κωκάλου θυγατέρες ἐπέχεαν ζέουσαν πίσσαν.

[14] ἢ δεῖ χελώνης κρέα φαγεῖν ἢ μὴ φαγεῖν: ἐπὶ τῶν κατακόρως καὶ ἀδιαφόρως πάντα ἐσθιόντων

[15] ἧλιξ ἥλικα τέρπει:

[16] καθ’ αὑτοῦ Βελλεροφόντης: Βελλεροφόντης ἀνελὼν Πειρῆνα περὶ ἱερὸν εἰς Τίρυνθα φυγὰς ἐξ Ἄργους παραγίνεται πρὸς τὸν Προῖτον· Προῖτος δ’ αὐτὸν διαβληθέντα ὑπὸ τῆς γυναικὸς αὐτοῦ εἰς Λυκίαν ἀποστέλλει πρὸς Ἀμφιάνακτα γράμματα ἔχοντα, ὥστε τὸν φέροντα ἀποκτιννύναι. ὁ δὲ ἀγνοῶν τὰ γεγραμμένα καθ’ ἑαυτοῦ, ἀπήνεγκε ὁ δὲ πέμπει ‹αὐτὸν› πρὸς Ἀμισόδαρον

[17] Βησᾶς ἕστηκας: οὗτος ἕστηκεν [οἷον ἀχανὴς καὶ] παταγώδης καὶ ὑπόμωρος.

[18] μερὶς οὐ πνίγει: τῶν ἐδεσμάτων κοινῇ καὶ μὴ κατὰ μέρος τιθεμένων τὸ πρότερον οἱ δυνατώτεροι τὰς τροφὰς τῶν ἀσθενῶν ἥρπαζον, καὶ συνέβαινε τούτους ἀποπνίγεσθαι, ἐπεὶ ἄρα αὐτοῖς βοηθεῖν οὐκ ἠδύναντο. διὰ τοῦτο οὖν ὁ διαμερισμὸς ἐπενοήθη· καὶ ἕκαστος ἑκάστῳ τὸ ἶσον λαμβάνων ἐπεφώνει· ‘μερὶς οὐ πνίγει.’

[19] ἀφ’ ἵππων ἐπ’ ὄνους: τὴν παροιμίαν ταύτην ἐροῦμεν ἐπὶ τῶν ἀπὸ τῶν σεμνῶν εἰς τὰ ἄσεμνα ἡκόντων· οἷον ἀπὸ γραμματικῶν ἢ πραγματικῶν εἰς χαλκευτικὴν ἢ ἡνιοχευτικὴν ἢ εἰς ἄλλο τι τῶν ἀτιμοτάτων.

[20] Κόττας Μάξιμος: οὗτος ὕπαρχος ἦν Πομπηΐου, πιστευθεὶς Κυπρὸν καὶ Σαρδώ. ἀγανακτήσας δὲ κατ’ αὐτοῦ ὁ Καῖσαρ Ἰούλιος δι’ ἣν εἶχεν ὑπεροψίαν καθεῖλεν αὐτόν. λέγεται γοῦν ἐπὶ τῶν ὑπὲρ τὸ δέον φρονηματιζομένων.

[21] τὸ ἀρνίον σοι λελάληκεν: Αἰγύπτιοι τοῦτο ἀνέγραψαν ὡς ἀνθρωπείᾳ φωνῇ λαλῆσαν· εὑρέθη δὲ ἔχον βασίλειον δράκοντα ἐπὶ τῆς κεφαλῆς αὐτοῦ πτερωτὸν ἔχοντα μῆκος πήχεων δ’, καὶ τῶν βασιλέων τινὶ λελάληκε τὰ μέλλοντα .

[22] τὸ βασιλικὸν βοΐδιον: ἐπὶ Πτολεμαίου τοῦ νέου Διονύσου βασιλεύοντος βοῦς ἀπέτεκεν ἓξ βοΐδια· πρὸς ἀγαθοῦ δὲ οἰωνοῦ τὸ συμβεβηκὸς λαβὼν ὁ Πτολεμαῖος προσέταξεν ἐν τοῖς βασιλείοις μετὰ πάσης ἐπιμελείας πολυτελῶς αὐτὰ τρέφεσθαι. διὸ καὶ βασιλικὰ ἐκλήθη· χρήσῃ δὲ τούτῳ ἢ ἐπὶ τῶν θεραπείας πολλῆς ἀξιουμένων ἢ ἐπὶ τῶν εὐτυχούντων.

[23] ὁ Φθάς σοι λελάληκεν: Μεμφῖται τὸν Ἥφαιστον Φθὰν καλοῦσιν. ἔστι δὲ χρησμολόγος ὁ Φθὰς παρ’ αὐτοῖς.

[24] ἄφωνος Ἱππαρχίων: κατὰ τοὺς προπάτορας ἡμῶν δύο κιθαρῳδοὶ διάσημοι ἐγένοντο, Ἱππαρχίων καὶ Ῥουφῖνος. καὶ δὴ ἀγῶνος ἐνστάντος πενταετηρικοῦ ἀγομένου ἐν Ἰουλιοπόλει κατὰ τὸ ἔθος ὁ Ἱππαρχίων ἀχανὴς ἔστη ταραχῇ τῇ περὶ τὸ θέατρον ἀποσιωπήσας.

[25] Βόκχορις: οὗτος βασιλεὺς Αἰγύπτιος ὢν ἐπὶ δικαιοσύνῃ καὶ ἐπινοίᾳ κρίσεων ἀπομνημονεύεται. εἴρηται δὲ ἡ παροιμία ἐπὶ τῶν δικαιότατα καὶ παρευρημένως κρινόντων.

[26] Προμέρου κύνες: οὗτος βασιλικὸς οἰκέτης ὢν ἐμίσησε καθ’ ὑπερβολὴν Εὐριπίδην τὸν [τῶν] τραγῳδοποιὸν [ποιητὴν] ἔκ τινων διαβολῶν τῶν πρὸς τὸν ἑαυτοῦ δεσπότην· ἀναλύοντι δ’ αὐτῷ ἐπαφῆκε κύνας ἀγρίους, οἳ τὸν Εὐριπίδην κατεθοινήσαντο. διὰ τοῦτο καὶ ἡ παροιμία

[27] Πτολεμαῒς ἡ δίκη: πρεσβῦτις ἦν ἀρχαία αὕτη, ἄχρις οὗ ἀποθάνοι δίκας λαχοῦσα διὰ τὸ ἀεὶ [ποτε] ὑπερτίθεσθαι καὶ μήποτε βούλεσθαι ἀπαλλαγῆναι

τοῦ δικάζεσθαι. ἐπὶ τῶν ἀεὶ δικαζομένων.

INTRODUCTION TO PLUTARCH by Bernadotte Perrin

Plutarch was born at Chaeroneia, a small town on the northern confines of Boeotia, about the middle of the first century of our era, and toward the close of the reign of the emperor Claudius. he belonged to a family of ample means and generous culture, and was liberally educated. He studied at Athens, the most attractive university town in his day for both Greeks and Romans, and was a disciple of Ammonius of Lamptrae, a Peripatetic philosopher deeply versed in religious lore. Returning to his native town, he was soon called upon to represent it as deputy to the Roman governor of the province of Greece. That he travelled extensively over Greece, visited Asia Minor, Egypt, and Italy, and resided much at Rome, may be inferred from his writings, as most that is known about him must be inferred. At Rome, he was in charge of certain public business, so that he had not time to learn thoroughly the Latin language, as he himself confesses in the introduction to the *Demosthenes.* But Greek was the language of literary and polite society at Rome, and cultivated Greeks, especially philosophers, were welcome there. As a Greek philosopher, and a populariser of Platonism, Plutarch read and lectured at Rome, much as he did in the small but select circle of his intimates and friends at home. He made and retained a large acquaintance with the prominent Romans of his day, and was familiar with the questions which most occupied the minds of men at the political centre of the world. Then, after Athenian education, generous travels, diplomatic missions, modest literary celebrity, and considerable residence at Rome, he seems to have retired to his little country home, with his books, notes, lectures, essays, and gentle philosophy, and there, in a leisure not all too much encroached upon by local magistracies and certain religious offices at neighboring Delphi, to have elaborated the sketches of his lectures and essays, which have come down to us under the collective name of *Morals* , and to have composed the work on which his fame chiefly rests, — the *Parallel Lives of Greeks and Romans.* He lived through the reigns of Nero, Domitian, and Trajan, and, leaving the world as he did about 120 A.D., must have rejoiced at the

accession of Hadrian to the imperial throne. His world had grown steadily better while he lived, and was now to enjoy its second golden age.

The *Morals* were composed, for the greater part, before the *Lives* , and are an invaluable prelude to and commentary on them, especially if we would know just what manner of man the author of the *Lives* was. They tell us, as the *Lives* do not, "of the points of view, moral and religious, from which he contemplated not this man's life or the other's, but the whole life of men. Nor is it too much to affirm that of the two halves of Plutarch's writings, of his *Lives* and his *Morals* , each constitutes a complement of the other; the one setting forth to us, and, so far as this was possible, from ideal points of view, what the ancient world had accomplished in the world of action, and the other what, in like manner, it had aimed at and accomplished in the world of thought" (Trench, *Plutarch* , p90). But even in the *Lives* , Plutarch is far more moralist than historian.

Greece, after passing under Roman sway, lost sight gradually of her great men of action, and contented herself with the glories of her men of thought. Here surely the dominant Romans could not vie with her. It was to prove that the more remote past of Greece could show its lawgivers, commanders, statesmen, patriots, and orators, as well as the nearer and therefore more impressive past of Rome, that the *Parallel Lives* were written. With Scipio Africanus the Elder, the greatest man of Rome, Plutarch matched Epaminondas, the greatest man of Greece. This pair, or "book," of *Lives* is unfortunately lost. With Camillus, who saved Rome from the Gauls, he matched Themistocles, who saved Athens from the Persians. Then followed, as nearly as the order can be determined — for the order of the *Lives* in our collection is not the original one, the *Cimon and Lucullus* , the *Lycurgus and Numa* , the *Demosthenes and Cicero* , the *Pelopidas and Marcellus* , the *Lysander and Sulla* , the *Philopoemen and Flamininus* , the *Pericles and Fabius Maximus* , the *Aristides and Cato Major* , and thirteen other pairs. Eighteen of the twenty-two pairs which have come down to us, close with a formal comparison of the two careers and characters. This is often fanciful and forced, abounds in contrasts rather than resemblances, and is seldom of any special historical value, although it often has great literary charm. There are also four single *Lives* in our collection, *Artaxerxes, Aratus, Galba* , and *Otho* , and we get traces of twelve more that are now lost. One of the pairs is a double one, where, to match the two Gracchi, Plutarch selects the two

reforming Spartan kings, Agis and Cleomenes. We have in all, therefore, fifty *Lives* by Plutarch.

LIFE OF PLUTARCH by Aubrey Stewart

Plutarch was born probably between A.D. 45 and A.D. 50, at the little town of Chaeronea in Boeotia. His family appears to have been long established in this place, the scene of the final destruction of the liberties of Greece, when Philip defeated the Athenians and Boeotian forces there in 338 B.C. It was here also that Sulla defeated Mithridates, and in the great civil wars of Rome we again hear, this time from Plutarch himself, of the sufferings of the citizens of Chaeronea. Nikarchus, Plutarch's great-grandfather, was, with all the other citizens, without any exception, ordered by a lieutenant of Marcus Antonius to transport a quantity of corn from Chaeronea to the coast opposite the island of Antikyra. They were compelled to carry the corn on their shoulders, like slaves, and were threatened with the lash if they were remiss. After they had performed one journey, and were preparing their burdens for a second, the welcome news arrived that Marcus Antonius had lost the battle of Actium, whereupon both the officers and soldiers of his party stationed in Chaeronea at once fled for their own safety, and the provisions thus collected were divided among the inhabitants of the city.

When Plutarch was born, however, no such warlike scenes as these were to be expected. Nothing more than the traditions of war remained on the shores of the Mediterranean. Occasionally some faint echo of strife would make itself heard from the wild tribes on the Danube, or in the far Syrian deserts, but over nearly all the world known to the ancients was established the Pax Romana. Battles were indeed fought, and troops were marched upon Rome, but this was merely to decide who was to be the nominal head of the vast system of the Empire, and what had once been independent cities, countries, and nations submitted unhesitatingly to whoever represented that irresistible power. It might be imagined that a political system which destroyed all national individuality, and rendered patriotism in its highest sense scarcely possible, would have reacted unfavourably on the literary character of the age. Yet nothing of the kind can be urged against the times which produced Epictetus, Dio Chrysostom and Arrian; while at Rome, Pliny

the Younger, Tacitus, Martial, and Juvenal were reviving the memories of the Augustan age.

From several passages in Plutarch's writings we gather that he studied under a master named Ammonius, at Athens. For instance, at the end of his Life of Themistokles, he mentions a descendant of that great man who was his fellow-student at the house of Ammonius the philosopher. Again, he tells us that once Ammonius, observing at his afternoon lecture that some of his class had indulged too freely in the pleasures of the table, ordered his own son to be flogged, "because," he said, "the young gentleman cannot eat his dinner without pickles," casting his eye at the same time upon the other offenders so as to make them sensible that the reproof applied to them also.

By way of completing his education he proceeded to visit Egypt. The "wisdom of the Egyptians" always seems to have had a fascination for the Greeks, and at this period Alexandria, with its famous library and its memories of the Ptolemies, of Kallimachus and of Theokritus, was an important centre of Greek intellectual activity. Plutarch's treatise on Isis and Osiris is generally supposed to be a juvenile work suggested by his Egyptian travels. In all the Graeco-Egyptian lore he certainly became well skilled, although we have no evidence as to how long he remained in Egypt. He makes mention indeed of a feast given in his honour by some of his relatives on the occasion of his return home from Alexandria, but we can gather nothing from the passage as to his age at that time.

One anecdote of his early life is as follows:— "I remember," he says, "that when I was still a young man, I was sent with another person on a deputation to the Proconsul; my colleague, as it happened, was unable to proceed, and I saw the Proconsul and performed the commission alone. When I returned I was about to lay down my office and to give a public account of how I had discharged it, when my father rose in the public assembly and enjoined me not to say *I* went, but *we* went, nor to say that *I* said, but *we* said, throughout my story, giving my colleague his share."

The most important event in the whole of Plutarch's pious and peaceful life is undoubtedly his journey to Italy and to Rome; but here again we know little more than that he knew but little Latin when he went thither, and was too busy when there to acquire much knowledge of that tongue. His occupation at Rome, besides antiquarian researches which were afterwards worked up into his Roman Lives, was the delivery of lectures on philosophical and other subjects, a common practice among the learned

Greeks of his day. Many of these lectures, it is conjectured, were afterwards recast by him into the numerous short treatises on various subjects now included under the general name of Moralia. Plutarch's visit to Rome and business there is admirably explained in the following passage of North's 'Life of Plutarch':— "For my part, I think Plutarch was drawn to Rome by meanes of some friends he had there, especially by Sossius Senecio, that had been a Consull, who was of great estimation at that time, and namely under the Empire of Trajan. And that which maketh me think so, is because of Plutarch's own words, who saith in the beginning of his first book of his discourse at the table, that he gathered together all his reasons and discourses made here and there, as well in Rome with Senecio, as in Greece with Plutarch and others. Not being likely that he would have taken the pains to have made so long a voyage, and to have come to such a city where he understood not their vulgar tongue, if he had not been drawn thither by Senecio, and such other men; as also in acknowledgement of the good turnes and honour he had received by such men, he dedicated diverse of his bookes unto them, and among others, the Lives unto Senecio, and the nine volumes of his discourse at the table, with the treaty, How a man may know that he profiteth in vertue. Now for the time, considering what he saith in the end of his book against curiosity, I suppose that he taught in Rome in the time of Titus and of Domitian: for touching this point, he maketh mention of a nobleman called Rusticus, who being one day at his lecture, would not open a letter which was brought him from the Emperor, nor interrupt Plutarch, but attended to the end of his declamation, and until all the hearers were gone away; and addeth also, that Rusticus was afterwards put to death by the commandment of Domitian. Furthermore, about the beginning of the Life of Demosthenes, Plutarch saith, that whilst he remained in Italy and at Rome, he had no leizure to study the Latine tongue; as well for that he was busied at that time with matters he had in hand, as also to satisfie those that were his followers to learne philosophie of him."

A list of all Plutarch's writings would be a very long one. Besides the Lives, which is the work on which his fame chiefly rests, he wrote a book of 'Table Talk,' which may have suggested to Athenaeus the plan of his 'Symposium.'

The most remarkable of his minor works is that 'On the Malignity of Herodotus.' Grote takes this treatise as being intended seriously as an attack upon the historian, and speaks of the "honourable frankness which Plutarch

calls his malignity." But it is probably merely a rhetorical exercise, in which Plutarch has endeavoured to see what could be said against so favourite and well-known a writer.

He was probably known as an author before he went to Rome. Large capitals have always had a natural attraction for literary genius, as it is in them alone that it can hope to be appreciated. And if this be the case at the present day, how much more must it have been so before the invention of printing, at a time when it was more usual to listen to books read aloud than to read them oneself? Plutarch journeyed to Rome just as Herodotus went to Athens, or as he is said to have gone to the Olympian festival, in search of an intelligent audience of educated men. Whether his object was merely praise, or whether he was influenced by ideas of gain, we cannot say. No doubt his lectures were not delivered gratis, and that they were well attended seems evident from Plutarch's own notices of them, and from the names which have been preserved of the eminent men who used to frequent them. Moreover, strange though it may appear to us, the demand for books seems to have been very brisk even though they were entirely written by hand.

The epigrams of Martial inform us of the existence of a class of slaves whose occupation was copying books, and innumerable allusions in Horace, Martial, &c., to the Sosii and others prove that the trade of a bookseller at Rome was both extensive and profitable. Towards the end of the Republic it became the fashion for Roman nobles to encourage literature by forming a library, and this taste was given immense encouragement by Augustus, who established a public library in the Temple of Apollo on the Mount Palatine, in imitation of that previously founded by Asinius Pollio. There were other libraries besides these, the most famous of which was the Ulpian library, founded by Trajan, who called it so from his own name, Ulpius. Now Trajan was a contemporary of our author, and this act of his clearly proves that there must have been during Plutarch's lifetime a considerable reading public, and consequent demand for books at Rome.

Of Plutarch's travels in Italy we know next to nothing. He mentions incidentally that he had seen the bust or statue of Marius at Ravenna, but never gives us another hint of how far he explored the country about which he wrote so much. No doubt his ignorance of the Latin language must not be taken as a literal statement, and probably means that he was not skilled in it as a spoken tongue, for we can scarcely imagine that he was without some acquaintance with it when he first went to Rome, and he certainly afterwards

became well read in the literature of Rome. In some cases he has followed Livy's narrative with a closeness which proves that he must have been acquainted with that author either in the original or in a translation, and the latter alternative is, of the two, the more improbable.

It seems to be now generally thought that his stay at Rome was a short one. Clough, in his excellent Preface, says on this subject, "The fault which runs through all the earlier biographies, from that of Rualdus downwards, is the assumption, wholly untenable, that Plutarch passed many years, as many perhaps as forty, at Rome. The entire character of his life is of course altered by such an impression." He then goes on to say that in consequence of this mistaken idea, it is not worth while for him to quote Dryden's 'Life of Plutarch,' which was originally prefixed to the translations re-edited by himself. Yet I trust I may be excused if I again quote North's 'Life of Plutarch,' as the following passage seems to set vividly before us the quiet literary occupation of his later days.

"For Plutarch, though he tarried a long while in Italy, and in Rome, yet that tooke not away the remembrance of the sweet aire of Greece, and of the little towne where he was borne; but being touched from time to time with a sentence of an ancient poet, who saith that,

"'In whatsoever countrey men are bred (I know not by what sweetnesse of it led), They nourish in their minds a glad desire, Unto their native homes for to retire,'

"he resolved to go back into Greece againe, there to end the rest of his daies in rest and honour among his citizens, of whom he was honourably welcomed home. Some judge that he left Rome after the death of Trajan, being then of great yeares, to leade a more quiet life. So being then at rest, he earnestly took in hand that which he had long thought of before, to wit, the Lives, and tooke great pains with it until he had brought his worke to perfection, as we have done at this present; although that some Lives, as those of Scipio African, of Metellus Numidicus, and some other are not to be found. Now himselfe confesseth in some place, that when he began this worke, at the first it was but to profit others; but that afterwards it was to profit himselfe, looking upon those histories, as if he had looked in a glasse, and seeking to reform his life in some sort, and to forme it in the mould of the vertues of these great men; taking this fashion of searching their manners, and writing the Lives of these noble men, to be a familiar haunting and frequenting of them. Also he thought, [said he himselfe] that he lodged these

men one after another in his house, entering into consideration of their qualities, and that which was great in either of them, choosing and principally taking that which was to be noted, and most worthy to be knowne in their sayings and deeds."

Of Plutarch in his domestic relations we gather much information from his own writings. The name of his father has not been preserved, but it was probably Nikarchus, from the common habit of Greek families to repeat a name in alternate generations. His brothers Timon and Lamprias are frequently mentioned in his essays and dialogues, where Timon is spoken of in the most affectionate terms. Rualdus has ingeniously recovered the name of his wife, Timoxena, from internal evidence afforded by his writings. A touching letter is still extant, addressed by Plutarch to his wife, bidding her not give way to excessive grief at the death of their only daughter, who was named Timoxena after her mother. The number of his sons we cannot exactly state. Autobulus and Plutarch are especially spoken of as his sons, since the treatise on the Timaeus of Plato is dedicated to them, and the marriage of his son Autobulus is the occasion of one of the dinner-parties recorded in the 'Table Talk.' Another person, one Soklarus, is spoken of in terms which seem to imply that he was Plutarch's son, but this is nowhere definitely stated. His treatise also on Marriage Questions, addressed to Eurydike and Pollianus, seems to speak of her as having been recently an inmate of his house, but without enabling us to form an opinion whether she was his daughter or not. A modern writer well describes his maturer years by the words: "Plutarch was well born, well taught, well conditioned; a self-respecting amiable man, who knew how to better a good education by travels, by devotion to affairs private and public; a master of ancient culture, he read books with a just criticism: eminently social, he was a king in his own house, surrounded himself with select friends, and knew the high value of good conversation; and declares in a letter written to his wife that 'he finds scarcely an erasure, as in a book well written, in the happiness of his life.'"

He was an active member of the little community of Chaeronea, being archon of that town. Whether this dignity was annual or for life we do not know, but it was probably the former, and very likely he served it more than once. He speaks of his devotion to the duties of his office as causing him to incur the ridicule of some of his fellow-citizens, when they saw him engaged in the humblest duties. "But," he says, in Clough's version, "the story told about Antisthenes comes to my assistance. When some one expressed

surprise at his carrying home some pickled fish from market in his own hands, *It is* , he answered, *for myself* . Conversely, when I am reproached with standing by and watching while tiles are measured out, and stone and mortar brought up, *This service* , I say, *is not for myself* , it is for my country."

Plutarch was for many years a priest of Apollo at Delphi. The scene of some of his 'Table Talk' is laid there, when he in his priestly capacity gives a dinner party in honour of the victor in the poetic contest at the Pythian games. Probably this office was a source of considerable income, and as the journey from Chaeronea to Delphi, across Mount Parnassus, is a very short one, it interfered but little with his literary and municipal business. In his essay on "Whether an old man should continue to take part in public life," he says, "You know, Euphanes, that I have for many Pythiads (that is, periods of four years elapsing between the Pythian festivals), exercised the office of Priest of Apollo: yet I think you would not say to me,'Plutarch, you have sacrificed enough; you have led processions and dances enough; it is time, now that you are old, to lay aside the garland from your head, and to retire as superannuated from the oracle.'"

Thus respected and loved by all, Plutarch's old age passed peacefully away. "Notwithstanding," as North says, "that he was very old, yet he made an end of the Lives.... Furthermore, Plutarch, having lived alwaies honourably even to old age, he died quietly among his children and friends in the city of Chaeronea, leaving his writings, an immortal savour of his name, unto posterity. Besides the honour his citizens did him, there was a statue set up for him by ordinance of the people of Rome, in memory of his virtues. Now furthermore, though time hath devoured some part of the writings of this great man, and minished some other: neverthelesse those which remaine, being a great number, have excellent use to this day among us."
